CITY OF ONTARIO

Regular City Council/Housing Authority Meeting
MARCH 21, 2023

City Hall
303 East B Street, Ontario, CA 91764

MAYOR PAUL S. LEON • MAYOR PRO TEM DEBRA DORST-PORADA
COUNCIL MEMBERS ALAN D. WAPNER, JIM W. BOWMAN AND RUBEN VALENCIA

CITY CLERK SHEILA MAUTZ • TREASURER JAMES R. MILHISER
CITY MANAGER SCOTT OCHOA • CITY ATTORNEY RUBEN DURAN

WELCOME TO A MEETING OF THE ONTARIO CITY COUNCIL

All documents for public review are on file with the Records Management/City Clerk's Department located at 303 East B Street, Ontario, CA 91764.

Anyone wishing to speak in person during public comment or on a particular item will be required to fill out a blue slip. Blue slips must be turned in prior to public comment beginning or before an agenda item is taken up. The Clerk will not accept blue slips after that time. To comment by email, submit your comments no later than 4:00 p.m. on the day of the meeting by emailing your name, agenda item you are commenting on and your comments to publiccomments@ontarioca.gov. All comments received by the deadline will be forwarded to the City Council for consideration before action is taken on the matter and will be entered into the record.

Comments will be limited to 3 minutes. Speakers will be alerted when they have 1 minute remaining and when their time is up. Speakers are then to return to their seats and no further comments will be permitted.

In accordance with State Law, remarks during public comment are to be limited to subjects within Council's jurisdiction. Remarks on other agenda items will be limited to those items.

Remarks from those seated or standing in the back of the chamber will not permitted. All those wishing to speak including Council and Staff need to be recognized by the Chair before speaking.

ACCOMODATIONS

If you need special assistance or accommodations to participate in this meeting, please contact the City Clerk's office at 909-395-2009. Notification of 48 hours prior to the meeting will help the City make reasonable arrangements. Equipment for the hearing impaired is available in the Records Management Office.

ORDER OF BUSINESS

The regular City Council and Housing Authority meeting begins with Closed Session and Closed Session Comment at 5:30 p.m., Public Comment at 6:30 p.m. immediately followed by the Regular Meeting and Public Hearings. No agenda item will be introduced for consideration after 10:00 p.m. except by majority vote of the City Council.

CALL TO ORDER *(OPEN SESSION)*

ROLL CALL

Dorst-Porada, Wapner, Bowman, Valencia, Mayor/Chairman Leon

CLOSED SESSION PUBLIC COMMENT

The Closed Session Public Comment portion of the Council/Housing Authority meeting is limited to a maximum of 3 minutes for each speaker and comments will be limited to matters appearing on the Closed Session. Additional opportunities for further Public Comment will be given during and at the end of the meeting.

INVOCATION

REPORT ON CLOSED SESSION

City Attorney

PUBLIC COMMENTS **6:30 P.M.**

The Public Comment portion of the Council/Housing Authority meeting is limited to 30 minutes with each speaker given a maximum of 3 minutes. An opportunity for further Public Comment may be given at the end of the meeting. Under provisions of the Brown Act, Council is prohibited

from taking action on oral requests.

To comment by email, submit your comments by email no later than 4:00 p.m. on the day of the meeting by emailing your name, agenda item you are commenting on and your comment to publiccomments@ontarioca.gov. All Comments received by the deadline will be forwarded to the City Council for consideration before action is taken on the matter and entered into the record. As previously noted -- if you wish to address the Council, fill out one of the blue slips at the rear of the chambers and give it to the City Clerk.

AGENDA REVIEW/ANNOUNCEMENTS

The City Manager will go over all updated materials and correspondence received after the Agenda was distributed to ensure Council Members have received them. He will also make any necessary recommendations regarding Agenda modifications or announcements regarding Agenda items to be considered.

CONSENT CALENDAR

All matters listed under CONSENT CALENDAR will be enacted by one motion in the form listed below – there will be no separate discussion on these items prior to the time Council votes on them, unless a member of the Council requests a specific item be removed from the Consent Calendar for a separate vote.

Each member of the public wishing to address the City Council on items listed on the Consent Calendar will be given a total of 3 minutes.

1. APPROVAL OF MINUTES

Minutes for the regular meetings of the City Council and Housing Authority of February 21, 2023, and approving same as on file in the Records Management Department.

ATTACHMENT: 20230221 Minutes (Not Official Until Approved).pdf

2. BILLS & PAYROLL

Bills February 24, 2023 through March 2, 2023, and Payroll February 12, 2023 through February 25, 2023 when audited by the Finance Committee.

3. APPROVAL OF A PRE-AUTHORIZED LIST OF SOLE-SOURCE VENDORS TO PROVIDE SPECIAL TAX CONSULTING AND LEGAL SERVICES FOR THE CITY OF ONTARIO COMMUNITY FACILITIES DISTRICTS

That the City Council approve the request for a pre-authorized Sole Source list of vendors for the City's bond financing team for future Community Facility District (CFD) formations and bond issues for a maximum term of two years.

4. **ACCEPT AND APPROVE LAW ENFORCEMENT EQUIPMENT GRANT PROGRAM ADDITIONAL AWARD FOR FISCAL YEAR 2020-21**

That the City Council authorize the City Manager or his designee to execute all documents necessary to accept and approve the Citizen's Option for Public Safety (COPS) / Enhancing Law Enforcement Activities Subaccount (ELEAS) Grant for Fiscal Year 2020-21.

5. **A DEVELOPMENT IMPACT FEE CREDIT AGREEMENT (FILE NO. PDIF21-004) BETWEEN THE CITY OF ONTARIO AND ONTARIO CC 2.0, LLC, FOR FACILITY CONSTRUCTION ASSOCIATED WITH PARCEL MAP NO. 20027, LOCATED NEAR THE SOUTHWEST CORNER OF HAMNER AVENUE AND RIVERSIDE DRIVE, WITHIN THE EDENGLEN SPECIFIC PLAN**

That the City Council approve the Development Impact Fee Credit Agreement (File No. PDIF21-004) between the City of Ontario and Ontario CC 2.0, LLC, for facility construction associated with Parcel Map No. 20027, located near the southwest corner of Hamner Avenue and Riverside Drive, within the Edenglen Specific Plan, and authorize the City Manager to execute the Agreement.

6. **REAL PROPERTY EXCHANGE BETWEEN THE CITY OF ONTARIO AND THE DIOCESE OF SAN BERNARDINO EDUCATION AND WELFARE CORPORATION**

That the City Council adopt a Resolution:

A. Declaring certain City-owned real property to be exempt surplus land;
B. Approving a real property exchange agreement with the Diocese of San Bernardino Education and Welfare Corporation;
C. Authorizing the City Manager to take all actions necessary with respect thereto; and
D. Finding that no further CEQA analysis is necessary

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ONTARIO, CALIFORNIA, (I) DECLARING CERTAIN CITY-OWNED REAL PROPERTY TO BE EXEMPT SURPLUS LAND; (II) APPROVING A REAL PROPERTY EXCHANGE AGREEMENT WITH THE DIOCESE OF SAN BERNARDINO EDUCATION AND WELFARE CORPORATION**;** (III) AUTHORIZING THE CITY MANAGER TO TAKE ALL ACTIONS NECESSARY WITH RESPECT THERETO; AND (IV) FINDING THAT NO FURTHER CEQA ANALYSIS IS NECESSARY.

ATTACHMENT: Land Exchange Agreement (City of Ontario- Catholic Church) EXH A

7. **APPLICATION FOR CALIFORNIA OFFICE OF TRAFFIC SAFETY FISCAL YEAR 2023-24 SELECTIVE TRAFFIC ENFORCEMENT PROGRAM (STEP) GRANT**

That City Council authorize the City Manager, or his designee to execute all documents necessary to apply for and accept a 12-month grant in the amount of $1,015,605 from the California Office of Traffic Safety (OTS) for participation in the FY 2023-24 Selective Traffic

Enforcement Program (STEP) Grant.

8. AN APPLICATION FOR GRANT FROM CALIFORNIA HIGHWAY PATROL FOR THE CANNABIS TAX FUND GRANT PROGRAM FISCAL YEAR 2023-24 FOR THE AMOUNT OF $291,250.

That City Council authorize the City Manager or his designee to execute all documents necessary to apply for and accept a 12-month grant in the amount of $291,250 from the California Highway Patrol for the Cannabis Tax Fund Grant Program.

9. ACCEPT AND APPROVE AWARD OF OFFICER WELLNESS AND MENTAL HEALTH GRANT FOR FISCAL YEAR 2022-23

That the City Council authorize the City Manager or his designee to execute all documents necessary to accept and approve the Officer Wellness and Mental Health Grant Award for Fiscal Year 2022-23.

10. A CONSTRUCTION CONTRACT FOR CITY'S BROADBAND FIBER CONDUIT INSTALLATION WEST RING-SEGMENT 2

That the City Council take the following actions:

A. Approve Construction Contract No. BB-2023-001, FY 2022-23 CDBG City Fiber Conduit Installation - West Ring Segment 2 (on file in the Records Management Department), to Servitek Electric, Inc. of Walnut, California, to provide fiber optic conduit installation services in the amount of $731,914 plus a ten percent (10%) contingency of $73,191 for a total authorized expenditure of $805,105; and

B. Authorize the City Manager or designee to execute said contract and all documents required for the completion of the project, including, but not limited to purchase orders, contracts, agreements, easements, reduction of retention accounts, and the filing of a Notice of Completion at the conclusion of all related work.

ATTACHMENT: Exhibit A.pdf

11. SECOND AMENDMENT TO PROFESSIONAL SERVICES AGREEMENT FOR ARCHITECTURAL AND DESIGN SERVICES

That the City Council ("City") approve and authorize the City Manager to execute a Second Amendment to a Professional Services Agreement with Thirtieth Street Architects, Inc. to increase Agreement by $250,000 for a total not-to-exceed amount of $450,000.

12. AWARD OF A CONSTRUCTION CONTRACT AND AMENDMENT TO THE ON-CALL PROJECT MANAGEMENT SERVICES AGREEMENT FOR THE JOHN GALVIN PARK RESTROOM RENOVATION

That the City Council take the following actions:

A. Authorize the City Manager or his designee to complete and execute a Construction Contract with JCOS Development, Inc. of Buena Park, California, for the John Galvin Park Restroom Renovation Project in the amount of $1,050,000;

B. Authorize a 10% contingency of $105,000 for the JCOS Development, Inc. Construction Contract for a total contract value of $1,155,000 to address any unforeseen issues that arise during construction;
C. Authorize the City Manager or his designee to complete and execute Amendment No. 9 to the On-Call Project Management Services Contract with Transtech Engineers, Inc. of Chino, California, for the John Galvin Park Restroom Renovation Project in the amount of $14,073; and
D. Authorize the City Manager or his designee to execute all documents required for the completion of the project including, but not limited to, contracts, agreements, assessments, easements, reduction of retention accounts, and filing a notice of completion at the conclusion of all construction related activities.

13. A RESOLUTION AUTHORIZING THE CITY MANAGER TO ENTER INTO SETTLEMENT AGREEMENTS WITH WALGREENS CO., WALMART, INC., CVS HEALTH CORPORATION/CVS PHARMACY INC., TEVA PHARMACEUTICAL INDUSTRIALS LTD., AND ALLERGAN FINANCE LLC/ALLERGAN LIMITED, AGREE TO THE TERMS OF THE STATE-SUBDIVISION AGREEMENTS, AND AUTHORIZE ENTRY INTO THE STATE-SUBDIVISION AGREEMENTS WITH THE ATTORNEY GENERAL

That the City Council adopt a Resolution authorizing the City Manager to:

1. Opt into settlement agreement with opioid distributor, Walgreens Co., and direct the City Manager to execute any documents necessary to implement the action.
2. Opt into settlement agreement with opioid distributor, Walmart, Inc. and direct the City Manager to execute any documents necessary to implement the action.
3. Opt into settlement agreement with opioid distributor, CVS Health Corporation/CVS Pharmacy, Inc. and direct the City Manager to execute any documents necessary to implement the action.
4. Opt into settlement agreement with opioid manufacturer, Teva Pharmaceutical Industries Ltd., and direct the City Manager to execute any documents necessary to implement the action.
5. Opt into settlement agreement with opioid manufacturer, Allergan Finance, LLC/Allergan Limited and direct the City Manager to execute any documents necessary to implement the action.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ONTARIO, CALIFORNIA, AUTHORIZING THE CITY MANAGER TO ENTER INTO THE SETTLEMENT AGREEMENTS WITH WALGREENS CO., WALMART, INC., CVS HEALTH CORPORATION/CVS PHARMACY INC., TEVA PHARMACEUTICAL INDUSTRIALS LTD., AND ALLERGAN FINANCE LLC/ALLERGAN LIMITED, AGREE TO THE TERMS OF THE STATE-SUBDIVISION AGREEMENTS, AND AUTHORIZE ENTRY INTO THE STATE-SUBDIVISION AGREEMENTS WITH THE ATTORNEY GENERAL.

ONTARIO CITY COUNCIL/
ONTARIO HOUSING AUTHORITY
MINUTES
FEBRUARY 21, 2023

(Not Official Until Approved)

JOINT MEETINGS

The regular meetings of the Ontario City Council and Housing Authority were held on Tuesday, February 21, 2023 at Ontario City Hall, 303 E. B Street Ontario, California.

CALL TO ORDER

Mayor Leon called the joint meetings to order at 6:31 p.m.

ROLL CALL

PRESENT:	Mayor/Chairman	Paul S. Leon
	Mayor pro Tem/Vice Chair:	Debra Dorst-Porada
	Council/Authority Members:	Alan D. Wapner and Ruben Valencia
ABSENT:	Council/Authority Members:	Jim W. Bowman

Also present were City Manager / Executive Director Scott Ochoa, City Attorney/Legal Counsel Ruben Duran, and City Clerk / Secretary Sheila Mautz.

CLOSED SESSION - (CANCELLED)

PLEDGE OF ALLEGIANCE

The Pledge of Allegiance was led by Mayor pro Tem Dorst-Porada.

INVOCATION

The invocation was led by Pastor (Dr.) Francesca Fajinmi Dios International Missionary Church.

REPORT ON CLOSED SESSION

City Attorney Duran announced the cancellation of Closed Session.

PUBLIC COMMENTS

Assistant City Clerk Isbell announced two emailed public comments:

Ontario Resident, regarding consideration of construction quiet zones.

Janice Elliott, in opposition to the potential censuring of Council Member Valencia.

Mayor Leon called upon the first speaker:

Harold Wheat, spoke of traffic on Philadelphia, between Campus Avenue and Sultana Avenue.

Celina Lopez, spoke in opposition to the potential censuring of Council Member Valencia.

Sherrell Talley, asked City Council for help with housing.

Cory Briggs, made a records request for any and all materials that have been provided to the Council members with respect to censuring Council Member Valencia.

Karen Howey, representative of San Bernardino County Board Supervisor Curt Hagman's Office announced upcoming events.

Chris Craig, representative of Assemblymember Rodriguez's Office announced upcoming events.

AGENDA REVIEW/ANNOUNCEMENTS

City Manager Ochoa made no announcements

CONSENT CALENDAR

PUBLIC COMMENT

Dawn Hudley, spoke in support of Item No. 12 and homelessness.

MOTION: Moved by Mayor pro Tem Dorst-Porada, seconded by Council Member Valencia and carried by unanimous vote 4-0, with Council Member Bowman absent, to approve the Consent Calendar as presented.

1. APPROVAL OF MINUTES

Minutes for the special meetings of the City Council and Housing Authority of January 17, 2023, the regular meetings of the City Council and Housing Authority of January 17, 2023, the special meetings of the City Council and Housing Authority of January 19, 2023, and approving same as on file in the Records Management Department.

2. BILLS & PAYROLL

Bills January 20, 2023 through February 9, 2023 in the amount of $28,312,895.45, and Payroll January 15, 2023 through January 28, 2023 in the amount $4,195,158.62, when audited by the Finance Committee.

3. AN AMENDMENT TO THE CONSULTING SERVICES AGREEMENT FOR THE COMPUTER-AIDED DISPATCH (CAD) REPLACEMENT PROJECT

The City Council authorized the City Manager to execute an Amendment to the current Agreement with National Public Safety Group, LLC., of Aberdeen, North Carolina, for consulting services for the selection, procurement, and project management for the computer-aided dispatch (CAD) replacement project for a total not-to-exceed amount of $377,219.

4. A CONSTRUCTION CONTRACT AND TWO AMENDMENTS FOR AUTOMATED WATER METER READING WITH ADVANCED METERING INFRASTRUCTURE TECHNOLOGY

The City Council took the following actions:

A. Approved the plans and specifications and awarded Contract No. UT 1053 to LEED Electric Inc. of Santa Fe Springs, California, for the Automated Water Meter Reading with Advance Metering Infrastructure (AMI) Technology (Phase 1) Project, in the amount of $1,146,700 plus a 15% contingency of $172,005, for a total not-to-exceed amount of $1,318,705, a term of 240 calendar days after issuance of notice to proceed, and authorized the City Manager or designee to execute said contract and file a notice of completion at the conclusion of all construction activities related to the project.
B. Approved and authorized the City Manager, or designee to execute Amendment No. 9 to the Professional Services Agreement with Wallace and Associates Consulting LLC. of Santa Ana, California, for a total not-to-exceed amount of $220,560 for construction management and inspection services and a term from February 21, 2023, to October 1, 2024.
C. Approved and authorized the City Manager, or designee to execute Amendment No. 1 to the Professional Services Agreement with Hazen and Sawyer Co. of Irvine, California, for a total not-to-exceed amount of $137,500 for construction engineering services and a term from February 21, 2023, to October 1, 2024.

5. A RESOLUTION APPROVING AN IMPROVEMENT AGREEMENT, IMPROVEMENT SECURITY AND FINAL PARCEL MAP NO. 20339, LOCATED AT THE SOUTHWEST CORNER OF PALM AVENUE AND TRANSIT STREET

The City Council adopted a Resolution approving an Improvement Agreement, Improvement Security and Final Parcel Map No. 20339, located at the southwest corner of Palm Avenue and Transit Street.

RESOLUTION NO. 2023-009 A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ONTARIO, CALIFORNIA, APPROVING AN IMPROVEMENT AGREEMENT, IMPROVEMENT SECURITY AND FINAL PARCEL MAP NO. 20339 LOCATED AT THE SOUTHWEST CORNER OF PALM AVENUE AND TRANSIT STREET.

6. DOWNTOWN ONTARIO IMPROVEMENT ASSOCIATION ANNUAL REPORT FOR FISCAL YEAR 22-23

The City Council adopted a Resolution approving the Downtown Ontario Improvement Association ("DOIA") Annual Report for FY 22-23.

RESOLUTION NO. 2023-010 A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ONTARIO, CALIFORNIA, APPROVING THE ANNUAL REPORT SUBMITTED BY THE DOWNTOWN ONTARIO IMPROVEMENT ASSOCIATION FOR THE DOWNTOWN ONTARIO COMMUNITY BENEFIT DISTRICT FOR FY 2022-23.

7. AN AMENDMENT TO ON-CALL DESIGN SERVICES AGREEMENT FOR ENGINEERING GRANT SUPPORT SERVICES

The City Council authorized the City Manager, or designee to execute Amendment No. 15 to the On-Call Design Services Agreement with Infrastructure Engineering Co. (IEC) of Irvine, California, for a total not-to-exceed amount of $100,000 for grant support services and a term from May 7, 2019, to May 6, 2024.

8. AN AMENDMENT TO DESIGN SERVICES AGREEMENT WITH HMC ARCHITECTS FOR ON-CALL ARCHITECTURAL, SPACE PLANNING AND ENGINEERING SERVICES FOR THE CITY HALL ANNEX PROJECT

The City Council authorized the City Manager or his designee to execute Amendment No. 2 to the Design Services Agreement with HMC Architects of Ontario, California, to provide On-call Architectural, Space Planning and Engineering Services for the City Hall Annex Project in a total not-to-exceed amount of $3,978,123.

9. A RESOLUTION OF INTENT TO VACATE FERN AVENUE FROM TRANSIT STREET TO EMPORIA STREET

The City Council adopted a Resolution declaring the intent to vacate Fern Avenue from Transit Street to Emporia Street and set the date, time and place for the public hearing.

RESOLUTION NO. 2023-011 A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ONTARIO, CALIFORNIA, PERTAINING TO THE VACATION OF FERN AVENUE FROM TRANSIT STREET TOEMPORIA STREET AND TO SET THE DATE, TIME AND PLACE FOR A PUBLIC HEARING.

10. PRE-AUTHORIZED LIST OF VENDORS TO PROVIDE RENTAL EQUIPMENT AND ENTERTAINMENT SERVICES FOR SPECIAL EVENTS

The City Council approved the attached list of pre-authorized vendors to provide rental equipment and entertainment services for the Community Life & Culture Agency.

11. PRE-AUTHORIZED LIST OF VENDORS TO PROVIDE TRANSLATION AND COPY EDITING

The City Council approved the attached list of pre-authorized vendors to provide translation and copy-editing services for the Community Life & Culture Agency.

12. SAN BERNARDINO COUNTY FLOOD CONTROL DISTRICT AGREEMENT AUTHORIZING CITY OF ONTARIO TO ENFORCE TRESPASSING AND PARKING VIOLATIONS AT DISTRICT PROPERTY WITHIN THE CITY

The City Council approved San Bernardino County's Flood Control District Agreement which authorizes law enforcement officers and code enforcement officers of the City of Ontario to enforce trespassing and parking violations on Flood Control District property within Ontario's city limits.

13. ADOPTION OF AN ORDINANCE AMENDING THE ONTARIO MUNICIPAL CODE RELATING TO PURCHASING AUTHORITY OF THE CITY MANAGER FOR PUBLIC PROJECTS

The City Council adopted an Ordinance to amend the Ontario Municipal Code to increase the City Manager's spending authority for Public Projects up to a maximum of $150,000. Introduction and first reading took place at a regular City Council meeting on February 7, 2023.

ORDINANCE NO. 3242 AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ONTARIO, CALIFORNIA, AMENDING SECTION 2-6.18(H) OF CHAPTER 6 OF TITLE 2 OF THE ONTARIO MUNICIPAL CODE RELATING TO PURCHASING AUTHORITY OF THE CITY MANAGER FOR PUBLIC PROJECTS.

PUBLIC HEARINGS

14. A PUBLIC HEARING TO CONSIDER A CONDITIONAL USE PERMIT, FILE NO. PCUP22-006, TO ESTABLISH AND OPERATE A 118-ROOM LIMITED-SERVICE HOTEL ON PROPERTY LOCATED AT THE SOUTHEAST CORNER OF CORONA AVENUE AND G STREET (APN: 0110-241-33)

The City Council considered and adopted a Resolution approving File No. PCUP22-006, granting the right to establish and operate a 118-room limited-service hotel (Everhome Suites) on a 2.11-acre portion of the 3.37-acre Project site located at the southeast corner of Corona Avenue and G Street.

RESOLUTION NO. 2023-012 A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ONTARIO, CALIFORNIA, APPROVING FILE NO. PCUP22-006, A CONDITIONAL USE PERMIT TO ESTABLISH AND OPERATE A 118-ROOM, LIMITED-SERVICE HOTEL (EVERHOME SUITES) ON A 2.11-ACRE PORTION OF A 3.37-ACRE PROJECT SITE LOCATED AT THE SOUTHEAST CORNER OF CORONA AVENUE AND G STREET, WITHIN THE CCS (CONVENTION CENTER SUPPORT COMMERCIAL) ZONING DISTRICT, AND MAKING FINDINGS IN SUPPORT THEREOF - APN: 0110-241-33.

Notice of public hearing was duly given and affidavits of compliance are on file in the Records Management Department. There were no written communications.

Mayor Leon opened the public hearing and inquired if anyone was interested in speaking to the item.

Eddie Campos, asked that the developer consider hiring local talent for the development.

Vanessa Hill, spoke in opposition of the item.

Paige Gosney, spoke in support of the item.

Mayor Leon closed the public hearing and opened the item for Council discussion.

Mayor pro Tem Dorst-Porada spoke to the issue of using local workmanship and asked that developer be a good neighbor to the residents of Ontario.

MOTION: Moved by Mayor pro Tem Dorst-Porada, seconded by Council Member Valencia and carried by vote 4-0, with Bowman absent, to adopt Resolution No. 2023-012.

ADMINISTRATIVE REPORTS/DISCUSSION/ACTION

15. A PURCHASE AND SALE AGREEMENT FOR THE ACQUISITION OF REAL PROPERTY LOCATED SOUTH OF RIVERSIDE DRIVE BETWEEN VINEYARD AVENUE AND ONTARIO AVENUE

The City Council took the following actions:

A. Approved a Purchase and Sale Agreement and Joint Escrow Instructions; and
B. Authorized the City Manager or his designee to take any action required to execute any and all documents, amendments, and instruments necessary to implement the Agreement.

MOTION: Moved by Council Member Wapner, seconded by Mayor Leon and carried by vote 4-0, with Bowman absent, to approve the Purchase and Sale Agreement and Joint Escrow Instructions.

STAFF MATTERS

City Manager Ochoa made no comments.

COUNCIL MATTERS

- **A RESOLUTION TO CENSURE A COUNCIL MEMBER**

City Attorney Duran provided introductory comments, noting that the Mayor and Council Members are authorized to initiate sanctions or other actions, including a formal censure, when the Mayor or a majority of the City Council believes that a Council Member has violated City Council Rules of Conduct. As a result of the Mayor's concern, City Attorney Duran requested the item be added to the agenda for discussion.

Mayor Leon inquired if anyone was interested in speaking to the matter.

Council Member Valencia recused himself from the dais and sat in the audience.

Cory Briggs, announced he was the legal representative for Council Member Valencia and expanded on his records request to include emails, voicemails, and text messages between and among Council Members related to this topic.

Maria Galvan, spoke in opposition of censuring Council Member Valencia.

Mayor Leon expressed his desire to add the item to the agenda to begin the process of censuring Council Member Valencia. Mayor Leon explained that adding the item to a future agenda was the first step in the process and that his concerns were related to City representation during a recent trip to Guamuchi, Mexico.

ADJOURNMENT

Mayor Leon adjourned the meetings of the Joint Agencies at 7:31 p.m. and announced the next regular meeting on March 7, 2023.

Respectfully submitted,

_____
SHEILA MAUTZ, CITY CLERK/SECRETARY

APPROVED:

_____
PAUL S. LEON, MAYOR/CHAIRMAN

CITY OF ONTARIO *Agenda Report* **March 21, 2023**	**SECTION:** **CONSENT CALENDAR**
Department: Financial Services Prepared By: Cecilia House Staff Member Presenting: Armen Harkalyan, Executive Director of Finance Reviewed By: Cecilia House, Armen Harkalyan Approved By:	Submitted To: Council/OHA Approved: _____ Continued To: _____ Denied: _____ Item No: 3

SUBJECT: **APPROVAL OF A PRE-AUTHORIZED LIST OF SOLE-SOURCE VENDORS TO PROVIDE SPECIAL TAX CONSULTING AND LEGAL SERVICES FOR THE CITY OF ONTARIO COMMUNITY FACILITIES DISTRICTS**

RECOMMENDATION: That the City Council approve the request for a pre-authorized Sole Source list of vendors for the City's bond financing team for future Community Facility District (CFD) formations and bond issues for a maximum term of two years.

THE FOLLOWING COUNCIL GOALS ARE BEING ACHIEVED:
Ensure the Development of a Well Planned, Balanced, and Self-Sustaining Community in Ontario Ranch

FISCAL IMPACT: There is no fiscal impact to the General Fund associated with the proposed preauthorized list for services related to CFD formations and Bond Issuances. Individual developers will fund the cost of formation services and costs associated with bond issuance will be funded with bond proceeds at the time of issuance. Other related services for projects not included in the Developers' deposits are included in the Adopted Fiscal Year 2022-23 Operating Budget. Because each vendor has different levels of involvement in the CFD formation and Bond Issuance process, the not-to-exceed amount will be set for each Agreement.

BACKGROUND & ANALYSIS:

On November 16, 2021, the City Council approved a preauthorized list of sole source vendors for a Bond Formation and Financing Team for the Ontario Ranch development. With the expected continued growth in Ontario Ranch, and potential projects in the Old Model Colony the City will need to continue CFD formations, bond financing, legal services, investment banking, and other related services.

Bond and Disclosure Counsel:

- Orrick, Herrington & Sutcliffe, LLP of Los Angeles, CA (not to exceed annual amount $450,000)

Special Tax Consultants:

- Goodwin Consulting Group of Sacramento, CA (not to exceed annual amount $500,000)
- Harris and Associates Corporation of Irvine, CA (not to exceed annual amount $55,000)

Real Estate Economists:
- Empire Economics, Inc. of Capistrano Beach, CA (not to exceed annual amount $50,000)

Financial Advisors:
- CSG Advisors of San Francisco, CA (not to exceed annual amount $175,000)

The City is currently working with the firms listed below to set up agreements for Investment Banking, Bond Disclosure Counsel and Real Estate Appraisal.

Investment Banking:
- Stifel, Nicolaus & Company, Incorporated of San Francisco, CA
- Samuel A. Ramirez & Co, Incorporated of Los Angeles, CA

Bond and Disclosure Counsel:
- Stradling, Yocca Carlson & Rauth of Newport Beach, CA

Real Estate Appraisal:
- Kitty Siino & Associates of Tustin, CA

The firms that have been approved for the City's CFD formation and bond issuance team have significant experience in CFD formations and municipal bond financing. They are familiar with the City's community facilities structure, district's local goals and policies, and the City's outstanding debt term obligations. The future selection of the specific CFD formations and bond issuance team members to participate in particular financings will be determined on a case-by-case basis dependent upon the project's specific needs and other circumstances existing at the time of formation and bond issuance. The recommendations to include the CFD formations, bond issuance, investment banking, legal, and related service providers as proposed are based on the following factors:
- Experience with municipal bonds;
- Staff qualifications;
- High quality of past performance with the City;
- Exceptional customer service;
- Competitiveness of fees;

CITY OF ONTARIO *Agenda Report* **March 21, 2023**	**SECTION:** **CONSENT CALENDAR**
Department: Police Department Prepared By: Matthew Hernandez Staff Member Presenting: Mike Lorenz, Chief of Police Approved By:	Submitted To: Council/OHA Approved: _____ Continued To: _____ Denied: _____ Item No: 4

SUBJECT: ACCEPT AND APPROVE LAW ENFORCEMENT EQUIPMENT GRANT PROGRAM ADDITIONAL AWARD FOR FISCAL YEAR 2020-21

RECOMMENDATION: That the City Council authorize the City Manager or his designee to execute all documents necessary to accept and approve the Citizen's Option for Public Safety (COPS) / Enhancing Law Enforcement Activities Subaccount (ELEAS) Grant for Fiscal Year 2020-21.

THE FOLLOWING COUNCIL GOALS ARE BEING ACHIEVED:
Maintain the Current High Level of Public Safety
Pursue City's Goals and Objectives by Working with Other Governmental Agencies

FISCAL IMPACT: Council previously approved the acceptance of the COPS/ELEAS grant program for fiscal year 2020-21 on January 19, 2021 in the amount of $277,795. The program has since awarded the City an additional $170,287 reallocated from actuals received from the State's Vehicle License Fee (VLF) revenues for Fiscal Year 2020-21. If approved, the associated revenue and expenditure adjustments in the Grants Fund will be presented to Council as part of the Year End budget report.

BACKGROUND & ANALYSIS: Beginning in FY 2002-03, the State of California allocated grant monies (COPS/ELEAS), formerly known as Supplemental Law Enforcement Services Fund/Citizen's Option for Public Safety to counties. The County granted those monies to cities for the purpose of supporting front-line law enforcement needs. The California State Department of Finance later announced the actual funding allocation amounts to be awarded to each participating agency under the COPS/ELEAS grant program. The City of Ontario is receiving an additional award of $170,287. If approved, the associated revenue and expenditure adjustments will be presented as part of the Year-End budget report to the City Council.

CITY OF ONTARIO *Agenda Report* **March 21, 2023**	**SECTION:** **CONSENT CALENDAR**
Department: Development Administration Prepared By: Derrick E Womble Staff Member Presenting: Scott Murphy, Executive Director Community Development Approved By:	Submitted To: Council/OHA Approved: _____ Continued To: _____ Denied: _____ Item No: 5

SUBJECT: **A DEVELOPMENT IMPACT FEE CREDIT AGREEMENT (FILE NO. PDIF21-004) BETWEEN THE CITY OF ONTARIO AND ONTARIO CC 2.0, LLC, FOR FACILITY CONSTRUCTION ASSOCIATED WITH PARCEL MAP NO. 20027, LOCATED NEAR THE SOUTHWEST CORNER OF HAMNER AVENUE AND RIVERSIDE DRIVE, WITHIN THE EDENGLEN SPECIFIC PLAN**

RECOMMENDATION: That the City Council approve the Development Impact Fee Credit Agreement (File No. PDIF21-004) between the City of Ontario and Ontario CC 2.0, LLC, for facility construction associated with Parcel Map No. 20027, located near the southwest corner of Hamner Avenue and Riverside Drive, within the Edenglen Specific Plan, and authorize the City Manager to execute the Agreement.

THE FOLLOWING COUNCIL GOALS ARE BEING ACHIEVED:
Invest in the Growth and Evolution of the City's Economy
Operate in a Businesslike Manner
Invest in the City's Infrastructure (Water, Streets, Sewers, Parks, Storm Drains and Public Facilities)
Ensure the Development of a Well Planned, Balanced, and Self-Sustaining Community in Ontario Ranch

FISCAL IMPACT: Approval of the proposed Development Impact Fee ("DIF") Credit Agreement (File No. PDIF21-004) will result in no fiscal impact to the City's General Fund. The project's Development Agreement (File Nos. PDA18-006) and related Conditions of Approval (COA) for the parcel map, require Ontario CC 2.0, LLC, ("Developer") to construct DIF Program infrastructure with an estimated cost of $11,180,499. The proposed DIF Credit Agreement defines the amount of DIF Credit that the Developer may be eligible to receive for construction of these improvements. The DIF Credit that the Developer will receive upon completion of the improvements may be exchanged for a refund of DIF that was paid by the Developer (up to the Developer's maximum DIF obligation) in the respective DIF category.

BACKGROUND & ANALYSIS: On February 16, 2021, the City Council adopted Ordinance No. 3179, approving a Development Agreement to establish the terms and conditions for the development of

Parcel Map 20027 (File No. PMTT18-009) within the Edenglen Specific Plan.

Per the Development Agreement and COA, the Developer is required to construct DIF Program infrastructure to serve the project. This includes the construction and completion of storm drain, street improvements, traffic signals, water, recycled water, sewer, and fiber optic facilities generally located along Riverside Drive, Hamner Avenue, and Chino Avenue within the Edenglen Specific Plan development area.

Pursuant to the City's adopted DIF Credit policies, construction of DIF Program facilities requires the Developer and the City to enter into a DIF Credit Agreement ("Agreement"). The terms of the proposed Agreement specify the defined portion of the infrastructure to be constructed by the Developer in the Local Adjacent or Regional DIF categories and includes an estimate of the maximum DIF Credit (not reimbursement) that may be applied in the respective Local Adjacent or Regional DIF category. This infrastructure is within Ontario Ranch Local Adjacent Storm Drain, Streets, Water, Sewer and Fiber Optic System categories. Since the maximum eligible costs in the Agreement for the required infrastructure exceeds the Developer's DIF obligation, the Developer is eligible to receive DIF Credit under the proposed Agreement.

The proposed Agreement complies with the City's DIF policies and is in conformance with the approved Development Agreements and related COAs. Under the provisions of the City's DIF Program, the City Manager is authorized to execute such Agreements upon approval by the City Council.

CITY OF ONTARIO *Agenda Report* **March 21, 2023**	**SECTION:** **CONSENT CALENDAR**
Department: Economic Development Prepared By: Charity Hernandez Staff Member Presenting: Jennifer McLain Hiramoto, Economic Development Director Approved By:	Submitted To: Council/OHA Approved: _____ Continued To: _____ Denied: _____ Item No: 6

SUBJECT: REAL PROPERTY EXCHANGE BETWEEN THE CITY OF ONTARIO AND THE DIOCESE OF SAN BERNARDINO EDUCATION AND WELFARE CORPORATION

RECOMMENDATION: That the City Council adopt a Resolution:

A. Declaring certain City-owned real property to be exempt surplus land;
B. Approving a real property exchange agreement with the Diocese of San Bernardino Education and Welfare Corporation;
C. Authorizing the City Manager to take all actions necessary with respect thereto; and
D. Finding that no further CEQA analysis is necessary

THE FOLLOWING COUNCIL GOALS ARE BEING ACHIEVED:
Invest in the Growth and Evolution of the City's Economy
Operate in a Businesslike Manner
Focus Resources in Ontario's Commercial and Residential Neighborhoods

FISCAL IMPACT: As the exchange of real property is an even exchange, there is no direct fiscal impact.

BACKGROUND & ANALYSIS: In November of 2021, the City of Ontario ("City") acquired two vacant parcels from Frontier Communications located at 206 West D Street and 221 West E. Street ("City-Exchange Properties") for future expansion of multi-family residential development it the area. The Diocese of San Bernardino Education and Welfare Corporation ("Diocese") owns property located at 315 West D Street and 325 North Palm Avenue (Diocese-Exchange Prop"), in close proximity to the City owned property. In 2022, the Diocese expressed interest to the City to utilize City-owned property for the purpose of having parking located in closer proximity to its facilities. The City and Diocese have agreed to exchange properties.

On December 19, 2022, the Planning Commission adopted Resolution No. PC22-066 finding that the proposed uses of the properties are consistent with the General Plan.

The proposed transfer and acquisition of the properties is in the City's best interest because it achieves the City's goals of developing new multi-family housing, attracting workforce population to the downtown area, removing blight, activating underutilized assets in the City. It also supports the interests of the Diocese, which has been a good-standing property owner in Downtown Ontario.

RESOLUTION NO. _____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ONTARIO, CALIFORNIA, (I) DECLARING CERTAIN CITY-OWNED REAL PROPERTY TO BE EXEMPT SURPLUS LAND; (II) APPROVING A REAL PROPERTY EXCHANGE AGREEMENT WITH THE DIOCESE OF SAN BERNARDINO EDUCATION AND WELFARE CORPORATION**;** (III) AUTHORIZING THE CITY MANAGER TO TAKE ALL ACTIONS NECESSARY WITH RESPECT THERETO; AND (IV) FINDING THAT NO FURTHER CEQA ANALYSIS IS NECESSARY.

WHEREAS, the City of Ontario (the "City") owns in fee simple the real property located at 206 West "D' Street and 221 West "E" Street, APNs: 1048-353-13 and 1048-353-14, (together, the "City-Exchange Properties"); and

WHEREAS, the Diocese of San Bernardino Education and Welfare Corporation ("Diocese") desires to acquire the City-Exchange Properties; and

WHEREAS, the City is willing to convey the City-Exchange Properties in exchange for certain real property owned in fee simple by the Diocese located at 315 West "D" Street and 325 North Palm Avenue, APNs 1048-576-01 and 1048-576-02, (together, the "Diocese-Exchange Properties"), pursuant to the terms and conditions of that certain Real Property Exchange Agreement and Joint Escrow Instructions, a form of which is attached hereto as Exhibit A (the "Agreement"); and

WHEREAS, the City desires to acquire the Diocese-Exchange Properties for future redevelopment purposes; and

WHEREAS, the City-Exchange Properties are not necessary for the City's use; and

WHEREAS, the City has determined that, pursuant to Government Code sections 37350 and 37351, exchanging the City-Exchange Properties for the Diocese-Exchange Properties according to the terms and conditions of the Agreement is for the common benefit and in the best interests of the City and its residents.

WHEREAS, on December 19, 2022, pursuant to Government Code section 65402, the Planning Commission adopted Resolution No. PC22-066 finding that the proposed disposition of the City-Exchange Properties, pursuant to the terms of the Agreement, is consistent with the City's General Plan.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Ontario as follows:

SECTION 1. Recitals. The above recitals are true and correct and incorporated into this Resolution by reference.

SECTION 2. Finding of Exemption from Surplus Land Act. The City hereby finds that the City-Exchange Properties are exempt surplus land pursuant to Section 54221(f)(1)(C) of the Surplus Land Act (Government Code section 54220 *et seq.*) (the "Act"), because they are part of an exchange of real property between the City and the Diocese, and the land to be received by the City from the Diocese is necessary for the City's use.

SECTION 3. Approval of Agreement. The City Council hereby approves the Agreement in substantially the form attached hereto as Exhibit A and on file with the City Clerk, together with such additions thereto and changes therein as the City Attorney shall deem necessary, desirable or appropriate, the execution of which by the City Manager shall be conclusive evidence of the approval of any such additions and changes.

SECTION 4. City Manager Authorization. The City Manager is hereby authorized and directed to execute, and the City Clerk is hereby authorized and directed to attest to the final form of the Agreement for and in the name and on behalf of the City. The City Council hereby authorizes the delivery and performance of the Agreement. The City Manager and his designees are hereby authorized and directed to do any and all things, to execute and deliver any and all documents, which, in consultation with staff and the City Attorney, they may deem necessary or advisable in order to effectuate the purposes of this Resolution, and any such actions previously taken by such officers are hereby ratified and confirmed.

SECTION 5. CEQA. The California Environmental Quality Act (Pub. Res. Code § 21000 *et seq.*) ("CEQA") does not apply here, because declaration of the City-Exchange Properties as exempt surplus land under the Act and approval of the Agreement does not constitute a "project" as defined in Cal. Code Regs. tit. 14 ("CEQA Guidelines") § 15378, in that such actions, taken as a whole, have no "potential for resulting in either a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment." In the alternative, even if such actions constitute a "project," they are exempt under CEQA Guidelines § 15061(b)(3), because they have no "potential for causing a significant effect on the environment."

SECTION 6. Effective Date. This Resolution shall take effect upon adoption.

The City Clerk of the City of Ontario shall certify as to the adoption of this Resolution.

PASSED, APPROVED, AND ADOPTED this 21st day of March 2023.

AGREEMENT FOR THE EXCHANGE OF REAL PROPERTY AND JOINT ESCROW INSTRUCTIONS

THIS AGREEMENT FOR THE EXCHANGE OF REAL PROPERTY AND JOINT ESCROW INSTRUCTIONS (this "**Agreement**") is made as of this 21st day of March, 2023 ("**Effective Date**"), by and between the **CITY OF ONTARIO**, a municipal corporaton ("**City**"), and **DIOCESE OF SAN BERNARDINO EDUCATION AND WELFARE CORPORATION,** a California nonprofit corporation ("**Diocese**"). City and Diocese are sometimes referred to herein individually as a "**Party**" and collectively as the "**Parties.**"

RECITALS

A. WHEREAS, City is the owner of that certain real property generally located in the City of Ontario, County of San Bernardino, California (APN's 1048-353-13; 1048-353-14) ("**City Property**").

B. WHEREAS, the Diocese is the owner of that certain real property generally located adjacent to the westerly line of the Property, located in the County of San Bernardino, California (APN's 1048-576-01, 1048-576-02) (the "**Diocese Property**").

C. WHEREAS, City desires to exchange approximately 1.3 acres of the City Property, as more particularly described in Exhibit "A" attached hereto (the "**City Exchange Property**") with the Diocese for approximately 1.205 acres of the Diocese Property, as more particularly described in Exhibit "B" attached hereto (the "**Diocese Exchange Property**").

D. WHEREAS, City desires to transfer the City Exchange Property to the Diocese for governmental use, and the Diocese desires to transfer the Diocese Exchange Property to the City for governmental use, pursuant to the terms and conditions of this Agreement.

NOW, THEREFORE, based upon the foregoing facts, in consideration of the mutual covenants and agreements contained in this Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows:

1. Transfer of Properties. Upon the satisfaction or waiver of all of the conditions precedent to the Close of Escrow set forth in Section 5 below, (a) City shall acquire the Diocese

Exchange Property from the Diocese, and (b) the Diocese shall acquire the City Exchange Property from City (the "**Exchange**").

2. Escrow and Title.

2.1. Escrow Holder. The Exchange shall be consummated through an escrow (the "**Escrow**") at Fidelity National Title Company, located at 3237 E. Guasti Road, Suite 105, Ontario, CA 91761, escrow officer Jennifer Riddle (the "**Escrow Holder**").

2.2. Title Company. Any title policies issued to the Diocese with respect to the City Exchange Property and to City with respect to the Diocese Exchange Property, respectively, in connection with the Exchange shall be issued by Fidelity National, located at 4210 Riverwalk Parkway, Suite 100, Riverside, CA 92505, title officer Andrew Margo (the "**Title Company**").

2.3. Escrow Instructions. Escrow shall be opened within three (3) days following the execution of this Agreement by delivery to Escrow and acceptance of this Agreement by Escrow Holder in writing. Escrow Holder shall open an Escrow for the consummation of the Exchange pursuant to the terms of this Agreement and this Agreement shall constitute the joint escrow instructions of the Parties to Escrow Holder. Upon Escrow Holder's receipt of the fully executed Agreement, Escrow Holder is authorized to act in accordance with the terms of this Agreement. City and the Diocese shall execute Escrow Holder's general escrow instructions upon request; provided, however, that if there is any conflict or inconsistency between such general escrow instructions and this Agreement, this Agreement shall control.

2.4. Definition of Close of Escrow. For purposes of this Agreement, the term "**Close of Escrow**" shall mean the time when Escrow Holder shall have recorded the Grant Deeds as set forth in Section 6.4.

2.5. Preliminary Title Report. Within (10) business days following the Effective Date, the Diocese and City shall cause the Escrow Holder to deliver a current preliminary title report for the Diocese Exchange Property and the City Exchange Property to each entity at the addresses listed in Section 13.1. The preliminary title reports shall show the status of title to the respective properties as of the date of the preliminary title reports and be accompanied by copies of all documents referred to on Schedule B of the preliminary title reports (individually referred to as either the "**Diocese Exchange Property Report**" or "**City Exchange Property Report**").

2.6 **Consideration.** Within three (3) days following the Effective Date, Diocese shall deposit into Escrow the amount of Ten Dollars ($10.00) ("**Consideration**") in cash or other immediately available funds. Notwithstanding anything herein to the contrary, the Consideration shall be non-refundable, independent consideration and paid to City within 3 days of the Effective Date. The Consideration shall serve as consideration for the granting of the time periods herein contained for Diocese to exercise Diocese's right to satisfy and approve all of Diocese's conditions herein contained.

3. City's Approval of Condition of Title; Due Diligence.

3.1. Review of Condition of Title. City shall have fifteen (15) days from the receipt of the Diocese Exchange Property Report provided pursuant to Section 2.5 to give the Diocese and Escrow Holder written notice of its approval of the Diocese Exchange Property

Report or the disapproval of any title exception that is unacceptable to City. Those exceptions which City has approved on the Diocese Exchange Property Report are hereinafter referred to as the "**Diocese Exchange Property Permitted Exceptions**." The Diocese Exchange Property Permitted Exceptions shall exclude any delinquent taxes or any taxes due and payable prior to the Close of Escrow and/or any and all other monetary liens or encumbrances on the Diocese Exchange Property.

3.2. Diocese Exchange Property Title Insurance Policy. At the option of City, and upon City's request, at the Close of Escrow and as a condition thereto, the Title Company shall issue to City a policy of title insurance (the "**Diocese Exchange Property Title Policy**") as to the Diocese Exchange Property, containing the terms and provisions set forth in this Section 3.2. The Diocese Exchange Property Title Policy shall be an ALTA Standard Coverage Owner's Policy of Title Insurance issued by the Title Company in an amount determined by City, showing fee simple title to the Diocese Exchange Property vested in City, subject only to non-delinquent taxes and assessments, the Diocese Exchange Property Permitted Exceptions, and such other matters as to which City may consent in writing. The premium for the Diocese Exchange Property Title Policy and any costs in connection with the search and examination of title and/or for the issuance of the Diocese Exchange Property Report shall be paid by City. The Diocese Exchange Property Title Policy shall be issued without reliance on any indemnity of the Diocese or any third party to induce Title Company to issue the Diocese Exchange Property Title Policy, without the prior written consent of City. If City so elects and the Title Company agrees, the Diocese Exchange Property Title Policy may include such endorsements as City may reasonably request; provided however that all such endorsements shall be issued at City's sole cost and expense. In addition, if City so elects and the Title Company agrees to issue an ALTA Extended Coverage Owner's Policy (2006 Form), the Diocese Exchange Property Title Policy as defined above shall be an ALTA Extended Coverage Policy rather than a ALTA Standard Coverage Policy, with all other elements remaining the same; provided however that such ALTA Extended coverage shall be issued at City's sole cost and expense.

3.3. Due Diligence. Commencing on the Effective Date and for thirty (30) days thereafter ("**Due Diligence Period**"), the City shall complete all of its due diligence investigations of the Diocese Exchange Property to determine the suitability of the properties for the City, at City's sole cost and expense ("**Due Diligence Investigations**"). City shall rely solely and exclusively upon the results of its Due Diligence Investigations. The Diocese makes no representation or warranty to the City relating to the condition of the Diocese Exchange Property or suitability of the Diocese Exchange Property for any intended use by the City.

3.4. City's Right to Cancel. Until the expiration of the Due Diligence Period, City will have the unconditional right to cancel this Agreement by giving written notice to the Diocese and Escrow Holder of cancellation at or prior to the expiration of the Due Diligence Period. If City timely elects to cancel this Agreement, Escrow Holder will immediately cancel the escrow, and neither City nor the Diocese will have any further obligations under this Agreement, other than those obligations that expressly survive the termination of this Agreement.

3.5. Right of Entry. During the period from and after the Opening Date of Escrow and continuing until the Closing, City may enter upon the Diocese Exchange Property upon at least forty-eight (48) hours prior written notice to the Diocese with the Diocese's

representatives and agents for the purpose of examining the Diocese Exchange Property, provided such examinations do not interfere with the activities of the Diocese on the Diocese Exchange Property; provided, however, if City proposes to make any tests in connection with any environmental report or any other tests which involve drilling, boring or other similar intrusive or invasive action on or under the Diocese Exchange Property, then City shall obtain the Diocese's written consent prior to making any such tests. City shall use care and consideration in connection with any of its examinations or tests and the Diocese shall have the right to be present during any examination of the Diocese Exchange Property by City or its agents. City shall restore the Diocese Exchange Property to its original condition after any and all tests and/or examinations. City shall indemnify and hold the Diocese harmless from any and all losses, liabilities, costs, claims, damages, judgments, actions, proceedings, penalties, liens or expenses of any kind or nature whatsoever resulting or arising from City or its representatives', contractors', employees' and/or agents' entry and activities upon the Diocese Exchange Property, which obligation shall survive the expiration or earlier termination of this Agreement and the Close of Escrow. Prior to any entry upon the Diocese Exchange Property by City or City's agents, contractors, subcontractors or employees and at all times prior to the Closing, City shall obtain and maintain commercial general liability insurance with a financially responsible insurance company covering the activities of City and City's agents, contractors, subcontractors and employees on or upon the Diocese Exchange Property.

4. Diocese's Approval of Condition of Title; Due Diligence.

4.1. Diocese's Review of Condition of Title. Diocese shall have fifteen (15) days from the receipt of the City Exchange Property Report to give City and Escrow Holder written notice of its approval of the City Exchange Property Report or the disapproval of any title exception that is unacceptable to the Diocese. Those exceptions which the Diocese has approved on the City Exchange Property Report are hereinafter referred to as the "**City Exchange Property Permitted Exceptions**." The City Exchange Property Permitted Exceptions shall exclude any delinquent taxes or any taxes due and payable prior to the Close of Escrow and any other monetary liens or encumbrances on the City Exchange Property.

4.2. City Title Insurance Policy. At the option of the Diocese, and upon the Diocese's request, at the Close of Escrow and as a condition thereto, the Title Company shall issue to the Diocese a policy of title insurance (the "**City Exchange Property Title Policy**") as to all or part of the City Exchange Property, containing the terms and provisions set forth in this Section 4.2. The City Exchange Property Title Policy shall be an ALTA Standard Coverage Owner's Policy of Title Insurance issued by the Title Company in an amount determined by the Diocese, showing fee simple title to the City Exchange Property, vested in the Diocese, subject only to non-delinquent taxes and assessments, the City Exchange Property Permitted Exceptions, and such other matters as to which the Diocese may consent in writing. The premium for the City Exchange Property Title Policy and any costs in connection with the search and examination of title and/or for the issuance of the City Exchange Property Report shall be paid by the Diocese. The City Exchange Property Title Policy shall be issued without reliance on any indemnity of City or any third party to induce Title Company to issue the City Exchange Property Title Policy, without the prior written consent of the Diocese. If the Diocese so elects and the Title Company agrees, the City Exchange Property Title Policy may include such endorsements, respectively and as applicable, as the Diocese may reasonably request; provided however that all such endorsements shall be issued at the Diocese's sole cost and expense. In addition, if the Diocese so elects and the Title Company agrees to issue one or more ALTA Extended Coverage Owner's

Policy (2006 Form), the "**City Exchange Property Title Policy**" as defined above shall be an ALTA Extended Coverage Policy rather than an ALTA Standard Coverage policies, with all other elements remaining the same; provided however that such extended ALTA Extended coverage shall be issued at the Diocese's sole cost and expense.

4.3. Due Diligence. Commencing on the Effective Date and for thirty (30) days thereafter ("**Due Diligence Period**"), the Diocese shall complete all of its due diligence investigations of the City Exchange Property to determine the suitability of the properties for the Diocese, at the Diocese's sole cost and expense ("**Due Diligence Investigations**"). The Diocese shall rely solely and exclusively upon the results of their respective Due Diligence Investigations. City makes no representation or warranty to the Diocese relating to the condition of the City Exchange Property or suitability of the City Exchange Property for any intended use by the Diocese.

4.4. Diocese's Right to Cancel. Until the expiration of the Due Diligence Period, the Diocese will have the unconditional right to cancel this Agreement by giving written notice to City and Escrow Holder of cancellation at or prior to the expiration of the Due Diligence Period. If the Diocese timely elects to cancel this Agreement, Escrow Holder will immediately cancel the escrow, and neither City nor the Diocese will have any further obligations under this Agreement, other than those obligations that expressly survive the termination of this Agreement.

4.5. Right of Entry. During the period from and after the Opening Date of Escrow and continuing until the Closing, the Diocese may enter upon the City Exchange Property upon at least forty-eight (48) hours prior written notice to City with City's representatives and agents for the purpose of examining the City Exchange Property, provided such examinations do not interfere with the activities of City on the City Exchange Property; provided, however, if the Diocese proposes to make any tests in connection with any environmental report or any other tests which involve drilling, boring or other similar intrusive or invasive action on or under the City Exchange Property, then the Diocese shall obtain City's written consent prior to making any such tests. The Diocese shall use care and consideration in connection with any of its examinations or tests and City shall have the right to be present during any examination of the City Exchange Property by Diocese or its agents. The Diocese shall restore the City Exchange Property to its original condition after any and all tests and/or examinations. The Diocese shall indemnify and hold City harmless from any and all losses, liabilities, costs, claims, damages, judgments, actions, proceedings, penalties, liens or expenses of any kind or nature whatsoever resulting or arising from the Diocese or its representatives', contractors', employees' and/or agents' entry and activities upon the City Exchange Property, which obligation shall survive the expiration or earlier termination of this Agreement and the Close of Escrow. Prior to any entry upon the City Exchange Property by the Diocese or its agents, contractors, subcontractors or employees and at all times prior to the Closing, each entity shall obtain and maintain commercial general liability insurance with a financially responsible insurance company covering the activities of their respective agents, contractors, subcontractors and employees on or upon the City Exchange Property.

5. Conditions Precedent to Close of Escrow.

5.1. City's Conditions. Each of the following shall constitute a condition precedent to the obligations of City to close the Escrow and may be waived only by a written waiver executed by City and delivered to the Diocese and to Escrow Holder:

Documents. The applicable documents described in Section 6.3 shall have been deposited in Escrow by the Diocese.

Title Policy. If requested by City, the Title Company shall be irrevocably committed to issue the Diocese Exchange Property Title Policy upon the Close of Escrow.

No Material Change. As of the Close of Escrow, there shall be no material change in the Diocese Exchange Property that would materially impair City's use or development of the Diocese Exchange Property.

Representations and Warranties. All of the Diocese's representations and warranties as set forth herein shall be true as of the Close of Escrow.

No Default. The Diocese shall not be in material default hereunder. If City does not give Escrow Holder written notice of the Diocese's default, for purposes of this Section 5.1 only, the Diocese shall be deemed not to be in default hereunder, and Escrow Holder shall proceed with the Close of Escrow as though the Diocese were not in default. City's failure to give such notice to Escrow Holder shall not excuse performance by the Diocese of any obligation hereunder.

5.2. Diocese's Conditions. Each of the following shall constitute a condition precedent to the obligations of the Diocese to close the Escrow and may be waived only by a written waiver executed by the Diocese and delivered to City and to Escrow Holder:

Documents. The applicable documents described in Section 6.3 shall have been deposited in Escrow by City.

Title Policy. If requested by the Diocese, the Title Company shall be irrevocably committed to issue the City Exchange Property Title Policy upon the Close of Escrow.

No Material Change. As of the Close of Escrow, there shall be no material change in the City Exchange Property that would materially impair the Diocese's use or development of the City Exchange Property.

Representations and Warranties. All of City's representations and warranties as set forth herein shall be true as of the Close of Escrow.

No Default. City shall not be in material default hereunder. If the Diocese does not give Escrow Holder written notice of City's default, for purposes of this Section 5.2 only, City shall be deemed not to be in default hereunder, and Escrow Holder shall proceed with the Close of Escrow as though City were not in default. The Diocese's failure to give such notice to Escrow Holder shall not excuse performance by City of any obligation hereunder.

5.2.6. No Structures. There shall be no structures on the City Exchange

Property.

6. Close or Cancellation of Escrow.

6.1. Closing Date.

Provided that this Agreement is not earlier terminated pursuant to the terms and provisions hereof and provided that all of the conditions precedent to the Close of Escrow have been satisfied or waived, the Parties agree that the Escrow shall close and Escrow Holder is instructed to close the Escrow on the date that is thirty (30) days after the expiration of all Due Diligence Periods (as defined in Section 3.3 and Section 4.3), (the "**Closing Date**"), unless extended as described in Section 6.1; provided however, that in no event shall the Closing Date be later than June 30, 2023 ("**Outside Closing Date**"). Escrow Holder by closing the Escrow shall be deemed to have irrevocably committed to cause the Title Company to issue any requested City Exchange Property Title Policy and the Diocese Exchange Property Title Policy.

In the event that either Party believes it is necessary to extend the Closing Date, that Party shall have the right to unilaterally extend the Closing Date by ten (10) days by providing written notice to the other Party before the Closing Date. Each Party shall only be entitled to one unilateral extension. The Parties may subsequently extend the Closing Date only by written agreement of both Parties, except that in no event shall the Closing Date be later than the Outside Closing Date without the written agreement of both Parties.

In the event that the Close of Escrow fails to occur by the Outside Closing Date, and neither Party is in default of its obligations hereunder, then the Party for whose benefit the non-satisfied condition exists may cancel the Escrow by written notice to the other Party and to Escrow Holder. In the event that, due to an "**Event of Default**" by a "**Defaulting Party**" (as the quoted terms are defined in Section 9.1 below), the Close of Escrow fails to occur by the Outside Closing Date, then without waiving any rights or remedies which the non-Defaulting Party may have against the Defaulting Party under Section 9, the non-Defaulting Party may cancel the Escrow upon written notice to the Defaulting Party and to Escrow Holder. In the event that the non-Defaulting Party elects not to terminate this Agreement, then the non-Defaulting Party may pursue the remedies for such Event of Default as provided in Section 9.

6.2. Escrow Cancellation.

If, for any reason, the Escrow is cancelled pursuant to Section 6.1, Escrow Holder shall return to the Parties delivering same all instruments which are then held by Escrow Holder in connection with the Escrow.

If the Escrow is cancelled pursuant to Section 6.1 and neither Party is in default of its obligations hereunder, this Agreement shall be deemed to be terminated (with the exception of those provisions which expressly state that they are to survive such termination), and City and the Diocese shall each bear one-half (1/2) of the title and Escrow fee and cancellation charges, if any. In such event, neither Party shall be obligated to the other to close the Escrow hereunder.

If the Escrow is cancelled pursuant to Section 6.1 and City is the Defaulting Party, City shall pay the Escrow fee and cancellation charges.

If the Escrow is cancelled pursuant to Section 6.1 and the Diocese is the Defaulting Party, the Diocese shall pay the Escrow fee and cancellation charges.

6.3. Items to be Delivered into Escrow.

City. On or before one (1) business day prior to the Closing Date, City shall execute and deposit in Escrow the following:

(a) Immediately available funds in the amount of City's share of costs and prorations described in Sections 7.1;

(b) A fully executed grant deed conveying fee simple title to the City Exchange Property to the Diocese (the "**City Grant Deed**"), in the form of Exhibit "E" attached hereto, in recordable form;

(c) A nonforeign transferor declaration (the "**Nonforeign Transferor Declaration**") in the form of Exhibit "G" attached hereto;

(d) A California state tax withholding certificate in accordance with the requirements of California Revenue and Taxation Code Sections 18805(d) and 26131 (California Form 593-W for Non-Individual Sellers and California Form 593-C for Individual Sellers), executed by City (the "**City California Tax Certificate**"); and

(e) Such other documents as may be reasonably required by Title Company or Escrow Holder in order to issue one or more of the City Exchange Property Title Policy, if requested by the Diocese, or otherwise required to transfer the City Exchange Property to the Diocese in accordance with the terms of this Agreement.

Diocese. On or before one (1) business day prior to the Closing Date, the Diocese shall execute and deposit in Escrow the following:

(f) Immediately available funds in the amount of the Diocese's share of costs and prorations described in Sections 7.2;

(g) A fully executed grant deed conveying fee simple title to the Diocese Exchange Property to City (the "**Diocese Grant Deed**"), in the form of Exhibit "F" attached hereto, in recordable form;

(h) A nonforeign transferor declaration (the "**Nonforeign Transferor Declaration**") in the form of Exhibit "G" attached hereto;

(i) A California state tax withholding certificate in accordance with the requirements of California Revenue and Taxation Code Sections 18805(d) and 26131 (California Form 593-W for Non-Individual Sellers and California Form 593-C for Individual Sellers), executed by the Diocese (the "**Diocese California Tax Certificate**"); and

(j) Such other documents as may be reasonably required by Title Company or Escrow Holder in order to issue the Diocese Exchange Property Title Policy, if requested, or otherwise required to transfer the Diocese Exchange Property to City in accordance with the terms of this Agreement.

6.4. Escrow Holder's Instructions. At such time as the conditions precedent to the Close of Escrow have been satisfied or waived, Escrow Holder shall:

Collate the counterparts of the Exchange Agreement into two fully executed counterparts;

Date, as of the Close of Escrow, all instruments calling for a date;

Record the City Grant Deed and the Diocese Grant Deed in the Official Records of San Bernardino County, California ("**Official Records**");

Give the Diocese and City written notice that the Close of Escrow has occurred; and

Deliver to the Diocese the City Exchange Property Title Policy, and to City the Diocese Exchange Property Title Policy, if so requested.

6.5. Post-Closing Matters. After the Close of Escrow, Escrow Holder shall deliver the following:

To the Diocese: A copy, as recorded, of the City Grant Deed for the City Exchange Property, the original Nonforeign Transferor Declaration executed by City, the original City California Tax Certificate executed by City, and plain copies of the Nonforeign Transferor Declaration and the Diocese California Tax Certificate executed by the Diocese.

To City: A copy, as recorded, of the Grant Deed for the Diocese Exchange Property, the original Nonforeign Transferor Declaration executed by the Diocese, the original the Diocese California Tax Certificate executed by the Diocese, and plain copies of the Nonforeign Transferor Declaration and the City California Tax Certificate executed by City.

6.6. IRS Form 1099-S. For purposes of complying with Section 6045 of the Internal Revenue Code, as amended by Section 1521 of the Tax Reform Act of 1986, Escrow Holder shall be deemed the "person responsible for closing the transaction," and shall be responsible for obtaining the information necessary to file and shall file within the time specified with the Internal Revenue Service Form 1099-S, "Statement for Recipients of Proceeds from Real Estate, Broker and Barter Exchange Transactions."

7. Costs and Prorations.

7.1. Costs to be Paid by City. City shall pay the following costs:

The premium for the Diocese Exchange Property Title Policy, if such policy is requested by City;

Property tax prorated to the Close of Escrow and documentary transfer taxes, if any, due with respect to the transfer of the City Exchange Property;

One-half (1/2) of the Escrow fee.

7.2. Costs to be Paid by Diocese. The Diocese shall pay the following costs:

The premium for the City Exchange Property Title Policy, and to the extent applicable if one or more of such policies are requested by the Diocese;

Property tax prorated to the Close of Escrow and documentary transfer taxes, if any, due with respect to the transfer of the Diocese Exchange Property;

One-half (1/2) of the Escrow fee.

8. Representations and Warranties; Covenants.

8.1. City's Representations and Warranties. As a material inducement to the Diocese to enter into this Agreement, City makes the following covenants, representations, and warranties to the Diocese set forth in this Section 8.1 as of the date hereof and as of the Close of Escrow.

Property Owner. City is the owner of the City Exchange Property and has the right, power, and the Diocese to transfer the same to the Diocese pursuant to this Agreement.

City's Authority to Execute Agreement. City is a duly organized, validly existing public agency organized and existing under the laws of the State of California. Neither the execution and delivery of this Agreement nor the performance or consummation of the transactions contemplated by this Agreement will result in any breach of or constitute a default under or conflict with any agreement, covenant, law, regulation, ordinance, or obligation binding upon City. City has the legal right, power and the Diocese to enter into this Agreement and all documents, instruments, or agreements referenced herein to be executed by City, and to consummate the transaction contemplated hereby. All individuals executing this Agreement and all other documents, instruments, or agreements required hereunder, on behalf of City, have the legal right, power, and actual authority to bind City to the terms and conditions hereof and thereof.

