MAYOR PAUL S. LEON • MAYOR PRO TEM DEBRA DORST-PORADA
COUNCIL MEMBERS ALAN D. WAPNER, JIM W. BOWMAN AND RUBEN VALENCIA

CITY CLERK SHEILA MAUTZ • TREASURER JAMES R. MILHISER
CITY MANAGER SCOTT OCHOA • CITY ATTORNEY RUBEN DURAN

WELCOME TO A MEETING OF THE ONTARIO CITY COUNCIL

Due to technical difficulties, the comprehensive agenda packet will be posted as soon as possible. However, all of the individual agenda items and their supporting materials are available now by clicking the blue link on each agenda item.

All documents for public review are on file with the Records Management/City Clerk's Department located at 303 East B Street, Ontario, CA 91764.

Anyone wishing to speak in person during public comment or on a particular item will be required to fill out a blue slip. Blue slips must be turned in prior to public comment beginning or before an agenda item is taken up. The Clerk will not accept blue slips after that time. To comment by email, submit your comments no later than 4:00 p.m. on the day of the meeting by emailing your name, agenda item you are commenting on and your comments to publiccomments@ontarioca.gov. All comments received by the deadline will be forwarded to the City Council for consideration before action is taken on the matter and will be entered into the record.

Comments will be limited to 3 minutes. Speakers will be alerted when they have 1 minute remaining and when their time is up. Speakers are then to return to their seats and no further comments will be permitted.

In accordance with State Law, remarks during public comment are to be limited to subjects within Council's jurisdiction. Remarks on other agenda items will be limited to those items.

Remarks from those seated or standing in the back of the chamber will not permitted. All those wishing to speak including Council and Staff need to be recognized by the Chair before speaking.

ACCOMODATIONS

If you need special assistance or accommodations to participate in this meeting, please contact the City Clerk's office at 909-395-2009. CITY OF ONTARIO *Agenda Report* **July 18, 2023**	**SECTION:** **SPECIAL CEREMONIES**
Department: Recreation & Community Services Prepared By: Danielle Guevara Staff Member Presenting: Helen McAlary, Executive Director Community Life and Culture Approved By:	Submitted To: Council/OHA Approved: _____ Continued To: _____ Denied: _____ Item No:

SUBJECT: PROCLAMATION OF JULY 2023 AS PARKS AND RECREATION MONTH

RECOMMENDATION: That the City Council proclaim the month of July 2023 as Parks and Recreation Month in the City of Ontario.

THE FOLLOWING COUNCIL GOALS ARE BEING ACHIEVED:
Encourage, Provide or Support Enhanced Recreational, Educational, Cultural and Healthy City Programs, Policies and Activities

FISCAL IMPACT: There is no direct fiscal impact associated with this action.

BACKGROUND & ANALYSIS: Since 1985, the National Recreation and Park Association (NRPA) has recognized July as Parks and Recreation Month. To commemorate, organizations and individuals alike celebrate and promote the impact local parks and recreation centers have on their communities. This month serves as an opportunity to encourage residents to explore local parks and enjoy outdoor activities. This year's NRPA theme, "Where Community Grows", is an opportunity for City Staff and community members to celebrate the vital role park and recreation professionals play in bringing people together, providing essential services, and fostering the growth of communities.

The Recreation & Parks Commission met on June 26, 2023, and voted 6-0 to recommend this proclamation to City Council.

This month, the Recreation & Community Services Department will use social media to showcase various recreational programs that build a strong, vibrant, and more resilient community. This showcase will feature interviews with community members who have participated in these programs and describe how parks and recreation have enriched their lives and community. Residents can learn more about recreational programs, classes, activities, and special events by visiting www.OntarioCa.gov/Recreation or by contacting the Recreation & Community Services Department at (909) 395-2020.

PROCLAMATION OF JULY 2023
AS PARKS AND RECREATION MONTH

WHEREAS, parks and recreation programs are an integral part of communities throughout this country, including the City of Ontario, California; and

WHEREAS, parks and recreation promote health and wellness, improving the physical and mental health of people who live near parks; and

WHEREAS, parks and recreation promote time spent in nature, which positively impacts mental health by increasing cognitive performance and well-being, and alleviating illnesses such as depression, attention deficit disorders, and Alzheimer's; and

WHEREAS, parks and recreation encourage physical activities by providing space for popular sports, trails, swimming pools and many other activities designed to promote active lifestyles; and

WHEREAS, parks and recreation programming and education activities, such as after school programming, youth sports and environmental education, are critical to childhood development; and

WHEREAS, parks and recreation programs build healthy, active communities that aid in the prevention of chronic disease, provide therapeutic recreation services for those who are mentally or physically disabled, and also improve the mental and emotional health of all citizens; and

WHEREAS, parks and recreation programs increases a community's economic prosperity through increased property values, expansion of the local tax base, increased tourism, the attraction and retention of businesses, and crime reduction; and

WHEREAS, parks and recreation are fundamental to the environmental wellbeing of our community; and

WHEREAS, parks and recreation are essential and adaptable infrastructure that makes our communities resilient in the face of natural disasters and climate change; and

WHEREAS, our parks and natural recreation areas ensure the ecological beauty of our community and provide a place for children and adults to connect with nature and recreate outdoors; and

WHEREAS, the U. S. House of Representatives has designated July as Parks and Recreation Month; and

WHEREAS, the City of Ontario, California recognizes the benefits derived from parks and recreation resources.

NOW THEREFORE, the City of Ontario, its City Council and staff members do declare the month of July 2023 as **PARKS AND RECREATION MONTH**.

SUBJECT: **RESOLUTIONS ESTABLISHING THE ANNUAL SPECIAL TAXES WITHIN COMMUNITY FACILITIES DISTRICTS IN OLD MODEL COLONY AND ONTARIO RANCH FOR FISCAL YEAR 2023-24**

RECOMMENDATION: That the City Council adopt Resolutions establishing the annual special taxes within City of Ontario Community Facilities Districts in Old Model Colony and Ontario Ranch for Fiscal Year 2023-24.

THE FOLLOWING COUNCIL GOALS ARE BEING ACHIEVED:
Maintain the Current High Level of Public Safety
Operate in a Businesslike Manner
Focus Resources in Ontario's Commercial and Residential Neighborhoods
Ensure the Development of a Well Planned, Balanced, and Self-Sustaining Community in Ontario Ranch

FISCAL IMPACT: As proposed for Fiscal Year 2023-24, total special tax revenues from the districts are projected to be $32,340,632. Special tax revenues from Community Facilities Districts 13, 24, 25, 26, 28, 30, 31-Special Tax A, 33, 34, 35, 38, 39, 40, 41, 42, 43, 45-Special Tax A, 46, 53, 54, 55-Special Tax A, 56-Special Tax A, 57-Special Tax A, 64-Special Tax A, and 66 in the amount of $18,022,771 will be used for debt service for those districts which have issued bonds, or will be used to acquire infrastructure once bonds are issued for those districts currently awaiting bond issuances. Special Tax revenues for Community Facilities Districts 9, 10, 19, 20, 21, 23, 27, 31-Special Tax B, 32, 37, 44, 45-Special Tax B, 47, 48, 49, 50, 51, 55-Special Tax B, 56-Special Tax B, 57-Special Tax B, 58, 59, 60, 61, 62, and 64-Special Tax B in the amount of $14,317,862 will be used to fund City services for the districts. Allocation for Direct Funding of Bonded Community Facilities Districts 24, 25, 26, 28, 30, 31, 33, 34, 38, 39, 40, 41, 42, 43, 45, 46, 53, 55 and 57 in the amount of $1,020,522. The City must declare these funds as City Facilities funds to be able to use them to pay for infrastructure replacement costs in the future. Revenues of $726,000 to the General Fund will be included in the next quarterly budget update to pay for City-provided services and account for the variance of preliminary special tax estimates and the final levy amounts.

BACKGROUND & ANALYSIS: Community Facilities Districts (CFDs) generate special tax revenues used to fund facilities and services within their respective districts. The facilities to be financed by the districts are as follows: street and bridge improvements; domestic and recycled water distribution facilities; sewer collection facilities; solid waste facilities; storm drainage facilities; park and recreation facilities and equipment; aquatic facilities and equipment; fire facilities and equipment; police facilities and equipment; library facilities and equipment; fiber optic telecommunication system facilities; general governmental offices; administrative and meeting facilities; and land, rights-of-way and easements necessary for any of such facilities. The services authorized to be financed, in whole or in part, are as follows: police protection services; fire protection and suppression services; ambulance and paramedic services; maintenance and lighting of parks, parkways, streets, roads, and open space; flood and storm drain protection services; and maintenance and operation of any real property or tangible property with an estimated useful life of five or more years that is owned by the City.

The City's CFD Consultant, Goodwin Consulting Group, has prepared the Fiscal Year 2023-24 Administrative Tax Reports which include a description of each district, the basis for the annual levy, and the eligible uses for district special tax revenues. Each district's report is on file in the Records Management Department.

Summaries of the proposed annual tax rates for Fiscal Year 2023-24 and the assessed rates for Fiscal Year 2022-23 can be found in the attached Annual Tax Levy Tables, Exhibits A through G. It should be noted that, where applicable, the maximum rate that can be legally levied is indicated next to the proposed rate for Fiscal Year 2023-24.

As indicated in the attached exhibits, Staff recommends a level levy rate for Fiscal Year 2023-24, equal to the rates levied in Fiscal Year 2022-23 for City services assessed to residential and non-residential districts located in the Ontario Ranch. Non-residential rates within Ontario Ranch Community Facilities Districts may vary slightly due to rounding to the Special Tax amounts as set within the Rates and Methods of Apportionments (RMA). Staff recommends a level special tax due to the rapid pace of development within the Ontario Ranch.

Community Facilities Districts in Old Model Colony may increase by the Consumer Price Index (CPI) used for Riverside-San Bernardino-Ontario region. The CPI year-over-year time period are as follows: CFD 10 used January 2022 to January 2023, and CFD 20 and CFD 21 used March 2022 to March 2023. CPI rate of 4.6% was used for Community Facilities Districts 20 (Wal-Mart) and 21 (Parkside), and CPI rate of 7.3% was used for Community Facilities District 10 (Ontario Airport Towers). Staff recommends a level levy rate for Fiscal Year 2023-24, equal to the rates levied in Fiscal Year 2022-23 for City services assessed to residential and non-residential districts located in the Old Model Colony.

For Community Facilities Districts 10 (Ontario Airport Towers), 20 (Wal-Mart), and 21 (Parkside) located within the Old Model Colony, Staff proposes a level tax rate equal to the rates levied in Fiscal Year 2022-23 to lessen the tax burden to the landowners within those districts.

Some districts for which bonds will be, or have been, issued to acquire public infrastructure and facilities, will see increases in the total levy collected from all homes in the district. Minor increases are attributable to increases in the levy required to fund each district's annual debt service used to pay for the improvements; however, large increases in the total levy collected from such districts are attributable to new home starts for those districts, many of which are still under construction. The details for each of these levies, which vary by residential floor area (square footage), can be found within each district's Administrative Tax Report and are identified for each parcel number within the district. The adoption of a Resolution for each of the above, named districts by the City Council is required annually to establish the special tax rates to be levied.

RESOLUTION NO. _____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ONTARIO, CALIFORNIA, ACTING IN ITS CAPACITY AS THE LEGISLATIVE BODY OF COMMUNITY FACILITIES DISTRICT NO. 9 (EDENGLEN), ESTABLISHING THE ANNUAL SPECIAL TAX FOR FISCAL YEAR 2023-24.

WHEREAS, the City Council of the City of Ontario, California, has initiated proceedings, held a public hearing, conducted an election and received a favorable vote from the qualified electors relating to the levy of a special tax in a community facilities district, all as authorized pursuant to the terms and provisions of the "Mello-Roos Community Facilities Act of 1982" (the “Act”), being Chapter 2.5, Part 1, Division 2, Title 5, of the Government Code of the State of California. This Community Facilities District is designated as City of Ontario Community Facilities District No. 9 (Edenglen) (hereinafter referred to as "District"); and

WHEREAS, the City Council did, acting as the legislative body of the District, by the enactment of Ordinance No. 2860 (the "Special Tax Ordinance") as authorized by Section 53340 of the Government Code of the State of California, authorize the levy of a special tax to pay for costs and expenses related to the District, and this legislative body is desirous to establish the specific rates of the special tax to be collected for the specified Fiscal Year.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Ontario as follows:

SECTION 1. The above recitals are all true and correct.

SECTION 2. That the specific rates and amount of the special tax to be collected to pay for the costs and expenses (as defined in Section 5 below) for the referenced Fiscal Year for the District is hereby determined and established as set forth in the attached referenced and incorporated Exhibit "A".

SECTION 3. That the rates as set forth above does not exceed the amount as previously authorized by the Special Tax Ordinance of this legislative body, and is not in excess of that as previously approved by the qualified electors of the District.

SECTION 4. The City Manager is authorized and directed to file a certified copy of this Resolution, together with a list of all parcels subject to the special tax for the above specified Fiscal Year and the amount of the special tax to be levied against each such parcel, with the County Auditor/Tax Collector of the County of San Bernardino on or before August 10; provided, however, that such may be filed after August 10, but not later than August 21, if the City Manager obtains the prior written consent of such County Auditor/Tax Collector.

SECTION 5. That the proceeds of the special tax shall be used only to pay the

following costs and expenses:

(a) Costs of providing services authorized to be financed by the District;

(b) Costs incurred by the District and the City in the annual levy and collection of the special taxes;

(c) Administrative costs of the District; and

(d) Any incidental expenses authorized to be financed by the District.

SECTION 6. The special tax shall be collected in the same manner as ordinary ad valorem property taxes are collected, and shall be subject to the same penalties and same procedure and sale in cases of any delinquency for ad valorem taxes, and the County Auditor/Tax Collector is hereby authorized to deduct reasonable administrative costs incurred in collecting any said special tax.

SECTION 7. All monies above collected shall be paid into the Community Facilities District No. 9 Fund.

SECTION 8. The County Auditor/Tax Collector is hereby directed to enter in the next County assessment roll on which taxes will become due, opposite each lot or parcel of land affected in a space marked "CFD No. 9 Special Tax," or by any other suitable designation, the installment of the special tax.

SECTION 9. The County Auditor/Tax Collector shall then, at the close of the tax collection period, promptly render to the District a detailed report showing the amount and/or amounts of such special tax installments, interests, penalties, and percentages so collected and from what property collected, and also provide a statement of any percentages retained for the expense of making any such collection.

SECTION 10. This legislative body hereby certifies that the levy of the special tax was authorized in accordance with the provisions of the Act, and complies with the requirements of Articles XIIIA and XIIIC of the Constitution of the State of California.

The City Clerk of the City of Ontario shall certify as to the adoption of this Resolution.

PASSED, APPROVED, AND ADOPTED this 18th day of July 2023.

The special tax shall be collected in the same manner as ordinary ad valorem property taxes are collected, and shall be subject to the same penalties and same procedure and sale in cases of any delinquency for ad valorem taxes, and the County Auditor/Tax Collector is hereby authorized to deduct reasonable administrative costs incurred in collecting any said special tax.

SECTION 7. All monies above collected shall be paid into the Community Facilities District No. 19 Fund.

SECTION 8. The County Auditor/Tax Collector is hereby directed to enter in the next County assessment roll on which taxes will become due, opposite each lot or parcel of land affected in a space marked "CFD No. 19 Special Tax," or by any other suitable designation, the installment of the special tax.

SECTION 9. The County Auditor/Tax Collector shall then, at the close of the tax collection period, promptly render to the District a detailed report showing the amount and/or amounts of such special tax installments, interests, penalties, and percentages so collected and from what property collected, and also provide a statement of any percentages retained for the expense of making any such collection.

SECTION 10. This legislative body hereby certifies that the levy of the special tax was authorized in accordance with the provisions of the Act, and complies with the requirements of Articles XIIIA and XIIIC of the Constitution of the State of California.

The City Clerk of the City of Ontario shall certify as to the adoption of this Resolution.

RESOLUTION NO. _____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ONTARIO, CALIFORNIA, ACTING IN ITS CAPACITY AS THE LEGISLATIVE BODY OF COMMUNITY FACILITIES DISTRICT NO. 20 (WAL-MART), ESTABLISHING THE ANNUAL SERVICES SPECIAL TAX FOR FISCAL YEAR 2023-24.

WHEREAS, the City Council of the City of Ontario, California, has initiated proceedings, held a public hearing, conducted an election and received a favorable vote from the qualified electors relating to the levy of a special tax in a community facilities district, all as authorized pursuant to the terms and provisions of the "Mello-Roos Community Facilities Act of 1882" (the “Act”), being Chapter 2.5, Part 1, Division 2, Title 5, of the Government Code of the State of California. This Community Facilities District is designated as “Community Facilities District No. 20 of the City of Ontario (Wal-Mart)” (hereinafter referred to as "District"); and

WHEREAS, the City Council did, acting as the legislative body of the District, by the enactment of Ordinance No. 2963 (the "Special Tax Ordinance") as authorized by Section 53340 of the Government Code of the State of California, authorize the levy of a services special tax (the “Services Special Tax”) and a facilities special tax (the “Facilities Special Tax”) to pay for costs and expenses related to the District, and this legislative body is desirous to establish the specific rate of the Services Special Tax to be collected for the specified Fiscal Year.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Ontario as follows:

SECTION 1. The above recitals are all true and correct.

SECTION 2. That the specific rate and amount of the Services Special Tax to be collected to pay for the Costs and Expenses (as defined in Section 5 below) for the referenced Fiscal Year for the District is hereby determined and established as set forth in the attached referenced and incorporated Exhibit "A".

SECTION 3. That the rate as set forth above does not exceed the amount as previously authorized by Ordinance of this legislative body, and is not in excess of that as previously approved by the qualified electors of the District.

SECTION 4. The City Manager is authorized and directed to file a certified copy of this Resolution together with a list of all parcels subject to the Services Special Tax for the above specified Fiscal Year and the amount of the special tax to be levied against each such parcel, with the County Auditor/Tax Collector of the County of San Bernardino on or before August 10; provided, however, that such may be filed after August 10, but not later than August 21, if the City Manager obtains the prior written consent of such County Auditor/Tax Collector.

SECTION 5. That the proceeds of the special tax shall be used only to pay the following costs and expenses:

(a) the lighting, operating, maintaining, improving and servicing of the public street lights and appurtenances benefiting the properties within the District, the maintaining improving and servicing of the landscaping and appurtenances of the raised, landscaped median to be constructed by the landowner on the west side of Mountain Avenue between 5th Street and 6th Street (the "Services"); and

(b) all costs related to financing and administering the Services, the determination of the amount of special taxes to be levied and costs otherwise incurred in order to carry out the authorized purposes of the District and administering the District (the "Services Incidental Expenses").

SECTION 6. The Services Special Tax shall be collected in the same manner as ordinary ad valorem property taxes are collected, and shall be subject to the same penalties and same procedure and sale in cases of any delinquency for ad valorem taxes, and the County Auditor/Tax Collector is hereby authorized to deduct reasonable administrative costs incurred in collecting any said Services Special Tax.

SECTION 7. The County Auditor/Tax Collector is hereby directed to enter in the next County assessment roll on which taxes will become due, opposite each lot or parcel of land affected in a space marked "CFD No. 20 Special Tax," or by any other suitable designation, the installment of the Services Special Tax.

SECTION 8. The County Auditor/Tax Collector shall then, at the close of the tax collection period, promptly render to the District a detailed report showing the amount and/or amounts of such Services Special Tax installments, interests, penalties, and percentages so collected and from what property collected, and also provide a statement of any percentages retained for the expense of making any such collection.

SECTION 9. This legislative body hereby certifies that the levy of the Services Special Tax was authorized in accordance with the provisions of the Act, and complies with the requirements of Articles XIIIA and XIIIC of the Constitution of the State of California.

The City Clerk of the City of Ontario shall certify as to the adoption of this Resolution.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ONTARIO, CALIFORNIA, ACTING IN ITS CAPACITY AS THE LEGISLATIVE BODY OF CITY OF ONTARIO COMMUNITY FACILITIES DISTRICT NO. 24 (PARK PLACE FACILITIES PHASE 1), ESTABLISHING THE ANNUAL SPECIAL TAXES FOR FISCAL YEAR 2023-24.

WHEREAS, the City Council of the City of Ontario, California, has initiated proceedings, held a public hearing, conducted an election and received a favorable vote from the qualified electors relating to the levy of special taxes (the "Special Taxes") in the City of Ontario Community Facilities District No. 24 (Park Place Facilities Phase 1) (the "District"), all as authorized pursuant to the terms and provisions of the "Mello-Roos Community Facilities Act of 1982" (the "Act"), being Chapter 2.5, Part 1, Division 2, Title 5, of the California Government Code; and

WHEREAS, the City Council did, by the enactment of Ordinance No. 3002 (the "Special Tax Ordinance") as authorized by Section 53340 of the Act, authorize the levy of the Special Taxes to pay the costs of providing the Facilities and Services and incidental expenses (as such terms are defined in the Special Tax Ordinance), and the City Council is desirous to establish the specific rates of the Special Taxes to be collected for the specified Fiscal Year and the portion thereof to be applied to each of the costs of providing the Facilities and incidental expenses and the costs of providing the Services.

NOW, THEREFORE, BE RESOLVED by the City Council of the City of Ontario as follows:

SECTION 1. The above recitals are all true and correct.

SECTION 2. That the specific rates and amounts of the Special Taxes to be collected for the referenced Fiscal Year for the District is hereby determined and established as set forth in the attached referenced and incorporated Exhibit "A".

SECTION 3. That the rates of the Special Taxes as set forth above do not exceed the rates previously approved by the qualified electors of the District and authorized by the Special Tax Ordinance.

SECTION 4. The City Manager is authorized and directed to file a certified copy of this Resolution, together with a list of all parcels subject to the Special Taxes for the above specified Fiscal Year and the amount of the Special Taxes to be levied against each such parcel, with the County Auditor/Tax Collector of the County of San Bernardino on or before August 10; provided, however, that such may be filed after August 10, but not later than August 21, if the City Manager obtains the prior written consent of such County Auditor/Tax Collector.

SECTION 5. The portion of the Special Taxes to be collected for the referenced Fiscal Year (a) to pay the costs of providing the Facilities and incidental

expenses shall be 100% of the rates and amounts of the Special Taxes to be collected for such Fiscal Year as set forth in the attached Exhibit "A", and (b) to pay the costs of providing the Services shall be 0% of the rates and amounts of the Special Taxes to be collected for such Fiscal Year as set forth in the attached Exhibit "A".

SECTION 6. The proceeds of the Special Taxes collected to pay the costs of providing the Facilities and incidental expenses shall be used only to:

(a) pay debt service on all outstanding bonds or other debt (as defined in Section 53317(d) of the Act) issued by the District under the Act and payable from the Special Taxes (the "Bonds");

(b) pay periodic costs on the Bonds, including, but not limited to, credit enhancement and rebate payments on the Bonds;

(c) pay administrative expenses (including costs incurred by the District and the City in the annual levy and collection of the Special Taxes);

(d) provide any amounts required to establish or replenish any reserve fund for the Bonds; and

(e) pay directly for acquisition or construction of Facilities.

SECTION 7. The proceeds of the Special Taxes collected to pay the costs of providing the Services shall be used only to pay the costs of providing such Services.

SECTION 8. The Special Taxes shall be collected in the same manner as ordinary *ad valorem* property taxes are collected, and shall be subject to the same penalties and same procedure and sale in cases of any delinquency for *ad valorem* taxes, and the County Auditor/Tax Collector is hereby authorized to deduct reasonable administrative costs incurred in collecting any Special Taxes.

SECTION 9. All Special Taxes collected to provide costs of providing the Facilities and incidental expenses shall be deposited in the Special Tax Fund of the District. All Special Taxes collected to provide costs of providing the Services shall be deposited in the Government Fund.

SECTION 10. The County Auditor/Tax Collector is hereby directed to enter in the next County assessment roll on which taxes will become due, opposite each lot or parcel of land affected in a space marked "CFD No. 24 Special Tax," or by any other suitable designation, the installment of the Special Taxes.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ONTARIO, CALIFORNIA, ACTING IN ITS CAPACITY AS THE LEGISLATIVE BODY OF CITY OF ONTARIO COMMUNITY FACILITIES DISTRICT NO. 25 (PARK PLACE FACILITIES PHASE II), ESTABLISHING THE ANNUAL SPECIAL TAXES FOR FISCAL YEAR 2023-24.

WHEREAS, the City Council of the City of Ontario, California, has initiated proceedings, held a public hearing, conducted an election and received a favorable vote from the qualified electors relating to the levy of special taxes (the "Special Taxes") in the City of Ontario Community Facilities District No. 25 (Park Place Facilities Phase II) (the "District"), all as authorized pursuant to the terms and provisions of the "Mello-Roos Community Facilities Act of 1982" (the "Act"), being Chapter 2.5, Part 1, Division 2, Title 5, of the California Government Code; and

WHEREAS, the City Council did, by the enactment of Ordinance No. 3067 (the "Special Tax Ordinance") as authorized by Section 53340 of the Act, authorize the levy of the Special Taxes to pay the costs of providing the Facilities and Services and incidental expenses (as such terms are defined in the Special Tax Ordinance), and the City Council is desirous to establish the specific rates of the Special Taxes to be collected for the specified Fiscal Year and the portion thereof to be applied to each of the costs of providing the Facilities and incidental expenses and the costs of providing the Services.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Ontario as follows:

SECTION 1. The above recitals are all true and correct.

SECTION 2. That the specific rates and amounts of the Special Taxes to be collected for the referenced Fiscal Year for the District is hereby determined and established as set forth in the attached referenced and incorporated Exhibit "A".

SECTION 3. That the rates of the Special Taxes as set forth above do not exceed the rates previously approved by the qualified electors of the District and authorized by the Special Tax Ordinance.

SECTION 4. The City Manager is authorized and directed to file a certified copy of this Resolution, together with a list of all parcels subject to the Special Taxes for the above specified Fiscal Year and the amount of the Special Taxes to be levied against each such parcel, with the County Auditor/Tax Collector of the County of San Bernardino on or before August 10; provided, however, that such may be filed after August 10, but not later than August 21, if the City Manager obtains the prior written consent of such County Auditor/Tax Collector.

SECTION 5. The portion of the Special Taxes to be collected for the referenced Fiscal Year (a) to pay the costs of providing the Facilities and incidental

expenses shall be 100% of the rates and amounts of the Special Taxes to be collected for such Fiscal Year as set forth in the attached Exhibit "A", and (b) to pay the costs of providing the Services shall be 0% of the rates and amounts of the Special Taxes to be collected for such Fiscal Year as set forth in the attached Exhibit "A".

SECTION 6. The proceeds of the Special Taxes collected to pay the costs of providing the Facilities and incidental expenses shall be used only to:

(a) pay debt service on all outstanding bonds or other debt (as defined in Section 53317(d) of the Act) issued by the District under the Act and payable from the Special Taxes (the "Bonds");

(b) pay periodic costs on the Bonds, including, but not limited to, credit enhancement and rebate payments on the Bonds;

(c) pay administrative expenses (including costs incurred by the District and the City in the annual levy and collection of the Special Taxes);

(d) provide any amounts required to establish or replenish any reserve fund for the Bonds; and

(e) pay directly for acquisition or construction of Facilities.

SECTION 7. The proceeds of the Special Taxes collected to pay the costs of providing the Services shall be used only to pay the costs of providing such Services.

SECTION 8. The Special Taxes shall be collected in the same manner as ordinary *ad valorem* property taxes are collected, and shall be subject to the same penalties and same procedure and sale in cases of any delinquency for *ad valorem* taxes, and the County Auditor/Tax Collector is hereby authorized to deduct reasonable administrative costs incurred in collecting any Special Taxes.

SECTION 9. All Special Taxes collected to provide costs of providing the Facilities and incidental expenses shall be deposited in the Special Tax Fund of the District. All Special Taxes collected to provide costs of providing the Services shall be deposited in the Government Fund.

SECTION 10. The County Auditor/Tax Collector is hereby directed to enter in the next County assessment roll on which taxes will become due, opposite each lot or parcel of land affected in a space marked "CFD No. 25 Special Tax," or by any other suitable designation, the installment of the Special Taxes.