Compliance with Law. City has no knowledge and has received no notice (i) that the City Exchange Property is in violation of any applicable statutes, ordinances, and regulations, including those relating to environmental and health and safety requirements including those governing the storage, discharge, use, and cleaning of toxic or hazardous substances and materials; (ii) of any presently pending or threatened action or proceeding under any environmental or health and safety statutes, ordinances, or regulations; or (iii) of the existence of any present or pending order or directive of any city, county, state, or federal authority, or any agency thereof, requiring that any work or repair, maintenance, improvement, or pollution or contamination abatement be performed on the City Exchange Property.

No Litigation. There are no actions, suits, or proceedings of any kind or nature whatsoever, legal or equitable, pending or, to the best of City's knowledge, threatened against City or the City Exchange Property or relating to or arising out of the ownership, management, condition, or operation of the City Exchange Property, in any court or before or by any federal, state, county, or municipal department, commission, board, bureau, agency, or other governmental instrumentality.

No Mechanic's Liens. No work has been done upon, or materials delivered to, the City Exchange Property by or at the request of City, or with City's knowledge, which is not fully paid for, nor, to the best of City's knowledge, does any person, firm, or corporation now have, nor, to the best of City's knowledge, will it have upon the giving of any notice or passage of time or otherwise, any mechanic's or materialman's lien rights with respect to the City Exchange Property or any part or parcel thereof.

No Adverse Agreements. There are no adverse possessors, tenancies, or occupancy agreements affecting possession of the City Exchange Property, or any portion thereof, except as disclosed in this Agreement, nor has any option to purchase the City Exchange Property, or any portion thereof, been granted by City to any party. No party (other than the Diocese pursuant to this Agreement) has the right to acquire the City Exchange Property.

No Bankruptcy Proceedings. City is not the subject of a bankruptcy, insolvency, or similar proceeding.

Environmental Status. To the best of City's actual knowledge, City warrants and represents to the Diocese that it is not aware that any release of Hazardous Materials has come to be located upon or under the City Exchange Property. Neither City nor, to the actual knowledge of City, without duty of inquiry, any third parties during the period of time the City Exchange Property has been owned by City have generated, handled, manufactured, stored, used, transported, or discharged any Hazardous Materials on, in, or under the City Exchange Property, the groundwater or any adjacent property. City is not aware of any underground storage tanks located on or under the City Exchange Property. As used herein, the term "Hazardous Materials" shall mean any toxic or hazardous substance, material or waste or any pollutant or contaminant or infectious or radioactive material, including but not limited to those substances, materials or wastes regulated now or in the future under any of the following statutes or regulations promulgated thereto: (1) any "hazardous substance" within the meaning of the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended ("CERCLA") 42 U.S.C. Section 9601, *et seq.* or the California Hazardous Substance Account Act, Cal. Health and Safety Code Section 25300 *et seq.* or the Porter-Cologne Water Quality Act, Cal. Water Code Section 13000 *et seq.* or the Hazardous Materials Transportation Act, 49 U.S.C. Section 1801, *et seq.*; (2) any "hazardous waste" within the meaning of the Resource Conservation and Recovery Act, 42 U.S.C. Section 6901 *et seq.*; or (3) any other substance, chemical, waste, toxicant, pollutant, or contaminant regulated by any federal, state, or local law, statute, rule, regulation, or ordinance for the protection of health or the environment, including, without limitation, any petroleum products or fractions thereof.

AS-IS. City acknowledges that City has inspected the Diocese Exchange Property and made its own independent investigation of the Diocese Exchange Property. City further acknowledges that it is acquiring the Diocese Exchange Property "AS-IS," in reliance solely on its own inspection of the Diocese Exchange Property and on Diocese's representations and warranties as set forth herein.

8.2. Diocese's Representations and Warranties. As a material inducement to City to enter into this Agreement, the Diocese makes the following covenants, representations and warranties to City set forth in this Section 8.2 as of the date hereof and as of the Close of Escrow.

Property Owner. The Diocese is the owner of the Diocese Exchange Property and has the right, power, and Diocese to transfer the same to City pursuant to this Agreement.

Diocese's Authority to Execute Agreement. The Diocese is a duly organized, validly existing public agency organized and existing under the laws of the State of California. Neither the execution and delivery of this Agreement nor the performance or consummation of the transactions contemplated by this Agreement will result in any breach of or constitute a default under or conflict with any agreement, covenant, law, regulation, ordinance, or obligation binding upon authority. Diocese has the legal right, power, and the Diocese to enter into this Agreement and all documents, instruments or agreements referenced herein to be executed by agency, and to consummate the transaction contemplated hereby. All individuals executing this Agreement and all other documents, instruments, or agreements required hereunder, on behalf of the Diocese, have the legal right, power, and actual authority to bind the Diocese to the terms and conditions hereof and thereof.

Compliance with Law. The Diocese has no knowledge and has received no notice (i) that the Diocese Exchange Property is in violation of any applicable statutes, ordinances, and regulations, including those relating to environmental and health and safety requirements including those governing the storage, discharge, use, and cleaning of toxic or hazardous substances and materials; (ii) of any presently pending or threatened action or proceeding under any environmental or health and safety statutes, ordinances, or regulations; or (iii) of the existence of any present or pending order or directive of any authority, county, state, or federal authority, or any agency thereof, requiring that any work or repair, maintenance, improvement, or pollution or contamination abatement be performed on the Diocese Exchange Property.

No Litigation. There are no actions, suits, or proceedings of any kind or nature whatsoever, legal or equitable, pending or, to the best of the Diocese's knowledge, threatened against the Diocese or the Diocese Exchange Property or relating to or arising out of the ownership, management, condition, or operation of the Diocese Exchange Property, in any court or before or by any federal, state, county or municipal department, commission, board, bureau, authority, or other governmental instrumentality.

No Mechanic's Liens. No work has been done upon, or materials delivered to, the Diocese Exchange Property by or at the request of the Diocese, or with the Diocese's knowledge, which is not fully paid for, nor, to the best of the Diocese's knowledge, does any person, firm or corporation now have, nor, to the best of the Diocese's knowledge, will it have upon the giving of any notice or passage of time or otherwise, any mechanic's or materialman's lien rights with respect to the Diocese Exchange Property or any part or parcel thereof.

No Adverse Agreements. There are no adverse possessors, tenancies, or occupancy agreements affecting possession of the Diocese Exchange Property, or any portion thereof, except as disclosed in this Agreement, nor has any option to purchase the Diocese Exchange Property, or any portion thereof, been granted by the Diocese to any party. No party (other than City pursuant to this Agreement) has the right to acquire the Diocese Exchange Property.

No Bankruptcy Proceedings. The Diocese is not the subject of a bankruptcy, insolvency, or similar proceeding.

Environmental Status. To the best of the Diocese's knowledge, the Diocese warrants and represents to City that it is not aware that any release of Hazardous Materials has come to be located upon or under the Diocese Exchange Property. Neither the Diocese nor, to the actual knowledge of the Diocese, without duty of inquiry, any third parties during the period of time the Diocese Exchange Property has been owned by the Diocese have generated, handled, manufactured, stored, used, transported, or discharged any Hazardous Materials on, in or under the Diocese Exchange Property, the groundwater or any adjacent property. The Diocese is not aware of any underground storage tanks located on or under the Diocese Exchange Property. As used herein, the term "Hazardous Materials" shall mean any toxic or hazardous substance, material, or waste or any pollutant or contaminant or infectious or radioactive material, including but not limited to those substances, materials, or wastes regulated now or in the future under any of the following statutes or regulations promulgated thereto: (1) any "hazardous substance" within the meaning of the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended ("CERCLA") 42 U.S.C. Section 9601, *et seq.* or the California Hazardous Substance Account Act, Cal. Health and Safety Code Section 25300 *et seq.* or the Porter-Cologne Water Quality Act, Cal. Water Code Section 13000 *et seq.* or the Hazardous Materials Transportation Act, 49 U.S.C. Section 1801, *et seq.*; (2) any "hazardous waste" within the meaning of the Resource Conservation and Recovery Act, 42 U.S.C. Section 6901 *et seq.*; or (3) any other substance, chemical, waste, toxicant, pollutant or contaminate regulated by any federal, state, or local law, statute, rule, regulation or ordinance for the protection of health or the environment, including, without limitation, any petroleum products or fractions thereof.

AS-IS. The Diocese acknowledges that the Diocese has inspected the City Exchange Property and made its own independent investigation of the City Exchange Property, and that the City is transferring the City Exchange Property to the Diocese in its "AS-IS" condition, in reliance solely on its own inspection of the City Exchange Property and on City's representations and warranties as set forth herein.

9. Default.

9.1. Events of Default. The failure of a Party (the "**Defaulting Party**") to perform any material act to be performed by such Party, to refrain from performing any material prohibited act, or to fulfill any condition to be fulfilled by such Party under this Agreement, or under any agreement referred to herein or attached hereto as an exhibit, within ten (10) days after written notice of such failure from the Non-Defaulting Party shall be an "**Event of Default**" by the Defaulting Party with respect to the Defaulting Party's obligations hereunder; provided, however, that if more than ten (10) days are reasonably required in order to cure such Event of Default, then the Defaulting Party shall be entitled to a maximum of thirty (30) days to effect such cure, provided the Defaulting Party commences cure within such ten (10) day period and diligently proceeds to complete such cure within such thirty (30) day period.

9.2. Remedies. Upon the occurrence of any Event of Default by a Defaulting Party, the non-Defaulting Party shall have such rights or remedies available to it under this Agreement or at law or in equity.

10. Casualty Loss; Condemnation.

10.1. Notice Re Condemnation or Casualty; Election. In the event that, prior to the Close of Escrow, all or any portion of the City Exchange Property or the Diocese

Exchange Property is taken or proposed to be taken as a result of the exercise or proposed exercise of the power of eminent domain (a "**Condemnation Action**"), or all or any portion of the City Exchange Property or the Diocese Exchange Property is damaged by earthquake, flood, or fire (a "**Casualty**"), then the Party that is the current property owner shall, within ten (10) days thereafter, give written notice of such Condemnation Action or Casualty to the other Party ("**Noticed Party**"). Such Noticed Party shall have thirty (30) days following receipt of such notice to elect in writing to accept or not to accept the City Exchange Property or the Diocese Exchange Property, as the case may be, subject to such Casualty or Condemnation Action. Failure of a Noticed Party to notify the other Party of its election within such thirty (30) day period shall be deemed an election not to accept the City Exchange Property or the Diocese Exchange Property, as the case may be, subject to such Casualty or Condemnation Action.

10.2. Termination of Agreement. In the event that a Noticed Party elects not to accept the City Exchange Property or the Diocese Exchange Property, as the case may be, subject to such Casualty or Condemnation Action as provided in Section 10.1, the Noticed Party shall cancel the Escrow by written notice to Escrow Holder and the Party that is the current property owner and this Agreement shall be deemed to be terminated (with the exception of those provisions which expressly state that they are to survive such termination), and City and the Diocese shall each bear one-half (1/2) of the Escrow fee and cancellation charges. In such event, neither Party shall be obligated to the other to close the Escrow hereunder.

10.3. Proceeds of Condemnation or Casualty Insurance. In the event that a Noticed Party elects to accept the City Exchange Property or Diocese Exchange Property, as the case may be, subject to a Casualty or Condemnation Action pursuant to Section 10.1, then the Party owning the property shall assign to the Noticed Party all rights, causes of action, claims, benefits, payments, and awards arising from such Condemnation Action or Casualty (including, without limitation, any amount due from or paid by any insurance company or any other party as a result of the damage).

11. Possession. Possession of the City Exchange Property shall be delivered to the Diocese upon the Close of Escrow, subject only to the City Exchange Property Permitted Exceptions. Possession of the Diocese Exchange Property shall be delivered to City upon the Close of Escrow, subject only to the Diocese Exchange Property Permitted Exceptions.

12. Brokerage Commissions. Each Party warrants and represents to the other that no broker, finder, or other intermediary hired or employed by it is entitled to a commission, finder's fee, or other compensation based upon the transaction contemplated hereby and each Party shall indemnify and hold harmless the other Party from and against any and all claims, liabilities, losses, damages, costs, and expenses (including, but not limited to, reasonable attorneys' fees, court costs and litigation expenses) caused by or arising out of the claim of any broker, finder, or other intermediary alleging to have been employed or hired by such Party to a commission, finder's fee, or other compensation based upon the transaction contemplated hereby. The obligations of City and the Diocese pursuant to this Section 12 shall survive beyond the Close of Escrow or if the Escrow is cancelled, beyond any termination of this Agreement.

13. Miscellaneous.

13.1. Notices. All notices or other communications between City and the Diocese required or permitted hereunder shall be in writing and personally delivered or sent by

certified mail, return receipt requested and postage prepaid, sent by reputable overnight courier (such as Federal Express, UPS, or DHL), or transmitted by electronic facsimile transmission (with electronic confirmation of receipt), to the following addresses:

If to City:

Scott Ochoa, City Manager
City of Ontario
303 East "B" Street
Ontario, CA 91764

With a copy to:

Ruben Duran, City Attorney
Best Best & Krieger, LLP
2855 E Guasti Road
Ontario, CA 91761

If to the Diocese:

DIOCESE OF SAN BERNARDINO EDUCATION AND WELFARE CORPORATION
Att: OCRE Mr. David Meier
1201 E. Highland Ave.
San Bernardino, Ca 92404
(909) 475-5316

With copy to:

Mr. Wilfrid C.Lemann
Fullerton, Lemann Schaefer and Dominick
215 N. D. Street
San Bernardino, CA 92401
(909)889-3691

A notice shall be effective on the date of personal delivery if personally delivered before 5:00 p.m. or otherwise on the day following personal delivery, or when received, if transmitted by electronic facsimile transmission (with electronic confirmation of receipt), or two (2) business days following the date the notice is postmarked, if mailed, or on the day following delivery to the applicable overnight courier, if sent by overnight courier. Either Party may change the address to which notices are to be given to it by giving notice of such change of address in the manner set forth above for giving notice.

13.2. Time of the Essence. Time is of the essence for this Agreement and each and every term and provision hereof.

13.3. Interpretation; Governing Law. This Agreement shall be construed as if prepared by both Parties. This Agreement shall be construed, interpreted and governed by the laws of the State of California and the laws of the United States of America prevailing in California.

13.4. Severability. In the event that any phrase, clause, sentence, paragraph, section, article, or other portion of this Agreement shall become illegal, null or void, or against public policy, for any reason, or shall be held by any court of competent jurisdiction to be illegal, null or void, or against public policy, the remaining portions of this Agreement shall not be affected thereby and shall remain in force and effect to the full extent permissible by law.

13.5. Performance of Acts on Business Days. Unless specifically stated to the contrary, all references to days herein shall be deemed to refer to calendar days. In the event that the final date for payment of any amount or performance of any act hereunder falls on a Saturday, Sunday, or holiday, such payment may be made or act performed on the next succeeding business day.

13.6. Attorneys' Fees. In the event of any legal action or other proceeding between the Parties regarding this Agreement, any of the documents attached hereto as exhibits, the City Exchange Property or the Diocese Exchange Property (an "**Action**"), the prevailing Party shall be entitled to the payment by the losing Party of its reasonable attorneys' fees, court costs, and litigation expenses, as determined by the court.

13.7. Post-Judgment Attorneys' Fees. The prevailing Party in any Action shall be entitled, in addition to and separately from the amounts recoverable under Section 13.6, to the payment by the losing Party of the prevailing Party's reasonable attorneys' fees, court costs, and litigation expenses incurred in connection with (a) any appellate review of the judgment rendered in such Action or of any other ruling in such Action, and (b) any proceeding to enforce a judgment in such Action. It is the intent of the Parties that the provisions of this Section 13.7 be distinct and severable from the other rights of the parties under this Agreement, shall survive the entry of judgment in any Action and shall not be merged into such judgment.

13.8. Further Assurances; Survival. Each Party will, whenever and as often as it shall be requested to do so by the other Party, execute, acknowledge and deliver, or cause to be executed, acknowledged, and delivered, any and all such further conveyances, assignments, approvals, consents, and any and all other documents and do any and all other acts as may be necessary to carry out the intent and purpose of this Agreement.

13.9. Entire Agreement; Amendments. This Agreement, together with the other written agreements referred to herein, is intended by the Parties to be the final expression of their agreement with respect to the subject matter hereof, and is intended as the complete and exclusive statement of the terms of the agreement between the Parties. As such, this Agreement supersedes any prior understandings between the Parties, whether oral or written. Any amendments to this Agreement shall be in writing and shall be signed by all Parties hereto.

13.10. No Waiver. A waiver by either Party hereto of a breach of any of the covenants or agreements hereof to be performed by the other Party shall not be construed as a waiver of any succeeding breach of the same or other covenants, agreements, restrictions or conditions hereof.

13.11. Assignment. Neither Party hereto shall assign its rights under this Agreement without the prior written consent of the other Party, which consent may be given or withheld in such Party's sole discretion.

13.12. Binding Effect. This Agreement shall be binding upon and inure to the benefit of the Parties hereto and their respective heirs, representatives, successors, and permitted assigns.

13.13. Headings; Cross-References; Exhibits. The headings and captions used in this Agreement are for convenience and ease of reference only and shall not be used to construe, interpret, expand or limit the terms of this Agreement. All cross-references in this Agreement, unless specifically directed to another agreement or document, shall refer to provisions in this Agreement and shall not be deemed to be references to any other agreements or documents. Each of the exhibits attached to this Agreement is hereby incorporated into this Agreement by this reference.

13.14. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same document.

13.15. Special Condition. Notwithstanding any other term or provision to the contrary set forth in this Agreement, in no event shall this Agreement be interpreted to require a transfer of real property by either party unless the City Exchange Property and the Diocese Exchange Property are deemed suitable for transfer by both Parties, and are actually transferred to the other Party under the terms of this Agreement at the Close of Escrow.

13.16. Incorporation of Recitals. The Recitals are hereby incorporated into this Agreement as if fully and completely rewritten.

13.17. List of Exhibits. The following exhibits are hereby incorporated by reference and are made a part of this Agreement.

Exhibit A	Legal Description of City Exchange Property
Exhibit B	Legal Description of the Diocese Exchange Property
Exhibit C	City Grant Deed
Exhibit D	Diocese Grant Deed
Exhibit E	Non-Foreign Transferor Declaration

EXHIBIT "E"

Non-Foreign Transferor Declaration

TRANSFEROR'S CERTIFICATION OF NON-FOREIGN STATUS

Section 1445 of the Internal Revenue Code provides that a transferee of a U.S. real property interest must withhold tax if the transferor is a foreign person. For U.S. tax purposes (including Section 1445), the owner of a disregarded entity (which has legal title to a U.S. real property interest under local law) will be the transferor of the Property and not the disregarded entity. To inform _____ _____ ("**Transferee**"), the transferee of that certain real property described in Schedule "1" attached hereto and incorporated herein by this reference, that withholding of tax is not required upon the disposition of the above-referenced real property by _____, a public Diocese ("**Transferor**"), the undersigned hereby certifies the following on behalf of the Transferor:

1. Transferor is not a foreign corporation, foreign partnership, foreign trust, foreign estate or foreign person (as those terms are defined in the Code and the Income Tax Regulations promulgated thereunder); and

2. Transferor's taxpayer identification number is: _____; and

3. Transferor's address is: _____.

The Transferor understands that this Certification may be disclosed to the Revenue Service by the Transferee and that any false statement contained herein could be punished by fine, imprisonment, or both.

The Transferor understands that the Transferee is relying on this Certification in determining whether withholding is required upon said transfer.

Under penalty of perjury I declare that I have examined this Certification and to the best of my knowledge and belief it is true, correct and complete, and I further declare that I have authority to sign this document on behalf of the Transferor.

CITY OF ONTARIO *Agenda Report* **March 21, 2023**	**SECTION:** **CONSENT CALENDAR**
Department: Police Department Prepared By: Nicole Alvarez Staff Member Presenting: Mike Lorenz, Chief of Police Approved By:	Submitted To: Council/OHA Approved: _____ Continued To: _____ Denied: _____ Item No: 7

SUBJECT: APPLICATION FOR CALIFORNIA OFFICE OF TRAFFIC SAFETY FISCAL YEAR 2023-24 SELECTIVE TRAFFIC ENFORCEMENT PROGRAM (STEP) GRANT

RECOMMENDATION: That City Council authorize the City Manager, or his designee to execute all documents necessary to apply for and accept a 12-month grant in the amount of $1,015,605 from the California Office of Traffic Safety (OTS) for participation in the FY 2023-24 Selective Traffic Enforcement Program (STEP) Grant.

THE FOLLOWING COUNCIL GOALS ARE BEING ACHIEVED:
Maintain the Current High Level of Public Safety
Pursue City's Goals and Objectives by Working with Other Governmental Agencies

FISCAL IMPACT: Grant awards will be announced in July 2023 and the funds will be used for eligible costs incurred from October 1, 2023 to September 30, 2024. These grants are reimbursable on a quarterly basis and fund police overtime, education, equipment, supplies, and training to conduct DUI saturation patrols, special traffic enforcement, field enforcement, street racing enforcement and training, education and sobriety checkpoints. The approximate grant funding reimbursement requested is $1,015,605 and the City is not required to provide matching funds for the grants. If awarded, the approved amount will be included as revenue (and associated expenditure adjustments) in a subsequent quarterly budget report to City Council.

BACKGROUND & ANALYSIS: The California Office of Traffic Safety (OTS), through the National Highway Traffic Safety Administration (NHTSA), offers local law enforcement agencies overtime grants to mitigate traffic safety program deficiencies, expand ongoing activities, develop new programs, and conduct sobriety checkpoints. The grant period includes two "National Impaired Driving Campaign" mobilization periods- the Winter Mobilization which occurs around Christmas and New Year's Eve and Summer Mobilization which occurs around Labor Day. Sobriety checkpoints, DUI saturation patrols and special traffic enforcement will be scheduled during each of the highly publicized mobilization periods. Additional operations will continue to be conducted outside the mobilization periods. Each overtime operation and checkpoint will be conducted according to each operation's specific needs, which may require supervisors, officers, technicians, and/or clerical/other staff members.

The goal of the OTS grant program includes: (1) reducing the number of people killed in alcohol-involved crashes through the combined efforts of local law enforcement agencies, California Highway Patrol, and OTS, (2) reduce the total number of traffic collisions that occur within the City, (3) through press releases, inform citizens of increased enforcement and educate drivers that the only way to “avoid” arrest, injury, and/or death is to drive sober, and (4) network with regional law enforcement agencies to conduct multiple joint operations to decrease alcohol related issues such as DUI’s and underage drinking.

CITY OF ONTARIO *Agenda Report* **March 21, 2023**	**SECTION:** **CONSENT CALENDAR**
Department: Police Department Prepared By: Nicole Alvarez Staff Member Presenting: Mike Lorenz, Chief of Police Approved By:	Submitted To: Council/OHA Approved: _____ Continued To: _____ Denied: _____ Item No: 8

SUBJECT: **AN APPLICATION FOR GRANT FROM CALIFORNIA HIGHWAY PATROL FOR THE CANNABIS TAX FUND GRANT PROGRAM FISCAL YEAR 2023-24 FOR THE AMOUNT OF $291,250.**

RECOMMENDATION: That City Council authorize the City Manager or his designee to execute all documents necessary to apply for and accept a 12-month grant in the amount of $291,250 from the California Highway Patrol for the Cannabis Tax Fund Grant Program.

THE FOLLOWING COUNCIL GOALS ARE BEING ACHIEVED:
Maintain the Current High Level of Public Safety
Pursue City's Goals and Objectives by Working with Other Governmental Agencies

FISCAL IMPACT: Grant awards will be announced in May 2023 and the funds will be used for eligible costs incurred from July 1, 2023, to June 30, 2024. These grants are reimbursable on a quarterly basis and fund police overtime to conduct DUI saturation patrols, equipment, and training. The approximate grant funding reimbursement requested is $291,250 and the City is not required to provide matching funds for the grants. If awarded, the approved amount will be included as revenue (and associated expenditure adjustments) in a subsequent quarterly budget report to City Council.

BACKGROUND & ANALYSIS: The California Highway Patrol (CHP) works closely with state and local agencies and other traffic safety stakeholders to actively address impaired driving. The CHP will consider a variety of factors in determining specific needs for each grant cycle, including opportunities and projects best suited to prevent the loss of life, injuries, and property damage caused by driving under the influence of alcohol and/or drugs.

The purpose of the Cannabis Tax Fund Grant Program (CTFGP) is to provide alternative funding sources to augment, but not supplant, current activities and programs. The CHP will allocate funds for the project categories in accordance with California Code of Regulations (CCR) Sections 1890.05 through 1890.07, as determined by the CHP.

With the passage of Proposition 64, the Control, Regulate, and Tax Adult Use of Marijuana Act (AUMA), California voters mandated the state set aside funding for the California Highway Patrol

(CHP) to award grants to local governments and qualified nonprofit organizations, as described in Revenue and Taxation Code Section 34019(f)(3)(B).

The Cannabis Tax Fund Grant Program marks an important step toward reducing impaired driving crashes, increasing public awareness surrounding the dangers of impaired driving, and making California's roadways a safer place to travel.

CITY OF ONTARIO *Agenda Report* **March 21, 2023**	**SECTION:** **CONSENT CALENDAR**
Department: Police Department Prepared By: Matthew Hernandez Staff Member Presenting: Mike Lorenz, Chief of Police Approved By:	Submitted To: Council/OHA Approved: _____ Continued To: _____ Denied: _____ Item No: 9

SUBJECT: ACCEPT AND APPROVE AWARD OF OFFICER WELLNESS AND MENTAL HEALTH GRANT FOR FISCAL YEAR 2022-23

RECOMMENDATION: That the City Council authorize the City Manager or his designee to execute all documents necessary to accept and approve the Officer Wellness and Mental Health Grant Award for Fiscal Year 2022-23.

THE FOLLOWING COUNCIL GOALS ARE BEING ACHIEVED:
Maintain the Current High Level of Public Safety
Pursue City's Goals and Objectives by Working with Other Governmental Agencies

FISCAL IMPACT: The program awarded the City $193,073 for Fiscal Year 2022-23. If approved, the associated revenue and expenditure adjustments in the Grants Fund will be presented to Council at the next available quarter adjustment.

BACKGROUND & ANALYSIS: On December 21, 2022, the Board of State Community Corrections announced a new state program awarding local law enforcement agencies funding for wellness and mental health programs. The disbursement is made under Assembly Bill 178, Chapter 45 Statutes of 2022, Item 15227-121-0001. Allocation of funds were determined by the number of officers described in Penal Code 830.1.

CITY OF ONTARIO *Agenda Report* **March 21, 2023**	**SECTION:** **CONSENT CALENDAR**
Department: Broadband Operations Prepared By: Jimmy Chang Staff Member Presenting: Jimmy Chang, Broadband General Manager Approved By:	Submitted To: Council/OHA Approved: _____ Continued To: _____ Denied: _____ Item No: 10

SUBJECT: A CONSTRUCTION CONTRACT FOR CITY'S BROADBAND FIBER CONDUIT INSTALLATION WEST RING-SEGMENT 2

RECOMMENDATION: That the City Council take the following actions:

A. Approve Construction Contract No. BB-2023-001, FY 2022-23 CDBG City Fiber Conduit Installation - West Ring Segment 2 (on file in the Records Management Department), to Servitek Electric, Inc. of Walnut, California, to provide fiber optic conduit installation services in the amount of $731,914 plus a ten percent (10%) contingency of $73,191 for a total authorized expenditure of $805,105; and

B. Authorize the City Manager or designee to execute said contract and all documents required for the completion of the project, including, but not limited to purchase orders, contracts, agreements, easements, reduction of retention accounts, and the filing of a Notice of Completion at the conclusion of all related work.

THE FOLLOWING COUNCIL GOALS ARE BEING ACHIEVED:
Invest in the Growth and Evolution of the City's Economy
Operate in a Businesslike Manner
Invest in the City's Infrastructure (Water, Streets, Sewers, Parks, Storm Drains and Public Facilities)

FISCAL IMPACT: The Fiscal Year 2022-23 Adopted Budget allocated funds for CDBG City Fiber Conduit Installation - West Ring Segment 2 Project in the amount of $430,934 from Community Development Block Grant (CDBG) funds; and $374,171 in the Broadband Fiber Fund to cover the remaining balance. The total recommended expenditure authorization consists of $731,914 plus a ten percent (10%) contingency of $73,191 for a total authorized expenditure of $805,105.

BACKGROUND & ANALYSIS: The general scope of work to be performed consists of the installation of underground fiber optic conduit, handholes and locate cable for the purpose of expanding the OntarioNet broadband fiber and wireless network to west Ontario. The area affected is generally located on Mountain Avenue from 4th Street to Phillips Street with a lateral route on Flora Street from Mountain Avenue to Vine Avenue. This project will provide conduit pathway for fiber optic cable installation to be performed under a separate project. Project location maps are provided for

reference as Exhibit A. In February 2023, the City solicited bids for the project and six bids were received. The following is a summary of the bid results:

COMPANY	**LOCATION**	**AMOUNT**
Servitek Electric, Inc.	Walnut, CA	$731,914
HP Communications, Inc.	Corona, CA	$875,478
Elecnor Belco Electric, Inc.	Chino, CA	$1,178,087
SECC Corporation	Corona, CA	$1,411,343
DBX, INC.	Temecula, CA	$1,758,052
Mears Group Inc.	Sacramento, CA	$2,281,650

Servitek Electric, Inc. provided all the required documents in their bid package and Staff recommends that the City Council award a construction contract to Servitek Electric, Inc., the lowest responsible bidder.

Department: Economic Development Prepared By: Peter Pallesen Staff Member Presenting: Jennifer McLain Hiramoto, Economic Development Director Approved By:	Submitted To: Council/OHA Approved: _____ Continued To: _____ Denied: _____ Item No: 11

SUBJECT: SECOND AMENDMENT TO PROFESSIONAL SERVICES AGREEMENT FOR ARCHITECTURAL AND DESIGN SERVICES

RECOMMENDATION: That the City Council ("City") approve and authorize the City Manager to execute a Second Amendment to a Professional Services Agreement with Thirtieth Street Architects, Inc. to increase Agreement by $250,000 for a total not-to-exceed amount of $450,000.

THE FOLLOWING COUNCIL GOALS ARE BEING ACHIEVED:
Invest in the Growth and Evolution of the City's Economy
Operate in a Businesslike Manner

FISCAL IMPACT: The Fiscal Year 2022-23 Adopted Budget includes, and any subsequent Adopted Budget shall include appropriations from the General Liability Fund for these services. This proposed amendment to the Agreement in the amount of $250,000 is for a new contract amount not-to-exceed $450,000. The term of the contract ends on December 31, 2023, at which point the City shall have the option to renew this Agreement.

BACKGROUND & ANALYSIS: In January 2022, the City acquired the property located at 137-143 N Euclic Avenue. Since then, the City has determined that the second-floor office space of this building will be a future City facility to serve both the Ontario Housing Authority and Community Life and Culture Agency.

Pursuant to California Building Code Section 15.40, the City is required to conduct a systematic review and reconstruction of all existing unreinforced masonry buildings within the City to improve vital safety measures in the event of an earthquake. As part of this State infrastructure requirement, the City's Building Department is preparing an Unreinforced Masonry Program for all properties located within Downtown Ontario.

The Second Amendment to the Professional Services Agreement with Thirtieth Street Architects, Inc. will include architectural and engineering services for the adaptive reuse of the building located at 137-143 N Euclid Avenue. Additionally, this contract will be utilized to provide architectural and engineering services to property owners located within Downtown Ontario whose buildings contain unreinforced masonry and will be required to abide by this State regulation.

SUBJECT: **AWARD OF A CONSTRUCTION CONTRACT AND AMENDMENT TO THE ON-CALL PROJECT MANAGEMENT SERVICES AGREEMENT FOR THE JOHN GALVIN PARK RESTROOM RENOVATION**

RECOMMENDATION: That the City Council take the following actions:

A. Authorize the City Manager or his designee to complete and execute a Construction Contract with JCOS Development, Inc. of Buena Park, California, for the John Galvin Park Restroom Renovation Project in the amount of $1,050,000;
B. Authorize a 10% contingency of $105,000 for the JCOS Development, Inc. Construction Contract for a total contract value of $1,155,000 to address any unforeseen issues that arise during construction;
C. Authorize the City Manager or his designee to complete and execute Amendment No. 9 to the On-Call Project Management Services Contract with Transtech Engineers, Inc. of Chino, California, for the John Galvin Park Restroom Renovation Project in the amount of $14,073; and
D. Authorize the City Manager or his designee to execute all documents required for the completion of the project including, but not limited to, contracts, agreements, assessments, easements, reduction of retention accounts, and filing a notice of completion at the conclusion of all construction related activities.

THE FOLLOWING COUNCIL GOALS ARE BEING ACHIEVED:
Invest in the City's Infrastructure (Water, Streets, Sewers, Parks, Storm Drains and Public Facilities)

FISCAL IMPACT: The proposed contract amount for JCOS Development, Inc. is $1,050,000. Staff is requesting a 10% contingency for a total contract amount of $1,155,000. The recommended Amendment No. 9 to the On-Call Project Management Services Contract with Transtech Engineers, Inc. is not-to-exceed $14,073. The Fiscal Year 2022-23 Community Development Block Grant (CDBG) Fund includes appropriations for the John Galvin Park Restroom Renovation Project. If approved, remaining appropriations of $668,065 will be used from the Public Works operating budget.

BACKGROUND & ANALYSIS: The City receives an annual allocation from the CDBG program. The CDBG program is federal funding that is administered by the U.S. Department of Housing and Urban Development. CDBG funds can be used by local jurisdictions to support programs that benefit low and moderate-income areas and persons, including infrastructure, community facilities and parks, and public services.

Approximately 2,000 square feet of the existing John Galvin Park Restroom will be demolished and a new pre-fabrication restroom with six total stalls will be installed to meet the Americans with Disabilities Act (ADA) access, improve infrastructure, and provide improved security.

Transtech Engineers, Inc. will be performing a topographical survey which will include, but are not limited to, the site features, hardscape and softscape, curbs, gutters, pavement edges, grade-breaks, traffic markings and all utilities.

On November 11, 2022, Staff solicited bids for the John Galvin Park Restroom Renovation project. Staff received ten (10) construction bids ranging from $1,050,000 and $1,611,000.

All the bids received are listed below:

Vendor	**Location**	**Amount**
JCOS Development Inc.	Buena Park, CA	$1,050,000
JT Construction Group Inc.	Duarte, CA	$1,075,199
Rasmussen Brothers Construction	Fallbrook, CA	$1,091,763
Edra Construction Corporation	Glendora, CA	$1,160,000
KASA Construction, Inc	Chino, CA	$1,219,975
H2M Construction Inc.	Rancho Cucamonga, CA	$1,242,000
Armstrong Cal Building Inc.	Mission Viejo, CA	$1,278,000
Pub Construction, Inc.	Diamond Bar, CA	$1,301,000
CS Legacy Construction, Inc.	Walnut, CA	$1,307,572
Kazoni Construction	Costa Mesa, CA	$1,611,000

JCOS Development Inc., located in Buena Park, California, was the lowest responsible bidder that met all the required specifications with a base cost of $1,050,000. Based on the bid, credentials, pricing and favorable reference checks, staff recommends awarding the Construction Contract to JCOS Development, Inc. The project has an estimated completion date of December 2023.

CITY OF ONTARIO *Agenda Report* **March 21, 2023**	**SECTION:** **CONSENT CALENDAR**
Department: Financial Services Prepared By: Jialuan Ning Staff Member Presenting: Armen Harkalyan, Executive Director of Finance Approved By:	Submitted To: Council/OHA Approved: _____ Continued To: _____ Denied: _____ Item No: 13

SUBJECT: **A RESOLUTION AUTHORIZING THE CITY MANAGER TO ENTER INTO SETTLEMENT AGREEMENTS WITH WALGREENS CO., WALMART, INC., CVS HEALTH CORPORATION/CVS PHARMACY INC., TEVA PHARMACEUTICAL INDUSTRIALS LTD., AND ALLERGAN FINANCE LLC/ALLERGAN LIMITED, AGREE TO THE TERMS OF THE STATE-SUBDIVISION AGREEMENTS, AND AUTHORIZE ENTRY INTO THE STATE-SUBDIVISION AGREEMENTS WITH THE ATTORNEY GENERAL**

RECOMMENDATION: That the City Council adopt a Resolution authorizing the City Manager to:

1. Opt into settlement agreement with opioid distributor, Walgreens Co., and direct the City Manager to execute any documents necessary to implement the action.
2. Opt into settlement agreement with opioid distributor, Walmart, Inc. and direct the City Manager to execute any documents necessary to implement the action.
3. Opt into settlement agreement with opioid distributor, CVS Health Corporation/CVS Pharmacy, Inc. and direct the City Manager to execute any documents necessary to implement the action.
4. Opt into settlement agreement with opioid manufacturer, Teva Pharmaceutical Industries Ltd., and direct the City Manager to execute any documents necessary to implement the action.
5. Opt into settlement agreement with opioid manufacturer, Allergan Finance, LLC/Allergan Limited and direct the City Manager to execute any documents necessary to implement the action.

THE FOLLOWING COUNCIL GOALS ARE BEING ACHIEVED:
Invest in the Growth and Evolution of the City's Economy
Maintain the Current High Level of Public Safety
Operate in a Businesslike Manner

FISCAL IMPACT: The recommended action of opting in the National Opioids Settlement will result in additional funding of approximately $2,254,472 to the City of Ontario, to be disbursed over 15 years; totaling approximately $150,298 annually.

BACKGROUND & ANALYSIS: In the previous year, litigation brought by states and cities across the United States against the three largest pharmaceutical distributors of opioid painkillers, Amerisource Bergen, Cardinal Health, and McKesson (the "Distributors"), and the opioid painkiller manufacturer, Janssen (owned by Johnson & Johnson) ("J&J"), resulted in two proposed settlements totaling approximately $26 billion dollars. The City had previously opted into the Distributors and the J&J Settlements and has started receiving payments.

Between November and December 2022, five additional parties (the "New Parties") have entered into National Opioid Settlements with terms identical to the Distributors/J&J Settlements. The City can opt into these new settlements, thereby releasing its claims against the New Parties, in order to receive (at most) $2,254,472 paid out over a period of 15 years. The funds are restricted to certain opioid abatement/remediation uses. The City can either allow the funds to be used by the County of San Bernardino or elect to use the funds itself subject to reporting requirements to the State. Alternatively, the City can take no action, thereby opting out of the settlements, while maintaining its right to pursue litigation against the New Parties.

Allocation of Funds

Additional litigation brought by states and cities across the United States against the New Parties has resulted in a proposed settlement totaling approximately $20.2 billion dollars. The proposed settlement is broken into five separate deals: (1) the Walgreens Settlement (Exhibit A); (2) the Walmart Settlement (Exhibit B); (3) the CVS Settlement (Exhibit C); (4) the Teva Settlement (Exhibit D); and the Allergan Settlement (Exhibit E). The estimated total nationwide payout and payment schedule are outlined below:

Defendant	Estimated Max Payout (100% Participation)	Years
Walgreens	$5,522,528,766	15 years
Walmart	$3,011,242,061	Primarily paid within 3 years, but if participation levels are not met until later, payment can extend over 6 years
CVS	$5,002,083,578	10 years
Teva	$4,246,567,372	6 years
Allergan	$2,372,972,184	7 years

Of the amounts above, California is to receive approximately $1.8 billion and is to distribute these funds pursuant to intrastate allocation agreements for the new settlements.

As outlined in the Intrastate Allocation Agreements, Settlement Fund payments due to the State of California are allocated as follows: 15% to the State Fund; 70% to the California Abatement Accounts Fund; and 15% to the California Subdivision Fund. This results in the State receiving 15% of the payments allocated to California and local subdivisions receiving the remaining 85%. The percentages paid out to the California Subdivision Fund is reserved for entities that participated in

the litigation of the claims giving rise to the settlement agreements. The percentages paid out to local subdivisions that did not litigate but choose to opt into the settlements comes from the share of the settlement proceeds that are placed in the California Abatement Accounts Fund. Essentially, this means that the City of Ontario, if it chooses to opt into the settlement, is entitled to receive a percentage share from the California Abatement Accounts Fund.

The City of Ontario has been allocated 0.179% of the 70% of the approximate $1,800,000,000 (i.e., best case scenario), which is equal to $2,254,472. This total amount will be disbursed over a period of 15 years, with payments decreasing as each settlement finishes paying out. The first payments are scheduled to occur in the latter half of 2023. After the receipt of these initial payments, further payments will be received annually thereafter. As stated above, the definite amount is not yet known because of the bonus structure built into the agreements.

The default distribution of funds in the settlement agreements provides that the funds will go directly to the county in which a city is located. A city can elect to have its funds delivered directly to the city by providing notice in the settlement agreements. Additionally, a city within a county may opt in or out of direct payment at any time, and it may also elect direct payment of only a portion of its share, with the remainder going to the county, by providing notice to the settlement fund administrators at least sixty days prior to a payment date.

In deciding whether to allow a city's funds to go directly to the county in which a city is located, a city should consider the following: (1) whether the amount of money is substantial enough for the city to handle it on its own; (2) whether the city offers the services and has the employees to spend the money in accordance with its prescribed uses; and (3) whether the city wants to engage in the reporting requirements over the course of the next nineteen years (eighteen years of distribution and an additional year following final distribution).

Use of Received Funds

Similar to the Distributor and J&J Settlements, funds received from these additional settlements must be used for future opioid remediation or abatement. For instance, participating subdivisions may use funds for areas such as services to treat opioid use disorder; support people in treatment and recovery; connect people to care; address needs of criminal justice-involved persons; address the needs of pregnant or parenting women and their families, including babies with neonatal abstinence syndrome; prevent over-prescribing and ensure appropriate prescribing and dispensing of opioids; prevent misuse of opioids; prevent overdose deaths and other harms; provide leadership, planning, and coordination of programs; provide training; and conduct research.

The Intrastate Allocation Agreements (Exhibit F) also provide spending limitations in addition to those provided in the settlement agreements. Under the Intrastate Allocation Agreements, no less than 50% of the funds received in each calendar year will be used for one or more of the following High Impact Abatement Activities:

(1) the provision of matching funds or operating costs for substance use disorder facilities within the Behavioral Health Continuum Infrastructure Program;

(2) creating new or expanded Substance Use Disorder ("SUD") treatment infrastructure;

(3) addressing the needs of communities of color and vulnerable populations (including sheltered and unsheltered homeless populations) that are disproportionately impacted by SUD;

(4) diversion of people with SUD from the justice system into treatment, including by providing training and resources to first and early responders (sworn and non-sworn) and implementing best practices for outreach, diversion and deflection, employability, restorative justice, and harm reduction; and/or

(5) interventions to prevent drug addiction in vulnerable youth.

In addition to these requirements, there is also a time limit on the spending of received funds. If funds are not expended or encumbered within five years of receipt and in accordance with the settlement agreements and the Intrastate Allocation Agreements, the funds are required to be transferred back to the State.

Management of Funds

Each county and city that receives payment of funds from the settlements must prepare written reports at least annually regarding the use of those funds until the funds are fully expended and for one year thereafter. Each county and city will need to track all deposits and expenditures. These reports will also include a certification that all funds received have been used in compliance with the allocation agreements. The California Department of Healthcare and Services ("DHCS") may review these reports in order to determine compliance with the settlement agreements and the Intrastate Allocation Agreement.

If the DHCS determines that a participating subdivision's use of abatement funds is inconsistent with the settlement agreements or Intrastate Allocation Agreements, the parties are required to meet and confer. If the meet and confer process does not provide a resolution, the DHCS may conduct an audit, which can lead to a court action if the matter is still not resolved after an audit.

Opting In

The City must opt into the settlements by April 18, 2023, which requires the City to release its claims against the New Parties. If the City takes no action, it will have opted out of the settlements and its designated funds will flow to the State. The City would still have the opportunity to bring its own action against the New Parties. Unless the City intends to pursue its own litigation against these parties, it is recommended that the City opt into the settlement and elect to receive payments directly.

WALGREENS SETTLEMENT AGREEMENT

WALGREENS SETTLEMENT AGREEMENT

This Settlement Agreement, dated as of December 9, 2022 (the *"Agreement")*, sets forth the terms of settlement between and among the Settling States, the Participating Subdivisions, and Walgreens (as those terms are defined below). Upon satisfaction of the conditions set forth in Sections II and VIII, this Agreement will be binding on the Settling States, Walgreens and the Participating Subdivisions. This Agreement will then be filed as part of a Consent Judgment in the respective courts of each of the Settling States, pursuant to the terms set forth in Section VIII.

I. Definitions

Unless otherwise specified, the following definitions apply:

A. *"Additional Remediation Amount."* The amount available to the Settling States totaling up to $31,921,103, to be paid in accord with the payment schedule at Exhibit M-3.

B. *"Adjusted State Remediation Payment."* The State Remediation Payment reduced by the Overall State Allocation for each Non-Settling State on Exhibit F-2. For the avoidance of doubt, this amount shall be the same as the Base State Remediation Payment reduced by the State Global Allocation Percentage for each Non-Settling State and Florida on Exhibit F-1.

C. *"Agreement."* This agreement, as set forth above. For the avoidance of doubt, this Agreement is inclusive of all exhibits.

D. *"Alleged Harms."* The alleged past, present, and future financial, societal, and public nuisance harms and related expenditures arising out of the alleged misuse and abuse of Products, non-exclusive examples of which are described in the documents listed on Exhibit A, that have allegedly arisen as a result of the physical and bodily injuries sustained by individuals suffering from opioid-related addiction, abuse, death, and other related diseases and disorders, and that have allegedly been caused by Released Entities.

E. *"Allocation Statute."* A state law that governs allocation, distribution, and/or use of some or all of the Settlement Fund amounts allocated to that State and/or its Subdivisions. An Allocation Statute may, without limitation, contain a Statutory Trust, further restrict expenditures of funds, form an advisory committee, establish oversight and reporting requirements, or address other default provisions and other matters related to the funds. An Allocation Statute is not required to address all three (3) types of funds comprising the Settlement Fund or all default provisions.

F. *"Annual Remediation Payment."* The amount payable to the Settlement Fund by Walgreens for Settling States' Base Payments and Incentive Payments on the Payment Date for each Payment Year, as calculated by the Settlement Fund Administrator.

G. *"Annual Fees Payment."* The amounts payable by Walgreens in each Payment Year comprised of the State AG Fees and Costs payment and Additional Remediation Amount,

as reduced for non-Settling States, and the Private Attorneys Fees, including any reduction to the Contingency Fee Fund, and not including the Annual Remediation Payment.

H. *"Annual Maximum."* As defined in Section IV.B.2.

I. *"Appropriate Official."* As defined in Section XIII.G.3.

J. *"Bankruptcy Code."* Title 11 of the United States Code, 11 U.S.C. § 101, et seq.

K. *"Bar."* Either: (1) a law barring Subdivisions in a State from maintaining Released Claims against Released Entities (either through a direct bar or through a grant of authority to release claims and the exercise of such authority in full) or (2) a ruling by the highest court of the State (or, in a State with a single intermediate court of appeals, the intermediate court of appeals) when setting forth the general principle that Subdivisions in the State may not maintain any Released Claims against Released Entities, whether on the ground of this Agreement (or the release in it) or otherwise. For the avoidance of doubt, a law or ruling that is conditioned or predicated upon payment by a Released Entity (apart from the Annual Remediation Payments by Walgreens under this Agreement) shall not constitute a Bar.

L. *"Base Payment."* As defined in Section **Error! Reference source not found.**..

M. *"Base State Remediation Payment"* shall be $5,150,000,000.

N. *"Case-Specific Resolution."* Either: (1) a law barring the Subdivision at issue from maintaining any Released Claims against any Released Entities (either through a direct bar or through a grant of authority to release claims and the exercise of such authority in full); or (2) a ruling by a court of competent jurisdiction over the Subdivision at issue that the Subdivision may not maintain any Released Claims at issue against any Released Entities, whether on the ground of this Agreement (or the release in it) or otherwise. For the avoidance of doubt, a law or ruling that is conditioned or predicated upon payment by a Released Entity (apart from the annual payments by Walgreens under this Agreement) shall not constitute a Case-Specific Resolution.

O. *"Claim."* Any past, present or future cause of action, claim for relief, cross-claim or counterclaim, theory of liability, demand, derivative claim, request, assessment, charge, covenant, damage, debt, lien, loss, penalty, judgment, right, obligation, dispute, suit, contract, controversy, agreement, *parens patriae* claim, promise, performance, warranty, omission, or grievance of any nature whatsoever, whether legal, equitable, statutory, regulatory or administrative, whether arising under federal, state or local common law, statute, regulation, guidance, ordinance or principles of equity, whether filed or unfiled, whether asserted or unasserted, whether known or unknown, whether accrued or unaccrued, whether foreseen, unforeseen or unforeseeable, whether discovered or undiscovered, whether suspected or unsuspected, whether fixed or contingent, and whether existing or hereafter arising, in all such cases, including, but not limited to, any request for declaratory, injunctive, or equitable relief, compensatory, punitive, or statutory damages, absolute liability, strict liability, restitution, remediation, subrogation, contribution, indemnity, apportionment, disgorgement, reimbursement,

attorney fees, expert fees, consultant fees, fines, penalties, expenses, costs or any other legal, equitable, civil, administrative, or regulatory remedy whatsoever.

P. *"Claim-Over."* A Claim asserted by a Non-Released Entity against a Released Entity on the basis of contribution, indemnity, or other claim-over on any theory relating to a Non-Party Covered Conduct Claim asserted by a Releasor.

Q. *"Compensatory Restitution Amount."* The aggregate amount paid or incurred by Walgreens hereunder for Opioid Remediation, which includes each Annual Remediation Payment and does not include amounts paid as attorneys' fees and costs or identified pursuant to Section V.B.2 as being used to pay attorneys' fees, investigation costs or litigation costs, which shall be up to the amount of the Adjusted State Remediation Payment.

R. *"Consent Judgment."* A consent judgment in a form to be agreed by the Settling States and Walgreens prior to the Initial Participation Date that, among other things, (1) approves this Agreement and (2) provides for the release set forth in Section X.A, including the dismissal with prejudice of any Released Claims that the Settling State has brought against Released Entities.

S. *"Covered Conduct."* Any actual or alleged act, failure to act, negligence, statement, error, omission, breach of any duty, conduct, event, transaction, agreement, misstatement, misleading statement or other activity of any kind whatsoever from the beginning of time through the Reference Date (and any past, present, or future consequence of any such act, failure to act, negligence, statement, error, omission, breach of duty, conduct, event, transaction, agreement, misstatement, misleading statement or other activity) relating in any way to (1) compounding, counseling and documentation relating to any Product or class of Products (2) the discovery, development, manufacture, packaging, repackaging, marketing, promotion, advertising, labeling, recall, withdrawal, distribution, delivery, monitoring, reporting, supply, sale, prescribing, dispensing, physical security, warehousing, use or abuse of, or operating procedures relating to, any Product, or any system, plan, policy or advocacy relating to any Product or class of Products, including, but not limited to, any unbranded promotion, marketing, programs, or campaigns relating to any Product or class of Products; (3) the characteristics, properties, risks, or benefits of any Product; (4) the reporting, disclosure, non-reporting or nondisclosure to federal, state or other regulators of orders placed with any Released Entity; or (5) diversion control programs or suspicious order monitoring;

T. "*Deferred Payment Notice*." As defined in Section IV.K.4.

U. "*Designated State.*" The State of New York.

V. "*Effective Date.*" The date sixty (60) calendar days after the Reference Date.

W. "*Eligible States.*" The states, commonwealths, and territories of the United States of America, excluding Florida.

X. "*Enforcement Committee.*" A committee consisting of representatives of the Settling States and of the Participating Subdivisions. Exhibit B contains the organizational

bylaws of the Enforcement Committee. Notice pursuant to Section XIII.S shall be provided when there are changes in membership or contact information.

Y. *"Final Order."* An order or judgment of a court of competent jurisdiction with respect to the applicable subject matter (1) which has not been reversed or superseded by a modified or amended order, is not currently stayed, and as to which any right to appeal or seek certiorari, review, reargument, stay, or rehearing has expired, and as to which no appeal or petition for certiorari, review, reargument, stay, or rehearing is pending, or (2) as to which an appeal has been taken or petition for certiorari, review, reargument, stay, or rehearing has been filed and (a) such appeal or petition for certiorari, review, reargument, stay, or rehearing has been resolved by the highest court to which the order or judgment was appealed or from which certiorari, review, reargument, stay, or rehearing was sought, or (b) the time to appeal further or seek certiorari, review, reargument, stay, or rehearing has expired and no such further appeal or petition for certiorari, review, reargument, stay, or rehearing is pending.

Z. "*Global Settlement Amount.*" The Global Settlement Amount is $5,522,528,766which is comprised of the Adjusted State Remediation Payment, Private Attorneys Fees, State AG Fees and Costs, and Additional Remediation Amount

AA. "*Implementation Administrator*." The vendor agreed to by Walgreens and the Enforcement Committee, and retained by Walgreens for costs of up to $1,500,000, to provide notice pursuant to Section VII.A and to manage the initial joinder period for Subdivisions, including the issuance and receipt of Subdivision Participation Agreements.

BB. *"Incentive Payment A."* The incentive payment described in Section IV.H.4.

CC. "*Incentive Payment A Catch-up Payment*." As defined in Section IV.H.4.f.

DD. *"Incentive Payment BC."* The incentive payment described in Section IV.H.5.

EE. *"Incentive Payment D."* The incentive payment described in Section IV.H.6.

FF. *"Initial Participating Subdivision."* A Subdivision that meets the requirements set forth in Section VII.D.

GG. *"Initial Participation Date."* The date ninety (90) calendar days after the Preliminary Agreement Date, unless it is extended by written agreement of Walgreens and the Enforcement Committee.

HH. *"Injunctive Relief Terms."* The terms described in Section III and set forth in Exhibit P.

II. *"Later Litigating Subdivision."* A Subdivision (or Subdivision official asserting the right of or for the Subdivision to recover for Alleged Harms to the Subdivision and/or the people thereof) that: (1) first files a lawsuit bringing a Released Claim against a Released Entity after the Trigger Date; or (2) adds a Released Claim against a Released Entity after the Trigger Date to a lawsuit brought before the Trigger Date that, prior to the Trigger Date, did not include any Released Claims against a Released Entity; or (3) (a) was a Litigating Subdivision whose

Released Claims against Released Entities were resolved by a legislative Bar or legislative Case-Specific Resolution as of the Trigger Date, (b) such legislative Bar or legislative Case-Specific Resolution is subject to a Revocation Event after the Trigger Date, and (c) the earlier of the date of completion of opening statements in a trial in an action brought by a Subdivision in that State that includes a Released Claim against a Released Entity or one hundred eighty (180) days from the Revocation Event passes without a Bar or Case-Specific Resolution being implemented as to that Litigating Subdivision or the Litigating Subdivision's Released Claims being dismissed; or (4) (a) was a Litigating Subdivision whose Released Claims against Released Entities were resolved by a judicial Bar or judicial Case-Specific Resolution as of the Trigger Date, (b) such judicial Bar or judicial Case-Specific Resolution is subject to a Revocation Event after the Trigger Date, and (c) such Litigating Subdivision takes any action in its lawsuit asserting a Released Claim against a Released Entity other than seeking a stay or dismissal.

JJ. *"Later Participating Subdivision."* A Participating Subdivision that is not an Initial Participating Subdivision, but meets the requirements set forth in Section VILE.

KK. *"Litigating Subdivision."* A Subdivision (or Subdivision official) that brought any Released Claim against any Released Entity prior to the Trigger Date; *provided, however,* that a Subdivision (or Subdivision official) that is a Prior Litigating Subdivision shall not be considered a Litigating Subdivision. Exhibit C is an agreed list of all Litigating Subdivisions. Exhibit C will be updated (including with any corrections) periodically, and a final version of Exhibit C will be attached hereto as of the Reference Date.

LL. "*National Arbitration Panel.*" The panel comprised as described in Section VI.F.2.b.

MM. "*National Disputes.*" As defined in Section VI.F.2.a.

NN. *"Non-Litigating Subdivision."* Any Subdivision that is neither a Litigating Subdivision nor a Later Litigating Subdivision.

OO. "*Non-Litigating Threshold Subdivisions.*" Primary Subdivisions (a) with populations greater than 30,000 that have not sued Walgreens as of the Initial Subdivision Participation Date and (b) with populations between 10,000 and 30,000 that have not sued Walgreens but have sued McKesson, AmerisourceBergen, Cardinal or Janssen related to any allegations regarding the Products.

PP. *"Non-Participating Subdivision."* Any Subdivision that is not a Participating Subdivision.

QQ. *"Non-Party Covered Conduct Claim."* A Claim against any Non-Released Entity involving, arising out of, or related to Covered Conduct (or conduct that would be Covered Conduct if engaged in by a Released Entity).

RR. *"Non-Party Settlement."* A settlement by any Releasor that settles any Non-Party Covered Conduct Claim and includes a release of any Non-Released Entity.

SS. *"Non-Released Entity."* An entity that is not a Released Entity.

TT. "*Non-Settling State.*" Any Eligible State that is not a Settling State.

UU. *"Opioid Remediation."* Care, treatment, and other programs and expenditures (including reimbursement for past such programs or expenditures[1] except where this Agreement restricts the use of funds solely to future Opioid Remediation) designed to (1) address the misuse and abuse of opioid products, (2) treat or mitigate opioid use or related disorders, or (3) mitigate other alleged effects of, including on those injured as a result of, the opioid epidemic. Exhibit E provides a non-exhaustive list of expenditures that qualify as being paid for Opioid Remediation. Qualifying expenditures may include reasonable related administrative expenses in connection with the above.

VV. "*Opioid Tax.*" Any tax, assessment, license fee, surcharge or any other fee (other than a fixed prospective excise tax or similar tax or fee that has no restriction on pass-through) imposed by a State on Walgreens on the sale, transfer or distribution of opioid products; *provided*, *however*, that none of the following as currently enacted shall be considered an Opioid Tax for purposes of this Agreement: 16 Del. Code Chapter 48B; fees assessed by the Minnesota Board of Pharmacy under Minnesota Statutes section 151.065; any penalty assessed under Minnesota's Opiate Product Registration Fee law, Minnesota Statutes section 151.066; the MinnesotaCare Wholesale Drug Distributor and Use Tax, Minnesota Statutes section 292.52; the Excise Tax on sale of Opioids, Article 20-D of New York's Tax Law; the Opioid Stewardship Act, Article 33, Title 2-A of New York's Public Health Law; and Rhode Island's Opioid Stewardship Act, R.I. Gen. Laws §§ 21-28.10, *et seq*.).

WW. "*Overall Allocation Percentage*." A Settling State's percentage as set forth in Exhibit F-2.

XX. *"Participating Subdivision."* Any Subdivision that meets the requirements for becoming a Participating Subdivision under Section VII.B and Section VII.C. Participating Subdivisions include both Initial Participating Subdivisions and Later Participating Subdivisions.

YY. "*Participation Percentage of Incentive BC Eligible Subdivision Population*." As defined in Section IV.H.5.e.

ZZ. *"Parties."* Walgreens and the Settling States (each, a *"Party").*

AAA. *"Payment Date."* The date on which Walgreens makes the Annual Remediation Payment pursuant to Section IV.B. For the avoidance of doubt, the date on which the Annual Fee Payments (including without limitation State AG Fees and Costs and Additional Remediation Amounts) are made is December 31 for each Payment Year in which Annual Fee Payments are due pursuant to Exhibit M-3, which may be a different date than the Payment Date.

BBB. *"Payment Year."* The Walgreens' fiscal year during which the applicable Annual Remediation Payment and/or Annual Fees Payment is due pursuant to Exhibit M-2 and Exhibit M-3. Walgreens' fiscal year is September 1-August 31. Payment Year 1 is September 1, 2022-

[1] Reimbursement includes amounts paid to any governmental entities for past expenditures or programs

August 31, 2023, Payment Year 2 is September 1, 2023-August 31, 2024 and so forth. References to payment *"for a Payment Year"* mean the Annual Remediation Payment and/or Annual Fees Payment (including without limitation State AG Fees and Costs and Additional Remediation Amounts) due during that year. References to eligibility *"for a Payment Year"* mean eligibility in connection with the Annual Remediation Payment due during that year.

CCC. "*Post-Suspension Payment.*" As defined in Section IV.K.2.

DDD. "*Primary Fire District.*" A fire district that covers a population of 25,000, or 0.20% of an Eligible State's population if an Eligible State's population is greater than 18 million. If not easily calculable from state data sources and agreed to between the Eligible State and Walgreens, a fire district's population is calculated by dividing the population of the county or counties a fire district serves by the number of fire districts in the county or counties. "Primary Fire Districts" shall mean fire districts as identified in connection with the implementation of the July 21, 2021 Janssen Settlement Agreement.

EEE. "*Preliminary Agreement Date*." The date on which Walgreens is to inform the Settling States of their determination whether the condition in Section II.B has been satisfied. The Preliminary Agreement Date shall be no more than ten (10) calendar days after the end of the notice period to States, unless it is extended by written agreement of the Walgreens and the Enforcement Committee.

FFF. *"Primary Subdivision."* A Subdivision that is a General Purpose Government (including, but not limited to, a municipality, county, county subdivision, city, town, township, parish, village, borough, gore, or any other entities that provide municipal-type government) with population over 10,000. Attached as Exhibit I is an agreed list of the Primary Subdivisions in each Eligible State.

GGG. *"Prior Litigating Subdivision."* A Subdivision (or Subdivision official) that brought any Released Claim against any Released Entity prior to the Trigger Date and all such Released Claims were separately settled or finally adjudicated prior to the Trigger Date; *provided, however,* that if the final adjudication was pursuant to a Bar, such Subdivision shall not be considered a Prior Litigating Subdivision. Notwithstanding the prior sentence, Walgreens and the Settling State of the relevant Subdivision may agree in writing that the Subdivision shall not be considered a Prior Litigating Subdivision.

HHH. "*Private Attorney Fees"* are the amount to be paid by Walgreens for private attorneys' litigation fees and costs on behalf of Participating Subdivisions. The Private Attorney Fees are 12.4% times the Base State Remediation Payment with the maximum amount being $638,600,000. For avoidance of doubt, Private Attorney Fees do not include State AG Fees and Costs or Additional Remediation Amount.

III. *"Product."* Any chemical substance, whether used for medicinal or non-medicinal purposes, and whether natural, synthetic, or semi-synthetic, or any finished pharmaceutical product made from or with such substance, that is: (1) an opioid or opiate, as well as any product containing any such substance; or (2) benzodiazepine, carisoprodol, or gabapentin; or (3) a combination or "cocktail" of chemical substances prescribed, sold, bought, or dispensed to be used

together that includes opioids or opiates. "Product" shall include, but is not limited to, any substance consisting of or containing buprenorphine, codeine, fentanyl, hydrocodone, hydromorphone, meperidine, methadone, morphine, oxycodone, oxymorphone, tapentadol, tramadol, opium, heroin, carfentanil, diazepam, estazolam, quazepam, alprazolam, clonazepam, oxazepam, flurazepam, triozolam, temazepam, midazolam, carisoprodol, gabapentin, or any variant of these substances or any similar substance. Notwithstanding the foregoing, nothing in this section prohibits a Settling State from taking administrative or regulatory action related to benzodiazepine (including, but not limited to, diazepam, estazolam, quazepam, alprazolam, clonazepam, oxazepam, flurazepam, triozolam, temazepam, and midazolam), carisoprodol, or gabapentin that is wholly independent from the use of such drugs in combination with opioids, *provided* such action does not seek money (including abatement and/or remediation) for conduct prior to the Effective Date.

JJJ. "*Reduced Payment Termination Date.*" As defined in Section IV.K.3.

KKK. *"Reference Date."* The date on which Walgreens is to inform the Settling States of its determination whether the condition in Section VIII has been satisfied. The Reference Date shall be no later than thirty (30) calendar days after the Initial Participation Date, unless it is extended by written agreement of Walgreens and the Enforcement Committee.

LLL. *"Released Claims."* Any and all Claims that directly or indirectly are based on, arise out of, or in any way relate to or concern the Covered Conduct occurring prior to the Reference Date. Without limiting the foregoing, Released Claims include any Claims that have been asserted against Walgreens, including claims arising from Walgreens' acquisition of other firms or assets prior to the Reference Date, by a Settling State or Litigating Subdivision in any federal, state, or local action or proceeding (whether judicial, arbitral, or administrative) based on, arising out of, or relating to, in whole or in part, the Covered Conduct, or any such Claims that could be or could have been asserted now or in the future in those actions or in any comparable action or proceeding brought by a State, Subdivision, or Releasor (whether or not such State, Subdivision, or Releasor has brought such action or proceeding), including any subsidiaries thereof to the extent permissible by law. Released Claims include any claims of a Non-Released Entity held by a Released Entity by way of assignment. Released Claims also include all Claims asserted in any proceeding to be dismissed pursuant to this Agreement, whether or not such claims relate to Covered Conduct. The Parties intend that this term, "Released Claims," be interpreted broadly. This Agreement does not release Claims by private individuals. It is the intent of the Parties that Claims by private individuals be treated in accordance with applicable law. Released Claims is also used herein to describe claims brought by a Later Litigating Subdivision or other non-party Subdivision that would have been Released Claims if they had been brought by a Releasor against a Released Entity.

MMM. *"Released Entities."* With respect to Released Claims, Walgreens and (1) all past and present subsidiaries, divisions, predecessors, successors, and assigns (in each case, whether direct or indirect) of Walgreens; (2) all past and present subsidiaries and divisions (in each case, whether direct or indirect) of any entity described in subsection (1); (3) the respective past and present officers, directors, members, trustees, and employees of any of the foregoing (each for actions that occurred during and related to their work for, or employment with, any of Walgreens or the foregoing entities); (4) all past and present joint ventures (whether direct or indirect) of

Walgreens or its subsidiaries, including in any Walgreens or subsidiary's capacity as a participating member in such joint venture; (5) all direct or indirect parents and shareholders of Walgreens (solely in their capacity as parents or shareholders of Walgreens with respect to Covered Conduct); and (6) any insurer of Walgreens or any person or entity otherwise described in subsections (1)-(5) (solely in its role as insurer of such person or entity and subject to the last sentence of Section X.C). An illustrative list of Walgreens' present joint ventures, subsidiaries and affiliates and predecessor entities is set forth in Exhibit J. Any person or entity described in subsections (3)-(6) shall be a Released Entity solely in the capacity described in such clause and shall not be a Released Entity with respect to its conduct in any other capacity. Any joint venture or past or present subsidiary of Walgreens is a Released Entity, including any joint venture between Walgreens and any distributor, provided, however, that any joint venture partner of Walgreens or any of Walgreens subsidiaries is not a Released Entity unless it falls within subsections (1)-(6) above. With respect to joint ventures (including predecessor entities), only entities listed on Exhibit J are Released Entities. With respect to wholly-owned subsidiaries (including predecessor entities), Exhibit J represents a good faith effort by Walgreens to list all such entities, but any and all wholly-owned subsidiaries (including predecessor entities) of Walgreens are Released Entities, whether or not they are listed on Exhibit J. For the avoidance of doubt, Exhibit J is illustrative, not exhaustive, and may not specifically identify or correctly name each and every Released Entity. Any entity acquired, or joint venture entered into, by Walgreens after the Reference Date is not a Released Entity.

NNN. *"Releasors."* With respect to Released Claims, (1) each Settling State; (2) each Participating Subdivision; and (3) without limitation and to the maximum extent of the power of each Settling State's Attorney General's and/or Participating Subdivision to release Claims, (a) the Settling State's and Participating Subdivision's departments, agencies, divisions, boards, commissions, Subdivisions, districts, instrumentalities of any kind and attorneys, including its Attorney General , and any person in his or her official capacity whether elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, (b) any public entities, public instrumentalities, public educational institutions, unincorporated districts, fire districts, irrigation districts, and other Special Districts in a Settling State, and (c) any person or entity acting in a *parens patriae,* sovereign, quasi-sovereign, private attorney general, *qui tam,* taxpayer, or other capacity seeking relief on behalf of or generally applicable to the general public with respect to a Settling State or Subdivision in a Settling State, whether or not any of them participate in this Agreement. The inclusion of a specific reference to a type of entity in this definition shall not be construed as meaning that the entity is not a Subdivision. Each Settling State's Attorney General represents that he or she has or has obtained (or will obtain no later than the Initial Participation Date) the authority set forth in Section X.F. In addition to being a Releasor as provided herein, a Participating Subdivision shall also provide the Subdivision Settlement Participation Form referenced in Section VII providing for a release to the fullest extent of the Participating Subdivision's authority.

OOO. *"Remediation Accounts Fund."* The component of the Settlement Fund described in Section V.C.

PPP. *"Revocation Event."* With respect to a Bar, Settlement Class Resolution, or Case-Specific Resolution, a revocation, rescission, reversal, overruling, or interpretation that in any way limits the effect of such Bar, Settlement Class Resolution, or Case-Specific Resolution on

Released Claims, or any other action or event that otherwise deprives the Bar, Settlement Class Resolution, or Case-Specific Resolution of force or effect in any material respect.

QQQ. *"Settlement Class Resolution."* A class action resolution in a court of competent jurisdiction in a Settling State (that is not successfully removed to federal court) with respect to a class of Subdivisions in that State that (1) conforms with that Settling State's statutes, case law, and rules of procedure regarding class actions; (2) is approved and entered as an order of a court of competent jurisdiction in that State and such order has become a Final Order; (3) is binding on all Non-Participating Subdivisions in that State (other than opt outs as permitted under the next sentence); (4) provides that all such Non-Participating Subdivisions may not bring any Released Claims against any Released Entities, whether on the ground of this Agreement (or the releases herein) or otherwise; and (5) does not impose any costs or obligations on Walgreens other than those provided for in this Agreement, or contain any provision inconsistent with any provision of this Agreement. If applicable state law requires that opt-out rights be afforded to members of the class, a class action resolution otherwise meeting the foregoing requirements shall qualify as a Settlement Class Resolution unless Subdivisions collectively representing more than one percent (1%) of the total population of that State opt out. In seeking certification of any Settlement Class, the applicable State and Participating Subdivisions shall make clear that certification is sought solely for settlement purposes and shall have no applicability beyond approval of the settlement for which certification is sought. Nothing in this Agreement constitutes an admission by any Party that class certification would be appropriate for litigation purposes in any case or for purposes unrelated to this Agreement.

RRR. *"Settlement Fund."* The interest-bearing fund established pursuant to this Agreement into which the Annual Remediation Payments are made under Section IV.

SSS. *"Settlement Fund Administrator."* The entity that annually determines the Annual Remediation Payment (including calculating suspension, offset or reduction and Incentive Payments pursuant to Section IV and any amounts subject to offset or reduction pursuant to Section XI and Section XII), administers the Settlement Fund, and distributes amounts into the Remediation Accounts Fund, State Fund, and Subdivision Fund pursuant to this Agreement. The duties of the Settlement Fund Administrator shall be governed by this Agreement. Prior to the Initial Participation Date, Walgreens and the Enforcement Committee shall agree to selection and removal processes for and the identity of the Settlement Fund Administrator, and a detailed description of the Settlement Fund Administrator's duties and responsibilities, including a detailed mechanism for paying the Settlement Fund Administrator's fees and costs, all of which shall be appended to the Agreement as Exhibit L.

TTT. *"Settlement Fund Escrow."* The interest-bearing escrow fund established pursuant to this Agreement to hold disputed payments made under this Agreement, and to hold the first Annual Remediation Payment until the Effective Date.

UUU. *"Settlement Payment Schedule."* The schedule attached to this Agreement as Exhibit M-1, Exhibit M-2, and Exhibit M-3.

VVV. "*Settling State.*" An Eligible State that has entered into this Agreement and delivers executed releases in accordance with Section VIII.A.

WWW. "*State*." The states, commonwealths, and territories of the United States of America, as well as the District of Columbia. The States are listed in Exhibit F-1. Additionally, the use of non-capitalized "state" to describe something (*e.g.*, "state court") shall also be read to include parallel entities in commonwealths, territories, and the District of Columbia (*e.g.*, "territorial court").

XXX. *"State Allocation."* The State Remediation Payment multiplied by the percentage for each State listed in Exhibit F-2. For the avoidance of doubt, this amount shall be the same as the Base State Remediation Payment multiplied by the percentage for each Eligible State listed in Exhibit F-1, and it does not include the Additional Remediation Amount.

YYY. *"State AG Fees and Costs."* The amount to be paid by Walgreens to the States for their litigation fees and costs pursuant to Exhibit S and Exhibit T. The State AG Fees and Costs are 2% times the State Remediation Payment, minus the Additional Remediation Amount, with the maximum amount being $63,842,206.

ZZZ. *"State Fund."* The component of the Settlement Fund described in Section V.C.

AAAA. "*State Global Allocation Percentage.*" The allocation percentages for all States as set forth in Exhibit F-1, which represents allocations before the credit for Walgreens' settlement with the State of Florida is applied.

BBBB. "*Statewide Payment Amount.*" The amount from an Annual Remediation Payment to be paid to a Settling State, its separate types of funds (if applicable), and its Participating Subdivision listed on Exhibit G.

CCCC. "*State Remediation Payment.*" The maximum amount owed by Walgreens to the States and Subdivisions, exclusive of the Private Attorney Fees, State AG Fees and Costs, Additional Remediation Amount, and is in the amount of $4,788,165,456, consisting of the Base State Remediation Payment and including a credit for Walgreens' settlement with the State of Florida in the amount of 7.02591344086813% of the Base State Remediation Payment. An additional credit for Walgreens' settlement with Suffolk and Nassau Counties in New York State in the amount of 15.31% of New York's State Allocation will be applied to New York's State Allocation pursuant to Section IV.L. For the avoidance of doubt, the credit for Walgreens' settlement with Suffolk and Nassau Counties in New York State does not reduce the State Remediation Payment as defined herein, but shall nevertheless reduce the amount owed by Walgreens pursuant to this Agreement to New York State and its Subdivisions.

DDDD. "*State-Specific Agreement*." As defined in Section IV.J.

EEEE. *"State-Subdivision Agreement."* An agreement that a Settling State reaches with the Subdivisions in that State regarding the allocation, distribution, and/or use of funds allocated to that State and to its Subdivisions. A State-Subdivision Agreement shall be effective if approved pursuant to the provisions of Exhibit O or if adopted by statute. Preexisting agreements addressing funds other than those allocated pursuant to this Agreement shall qualify if the approval requirements of Exhibit O are met. A State and its Subdivisions may revise a State-

Subdivision Agreement if approved pursuant to the provisions of Exhibit O, or if such revision is adopted by statute.

FFFF. *"Statutory Trust."* A trust fund established by state law to receive funds allocated to a Settling State's Remediation Accounts Fund and restrict any expenditures made using funds from the Settling State's Remediation Accounts Fund to Opioid Remediation, subject to reasonable administrative expenses. A State may give a Statutory Trust authority to allocate one (1) or more of the three (3) types of funds comprising such State's Settlement Fund, but this is not required.

GGGG. *"Subdivision."* Any (1) General Purpose Government (including, but not limited to, a municipality, county, county subdivision, city, town, township, parish, village, borough, gore, or any other entities that provide municipal-type government), School District, or Special District within a State, and (2) any other subdivision, subdivision official (acting in an official capacity on behalf of the subdivision) or sub-entity of or located within a State (whether political, geographical or otherwise, whether functioning or non-functioning, regardless of population overlap, and including, but not limited to, Nonfunctioning Governmental Units and public institutions) that has filed a lawsuit that includes a Released Claim against a Released Entity in a direct, *parens patriae*, or any other capacity. "General Purpose Government," "School District," and "Special District" shall correspond to the "five basic types of local governments" recognized by the U.S. Census Bureau and match the 2017 list of Governmental Units.[2] The three (3) General Purpose Governments are county, municipal, and township governments; the two (2) special purpose governments are School Districts and Special Districts.[3] "Fire District," "Health District," "Hospital District," and "Library District" shall correspond to categories of Special Districts recognized by the U.S. Census Bureau.[4] References to a State's Subdivisions or to a Subdivision "in," "of," or "within" a State include Subdivisions located within the State even if they are not formally or legally a sub-entity of the State; *provided, however*, that a "Health District" that includes any of the following words or phrases in its name shall not be considered a Subdivision: mosquito, pest, insect, spray, vector, animal, air quality, air pollution, clean air, coastal water, tuberculosis, and sanitary. Each of Lake and Trumbull Counties of Ohio shall not be considered “Subdivisions” for purposes of this Agreement.

[3] *E.g.*, U.S. Census Bureau, "Technical Documentation: 2017 Public Use Files for State and Local Government Organization" at 7 (noting that "the Census Bureau recognizes five basic types of local governments," that three of those are "general purpose governments" (county governments, municipal governments, and township governments), and that the other two are "school district and special district governments"), https://www2.census.gov/programs-surveysigus/datasets/2017/2017_gov_org_meth_tech_doc.pdf.

[4] A list of 2017 Government Units provided by the Census Bureau identifies 38,542 Special Districts and categorizes them by "FUNCTION_NAME." "Govt_Units_2017_Final" spreadsheet, "Special District" sheet, included in "Independent Governments - list of governments with reference information," https://www.census.govidataidatasets/2017/econ/gus/public-use-files.html. As used herein, "Fire District" corresponds to Special District function name "24 — Local Fire Protection," "Health District" corresponds to Special District function name "32 — Health," "Hospital District" corresponds to Special District function name "40 —Hospitals," and "Library District" corresponds to Special District function name "52 — Libraries." *See id.*

HHHH. *"Subdivision Allocation Percentage."* The portion of a Settling State's Subdivision Fund set forth in Exhibit G that a Subdivision will receive pursuant to Section V if it becomes a Participating Subdivision. The aggregate Subdivision Allocation Percentage of all Subdivisions receiving a Subdivision Allocation Percentage in each State shall equal one hundred percent (100%). Immediately upon the effectiveness of any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3 (or upon the effectiveness of an amendment to any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3) that addresses allocation from the Subdivision Fund, whether before or after the Initial Participation Date, Exhibit G will automatically be amended to reflect the allocation from the Subdivision Fund pursuant to the State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3. The Subdivision Allocation Percentages contained in Exhibit G may not change once notice is distributed pursuant to Section VII.A, except upon the effectiveness of any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3 (or upon the effectiveness of an amendment to any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3) that addresses allocation from the Subdivision Fund. For the avoidance of doubt, no Subdivision not listed on Exhibit G shall receive an allocation from the Subdivision Fund and no provision of this Agreement shall be interpreted to create such an entitlement.

IIII. *"Subdivision Fund."* The component of the Settlement Fund described in Section V.A.

JJJJ. *Subdivision Settlement Participation Form"* The form attached as Exhibit K that Participating Subdivisions must execute and return to the Implementation Administrator or Settlement Fund Administrator, and which shall (1) make such Participating Subdivisions signatories to this Agreement, (2) include a full and complete release of any and of such Subdivision's claims, and (3) require the prompt dismissal with prejudice of any Released Claims that have been filed by any such Participating Subdivision

KKKK. *"Threshold Motion."* A motion to dismiss or equivalent dispositive motion made at the outset of litigation under applicable procedure. A Threshold Motion must include as potential grounds for dismissal any applicable Bar or the relevant release by a Settling State or Participating Subdivision provided under this Agreement and, where appropriate under applicable law, any applicable limitations defense.

LLLL. *"Total Available Amount."* The sum of (1) the Adjusted State Remediation Payment, (2) State AG Fees and Costs payment and Additional Remediation Amount, as reduced for non-Settling States and (3) the Private Attorneys Fees, including any reduction to the Contingency Fee Fund.

MMMM. *"Trigger Date."* In the case of a Primary Subdivision, the Reference Date. In the case of all other Subdivisions, the Preliminary Agreement Date.

NNNN. *"Walgreens."* Walgreen Co.

II. Participation by States and Condition to Preliminary Agreement

A. *Notice to States.* On December 7 2022 this Agreement shall be distributed to all States. The States' Attorneys General shall then have until December 30, 2022 to decide whether to become Settling States. States that determine to become Settling States shall so notify Walgreens and shall further commit to obtaining any necessary additional State releases prior to the Reference Date. This notice period may be extended by written agreement of Walgreens and the Enforcement Committee.

B. *Condition to Preliminary Agreement*. Following the notice period set forth in Section II.A above, Walgreens shall determine whether, in its sole discretion, enough States have agreed to become Settling States to proceed with notice to Subdivisions as set forth in Section VII below. If Walgreens determines that this condition has been satisfied, and that notice to the Litigating Subdivisions should proceed, it will so notify the Settling States by providing notice to the Enforcement Committee on the Preliminary Agreement Date. If Walgreens determine that this condition has not been satisfied, and this Agreement will have no further effect and all releases and other commitments or obligations contained herein will be void.

C. *Later Joinder by States*. After the Preliminary Agreement Date, a State may only become a Settling State with the consent of Walgreens and the Enforcement Committee. If a State becomes a Settling State more than sixty (60) calendar days after the Preliminary Agreement Date, but on or before June 30, 2023, the Subdivisions in that State that become Participating Subdivisions within ninety (90) calendar days of the State becoming a Settling State shall be considered Initial Participating Subdivisions. A State may not become a Settling State after June 30, 2023.

D. *Litigation Activity.* Following the Preliminary Agreement Date, States that determine to become Settling States shall make reasonable efforts to cease litigation activity against Walgreens, including by jointly seeking stays or, where appropriate, severance of claim against Walgreens, where feasible, and otherwise to minimize such activity by means of agreed deadline extensions and agreed postponement of depositions, document productions, and motion practice if a motion to stay or sever is not feasible or is denied.

III. Injunctive Relief

A. *Injunctive Relief.* As part of the Consent Judgment, the Parties agree to the entry of the injunctive relief terms attached in Exhibit P.

IV. Settlement Payments

A. *Settlement Fund.* All payments under this Section IV shall be made into the Settlement Fund, except that, where specified, they shall be made into the Settlement Fund Escrow. The Settlement Fund shall be allocated and used only as specified in Section V.

B. *Annual Remediation Payments*

1. Walgreens shall make fifteen (15) Annual Remediation Payments, each comprised of Base Payments and Incentive Payments as provided in this Section IV and as determined by the Settlement Fund Administrator as set forth in this Agreement, *provided that* the Annual Remediation Payment in Payment Year 1 shall consist solely of Base Payments.

2. The combination of the Annual Remediation Payment and the Annual Fee Payment in any given Payment Year shall not exceed one-fifteenth ($1/15^{th}$) of the Total Available Amount (the "Annual Maximum"). Payments may be lower than one-fifteenth ($1/15^{th}$) of the Total Available Amount due to credits and incentive eligibility. In the event that the full amount of the Annual Remediation Payment calculated by the Settlement Fund Administrator pursuant to Section IV.C exceeds the Annual Maximum, Settling States will be paid a prorated amount of payment available up to the Annual Maximum, and any unpaid amount will be due the following Payment Year and each succeeding Payment Year until the remediation is fully paid. The payment schedule for the Annual Remediation Payments is attached hereto as Exhibit M-2. The payment schedule for the Annual Fee Payments is attached hereto as Exhibit M-3.

C. *Settlement Fund Payment Process*

1. To determine each Annual Remediation Payment for Payment Year 2 forward, the Settlement Fund Administrator shall use the data as of sixty (60) days prior to the Payment Date for each payment, unless another provision of the Agreement specifies a different date. Prior to the Effective Date, the Parties will include an exhibit to the Agreement setting forth in detail the process for the Settlement Fund Administrator obtaining relevant data and for distributing funds to the Settling States and their Participating Subdivisions listed on Exhibit G consistent with the terms of this Agreement as quickly as practical.

2. The Settlement Fund Administrator shall determine the Annual Remediation Payment and the Statewide Payment Amount for each Settling State, consistent with the provisions in Exhibit L, by:

a. Determining, for each Settling State, the amount of Base Payments and Incentive Payments to which the State is entitled by applying the criteria under Section IV.F, Section IV.G, and Section IV.H;

b. applying any offsets, credits or reductions as specified under Section IV, Section XI, and Section XII;

c. applying the annual cap on payments as specified under Section IV.B.

d. applying any adjustment required as a result of significant financial constraint, as specified under Section IV.K

e. determining the total amount owed by Walgreens to all Settling States and the Participating Subdivisions listed on Exhibit G; and

f. the Settlement Fund Administrator shall then allocate, after subtracting the portion of any Settlement Fund Administrator costs and fees owed out of funds from the Settlement Fund pursuant to Section V.C.5, the Annual Remediation Payment pursuant to Section V among the Settling States, among the separate types of funds for each Settling State (if applicable), and among the Participating Subdivisions listed on Exhibit G.

3. If, no later than fifty (50) days prior to the Payment Date, Walgreens and the Enforcement Committee inform the Settlement Fund Administrator that they agree on the amount of the Annual Remediation Payment and the Statewide Payment Amount for each Settling State, Walgreens shall pay the agreed-upon Annual Remediation Payment amount on the Payment Date and the Settlement Fund Administrator shall treat those amounts as the determination described in Section IV.C.2. If the Settlement Fund Administrator is not so informed, it shall give notice to Walgreens, the Settling States, and the Enforcement Committee of the amount of the Annual Remediation Payment, and the Statewide Payment Amount for each Settling State, following the determination described in Section IV.C.2, and the following timeline shall apply:

a. Within twenty-one (21) calendar days of the notice provided by the Settlement Fund Administrator, Walgreens, any Settling State or the Enforcement Committee may dispute, in writing, the calculation of the Annual Remediation Payment or the Statewide Payment Amount for a Settling State. Such disputing party must provide a written notice of dispute to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State, and Walgreens identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) affected.

b. Within twenty-one (21) calendar days of the sending of a written notice of dispute, any affected party may submit a response, in writing, to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State, and Walgreens identifying the basis for disagreement with the notice of dispute.

c. If no response is filed, the Settlement Fund Administrator shall adjust the amount calculated consistent with the written notice of dispute, and Walgreens shall pay the adjusted amount, collectively totaling that year's Annual Remediation Payment, on the Payment Date. If a written response to the written notice of dispute is timely sent to the Settlement Fund Administrator, the Settlement Fund Administrator shall notify Walgreens of the preliminary amount to be paid, which shall be the greater of the amount originally calculated by the Settlement Fund Administrator or the amount that would be consistent with the notice of dispute, *provided, however*, that in no circumstances shall the preliminary amount to be paid be higher than the Annual Maximum as set forth in Section IV.B.2. For the avoidance of doubt, a transfer of payments from the Settlement Fund Escrow for other Payment Years does not count toward determining whether the amount to be paid is higher than the Annual Maximum.

d. The Settlement Fund Administrator shall place any disputed amount of the preliminary amount paid by Walgreens into the Settlement Fund Escrow and shall disburse any undisputed amount to each Settling State and its Participating Subdivisions listed on Exhibit G pursuant to Section IV.C.4.

4. If a Settling State informs the Settlement Fund Administrator that it and its Participating Subdivisions listed on Exhibit G have agreed on the amount of its Statewide Payment Amount, determined pursuant to Section IV.C.2 or Section IV.C.3, to be distributed to the Settling State, among its separate types of funds (if applicable), and among its Participating Subdivisions listed on Exhibit G, the Settlement Fund Administrator shall disburse the Statewide Payment Amount pursuant to the consensus distribution amounts provided by the Settling State as quickly as practical. For a Settling State that does not so notify the Settlement Fund Administrator, the Settlement Fund Administrator shall allocate the Settling State's Statewide Payment Amount, pursuant to Section V, among the separate types of funds for the Settling State (if applicable), and among its Participating Subdivisions listed on Exhibit G using the following procedures:

a. As soon as possible for each payment and following the determination described in Section IV.C.2 or Section IV.C.3, the Settlement Fund Administrator shall give notice to the relevant Settling States and their Participating Subdivisions listed on Exhibit G of the amount to be received by each Settling State, the amount to be received by the separate types of funds for each Settling State (if applicable), and the amount to be received by each Participating Subdivision listed on Exhibit G for each Settling State.

b. Within twenty-one (21) days of the notice provided by the Settlement Fund Administrator, any Settling State or Participating Subdivision listed on Exhibit G may dispute, in writing, the calculation of the amount to be received by the relevant Settling State and/or its Participating Subdivision listed on Exhibit G. A dispute will be deemed invalid and disregarded if it challenges the allocations adopted by a State-Subdivision Agreement approved pursuant to the provisions of Exhibit O or by statute. Such disputing party must provide a written notice of dispute to the Settlement Fund Administrator, any affected Settling State, and any affected Participating Subdivision identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) affected.

c. Within twenty-one (21) days of the sending of a written notice of dispute, any affected Settling State or any affected Participating Subdivision may submit a response, in writing, to the Settlement Fund Administrator, any affected Settling State and any affected Participating Subdivision identifying the basis for disagreement with the notice of dispute.

d. If no response is filed, the Settlement Fund Administrator shall adjust the amount calculated consistent with the written notice of dispute.

e. The Settlement Fund Administrator shall place any disputed amount into the Settlement Fund Escrow and shall disburse any undisputed amount to the Settling State and its Participating Subdivisions eligible for payment.

5. Disputes described in this subsection shall be resolved in accordance with the terms of Section VI.F.

6. The Settlement Fund Administrator may combine the disbursements of Annual Remediation Payments with disbursement of funds under other comparable opioid settlements. In determining when disbursements for each Annual Remediation Payment will be made, the Settlement Fund Administrator may take into account the timeline for the availability of disbursements under other comparable opioid settlements.

7. For the avoidance of doubt, a Subdivision not listed on Exhibit G shall not receive an allocation from the Subdivision Fund and no provision of this Agreement shall be interpreted to create such an entitlement.

D. *Procedure for Annual Remediation Payment in Payment Year 1*. The process described in Section IV.C shall not apply to Payment Year 1. The procedure in lieu of Section IV.C for Payment Year 1 is as set forth below:

1. The Payment Date for Payment Year 1 is December 31, 2022 or five (5) business days after the Preliminary Agreement Date, whichever is later. Walgreens shall pay into the Settlement Fund Escrow the total amount of the Base Payment for the Eligible States that have agreed to become Settling States, pursuant to Section II.A, as of December 31, 2022 or the Preliminary Agreement Date, whichever is later. This amount shall be calculated by multiplying the aggregate Overall Allocation Percentage attributable to Eligible States that have agreed to become Settling States by the amount specified in Exhibit M-2 for Payment Year 1. Walgreens shall inform the Enforcement Committee of the Statewide Payment Amount for each Eligible State that has agreed to become a Settling State as of December 31, 2022 or the Preliminary Agreement Date, whichever is later.

2. In the event that, in accordance with the terms of Section VIII.A, Walgreens determines not to proceed with the Settlement, or the Settlement does not become effective for any other reason, the funds held in the Settlement Fund Escrow shall immediately revert to Walgreens. If the condition set forth in Section VIII.A is met, Walgreens shall pay into the Settlement Fund Escrow, no later than five (5) business days after the Reference Date, the difference between the existing escrowed amount and the total amount of the Base Payment for the Settling States as of the Initial Participation Date, which shall be calculated by multiplying those Settling States' Overall Allocation Percentage by the amount specified in Exhibit M-2 for Payment Year 1. Walgreens shall inform the Enforcement Committee of the Statewide Payment Amount for each Settling State with money included in the payment.

3. The Annual Remediation Payment for Payment Year 1 placed in the Settlement Fund Escrow pursuant to Section IV.D.1 or Section IV.D.2 shall be transferred by the Settlement Fund Administrator on the Effective Date from the Settlement Fund Escrow to the Settlement Fund for distribution to each Settling State and to its Initial Participating Subdivisions listed on Exhibit G pursuant to Section IV.C.4 through Section IV.C.7; *provided, however*, that for any Settling State where the Consent Judgment has not been entered as of the Effective Date, the funds allocable to that Settling State and its Participating Subdivisions listed on Exhibit G shall not be disbursed until ten (10) calendar days after the entry of the Consent Judgment in that State.

E. *Payment Date for Payment Years 2 through 15.* The Payment Date for Payment Year 2 is December 31, 2023. The Payment Date for Payment Year 3 is March 31, 2025, and the Payment Date for Payment Years 4 through 14 shall be each successive March 31. The Payment Date for Payment Year 15 is December 31, 2036. The Annual Remediation Payments for those Payment Years shall be made pursuant to the process set forth in Section IV.C.

F. *Offsets to Annual Remediation Payments to the Settlement Fund for Non-Settling States.* An offset equal to $4,788,165,456 times the Overall Allocation Percentage assigned to each Non-Settling State in Exhibit F-2 shall be deducted from the total amount to be paid by Walgreens to the Settlement Fund. For the avoidance of doubt, the Adjusted State Remediation Payment is calculated in a way that reflects this offset. The Base Payments and Incentive Payments are also subject to suspension, offset, and reduction as provided in Section IV.K, Section XI and Section XII.

G. *Base Payments.*

1. Subject to the offset and reduction provisions set forth in Section XI and Section XII, Walgreens shall make Base Payments into the Settlement Fund in an amount equal to forty-one percent (41%) of the Adjusted State Remediation Payment. The maximum total for Base Payments is $1,963,147,836. The Base Payments shall be due in installments consistent with Exhibit M-2 over the fifteen (15) Payment Years, subject to potential offsets for Non-Settling States as provided in Section IV.F.

2. The Base Payment for any Settling State in each Payment Year shall be the Base Payment for that Payment Year specified in Exhibit M-2 times the Settling State's Overall Allocation Percentage specified in Exhibit F-2.

H. *Incentive Payments.*

1. Subject to the offset and reduction provisions set forth in Section XI and Section XII, Walgreens shall make potential additional incentive payments totaling up to a maximum of fifty-nine percent (59%) of the Adjusted State Remediation Payment, with the Incentive Payment amount depending on whether and the extent to which the criteria set forth below are met in each Settling State. The maximum total for Incentive Payments is $2,825,017,620.

2. A Settling State qualifies to receive Incentive Payments in addition to Base Payments if it meets the incentive eligibility requirements specified below. The maximum total Incentive Payment for any Settling State shall be no more than the maximum total for Incentive Payments listed in Section IV.H.1 times the Settling State's Overall Allocation Percentage specified in Exhibit F-2. Incentive Payments are state-specific, with the actual amount depending on whether and the extent to which the criteria set forth below are met in such Settling State.

3. The incentive payments shall be divided among three (3) categories, referred to as Incentive Payments A, BC and D. Incentive Payments A and BC will be due in installments over the fourteen (14) Payment Years beginning with Payment Year 2, and Incentive Payment D will be due in installments over Payment Years 6 through 15, as shown on Exhibit M-2. The total amount of incentive payments in an Annual Remediation Payment shall be the sum of the incentive payments for which the individual Settling States are eligible for that Payment Year under the criteria set forth below. The incentive payments shall be made with respect to a specific Settling State based on its eligibility for that Payment Year under the criteria set forth below. For the avoidance of doubt, eligibility for Incentive Payments A, BC, and D shall be determined on a Settling State-by-Settling State basis.

4. Incentive Payment A.

a. Incentive Payment A is mutually exclusive with Incentive Payments BC and D; if a Settling State receives Incentive Payment A in an Annual Remediation Payment, such Settling State is not eligible for Incentive Payments BC or D in that Annual Remediation Payment.

b. Incentive Payment A shall be equal to fifty-nine percent (59%) of the Adjusted State Remediation Payment, provided all Settling States satisfy the requirements of Incentive Payment A. Incentive Payment A will be due to a Settling State as part of the Annual Remediation Payment over fourteen (14) Payment Years, starting in Annual Remediation Payment 2, and shall equal a total potential maximum of $2,825,017,620 if all states are eligible. Each Settling State's share of Incentive Payment A in a given year, *provided* that Settling State is eligible, shall equal the total maximum amount available for Incentive Payment A for that year as reflected in Exhibit M-2 times the Settling State's Overall Allocation Percentage.

c. Eligibility for Incentive Payment A is as follows: A Settling State is eligible for Incentive Payment A if, as of two (2) years of the Effective Date: (i) there is a Bar in that State in full force and effect, (ii) there is a Settlement Class Resolution in that State in full force and effect, (iii) the Released Claims of all of the following entities are released through the execution of Subdivision Settlement Participation Forms, or there is a Case-Specific Resolution against such entities: all Primary Subdivisions, Litigating Subdivisions, School Districts with a K-12 student enrollment of at least 25,000 or .10% of a State's population, whichever is greater, Hospital Districts that have at least one hundred twenty-five

(125) hospital beds in one or more hospitals rendering services in that district, and Primary Fire Districts; or (iv) a combination of the actions in clauses (i)-(iii) has achieved the same level of resolution of Claims by Subdivisions *(e.g.,* a Bar against future litigation combined with full joinder by Litigating Subdivisions). For the avoidance of doubt, subsection (iv) cannot be satisfied unless all Litigating Subdivisions are Participating Subdivisions or there is a Case-Specific Resolution against any such Subdivisions that are not Participating Subdivisions. Walgreens and the Enforcement Committee shall meet and confer in order to agree on data sources for purposes of this Section prior to the Preliminary Agreement Date.

d. A Settling State that is not eligible for Incentive Payment A as of two (2) years after the Effective Date shall not be eligible for Incentive Payment A for that Payment Year or any subsequent Payment Years.

e. Walgreens shall indicate before the Initial Participation Date whether existing legislation in a Settling State is sufficient to qualify as a Bar.

f. If a Settling State is not eligible for Incentive Payment A as of the Payment Date for Payment Year 2, and becomes eligible for Incentive Payment A as of Payment Date for Payment Year 3, it shall receive the payment that it would have received for Incentive Payment A for Payment Year 2 (the "Incentive Payment A Catch-up Payment") beginning on the Payment Date for Payment Year 3. If a Settling State is not eligible for Incentive Payment A as of the Payment Date for Payment Year 3, and becomes eligible for Incentive Payment A as two (2) years after the Effective Date, it shall receive the payment that it would have received for Incentive Payment A for Payment Years 2 and 3 (also an "Incentive Payment A Catch-up Payment") beginning on the Payment Date for Payment Year 4. The Incentive A Catch-up Payment shall be reduced by any amounts paid to the Settling State under Incentives Payments B or C prior to the Settling State's eligibility for Incentive Payment A. The Incentive Payment A Catch-up Payment is subject to the Annual Maximum as set forth in Section IV.B.2. In the event that the full amount of Incentive Payment A Catch-up Payments is limited by the Annual Maximum, the process set forth in Section IV.B.2 shall apply.

g. If Walgreens made a payment under Incentive Payment A solely on the basis of a Bar or Settlement Class Resolution in a Settling State and that Bar or Settlement Class Resolution is subsequently removed, revoked, rescinded, reversed, overruled, interpreted in a manner to limit the scope of the release, or otherwise deprived of force or effect in any material respect, that Settling State shall not be eligible for Incentive Payment A thereafter, unless the State requalifies for Incentive Payment A through any method pursuant to Section IV.H.4.b, in which case the Settling State shall be eligible for Incentive Payment A less any litigation fees and costs incurred by Walgreens in the interim, except that, if the re-imposition occurs after the completion of opening statements in a

trial involving a Released Claim, the Settling State shall not be eligible for Incentive Payment A (unless this exception is waived by Walgreens).

5. Incentive Payment BC.

a. Incentive Payment BC shall be available to Settling States that do not qualify for Incentive Payment A.

b. Incentive Payment BC shall be up to a maximum of fifty-six percent (56%) of the Settling State's State Allocation. Incentive Payment A will be due to a Settling State as part of the Annual Remediation Payment over fourteen (14) Payment Years, starting in Annual Remediation Payment 2. Subject to Section IV.F, Incentive Payment BC shall equal a total potential maximum of $2,681,372,654 if all states are eligible.

c. A Settling State may earn Incentive Payment BC in Annual Remediation Payments 2 through 15 and may receive, when combined with the Settling State's Base Payment, a maximum of up to ninety-seven 97% of the Settling State's State Allocation. The maximum Incentive Payment BC for any Settling State in a given Payment Year shall be the Incentive Payment BC for that Payment Year specified in Exhibit M-2 times the Settling State's Overall Allocation Percentage specified in Exhibit F-2, provided such Settling State becomes eligible for Incentive Payment BC by sixty (60) days before the Payment Date for Payment Year 6.

d. The amount of Incentive Payment BC for which a Settling State is eligible shall be determined based on the aggregate population of the Settling State's Incentive BC Subdivisions that are Participating Subdivisions or have had their claims resolved through a Case-Specific Resolution, divided by the aggregate population of all the Settling State's Incentive BC Subdivisions. The Settling State's Incentive BC Subdivisions are (i) all Litigating Subdivisions (including School Districts and Special Districts) and (ii) all Non-Litigating Threshold Subdivisions (collectively, all Litigating Subdivisions and all Non-Litigating Threshold Subdivisions are "*Incentive BC Subdivisions*").

e. The percentage of the Settling State's maximum Incentive Payment BC for the Payment Year provided by Section IV.H.5.c to which the Settling State is entitled shall be determined according to the table of Incentive BC payment levels below:

Participation Percentage of Incentive BC Eligible Subdivision Population[5]	Incentive Payment BC Percentage for the Relevant Payment Year
Less than 85%	0%
85% or more but less than 86%	3.57%
86% or more but less than 87%	8.93%
87% or more but less than 88%	14.29%
88% or more but less than 89%	19.64%
89% or more but less than 90%	25%
90% or more but less than 91%	30.36%
91% or more but less than 92%	35.71%
92% or more but less than 93%	41.07%
93% or more but less than 94%	46.43%
94% or more but less than 95%	51.79%
95% or more but less than 96%	60.71%
96% or more but less than 97%	68.75%
97% or more but less than 98%	76.79%
98% or more but less than 99%	84.82%
99% or more but less than 100%	92.86%
100%	100%

[5] The "Participation Percentage of Incentive BC Eligible Subdivision Population" shall be determined by the aggregate population of the Settling State's Incentive BC Subdivisions that are Participating Subdivisions, or have had their claims resolved through a Case-Specific Resolution, divided by the aggregate population of the Settling State's Incentive BC Subdivisions. In calculating the Settling State's population that resides in Incentive BC Subdivisions, the population of the Settling State's Incentive BC Subdivisions shall be the sum of the population of all Incentive BC Subdivisions in the Settling State, notwithstanding that persons may be included within the population of more than one Incentive BC Subdivision. An individual Subdivision shall not be included more than once in the numerator, and shall not be included more than once in the denominator, of the calculation regardless if it (or any of its officials) is named as multiple plaintiffs in the same lawsuit; provided, however, that for the avoidance of doubt, no Subdivision will be excluded from the numerator or denominator under this sentence unless a Subdivision otherwise counted in the denominator has the authority to release the Claims (consistent with Section XI) of the Subdivision to be excluded.

f. For Payment Years 2-5, the percentage of the available Incentive Payment BC amount for which a Settling State is eligible will be based on the Participation Percentage of Incentive BC Eligible Subdivision Population as of sixty (60) days before the Payment Date. For Payment Years 6-15, the percentage of the available Incentive Payment BC amount for which a Settling State is eligible will be based on the Participation Percentage of Incentive BC Eligible Subdivision Population as of sixty (60) days before the Payment Date for Payment Year 6. If Incentive BC Eligible Subdivisions that have become Participating Subdivisions, or achieved Case-Specific Resolution status, collectively represent less than eighty-five percent (85%) of a Settling State's Incentive BC Eligible Subdivision population by sixty (60) days before the Payment Date for Payment Year 6, the Settling State shall not receive any Incentive Payment BC.

g. If there are no Incentive BC Eligible Subdivisions in a Settling State, and that Settling State is otherwise eligible for Incentive Payment BC because it is not eligible for Incentive Payment A, that Settling State will receive its maximum Incentive Payment BC for that Annual Remediation Payment provided by Section IV.H.5.c.

6. Incentive Payment D.

a. Incentive Payment D shall be available to Settling States that do not qualify for Incentive Payment A.

b. Incentive Payment D shall be equal to up to a maximum of ten percent (10%) of the Adjusted State Remediation Payment, with the actual amount depending whether and the extent to which the criteria set forth below are met in each Settling State. The maximum total for Incentive Payment D is $478,816,550.[6]

c. Incentive Payment D shall be paid starting at Payment Year 6 and the amount of Incentive Payment D in Payment Years 6-15 will depend on (i) the Settling State's eligibility as set out in Section IV.H.6.d and (ii) the Participation Percentage of Incentive BC Eligible Subdivision Population achieved by the Settling State as of sixty (60) days prior to the Payment Date for Payment Year 6.

d. A Settling State is eligible for Incentive Payment D if no Later Litigating Subdivision (for purposes of Incentive Payment D, Later Litigating Subdivisions are limited to (i) a Primary Subdivision; (ii) a school district with a

[6] The Incentive Payment BC table specified in Section IV.H.5.f and Incentive Payment D table specified in Section IV.H.6.e operate so that the combined amount of Incentive Payment BC and Incentive Payment D cannot exceed fifty-nine percent (59%) of the Adjusted State Remediation Payment over the term of the Agreement. Walgreens will have no obligation to pay more than $2,825,017,620 for the combined amounts of Incentive Payment BC and Incentive Payment D minus any offsets for Non-Settling States specified in Section IV.F.

K-12 student enrollment of at least 25,000 or 0.10% of the State's population, whichever is greater; (iii) a health district or hospital district that has at least one hundred twenty-five (125) hospital beds in one or more hospitals rendering services in that district; and (iv) Primary Fire Districts) in that State has a lawsuit against a Released Entity survive more than six (6) months after denial in whole or in part of a Threshold Motion.

e. A Settling State's eligibility for Incentive Payment D shall be determined as of sixty (60) calendar days prior to the Payment Date ("*Incentive Payment D Look-Back Date*"). If a Later Litigating Subdivision's lawsuit in that State survives more than six (6) months after denial in whole or in part a Threshold Motion after that date, that State shall not be eligible for Incentive Payment D for the Payment Year in which that occurs and any subsequent Payment Year.

f. The Incentive Payment D for any Settling State eligible for Incentive Payment D in Payment Years 6-15 shall be equal to between three percent (3%) and ten percent (10%) of the of the State Remediation Payment times the Settling State's Overall Allocation Percentage specified in Exhibit F-2. The applicable percentage shall be determined based on the Participation Percentage of Incentive BC Eligible Subdivision Population achieved by the Settling State as of sixty (60) days prior to the Payment Date for Payment Year 6 as shown in the table below:

Participation Percentage of Incentive BC Eligible Subdivision Population as of sixty (60) days prior to the Payment Date for Payment Year 6	**Each Eligible Settling State's Applicable Incentive Payment D Percentage**
Participation of less than 95%	10% of State Allocation
Participation of 95% but less than 96%	9% of State Allocation
Participation of 96% but less than 97%	8% of State Allocation
Participation of 97% but less than 98%	7% of State Allocation
Participation of 98% but less than 99%	6% of State Allocation
Participation of 99% but less than 100%	5% of State Allocation
Participation of 100%	3% of State Allocation

g. Incentive Payment D shall be paid in the installments of ten percent (10%) per year. In the event that the full amount of Incentive D is limited by the Annual Maximum, the process set forth in Section IV.B.2 shall apply. Prior to making the Annual Remediation Payment for Payment Years 6 through 15, the Settlement Fund Administrator shall determine a Settling State's eligibility for Incentive Payment D as of the Incentive Payment D Look-Back Date for that Payment Year. Prior to the Incentive Payment D Look-Back Date for each Payment Year, Walgreens may provide the Settlement Fund Administrator and the Enforcement Committee with notice identifying any Settling State(s) it

believes do not qualify for Incentive Payment D and information supporting its belief.

h. Notwithstanding Section IV.H.6.d and Section IV.H.6.e, a Settling State can become re-eligible for Incentive Payment D if the lawsuit that survived a Threshold Motion is dismissed pursuant to a later motion on grounds included in the Threshold Motion, in which case the Settling State shall be eligible for Incentive Payment D less any litigation fees and costs incurred by Walgreens in the interim, except that if the dismissal motion occurs after the completion of opening statements in such action, the Settling State shall not be eligible for Incentive Payment D.

I. In no event shall any Settling State receive Base Payments and Incentive Payments totaling more than one hundred percent (100%) of its respective Overall Allocation Percentage specified in Exhibit F-2 times the State Remediation Payment.

J. *State Specific Agreements.* Notwithstanding any other provision of this Agreement or any other agreement, in the event that: (1) Walgreens enters into an agreement with any Eligible State that resolves with finality such State's Claims consistent with Section XI of this Agreement and such agreement has an effective date prior to the Effective Date of this Agreement (such agreement, a "*State-Specific Agreement*") and (2) pursuant to the terms of the State-Specific Agreement, any payments, or any portion thereof, made by the Walgreens thereunder are made in lieu of any payments, or any portion thereof, to be made under this Agreement and Walgreens makes such a payment pursuant to the State-Specific Agreement, then Walgreens will reduce any payments allocable to such State (whether made to the Settlement Fund Escrow or the Settlement Fund) made pursuant to this Agreement in proportion to the Overall Allocation Percentage for such State.

K. *Significant Financial Constraint.*

1. Walgreens may suspend its payments if, as of thirty (30) calendar days preceding an annual Payment Date, Walgreens' credit rating from one or more of the three nationally recognized rating agencies is below BBB- or Baa3, except if within the prior three (3) months it repurchased any shares (other than those shares required to make the Company's compensation programs non-dilutive), funded new acquisitions with a purchase price greater than $250 million, or paid a dividend. Walgreens shall not utilize this provision until after payment of the first two Annual Remediation Payments.

2. The suspension shall last until thirty (30) days after Walgreens achieves a BBB- or Baa3 or higher credit rating from all nationally recognized rating agencies that rate Walgreens, at which point Walgreens shall make a payment equal to the lowest of the remaining Total Available Amount or one-thirtieth ($1/30^{th}$) of the Total Available Amount (the "*Post-Suspension Payment*").

3. Annual Remediation Payments and Annual Fees Payments shall be made on the schedule prescribed in Exhibit M-2 and Exhibit M-3 beginning in the Payment Year following the Post-Suspension Payment (i.e., if the last payment made pre-suspension was the Annual

Remediation Payment 6, the Post-Suspension Payment would be made on schedule for Annual Remediation Payment 7), but shall remain capped at one-thirtieth ($1/30^{th}$) of the Total Available Amount for two Payment Years until and unless Walgreens' credit rating from all of the three nationally recognized rating agencies that rate Walgreens increases to BBB or Baa2 (the "Reduced Payment Termination Date").

4. If Walgreens has reason to believe that it will not be able to the Annual Remediation Payment or Annual Fees Payment for a Payment Year, it shall provide at least ninety (90) calendar days' prior written notice to the Settlement Fund Administrator and Enforcement Committee (a "*Deferred Payment Notice*"). Any Deferred Payment Notice shall specify and include: (a) the gross amount of the payments owed, (b) the amount that Walgreens believes it will be unable to pay, (c) the accounting and audited financial documents upon which Walgreens relied for making this determination, and (d) any other relevant information for the Enforcement Committee to consider.

5. Deferrals and payments made pursuant to Section IV.K.2-3 will apply proportionally across Base Payments and Incentive Payments. For the avoidance of doubt, this Section IV.K applies fully to Payment Years after the first two (2) Annual Remediation Payment Dates, including the Base Payments and all Incentive Payments due pursuant to this Agreement during the Payment Year at issue.

6. Walgreens shall pay any amounts deferred due to suspension or reduced Post-Suspension Payments, including applicable interest, or before the Payment Date for Payment Year 15.

7. If Walgreens defers some or all of the payments due in a Payment Year pursuant to this Section IV.K, it shall not repurchase any shares (other than those shares required to make the Company's compensation programs non-dilutive), or fund new acquisitions with a purchase price greater than $250 million during the deferral period or until the deferred amount is fully repaid with interest.

8. Any payments deferred under this Section IV.K shall bear interest at a 7% per annum.

9. In the event that Walgreens suspends and/or defers Annual Payments pursuant to Section IV.K.1-2, Walgreens shall repay the suspended and/or deferred payments as follows:

a. If Walgreens suspends payments for up to one year, it shall repay the suspended and/or deferred payments within three Payment Years after the Reduced Payment Termination Date. For each of those three Payment Years, Walgreens shall pay its Annual Remediation Payment and Annual Fee Payment, if applicable, plus the sum of (1) the amount of payments suspended pursuant to Section IV.K.1; (2) the amount of underpayments due to deferral pursuant to Section IV.K.2; and (3) interest pursuant to Section IV.K.8, divided by three or the remaining number of Payment Years, whichever is smaller.

b. If Walgreens suspends payments for longer than one year and up to three years, it shall repay the suspended and/or deferred payments within six Payment Years after the Reduced Payment Termination Date. For each of those six Payment Years, Walgreens shall pay its Annual Remediation Payment and Annual Fee Payment, if applicable, plus the sum of (1) the amount of payments suspended pursuant to Section IV.K.1; (2) the amount of underpayments due to deferral pursuant to Section IV.K.2; and (3) interest pursuant to Section IV.K.8, divided by six or the remaining number of Payment Years, whichever is smaller.

c. If Walgreens suspends payments for longer than three years, it shall repay the suspended and/or deferred payments by no later than the Payment Date for Payment Year 15. For each of the remaining Payment Years, Walgreens shall pay its Annual Remediation Payment and Annual Fee Payment, if applicable, plus the sum of (1) the amount of payments suspended pursuant to Section IV.K.1; (2) the amount of underpayments due to deferral pursuant to Section IV.K.2; and (3) interest pursuant to Section IV.K.8, divided by the number of remaining Payment Years.

L. *New York Prior Settlement Credit*. Walgreens shall not be required to pay into the Settlement Fund 15.31% of New York's State Allocation as otherwise calculated pursuant to this Section IV as a credit for Walgreens' settlement with Suffolk and Nassau Counties in New York State. For the avoidance of doubt, this credit shall solely reduce the amount New York State and its Subdivisions would otherwise have received under this Agreement, and it shall not affect the amount received by any other Settling State or their Subdivisions.

V. Allocation and Use of Settlement Payments

A. *Components of Settlement Fund.* The Settlement Fund shall be funded by the Annual Remediation Payments and comprised of a Remediation Accounts Fund, a State Fund, and a Subdivision Fund for each Settling State. The payments made under Section IV into the Settlement Fund shall be initially allocated among those three (3) sub-funds and distributed and used as provided below. Payments placed into the Settlement Fund do not revert back to Walgreens.

B. *Use of Settlement Payments.*

1. It is the intent of the Parties that the payments disbursed from the Settlement Fund to Settling States and Participating Subdivisions be for Opioid Remediation, subject to exceptions that must be documented in accordance with Section V.B.2. In no event may less than ninety-five (95%) of Walgreens' maximum amount of payments pursuant to Section IV as set forth on Exhibit M-2 over the entirety of all Payments Years (but not any single Payment Year) be spent on Opioid Remediation.

2. While disfavored by the Parties, a Settling State or a Participating Subdivision set forth on Exhibit G may use monies from the Settlement Fund (that have not been restricted by this Agreement solely to future Opioid Remediation) for purposes that do not qualify as Opioid Remediation. If, at any time, a Settling State or a Participating Subdivision set forth on Exhibit G

uses any monies from the Settlement Fund for a purpose that does not qualify as Opioid Remediation, such Settling State or Participating Subdivision set forth on Exhibit G shall identify such amounts and report to the Settlement Fund Administrator and Walgreens how such funds were used, including if used to pay attorneys' fees, investigation costs, litigation costs, or costs related to the operation and enforcement of this Agreement, respectively. It is the intent of the Parties that the reporting under this Section V.B.2 shall be available to the public. For the avoidance of doubt, (a) any amounts not identified under this Section V.B.2 as used to pay attorneys' fees, investigation costs, or litigation costs by December 15 each year shall be included in the Compensatory Restitution Amount for purposes of Section V.F and (b) Participating Subdivisions not listed on Exhibit G may only use monies from the Settlement Fund for purposes that qualify as Opioid Remediation.

C. *Allocation of Settlement Fund.* The allocation of the Settlement Fund allows for different approaches to be taken in different states, such as through a State-Subdivision Agreement. Given the uniqueness of States and their Subdivisions, Settling States and their Subdivisions are encouraged to enter into State-Subdivision Agreements in order to direct the allocation of their portion of the Settlement Fund. As set out below, the Settlement Fund Administrator will make an initial allocation to three (3) state-level sub-funds. The Settlement Fund Administrator will then, for each Settling State and its Participating Subdivisions, apply the terms of this Agreement and any relevant State-Subdivision Agreement, Statutory Trust, Allocation Statute, or voluntary redistribution of funds as set out below before disbursing the funds.

1. Base Payments. The Settlement Fund Administrator will allocate Base Payments under Section IV.G among the Settling States pursuant to Section IV.G.2. Base payments for each Settling State will then be allocated fifteen percent (15%) to its State Fund, seventy percent (70%) to its Remediation Accounts Fund, and fifteen percent (15%) to its Subdivision Fund. Amounts may be reallocated and will be distributed as provided in Section V.D.

2. Incentive Payments. The Settlement Fund Administrator will treat Incentive Payments under Section IV.H on a State-specific basis. Incentive Payments for which a Settling State is eligible under Section IV.F will be allocated fifteen percent (15%) to its State Fund, seventy percent (70%) to its Remediation Accounts Fund, and fifteen percent (15%) to its Subdivision Fund. Amounts may be reallocated and will be distributed as provided in Section V.D.

3. Application of Adjustments. If a suspension, offset or reduction under Section XI or Section XII applies with respect to a Settling State, the suspension, offset or reduction shall be applied proportionally to all amounts that would otherwise be apportioned and distributed to the State Fund, the Remediation Accounts Fund, and the Subdivision Fund for that State.

4. Settlement Fund Administrator. Prior to the Initial Participation Date, Walgreens and the Enforcement Committee will agree to a detailed mechanism consistent with the foregoing for the Settlement Fund Administrator to follow in allocating, apportioning, and distributing payments, which shall then be appended hereto as Exhibit L.

5. Settlement Fund Administrator Costs. Any costs and fees associated with or arising out of the duties of the Settlement Fund Administrator as described in Exhibit L shall be

paid from the interest accrued in the Settlement Fund Escrow and the Settlement Fund; *provided, however*, that if such accrued interest is insufficient to pay the entirety of any such costs and fees, Walgreens shall pay fifty percent (50%) of the additional amount and fifty percent (50%) shall be paid out of the Settlement Fund.

D. *Settlement Fund Reallocation and Distribution.* As set forth below, within a particular Settling State's account, amounts contained in the Settlement Fund sub-funds may be reallocated and distributed per a State-Subdivision Agreement or other means. If the apportionment of amounts is not addressed and controlled under Section V.D.1 and Section V.D.2, then the default provisions of Section V.D.4 apply. It is not necessary that a State-Subdivision Agreement or other means of allocating funds pursuant to Section V.D.1 and Section V.D.2 address all of the Settlement Fund sub-funds. For example, a Statutory Trust might only address disbursements from a Settling State's Remediation Accounts Fund.

1. Distribution by State-Subdivision Agreement. If a Settling State has a State-Subdivision Agreement, amounts apportioned to that State's State Fund, Remediation Accounts Fund, and Subdivision Fund under Section V.C shall be reallocated and distributed as provided by that agreement. Any State Subdivision Agreement entered into after the Preliminary Agreement Date shall be applied only if it requires: (a) that all amounts be used for Opioid Remediation, except as allowed by Section V.B.2, and (b) that at least seventy percent (70%) of amounts be used solely for future Opioid Remediation.[7] For a State-Subdivision Agreement to be applied to the relevant portion of an Annual Payment, notice must be provided to Walgreens and the Settlement Fund Administrator at least sixty (60) calendar days prior to the Payment Date.

2. Distribution by Allocation Statute. If a Settling State has an Allocation Statute and/or a Statutory Trust that addresses allocation or distribution of amounts apportioned to such State's State Fund, Remediation Accounts Fund, and/or Subdivision Fund and that, to the extent any or all such sub-funds are addressed, requires (1) all amounts to be used for Opioid Remediation, except as allowed by Section V.B.2[8], and (2) at least seventy percent (70%) of all amounts to be used solely for future Opioid Remediation then, to the extent allocation or distribution is addressed, the amounts apportioned to that State's State Fund, Remediation Accounts Fund, and Subdivision Fund under Section V.C shall be allocated and distributed as addressed and provided by the applicable Allocation Statute or Statutory Trust. For the avoidance of doubt, an Allocation Statute or Statutory Trust need not address all three (3) sub-funds that comprise the Settlement Fund, and if the applicable Allocation Statute or Statutory Trust does not address distribution of all or some of these three (3) sub-funds, the applicable Allocation Statute or Statutory Trust does not replace the default provisions described in Section V of any such unaddressed fund. For example, if an Allocation Statute or Statutory Trust that meets the requirements of this Section V.D.2 only addresses funds restricted to remediation, then the default provisions of this Agreement concerning allocation among the three (3) sub-funds comprising the Settlement Fund and the distribution of the State Fund and Subdivision Fund for

[7] Future Opioid Remediation includes amounts paid to satisfy any future demand by another governmental entity to make a required reimbursement in connection with the past care and treatment of a person related to the Alleged Harms

that State would still apply, while the distribution of the applicable State's Remediation Accounts Fund would be governed by the qualifying Allocation Statute or Statutory Trust.

3. Voluntary Redistribution. A Settling State may choose to reallocate all or a portion of its State Fund to its Remediation Accounts Fund. A Participating Subdivision included on Exhibit G may choose to reallocate all or a portion of its allocation from the Subdivision Fund to the State's Remediation Accounts Fund or to another Participating Subdivision. The Settlement Fund Administrator is not required to honor a voluntary redistribution for which notice is provided to it less than sixty (60) calendar days prior to the applicable Payment Date.

4. Distribution in the Absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. If Section V.D.1 and Section V.D.2 do not apply, amounts apportioned to that State's State Fund, Remediation Accounts Fund, and Subdivision Fund under Section V.C shall be distributed as follows:

a. Amounts apportioned to that State's State Fund shall be distributed to that State.

b. Amounts apportioned to that State's Remediation Accounts Fund shall be distributed consistent with Section V.E. Each Settling State shall submit to the Settlement Fund Administrator a designation of a lead state agency or other entity to serve as the single point of contact for that Settling State's funding requests from the Remediation Accounts Fund and other communications with the Settlement Fund Administrator. The designation of an individual entity is for administrative purposes only and such designation shall not limit funding to such entity or even require that such entity receive funds from this Agreement. The designated entity shall be the only entity authorized to request funds from the Settlement Fund Administrator to be disbursed from that Settling State's Remediation Accounts Fund. If a Settling State has established a Statutory Trust then that Settling State's single point of contact may direct the Settlement Fund Administrator to release the State's Remediation Accounts Fund to the Statutory Trust.

c. Amounts apportioned to that State's Subdivision Fund shall be distributed to Participating Subdivisions in that State included on Exhibit G per the Subdivision Allocation Percentage listed in Exhibit G. Section VII.I shall govern amounts that would otherwise be distributed to Non-Participating Subdivisions listed in Exhibit G. For the avoidance of doubt and notwithstanding any other provision in this Agreement, no Non-Participating Subdivision will receive any amount from the Settlement Fund, regardless of whether such Subdivision is included on Exhibit G.

d. Special Districts shall not be allocated funds from the Subdivision Fund, except through a voluntary redistribution allowed by Section V.D.3 to Special Districts that are Participating Subdivisions. A Settling State may allocate funds from its State Fund or Remediation Accounts Fund for Special Districts that are Participating Subdivisions.

5. Restrictions on Distribution. No amounts may be distributed from the Subdivision Fund contrary to Section VII, i.e., no amounts may be distributed directly to Non-Participating Subdivisions or to Later Participating Subdivisions to the extent such a distribution would violate Section VII.E through Section VII.H. Amounts allocated to the Subdivision Fund that cannot be distributed by virtue of the preceding sentence shall be distributed into the sub-account in the Remediation Accounts Fund for the Settling State in which the Subdivision is located, unless those payments are redirected elsewhere by a State-Subdivision Agreement described in Section V.D.1 or by an Allocation Statute or a Statutory Trust described in Section V.D.2.

E. *Provisions Regarding the Remediation Accounts Fund.*

1. State-Subdivision Agreement, Allocation Statute, and Statutory Trust Fund Provisions. A State-Subdivision Agreement, Allocation Statute, or Statutory Trust may govern the operation and use of amounts in that State's Remediation Accounts Fund so long as it complies with the requirements of Section V.D.1 or Section V.D.2, as applicable, and all direct payments to Subdivisions comply with Section VII.E through Section VII.H.

2. Absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. In the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust that addresses distribution, the Remediation Accounts Fund will be used solely for future Opioid Remediation[9] and the following shall apply with respect to a Settling State:

a. Regional Remediation.

(i) At least fifty percent (50%) of distributions for remediation from a State's Remediation Accounts Fund shall be annually allocated and tracked to the regional level. A Settling State may allow the Advisory Committee established pursuant to Section V.E.2.c to define its regions and assign regional allocations percentages. Otherwise, the State shall (A) define its initial regions, which shall consist of one (1) or more General Purpose Subdivisions and which shall be designated by the state agency with primary responsibility for substance abuse disorder services employing, to the maximum extent practical, existing regions established in that State for opioid abuse treatment or other public health purposes; (B) assign initial regional allocation percentages to the regions based on the Subdivision Allocation Percentages in Exhibit G and an assumption that all Subdivisions included on Exhibit G will become Participating Subdivisions.

(ii) This minimum regional expenditure percentage is calculated on the Settling State's initial Remediation Accounts Fund allocation and does not include any additional amounts a Settling State has directed to its Remediation Accounts Fund from its State Fund, or any other amounts directed to the fund. A Settling State may dedicate more than fifty percent (50%) of its Remediation Accounts Fund to the regional expenditure and may annually adjust the percentage of its Remediation

Accounts Fund dedicated to regional expenditures as long as the percentage remains above the minimum amount.

(iii) The Settling State (A) has the authority to adjust the definition of the regions, and (B) may annually revise the percentages allocated to each region to reflect the number of General Purpose Subdivisions in each region that are Non-Participating Subdivisions.

b. *Subdivision Block Grants.* Certain Subdivisions shall be eligible to receive regional allocation funds in the form of a block grant for future Opioid Remediation. A Participating Subdivision eligible for block grants is a county or parish (or in the case of States that do not have counties or parishes that function as political subdivisions, a city) that (1) does not contain a Litigating Subdivision or a Later Litigating Subdivision for which it has the authority to end the litigation through a release, bar or other action, (2) either (i) has a population of 400,000 or more or (ii) in the case of California has a population of 750,000 or more and (3) has funded or otherwise managed an established health care or treatment infrastructure *(e.g.,* health department or similar agency). Each Subdivision eligible to receive block grants shall be assigned its own region.

c. *Small States.* Notwithstanding the provisions of Section V.E.2.a, Settling States with populations under four (4) million that do not have existing regions described in Section V.E.2.a shall not be required to establish regions. However, such a Settling State that contains one (1) or more Subdivisions eligible for block grants under Section V.E.2.b shall be divided regionally so that each block-grant eligible Subdivision is a region and the remainder of the state is a region.

d. *Advisory Committee.* The Settling State shall designate an Opioid Settlement Remediation Advisory Committee (the *"Advisory Committee")* to provide input and recommendations regarding remediation spending from that Settling State's Remediation Accounts Fund. A Settling State may elect to use an existing advisory committee or similar entity (created outside of a State-Subdivision Agreement or Allocation Statute); *provided, however,* the Advisory Committee or similar entity shall meet the following requirements:

(i) Written guidelines that establish the formation and composition of the Advisory Committee, terms of service for members, contingency for removal or resignation of members, a schedule of meetings, and any other administrative details;

(ii) Composition that includes at least an equal number of local representatives as state representatives;

(iii) A process for receiving input from Subdivisions and other communities regarding how the opioid crisis is affecting their

communities, their remediation needs, and proposals for remediation strategies and responses; and

(iv) A process by which Advisory Committee recommendations for expenditures for Opioid Remediation will be made to and considered by the appropriate state agencies.

3. Remediation Accounts Fund Reporting. The Settlement Fund Administrator shall track and assist in the report of remediation disbursements as agreed to among the Walgreens and the Enforcement Committee

F. Nature of Payment. Each of the Settling States, the Participating Subdivisions and Walgreens acknowledges, agrees and understands that, notwithstanding anything to the contrary in this Agreement, for purposes of Section 162(f) of the Internal Revenue Code, the Compensatory Restitution Amount paid by Walgreens (up to $4,788,165,456 to be paid out over fifteen (15) years) constitutes restitution or remediation, as defined in Treasury Regulation § 1.162-21(e)(4), for damage or harm allegedly caused by the potential violation of a law and is an amount paid for the purpose of remediating the damage or harm allegedly caused, including to restore the affected persons, Settling States and Participating Subdivisions to the same or substantially similar position or condition as existed prior to such damage or harm allegedly caused. The Parties acknowledge, agree and understand that only the Private Attorneys Fees, tate AG Fees and Costs, and Additional Remediation Amount (up to $734,363,310) represent reimbursement to Settling States, Participating Subdivisions listed on Exhibit G, or any other person or entity for the fees and costs of any investigation or litigation, that no portion of the Compensatory Restitution Amount represents reimbursement to Plaintiffs or any other person or entity for the fees and costs of any investigation or litigation, and no portion of the Compensatory Restitution Amount represents or should properly be characterized as the payment of fines, penalties or other punitive assessments. Releasors acknowledge, agree and understand that Walgreens intends to allocate the cost of the Annual Remediation Payments among the Releasees using a reasonable basis. The Designated State, on behalf of all Settling States and Participating Subdivisions shall complete and file Form 1098-F with the Internal Revenue Service on or before February 28 (March 31 if filed electronically) of the year following the calendar year in which the order entering this Agreement becomes binding. The Form 1098-F shall identify the entire Adjusted State Remediation Payment except as reported pursuant to Section V.B.2 as of December 31, 2023, as remediation/restitution amounts, and Releasors shall furnish Copy B of such Form 1098-F to Walgreens on or before January 31 of the year following the calendar year in which the order entering this Agreement becomes binding. Walgreens makes no warranty or representation to Releasors as to the tax consequences of the Compensatory Restitution Amount, Adjusted State Remediation Payment, the Private Attorneys Fees, or State AG Fees and Costs or any portion thereof. Further, Releasors specifically acknowledge that no portion of the Compensatory Restitution Amount shall be used for general enforcement efforts or other discretionary purposes as described in Treasury Regulation § 1.162-21(e)(4)(i)(C).

VI. Enforcement

A. *Enforceability.* This Agreement is enforceable only by the Settling States and Walgreens; *provided, however,* that Released Entities may enforce Section X and Participating

Subdivisions listed on Exhibit G have the enforcement rights described in Section VI.D. Except to the extent allowed by the Injunctive Relief Terms, Settling States and Participating Subdivisions shall not have enforcement rights against Walgreens with respect to either the terms of this Agreement that apply only to or in other States or any Consent Judgment entered into by another Settling State. Participating Subdivisions shall not have enforcement rights against Walgreens with respect to this Agreement or any Consent Judgment except that Participating Subdivisions listed on Exhibit G shall have enforcement rights as set forth herein as to payments that would be allocated to the Subdivision Fund or Remediation Accounts Fund pursuant to Section V; *provided, however,* that each Settling State shall allow Participating Subdivisions in such Settling State to notify it of any perceived violations of this Agreement or the applicable Consent Judgment.

B. *Jurisdiction.* Walgreens consents to the jurisdiction of the court in which each Settling State files its Consent Judgment, limited to resolution of disputes identified in Section VI.F.1 for resolution in that court.