SECTION 11. The County Auditor/Tax Collector shall then, at the close of the tax collection period, promptly render to the District a detailed report showing the amount and/or amounts of such special tax installments, interests, penalties, and percentages so collected and from what property collected, and also provide a statement of any percentages retained for the expense of making any such collection.

SECTION 12. The City Council hereby certifies that the levy of the Special Taxes was authorized in accordance with the provisions of the Act, and complies with the requirements of Articles XIIIA and XIIIC of the Constitution of the State of California.

The City Clerk of the City of Ontario shall certify as to the adoption of this Resolution.

RESOLUTION NO. _____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ONTARIO, CALIFORNIA, ACTING IN ITS CAPACITY AS THE LEGISLATIVE BODY OF CITY OF ONTARIO COMMUNITY FACILITIES DISTRICT NO. 26 (PARK PLACE FACILITIES PHASE III), ESTABLISHING THE ANNUAL SPECIAL TAXES FOR FISCAL YEAR 2023-24.

WHEREAS, the City Council of the City of Ontario, California, has initiated proceedings, held a public hearing, conducted an election and received a favorable vote from the qualified electors relating to the levy of special taxes (the "Special Taxes") in the City of Ontario Community Facilities District No. 26 (Park Place Facilities Phase III) (the "District"), all as authorized pursuant to the terms and provisions of the "Mello-Roos Community Facilities Act of 1982" (the "Act"), being Chapter 2.5, Part 1, Division 2, Title 5, of the California Government Code; and

WHEREAS, the City Council did, by the enactment of Ordinance No. 3088 (the "Special Tax Ordinance") as authorized by Section 53340 of the Act, authorize the levy of the Special Taxes to pay the costs of providing the Facilities and Services and incidental expenses (as such terms are defined in the Special Tax Ordinance), and the City Council is desirous to establish the specific rates of the Special Taxes to be collected for the specified Fiscal Year and the portion thereof to be applied to each of the costs of providing the Facilities and incidental expenses and the costs of providing the Services.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Ontario as follows:

SECTION 1. The above recitals are all true and correct.

SECTION 2. That the specific rates and amounts of the Special Taxes to be collected for the referenced Fiscal Year for the District is hereby determined and established as set forth in the attached referenced and incorporated Exhibit "A".

SECTION 3. That the rates of the Special Taxes as set forth above do not exceed the rates previously approved by the qualified electors of the District and authorized by the Special Tax Ordinance.

SECTION 4. The City Manager is authorized and directed to file a certified copy of this Resolution, together with a list of all parcels subject to the Special Taxes for the above specified Fiscal Year and the amount of the Special Taxes to be levied against each such parcel, with the County Auditor/Tax Collector of the County of San Bernardino on or before August 10; provided, however, that such may be filed after August 10, but not later than August 21, if the City Manager obtains the prior written consent of such County Auditor/Tax Collector.

SECTION 5. The portion of the Special Taxes to be collected for the referenced Fiscal Year (a) to pay the costs of providing the Facilities and incidental

expenses shall be 100% of the rates and amounts of the Special Taxes to be collected for such Fiscal Year as set forth in the attached Exhibit "A", and (b) to pay the costs of providing the Services shall be 0% of the rates and amounts of the Special Taxes to be collected for such Fiscal Year as set forth in the attached Exhibit "A".

SECTION 6. The proceeds of the Special Taxes collected to pay the costs of providing the Facilities and incidental expenses shall be used only to:

(a) pay debt service on all outstanding bonds or other debt (as defined in Section 53317(d) of the Act) issued by the District under the Act and payable from the Special Taxes (the "Bonds");

(b) pay periodic costs on the Bonds, including, but not limited to, credit enhancement and rebate payments on the Bonds;

(c) pay administrative expenses (including costs incurred by the District and the City in the annual levy and collection of the Special Taxes);

(d) provide any amounts required to establish or replenish any reserve fund for the Bonds; and

(e) pay directly for acquisition or construction of Facilities.

SECTION 7. The proceeds of the Special Taxes collected to pay the costs of providing the Services shall be used only to pay the costs of providing such Services.

SECTION 8. The Special Taxes shall be collected in the same manner as ordinary *ad valorem* property taxes are collected, and shall be subject to the same penalties and same procedure and sale in cases of any delinquency for *ad valorem* taxes, and the County Auditor/Tax Collector is hereby authorized to deduct reasonable administrative costs incurred in collecting any Special Taxes.

SECTION 9. All Special Taxes collected to provide costs of providing the Facilities and incidental expenses shall be deposited in the Special Tax Fund of the District. All Special Taxes collected to provide costs of providing the Services shall be deposited in the Government Fund.

SECTION 10. The County Auditor/Tax Collector is hereby directed to enter in the next County assessment roll on which taxes will become due, opposite each lot or parcel of land affected in a space marked "CFD No. 26 Special Tax," or by any other suitable designation, the installment of the Special Taxes.

SECTION 11. The County Auditor/Tax Collector shall then, at the close of the tax collection period, promptly render to the District a detailed report showing the amount and/or amounts of such special tax installments, interests, penalties, and percentages so collected and from what property collected, and also provide a statement of any percentages retained for the expense of making any such collection.

SECTION 12. The City Council hereby certifies that the levy of the Special Taxes was authorized in accordance with the provisions of the Act, and complies with the requirements of Articles XIIIA and XIIIC of the Constitution of the State of California.

The City Clerk of the City of Ontario shall certify as to the adoption of this Resolution.

RESOLUTION NO. _____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ONTARIO, CALIFORNIA, ACTING IN ITS CAPACITY AS THE LEGISLATIVE BODY OF CITY OF ONTARIO COMMUNITY FACILITIES DISTRICT NO. 27 (NEW HAVEN SERVICES), ESTABLISHING THE ANNUAL SPECIAL TAX FOR FISCAL YEAR 2023-24.

WHEREAS, the City Council of the City of Ontario, California, has initiated proceedings, held a public hearing, conducted an election and received a favorable vote from the qualified electors relating to the levy of a special tax in a community facilities district, all as authorized pursuant to the terms and provisions of the "Mello-Roos Community Facilities Act of 1982" (the “Act”), being Chapter 2.5, Part 1, Division 2, Title 5, of the Government Code of the State of California. This Community Facilities District is designated as City of Ontario Community Facilities District No. 27 (New Haven Services) (hereinafter referred to as "District"); and

WHEREAS, the City Council did, acting as the legislative body of the District, by the enactment of Ordinance No. 2993 and Ordinance No. 3119 (together, the "Special Tax Ordinance") as authorized by Section 53340 of the Government Code of the State of California, authorize the levy of a special tax to pay for costs and expenses related to the District, and this legislative body is desirous to establish the specific rates of the special tax to be collected for the specified Fiscal Year.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Ontario as follows:

SECTION 1. The above recitals are all true and correct.

SECTION 2. That the specific rates and amount of the special tax to be collected to pay for the costs and expenses (as defined in Section 5 below) for the referenced Fiscal Year for the District is hereby determined and established as set forth in the attached referenced and incorporated Exhibit "A".

SECTION 3. That the rates as set forth above does not exceed the amount as previously authorized by the Special Tax Ordinance of this legislative body, and is not in excess of that as previously approved by the qualified electors of the District.

SECTION 4. The City Manager is authorized and directed to file a certified copy of this Resolution, together with a list of all parcels subject to the special tax for the above specified Fiscal Year and the amount of the special tax to be levied against each such parcel, with the County Auditor/Tax Collector of the County of San Bernardino on or before August 10; provided, however, that such may be filed after August 10, but not later than August 21, if the City Manager obtains the prior written consent of such County Auditor/Tax Collector.

SECTION 5. That the proceeds of the special tax shall be used only to pay the following costs and expenses:

(a) Costs of providing services authorized to be financed by the District;

(b) Costs incurred by the District and the City in the annual levy and collection of the special taxes;

(c) Administrative costs of the District; and

(d) Any incidental expenses authorized to be financed by the District.

SECTION 6. The special tax shall be collected in the same manner as ordinary ad valorem property taxes are collected, and shall be subject to the same penalties and same procedure and sale in cases of any delinquency for ad valorem taxes, and the County Auditor/Tax Collector is hereby authorized to deduct reasonable administrative costs incurred in collecting any said special tax.

SECTION 7. All monies above collected shall be paid into the Community Facilities District No. 27 Fund.

SECTION 8. The County Auditor/Tax Collector is hereby directed to enter in the next County assessment roll on which taxes will become due, opposite each lot or parcel of land affected in a space marked "CFD No. 27 Special Tax," or by any other suitable designation, the installment of the special tax.

SECTION 9. The County Auditor/Tax Collector shall then, at the close of the tax collection period, promptly render to the District a detailed report showing the amount and/or amounts of such special tax installments, interests, penalties, and percentages so collected and from what property collected, and also provide a statement of any percentages retained for the expense of making any such collection.

SECTION 10. This legislative body hereby certifies that the levy of the special tax was authorized in accordance with the provisions of the Act, and complies with the requirements of Articles XIIIA and XIIIC of the Constitution of the State of California.

The City Clerk of the City of Ontario shall certify as to the adoption of this Resolution.

WHEREAS, the City Council of the City of Ontario, California, has initiated proceedings, held a public hearing, conducted an election and received a favorable vote from the qualified electors relating to the levy of special taxes (the "Special Taxes") in the City of Ontario Community Facilities District No. 30 (New Haven Facilities - Area B) (the "District"), all as authorized pursuant to the terms and provisions of the "Mello-Roos Community Facilities Act of 1982" (the "Act"), being Chapter 2.5, Part 1, Division 2, Title 5, of the California Government Code; and

WHEREAS, the City Council did, by the enactment of Ordinance No. 3057 (the "Special Tax Ordinance") as authorized by Section 53340 of the Act, authorize the levy of the Special Taxes to pay the costs of providing the Facilities and Services and incidental expenses (as such terms are defined in the Special Tax Ordinance), and the City Council is desirous to establish the specific rates of the Special Taxes to be collected for the specified Fiscal Year and the portion thereof to be applied to each of the costs of providing the Facilities and incidental expenses and the costs of providing the Services.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Ontario as follows:

SECTION 1. The above recitals are all true and correct.

SECTION 2. That the specific rates and amounts of the Special Taxes to be collected for the referenced Fiscal Year for the District is hereby determined and established as set forth in the attached referenced and incorporated Exhibit "A".

SECTION 3. That the rates of the Special Taxes as set forth above do not exceed the rates previously approved by the qualified electors of the District and authorized by the Special Tax Ordinance.

SECTION 4. The City Manager is authorized and directed to file a certified copy of this Resolution, together with a list of all parcels subject to the Special Taxes for the above specified Fiscal Year and the amount of the Special Taxes to be levied against each such parcel, with the County Auditor/Tax Collector of the County of San Bernardino on or before August 10; provided, however, that such may be filed after August 10, but not later than August 21, if the City Manager obtains the prior written consent of such County Auditor/Tax Collector.

SECTION 5. The portion of the Special Taxes to be collected for the referenced Fiscal Year (a) to pay the costs of providing the Facilities and incidental

expenses shall be 100% of the rates and amounts of the Special Taxes to be collected for such Fiscal Year as set forth in the attached Exhibit "A", and (b) to pay the costs of providing the Services shall be 0% of the rates and amounts of the Special Taxes to be collected for such Fiscal Year as set forth in the attached Exhibit "A".

SECTION 6. The proceeds of the Special Taxes collected to pay the costs of providing the Facilities and incidental expenses shall be used only to:

(a) pay debt service on all outstanding bonds or other debt (as defined in Section 53317(d) of the Act) issued by the District under the Act and payable from the Special Taxes (the "Bonds");

(b) pay periodic costs on the Bonds, including, but not limited to, credit enhancement and rebate payments on the Bonds;

(c) pay administrative expenses (including costs incurred by the District and the City in the annual levy and collection of the Special Taxes);

(d) provide any amounts required to establish or replenish any reserve fund for the Bonds; and

(e) pay directly for acquisition or construction of Facilities.

SECTION 7. The proceeds of the Special Taxes collected to pay the costs of providing the Services shall be used only to pay the costs of providing such Services.

SECTION 8. The Special Taxes shall be collected in the same manner as ordinary *ad valorem* property taxes are collected, and shall be subject to the same penalties and same procedure and sale in cases of any delinquency for *ad valorem* taxes, and the County Auditor/Tax Collector is hereby authorized to deduct reasonable administrative costs incurred in collecting any Special Taxes.

SECTION 9. All Special Taxes collected to provide costs of providing the Facilities and incidental expenses shall be deposited in the Special Tax Fund of the District. All Special Taxes collected to provide costs of providing the Services shall be deposited in the Government Fund.

SECTION 10. The County Auditor/Tax Collector is hereby directed to enter in the next County assessment roll on which taxes will become due, opposite each lot or parcel of land affected in a space marked "CFD No. 30 Special Tax," or by any other suitable designation, the installment of the Special Taxes.

SECTION 11. The County Auditor/Tax Collector shall then, at the close of the tax collection period, promptly render to the District a detailed report showing the amount and/or amounts of such special tax installments, interests, penalties, and percentages so collected and from what property collected, and also provide a statement of any percentages retained for the expense of making any such collection.

SECTION 12. The City Council hereby certifies that the levy of the Special Taxes was authorized in accordance with the provisions of the Act, and complies with the requirements of Articles XIIIA and XIIIC of the Constitution of the State of California.

The City Clerk of the City of Ontario shall certify as to the adoption of this Resolution.

PASSED, APPROVED, AND ADOPTED this 18th day of July 2023.

RESOLUTION NO. _____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ONTARIO, CALIFORNIA, ACTING IN ITS CAPACITY AS THE LEGISLATIVE BODY OF CITY OF ONTARIO COMMUNITY FACILITIES DISTRICT NO. 31 (CARRIAGE HOUSE / AMBERLY LANE), ESTABLISHING THE ANNUAL SPECIAL TAXES FOR FISCAL YEAR 2023-24.

WHEREAS, the City Council of the City of Ontario, California, has initiated proceedings, held a public hearing, conducted an election and received a favorable vote from the qualified electors relating to the levy of special taxes (the "Special Taxes") in the City of Ontario Community Facilities District No. 31 (Carriage House / Amberly Lane) (the "District"), all as authorized pursuant to the terms and provisions of the "Mello-Roos Community Facilities Act of 1982" (the "Act"), being Chapter 2.5, Part 1, Division 2, Title 5, of the California Government Code; and

WHEREAS, the City Council did, by the enactment of Ordinance No. 3020 (the "Special Tax Ordinance") as authorized by Section 53340 of the Act, authorize the levy of the Special Taxes to pay the costs of providing the Facilities and Services and incidental expenses (as such terms are defined in the Special Tax Ordinance), and the City Council is desirous to establish the specific rates of the Special Taxes to be collected for the specified Fiscal Year and the portion thereof to be applied to each of the costs of providing the Facilities and incidental expenses and the costs of providing the Services; and

WHEREAS, the Special Taxes consist of a "Special Tax A" (the "Special Tax A"), which were authorized to pay the costs of providing the Facilities and Services and incidental expenses, and a "Special Tax B" (the "Special Tax B"), which were authorized to pay the costs of providing the Services and incidental expenses.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Ontario as follows:

SECTION 1. The above recitals are all true and correct.

SECTION 2. That the specific rates and amounts of each of Special Tax A and Special Tax B to be collected for the referenced Fiscal Year for the District is hereby determined and established as set forth in the attached referenced and incorporated Exhibit "A".

SECTION 3. That the rates of each of Special Tax A and Special Tax B as set forth above do not exceed the respective rates previously approved by the qualified electors of the District and authorized by the Special Tax Ordinance.

SECTION 4. The City Manager is authorized and directed to file a certified copy of this Resolution, together with a list of all parcels subject to the Special Taxes for the above specified Fiscal Year and the amount of the Special Taxes to be levied against each such parcel, with the County Auditor/Tax Collector of the County of San Bernardino on or before August 10; provided, however, that such may be filed after August 10, but

not later than August 21, if the City Manager obtains the prior written consent of such County Auditor/Tax Collector.

SECTION 5. The portion of Special Tax A to be collected for the referenced Fiscal Year (a) to pay the costs of providing the Facilities and incidental expenses shall be 100% of the rates and amounts of Special Tax A to be collected for such Fiscal Year as set forth in the attached Exhibit "A", and (b) to pay the costs of providing the Services shall be 0% of the rates and amounts of Special Tax A to be collected for such Fiscal Year as set forth in the attached Exhibit "A".

SECTION 6. The proceeds of Special Tax A collected to pay the costs of providing the Facilities and incidental expenses shall be used only to:

(a) pay debt service on all outstanding bonds or other debt (as defined in Section 53317(d) of the Act) issued by the District under the Act and payable from Special Tax A (the "Bonds");

(b) pay periodic costs on the Bonds, including, but not limited to, credit enhancement and rebate payments on the Bonds;

(c) pay a pro rata share of administrative expenses (including costs incurred by the District and the City in the annual levy and collection of the Special Taxes);

(d) provide any amounts required to establish or replenish any reserve fund for the Bonds; and

(e) pay directly for acquisition or construction of Facilities.

SECTION 7. The proceeds of Special Tax A collected to pay the costs of providing the Services shall be used only to pay the costs of providing such Services.

SECTION 8. The proceeds of Special Tax B collected to pay the costs of providing the Services and incidental expenses shall be used only to pay the costs of Services and a pro rata share of administrative expenses (including costs incurred by the District and the City in the annual levy and collection of the Special Taxes).

SECTION 9. The Special Taxes shall be collected in the same manner as ordinary *ad valorem* property taxes are collected, and shall be subject to the same penalties and same procedure and sale in cases of any delinquency for *ad valorem* taxes, and the County Auditor/Tax Collector is hereby authorized to deduct reasonable administrative costs incurred in collecting any Special Taxes.

SECTION 10. All Special Tax A amounts collected to provide costs of providing the Facilities and incidental expenses shall be deposited in the Special Tax Fund of the District. All Special Tax A amounts collected to provide costs of providing the Services shall be deposited in the Government Fund.

All Special Tax B amounts collected shall be deposited in the Government Fund.

SECTION 11. The County Auditor/Tax Collector is hereby directed to enter in the next County assessment roll on which taxes will become due, opposite each lot or parcel of land affected in a space marked “CFD No. 31 Special Tax A,” or by any other suitable designation, the installment of Special Tax A.

The County Auditor/Tax Collector is hereby directed to enter in the next County assessment roll on which taxes will become due, opposite each lot or parcel of land affected in a space marked “CFD No. 31 Special Tax B,” or by any other suitable designation, the installment of Special Tax B.

SECTION 12. The County Auditor/Tax Collector shall then, at the close of the tax collection period, promptly render to the District a detailed report showing the amount and/or amounts of such special tax installments, interests, penalties, and percentages so collected and from what property collected, and also provide a statement of any percentages retained for the expense of making any such collection.

SECTION 13. The City Council hereby certifies that the levy of the Special Taxes was authorized in accordance with the provisions of the Act, and complies with the requirements of Articles XIIIA and XIIIC of the Constitution of the State of California.

The City Clerk of the City of Ontario shall certify as to the adoption of this Resolution.

RESOLUTION NO. _____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ONTARIO, CALIFORNIA, ACTING IN ITS CAPACITY AS THE LEGISLATIVE BODY OF CITY OF ONTARIO COMMUNITY FACILITIES DISTRICT NO. 32 (ARCHIBALD/SCHAEFER - SERVICES), ESTABLISHING THE ANNUAL SPECIAL TAX FOR FISCAL YEAR 2023-24.

WHEREAS, the City Council of the City of Ontario, California, has initiated proceedings, held a public hearing, conducted an election and received a favorable vote from the qualified electors relating to the levy of a special tax in a community facilities district, all as authorized pursuant to the terms and provisions of the "Mello-Roos Community Facilities Act of 1982" (the “Act”), being Chapter 2.5, Part 1, Division 2, Title 5, of the Government Code of the State of California. This Community Facilities District is designated as City of Ontario Community Facilities District No. 32 (Archibald/Schaefer - Services) (hereinafter referred to as "District"); and

WHEREAS, the City Council did, acting as the legislative body of the District, by the enactment of Ordinance No. 3016 (the "Special Tax Ordinance") as authorized by Section 53340 of the Government Code of the State of California, authorize the levy of a special tax to pay for costs and expenses related to the District, and this legislative body is desirous to establish the specific rates of the special tax to be collected for the specified Fiscal Year.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Ontario as follows:

SECTION 1. The above recitals are all true and correct.

SECTION 2. That the specific rates and amount of the special tax to be collected to pay for the costs and expenses (as defined in Section 5 below) for the referenced Fiscal Year for the District is hereby determined and established as set forth in the attached referenced and incorporated Exhibit "A".

SECTION 3. That the rates as set forth above does not exceed the amount as previously authorized by the Special Tax Ordinance of this legislative body, and is not in excess of that as previously approved by the qualified electors of the District.

SECTION 4. The City Manager is authorized and directed to file a certified copy of this Resolution, together with a list of all parcels subject to the special tax for the above specified Fiscal Year and the amount of the special tax to be levied against each such parcel, with the County Auditor/Tax Collector of the County of San Bernardino on or before August 10; provided, however, that such may be filed after August 10, but not later than August 21, if the City Manager obtains the prior written consent of such County Auditor/Tax Collector.

SECTION 5. That the proceeds of the special tax shall be used only to pay the following costs and expenses:

(a) Costs of providing services authorized to be financed by the District;

(b) Costs incurred by the District and the City in the annual levy and collection of the special taxes;

(c) Administrative costs of the District; and

(d) Any incidental expenses authorized to be financed by the District.

SECTION 6. The special tax shall be collected in the same manner as ordinary ad valorem property taxes are collected, and shall be subject to the same penalties and same procedure and sale in cases of any delinquency for ad valorem taxes, and the County Auditor/Tax Collector is hereby authorized to deduct reasonable administrative costs incurred in collecting any said special tax.

SECTION 7. All monies above collected shall be paid into the Community Facilities District No. 32 Fund.

SECTION 8. The County Auditor/Tax Collector is hereby directed to enter in the next County assessment roll on which taxes will become due, opposite each lot or parcel of land affected in a space marked "CFD No. 32 Special Tax," or by any other suitable designation, the installment of the special tax.

SECTION 9. The County Auditor/Tax Collector shall then, at the close of the tax collection period, promptly render to the District a detailed report showing the amount and/or amounts of such special tax installments, interests, penalties, and percentages so collected and from what property collected, and also provide a statement of any percentages retained for the expense of making any such collection.

SECTION 10. This legislative body hereby certifies that the levy of the special tax was authorized in accordance with the provisions of the Act, and complies with the requirements of Articles XIIIA and XIIIC of the Constitution of the State of California.

The City Clerk of the City of Ontario shall certify as to the adoption of this Resolution.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ONTARIO, CALIFORNIA, ACTING IN ITS CAPACITY AS THE LEGISLATIVE BODY OF CITY OF ONTARIO COMMUNITY FACILITIES DISTRICT NO. 34 (COUNTRYSIDE PHASE 1 NORTH - FACILITIES), ESTABLISHING THE ANNUAL SPECIAL TAXES FOR FISCAL YEAR 2023-24.

WHEREAS, the City Council of the City of Ontario, California, has initiated proceedings, held a public hearing, conducted an election and received a favorable vote from the qualified electors relating to the levy of special taxes (the "Special Taxes") in the City of Ontario Community Facilities District No. 34 (Countryside Phase 1 North - Facilities) (the "District"), all as authorized pursuant to the terms and provisions of the "Mello-Roos Community Facilities Act of 1982" (the "Act"), being Chapter 2.5, Part 1, Division 2, Title 5, of the California Government Code; and

WHEREAS, the City Council did, by the enactment of Ordinance No. 3036 (the "Special Tax Ordinance") as authorized by Section 53340 of the Act, authorize the levy of the Special Taxes to pay the costs of providing the Facilities and Services and incidental expenses (as such terms are defined in the Special Tax Ordinance), and the City Council is desirous to establish the specific rates of the Special Taxes to be collected for the specified Fiscal Year and the portion thereof to be applied to each of the costs of providing the Facilities and incidental expenses and the costs of providing the Services.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Ontario as follows:

SECTION 1. The above recitals are all true and correct.

SECTION 2. That the specific rates and amounts of the Special Taxes to be collected for the referenced Fiscal Year for the District is hereby determined and established as set forth in the attached referenced and incorporated Exhibit "A".

SECTION 3. That the rates of the Special Taxes as set forth above do not exceed the rates previously approved by the qualified electors of the District and authorized by the Special Tax Ordinance.

SECTION 4. The City Manager is authorized and directed to file a certified copy of this Resolution, together with a list of all parcels subject to the Special Taxes for the above specified Fiscal Year and the amount of the Special Taxes to be levied against each such parcel, with the County Auditor/Tax Collector of the County of San Bernardino on or before August 10; provided, however, that such may be filed after August 10, but not later than August 21, if the City Manager obtains the prior written consent of such County Auditor/Tax Collector.

SECTION 5. The portion of the Special Taxes to be collected for the referenced Fiscal Year (a) to pay the costs of providing the Facilities and incidental

expenses shall be 100% of the rates and amounts of the Special Taxes to be collected for such Fiscal Year as set forth in the attached Exhibit "A", and (b) to pay the costs of providing the Services shall be 0% of the rates and amounts of the Special Taxes to be collected for such Fiscal Year as set forth in the attached Exhibit "A".

SECTION 6. The proceeds of the Special Taxes collected to pay the costs of providing the Facilities and incidental expenses shall be used only to:

(a) pay debt service on all outstanding bonds or other debt (as defined in Section 53317(d) of the Act) issued by the District under the Act and payable from the Special Taxes (the "Bonds");

(b) pay periodic costs on the Bonds, including, but not limited to, credit enhancement and rebate payments on the Bonds;

(c) pay administrative expenses (including costs incurred by the District and the City in the annual levy and collection of the Special Taxes);

(d) provide any amounts required to establish or replenish any reserve fund for the Bonds; and

(e) pay directly for acquisition or construction of Facilities.

SECTION 7. The proceeds of the Special Taxes collected to pay the costs of providing the Services shall be used only to pay the costs of providing such Services.

SECTION 8. The Special Taxes shall be collected in the same manner as ordinary *ad valorem* property taxes are collected, and shall be subject to the same penalties and same procedure and sale in cases of any delinquency for *ad valorem* taxes, and the County Auditor/Tax Collector is hereby authorized to deduct reasonable administrative costs incurred in collecting any Special Taxes.

SECTION 9. All Special Taxes collected to provide costs of providing the Facilities and incidental expenses shall be deposited in the Special Tax Fund of the District. All Special Taxes collected to provide costs of providing the Services shall be deposited in the Government Fund.

SECTION 10. The County Auditor/Tax Collector is hereby directed to enter in the next County assessment roll on which taxes will become due, opposite each lot or parcel of land affected in a space marked "CFD No. 34 Special Tax," or by any other suitable designation, the installment of the Special Taxes.

SECTION 11. The County Auditor/Tax Collector shall then, at the close of the tax collection period, promptly render to the District a detailed report showing the amount and/or amounts of such special tax installments, interests, penalties, and percentages so collected and from what property collected, and also provide a statement of any percentages retained for the expense of making any such collection.

SECTION 12. The City Council hereby certifies that the levy of the Special Taxes was authorized in accordance with the provisions of the Act, and complies with the requirements of Articles XIIIA and XIIIC of the Constitution of the State of California.

The City Clerk of the City of Ontario shall certify as to the adoption of this Resolution.

PASSED, APPROVED, AND ADOPTED this 18th day of July 2023.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ONTARIO, CALIFORNIA, ACTING IN ITS CAPACITY AS THE LEGISLATIVE BODY OF CITY OF ONTARIO COMMUNITY FACILITIES DISTRICT NO. 37 (PARK & TURNER NE SERVICES), ESTABLISHING THE ANNUAL SPECIAL TAX FOR FISCAL YEAR 2023-24.