C. *Specific Terms Dispute Resolution.*

1. Any dispute that is addressed by the provisions set forth in the Injunctive Relief Terms shall be resolved as provided therein.

2. In the event that Walgreens believes that the ninety-five percent (95%) threshold established in Section V.B.1 is not being satisfied, any Party may request that Walgreens and the Enforcement Committee meet and confer regarding the use of funds to implement Section V.B.1. The completion of such meet-and-confer process is a precondition to further action regarding any such dispute. Further action concerning Section V.B.1 shall: (i) be limited to Walgreens seeking to reduce their Annual Remediation Payments by no more than five percent (5%) of the difference between the actual amount of Opioid Remediation and the ninety-five percent (95%) threshold established in Section V.B.1; (ii) only reduce Annual Remediation Payments to those Settling States and their Participating Subdivision(s) that are below the ninety-five percent (95%) threshold established in Section V.B.1; and (iii) not reduce Annual Remediation Payments restricted to future Opioid Remediation.

D. *State-Subdivision Enforcement.*

1. A Subdivision shall not have enforcement rights against a Settling State in which it is located with respect to this Agreement or any Consent Judgment except that a Participating Subdivision listed on Exhibit G shall have enforcement rights (a) as provided for in a State-Subdivision Agreement, Allocation Statute, or Statutory Trust with respect to intrastate allocation or (b) in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, to allegations that (i) the Settling State's use of Remediation Accounts Fund monies were not used for uses similar to or in the nature of those uses contained in Exhibit E; or (ii) a Settling State failed to pay funds directly from the Remediation Accounts Fund to a Participating Subdivision eligible to receive a block grant pursuant to Section V.E.2.b.

2. A Settling State shall have enforcement rights against a Participating Subdivision located in its territory (a) as provided for in a State-Subdivision Agreement, Allocation Statute,

or Statutory Trust; or (b) in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, to allegations that the Participating Subdivisions' uses of Remediation Accounts Fund monies were not used for purposes similar to or in the nature of those uses contained in Exhibit E.

3. As between the Settling States and Participating Subdivisions, the above rights are contractual in nature and nothing herein is intended to limit, restrict, change or alter any other existing rights under law.

E. *Subdivision Walgreens Payment Enforcement.* A Participating Subdivision listed on Exhibit G shall have the same right as a Settling State to seek resolution regarding the failure by Walgreens to make its Annual Remediation Payment in a Payment Year.

F. *Other Terms Regarding Dispute Resolution.*

1. Except to the extent provided by Section VI.C or Section VI.F.2, all disputes shall be resolved in either the court that entered the relevant Consent Judgment or, if no such Consent Judgment was entered, a state or territorial court with jurisdiction located wherever the seat of the relevant state government is located.

a. State court proceedings shall be governed by the rules and procedures of the relevant forum.

b. For the avoidance of doubt, disputes to be resolved in state court include, but are not limited to, the following:

(i) disputes concerning whether expenditures qualify as Opioid Remediation;

(ii) disputes between a Settling State and its Participating Subdivisions as provided by Section VI.D, except to the extent the State-Subdivision Agreement provides for other dispute resolution mechanisms. For the avoidance of doubt, disputes between a Settling State and any Participating Subdivision shall not be considered National Disputes;

(iii) whether this Agreement and relevant Consent Judgment are binding under state law;

(iv) the extent of the Attorney General's or other participating entity's authority under state law, including the extent of the authority to release claims; and

(v) whether the definition of a Bar, a Case-Specific Resolution, Final Order, lead state agency as described in Section V.D.4.b, Later Litigating Subdivision, Litigating Subdivision, or Threshold Motion have been met; and

(vi) all other disputes not specifically identified in Section VI.C or Section VI.F.2.

c. Any Party may request that the National Arbitration Panel provide an interpretation of any provision of the settlement that is relevant to the state court determination, and the National Arbitration Panel shall make reasonable best efforts to supply such interpretation within the earlier of thirty (30) calendar days or the time period required by the state court proceedings. Any Party may submit that interpretation to the state court to the extent permitted by, and for such weight provided by, the state court's rules and procedures. If requested by a Party, the National Arbitration Panel shall request that its interpretation be accepted in the form of an *amicus curiae* brief, and any attorneys' fees and costs for preparing any such filing shall be paid for by the requesting Party.

2. National Disputes involving a Settling State, a Participating Subdivision that has enforcement rights pursuant to Section VI.A, and/or Walgreens shall be resolved by the National Arbitration Panel.

a. National Disputes are disputes that are not addressed by Section VI.C, and which are exceptions to Section VI.F.1's presumption of resolution in state courts because they involve issues of interpretation of terms contained in this Agreement applicable to all Settling States without reference to a particular State's law. Disputes between a Settling State and any Participating Subdivision shall not be considered National Disputes. National Disputes are limited to the following:

(i) the amount of offset and/or credit attributable to Non-Settling States;

(ii) issues involving the scope and definition of Product;

(iii) interpretation and application of the terms "Covered Conduct," "Released Entities," and "Released Claims";

(iv) the failure by Walgreens to pay the Annual Remediation Payment or the Additional Restitution Amount in a Payment Year, but for the avoidance of doubt, disputes between Walgreens and a Settling State over the amounts owed only to that state that do not affect any other Settling State shall not be considered National Disputes;

(v) the interpretation and application of the significant financial constraint provision in Section IV.K, including, without limitation, eligibility for and amount of deferrals for any given year, time for repayment, and compliance with restrictions during deferral term;

(vi) the interpretation and application of any most-favored-nation provision in Section XIII.E;

(vii) questions regarding the performance and/or removal of the Settlement Fund Administrator;

(viii) disputes involving liability of successor entities;

(ix) disputes that require a determination of the sufficiency of participation in order to qualify for Incentive Payments A, BC or D;

(x) disputes involving a Releasor's compliance with, and the appropriate remedy under, Section X.B.4.c;

(xi) disputes requiring the interpretation of Agreement terms that are national in scope or impact, which shall mean disputes requiring the interpretation of Agreement terms that (i) concretely affect four (4) or more Settling States; and (ii) do not turn on unique definitions and interpretations under state law; and

(xii) any dispute subject to resolution under Section VI.F.1 but for which all parties to the dispute agree to arbitration before the National Arbitration Panel under the provisions of this Section VI.F.2.

b. The National Arbitration Panel shall be comprised of three (3) arbitrators. One (1) arbitrator shall be chosen by Walgreens, one (1) arbitrator shall be chosen by the Enforcement Committee with due input from Participating Subdivisions listed on Exhibit G, and the third arbitrator shall be agreed upon by the first two (2) arbitrators. The membership of the National Arbitration Panel is intended to remain constant throughout the term of this Agreement, but in the event that replacements are required, the retiring arbitrator shall be replaced by the party that selected him/her.

c. The National Arbitration Panel shall make reasonable best efforts to decide all matters within one hundred eighty (180) calendar days of filing, and in no event shall it take longer than one (1) year.

d. The National Arbitration Panel shall conduct all proceedings in a reasonably streamlined process consistent with an opportunity for the parties to be heard. Issues shall be resolved without the need for live witnesses where feasible and with a presumption in favor of remote participation to minimize the burdens on the parties.

e. To the extent allowed under state law, a Settling State, a Participating Subdivision that has enforcement rights pursuant to Section VI.A, and (at any party's request) the National Arbitration Panel may certify to an appropriate state court any question of state law. The National Arbitration Panel shall be bound by a final state court determination of such a certified question. The time period for the arbitration shall be tolled during the course of the certification process.

f. The arbitrators will give due deference to any authoritative interpretation of state law, including any declaratory judgment or similar relief obtained by a Settling State, a Participating Subdivision that has enforcement rights pursuant to Section VI.A, or Walgreens on a state law issue.

g. The decisions of the National Arbitration Panel shall be binding on Settling States, Participating Subdivisions, Walgreens, and the Settlement Fund Administrator. In any proceeding before the National Arbitration Panel involving a dispute between a Settling State and Walgreens whose resolution could prejudice the rights of a Participating Subdivision(s) in that Settling State, such Participating Subdivision(s) shall be allowed to file a statement of view in the proceeding.

h. Nothing herein shall be construed so as to limit or otherwise restrict a State from seeking injunctive or other equitable relief in state court to protect the health, safety, or welfare of its citizens.

i. Each party shall bear its own costs in any arbitration or court proceeding arising under this Section VI. The costs for the arbitrators on the National Arbitration Panel shall be divided and paid equally by the disputing sides for each individual dispute, e.g., a dispute between Walgreens and Settling States/Participating Subdivisions shall be split fifty percent (50%) by Walgreens and fifty percent (50%) by the Settling States/Participating Subdivisions that are parties to the dispute; a dispute between a Settling State and a Participating Subdivision shall be split fifty percent (50%) by the Settling State that is party to the dispute and fifty percent (50%) by any Participating Subdivisions that are parties to the dispute.

3. Prior to initiating an action to enforce pursuant to this Section VI.F, the complaining party must:

a. Provide written notice to the Enforcement Committee and/or Walgreens of its complaint, including the provision of the Consent Judgment and/or Agreement that the practice appears to violate, as well as the basis for its interpretation of the disputed provision. The Enforcement Committee shall establish a reasonable process and timeline for obtaining additional information from the involved parties; *provided, however*, that the date the Enforcement Committee establishes for obtaining additional information from the parties shall not be more than forty-five (45) calendar days following the notice. The Enforcement Committee may advise the involved parties of its views on the complaint and/or seek to resolve the complaint informally.

b. Wait to commence any enforcement action until thirty (30) calendar days after the date that the Enforcement Committee establishes for obtaining additional information from the involved parties.

4. If the parties to a dispute cannot agree on the proper forum for resolution of the dispute under the provisions of Section VI.F.1 or Section VI.F.2, a committee comprising the Enforcement Committee and sufficient representatives of Walgreens such that the members of the Enforcement Committee have a majority of one (1) member will determine the forum where the dispute will be initiated within twenty-eight (28) calendar days of receiving notification of the dispute relating to the proper forum. The forum identified by such committee shall be the sole forum for litigating the issue of which forum will hear the substantive dispute, and the committee's identification of such forum in the first instance shall not be entitled to deference by the forum selected.

5. To the extent allowed by applicable law, this Settlement Agreement shall not be deemed to create a lien or encumbrance against any real property owned by Walgreens or its affiliates, unless in the event of a default or breach of the payment provisions by Walgreens. Nothing in this Section VI.F.5 shall be construed to limit any remedy of any Settling State or Participating Subdivision in the event of a default or breach of this Agreement by Walgreens.

G. *No Effect.* Nothing in this Agreement shall be interpreted to limit the Settling States' Civil Investigative Demand *("CID")* or investigative subpoena authority, to the extent such authority exists under applicable state law and the CID or investigative subpoena is issued pursuant to such authority, and Walgreens reserve all of its rights in connection with a CID or investigative subpoena issued pursuant to such authority.

VII. Participation by Subdivisions

A. *Notice.* Prior to the State Participation Date, the Parties shall agree on a vendor to serve as the Implementation Administrator and provide notice pursuant to this Section VII.A. No later than fifteen (15) calendar days after the Preliminary Agreement Date, the Implementation Administrator shall send individual written notice (which may be delivered via e-mail or other electronic means) of the opportunity to participate in this Agreement and the requirements of participation to all Subdivisions in the Settling States that are (1) Litigating Subdivisions or (2) Non-Litigating Subdivisions listed on Exhibit G. To the extent a Special District is entitled to an allocation for a direct payment through its inclusion in Exhibit G pursuant to a State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution, the Implementation Administrator, with the cooperation of the Settling States shall also send individual written notice (which may be delivered via e-mail or other electronic means) of the opportunity to participate in this Agreement and the requirements of participation to such Special Districts. Unless otherwise agreed by the Parties, the version of Exhibit G used for notice shall be the one in place as of the State Participation Date. Notice (which may be delivered via e-mail or other electronic means) shall also be provided simultaneously to counsel of record for Litigating Subdivisions and known counsel for Non-Litigating Subdivisions and Special Districts listed on Exhibit G. Up to $1,500,000 of the costs of the Implementation Administrator shall be paid for by Walgreens. The Settling States, with the cooperation of Walgreens, may also provide general notice reasonably calculated to alert Non-Litigating Subdivisions in the Settling States to this Agreement, the opportunity to participate in it, and the requirements for participation. Such notice may include publication and other standard forms of notification, as well as notice to state and county organizations such as the National Association of Counties and the National League of Cities. The notice will include that the deadline for

becoming an Initial Participating Subdivision is the Initial Participation Date. Nothing contained herein shall preclude a Settling State from providing further notice to or otherwise contacting any of its Subdivisions about becoming a Participating Subdivision, including beginning any of the activities described in this paragraph prior to the Preliminary Agreement Date.

B. *Requirements for Becoming a Participating Subdivision—Non-Litigating Subdivisions.* A Non-Litigating Subdivision in a Settling State may become a Participating Subdivision by returning an executed Subdivision Settlement Participation Form to the Implementation Administrator or Settlement Fund Administrator (which may be executed and returned by electronic means established by the Implementation Administrator or Settlement Fund Administrator) specifying (1) that the Subdivision agrees to the terms of this Agreement pertaining to Subdivisions, (2) that the Subdivision releases all Released Claims against all Released Entities, (3) that the Subdivision agrees to use monies it receives, if any, from the Settlement Fund pursuant to the applicable requirements of Section V; *provided, however,* that Non-Litigating Subdivisions may only use monies originating from the Settlement Fund for purposes that qualify as Opioid Remediation, and (4) that the Subdivision submits to the jurisdiction of the court where the applicable Consent Judgment is filed for purposes limited to that court's role under this Agreement. The required Subdivision Settlement Participation Form is attached as Exhibit K.

C. *Requirements for Becoming a Participating Subdivision—Litigating Subdivisions/Later Litigating Subdivisions.* A Litigating Subdivision or Later Litigating Subdivision in a Settling State may become a Participating Subdivision by returning an executed Subdivision Settlement Participation Form to the Implementation Administrator Settlement Fund Administrator (which may be executed and returned by electronic means established by the Implementation Administrator or Settlement Fund Administrator) and upon prompt dismissal with prejudice of its lawsuit. A Settling State may require each Litigating Subdivision in that State to specify on the Subdivision Settlement Participation Form whether its counsel has waived any contingency fee contract with that Participating Subdivision and whether, if eligible, it intends to seek fees pursuant to Exhibit R. The Settlement Fund Administrator shall provide quarterly reports of this information to the parties organized by Settling State. A Litigating Subdivision or Later Litigating Subdivision may not become a Participating Subdivision after the completion of opening statements in a trial of the lawsuit it brought that includes a Released Claim against a Released Entity.

D. *Initial Participating Subdivisions.* A Subdivision qualifies as an Initial Participating Subdivision if it meets the applicable requirements for becoming a Participating Subdivision set forth in Section VII.B or Section VII.C by the Initial Participation Date. All Subdivision Settlement Participation Forms shall be held in escrow by the Implementation Administrator until the Reference Date.

E. *Later Participating Subdivisions.* A Subdivision that is not an Initial Participating Subdivision may become a Later Participating Subdivision by meeting the applicable requirements for becoming a Participating Subdivision set forth in Section VII.B or Section VII.C after the Initial Participation Date and by agreeing to be subject to the terms of a State-Subdivision Agreement (if any) or any other structure adopted or applicable pursuant to Section

V.D or Section V.E. The following provisions govern what a Later Participating Subdivision can receive (but do not apply to Initial Participating Subdivisions):

1. A Later Participating Subdivision shall not receive any share of any Annual Remediation Payment due before it became a Participating Subdivision.

2. A Later Participating Subdivision that becomes a Participating Subdivision after November 30, 2023 shall receive seventy-five percent (75%) of the share of future Base Payments or Incentive Payments that it would have received had it become a Later Participating Subdivision prior to that date (unless the Later Participating Subdivision is subject to Section VII.E.3 or Section VII.E.4).

3. A Later Participating Subdivision that, after the Initial Participation Date, maintains a lawsuit for a Released Claim(s) against a Released Entity and has judgment entered against it on every such Claim before it became a Participating Subdivision (other than a consensual dismissal with prejudice) shall receive fifty percent (50%) of the share of future Base Payments or Incentive Payments that it would have received had it become a Later Participating Subdivision prior to such judgment; *provided, however*, that if the Subdivision appeals the judgment and the judgment is affirmed with finality before the Subdivision becomes a Participating Subdivision, the Subdivision shall not receive any share of any Base Payment or Incentive Payments.

4. A Later Participating Subdivision that becomes a Participating Subdivision while a Bar or Case-Specific Resolution involving a different Subdivision exists in its State shall receive twenty-five percent (25%) of the share of future Base Payments or Incentive Payments that it would have received had it become a Later Participating Subdivision without such Bar or Case-Specific Resolution.

F. *No Increase in Payments.* Amounts to be received by Later Participating Subdivisions shall not increase the payments due from Walgreens.

G. *Ineligible Subdivisions.* Prior Litigating Subdivisions whose claims have already been resolved and Subdivisions in Non-Settling States are not eligible to be Participating Subdivisions.

H. *Non-Participating Subdivisions.* Non-Participating Subdivisions shall not directly receive any portion of any Annual Remediation Payment, including from the State Fund and direct distributions from the Remediation Accounts Fund; however, a Settling State may choose to fund future Opioid Remediation that indirectly benefits Non-Participating Subdivisions.

I. *Unpaid Allocations to Later Participating Subdivisions and Non-Participating Subdivisions.* Any Base Payment and Incentive Payments allocated pursuant to Section V.D to a Later Participating Subdivision or Non-Participating Subdivision that cannot be paid pursuant to this Section VII, including the amounts that remain unpaid after the reductions required by Section VII.E.2 through Section VII.E.4, will be allocated to the Remediation Accounts Fund for the State in which the Subdivision is located, unless those payments are redirected elsewhere by a State-Subdivision Agreement or by a Statutory Trust.

VIII. Condition to Effectiveness of Agreement and Filing of Consent Judgment

A. *Determination to Proceed With Settlement.*

1. The Settling States shall confer with legal representatives of the Participating Subdivisions listed on Exhibit G and inform Walgreens no later than eighteen (18) calendar days prior to the Reference Date whether the Settling States agree that there is sufficient participation to proceed with this Agreement. Within seven (7) calendar days of informing Walgreens that there is sufficient participation to proceed, the Settling States will deliver all signatures and releases required by the Agreement to be provided by the Settling States to Walgreens.

2. If the Settling States inform Walgreens that they agree that there is sufficient participation, Walgreens will then determine on or before the Reference Date whether there is sufficient State participation, sufficient Subdivision participation, and sufficient resolution of the Claims of the Litigating Subdivisions in the Settling States (through participation under Section VII, Case-Specific Resolution(s) and Bar(s)) to proceed with this Agreement. The determination shall be in the sole discretion of Walgreens and may be based on any criteria or factors deemed relevant by Walgreens.

B. *Notice by Walgreens.* On or before the Reference Date, Walgreens shall inform the Settling States of its determination pursuant to Section VIII.A.2. If Walgreens determines to proceed, the Parties will proceed to file the Consent Judgments and the obligations in the Subdivision Settlement Participation Forms will be effective and binding as of the Reference Date. If Walgreens determines not to proceed, this Agreement will have no further effect, any amounts placed in escrow for Payment Year 1, including funds referenced in Section IV.C.1 and Exhibit M-2, shall be returned to Walgreens, and all releases (including those contained in Subdivision Settlement Participation Forms) and other commitments or obligations contained herein or in Subdivision Settlement Participation Forms will be void.

IX. Settling State and Participating Subdivision Attorneys' Fees and Costs and Additional Remediation Amount

A. The Agreement on Subdivision Attorneys' Fees, Expenses and Costs is set forth in Exhibit R and incorporated herein by reference. The Agreement on the State Outside Counsel Fee Fund for Chain Pharmacy Settlement and the Agreement on the Joint State Cost Fund are set forth in Exhibit S and Exhibit T, respectively, and are incorporated herein by reference.

B. *Additional Remediation Amount.*

1. Subject to and without exceeding the maximum payment amounts set forth in the "Additional Remediation Amount" column of Exhibit M-3 and subject to the reduction specified in Section IX.B.2, Walgreens shall pay an Additional Remediation Amount to the Settling States listed in Exhibit N. Such funds shall be paid, on the schedule set forth in Exhibit M-3, as allocated by the Settlement Fund Administrator pursuant to Exhibit N.

2. *Reduction of Additional Remediation Amount*. The amounts owed by Walgreens pursuant to this Section IX.B shall be reduced by the allocations set forth on Exhibit N for Non-Settling States.

3. For the avoidance of doubt, (1) a Settling State that retained outside counsel in connection with the investigation of one or more Chain Pharmacies, as that term is defined in Exhibit S, that receives an Additional Remediation Amount because the Settling State was not otherwise eligible to receive funds from the State Outside Counsel Fee Fund may choose to have the Additional Remediation Amount designated to pay the Settling State's outside counsel, and may instruct the Settlement Fund Administrator to pay those funds directly to the Settling State's outside counsel, and (2) Additional Remediation Amount funds, including funds designated by a Settling State to pay its outside counsel under this paragraph, shall not be subject to allocation as provided in Section V.C through Section V.E.

C. All payments addressed by this Section IX will be made on December 31 for each Payment Year in which they are due pursuant to Exhibit M-3.

X. Release

A. *Scope.* As of the Effective Date, the Released Entities are hereby released and forever discharged from all of the Releasors' Released Claims. Each Settling State (for itself and its Releasors) and Participating Subdivisions hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever. The releases provided for in this Agreement are intended by the Parties to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of each Settling State and its Attorney General to release claims. This Agreement shall be a complete bar to any Released Claim.

B. *Claim-Over and Non-Party Settlement.*

1. It is the intent of the Parties that:

a. Released Entities should not seek contribution or indemnification (other than pursuant to an insurance contract), from other parties for their payment obligations under this Agreement;

b. the payments made under this Agreement shall be the sole payments made by the Released Entities to the Releasors involving, arising out of, or related to Covered Conduct (or conduct that would be Covered Conduct if engaged in by a Released Entity);

c. Claims by Releasors against non-Parties should not result in additional payments by Released Entities, whether through contribution, indemnification or any other means; and

d. the Agreement meets the requirements of the Uniform Contribution Among Joint Tortfeasors Act and any similar state law or doctrine that reduces or discharges a released party's liability to any other parties.

The provisions of this Section X.B are intended to be implemented consistent with these principles. This Agreement and the releases and dismissals provided for herein are made in good faith.

2. No Released Entity shall seek to recover for amounts paid under this Agreement based on indemnification, contribution, or any other theory from a manufacturer, pharmacy, hospital, pharmacy benefit manager, health insurer, third-party vendor, trade association, distributor, or health care practitioner; *provided* that a Released Entity shall be relieved of this prohibition with respect to any entity that asserts a Claim-Over against it. For the avoidance of doubt, nothing herein shall prohibit a Released Entity from recovering amounts owed pursuant to insurance contracts, and nothing herein shall prohibit a Released Entity from seeking a voluntary agreement providing indemnification for liability and/or expenses arising from Walgreens' post-Effective Date implementation of the Injunctive Relief Terms set forth in Exhibit P.

3. To the extent that, on or after the Reference Date, any Releasor enters into a Non-Party Settlement, including in any bankruptcy case or through any plan of reorganization (whether individually or as a class of creditors), the Releasor will include (or in the case of a Non-Party Settlement made in connection with a bankruptcy case, will cause the debtor to include), unless prohibited from doing so under applicable law, in the Non-Party Settlement a prohibition on contribution or indemnity of any kind substantially equivalent to that required from Walgreens in Section X.B.2, or a release from such Non-Released Entity in favor of the Released Entities (in a form equivalent to the releases contained in this Agreement) of any Claim-Over. The obligation to obtain the prohibition and/or release required by this subsection is a material term of this Agreement.

4. In the event that any Releasor obtains a judgment with respect to Non-Party Covered Conduct against a Non-Released Entity that does not contain a prohibition like that described in Section X.B.3. or any Releasor files a Non-Party Covered Conduct Claim against a Non-Released Entity in bankruptcy or a Releasor is prevented for any reason from obtaining a prohibition/release in a Non-Party Settlement as provided in Section X.B.3, and such Non-Released Entity asserts a Claim-Over against a Released Entity, the Released Entity shall be relieved of the prohibition in Section X.B.2 with respect to that Non-Released Entity and that Releasor and Walgreens shall take the following actions to ensure that the Released Entities do not pay more with respect to Covered Conduct to Releasors or to Non-Released Entities than the amounts owed under this Settlement Agreement by Walgreens:

a. Walgreens shall notify that Releasor of the Claim-Over within sixty (60) calendar days of the assertion of the Claim-Over or sixty (60) calendar days of the Effective Date of this Settlement Agreement, whichever is later;

b. Walgreens and that Releasor shall meet and confer concerning the means to hold Released Entities harmless and ensure that they are not required to

pay more with respect to Covered Conduct than the amounts owed by Walgreens under this Agreement;

c. That Releasor and Walgreens shall take steps sufficient and permissible under the law of the State of the Releasor to hold Released Entities harmless from the Claim-Over and ensure Released Entities are not required to pay more with respect to Covered Conduct than the amounts owed by Walgreens under this Agreement. Such steps may include, where permissible:

(i) Filing of motions to dismiss or such other appropriate motion by Walgreens or Released Entities, and supported by Releasors, in response to any claim filed in litigation or arbitration;

(ii) Reduction of that Releasors' Claim and any judgment it has obtained or may obtain against such Non-Released Entity by whatever amount or percentage is necessary to extinguish such Claim-Over under applicable law, up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;

(iii) Placement into escrow of funds paid by the Non-Released Entities such that those funds are available to satisfy the Claim-Over;

(iv) Return of monies paid by Walgreens to that Releasor under this Settlement Agreement to permit satisfaction of a judgment against or settlement with the Non-Released Entity to satisfy the Claim-Over;

(v) Payment of monies to Walgreens by that Releasor to ensure they are held harmless from such Claim-Over, up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;

(vi) Credit to Walgreens under this Agreement to reduce the overall amounts to be paid under the Agreement such that they are held harmless from the Claim-Over; and

(vii) Such other actions as that Releasor and Walgreens may devise to hold Walgreens harmless from the Claim-Over.

d. The actions of that Releasor and Walgreens taken pursuant to paragraph (c) must, in combination, ensure Walgreens is not required to pay more with respect to Covered Conduct than the amounts owed by Walgreens under this Agreement.

e. In the event of any dispute over the sufficiency of the actions taken pursuant to paragraph (c), that Releasor and Walgreens may seek review by the National Arbitration Panel, provided that, if the parties agree, such dispute may be heard by the state court where the relevant Consent Judgment was filed. The

National Arbitration Panel shall have authority to require Releasors to implement a remedy that includes one or more of the actions specified in paragraph (c) sufficient to hold Released Entities fully harmless. In the event that the Panel's actions do not result in Released Entities being held fully harmless, Walgreens shall have a claim for breach of this Agreement by Releasors, with the remedy being payment of sufficient funds to hold Walgreens harmless from the Claim-Over. For the avoidance of doubt, the prior sentence does not limit or eliminate any other remedy that Walgreens may have.

5. To the extent that the Claim-Over is based on a contractual indemnity, the obligations under Section X.B.4 shall extend solely to a Non-Party Covered Conduct Claim against a clinic, hospital or other purchaser, distributor or dispenser of Products, a manufacturer that sold Products, a consultant, and/or a pharmacy benefit manager or other third-party payor. Walgreens shall notify the Settling States, to the extent permitted by applicable law, in the event that any of these types of Non-Released Entity asserts a Claim-Over arising out of contractual indemnity against it.

6. *Indemnification and Contribution Prohibited.* No Released Entity shall seek to recover for amounts paid under this Agreement based on indemnification, contribution, or any other theory, from a manufacturer, pharmacy, hospital, pharmacy benefit manager, health insurer, third-party vendor, trade association, distributor, or health care practitioner. For the avoidance of doubt, nothing herein shall prohibit a Released Entity from recovering amounts owed pursuant to insurance contracts and nothing herein shall prohibit a Released Entity from seeking a voluntary agreement providing indemnification for liability and/or expenses arising from Walgreens' post-Effective Date implementation of the Injunctive Relief Terms set forth in Exhibit P.

C. *General Release.* In connection with the releases provided for in this Agreement, each Settling State (for itself and its Releasors) and Participating Subdivision expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any State or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

> **General Release; extent.** A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that if known by him or her, would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Settling State (for itself and its Releasors) and Participating Subdivision hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Settling States' decision to enter into this Agreement or the Participating Subdivisions' decision to participate in this Agreement.

D. *Assigned Interest Waiver.* To the extent that any Settling State has any direct or indirect interest in any rights of a third-party that is a debtor under the Bankruptcy Code as a result of a claim arising out of Covered Conduct by way of assignment or otherwise, including as a result of being the beneficiary of a trust or other distribution entity, to assert claims against Walgreens (whether derivatively or otherwise), under any legal or equitable theory, including for indemnification, contribution, or subrogation, the Settling State waives the right to assert any such claim, or to receive a distribution or any benefit on account of such claim and such claim, distribution, or benefit shall be deemed assigned to Walgreens.

E. *Res Judicata.* Nothing in this Agreement shall be deemed to reduce the scope of the res judicata or claim preclusive effect that the settlement memorialized in this Agreement, and/or any Consent Judgment or other judgment entered on this Agreement, gives rise to under applicable law.

F. *Representation and Warranty.* The signatories hereto on behalf of their respective Settling States expressly represent and warrant that they have (or have obtained, or will obtain no later than the Initial Participation Date) the authority to settle and release, to the maximum extent of the State's power, all Released Claims of (1) their respective Settling States, (2) all past and present executive departments, state agencies, divisions, boards, commissions and instrumentalities with the regulatory authority to enforce state and federal controlled substances acts, and (3) any of their respective Settling State's past and present executive departments, agencies, divisions, boards, commissions, and instrumentalities that have the authority to bring Claims related to Covered Conduct seeking money (including abatement and/or remediation) or revocation or suspension of a pharmaceutical distribution or dispensing license. For the purposes of clause (3) above, executive departments, agencies, divisions, boards, commissions, and instrumentalities are those that are under the executive authority or direct control of the State's Governor. Also for the purposes of clause (3), a release from a State's Governor as set forth in Exhibit X is sufficient to demonstrate that the appropriate releases have been obtained.

G. *Effectiveness.* The releases set forth in this Agreement shall not be impacted in any way by any dispute that exists, has existed, or may later exist between or among the Releasors. Nor shall such releases be impacted in any way by any current or future law, regulation, ordinance, or court or agency order limiting, seizing, or controlling the distribution or use of the Settlement Fund or any portion thereof, or by the enactment of future laws, or by any seizure of the Settlement Fund or any portion thereof.

H. *Cooperation.* Releasors (1) will not encourage any person or entity to bring or maintain any Released Claim against any Released Entity and (2) will reasonably cooperate with and not oppose any effort by Walgreens to secure the prompt dismissal of any and all Released Claims, including suits brought by non-Releasors based on Released Claims. Releasors will meet and confer and make reasonable efforts to resolve any action that is filed by a Subdivision against Walgreens on or after the date the Preliminary Agreement Date. This provision shall not require a State to make any monetary payment or adjustment to allocation or incur other obligation.

I. *Non-Released Claims.* Notwithstanding the foregoing or anything in the definition of Released Claims, this Agreement does not waive, release or limit any criminal liability,

workers' compensation Claims, Claims for liability under tax law, Claims under securities law by a State Releasor as investor, Claims against parties who are not Released Entities, Claims by private individuals, and any claims arising under this Agreement for enforcement of this Agreement.

XI. Later Litigating Subdivisions

A. Released Claims against Released Entities. Subject to Section XI.B, the following shall apply in the event a Later Litigating Subdivision in a Settling State maintains a lawsuit for a Released Claim against a Released Entity after the Reference Date:

1. The Released Entity shall take ordinary and reasonable measures to defend the action, including filing a Threshold Motion with respect to the Released Claim. The Released Entity shall further notify the Settling State and Settlement Fund Administrator immediately upon notice of a Later Litigating Subdivision bringing a lawsuit for a Released Claim, and shall not oppose a Settling State's submission in support of the Threshold Motion.

2. If the lawsuit asserting a Released Claim is resolved with finality on terms requiring payment by the Released Entity, Walgreens shall receive a dollar-for-dollar offset against Incentive Payment D for the amount paid. The offset shall be applied against the relevant portion of the Annual Remediation Payments starting in Payment Year 15 and working backwards.

3. For the avoidance of doubt, any offset pursuant to this Section XI in a Settling State if it at the time is not eligible for Incentive Payment A shall continue to apply even if the Settling State at issue subsequently becomes eligible for Incentive Payment A.

4. *"Terms requiring payment"* shall mean (i) a final monetary judgment or (ii) a settlement; *provided* that the Released Entity sought the applicable State Attorney General's consent to the settlement and such consent was either obtained or unreasonably withheld. Should the judgment or settlement resolve claims that are not Released Claims, the offset shall be for the Released Claims portion only, which shall be distinguishable in the judgment or settlement.

B. Exceptions.

1. Section XI.A shall not apply where the Settling State at issue meets the eligibility criteria for and is entitled to Incentive Payment A for the Payment Year at issue, except as expressly provided therein.

2. An offset under Section XI.A.2 shall not apply where the Later Litigating Subdivision opted out of a Settlement Class Resolution in the Settling State at issue that was in full force and effect in that Settling State as of the due date of the payment for Payment Year 2 and remains in full force and effect; *provided* that an offset relating to that Subdivision may apply under Section XII.

3. Section XI.A shall not apply where the Later Litigating Subdivision seeks less than $10 million, or so long as its total claim is reduced to less than $10 million, in the lawsuit for a Released Claim at issue.

C. *No Effect on Other Provisions.* A suspension or offset under Section XI.A shall not affect the Injunctive Relief Terms or the Consent Judgment.

D. *No Effect on Other States.* A suspension or offset under Section XI.A applicable to one State shall not affect the allocation or payment of the Annual Remediation Payment to other Settling States.

XII. Other Reductions/Offsets

A. *Settlement Class Resolution Opt Outs.* If a Settling State is eligible for Incentive Payment A on the basis of a Settlement Class Resolution, and a Primary Subdivision that opted out of the Settlement Class Resolution maintains a lawsuit asserting a Released Claim against a Released Entity, the following shall apply. If the lawsuit asserting a Released Claim either survives a Threshold Motion or has an unresolved Threshold Motion fewer than sixty (60) calendar days prior to the scheduled start of a trial involving a Released Claim, and is resolved with finality on terms requiring payment by the Released Entity, Walgreens shall receive a dollar-for-dollar offset for the amount paid against its obligation to make remaining Incentive Payment A payments that would be apportioned to that State and to its Subdivisions. For the avoidance of doubt, an offset shall not be applicable under this subsection if it is applicable under Section XI.A with respect to the Subdivision at issue.

B. *Revoked Bar, Settlement Class Resolution, or Case-Specific Resolution.* If Walgreens made any Annual Remediation Payments that included any incentive payments earned as a result of the existence of a Bar, Settlement Class Resolution, or Case-Specific Resolution in a Settling State, and there is subsequently a Revocation Event with respect to that Bar, Settlement Class Resolution, or Case-Specific Resolution after the determination of the amount of such Annual Remediation Payment, the Walgreens shall receive a dollar-for-dollar offset against the portion of remaining Annual Remediation Payments that would be allocated to that State and its Participating Subdivisions. This offset will be calculated as the dollar amount difference between (1) the total amount of incentive payments paid by the Walgreens by virtue of the Bar, Settlement Class Resolution, or Case-Specific Resolution subject to the Revocation Event and (2) the total amount of incentive payments that would have been due from the Walgreens during that time had the Bar, Settlement Class Resolution, or Case-Specific Resolution subject to the Revocation Event not been in effect. The amount of incentive payments that would have been due, referenced in clause (2) above, will be calculated one hundred eighty (180) calendar days after the Revocation Event; for purposes of calculating the amount of incentive payments that would have been due, any relevant Subdivision shall be included as a Participating Subdivision if: (1) its Released Claims are extinguished by any subsequent Bar, Settlement Class Resolution, or Case-Specific Resolution in effect as of the date of such calculation, or (2) it becomes a Participating Subdivision (in addition to all other Participating Subdivisions) prior to the date of such calculation.

C. *Certain Taxes.* Amounts paid by Walgreens under an Opioid Tax in a Settling State in a Payment Year shall give rise to a dollar-for-dollar offset against Walgreens obligation to pay its share of the Annual Remediation Payment in that Payment Year that would be allocated to the taxing State or its Participating Subdivisions. If such amounts paid exceed that Walgreens allocable share of the Annual Remediation Payment allocable to the taxing State or its Participating Subdivisions in that Payment Year, the excess shall carry forward as an offset against its allocable share of remaining Annual Remediation Payments that would be allocated to the taxing State or its Participating Subdivisions. Walgreens represents that as of December 6, 2022, there is no Opioid Tax currently in effect in any Eligible State that would give rise to this offset provision.

XIII. Miscellaneous

A. *Population of New York.* Calculation of the population of New York State for any purpose under the Agreement shall not include the respective populations of Nassau and Suffolk Counties.

B. *Population of General Purpose Governments.* The population figures for General Purpose Governments shall be the published U.S. Census Bureau's population estimates for July 1, 2019, released May 2020. These population figures shall remain unchanged during the term of this Agreement.

C. *Population of Special Districts.* For any purpose in this Agreement in which the population of a Special District is used other than Section IV.H.4.b and Section IV.H.6.d: (a) School Districts' population will be measured by the number of students enrolled who are eligible under the Individuals with Disabilities Education Act *("IDEA")* or Section 504 of the Rehabilitation Act of 1973; (b) Health Districts' and Hospital Districts' population will be measured at twenty-five percent (25%) of discharges; and (c) all other Special Districts' (including Fire Districts' and Library Districts') population will be measured at ten percent (10%) of the population served.[8] For the avoidance of doubt, this means that California healthcare districts will be measured at ten percent (10%) of their membership. Walgreens and the Enforcement Committee shall meet and confer in order to agree on data sources for purposes of this Section prior to the Preliminary Agreement Date.

D. *Population Associated with Sheriffs*. For any purpose in this Agreement in which the population associated with a lawsuit by a sheriff is used, the population will be measured at twenty percent (20%) of the capacity of the jail(s) operated by the sheriff.

E. *Most-Favored-Nation Provision – Walgreens*

1. If, after the Effective Date, Walgreens enters into any settlement agreement with any Non-Settling State that resolves Claims similar in scope to the Claims released by a Settling State under this Agreement on overall payment terms that are more favorable to such Non-Settling State than the overall payment terms of the Agreement (after due

[8] The estimates for counties and parishes were accessed at https://www.census.gov/data/datasets/time-series/demo/popest/2010s-counties-total.html. The estimates for cities and towns can currently be found at https://www.census.gov/data/datasets/time-series/demo/popest/2010s-total-cities-and-towns.html.

consideration of relevant differences in population or other appropriate factors), then the Settling States, individually or collectively, may elect to seek review, pursuant to Section XIII.E.3, of the overall payment terms of this Agreement and the Non-Settling State agreement so that such Settling State(s) may obtain overall payment terms at least as favorable as those obtained by such Non-Settling State. "Overall payment terms" refers to consideration of all payment terms of the two agreements, taken together, including, but not limited to the amount of payments, the timing of payments, and conditions or contingencies on payments

2. For any settlement with a Non-Settling State involving Released Claims that is entered into after the Effective Date, Walgreens shall provide the Enforcement Committee with a copy of the settlement agreement or relevant consent judgment within thirty (30) calendar days of the consummation of such settlement. The Enforcement Committee will promptly distribute such copy to all Settling States.

3. In the event that one or more Settling State(s) believes that the overall payment terms of an agreement by Walgreens with a Non-Settling State are more favorable to the Non-Settling State, when compared based on the totality of the consideration set forth in Section XIII.E.1, the Settling State(s) and Walgreens shall engage in the following process:

a. Within sixty (60) calendar days of the date on which the Enforcement Committee provides a settlement agreement or consent judgment to Settling States, the Settling State(s) shall provide notice to Walgreens, of their intent to seek revision of this Agreement to provide payment terms that are, on an overall basis, as favorable as those obtained by the Non-Settling State. To the extent allowed by law, such notice shall be confidential and not disclosed publicly and shall provide, in detail, the basis for the State's belief that it is entitled to a revision of the Agreement.

b. Walgreens shall, within thirty (30) calendar days, provide a response to the Settling State(s), explaining its position, in detail, as to whether the Settling State(s) are entitled to more favorable overall payment terms than those provided for in this Agreement.

c. In the event the Settling State(s) and Walgreens do not reach agreement as to the application of Section XIII.E.1, the Settling State(s) may petition the National Arbitration Panel to seek a ruling from the Panel as to the applicability of Section XIII.E.1, provided that the Settling State(s) may seek such review only if at least five (5) Settling States co-sign the petition. The Panel shall consider submissions and argument by the parties pursuant to the procedures set forth in Section VI.F.2.

d. The Settling State and Walgreens shall be bound by the determination of the National Arbitration Panel of the overall payment terms of this Agreement and the Non-Settling State agreement so that such Settling

State(s) may obtain, with respect to Walgreens, overall payment terms at least as favorable as those obtained by such Non-Settling State.

4. This Section XIII.E does not apply to, and there is no ability of any Settling State to seek or obtain revision of this Agreement based on, any Non-Settling State agreement with Walgreens that is entered into: (a) either the earlier of (i) after the close of expert discovery or (ii) after a date ninety (90) calendar days prior to the scheduled start date of a trial between Walgreens and the Non-Settling State or any severed or bifurcated portion thereof, provided that, where, in order to complete a settlement, a Non-Settling State and Walgreens jointly request an adjournment of the scheduled start date of a trial within ninety (90) days of that date, this exception will apply as if the trial date had not been adjourned; (b) with a Non-Settling State that previously litigated to judgment a case related to opioids against any manufacturer, distributor, or pharmacy; (c) the earlier of (i) after a Non-Settling State has obtained any court order or judicial determination that grants judgment (in whole or in part) against Walgreens in the Non-Settling State's case, (ii) after a sanctions ruling against Walgreens in the Non-Settling State's case against Walgreens; or (iii) after any ruling has issued in the Non-Settling State's case against any manufacturer, distributor, or pharmacy on the issue of joint and several liability; or (d) with West Virginia or New Mexico. The National Arbitration Panel shall have no power to review agreements that satisfy any of the conditions described in this paragraph.

5. This Section XII.E does not apply to, and there is no ability of any Settling State to seek or obtain revision of this Agreement based on, any agreement between Walgreens and Non-Participating Subdivisions or Non-Participating Special Districts.

6. This Section XII.E will not apply to any agreement entered into more than eighteen (18) months after the Effective Date.

F. *No Admission.* Walgreens does not admit liability or wrongdoing. Neither this Agreement nor the Consent Judgments shall be considered, construed or represented to be (1) an admission, concession or evidence of liability or wrongdoing or (2) a waiver or any limitation of any defense otherwise available to the Walgreens

G. *Tax Cooperation and Reporting.*

1. Upon request by Walgreens, the Settling States and Participating Subdivisions agree to perform such further acts and to execute and deliver such further documents as may be reasonably necessary for Walgreens to establish the statements set forth in Section V.F to the satisfaction of their tax advisors, their independent financial auditors, the Internal Revenue Service, or any other governmental authority, including as contemplated by Treasury Regulations Section 1.162-21(b)(3)(ii) and any subsequently proposed or finalized relevant regulations or administrative guidance.

2. Without limiting the generality of Section XIII.G.1, each Settling State and Participating Subdivision shall cooperate in good faith with Walgreens with respect to any tax claim, dispute, investigation, audit, examination, contest, litigation, or other proceeding relating to this Agreement.

3. The Designated State shall designate one of its officers or employees to act as the "appropriate official" within the meaning of Treasury Regulations Section 1.6050X-1(f)(1)(ii)(B) (the *"Appropriate Official").* The State shall direct and ensure that the Appropriate Official timely (a) files (i) at the time this Agreement becomes binding on the Parties, an IRS Form 1098-F in the form attached as Exhibit U with respect to Walgreens and (ii) any legally required returns or amended returns with any applicable governmental authority, or any returns requested by Walgreens, and (b) provides Walgreens a copy of (i) the IRS Form 1098-F filed with respect to Walgreens and (ii) any legally required written statement pursuant to any applicable law and any other document referred to in clause (a)(ii) above. Any such form, return, or statement shall be prepared and filed in a manner fully consistent with Section V.F.

4. The Settling States and Participating Subdivisions agree that any return, amended return, or written statement filed or provided pursuant to Section XIII.G.3, and any similar document, shall be prepared and filed in a manner consistent with reporting the Global Settlement Amount as the "Total amount to be paid" pursuant to this Agreement in Box 1 of IRS Form 1098-F and the Compensatory Restitution Amount as "Restitution/remediation amount" in Box 2 of IRS Form 1098-F, as reflected in the attached Exhibit U. If the Designated State or Appropriate Official shall be required to file any return, amended return, or written statement contemplated by this Section XIII.G other than an IRS Form 1098-F, the Designated State shall direct and ensure that the Appropriate Official provides to Walgreens a draft of such return, amended return, or written statement in respect of Walgreens no later than sixty (60) calendar days prior to the due date thereof and shall accept and reflect any reasonable comments of Walgreens on the return, amended return, or written statement in respect of Walgreens.

5. For the avoidance of doubt, neither Walgreens nor the Settling States and Participating Subdivisions make any warranty or representation to any State, Participating Subdivision, or Releasor as to the tax consequences of the payment of the Compensatory Restitution Amount (or any portion thereof).

H. *No Third-Party Beneficiaries.* Except as expressly provided in this Agreement, no portion of this Agreement shall provide any rights to, or be enforceable by, any person or entity that is not the Settling State or Released Entity. The State may not assign or otherwise convey any right to enforce any provision of this Agreement.

I. *Calculation.* Any figure or percentage referred to in this Agreement shall be carried to seven decimal places.

J. *Construction.* None of the Parties and no Participating Subdivision shall be considered to be the drafter of this Agreement or of any of its provisions for the purpose of any statute, case law, or rule of interpretation or construction that would or might cause any provision to be construed against the drafter of this Agreement. The headings of the provisions of this Agreement are not binding and are for reference only and do not limit, expand, or otherwise affect the contents or meaning of this Agreement.

K. *Cooperation.* Each Party and each Participating Subdivision agrees to use its best efforts and to cooperate with the other Parties and Participating Subdivisions to cause this Agreement and the Consent Judgments to become effective, to obtain all necessary approvals,

consents and authorizations, if any, and to execute all documents and to take such other action as may be appropriate in connection herewith. Consistent with the foregoing, each Party and each Participating Subdivision agrees that it will not directly or indirectly assist or encourage any challenge to this Agreement or any Consent Judgment by any other person, and will support the integrity and enforcement of the terms of this Agreement and the Consent Judgments.

L. *Entire Agreement.* This Agreement, including its exhibits and any other attachments, embodies the entire agreement and understanding between and among the Parties and Participating Subdivisions relating to the subject matter hereof and supersedes (1) all prior agreements and understandings relating to such subject matter, whether written or oral and (2) all purportedly contemporaneous oral agreements and understandings relating to such subject matter.

M. *Execution.* This Agreement may be executed in counterparts and by different signatories on separate counterparts, each of which shall be deemed an original, but all of which shall together be one and the same Agreement. One or more counterparts of this Agreement may be delivered by facsimile or electronic transmission with the intent that it or they shall constitute an original counterpart hereof. One or more counterparts of this Agreement may be signed by electronic signature.

N. *Good Faith and Voluntary Entry.* Each Party warrants and represents that it negotiated the terms of this Agreement in good faith. Each of the Parties and Participating Subdivisions warrants and represents that it freely and voluntarily entered into this Agreement without any degree of duress or compulsion. The Parties and Participating Subdivisions state that no promise of any kind or nature whatsoever (other than the written terms of this Agreement) was made to them to induce them to enter into this Agreement

O. *Legal Obligations.* Nothing in this Agreement shall be construed as relieving Walgreens of the obligation to comply with all state and federal laws, regulations or rules, nor shall any of the provisions herein be deemed to be permission to engage in any acts or practices prohibited by such laws, regulations, or rules. Except with respect to the Injunctive Relief Terms, in the event of a conflict between this Agreement and any requirement or requirements of federal, state, or local laws, such that Walgreens cannot comply with this Agreement without violating such a requirement or requirements, Walgreens shall document such conflicts and notify the State Attorneys General of the relevant Settling States that it intends to comply with the requirement or requirements to the extent necessary to eliminate the conflict. With respect to the Injunctive Relief Terms, in the event of such a conflict, the procedures set forth in the Injunctive Relief Terms will be followed.

P. *No Prevailing Party.* The Parties and Participating Subdivisions each agree that they are not the prevailing party in this action, for purposes of any claim for fees, costs, or expenses as prevailing parties arising under common law or under the terms of any statute, because the Parties and Participating Subdivisions have reached a good faith settlement.

Q. *Waive Challenge.* The Parties and Participating Subdivisions each further waive any right to challenge or contest the validity of this Agreement on any ground, including, without limitation, that any term is unconstitutional or is preempted by, or in conflict with, any current or

future law. Nothing in the previous sentence shall modify, or be construed to conflict with, Section XIII.O.

R. *Non-Admissibility.* The settlement negotiations resulting in this Agreement have been undertaken by the Parties and by certain representatives of the Participating Subdivisions in good faith and for settlement purposes only, and no evidence of negotiations or discussions underlying this Agreement shall be offered or received in evidence in any action or proceeding for any purpose. This Agreement shall not be offered or received in evidence in any action or proceeding for any purpose other than in an action or proceeding arising under or relating to this Agreement.

S. *Notices.* All notices or other communications under this Agreement shall be in writing (including, but not limited to, electronic communications) and shall be given to the recipients indicated below:

Any Party or the Plaintiffs' Executive Committee may change or add the contact information of the persons designated to receive notice on its behalf by notice given (effective upon the giving of such notice) as provided in this Section XIII.S.

T. *No Waiver.* The waiver of any rights conferred hereunder shall be effective only if made by written instrument executed by the waiving Party or Parties. The waiver by any Party of any breach of this Agreement shall not be deemed to be or construed as a waiver of any other breach, whether prior, subsequent, or contemporaneous, nor shall such waiver be deemed to be or construed as a waiver by any other Party.

U. *Preservation of Privilege.* Nothing contained in this Agreement or any Consent Judgment, and no act required to be performed pursuant to this Agreement or any Consent Judgment, is intended to constitute, cause, or effect any waiver (in whole or in part) of any attorney-client privilege, work product protection, or common interest/joint defense privilege, and each Party and Participating Subdivision agrees that it shall not make or cause to be made in any forum any assertion to the contrary.

V. *Successors.*

1. This Agreement shall be binding upon, and inure to the benefit of, Walgreens and its respective successors and assigns.

2. Walgreens shall not, in one (1) transaction or a series of related transactions, sell or transfer U.S. assets having a fair market value equal to twenty-five percent (25%) or more of the consolidated assets of Walgreens (other than sales or transfers of inventories, or sales or transfers to an entity owned directly or indirectly by Walgreens) where the sale or transfer is announced after the Reference Date, is not for fair consideration, and would foreseeably and unreasonably jeopardize Walgreens' ability to make the payments under this Agreement that are due on or before the third Payment Date following the close of a sale or transfer transaction, unless Walgreens obtains the acquiror's agreement that it will be either a guarantor of or successor to the percentage of Walgreens remaining Payment Obligations under this Agreement equal to the percentage of Walgreens' consolidated assets being sold or transferred in such transaction. Percentages under this section shall be determined in accordance with United States generally accepted accounting principles and as of the date of Walgreens most recent publicly filed consolidated balance sheet prior to the date of entry into the sale or transfer agreement at issue. This Section XIII.V shall be enforceable solely by the Settling States, and any objection under this Section XIII.V not raised within sixty (60) calendar days of the announcement of the relevant transaction is waived.

W. *Modification, Amendment, Alteration.* In the event the Plaintiffs' Executive Committee, the Executive Committee of the State Attorneys General, or Walgreens concludes prior to December 21, 2022 that technical corrections are required to this Agreement, the Plaintiffs' Executive Committee, the Executive Committee of the State Attorneys General, and Walgreens shall meet and confer and make such amendments as they agree are appropriate. After the Reference Date, any modification, amendment, or alteration of this Agreement by the Parties shall be binding only if evidenced in writing signed by Walgreens, along with the signature of at

least thirty-seven (37) of those then serving as Attorney General of the Settling States along with a representation from each Attorney General that either: (1) the advisory committee or similar entity established or recognized by that State (either pursuant to Section V.E.2.c, by a State-Subdivision Agreement, or by statute) voted in favor of the modification, amendment or alteration of this Agreement including at least one member appointed by the Participating Subdivisions listed on Exhibit G; or (2) in States without any advisory committee, that 50.1% (by population) of the Participating Subdivisions listed on Exhibit G expressed approval of the modification, amendment, or alteration of this Agreement in a writing.

X. *Termination.*

1. Unless otherwise agreed to by each of Walgreens and the State, this Agreement and all of its terms (except Section XIII.R and any other non-admissibility provisions, which shall continue in full force and effect) shall be canceled and terminated with respect to the Settling State, and the Agreement and all orders issued by the courts in the Settling State pursuant to the Agreement shall become null and void and of no effect if one or more of the following conditions applies:

a. a Consent Judgment approving this Agreement without modification of any of the Agreement's terms has not been entered as to a Settling State by a court of competent jurisdiction on or before one hundred eighty (180) calendar days after the Effective Date;

b. this Agreement or the Consent Judgment as to that Settling State has been disapproved by a court of competent jurisdiction to which it was presented for approval and/or entry (or, in the event of an appeal from or review of a decision of such a court to approve this Agreement and the Consent Judgment, by the court hearing such appeal or conducting such review), and the time to appeal from such disapproval has expired, or, in the event of an appeal from such disapproval, the appeal has been dismissed or the disapproval has been affirmed by the court of last resort to which such appeal has been taken and such dismissal or disapproval has become no longer subject to further appeal (including, without limitation, review by the United States Supreme Court); or

2. If this Agreement is terminated with respect to a Settling State for whatever reason pursuant to Section XIII.X.1, then:

a. an applicable statute of limitation or any similar time requirement (excluding any statute of repose) shall be tolled from the date the Settling State signed this Agreement until the later of the time permitted by applicable law or for one year from the date of such termination, with the effect that Walgreens and the Settling State shall be in the same position with respect to the statute of limitation as they were at the time the Settling State filed its action; and

b. Walgreens and the State shall jointly move the relevant court of competent jurisdiction for an order reinstating the actions and claims dismissed pursuant to the terms of this Agreement governing dismissal, with the effect that

Walgreens and the State shall be in the same position with respect to those actions and claims as they were at the time the action or claim was stayed or dismissed.

3. Unless Walgreens and the Enforcement Committee agree otherwise, this Agreement, with the exception of the Injunctive Relief Terms that have their own provisions on duration, shall terminate as to all Parties as of the Payment Date for Payment Year 15, *provided* that Walgreens' has performed its Payment obligations under the Agreement as of that date. Notwithstanding any other provision in this Section XIII.X.3 or in this Agreement, all releases under this Agreement will remain effective despite any termination under this Section XIII.X.3.

Y. *Governing Law.* Except as (1) otherwise provided in this Agreement or (2) as necessary, in the sole judgment of the National Arbitration Panel, to promote uniformity of interpretation for matters within the scope of the National Arbitration Panel's authority, this Agreement shall be governed by and interpreted in accordance with the respective laws of the Settling State, without regard to the conflict of law rules of such Settling State, that is seeking to enforce the Agreement against Walgreens or against which Walgreens is seeking enforcement. Notwithstanding any other provision in this subsection on governing law, any disputes relating to the Settlement Fund Escrow shall be governed by and interpreted in accordance with the law of the State where the escrow agent has its primary place of business.

Z. *Bankruptcy.* The following provisions shall apply if Walgreens enters Bankruptcy and (i) the Walgreens bankruptcy estate recovers, pursuant to 11 U.S.C. § 550, any payments made under this Agreement, or (ii) this Agreement is deemed executory and is rejected by Walgreens pursuant to 11 U.S.C. § 365:

1. In the event that the both a number of Settling States equal to at least seventy-five percent (75%) of the total number of Settling States and Settling States having aggregate Overall Allocation Percentages as set forth on Exhibit F equal to at least seventy-five percent (75%) of the total aggregate Overall Allocation Percentages assigned to all Settling States deem (by written notice to Walgreens) that the financial obligations of this Agreement have been terminated and rendered null and void (except as provided in Section XIII.Z.1.a) due to a material breach by Walgreens, whereupon:

a. all agreements, all concessions, all reductions of Releasing Parties' Claims, and all releases and covenants not to sue, contained in this Agreement shall immediately and automatically be deemed null and void as to Walgreens; the Settling States shall be deemed immediately and automatically restored to the same position they were in immediately prior to their entry into this Settlement Agreement in respect to Walgreens shall have the right to assert any and all claims against Walgreens in the Bankruptcy or otherwise without regard to any limits or agreements as to the amount of the settlement otherwise provided in this Agreement; *provided, however,* that notwithstanding the foregoing sentence, (i) all reductions of Releasing Parties' Claims, and all releases and covenants not to sue, contained in this Agreement shall remain in full force and effect as to all persons or entities other than Walgreens itself; and (ii) in the event the State asserts any Released Claim against Walgreens after the rejection and/or termination of this Agreement as described in this Section XIII.Z.1.a and receives

a judgment, settlement or distribution arising from such Released Claim, then the amount of any payments the State has previously received from Walgreens under this Agreement shall be applied to reduce the amount of any such judgment, settlement or distribution (provided that no credit shall be given against any such judgment, settlement or distribution for any payment that the State is required to disgorge or repay to Walgreens' bankruptcy estate); and

b. the Settling States may exercise all rights provided under the federal Bankruptcy Code (or other applicable bankruptcy or non-bankruptcy law) with respect to their Claims against Walgreens subject to all defenses and rights of the Walgreens.

AA. *Waiver*. Walgreens, for good and valuable consideration the receipt of which is acknowledged, hereby (a) waives, foregoes and relinquishes all rights to utilize and/or seek relief under any of the following laws of the State of Texas for the restructuring of its debts or liabilities related to Released Claims, Claims that would have been Released Claims if they had been brought by a Releasor against a Released Entity before the Effective Date, or this Agreement: Tex. Bus. Orgs. Code § 10.003 (Contents of Plan of Merger: More Than One Successor) or any other statute of Subchapter A of Chapter 10 of Tex. Bus. Orgs. Code to the extent such statute relates to multi-successor mergers (and/or any other similar laws or statutes in any other state or territory); Tex. Bus. Orgs. Code §§ 11.01–11.414 (Winding Up and Termination of Domestic Entity); or Tex. Bus. & Com. Code §§ 23.01–23.33 (Assignments for the Benefit of Creditors) (collectively, the "Texas Statutes"), and (b) agrees, warrants and represents that it will not file, request or petition for relief under the Texas Statutes related to its debts or liabilities related to Released Claims, Claims that would have been Released Claims if they had been brought by a Releasor against a Released Entity before the Effective Date, or this Agreement, in each case until such time as all of Walgreens' payment obligations incurred hereunder are satisfied in full. The foregoing waiver and relinquishment includes, without limitation, until such time as all of Walgreens' payment obligations incurred hereunder are satisfied in full, Walgreens' rights to execute a divisional merger or equivalent transaction or restructuring related to its debts or liabilities related to Released Claims, Claims that would have been Released Claims if they had been brought by a Releasor against a Released Entity before the Effective Date, or this Agreement that in each case has the intent or foreseeable effect of (i) separating material assets from material liabilities and (ii) assigning or allocating all or a substantial portion of those liabilities to any subsidiary or affiliate that files for relief under chapter 11 of the Bankruptcy Code, or pursuant to which such subsidiary or affiliate that files for relief under chapter 11 of the Bankruptcy Code would be assuming or retaining all or a substantial portion of those liabilities.

EXHIBIT A

Alleged Harms

The following expert reports that were filed in connection with the case captioned *In re: National Prescription Opiate Litigation*, No. 1: 17-md-2804 (N.D. Ohio) provide non-exclusive examples of Alleged Harms:

1. Expert report of G. Caleb Alexander, dated April 16, 2021.
2. Expert report of David Cutler, dated April 16, 2021; supplemental expert report of David Cutler, dated April 21, 2021; and second supplemental expert report of David Cutler, dated May 10, 2021.
3. Expert report of David Herzberg, dated April 16, 2021.
4. Expert report of Katherine M. Keyes, Ph.D., dated April 16, 2021; supplemental expert report of Katherine M. Keyes, Ph.D, dated June 2, 2021.
5. Expert report of Dr. Anna Lembke, dated April 16, 2021.
6. Expert report of Harvey Rosen, dated April 16, 2021.
7. Expert report of Nancy Young, dated April 16, 2021.

EXHIBIT B

Enforcement Committee Organization Bylaws

ARTICLE I

These bylaws constitute the code of rules adopted by the Settling States and Participating Subdivisions for the creation of an Enforcement Committee (the "Committee") to exist and operate during the term of the Agreement in connection with Walgreens and shall control the regulation and management of the Committee's affairs.

ARTICLE II

Purpose

The Committee is organized for the sole purpose of evaluating and taking such action as deemed reasonable, necessary, and appropriate by the members of the Committee on the matters delegated to the Committee under that certain Settlement Agreement between the Settling States and Walgreens dated December [__], 2022.

ARTICLE III

Members of the Committee

A. Number of Members

The Committee will consist of sixteen (16) members (the "Members"). Upon majority resolution of the Committee, the number of Members may be increased or decreased from time to time, but in no event shall a decrease have the effect of decreasing the total number of Members to less than seven Members.

B. Initial Members

The Committee initially will consist of ten (10) Settling State Members and six (6) Participating Subdivision Members; three (3) of the Participating Subdivisions shall be counties and three (3) shall be municipalities. The initial Settling State Members are representatives from: Connecticut, Delaware, Illinois, Indiana, Louisiana, New York, North Carolina, Ohio, Tennessee, and Texas. The initial Participating Subdivision Members are: [●]. Until fifteen (15) months from the Effective Date contained in the Settlement Agreement, the Participating Subdivisions may designate their outside counsel to serve as their representative. After fifteen (15) months from the Effective Date, an employee or official of the Participating Subdivision must be the designated as the representative of the Participating Subdivision.

C. Term of Members

The term of office for Members of the Committee will be until the end of the term of the Settlement Agreement unless and until a Member withdraws or resigns from the Committee.

D. Resignation

Any Member may resign at any time by delivering written notice to the Chairperson of the Committee. Such resignation shall take effect upon receipt or, if later, at the time specified in the notice.

E. Removal

(a) Any Member may be removed without cause, at any time, by a majority of the entire Committee, at a Regular or Special Meeting called for that purpose. Any Member under consideration of removal must first be notified about the consideration by written notice at least five days prior to the meeting at which the vote takes place.

(b) In the event that any Member is not a Settling State or a Participating Subdivision or the Member subsequently becomes a Later Litigating Subdivision, the Member shall be removed immediately without notice or vote of the Committee.

F. Vacancies

In the event of a vacancy, the Members of the same type (Settling State or Participating Subdivision) shall select another Settling State or Participating Subdivision to fill that Member's position.

G. Compensation

Members shall not receive any salaries or other compensation for their services, but, by resolution of the Committee, may be reimbursed for any actual expenses incurred in the performance of their duties for the Committee, as long as a majority of disinterested Members approve the reimbursement. Any reimbursement shall be sought from the Settlement Fund Administrator.

ARTICLE IV
Conflicts of Interest and Code of Ethics

If a Member, agent, or employee of the Committee has a conflict of interest, he or she may not participate in a vote, discussion, or decision about the matter. Each Member shall follow any applicable state or local law with respect to conflicts, gifts, and ethics.

ARTICLE V

Committee Meetings

A. Place of Meetings

Meetings of the Committee will be held at any place that the Chairperson may designate, including by telephonic or electronic means.

B. Regular Meetings

Regular meetings of the Committee shall be held as deemed necessary by the Chairperson or any three members.

C. Notice of Meetings

Written notice of the date, time, place and subject of each meeting must be provided to the Members at least 72 hours before the scheduled time of the meeting, except when there is an emergency or urgent public necessity.

D. Quorum

A majority of the incumbent Members (not counting vacancies) shall constitute a quorum for the purposes of convening a meeting or conducting business.

E. Voting and Proxy

When it is necessary to vote on any matter before the Committee, Members may vote by electronic means as provided in these Bylaws. Proxy voting is permitted. In order for a matter to pass, the matter must have a majority vote of Members present and must have at least one vote from a Settling State Member and a Participating Subdivision Member. In the event that there is a Quorum, but no Settling State or Participating Subdivision Member is present, then a matter may pass with a simple majority vote.

F. Minutes

The Committee shall prepare and keep minutes. The minutes must state the subject of each deliberation and indicate each vote, order, decision, or other action taken.

ARTICLE VI

Officers

A. Roster of Officers

The Committee shall have a Chairperson, a Vice Chairperson, and a Secretary. The Committee may have at its discretion, such other officers as may be appointed by the Members of the Committee. One person may hold two or more offices, except those serving as Chairperson.

B. Election and Removal of Officers

All officers shall serve two-year terms. The election shall be conducted at the first meeting of the fiscal year. Officers shall remain in office until their successors have been selected. Officers may serve consecutive terms without limit. The election of officers shall be by majority vote of the Members of the Committee attending the meeting.

C. Vacancies

If a vacancy occurs during the term of office for any elected officer, the Members of the Committee shall elect a new officer to fill the remainder of the term as soon as practical, by majority vote of Members present.

D. Chairperson

The Chairperson will supervise and control the affairs of the Committee and shall exercise such supervisory powers as may be given him/her by the Members of the Committee. The Chairperson will perform all duties incident to such office and such other duties as may be provided in these bylaws or as may be prescribed from time to time by the Committee. The Chairperson shall preside at all meetings and shall exercise parliamentary control in accordance with Robert's Rules of Order.

E. Vice Chairperson

The Vice Chairperson shall act in place of the Chairperson in the event of the Chairperson's absence, inability, or refusal to act, and shall exercise and discharge such other duties as may be required by the Committee. The Vice Chairperson shall serve as the parliamentarian and interpret any ambiguities of the bylaws.

F. Secretary

The Secretary will keep and maintain all records related to the Committee and take minutes of all meetings.

G. Records

All elected officers and committee chairpersons shall relinquish their records to the Chairperson immediately upon the completion of their term of office or completion of a project.

H. Resignation

An officer may resign the office while not resigning membership from the Committee, by submitting a letter to the Chairperson. Vacancies occurring in any office shall be appointed for the remainder of the term.

ARTICLE VII

Duties

A. Prior to the Effective Date

The Committee shall be responsible for any additional negotiations with Walgreens, including, but not limited to, negotiating extensions of any periods created by the Settlement Agreement, except that any additional negotiations related to the Injunctive Relief Terms (Exhibit [●]) shall be handled by the States Injunctive Relief Committee in accordance with the terms of Exhibit [●].

B. After the Effective Date

The Committee shall establish procedures for the receipt of notices that a dispute exists concerning the Agreement and review of such disputes, pursuant to Section [●] of the Agreement. Members may engage with Walgreens, Settling States, and Participating Subdivisions attempting to resolve any dispute without further action by the Committee. The Committee may request additional information from Walgreens, Settling States, and Participating Subdivisions to the extent the Committee believes such information is necessary to understand, resolve, or provide advice related to a dispute. The Committee

shall endeavor to provide advice relative to the dispute no later than 60 days after receipt of notice.

ARTICLE VIII

Rules of Procedure

The proceedings and business of the Committee shall be governed by Robert's Rules of Order unless otherwise waived by the Committee.

ARTICLE IX

Operations

A. Records

The Committee will keep correct and complete records and will also keep minutes of the proceedings of the Committee meetings and Committees. The Committee will keep such records at its principal place of business at a place designated by the Chairperson**.**

All elected officers and committee chairpersons shall relinquish their records to the Chairperson, immediately upon the completion of their term of office.

B. Inspection of Books and Records

The minutes of a meeting are public records and shall be available for public inspection and copying on request to the Committee's Chairperson or the Chairperson's designee.

C. Amendments

The bylaws may be amended at any time by a vote of a majority of Members present and must have at least one vote from a Settling State Member and a Participating Subdivision Member. In the event that there is a Quorum, but no Settling State or Participating Subdivision Member is present, then a matter may pass with a simple majority vote.

2032. Rock Springs, City of, Wyoming
2033. Sweetwater, County of, Wyoming

EXHIBIT D

Intentionally Omitted

Exhibit E
List of Opioid Remediation Uses

Schedule A
Core Strategies

Settling States and Participating Subdivisions listed on Exhibit G may choose from among the abatement strategies listed in Schedule B. However, priority may be given to the following core abatement strategies ("*Core Strategies*").[1]

A. NALOXONE OR OTHER FDA-APPROVED DRUG TO REVERSE OPIOID OVERDOSES

Expand training for first responders, schools, community support groups and families; and

Increase distribution to individuals who are uninsured or whose insurance does not cover the needed service.

B. MEDICATION-ASSISTED TREATMENT ("*MAT*") DISTRIBUTION AND OTHER OPIOID-RELATED TREATMENT

1. Increase distribution of MAT to individuals who are uninsured or whose insurance does not cover the needed service;

2. Provide education to school-based and youth-focused programs that discourage or prevent misuse;

3. Provide MAT education and awareness training to healthcare providers, EMTs, law enforcement, and other first responders; and

4. Provide treatment and recovery support services such as residential and inpatient treatment, intensive outpatient treatment, outpatient therapy or counseling, and recovery housing that allow or integrate medication and with other support services.

[1] As used in this Schedule A, words like "expand," "fund," "provide" or the like shall not indicate a preference for new or existing programs.

C. PREGNANT & POSTPARTUM WOMEN

1. Expand Screening, Brief Intervention, and Referral to Treatment ("*SBIRT*") services to non-Medicaid eligible or uninsured pregnant women;

2. Expand comprehensive evidence-based treatment and recovery services, including MAT, for women with co-occurring Opioid Use Disorder ("*OUD*") and other Substance Use Disorder ("*SUD*")/Mental Health disorders for uninsured individuals for up to 12 months postpartum; and

3. Provide comprehensive wrap-around services to individuals with OUD, including housing, transportation, job placement/training, and childcare.

D. EXPANDING TREATMENT FOR NEONATAL ABSTINENCE SYNDROME ("*NAS*")

1. Expand comprehensive evidence-based and recovery support for NAS babies;

2. Expand services for better continuum of care with infant-need dyad; and

3. Expand long-term treatment and services for medical monitoring of NAS babies and their families.

E. EXPANSION OF WARM HAND-OFF PROGRAMS AND RECOVERY SERVICES

1. Expand services such as navigators and on-call teams to begin MAT in hospital emergency departments;

2. Expand warm hand-off services to transition to recovery services;

3. Broaden scope of recovery services to include co-occurring SUD or mental health conditions;

4. Provide comprehensive wrap-around services to individuals in recovery, including housing, transportation, job placement/training, and childcare; and

5. Hire additional social workers or other behavioral health workers to facilitate expansions above.

F. TREATMENT FOR INCARCERATED POPULATION

1. Provide evidence-based treatment and recovery support, including MAT for persons with OUD and co-occurring SUD/MH disorders within and transitioning out of the criminal justice system; and

2. Increase funding for jails to provide treatment to inmates with OUD.

G. PREVENTION PROGRAMS

1. Funding for media campaigns to prevent opioid use (similar to the FDA's "Real Cost" campaign to prevent youth from misusing tobacco);

2. Funding for evidence-based prevention programs in schools;

3. Funding for medical provider education and outreach regarding best prescribing practices for opioids consistent with the CDC guidelines, including providers at hospitals (academic detailing);

4. Funding for community drug disposal programs; and

5. Funding and training for first responders to participate in pre-arrest diversion programs, post-overdose response teams, or similar strategies that connect at-risk individuals to behavioral health services and supports.

H. EXPANDING SYRINGE SERVICE PROGRAMS

1. Provide comprehensive syringe services programs with more wrap-around services, including linkage to OUD treatment, access to sterile syringes and linkage to care and treatment of infectious diseases.

I. EVIDENCE-BASED DATA COLLECTION AND RESEARCH ANALYZING THE EFFECTIVENESS OF THE ABATEMENT STRATEGIES WITHIN THE STATE

Schedule B
Approved Uses

Support treatment of Opioid Use Disorder (OUD) and any co-occurring Substance Use Disorder or Mental Health (SUD/MH) conditions through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

PART ONE: TREATMENT

A. TREAT OPIOID USE DISORDER (OUD)

Support treatment of Opioid Use Disorder ("*OUD*") and any co-occurring Substance Use Disorder or Mental Health ("*SUD/MH*") conditions through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, those that:[2]

1. Expand availability of treatment for OUD and any co-occurring SUD/MH conditions, including all forms of Medication-Assisted Treatment ("*MAT*") approved by the U.S. Food and Drug Administration.

2. Support and reimburse evidence-based services that adhere to the American Society of Addiction Medicine ("*ASAM*") continuum of care for OUD and any co-occurring SUD/MH conditions.

3. Expand telehealth to increase access to treatment for OUD and any co-occurring SUD/MH conditions, including MAT, as well as counseling, psychiatric support, and other treatment and recovery support services.

4. Improve oversight of Opioid Treatment Programs ("*OTPs*") to assure evidence-based or evidence-informed practices such as adequate methadone dosing and low threshold approaches to treatment.

5. Support mobile intervention, treatment, and recovery services, offered by qualified professionals and service providers, such as peer recovery coaches, for persons with OUD and any co-occurring SUD/MH conditions and for persons who have experienced an opioid overdose.

6. Provide treatment of trauma for individuals with OUD (*e.g.*, violence, sexual assault, human trafficking, or adverse childhood experiences) and family members (*e.g.*, surviving family members after an overdose or overdose fatality), and training of health care personnel to identify and address such trauma.

[2] As used in this Schedule B, words like "expand," "fund," "provide" or the like shall not indicate a preference for new or existing programs.

7. Support evidence-based withdrawal management services for people with OUD and any co-occurring mental health conditions.

8. Provide training on MAT for health care providers, first responders, students, or other supporting professionals, such as peer recovery coaches or recovery outreach specialists, including telementoring to assist community-based providers in rural or underserved areas.

9. Support workforce development for addiction professionals who work with persons with OUD and any co-occurring SUD/MH conditions.

10. Offer fellowships for addiction medicine specialists for direct patient care, instructors, and clinical research for treatments.

11. Offer scholarships and supports for behavioral health practitioners or workers involved in addressing OUD and any co-occurring SUD/MH or mental health conditions, including, but not limited to, training, scholarships, fellowships, loan repayment programs, or other incentives for providers to work in rural or underserved areas.

12. Provide funding and training for clinicians to obtain a waiver under the federal Drug Addiction Treatment Act of 2000 ("*DATA 2000*") to prescribe MAT for OUD, and provide technical assistance and professional support to clinicians who have obtained a DATA 2000 waiver.

13. Disseminate web-based training curricula, such as the American Academy of Addiction Psychiatry's Provider Clinical Support Service–Opioids web-based training curriculum and motivational interviewing.

14. Develop and disseminate new curricula, such as the American Academy of Addiction Psychiatry's Provider Clinical Support Service for Medication–Assisted Treatment.

B. SUPPORT PEOPLE IN TREATMENT AND RECOVERY

Support people in recovery from OUD and any co-occurring SUD/MH conditions through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the programs or strategies that:

1. Provide comprehensive wrap-around services to individuals with OUD and any co-occurring SUD/MH conditions, including housing, transportation, education, job placement, job training, or childcare.

2. Provide the full continuum of care of treatment and recovery services for OUD and any co-occurring SUD/MH conditions, including supportive housing, peer support services and counseling, community navigators, case management, and connections to community-based services.

3. Provide counseling, peer-support, recovery case management and residential treatment with access to medications for those who need it to persons with OUD and any co-occurring SUD/MH conditions.

4. Provide access to housing for people with OUD and any co-occurring SUD/MH conditions, including supportive housing, recovery housing, housing assistance programs, training for housing providers, or recovery housing programs that allow or integrate FDA-approved mediation with other support services.

5. Provide community support services, including social and legal services, to assist in deinstitutionalizing persons with OUD and any co-occurring SUD/MH conditions.

6. Support or expand peer-recovery centers, which may include support groups, social events, computer access, or other services for persons with OUD and any co-occurring SUD/MH conditions.

7. Provide or support transportation to treatment or recovery programs or services for persons with OUD and any co-occurring SUD/MH conditions.

8. Provide employment training or educational services for persons in treatment for or recovery from OUD and any co-occurring SUD/MH conditions.

9. Identify successful recovery programs such as physician, pilot, and college recovery programs, and provide support and technical assistance to increase the number and capacity of high-quality programs to help those in recovery.

10. Engage non-profits, faith-based communities, and community coalitions to support people in treatment and recovery and to support family members in their efforts to support the person with OUD in the family.

11. Provide training and development of procedures for government staff to appropriately interact and provide social and other services to individuals with or in recovery from OUD, including reducing stigma.

12. Support stigma reduction efforts regarding treatment and support for persons with OUD, including reducing the stigma on effective treatment.

13. Create or support culturally appropriate services and programs for persons with OUD and any co-occurring SUD/MH conditions, including new Americans.

14. Create and/or support recovery high schools.

15. Hire or train behavioral health workers to provide or expand any of the services or supports listed above.

C. CONNECT PEOPLE WHO NEED HELP TO THE HELP THEY NEED (CONNECTIONS TO CARE)

Provide connections to care for people who have—or are at risk of developing—OUD and any co-occurring SUD/MH conditions through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, those that:

1. Ensure that health care providers are screening for OUD and other risk factors and know how to appropriately counsel and treat (or refer if necessary) a patient for OUD treatment.

2. Fund SBIRT programs to reduce the transition from use to disorders, including SBIRT services to pregnant women who are uninsured or not eligible for Medicaid.

3. Provide training and long-term implementation of SBIRT in key systems (health, schools, colleges, criminal justice, and probation), with a focus on youth and young adults when transition from misuse to opioid disorder is common.

4. Purchase automated versions of SBIRT and support ongoing costs of the technology.

5. Expand services such as navigators and on-call teams to begin MAT in hospital emergency departments.

6. Provide training for emergency room personnel treating opioid overdose patients on post-discharge planning, including community referrals for MAT, recovery case management or support services.

7. Support hospital programs that transition persons with OUD and any co-occurring SUD/MH conditions, or persons who have experienced an opioid overdose, into clinically appropriate follow-up care through a bridge clinic or similar approach.

8. Support crisis stabilization centers that serve as an alternative to hospital emergency departments for persons with OUD and any co-occurring SUD/MH conditions or persons that have experienced an opioid overdose.

9. Support the work of Emergency Medical Systems, including peer support specialists, to connect individuals to treatment or other appropriate services following an opioid overdose or other opioid-related adverse event.

10. Provide funding for peer support specialists or recovery coaches in emergency departments, detox facilities, recovery centers, recovery housing, or similar settings; offer services, supports, or connections to care to persons with OUD and any co-occurring SUD/MH conditions or to persons who have experienced an opioid overdose.

11. Expand warm hand-off services to transition to recovery services.

12. Create or support school-based contacts that parents can engage with to seek immediate treatment services for their child; and support prevention, intervention, treatment, and recovery programs focused on young people.

13. Develop and support best practices on addressing OUD in the workplace.

14. Support assistance programs for health care providers with OUD.

15. Engage non-profits and the faith community as a system to support outreach for treatment.

16. Support centralized call centers that provide information and connections to appropriate services and supports for persons with OUD and any co-occurring SUD/MH conditions.

D. ADDRESS THE NEEDS OF CRIMINAL JUSTICE-INVOLVED PERSONS

Address the needs of persons with OUD and any co-occurring SUD/MH conditions who are involved in, are at risk of becoming involved in, or are transitioning out of the criminal justice system through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, those that:

1. Support pre-arrest or pre-arraignment diversion and deflection strategies for persons with OUD and any co-occurring SUD/MH conditions, including established strategies such as:

    1. Self-referral strategies such as the Angel Programs or the Police Assisted Addiction Recovery Initiative ("*PAARI*");

    2. Active outreach strategies such as the Drug Abuse Response Team ("*DART*") model;

    3. "Naloxone Plus" strategies, which work to ensure that individuals who have received naloxone to reverse the effects of an overdose are then linked to treatment programs or other appropriate services;

    4. Officer prevention strategies, such as the Law Enforcement Assisted Diversion ("*LEAD*") model;

    5. Officer intervention strategies such as the Leon County, Florida Adult Civil Citation Network or the Chicago Westside Narcotics Diversion to Treatment Initiative; or

    6. Co-responder and/or alternative responder models to address OUD-related 911 calls with greater SUD expertise.

2. Support pre-trial services that connect individuals with OUD and any co-occurring SUD/MH conditions to evidence-informed treatment, including MAT, and related services.

3. Support treatment and recovery courts that provide evidence-based options for persons with OUD and any co-occurring SUD/MH conditions.

4. Provide evidence-informed treatment, including MAT, recovery support, harm reduction, or other appropriate services to individuals with OUD and any co-occurring SUD/MH conditions who are incarcerated in jail or prison.

5. Provide evidence-informed treatment, including MAT, recovery support, harm reduction, or other appropriate services to individuals with OUD and any co-occurring SUD/MH conditions who are leaving jail or prison or have recently left jail or prison, are on probation or parole, are under community corrections supervision, or are in re-entry programs or facilities.

6. Support critical time interventions ("*CTI*"), particularly for individuals living with dual-diagnosis OUD/serious mental illness, and services for individuals who face immediate risks and service needs and risks upon release from correctional settings.

7. Provide training on best practices for addressing the needs of criminal justice-involved persons with OUD and any co-occurring SUD/MH conditions to law enforcement, correctional, or judicial personnel or to providers of treatment, recovery, harm reduction, case management, or other services offered in connection with any of the strategies described in this section.

E. ADDRESS THE NEEDS OF PREGNANT OR PARENTING WOMEN AND THEIR FAMILIES, INCLUDING BABIES WITH NEONATAL ABSTINENCE SYNDROME

Address the needs of pregnant or parenting women with OUD and any co-occurring SUD/MH conditions, and the needs of their families, including babies with neonatal abstinence syndrome ("*NAS*"), through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, those that:

1. Support evidence-based or evidence-informed treatment, including MAT, recovery services and supports, and prevention services for pregnant women—or women who could become pregnant—who have OUD and any co-occurring SUD/MH conditions, and other measures to educate and provide support to families affected by Neonatal Abstinence Syndrome.

2. Expand comprehensive evidence-based treatment and recovery services, including MAT, for uninsured women with OUD and any co-occurring SUD/MH conditions for up to 12 months postpartum.

3. Provide training for obstetricians or other healthcare personnel who work with pregnant women and their families regarding treatment of OUD and any co-occurring SUD/MH conditions.

4. Expand comprehensive evidence-based treatment and recovery support for NAS babies; expand services for better continuum of care with infant-need dyad; and expand long-term treatment and services for medical monitoring of NAS babies and their families.

5. Provide training to health care providers who work with pregnant or parenting women on best practices for compliance with federal requirements that children born with NAS get referred to appropriate services and receive a plan of safe care.

6. Provide child and family supports for parenting women with OUD and any co-occurring SUD/MH conditions.

7. Provide enhanced family support and child care services for parents with OUD and any co-occurring SUD/MH conditions.

8. Provide enhanced support for children and family members suffering trauma as a result of addiction in the family; and offer trauma-informed behavioral health treatment for adverse childhood events.

9. Offer home-based wrap-around services to persons with OUD and any co-occurring SUD/MH conditions, including, but not limited to, parent skills training.

10. Provide support for Children's Services—Fund additional positions and services, including supportive housing and other residential services, relating to children being removed from the home and/or placed in foster care due to custodial opioid use.

PART TWO: PREVENTION

F. PREVENT OVER-PRESCRIBING AND ENSURE APPROPRIATE PRESCRIBING AND DISPENSING OF OPIOIDS

Support efforts to prevent over-prescribing and ensure appropriate prescribing and dispensing of opioids through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Funding medical provider education and outreach regarding best prescribing practices for opioids consistent with the Guidelines for Prescribing Opioids for Chronic Pain from the U.S. Centers for Disease Control and Prevention, including providers at hospitals (academic detailing).

2. Training for health care providers regarding safe and responsible opioid prescribing, dosing, and tapering patients off opioids.

3. Continuing Medical Education (CME) on appropriate prescribing of opioids.

4. Providing Support for non-opioid pain treatment alternatives, including training providers to offer or refer to multi-modal, evidence-informed treatment of pain.

5. Supporting enhancements or improvements to Prescription Drug Monitoring Programs ("*PDMPs*"), including, but not limited to, improvements that:

    1. Increase the number of prescribers using PDMPs;

    2. Improve point-of-care decision-making by increasing the quantity, quality, or format of data available to prescribers using PDMPs, by improving the interface that prescribers use to access PDMP data, or both; or

    3. Enable states to use PDMP data in support of surveillance or intervention strategies, including MAT referrals and follow-up for individuals identified within PDMP data as likely to experience OUD in a manner that complies with all relevant privacy and security laws and rules.

6. Ensuring PDMPs incorporate available overdose/naloxone deployment data, including the United States Department of Transportation's Emergency Medical Technician overdose database in a manner that complies with all relevant privacy and security laws and rules.

7. Increasing electronic prescribing to prevent diversion or forgery.

8. Educating dispensers on appropriate opioid dispensing.

G. PREVENT MISUSE OF OPIOIDS

Support efforts to discourage or prevent misuse of opioids through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Funding media campaigns to prevent opioid misuse.

2. Corrective advertising or affirmative public education campaigns based on evidence.

3. Public education relating to drug disposal.

4. Drug take-back disposal or destruction programs.

5. Funding community anti-drug coalitions that engage in drug prevention efforts.

6. Supporting community coalitions in implementing evidence-informed prevention, such as reduced social access and physical access, stigma reduction—including staffing, educational campaigns, support for people in treatment or recovery, or

training of coalitions in evidence-informed implementation, including the Strategic Prevention Framework developed by the U.S. Substance Abuse and Mental Health Services Administration ("*SAMHSA*").

7. Engaging non-profits and faith-based communities as systems to support prevention.

8. Funding evidence-based prevention programs in schools or evidence-informed school and community education programs and campaigns for students, families, school employees, school athletic programs, parent-teacher and student associations, and others.

9. School-based or youth-focused programs or strategies that have demonstrated effectiveness in preventing drug misuse and seem likely to be effective in preventing the uptake and use of opioids.

10. Create or support community-based education or intervention services for families, youth, and adolescents at risk for OUD and any co-occurring SUD/MH conditions.

11. Support evidence-informed programs or curricula to address mental health needs of young people who may be at risk of misusing opioids or other drugs, including emotional modulation and resilience skills.

12. Support greater access to mental health services and supports for young people, including services and supports provided by school nurses, behavioral health workers or other school staff, to address mental health needs in young people that (when not properly addressed) increase the risk of opioid or another drug misuse.

H. PREVENT OVERDOSE DEATHS AND OTHER HARMS (HARM REDUCTION)

Support efforts to prevent or reduce overdose deaths or other opioid-related harms through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Increased availability and distribution of naloxone and other drugs that treat overdoses for first responders, overdose patients, individuals with OUD and their friends and family members, schools, community navigators and outreach workers, persons being released from jail or prison, or other members of the general public.

2. Public health entities providing free naloxone to anyone in the community.

3. Training and education regarding naloxone and other drugs that treat overdoses for first responders, overdose patients, patients taking opioids, families, schools, community support groups, and other members of the general public.

4. Enabling school nurses and other school staff to respond to opioid overdoses, and provide them with naloxone, training, and support.

5. Expanding, improving, or developing data tracking software and applications for overdoses/naloxone revivals.

6. Public education relating to emergency responses to overdoses.

7. Public education relating to immunity and Good Samaritan laws.

8. Educating first responders regarding the existence and operation of immunity and Good Samaritan laws.

9. Syringe service programs and other evidence-informed programs to reduce harms associated with intravenous drug use, including supplies, staffing, space, peer support services, referrals to treatment, fentanyl checking, connections to care, and the full range of harm reduction and treatment services provided by these programs.

10. Expanding access to testing and treatment for infectious diseases such as HIV and Hepatitis C resulting from intravenous opioid use.

11. Supporting mobile units that offer or provide referrals to harm reduction services, treatment, recovery supports, health care, or other appropriate services to persons that use opioids or persons with OUD and any co-occurring SUD/MH conditions.

12. Providing training in harm reduction strategies to health care providers, students, peer recovery coaches, recovery outreach specialists, or other professionals that provide care to persons who use opioids or persons with OUD and any co-occurring SUD/MH conditions.

13. Supporting screening for fentanyl in routine clinical toxicology testing.

PART THREE: OTHER STRATEGIES

I. FIRST RESPONDERS

In addition to items in section C, D and H relating to first responders, support the following:

1. Education of law enforcement or other first responders regarding appropriate practices and precautions when dealing with fentanyl or other drugs.

2. Provision of wellness and support services for first responders and others who experience secondary trauma associated with opioid-related emergency events.

J. LEADERSHIP, PLANNING AND COORDINATION

Support efforts to provide leadership, planning, coordination, facilitations, training and technical assistance to abate the opioid epidemic through activities, programs, or strategies that may include, but are not limited to, the following:

1. Statewide, regional, local or community regional planning to identify root causes of addiction and overdose, goals for reducing harms related to the opioid epidemic, and areas and populations with the greatest needs for treatment intervention services, and to support training and technical assistance and other strategies to abate the opioid epidemic described in this opioid abatement strategy list.

2. A dashboard to (a) share reports, recommendations, or plans to spend opioid settlement funds; (b) to show how opioid settlement funds have been spent; (c) to report program or strategy outcomes; or (d) to track, share or visualize key opioid- or health-related indicators and supports as identified through collaborative statewide, regional, local or community processes.

3. Invest in infrastructure or staffing at government or not-for-profit agencies to support collaborative, cross-system coordination with the purpose of preventing overprescribing, opioid misuse, or opioid overdoses, treating those with OUD and any co-occurring SUD/MH conditions, supporting them in treatment or recovery, connecting them to care, or implementing other strategies to abate the opioid epidemic described in this opioid abatement strategy list.

4. Provide resources to staff government oversight and management of opioid abatement programs.

K. TRAINING

In addition to the training referred to throughout this document, support training to abate the opioid epidemic through activities, programs, or strategies that may include, but are not limited to, those that:

1. Provide funding for staff training or networking programs and services to improve the capability of government, community, and not-for-profit entities to abate the opioid crisis.

2. Support infrastructure and staffing for collaborative cross-system coordination to prevent opioid misuse, prevent overdoses, and treat those with OUD and any co-occurring SUD/MH conditions, or implement other strategies to abate the opioid epidemic described in this opioid abatement strategy list (*e.g.*, health care, primary care, pharmacies, PDMPs, etc.).

L. RESEARCH

Support opioid abatement research that may include, but is not limited to, the following:

1. Monitoring, surveillance, data collection and evaluation of programs and strategies described in this opioid abatement strategy list.

2. Research non-opioid treatment of chronic pain.

3. Research on improved service delivery for modalities such as SBIRT that demonstrate promising but mixed results in populations vulnerable to opioid use disorders.

4. Research on novel harm reduction and prevention efforts such as the provision of fentanyl test strips.

5. Research on innovative supply-side enforcement efforts such as improved detection of mail-based delivery of synthetic opioids.

6. Expanded research on swift/certain/fair models to reduce and deter opioid misuse within criminal justice populations that build upon promising approaches used to address other substances (*e.g.*, Hawaii HOPE and Dakota 24/7).

7. Epidemiological surveillance of OUD-related behaviors in critical populations, including individuals entering the criminal justice system, including, but not limited to approaches modeled on the Arrestee Drug Abuse Monitoring ("ADAM") system.

8. Qualitative and quantitative research regarding public health risks and harm reduction opportunities within illicit drug markets, including surveys of market participants who sell or distribute illicit opioids.

9. Geospatial analysis of access barriers to MAT and their association with treatment engagement and treatment outcomes.

Exhibit G
Subdivisions Eligible to Receive Direct Allocations from the Subdivision Fund and Subdivision Fund Allocation Percentages

The Subdivisions set forth on this Exhibit G are eligible to receive direct allocations from the Subdivision Fund, if such Subdivisions are otherwise eligible to receive such funds under this Agreement. By default, the Subdivisions set forth on this Exhibit G shall include all Subdivisions set forth on Exhibit G of the national opioid settlement agreement dated July 21, 2021 with Janssen Pharmaceuticals, Inc., et al., including all amendments up to the Preliminary Agreement Date of this Agreement. A State may elect to add any additional Subdivisions to this Exhibit G at any time prior to the Initial Participation Date.

Immediately upon the effectiveness of any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3 (or upon the effectiveness of an amendment to any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3) that addresses allocation from the Subdivision Fund, whether before or after the Initial Participation Date, this Exhibit G will automatically be amended to reflect the allocation from the Subdivision Fund pursuant to the State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3.

For the avoidance of doubt, inclusion on this Exhibit G shall not create any claim for any amount of the Settlement Fund, and no such amounts shall be allocated or distributed to any Subdivision included herein if such Subdivision does not otherwise meet all requirements to receive any such funds pursuant to the Agreement.

[List to be Added]

Subdivision Participation and Release Form

[Draft]

Governmental Entity:	State:
Authorized Official:	
Address 1:	
Address 2:	
City, State, Zip:	
Phone:	
Email:	

The governmental entity identified above ("*Governmental Entity*"), in order to obtain and in consideration for the benefits provided to the Governmental Entity pursuant to the Settlement Agreement dated December [ ], 2022 ("*Walgreens Settlement*"), and acting through the undersigned authorized official, hereby elects to participate in the Walgreens Settlement, release all Released Claims against all Released Entities, and agrees as follows.

1. The Governmental Entity is aware of and has reviewed the Walgreens Settlement, understands that all terms in this Participation and Release Form have the meanings defined therein, and agrees that by executing this Participation and Release Form, the Governmental Entity elects to participate in the Walgreens Settlement and become a Participating Subdivision as provided therein.

2. The Governmental Entity shall promptly, and in any event no later than 14 days after the Reference Date and prior to the filing of the Consent Judgment, dismiss with prejudice any Released Claims that it has filed. With respect to any Released Claims pending in *In re National Prescription Opiate Litigation*, MDL No. 2804, the Governmental Entity authorizes the Plaintiffs' Executive Committee to execute and file on behalf of the Governmental Entity a Stipulation of Dismissal with Prejudice substantially in the form found at [website link to national settlement website to be provided].

3. The Governmental Entity agrees to the terms of the Walgreens Settlement pertaining to Participating Subdivisions as defined therein.

4. By agreeing to the terms of the Walgreens Settlement and becoming a Releasor, the Governmental Entity is entitled to the benefits provided therein, including, if applicable, monetary payments beginning after the Effective Date.

5. The Governmental Entity agrees to use any monies it receives through the Walgreens Settlement solely for the purposes provided therein.

6. The Governmental Entity submits to the jurisdiction of the court in the Governmental Entity's state where the Consent Judgment is filed for purposes limited to that court's role as provided in, and for resolving disputes to the extent provided in, the Walgreens Settlement. The Governmental Entity likewise agrees to arbitrate before the National Arbitration Panel as provided in, and for resolving disputes to the extent otherwise provided in, the Walgreens Settlement.

7. The Governmental Entity has the right to enforce the Walgreens Settlement as provided therein.

8. The Governmental Entity, as a Participating Subdivision, hereby becomes a Releasor for all purposes in the Walgreens Settlement, including without limitation all provisions of Section XI (Release), and along with all departments, agencies, divisions, boards, commissions, districts, instrumentalities of any kind and attorneys, and any person in their official capacity elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, and any other entity identified in the definition of Releasor, provides for a release to the fullest extent of its authority. As a Releasor, the Governmental Entity hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever. The releases provided for in the Walgreens Settlement are intended by the Parties to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of the Governmental Entity to release claims. The Walgreens Settlement shall be a complete bar to any Released Claim.

9. The Governmental Entity hereby takes on all rights and obligations of a Participating Subdivision as set forth in the Walgreens Settlement.

10. In connection with the releases provided for in the Walgreens Settlement, each Governmental Entity expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

> **General Release; extent.** A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Governmental Entity hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance,

oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Governmental Entities' decision to participate in the Walgreens Settlement.

11. Nothing herein is intended to modify in any way the terms of the Walgreens Settlement, to which Governmental Entity hereby agrees. To the extent this Participation and Release Form is interpreted differently from the Walgreens Settlement in any respect, the Walgreens Settlement controls.

I have all necessary power and authorization to execute this Participation and Release Form on behalf of the Governmental Entity.

Year 15 December 31, 2036	$124,226,144	$245,219,640	$230,855,143	$47,881,655	$369,445,784
Total	**$1,963,147,836**	**$2,825,017,620**	**$2,681,372,654**	**$478,816,550**	**$4,788,165,456**

NOTES TO EXHIBIT M-2:

1. All figures for the Maximum Base Payment, Maximum Incentive A Payment, and Maximum Incentive Payment BC are maximum figures that reflect the following:
   - An assumption that all Eligible States are Settling States.
   - An assumption that all Settling States earn the full amount of the relevant incentive payment.

2. All figures for the Maximum Incentive Payment D show the amount earned based on all Settling States obtaining its maximum value of 10%, and reflect the following:
   - An assumption that all Eligible States are Settling States.
   - An assumption that all Settling States are eligible for Incentive Payment D in every Payment Year in which Incentive D is paid.

3. All figures for the Maximum Annual Remediation Payment reflect the following:
   - The credit amount of $361,834,542 for Florida's prior settlements have already been applied. The credit amount for Suffolk and Nassau Counties in New York in the amount of 15.31% of New York State's Allocation has not been applied against New York's allocation.
   - An assumption that all Eligible States are Settling States.
   - An assumption that each Settling State earn the maximum amount of the available Incentive Payment by either qualifying for Incentive Payment A, or the combination of obtaining a 100% participation percentage for Incentive Payment BC and earning Incentive Payment D at a value of 3%).

4. Any offsets for Eligible States that are Non-Settling States would be deducted from the Maximum Base Payment, Maximum Incentive Payments (A, BC, and D), and Maximum Annual Remediation Payment by subtracting the amount of the payment times the Overall State Allocation Percentage for each Non-Settling State.

EXHIBIT M-3: ANNUAL FEES PAYMENT SCHEDULE

Payment Year	Maximum Exhibit R Attorney Fee and Cost Funds	Common Benefit Fee on Credits	State Cost Fund	Maximum State Outside Counsel Fee Fund	Maximum Additional Remediation Amount	Maximum Annual Fees Payment
Year 2 December 31, 2023	$98,955,419	$7,477,914	$7,980,276	$3,990,138	$3,990,138	$122,393,885

Exhibit O
Adoption of a State-Subdivision Agreement

A State-Subdivision Agreement shall be applied if it meets the requirements of Section V and is approved by the State and by the State's Subdivisions as follows:

1. *Requirements for Approval*. A State-Subdivision Agreement shall be deemed as agreed to when it has been approved by the State and either (a) Subdivisions whose aggregate "Population Percentages," determined as set forth below, total more than sixty percent (60%), or (b) Subdivisions whose aggregate Population Percentages total more than fifty percent (50%) provided that these Subdivisions also represent fifteen percent (15%) or more of the State's counties or parishes (or, in the case of Settling States whose counties and parishes do not function as local governments, 15% of or more of the Settling State's non-county Subdivisions), by number.

2. *Approval Author-ity*. Approval by the State shall be by the Attorney General. Approval by a Subdivision shall be by the appropriate official or legislative body pursuant to the required procedures for that Subdivision to agree to a legally binding settlement.

3. *Population Percentage Calculation*. For purposes of this Exhibit O only, Population Percentages shall be determined as follows: For States with functional counties or parishes[3] the Population Percentage of each county or parish shall be deemed to be equal to (a) (1) two hundred percent (200%) of the population of such county or parish, minus (2) the aggregate population of all Primary Incorporated Municipalities located in such county or parish, divided by (b) two hundred percent (200%) of the State's population. A "*Primary Incorporated Municipality*" means a city, town, village or other municipality incorporated under applicable state law with a population of at least 25,000 that is not located within another incorporated municipality. The Population Percentage of each Primary Incorporated Municipality shall be equal to its population (including the population of any incorporated or unincorporated municipality located therein) divided by two hundred percent (200%) of the State's population; provided that the Population Percentage of a Primary Incorporated Municipality that is not located within a county shall be equal to two hundred percent (200%) of its population (including the population of any incorporated or unincorporated municipality located therein) divided by two hundred percent (200%) of the State's population. For all States that do not have functional counties or parishes, the Population Percentage of each non-county Subdivision (including any incorporated or unincorporated municipality located therein), shall be equal to its population divided by the State's population.

[3] Certain states do not have counties or parishes that have functional governments, including: Alaska, Connecticut, Massachusetts, Rhode Island, and Vermont.

4. *Preexisting Agreements and Statutory Provisions*. A State may include with the notice to its Subdivisions an existing agreement, a proposed agreement, or statutory provisions regarding the distribution and use of settlement funds and have the acceptance of such an agreement or statutory provision be part of the requirements to be an Initial Participating Subdivision.

EXHIBIT P

Pharmacy Controlled Substance Compliance Program & Anti-Diversion Injunctive Terms

I. INTRODUCTION

1. Except where these Injunctive Terms specify a different implementation period, Walgreens shall implement the Injunctive Terms set forth below in Sections II through XVII by the Injunctive Terms Implementation Date (defined below).

2. To the extent that Walgreens already has in place positions, committees, departments, policies or programs that satisfy the Injunctive Terms, no re-naming or other change is required by these Injunctive Terms.

3. Overview

    a. Walgreens will implement or maintain a Controlled Substance Compliance Program ("CSCP").

    b. The CSCP must include written standard operating procedures and/or corporate policies (the "CSCP Policies and Procedures") required by these Injunctive Terms.

    c. The CSCP shall apply during the term of these Injunctive Terms, to each of Walgreens' retail pharmacy stores that dispense Schedule II Designated Controlled Substances and are registered or licensed with each Settling State.

    d. Walgreens shall provide a copy of the relevant CSCP Policies and Procedures to each Settling State within sixty (60) days of the Injunctive Terms Implementation Date. To the extent any implementation is expected to require additional time, the Parties agree to work together in good faith to establish a timeline for implementation. No later than thirty (30) days after the Injunctive Terms Implementation Date, each Settling State shall identify the person or office to whom Walgreens must provide a copy of the relevant CSCP Policies and Procedures and any other State-specific reporting required under these Injunctive Terms.

    e. Settling States shall form the States Injunctive Relief Committee to serve as a point of contact for Walgreens and to perform such other roles as set forth herein. Upon the committee's formation, Settling States shall provide notice to Walgreens of the members of the committee.

4. Compliance with Laws

a. Walgreens acknowledges and agrees that its pharmacies must comply with applicable state and federal laws, regulations, and rules, including those regarding the dispensing of Controlled Substances. The requirements of these Injunctive Terms are in addition to, and not in lieu of, any other requirements of federal, state, or local law. Nothing in the Injunctive Terms shall be construed as relieving Walgreens of the obligation of its pharmacies to comply with all federal, state and local laws, regulations or rules, nor shall any of the provisions of the Injunctive Terms be deemed as permission for Walgreens to engage in any acts or practices prohibited by such laws, regulations or rules.

b. The Injunctive Terms are not intended to and shall not be interpreted to prevent Walgreens from taking or implementing any other compliance or policy steps that are more restrictive or that are necessary to conform with federal, state, or local legal requirements, unless such steps would conflict with State or local law. The Injunctive Terms are not intended to and shall not be interpreted to require Walgreens to inventory any Controlled Substances or any particular Controlled Substances or to require dispensing of any Controlled Substances or of any individual, types, subsets or categories of Controlled Substances prescriptions.

c. In the event that Walgreens determines that there may be a conflict between the Injunctive Terms and the express requirements of federal, state, or local laws, or interpretations of such laws articulated by an agency responsible for enforcing such laws or a court ("Express Interpretations"), such that Walgreens determines that it cannot comply with the Injunctive Terms without violating these express requirements or Express Interpretations, Walgreens shall follow the express requirements of the federal, state or local law or Express Interpretation thereof and shall provide notice to the Settling State(s). Within thirty (30) days after receipt of a notification from Walgreens referenced above, Walgreens and the State shall meet and discuss the potential conflict, and Walgreens shall comply with any reasonable requests from the Settling State as necessary to determine whether there is a conflict between the Injunctive Terms and the express requirements of federal, state, or local laws, or Express Interpretations. In the event that Walgreens believes a court or administrative action brought by a governmental body in a Settling State has commenced against it or its pharmacists for actions required by the Injunctive Terms, then Walgreens may notify the Attorney General of the Settling State of such pending action. If the State agrees that the court or administrative action is a result of actions required by the Injunctive Terms, the State will engage in best efforts to resolve the conflict or assist in achieving resolution of the court or administrative action. Nothing in this paragraph shall (i) limit the right of the Settling State to disagree with Walgreens as to the conflict; (ii) be deemed to relieve Walgreens from following any subsequently enacted law or regulation,

or judicial decisions from a regulatory authority with jurisdiction over controlled substances that is more restrictive than the provisions of the Injunctive Terms, or from following the Injunctive Terms if they are more restrictive than applicable laws at issue in the administrative action if there is no conflict; (iii) be deemed to relieve Walgreens from adhering to the outcome of a court or administrative action when it is determined that there is no conflict; or (iv) limit a Settling State's ability to relieve Walgreens of a duty under these Injunctive Terms if that Settling State determines that that term is in conflict with that Settling State's express legal requirements.

d. Walgreens shall retain all records it is required to create pursuant to its obligations hereunder for a period no shorter than three years, unless otherwise specified. Nothing in these Injunctive Terms shall prevent a Settling State from issuing a lawful subpoena or Civil Investigative Demand (CID) for records pursuant to an applicable law.

5. No Admission and No Use as Evidence. Walgreens does not admit liability or wrongdoing. These Injunctive Terms shall not be considered, construed, or represented to be (1) an admission, concession, or evidence of liability, wrongdoing, or to impose the existence of any legal obligations or requirements other than the requirement to follow these Injunctive Terms, or (2) a waiver or limitation of any defense otherwise available to Walgreens. These Injunctive Terms shall not be offered or received in evidence or otherwise relied on in any action or proceeding for any purpose other than in an action or proceeding to modify or enforce or monitor compliance with these Injunctive Terms.

II. TERM AND SCOPE

1. The term of these Injunctive Terms shall be from the Injunctive Terms Implementation Date until August 15, 2032, unless otherwise specified herein.

2. Except as otherwise stated herein, the Injunctive Terms shall apply to Walgreens' retail pharmacy stores located in, and registered or licensed with, each Settling State that dispense Schedule II Designated Controlled Substances to Patients, including any Schedule II Designated Controlled Substances dispensed by any such retail pharmacy stores that are mailed or shipped to patients in a Settling State. Should Walgreens operate an online pharmacy that is registered or licensed to dispense Schedule II Designated Controlled Substances in any Settling State while these Injunctive Terms are in effect, the Injunctive Terms shall apply to such pharmacy as well.[4]

[4] Walgreens' specialty and mail order pharmacies are not subject to, and are not online pharmacies for purposes of, these Injunctive Terms.

3. These Injunctive Terms may be amended by mutual agreement of a majority of the States Injunctive Relief Committee and Settling Pharmacy. Any such amendments must be in writing.

III. DEFINITIONS

1. The term "Distributor Injunctive Terms" means Exhibit P of the Settlement Agreement, dated as of July 21, 2021, between McKesson Corporation, Cardinal Health, Inc., and AmerisourceBergen Corporation and certain States and subdivisions.

2. The term "Block" means an action taken by Walgreens preventing or otherwise prohibiting any Settling Pharmacy pharmacist from filling prescriptions for Controlled Substances from a specific identified Prescriber.

3. The term "Clearinghouse" means the system established by Section XVII of the Distributor Injunctive Terms.

4. The term "Controlled Substances" means those substances designated under schedules II-V pursuant to the federal Controlled Substances Act.

5. The term "Designated Controlled Substances" shall be limited to: (a) oxycodone; (b) hydrocodone; (c) hydromorphone; (d) tramadol; (e) oxymorphone; (f) morphine; (g) methadone; and (h) fentanyl.

6. The term "Injunctive Terms Implementation Date" means thirty (30) days after the Effective Date of the Settlement Agreement as defined in Section I.V of the Walgreens Settlement Agreement.

7. The term "National Arbitration Panel" is defined in Section I.LL of the Walgreens Settlement Agreement.

8. The term "Patient" means any individual who receives a prescription for a Designated Controlled Substance from a Prescriber, whether legally valid or not, and attempts to fill it at one of Walgreens' pharmacy stores in a Settling State.

9. The term "Prescriber" means any individual that has written a prescription for a Designated Controlled Substance, whether legally valid or not, that is presented to Walgreens in a Settling State.

10. The term "Red Flag(s)" means the enumerated Patient Red Flags, Prescription Red Flags, and Prescriber Red Flags set out in Section IX.

11. The term "Settling State(s)" means each State that is a signatory to the Walgreens Settlement Agreement.

12. The term "States Injunctive Relief Committee" means a committee representing the Settling States composed of between four and eight members designated by the Settling States. The members of the States Injunctive Relief Committee shall be employees of

a Settling State's Office of Attorney General and/or employees of another agency of a Settling State.

13. The term "Walgreens Settlement Agreement" means the settlement agreement dated as of December [ ] between and among the Settling States, the Participating Subdivisions and Walgreens.

IV. CONTROLLED SUBSTANCE COMPLIANCE PERSONNEL

1. Walgreens shall designate a Controlled Substance Compliance Director, or other appropriately titled position, to be a member of the Controlled Substance Compliance Committee (described below in Section VI), and to oversee a Controlled Substance Compliance Department and Walgreens' compliance with 21 C.F.R. 1306.04 and these Injunctive Terms. As used in these Injunctive Terms, the terms "Controlled Substance Compliance Committee" and "Controlled Substance Compliance Department" refer to the entity or entities, however titled, that carry out the functions required by these Injunctive Terms. Notwithstanding the preceding sentence, to the extent an existing position, committee or department carries out the functions required by these Injunctive Terms, any other functions undertaken by such position, committee or department shall not be subject to these Injunctive Terms or oversight by the Settling States pursuant to these Injunctive Terms. The position, committee and department discussed in these Terms may bear different names and need not be limited to the roles and functions set forth herein.

2. The Controlled Substance Compliance Director shall have knowledge of and experience with the laws and regulation of Controlled Substances, in particular the regulations in 21 C.F.R. § 1306.04.

3. The Controlled Substance Compliance Director shall provide at least quarterly reports to the Controlled Substance Compliance Committee (described below in Section VI) regarding Walgreens' compliance with these Injunctive Terms, including the implementation of any changes to the CSCP Policies and Procedures required by these Injunctive Terms.

4. Staffing levels of Walgreens' Controlled Substance Compliance Department shall be reviewed periodically, but at least on an annual basis, by Walgreens' Controlled Substance Compliance Committee to assess whether such staffing levels are sufficient for the Controlled Substance Compliance Department to comply with this Agreement. This review shall include consideration of relevant developments in technology, law, and regulations.

5. Throughout the term of these Injunctive Terms, Walgreens shall maintain a telephone and electronic submission hotline(s) (the "Hotline") to permit employees and/or Patients and/or members of the public to anonymously report suspected inappropriate or illegitimate dispensing, prescribing or diversion of Designated Controlled Substances, violations of the CSCP Policies and Procedures, these Injunctive Terms,

Walgreens' company policy, or other applicable law. The Hotline may be implemented by adding a dedicated option to existing systems that includes reporting regarding Designated Controlled Substances. Walgreens shall publish its Hotline contact information to its employees and Patients in the Settling States. Walgreens shall maintain for the duration of Injunctive Terms a record of each complaint made to the Hotline regarding Designated Controlled Substances and documentation regarding any investigation or response to such complaints. Nothing herein shall require Walgreens to investigate a pharmacist's professional judgment to refuse a prescription that the pharmacist believes was prescribed or is being used for other than a legitimate medical purpose or that the pharmacist believes was not prescribed by an individual Prescriber acting in the usual course of his or her professional practice.

V. INDEPENDENCE

1. Walgreens' Controlled Substance Compliance Department personnel, pharmacists and pharmacist technicians who work at Walgreens' pharmacies within the Settling States, and field personnel who supervise pharmacists and pharmacist technicians (together, "CSCP Employees"), shall not be compensated in whole or in part by commissions, bonuses, incentives or any other monetary or non-pecuniary benefit that depends in material part on revenue or profitability targets or expectations to sales of Controlled Substances. Nothing in these Injunctive Terms shall be interpreted to prevent compensation of employees based on sales volume, revenue or profitability targets/expectations for enterprise-, store-, or pharmacy-wide sales that include Controlled Substances.

2. No CSCP Employees may be terminated, suspended, threatened with or face any other negative employment consequence for failing to meet any revenue or profitability targets or expectations that depends in material part on sales of Controlled Substances. Nothing in these Injunctive Terms shall be interpreted to prevent Walgreens from taking employment action based on sales volume, revenue or profitability targets/expectations for enterprise-, store-, or pharmacy-wide sales that include Controlled Substances.

3. Personnel in Walgreens' Controlled Substance Compliance Department shall not report to Walgreens' sales, marketing, or business development departments, and sales, marketing, or business development departments shall not be authorized to make decisions regarding the promotion, compensation, demotion, admonition, discipline, commendation, periodic performance reviews, hiring, or firing of Controlled Substance Compliance Department personnel. This provision does not apply to an officer or executive to whom both the Controlled Substance Compliance Department and sales, marketing and/or business development departments report.

4. Walgreens' sales, marketing and business development departments are prohibited from interfering with, obstructing, or otherwise exerting control over any Controlled Substance Compliance Department or Controlled Substance Committee decision-

making. This provision does not apply to an officer or executive to whom both the Controlled Substance Compliance Department and sales, marketing and/or business development departments report.

5. To the extent necessary to comply with this section, Walgreens' Controlled Substance Compliance Committee shall review, modify, and direct any changes to any compensation and non-retaliation policies specific to the sale or dispensing of Designated Controlled Substances.

VI. OVERSIGHT

1. To the extent not already established, within thirty (30) business days of the Injunctive Terms Implementation Date, Walgreens shall establish a compliance committee, however titled, that includes representatives from its respective legal, compliance, pharmacy operations and asset protection departments, however named, to provide oversight over the CSCP and its compliance with the Injunctive Terms. For the purposes of reference herein, this committee, however named, shall be referred to as the "Controlled Substance Compliance Committee." Walgreens shall maintain its Controlled Substance Compliance Committee for the duration of the term of the Injunctive Terms. The Controlled Substance Compliance Director shall be a member of the Controlled Substance Compliance Committee.

2. Walgreens' Controlled Substance Compliance Committee shall have quarterly meetings during which the Controlled Substance Compliance Director shall report on, and the Controlled Substance Compliance Committee shall review, among other things, (a) the Prescription Validation Process, including the CSCP Policies and Procedures on identifying and resolving Patient, Prescriber and Prescription Red Flags; (b) the training required under the Injunctive Terms; (c) proactive due diligence and site visits; (d) the Prescriber Review Processes; (e) significant new national and regional diversion trends involving Controlled Substances; (f) Walgreens' adherence to the Injunctive Terms and applicable laws and regulations; and (g) any technology, staffing, or other resource needs for the CSCP. The Controlled Substance Compliance Committee shall have access to all CSCP reports described in the following subsection.

3. On an annual basis, Walgreens' Controlled Substance Compliance Committee shall provide a written report to the President of the Settling Pharmacy's Retail Division, the Chief Financial Officer of the Settlement Pharmacy's Retail Division, the Chief Legal Officer of the Settling Pharmacy's Retail Division, and the corporate Chief Compliance Officer, outlining (a) the Settling Pharmacy's adherence to, and any material deviations from these Injunctive Terms; (b) the allocation of resources sufficient to comply with these Injunctive Terms; and (c) any revisions to the CSCP that the Controlled Substance Compliance Committee has approved. The corporate Chief Compliance Officer shall determine if and when it is appropriate to make a report to the Board or any subcommittee thereof, but shall report at least annually.

4. Walgreens, through its Controlled Substance Compliance Department and Committee, shall, at least once every year, review and oversee any enhancements to the CSCP Policies and Procedures and systems for dispensing activity that the Controlled Substance Compliance Committee deems necessary.

5. The Controlled Substance Compliance Committee shall be responsible for the approval of all material revisions to the CSCP Policies and Procedures, provided that nothing herein shall prevent Walgreens from implementing changes to the CSCP Policies and Procedures pending such review and approval.

VII. MANDATORY TRAINING

1. The CSCP Policies and Procedures shall be published in a form and location readily accessible to all pharmacy and compliance personnel at each of Walgreens' retail pharmacy locations in the Settling States. Online availability is sufficient, so long as pharmacy and compliance personnel have access to a computer with access to the CSCP Policies and Procedures.

2. Walgreens shall launch training for all existing CSCP Employees, to the extent practical (for example, accounting for employee leave), on the CSCP Policies and Procedures required under these Injunctive Terms, including the Prescription Validation Process and corresponding responsibility. The training shall be launched within one hundred twenty (120) days of the Injunctive Terms Implementation Date. All CSCP Employee new hires, to the extent practical, shall be required to participate in such trainings within sixty (60) days of hiring or six (6) months of the Injunctive Terms Implementation Date, whichever is later. Walgreens will further require that every CSCP Employee, to the extent practical, receive such training at least once every three (3) years for the term of these Injunctive Terms.

3. On an annual basis for the duration of these Injunctive Terms, Walgreens shall test its CSCP Employees on their knowledge regarding the CSCP Policies and Procedures required under these Injunctive Terms, including the Prescription Validation Process and corresponding responsibility.

4. It shall be a part of the CSCP Policies and Procedures and all trainings of all CSCP Employees required under these Injunctive Terms that pharmacists shall refuse to dispense Controlled Substances that they believe were prescribed or are being used for other than a legitimate medical purpose or that they believe were not prescribed by an individual Prescriber acting in the usual course of his or her professional practice.

5. All trainings required under these Injunctive Terms shall also make clear that (i) Walgreens' compensation and non-retaliation policies, including pursuant to these Injunctive Terms, prevent CSCP Employees from being compensated or penalized in any way related to revenue or profitability targets or expectations specific to sales of Controlled Substances; and ii) pharmacists will not be penalized in any way for exercising their professional judgment to refuse to fill prescriptions for Controlled Substances pursuant to their corresponding responsibility. To the extent that trainings designed and launched prior to the Effective Date of these Injunctive Terms do not reference these policies, they shall be added by the end of 2023.

VIII. THE PRESCRIPTION VALIDATION PROCESS

1. As part of its CSCP, Walgreens shall maintain a Prescription Validation Process in the CSCP Policies and Procedures, as further described and set forth in this section, that each pharmacist employed by Walgreens in a Settling State must follow when dispensing a prescription for a Controlled Substance. The inclusion of an enumerated Red Flag in these Injunctive Terms shall not be considered, construed, or represented to be an admission, concession, or evidence of any factual or legal contention related to such Red Flag. A Red Flag shall not be interpreted to mean that a prescription is, or is more likely than not, illegitimate and/or not issued in the usual course of professional practice or treatment.

2. A Red Flag will be considered "resolved" if, after further investigation as described below, and given other facts and circumstances surrounding the prescription, a pharmacist determines, in his or her professional judgment, that the facts that triggered the Red Flag do not lead him or her to believe that the prescription was written or is being submitted for an illegitimate medical purpose or outside the usual course of a Prescriber's professional practice.

3. Walgreens' CSCP Policies and Procedures shall provide that if a pharmacist identifies any "Patient Red Flags" associated with a Controlled Substances prescription (described in Section IX(3) below), before filling the prescription the pharmacist must resolve them; and that the method of resolution falls within the judgment of the pharmacist and may include reviewing the Patient's profile and history with the Settling Pharmacy, calling the Prescriber or Prescribers if appropriate, speaking with the Patient if appropriate, calling on the pharmacist's pre-existing knowledge of the Patient or Prescriber, reviewing available Prescription Monitoring Program ("PMP" or "PDMP") data, and/or reviewing other data or information available to the pharmacist.

4. Walgreens' CSCP Policies and Procedures shall provide that if forgery or fraud is suspected, or if the pharmacist identifies any other "Prescription Red Flags" associated with a Controlled Substances prescription (described in Section IX(4) below), the pharmacist must resolve the Prescription Red Flags before filling the prescription; and that the method of resolution falls within the judgment of the pharmacist and may

include reviewing the Patient's profile and history with Walgreens, calling the Prescriber or Prescribers if appropriate, speaking with the Patient if appropriate, calling on the pharmacist's pre-existing knowledge of the Patient or Prescriber, reviewing available PMP or PDMP data, and/or reviewing other data or information available to the pharmacist.

5. Walgreens' CSCP Policies and Procedures shall require that if a pharmacist identifies any "Prescriber Red Flags" associated with a Controlled Substances prescription (described in Section IX(5) below), the pharmacist must resolve them before filling the prescription; and that the method of resolution falls within the judgment of the pharmacist and may include reviewing any Walgreens records regarding the Prescriber, calling the Prescriber if appropriate, speaking with the Patient if appropriate, calling on the pharmacist's pre-existing knowledge of the Patient or Prescriber, reviewing available PMP or PDMP data, and/or reviewing other data or information available to Walgreens.

6. Walgreens' CSCP Policies and Procedures related to Schedule II Designated Controlled Substances shall provide that the resolution of all Red Flags identified by the pharmacist, as well as any prescriptions that were rejected pursuant to Red Flags identified by the pharmacist, and the reasons why they were rejected, must be documented by the pharmacist, unless if based on the pharmacist's pre-existing knowledge of the Patient or Prescriber. Any such records shall be maintained for the duration of these Injunctive Terms. To the extent that a Red Flag is resolved based upon facts or circumstances that are already reflected or documented in Walgreens' records, further documentation of those facts or circumstances is not required for resolution of substantially the same Red Flag on subsequent prescriptions. For example, if a Patient lives fifty-five (55) miles from a Walgreens but works near the pharmacy and that fact is reflected in pharmacy records, no documentation for the resolution of the Red Flag addressing the Patient's distance from the pharmacy is required in connection with individual prescriptions dispensed for that Patient. A lack of documentation shall not be interpreted to create a presumption that a pharmacist did not resolve any identified Red Flags. Nothing in these Injunctive Terms shall require Walgreens to create a record in those instances where the pharmacist rejects a prescription when presented without an effort to resolve any red flags, including but not limited to instances where the pharmacist rejects a prescription for clinical reasons, or where the pharmacist identifies on the face of the prescription a Prescription Red Flag (defined in Section IX below) that causes the pharmacist to conclude without further inquiry that the prescription is invalid.

7. Walgreens' CSCP Policies and Procedures shall provide that, even if all Red Flags are resolved, a pharmacist shall reject a prescription if, in his or her professional judgment, he or she believes that it was written or is being submitted for other than a legitimate medical purpose and/or was written outside the usual course of an individual Prescriber's professional practice.

IX. RED FLAGS

1. Upon request by the Settling States, but no more than annually, and no earlier than four months after the Injunctive Terms Implementation Date, Walgreens shall provide to the Settling States a report (the "Annual Data Report") that sets forth: (1) the total number of prescriptions for Controlled Substances dispensed annually, aggregated nationally and by state; (2) the top twenty-five prescribers of Designated Controlled Substances in each Settling State; (3) the list of prescribers subject to disclosure in section X.5; (4) the specific process, system, metrics or algorithms (if any) sufficient to demonstrate the operational system's ability to identify each category of Red Flag listed in this section; and (5) the total number of prescriptions that pharmacists at the Settling Pharmacy refused to dispense using Walgreens' Good Faith Dispensing worksheet. The Settling States acknowledge that the Good Faith Dispensing worksheet documents the resolution of some Red Flags listed in this section, but does not document the resolution of every Red Flag listed in this section. Upon request, the State Injunctive Relief Committee may request a reasonable sample of completed Good Faith Dispensing worksheets. Unless otherwise required by law, if a Settling State seeks to disclose any data and/or information provided under this provision as part of a proceeding to enforce these Injunctive Terms or otherwise, it shall first provide ten (10) days' notice to Walgreens unless doing so would conflict with applicable law. A Settling State shall not otherwise disclose or provide any data provided under this provision to third parties during or after the Term of these Injunctive Terms unless required to do so by law. If a Settling State is required to disclose or provide any data under this provision to third parties during or after the Term of these Injunctive Terms, it shall first provide ten (10) days' notice to Walgreens unless doing so would conflict with applicable law. All data and/or information provided under this paragraph shall be deemed confidential law enforcement material, to the extent state law permits, and shall not be subject to production unless required by law. Nothing in this paragraph shall be deemed to prevent a Settling State from sharing this material with other State or federal law enforcement agencies.

2. Within the three months following the provision of the Annual Data Reports, either Walgreens or the States Injunctive Relief Committee may propose in writing a meet and confer to discuss potential changes to the scope of one or more categories of Red Flags. At such a meeting, Walgreens or the States Injunctive Relief Committee may provide additional research, information or data available to them beyond that provided in the Annual Data Reports. For example, Walgreens might propose reducing the

threshold for triggering a particular category of Red Flag or consolidating certain Red Flags or subcategories of Red Flags into a single metric, or the States Injunctive Relief Committee might propose increasing the threshold for triggering a particular Red Flag or expanding that Red Flag to include multiple subcategories (*e.g.*, number of prescriptions, distance thresholds).

a. If Walgreens and the States Injunctive Relief Committee agree on such changes to one or more Red Flags, they shall document those changes in writing and they shall become a part of these Injunctive Terms for all intents and purposes.

b. If Walgreens and the States Injunctive Relief Committee cannot agree on the proposed changes during their meeting and confer, the Party seeking the change(s) to the Red Flag(s) may seek a 5-day mediation of the issue at its own expense. If the mediation fails to resolve the dispute between the parties, the party seeking the proposed change(s) may appeal to the National Arbitration Panel to have the National Arbitration Panel modify the Red Flags on the basis that the change(s) would be consistent both with avoiding unnecessary material costs of identifying and resolving Red Flags and materially reducing the diversion of Controlled Substances. In such a proceeding, the Party seeking the proposed change(s) may provide evidence from Annual Data Reports or from other research, data and information.

c. In any such proceedings, there shall be a presumption against imposition of any proposed Red Flags, or proposed modifications to pre-existing Red Flags, that have not been identified by the United States Drug Enforcement Administration (DEA) or other law enforcement agencies tasked with the regulation of Controlled Substances.

d. The Red Flags required by these Injunctive Terms shall at no point be too numerous or complex to be reasonably workable for pharmacists in the context of protecting patient safety, performing corresponding responsibility, drug utilization review, and their other responsibilities. Any dispute over whether the Red Flags required by these Injunctive Terms have become too numerous or complex to be reasonably workable for pharmacists shall be submitted to the National Arbitration Panel. In the event a dispute is submitted to the National Arbitration Panel, it shall be Walgreens' burden to prove that the Red Flag(s) at issue are overly burdensome and that their burdensome nature outweighs any public health benefit.

3. Walgreens' CSCP Policies and Procedures shall direct its pharmacists to treat the following circumstances as "Patient Red Flags":

a. A Patient seeks to fill a Schedule II Designated Controlled Substance prescription more than three days prior to the contemplated exhaustion date of an earlier prescription of the same Schedule II Designated Controlled Substance (e.g., exhaustion of the days' supply assuming the prescription has been taken in accordance with the prescribers' directions on the face of the prescription), provided the previous prescription was also dispensed by the same Settling Pharmacy;

b. A Patient seeks to fill a Designated Controlled Substance prescription from a Prescriber after having filled Designated Controlled Substance prescriptions at the same Walgreens from more than four other Prescribers, from separate practices, in a given 6-month period;[5]

c. To the extent personally known by the dispensing pharmacist, Prescriber has been the subject of more than ten (10) documented refusals to fill within a six-month period;

d. A Patient seeks to fill a Designated Controlled Substance prescription after having filled three other Designated Controlled Substance prescriptions written by multiple Prescribers with overlapping days of supply at Walgreens' pharmacies within thirty (30) days;

e. The distance between a Patient's residence and the Walgreens receiving the Designated Controlled Substance prescription is farther than 50 miles;

f. The Patient resides more than one hundred (100) miles from the Prescriber who issued the Designated Controlled Substances prescription;

g. To the extent personally known by the dispensing pharmacist, a Patient seeks to fill a Designated Controlled Substance prescription after having two other prescriptions for Designated Controlled Substances subjected to documented refusals to fill by a Walgreens pharmacist within the past thirty (30) days;

h. A patient pays in cash for a Designated Controlled Substance despite having prescription drug insurance on file for that medication;

i. Three or more Patients come to the pharmacy together to fill prescriptions for the same Designated Controlled Substances;

j. A Patient requests a Designated Controlled Substance by its slang or street description, such as "Mallinckrodt blues," "M's" or "the blue pill"; and

[5] In Walgreens' sole discretion, for administrative convenience Walgreens may implement this Red Flag without regard to whether Prescribers are at separate practices, thereby resulting in more instances in which the flag occurs.

k. A Patient presenting a prescription for a Designated Controlled Substance appears visibly altered, intoxicated, or incoherent.

4. Walgreens' CSCP Policies and Procedures shall direct its pharmacists to treat the following circumstances as "Prescription Red Flags:"

   a. A Controlled Substance prescription fails to meet the requirements of law;

   b. A Controlled Substance prescription that appears altered, including but not limited to, a photocopied prescription or a prescription in which an altering agent, such as white out, was used;

   c. A Controlled Substance prescription written with misspellings suggesting the prescription may not have been written by a valid Prescriber;

   d. A Controlled Substance prescription using atypical abbreviations suggesting the prescription may not have been written by a valid Prescriber; and

   e. A Controlled Substance prescription written with multiple colors of ink or in multiple different handwritings.

5. Walgreens' CSCP Policies and Procedures shall direct its pharmacists to treat the following circumstances as "Prescriber Red Flags:"

   a. A Prescriber provides a Patient with prescriptions for all three of a Schedule II Designated Controlled Substance, a benzodiazepine, and carisoprodol;

   b. A Prescriber has no office within fifty (50) miles of the retail pharmacy store where a Designated Controlled Substance prescription is submitted; and

   c. A Prescriber of Designated Controlled Substances uses prescriptions that are preprinted or stamped with drug type and amount.

X. PRESCRIBER REVIEW

1. Walgreens shall regularly review the prescribing patterns and practices of Prescribers of Designated Controlled Substances (the "Prescriber Review Process"). The Prescriber Review Process shall employ algorithms, or other means, to review data on Walgreens' retail dispensing for potential Prescribers of concern.

2. Walgreens shall initiate Prescriber Review Process in the following circumstances:

   a. Personnel implementing the Prescriber Review Process become aware that a Prescriber of Designated Controlled Substances located in a Settling State has been the subject of a blanket refusal to fill by one or more of Walgreens' retail pharmacy stores in the Settling States;

b. Personnel implementing the Prescriber Review Process become aware that a Prescriber of Designated Controlled Substances located in a Settling State has been charged or indicted with a crime related to prescribing Designated Controlled Substances by the Federal Government or law enforcement in a Settling State; or

c. Walgreens has received a Hotline complaint that has been investigated and substantiated concerning a Prescriber's illegitimate prescribing of Designated Controlled Substances.