WHEREAS, the City Council of the City of Ontario, California, has initiated proceedings, held a public hearing, conducted an election and received a favorable vote from the qualified electors relating to the levy of a special tax in a community facilities district, all as authorized pursuant to the terms and provisions of the "Mello-Roos Community Facilities Act of 1982" (the “Act”), being Chapter 2.5, Part 1, Division 2, Title 5, of the Government Code of the State of California. This Community Facilities District is designated as City of Ontario Community Facilities District No. 37 (Park & Turner NE Services) (hereinafter referred to as "District"); and

WHEREAS, the City Council did, acting as the legislative body of the District, by the enactment of Ordinance No. 3043 (the "Special Tax Ordinance") as authorized by Section 53340 of the Government Code of the State of California, authorize the levy of a special tax to pay for costs and expenses related to the District, and this legislative body is desirous to establish the specific rates of the special tax to be collected for the specified Fiscal Year.

NOW, THEREFORE, BE IT RESOVLED by the City Council of the City of Ontario as follows:

SECTION 1. The above recitals are all true and correct.

SECTION 2. That the specific rates and amount of the special tax to be collected to pay for the costs and expenses (as defined in Section 5 below) for the referenced Fiscal Year for the District is hereby determined and established as set forth in the attached referenced and incorporated Exhibit "A".

SECTION 3. That the rates as set forth above does not exceed the amount as previously authorized by the Special Tax Ordinance of this legislative body, and is not in excess of that as previously approved by the qualified electors of the District.

SECTION 4. The City Manager is authorized and directed to file a certified copy of this Resolution, together with a list of all parcels subject to the special tax for the above specified Fiscal Year and the amount of the special tax to be levied against each such parcel, with the County Auditor/Tax Collector of the County of San Bernardino on or before August 10; provided, however, that such may be filed after August 10, but not later than August 21, if the City Manager obtains the prior written consent of such County Auditor/Tax Collector.

SECTION 5. That the proceeds of the special tax shall be used only to pay the following costs and expenses:

(a) Costs of providing services authorized to be financed by the District;

(b) Costs incurred by the District and the City in the annual levy and collection of the special taxes;

(c) Administrative costs of the District; and

(d) Any incidental expenses authorized to be financed by the District.

SECTION 6. The special tax shall be collected in the same manner as ordinary ad valorem property taxes are collected, and shall be subject to the same penalties and same procedure and sale in cases of any delinquency for ad valorem taxes, and the County Auditor/Tax Collector is hereby authorized to deduct reasonable administrative costs incurred in collecting any said special tax.

SECTION 7. All monies above collected shall be paid into the Community Facilities District No. 37 Fund.

SECTION 8. The County Auditor/Tax Collector is hereby directed to enter in the next County assessment roll on which taxes will become due, opposite each lot or parcel of land affected in a space marked "CFD No. 37 Special Tax," or by any other suitable designation, the installment of the special tax.

SECTION 9. The County Auditor/Tax Collector shall then, at the close of the tax collection period, promptly render to the District a detailed report showing the amount and/or amounts of such special tax installments, interests, penalties, and percentages so collected and from what property collected, and also provide a statement of any percentages retained for the expense of making any such collection.

SECTION 10. This legislative body hereby certifies that the levy of the special tax was authorized in accordance with the provisions of the Act, and complies with the requirements of Articles XIIIA and XIIIC of the Constitution of the State of California.

The City Clerk of the City of Ontario shall certify as to the adoption of this Resolution.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ONTARIO, CALIFORNIA, ACTING IN ITS CAPACITY AS THE LEGISLATIVE BODY OF CITY OF ONTARIO COMMUNITY FACILITIES DISTRICT NO. 39 (NEW HAVEN FACILITIES – AREA C), ESTABLISHING THE ANNUAL SPECIAL TAXES FOR FISCAL YEAR 2023-24.

WHEREAS, the City Council of the City of Ontario, California, has initiated proceedings, held a public hearing, conducted an election and received a favorable vote from the qualified electors relating to the levy of special taxes (the "Special Taxes") in the City of Ontario Community Facilities District No. 39 (New Haven Facilities – Area C) (the "District"), all as authorized pursuant to the terms and provisions of the "Mello-Roos Community Facilities Act of 1982" (the "Act"), being Chapter 2.5, Part 1, Division 2, Title 5, of the California Government Code; and

WHEREAS, the City Council did, by the enactment of Ordinance No. 3079 (the "Special Tax Ordinance") as authorized by Section 53340 of the Act, authorize the levy of the Special Taxes to pay the costs of providing the Facilities and Services and incidental expenses (as such terms are defined in the Special Tax Ordinance), and the City Council is desirous to establish the specific rates of the Special Taxes to be collected for the specified Fiscal Year and the portion thereof to be applied to each of the costs of providing the Facilities and incidental expenses and the costs of providing the Services.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Ontario as follows:

SECTION 1. The above recitals are all true and correct.

SECTION 2. That the specific rates and amounts of the Special Taxes to be collected for the referenced Fiscal Year for the District is hereby determined and established as set forth in the attached referenced and incorporated Exhibit "A".

SECTION 3. That the rates of the Special Taxes as set forth above do not exceed the rates previously approved by the qualified electors of the District and authorized by the Special Tax Ordinance.

SECTION 4. The City Manager is authorized and directed to file a certified copy of this Resolution, together with a list of all parcels subject to the Special Taxes for the above specified Fiscal Year and the amount of the Special Taxes to be levied against each such parcel, with the County Auditor/Tax Collector of the County of San Bernardino on or before August 10; provided, however, that such may be filed after August 10, but not later than August 21, if the City Manager obtains the prior written consent of such County Auditor/Tax Collector.

SECTION 5. The portion of the Special Taxes to be collected for the referenced Fiscal Year (a) to pay the costs of providing the Facilities and incidental

expenses shall be 100% of the rates and amounts of the Special Taxes to be collected for such Fiscal Year as set forth in the attached Exhibit "A", and (b) to pay the costs of providing the Services shall be 0% of the rates and amounts of the Special Taxes to be collected for such Fiscal Year as set forth in the attached Exhibit "A".

SECTION 6. The proceeds of the Special Taxes collected to pay the costs of providing the Facilities and incidental expenses shall be used only to:

(a) pay debt service on all outstanding bonds or other debt (as defined in Section 53317(d) of the Act) issued by the District under the Act and payable from the Special Taxes (the "Bonds");

(b) pay periodic costs on the Bonds, including, but not limited to, credit enhancement and rebate payments on the Bonds;

(c) pay administrative expenses (including costs incurred by the District and the City in the annual levy and collection of the Special Taxes);

(d) provide any amounts required to establish or replenish any reserve fund for the Bonds; and

(e) pay directly for acquisition or construction of Facilities.

SECTION 7. The proceeds of the Special Taxes collected to pay the costs of providing the Services shall be used only to pay the costs of providing such Services.

SECTION 8. The Special Taxes shall be collected in the same manner as ordinary *ad valorem* property taxes are collected, and shall be subject to the same penalties and same procedure and sale in cases of any delinquency for *ad valorem* taxes, and the County Auditor/Tax Collector is hereby authorized to deduct reasonable administrative costs incurred in collecting any Special Taxes.

SECTION 9. All Special Taxes collected to provide costs of providing the Facilities and incidental expenses shall be deposited in the Special Tax Fund of the District. All Special Taxes collected to provide costs of providing the Services shall be deposited in the Government Fund.

SECTION 10. The County Auditor/Tax Collector is hereby directed to enter in the next County assessment roll on which taxes will become due, opposite each lot or parcel of land affected in a space marked "CFD No. 39 Special Tax," or by any other suitable designation, the installment of the Special Taxes.

SECTION 11. The County Auditor/Tax Collector shall then, at the close of the tax collection period, promptly render to the District a detailed report showing the amount and/or amounts of such special tax installments, interests, penalties, and percentages so collected and from what property collected, and also provide a statement of any percentages retained for the expense of making any such collection.

SECTION 12. The City Council hereby certifies that the levy of the Special Taxes was authorized in accordance with the provisions of the Act, and complies with the requirements of Articles XIIIA and XIIIC of the Constitution of the State of California.

The City Clerk of the City of Ontario shall certify as to the adoption of this Resolution.

RESOLUTION NO. _____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ONTARIO, CALIFORNIA, ACTING IN ITS CAPACITY AS THE LEGISLATIVE BODY OF CITY OF ONTARIO COMMUNITY FACILITIES DISTRICT NO. 40 (EMERALD PARK FACILITIES), ESTABLISHING THE ANNUAL SPECIAL TAXES FOR FISCAL YEAR 2023-24.

WHEREAS, the City Council of the City of Ontario, California, has initiated proceedings, held a public hearing, conducted an election and received a favorable vote from the qualified electors relating to the levy of special taxes (the "Special Taxes") in the City of Ontario Community Facilities District No. 40 (Emerald Park Facilities) (the "District"), all as authorized pursuant to the terms and provisions of the "Mello-Roos Community Facilities Act of 1982" (the "Act"), being Chapter 2.5, Part 1, Division 2, Title 5, of the California Government Code; and

WHEREAS, the City Council did, by the enactment of Ordinance No. 3131 (the "Special Tax Ordinance") as authorized by Section 53340 of the Act, authorize the levy of the Special Taxes to pay the costs of providing the Facilities and Services and incidental expenses (as such terms are defined in the Special Tax Ordinance), and the City Council is desirous to establish the specific rates of the Special Taxes to be collected for the specified Fiscal Year and the portion thereof to be applied to each of the costs of providing the Facilities and incidental expenses and the costs of providing the Services.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Ontario as follows:

SECTION 1. The above recitals are all true and correct.

SECTION 2. That the specific rates and amounts of the Special Taxes to be collected for the referenced Fiscal Year for the District is hereby determined and established as set forth in the attached referenced and incorporated Exhibit "A".

SECTION 3. That the rates of the Special Taxes as set forth above do not exceed the rates previously approved by the qualified electors of the District and authorized by the Special Tax Ordinance.

SECTION 4. The City Manager is authorized and directed to file a certified copy of this Resolution, together with a list of all parcels subject to the Special Taxes for the above specified Fiscal Year and the amount of the Special Taxes to be levied against each such parcel, with the County Auditor/Tax Collector of the County of San Bernardino on or before August 10; provided, however, that such may be filed after August 10, but not later than August 21, if the City Manager obtains the prior written consent of such County Auditor/Tax Collector.

SECTION 5. The portion of the Special Taxes to be collected for the referenced Fiscal Year (a) to pay the costs of providing the Facilities and incidental

expenses shall be 100% of the rates and amounts of the Special Taxes to be collected for such Fiscal Year as set forth in the attached Exhibit "A", and (b) to pay the costs of providing the Services shall be 0% of the rates and amounts of the Special Taxes to be collected for such Fiscal Year as set forth in the attached Exhibit "A".

SECTION 6. The proceeds of the Special Taxes collected to pay the costs of providing the Facilities and incidental expenses shall be used only to:

(a) pay debt service on all outstanding bonds or other debt (as defined in Section 53317(d) of the Act) issued by the District under the Act and payable from the Special Taxes (the "Bonds");

(b) pay periodic costs on the Bonds, including, but not limited to, credit enhancement and rebate payments on the Bonds;

(c) pay administrative expenses (including costs incurred by the District and the City in the annual levy and collection of the Special Taxes);

(d) provide any amounts required to establish or replenish any reserve fund for the Bonds; and

(e) pay directly for acquisition or construction of Facilities.

SECTION 7. The proceeds of the Special Taxes collected to pay the costs of providing the Services shall be used only to pay the costs of providing such Services.

SECTION 8. The Special Taxes shall be collected in the same manner as ordinary *ad valorem* property taxes are collected, and shall be subject to the same penalties and same procedure and sale in cases of any delinquency for *ad valorem* taxes, and the County Auditor/Tax Collector is hereby authorized to deduct reasonable administrative costs incurred in collecting any Special Taxes.

SECTION 9. All Special Taxes collected to provide costs of providing the Facilities and incidental expenses shall be deposited in the Special Tax Fund of the District. All Special Taxes collected to provide costs of providing the Services shall be deposited in the Government Fund.

SECTION 10. The County Auditor/Tax Collector is hereby directed to enter in the next County assessment roll on which taxes will become due, opposite each lot or parcel of land affected in a space marked "CFD No. 40 Special Tax," or by any other suitable designation, the installment of the Special Taxes.

SECTION 11. The County Auditor/Tax Collector shall then, at the close of the tax collection period, promptly render to the District a detailed report showing the amount and/or amounts of such special tax installments, interests, penalties, and percentages so collected and from what property collected, and also provide a statement of any percentages retained for the expense of making any such collection.

SECTION 12. The City Council hereby certifies that the levy of the Special Taxes was authorized in accordance with the provisions of the Act, and complies with the requirements of Articles XIIIA and XIIIC of the Constitution of the State of California.

The City Clerk of the City of Ontario shall certify as to the adoption of this Resolution.

WHEREAS, the City Council of the City of Ontario, California, has initiated proceedings, held a public hearing, conducted an election and received a favorable vote from the qualified electors relating to the levy of special taxes (the "Special Taxes") in the City of Ontario Community Facilities District No. 43 (Park Place Facilities Phase IV) (the "District"), all as authorized pursuant to the terms and provisions of the "Mello-Roos Community Facilities Act of 1982" (the "Act"), being Chapter 2.5, Part 1, Division 2, Title 5, of the California Government Code; and

WHEREAS, the City Council did, by the enactment of Ordinance No. 3114 (the "Special Tax Ordinance") as authorized by Section 53340 of the Act, authorize the levy of the Special Taxes to pay the costs of providing the Facilities and Services and incidental expenses (as such terms are defined in the Special Tax Ordinance), and the City Council is desirous to establish the specific rates of the Special Taxes to be collected for the specified Fiscal Year and the portion thereof to be applied to each of the costs of providing the Facilities and incidental expenses and the costs of providing the Services.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Ontario as follows:

SECTION 1. The above recitals are all true and correct.

SECTION 2. That the specific rates and amounts of the Special Taxes to be collected for the referenced Fiscal Year for the District is hereby determined and established as set forth in the attached referenced and incorporated Exhibit "A".

SECTION 3. That the rates of the Special Taxes as set forth above do not exceed the rates previously approved by the qualified electors of the District and authorized by the Special Tax Ordinance.

SECTION 4. The City Manager is authorized and directed to file a certified copy of this Resolution, together with a list of all parcels subject to the Special Taxes for the above specified Fiscal Year and the amount of the Special Taxes to be levied against each such parcel, with the County Auditor/Tax Collector of the County of San Bernardino on or before August 10; provided, however, that such may be filed after August 10, but not later than August 21, if the City Manager obtains the prior written consent of such County Auditor/Tax Collector.

SECTION 5. The portion of the Special Taxes to be collected for the referenced Fiscal Year (a) to pay the costs of providing the Facilities and incidental

expenses shall be 100% of the rates and amounts of the Special Taxes to be collected for such Fiscal Year as set forth in the attached Exhibit "A", and (b) to pay the costs of providing the Services shall be 0% of the rates and amounts of the Special Taxes to be collected for such Fiscal Year as set forth in the attached Exhibit "A".

SECTION 6. The proceeds of the Special Taxes collected to pay the costs of providing the Facilities and incidental expenses shall be used only to:

(a) pay debt service on all outstanding bonds or other debt (as defined in Section 53317(d) of the Act) issued by the District under the Act and payable from the Special Taxes (the "Bonds");

(b) pay periodic costs on the Bonds, including, but not limited to, credit enhancement and rebate payments on the Bonds;

(c) pay administrative expenses (including costs incurred by the District and the City in the annual levy and collection of the Special Taxes);

(d) provide any amounts required to establish or replenish any reserve fund for the Bonds; and

(e) pay directly for acquisition or construction of Facilities.

SECTION 7. The proceeds of the Special Taxes collected to pay the costs of providing the Services shall be used only to pay the costs of providing such Services.

SECTION 8. The Special Taxes shall be collected in the same manner as ordinary *ad valorem* property taxes are collected, and shall be subject to the same penalties and same procedure and sale in cases of any delinquency for *ad valorem* taxes, and the County Auditor/Tax Collector is hereby authorized to deduct reasonable administrative costs incurred in collecting any Special Taxes.

SECTION 9. All Special Taxes collected to provide costs of providing the Facilities and incidental expenses shall be deposited in the Special Tax Fund of the District. All Special Taxes collected to provide costs of providing the Services shall be deposited in the Government Fund.

SECTION 10. The County Auditor/Tax Collector is hereby directed to enter in the next County assessment roll on which taxes will become due, opposite each lot or parcel of land affected in a space marked "CFD No. 43 Special Tax," or by any other suitable designation, the installment of the Special Taxes.

SECTION 11. The County Auditor/Tax Collector shall then, at the close of the tax collection period, promptly render to the District a detailed report showing the amount and/or amounts of such special tax installments, interests, penalties, and percentages so collected and from what property collected, and also provide a statement of any percentages retained for the expense of making any such collection.

SECTION 12. The City Council hereby certifies that the levy of the Special Taxes was authorized in accordance with the provisions of the Act, and complies with the requirements of Articles XIIIA and XIIIC of the Constitution of the State of California.

The City Clerk of the City of Ontario shall certify as to the adoption of this Resolution.

PASSED, APPROVED, AND ADOPTED this 18th day of July 2023.

RESOLUTION NO. _____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ONTARIO, CALIFORNIA, ACTING IN ITS CAPACITY AS THE LEGISLATIVE BODY OF CITY OF ONTARIO COMMUNITY FACILITIES DISTRICT NO. 44 (ESPERANZA SERVICES), ESTABLISHING THE ANNUAL SPECIAL TAX FOR FISCAL YEAR 2023-24.

WHEREAS, the City Council of the City of Ontario, California, has initiated proceedings, held a public hearing, conducted an election and received a favorable vote from the qualified electors relating to the levy of a special tax in a community facilities district, all as authorized pursuant to the terms and provisions of the "Mello-Roos Community Facilities Act of 1982" (the “Act”), being Chapter 2.5, Part 1, Division 2, Title 5, of the Government Code of the State of California. This Community Facilities District is designated as City of Ontario Community Facilities District No. 44 (Esperanza Services) (hereinafter referred to as "District"); and

WHEREAS, the City Council did, acting as the legislative body of the District, by the enactment of Ordinance No. 3124 (the "Special Tax Ordinance") as authorized by Section 53340 of the Government Code of the State of California, authorize the levy of a special tax to pay for costs and expenses related to the District, and this legislative body is desirous to establish the specific rates of the special tax to be collected for the specified Fiscal Year.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Ontario as follows:

SECTION 1. The above recitals are all true and correct.

SECTION 2. That the specific rates and amount of the special tax to be collected to pay for the costs and expenses (as defined in Section 5 below) for the referenced Fiscal Year for the District is hereby determined and established as set forth in the attached referenced and incorporated Exhibit "A".

SECTION 3. That the rates as set forth above does not exceed the amount as previously authorized by the Special Tax Ordinance of this legislative body, and is not in excess of that as previously approved by the qualified electors of the District.

SECTION 4. The City Manager is authorized and directed to file a certified copy of this Resolution, together with a list of all parcels subject to the special tax for the above specified Fiscal Year and the amount of the special tax to be levied against each such parcel, with the County Auditor/Tax Collector of the County of San Bernardino on or before August 10; provided, however, that such may be filed after August 10, but not later than August 21, if the City Manager obtains the prior written consent of such County Auditor/Tax Collector.

SECTION 5. That the proceeds of the special tax shall be used only to pay the following costs and expenses:

(a) Costs of those services authorized to be financed by the District;

(b) Costs incurred by the District and the City in the annual levy and collection of the special taxes;

(c) Administrative costs of the District; and

(d) Any incidental expenses authorized to be financed by the District.

SECTION 6. The special tax shall be collected in the same manner as ordinary ad valorem property taxes are collected, and shall be subject to the same penalties and same procedure and sale in cases of any delinquency for ad valorem taxes, and the County Auditor/Tax Collector is hereby authorized to deduct reasonable administrative costs incurred in collecting any said special tax.

SECTION 7. All monies above collected shall be paid into the Community Facilities District No. 44 Fund.

SECTION 8. The County Auditor/Tax Collector is hereby directed to enter in the next County assessment roll on which taxes will become due, opposite each lot or parcel of land affected in a space marked "CFD No. 44 Special Tax," or by any other suitable designation, the installment of the special tax.

SECTION 9. The County Auditor/Tax Collector shall then, at the close of the tax collection period, promptly render to the District a detailed report showing the amount and/or amounts of such special tax installments, interests, penalties, and percentages so collected and from what property collected, and also provide a statement of any percentages retained for the expense of making any such collection.

SECTION 10. This legislative body hereby certifies that the levy of the special tax was authorized in accordance with the provisions of the Act, and complies with the requirements of Articles XIIIA and XIIIC of the Constitution of the State of California.

The City Clerk of the City of Ontario shall certify as to the adoption of this Resolution.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ONTARIO, CALIFORNIA, ACTING IN ITS CAPACITY AS THE LEGISLATIVE BODY OF CITY OF ONTARIO COMMUNITY FACILITIES DISTRICT NO. 45 (NORTHPARK AND COUNTRYSIDE), ESTABLISHING THE ANNUAL SPECIAL TAXES FOR FISCAL YEAR 2023-24.

WHEREAS, the City Council of the City of Ontario, California, has initiated proceedings, held a public hearing, conducted an election and received a favorable vote from the qualified electors relating to the levy of special taxes (the "Special Taxes") in the City of Ontario Community Facilities District No. 45 (Northpark and Countryside) (the "District"), all as authorized pursuant to the terms and provisions of the "Mello-Roos Community Facilities Act of 1982" (the "Act"), being Chapter 2.5, Part 1, Division 2, Title 5, of the California Government Code; and

WHEREAS, the City Council did, by the enactment of Ordinance No. 3105 (the "Special Tax Ordinance") as authorized by Section 53340 of the Act, authorize the levy of the Special Taxes to pay the costs of providing the Facilities and Services and incidental expenses (as such terms are defined in the Special Tax Ordinance), and the City Council is desirous to establish the specific rates of the Special Taxes to be collected for the specified Fiscal Year and the portion thereof to be applied to each of the costs of providing the Facilities and incidental expenses and the costs of providing the Services; and

WHEREAS, the Special Taxes consist of a "Special Tax A" (the "Special Tax A"), which were authorized to pay the costs of providing the Facilities and Services and incidental expenses, and a "Special Tax B" (the "Special Tax B"), which were authorized to pay the costs of providing the Services and incidental expenses.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Ontario as follows:

SECTION 1. The above recitals are all true and correct.

SECTION 2. That the specific rates and amounts of each of Special Tax A and Special Tax B to be collected for the referenced Fiscal Year for the District is hereby determined and established as set forth in the attached referenced and incorporated Exhibit "A".

SECTION 3. That the rates of each of Special Tax A and Special Tax B as set forth above do not exceed the respective rates previously approved by the qualified electors of the District and authorized by the Special Tax Ordinance.

SECTION 4. The City Manager is authorized and directed to file a certified copy of this Resolution, together with a list of all parcels subject to the Special Taxes for the above specified Fiscal Year and the amount of the Special Taxes to be levied against each such parcel, with the County Auditor/Tax Collector of the County of San Bernardino

on or before August 10; provided, however, that such may be filed after August 10, but not later than August 21, if the City Manager obtains the prior written consent of such County Auditor/Tax Collector.

SECTION 5. The portion of Special Tax A to be collected for the referenced Fiscal Year (a) to pay the costs of providing the Facilities and incidental expenses shall be 100% of the rates and amounts of Special Tax A to be collected for such Fiscal Year as set forth in the attached Exhibit "A", and (b) to pay the costs of providing the Services shall be 0% of the rates and amounts of Special Tax A to be collected for such Fiscal Year as set forth in the attached Exhibit "A".

SECTION 6. The proceeds of Special Tax A collected to pay the costs of providing the Facilities and incidental expenses shall be used only to:

(a) pay debt service on all outstanding bonds or other debt (as defined in Section 53317(d) of the Act) issued by the District under the Act and payable from Special Tax A (the "Bonds");

(b) pay periodic costs on the Bonds, including, but not limited to, credit enhancement and rebate payments on the Bonds;

(c) pay a pro rata share of administrative expenses (including costs incurred by the District and the City in the annual levy and collection of the Special Taxes);

(d) provide any amounts required to establish or replenish any reserve fund for the Bonds; and

(e) pay directly for acquisition or construction of Facilities.

SECTION 7. The proceeds of Special Tax A collected to pay the costs of providing the Services shall be used only to pay the costs of providing such Services.

SECTION 8. The proceeds of Special Tax B collected to pay the costs of providing the Services and incidental expenses shall be used only to pay the costs of Services and a pro rata share of administrative expenses (including costs incurred by the District and the City in the annual levy and collection of the Special Taxes).

SECTION 9. The Special Taxes shall be collected in the same manner as ordinary *ad valorem* property taxes are collected, and shall be subject to the same penalties and same procedure and sale in cases of any delinquency for *ad valorem* taxes, and the County Auditor/Tax Collector is hereby authorized to deduct reasonable administrative costs incurred in collecting any Special Taxes.

SECTION 10. All Special Tax A amounts collected to provide costs of providing the Facilities and incidental expenses shall be deposited in the Special Tax Fund of the District. All Special Tax A amounts collected to provide costs of providing the Services shall be deposited in the Government Fund.

All Special Tax B amounts collected shall be deposited in the Government Fund.

SECTION 11. The County Auditor/Tax Collector is hereby directed to enter in the next County assessment roll on which taxes will become due, opposite each lot or parcel of land affected in a space marked "CFD No. 45 Special Tax A," or by any other suitable designation, the installment of Special Tax A.

The County Auditor/Tax Collector is hereby directed to enter in the next County assessment roll on which taxes will become due, opposite each lot or parcel of land affected in a space marked "CFD No. 45 Special Tax B," or by any other suitable designation, the installment of Special Tax B.

SECTION 12. The County Auditor/Tax Collector shall then, at the close of the tax collection period, promptly render to the District a detailed report showing the amount and/or amounts of such special tax installments, interests, penalties, and percentages so collected and from what property collected, and also provide a statement of any percentages retained for the expense of making any such collection.

SECTION 13. The City Council hereby certifies that the levy of the Special Taxes was authorized in accordance with the provisions of the Act, and complies with the requirements of Articles XIIIA and XIIIC of the Constitution of the State of California.

RESOLUTION NO. _____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ONTARIO, CALIFORNIA, ACTING IN ITS CAPACITY AS THE LEGISLATIVE BODY OF CITY OF ONTARIO COMMUNITY FACILITIES DISTRICT NO. 47 (COLONY COMMERCE CENTER WEST I SERVICES), ESTABLISHING THE ANNUAL SPECIAL TAX FOR FISCAL YEAR 2023-24.

WHEREAS, the City Council of the City of Ontario, California, has initiated proceedings, held a public hearing, conducted an election and received a favorable vote from the qualified electors relating to the levy of a special tax in a community facilities district, all as authorized pursuant to the terms and provisions of the "Mello-Roos Community Facilities Act of 1982" (the “Act”), being Chapter 2.5, Part 1, Division 2, Title 5, of the Government Code of the State of California. This Community Facilities District is designated as City of Ontario Community Facilities District No. 47 (Colony Commerce Center West I Services) (hereinafter referred to as "District"); and

WHEREAS, the City Council did, acting as the legislative body of the District, by the enactment of Ordinance No. 3107 (the "Special Tax Ordinance") as authorized by Section 53340 of the Government Code of the State of California, authorize the levy of a special tax to pay for costs and expenses related to the District, and this legislative body is desirous to establish the specific rates of the special tax to be collected for the specified Fiscal Year.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Ontario as follows:

SECTION 1. The above recitals are all true and correct.

SECTION 2. That the specific rates and amount of the special tax to be collected to pay for the costs and expenses (as defined in Section 5 below) for the referenced Fiscal Year for the District is hereby determined and established as set forth in the attached referenced and incorporated Exhibit "A".

SECTION 3. That the rates as set forth above does not exceed the amount as previously authorized by the Special Tax Ordinance of this legislative body, and is not in excess of that as previously approved by the qualified electors of the District.

SECTION 4. The City Manager is authorized and directed to file a certified copy of this Resolution, together with a list of all parcels subject to the special tax for the above specified Fiscal Year and the amount of the special tax to be levied against each such parcel, with the County Auditor/Tax Collector of the County of San Bernardino on or before August 10; provided, however, that such may be filed after August 10, but not later than August 21, if the City Manager obtains the prior written consent of such County Auditor/Tax Collector.

SECTION 5. That the proceeds of the special tax shall be used only to pay the following costs and expenses:

(a) Costs of providing services authorized to be financed by the District;

(b) Costs incurred by the District and the City in the annual levy and collection of the special taxes;

(c) Administrative costs of the District; and

(d) Any incidental expenses authorized to be financed by the District.

SECTION 6. The special tax shall be collected in the same manner as ordinary ad valorem property taxes are collected, and shall be subject to the same penalties and same procedure and sale in cases of any delinquency for ad valorem taxes, and the County Auditor/Tax Collector is hereby authorized to deduct reasonable administrative costs incurred in collecting any said special tax.

SECTION 7. All monies above collected shall be paid into the Community Facilities District No. 47 Fund.

SECTION 8. The County Auditor/Tax Collector is hereby directed to enter in the next County assessment roll on which taxes will become due, opposite each lot or parcel of land affected in a space marked "CFD No. 47 Special Tax," or by any other suitable designation, the installment of the special tax.

SECTION 9. The County Auditor/Tax Collector shall then, at the close of the tax collection period, promptly render to the District a detailed report showing the amount and/or amounts of such special tax installments, interests, penalties, and percentages so collected and from what property collected, and also provide a statement of any percentages retained for the expense of making any such collection.

SECTION 10. This legislative body hereby certifies that the levy of the special tax was authorized in accordance with the provisions of the Act, and complies with the requirements of Articles XIIIA and XIIIC of the Constitution of the State of California.

The City Clerk of the City of Ontario shall certify as to the adoption of this Resolution.

PASSED, APPROVED, AND ADOPTED this 18th day of July 2023.

RESOLUTION NO. _____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ONTARIO, CALIFORNIA, ACTING IN ITS CAPACITY AS THE LEGISLATIVE BODY OF CITY OF ONTARIO COMMUNITY FACILITIES DISTRICT NO. 53 (TEVELDE FACILITIES), ESTABLISHING THE ANNUAL SPECIAL TAXES FOR FISCAL YEAR 2023-24.

WHEREAS, the City Council of the City of Ontario, California, has initiated proceedings, held a public hearing, conducted an election and received a favorable vote from the qualified electors relating to the levy of special taxes (the "Special Taxes") in the City of Ontario Community Facilities District No. 53 (Tevelde Facilities) (the "District"), all as authorized pursuant to the terms and provisions of the "Mello-Roos Community Facilities Act of 1982" (the "Act"), being Chapter 2.5, Part 1, Division 2, Title 5, of the California Government Code; and

WHEREAS, the City Council did, by the enactment of Ordinance No. 3158 (the "Special Tax Ordinance") as authorized by Section 53340 of the Act, authorize the levy of the Special Taxes to pay the costs of providing the Facilities and Services and incidental expenses (as such terms are defined in the Special Tax Ordinance), and the City Council is desirous to establish the specific rates of the Special Taxes to be collected for the specified Fiscal Year and the portion thereof to be applied to each of the costs of providing the Facilities and incidental expenses and the costs of providing the Services.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Ontario as follows:

SECTION 1. The above recitals are all true and correct.

SECTION 2. That the specific rates and amounts of the Special Taxes to be collected for the referenced Fiscal Year for the District is hereby determined and established as set forth in the attached referenced and incorporated Exhibit "A".

SECTION 3. That the rates of the Special Taxes as set forth above do not exceed the rates previously approved by the qualified electors of the District and authorized by the Special Tax Ordinance.

SECTION 4. The City Manager is authorized and directed to file a certified copy of this Resolution, together with a list of all parcels subject to the Special Taxes for the above specified Fiscal Year and the amount of the Special Taxes to be levied against each such parcel, with the County Auditor/Tax Collector of the County of San Bernardino on or before August 10; provided, however, that such may be filed after August 10, but not later than August 21, if the City Manager obtains the prior written consent of such County Auditor/Tax Collector.

SECTION 5. The portion of the Special Taxes to be collected for the referenced Fiscal Year (a) to pay the costs of providing the Facilities and incidental

expenses shall be 100% of the rates and amounts of the Special Taxes to be collected for such Fiscal Year as set forth in the attached Exhibit "A", and (b) to pay the costs of providing the Services shall be 0% of the rates and amounts of the Special Taxes to be collected for such Fiscal Year as set forth in the attached Exhibit "A".

SECTION 6. The proceeds of the Special Taxes collected to pay the costs of providing the Facilities and incidental expenses shall be used only to:

(a) pay debt service on all outstanding bonds or other debt (as defined in Section 53317(d) of the Act) issued by the District under the Act and payable from the Special Taxes (the "Bonds");

(b) pay periodic costs on the Bonds, including, but not limited to, credit enhancement and rebate payments on the Bonds;

(c) pay administrative expenses (including costs incurred by the District and the City in the annual levy and collection of the Special Taxes);

RESOLUTION NO. _____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ONTARIO, CALIFORNIA, ACTING IN ITS CAPACITY AS THE LEGISLATIVE BODY OF CITY OF ONTARIO COMMUNITY FACILITIES DISTRICT NO. 54 (ESPERANZA FACILITIES), ESTABLISHING THE ANNUAL SPECIAL TAXES FOR FISCAL YEAR 2023-24.

WHEREAS, the City Council of the City of Ontario, California, has initiated proceedings, held a public hearing, conducted an election and received a favorable vote from the qualified electors relating to the levy of special taxes (the "Special Taxes") in the City of Ontario Community Facilities District No. 54 (Esperanza Facilities) (the "District"), all as authorized pursuant to the terms and provisions of the "Mello-Roos Community Facilities Act of 1982" (the "Act"), being Chapter 2.5, Part 1, Division 2, Title 5, of the California Government Code; and

WHEREAS, the City Council did, by the enactment of Ordinance No. 3162 (the "Special Tax Ordinance") as authorized by Section 53340 of the Act, authorize the levy of the Special Taxes to pay the costs of providing the Facilities and Services and incidental expenses (as such terms are defined in the Special Tax Ordinance), and the City Council is desirous to establish the specific rates of the Special Taxes to be collected for the specified Fiscal Year and the portion thereof to be applied to each of the costs of providing the Facilities and incidental expenses and the costs of providing the Services.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Ontario as follows:

SECTION 1. The above recitals are all true and correct.

SECTION 2. That the specific rates and amounts of the Special Taxes to be collected for the referenced Fiscal Year for the District is hereby determined and established as set forth in the attached referenced and incorporated Exhibit "A".

SECTION 3. That the rates of the Special Taxes as set forth above do not exceed the rates previously approved by the qualified electors of the District and authorized by the Special Tax Ordinance.

SECTION 4. The City Manager is authorized and directed to file a certified copy of this Resolution, together with a list of all parcels subject to the Special Taxes for the above specified Fiscal Year and the amount of the Special Taxes to be levied against each such parcel, with the County Auditor/Tax Collector of the County of San Bernardino on or before August 10; provided, however, that such may be filed after August 10, but not later than August 21, if the City Manager obtains the prior written consent of such County Auditor/Tax Collector.

SECTION 5. The portion of the Special Taxes to be collected for the referenced Fiscal Year (a) to pay the costs of providing the Facilities and incidental

expenses shall be 100% of the rates and amounts of the Special Taxes to be collected for such Fiscal Year as set forth in the attached Exhibit "A", and (b) to pay the costs of providing the Services shall be 0% of the rates and amounts of the Special Taxes to be collected for such Fiscal Year as set forth in the attached Exhibit "A".

SECTION 6. The proceeds of the Special Taxes collected to pay the costs of providing the Facilities and incidental expenses shall be used only to:

(a) pay debt service on all outstanding bonds or other debt (as defined in Section 53317(d) of the Act) issued by the District under the Act and payable from the Special Taxes (the "Bonds");

(b) pay periodic costs on the Bonds, including, but not limited to, credit enhancement and rebate payments on the Bonds;

(c) pay administrative expenses (including costs incurred by the District and the City in the annual levy and collection of the Special Taxes);

(d) provide any amounts required to establish or replenish any reserve fund for the Bonds; and

(e) pay directly for acquisition or construction of Facilities.

SECTION 7. The proceeds of the Special Taxes collected to pay the costs of providing the Services shall be used only to pay the costs of providing such Services.

SECTION 8. The Special Taxes shall be collected in the same manner as ordinary *ad valorem* property taxes are collected, and shall be subject to the same penalties and same procedure and sale in cases of any delinquency for *ad valorem* taxes, and the County Auditor/Tax Collector is hereby authorized to deduct reasonable administrative costs incurred in collecting any Special Taxes.

SECTION 9. All Special Taxes collected to provide costs of providing the Facilities and incidental expenses shall be deposited in the Special Tax Fund of the District. All Special Taxes collected to provide costs of providing the Services shall be deposited in the Government Fund.

SECTION 10. The County Auditor/Tax Collector is hereby directed to enter in the next County assessment roll on which taxes will become due, opposite each lot or parcel of land affected in a space marked "CFD No. 54 Special Tax," or by any other suitable designation, the installment of the Special Taxes.

SECTION 11. The County Auditor/Tax Collector shall then, at the close of the tax collection period, promptly render to the District a detailed report showing the amount and/or amounts of such special tax installments, interests, penalties, and percentages so collected and from what property collected, and also provide a statement of any percentages retained for the expense of making any such collection.

SECTION 12. The City Council hereby certifies that the levy of the Special Taxes was authorized in accordance with the provisions of the Act, and complies with the requirements of Articles XIIIA and XIIIC of the Constitution of the State of California.

The City Clerk of the City of Ontario shall certify as to the adoption of this Resolution.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ONTARIO, CALIFORNIA, ACTING IN ITS CAPACITY AS THE LEGISLATIVE BODY OF CITY OF ONTARIO COMMUNITY FACILITIES DISTRICT NO. 55 (PARKLANE), ESTABLISHING THE ANNUAL SPECIAL TAXES FOR FISCAL YEAR 2023-24.

WHEREAS, the City Council of the City of Ontario, California, has initiated proceedings, held a public hearing, conducted an election and received a favorable vote from the qualified electors relating to the levy of special taxes (the "Special Taxes") in the City of Ontario Community Facilities District No. 55 (Parklane) (the "District"), all as authorized pursuant to the terms and provisions of the "Mello-Roos Community Facilities Act of 1982" (the "Act"), being Chapter 2.5, Part 1, Division 2, Title 5, of the California Government Code; and

WHEREAS, the City Council did, by the enactment of Ordinance No. 3177 (the "Special Tax Ordinance") as authorized by Section 53340 of the Act, authorize the levy of the Special Taxes to pay the costs of providing the Facilities and Services and incidental expenses (as such terms are defined in the Special Tax Ordinance), and the City Council is desirous to establish the specific rates of the Special Taxes to be collected for the specified Fiscal Year and the portion thereof to be applied to each of the costs of providing the Facilities and incidental expenses and the costs of providing the Services; and

WHEREAS, the Special Taxes consist of a "Special Tax A" (the "Special Tax A"), which were authorized to pay the costs of providing the Facilities and Services and incidental expenses, and a "Special Tax B" (the "Special Tax B"), which were authorized to pay the costs of providing the Services and incidental expenses.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Ontario as follows:

SECTION 1. The above recitals are all true and correct.

SECTION 2. That the specific rates and amounts of each of Special Tax A and Special Tax B to be collected for the referenced Fiscal Year for the District is hereby determined and established as set forth in the attached referenced and incorporated Exhibit "A".

SECTION 3. That the rates of each of Special Tax A and Special Tax B as set forth above do not exceed the respective rates previously approved by the qualified electors of the District and authorized by the Special Tax Ordinance.

SECTION 4. The City Manager is authorized and directed to file a certified copy of this Resolution, together with a list of all parcels subject to the Special Taxes for the above specified Fiscal Year and the amount of the Special Taxes to be levied against each such parcel, with the County Auditor/Tax Collector of the County of San Bernardino

on or before August 10; provided, however, that such may be filed after August 10, but not later than August 21, if the City Manager obtains the prior written consent of such County Auditor/Tax Collector.

SECTION 5. The portion of Special Tax A to be collected for the referenced Fiscal Year (a) to pay the costs of providing the Facilities and incidental expenses shall be 100% of the rates and amounts of Special Tax A to be collected for such Fiscal Year as set forth in the attached Exhibit "A", and (b) to pay the costs of providing the Services shall be 0% of the rates and amounts of Special Tax A to be collected for such Fiscal Year as set forth in the attached Exhibit "A".

SECTION 6. The proceeds of Special Tax A collected to pay the costs of providing the Facilities and incidental expenses shall be used only to:

(a) pay debt service on all outstanding bonds or other debt (as defined in Section 53317(d) of the Act) issued by the District under the Act and payable from Special Tax A (the "Bonds");

(b) pay periodic costs on the Bonds, including, but not limited to, credit enhancement and rebate payments on the Bonds;

(c) pay a pro rata share of administrative expenses (including costs incurred by the District and the City in the annual levy and collection of the Special Taxes);

(d) provide any amounts required to establish or replenish any reserve fund for the Bonds; and

(e) pay directly for acquisition or construction of Facilities.

SECTION 7. The proceeds of Special Tax A collected to pay the costs of providing the Services shall be used only to pay the costs of providing such Services.

SECTION 8. The proceeds of Special Tax B collected to pay the costs of providing the Services and incidental expenses shall be used only to pay the costs of Services and a pro rata share of administrative expenses (including costs incurred by the District and the City in the annual levy and collection of the Special Taxes).

SECTION 9. The Special Taxes shall be collected in the same manner as ordinary *ad valorem* property taxes are collected, and shall be subject to the same penalties and same procedure and sale in cases of any delinquency for *ad valorem* taxes, and the County Auditor/Tax Collector is hereby authorized to deduct reasonable administrative costs incurred in collecting any Special Taxes.

SECTION 10. All Special Tax A amounts collected to provide costs of providing the Facilities and incidental expenses shall be deposited in the Special Tax Fund of the District. All Special Tax A amounts collected to provide costs of providing the Services shall be deposited in the Government Fund.

All Special Tax B amounts collected shall be deposited in the Government Fund.

SECTION 11. The County Auditor/Tax Collector is hereby directed to enter in the next County assessment roll on which taxes will become due, opposite each lot or parcel of land affected in a space marked "CFD No. 55 Special Tax A," or by any other suitable designation, the installment of Special Tax A.

The County Auditor/Tax Collector is hereby directed to enter in the next County assessment roll on which taxes will become due, opposite each lot or parcel of land affected in a space marked "CFD No. 55 Special Tax B," or by any other suitable designation, the installment of Special Tax B.

SECTION 12. The County Auditor/Tax Collector shall then, at the close of the tax collection period, promptly render to the District a detailed report showing the amount and/or amounts of such special tax installments, interests, penalties, and percentages so collected and from what property collected, and also provide a statement of any percentages retained for the expense of making any such collection.

SECTION 13. The City Council hereby certifies that the levy of the Special Taxes was authorized in accordance with the provisions of the Act, and complies with the requirements of Articles XIIIA and XIIIC of the Constitution of the State of California.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ONTARIO, CALIFORNIA, ACTING IN ITS CAPACITY AS THE LEGISLATIVE BODY OF CITY OF ONTARIO COMMUNITY FACILITIES DISTRICT NO. 56 (PARKSIDE/LA AVENIDA), ESTABLISHING THE ANNUAL SPECIAL TAXES FOR FISCAL YEAR 2023-24.

WHEREAS, the City Council of the City of Ontario, California, has initiated proceedings, held a public hearing, conducted an election and received a favorable vote from the qualified electors relating to the levy of special taxes (the "Special Taxes") in the City of Ontario Community Facilities District No. 56 (Parkside/La Avenida) (the "District"), all as authorized pursuant to the terms and provisions of the "Mello-Roos Community Facilities Act of 1982" (the "Act"), being Chapter 2.5, Part 1, Division 2, Title 5, of the California Government Code; and

WHEREAS, the City Council did, by the enactment of Ordinance No. 3199 (the "Special Tax Ordinance") as authorized by Section 53340 of the Act, authorize the levy of the Special Taxes to pay the costs of providing the Facilities and Services and incidental expenses (as such terms are defined in the Special Tax Ordinance), and the City Council is desirous to establish the specific rates of the Special Taxes to be collected for the specified Fiscal Year and the portion thereof to be applied to each of the costs of providing the Facilities and incidental expenses and the costs of providing the Services; and

WHEREAS, the Special Taxes consist of a "Special Tax A" (the "Special Tax A"), which were authorized to pay the costs of providing the Facilities and Services and incidental expenses, and a "Special Tax B" (the "Special Tax B"), which were authorized to pay the costs of providing the Services and incidental expenses.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Ontario as follows:

SECTION 1. The above recitals are all true and correct.

SECTION 2. That the specific rates and amounts of each of Special Tax A and Special Tax B to be collected for the referenced Fiscal Year for the District is hereby determined and established as set forth in the attached referenced and incorporated Exhibit "A".

SECTION 3. That the rates of each of Special Tax A and Special Tax B as set forth above do not exceed the respective rates previously approved by the qualified electors of the District and authorized by the Special Tax Ordinance.

SECTION 4. The City Manager is authorized and directed to file a certified copy of this Resolution, together with a list of all parcels subject to the Special Taxes for the above specified Fiscal Year and the amount of the Special Taxes to be levied against each such parcel, with the County Auditor/Tax Collector of the County of San Bernardino on or before August 10; provided, however, that such may be filed after August 10, but

not later than August 21, if the City Manager obtains the prior written consent of such County Auditor/Tax Collector.

SECTION 5. The portion of Special Tax A to be collected for the referenced Fiscal Year (a) to pay the costs of providing the Facilities and incidental expenses shall be 100% of the rates and amounts of Special Tax A to be collected for such Fiscal Year as set forth in the attached Exhibit "A", and (b) to pay the costs of providing the Services shall be 0% of the rates and amounts of Special Tax A to be collected for such Fiscal Year as set forth in the attached Exhibit "A".

SECTION 6. The proceeds of Special Tax A collected to pay the costs of providing the Facilities and incidental expenses shall be used only to:

(a) pay debt service on all outstanding bonds or other debt (as defined in Section 53317(d) of the Act) issued by the District under the Act and payable from Special Tax A (the "Bonds");

(b) pay periodic costs on the Bonds, including, but not limited to, credit enhancement and rebate payments on the Bonds;

(c) pay a pro rata share of administrative expenses (including costs incurred by the District and the City in the annual levy and collection of the Special Taxes);

(d) provide any amounts required to establish or replenish any reserve fund for the Bonds; and

(e) pay directly for acquisition or construction of Facilities.

SECTION 7. The proceeds of Special Tax A collected to pay the costs of providing the Services shall be used only to pay the costs of providing such Services.

SECTION 8. The proceeds of Special Tax B collected to pay the costs of providing the Services and incidental expenses shall be used only to pay the costs of Services and a pro rata share of administrative expenses (including costs incurred by the District and the City in the annual levy and collection of the Special Taxes).

SECTION 9. The Special Taxes shall be collected in the same manner as ordinary *ad valorem* property taxes are collected, and shall be subject to the same penalties and same procedure and sale in cases of any delinquency for *ad valorem* taxes, and the County Auditor/Tax Collector is hereby authorized to deduct reasonable administrative costs incurred in collecting any Special Taxes.

SECTION 10. All Special Tax A amounts collected to provide costs of providing the Facilities and incidental expenses shall be deposited in the Special Tax Fund of the District. All Special Tax A amounts collected to provide costs of providing the Services shall be deposited in the Government Fund.

All Special Tax B amounts collected shall be deposited in the Government Fund.

SECTION 11. The County Auditor/Tax Collector is hereby directed to enter in the next County assessment roll on which taxes will become due, opposite each lot or parcel of land affected in a space marked "CFD No. 56 Special Tax A," or by any other suitable designation, the installment of Special Tax A.

The County Auditor/Tax Collector is hereby directed to enter in the next County assessment roll on which taxes will become due, opposite each lot or parcel of land affected in a space marked "CFD No. 56 Special Tax B," or by any other suitable designation, the installment of Special Tax B.

SECTION 12. The County Auditor/Tax Collector shall then, at the close of the tax collection period, promptly render to the District a detailed report showing the amount and/or amounts of such special tax installments, interests, penalties, and percentages so collected and from what property collected, and also provide a statement of any percentages retained for the expense of making any such collection.

SECTION 13. The City Council hereby certifies that the levy of the Special Taxes was authorized in accordance with the provisions of the Act, and complies with the requirements of Articles XIIIA and XIIIC of the Constitution of the State of California.

The City Clerk of the City of Ontario shall certify as to the adoption of this Resolution.

RESOLUTION NO. _____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ONTARIO, CALIFORNIA, ACTING IN ITS CAPACITY AS THE LEGISLATIVE BODY OF CITY OF ONTARIO COMMUNITY FACILITIES DISTRICT NO. 57 (NEUHOUSE), ESTABLISHING THE ANNUAL SPECIAL TAXES FOR FISCAL YEAR 2023-24.

WHEREAS, the City Council of the City of Ontario, California, has initiated proceedings, held a public hearing, conducted an election and received a favorable vote from the qualified electors relating to the levy of special taxes (the "Special Taxes") in the City of Ontario Community Facilities District No. 57 (Neuhouse) (the "District"), all as authorized pursuant to the terms and provisions of the "Mello-Roos Community Facilities Act of 1982" (the "Act"), being Chapter 2.5, Part 1, Division 2, Title 5, of the California Government Code; and

WHEREAS, the City Council did, by the enactment of Ordinance No. 3191 (the "Special Tax Ordinance") as authorized by Section 53340 of the Act, authorize the levy of the Special Taxes to pay the costs of providing the Facilities and Services and incidental expenses (as such terms are defined in the Special Tax Ordinance), and the City Council is desirous to establish the specific rates of the Special Taxes to be collected for the specified Fiscal Year and the portion thereof to be applied to each of the costs of providing the Facilities and incidental expenses and the costs of providing the Services; and

WHEREAS, the Special Taxes consist of a "Special Tax A" (the "Special Tax A"), which were authorized to pay the costs of providing the Facilities and Services and incidental expenses, and a "Special Tax B" (the "Special Tax B"), which were authorized to pay the costs of providing the Services and incidental expenses.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Ontario as follows:

SECTION 1. The above recitals are all true and correct.

SECTION 2. That the specific rates and amounts of each of Special Tax A and Special Tax B to be collected for the referenced Fiscal Year for the District is hereby determined and established as set forth in the attached referenced and incorporated Exhibit "A".

SECTION 3. That the rates of each of Special Tax A and Special Tax B as set forth above do not exceed the respective rates previously approved by the qualified electors of the District and authorized by the Special Tax Ordinance.

SECTION 4. The City Manager is authorized and directed to file a certified copy of this Resolution, together with a list of all parcels subject to the Special Taxes for the above specified Fiscal Year and the amount of the Special Taxes to be levied against each such parcel, with the County Auditor/Tax Collector of the County of San Bernardino

on or before August 10; provided, however, that such may be filed after August 10, but not later than August 21, if the City Manager obtains the prior written consent of such County Auditor/Tax Collector.

SECTION 5. The portion of Special Tax A to be collected for the referenced Fiscal Year (a) to pay the costs of providing the Facilities and incidental expenses shall be 100% of the rates and amounts of Special Tax A to be collected for such Fiscal Year as set forth in the attached Exhibit "A", and (b) to pay the costs of providing the Services shall be 0% of the rates and amounts of Special Tax A to be collected for such Fiscal Year as set forth in the attached Exhibit "A".

SECTION 6. The proceeds of Special Tax A collected to pay the costs of providing the Facilities and incidental expenses shall be used only to:

(a) pay debt service on all outstanding bonds or other debt (as defined in Section 53317(d) of the Act) issued by the District under the Act and payable from Special Tax A (the "Bonds");

(b) pay periodic costs on the Bonds, including, but not limited to, credit enhancement and rebate payments on the Bonds;

(c) pay a pro rata share of administrative expenses (including costs incurred by the District and the City in the annual levy and collection of the Special Taxes);

(d) provide any amounts required to establish or replenish any reserve fund for the Bonds; and

(e) pay directly for acquisition or construction of Facilities.

SECTION 7. The proceeds of Special Tax A collected to pay the costs of providing the Services shall be used only to pay the costs of providing such Services.

SECTION 8. The proceeds of Special Tax B collected to pay the costs of providing the Services and incidental expenses shall be used only to pay the costs of Services and a pro rata share of administrative expenses (including costs incurred by the District and the City in the annual levy and collection of the Special Taxes).

SECTION 9. The Special Taxes shall be collected in the same manner as ordinary *ad valorem* property taxes are collected, and shall be subject to the same penalties and same procedure and sale in cases of any delinquency for *ad valorem* taxes, and the County Auditor/Tax Collector is hereby authorized to deduct reasonable administrative costs incurred in collecting any Special Taxes.

SECTION 10. All Special Tax A amounts collected to provide costs of providing the Facilities and incidental expenses shall be deposited in the Special Tax Fund of the District. All Special Tax A amounts collected to provide costs of providing the Services shall be deposited in the Government Fund.

All Special Tax B amounts collected shall be deposited in the Government Fund.

SECTION 11. The County Auditor/Tax Collector is hereby directed to enter in the next County assessment roll on which taxes will become due, opposite each lot or parcel of land affected in a space marked "CFD No. 57 Special Tax A," or by any other suitable designation, the installment of Special Tax A.

The County Auditor/Tax Collector is hereby directed to enter in the next County assessment roll on which taxes will become due, opposite each lot or parcel of land affected in a space marked "CFD No. 57 Special Tax B," or by any other suitable designation, the installment of Special Tax B.

SECTION 12. The County Auditor/Tax Collector shall then, at the close of the tax collection period, promptly render to the District a detailed report showing the amount and/or amounts of such special tax installments, interests, penalties, and percentages so collected and from what property collected, and also provide a statement of any percentages retained for the expense of making any such collection.

SECTION 13. The City Council hereby certifies that the levy of the Special Taxes was authorized in accordance with the provisions of the Act, and complies with the requirements of Articles XIIIA and XIIIC of the Constitution of the State of California.

The City Clerk of the City of Ontario shall certify as to the adoption of this Resolution.

PASSED, APPROVED, AND ADOPTED this 18th day of July 2023.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ONTARIO, CALIFORNIA, ACTING IN ITS CAPACITY AS THE LEGISLATIVE BODY OF CITY OF ONTARIO COMMUNITY FACILITIES DISTRICT NO. 58 (COLONY COMMERCE CENTER EAST SERVICES), ESTABLISHING THE ANNUAL SPECIAL TAX FOR FISCAL YEAR 2023-24.

WHEREAS, the City Council of the City of Ontario, California, has initiated proceedings, held a public hearing, conducted an election and received a favorable vote from the qualified electors relating to the levy of a special tax in the City of Ontario Community Facilities District No. 58 (Colony Commerce Center East Services) (the “District”), all as authorized pursuant to the terms and provisions of the "Mello-Roos Community Facilities Act of 1982" (the “Act”), being Chapter 2.5, Part 1, Division 2, Title 5, of the Government Code of the State of California; and

WHEREAS, the City Council, acting as the legislative body of the District, adopted Ordinance No. 3165 (the "Special Tax Ordinance") as authorized by Section 53340 of the Government Code of the State of California, to authorize the levy of a special tax to pay for costs and expenses related to the District, and this legislative body is desirous to establish the specific rates of the special tax to be collected for the specified Fiscal Year.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Ontario as follows:

SECTION 1. The above recitals are all true and correct.

SECTION 2. That the specific rates and amount of the special tax to be collected to pay for the costs and expenses (as defined in Section 5 below) for the referenced Fiscal Year for the District is hereby determined and established as set forth in the attached referenced and incorporated Exhibit "A".

SECTION 3. That the rates as set forth above does not exceed the amount authorized by the Special Tax Ordinance of this legislative body, and is not in excess of that as previously approved by the qualified electors of the District.

SECTION 4. The City Manager is authorized and directed to file a certified copy of this Resolution, together with a list of all parcels subject to the special tax for the above specified Fiscal Year and the amount of the special tax to be levied against each such parcel, with the County Auditor/Tax Collector of the County of San Bernardino on or before August 10; provided, however, that such may be filed after August 10, but not later than August 21, if the City Manager obtains the prior written consent of such County Auditor/Tax Collector.