3. Based on the professional judgment of the employees operating the Prescriber Review Process, Walgreens may also initiate the Prescriber Review Process when:

a. Personnel implementing the Prescriber Review Process are notified in writing by law enforcement that a Prescriber of Designated Controlled Substances located in a Settling State is the target of an investigation regarding the prescribing of Controlled Substances;

b. A Prescriber of Designated Controlled Substances was flagged for review by a Walgreens pharmacist in a Settling State (other than through a refusal to fill or blanket refusal to fill) or by field personnel who supervise Walgreens' pharmacies in a Settling State; or

c. A Prescriber of Designated Controlled Substances located in a Settling State was identified through the running of algorithms on Walgreens' retail dispensing.

4. Once Walgreens identifies a Prescriber for further investigation, Walgreens shall review pertinent and available data or information pertaining to the Prescriber, which may include interviews or other information gathered in the discretion of the employees operating the Prescriber Review Process. All data and information collected or created as part of the Prescriber Review Process shall be maintained by Walgreens for the length of these Injunctive Terms. When permitted by law, nothing contained in this Section prevents Walgreens from taking immediate action to Block a Prescriber.

5. If after the Prescriber Review Process those making the decision have not resolved the circumstances that caused Walgreens to further investigate the Prescriber, then the Prescriber shall be Blocked from having Controlled Substance prescriptions filled at Walgreens' retail pharmacies in the Settling States, when permitted by law. A Prescriber may have an opportunity at the discretion of Walgreens to seek future reinstatement by providing information to Walgreens that may resolve its concerns. Nothing in this Section shall limit the right or ability of Walgreens pharmacists to either refuse to fill a given prescription or refuse to fill all prescriptions for Controlled

Substances from a given Prescriber independent of any decision by Walgreens to Block or not Block a given Prescriber. On written demand, on an annual basis, Walgreens shall provide to each Settling State the names of and DEA registration or NPI numbers of Prescribers of Designated Controlled Substances within that Settling State that it has Blocked. Each Settling State shall provide contact information in order to receive such information. For each of the Settling States, on an annual basis, Walgreens shall provide to the Injunctive Relief Committee the number, names and DEA registration or NPI numbers of Prescribers who were: (a) blocked, and (b) the number of prescribers who were reviewed but not blocked.

XI. PROACTIVE DUE DILIGENCE AND SITE VISITS

1. During the term of these Injunctive Terms, Walgreens shall conduct periodic proactive compliance reviews of its retail pharmacy stores in the Settling States to assist with the identification of potential compliance issues related to the dispensing of Designated Controlled Substances at its retail pharmacy stores in the Settling States. This may be satisfied by the use of algorithms, or other electronic means, to analyze data associated with each pharmacy's dispensing of Designated Controlled Substances to identify particular pharmacies for review as required under this Section XI. Documentation of any resulting reviews shall be maintained by Walgreens and made accessible to all Controlled Substance Compliance Department personnel upon request for the duration of these Injunctive Terms.

2. During the term of these Injunctive Terms, Walgreens personnel or qualified third-party compliance consultants shall conduct site visits to each pharmacy in a calendar year. These site visits shall at a minimum consist of a review of Controlled Substance dispensing documentation and recordkeeping; and a review of physical surroundings and other circumstances for any indications of potential non-compliance with these Injunctive Terms or the CSCP Policies and Procedures, or any violations of other applicable laws and regulations related to the dispensing of Controlled Substances.

3. During site visits, Walgreens' personnel or qualified third-party compliance consultants shall interview relevant pharmacy employees, if appropriate, about any potential areas or issues of concern, including potential violations of laws related to the dispensing of Controlled Substances, the CSCP Policies and Procedures, and these Injunctive Terms.

4. Walgreens' personnel or qualified third-party compliance consultants who conduct site visits shall complete a report reflecting the findings of any site visit pursuant to this section. This report shall document areas or issues of concern, including potential violations of law related to the dispensing of Controlled Substances, the CSCP Policies and Procedures, and these Injunctive Terms.

5. The site visit reports described above shall be maintained by Walgreens and made accessible to all Controlled Substance Compliance Department personnel for the duration of these Injunctive Terms. Upon its request, the States Injunctive Relief Committee shall be provided sample reports or a report for a particular store.

XII. THEFT AND LOSS PREVENTION

1. In addition to complying with all theft and loss procedures, policies and precautions required by state and federal law, Walgreens shall maintain for at least three years information regarding the receipt and disposition of inventory of all Designated Controlled Substances at each retail pharmacy store.

2. In addition to any other reporting obligations under state and federal law, Walgreens must provide to each Settling State on a quarterly basis any reports it has made to the DEA regarding the theft or significant loss of Designated Controlled Substances in that Settling State pursuant to 21 C.F.R. §1301.76(b). Each Settling State shall provide contact information in order to receive such reports. There shall be no obligation to provide these reports to Settling States that receive contemporaneous reporting of thefts or significant losses of Designated Controlled Substances to a Settling State's board of pharmacy.

XIII. REPORTING TO LAW ENFORCEMENT

1. The Settling States shall inform Walgreens to what extent their law enforcement authorities would like to receive reports, other than those already required by law or regulation, of any confirmed forged prescriptions. To the extent not already in place, Walgreens shall implement standard operating procedures directing its employees to report any confirmed forged prescriptions for Designated Controlled Substances to those Settling States who have indicated that they want to accept it, within five (5) days of completing any review of such prescription or conduct. The Settling States shall provide contact information in order to receive such reports.

2. Walgreens shall document and for at least two (2) years maintain records of any such reports that are made to Settling States regarding confirmed fraudulent or forged prescriptions, which are maintained centrally.

XIV. ENFORCEMENT OF INJUNCTIVE TERMS

1. Notice of Potential Violations and Opportunity to Cure.

    a. A "Potential Violation" occurs when the Settling State determines, after appropriate investigation and due diligence, that Walgreens is not in substantial compliance with a material aspect of the Injunctive Terms. A Potential

Violation may be for a single retail pharmacy. A violation of this Agreement is not presumed to occur when a pharmacist, pharmacist technician, or other field personnel who supervise pharmacists and/or pharmacist technicians employed by Walgreens violates Walgreens' CSCP Policies and Procedures.

b. Potential Violation Discovered by Settling State.

i. In the event of a Potential Violation identified by a Settling State, the Settling State shall notify Walgreens in writing (the "State's Notice").

ii. Within thirty (30) days of receipt of the State's Notice, Walgreens shall provide a written response to the Settling State. The response shall include Walgreens' position as to the act(s) of non-compliance, including, possibly, a statement setting forth why Walgreens believes it is in substantial compliance with the relevant provision(s) or a statement explaining how the Potential Violation has been addressed.

iii. If the Settling State wishes to meet with Walgreens, Walgreens shall promptly make itself available for such a meeting.

c. If, after review of a written response and any meeting, the Settling State believes that a Potential Violation is ongoing or has not been substantially addressed, it will provide written notice to Walgreens and work in conjunction with Walgreens to devise, within thirty (30) days, a corrective action plan ("Corrective Action Plan") to remedy such Potential Violation, including a reasonable period for implementation of such plan.

d. Within sixty (60) and one hundred twenty (120) days after implementing the Corrective Action Plan, Walgreens will provide a written compliance update to the Settling State and make itself available to meet with the Settling State if requested. If after reviewing the compliance update and any meeting, the Settling State believes a Potential Violation remains ongoing or has not been substantially addressed, the Settling State may commence a 30-day mediation period. If mediation fails to resolve the dispute between the parties, the Settling State may take whatever action it deems necessary, including but not limited to bringing an action to enforce these Injunctive Terms, filing a new action (administrative or civil action) for violation of the Injunctive Terms as allowed by state law, conducting further investigation, or attempting to negotiate an updated Corrective Action Plan with Walgreens. But the Settling State may not seek to reinstate claims that have been released as part of the Settlement Agreement.

e. If Walgreens fails or refuses to provide a written response, to devise or

implement a Corrective Action Plan or to provide a compliance update as required by subsections 1(b), 1(c) and/or 1(d), a Settling State may bring an action to enforce these Injunctive Terms, filing a new action (administrative or civil action) for violation of the Injunctive Terms as allowed by state law, conduct further investigation, or attempt to negotiate an updated Corrective Action Plan with Walgreens. But the Settling State may not seek to reinstate claims that have been released as part of the Settlement Agreement.

f. If, after review of a written response and any meeting, pursuant to subsections 1b. or 1c., above, the Settling State concludes that a Potential Violation is not ongoing or has been substantially addressed, the Settling State will provide written notice of this conclusion to the Settling Pharmacy within thirty (30) days of reaching its conclusion.

2. Enforcement Action. Each Settling State agrees that prior to taking any court or administrative action, other than an action that the Settling State concludes is necessary to address an immediate threat to the health, safety, or welfare of the citizens of the Settling State, or that a public emergency requiring immediate action exists, it will follow the process outlined above. If the Settling State concludes that action is necessary to address an immediate threat to the health, safety, or welfare of the citizens of the Settling State or that a public emergency requiring immediate action exists, it will make best efforts to provide reasonable notice to a Settling Pharmacy prior to initiating any such action.

XV. COMPLIANCE CERTIFICATION

1. Walgreens' Controlled Substance Compliance Director shall, after diligent inquiry, complete an annual compliance certification as set out in Section XV(4).

2. The certification shall be filed annually for the duration of these Injunctive Terms with a Settling State's appropriate licensing and/or regulatory agency and its Attorney General.

3. The certification shall state:

> "I understand the compliance requirements and responsibilities as they relate to [insert name of department], an area under my supervision. My job responsibilities include attempting to achieve compliance with regard to the [insert name of department] with all applicable statutory requirements, obligations of the Injunctive Terms, and applicable policies, and I have taken steps to promote such compliance. To the best of my knowledge, the [insert name of department] is in compliance with the obligations of these Injunctive Terms. I understand that this certification is being provided to and relied upon by the State of [Settling State]."

4. If the Controlled Substance Compliance Director is unable to provide such a certification, the Controlled Substance Compliance Director shall provide a written explanation of the reasons why he or she is unable to provide the certification outlined above.

XVI. DATA SHARING

1. Walgreens shall consent to the provision by its distributors of Walgreens' unblinded "867 Data" (data sent from the distributor to the manufacturer concerning the sale of its products to Walgreens) to opioid manufacturers on any particular Designated Controlled Substances manufactured by them as soon as commercially reasonable and at no cost to the manufacturers, provided that, pursuant to a prior written agreement with Walgreens, the opioid manufacturers agree (a) to ensure the confidentiality of the 867 Data, except as required by law; (b) to implement safeguards and procedures to limit access to and use of the 867 Data, except as required by law; (c) that the 867 Data shall be used solely for compliance purposes as part of their Suspicious Order Monitoring programs; and (d) that the 867 Data shall be shared only with specified personnel and shall not be shared with business or sales personnel.

2. To the extent that Walgreens provide McKesson Corporation, Cardinal Health, Inc., or AmerisourceBergen Corporation (the "Settling Distributors") with Pharmacy Customer Data (as defined in the Distributor Injunctive Terms) for use in their Controlled Substance Monitoring Programs, Walgreens agree that the Settling Distributor(s) may share such Pharmacy Customer Data with the Monitor appointed pursuant to the Distributor Injunctive Terms, provided that the Monitor agrees, pursuant to a prior written agreement with Walgreens, (a) to ensure the confidentiality of the Pharmacy Customer Data; (b) to implement safeguards and procedures to limit access to and use of the Pharmacy Customer Data; (c) that the Pharmacy Customer Data is used solely for the purpose of ensuring the Settling Distributors' compliance with the Distributor Injunctive Terms; and (d) that the Pharmacy Customer Data shall be shared only with specified personnel.

XVII. CLEARINGHOUSE

1. Walgreens will confer with any Settling Distributor that distributes Designated Controlled Substances to its retail pharmacies and the States Injunctive Relief Committee for a period not to exceed six (6) months from the Injunctive Terms Implementation Date to determine: what additional deidentified information, if any, is needed from Walgreens for a Settling Distributor to perform suspicious order monitoring; if additional deidentified information is needed, how the Settling Pharmacy shall provide it to a Settling Distributor; and what information provided by Walgreens to a Settling Distributor may be deposited by the Settling Distributor into the Clearinghouse. For the avoidance of doubt "deidentified" does not refer to Prescribers. If agreements are not reached, the matters in dispute shall be submitted to

arbitration. Due to patient privacy and legal restrictions and other confidentiality and commercial concerns, in connection with any meet and confer described above, Walgreens may not be compelled to provide individual patient-level or prescription-level data, de-identified or otherwise, to the Settling Distributors.

2. Walgreens and Settling Distributors will also determine whether and in what amount each Settling Pharmacy will contribute to the cost of the operation of the Clearinghouse. When Walgreens contributes to the costs of the Clearinghouse, Settling Pharmacy, Settling Distributors and all other participants in the Clearinghouse shall determine an equitable amount of Walgreens' contribution. If agreements are not reached, the matters in dispute shall be submitted to arbitration.

3. Any data provided by Walgreens to a Settling Distributor and/or the Clearinghouse pursuant to these Injunctive Terms shall be treated in compliance with state and federal law, including but not limited to the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and all applicable state and federal privacy laws.

4. No Settling Distributor or other participant in the Clearinghouse shall receive from the Clearinghouse information specific to Walgreens.

EXHIBIT Q

Intentionally Omitted

EXHIBIT R

Agreement on Attorneys' Fees, Costs, and Expenses

This Agreement on Attorneys' Fees, Costs, and Expenses ("Fee Agreement") is entered between Walgreens and the Plaintiffs' Executive Committee appointed in the multidistrict litigation in the Northern District of Ohio, *In re National Prescription Opiate Litigation*, No. 1:17-MD-2804 ("MDL PEC"), in connection with the Walgreens Global Opioid Settlement Agreement ("Walgreens Agreement"). This Fee Agreement becomes effective on the Effective Date of the Walgreens Agreement or the date that the Consent Judgments anticipated under the Walgreens Agreement become final in 25 Settling States (whichever is later).

I. Definitions

A. This Fee Agreement incorporates all defined terms in the Walgreens Agreement, unless otherwise defined herein, and shall be interpreted in a manner consistent with the Walgreens Agreement.

B. "*Applicant*." Any Attorney or MDL Participating Counsel who seeks an award of attorneys' fees from the Attorney Fee Fund pursuant to the procedures established by the MDL Court and the Fee Panel.

C. "*Attorney*." Any of the following retained through a legal contingency fee or hourly fee contract: a solo practitioner, multi-attorney law firm, or other legal representative of a Participating Subdivision or MDL Participating Counsel. This does not include Subdivision in-house attorneys.

D. "*Attorney Fee Fund*." An account consisting of up to $563,732,518.00 allocated to pay attorneys' fees approved pursuant to Section II.B. of this Fee Agreement, established by Order of and under the ongoing jurisdiction of the MDL Court, as provided below.

E. "*Common Benefit*." Work performed for the benefit of all Participating Subdivisions and Tribal Nations, including, but not limited to, pretrial matters, discovery, trial preparation, trial, settlement negotiations, and all other work that advances the interests of the Participating Subdivisions.

F. "*Common Benefit Fund*." The sub fund of the Attorney Fee Fund described in Section II.C.

G. "*Common Benefit Order*." The Ongoing Common Benefit Order (Dkt. #4428) in *In re National Prescription Opiate Litigation*, Case No. 1:17-md-2804, any subsequent amendments or modifications to that order, and any successor orders on Common Benefit.

H. "*Contingency Fee Fund*." The sub fund of the Attorney Fee Fund described in Section II.D.

I. "*Cost and Expense Fund Administrator*." The administrator appointed by the MDL Court on August 12, 2021 (MDL Docket No. 3828), to administer the Cost Fund and its sub funds as provided in the Fee Agreement.

J. "*Cost Fund*." An account consisting $30,000,000, composed of the MDL Direct Cost Fund and the Subdivision Cost and Expense Fund, as provided below.

K. "*Court Common Benefit Fund*." The Common Benefit Fund established by the MDL Court in its orders of July 22, 2021, MDL Docket No. 3794, and May 9, 2022, MDL Docket No. 4428.

L. "*Fee Entitlement*." Any right, entitlement, or expectation, including but not limited to a fee contract, contingent fee contract, agreement, referral arrangement, co-counsel arrangement, State Back-Stop Agreement, or any other arrangement by which counsel could receive compensation or other consideration. For the avoidance of doubt, the scope of Fee Entitlement under paragraph II.G.3.a. does not include any Attorneys' fees associated with representation of a State.

M. "*Fee Panel*." The three-person panel appointed by the MDL Court on August 12, 2021 (MDL Docket No. 3828), to administer and make recommendations for the allocation and distribution of the Attorney Fee Fund and its sub funds as provided in the Fee Agreement.

N. "*Later Litigating State.*" A State that first files a lawsuit bringing a Released Claim against a Released Entity after December 9, 2022.

O. "*MDL Court*." United States District Court for the Northern District of Ohio Eastern Division, Case No. 1:17-md-2804, Judge Dan Aaron Polster.

P. "*MDL Expense Fund*." The cost fund described in Section II.F below.

Q. "*MDL Participating Counsel."* MDL Participating Counsel includes an attorney or firm authorized by MDL 2804 Lead Counsel to perform work for the Common Benefit of Participating Subdivisions. By way of example, it would include insurance counsel and appellant counsel.

R. "*MDL PEC*." The Plaintiffs' Executive Committee appointed by the MDL Court.

S. "*Non-Participating Litigating Subdivision*." A Litigating Subdivision that is not a Participating Subdivision.

T. "*Non-Participating State.*" A State that is not a Participating State.

U. "*Participating Litigating Subdivision*." A Litigating Subdivision that is also a Participating Subdivision.

V. "*Participation Agreement*." An agreement executed by an Attorney that acknowledges the obligation to pay an appropriate MDL Common Benefit Assessment.

W. "*Qualified Tribal Representation.*" Representation by an attorney of a Participating Tribal Government regarding Released Claims against Released Entities. Such counsel are eligible for Common Benefit Fee consideration. The Walgreens Tribal Global Settlement provides for the contribution to the Common Benefit Fund as shall be determined by the MDL Court.

X. "*Qualifying Representation*." Legal services provided for representation of the MDL PEC or Participating Litigating Subdivision regarding Released Claims against Released Entities.

Y. "*State Back-Stop Agreement*." Any agreement by a Settling State and private counsel for Participating Subdivisions in that State (or legislation enacted in that State) to provide, adjust, or guarantee attorneys' fees and costs, whether from the Attorney Fee Fund or any other source recognized in the agreement or legislation.[6]

Z. *"Subdivision Cost and Expense Fund."* The fund created to pay approved Subdivision and Tribal Nations costs and expenses as set forth in Section II.E.

AA. *"Walgreens.*" Walgreen Co. and all of its respective past and present direct or indirect parents, subsidiaries, divisions, affiliates, joint ventures, predecessors, successors, and assigns.

II. Fees and Costs

A. *Total Attorneys' Fees and Costs*

1. Total attorneys' fees and costs to be paid by Walgreens to Attorneys under this Fee Agreement shall be up to, but in no event more than, $593,732,518.00, subject to the reductions and provisions set forth below. The total attorneys' fees and costs consists of up to $563,732,518 for the Attorney Fee Fund, as set forth in Section II, and $30,000,000 in total for the Cost Fund, divided between the Subdivision Cost and Expense Fund and MDL Expense Fund, as set forth in Sections II.E and II.F, respectively. Additionally, Walgreens shall also pay $44,867,483.00 into the Court Common Benefit Fund as a common benefit fund assessment on the Credit set forth in Ex. M-3, and shall be paid on the schedule set forth in Ex. M-3. The

[6] Nothing herein shall be understood to indicate approval for additional State Back-Stop Agreements or modifications of existing State Back-Stop Agreements.

Maximum Attorney Fees and Costs, subject to the reductions set forth herein, are set forth in Ex. M-3 and shall be paid on the schedule in Ex. M-3.

2. If an Eligible State does not join the Agreement by the State Participation Date and is accordingly not a Settling State, the total attorneys' fees and costs to be paid under this Fee Agreement by Walgreens shall be reduced by twelve point four percent (12.4%) times the Remediation Payment amount that would have been allocated to that Non-Settling State as set forth in Section IV.B of the Walgreens Agreement.

3. The total attorneys' fees and costs to be paid under this Fee Agreement by Walgreens shall also be reduced by the amount of the Contingency Fee Fund for Attorneys representing Litigating Subdivisions in any Settling State that do not participate in the Walgreens Agreement ("*Non-Participating Litigating Subdivisions*"), as set forth in Section II.D.4 and II.H.7 below.

4. If Walgreens settles with any Non-Settling State after December 9, 2022, and such settlement allows for the Subdivision(s) in such Non-Settling State to join the settlement, Walgreens agrees to withhold from the attorney fee portion of such settlement a Common Benefit Fund assessment, to be deposited in the Court Common Benefit Fund, of 7.5% times the portion of the Remediation Payment that would have been due to such State if it had participated in the Walgreens Settlement and been awarded its full portion of the Remediation Payment (the "*Walgreens State Settlement CBF Assessment*"). If Walgreens settles with any Subdivision(s) in a Non-Settling State other than in connection with a statewide settlement that includes the relevant State after December 9 2022, then Walgreens agrees to withhold from the attorney fee portion of such settlement a Common Benefit Fund assessment, to be deposited in the Court Common Benefit Fund, of 7.5% times the portion of the Remediation Payment that would have been due to such Subdivision under this Agreement (the "*Walgreens Subdivision CBF Assessment*," and, along with the Walgreens State Settlement CBF Assessment, each a "*Walgreens CBF Assessment*"). If (a) Walgreens settles with a Non-Settling State after December 9, 2022, (b) such settlement does not allow for the Subdivision(s) in such Non-Settling State to join the settlement, and (c) Walgreens later prevails in asserting that Released Claims of Primary Subdivisions in such Non-Settling State were released as a result of such settlement, Walgreens agrees to deposit the Walgreens State Settlement CBF Assessment in the Common Benefit Fund. Any Walgreens CBF Assessment is inclusive of any assessment related to such settlement that would be required by the Common Benefit Order. To the extent that Walgreens is required to pay any additional and/or separate assessment on such settlement as a result of the Common Benefit Order, the Walgreens CBF Assessment shall be reduced by the amount required to be paid pursuant to the Common Benefit Order.

B. *Attorney Fee Fund and Sub Funds*

1. The Attorney Fee Fund shall consist of the Contingency Fee Fund and the Common Benefit Fee Fund. There shall be a split of the Attorney Fee Fund into

the Contingency Fee Fund and the Common Benefit Fund. The split shall be 40% to the Contingency Fee Fund and 60% to the Common Benefit Fund.

2. The Cost Fund shall include the MDL Expense Fund and the Subdivision Cost and Expense Fund. The State Counsel Fee Fund and the State Cost Fund shall be separate funds under the control of the Settling States .

3. It is the intention of the Parties that the Contingency Fee Fund and the Common Benefit Fund shall be administered by the Fee Panel appointed under MDL Docket No. 3828, which will be governed by the provisions of this Fee Agreement and shall design the process and procedures for the allocation of fees pursuant to this Fee Agreement and the MDL Court's Order. The Cost Funds shall be administered by the Cost and Expense Fund Administrator appointed under MDL Docket No. 3828, who will be governed by the provisions of this Agreement and shall design the process and procedures for the allocation of costs pursuant to this Agreement and the MDL Court's Order.

4. The fees to be paid under this Fee Agreement are available for Attorneys engaged in Qualifying Representations and Qualified Trial Representations only. Fees to be paid under this Fee Agreement are not available prior to the Effective Date of the Walgreens Agreement. Fees to be paid under this Fee Agreement are not available for representation of States, Non-Participating Subdivisions, or Non-Litigating Subdivisions and are not available for representation of private hospitals, third-party payors, NAS claimants, personal injury/wrongful death claimants, or any entity other than Participating Litigating Subdivisions. In addition, fees under this Fee Agreement are not available for representation of any individual or entity in matters other than those claims against Released Entities, but may include a reasonable share of representations that involve development of facts for pursuit of opioid-related claims against multiple defendants in the pharmacy, manufacturing, and distribution chain.

5. In no event shall Walgreens be required to pay more into the Attorney Fee Fund than the maximum amount specified in paragraph II.A.1. The amounts allocated to the Contingency Fee Fund and the Common Benefit Fund set by the Fee Panel shall be subject to the reductions set forth in Section II.A.2 and the reductions and refunds set forth below.

6. Awards of fees from the Contingency Fee Fund shall be available to Attorneys with Qualifying Representations of Participating Litigating Subdivisions eligible to receive an allocation under the Walgreens Agreement, as set forth in Exhibit G to the Walgreens Agreement, and shall be made by applying the Mathematical Model attached as Exhibit "A" to this Fee Agreement. The collection of the data and calculations for the Mathematical Model has been a cooperative effort among private counsel for a large number of Litigating Subdivisions. The analysis has been spearheaded by Joseph Tann and Andrew Arnold. The Fee Panel is encouraged to continue working with those counsel in application of the Model. The Fee Panel shall oversee the application of the Model and resolve any questions or disputes concerning the eligibility of a Counsel to participate as required in

Section II.G. The Panel is empowered to hear disputes concerning and ensure the accuracy of the mathematical calculation.

7. As to awards from the Contingency Fee Fund, there shall be no right of appeal.

8. Any appeal of an award of the Fee Panel from the Common Benefit Fund will be made to the MDL Court and be reviewed under an abuse of discretion standard.

C. *Common Benefit Fund* (60% of the Attorney Fee Fund)

1. The maximum potential total Common Benefit Fund payment to be made by Walgreens into the Attorney Fee Fund is $338,239,510.80, and in no event shall it exceed that amount. Walgreens' maximum potential Common Benefit Fund payments are subject to the reductions set forth in Section II.A.2. for Non-Settling States and to the adjustments set forth below and, subject to those reductions, shall be paid on the following yearly schedule:

	Walgreens Shall Pay Common Benefit
Year 2 December 31, 2023	$50,373,251.40
Year 3 December 31, 2024	$50,373,251.40
Year 4 December 31, 2025	$59,373,251.40
Year 5 December 31, 2026	$59,373,250.00
Year 6 December 31, 2027	$59,373,250.00
Year 7	

December 31, 2028	$59,373,250.60
Total	$338,239,510.80

Additionally, Walgreens shall pay $44,867,483.00 into the Court Common Benefit Fund as a common benefit fund assessment on the Credit set forth in Ex. M-3 and shall be paid on the schedule set forth in Ex. M-3.[7]

2. The Common Benefit Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions and Qualified Tribal Representation of Tribal Participating Governments who:

   a. have performed work for the Common Benefit of all Participating Subdivisions and/or Tribal Nations consistent with the provisions to the guidelines established by Judge Polster set forth in MDL 2804 and the Order dated May 1, 2018, under docket number 358, which is included herein by reference; and

   b. satisfy the eligibility criteria set forth in Section II.G.

   For purposes of Common Benefit Fund distribution, notwithstanding paragraph II.A.5, Attorneys representing Tribal Nations litigating against Walgreens have also reached a settlement for Released Claims with Walgreens, and these settlements are the subject of agreements with Walgreens. Attorneys are eligible for Common Benefit consideration provided such agreement with Walgreens became effective under their terms. Such Attorneys must meet the eligibility criteria in Section II.G.

   For purposes of Common Benefit Fund distribution, notwithstanding paragraph II.A.5, MDL Participating Counsel not engaged in Qualifying Representations of Participating Litigating Subdivisions but who performed work for the Common Benefit pursuant to authorization from the MDL Co-Leads and meet the eligibility criteria in Section II.G. shall be eligible.

3. Walgreens' Common Benefit Fund payments under this Fee Agreement satisfy any assessments or withholdings for the Walgreens Agreement that are or could be required under the Common Benefit Order for Settling States and their Participating

[7] For the avoidance of doubt, Walgreens is not required to pay any sums under this Agreement for matters settled prior to December 6, 2022, other than the $44,867,483.00 payment referenced above.

Subdivisions. The Common Benefit Fund shall be overseen by the Fee Panel, which shall determine the allocation of funds to eligible Attorneys consistent with this Fee Agreement and the Common Benefit Order.

4. In assessing the benefits that an Applicant has conferred to Participating Subdivisions (including non-Litigating Subdivisions) and/or Tribes for purposes of any compensation decision, the Fee Panel shall give significant weight to the extent to which (i) the Applicant and his or her clients have contributed to increasing (or reducing) Subdivision Participation in the Walgreens Agreement as of the Initial Participation Date, and (ii) the Applicant and his or her clients have contributed to increasing (or reducing) the amounts achieved under Incentive Payments A-D through participation in the Walgreens Agreement, including the Walgreens Tribal Agreement. The Fee Panel shall also consider additional fee recoveries the Applicant may potentially obtain, including, but not limited to, from attorney fee funds under other settlement agreements, State Back-Stop Agreements, representations of States or Tribal Nations, representations of other clients in opioids-related matters, or through the representation of Subdivision clients, whether they participated in the Walgreens Agreement or not. It is the intent of this provision to recognize that the goal of the Walgreens Agreement is to provide for maximum participation by the Subdivisions, maximum abatement funding for all Subdivisions nationally, and the maximum peace for Released Entities. Therefore, representing one or more Non-Participating States or Non-Participating Subdivision does not further the goal of the Walgreens Agreement, and should not be considered Common Benefit because it does not increase funds available to Participating Subdivisions' abatement programs. Representing one or more Later Litigating Subdivisions is antithetical to the Walgreens Agreement and detracts from Common Benefit; the Fee Panel shall consider this concept of "common detriment" set forth in this paragraph in all of its decision making with respect to the allocation of the Attorney Fee Fund among Applicants, as well as, in its discretion, any reductions provided to Walgreens as set forth in Section II.H.[8] The Fee Panel shall consider the totality of the Applicant's Participating Litigating Subdivisions as compared to the Applicant's Non-Participating Litigating Subdivisions; the Parties recognize that, although the goal is for 100% participation, Applicants with a greater number of clients have a greater probability of having one or more Non-Participating Litigating Subdivisions. As used in this paragraph II.C.4, "client" or "representing" a Subdivision shall include any Litigating Subdivision as to which the Applicant has a Fee Entitlement.

5. As set forth in Section II.H, the Fee Panel must consider the factors described in paragraph II.C.4 to determine how and whether to reduce the amounts to be paid by Walgreens under this Fee Agreement and to determine how to allocate funds among Applicants. They may also, at their discretion, consider other factors. Any reduction in payment obligation or credit to be given Walgreens in this Fee Agreement shall be applied against the last Payment Year and then working backwards. Any reduction to an Applicant not credited to Walgreens shall be allocated to attorneys whose Litigating Subdivision clients participated in the settlement by the Initial Participation Date.

[8] Notwithstanding any provisions set forth herein, it is expressly understood and agreed that continued representation of CT-3 Bellwether jurisdictions, Lake County or Trumbull County, shall not be considered by the Fee Panel as common detriment or adverse to the stated purposes of the Master Settlement Agreement and will not in any way prejudice counsel in seeking common benefit for the work related to the representations of these counties or in any other respect.

D. *Contingency Fee Fund* (40% of the Attorney Fee Fund)

1. The maximum potential total Contingency Fee Fund payment to be made by Walgreens into the Attorney Fee Fund is $225,493,007.20, and in no event shall it exceed that amount. Walgreens' maximum potential Contingency Fee Fund payment shall be subject to the reductions set forth in Section II.A.2 for Non-Settling States and to the adjustments set forth below and, subject to those reductions, shall be paid on the following yearly schedule:

	Walgreens Shall Pay Contingency Fee Fund
Year 2 December 31, 2023	$33,582,167.60
Year 3 December 31, 2024	$33,582,167.60
Year 4 December 31, 2025	$39,582,167.60
Year 5 December 31, 2026	$39,582,168.00
Year 6 December 31, 2027	$39,582,168.00
Year 7 December 31, 2028	$39,582,168.00
Total	$225,493,007.20

2. The Contingency Fee Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions that meet the criteria set forth in Section II.G.

   a. The Contingency Fee Fund shall be available to Attorneys who represent Litigating Subdivisions that are Participating Subdivisions, whether their actions are filed in state or federal court, and meet the eligibility criteria of Section II.G.

   b. Participation in the Contingency Fee Fund by counsel that have a case that is not subject to the jurisdiction of the MDL Court shall not create, provide, or waive jurisdiction of the MDL Court over that Litigating Subdivision, that case or Attorneys, other than to oversee the fairness of the distribution process, and enforcement of this Fee Agreement.

3. The amount owed by Walgreens to the Contingency Fee Fund shall be reduced to reflect the non-joinder of Litigating Subdivisions in Settling States by subtracting the amounts identified by the Fee Panel, pursuant to paragraph II.H.7, that would have been owed to counsel for Non-Participating Litigating Subdivisions in Settling States had such Litigating Subdivisions been Participating Subdivisions.

4. In the event that after the date of the Walgreens Agreement, Walgreens, prior to the Effective Date of the Walgreens Agreement, settles with any Litigating Subdivision that would have been eligible to participate in the Settlement Agreement, and, under such settlement agreement pays attorneys' fees, the Fee Panel shall treat those Litigating Subdivisions as Participating Litigating Subdivisions and, applying the same criteria applicable to all Attorneys for Participating Litigating Subdivisions, determine what amount they would have been paid from the Contingency Fee Fund if they had become Participating Subdivisions under the Walgreens Agreement without such prior settlement. That sum, rather than being paid to the Attorney for the previously settling Litigating Subdivision, shall be returned to Walgreens, except that such refund shall not be greater than the amount paid to the Attorneys under the Litigating Subdivision's prior settlement agreement.

E. *Subdivision Cost and Expense Fund*

1. Walgreens shall pay $22,500,000 into the Subdivision Cost and Expense Fund on the schedule set forth below.

	Cost Fund
Year 2 December 31, 2023	$11,250,000

Year 3 December 31, 2024	$11,250,000

2. The Subdivision Cost and Expense Fund shall be available to compensate Attorneys for costs and expenses arising out of representation of Participating Litigating Subdivisions. No funds in the Subdivision Cost and Expense Fund may be used to compensate the costs incurred by Non-Participating Subdivisions or Non-Litigating Subdivisions or costs and expenses arising out of representation of any such Subdivision. In allocating the Subdivision Cost and Expense Fund, the Administrator shall not allocate any funds for costs incurred after December 9, 2022.

3. During the period between December 9, 2022 and the Effective Date of the Walgreens Agreement, the MDL PEC, as well as Litigating Subdivisions eligible to claim costs from the Subdivision Cost and Expense Fund, shall make best efforts to cease litigation activity against Walgreens, including by jointly seeking stays or severance of claims against Walgreens, where feasible, or postponements if a motion to stay or sever is not feasible or is denied, so long as such actions are not otherwise detrimental to the Litigating Subdivision.

4. In the event that Walgreens, prior to the Effective Date of the Walgreens Agreement, settles with any Litigating Subdivision and, under such settlement agreement, pays costs to the Litigating Subdivision or its Attorney, the MDL Cost and Expense Fund Administrator shall treat those Litigating Subdivisions as Participating Litigating Subdivisions and, using the same criteria applicable to all applicants to the Subdivision Cost and Expense Fund, determine what amount in costs the Litigating Subdivision or its Attorney would have been paid from the Subdivision Cost and Expense Fund if they had settled under the Walgreens Agreement. That sum, rather than being paid to the Attorney or the previously settling Litigating Subdivision, shall be credited and/or returned to Walgreens, except that such sum shall not be greater than the amount paid under the previously settled Litigating Subdivision's settlement agreement.

5. The Cost Fund shall be administered by the Cost Fund and Expense Fund Administrator (MDL Docket No. 3828), who will be governed by the provisions of this Agreement and shall design the process and procedures for the allocation of costs pursuant to this Agreement and the MDL Court's Order.

6. The costs of the Cost and Expense Fund Administrator shall be paid from the Cost Fund and allocated by the Cost and Expense Fund Administrator between the MDL Direct Cost Fund and the Subdivision Cost and Expense Fund to fairly charge each fund the cost incurred in implementing and supervising the specific fund.

7. The Cost and Expense Fund Administrator shall set the process and procedures for submission of and criteria for applications for payment of Subdivisions' and Tribal Nations' costs and expenses. The Cost and Expense Fund Administrator shall receive and evaluate applications from Participating Litigating Subdivisions and litigating Tribal Nations, whether filed in Federal Court or State Court, to seek reimbursement for eligible costs under Section II.E.2 in pursuit of claims against Walgreens. The process shall require a showing that the costs or expenses sought were reasonably incurred in furtherance of active litigation of a designated state or federal bellwether trial-set case, or Common Benefit. The Cost and Expense Fund Administrator shall require transparency from all applicants as to any other sources for compensating Attorneys for Subdivisions and Tribal Nations for costs incurred. If funds remain after the reimbursement of approved out-of-pocket costs, the Cost and Expense Fund Administrator may consider reasonable and appropriate payment for client time, costs, or expenses incurred by recognized trial bellwether plaintiffs. At the conclusion of the process, any funds not allocated by the Cost and Expense Fund Administrator shall be transferred to the Common Benefit Fund established in this Exhibit R.

8. In the event that States and Subdivisions enter into an additional global settlement with a party or parties other than Walgreens that is (a) under the jurisdiction of the MDL Court in MDL No. 2804, (b) creates a separate cost fund, and (c) unless the parties agree to another date, such agreement has an effective date prior to June 30, 2023, the Cost and Expense Fund Administrator shall have the authority to aggregate the Cost Fund with the cost fund created under that global settlement agreement. The Cost and Expense Fund Administrator shall have the authority to address the appropriate procedures and required information to allow the costs to be funded from the appropriate cost fund or shared by two or more cost funds; *provided, however*, that the Subdivision Cost and Expense Fund shall remain subject to the requirements set forth in Section II.E.2. For the avoidance of doubt, the Subdivision Cost and Expense Fund is available only to compensate Attorneys for costs and expenses arising out of representation of Participating Litigating Subdivisions, and no funds in the Subdivision Cost and Expense Fund may be used to compensate the costs incurred by Non-Participating Subdivisions or Non-Litigating Subdivisions or costs and expenses arising out of representation of any such Subdivision.

F. *MDL Expense Fund*

1. Walgreens shall pay $7,500,000 into the MDL Expense Fund on the schedule set forth below.

	MDL Expense Fund
Year 2	$3,750,000

December 31, 2023	
Year 3 December 31, 2024	$3,750,000

2. The MDL Expense Fund shall be released following the Effective Date of this Fee Agreement without any delay to reimburse the MDL Counsel for an agreed-to portion of the expenses incurred, as approved by the Cost and Expense Fund Administrator. The sum deposited into the MDL Expense Fund will be paid directly to the MDL Opiate Capital Account. No funds may be used to compensate the costs incurred by Non-Participating Subdivisions or Non-Litigating Subdivisions, or to compensate any Attorney for costs incurred in representing one or more Non-Participating Subdivisions or Non-Litigating Subdivisions.

3. In allocating the MDL Expense Fund, the Administrator shall not allocate any funds for costs incurred after December 9, 2022, unless the Administrator determines that there are sufficient funds to cover all Subdivision costs incurred prior to December 9, 2022 and that special circumstances exist to justify costs incurred following the public announcement of the Walgreens Agreement, including reasonable costs related to the implementation of the Walgreens Agreement.

G. Eligibility

1. It is the intention of all parties participating in the Fee Panel process that there should be total transparency to the Fee Panel and to all fund participants. In connection with the process to be developed by the Fee Panel, any and all monies in attorney's fees received or awarded, including prior or future Contingency Fees, Common Benefit Fees, referral fees, expenses paid, promises for payment, or any other Fee Entitlement, to any Applicant in any opioid litigation shall be disclosed to the Fee Panel as a condition of participating in the Attorney Fee Fund and prior to an award from the Fee Panel. Any payment, expectation of payment or perceived entitlement to participate in a State Back-Stop Agreement or any other agreement reached with a Settling State or any Subdivision or any other source regarding payment of fees must be disclosed to the Fee Panel. Similarly, any right to payment from any other fund, for example a fund for payment to lawyers representing Settling States or Tribal Nations or Subdivisions shall be disclosed to the Fee Panel. Because it is anticipated that there will be multiple firms listed on contingent fee agreements with Litigating Subdivisions, the Fee Panel shall establish procedures, with input from Attorneys for Participating Litigating Subdivisions, for which party or parties should petition for fees from such groups and to whom the fee shall be paid and thereafter distributed to co-counsel in accordance with applicable agreements. For the avoidance of doubt, all Attorneys that are part of such groups must meet the eligibility criteria in paragraph II.G.3, must be subject to the criteria set forth in paragraph II.C.4, and must be disclosed to the Fee Panel.

2. An Applicant may apply for and recover attorneys' fees from the Common Benefit Fund, the Contingency Fee Fund, and any fund created by a past or future State Back-Stop Agreement, provided the Applicant satisfies the requirements relevant to each such fund and requirements for disclosure to the Fee Panel.

3. An Attorney may not receive any payment from the Attorney Fee Fund (which includes both the Contingency Fee Fund and the Common Benefit Fund) unless the following eligibility criteria are met and annually certified by the Attorney:

   a. The Attorney must expressly waive the enforcement against the Litigating Subdivision client of all Fee Entitlements (other than under State Back-Stop Agreements) arising out of or related to any or all Qualifying Representations of any Participating Litigating Subdivision prior to applying for attorneys' fees from the Attorney Fee Fund. All applications for attorneys' fees under this Fee Agreement shall include an affirmation by the Attorney of such waiver and notice to the client(s) of such waiver. Such waiver shall not preclude the Attorney from submitting such Fee Entitlements to the Fee Panel as a factor for consideration in allocating payments from the Attorney Fee Fund or in connection with a State Back-Stop Agreement. For the avoidance of doubt, no Attorney may recover fees under this Fee Agreement unless the Attorney expressly agrees not to enforce Fee Entitlements as to each and every Participating Litigating Subdivision represented by that Attorney, but such Attorneys may participate in and receive funds from a State Back-Stop Agreement.

   b. The Attorney must represent that s/he has no present intent to represent or participate in the representation of any Later Litigating Subdivision or Later Litigating State with respect to Released Claims against Released Entities.

   c. The Attorney must represent that s/he has not and will not engage in any advertising or solicitation related to Released Claims against Released Entities where such advertising or solicitation relates to a representation of a Subdivision eligible to be a Participating Subdivision after the Reference Date unless the Attorney is recommending participation in the Agreement..

   d. The Attorney must represent s/he will not charge or accept any referral fees for any Released Claims brought against Released Entities by Later Litigating Subdivisions or Later Litigating States. This representation shall not prohibit Attorneys from receiving allocated shares of any future common benefit assessments arising out of settlements or judgments with Later Litigating Subdivisions or Later Litigating States that are the result of the MDL Court's Common Benefit Order.

   e. The Attorney may not have and must represent that s/he does not have a Fee Entitlement related to a Later Litigating Subdivision or Later Litigating State, other than a potential Common Benefit Fee.

f. The Attorney must fully disclose the participation, or the anticipation of participation, in any agreement with a Settling State or Participating Subdivision concerning fees arising out of or related to the Walgreens Agreement, including any fees paid or anticipated to be paid or any State Back-Stop Agreement.

g. The Attorney must identify for the Fee Panel whether s/he utilized state litigation work product or MDL work product, including but not limited to ARCOS data, document repositories, experts developed in the MDL, trial transcripts, or deposition transcripts. The Attorney must identify whether s/he signed the MDL Participation Agreement.

h. Any Attorney who applies for fees from one or both Funds must represent that, having exercised his/her independent judgment, s/he believes the Walgreens Agreement to be fair and will make or has made best efforts to recommend the Agreement to his or her Subdivision clients in Settling States. For avoidance of doubt, each Attorney is expected to exercise his or her independent judgment in the best interest of each client individually before determining whether to recommend joining the settlement. All applications for attorneys' fees or costs under this Section shall include an affirmation by the Attorney in compliance with this Subsection.

4. No Attorney receiving fees under this Fee Agreement may apply for or recover from the Attorney Fee Fund fees arising from representing a Non-Settling State or a Non-Participating Subdivision, provided, however, that this provision is not intended to prohibit Attorneys who do not represent or otherwise have a contractual agreement with such Non-Settling State or Non-Participating Subdivision from receiving allocated shares of any future common benefit assessments that arise out of settlements or judgments involving such Non-Settling State or Non-Participating Subdivision. All applications for attorneys' fees under this Section shall include an affirmation by the Attorney of compliance with this Section.

5. An Attorney who has filed an application under this section and received an award of attorneys' fees shall provide a certification of compliance with the Sections of this Fee Agreement annually during the years upon which they are still entitled to receive attorneys' fee payments under this Agreement. This certification will be done as directed by the Panel.

6. If, at any time, the Attorney is unable to make the representations set forth in this Section, such representations become untrue, or the Attorney falsely represents compliance with the eligibility criteria, the Attorney shall cease to be eligible to receive funds from the Attorney Fee Fund until further review by the Fee Panel of the Attorney's eligibility under and compliance with this Section II.

7. If an Attorney has a Fee Entitlement with a Later Litigating Subdivision or Later Litigating State or otherwise becomes unable to reaffirm compliance with the eligibility criteria set forth above, the Attorney shall notify the Fee Panel. For the

avoidance of doubt, any Attorney who undertakes any new representation of, or has a Fee Entitlement with, a Later Litigating Subdivision or Later Litigating State shall be prohibited from receiving any future funds from the Attorney Fee Fund and be subject to additional obligations as set forth in Subsection 8 below.. If an Attorney fails to notify the Fee Panel of such Fee Entitlement with a Later Litigating Subdivision or Later Litigating State, the Attorney shall be required to refund amounts previously paid. The Fee Panel shall notify Walgreens when it receives notification.

8. To the extent an Attorney who has received compensation from the Attorney Fee Fund based on Qualifying Representations of Participating Litigating Subdivisions under the Walgreens Agreement represents a Later Litigating Subdivision or Later Litigating State, such Attorney shall be obligated to refund such amounts received as compensation from the Attorney Fee Fund to Walgreens. Walgreens or such Attorney may bring any dispute as to whether such Attorney shall be obligated to refund such amounts received from the Attorney Fee Fund to Walgreens, to the Fee Panel. Nothing herein shall require a multi-attorney law firm that has received compensation from the Attorney Fee Fund to refund such amounts if an attorney of the firm that is no longer affiliated with such law firm, after such departure, represents a Later Litigating Subdivision or Later Litigating State, provided that (a) neither the law firm nor any of its other attorneys have any contractual or financial arrangement regarding, stand to benefit directly or indirectly from, or directly or indirectly provide financial or other support of any kind to, the former attorney's representation of the Later Litigating Subdivision or Later Litigating State and (b) if the former attorney was a partner or owner of the multi-attorney law firm at the time that the law firm received compensation from the Attorney Fee Fund, the former attorney shall be obligated to refund such amounts as the former attorney earned as a result of the compensation that the law firm received from the Attorney Fee Fund.

9. In the event that an Attorney is deemed ineligible by the Fee Panel (whether based on its initial application or subsequent recertification), the Fee Panel shall provide notice to the Attorney and give the Attorney 30 days to provide additional information such that the Fee Panel could re-consider the Attorney's eligibility.

10. To the extent that an Attorney has a Fee Entitlement with a Participating Subdivision and is authorized to bring Released Claims against Released Entities, but such authorization is, in scope, less broad than the category of Released Claims set forth in the Walgreens Agreement, such Attorney may participate fully in both the Contingency Fee Fund and the Common Benefit Fund, without any reduction imposed by the Fee Panel due to the scope of the authorization, so long as the Participating Subdivision fully releases all Released Claims against Released Entities.

11. Attorneys applying to the Attorney Fee Fund knowingly and expressly agree to be bound by the decisions of the Fee Panel, subject to the limited appeal rights set forth in this Fee Agreement, and waive the ability to assert the lack of enforceability of the allocation reached through the procedures outlined herein.

12. Applicants are under an ongoing obligation to inform the Fee Panel in writing of any additional fees earned, expected, or received related to any Opioid litigation throughout the period of the Fee Panel's operation.

H. Calculation of Amounts Due

1. The Fee Panel shall be solely responsible for determining the amount of fees to be paid to each Applicant. None of the Released Entities shall have any responsibility, obligation, or liability of any kind whatsoever with respect to how attorneys' fees are calculated under this Section, except that the Fee Panel may receive information from Walgreens as to (a) the identity of Participating, Non-Participating, Litigating, Later Litigating, and Non-Litigating Subdivisions; (b) the impact of non-participation by a Litigating Subdivision as is relevant to the Fee Panel's determination in paragraph II.C.4; and (c) such other information as Walgreens may voluntarily elect to provide.

2. The Fee Panel shall establish procedures for making determinations under this Fee Agreement consistent with this Fee Agreement and orders of the MDL Court. Such procedures may include submission of documentary and/or other evidence, interviews with Applicants and/or other counsel (including counsel for Walgreens) that the Fee Panel deems appropriate, and/or other means of creating a record upon which fee awards will be based.

3. In making determinations under this Fee Agreement, the Fee Panel must apply the eligibility criteria set forth in Section II.G of this Fee Agreement and the criteria set forth in Section II. The Fee Panel shall ensure that payments are only made for Qualifying Representations of Participating Litigating Subdivisions. In addition, the Fee Panel will give consideration in regard to Common Benefit Fund awards to the *Johnson* factors, as well as the following factors (which factors may be applied and given relative weight in the Fee Panel's discretion):

    a. The Applicant's contemporaneously recorded time and labor dedicated to Qualifying Representations along with the Applicant's financial commitment to such Qualifying Representations. Claimed "time" will not be automatically accepted by the Fee Panel but will be critically reviewed and given substantially more weight and consideration if such time was subject to the audit process described in any Pretrial Order(s) governing the collection of common benefit time;

    b. The novelty, time, and complexity of the Qualifying Representations;

    c. The skill requisite to perform legal services properly and undesirability of the case;

    d. The preclusion of other employment by the Applicant due to time dedicated to Qualifying Representations;

e. The Common Benefit, if any, alleged to have been conferred by the Applicant and whether such Common Benefit work product by that Applicant was used by others in parallel litigations against Released Entities whether within or outside the MDL, provided that any Applicant claiming that s/he substantially benefited cases other than those in which s/he entered an appearance as counsel must substantiate such claims by proffering factual support, such as proper supporting affidavits or other documents as determined by the Fee Panel with input from Attorneys for Participating Litigating Subdivisions;

f. Any "common detriment," as set forth in paragraph II.C.4;

g. Any contingent fee agreement or other Fee Entitlement with Participating Subdivisions, enforcement of which, except for State Back-Stop Agreements, are waived in conjunction with the application, the nature and extent of any work for those Participating Subdivisions, whether such Participating Subdivisions actively litigated and, if so, the nature and procedural history of such case(s);

h. The experience, reputation, and ability of the Applicant;

i. Whether the Applicant's clients brought Released Claims against Released Entities;

j. The status of discovery in cases primarily handled by the Applicant;

k. The nature of any work by the Applicant on "bellwether" cases or cases that were similarly active in litigation;

l. Any pressure points successfully asserted by the Applicant in cases against Walgreens or any risk for Walgreens created by the Applicant in cases against Walgreens;

m. Any risk for defendants created by Applicants in cases against Walgreens;

n. Successful and unsuccessful motion practice in cases worked on by the Applicant;

o. The date of filing of any cases filed by the Applicant;

p. Obtaining consolidation of the litigation in the Applicant's jurisdiction;

q. The number and population of entities represented by the Applicant and the fees that would have been awarded under extinguished contingent fee arrangements;

r. Whether the Applicant's clients brought claims against Walgreens prior to the announcement of this settlement on December 9, 2022;

s. Whether the Applicant has had a leadership role in the litigation, whether in state or federal court;

t. Whether the Applicant has had a leadership role in any negotiations aimed at resolving the litigation;

u. Whether the Applicant's cases have survived motions to dismiss;

v. The extent to which the Applicant contributed to the work product used for the common benefit of opioids litigants, including, without limitation, work on ARCOS data, Prescription Data Monitoring Programs, IQVIA data, depositions, document production and analysis experts, motions, briefs and pleadings, trial preparations, and trials;

w. The extent to which litigation occurred prior to and contributed to completion of settlement negotiations, as distinct from litigation that occurred after the announcement of the Walgreens Agreement on December 9, 2022, such latter litigation both being of less value and, the case of litigation filed after the announcement of the Walgreens Agreement on December 9, 2022, resulting in a common detriment to the settlement process, which in both cases should be viewed less favorably; and

x. Any other factors that the Fee Panel finds to be appropriate to consider after input from Applicants to the Attorney Fee Fund.

4. It is possible that the States and Subdivisions that are litigating Opioid cases will enter additional settlements in close proximity of the time for processing the Walgreens Agreement. If there are additional settlements and these settlements create a Common Benefit Attorney Fee Fund to be administered by the Fee Panel, the Fee Panel may:

a. Consolidate the Common Benefit approval process to include evaluation of all Common Benefit Applications for all settlements entered after November 14, 2022;

b. Determine the fair and equitable allocation of the Aggregate Common Benefit Fees that come after December 9, 2022, including consideration of beneficial or detrimental actions taken with respect to any Settling Defendant contributing to the Common Benefit Attorney Fee Fund;

c. Give consideration to the amount and timing of each settlement, including the amount and timing of Common Benefit Fees;

d. The Fee Panel shall abide by the applicable Attorney Fee Agreement in each of the Settlements in Allocating the Common Benefit Fees provided for in the Settlement; and

e. Be guided in their work by the Orders of the Court related to Fees and Costs.

5. The Fee Panel shall develop procedures for receiving a single application, which may be updated or amended based on new information (such as participation by additional Litigating Subdivisions) from each Applicant seeking compensation from each sub fund of the Attorney Fee Fund pursuant to processes and procedures developed by the Fee Panel, which shall not be inconsistent with this Fee Agreement. Any request for attorneys' fees not included on the single application or through the updating/amendment process designed by the Fee Panel shall be deemed waived. For purposes of transparency and to permit the Fee Panel to conduct its work, the application from each Applicant shall, at a minimum, require each Applicant to:

a. Identify all Litigating Subdivisions for which s/he is seeking payment from the Attorney Fee Fund;

b. Identify all Subdivisions in both Settling and Non-Settling States (and, where applicable, Tribal Nations) with respect to which s/he has a Fee Entitlement with respect to Relevant Claims against Released Entities, and identify all co-counsel in such cases;

c. Identify which of those Subdivisions are Participating Subdivisions and which are not (with similar information for Tribal Nations, where applicable);

d. Specify the specific fund or funds within the Attorney Fee Fund from which the Attorney is seeking compensation;

e. Demonstrate his or her eligibility for compensation from the relevant sub funds within the Attorney Fee Fund pursuant to the criteria set forth for the relevant sub fund;

f. Identify any and all Fee Entitlements from representations of States, Tribal Nations, or other plaintiffs related to Released Claims against Released Entities or in opioids-related matters;

g. Notwithstanding "a-f" above, the Panel may consider a supplemental application if the Applicant shows good cause why circumstances exist that will lead to consideration for additional Common Benefit award. Examples would include, but are not limited to, an Applicant having Non-Participating Litigating Subdivision clients that subsequently become Participating Subdivisions, a Bar Date passes that increases participation or an Allocation Agreement is reached.

6. With respect to the Common Benefit Fund, the Fee Panel shall (subject to any applicable MDL Court Order):

    a. Review the applications of all Applicants seeking compensation from the Common Benefit Fund, including determining eligibility for each Applicant as set forth in Section II.G.

    b. Using criteria set forth in Sections II.C and II.G, allocate amounts from the Common Benefit Fund to eligible Applicants, including payment amounts for each Payment Year. In making such allocations, the Panel shall apply the principles set forth in paragraph II.C.5 to the amounts paid to Applicants with a Common Benefit Fee Entitlement.

7. With respect to the Contingency Fee Fund, the Fee Panel shall:

    a. Review the applications of all Attorneys seeking compensation from the Litigating Subdivision Fee Fund, including determining eligibility for each Attorney as set forth in Section II.G.

    b. Apply the Mathematical Model in Exhibit A.

    c. Use such allocations to determine refund amounts owed to Walgreens from the Attorney Fee Fund, and inform Walgreens and the MDL PEC of all such adjustments.

8. To the extent that there is a dispute about the calculations of the Fee Panel related to the amount that Walgreens is required to pay (including application of any reductions or refunds under this Fee Agreement), such disputes shall be presented to the Fee Panel and any disputed funds be paid into/held in escrow. The Fee Panel shall resolve such disputes expeditiously, with either Party having the right to seek review from the MDL Court.

9. For purposes of determination of fee or cost awards, allocations, reductions, and possible reversions under this Fee Agreement, unless specified otherwise a Subdivision will be considered a Non-Participating Subdivision if it is not a Participating Subdivision as of the deadline for the application for the fee at issue (or, if the determination does not involve a specific application, the date on which the record for such determination closes).

10. In the event that the Fee Panel, through the use of the Mathematical Model set forth in Exhibit A, allocates funds from the Contingency Fee Fund for an Attorney based on a Qualifying Representation of a Participating Litigating Subdivision and that Subdivision is in a Settling State in which the Consent Judgment has not been

approved, such funds shall be placed into escrow until the Consent Judgment is approved, after which time they shall be released.

I. Miscellaneous

1. The Fee Panel shall charge an hourly rate approved by the Court. The Pre-Effective Date costs associated with the Cost and Expense Fund Administrator shall be paid from funds in the Cost Fund. Post-Effective Date, the cost of the Fee Panel shall be charged against the applicable Fee Fund based on allocation by the Fee Panel and shall not be otherwise funded by Walgreens.

2. The MDL PEC will seek, and the Attorneys General for Settling States and the Walgreens will not oppose, a Common Benefit Fee Order requiring an assessment of 7.5% on the gross recovery (by judgment or settlement) of any Non-Participating Subdivision that is subject to the federal court jurisdiction, represented by a MDL PEC firm, represented by any Attorney receiving fees from the Common Benefit Fund, represented by any Attorney that signed a Participation Agreement or had been paid in a case otherwise under the jurisdiction of the MDL Court.

3. The MDL PEC shall provide to Walgreens information the PEC has that identifies Attorneys who represent Litigating Subdivisions who are not Participating Subdivisions and who have an obligation to pay a common benefit assessment, either due to the MDL Court's orders or pursuant to a Participation Agreement.

4. The MDL PEC and Walgreens agree that it is a conflict of interest for an Attorney that had represented a Participating Subdivision to represent a Later Litigating Subdivision or Later Litigating State. This Subsection shall be enforceable to the extent permitted by the equivalent to Rules 1.16 and 5.6 of the ABA Model Rules of Professional Conduct in the relevant jurisdictions. The MDL PEC represents that it will comply with this provision in the case of the Walgreens Agreement until the Effective Date of the Walgreens Agreement, as well as thereafter, if the Walgreens Agreement proceeds.

5. Participating Subdivisions agree to instruct their counsel to treat information, work product and expert materials as confidential under Rule 1.6 of the ABA Model Rules of Professional Conduct. Accordingly, an Attorney shall not share information or work product with, or experts or materials to, non-participants (other than the Attorney's own current clients or their lawyers, consultants, experts or other representatives or agents). However, nothing herein shall prevent MDL Leadership or PEC Counsel from fulfilling their obligations in any MDL and the MDL Court Order.

III. Miscellaneous

A. *Termination*. If the Walgreens Agreement does not proceed past the Reference Date, whether because Walgreens does not determine to proceed or for any other reason, this Fee Agreement shall be null and void, Walgreens shall have no obligation to make any payments under this

Fee Agreement, and Walgreens and the MDL PEC shall take such steps as are necessary to restore the *status quo ante*.

B. *MDL Court Consideration*. This Fee Agreement shall be attached as an exhibit to the Walgreens Agreement. This Fee Agreement shall also be submitted by Walgreens and the MDL PEC to the MDL Court for approval pursuant to the motion and order that shall be attached.

1. In the event that the MDL Court, through an order, makes any change to the amounts potentially to be paid by Walgreens under this Fee Agreement, makes any change to the Fee Panel's consideration of the factors set forth in paragraph II.C.4, or any other material change to the draft Order attached as part of Exhibit B or the terms of this Fee Agreement, Walgreens and the MDL PEC shall meet and confer concerning such changes. The MDL Court shall have no authority to increase the payments made by Walgreens related to fees and costs beyond the amounts described in this Fee Agreement.

2. If Walgreens and the MDL PEC are unable to reach agreement and revisions to this Fee Agreement, this Fee Agreement shall be null and void, Walgreens shall have no obligation to make any payments under this Fee Agreement, and Walgreens and the MDL PEC shall take such further steps as are necessary to restore the *status quo ante.*

C. *Amendment*. Once the MDL Court has entered an order implementing this Fee Agreement, this Fee Agreement can only be amended by (1) written agreement of Walgreens and the MDL PEC and (2) approval by the MDL Court.

D. *Jurisdiction and Enforcement*. The MDL Court shall have exclusive and ongoing jurisdiction over the enforcement and implementation of this Fee Agreement as set forth herein. The MDL PEC shall be the Authorized Party to enforce this Fee Agreement, as to the payment obligations of Walgreens as set forth in this Fee Agreement and as to Attorneys making application to the Funds under this Fee Agreement. Solely for purposes of assessing or allocating common benefit fees, the MDL Court will continue to have jurisdiction over the work product developed in the MDL Court by and under the direction of the MDL PEC with respect to claims against Walgreens, including data and documents, depositions, expert reports, briefs and pleadings; and the MDL Court's protective orders, management orders, and other decisions regarding such discovery and other work product, including but not limited to, conditions on its use, will continue in full force and effect. Nothing in this paragraph authorizes the MDL Court to act contrary to this Agreement or to share any of the work product, or provides the MDL Court with jurisdiction over the Walgreens Agreement.

Description of Mathematical Model for the Allocation of the Contingency Fee Funds

Walgreens Settlement Agreement

This document describes the Mathematical Model for allocation of the Contingency Fee Fund described in Exhibit R (Agreement of Attorneys' Fees, Costs, and Expenses) to the Walgreens Settlement Agreement.[9] Awards of fees from the Contingency Fee Funds shall be available to Attorneys with Qualifying Representations of Participating Litigating Subdivisions eligible to receive an allocation under the Walgreens Settlement Agreement.[10] A Fee Panel shall oversee the application of the Model and resolve any questions or disputes concerning the eligibility of a counsel to participate. The Panel is empowered to hear disputes concerning and ensure the accuracy of the mathematical calculations.

In general terms, allocation of the Contingency Fee Fund shall be made by (1) determining the amount of the Settlement Fund that is attributable to each Participating Litigating Subdivision; (2) making certain adjustments to these amounts based on when the Subdivision filed suit and the terms of the applicable fee contract; and (3) dividing the Contingency Fee Fund proportionately among counsel for each Participating Litigating Subdivision based on the amounts calculated in subpart 2.

To collect a fee award from the Contingency Fee Fund, a Participating Litigating Subdivision must have named Walgreens (or any Released Entity) in its lawsuit. The total maximum amount of the Contingency Fee Fund in the Walgreens Settlement Agreement is $225,493,007.20.[11]

Allocation of the Contingency Fee Fund shall be made according to the following steps. These calculations are made only for purpose of determining the percentage share of the Contingency Fee Fund that Attorneys for each Participating Litigating Subdivision should receive, ***not*** for determining the dollar amount each Subdivision will receive.

(1) For each Settling State, attribute 50% of the settlement funds for that State to its Subdivisions according to the Subdivision Allocation Percentage in Exhibit G to the Walgreens Settlement Agreement.

Illustrative example:

- Assume that State A is allocated 1.00000% of the $4,788,165,458 Remediation amount [see Exhibit M of the Walgreens Settlement Agreement].
- 50% of the 1% share allocated to State A is $23,940,827.29.
- Assume that, per Exhibit G of the Agreement, the Subdivision Allocation Percentage for City B in State A is 1.00000000%.

[9] *See* Walgreens Settlement Agreement, Exhibit R § II.D.2.

[10] Walgreens Settlement Agreement, Exhibit R § II.D.2.

[11] Walgreens Settlement Agreement, Exhibit R § II.A.1 & II.D.1.

- For purposes of determining its counsel's share of the Contingency Fee Fund, City B is attributed 1.00000000% of $23,940,827.29, or $239,408.27.

(2) Adjust the amounts in paragraph 1 as follows:

a. *Upward Adjustment for Early Filers.* Increase the amount calculated in paragraph 1 above by 10% for any Litigating Subdivision that named Walgreens in a suit before December 5, 2017, the date the National Prescription Opiate Litigation MDL was formed. If the Litigating Subdivision did not name Walgreens in a suit before December 2, 2022, then fees from the Contingency Fee Fund will not be awarded to Attorneys with otherwise Qualifying Representations of that Participating Litigating Subdivision.

Illustrative Example:

- Assume City C is attributed $1,000,000 under paragraph 1 above.
- If City C named Walgreens before 12/5/2017, the attributed amount would be adjusted to $1,100,000.

b. *Determine Amount Due under Contingency Fee Contract*. Determine the amount that would be due to Attorneys with Qualifying Representations of each Participating Litigating Subdivision under the terms of the applicable fee contract if the Participating Litigating Subdivision were to receive the amount calculated in paragraph 2.a. This amount can be referred to as the Contingency Fee Assumption.

Illustrative Example:

- Continuing the example given in paragraph 2.a, if Attorneys have a 20% contingency fee contract with City C for the relevant litigation, the amount calculated in this step would be 20% of $1,100,000, or $220,000.

In the next step, the Contingency Fee Assumption is used to determine the percentage share of the Contingency Fee Fund due to Attorneys for each Participating Litigating Subdivision.

(3) Divide the Contingency Fee Fund proportionately among Attorneys for each Participating Litigating Subdivision in two ways:

a. *National Fee Pool Calculation.* Determine each Litigating Subdivision's percentage share of all amounts due under contingency fee contracts nationwide by dividing the Contingency Fee Assumption calculated for each Subdivision in paragraph 2.b by the sum of all Contingency Fee Assumptions. Then multiply that percentage by the Contingency Fee Fund to figure each Subdivision's dollar share of the Contingency Fee

Fund (but only if the Subdivision timely named Walgreens in a lawsuit).