SECTION 5. That the proceeds of the special tax shall be used only to pay the following costs and expenses:

(a) Costs of those services authorized to be financed by the District;

(b) Costs incurred by the District and the City in the annual levy and collection of the special taxes;

(c) Administrative costs of the District; and

(d) Any incidental expenses authorized to be financed by the District.

SECTION 6. The special tax shall be collected in the same manner as ordinary ad valorem property taxes are collected, and shall be subject to the same penalties and same procedure and sale in cases of any delinquency for ad valorem taxes, and the County Auditor/Tax Collector is hereby authorized to deduct reasonable administrative costs incurred in collecting any said special tax.

SECTION 7. All monies above collected shall be paid into the Community Facilities District No. 58 Fund.

SECTION 8. The County Auditor/Tax Collector is hereby directed to enter in the next County assessment roll on which taxes will become due, opposite each lot or parcel of land affected in a space marked "CFD No. 58 Special Tax," or by any other suitable designation, the installment of the special tax.

SECTION 9. The County Auditor/Tax Collector shall then, at the close of the tax collection period, promptly render to the District a detailed report showing the amount and/or amounts of such special tax installments, interests, penalties, and percentages so collected and from what property collected, and also provide a statement of any percentages retained for the expense of making any such collection.

SECTION 10. This legislative body hereby certifies that the levy of the special tax was authorized in accordance with the provisions of the Act, and complies with the requirements of Articles XIIIA and XIIIC of the Constitution of the State of California.

The City Manager is authorized and directed to file a certified copy of this Resolution, together with a list of all parcels subject to the special tax for the above specified Fiscal Year and the amount of the special tax to be levied against each such parcel, with the County Auditor/Tax Collector of the County of San Bernardino on or before August 10; provided, however, that such may be filed after August 10, but not later than August 21, if the City Manager obtains the prior written consent of such County Auditor/Tax Collector.

SECTION 5. That the proceeds of the special tax shall be used only to pay the following costs and expenses:

(a) Costs of those services authorized to be financed by the District;

(b) Costs incurred by the District and the City in the annual levy and collection of the special taxes;

(c) Administrative costs of the District; and

(d) Any incidental expenses authorized to be financed by the District.

SECTION 6. The special tax shall be collected in the same manner as ordinary ad valorem property taxes are collected, and shall be subject to the same penalties and same procedure and sale in cases of any delinquency for ad valorem taxes, and the County Auditor/Tax Collector is hereby authorized to deduct reasonable administrative costs incurred in collecting any said special tax.

SECTION 7. All monies above collected shall be paid into the Community Facilities District No. 61 Fund.

SECTION 8. The County Auditor/Tax Collector is hereby directed to enter in the next County assessment roll on which taxes will become due, opposite each lot or parcel of land affected in a space marked "CFD No. 61 Special Tax," or by any other suitable designation, the installment of the special tax.

SECTION 9. The County Auditor/Tax Collector shall then, at the close of the tax collection period, promptly render to the District a detailed report showing the amount and/or amounts of such special tax installments, interests, penalties, and percentages so collected and from what property collected, and also provide a statement of any percentages retained for the expense of making any such collection.

SECTION 10. This legislative body hereby certifies that the levy of the special tax was authorized in accordance with the provisions of the Act, and complies with the requirements of Articles XIIIA and XIIIC of the Constitution of the State of California.

The City Clerk of the City of Ontario shall certify as to the adoption of this Resolution.

PASSED, APPROVED, AND ADOPTED this 18th day of July 2023.

RESOLUTION NO. _____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ONTARIO, CALIFORNIA, ACTING IN ITS CAPACITY AS THE LEGISLATIVE BODY OF CITY OF ONTARIO COMMUNITY FACILITIES DISTRICT NO. 64 (SUNSET RANCH), ESTABLISHING THE ANNUAL SPECIAL TAXES FOR FISCAL YEAR 2023-24.

WHEREAS, the City Council of the City of Ontario, California, has initiated proceedings, held a public hearing, conducted an election and received a favorable vote from the qualified electors relating to the levy of special taxes (the "Special Taxes") in the City of Ontario Community Facilities District No. 64 (Sunset Ranch) (the "District"), all as authorized pursuant to the terms and provisions of the "Mello-Roos Community Facilities Act of 1982" (the "Act"), being Chapter 2.5, Part 1, Division 2, Title 5, of the California Government Code; and

WHEREAS, the City Council did, by the enactment of Ordinance No. 3247 (the "Special Tax Ordinance") as authorized by Section 53340 of the Act, authorize the levy of the Special Taxes to pay the costs of providing the Facilities and Services and incidental expenses (as such terms are defined in the Special Tax Ordinance), and the City Council is desirous to establish the specific rates of the Special Taxes to be collected for the specified Fiscal Year and the portion thereof to be applied to each of the costs of providing the Facilities and incidental expenses and the costs of providing the Services; and

WHEREAS, the Special Taxes consist of a "Special Tax A" (the "Special Tax A"), which were authorized to pay the costs of providing the Facilities and Services and incidental expenses, and a "Special Tax B" (the "Special Tax B"), which were authorized to pay the costs of providing the Services and incidental expenses.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Ontario as follows:

SECTION 1. The above recitals are all true and correct.

SECTION 2. That the specific rates and amounts of each of Special Tax A and Special Tax B to be collected for the referenced Fiscal Year for the District is hereby determined and established as set forth in the attached referenced and incorporated Exhibit "A".

SECTION 3. That the rates of each of Special Tax A and Special Tax B as set forth above do not exceed the respective rates previously approved by the qualified electors of the District and authorized by the Special Tax Ordinance.

SECTION 4. The City Manager is authorized and directed to file a certified copy of this Resolution, together with a list of all parcels subject to the Special Taxes for the above specified Fiscal Year and the amount of the Special Taxes to be levied against each such parcel, with the County Auditor/Tax Collector of the County of San Bernardino on or before August 10; provided, however, that such may be filed after August 10, but

not later than August 21, if the City Manager obtains the prior written consent of such County Auditor/Tax Collector.

SECTION 5. The portion of Special Tax A to be collected for the referenced Fiscal Year (a) to pay the costs of providing the Facilities and incidental expenses shall be 100% of the rates and amounts of Special Tax A to be collected for such Fiscal Year as set forth in the attached Exhibit "A", and (b) to pay the costs of providing the Services shall be 0% of the rates and amounts of Special Tax A to be collected for such Fiscal Year as set forth in the attached Exhibit "A".

SECTION 6. The proceeds of Special Tax A collected to pay the costs of providing the Facilities and incidental expenses shall be used only to:

(a) pay debt service on all outstanding bonds or other debt (as defined in Section 53317(d) of the Act) issued by the District under the Act and payable from Special Tax A (the "Bonds");

(b) pay periodic costs on the Bonds, including, but not limited to, credit enhancement and rebate payments on the Bonds;

(c) pay a pro rata share of administrative expenses (including costs incurred by the District and the City in the annual levy and collection of the Special Taxes);

(d) provide any amounts required to establish or replenish any reserve fund for the Bonds; and

(e) pay directly for acquisition or construction of Facilities.

SECTION 7. The proceeds of Special Tax A collected to pay the costs of providing the Services shall be used only to pay the costs of providing such Services.

SECTION 8. The proceeds of Special Tax B collected to pay the costs of providing the Services and incidental expenses shall be used only to pay the costs of Services and a pro rata share of administrative expenses (including costs incurred by the District and the City in the annual levy and collection of the Special Taxes).

SECTION 9. The Special Taxes shall be collected in the same manner as ordinary *ad valorem* property taxes are collected, and shall be subject to the same penalties and same procedure and sale in cases of any delinquency for *ad valorem* taxes, and the County Auditor/Tax Collector is hereby authorized to deduct reasonable administrative costs incurred in collecting any Special Taxes.

SECTION 10. All Special Tax A amounts collected to provide costs of providing the Facilities and incidental expenses shall be deposited in the Special Tax Fund of the District. All Special Tax A amounts collected to provide costs of providing the Services shall be deposited in the Government Fund.

All Special Tax B amounts collected shall be deposited in the Government Fund.

SECTION 11. The County Auditor/Tax Collector is hereby directed to enter in the next County assessment roll on which taxes will become due, opposite each lot or parcel of land affected in a space marked "CFD No. 64 Special Tax A," or by any other suitable designation, the installment of Special Tax A.

The County Auditor/Tax Collector is hereby directed to enter in the next County assessment roll on which taxes will become due, opposite each lot or parcel of land affected in a space marked "CFD No. 64 Special Tax B," or by any other suitable designation, the installment of Special Tax B.

SECTION 12. The County Auditor/Tax Collector shall then, at the close of the tax collection period, promptly render to the District a detailed report showing the amount and/or amounts of such special tax installments, interests, penalties, and percentages so collected and from what property collected, and also provide a statement of any percentages retained for the expense of making any such collection.

SECTION 13. The City Council hereby certifies that the levy of the Special Taxes was authorized in accordance with the provisions of the Act, and complies with the requirements of Articles XIIIA and XIIIC of the Constitution of the State of California.

The City Clerk of the City of Ontario shall certify as to the adoption of this Resolution.

I. INTRODUCTION

City of Ontario Community Facilities Districts

In 2008, the City of Ontario (the "City") formed a Mello-Roos Community Facilities District ("CFD") for a specific project located in the more-developed part of the City to the north of Ontario Ranch, in an area known as the Old Model Colony. This development required the City to provide additional public facilities, which are described in greater detail below. This CFD Tax Administration Report ("Report") provides information regarding the City's CFD within the Old Model Colony that has issued bonds to pay for public facilities on or prior to June 1, 2023 (the "Old Model Colony Bonded Facilities CFD"). All references to CFDs in the remainder of this report refer to the Old Model Colony Bonded Facilities CFD, specifically.

City of Ontario Community Facilities District No. 13

On May 6, 2008, the City of Ontario (the "City") City Council (the "City Council") adopted Resolution No. 2008-32, which established the City of Ontario Community Facilities District No. 13 (California Commerce Center - Phase IV). A successful landowner election authorized the levy of a Mello-Roos special tax on property within CFD No. 13 to fund certain public facilities. The landowners also voted to incur bonded indebtedness, secured by special taxes levied in CFD No. 13. On July 16, 2008, the City, on behalf of CFD No. 13, issued special tax bonds (the "Series 2008 Bonds") in the aggregate principal amount of $4,635,000 to finance public improvements. On June 16, 2021, the City, on behalf of CFD No. 13, issued refunding special tax bonds (the "Series 2021 Bonds" or "Bonds") in the aggregate principal amount of $3,205,000 to refund the outstanding Series 2008 Bonds. The types of facilities to be funded by bond proceeds and special tax revenues include street improvements, water and sewer facilities, storm drain facilities, and other public infrastructure improvements for the benefit of residents within CFD No. 13.

CFD No. 13 is located in the eastern portion of the City, approximately one mile southeast of the Ontario International Airport. CFD No. 13 encompasses a 103-acre site between Milliken Avenue and Haven Avenue, south of Francis Street. The development plan for the area within CFD No. 13 includes the construction of six industrial buildings and one commercial office building.

The Mello-Roos Community Facilities Act of 1982

The California State Legislature (the "Legislature") approved the Mello-Roos Community Facilities Act of 1982 that provides for the levy of a special tax within a defined geographic area (i.e., a community facilities district) if such a levy is approved by two-thirds of the qualified electors in the area. Community facilities districts can generate funding for a broad range of facilities and eligible services. These services include police protection services, fire protection and suppression services, library services, recreation program services, flood and storm protection services, street lighting services, and maintenance of roads, parks, parkways, and open space. Special taxes can be allocated to property in any reasonable manner other than on an ad valorem basis.

A community facilities district is authorized to issue tax-exempt bonds that are secured by land within the district. If a parcel does not pay the special tax levied on it, a public agency can foreclose on the parcel and use the proceeds of the foreclosure sale to ensure that bondholders receive interest and principal payments on the bonds. Because bonds issued by a community facilities district are land-secured, there is no risk to a public agency's general fund or taxing capacity. In addition, because the bonds are tax-exempt, they typically carry an interest rate that is lower than conventional construction financing.

II. PURPOSE OF REPORT

This Report presents findings from research and financial analysis performed by Goodwin Consulting Group, Inc. to determine the fiscal year 2023-24 special tax levies for the Old Model Colony Bonded Facilities CFD. The Report is intended to provide information to interested parties regarding this CFD, including the special taxes to be levied in fiscal year 2023-24, the status of development in the CFD, and information regarding special tax delinquencies within the CFD.

The remainder of the Report is organized as follows:

- **Section III** provides general information about the CFD including the status of construction. Additionally, information on the special tax bonds is provided in this section.

- **Section IV** identifies the financial obligations, in particular, the Special Tax Requirement for the CFD for fiscal year 2023-24.

- **Section V** provides a summary of the methodologies used to apportion special taxes among parcels in the CFD.

- **Section VI** describes delinquencies in payment of the special taxes in prior fiscal years.

- **Section VII** provides information regarding state reporting requirements applicable to the CFD.

III. STATUS OF CFD

The table below summarizes the Old Model Colony Bonded Facilities CFD and provides the outstanding principal amount of special tax bonds. The table also shows whether all of the anticipated units and/or non-residential buildings have been issued building permits. The summary table in Appendix A shows the amounts levied in the CFD for fiscal year 2023-24. See the map included in Appendix C for the specific boundaries of the CFD.

** Indicates that all anticipated residential units and/or non-residential square footage have had building permits issued as of May 1, 2023.*

IV. FISCAL YEAR 2023-24 SPECIAL TAX REQUIREMENT

The special tax for the Old Model Colony Bonded Facilities CFD is levied according to the methodology set forth in the Rate and Method of Apportionment of Special Tax (the "RMA") for that CFD. The RMA was adopted as an exhibit to the Resolution of Formation for the CFD. Pursuant to the RMA, the special tax levied must be equal to the Special Tax Requirement for that fiscal year. Generally, the Special Tax Requirement means the amount necessary in any fiscal year (i) to pay principal and interest on bonds, (ii) to pay periodic costs on bonds, (iii) to pay the administrative expenses of the CFD, (iv) to replenish any reserve fund for the bonds, (v) to pay directly for acquisition or construction of facilities when there are no outstanding bonds, and (vi) to provide an amount equal to special tax delinquencies based on the historical delinquency rate for the special taxes as determined by the CFD Administrator; less (vii) a credit for funds available to reduce the annual special tax levy. For fiscal year 2023-24, the Special Tax Requirement was based on estimated costs for each CFD provided by the City. The table in Appendix B shows the Special Tax Requirement for the Old Model Colony Bonded Facilities CFD.

V. SPECIAL TAX LEVY

Special Tax Categories

Pursuant to the adopted RMA, all property within the CFD is assigned to a special tax category. The various special tax categories each have a maximum special tax rate per building square foot or per parcel. Additionally, the category will determine the priority in which each parcel will be taxed. Categories created for one CFD do not pertain to any other CFD. The table in Appendix A of this report shows the amount of property in each category, the maximum special tax rates, and the actual amount of special tax levied in fiscal year 2023-24. A more detailed description of the special tax categories is included below.

CFD No. 13

Special taxes within CFD No. 13 are levied pursuant to the methodology set forth in the RMA, which defines Taxable Property as all parcels within the boundaries of CFD No. 13 that are not exempt from the Special Taxes. Each fiscal year, parcels of Taxable Property are classified as either Industrial Property or Commercial Property.

- Industrial Property means Taxable Property, designated as Parcels 2 through 7 of Parcel Map No. 18334, as shown in the CFD boundary map.

- Commercial Property means Taxable Property, designated as Parcel 1 of Parcel Map No. 18334, as shown in the CFD boundary map.

Maximum Special Tax Rates

The maximum special tax rates applicable to each category of property are set forth in Section C of the RMA. The percentage of the maximum special tax that will be levied on each land use category in fiscal year 2023-24 is determined by the method of apportionment included in Section D of the RMA. The table in Appendix A identifies the maximum annual special taxes that can be levied on property in the CFD.

Apportionment of Special Taxes

The amount of special tax levied on each parcel in each fiscal year will be determined by application of Section D of the RMA. Pursuant to this section, the Special Tax Requirement will be allocated by levying the special tax proportionally on each parcel or portion of each parcel of Taxable Property up to 100% of the maximum special tax, until the Special Tax Requirement is satisfied. The actual special tax rates and the number of units of Taxable Property for fiscal year 2023-24 are shown in the table in Appendix A.

VI. SPECIAL TAX DELINQUENCIES

The special taxes for the CFD are collected via the annual secured property tax bills issued by San Bernardino County. Annually, around July 1 of each year, the San Bernardino County Auditor-Controller's Office reports on the special taxes that are delinquent. On [TBD], the County Auditor-Controller's office reported that there were no delinquencies in the payment of the special tax. Thus, the Special Tax Requirement for fiscal year 2023-24 has not been increased as a result of any fiscal year 2022-23 delinquencies.

VII. STATE REPORTING REQUIREMENTS

Assembly Bill No. 1666

On July 25, 2016, Governor Jerry Brown signed Assembly Bill No. 1666, adding Section 53343.2 to the California Government Code ("GC"). The bill enhances the transparency of community facilities districts by requiring that certain reports be accessible on a local agency's web site. Pursuant to Section 53343.2, a local agency that has a web site shall, within seven months after the last day of each fiscal year of the district, display prominently on its web site the following information:

Item (a): A copy of an annual report, if requested, pursuant to GC Section 53343.1. The report required by Section 53343.1 includes CFD budgetary information for the prior fiscal year and is only prepared by a community facilities district at the request of a person who resides in or owns property in the community facilities district. If the annual report has not been requested to be prepared, then a posting to the web site would not be necessary.

Item (b): A copy of the report provided to the California Debt and Investment Advisory Commission ("CDIAC") pursuant to GC Section 53359.5. Under Section 53359.5, local agencies must provide CDIAC with the following: (i) notice of proposed sale of bonds; (ii) annual reports on the fiscal status of bonded districts; and (iii) notice of any failure to pay debt service on bonds, or of any draw on a reserve fund to pay debt service on bonds.

Item (c): A copy of the report provided to the State Controller's Office pursuant to GC Section 12463.2. This section refers to the parcel tax portion of a local agency's Financial Transactions Report that is prepared for the State Controller's Office annually. Note that school districts are not subject to the reporting required by GC Section 12463.2.

Assembly Bill No. 1483

On October 9, 2019, Governor Gavin Newsom signed Assembly Bill No. 1483, adding Section 65940.1 to the California Government Code. The law requires that a city, county, or special district that has an internet website, maintain on its website a current schedule of fees, exactions, and affordability requirements imposed by the public agency on all housing development projects. Pursuant to Section 65940.1, the definition of an exaction includes a special tax levied pursuant to the Mello-Roos Community Facilities Act.

Assembly Bill No. 1483 defines a housing development project as consisting of (a) residential units only; or (b) mixed-use developments consisting of residential and non-residential land uses with at least two-thirds of the square footage designated for residential use; or (c) transitional housing or supportive housing. Assembly Bill No. 1483 also requires a city, county, or special district to update this information on their website within 30 days of any changes made to the information.

Senate Bill No. 165

On September 18, 2000, former Governor Gray Davis signed Senate Bill 165 which enacted the Local Agency Special Tax and Bond Accountability Act. In approving the bill, the Legislature declared that local agencies need to demonstrate to the voters that special taxes and bond proceeds are being spent on the facilities and services for which they were intended. To further this objective, the Legislature added Sections 50075.3 and 53411 to the California Government Code setting forth annual reporting requirements relative to special taxes collected and bonds issued by a local public agency. Pursuant to the Sections 50075.3 and 53411, the "chief fiscal officer" of the public agency will, by January 1, 2002, and at least once a year thereafter, file a report with the City setting forth (i) the amount of special taxes that have been collected and expended; (ii) the status of any project required or authorized to be funded by the special taxes; (iii) if bonds have been issued, the amount of bonds that have been collected and expended; and (iv) if bonds have been issued, the status of any project required or authorized to be funded from bond proceeds

I. INTRODUCTION

City of Ontario Community Facilities Districts

In 2007 and 2013, the City of Ontario (the "City") formed three Mello-Roos Community Facilities Districts ("CFDs") for specific projects. These three projects are located in the more-developed part of the City to the north of Ontario Ranch, in an area known as the Old Model Colony. Each of these developments required the City to provide additional public services, which are described in greater detail below. This CFD Tax Administration Report ("Report") provides information regarding the City's CFDs within the Old Model Colony that are only funding public services (the "Old Model Colony Services CFDs"). All references to CFDs in the remainder of this report refer to the Old Model Colony Services CFDs, specifically.

City of Ontario Community Facilities District No. 10

On July 17, 2007, the City of Ontario City Council (the "City Council") adopted Resolution No. 2007-093, which established the City of Ontario Community Facilities District No. 10 (Ontario Airport Towers) ("CFD No. 10"). A successful landowner election authorized the levy of a Mello-Roos special tax on property within CFD No. 10. In 2008 and 2009, the City Council authorized amendments to the Rate and Method of Apportionment to modify the maximum special tax rates in CFD No. 10. Special tax revenues will fund police protection services, fire protection and rescue services, and parkway and open space maintenance services for landowners within CFD No. 10.

CFD No. 10 is located in the northern part of the City, just north of the Ontario International Airport. CFD No. 10 is bordered by I-10 to the north, E. Guasti Road to the south, and N. Archibald Avenue to the west. CFD No. 10 encompasses a 25-acre site known as the Ontario Airport Towers project. The development plan for the area within CFD No. 10 includes the construction of five office buildings, a retail building, and a hotel.

City of Ontario Community Facilities District No. 20

On July 16, 2013, the City Council adopted Resolution No. 2013-082, which established Community Facilities District No. 20 of the City of Ontario (Wal-Mart) ("CFD No. 20"). A successful landowner election authorized the levy of a Mello-Roos special tax on property within CFD No. 20. Special tax revenues will fund the operation and maintenance of public street lighting facilities and landscaping services for certain medians and parkways.

CFD No. 20 is located in the northwestern part of the City, within the Mountain Village Specific Plan Area. CFD No. 20 encompasses an approximately 16-acre site between Mountain Avenue and Elderberry Avenue, north of 5th Street. The area within CFD No. 20 has been developed as a retail shopping center including a Wal-Mart store and space for other retail tenants.

City of Ontario Community Facilities District No. 21

On August 20, 2013, the City Council adopted Resolution No. 2013-088, which established Community Facilities District No. 21 of the City of Ontario (Parkside) ("CFD No. 21"). A successful landowner election authorized the levy of a Mello-Roos special tax on property within CFD No. 21. Special tax revenues will fund the operation and maintenance of public street lighting facilities and landscaping services for certain medians and parkways.

CFD No. 21 is located just north of the Ontario International Airport, within the Ontario Festival Specific Plan Area. CFD No. 21 encompasses an approximately 20-acre site between Turner Avenue and Archibald Avenue, north of Inland Empire Boulevard. The development plan for the area within CFD No. 21 includes the construction of up to 302 dwelling units.

The Mello-Roos Community Facilities Act of 1982

The California State Legislature (the "Legislature") approved the Mello-Roos Community Facilities Act of 1982 that provides for the levy of a special tax within a defined geographic area (i.e., a community facilities district) if such a levy is approved by two-thirds of the qualified electors in the area. Community facilities districts can generate funding for a broad range of facilities and eligible services. These services include police protection services, fire protection and suppression services, library services, recreation program services, flood and storm protection services, street lighting services, and maintenance of roads, parks, parkways, and open space. Special taxes can be allocated to property in any reasonable manner other than on an ad valorem basis.

II. PURPOSE OF REPORT

This Report presents findings from research and financial analysis performed by Goodwin Consulting Group, Inc. to determine the fiscal year 2023-24 special tax levies for the Old Model Colony Services CFDs. The Report is intended to provide information to interested parties regarding these CFDs, including the special taxes to be levied in fiscal year 2023-24, the status of development in each CFD, and information regarding special tax delinquencies within each CFD.

The remainder of the Report is organized as follows:

- **Section III** lists the individual CFDs in which special taxes have been levied in fiscal year 2023-24, and also provides information on the status of construction in each CFD.

- **Section IV** identifies the financial obligations, in particular, the Special Tax Requirements for the CFDs for fiscal year 2023-24.

- **Section V** provides a summary of the methodologies used to apportion special taxes among parcels in each CFD.

- **Section VI** describes delinquencies in payment of the special taxes in prior fiscal years.

- **Section VII** provides information regarding state reporting requirements applicable to the CFDs.

III. STATUS OF CFDS

The table below summarizes the Old Model Colony Services CFDs that have levied special taxes as of fiscal year 2023-24. The table also shows whether all of the anticipated units and/or non-residential buildings have been issued building permits. The summary tables in Appendix A show the amounts levied in each CFD for fiscal year 2023-24. See the maps included in Appendix C for the specific boundaries of each CFD.

CFD No.	CFD Name	First FY Levied	CFD Built Out*
10	Ontario Airport Towers	2008-09	Yes
20	Wal-Mart	2014-15	Yes
21	Parkside	2014-15	Yes

** Indicates that all anticipated residential units and/or non-residential square footage have had building permits issued as of May 1, 2023.*

IV. FISCAL YEAR 2023-24 SPECIAL TAX REQUIREMENTS

The special tax for each of the Old Model Colony Services CFDs is levied according to the methodology set forth in the Rate and Method of Apportionment of Special Tax (the "RMA") for that CFD. The RMAs were each adopted as an exhibit to the Resolution of Formation for a given CFD, and some were subsequently amended by the City Council. While each RMA may contain different terms, they always require that the special tax levied be equal to the Special Tax Requirement for that CFD. Generally, the Special Tax Requirement means the amount necessary in any fiscal year to pay (i) the cost of services, (ii) administrative expenses of the CFD, and (iii) any delinquencies based on the historical delinquency rate for the special taxes as determined by the Administrator. For fiscal year 2023-24, the Special Tax Requirements were based on estimated costs for each CFD provided by the City. The tables in Appendix B show the Special Tax Requirement for each of the Old Model Colony Services CFDs.

V. SPECIAL TAX LEVIES

Special Tax Categories

Pursuant to the adopted RMAs, all property within each CFD is assigned to a special tax category. The categories are specific to the individual CFD, but typically RMAs will include categories for development status, land use types, and ownership. The various special tax categories each have a maximum special tax rate per unit, per building square foot, or per acre. Additionally, the category will determine the priority in which each parcel will be taxed. Categories created for one CFD do not pertain to any other CFD. The tables in Appendix A of this report show the amount of property in each category, the maximum special tax rate, and the actual amount of special tax levied in fiscal year 2023-24. A more detailed description of the special tax categories for each CFD is included below.

CFD No. 10

Special taxes within CFD No. 10 are levied pursuant to the methodology set forth in the RMA, which establishes a single special tax category, Taxable Property, against which the special tax can be levied each fiscal year. Taxable Property is defined as all parcels within the boundaries of CFD No. 10 which are not exempted from the special tax. Since no exemptions apply, all property within CFD No. 10 will be subject to the special tax levy for fiscal year 2023-24.

CFD No. 20

Special taxes within CFD No. 20 are levied pursuant to the methodology set forth in the RMA, which defines Taxable Property as all parcels of Developed Property within the boundaries of CFD No. 20 that are not exempt from the special tax.

Developed Property means, for each fiscal year, all property, exclusive of public property, for which a building permit for new construction was issued after January 1, 2012, and before May 1 of the prior fiscal year. Thus, all properties for which a building permit for new construction was issued after January 1, 2012, and before May 1, 2023, are classified as Developed Property and are subject to the special tax levy for fiscal year 2023-24.

CFD No. 21

Special taxes within CFD No. 21 are levied pursuant to the methodology set forth in the RMA, which defines Taxable Property as all parcels of Residential Property within the boundaries of CFD No. 21 that are not exempt from the special tax. Each fiscal year, all parcels of Taxable Property are classified as Detached Property or Attached Property and are subject to the levy of the special tax.

- Detached Property is defined as any residential building containing one dwelling Unit on one parcel, including a single family residence, single family residential condominium, detached townhome, or manufactured unit on an individual lot. Pursuant to the RMA, a Unit means an individual dwelling unit of any configuration.

- Attached Property is defined as any dwelling Unit that shares, or will share, an inside wall with another dwelling Unit.

Residential Property means, for each fiscal year, all parcels for which a building permit for new construction was issued after January 1, 2013, and before May 1 of the prior fiscal year. Thus, all Detached Property and Attached Property for which a building permit for new construction was issued after January 1, 2013, and before May 1, 2023, are classified as Residential Property and are subject to the special tax levy for fiscal year 2023-24.

Maximum Special Tax Rates

The maximum special tax rates applicable to each category of property are set forth in Section C of each RMA. The percentage of the maximum special tax that will be levied on each land use category in fiscal year 2023-24 is determined by the method of apportionment included in Section D of each RMA. The tables in Appendix A identify the maximum annual special taxes that can be levied on property in the CFDs. Below is a description of the annual escalation that affects the maximum special tax rates in each of the Old Model Colony Services CFDs.

CFD No. 10

The maximum special tax rate shall be increased each year by the greater of (i) the increase, if any, in the Consumer Price Index for the Los Angeles-Riverside-Orange County Area for All Urban Consumers, or (ii) two percent. In December 2017, the Consumer Price Index for the Los Angeles-Riverside-Orange County Area was discontinued. The City has elected to use the Consumer Price Index for the Riverside-San Bernardino-Ontario Area as the replacement index to escalate the maximum special tax going forward.

CFD No. 20

Annually, on April 1, the maximum special tax shall be increased by the greater of the twelve month percentage change in: (i) the Consumer Price Index for All Urban Consumers in the Riverside-San Bernardino-Ontario area, or; (ii) the Southern California Edison LS-2 rate. The City selected the CPI for the Riverside-San Bernardino-Ontario area as a reasonable replacement after the original index was discontinued.

CFD No. 21

Annually, on July 1, the maximum special taxes shall be increased by the greater of: (i) an amount equal to 2.0% of the amount in effect for the prior fiscal year, or; (ii) the percentage change for the preceding 12 months in the Consumer Price Index for All Urban Consumers in the Los Angeles-Long Beach-Anaheim area. Again, the City selected the CPI for the Riverside-San Bernardino-Ontario area as a reasonable replacement for the original index.

Apportionment of Special Taxes

The amount of special tax levied on each parcel in each fiscal year will be determined by application of Section D of the applicable RMA. Pursuant to this section, the Special Tax Requirement will be allocated by levying the special tax proportionally on each parcel or portion of each parcel of Taxable Property up to 100% of the maximum special tax, until the Special Tax Requirement is satisfied. The actual special tax rates and the number of units of Taxable Property for fiscal year 2023-24 are shown in the tables in Appendix A.

VI. SPECIAL TAX DELINQUENCIES

The special taxes for the CFDs are collected via the annual secured property tax bills issued by San Bernardino County. Annually, around July 1 of each year, the San Bernardino County Auditor-Controller's Office reports on the special taxes that are delinquent. Appendix D of this report shows the parcels and unpaid amounts from prior years that have been reported by the County as delinquent.

These delinquencies shall be collected through San Bernardino County's collection process. The Special Tax Requirements for fiscal year 2023-24 have not been increased as a result of the fiscal year 2022-23 delinquencies.

Assembly Bill No. 1666

On July 25, 2016, Governor Jerry Brown signed Assembly Bill No. 1666, adding Section 53343.2 to the California Government Code ("GC"). The bill enhances the transparency of community facilities districts by requiring that certain reports be accessible on a local agency's web site. Pursuant to Section 53343.2, a local agency that has a web site shall, within seven months after the last day of each fiscal year of the district, display prominently on its web site the following information:

Item (a): A copy of an annual report, if requested, pursuant to GC Section 53343.1. The report required by Section 53343.1 includes CFD budgetary information for the prior fiscal year and is only prepared by a community facilities district at the request of a person who resides in or owns property in the community facilities district. If the annual report has not been requested to be prepared, then a posting to the web site would not be necessary.

Item (b): A copy of the report provided to the California Debt and Investment Advisory Commission ("CDIAC") pursuant to GC Section 53359.5. Under Section 53359.5, local agencies must provide CDIAC with the following: (i) notice of proposed sale of bonds; (ii) annual reports on the fiscal status of bonded districts; and (iii) notice of any failure to pay debt service on bonds, or of any draw on a reserve fund to pay debt service on bonds.

Item (c): A copy of the report provided to the State Controller's Office pursuant to GC Section 12463.2. This section refers to the parcel tax portion of a local agency's Financial Transactions Report that is prepared for the State Controller's Office annually. Note that school districts are not subject to the reporting required by GC Section 12463.2.

Assembly Bill No. 1483

On October 9, 2019, Governor Gavin Newsom signed Assembly Bill No. 1483, adding Section 65940.1 to the California Government Code. The law requires that a city, county, or special district that has an internet website, maintain on its website a current schedule of fees, exactions, and affordability requirements imposed by the public agency on all housing development projects. Pursuant to Section 65940.1, the definition of an exaction includes a special tax levied pursuant to the Mello-Roos Community Facilities Act.

Assembly Bill No. 1483 defines a housing development project as consisting of (a) residential units only; or (b) mixed-use developments consisting of residential and non-residential land uses with at least two-thirds of the square footage designated for residential use; or (c) transitional housing or supportive housing. Assembly Bill No. 1483 also requires a city, county, or special district to update this information on their website within 30 days of any changes made to the information.

Senate Bill No. 165

On September 18, 2000, former Governor Gray Davis signed Senate Bill 165 which enacted the Local Agency Special Tax and Bond Accountability Act. In approving the bill, the Legislature declared that local agencies need to demonstrate to the voters that special taxes and bond proceeds are being spent on the facilities and services for which they were intended. To further this objective, the Legislature added Sections 50075.3 and 53411 to the California Government Code setting forth annual reporting requirements relative to special taxes collected and bonds issued by a local public agency. Pursuant to the Sections 50075.3 and 53411, the "chief fiscal officer" of the public agency will, by January 1, 2002, and at least once a year thereafter, file a report with the City setting forth (i) the amount of special taxes that have been collected and expended; (ii) the status of any project required or authorized to be funded by the special taxes; (iii) if bonds have been issued, the amount of bonds that have been collected and expended; and (iv) if bonds have been issued, the status of any project required or authorized to be funded from bond proceeds

I. INTRODUCTION

City of Ontario Community Facilities Districts

On November 30, 1999, the City of Ontario (the "City') completed the annexation of an 8,000-acre agricultural area in the southern portion of the City. That area, known today as Ontario Ranch, is planned for substantial new development including over 47,000 new homes and 16 million square feet of retail and industrial land uses. In recent years, many new housing projects, retail sites, and business parks in Ontario Ranch have begun to develop. The City estimates that full buildout in Ontario Ranch may take 20 years or more.

This new development requires the City to provide additional public services and facilities. To finance these additional services and facilities, the City has formed Mello-Roos Community Facilities Districts ("CFDs") on each new project that develops within Ontario Ranch. All new developments within Ontario Ranch are required to form a CFD that pays for public services. Typically, residential projects will also form a CFD that pays for a portion of the public infrastructure that serves each project. Historically, non-residential developments in Ontario Ranch have not used CFDs to finance public infrastructure. This CFD Tax Administration Report ("Report") provides information regarding the City's CFDs within Ontario Ranch that have issued bonds to pay for public facilities on or prior to June 1, 2023 (the "Ontario Ranch Bonded Facilities CFDs"). All references to CFDs in the remainder of this report refer to the Ontario Ranch Bonded Facilities CFDs, specifically.

Each CFD can potentially be authorized to fund a different set of services and facilities. However, the City typically authorizes special taxes in the Ontario Ranch Bonded Facilities CFDs to pay for street and bridge improvements, domestic and recycled water distribution facilities, sewer and storm drainage facilities, and other public infrastructure improvements for the benefit of residents within each CFD. In addition, under limited circumstances the special tax revenues generated in the CFDs can be used to directly fund police protection services, fire protection and suppression services, ambulance and paramedic services, maintenance and lighting of parks, parkways, streets, roads, and open space, flood and storm protection services, and maintenance and operation of any real property or other tangible property with an estimated useful life of five or more years that is owned by the City for residents within each CFD. A specific list of authorized services and facilities for each CFD may be found in the Resolution of Intention to Establish a Community Facilities District for each CFD.

The Mello-Roos Community Facilities Act of 1982

The California State Legislature (the "Legislature") approved the Mello-Roos Community Facilities Act of 1982 that provides for the levy of a special tax within a defined geographic area (i.e., a community facilities district) if such a levy is approved by two-thirds of the qualified electors in the area. Community facilities districts can generate funding for a broad range of facilities and eligible services. These services include police protection services, fire protection and suppression services, library services, recreation program services, flood and storm protection services, street lighting services, and maintenance of roads, parks, parkways, and open space.

Special taxes can be allocated to property in any reasonable manner other than on an ad valorem basis.

A community facilities district is authorized to issue tax-exempt bonds that are secured by land within the district. If a parcel does not pay the special tax levied on it, a public agency can foreclose on the parcel and use the proceeds of the foreclosure sale to ensure that bondholders receive interest and principal payments on the bonds. Because bonds issued by a community facilities district are land-secured, there is no risk to a public agency's general fund or taxing capacity. In addition, because the bonds are tax-exempt, they typically carry an interest rate that is lower than conventional construction financing.

II. PURPOSE OF REPORT

This Report presents findings from research and financial analysis performed by Goodwin Consulting Group, Inc. to determine the fiscal year 2023-24 special tax levy for the Ontario Ranch Bonded Facilities CFDs. The Report is intended to provide information to interested parties regarding these CFDs, including the special taxes to be levied in fiscal year 2023-24, the status of development in each CFD, and information regarding special tax delinquencies within each CFD.

The remainder of the Report is organized as follows:

- **Section III** lists the individual CFDs in which special taxes have been levied in fiscal year 2023-24, and also provides information on the status of construction in each CFD. Additionally, information on the special tax bonds is provided in this section.

- **Section IV** identifies the financial obligations, in particular, the Special Tax Requirements for the CFDs for fiscal year 2023-24.

- **Section V** provides a summary of the methodologies used to apportion special taxes among parcels in each CFD.

- **Section VI** describes delinquencies in payment of the special taxes in prior fiscal years.

- **Section VII** provides information regarding state reporting requirements applicable to the CFDs.

III. STATUS OF CFDS

The City of Ontario continues to form new CFDs in Ontario Ranch as new developments are proposed and move through the planning process. However, not all of these CFDs have levied special taxes as of fiscal year 2023-24. The special tax levy for a CFD commences once a building permit has been issued for new construction of a residential unit or a non-residential building in a CFD.

The table below summarizes the Ontario Ranch Bonded Facilities CFDs that have levied special taxes as of fiscal year 2023-24 and provides the outstanding principal amount of special tax bonds for each CFD. The table also shows whether all of the anticipated units and/or non-residential buildings have been issued building permits. The summary tables in Appendix A show the amounts levied in each CFD for fiscal year 2023-24. See the maps included in Appendix C for the specific boundaries of each CFD.

IV. FISCAL YEAR 2023-24 SPECIAL TAX REQUIREMENTS

The special tax for each of the Ontario Ranch Bonded Facilities CFDs is levied according to the methodology set forth in the Rate and Method of Apportionment of Special Tax (the "RMA") for that CFD. The RMAs were each adopted as an exhibit to the Resolution of Formation for a given CFD. While each RMA may contain different terms, they always require that the special tax levied be equal to the Special Tax Requirement for that CFD. Generally, the Special Tax Requirement means the amount necessary in any fiscal year (i) to pay principal and interest on bonds, (ii) to pay periodic costs on bonds, (iii) to pay the administrative expenses of the CFD, (iv) to replenish any reserve fund for the bonds, (v) to pay directly for acquisition or construction of facilities, or the cost of services, to the extent that the inclusion of such amounts does not increase the special tax levy on Final Mapped Property or Undeveloped Property in that CFD, and (vi) to provide an amount equal to special tax delinquencies based on the historical delinquency rate for the special taxes as determined by the CFD Administrator. For fiscal year 2023-24, the Special Tax Requirements were based on estimated costs for each CFD provided by the City. The tables in Appendix B show the Special Tax Requirement for each of the Ontario Ranch Bonded Facilities CFDs.

V. SPECIAL TAX LEVIES

Special Tax Categories

Pursuant to the adopted RMAs, all property within each CFD is assigned to a special tax category. The categories are specific to the individual CFD, but typically RMAs will include categories for development status, land use types, ownership, and building square footage. The various special tax categories each have a maximum special tax rate per unit or per acre. Additionally, the category will determine the priority in which each parcel will be taxed. A general description of the categories is included below, but terms may differ slightly due to minor differences between the CFDs.

The RMAs define Taxable Property as all parcels within the boundaries of a CFD that are not exempt from the Special Tax. Each fiscal year, parcels of Taxable Property are classified as Developed Property, Final Mapped Property, Taxable Public Property, Taxable Property Owner Association Property, or Undeveloped Property. Developed Property is further categorized into different land use types and square footage ranges which are specific to each CFD. In some CFDs, Final Mapped Property and Undeveloped Property are further categorized by the tract number they are located within.

- Developed Property means for each fiscal year, all Taxable Property, exclusive of Final Mapped Property, Taxable Property Owner Association Property, and Taxable Public Property, for which a building permit or other applicable permit for new construction was issued before May 1 of the prior fiscal year. Thus, assuming no other classification takes precedence, all parcels of Taxable Property for which building permits for new construction were issued before May 1, 2023, are classified as Developed Property and are subject to the special tax levy for that CFD for fiscal year 2023-24.

- Final Mapped Property means, for each Fiscal Year, all Taxable Property, exclusive of Developed Property, Taxable Property Owner Association Property, and Taxable Public Property, which as of January 1 of the previous fiscal year was located within a final subdivision map. Thus, assuming no other classification takes precedence, all parcels of Taxable Property which were located within a final subdivision map as of January 1, 2023 are classified as Final Mapped Property for fiscal year 2023-24.

- Taxable Public Property means, for each fiscal year, all parcels owned by a public agency that are not exempt from the special tax. The RMAs generally set a limit on the amount of acreage of Public Property in each CFD that will be exempt from the special tax, and any subsequent public property will be classified as Taxable Public Property.

- Taxable Property Owner Association Property means, for each fiscal year, all parcels owned by a property owner association as of January 1 of the prior fiscal year that are not exempt from the special tax. The RMAs generally set a limit on the amount of acreage of Property Owner Association Property in each CFD that will be exempt from the special tax, and any subsequent property owner association property will be classified as Taxable Property Owner Association Property.

- Finally, Undeveloped Property means, for each fiscal year, all Taxable Property not classified as Developed Property, Final Mapped Property, Taxable Public Property, or Taxable Property Owner Association Property.

Maximum Special Tax Rates

Section C of each RMA describes the Assigned Special Tax rates that apply to each parcel of Developed Property. The Maximum Special Tax rates applicable to all categories of property in the CFDs are also set forth in Section C of the RMAs. However, the RMAs specify that the Assigned Special Tax on Developed Property shall be analyzed prior to the issuance of bonds. The CFD Administrator shall use the Price Point Study to calculate the Total Tax Burden applicable to all Units, which shall not exceed 1.95% of the Minimum Sale Price of such Units. The Assigned Special Tax shall be reduced to the extent necessary to cause the Total Tax Burden that shall apply to Units within such Land Use Class(es) not to exceed 1.95% of the Minimum Sale Price of such Units. Each Assigned Special Tax reduction for a Land Use Class shall be calculated by the CFD Administrator separately, and it shall not be required that such reduction be proportionate among Land Use Classes. In connection with any reduction in the Assigned Special Tax, the Backup Special Tax shall also be reduced by the CFD Administrator based on the percentage reduction in Maximum Special Tax revenues within the Tentative Tract Map area(s) where the Assigned Special Tax reductions occurred. This process was carried out for each CFD prior to the issuance of bonds in that CFD. The tables in Appendix A show the final Assigned Special Tax rates for each CFD, including any required reductions.

For Developed Property, the Maximum Special Tax rate is determined by calculating the greater of the applicable Assigned Special Tax rate and the applicable Backup Special Tax rate. Generally for residential land use types, the Assigned Special Tax rates can vary based on the square footage of the Unit in question. For other types of property, the Assigned Special Tax rates are typically applied on a per-acre basis.

In each CFD, the Backup Special Tax rates are set based on the expected land uses in that CFD at the time the CFD is formed. The Backup Special Tax rates may be recalculated in the future if the expected land uses within the CFD change. However, once a parcel has been classified as Developed Property, its Backup Special Tax shall not change.

The percentage of the maximum special tax that will be levied on each land use category in fiscal year 2023-24 is determined by the method of apportionment included in Section D of each RMA. The tables in Appendix A identify the maximum annual special taxes that can be levied on property in the CFDs.

Apportionment of Special Taxes

The amount of Special Tax levied on each parcel in a given CFD each fiscal year will be determined by application of Section D of that RMA. Pursuant to this section, the special tax will be levied as follows:

(1) First, the special tax will be levied proportionately on each parcel of Developed Property up to 100% of the applicable Assigned Special Tax.

(2) If additional monies are needed to satisfy the Special Tax Requirement after the first step has been completed, then the special tax shall be levied proportionately on each parcel of Final Mapped Property up to 100% of the Maximum Special Tax for Final Mapped Property.

(3) If additional monies are needed to satisfy the Special Tax Requirement after the first two steps have been completed, then the special tax shall be levied proportionately on each parcel of Undeveloped Property up to 100% of the Maximum Special Tax for Undeveloped Property.

(4) If additional monies are needed to satisfy the Special Tax Requirement after the first three steps have been completed, then the levy of the special tax on each Assessor's Parcel of Developed Property whose Maximum Special Tax is determined through the application of the Backup Special Tax shall be increased proportionately from the Assigned Special Tax up to the Maximum Special Tax for each such parcel.

(5) If additional monies are needed to satisfy the Special Tax Requirement after the first four steps have been completed, then the special tax shall be levied proportionately on each parcel of Taxable Property Owner Association Property up to 100% of the Maximum Special Tax for Taxable Property Owner Association Property.

(6) If additional monies are needed to satisfy the Special Tax Requirement after the first five steps have been completed, then the special tax shall be levied proportionately on each parcel of Taxable Public Property up to 100% of the Maximum Special Tax for Taxable Public Property.

The actual special tax rates and the number of units of Taxable Property for fiscal year 2023-24 are shown in the tables in Appendix A.

VI. SPECIAL TAX DELINQUENCIES

The special taxes for the CFDs are collected via the annual secured property tax bills issued by San Bernardino County. Annually, around July 1 of each year, the San Bernardino County Auditor-Controller's Office reports on the special taxes that are delinquent. Appendix D of this report shows the parcels and unpaid amounts from prior years that have been reported by the County as delinquent.

These delinquencies shall be collected through San Bernardino County's collection process. The Special Tax Requirements for fiscal year 2023-24 have not been increased as a result of the fiscal year 2022-23 delinquencies.

VII. STATE REPORTING REQUIREMENTS

Assembly Bill No. 1666

On July 25, 2016, Governor Jerry Brown signed Assembly Bill No. 1666, adding Section 53343.2 to the California Government Code ("GC"). The bill enhances the transparency of community facilities districts by requiring that certain reports be accessible on a local agency's web site. Pursuant to Section 53343.2, a local agency that has a web site shall, within seven months after the last day of each fiscal year of the district, display prominently on its web site the following information:

Item (a): A copy of an annual report, if requested, pursuant to GC Section 53343.1. The report required by Section 53343.1 includes CFD budgetary information for the prior fiscal year and is only prepared by a community facilities district at the request of a person who resides in or owns property in the community facilities district. If the annual report has not been requested to be prepared, then a posting to the web site would not be necessary.

Item (b): A copy of the report provided to the California Debt and Investment Advisory Commission ("CDIAC") pursuant to GC Section 53359.5. Under Section 53359.5, local agencies must provide CDIAC with the following: (i) notice of proposed sale of bonds; (ii) annual reports on the fiscal status of bonded districts; and (iii) notice of any failure to pay debt service on bonds, or of any draw on a reserve fund to pay debt service on bonds.

Item (c): A copy of the report provided to the State Controller's Office pursuant to GC Section 12463.2. This section refers to the parcel tax portion of a local agency's Financial Transactions Report that is prepared for the State Controller's Office annually. Note that school districts are not subject to the reporting required by GC Section 12463.2.

Assembly Bill No. 1483

On October 9, 2019, Governor Gavin Newsom signed Assembly Bill No. 1483, adding Section 65940.1 to the California Government Code. The law requires that a city, county, or special district that has an internet website, maintain on its website a current schedule of fees, exactions, and affordability requirements imposed by the public agency on all housing development projects. Pursuant to Section 65940.1, the definition of an exaction includes a special tax levied pursuant to the Mello-Roos Community Facilities Act.

Assembly Bill No. 1483 defines a housing development project as consisting of (a) residential units only; or (b) mixed-use developments consisting of residential and non-residential land uses with at least two-thirds of the square footage designated for residential use; or (c) transitional housing or supportive housing. Assembly Bill No. 1483 also requires a city, county, or special district to update this information on their website within 30 days of any changes made to the information.

Senate Bill No. 165

On September 18, 2000, former Governor Gray Davis signed Senate Bill 165 which enacted the Local Agency Special Tax and Bond Accountability Act. In approving the bill, the Legislature declared that local agencies need to demonstrate to the voters that special taxes and bond proceeds are being spent on the facilities and services for which they were intended. To further this objective, the Legislature added Sections 50075.3 and 53411 to the California Government Code setting forth annual reporting requirements relative to special taxes collected and bonds issued by a local public agency. Pursuant to the Sections 50075.3 and 53411, the "chief fiscal officer" of the public agency will, by January 1, 2002, and at least once a year thereafter, file a report with the City setting forth (i) the amount of special taxes that have been collected and expended; (ii) the status of any project required or authorized to be funded by the special taxes; (iii) if bonds have been issued, the amount of bonds that have been collected and expended; and (iv) if bonds have been issued, the status of any project required or authorized to be funded from bond proceeds

I. INTRODUCTION

City of Ontario Community Facilities Districts

On November 30, 1999, the City of Ontario (the "City') completed the annexation of an 8,000-acre agricultural area in the southern portion of the City. That area, known today as Ontario Ranch, is planned for substantial new development including over 47,000 new homes and 16 million square feet of retail and industrial land uses. In recent years, many new housing projects, retail sites, and business parks in Ontario Ranch have begun to develop. The City estimates that full buildout in Ontario Ranch may take 20 years or more.

This new development requires the City to provide additional public services and facilities. To finance these additional services and facilities, the City has formed Mello-Roos Community Facilities Districts ("CFDs") on each new project that develops within Ontario Ranch. All new developments within Ontario Ranch are required to form a CFD that pays for public services. Typically, residential projects will also form a CFD that pays for a portion of the public infrastructure that serves each project. Historically, non-residential developments in Ontario Ranch have not used CFDs to finance public infrastructure. This CFD Tax Administration Report ("Report") provides information regarding the City's CFDs within Ontario Ranch that are authorized to fund both services and facilities and have issued bonds to pay for public facilities on or prior to June 1, 2023 (the "Ontario Ranch Bonded Facilities/Services CFDs"). All references to CFDs in the remainder of this report refer to the Ontario Ranch Bonded Facilities/Services CFDs, specifically.

Each CFD can potentially be authorized to fund a different set of services and facilities. However, the City typically authorizes special taxes in the Ontario Ranch Bonded Facilities/Services CFDs to pay for street and bridge improvements, domestic and recycled water distribution facilities, sewer and storm drainage facilities, and other public infrastructure improvements for the benefit of residents within each CFD. In addition, the special tax revenues generated in the CFDs can be used to fund police protection services, fire protection and suppression services, ambulance and paramedic services, maintenance and lighting of parks, parkways, streets, roads, and open space, flood and storm protection services, and maintenance and operation of any real property or other tangible property with an estimated useful life of five or more years that is owned by the City for residents within each CFD. A specific list of authorized services and facilities for each CFD may be found in the Resolution of Intention to Establish a Community Facilities District for each CFD.

The Mello-Roos Community Facilities Act of 1982

The California State Legislature (the "Legislature") approved the Mello-Roos Community Facilities Act of 1982 that provides for the levy of a special tax within a defined geographic area (i.e., a community facilities district) if such a levy is approved by two-thirds of the qualified electors in the area. Community facilities districts can generate funding for a broad range of facilities and eligible services. These services include police protection services, fire protection and suppression services, library services, recreation program services, flood and storm protection services, street lighting services, and maintenance of roads, parks, parkways, and open space.

Special taxes can be allocated to property in any reasonable manner other than on an ad valorem basis.

A community facilities district is authorized to issue tax-exempt bonds that are secured by land within the district. If a parcel does not pay the special tax levied on it, a public agency can foreclose on the parcel and use the proceeds of the foreclosure sale to ensure that bondholders receive interest and principal payments on the bonds. Because bonds issued by a community facilities district are land-secured, there is no risk to a public agency's general fund or taxing capacity. In addition, because the bonds are tax-exempt, they typically carry an interest rate that is lower than conventional construction financing.

II. PURPOSE OF REPORT

This Report presents findings from research and financial analysis performed by Goodwin Consulting Group, Inc. to determine the fiscal year 2023-24 special tax levies for the Ontario Ranch Bonded Facilities/Services CFDs. The Report is intended to provide information to interested parties regarding these CFDs, including the special taxes to be levied in fiscal year 2023-24, the status of development in each CFD, and information regarding special tax delinquencies within each CFD.

The remainder of the Report is organized as follows:

- **Section III** lists the individual CFDs in which special taxes have been levied in fiscal year 2023-24, and also provides information on the status of construction in each CFD. Additionally, information on the special tax bonds is provided in this section.

- **Section IV** identifies the financial obligations, in particular, the Special Tax Requirements for the CFDs for fiscal year 2023-24.

- **Section V** provides a summary of the methodologies used to apportion special taxes among parcels in each CFD.

- **Section VI** describes delinquencies in payment of the special taxes in prior fiscal years.

- **Section VII** provides information regarding state reporting requirements applicable to the CFDs.

III. STATUS OF CFDS

The City of Ontario continues to form new CFDs in Ontario Ranch as new developments are proposed and move through the planning process. However, not all of these CFDs have levied special taxes as of fiscal year 2023-24. The special tax levies for a CFD commence once a building permit has been issued for new construction of a residential unit or a non-residential building in a CFD.

The table below summarizes the Ontario Ranch Bonded Facilities/Services CFDs that have levied special taxes as of fiscal year 2023-24 and provides the outstanding principal amount of special tax bonds for each CFD. The table also shows whether all of the anticipated units and/or non-residential buildings have been issued building permits. The summary tables in Appendix A show the amounts levied in each CFD for fiscal year 2023-24. See the maps included in Appendix C for the specific boundaries of each CFD.

IV. FISCAL YEAR 2023-24 SPECIAL TAX REQUIREMENTS

The special taxes for each of the Ontario Ranch Bonded Facilities/Services CFDs are levied according to the methodology set forth in the Rate and Method of Apportionment of Special Tax (the "RMA") for that CFD. The RMAs were each adopted as an exhibit to the Resolution of Formation for a given CFD. For the Ontario Ranch Bonded Facilities/Services CFDs, the RMAs allow for two special tax levies within each CFD: one which primarily funds facilities ("Special Tax A"), and another which funds services ("Special Tax B"). While each RMA may contain different terms, they always require that the special tax levied be equal to its respective Special Tax Requirement for that CFD.

Generally, the Special Tax A Requirement means the amount necessary in any fiscal year (i) to pay principal and interest on bonds, (ii) to pay periodic costs on bonds, (iii) to pay a pro rata share of the administrative expenses of the CFD, (iv) to replenish any reserve fund for the bonds, (v) to pay directly for acquisition or construction of facilities, or the cost of services, to the extent that the inclusion of such amounts does not increase the Special Tax A levy on Final Mapped Property or Undeveloped Property, and (vi) provide an amount equal to Special Tax A delinquencies based on the historical delinquency rate for the special taxes as determined by the Administrator. For fiscal year 2023-24, the Special Tax Requirements were based on estimated costs for each CFD provided by the City.