Illustrative example:

- $220,000 [from para. 2.b] ÷ $280,000,000 [total amount owed under contingency fee contracts nationwide] = 0.0785714%[12]
- 0.0785714% * $225,493,007.20 [Contingency Fee Fund] = $177,173.01

b. *Separate State Fee Pools Calculation.* Determine each Litigating Subdivision's percentage share of all amounts due under contingency fee contracts statewide by dividing the Contingency Fee Assumption calculated for each Subdivision in paragraph 2.b by the sum of all Contingency Fee Assumptions in the same State. Then multiply that percentage by the portion of the Contingency Fee Fund that corresponds to that State's Overall Allocation Percentage, shown in Exhibit F of the Walgreens Settlement Agreement, to figure each Subdivision's dollar share of the Contingency Fee Fund (but only if the Subdivision timely named Walgreens in a lawsuit).

Illustrative example:

- 1% * $225,493,007.20 = $2,254,930.072 [amount of the Contingency Fee Fund corresponding to State A]
- Assume a total of $2,500,000 is owed under contingency fee contracts for State A.
- $220,000 [from para. 2.b] ÷ $2,500,000 = 8.8%
- 8.8% * $2,254,930.072 = $198,433.85

The award of fees to Attorneys with Qualifying Representations of Participating Litigating Subdivisions will be the average of the final amounts calculated in paragraphs 3.a and 3.b above, less any amounts the Fee Panel is authorized to, and does, withhold.[13]

Paragraph 3.a represents allocation based on a proportional share of a National Fee Pool, while paragraph 3.b represents allocation based on a proportional share of the Separate State Fee Pools. In other words, for the National Fee Pool described above in paragraph 3.a, the contingency fee contract rate is compared to all other contingency fee contract rates in the nation. For the Separate State Fee Pools described above in paragraph 3.b, the contingency fee contract terms are

[12] In this example, $280 million is the amount theoretically owed under all contingency fee contracts for litigation against Walgreens as calculated in paragraph 2.b. This amount is illustrative only; the actual amount will not be known until all litigating subdivisions are identified and the terms of their contingency fee contracts are collected.

[13] The model also enforces a maximum fee award of 20% of the amount calculated in paragraph 2.b. The description in this document of the Mathematical Model is by necessity an abstraction; the precise contours of the calculations are defined in the model itself.

compared to the other contingency fee contract terms in that same State. The National Fee Pool and the Separate State Fee Pools are given equal weighting.

Using the first methodology, Attorneys for two Subdivisions in different States with the same amount calculated under paragraph 2.b would be assigned the same amount under paragraph 3.a. Using the second methodology, Attorneys for the same two Subdivisions would be assigned different amounts under paragraph 3.b because they are in different States. Specifically, the Subdivision in the State with a smaller proportion of Participating Litigating Subdivisions would be allocated more than the Subdivision in the State with a greater proportion of Participating Litigating Subdivisions.

EXHIBIT S

Agreement on the State Outside Counsel Fee Fund for Chain Pharmacy Settlements

1. **Definitions**.

   a. "Chain Pharmacy" means any of CVS, Walgreens, and Walmart, and "Chain Pharmacies" means all of the foregoing.
   b. "Multistate Chain Pharmacy Settlement Agreement" means This Settlement Agreement along with any other settlement of opioids-related claims among 30 or more states and a Chain Pharmacy.
   c. "This Settlement Agreement" means the settlement agreement between the Settling States and the Chain Pharmacy to which this Agreement is attached as an Exhibit.
   d. "Settling Chain Pharmacy" means the Chain Pharmacy that is a party to This Settlement Agreement.
   e. "Settling States" has the meaning given such term in the relevant Multistate Chain Pharmacy Settlement Agreement.

2. **Creation of a State Outside Counsel Chain Pharmacies Fee Fund.** The Settling States have agreed to the creation of a state outside counsel fee fund to pay reasonable attorneys' fees of Settling States which have retained outside counsel in connection with litigation against one or more Chain Pharmacies (such fund, the "State Outside Counsel Chain Pharmacies Fee Fund").

3. **State Outside Counsel Chain Pharmacies Fee Fund Administration.** The State Outside Counsel Chain Pharmacies Fee Fund shall be administered separately from any other funds for the payment of attorneys fees or costs in connection with This Settlement Agreement, including any common benefit fund, contingency fee fund for subdivision counsel, state cost fund, or MDL expense fund. If necessary, a committee of Attorneys General shall be convened to oversee the State Outside Counsel Chain Pharmacies Fee Fund (the "Chain Pharmacies Fee Fund Committee"). The Chain Pharmacies Fee Fund Committee shall be appointed by the Settling State Members of the Enforcement Committee and shall be comprised solely of Attorneys General of Settling States that engaged outside counsel to pursue litigation against one or more Chain Pharmacies. The Settlement Fund Administrator (the "Fee Fund Administrator") shall administer the State Outside Counsel Chain Pharmacies Fee Fund according to this Exhibit and, if convened, the guidelines and directives of the Chain Pharmacies Fee Fund Committee.

4. **State Outside Counsel Chain Pharmacies Fee Eligibility.**

   a. To receive any amount from the State Outside Counsel Chain Pharmacies Fee Fund, an outside counsel to a Settling State must have filed and maintained an action in the name of a Settling State or its Attorney General against a Chain

Pharmacy in a state or federal court as of November 1, 2022. No Settling State (or its outside counsel) shall receive funds from both the State Outside Counsel Chain Pharmacies Fee Fund and any "Additional Remediation Amount" as may be provided for in This Settlement Agreement.

b. In addition to the eligibility criteria set forth in Paragraph 4.a, above, and for the avoidance of doubt, only Settling States under This Settlement Agreement are eligible to receive any funds paid into the State Outside Counsel Chain Pharmacies Fee Fund as a result of This Settlement Agreement.

5. **State Outside Counsel Chain Pharmacies Fee Fund Amount.** The Settling Chain Pharmacy shall pay funds into the State Outside Counsel Chain Pharmacies Fee Fund in an amount equal to, and on the schedule identified in, Exhibit M (the "Contribution"). The Settling Chain Pharmacy's Contribution shall subject to a reduction as described in Paragraph 8, below.

6. State Outside Counsel Chain Pharmacies Fee Fund Availability and Calculation of Amount.

a. The State Outside Counsel Chain Pharmacies Fee Fund shall be available to compensate private outside counsel for Settling State Attorneys General for approved fees arising out of representation of the Settling State pursuant to the schedule attached to this agreement as Schedule I (the "Fee Schedule").

b. The Fee Schedule is intended to reflect the fee calculation in subparagraph 6.c, below (the "Fee Calculation"). Subject to adjustments required by Paragraph 8, below, in the event of any discrepancy between the Fee Schedule and the Fee Calculation, the Fee Schedule shall control. Each Settling State, by becoming a Participating State in This Settlement Agreement, agrees that the Fee Schedule reflects the Fee Calculation and waives any right to contest the accuracy of the Fee Schedule, absent manifest error, the exclusion of a Settling State, or the inclusion of a Non-Settling State. The version of the Fee Schedule reflecting any necessary adjustments shall be the "Final Fee Schedule."

c. Fees shall be aggregated across the Multistate Chain Pharmacy Settlement Agreements and be calculated by adding two components: (a) a fixed amount consisting of fifty percent (50%) of the amount of remediation funds allocated to a Settling State and its Subdivisions pursuant to the Multistate Chain Pharmacy Settlement Agreements multiplied by 4.5% (or, if lower, the applicable contingency fee percentage in the Settling State's outside counsel contract); and (b) a proportional percentage of the remaining fee due under that Settling State's contract with its outside counsel assuming that fifty percent (50%) of the Settling State's recovery is allocable to a Settling State (rather than allocable to the Settling State's Participating Subdivisions) so that the fees of all eligible Settling States (minus the fixed amount that would have been allocated to any Non-Settling States had they become Settling States) exhausts the State Outside Counsel Chain Pharmacies Fee Fund. The proportional share percentage will be the same for each Settling State

included in the State Outside Counsel Chain Pharmacies Fee Fund. Fees shall be split proportionally among each Multistate Chain Pharmacy Settlement Agreement, as set forth on the Fee Schedule.

d. All amounts paid will be less any costs or fees of the Fee Fund Administrator. The Fee Schedule reflects a holdback amount of $50,000 for such administrative expenses of the Fee Fund Administrator. The remainder of any unused administrative expenses shall be disbursed pro rata to States receiving monies from the State Outside Counsel Chain Pharmacies Fee Fund at the conclusion of such administration.

7. **Payment by the Fee Fund Administrator**.

a. The Fee Fund Administrator shall hold the Contribution in escrow until the earlier of (1) the last of the three Multistate Chain Pharmacy Settlement Agreements becomes effective or (2) when instructed by the Settling State Members of the Enforcement Committee.

b. Subject to eligibility pursuant to Paragraph 4, above, a Settling State's outside counsel may receive funds from the State Outside Counsel Chain Pharmacies Fee Fund in the following scenarios ("Payment Scenarios"):

   1. The Settling State's outside counsel agrees that the amount listed for such state on the Final Fee Schedule either satisfies in full or exceeds the amounts owed to all such Settling State's outside counsel and such counsel has provided written notice waiving all entitlement to additional fee in respect of any Multistate Chain Pharmacy Settlement Agreement.
   2. The Settling State and its outside counsel enter into a signed writing establishing the amount owed to the counsel, which includes an agreement on the payment of the amount listed for such state on the Final Fee Schedule and waives any right of the State or its outside counsel to additional amounts from the State Outside Counsel Chain Pharmacies Fee Fund.
   3. A final judgment is entered that is no longer appealable, which judgement adjudicates the amount owed to the Settling State's counsel in respect of This Settlement Agreement and directs the Chain Pharmacies Fee Fund Committee how to pay the amount listed on the Final Fee Schedule for such State.

   If no Payment Scenario is applicable with respect to a Settling State, then the Settling State's share shall be placed in an interest-bearing escrow account (less reasonable expenses of the Fee Fund Administrator) and held unless and until a Payment Scenario is applicable.

c. Upon the applicability of a Payment Scenario 1 with respect to a Settling State, the Fee Fund Administrator shall pay that Settling State's outside counsel the amount identified on the Final Fee Schedule for such state or such lesser amount that satisfies the Settling State's obligation to its outside counsel in full. Any remaining allocation to such State shall be paid to the Settling State.

d. Upon the applicability of a Payment Scenario 2 or 3 with respect to a

Settling State, the Fee Fund Administrator shall release monies from the State Outside Counsel Chain Pharmacies Fee Fund in either the amount held by the Fee Fund Administrator, if the amount of the agreement or judgment is equal to or more than the amount held, or the amount indicated in the agreement or in the final judgment, if the amount in the agreement or judgment is less than the amount held.

e. Nothing herein, including the amounts listed in Paragraph 6 above or on any Fee Schedule, shall prevent a Settling State from arguing in any proceeding with its outside counsel that (i) its recovery was less than fifty percent (50%) of the recovery in the settlement agreement down to and including fifteen percent (15%) of the total recovery; (ii) any payment should be discounted by an appropriate discount rate commensurate to the risk of the settlement agreement and the timeline that the Settling State is receiving its payments; (iii) the settlement amount should be lower because the amount a Settling State receives was reduced because such Settling State's outside counsel failed to obtain joinder from a Settling State's Subdivision(s) that the outside counsel also represented; or (iv) any limitation placed by the Settling Chain Pharmacy bars payment of a higher fee to outside counsel.

f. In the event the amount due to the Settling State's outside counsel from an escrow account is less than the total amount of funds escrowed on the account of the Settling State, the balance shall be paid to the Settling State. In no event, other than a State becoming a Non-Settling State, shall funds revert to a Chain Pharmacy.

8. **Reduction of Amounts owed**

a. **Non-Settling States; Reversion and Redistribution.** Amounts owed by the Settling Chain Pharmacy to the State Outside Counsel Chain Pharmacies Fee Fund shall be reduced by amounts allocated to the fixed amount for such State under This Settlement Agreement in the event that a listed State becomes a Non-Settling State. Specifically, the reduction in the amount owed by the Settling Chain Pharmacy shall be calculated as 2.25% times the total Remediation Payments that would have been allocated to the Non-Settling State had it been a Settling State. The payments for the other Settling States reflected in the Fee Schedule shall be adjusted by the Fee Fund Administrator to reflect a recalculated proportional percentage under the Fee Calculation.

b. **Settling States; Redistribution**. If a Settling State under This Settlement Agreement (i) would otherwise be entitled to a payment from the State Outside Counsel Chain Pharmacies Fee Fund and (ii) is eligible to be a "Settling State" under either of the two other Multistate Chain Pharmacy Settlement Agreements but does not become such a "Settling State", then that Settling State's payment from the State Outside Counsel Chain Pharmacies Fee Fund shall be reduced to an amount equal to the Contribution times the Settling State's allocation percentage on Exhibit F, which shall be treated as an additional remediation payment in lieu of a fee payment. The payments for the other Settling States reflected in the Fee Schedule shall be adjusted by

the Fee Fund Administrator to reflect a recalculated proportional percentage under the Fee Calculation.

c. If either or both of the other Chain Pharmacies fail to enter into a Multistate Chain Pharmacy Settlement Agreement, or if such Multistate Chain Pharmacy Settlement Agreements fail to take effect by December 15, 2023, then the Settling Chain Pharmacy and the Enforcement Committee shall renegotiate the terms of Paragraph 8.b in order to permit prompt payment to Settling States that terminated contested litigation with the Settling Chain Pharmacy, and permitting additional time if necessary to finalize payments to the other Settling States. In no event will such renegotiation result in additional reversion of monies in the State Outside Counsel Chain Pharmacies Fee Fund to the Settling Chain Pharmacy.

9. **Interpretation**.

a. This Agreement shall be an Exhibit to each Multistate Chain Pharmacy Settlement Agreement and shall include the Fee Schedule setting forth the presumptive payment calculations for each eligible Settling State. By joining This Settlement Agreement, each State agrees on the presumptive accuracy of the Fee Schedule, absent manifest error, the inclusion of a Non-Settling State, or the exclusion of a Settling State.

b. It is the intent of all parties that the State Outside Counsel Chain Pharmacies Fee Fund function in a similar manner, with similar calculations and mechanics, as the "State Outside Counsel Fee Fund" established in Exhibit S of that certain settlement agreement dated as of July 21, 2021 setting forth the terms of settlement between and among McKesson Corporation, Cardinal Health, Inc., and AmerisourceBergen Corporation, on the one hand, and certain settling states and certain participating subdivisions, on the other hand.

Schedule I to Exhibit S

Fee Schedule

[This Fee Schedule is subject to adjustment pursuant to Paragraph 6.b of Exhibit S)]

State	Total Fee	Walgreens Share	Walmart Share	CVS Share
Alaska	$1,851,826.21	$691,943.15	$416,884.80	$742,998.26
Arkansas	$4,873,566.77	$1,821,030.03	$1,097,141.78	$1,955,394.96
Delaware	$3,726,440.37	$1,392,401.12	$838,899.65	$1,495,139.61
Kentucky	$7,773,195.40	$2,904,489.25	$1,749,908.82	$3,118,797.34
Michigan	$22,162,404.67	$8,281,081.68	$4,989,220.69	$8,892,102.29
Mississippi	$4,641,790.38	$1,734,425.75	$1,044,964.07	$1,862,400.56
Nevada	$9,363,802.33	$3,498,826.64	$2,107,987.70	$3,756,987.99
New Hampshire	$5,985,080.61	$2,236,352.15	$1,347,366.79	$2,401,361.67
New Mexico	$2,748,895.55	$2,748,895.55	$-	$-
Puerto Rico	$6,893,516.73	$2,575,793.38	$1,551,874.76	$2,765,848.60
South Dakota	$1,101,349.40	$411,524.13	$247,936.78	$441,888.49
Utah	$2,884,152.67	$1,204,171.82	$603,818.18	$1,076,162.67
West Virginia	$2,399,292.74	$2,399,292.74	$-	$-
	Admin Expense Holdback	$20,875.66	$10,467.86	$18,656.48
	Total	$31,921,103.05	$16,006,471.88	$28,527,738.91

Excluded States:

- Florida (Walgreens; Walmart; CVS)
- New Mexico (Walmart; CVS)
- West Virginia (Walmart; CVS)

EXHIBIT T

Agreement on the Joint State Cost Fund

1. **Definitions**.

   a. "Opioids Defendant" means Walmart, or such other defendant in opioids-related litigation that enters into a Multistate Settlement after November 1, 2022, and "Opioids Defendants" means all of the foregoing.

   b. "Multistate Settlement" means this Settlement Agreement along with any other settlement of opioids-related claims among 30 or more states and an Opioids Defendant.

   c. "Settlement Agreement" means the settlement agreement between the Settling States and the Opioids Defendant to which this Agreement is attached as an Exhibit.

   d. "Settling Opioids Defendant" means the Opioids Defendant that is a party to the Settlement Agreement.

   e. "Settling States" has the meaning given such term in the Settlement Agreement.

2. **Creation of a State Cost Fund.** The Settling Opioids Defendant and the Settling States agree to the creation of a fund to pay costs and expenses associated with litigation and investigations related to the opioids litigation (such fund, the "State Cost Fund"). The State Cost Fund shall be administered separately from any other funds for the payment of attorneys fees or costs in connection with the Settlement Agreement, including any common benefit fund, contingency fee fund for subdivision counsel, subdivision cost fund, or MDL expense fund. However, the State Cost Fund shall be administered jointly with similar "State Cost Funds" created in other Multistate Settlements after November 1, 2022; any state cost funds jointly administered in this manner shall be referred to as the "Joint State Cost Fund." To the extent permissible and feasible, the Joint State Cost Fund may also be jointly administered with any fund for reimbursement of states' litigation and investigation costs established by a bankruptcy plan, including the Mallinckrodt bankruptcy plan, any plans that may emerge from the bankruptcies of Purdue and Endo, and any similar bankruptcies of opioids defendants. To the extent feasible, the Joint State Cost Fund may also be jointly administered with the State Cost Funds established pursuant to the Distributors Multistate Settlement and the Janssen Multistate Settlement.

3. **State Cost Fund Amount.** The Settling Opioids Defendant shall pay into the State Cost Fund in the amount listed on, and on the schedule set forth in, Exhibit M (the "Settling Opioids Defendant's Contribution") for the purpose paying States' costs and expenses associated with to the opioid litigation.

4. **Joint State Cost Fund Committee.** A committee of Attorneys General or their designated representatives (such committee, the "Joint State Cost Fund Committee") shall oversee the Joint

State Cost Fund. The committee shall be appointed by the Settling State Members of the Enforcement Committee, who shall aim to (i) have equal representation between states that retained contingency fee outside counsel and states that did not retain contingency fee outside counsel with respect to opioids-related litigation, and (ii) maintain consistency of committee membership across state cost funds that compose the Joint State Cost Fund. The Settling State Members of the Enforcement Committee may by majority vote add to or change the composition of the Joint State Cost Fund Committee.

5. **Joint State Cost Fund Administrator.**

a. The Joint State Cost Fund Committee may select an administrator (the "Joint State Cost Fund Administrator"), who shall administer the Joint State Cost Fund and direct payments to Settling States according to the guidelines and directives of the Joint State Cost Fund Committee. While the expenses of the Joint State Cost Fund Administrator shall be reimbursable pursuant to the principles and guidelines listed below, the Joint State Cost Fund Administrator shall first rely on any separate funds that may be set aside for such purpose in any Multistate Settlement.

b. The Joint State Cost Fund Administrator shall be responsible, under the direction and supervision of the Joint State Cost Fund Committee, for receiving and reviewing applications for reimbursement from the Joint State Cost Fund. This may include the creation of an audit process to ensure the integrity of submissions, as well as reimbursement rules to incentivize accurate submissions.

6. **State Cost Fund Guidelines and Principles.**

a. Monies in the State Cost Fund shall be released without any delay to reimburse Settling States for documented costs incurred or paid in connection with litigation and investigation related to the opioid litigation.

b. In allocating the Joint State Cost Fund, the Joint State Cost Fund Committee shall seek to comply with the following principles:

1. Each State Cost Fund should be used to reimburse costs incurred by States that are Settling States in the Multistate Settlement from which funds are paid. (However, the foregoing sentence does not preclude a Non-Settling State that joins a separate Multistate Settlement from participating in the Joint State Cost Fund with respect to contributions made by other Opioids Defendants.)

2. Funds in any State Cost Fund shall be primarily used to reimburse costs incurred prior to the date on which the relevant Multistate Settlement was first made available for participation to eligible States. Regardless of other factors considered in prioritizing payments, all costs incurred prior to January 1, 2023, shall be paid before any costs incurred after that date are paid.

3. The Joint State Cost Fund shall prioritize the reimbursement of the following over reimbursement of any State's litigation or investigation costs:

    - the reasonable costs of the Joint State Cost Fund Administrator;

    - repayment of National Association of Attorneys General grants made in connection with opioid litigation, without regard to when the grants were made;

    - repayment of state-attributable costs of any mediator in connection with negotiations of a Multistate Settlement;

4. The Joint State Cost Fund shall seek to prioritize costs in the following order:

    - litigation-related costs; then

    - investigation-related costs; then

    - settlement and negotiation related costs; then

    - cost shares.

5. Costs incurred by a State's outside counsel that the State is contractually obligated to reimburse shall be treated as costs incurred by a State.

6. As between similar categories of costs (e.g., defendant-specific litigation-related costs), the Joint State Cost Fund shall first reimburse costs incurred by a State's outside counsel that the State is contractually obligated to reimburse out of its recovery, and then reimburse costs directly incurred by States.

7. The Joint State Cost Fund shall be available to reimburse only those costs which have not yet been reimbursed to a State from any other source, including any other fund set aside in a Multistate Settlement or bankruptcy plan for the reimbursement of costs or any individual state settlements.

8. The Joint State Cost Fund should not reimburse expenses that are expected to be reimbursed from another source, such as a bankruptcy debtor, unless such expected reimbursements do not come to fruition within a reasonable amount of time. This includes cost shares paid by states.

9. When coordinating among different state cost funds that each could

be used to reimburse a given expense, the Joint State Cost Fund Committee may set guidelines to equitably distribute reimbursements across all state cost funds in a manner that prioritizes costs unlikely to be otherwise reimbursed to a similarly situated State.

10. The Joint State Cost Fund may deny reimbursement of costs, on either an individual basis or a categorical basis, that a supermajority (75%+) of the Joint State Cost Fund Committee determines to be unreasonable.

11. After all costs identified in the foregoing have been reimbursed, the remaining funds in the Joint State Cost Fund shall be distributed to states in proportion to their allocation of remediation payments in the Mallinckrodt bankruptcy plan. Such distribution shall be treated as a reimbursement for States' unenumerated costs of administering the Multistate Settlements and no subdivision shares shall be carved out of such disbursement, nor shall any attorney's fees be assessed against such distribution (unless individually agreed to by a State).

c. In applying the foregoing principles, the Joint State Cost Fund Committee shall have the discretion to vary their application in order to ensure equity among similarly situated states and to facilitate the ease and speed of administering the Joint State Cost Fund. The Joint State Cost Fund Committee may also apply percentages to approximate costs attributable to a particular Opioids Defendant (or categories of Opioids Defendants) in a manner that seeks to treat similarly situated states equitably.

d. The Joint State Cost Fund Committee shall establish guidelines for the submission and approval of expenses eligible for reimbursement from the Joint State Cost Fund, which guidelines may be coordinated and consolidated with any similar cost funds in other state opioid settlements for purposes of joint administration and efficiency.

e. Unless waived by the Joint State Cost Fund Committee, the Joint State Cost Fund Administrator shall, in accordance with such guidelines, receive from Settling States records sufficient to demonstrate the incurrence and payment of each expense.

f. Where the Joint State Cost Fund Committee determines by a supermajority vote (75%+) that outside counsel for a Settling State has failed to exercise reasonable diligence in reviewing submitted costs for allowability, and such failure has resulted in the reimbursement of unallowed costs to such outside counsel, the Committee shall have the discretion to reduce or recover payments made to such outside counsel in an amount calculated to incentivize the exercise of reasonable diligence.

7. **State Undertakings.** Each State submitting for reimbursement of costs from the Joint State Cost

Fund agrees:

a. to only submit costs allowable under this Joint State Cost Fund Agreement;

b. to provide all back-up documentation that may be requested with respect to any submitted cost and to make itself available for any questions related to such costs;

c. to exercise reasonable diligence to ensure that all submitted costs are allowable under (i) this Joint State Cost Fund Agreement, (ii) the State's contract with its outside counsel, if relevant, (iii) state law, and (iv) the policies and procedures applicable to the State's retention of outside counsel, if relevant; and

d. to promptly return any excess payments made to the State or its outside counsel from the Joint State Cost Fund, including payments made for costs that were reimbursed from another source or are not allowable hereunder.

Governor's Release of Opioid-Related Claims Pursuant to the Walgreens Settlement Agreement

I, [NAME], Governor of the [Commonwealth]/[State]/[Territory] of [Commonwealth]/[State]/[Territory], hereby authorize Attorney General [NAME] to settle and release, to the maximum extent of my power as Governor, all Released Claims of (1) all of [Commonwealth]/[State]/[Territory]'s past and present executive departments, agencies, divisions, boards, commissions and instrumentalities with regulatory authority to enforce state and federal controlled substances acts and (2) all of [Commonwealth]/[State]/[Territory]'s past and present executive departments, agencies, divisions, boards, commissions and instrumentalities that have the authority to bring Claims related to Covered Conduct seeking money (including abatement and/or remediation) or revocation or suspension of a pharmaceutical distribution or dispensing license. The foregoing authorization is given in connection with Section X.F of that certain settlement agreement dated as of December [●], 2022 setting forth the terms of settlement between and among Walgreens, on the one hand, and certain Settling States and certain Participating Subdivisions on the other hand. This release is intended to be a "release from a State's Governor" as contemplated in such section. Capitalized terms used herein and defined in such settlement agreement have the meanings given to them in such settlement agreement.

WALMART SETTLEMENT AGREEMENT

This Settlement Agreement, dated as of November 14, 2022 (the "*Agreement*"), sets forth the terms of settlement between and among the Settling States, Walmart, and the Participating Subdivisions (as those terms are defined below). Upon satisfaction of the conditions set forth in Section II, this Agreement will be binding on all Settling States, Participating Subdivisions, and Walmart. This Agreement will then be submitted for entry as part of Consent Judgments in the respective courts of each of the Settling States, pursuant to the terms set forth in Section II.

WHEREAS, certain States and Subdivisions have filed or could file Actions in various forums against Walmart raising Claims or allegations concerning, related to, based upon, or in connection with the Alleged Harms and/or the Covered Conduct;

WHEREAS, Walmart (i) denies each and all of the Claims and allegations of wrongdoing made by the States and Litigating Subdivisions in each of the Actions and maintains that it has meritorious defenses; (ii) denies all assertions of wrongdoing or liability against Walmart arising out of any of the conduct, statements, acts or omissions alleged, or that could have been alleged, in the Actions already brought or that could be brought by any State or Subdivision related to the Covered Conduct and/or Alleged Harms and contends that the factual allegations made in the current Actions relating to Walmart are false and materially inaccurate; (iii) denies that any State, Subdivision, or resident thereof, was harmed by any conduct of Walmart; (iv) denies liability, denies any wrongdoing, and denies it violated any federal or state statute or common law; and (v) maintains that Walmart would be able to successfully defend against the Claims and allegations at trial, that the facts do not support the allegations, that Walmart engaged in no misconduct or unlawful activity, and that Walmart caused no harm to any State, Subdivisions, or resident thereof;

WHEREAS, the Parties have investigated the facts and analyzed the relevant legal issues regarding the Claims and defenses that have been or could have been asserted in the Actions;

WHEREAS, objective data metrics reported in the federal ARCOS database demonstrate that on a national basis Walmart dispensed on average materially fewer and less potent opioids per store than other major chain pharmacies and many independent pharmacies nationwide, and Walmart's share of opioids distributed and dispensed nationwide was substantially lower than other major chain pharmacies;

WHEREAS, Walmart has implemented policies, procedures, and controls relating to the dispensing of prescription opioid medications and other controlled substances, including pharmacist training and empowerment programs, company-wide limitations on strength and duration of acute opioid prescriptions, and opioid data analytics, which Walmart uses to identify and investigate potentially problematic prescribing practices;

WHEREAS, the Parties have determined that it is preferable to resolve any claims the States and Subdivisions may have through a cooperative and mutually beneficial settlement that provides funding to remediate Alleged Harms;

WHEREAS, the Parties have each considered the costs, delays and uncertainty associated with the prosecution and defense of an action and the continued prosecution and defense of the Actions;

WHEREAS, the Parties believe the settlement set forth herein avoids the uncertainties of litigation and assures that the benefits reflected herein are obtained;

WHEREAS, the States have concluded that the terms of the settlement are fair, reasonable and adequate and in the best interest of the States and all Subdivisions and citizens and residents of the States;

WHEREAS, the Parties have agreed to the terms herein for the sole purpose of settlement, and nothing herein may be taken as or construed to be an admission or concession of any violation of law, rule, or regulation, or of any other matter of fact or law, or of any liability or wrongdoing or lack thereof;

WHEREAS no part of this Agreement, including its statements and commitments, shall constitute evidence of any liability, fault, or wrongdoing, or of any lack thereof;

WHEREAS, unless the contrary is expressly stated, this Agreement is not intended for use by any Party or any third party for any purpose not expressly stated herein, including submission to any court for any purpose other than Court approvals associated with this Agreement;

NOW, THEREFORE, IT IS HEREBY AGREED by and between the States, Participating Subdivisions, and Walmart, by and through their respective counsel, as follows:

I. Definitions

For all sections of this Agreement except Exhibit E and Exhibit P, the following definitions apply:

A. "*Remediation Accounts Fund*" means the component of the Settlement Fund described in Section V.E.

B. "*Actions*" means any lawsuit by a Settling State or Participating Subdivision asserting any Released Claim against one or more Released Entities.

C. "*Additional Remediation Amount*" means the amount available to the Settling States totaling up to $16,006,471.88.

D. "*Advisory Committee*" has the meaning set forth in Section V.E.2.d.

E. "*Agreement*" has the definition set forth in the preamble, including all exhibits.

F. "*Alleged Harms*" means the alleged past, present, and future financial and societal harms and related expenditures arising out of the alleged misuse and abuse of Products, non-exclusive examples of which are described in the documents listed on Exhibit A, including those expenditures that have allegedly arisen as a result of the physical and bodily injuries sustained by individuals suffering from opioid-related addiction, abuse, death, and other related diseases and disorders, and that have allegedly been caused by Walmart.

G. "*Allocation Statute*" means a state law that governs allocation, distribution, and/or use of some or all of the Settlement Fund amounts allocated to that State and/or its Subdivisions. In addition to modifying the allocation as set forth in Section V.D.2, an Allocation Statute may, without limitation, contain a Statutory Trust, further restrict expenditures of funds, form an advisory committee, establish oversight and reporting requirements, or address other default provisions and other matters related to the funds. An Allocation Statute is not required to address all three (3) types of funds comprising the Settlement Fund or all default provisions.

H. "*Appropriate Official*" has the meaning set forth in Section XII.F.3.

I. "*Base Payment*" has the meaning set forth in Section IV.D.

J. "*Bankruptcy Code*" means Title 11 of the United States Code, 11 U.S.C. §§ 101, *et seq.*

K. "*Bar*" means either: (1) a law barring Subdivisions in a State from maintaining Released Claims against Released Entities (either through a direct bar or through a grant of authority to release claims and the exercise of such authority in full); or (2) a ruling by the highest court of the State (or, in a State with a single intermediate court of appeals, the intermediate court of appeals when not subject to further review by the highest court of the State) setting forth the general principle that Subdivisions in the State may not maintain any Released Claims against Released Entities, whether on the ground of this Agreement (or the release in it) or otherwise. For the avoidance of doubt, a law or ruling that is conditioned or predicated upon payment by a Released Entity (apart from payments made by Walmart under this Agreement) shall not constitute a Bar.

L. "*Case-Specific Resolution*" means either: (1) a law barring the Subdivision at issue from maintaining any Released Claims against any Released Entities (either through a direct bar or through a grant of authority to release claims and the exercise of such authority in full); or (2) a ruling by a court of competent jurisdiction over the Subdivision at issue that the Subdivision may not maintain any Released Claims at issue against any Released Entities, whether on the ground of this Agreement (or the release in it) or otherwise. For the avoidance of doubt, a law or ruling that is conditioned or predicated upon payment by a Released Entity (apart from payments made by Walmart under this Agreement) shall not constitute a Case-Specific Resolution.

M. "*Claim*" means any past, present or future cause of action, claim for relief, cross-claim or counterclaim, theory of liability, demand, derivative claim, request, assessment, charge, covenant, damage, debt, lien, loss, penalty, judgment, right, obligation, dispute, suit, contract, controversy, agreement, *parens patriae* claim, promise, performance, warranty, omission, or grievance of any nature whatsoever, whether legal, equitable, statutory, regulatory or administrative, whether arising under federal, state or local common law, statute, regulation, guidance, ordinance or principles of equity, whether filed or unfiled, whether asserted or unasserted, whether known or unknown, whether accrued or unaccrued, whether foreseen, unforeseen or unforeseeable, whether discovered or undiscovered, whether suspected or unsuspected, whether fixed or contingent, and whether existing or hereafter arising, in all such cases, including but not limited to any request for declaratory, injunctive, or equitable relief, compensatory, punitive, or statutory damages, absolute liability, strict liability, restitution,

abatement, subrogation, contribution, indemnity, apportionment, disgorgement, reimbursement, attorney fees, expert fees, consultant fees, fines, penalties, expenses, costs or any other legal, equitable, civil, administrative, or regulatory remedy whatsoever.

N. "*Claim-Over*" means a Claim asserted by a Non-Released Entity against a Released Entity on the basis of contribution, indemnity, or other claim-over on any theory relating to a Non-Party Covered Conduct Claim asserted by a Releasor.

O. "*Consent Judgment*" means a state-specific consent judgment in a form to be agreed by the Settling States and Walmart prior to the State Participation Date that, among other things, (1) approves this Agreement and (2) provides for the release set forth in Section X.A, including the dismissal with prejudice of any Released Claims that the Settling State has brought against Released Entities.

P. "*Covered Conduct*" means any actual or alleged act, failure to act, negligence, statement, error, omission, breach of any duty, conduct, event, transaction, agreement, misstatement, misleading statement or other activity of any kind whatsoever from the beginning of time through the Threshold Subdivision Participation Date (and any past, present, or future consequence of any such act, failure to act, negligence, statement, error, omission, breach of duty, conduct, event, transaction, agreement, misstatement, misleading statement or other activity) relating in any way to (a) the distribution, dispensing, delivery, monitoring, reporting, supply, sale, prescribing, physical security, warehousing, coverage, purchases, reimbursement, discovery, development, manufacture, packaging, repackaging, marketing, promotion, advertising, labeling, recall, withdrawal, or use or abuse of any Product; orders, prescriptions, formularies, guidelines, payments or rebates for any Product; policies, practices and/or operating procedures, insurance, claim or benefit administration, claim adjudication, plan design, data and sales thereof, relating to any Product; and any system, plan, policy or advocacy relating to any Product, including, but not limited to, any unbranded promotion, marketing, programs, or campaigns relating to any Product; (b) the characteristics, properties, risks, or benefits of any Product; (c) the reporting, disclosure, nonreporting or non-disclosure to federal, state or other regulators of orders or prescriptions, related to any Product; (d) the purchasing, selling, acquiring, disposing of, importing, exporting, handling, processing, packaging, supplying, distributing, or converting of any Product; or (e) controls against diversion, corresponding responsibility, and suspicious order monitoring; *provided, however*, that as to any Claim that a Releasor has brought or could bring, Covered Conduct does not include noncompliance with statutory or administrative supply security standards concerning cleanliness of facilities or stopping counterfeit products, so long as such standards apply to the storage and distribution of both controlled and non-controlled pharmaceuticals.

Q. "*Deposit Date*" means fifteen (15) days after the Effective Date.

R. "*Designated State*" means New York.

S. "*Effective Date*" has the meaning set forth in Section II.C.

T. "*Eligible State*" means the states, commonwealths, and territories of the United States of America, as well as the District of Columbia and Puerto Rico, but excluding New Mexico,

West Virginia, and any Separately Settling State. The use of non-capitalized "state" to describe something (*e.g.*, "state court") shall also be read to include parallel entities in commonwealths, territories, and the District of Columbia (*e.g.*, "territorial court").

U. "*Enforcement Committee*" means a committee consisting of certain representatives of the Settling States and of the Participating Subdivisions selected and operating pursuant to the organizational bylaws set forth at Exhibit B. Notice pursuant to Section XII.Q shall be provided when there are changes in membership or contact information.

V. "*Final Order*" means an order or judgment of a court of competent jurisdiction with respect to the applicable subject matter (1) which has not been reversed or superseded by a modified or amended order, is not currently stayed, and as to which any right to appeal or seek *certiorari*, review, reargument, stay, or rehearing has expired, and as to which no appeal or petition for certiorari, review, reargument, stay, or rehearing is pending, or (2) as to which an appeal has been taken or petition for *certiorari*, review, reargument, stay, or rehearing has been filed and (a) such appeal or petition for *certiorari*, review, reargument, stay, or rehearing has been resolved by the highest court to which the order or judgment was appealed or from which certiorari, review, reargument, stay, or rehearing was sought, or (b) the time to appeal further or seek certiorari, review, reargument, stay, or rehearing has expired and no such further appeal or petition for certiorari, review, reargument, stay, or rehearing is pending.

W. "*First Subdivision Participation Date*" has the meaning set forth in Section IV.C.3.a.

X. "*Global Settlement Remediation Amount*" means the remediation and abatement amount of up to $2,393,794,118.64.

Y. "*Global Settlement Amount*" means the sum of (a) the Remediation Payment, (b) the Additional Remediation Amount, and (c) any attorneys' fees and costs set forth in Exhibit R, Exhibit S and Exhibit T.

Z. "*Implementation Administrator*" means the vendor agreed to by Walmart and the Enforcement Committee and retained by Walmart to provide notice pursuant to Section VII.A and to manage the initial joinder period for Subdivisions, including the issuance and receipt of Subdivision Participation Forms.

AA. "*Incentive BC Subdivisions*" has the meaning set forth in Section IV.E.2.a.

BB. "*Incentive Payment A*" means the incentive payment described in Section IV.E.1.

CC. "*Incentive Payment BC*" means the incentive payment described in Section IV.E.2.

DD. "*Incentive Payment D*" means the incentive payment described in Section IV.E.3.

EE. "*Injunctive Relief Terms*" means the terms described in Section III and set forth in Exhibit P.

FF. "*Later Litigating Subdivision*" means a Subdivision (or Subdivision official asserting the right of or for the Subdivision to recover for Alleged Harms to the Subdivision and/or the people thereof) that: (1) first files a lawsuit bringing a Released Claim against a Released Entity after the Threshold Subdivision Participation Date; or (2) adds a Released Claim against a Released Entity after the Threshold Subdivision Participation Date to a lawsuit brought before the Threshold Subdivision Participation Date that, prior to the Threshold Subdivision Participation Date, did not include any Released Claims against a Released Entity; or (3) (a) was a Litigating Subdivision whose Released Claims against Released Entities were resolved by a legislative Bar or legislative Case-Specific Resolution as of the Threshold Subdivision Participation Date, (b) such legislative Bar or legislative Case-Specific Resolution is subject to a Revocation Event after the Threshold Subdivision Participation Date, and (c) the earlier of the date of completion of opening statements in a trial in an action brought by a Subdivision in that Settling State that includes a Released Claim against a Released Entity or one hundred eighty (180) days from the Revocation Event passes without a Bar or Case-Specific Resolution being implemented as to that Litigating Subdivision or the Litigating Subdivision's Released Claims being dismissed; or (4) (a) was a Litigating Subdivision whose Released Claims against Released Entities were resolved by a judicial Bar or judicial Case-Specific Resolution as of the Threshold Subdivision Participation Date, (b) such judicial Bar or judicial Case-Specific Resolution is subject to a Revocation Event after the Threshold Subdivision Participation Date, and (c) such Litigating Subdivision takes any action in its lawsuit asserting a Released Claim against a Released Entity other than seeking a stay or dismissal.

GG. "*Litigating Subdivisions*" means all Subdivisions that have brought any Released Claim against any Released Entity as of the Threshold Subdivision Participation Date. Attached as Exhibit C is a list of the Litigating Subdivisions in each Eligible State and Separately Settling State. Exhibit C will be updated (including with any corrections) periodically, and a final version of Exhibit C will be attached hereto as of the Threshold Subdivision Participation Date.

HH. "*National Arbitration Panel*" means the panel comprised as described in Section VI.F.3.b.

II. "*National Disputes*" has the meaning set forth in Section VI.F.3.a.

JJ. "*Non-Litigating Subdivision*" means any Subdivision that is neither a Litigating Subdivision nor a Later Litigating Subdivision.

KK. "*Non-Litigating Threshold Subdivision*" means (a) all general-purpose Subdivisions with a population equal to or greater than 30,000 that have not brought a Released Claim against any Released Entity as of the Threshold Subdivision Participation Date and (b) all general-purpose Subdivisions with populations between 10,000 and 30,000 that have not brought Released Claim against any Released Entity but have brought a claim related to opioid products, including any Claims related to the Covered Conduct and/or Alleged Harms, against McKesson, AmerisourceBergen, Cardinal Health, Janssen Pharmaceuticals, or any parents, subsidiaries, divisions, predecessors, successors, and assigns of McKesson, AmerisourceBergen, Cardinal Health, or Janssen Pharmaceuticals. Attached as Exhibit W is a list of the Non-Litigating Threshold Subdivisions in each Eligible State and Separately Settling State. Exhibit W will be

updated (including with any corrections) periodically, and a final version of Exhibit W will be attached hereto as of the Threshold Subdivision Participation Date.

LL. "*Non-Participating Subdivision*" means any Subdivision that is not a Participating Subdivision.

MM. "*Non-Party Covered Conduct Claim*" means a Claim against any Non-Released Entity involving, arising out of, or related to Alleged Harms and/or Covered Conduct (or conduct that would be Covered Conduct if engaged in by a Released Entity).

NN. "*Non-Party Settlement*" means a settlement by any Releasor that settles any Non-Party Covered Conduct Claim and includes a release of any Non-Released Entity.

OO. "*Non-Released Entity*" means an entity that is not a Released Entity.

PP. "*Non-Settling State*" means any Eligible State that is not a Settling State.

QQ. "*Opioid Remediation*" means care, treatment, and other programs and expenditures (including reimbursement for past such programs or expenditures[1] except where this Agreement restricts the use of funds solely to future Opioid Remediation) designed to remediate Alleged Harms, including to (1) address the misuse and abuse of opioid products, (2) treat or mitigate opioid use or related disorders, or (3) mitigate other alleged effects of, including on those injured as a result of, the opioid epidemic. Exhibit E provides a non-exhaustive list of expenditures that qualify as being paid for Opioid Remediation. Qualifying expenditures may include reasonable related administrative expenses.

RR. "*Overall Allocation Percentage*" means a Settling State's percentage as set forth in Exhibit F.

SS. "*Participating Population Levels*" has the meaning set forth in Section II.B.1.

TT. "*Participating Subdivision*" means any Subdivision in a Settling State that joins the settlement and meets the requirements for becoming a Participating Subdivision under Section VII.B or Section VII.C, as applicable.

UU. "*Parties*" means Walmart and the Settling States (each, a "*Party*").

VV. "*Payment Year*" means the calendar year during which the applicable Payout Amount is made in accordance with Section IV.B. Payment Year 1 is 2023, Payment Year 2 is 2024 and so forth.

WW. "*Payout Amount*" means the total amount payable to the Settling States by the Settlement Fund Administrator for each Payment Year, as calculated by the Settlement Fund Administrator pursuant to Section IV.B. For the avoidance of doubt, this term does not include amounts paid pursuant to Section VIII and Section IX.

[1] Reimbursement includes amounts paid to any governmental entities for past expenditures or programs.

XX. *"Percentage of Incentive BC Subdivision Population*" has the meaning set forth in Section IV.E.2.a.

YY. "*Primary Fire District*" means a fire district that covers a population of 25,000, or 0.20% of an Eligible State's population if an Eligible State's population is greater than 18 million. If not easily calculable from state data sources and agreed to between the Eligible State and Walmart, a fire district's population is calculated by dividing the population of the county or counties a fire district serves by the number of fire districts in the county or counties. "Primary Fire Districts" shall mean fire districts as identified in connection with the implementation of the July 21, 2021 Janssen Settlement Agreement.

ZZ. "*Primary Subdivision*" means any General-Purpose Government (including, but not limited to, a municipality, county, county subdivision, city, town, township, parish, village, borough, gore, or any other entities that provide municipal-type government) with a population over 10,000. Attached as Exhibit I is an agreed list of the Primary Subdivisions in each State.

AAA. "*Prior Litigating Subdivision*" means a Subdivision (or Subdivision official) that brought any Released Claim against any Released Entity prior to the Threshold Subdivision Participation Date and all such Released Claims were separately settled or finally adjudicated prior to the Threshold Subdivision Participation Date; *provided*, *however*, that if the final adjudication was pursuant to a Bar, such Subdivision shall not be considered a Prior Litigating Subdivision. Notwithstanding the prior sentence, Walmart and the Settling State of the relevant Subdivision may agree in writing that the Subdivision shall not be considered a Prior Litigating Subdivision.

BBB. "*Product*" means any chemical substance, whether used for medicinal or non-medicinal purposes, and whether natural, synthetic, or semi-synthetic, or any finished pharmaceutical product made from or with such substance, that is (1) an opioid or opiate, as well as any product containing any such substance; (2) a benzodiazepine, a muscle relaxer, carisoprodol, zolpidem, or gabapentin; or (3) a combination or "cocktail" of any stimulant or other chemical substance prescribed, sold, bought, or dispensed to be used together that includes opioids or opiates. "Product" shall include, but is not limited to, any substance consisting of or containing buprenorphine, codeine, fentanyl, hydrocodone, hydromorphone, meperidine, methadone, morphine, oxycodone, oxymorphone, tapentadol, tramadol, opium, heroin, carfentanil, diazepam, estazolam, quazepam, alprazolam, clonazepam, oxazepam, flurazepam, triozolam, temazepam, midazolam, carisoprodol, gabapentin, or any variant of these substances or any similar substance. Notwithstanding the foregoing, nothing in this section prohibits a Settling State from taking administrative or regulatory action related to benzodiazepine (including, but not limited to, diazepam, estazolam, quazepam, alprazolam, clonazepam, oxazepam, flurazepam, triozolam, temazepam, and midazolam), a muscle relaxer, carisoprodol, zolpidem, or gabapentin that is wholly independent from the use of such drugs in combination with opioids, provided such action does not seek money (including abatement and/or remediation) for conduct prior to the Effective Date.

CCC. "*Released Claims*" means any and all Claims that directly or indirectly are based on, arise out of, or in any way relate to or concern Covered Conduct and/or Alleged Harms occurring prior to the Threshold Subdivision Participation Date. Without limiting the foregoing, "Released Claims" include any Claims that have been asserted against the Released Entities by

any Settling State or any of its Litigating Subdivisions or Litigating Special Districts in any federal, state or local action or proceeding (whether judicial, arbitral, or administrative) based on, arising out of or relating to, in whole or in part, the Covered Conduct and/or Alleged Harms, or any such Claims that could be or could have been asserted now or in the future in those actions or in any comparable action or proceeding brought by a State, any of its Subdivisions or Special Districts, or any Releasors (whether or not such State, Subdivision, Special District, or Releasor has brought such action or proceeding). Released Claims also include all Claims asserted in any proceeding to be dismissed pursuant to the Agreement, whether or not such claims relate to Covered Conduct and/or Alleged Harms. The Parties intend that "Released Claims" be interpreted broadly. This Agreement does not release Claims by private individuals. It is the intent of the Parties that Claims by private individuals be treated in accordance with applicable law. Released Claims is also used herein to describe Claims brought by a Later Litigating Subdivision or other non-party Subdivision or Special District that would have been Released Claims if they had been brought by a Releasor against a Released Entity.

DDD. "*Released Entities*" means Walmart and (1) all of Walmart's past and present direct or indirect parents, subsidiaries, divisions, predecessors, successors, and assigns; (2) the past and present direct or indirect subsidiaries, divisions, and joint ventures, of any of the foregoing; (3) all of Walmart's insurers (solely in their role as insurers with respect to the Released Claims); (4) all of Walmart's, or of any entity described in subsection (1), past and present joint ventures; and (5) the respective past and present officers, directors, members, shareholders (solely in their capacity as shareholders of the foregoing entities), partners, trustees, and employees of any of the foregoing (for actions that occurred during and related to their work for, or employment with, Walmart). Any person or entity described in subsections (3)-(5) shall be a Released Entity solely in the capacity described in such clause and shall not be a Released Entity with respect to its conduct in any other capacity. For the avoidance of doubt, any joint venture partner of a joint venture in subsection (2) or (4) is not a Released Entity unless such entity independently falls within subsections (1)-(5) above. An illustrative list of Walmart's present joint ventures, subsidiaries and affiliates and predecessor entities is set forth in Exhibit J. With respect to joint ventures (including predecessor entities), only entities listed on Exhibit J are Released Entities. Current or former Defendants in *In re: National Prescription Opiate Litigation*, No. 1: 17-md-2804 (N.D. Ohio) ("*MDL*") (or in other pending litigation asserting a Claim for Covered Conduct, as identified in the *"National Opiate Litigation – Case and Defendant Extract"* provided to Walmart by the Plaintiffs' Executive Committee on November 12, 2022) not identified in Exhibit J are not considered Released Entities, provided, however, that any Walmart entities that fall within clauses (1)-(5) above against whom Released Claims are brought in the MDL on or after November 14, 2022 shall be considered Released Entities even if not listed on Exhibit J. For the avoidance of doubt, any entity acquired, or joint venture entered into, by Walmart after the Threshold Subdivision Participation Date is not a Released Entity.

EEE. "*Releasors*" means (1) each Settling State; (2) each Participating Subdivision; and (3) without limitation and to the maximum extent of the power of each Settling State's Attorney General and/or Participating Subdivision to release Claims, (a) the Settling State's and Participating Subdivision's departments, agencies, divisions, boards, commissions, Subdivisions, districts, instrumentalities of any kind and attorneys, including its Attorney General, and any person in their official capacity whether elected or appointed to serve any of the foregoing, and any agency, person, or other entity claiming by or through any of the foregoing, (b) any public

entities, public instrumentalities, public educational institutions, unincorporated districts, fire districts, irrigation districts, water districts, law enforcement districts, emergency services districts, school districts, hospital districts and other Special Districts in a Settling State, and (c) any person or entity acting in a *parens patriae*, sovereign, quasi-sovereign, private attorney general, qui tam, taxpayer, or other capacity seeking relief on behalf of or generally applicable to the general public with respect to a Settling State or Subdivision in a Settling State, whether or not any of them participate in the Agreement. The inclusion of a specific reference to a type of entity in this definition shall not be construed as meaning that the entity is not a Subdivision. Each Settling State's Attorney General represents that he or she has or has obtained (or will obtain no later than the Threshold Subdivision Participation Date) the authority set forth in Section X.G. In addition to being a Releasor as provided herein, a Participating Subdivision shall also provide the Subdivision Participation Agreement referenced in Section VII providing for a release to the fullest extent of the Participating Subdivision's authority.

FFF. "*Remediation Payment*" has the meaning set forth in Section IV.B.1.[2]

GGG. "*Revocation Event*" means, with respect to a Bar, Settlement Class Resolution, or Case-Specific Resolution, a revocation, rescission, reversal, overruling, or interpretation that in any way limits the effect of such Bar, Settlement Class Resolution, or Case-Specific Resolution on Released Claims, or any other action or event that otherwise deprives the Bar, Settlement Class Resolution, or Case-Specific Resolution of force or effect in any material respect.

HHH. "*Second Subdivision Participation Date*" has the meaning set forth in Section IV.C.3.b.

III. "*Separately Settling State*" means each of Alabama, Florida, and any other Eligible State that, prior to the State Participation Date, enters into a settlement agreement with Walmart that is separate from this Agreement and resolves substantially all Released Claims against Walmart.

JJJ. "*Settlement Class Resolution*" means a class action resolution in a court of competent jurisdiction in a Settling State (that is not successfully removed to federal court) with respect to a class of Subdivisions in that Settling State that (1) conforms with that Settling State's statutes, case law, and rules of procedure regarding class actions; (2) is approved and entered as an order of a court of competent jurisdiction in that Settling State and such order has become a Final Order; (3) is binding on all Non-Participating Subdivisions in that Settling State (other than opt outs as permitted under the next sentence); (4) provides that all such Non-Participating Subdivisions may not bring any Released Claims against any Released Entities, whether on the ground of this Agreement (or the releases herein) or otherwise; and (5) does not impose any costs

[2] The total maximum amount of this settlement is up to $3,011,242,061, which includes (i) up to $2,393,794,118.64 in the Remediation Payment; (ii) up to $297,720,376.93 in Subdivision Attorneys' Fees, Expenses and Costs; (iii) up to $48,019,415.63 in the State Outside Counsel Fee Fund, State Cost Fund and Additional Remediation Amount; (iv) a credit of $215,567,502.95 for Walmart's settlement with the state of Florida and its subdivisions; (v) a credit of $48,963,983.74 for Walmart's settlement with the state of Alabama and its subdivisions; (vi) a credit of $1,051,663.05 for ineligible subdivisions Lake County and Trumbull County of Ohio; and (vii) a credit of $6,125,000.00 for Walmart's settlement with Nassau County and Suffolk County of New York. In no event shall Walmart's payment obligation under this Agreement exceed the sum of (i)-(iii) above.

or obligations on Walmart other than those provided for in this Agreement, or contain any provision inconsistent with any provision of this Agreement. If applicable state law requires that opt-out rights be afforded to members of the class, a class action resolution otherwise meeting the foregoing requirements shall qualify as a Settlement Class Resolution unless Subdivisions collectively representing more than one percent (1%) of the total population of that Settling State opt out. In seeking certification of any Settlement Class, the applicable Settling State and Participating Subdivisions shall make clear that certification is sought solely for settlement purposes and shall have no applicability beyond approval of the settlement for which certification is sought. Nothing in this Agreement constitutes an admission by any Party that class certification would be appropriate for litigation purposes in any case or for purposes unrelated to this Agreement.

KKK. "*Settlement Fund*" means the interest-bearing fund established pursuant to this Agreement into which the payment under Section IV is made. The Settlement Fund is comprised of the Remediation Accounts Fund, State Fund, and Subdivision Fund.

LLL. "*Settlement Fund Administrator*" means the entity that determines the payments and reversions due under Section IV and Section VIII, including annually determining the Payout Amount and calculating Incentive Payments, administers the Settlement Fund, and distributes amounts into three sub-funds (the Remediation Accounts Fund, State Fund, and Subdivision Fund) pursuant to this Agreement. The duties of the Settlement Fund Administrator shall be governed by this Agreement. Prior to the Threshold Subdivision Participation Date, Walmart and the Enforcement Committee shall agree to selection and removal processes for and the identity of the Settlement Fund Administrator, and a detailed description of the Settlement Fund Administrator's duties and responsibilities, including a detailed mechanism for paying the Settlement Fund Administrator's fees and costs, all of which shall be appended to the Agreement as Exhibit L.

MMM."*Settling State*" means an Eligible State that has entered into this Agreement with Walmart and delivers an executed State Participation Form and executed releases in accordance with Section II.A.

NNN. "*State Fund*" means the component of the Settlement Fund described in Section V.C.

OOO. "*State Participation Form*" means the form attached as Exhibit V.

PPP. "*State Participation Date*" has the meaning set forth in Section II.A.1.

QQQ. "*State Participation Threshold*" has the meaning set forth in Section II.A.2.

RRR. "*State-Subdivision Agreement*" means an agreement that a Settling State reaches with the Subdivisions in that Settling State regarding the allocation, distribution, and/or use of funds allocated to that Settling State and to its Subdivisions. A State-Subdivision Agreement shall be effective if approved pursuant to the provisions of Exhibit O or if adopted by statute. Preexisting agreements addressing funds other than those allocated pursuant to this Agreement shall qualify if the approval requirements of Exhibit O are met. A Settling State and its Subdivisions may revise a State-Subdivision Agreement if approved pursuant to the provisions of Exhibit O, or if such revision is adopted by statute.

SSS. "*Statutory Trust*" means a trust fund established by state law to receive funds allocated to a Settling State's Remediation Accounts Fund and restrict any expenditures made using funds from such Settling State's Remediation Accounts Fund to Opioid Remediation, subject to reasonable administrative expenses. A Settling State may give a Statutory Trust authority to allocate one (1) or more of the three (3) types of funds comprising such State's Settlement Fund, but this is not required.

TTT. "*Sub-Fund(s)*" means the Remediation Accounts Fund, State Fund, and Subdivision Fund, individually or collectively, as applicable.

UUU. "*Subdivision*" means any (1) General-Purpose Government (including, but not limited to, a municipality, county, county subdivision, city, town, township, parish, village, borough, gore, or any other entities that provide municipal-type government), School District, or Special District within a Settling State, and (2) any other subdivision or subdivision official or sub-entity of or located within a Settling State (whether political, geographical or otherwise, whether functioning or non-functioning, regardless of population overlap, and including, but not limited to, nonfunctioning governmental units and public institutions) that has filed a lawsuit that includes a Released Claim against a Released Entity in a direct, *parens patriae*, or any other capacity. "General-Purpose Government," "School District," and "Special District" shall correspond to the "five basic types of local governments" recognized by the U.S. Census Bureau and match the 2017 list of Governmental Units.[3] The three (3) General-Purpose Governments are county, municipal, and township governments; the two (2) special purpose governments are School Districts and Special Districts.[4] The terms "Fire District," "Health District," "Hospital District," and "Library District" shall correspond to categories of Special Districts recognized by the U.S. Census Bureau.[5] References to a Settling State's Subdivisions or to a Subdivision "in," "of," or "within" such Settling State include Subdivisions located within the Settling State even if they are not formally or legally a sub-entity of such Settling State; *provided*, *however*, that a "health district" that includes any of the following words or phrases in its name shall not be considered a Subdivision: mosquito, pest, insect, spray, vector, animal, air quality, air pollution, clean air, coastal water, tuberculosis, and sanitary. Each of Lake and Trumbull Counties of Ohio shall not be considered "Subdivisions" for purposes of this Agreement.

VVV. "*Subdivision Allocation Percentage*" means the portion of a Settling State's Subdivision Fund set forth in Exhibit G that a Subdivision will receive pursuant to Section V.C or Section V.D if it becomes a Participating Subdivision. The aggregate Subdivision Allocation

[3] https://www.census.gov/data/datasets/2017/econ/gus/public-use-files.html.

[4] *E.g.*, U.S. Census Bureau, "Technical Documentation: 2017 Public Use Files for State and Local Government Organization" at 7 (noting that "the Census Bureau recognizes five basic types of local governments," that three of those are "general purpose governments" (county governments, municipal governments, and township governments), and that the other two are "school district and special district governments"), https://www2.census.gov/programs-surveys/gus/datasets/2017/2017_gov_org_meth_tech_doc.pdf.

[5] A list of 2017 Government Units provided by the Census Bureau identifies 38,542 Special Districts and categorizes them by "FUNCTION_NAME." "Govt_Units_2017_Final" spreadsheet, "Special District" sheet, included in "Independent Governments - list of governments with reference information," https://www.census.gov/data/datasets/2017/econ/gus/public-use-files.html. As used herein, "fire district" corresponds to Special District function name "24 – Local Fire Protection," "Health District" corresponds to Special District function name "32 – Health," "Hospital District" corresponds to Special District function name "40 – Hospitals," and "Library District" corresponds to Special District function name "52 – Libraries." *See id.*

Percentage of all Subdivisions receiving a Subdivision Allocation Percentage in each State shall equal one hundred percent (100%). Immediately upon the effectiveness of any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3 (or upon the effectiveness of an amendment to any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3) that addresses allocation from the Subdivision Fund, whether before or after the Threshold Subdivision Participation Date, Exhibit G will automatically be amended to reflect the allocation from the Subdivision Fund pursuant to the State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3. The Subdivision Allocation Percentages contained in Exhibit G may not change once notice is distributed pursuant to Section VII.A, except upon the effectiveness of any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3 (or upon the effectiveness of an amendment to any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3) that addresses allocation from the Subdivision Fund. For the avoidance of doubt, no Subdivision not listed on Exhibit G shall receive an allocation from the Subdivision Fund, and no provision of this Agreement shall be interpreted to create such an entitlement.

WWW. "*Subdivision Fund*" means the component of the Settlement Fund described in Section V.C.

XXX. "*Subdivision Participation Agreement*" means the form of agreement attached as Exhibit K that Participating Subdivisions must execute and return to the Settlement Fund Administrator.

YYY. "*Subdivision Participation Thresholds*" has the meaning set forth in Section II.B.

ZZZ. "*Third Subdivision Participation Date*" has the meaning set forth in Section IV.C.3.c.

AAAA. "*Threshold Motion*" means a motion to dismiss or equivalent dispositive motion made at the outset of litigation under applicable procedure. A Threshold Motion must include as potential grounds for dismissal any applicable Bar or the relevant release by a Settling State or Participating Subdivision provided under this Agreement and, where appropriate under applicable law, any applicable limitations defense.

BBBB."*Threshold State*" means the District of Columbia, Puerto Rico, and the states of the United States of America, excluding New Mexico and West Virginia.

CCCC."*Threshold Subdivision Participation Date*" has the meaning set forth in Section II.B.1.

DDDD. "*Total Remediation Amount*" means the aggregate amount paid or incurred by Walmart hereunder other than amounts paid as attorneys' fees and costs or identified pursuant to Section V.B.2 as being used to pay attorneys' fees, investigation costs or litigation costs.

EEEE. "*Walmart*" means Walmart Inc.

II. Participation by States and Subdivisions; Effectiveness of Agreement

A. *State Participation Threshold*.

1. On November 14, 2022, this Agreement shall be distributed to all Eligible States by the Enforcement Committee. The Eligible States' Attorneys General shall then have until December 15, 2022, or such later date as agreed to in writing by Walmart and the Enforcement Committee prior to December 15, 2022 (the "*State Participation Date*"), to decide whether to become Settling States. Eligible States that determine to become Settling States shall sign a Participation Form, in the form attached as Exhibit V, on or before the State Participation Date and provide it to Walmart and the Enforcement Committee.

2. To meet the State Participation Threshold, more than 85% of all Threshold States, by number of such states (the "*State Participation Threshold*"), must have joined this Agreement as Settling States on or before the State Participation Date. For purposes of calculating the State Participation Threshold, each Separately Settling State that is also a Threshold State shall be included in both the numerator and the denominator for purposes of calculating whether the State Participation Threshold has been satisfied. For the avoidance of doubt, to be satisfied, the State Participation Threshold requires that 43 or more of the 50 Threshold States (a) become Settling States by signing a Participation Form or (b) be included in both the numerator and the denominator for purposes of calculating the State Participation Threshold by virtue of being a Separately Setting State that is also a Threshold State.

3. Within the first business day on or after three (3) calendar days after the State Participation Date, the Enforcement Committee will deliver all signed State Participation Forms to Walmart. If the State Participation Threshold has not been satisfied by the State Participation Date, this Agreement will have no further effect and all releases and other commitments or obligations contained herein or in State Participation Forms will be void, provided, however, that on or after the State Participation Date, Walmart shall have the unilateral right in its sole discretion to extend the State Participation Date or to proceed with the Settlement if the State Participation Threshold has not been satisfied.

B. *Subdivision Participation Thresholds*.

1. If the State Participation Threshold has been satisfied by the State Participation Date, each of the Settling States will use reasonable efforts to ensure that, by April 18, 2023, or such later date as agreed to in writing by Walmart and the Enforcement Committee prior to April 18, 2023 (the "*Threshold Subdivision Participation Date*"), the Settling States have met the following "*Subdivision Participation Thresholds*": (1) more than 85% of the aggregate population of all Litigating Subdivisions located in the Settling States and Separately Settling States (calculated on an aggregated basis and not a State-by-State basis): (a) have become Participating Subdivisions by executing a Subdivision Participation Agreement, including a release (subject to Section VII.D), in accordance with Section VII.C, (b) are subject to a Bar or Case-Specific Resolution or (c) have joined a settlement between Walmart and a Separately Settling State by executing a participation

form, including a release; and (2) more than 85% of the aggregate population of all Non-Litigating Threshold Subdivisions located in the Settling States and Separately Settling States (calculated on an aggregated basis and not a State-by-State basis): (a) have become Participating Subdivisions by executing a Subdivision Participation Agreement, including a release (subject to Section VII.D), in accordance with Section VII.B, (b) are subject to a Bar or Case-Specific Resolution, or (c) have joined a settlement between Walmart and a Separately Settling State by executing a participation form, including a release (together, the "*Participating Population Levels*"). For the avoidance of doubt, for purposes of calculating the Participating Population Levels for the Subdivision Participation Thresholds, all Litigating Subdivisions and Non-Litigating Threshold Subdivisions located in Separately Settling States shall be included in the respective denominators for purposes of calculating whether the Subdivision Participation Thresholds have been satisfied, and any such Litigating Subdivisions or Non-Litigating Threshold Subdivisions located in Separately Settling States that have joined such separate settlement agreement with Walmart by executing a participation form, including a release, shall be included in the respective numerators for purposes of calculating whether the Subdivision Participation Thresholds have been satisfied.[6]

2. As soon as practicable following the Threshold Subdivision Participation Date, the Settlement Fund Administrator shall calculate the Participating Population Levels and determine whether the Subdivision Participation Thresholds have been met.

a. As soon as practicable following calculation of the Participating Population Levels, the Settlement Fund Administrator shall give notice to Walmart, the Settling States, and the Enforcement Committee of the Participating Population Levels and whether the Subdivision Participation Thresholds have been met.

b. Within ten (10) calendar days of the notice provided by the Settlement Fund Administrator, any Party or the Enforcement Committee may dispute, in writing, the calculation of the Participating Population Levels or the determination of whether the Subdivision Participation Thresholds have been met. Such disputing party must provide a written notice of dispute to the Settlement Fund Administrator, the Enforcement Committee, and Walmart (and the affected Settling State, as applicable) identifying the nature of the dispute.

c. Within ten (10) calendar days of the sending of a written notice of dispute, any affected party may submit a response, in writing, to the Settlement Fund Administrator, the Enforcement Committee, Walmart, and the disputing Party (and the affected Settling State, as applicable) identifying the basis for disagreement with the notice of dispute.