The Special Tax B Requirement means the amount necessary in any fiscal year to pay (i) the cost of services, (ii) a pro rata share of the administrative expenses of the CFD, and (iii) any delinquencies based on the historical delinquency rate for the special taxes as determined by the Administrator. For fiscal year 2023-24, the Special Tax B Requirement is also based on an estimate of costs for each CFD that was provided by the City. The tables in Appendix B show the Special Tax A Requirement and Special Tax B Requirement for each of the Ontario Ranch Bonded Facilities/Services CFDs.

V. SPECIAL TAX LEVIES

Special Tax Categories

Pursuant to the adopted RMAs, all property within each CFD is assigned to a special tax category. The categories are specific to the individual CFD, but typically RMAs will include categories for development status, land use types, ownership, and building square footage. The various special tax categories each have a maximum special tax rate per unit, per square foot, or per acre for both Special Tax A and Special Tax B. Additionally, the category will determine the priority in which each parcel will be taxed. Some categories pertain only to Special Tax A and others only to Special Tax B. A general description of the categories is included below, but terms may differ slightly due to minor differences between the CFDs.

The RMAs define Taxable Property as all parcels within the boundaries of a CFD that are not exempt from the Special Taxes. Each fiscal year, parcels of Taxable Property are classified as Developed Property, Final Mapped Property, Taxable Public Property, Taxable Property Owner Association Property, or Undeveloped Property. Developed Property is further categorized into different land use types and square footage ranges which are specific to each CFD.

- Developed Property means for each fiscal year, all Taxable Property, exclusive of Final Mapped Property, Taxable Property Owner Association Property, and Taxable Public Property, for which a building permit for new construction was issued before May 1 of the prior fiscal year. Thus, assuming no other classification takes precedence, all parcels of Taxable Property for which building permits for new construction were issued before May 1, 2023, are classified as Developed Property and are subject to the special tax levies for that CFD for fiscal year 2023-24.

- Final Mapped Property means, for each Fiscal Year, all Taxable Property, exclusive of Developed Property, Taxable Property Owner Association Property, and Taxable Public Property, which as of January 1 of the previous fiscal year was located within a final subdivision map. Thus, assuming no other classification takes precedence, all parcels of Taxable Property which were located within a final subdivision map as of January 1, 2023 are classified as Final Mapped Property for fiscal year 2023-24.

- Taxable Public Property means, for each fiscal year, all parcels owned by a public agency that are not exempt from the special taxes. The RMAs set a limit on the amount of acreage of Public Property in each CFD that will be exempt from the special taxes, and any subsequent public property will be classified as Taxable Public Property.

- Taxable Property Owner Association Property means, for each fiscal year, all parcels owned by a property owner association as of January 1 of the prior fiscal year that are not exempt from the special taxes. The RMAs set a limit on the amount of acreage of Property Owner Association Property in each CFD that will be exempt from the special taxes, and any subsequent property owner association property will be classified as Taxable Property Owner Association Property.

- Finally, Undeveloped Property means, for each fiscal year, all Taxable Property not classified as Developed Property, Final Mapped Property, Taxable Public Property, or Taxable Property Owner Association Property.

Maximum Special Tax Rates

Special Tax A

Section C of each RMA describes the Assigned Special Tax A rates that apply to each parcel of Developed Property. The Maximum Special Tax A rates applicable to all categories of property in the CFDs are also set forth in Section C of the RMAs. However, the RMAs specify that the Assigned Special Tax A on Developed Property shall be analyzed prior to the issuance of bonds. The CFD Administrator shall use the Price Point Study to calculate the Total Tax Burden applicable to all Units, which shall not exceed 1.95% of the Minimum Sale Price of such Units. The Assigned Special Tax A shall be reduced to the extent necessary to cause the Total Tax Burden that shall apply to Units within such Land Use Class(es) not to exceed 1.95% of the Minimum Sale Price of such Units. Each Assigned Special Tax A reduction for a Land Use Class shall be calculated by the CFD Administrator separately, and it shall not be required that such reduction be proportionate among Land Use Classes. In connection with any reduction in the Assigned Special Tax A, the Backup Special Tax A shall also be reduced by the CFD Administrator based on the percentage reduction in Maximum Special Tax A revenues within the Tentative Tract Map area(s) where the Assigned Special Tax A reductions occurred. This process was carried out for each CFD prior to the issuance of bonds in that CFD. The tables in Appendix A show the final Assigned Special Tax A rates for each CFD, including any required reductions.

For Developed Property, the Maximum Special Tax A rate is determined by calculating the greater of the applicable Assigned Special Tax A rate and the applicable Backup Special Tax A rate. Generally for residential land use types, the Assigned Special Tax A rates can vary based on the square footage of the Unit in question. For other types of property, the Assigned Special Tax A rates are typically applied on a per-acre basis.

In each CFD, the Backup Special Tax A rates are initially set based on the expected land uses in that CFD at the time the CFD is formed. The Backup Special Tax A rates may be recalculated in the future if the expected land uses within the CFD change. However, once a parcel has been classified as Developed Property, its Backup Special Tax A shall not change.

The percentage of the Assigned and Maximum Special Tax A rates that will be levied on each land use category in fiscal year 2023-24 is determined by the method of apportionment included in Section D of each RMA. The tables in Appendix A identify the Maximum Special Tax A that can be levied on property in each of the CFDs.

Special Tax B

The Maximum Special Tax B rates applicable to each category of property are set forth in Section C of each RMA. The percentage of the Maximum Special Tax B rates that will be levied on each land use category in fiscal year 2023-24 is determined by the method of apportionment included

in Section D of each RMA. The tables in Appendix A identify the Maximum Special Tax B that can be levied on property in each of the CFDs.

Apportionment of Special Taxes

Special Tax A

The amount of Special Tax A levied on each parcel in a given CFD each fiscal year will be determined by application of Section D of that RMA. Pursuant to this section, the Special Tax A will be levied as follows:

(1) First, the Special Tax A will be levied proportionately on each parcel of Developed Property up to 100% of the applicable Assigned Special Tax A, until the Special Tax A Requirement is satisfied.

(2) If additional monies are needed to satisfy the Special Tax A Requirement after the first step has been completed, then Special Tax A shall be levied proportionately on each parcel of Final Mapped Property up to 100% of the Maximum Special Tax A for Final Mapped Property.

(3) If additional monies are needed to satisfy the Special Tax A Requirement after the first two steps have been completed, then Special Tax A shall be levied proportionately on each parcel of Undeveloped Property up to 100% of the Maximum Special Tax A for Undeveloped Property.

(4) If additional monies are needed to satisfy the Special Tax A Requirement after the first three steps have been completed, then the levy of Special Tax A on each Assessor's Parcel of Developed Property whose Maximum Special Tax A is determined through the application of the Backup Special Tax A shall be increased proportionately from the Assigned Special Tax A up to the Maximum Special Tax A for each such parcel.

(5) If additional monies are needed to satisfy the Special Tax A Requirement after the first four steps have been completed, then Special Tax A shall be levied proportionately on each parcel of Taxable Property Owner Association Property up to 100% of the Maximum Special Tax A for Taxable Property Owner Association Property.

(6) If additional monies are needed to satisfy the Special Tax A Requirement after the first five steps have been completed, then Special Tax A shall be levied proportionately on each parcel of Taxable Public Property up to 100% of the Maximum Special Tax A for Taxable Public Property.

The actual Special Tax A rates and the number of units of Taxable Property for fiscal year 2023-24 are shown in the tables in Appendix A.

Special Tax B

The amount of Special Tax B levied on each parcel in each fiscal year will be determined by application of Section D of the applicable RMA. Pursuant to this section, the Special Tax B

Requirement will be allocated by levying the special tax proportionately on each parcel or portion of each parcel of Developed Property up to 100% of the Maximum Special Tax B, until the Special Tax B Requirement is satisfied. The actual Special Tax B rates and the number of units of Taxable Property for fiscal year 2023-24 are shown in the tables in Appendix A.

VI. SPECIAL TAX DELINQUENCIES

The special taxes for the CFDs are collected via the annual secured property tax bills issued by San Bernardino County. Annually, around July 1 of each year, the San Bernardino County Auditor-Controller's Office reports on the special taxes that are delinquent. Appendix D of this report shows the parcels and unpaid amounts from prior years that have been reported by the County as delinquent.

These delinquencies shall be collected through San Bernardino County's collection process. The Special Tax Requirements for fiscal year 2023-24 have not been increased as a result of the fiscal year 2022-23 delinquencies.

VII. STATE REPORTING REQUIREMENTS

Assembly Bill No. 1666

On July 25, 2016, Governor Jerry Brown signed Assembly Bill No. 1666, adding Section 53343.2 to the California Government Code ("GC"). The bill enhances the transparency of community facilities districts by requiring that certain reports be accessible on a local agency's web site. Pursuant to Section 53343.2, a local agency that has a web site shall, within seven months after the last day of each fiscal year of the district, display prominently on its web site the following information:

Item (a): A copy of an annual report, if requested, pursuant to GC Section 53343.1. The report required by Section 53343.1 includes CFD budgetary information for the prior fiscal year and is only prepared by a community facilities district at the request of a person who resides in or owns property in the community facilities district. If the annual report has not been requested to be prepared, then a posting to the web site would not be necessary.

Item (b): A copy of the report provided to the California Debt and Investment Advisory Commission ("CDIAC") pursuant to GC Section 53359.5. Under Section 53359.5, local agencies must provide CDIAC with the following: (i) notice of proposed sale of bonds; (ii) annual reports on the fiscal status of bonded districts; and (iii) notice of any failure to pay debt service on bonds, or of any draw on a reserve fund to pay debt service on bonds.

Item (c): A copy of the report provided to the State Controller's Office pursuant to GC Section 12463.2. This section refers to the parcel tax portion of a local agency's Financial Transactions Report that is prepared for the State Controller's Office annually. Note that school districts are not subject to the reporting required by GC Section 12463.2.

Assembly Bill No. 1483

On October 9, 2019, Governor Gavin Newsom signed Assembly Bill No. 1483, adding Section 65940.1 to the California Government Code. The law requires that a city, county, or special district that has an internet website, maintain on its website a current schedule of fees, exactions, and affordability requirements imposed by the public agency on all housing development projects. Pursuant to Section 65940.1, the definition of an exaction includes a special tax levied pursuant to the Mello-Roos Community Facilities Act.

Assembly Bill No. 1483 defines a housing development project as consisting of (a) residential units only; or (b) mixed-use developments consisting of residential and non-residential land uses with at least two-thirds of the square footage designated for residential use; or (c) transitional housing or supportive housing. Assembly Bill No. 1483 also requires a city, county, or special district to update this information on their website within 30 days of any changes made to the information.

Senate Bill No. 165

On September 18, 2000, former Governor Gray Davis signed Senate Bill 165 which enacted the Local Agency Special Tax and Bond Accountability Act. In approving the bill, the Legislature declared that local agencies need to demonstrate to the voters that special taxes and bond proceeds are being spent on the facilities and services for which they were intended. To further this objective, the Legislature added Sections 50075.3 and 53411 to the California Government Code setting forth annual reporting requirements relative to special taxes collected and bonds issued by a local public agency. Pursuant to the Sections 50075.3 and 53411, the "chief fiscal officer" of the public agency will, by January 1, 2002, and at least once a year thereafter, file a report with the City setting forth (i) the amount of special taxes that have been collected and expended; (ii) the status of any project required or authorized to be funded by the special taxes; (iii) if bonds have been issued, the amount of bonds that have been collected and expended; and (iv) if bonds have been issued, the status of any project required or authorized to be funded from bond proceeds

I. INTRODUCTION

City of Ontario Community Facilities Districts

On November 30, 1999, the City of Ontario (the "City') completed the annexation of an 8,000-acre agricultural area in the southern portion of the City. That area, known today as Ontario Ranch, is planned for substantial new development including over 47,000 new homes and 16 million square feet of retail and industrial land uses. In recent years, many new housing projects, retail sites, and business parks in Ontario Ranch have begun to develop. The City estimates that full buildout in Ontario Ranch may take 20 years or more.

This new development requires the City to provide additional public services and facilities. To finance these additional services and facilities, the City has formed Mello-Roos Community Facilities Districts ("CFDs") on each new project that develops within Ontario Ranch. All new developments within Ontario Ranch are required to form a CFD that pays for public services. Typically, residential projects will also form a CFD that pays for a portion of the public infrastructure that serves each project. Historically, non-residential developments in Ontario Ranch have not used CFDs to finance public infrastructure. This CFD Tax Administration Report ("Report") provides information regarding the City's CFDs within Ontario Ranch that are authorized to fund facilities but have not issued bonds yet as of June 1, 2023 (the "Ontario Ranch Non-Bonded Facilities CFDs"). All references to CFDs in the remainder of this report refer to the Ontario Ranch Non-Bonded Facilities CFDs, specifically.

Each CFD can potentially be authorized to fund a different set of services and facilities. However, the City typically authorizes special taxes in the Ontario Ranch Non-Bonded Facilities CFDs to pay for street and bridge improvements, domestic and recycled water distribution facilities, sewer and storm drainage facilities, and other public infrastructure improvements for the benefit of residents within each CFD. In addition, under limited circumstances the special tax revenues generated in the CFDs can be used to directly fund police protection services, fire protection and suppression services, ambulance and paramedic services, maintenance and lighting of parks, parkways, streets, roads, and open space, flood and storm protection services, and maintenance and operation of any real property or other tangible property with an estimated useful life of five or more years that is owned by the City for residents within each CFD. A specific list of authorized services and facilities for each CFD may be found in the Resolution of Intention to Establish a Community Facilities District for each CFD.

The Mello-Roos Community Facilities Act of 1982

The California State Legislature (the "Legislature") approved the Mello-Roos Community Facilities Act of 1982 that provides for the levy of a special tax within a defined geographic area (i.e., a community facilities district) if such a levy is approved by two-thirds of the qualified electors in the area. Community facilities districts can generate funding for a broad range of facilities and eligible services. These services include police protection services, fire protection and suppression services, library services, recreation program services, flood and storm protection services, street lighting services, and maintenance of roads, parks, parkways, and open space.

Special taxes can be allocated to property in any reasonable manner other than on an ad valorem basis.

A community facilities district is authorized to issue tax-exempt bonds that are secured by land within the district. If a parcel does not pay the special tax levied on it, a public agency can foreclose on the parcel and use the proceeds of the foreclosure sale to ensure that bondholders receive interest and principal payments on the bonds. Because bonds issued by a community facilities district are land-secured, there is no risk to a public agency's general fund or taxing capacity. In addition, because the bonds are tax-exempt, they typically carry an interest rate that is lower than conventional construction financing.

II. PURPOSE OF REPORT

This Report presents findings from research and financial analysis performed by Goodwin Consulting Group, Inc. to determine the fiscal year 2023-24 special tax levy for the Ontario Ranch Non-Bonded Facilities CFDs. The Report is intended to provide information to interested parties regarding these CFDs, including the special taxes to be levied in fiscal year 2023-24, the status of development in each CFD, and information regarding special tax delinquencies within each CFD.

The remainder of the Report is organized as follows:

- **Section III** lists the individual CFDs in which special taxes have been levied in fiscal year 2023-24, and also provides information on the status of construction in each CFD.

- **Section IV** identifies the financial obligations, in particular, the Special Tax Requirements for the CFDs for fiscal year 2023-24.

- **Section V** provides a summary of the methodologies used to apportion special taxes among parcels in each CFD.

- **Section VI** describes delinquencies in payment of the special taxes in prior fiscal years.

- **Section VII** provides information regarding state reporting requirements applicable to the CFDs.

III. STATUS OF CFDS

The City of Ontario continues to form new CFDs in Ontario Ranch as new developments are proposed and move through the planning process. However, not all of these CFDs have levied special taxes as of fiscal year 2023-24. The special tax levy for a CFD commences once a building permit has been issued for new construction of a residential unit or a non-residential building in a CFD.

The table below summarizes the Ontario Ranch Non-Bonded Facilities CFDs that have levied special taxes as of fiscal year 2023-24. The table also shows whether all of the anticipated units and/or non-residential buildings have been issued building permits. The summary tables in Appendix A show the amounts levied in each CFD for fiscal year 2023-24. See the maps included in Appendix C for the specific boundaries of each CFD.

66	Olive and Oleander Facilities	2023-24	No

** Indicates that all anticipated residential units and/or non-residential square footage have had building permits issued as of May 1, 2023.*

IV. FISCAL YEAR 2023-24 SPECIAL TAX REQUIREMENTS

The special tax for each of the Ontario Ranch Non-Bonded Facilities CFDs is levied according to the methodology set forth in the Rate and Method of Apportionment of Special Tax (the "RMA") for that CFD. The RMAs were each adopted as an exhibit to the Resolution of Formation for a given CFD. While each RMA may contain different terms, they always require that the special tax levied be equal to the Special Tax Requirement for that CFD. Generally, the Special Tax Requirement means the amount necessary in any fiscal year (i) to pay principal and interest on bonds, (ii) to pay periodic costs on bonds, (iii) to pay the administrative expenses of the CFD, (iv) to replenish any reserve fund for the bonds, (v) to pay directly for acquisition or construction of facilities, or the cost of services, to the extent that the inclusion of such amounts does not increase the special tax levy on Final Mapped Property or Undeveloped Property in that CFD, and (vi) to provide an amount equal to special tax delinquencies based on the historical delinquency rate for the special taxes as determined by the CFD Administrator. For fiscal year 2023-24, the Special Tax Requirements were based on estimated costs for each CFD provided by the City. The tables in Appendix B show the Special Tax Requirement for each of the Ontario Ranch Non-Bonded Facilities CFDs.

V. SPECIAL TAX LEVIES

Special Tax Categories

Pursuant to the adopted RMAs, all property within each CFD is assigned to a special tax category. The categories are specific to the individual CFD, but typically RMAs will include categories for development status, land use types, ownership, and building square footage. The various special tax categories each have a maximum special tax rate per unit or per acre. Additionally, the category will determine the priority in which each parcel will be taxed. A general description of the categories is included below, but terms may differ slightly due to minor differences between the CFDs.

The RMAs define Taxable Property as all parcels within the boundaries of a CFD that are not exempt from the Special Tax. Each fiscal year, parcels of Taxable Property are classified as Developed Property, Final Mapped Property, Taxable Public Property, Taxable Property Owner Association Property, or Undeveloped Property. Developed Property is further categorized into different land use types and square footage ranges which are specific to each CFD. In some CFDs, Final Mapped Property and Undeveloped Property are further categorized by the tract number they are located within.

- Developed Property means for each fiscal year, all Taxable Property, exclusive of Final Mapped Property, Taxable Property Owner Association Property, and Taxable Public Property, for which a building permit or other applicable permit for new construction was issued before May 1 of the prior fiscal year. Thus, assuming no other classification takes precedence, all parcels of Taxable Property for which building permits for new construction were issued before May 1, 2023, are classified as Developed Property and are subject to the special tax levy for that CFD for fiscal year 2023-24.

- Final Mapped Property means, for each Fiscal Year, all Taxable Property, exclusive of Developed Property, Taxable Property Owner Association Property, and Taxable Public Property, which as of January 1 of the previous fiscal year was located within a final subdivision map. Thus, assuming no other classification takes precedence, all parcels of Taxable Property which were located within a final subdivision map as of January 1, 2023 are classified as Final Mapped Property for fiscal year 2023-24.

- Taxable Public Property means, for each fiscal year, all parcels owned by a public agency that are not exempt from the special tax. The RMAs generally set a limit on the amount of acreage of Public Property in each CFD that will be exempt from the special tax, and any subsequent public property will be classified as Taxable Public Property.

- Taxable Property Owner Association Property means, for each fiscal year, all parcels owned by a property owner association as of January 1 of the prior fiscal year that are not exempt from the special tax. The RMAs generally set a limit on the amount of acreage of Property Owner Association Property in each CFD that will be exempt from the special tax, and any subsequent property owner association property will be classified as Taxable Property Owner Association Property.

- Finally, Undeveloped Property means, for each fiscal year, all Taxable Property not classified as Developed Property, Final Mapped Property, Taxable Public Property, or Taxable Property Owner Association Property.

Maximum Special Tax Rates

Section C of each RMA describes the Assigned Special Tax rates that apply to each parcel of Developed Property. The Maximum Special Tax rates applicable to all categories of property in the CFDs are also set forth in Section C of the RMAs. However, the RMAs specify that the Assigned Special Tax on Developed Property shall be analyzed prior to the issuance of bonds. The CFD Administrator shall use the Price Point Study to calculate the Total Tax Burden applicable to all Units, which shall not exceed 1.95% of the Minimum Sale Price of such Units. The Assigned Special Tax shall be reduced to the extent necessary to cause the Total Tax Burden that shall apply to Units within such Land Use Class(es) not to exceed 1.95% of the Minimum Sale Price of such Units. Each Assigned Special Tax reduction for a Land Use Class shall be calculated by the CFD Administrator separately, and it shall not be required that such reduction be proportionate among Land Use Classes. In connection with any reduction in the Assigned Special Tax, the Backup Special Tax shall also be reduced by the CFD Administrator based on the percentage reduction in Maximum Special Tax revenues within the Tentative Tract Map area(s) where the Assigned Special Tax reductions occurred. This process will be carried out for each CFD prior to the issuance of bonds in that CFD. The tables in Appendix A show the final Assigned Special Tax rates for each CFD, including any required reductions.

For Developed Property, the Maximum Special Tax rate is determined by calculating the greater of the applicable Assigned Special Tax rate and the applicable Backup Special Tax rate. Generally for residential land use types, the Assigned Special Tax rates can vary based on the square footage of the Unit in question. For other types of property, the Assigned Special Tax rates are typically applied on a per-acre basis.

In each CFD, the Backup Special Tax rates are set based on the expected land uses in that CFD at the time the CFD is formed. The Backup Special Tax rates may be recalculated in the future if the expected land uses within the CFD change. However, once a parcel has been classified as Developed Property, its Backup Special Tax shall not change.

The percentage of the maximum special tax that will be levied on each land use category in fiscal year 2023-24 is determined by the method of apportionment included in Section D of each RMA. The tables in Appendix A identify the maximum annual special taxes that can be levied on property in the CFDs.

Apportionment of Special Taxes

The amount of Special Tax levied on each parcel in a given CFD each fiscal year will be determined by application of Section D of that RMA. Pursuant to this section, the special tax will be levied as follows:

(1) First, the special tax will be levied proportionately on each parcel of Developed Property up to 100% of the applicable Assigned Special Tax.

(2) If additional monies are needed to satisfy the Special Tax Requirement after the first step has been completed, then the special tax shall be levied proportionately on each parcel of Final Mapped Property up to 100% of the Maximum Special Tax for Final Mapped Property.

(3) If additional monies are needed to satisfy the Special Tax Requirement after the first two steps have been completed, then the special tax shall be levied proportionately on each parcel of Undeveloped Property up to 100% of the Maximum Special Tax for Undeveloped Property.

(4) If additional monies are needed to satisfy the Special Tax Requirement after the first three steps have been completed, then the levy of the special tax on each Assessor's Parcel of Developed Property whose Maximum Special Tax is determined through the application of the Backup Special Tax shall be increased proportionately from the Assigned Special Tax up to the Maximum Special Tax for each such parcel.

(5) If additional monies are needed to satisfy the Special Tax Requirement after the first four steps have been completed, then the special tax shall be levied proportionately on each parcel of Taxable Property Owner Association Property up to 100% of the Maximum Special Tax for Taxable Property Owner Association Property.

(6) If additional monies are needed to satisfy the Special Tax Requirement after the first five steps have been completed, then the special tax shall be levied proportionately on each parcel of Taxable Public Property up to 100% of the Maximum Special Tax for Taxable Public Property.

The actual special tax rates and the number of units of Taxable Property for fiscal year 2023-24 are shown in the tables in Appendix A.

VI. SPECIAL TAX DELINQUENCIES

The special taxes for the CFDs are collected via the annual secured property tax bills issued by San Bernardino County. Annually, around July 1 of each year, the San Bernardino County Auditor-Controller's Office reports on the special taxes that are delinquent. Appendix D of this report shows the parcels and unpaid amounts from prior years that have been reported by the County as delinquent.

These delinquencies shall be collected through San Bernardino County's collection process. The Special Tax Requirements for fiscal year 2023-24 have not been increased as a result of the fiscal year 2022-23 delinquencies.

Assembly Bill No. 1666

On July 25, 2016, Governor Jerry Brown signed Assembly Bill No. 1666, adding Section 53343.2 to the California Government Code ("GC"). The bill enhances the transparency of community facilities districts by requiring that certain reports be accessible on a local agency's web site. Pursuant to Section 53343.2, a local agency that has a web site shall, within seven months after the last day of each fiscal year of the district, display prominently on its web site the following information:

Item (a): A copy of an annual report, if requested, pursuant to GC Section 53343.1. The report required by Section 53343.1 includes CFD budgetary information for the prior fiscal year and is only prepared by a community facilities district at the request of a person who resides in or owns property in the community facilities district. If the annual report has not been requested to be prepared, then a posting to the web site would not be necessary.

Item (b): A copy of the report provided to the California Debt and Investment Advisory Commission ("CDIAC") pursuant to GC Section 53359.5. Under Section 53359.5, local agencies must provide CDIAC with the following: (i) notice of proposed sale of bonds; (ii) annual reports on the fiscal status of bonded districts; and (iii) notice of any failure to pay debt service on bonds, or of any draw on a reserve fund to pay debt service on bonds.

Item (c): A copy of the report provided to the State Controller's Office pursuant to GC Section 12463.2. This section refers to the parcel tax portion of a local agency's Financial Transactions Report that is prepared for the State Controller's Office annually. Note that school districts are not subject to the reporting required by GC Section 12463.2.

Assembly Bill No. 1483

On October 9, 2019, Governor Gavin Newsom signed Assembly Bill No. 1483, adding Section 65940.1 to the California Government Code. The law requires that a city, county, or special district that has an internet website, maintain on its website a current schedule of fees, exactions, and affordability requirements imposed by the public agency on all housing development projects. Pursuant to Section 65940.1, the definition of an exaction includes a special tax levied pursuant to the Mello-Roos Community Facilities Act.

Assembly Bill No. 1483 defines a housing development project as consisting of (a) residential units only; or (b) mixed-use developments consisting of residential and non-residential land uses with at least two-thirds of the square footage designated for residential use; or (c) transitional housing or supportive housing. Assembly Bill No. 1483 also requires a city, county, or special district to update this information on their website within 30 days of any changes made to the information.

Senate Bill No. 165

On September 18, 2000, former Governor Gray Davis signed Senate Bill 165 which enacted the Local Agency Special Tax and Bond Accountability Act. In approving the bill, the Legislature declared that local agencies need to demonstrate to the voters that special taxes and bond proceeds are being spent on the facilities and services for which they were intended. To further this objective, the Legislature added Sections 50075.3 and 53411 to the California Government Code setting forth annual reporting requirements relative to special taxes collected and bonds issued by a local public agency. Pursuant to the Sections 50075.3 and 53411, the "chief fiscal officer" of the public agency will, by January 1, 2002, and at least once a year thereafter, file a report with the City setting forth (i) the amount of special taxes that have been collected and expended; (ii) the status of any project required or authorized to be funded by the special taxes; (iii) if bonds have been issued, the amount of bonds that have been collected and expended; and (iv) if bonds have been issued, the status of any project required or authorized to be funded from bond proceeds

I. INTRODUCTION

City of Ontario Community Facilities Districts

On November 30, 1999, the City of Ontario (the "City') completed the annexation of an 8,000-acre agricultural area in the southern portion of the City. That area, known today as Ontario Ranch, is planned for substantial new development including over 47,000 new homes and 16 million square feet of retail and industrial land uses. In recent years, many new housing projects, retail sites, and business parks in Ontario Ranch have begun to develop. The City estimates that full buildout in Ontario Ranch may take 20 years or more.

This new development requires the City to provide additional public services and facilities. To finance these additional services and facilities, the City has formed Mello-Roos Community Facilities Districts ("CFDs") on each new project that develops within Ontario Ranch. All new developments within Ontario Ranch are required to form a CFD that pays for public services. Typically, residential projects will also form a CFD that pays for a portion of the public infrastructure that serves each project. Historically, non-residential developments in Ontario Ranch have not used CFDs to finance public infrastructure. This CFD Tax Administration Report ("Report") provides information regarding the City's CFDs within Ontario Ranch that are authorized to fund both services and facilities but have not issued bonds yet as of June 1, 2023 (the "Ontario Ranch Non-Bonded Facilities/Services CFDs"). All references to CFDs in the remainder of this report refer to the Ontario Ranch Non-Bonded Facilities/Services CFDs, specifically.

Each CFD can potentially be authorized to fund a different set of services and facilities. However, the City typically authorizes special taxes in the Ontario Ranch Non-Bonded Facilities/Services CFDs to pay for street and bridge improvements, domestic and recycled water distribution facilities, sewer and storm drainage facilities, and other public infrastructure improvements for the benefit of residents within each CFD. In addition, the special tax revenues generated in the CFDs can be used to fund police protection services, fire protection and suppression services, ambulance and paramedic services, maintenance and lighting of parks, parkways, streets, roads, and open space, flood and storm protection services, and maintenance and operation of any real property or other tangible property with an estimated useful life of five or more years that is owned by the City for residents within each CFD. A specific list of authorized services and facilities for each CFD may be found in the Resolution of Intention to Establish a Community Facilities District for each CFD.

The Mello-Roos Community Facilities Act of 1982

The California State Legislature (the "Legislature") approved the Mello-Roos Community Facilities Act of 1982 that provides for the levy of a special tax within a defined geographic area (i.e., a community facilities district) if such a levy is approved by two-thirds of the qualified electors in the area. Community facilities districts can generate funding for a broad range of facilities and eligible services. These services include police protection services, fire protection and suppression services, library services, recreation program services, flood and storm protection services, street lighting services, and maintenance of roads, parks, parkways, and open space.

Special taxes can be allocated to property in any reasonable manner other than on an ad valorem basis.

A community facilities district is authorized to issue tax-exempt bonds that are secured by land within the district. If a parcel does not pay the special tax levied on it, a public agency can foreclose on the parcel and use the proceeds of the foreclosure sale to ensure that bondholders receive interest and principal payments on the bonds. Because bonds issued by a community facilities district are land-secured, there is no risk to a public agency's general fund or taxing capacity. In addition, because the bonds are tax-exempt, they typically carry an interest rate that is lower than conventional construction financing.

II. PURPOSE OF REPORT

This Report presents findings from research and financial analysis performed by Goodwin Consulting Group, Inc. to determine the fiscal year 2023-24 special tax levies for the Ontario Ranch Non-Bonded Facilities/Services CFDs. The Report is intended to provide information to interested parties regarding these CFDs, including the special taxes to be levied in fiscal year 2023-24, the status of development in each CFD, and information regarding special tax delinquencies within each CFD.

The remainder of the Report is organized as follows:

- **Section III** lists the individual CFDs in which special taxes have been levied in fiscal year 2023-24, and also provides information on the status of construction in each CFD.

- **Section IV** identifies the financial obligations, in particular, the Special Tax Requirements for the CFDs for fiscal year 2023-24.

- **Section V** provides a summary of the methodologies used to apportion special taxes among parcels in each CFD.

- **Section VI** describes delinquencies in payment of the special taxes in prior fiscal years.

- **Section VII** provides information regarding state reporting requirements applicable to the CFDs.

III. STATUS OF CFDS

The City of Ontario continues to form new CFDs in Ontario Ranch as new developments are proposed and move through the planning process. However, not all of these CFDs have levied special taxes as of fiscal year 2023-24. The special tax levies for a CFD commence once a building permit has been issued for new construction of a residential unit or a non-residential building in a CFD.

The table below summarizes the Ontario Ranch Non-Bonded Facilities/Services CFDs that have levied special taxes as of fiscal year 2023-24. The table also shows whether all of the anticipated units and/or non-residential buildings have been issued building permits. The summary tables in Appendix A show the amounts levied in each CFD for fiscal year 2023-24. See the maps included in Appendix C for the specific boundaries of each CFD.

IV. FISCAL YEAR 2023-24 SPECIAL TAX REQUIREMENTS

The special taxes for each of the Ontario Ranch Non-Bonded Facilities/Services CFDs are levied according to the methodology set forth in the Rate and Method of Apportionment of Special Tax (the "RMA") for that CFD. The RMAs were each adopted as an exhibit to the Resolution of Formation for a given CFD. For the Ontario Ranch Non-Bonded Facilities/Services CFDs, the RMAs allow for two special tax levies within each CFD: one which primarily funds facilities ("Special Tax A"), and another which funds services ("Special Tax B"). While each RMA may contain different terms, they always require that the special tax levied be equal to its respective Special Tax Requirement for that CFD.

Generally, the Special Tax A Requirement means the amount necessary in any fiscal year (i) to pay principal and interest on bonds, (ii) to pay periodic costs on bonds, (iii) to pay a pro rata share of the administrative expenses of the CFD, (iv) to replenish any reserve fund for the bonds, (v) to pay directly for acquisition or construction of facilities, or the cost of services, to the extent that the inclusion of such amounts does not increase the Special Tax A levy on Final Mapped Property or Undeveloped Property, and (vi) provide an amount equal to Special Tax A delinquencies based on the historical delinquency rate for the special taxes as determined by the Administrator. For fiscal year 2023-24, the Special Tax Requirements were based on estimated costs for each CFD provided by the City.

The Special Tax B Requirement means the amount necessary in any fiscal year to pay (i) the cost of services, (ii) a pro rata share of the administrative expenses of the CFD, and (iii) any delinquencies based on the historical delinquency rate for the special taxes as determined by the Administrator. For fiscal year 2023-24, the Special Tax B Requirement is also based on an estimate of costs for each CFD that was provided by the City. The tables in Appendix B show the Special Tax A Requirement and Special Tax B Requirement for each of the Ontario Ranch Non-Bonded Facilities/Services CFDs.

V. SPECIAL TAX LEVIES

Special Tax Categories

Pursuant to the adopted RMAs, all property within each CFD is assigned to a special tax category. The categories are specific to the individual CFD, but typically RMAs will include categories for development status, land use types, ownership, and building square footage. The various special tax categories each have a maximum special tax rate per unit, per square foot, or per acre for both Special Tax A and Special Tax B. Additionally, the category will determine the priority in which each parcel will be taxed. Some categories pertain only to Special Tax A and others only to Special Tax B. A general description of the categories is included below, but terms may differ slightly due to minor differences between the CFDs.

The RMAs define Taxable Property as all parcels within the boundaries of a CFD that are not exempt from the Special Taxes. Each fiscal year, parcels of Taxable Property are classified as Developed Property, Final Mapped Property, Taxable Public Property, Taxable Property Owner Association Property, or Undeveloped Property. Developed Property is further categorized into different land use types and square footage ranges which are specific to each CFD.

- Developed Property means for each fiscal year, all Taxable Property, exclusive of Final Mapped Property, Taxable Property Owner Association Property, and Taxable Public Property, for which a building permit for new construction was issued before May 1 of the prior fiscal year. Thus, assuming no other classification takes precedence, all parcels of Taxable Property for which building permits for new construction were issued before May 1, 2023, are classified as Developed Property and are subject to the special tax levies for that CFD for fiscal year 2023-24.

- Final Mapped Property means, for each Fiscal Year, all Taxable Property, exclusive of Developed Property, Taxable Property Owner Association Property, and Taxable Public Property, which as of January 1 of the previous fiscal year was located within a final subdivision map. Thus, assuming no other classification takes precedence, all parcels of Taxable Property which were located within a final subdivision map as of January 1, 2023 are classified as Final Mapped Property for fiscal year 2023-24.

- Taxable Public Property means, for each fiscal year, all parcels owned by a public agency that are not exempt from the special taxes. The RMAs set a limit on the amount of acreage of Public Property in each CFD that will be exempt from the special taxes, and any subsequent public property will be classified as Taxable Public Property.

- Taxable Property Owner Association Property means, for each fiscal year, all parcels owned by a property owner association as of January 1 of the prior fiscal year that are not exempt from the special taxes. The RMAs set a limit on the amount of acreage of Property Owner Association Property in each CFD that will be exempt from the special taxes, and any subsequent property owner association property will be classified as Taxable Property Owner Association Property.

- Finally, Undeveloped Property means, for each fiscal year, all Taxable Property not classified as Developed Property, Final Mapped Property, Taxable Public Property, or Taxable Property Owner Association Property.

Maximum Special Tax Rates

Special Tax A

Section C of each RMA describes the Assigned Special Tax A rates that apply to each parcel of Developed Property. The Maximum Special Tax A rates applicable to all categories of property in the CFDs are also set forth in Section C of the RMAs. However, the RMAs specify that the Assigned Special Tax A on Developed Property shall be analyzed prior to the issuance of bonds. The CFD Administrator shall use the Price Point Study to calculate the Total Tax Burden applicable to all Units, which shall not exceed 1.95% of the Minimum Sale Price of such Units. The Assigned Special Tax A shall be reduced to the extent necessary to cause the Total Tax Burden that shall apply to Units within such Land Use Class(es) not to exceed 1.95% of the Minimum Sale Price of such Units. Each Assigned Special Tax A reduction for a Land Use Class shall be calculated by the CFD Administrator separately, and it shall not be required that such reduction be proportionate among Land Use Classes. In connection with any reduction in the Assigned Special Tax A, the Backup Special Tax A shall also be reduced by the CFD Administrator based on the percentage reduction in Maximum Special Tax A revenues within the Tentative Tract Map area(s) where the Assigned Special Tax A reductions occurred. This process will be carried out for each CFD prior to the issuance of bonds in that CFD.

For Developed Property, the Maximum Special Tax A rate is determined by calculating the greater of the applicable Assigned Special Tax A rate and the applicable Backup Special Tax A rate. Generally for residential land use types, the Assigned Special Tax A rates can vary based on the square footage of the Unit in question. For other types of property, the Assigned Special Tax A rates are typically applied on a per-acre basis.

In each CFD, the Backup Special Tax A rates are initially set based on the expected land uses in that CFD at the time the CFD is formed. The Backup Special Tax A rates may be recalculated in the future if the expected land uses within the CFD change. However, once a parcel has been classified as Developed Property, its Backup Special Tax A shall not change.

The percentage of the Assigned and Maximum Special Tax A rates that will be levied on each land use category in fiscal year 2023-24 is determined by the method of apportionment included in Section D of each RMA. The tables in Appendix A identify the Maximum Special Tax A that can be levied on property in each of the CFDs.

Special Tax B

The Maximum Special Tax B rates applicable to each category of property are set forth in Section C of each RMA. The percentage of the Maximum Special Tax B rates that will be levied on each land use category in fiscal year 2023-24 is determined by the method of apportionment included in Section D of each RMA. The tables in Appendix A identify the Maximum Special Tax B that can be levied on property in each of the CFDs.

Apportionment of Special Taxes

Special Tax A

The amount of Special Tax A levied on each parcel in a given CFD each fiscal year will be determined by application of Section D of that RMA. Pursuant to this section, the Special Tax A will be levied as follows:

(1) First, the Special Tax A will be levied proportionately on each parcel of Developed Property up to 100% of the applicable Assigned Special Tax A, until the Special Tax A Requirement is satisfied.

(2) If additional monies are needed to satisfy the Special Tax A Requirement after the first step has been completed, then Special Tax A shall be levied proportionately on each parcel of Final Mapped Property up to 100% of the Maximum Special Tax A for Final Mapped Property.

(3) If additional monies are needed to satisfy the Special Tax A Requirement after the first two steps have been completed, then Special Tax A shall be levied proportionately on each parcel of Undeveloped Property up to 100% of the Maximum Special Tax A for Undeveloped Property.

(4) If additional monies are needed to satisfy the Special Tax A Requirement after the first three steps have been completed, then the levy of Special Tax A on each Assessor's Parcel of Developed Property whose Maximum Special Tax A is determined through the application of the Backup Special Tax A shall be increased proportionately from the Assigned Special Tax A up to the Maximum Special Tax A for each such parcel.

(5) If additional monies are needed to satisfy the Special Tax A Requirement after the first four steps have been completed, then Special Tax A shall be levied proportionately on each parcel of Taxable Property Owner Association Property up to 100% of the Maximum Special Tax A for Taxable Property Owner Association Property.

(6) If additional monies are needed to satisfy the Special Tax A Requirement after the first five steps have been completed, then Special Tax A shall be levied proportionately on each parcel of Taxable Public Property up to 100% of the Maximum Special Tax A for Taxable Public Property.

The actual Special Tax A rates and the number of units of Taxable Property for fiscal year 2023-24 are shown in the tables in Appendix A.

Special Tax B

The amount of Special Tax B levied on each parcel in each fiscal year will be determined by application of Section D of the applicable RMA. Pursuant to this section, the Special Tax B Requirement will be allocated by levying the special tax proportionately on each parcel or portion of each parcel of Developed Property up to 100% of the Maximum Special Tax B, until the Special

Tax B Requirement is satisfied. The actual Special Tax B rates and the number of units of Taxable Property for fiscal year 2023-24 are shown in the tables in Appendix A.

VI. SPECIAL TAX DELINQUENCIES

The special taxes for the CFDs are collected via the annual secured property tax bills issued by San Bernardino County. Annually, around July 1 of each year, the San Bernardino County Auditor-Controller's Office reports on the special taxes that are delinquent. Appendix D of this report shows the parcels and unpaid amounts from prior years that have been reported by the County as delinquent.

These delinquencies shall be collected through San Bernardino County's collection process. The Special Tax Requirements for fiscal year 2023-24 have not been increased as a result of the fiscal year 2022-23 delinquencies.

VII. STATE REPORTING REQUIREMENTS

Assembly Bill No. 1666

On July 25, 2016, Governor Jerry Brown signed Assembly Bill No. 1666, adding Section 53343.2 to the California Government Code ("GC"). The bill enhances the transparency of community facilities districts by requiring that certain reports be accessible on a local agency's web site. Pursuant to Section 53343.2, a local agency that has a web site shall, within seven months after the last day of each fiscal year of the district, display prominently on its web site the following information:

Item (a): A copy of an annual report, if requested, pursuant to GC Section 53343.1. The report required by Section 53343.1 includes CFD budgetary information for the prior fiscal year and is only prepared by a community facilities district at the request of a person who resides in or owns property in the community facilities district. If the annual report has not been requested to be prepared, then a posting to the web site would not be necessary.

Item (b): A copy of the report provided to the California Debt and Investment Advisory Commission ("CDIAC") pursuant to GC Section 53359.5. Under Section 53359.5, local agencies must provide CDIAC with the following: (i) notice of proposed sale of bonds; (ii) annual reports on the fiscal status of bonded districts; and (iii) notice of any failure to pay debt service on bonds, or of any draw on a reserve fund to pay debt service on bonds.

Item (c): A copy of the report provided to the State Controller's Office pursuant to GC Section 12463.2. This section refers to the parcel tax portion of a local agency's Financial Transactions Report that is prepared for the State Controller's Office annually. Note that school districts are not subject to the reporting required by GC Section 12463.2.

Assembly Bill No. 1483

On October 9, 2019, Governor Gavin Newsom signed Assembly Bill No. 1483, adding Section 65940.1 to the California Government Code. The law requires that a city, county, or special district that has an internet website, maintain on its website a current schedule of fees, exactions, and affordability requirements imposed by the public agency on all housing development projects. Pursuant to Section 65940.1, the definition of an exaction includes a special tax levied pursuant to the Mello-Roos Community Facilities Act.

Assembly Bill No. 1483 defines a housing development project as consisting of (a) residential units only; or (b) mixed-use developments consisting of residential and non-residential land uses with at least two-thirds of the square footage designated for residential use; or (c) transitional housing or supportive housing. Assembly Bill No. 1483 also requires a city, county, or special district to update this information on their website within 30 days of any changes made to the information.

Senate Bill No. 165

On September 18, 2000, former Governor Gray Davis signed Senate Bill 165 which enacted the Local Agency Special Tax and Bond Accountability Act. In approving the bill, the Legislature declared that local agencies need to demonstrate to the voters that special taxes and bond proceeds are being spent on the facilities and services for which they were intended. To further this objective, the Legislature added Sections 50075.3 and 53411 to the California Government Code setting forth annual reporting requirements relative to special taxes collected and bonds issued by a local public agency. Pursuant to the Sections 50075.3 and 53411, the "chief fiscal officer" of the public agency will, by January 1, 2002, and at least once a year thereafter, file a report with the City setting forth (i) the amount of special taxes that have been collected and expended; (ii) the status of any project required or authorized to be funded by the special taxes; (iii) if bonds have been issued, the amount of bonds that have been collected and expended; and (iv) if bonds have been issued, the status of any project required or authorized to be funded from bond proceeds

I. INTRODUCTION

City of Ontario Community Facilities Districts

On November 30, 1999, the City of Ontario (the "City') completed the annexation of an 8,000-acre agricultural area in the southern portion of the City. That area, known today as Ontario Ranch, is planned for substantial new development including over 47,000 new homes and 16 million square feet of retail and industrial land uses. In recent years, many new housing projects, retail sites, and business parks in Ontario Ranch have begun to develop. The City estimates that full buildout in Ontario Ranch may take 20 years or more.

This new development requires the City to provide additional public services and facilities. To finance these additional services and facilities, the City has formed Mello-Roos Community Facilities Districts ("CFDs") on each new project that develops within Ontario Ranch. All new developments within Ontario Ranch are required to form a CFD that pays for public services. Typically, residential projects will also form a CFD that pays for a portion of the public infrastructure that serves each project. Historically, non-residential developments in Ontario Ranch have not used CFDs to finance public infrastructure. This CFD Tax Administration Report ("Report") provides information regarding the City's CFDs within Ontario Ranch that are only authorized to pay for public services (the "Ontario Ranch Services CFDs"). All references to CFDs in the remainder of this report refer to the Ontario Ranch Services CFDs, specifically.

Each CFD can potentially be authorized to fund a different set of services. However, the City typically authorizes special taxes in the Ontario Ranch Services CFDs to pay for police protection services, fire protection and suppression services, ambulance and paramedic services, maintenance and lighting of parks, parkways, streets, roads, and open space, flood and storm protection services, and maintenance and operation of any real property or other tangible property with an estimated useful life of five or more years that is owned by the City for residents within a given CFD. A specific list of authorized services for each CFD may be found in the Resolution of Intention to Establish a Community Facilities District for each CFD.

The Mello-Roos Community Facilities Act of 1982

The California State Legislature (the "Legislature") approved the Mello-Roos Community Facilities Act of 1982 that provides for the levy of a special tax within a defined geographic area (i.e., a community facilities district) if such a levy is approved by two-thirds of the qualified electors in the area. Community facilities districts can generate funding for a broad range of facilities and eligible services. These services include police protection services, fire protection and suppression services, library services, recreation program services, flood and storm protection services, street lighting services, and maintenance of roads, parks, parkways, and open space. Special taxes can be allocated to property in any reasonable manner other than on an ad valorem basis.

II. PURPOSE OF REPORT

This Report presents findings from research and financial analysis performed by Goodwin Consulting Group, Inc. to determine the fiscal year 2023-24 special tax levy for the Ontario Ranch Services CFDs. The Report is intended to provide information to interested parties regarding these CFDs, including the special taxes to be levied in fiscal year 2023-24, the status of development in each CFD, and information regarding special tax delinquencies within each CFD.

The remainder of the Report is organized as follows:

- **Section III** lists the individual CFDs in which special taxes have been levied in fiscal year 2023-24, and also provides information on the status of construction in each CFD.

- **Section IV** identifies the financial obligations, in particular, the Special Tax Requirements for the CFDs for fiscal year 2023-24.

- **Section V** provides a summary of the methodologies used to apportion special taxes among parcels in each CFD.

- **Section VI** describes delinquencies in payment of the special taxes in prior fiscal years.

- **Section VII** provides information regarding state reporting requirements applicable to the CFDs.

III. STATUS OF CFDS

The City of Ontario continues to form new Ontario Ranch Services CFDs as new developments are proposed and move through the planning process. However, not all of these CFDs have levied special taxes as of fiscal year 2023-24. The special tax levy for a CFD commences once a building permit has been issued for new construction of a residential unit or a non-residential building in a CFD.

The table below summarizes the CFDs that have levied special taxes as of fiscal year 2023-24. The table also shows whether all of the anticipated units and/or non-residential buildings have been issued building permits. The summary tables in Appendix A show the amounts levied in each CFD for fiscal year 2023-24. See the maps included in Appendix C for the specific boundaries of each CFD.

IV. FISCAL YEAR 2023-24 SPECIAL TAX REQUIREMENTS

The special tax for each of the Ontario Ranch Services CFDs is levied according to the methodology set forth in the Rate and Method of Apportionment of Special Tax (the "RMA") for that CFD. The RMAs were each adopted as an exhibit to the Resolution of Formation for a given CFD. While each RMA may contain different terms, they always require that the special tax levied be equal to the Special Tax Requirement for that CFD. Generally, the Special Tax Requirement means the amount necessary in any fiscal year to pay (i) the cost of services, (ii) administrative expenses of the CFD, and (iii) any delinquencies based on the historical delinquency rate for the special taxes as determined by the Administrator. For fiscal year 2023-24, the Special Tax Requirements were based on estimated costs for each CFD provided by the City. The tables in Appendix B show the Special Tax Requirement for each of the Ontario Ranch Services CFDs.

V. SPECIAL TAX LEVIES

Special Tax Categories

Pursuant to the adopted RMAs, all property within each CFD is assigned to a special tax category. The categories are specific to the individual CFD, but typically RMAs will include categories for development status, land use types, and ownership. The various special tax categories each have a maximum special tax rate per unit or per building square foot. Additionally, the category will determine the priority in which each parcel will be taxed. A general description of the categories is included below, but terms may differ slightly due to minor differences between the CFDs.

The RMAs define Taxable Property as all parcels of Residential Property and Non-Residential Property within the boundaries of the CFD that are not exempt from the special tax. Each fiscal year, all parcels of Taxable Property are classified as Residential Property or Non-Residential Property and are subject to the levy of the special tax. Residential Property is further categorized into Single Family Detached Dwelling Units, Multiple Family Dwelling Units, or Gated Community Attached Dwelling Units.

- A Single Family Detached Dwelling Unit is defined as any residential building containing only one Unit on one legal lot, including single family residences and single family detached residential condominium units. Pursuant to the RMAs, a Unit means an individual dwelling unit of any configuration, including each separate dwelling unit within a half-plex, duplex, triplex, fourplex or other residential building.

- A Multiple Family Dwelling Unit is defined as a Unit within any residential building containing two or more dwelling units, including attached condominiums, townhomes, duplexes, triplexes, and apartments, but excluding Gated Community Attached Dwelling Units.

- A Gated Community Attached Dwelling Unit is defined as a Unit within any residential building containing two or more dwelling units, including attached condominiums, townhomes, duplexes, triplexes, and apartments, within a gated community that, within such community, is primarily served by private interior streets.

Residential Property means, for each fiscal year, all parcels for which a building permit for new construction of one or more Units was issued before May 1 of the prior fiscal year. Thus, all Single Family Detached Dwelling Units, Multiple Family Dwelling Units, and Gated Community Attached Dwelling Units for which building permits for new construction were issued before May 1, 2023, are classified as Residential Property and are subject to the special tax levy for fiscal year 2023-24.

Non-Residential Property means, for each fiscal year, all parcels for which a building permit for new construction was issued before May 1 of the prior fiscal year, for a non-residential use. Thus, all non-residential structures for which building permits for new construction were issued before May 1, 2023, are classified as Non-Residential Property and are subject to the special tax levy for fiscal year 2023-24.

Maximum Special Tax Rates

The maximum special tax rates applicable to each category of property are set forth in Section C of each RMA. The percentage of the maximum special tax that will be levied on each land use category in fiscal year 2023-24 is determined by the method of apportionment included in Section D of each RMA. The tables in Appendix A identify the maximum annual special taxes that can be levied on property in the CFDs.

Apportionment of Special Taxes

The amount of special tax levied on each parcel in each fiscal year will be determined by application of Section D of the applicable RMA. Pursuant to this section, the Special Tax Requirement will be allocated by levying the special tax proportionally on each parcel or portion of each parcel of Taxable Property up to 100% of the maximum special tax, until the Special Tax Requirement is satisfied. However, the RMAs typically state that the special tax levied in any fiscal year shall not increase by more than 4.0% of the amount of the special tax levied in the prior fiscal year. The actual special tax rates and the number of units of Taxable Property for fiscal year 2023-24 are shown in the tables in Appendix A.

VI. SPECIAL TAX DELINQUENCIES

The special taxes for the CFDs are collected via the annual secured property tax bills issued by San Bernardino County. Annually, around July 1 of each year, the San Bernardino County Auditor-Controller's Office reports on the special taxes that are delinquent. Appendix D of this report shows the parcels and unpaid amounts from prior years that have been reported by the County as delinquent.

These delinquencies shall be collected through San Bernardino County's collection process. The Special Tax Requirements for fiscal year 2023-24 have not been increased as a result of the fiscal year 2022-23 delinquencies.

VII. STATE REPORTING REQUIREMENTS

Assembly Bill No. 1666

On July 25, 2016, Governor Jerry Brown signed Assembly Bill No. 1666, adding Section 53343.2 to the California Government Code ("GC"). The bill enhances the transparency of community facilities districts by requiring that certain reports be accessible on a local agency's web site. Pursuant to Section 53343.2, a local agency that has a web site shall, within seven months after the last day of each fiscal year of the district, display prominently on its web site the following information:

Item (a): A copy of an annual report, if requested, pursuant to GC Section 53343.1. The report required by Section 53343.1 includes CFD budgetary information for the prior fiscal year and is only prepared by a community facilities district at the request of a person who resides in or owns property in the community facilities district. If the annual report has not been requested to be prepared, then a posting to the web site would not be necessary.

Item (b): A copy of the report provided to the California Debt and Investment Advisory Commission ("CDIAC") pursuant to GC Section 53359.5. Under Section 53359.5, local agencies must provide CDIAC with the following: (i) notice of proposed sale of bonds; (ii) annual reports on the fiscal status of bonded districts; and (iii) notice of any failure to pay debt service on bonds, or of any draw on a reserve fund to pay debt service on bonds.

Item (c): A copy of the report provided to the State Controller's Office pursuant to GC Section 12463.2. This section refers to the parcel tax portion of a local agency's Financial Transactions Report that is prepared for the State Controller's Office annually. Note that school districts are not subject to the reporting required by GC Section 12463.2.

Assembly Bill No. 1483

On October 9, 2019, Governor Gavin Newsom signed Assembly Bill No. 1483, adding Section 65940.1 to the California Government Code. The law requires that a city, county, or special district that has an internet website, maintain on its website a current schedule of fees, exactions, and affordability requirements imposed by the public agency on all housing development projects. Pursuant to Section 65940.1, the definition of an exaction includes a special tax levied pursuant to the Mello-Roos Community Facilities Act.

Assembly Bill No. 1483 defines a housing development project as consisting of (a) residential units only; or (b) mixed-use developments consisting of residential and non-residential land uses with at least two-thirds of the square footage designated for residential use; or (c) transitional housing or supportive housing. Assembly Bill No. 1483 also requires a city, county, or special district to update this information on their website within 30 days of any changes made to the information.

Senate Bill No. 165

On September 18, 2000, former Governor Gray Davis signed Senate Bill 165 which enacted the Local Agency Special Tax and Bond Accountability Act. In approving the bill, the Legislature declared that local agencies need to demonstrate to the voters that special taxes and bond proceeds are being spent on the facilities and services for which they were intended. To further this objective, the Legislature added Sections 50075.3 and 53411 to the California Government Code setting forth annual reporting requirements relative to special taxes collected and bonds issued by a local public agency. Pursuant to the Sections 50075.3 and 53411, the "chief fiscal officer" of the public agency will, by January 1, 2002, and at least once a year thereafter, file a report with the City setting forth (i) the amount of special taxes that have been collected and expended; (ii) the status of any project required or authorized to be funded by the special taxes; (iii) if bonds have been issued, the amount of bonds that have been collected and expended; and (iv) if bonds have been issued, the status of any project required or authorized to be funded from bond proceeds