[6] For purposes of calculating the Participating Population Levels for the Subdivision Participation Thresholds, the populations of Lake and Trumbull Counties of Ohio and Nassau and Suffolk Counties of New York shall be excluded entirely from both the numerator and denominator of the Subdivision Participation Thresholds of both the Litigating Subdivisions and Non-Litigating Threshold Subdivisions. Nassau and Suffolk Counties of New York also shall be excluded from both the numerator and denominator for purposes of calculating New York's Incentive BC Subdivision participation.

d. After the time period for a response to be filed has passed, the Settlement Fund Administrator, the Enforcement Committee, Walmart, and the disputing Party (and the affected Settling State, as applicable) shall meet and confer within ten (10) calendar days in an attempt to resolve the dispute. If no resolution is reached, disputes described in this subsection shall be handled in accordance with the terms of Section VI.F.3.

3. If the Subdivision Participation Thresholds are not satisfied by the Threshold Subdivision Participation Date, then any and all releases, commitments or obligations contained herein or in State Participation Forms or Subdivision Participation Agreements shall be void, provided, however, that on or after the Threshold Subdivision Participation Date, Walmart shall have the unilateral right in its sole discretion to extend the Threshold Subdivision Participation Date or to proceed with the Settlement if one or both of the Subdivision Participation Thresholds have not been satisfied.

C. *Conditions to Effectiveness*. If (1) the State Participation Threshold is met by the State Participation Date and (2) the Subdivision Participation Thresholds are met by the Threshold Subdivision Participation Date, then this Agreement will be deemed effective fifteen (15) days after (a) the Threshold Subdivision Participation Date, or (b) such time as the Settlement Fund Administrator has completed the Participating Population Level calculations necessary to determine whether the Subdivision Participation Thresholds have been achieved, the Settlement Fund Administrator has provided notice of such calculations and determinations to the Parties, and any disputes concerning such calculations and determinations have been resolved subject to Section II.B.2.a-d, whichever is later (the "*Effective Date*"). Subject to Walmart's unilateral right in its sole discretion to extend the State Participation Date and/or the Threshold Subdivision Participation Date if the State Participation Threshold or Subdivision Participation Thresholds have not been met by their respective deadlines, or to proceed with the Settlement if one or more of the State Participation Threshold or Subdivision Participation Thresholds have not been met, as set forth in Sections II.A.3 and II.B.3, if either of the foregoing clauses (1) or (2) is not satisfied by the State Participation Date or the Threshold Subdivision Participation Date, respectively, then any and all commitments or obligations (including any and all releases) contained herein or in any State Participation Form or Subdivision Participation Agreement shall be void.

D. *Consent Judgments*. Promptly after the Effective Date, the Parties will proceed to file the Consent Judgments, and the obligations in the State Participation Forms and Subdivision Participation Agreements will become effective and binding as of the Effective Date.

III. Injunctive Relief

A. *Injunctive Relief*. As part of the Consent Judgments, the Parties agree to the entry of the injunctive relief terms as set forth in Exhibit P.

IV. Settlement Payments

A. *Settlement Fund*. All payments under this Section IV shall be made into the Settlement Fund. The Settlement Fund shall be allocated and used only as specified in Section V.

B. *Payment by Walmart*.

1. Provided the conditions set out in Sections II.A-C are met, within seven (7) calendar days after the Effective Date, the Settlement Fund Administrator shall determine the amount representing the maximum total allocation of opioid remediation and abatement payments for the Settling States (the "*Remediation Payment*"), as calculated by multiplying (a) the total allocation percentages accorded to the Settling States in accordance with Exhibit F by (b) the Global Settlement Remediation Amount.

2. Fifteen (15) calendar days after the Effective Date (the "*Deposit Date*"), Walmart shall deposit the Remediation Payment into the Settlement Fund. The Remediation Payment shall be distributed to the Settling States and/or refunded to Walmart by the Settlement Fund Administrator consistent with the terms of this Agreement. Any interest earned on the Remediation Payment within the Settlement Fund, to the extent not used to pay the fees for the Settlement Fund Administrator, shall become and remain part of the Remediation Payment within the Settlement Fund and be made available for payments on a pro rata basis to the eventual recipients of the funds (either to Walmart in the case of refund or to the applicable Settling State) in accordance with this Agreement.

3. The Settlement Fund Administrator shall determine the Remediation Payment to be deposited by Walmart on the Deposit Date pursuant to Section IV.B.1. The allocation for each Settling State shall be based on the percentages set out in Exhibit F. For the avoidance of doubt, each of West Virginia, New Mexico, Florida, Alabama, and any other Separately Settling State are not eligible to receive payments under this Agreement.

C. *Payments to Settling States and Reversions to Walmart*.

1. *Payments and Refunds*. Subject to the terms of this Section IV.C.1, Settling States shall be eligible to receive payments under this Agreement over a period not to exceed six (6) years. Such payments shall be paid from the Settlement Fund by the Settlement Fund Administrator. Settling States shall be eligible for at most two payments from the Payout Amount in Payment Year 1 and one payment of the Payout Amount for each of Payment Years 2 through 6. Walmart shall be refunded any portion of the Remediation Payment that Settling States failed to earn in a given Payment Year and that Settling States are not able to earn in future years, as well as accrued interest on such amounts, as of the First Subdivision Participation Date and each subsequent anniversary of the First Subdivision Participation Date. The Settlement Fund Administrator will retain sufficient funds in the Settlement Fund in Payment Years 1 and 2 to pay amounts owed to Settling States due to additional Subdivision participation in Payment Years 2 and/or 3.

2. *Procedure for Calculation of Payments and Refunds*; *Disputes*.

a. Calculation of Payments and Refunds. As soon as practicable following the Threshold Subdivision Participation Date, after determining the Remediation Payment in accordance with Section IV.B, and as soon as practical after each of the First, Second, and Third Subdivision Participation Dates, and as soon as practical after each of the Incentive Payment D Look-Back Dates, the

Settlement Fund Administrator shall calculate (1) the Payout Amount (including the amount of the Settlement Fund to be allocated to the Settlement Fund Administrator in costs and fees pursuant to Section V.C.4); (2) the amount to be received by each Settling State; (3) the amount to be received by the separate types of funds for each Settling State (if applicable); (4) the allocation to be received by each Settling State's Participating Subdivisions listed on Exhibit G; and (5) the amount of any refund due to Walmart, and the Settlement Fund Administrator shall give notice to Walmart, the Settling States, and the Enforcement Committee of each such amount in clauses (1) through (5). If Walmart and the Enforcement Committee inform the Settlement Fund Administrator that they agree on the amounts to be calculated pursuant to clauses (1), (2), and (5) above, the Settlement Fund Administrator shall treat those amounts as the calculated amount. If a Settling State informs the Settlement Fund Administrator that it and its Participating Subdivisions listed on Exhibit G have reached consensus on the amounts to be calculated pursuant to clauses (3) and/or (4) above, the Settlement Fund Administrator shall use those amounts so long as they are consistent with the amount calculated pursuant to clause (2). The Payout Amount shall be based on each Settling State's eligibility to receive one or more Incentive Payment(s) as set out in Section IV.E. For the avoidance of doubt, any Subdivision not listed on Exhibit G shall not receive an allocation from the Subdivision Fund, and no provision of this Agreement shall be interpreted to create such an entitlement.

b. Notice of Dispute. Within twenty-one (21) calendar days of the notice provided by the Settlement Fund Administrator, (1) Walmart, any Settling State or the Enforcement Committee may dispute, in writing, the calculation of the Payout Amount (including the amount allocated for Settlement Fund Administrator costs and fees), whether a Settling State qualifies for an Incentive Payment, or the amount to be received by a Settling State and/or its Participating Subdivisions listed on Exhibit G and (2) a Participating Subdivision may dispute, in writing, the calculation of the amounts under Section IV.C.2.a clauses 3 or 4 solely with respect to such amounts calculated for the Settling State in which it is located and without disputing the amounts calculated under Section IV.C.2.a clauses 1, 2, or 5. A dispute will be deemed invalid and disregarded if it challenges the allocations adopted by a State-Subdivision Agreement approved pursuant to the provisions of Exhibit O or by statute. Such disputing party must provide a written notice of dispute to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State or Participating Subdivision, and Walmart identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) or Participating Subdivision(s) affected.

c. Response to Notice of Dispute. Within twenty-one (21) calendar days of the sending of a written notice of dispute, any affected party may submit a response, in writing, to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State or Participating Subdivision, and Walmart identifying the basis for disagreement with the notice of dispute.

d. Resolution of Disputes. If no response is filed within the specified time period, the Settlement Fund Administrator shall adjust the amount calculated consistent with the written notice of dispute, the Settlement Fund Administrator shall pay the adjusted Payout Amount, and the dispute shall be considered finally resolved. If a written response to the written notice of dispute is timely sent to the Settlement Fund Administrator, the Settlement Fund Administrator shall notify Walmart and the Enforcement Committee of the preliminary amount to be paid out by the Settlement Fund Administrator, which shall be the smaller of the amount originally calculated by the Settling Administrator or the amount that would be consistent with the notice of dispute, *provided*, *however*, that in no circumstances shall the preliminary amount to be paid to a Settling State be higher than the maximum amount of Incentive Payment A for that Payment Year.

e. Final resolution of such disputes shall be handled in accordance with the terms of Section VI.F and the Settlement Fund Administrator shall not distribute any amount subject to a dispute being resolved under Section VI.F until such time when the dispute is finally resolved.

3. *Timing of Payments and Reversions*.

a. Payment to the Settling States from the Settlement Fund of the Base Payment will be made as soon as practicable following the Threshold Subdivision Participation Date and the Settlement Fund Administrator's calculation of payment amounts, provision of notice to the Parties, and resolution of any disputes, as applicable and as set forth in Section IV.C.2.a-e (the "*Payout Procedure*"). Any additional payments to the Settling States and/or any reversion to Walmart for Payment Year 1 will be made as soon as practicable following July 15, 2023 or such later date agreed to in writing by Walmart and the Enforcement Committee (the "*First Subdivision Participation Date*") and the Settlement Fund Administrator's completion of the Payout Procedure.

b. In Payment Year 2, payment to the Settling States and/or any reversion to Walmart will be based on Subdivision Participation as of July 15, 2024 or such later date agreed to in writing by Walmart and the Enforcement Committee (the "*Second Subdivision Participation Date*") and will be made as soon as practicable following the Settlement Fund Administrator's completion of the Payout Procedure, as applicable.

c. In Payment Year 3, payment to the Settling States and/or any reversion to Walmart will be based on (i) Subdivision Participation as of July 15, 2025 or such later date agreed to in writing by Walmart and the Enforcement Committee (the "*Third Subdivision Participation Date*") and (ii) eligibility for Incentive D, as set forth in Section IV.E.3, and will be made as soon as practicable following the Settlement Fund Administrator's completion of the Payout Procedure, as applicable.

d. In Payment Years 4 through 6, payment to the Settling States and/or any reversion to Walmart will be based on eligibility for Incentive Payment D, as set forth in Section IV.E.3. Payment will be made as soon as practicable following the Settlement Fund Administrator's completion of the Payout Procedure, as applicable.

e. The Settlement Fund Administrator may combine the payments under this Section IV with funds to be distributed by other comparable opioid settlements. In determining when payments for each Payment Year will be made, the Settlement Fund Administrator may take into account the timeline for the availability of disbursements under other comparable opioid settlements.

D. *Base Payment.* Each Settling State will receive a base payment equal to thirty-eight percent (38%) of such Settling State's Overall Allocation Percentage of the Global Settlement Remediation Amount (the "*Base Payment*"). The Base Payment shall be made as soon as practicable after the Effective Date.

E. *Incentive Payments.* Each Settling State shall be eligible to receive additional incentive payments totaling up to a maximum of sixty two percent (62%) of such Settling State's Overall Allocation Percentage of the Global Settlement Remediation Amount, with the actual amount depending on whether and the extent to which the criteria set forth below are met in such Settling State. In no event shall any Settling State receive more than one hundred percent (100%) of its respective Overall Allocation Percentage of the Global Settlement Remediation Amount under this Agreement. The incentive payments shall be divided among three (3) categories, referred to as Incentive Payments A, BC, and D. As applicable, Incentive Payments A and BC will be paid in at most three payments in Payment Years 1 through 3: one payment in Payment Year 1, one payment in Payment Year 2, and one payment in Payment Year 3. Incentive Payment D will be paid over four installments in Payment Years 3 through 6, provided a Settling State remains eligible to receive Incentive Payment D throughout that period and has not otherwise earned Incentive Payment A. The incentive payments shall be determined by the Settlement Fund Administrator and made with respect to a specific Settling State based on its eligibility for that Payment Year under the criteria set forth below.

1. Incentive Payment A. Incentive Payment A shall be equal to sixty-two (62%) of a Settling State's Overall Allocation Percentage of the Global Settlement Remediation Amount, provided such Settling State becomes eligible for Incentive Payment A and subject to Section IV.E.1.a. Incentive Payment A is mutually exclusive with Incentive Payments BC and D; if a Settling State receives Incentive Payment A, such Settling State is not eligible for Incentive Payments BC or D. If a Settling State is not eligible for Incentive Payment A by the Third Subdivision Participation Date, it shall not be eligible for Incentive Payment A in any succeeding year. Eligibility for Incentive Payment A is as follows:

a. A Settling State is eligible for Incentive Payment A if, as of the First Subdivision Participation Date in Payment Year 1, the Second Subdivision Participation Date in Payment Year 2, or the Third Subdivision Participation Date in Payment Year 3, (i) there is a Bar in that State in full force and effect; (ii) there

is a Settlement Class Resolution in that State in full force and effect; (iii) there is a ruling from the State's highest court barring all Subdivisions from bringing or maintaining Released Claims; (iv) the Released Claims of all of the following entities are released through the execution of Subdivision Participation Agreements: (1) all Litigating Subdivisions, (2) all Non-Litigating Primary Subdivisions, (3) all non-litigating School Districts with a K-12 student enrollment of at least 25,000 or 0.10% of a State's population, whichever is greater, (4) all non-litigating Health Districts and Hospital Districts that have at least one hundred twenty-five (125) hospital beds in one or more hospitals rendering services in that district, and (5) all Primary Fire Districts; or (v) a combination of the actions in clauses (i)-(v) has achieved the same level of resolution of Claims by Subdivisions (*e.g.*, a Bar against future litigation combined with full joinder by Litigating Subdivisions). For the avoidance of doubt, subsection (iv) cannot be satisfied unless all Litigating Subdivisions are Participating Subdivisions or there is a Case-Specific Resolution against any such Subdivisions that are not Participating Subdivisions. Each Settling State that believes it qualifies for Incentive A shall provide notice to Walmart, the Enforcement Committee, and the Settlement Fund Administrator, including data sources or other information establishing such Settling State's entitlement to Incentive A, by the First, Second, or Third Participation Dates, as applicable. Walmart and the Enforcement Committee shall meet and confer in order to agree on data sources for purposes of this Section IV.E.1.a prior to the State Participation Date. For the avoidance of doubt, any disputes regarding whether a Settling State qualifies for Incentive A shall be handled in accordance with the Payout Procedure.

b. If a Settling State becomes eligible for Incentive A in Payment Years 2 or 3, then the Settling State shall be entitled to receive the remaining incentive payments that the Settling State could have earned (the "*Remaining Incentive Payments*"), which equals (i) ninety-seven percent (97%) of such Settling State's Overall Allocation Percentage of the Global Settlement Remediation Amount, representing the maximum Incentive Payment BC, minus any Incentive Payment BC amounts previously paid to such Settling State in Payment Year 1 (or, if such Settling State first becomes eligible for Incentive Payment A in Payment Year 3, the sum of any Incentive Payment BC payment amounts previously paid to the Settling State in Payment Years 1 and 2), the resulting difference of which shall be reduced by 12.5% if Incentive Payment A is achieved in Payment Year 2 or by 25% if Incentive Payment A is achieved in Payment Year 3; and (ii) three percent (3%) of such Settling State's Overall Allocation Percentage of the Global Settlement Remediation Amount, representing Incentive Payment D, as described in Section IV.E.3.

2. Incentive Payment BC. If a Settling State does not qualify for Incentive Payment A, it may still qualify to receive up to fifty-nine percent (59%) of the Settling State's Overall Allocation Percentage of the Global Settlement Remediation Amount under Incentive Payment BC. A Settling State may earn Incentive Payment BC in Payment Years 1 through 3 and may receive, when combined with the Settling State's Base Payment, a

maximum of up to 97% of the Settling State's Overall Allocation Percentage of the Global Settlement Remediation Amount. Eligibility for Incentive Payment BC is as follows:

a. Subject to Section IV.E.1, the amount of Incentive Payment BC for which a Settling State is eligible shall be determined based on the aggregate population of the Settling State's Incentive BC Subdivisions that participate in the Agreement or have had their claims resolved through a Case-Specific Resolution, divided by the aggregate population of all of the Settling State's Incentive BC Subdivisions. The Settling State's Incentive BC Subdivisions are (i) all Litigating Subdivisions (including School Districts and Special Districts) and (ii) all Non-Litigating Threshold Subdivisions (collectively, all Litigating Subdivisions and all Non-Litigating Threshold Subdivisions are "*Incentive BC Subdivisions*"). The percentage of the Settling State's Overall Allocation Percentage of the Global Settlement Remediation Amount, inclusive of the Base Payment, to which the Settling State is entitled shall be determined according to the table of Incentive BC payment levels below:

Percentage of Incentive BC Subdivision Population[7]	**Percentage of Settling State's Overall Allocation Percentage of the Global Settlement Remediation Amount (includes the Base Payment)**
Participation of 85% but less than 86%	Payment of 43%
Participation of 86% but less than 87%	Payment of 46%
Participation of 87% but less than 88%	Payment of 49%
Participation of 88% but less than 89%	Payment of 52%
Participation of 89% but less than 90%	Payment of 55%
Participation of 90% but less than 91%	Payment of 58%
Participation of 91% but less than 92%	Payment of 61%
Participation of 92% but less than 93%	Payment of 64%
Participation of 93% but less than 94%	Payment of 67%
Participation of 94% but less than 95%	Payment of 70%
Participation of 95% but less than 96%	Payment of 75%
Participation of 96% but less than 97%	Payment of 79.5%
Participation of 97% but less than 98%	Payment of 84%
Participation of 98% but less than 99%	Payment of 88.5%
Participation of 99% but less than 100%	Payment of 93% o

[7] The "Percentage of Incentive BC Subdivision Population" shall be determined by the aggregate population of the Settling State's Incentive BC Subdivisions that participate in the Agreement or have had their claims resolved through a Case-Specific Resolution divided by the aggregate population of the Settling State's Incentive BC Subdivisions. In calculating the Settling State's population that resides in Incentive BC Subdivisions, the population of the Settling State's Incentive BC Subdivisions shall be the sum of the population of all Incentive BC Subdivisions in the Settling State, notwithstanding that persons may be included within the population of more than one Incentive BC Subdivision. An individual Subdivision shall not be included more than once in either the numerator or denominator of the calculation regardless if it (or any of its officials) is named more than once as plaintiffs in the same lawsuit; *provided*, *however*, that for the avoidance of doubt, no Subdivision will be excluded from the numerator or denominator under this sentence unless a Subdivision otherwise counted in the denominator has the authority to release the Claims (consistent with Section XI) of the Subdivision to be excluded.

Participation of 100%	Payment of 97%

b. For Payment Year 1, the Settlement Fund Administrator shall calculate and allocate Incentive Payment BC payments to Settling States based on the Settling State's Incentive BC Subdivision Population participation rate as of the First Subdivision Participation Date. Payments to the Settling States and/or any refund to Walmart shall be made as soon as practicable after the Settlement Fund Administrator's completion of the Payout Procedure, as applicable.

c. For Payment Year 2, additional payments of Incentive Payment BC shall be made to any Settling State for which the Settling State's Incentive BC Subdivision Population participation rate as of the Second Subdivision Participation Date results in a higher payment level than for Payment Year 1. Any Incentive Payment BC payment to a Settling State in Payment Year 2 will be 87.5% of the difference between (i) the Incentive BC payment calculated pursuant to Section IV.E.2.a using the Second Subdivision Participation Date and (ii) the Incentive BC payment calculated pursuant to Section IV.E.2.a using the First Subdivision Participation Date. Any payments to Settling States or reversion to Walmart will be made as soon as practicable following the Settlement Fund Administrator's completion of the Payout Procedure, as applicable.

d. For Payment Year 3, additional payments of Incentive Payment BC shall be made to any Settling State for which the Settling State's Incentive BC Subdivision Population participation rate as of the Third Subdivision Participation Date results in a higher payment level than for Payment Year 2. Any Incentive Payment BC payment to a Settling State in Payment Year 3 will be 75% of the difference between (i) the Incentive BC payment calculated pursuant to Section IV.E.2.a using the Third Subdivision Participation Date and (ii) the Incentive BC payment calculated pursuant to Section IV.E.2.a using the Second Subdivision Participation Date. Any payments to Settling States or reversion to Walmart will be made as soon as practicable following the Settlement Fund Administrator's completion of the Payout Procedure, as applicable.

e. The Settlement Fund Administrator shall withhold sufficient funds from Participating Subdivisions in each Payment Year to pay Non-Participating Subdivisions listed on Exhibit G for the Payment Year if they become Participating Subdivisions by the Second Subdivision Participation Date or Third Subdivision Participation Date. If such Non-Participating Subdivisions do not become Participating Subdivisions by the Third Subdivision Participation Date, such withheld funds will be allocated to Participating Subdivisions based on the allocation percentages on Exhibit G. For the avoidance of doubt, nothing in this subsection allows a Non-Participating Subdivision to receive funds until and unless it becomes a Participating Subdivision.

3. Incentive Payment D. Incentive Payment D shall be applied starting at Payment Year 3 and the amount of Incentive Payment D in each year will depend on (i) the Settling State's eligibility as set out in Section IV.E.3.a and (ii) the Percentage of

Incentive BC Subdivision Population achieved by the Settling State as of the Third Subdivision Participation Date. Incentive Payment D shall be equal to between three percent (3%) and fifteen percent (15%) of the of the Settling State's Overall Allocation Percentage of the Global Settlement Remediation Amount. The Incentive Payment D may be earned in each of Payment Years 3 through 6. Eligibility for Incentive Payment D is as follows:

a. A Settling State is eligible for Incentive Payment D if there has been no Later Litigating Subdivision (for purposes of Incentive Payment D, Later Litigating Subdivisions are limited to (i) a Primary Subdivision; (ii) a school district with a K-12 student enrollment of at least 25,000 or 0.10% of the State's population, whichever is greater; (iii) a health district or hospital district that has at least one hundred twenty-five (125) hospital beds in one or more hospitals rendering services in that district; and (iv) Primary Fire Districts) in that State that has had a Claim against a Released Entity survive more than six (6) months after denial in whole or in part of a Threshold Motion as of July 15 of Payment Years 3 to 6 (each, an "*Incentive Payment D Look-Back Date*").

b. To the extent a Settling State achieves a Percentage of Incentive BC Subdivision Population of 95% or above as of the Third Subdivision Participation Date, the level of Incentive Payment D is reduced according to the schedule below. The following portions of Incentive Payment D are paid in equal installments in Payment Years 3 through 6:

Percentage of Incentive BC Subdivision Population as of the Third Subdivision Participation Date	**Incentive Payment D Amount as a Percentage of Settling State's Overall Allocation Percentage of the Global Settlement Remediation Amount**
Participation below 95%	15%
Participation of 95% but less than 96%	13%
Participation of 96% but less than 97%	11%
Participation of 97% but less than 98%	9%
Participation of 98% but less than 99%	7%
Participation of 99% but less than 100%	5%
Participation of 100%	3%

c. The Settlement Fund Administrator shall determine a Settling State's eligibility for Incentive Payment D as of the Incentive Payment D Look-Back Date in Payment Years 3 through 6. If a Later Litigating Subdivision's lawsuit in that Settling State survives more than six (6) months after denial in whole or in part of a Threshold Motion, that State shall not be eligible for Incentive Payment D for the Payment Year in which that occurs and any subsequent Payment Year. Prior to the Incentive Payment D Look-Back Date in Payment Years 3 through 6, Walmart may provide the Settlement Fund Administrator and the

Enforcement Committee with notice identifying any Settling State(s) it believes do not qualify for Incentive Payment D and information supporting its belief.

d. If, at any time within six (6) years of the Threshold Subdivision Participation Date, any Subdivision becomes a Later Litigating Subdivision (as that term is limited by Section IV.E.3.a), then Walmart shall, within thirty (30) days of Walmart or any Released Entity being served or otherwise informed of the prosecution of such Released Claims, provide notice to the Settling State in which such Released Claims are being pursued and shall give the relevant Settling State a reasonable opportunity to extinguish the Released Claims without any payment or any other obligations being imposed upon any Released Entities (apart from the Global Settlement Amount payable by Walmart under the Agreement or the Injunctive Relief Terms imposed on it). The relevant Settling State and Walmart shall confer and use reasonable efforts to promptly resolve the lawsuit so that it is dismissed with prejudice. Nothing in this subsection creates an obligation for a Settling State to make a monetary payment or incur any other obligation to an entity filing a lawsuit.

e. Notwithstanding Section IV.E.3, a Settling State can become re-eligible for Incentive Payment D if the lawsuit that survived a Threshold Motion is dismissed pursuant to a later motion on grounds included in the Threshold Motion, in which case the Settling State shall be eligible for any missed payments of Incentive Payment D in the following Payment Year, less any litigation fees and costs incurred by Walmart in the interim, except that if the dismissal motion occurs after the completion of opening statements in such action, the Settling State shall not be eligible for Incentive Payment D.

V. Allocation and Use of Settlement Payments

A. *Components of Settlement Fund*. The Settlement Fund shall be comprised of a Remediation Accounts Fund, a State Fund, and a Subdivision Fund for each Settling State. The payment made under Section IV into the Settlement Fund shall be initially allocated among those three (3) Sub-Funds and distributed and used as provided below or as provided for by a State-Subdivision Agreement (or other State-specific allocation of funds).

B. *Use of Settlement Payments*.

1. It is the intent of the Parties that the payments disbursed from the Settlement Fund to Settling States and Participating Subdivisions be for Opioid Remediation to address Alleged Harms, subject to exceptions that must be documented in accordance with Section V.B.2. In no event may less than eighty-five percent (85%) of Walmart's maximum payment amounts, distributed pursuant to Section IV, Section VIII, and Section IX as set forth on Exhibit M over the entirety of all Payment Years (but not in any single Payment Year) be spent on Opioid Remediation.

2. While disfavored by the Parties, a Settling State or a Participating Subdivision may, subject to the limitation in the second sentence of Section V.B.1, use

monies from the Settlement Fund (that have not been restricted by this Agreement solely to future Opioid Remediation) for purposes that do not qualify as Opioid Remediation, provided that if, at any time, a Settling State or a Participating Subdivision listed on Exhibit G uses any monies from the Settlement Fund for a purpose that does not qualify as Opioid Remediation, such Settling State or Participating Subdivision listed on Exhibit G shall identify such amounts and report to the Settlement Fund Administrator and Walmart how such funds were used, including if used to pay attorneys' fees, investigation costs, litigation costs, or costs related to the operation and enforcement of this Agreement, respectively. It is the intent of the Parties that the reporting under this Section V.B.2 shall be available to the public. For the avoidance of doubt, (a) any amounts not identified under this Section V.B.2 as used to pay attorneys' fees, investigation costs, or litigation costs shall be included in the "*Total Remediation Amount*" for purposes of Section V.F and (b) Participating Subdivisions not listed on Exhibit G may only use monies from the Settlement Fund for purposes that qualify as Opioid Remediation.

C. *Allocation of Settlement Fund*. The allocation of the Settlement Fund allows for different approaches to be taken in different States, such as through a State-Subdivision Agreement. Given the uniqueness of States and their Subdivisions, Settling States and their Subdivisions are encouraged to enter into State-Subdivision Agreements in order to direct the allocation of their portion of the Settlement Fund. This Agreement has no effect on the ability of Settling States and their Subdivisions to internally agree on the allocation of their portion of the Settlement Fund. As set out below, the Settlement Fund Administrator will make an initial allocation to three (3) state-level Sub-Funds. The Settlement Fund Administrator will then, for each Settling State and its Participating Subdivisions, apply the terms of this Agreement and any relevant State-Subdivision Agreement, Statutory Trust, Allocation Statute, or voluntary redistribution of funds as set out below before disbursing the funds.

1. Base Payments. The Settlement Fund Administrator will allocate Base Payments under Section IV.D on a State-specific basis in proportion to each Settling State's respective Overall Allocation Percentage. Base Payments for each Settling State will then be allocated fifteen percent (15%) to its State Fund, seventy percent (70%) to its Remediation Accounts Fund, and fifteen percent (15%) to its Subdivision Fund. Amounts may be reallocated and will be distributed as provided in Section V.D.

2. Incentive Payments. The Settlement Fund Administrator will treat incentive payments under Section IV.E on a State-specific basis in proportion to each Settling State's respective Overall Allocation Percentage. Incentive payments for which a Settling State is eligible under Section IV.E will be allocated fifteen percent (15%) to its State Fund, seventy percent (70%) to its Remediation Accounts Fund, and fifteen percent (15%) to its Subdivision Fund. Amounts may be reallocated and will be distributed as provided in Section V.D.

3. Settlement Fund Administrator. Prior to the Threshold Subdivision Participation Date, Walmart and the Enforcement Committee will agree to a detailed mechanism consistent with the foregoing for the Settlement Fund Administrator to follow in allocating, apportioning, and distributing payments, which shall then be appended hereto as Exhibit L.

4. Settlement Fund Administrator Costs. Any costs and fees associated with or arising out of the duties of the Settlement Fund Administrator as described in Exhibit L shall be paid from the interest accrued in the Settlement Fund; *provided*, *however*, that if such accrued interest is insufficient to pay the entirety of any such costs and fees, Walmart shall pay fifty percent (50%) of the additional amount and fifty percent (50%) shall be paid out of the Settlement Fund.

D. *Settlement Fund Reallocation and Distribution*.

As set forth below, within a particular Settling State's account, amounts contained in the Sub-Funds may be reallocated and distributed per a State-Subdivision Agreement or other means. If the apportionment of amounts is not addressed and controlled under Section V.D.1 and Section V.D.2, then the default provisions of Section V.D.4 apply. It is not necessary that a State-Subdivision Agreement or other means of allocating funds pursuant to Section V.D.1 and Section V.D.2 address all of the Sub-Funds. For example, a Statutory Trust might only address disbursements from a Settling State's Remediation Accounts Fund.

1. Distribution by State-Subdivision Agreement. If a Settling State has a State-Subdivision Agreement, amounts apportioned to that State's State Fund, Remediation Accounts Fund, and Subdivision Fund under Section V.C shall be reallocated and distributed as provided by that agreement. Any State-Subdivision Agreement entered into or amended after November 14, 2022 shall be applied only if it requires: (a) that all amounts be used for Opioid Remediation, except as allowed by Section V.B.2, and (b) that at least seventy percent (70%) of amounts be used solely for future Opioid Remediation.[8] For a State-Subdivision Agreement to be applied to the relevant portion of the Payout Amount, notice must be provided to Walmart and the Settlement Fund Administrator at least ten (10) business days prior to the Settlement Fund Administrator issuing payment to Settling States pursuant to the Payout Procedure.

2. Distribution by Allocation Statute. If a Settling State has an Allocation Statute and/or a Statutory Trust that addresses allocation or distribution of amounts apportioned to such State's State Fund, Remediation Accounts Fund, and/or Subdivision Fund and that, to the extent any or all such Sub-Funds are addressed, requires (1) all amounts to be used for Opioid Remediation, except as allowed by Section V.B.2, and (2) at least seventy percent (70%) of all amounts to be used solely for future Opioid Remediation,[9] then, to the extent allocation or distribution is addressed, the amounts apportioned to that State's State Fund, Remediation Accounts Fund, and Subdivision Fund under Section V.C shall be allocated and distributed as addressed and provided by the applicable Allocation Statute or Statutory Trust. For the avoidance of doubt, an Allocation Statute or Statutory Trust need not address all three (3) Sub-Funds that comprise the Settlement Fund, and if the applicable Allocation Statute or Statutory Trust does not

[8] Future Opioid Remediation includes amounts paid to satisfy any future demand by another governmental entity to make a required reimbursement in connection with the past care and treatment of a person related to the Alleged Harms.

[9] Future Opioid Remediation includes amounts paid to satisfy any future demand by another governmental entity to make a required reimbursement in connection with the past care and treatment of a person related to the Alleged Harms.

address distribution of all or some of these three (3) Sub-Funds, the applicable Allocation Statute or Statutory Trust does not replace the default provisions described in Section V.D.4 of any such unaddressed fund. For example, if an Allocation Statute or Statutory Trust that meets the requirements of this Section V.D.2 only addresses funds restricted to remediation and abatement, then the default provisions in this Agreement concerning allocation among the three (3) Sub-Funds and the distribution of the State Fund and Subdivision Fund for that State would still apply, while the distribution of the applicable State's Remediation Accounts Fund would be governed by the qualifying Allocation Statute or Statutory Trust.

3. Voluntary Redistribution. A Settling State may choose to reallocate all or a portion of its State Fund to its Remediation Accounts Fund. A Participating Subdivision included on Exhibit G may choose to reallocate all or a portion of its allocation from the Subdivision Fund to the State's Remediation Accounts Fund or to another Participating Subdivision. The Settlement Fund Administrator is not required to honor voluntary redistribution for which notice is provided to it less than sixty (60) days prior to the Payment Date.

4. Distribution in the Absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. If Section V.D.1 and Section V.D.2 do not apply, amounts apportioned to that State's State Fund, Remediation Accounts Fund, and Subdivision Fund under Section V.C shall be distributed as follows:

a. Amounts apportioned to that State's State Fund shall be distributed to that State.

b. Amounts apportioned to that State's Remediation Accounts Fund shall be distributed consistent with Section V.E. Each Settling State shall submit to the Settlement Fund Administrator a designation of a lead state agency or other entity to serve as the single point of contact for that Settling State's funding requests from the Remediation Accounts Fund and other communications with the Settlement Fund Administrator. The designation of an individual entity is for administrative purposes only and such designation shall not limit funding to such entity or even require that such entity receive funds from this Agreement. The designated entity shall be the only entity authorized to request funds from the Settlement Fund Administrator to be disbursed from that Settling State's Remediation Accounts Fund. If a Settling State has established a Statutory Trust, then that Settling State's single point of contact may direct the Settlement Fund Administrator to release the State's Remediation Accounts Fund to the Statutory Trust.

c. Amounts apportioned to that State's Subdivision Fund shall be distributed to Participating Subdivisions in that State included on Exhibit G per the Subdivision Allocation Percentage listed in Exhibit G. Section V.F shall govern amounts that would otherwise be distributed to Non-Participating Subdivisions listed in Exhibit G. For the avoidance of doubt and notwithstanding any other provision in this Agreement, no Non-Participating Subdivision will receive any

amount from the Settlement Fund, regardless of whether such Subdivision is included on Exhibit G.

d. Special Districts shall not be allocated funds from the Subdivision Fund, except through a voluntary redistribution allowed by Section V.D.3. A Settling State may allocate funds from its State Fund or Remediation Accounts Fund for Special Districts.

5. Restrictions on Distribution. No amounts may be distributed from the Subdivision Fund contrary to Section VII, *i.e.*, no amounts may be distributed directly to Non-Participating Subdivisions to the extent such a distribution would violate Section VII.E or Section VII.F. Amounts allocated to the Subdivision Fund that cannot be distributed by virtue of the preceding sentence shall be distributed into the sub-account in the Remediation Accounts Fund for the Settling State in which the Subdivision is located, unless those payments are redirected elsewhere by a State-Subdivision Agreement described in Section V.D.1 or by an Allocation Statute or a Statutory Trust described in Section V.D.2.

E. *Provisions Regarding the Remediation Accounts Fund*.

1. State-Subdivision Agreement, Allocation Statute, and Statutory Trust Fund Provisions. A State-Subdivision Agreement, Allocation Statute, or Statutory Trust may govern the operation and use of amounts in that State's Remediation Accounts Fund so long as it complies with the requirements of Section V.D.1 or Section V.D.2, as applicable, and all direct payments to Subdivisions comply with Section VII.E through Section VII.G.

2. Absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. In the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust that addresses distribution, the Remediation Accounts Fund will be used solely for future Opioid Remediation[10] and the following shall apply with respect to a Settling State:

a. *Regional Remediation*.

(i) At least fifty percent (50%) of distributions for remediation from a State's Remediation Accounts Fund shall be annually allocated and tracked to the regional level. A Settling State may allow the Advisory Committee established pursuant to Section V.E.2.d to define its regions and assign regional allocations percentages. Otherwise, a Settling State shall (A) define its initial regions, which shall consist of one (1) or more General-Purpose Subdivision(s) and which shall be designated by the state agency with primary responsibility for substance abuse disorder services employing, to the maximum extent practical, existing regions established in that State for opioid abuse treatment or other public health purposes; (B) assign initial regional allocation percentages to the regions based on the

[10] Future Opioid Remediation includes amounts paid to satisfy any future demand by another governmental entity to make a required reimbursement in connection with the past care and treatment of a person related to the Alleged Harms.

Subdivision Allocation Percentages in Exhibit G and an assumption that all Subdivisions included on Exhibit G will become Participating Subdivisions.

(ii) This minimum regional expenditure percentage is calculated using the Settling State's initial Remediation Accounts Fund allocation and does not include any additional amounts a Settling State has directed to its Remediation Accounts Fund from its State Fund, or any other amounts directed to the fund. A Settling State may dedicate more than fifty percent (50%) of its Remediation Accounts Fund to the regional expenditure and may annually adjust the percentage of its Remediation Accounts Fund dedicated to regional expenditures as long as the percentage remains above the minimum amount.

(iii) The Settling State (A) has the authority to adjust the definition of the regions, and (B) may annually revise the percentages allocated to each region to reflect the number of General-Purpose Subdivisions in each region that are Non-Participating Subdivisions.

b. *Subdivision Block Grants.* Certain Subdivisions shall be eligible to receive regional allocation funds in the form of block grants for future Opioid Remediation.[11] A Participating Subdivision eligible for block grants is a county or parish (or in the case of States that do not have counties or parishes that function as political subdivisions, a city) that (1) does not contain a Litigating Subdivision or a Later Litigating Subdivision for which it has the authority to end the litigation through a release, bar or other action, (2) either (i) has a population of 400,000 or more or (ii) in the case of California has a population of 750,000 or more, and (3) has funded or otherwise managed an established health care or treatment infrastructure (*e.g.*, health department or similar agency). Each Subdivision eligible to receive block grants shall be assigned its own region.

c. *Small States.* Notwithstanding the provisions of Section V.E.2.a, Settling States with populations under four (4) million that do not have existing regions described in Section V.E.2.a shall not be required to establish regions. However, such a Settling State that contains one (1) or more Subdivisions eligible for block grants under Section V.E.2.c shall be divided regionally so that each block-grant eligible Subdivision is a region and the remainder of the state is a region.

d. *Advisory Committee.* The Settling State shall designate an Opioid Settlement Remediation Advisory Committee (the "*Advisory Committee*") to provide input and recommendations regarding remediation spending from that Settling State's Remediation Accounts Fund. A Settling State may elect to use an existing advisory committee or similar entity (created outside of a State-

[11] Future Opioid Remediation includes amounts paid to satisfy any future demand by another governmental entity to make a required reimbursement in connection with the past care and treatment of a person related to the Alleged Harms.

Subdivision Agreement or Allocation Statute); *provided*, *however*, the Advisory Committee or similar entity shall meet the following requirements:

(i) Written guidelines that establish the formation and composition of the Advisory Committee, terms of service for members, contingency for removal or resignation of members, a schedule of meetings, and any other administrative details;

(ii) Composition that includes at least an equal number of local representatives as state representatives;

(iii) A process for receiving input from Subdivisions and other communities regarding how the opioid crisis is affecting their communities, their abatement needs, and proposals for abatement strategies and responses; and

(iv) A process by which Advisory Committee recommendations for expenditures for Opioid Remediation will be made to and considered by the appropriate state agencies.

3. Remediation Accounts Fund Reporting. The Settlement Fund Administrator shall track and assist in the report of remediation disbursements as agreed to between Walmart and the Enforcement Committee.

F. *Nature of Payment*. Walmart, the Settling States, and the Participating Subdivisions each acknowledge and agree that notwithstanding anything to the contrary in this Agreement, including, but not limited to, the scope of the Released Claims:

1. They have entered into this Agreement to avoid the delay, expense, inconvenience, and uncertainty of further litigation;

2. (a) The Settling States and Participating Subdivisions sought restitution and remediation (within the meaning of 26 U.S.C. § 162(f)(2)(A) and 26 C.F.R. § 1.162-21(e)(4)(i), (ii)) as damages for the Alleged Harms; (b) the Total Remediation Amount is less than or equal to the amount, in the aggregate, of the Alleged Harms allegedly suffered by the Settling States and Participating Subdivisions; and (c) the portion of the Total Remediation Amount received by each Settling State or Participating Subdivision is less than or equal to the amount of the Alleged Harms allegedly suffered by such Settling State or Participating Subdivision;

3. The payment of the Total Remediation Amount by Walmart constitutes restitution and remediation (within the meaning of 26 U.S.C. § 162(f)(2)(A) and 26 C.F.R. § 1.162-21(e)(4)(i), (ii)) for alleged damage or harm (as compensation for alleged damage or harm arising out of alleged bodily injury) allegedly caused by Walmart in order to restore, in whole or in part, the Settling States, Participating Subdivisions, and persons to the same position or condition that they would be in had the Settling States, Participating Subdivisions, and persons not suffered the Alleged Harms, and constitutes restitution and

remediation for alleged damage or harm allegedly caused by the potential violation of a law and/or is an amount paid to come into compliance with the law; and

4. For the avoidance of doubt: (a) the entire Total Remediation Amount is properly characterized as described in Section V.F, (b) no portion of the Total Remediation Amount represents reimbursement to any Settling State or Participating Subdivision or other person or entity for the fees or costs of any investigation or litigation, including without limitation attorneys' fees, (c) no portion of the Global Settlement Amount represents the disgorgement of any allegedly ill-gotten gains, and (d) no portion of the Global Settlement Amount is paid for or in place of any fine, penalty, punitive damages, or other punitive assessments.

VI. Enforcement

A. *Enforceability.* This Agreement is enforceable only by the Settling States and Walmart; *provided*, *however*, that Released Entities may enforce Section X and Participating Subdivisions have the enforcement rights described in Section VI.D. Except to the extent allowed by the Injunctive Relief Terms, Settling States and Participating Subdivisions shall not have enforcement rights with respect to either the terms of this Agreement that apply only to or in other States or any Consent Judgment entered into by another Settling State. Participating Subdivisions shall not have enforcement rights against Walmart with respect to this Agreement or any Consent Judgment except that Participating Subdivisions shall have enforcement rights as set forth herein as to payments that would be allocated to the Subdivision Fund or Remediation Accounts Fund pursuant to Section V; *provided*, *however*, that each Settling State shall allow Participating Subdivisions in such Settling State to notify it of any perceived violations of this Agreement or the applicable Consent Judgment.

B. *Jurisdiction.* Walmart consents to the jurisdiction of the court in which the Consent Judgment is filed, limited to resolution of disputes identified in Section VI.F.2 for resolution in that court.

C. *Specific Terms Dispute Resolution*.

1. Any dispute that is addressed by the provisions set forth in the Injunctive Relief Terms shall be resolved as provided therein.

2. In the event that Walmart believes that the eighty-five percent (85%) requirement established in Section V.B.1 is not being satisfied, Walmart may request that Walmart and the Enforcement Committee meet and confer regarding the use of funds to implement Section V.B.1. The completion of such meet-and-confer process is a precondition to further action regarding any such dispute. Further action concerning Section V.B.1 shall (i) be limited to Walmart obtaining a reversion of its Payout Amount by no more than five percent (5%) of the difference between the actual amount of Opioid Remediation and the eighty-five percent (85%) requirement established in Section V.B.1; and (ii) only reduce payments to those Settling States and their Participating Subdivisions that are below the eighty-five percent (85%) requirement established in Section V.B.1;

provided that Walmart shall not obtain a reversion of funds restricted to future Opioid Remediation.

D. *State-Subdivision Enforcement*.

1. A Subdivision shall not have enforcement rights against a Settling State in which it is located with respect to this Agreement or any Consent Judgment except that a Participating Subdivision listed on Exhibit G shall have enforcement rights (a) as provided for in a State-Subdivision Agreement, Allocation Statute, or Statutory Trust with respect to intrastate allocation (b) in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, to address allegations that (i) the Settling State's use of Remediation Accounts Fund monies were not used for uses similar to or in the nature of those uses contained in Exhibit E; or (ii) a Settling State failed to pay funds directly from the Remediation Accounts Fund to a Participating Subdivision eligible to receive a block grant pursuant to Section V.E.2.b.

2. A Settling State shall have enforcement rights against a Participating Subdivision located in its territory (a) as provided for in a State-Subdivision Agreement, Allocation Statute, or Statutory Trust; or (b) in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, to address allegations that the Participating Subdivisions' uses of Remediation Accounts Fund monies were not used for purposes similar to or in the nature of those uses contained in Exhibit E.

3. As between Settling States and Participating Subdivisions, the above rights are contractual in nature and nothing herein is intended to limit, restrict, change or alter any other existing rights under law.

E. *Subdivision Payment Enforcement.* A Participating Subdivision listed on Exhibit G shall have the same right as a Settling State pursuant to Section VI.F.3.a(iv) to seek resolution regarding the failure by Walmart to make its Payout Amount.

F. *Other Terms Regarding Dispute Resolution*.

1. Except as provided by Section VI.C, the parties to a dispute shall promptly meet and confer in good faith to resolve any dispute. If the parties cannot resolve the dispute informally, and unless otherwise agreed in writing, they shall follow the remaining provisions of this Section VI.F to resolve the dispute.

2. Except to the extent provided by Section VI.C or Section VI.F.3, all disputes shall be resolved in either the court that entered the relevant Consent Judgment or, if no such Consent Judgment was entered, a state or territorial court with jurisdiction located wherever the seat of the relevant state government is located.

a. State court proceedings shall be governed by the rules and procedures of the relevant forum.

b. For the avoidance of doubt, disputes to be resolved in state court include, but are not limited to, the following:

(i) disputes concerning whether expenditures qualify as Opioid Remediation;

(ii) disputes between a Settling State and its Participating Subdivisions as provided by Section VI.D, except to the extent the State-Subdivision Agreement provides for other dispute resolution mechanisms. For the avoidance of doubt, disputes between a Settling State and any Participating Subdivision shall not be considered National Disputes;

(iii) whether this Agreement and relevant Consent Judgment are binding under state law;

(iv) the extent of the Attorney General's or other participating entity's authority under state law, including the extent of the authority to release claims;

(v) whether the definition of a Bar, a Case-Specific Resolution, Final Order, lead state agency as described in Section V.D.4.b, Later Litigating Subdivision, Litigating Subdivision, or Threshold Motion have been met; and

(vi) all other disputes not specifically identified in Section VI.C or Section VI.F.3.

c. Any Party may request that the National Arbitration Panel provide an interpretation of any provision of the settlement that is relevant to the state court determination, and the National Arbitration Panel shall make reasonable best efforts to supply such interpretation within the earlier of thirty (30) calendar days or the time period required by the state court proceedings. Any Party may submit that interpretation to the state court to the extent permitted by, and for such weight provided by, the state court's rules and procedures. If requested by a Party, the National Arbitration Panel shall request that its interpretation be accepted in the form of an *amicus curiae* brief, and any attorneys' fees and costs for preparing any such filing shall be paid for by the requesting Party.

3. National Disputes involving a Settling State, a Participating Subdivision that has enforcement rights pursuant to Section VI.A, and/or Walmart (together, "*Participating Parties*") shall be resolved by the National Arbitration Panel.

a. National Disputes are disputes that are not addressed by Section VI.C, and which are exceptions to Section VI.F.2's presumption of resolution in state courts because they involve issues of interpretation of terms contained in this Agreement applicable to all Settling States without reference to a particular State's law. Disputes between a Settling State and any Participating Subdivision shall not be considered National Disputes. National Disputes are limited to the following:

(i) the amount of withholding attributable to Non-Settling States;

(ii) issues involving the scope and definition of Product;

(iii) interpretation and application of the terms Alleged Harms," "Covered Conduct," "Released Entities," and "Released Claims";

(iv) the failure by the Settlement Fund Administrator to pay the Payout Amount or the Additional Remediation Amount in a Payment Year, but for the avoidance of doubt, disputes between Walmart and a Settling State over the amounts owed only to that state that do not affect any other Settling State shall not be considered National Disputes;

(v) the interpretation and application of any most-favored-nation provision in Section XII.E;

(vi) questions regarding the performance and/or removal of the Settlement Fund Administrator;

(vii) disputes involving liability of successor entities;

(viii) disputes that require a determination of the sufficiency of participation in order to qualify for Incentive Payments A, BC or D;

(ix) disputes requiring the interpretation of Agreement terms that are national in scope or impact, which shall mean disputes requiring the interpretation of Agreement terms that (i) concretely affect four (4) or more Settling States; and (ii) do not turn on unique definitions and interpretations under state law; and

(x) any dispute subject to resolution under Section VI.F.1 but for which all parties to the dispute agree to arbitration before the National Arbitration Panel under the provisions of this Section VI.F.2.

b. The National Arbitration Panel shall be comprised of three (3) arbitrators. One (1) arbitrator shall be chosen by Walmart, one (1) arbitrator shall be chosen by the Enforcement Committee with due input from Participating Subdivisions listed on Exhibit G, and the third arbitrator shall be agreed upon by the first two (2) arbitrators. The membership of the National Arbitration Panel is intended to remain constant throughout the term of this Agreement, but in the event that replacements are required, the retiring arbitrator shall be replaced by the party that selected him/her.

c. The National Arbitration Panel shall make reasonable best efforts to decide all matters within one hundred eighty (180) calendar days of filing, and in no event shall it take longer than one (1) year.

d. The National Arbitration Panel shall conduct all proceedings in a reasonably streamlined process consistent with an opportunity for the parties to be heard. Issues shall be resolved without the need for live witnesses where feasible,

and with a presumption in favor of remote participation to minimize the burdens on the Participating Parties.

e. To the extent allowed under state law, a Settling State, a Participating Subdivision that has enforcement rights pursuant to Section VI.A, and (at any Participating Party's request) the National Arbitration Panel may certify to an appropriate state court any question of state law. The National Arbitration Panel shall be bound by a final state court determination of such a certified question. The time period for the arbitration shall be tolled during the course of the certification process.

f. The arbitrators will give due deference to any authoritative interpretation of state law, including any declaratory judgment or similar relief obtained by a Settling State, a Participating Subdivision that has enforcement rights pursuant to Section VI.A, or Walmart on a state law issue.

g. The decisions of the National Arbitration Panel shall be binding on Settling States, Participating Subdivisions, Walmart, and the Settlement Fund Administrator. In any proceeding before the National Arbitration Panel involving a dispute between a Settling State and Walmart whose resolution could prejudice the rights of a Participating Subdivision(s) in that Settling State, such Participating Subdivision(s) shall be allowed to file a statement of view in the proceeding.

h. Nothing herein shall be construed so as to limit or otherwise restrict a State from seeking injunctive or other equitable relief in state court to protect the health, safety, or welfare of its citizens.

i. Each Participating Party shall bear its own costs in any arbitration or court proceeding arising under this Section VI. The costs for the arbitrators on the National Arbitration Panel shall be divided and paid equally by the disputing sides for each individual dispute, *e.g.*, a dispute between Walmart and Settling States/Participating Subdivisions shall be split fifty percent (50%) by Walmart and fifty percent (50%) by the Settling States/Participating Subdivisions that are parties to the dispute; a dispute between a Settling State and a Participating Subdivision shall be split fifty percent (50%) by the Settling State that is party to the dispute and fifty percent (50%) by any Participating Subdivisions that are parties to the dispute.

4. Prior to initiating an action to enforce pursuant to this Section VI.F, the complaining Participating Party must:

a. Provide written notice to the Enforcement Committee of its complaint, including the provision of the Consent Judgment and/or Agreement that the practice appears to violate, as well as the basis for its interpretation of the disputed provision. The Enforcement Committee shall establish a reasonable process and timeline for obtaining additional information from the involved parties; *provided*, *however*, that the date the Enforcement Committee establishes for

obtaining additional information from the parties shall not be more than forty-five (45) calendar days following the notice. The Enforcement Committee may advise the involved parties of its views on the complaint and/or seek to resolve the complaint informally.

b. Wait to commence any enforcement action until thirty (30) calendar days after the date that the Enforcement Committee establishes for obtaining additional information from the involved parties.

5. If the Participating Parties to a dispute cannot agree on the proper forum for resolution of the dispute under the provisions of Section VI.F.1 or Section VI.F.2, a committee comprising the Enforcement Committee and sufficient representatives of Walmart such that the members of the Enforcement Committee have a majority of one (1) member will determine, within twenty-eight (28) calendar days of receiving notification of the dispute relating to the proper forum, the forum where the dispute will be initiated. The forum identified by such committee shall be the sole forum for resolving the issue of which forum will hear the substantive dispute, and the committee's identification of such forum in the first instance shall not be entitled to deference by the forum selected.

G. *No Effect.* Nothing in this Agreement shall be interpreted to limit the Settling States' Civil Investigative Demand ("*CID*") or investigative subpoena authority, to the extent such authority exists under applicable state law and the CID or investigative subpoena is issued pursuant to such authority, and Walmart reserves all of its rights in connection with a CID or investigative subpoena issued pursuant to such authority.

VII. Participation by Subdivisions

A. *Notice.* Prior to the State Participation Date, the Parties shall agree on a vendor to serve as the Implementation Administrator and provide notice pursuant to this Section VII.A. No later than fifteen (15) calendar days after the State Participation Date, the Implementation Administrator shall send individual written notice (which may be delivered via e-mail or other electronic means) of the opportunity to participate in this Agreement and the requirements of participation to all Subdivisions in the Settling States that are (1) Litigating Subdivisions or (2) Non-Litigating Subdivisions listed on Exhibit G. To the extent a Special District is entitled to an allocation for a direct payment through its inclusion in Exhibit G pursuant to a State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution, the Implementation Administrator, with the cooperation of the Settling States, shall also send individual written notice (which may be delivered via e-mail or other electronic means) of the opportunity to participate in this Agreement and the requirements of participation to such Special Districts. Unless otherwise agreed by the Parties, the version of Exhibit G used for notice shall be the one in place as of the State Participation Date. Notice (which may be delivered via e-mail or other electronic means) shall also be provided simultaneously to counsel of record for Litigating Subdivisions and known counsel for Non-Litigating Subdivisions and Special Districts listed on Exhibit G. The notice will include that the deadline for becoming a Participating Subdivision is the Threshold Subdivision Participation Date. Nothing contained herein shall preclude a Settling State from providing further notice to or otherwise contacting any of its Subdivisions about becoming a Participating

Subdivision, including beginning any of the activities described in this paragraph prior to the State Participation Date.

B. *Requirements for Becoming a Participating Subdivision—Non-Litigating Subdivisions*. A Non-Litigating Subdivision in a Settling State may become a Participating Subdivision by returning an executed Subdivision Participation Agreement to the Settlement Fund Administrator (subject to Section VII.D) specifying (1) that the Subdivision agrees to the terms of this Agreement pertaining to Subdivisions, (2) that the Subdivision releases all Released Claims against all Released Entities, (3) that the Subdivision agrees to use monies it receives, if any, from the Settlement Fund pursuant to the applicable requirements of Section V; *provided*, *however*, that Non-Litigating Subdivisions may only use monies originating from the Settlement Fund for purposes that qualify as Opioid Remediation, and (4) that the Subdivision submits to the jurisdiction of the court where the relevant state seat of government is located for purposes limited to that court's role under this Agreement. The required Participation Agreement is attached as Exhibit K.

C. *Requirements for Becoming a Participating Subdivision—Litigating Subdivisions/Later Litigating Subdivisions*. A Litigating Subdivision or Later Litigating Subdivision in a Settling State may become a Participating Subdivision by returning an executed Subdivision Participation Agreement to the Settlement Fund Administrator (subject to Section VII.D) and upon prompt dismissal with prejudice of its lawsuit following the Threshold Subdivision Participation Date or the date on which the conditions for effectiveness in Section II.C have been met, whichever is later. A Settling State may require each Litigating Subdivision in that State to specify on the Participation Agreement whether its counsel has waived any contingency fee contract with that Participating Subdivision and whether, if eligible, it intends to seek fees pursuant to Exhibit R. The Settlement Fund Administrator shall provide quarterly reports of this information to the parties organized by Settling State. A Litigating Subdivision or Later Litigating Subdivision may not become a Participating Subdivision after the completion of opening statements in a trial of the lawsuit it brought that includes a Released Claim against a Released Entity. For avoidance of doubt, where a subdivision official other than a General-Purpose Government has filed a lawsuit that includes a Released Claim against a Released Entity in a direct, *parens patriae*, or any other capacity, that Subdivision may become a Participating Subdivision only if, in addition to the other requirements of this Section VII.C, the lawsuit filed by the subdivision official has also been dismissed with prejudice.

D. All Subdivision Participation Agreements returned to the Settlement Fund Administrator prior to the Effective Date (if any) shall be held by the Settlement Fund Administrator until the Effective Date, at which time the obligations created by such forms and releases in them become effective. If, for any reason, the Settlement Agreement does not become effective, all obligations created by such forms and releases in them shall be void *ab initio* and all Settlement Participation Forms shall be returned to Counsel for Litigating Subdivisions or to the Subdivisions not represented by counsel or destroyed to the extent that such destruction is not prohibited by then-existing document preservation obligations.

E. *Ineligible Subdivisions*. Subdivisions in Non-Settling States and Prior Litigating Subdivisions are not eligible to be Participating Subdivisions.

F. *Non-Participating Subdivisions*. Non-Participating Subdivisions shall not directly receive any portion of any Payout Amount, including from the State Fund and direct distributions from the Remediation Accounts Fund; however, a Settling State may choose to fund future Opioid Remediation that indirectly benefits Non-Participating Subdivisions.

G. *Unpaid Allocations to Non-Participating Subdivisions*. Any payments allocated pursuant to Section V.D to a Non-Participating Subdivision that cannot be paid pursuant to this Section VII will either be allocated to the Settlement Fund for the Settling State in which the Non-Participating Subdivision is located, unless those payments are redirected elsewhere by a State-Subdivision Agreement or by a Statutory Trust, or be refunded to Walmart, if such funds may no longer be earned by the applicable Settling State pursuant to Section IV.C.1.

VIII. Additional Remediation

A. *Additional Remediation Amount.* Pursuant to the maximum payment amounts set forth in Exhibit M and subject to the reduction specified in Section VIII.B, Walmart shall pay an Additional Remediation Amount to the Settling States.

B. *Reduction of Additional Remediation Amount.* The amounts owed by Walmart pursuant to this Section VIII shall be reduced by the allocations set forth on Exhibit N for any Non-Settling States.

C. *Use of Funds.* All funds paid as an Additional Remediation Amount shall be part of the Total Remediation Amount, shall be used for Opioid Remediation, except as allowed by Section V.B.2, and shall be governed by the same requirements as specified in Section V.F. Such funds shall be disbursed by the Settlement Fund Administrator to the relevant Settling States as allocated by Exhibit N as part of the first payment in Payment Year 1.

D. For the avoidance of doubt, (1) notwithstanding anything to the contrary in Section VIII.C, but subject to the limitation in the second sentence of Section V.B.1 and the identification and reporting requirements in Section V.B.2, a Settling State that retained outside counsel in connection with the investigation of one or more Chain Pharmacies, as that term is defined in Exhibit S, that receives an Additional Remediation Amount because the Settling State was not otherwise eligible to receive funds from the State Outside Counsel Fee Fund may choose to have the Additional Remediation Amount designated to pay the Settling State's outside counsel, and may instruct the Settlement Fund Administrator to pay those funds directly to the Settling State's outside counsel, and (2) Additional Remediation Amount funds, including funds designated by a Settling State to pay its outside counsel under this paragraph, shall not be subject to allocation as provided in Sections V.C through V.E.

IX. Plaintiffs' Attorneys' Fees and Costs

The Agreement on Attorneys' Fees, Costs, and Expenses is set forth in Exhibit R and incorporated herein by reference. The Agreement on the State Outside Counsel Fee Fund and Agreement on the Joint State Cost Fund are set forth in Exhibit S and Exhibit T, respectively, and are incorporated herein by reference.

X. Release

A. *Scope.* As of the Threshold Subdivision Participation Date, the Released Entities are hereby released and forever discharged from all of the Releasors' Released Claims. Each Settling State (for itself and its Releasors) and Participating Subdivision (for itself and its Releasors) hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim; or to cause, assist in bringing or permit to be brought, filed, or claimed; or to otherwise seek to establish liability for any Released Claim against any Released Entity in any forum whatsoever. The releases provided for in this Agreement are broad, shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to any Released Claim, and extend to the full extent of the power of each Settling State and its Attorney General to release claims. This Agreement shall be a complete bar to any Released Claim.

B. *Claim-Over and Non-Party Settlement*.

1. It is the intent of the Parties that:

a. Released Entities should not seek contribution or indemnification (other than pursuant to an insurance contract), from other parties for their payment obligations under this Agreement;

b. the payments made under this Agreement shall be the sole payments made by the Released Entities to the Releasors involving, arising out of, or related to Alleged Harms and/or Covered Conduct (or conduct that would be Covered Conduct if engaged in by a Released Entity);

c. Claims by Releasors against non-Parties shall not result in additional payments by Released Entities, whether through contribution, indemnification or any other means; and

d. the Agreement meets the requirements of the Uniform Contribution Among Joint Tortfeasors Act and any similar state law or doctrine that reduces or discharges a released party's liability to any other parties.

The provisions of this Section X.B are to be implemented consistent with these principles. This Agreement and the releases and dismissals provided for herein are made in good faith.

2. No Released Entity shall seek to recover for amounts paid under this Agreement based on indemnification, contribution, or any other theory from a manufacturer, pharmacy, hospital, pharmacy benefit manager, health insurer, third-party vendor, trade association, distributor, or health care practitioner; *provided* that a Released Entity shall be relieved of this prohibition with respect to any entity that asserts a Claim-Over against it. For the avoidance of doubt, nothing herein shall prohibit a Released Entity from recovering amounts owed pursuant to insurance contracts.

3. If any Releasor enters into a Non-Party Settlement on or after the Effective Date, including in any bankruptcy case or through any plan of reorganization (whether individually or as a class of creditors), the Releasor will include (or in the case of a Non-

Party Settlement made in connection with a bankruptcy case, will cause the debtor to include), unless prohibited from doing so under applicable law, in the Non-Party Settlement a prohibition on contribution or indemnity of any kind substantially equivalent to that required from Walmart in Section X.B.2, or a release from such Non-Released Entity in favor of the Released Entities (in a form equivalent to the releases contained in this Agreement) of any Claim-Over. The obligation to obtain the prohibition and/or release required by this subsection is a material term of this Agreement.

4. If any Releasor obtains a judgment with respect to a Non-Party Covered Conduct Claim against a Non-Released Entity that does not contain the prohibition described in Section X.B.3, or any Releasor files a Non-Party Covered Conduct Claim against a Non-Released Entity in bankruptcy or a Releasor is prevented for any reason from obtaining a prohibition/release in a Non-Party Settlement as provided in Section X.B.3, and such Non-Released Entity asserts a Claim-Over against a Released Entity, the Released Entity shall be relieved of the prohibition in Section X.B.2 with respect to that Non-Released Entity and that Releasor and Walmart shall take the following actions to ensure that the Released Entities do not pay more with respect to Alleged Harms and/or Covered Conduct to Releasors or to Non-Released Entities than the amounts owed under this Settlement Agreement by Walmart:

a. Walmart shall notify that Releasor of the Claim-Over within sixty (60) calendar days of the assertion of the Claim-Over or sixty (60) calendar days of the Effective Date of this Agreement, whichever is later;

b. Walmart and that Releasor shall meet and confer concerning the means to hold Released Entities harmless and ensure that they are not required to pay more with respect to Alleged Harms and/or Covered Conduct than the amounts owed by Walmart under this Agreement;

c. That Releasor and Walmart shall take steps sufficient and permissible under the law of the State of the Releasor to hold Released Entities harmless from the Claim-Over and ensure Released Entities are not required to pay more with respect to Alleged Harms and/or Covered Conduct than the amounts owed by Walmart under this Agreement. Such steps may include, where permissible:

(i) Filing of motions to dismiss or such other appropriate motion by Walmart or Released Entities, and supported by Releasors, in response to any claim filed in litigation or arbitration;

(ii) Reduction of that Releasors' Claim and any judgment it has obtained or may obtain against such Non-Released Entity by whatever amount is necessary to extinguish such Claim-Over under applicable law, up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;

(iii) Placement into escrow of funds paid by the Non-Released Entities such that those funds are available to satisfy the Claim-Over;

(iv) Return of monies paid by Walmart to that Releasor under this Agreement to permit satisfaction of a judgment against or settlement with the Non-Released Entity to satisfy the Claim-Over;

(v) Payment of monies to Walmart by that Releasor to ensure Walmart is held harmless from such Claim-Over, up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;

(vi) Credit to Walmart under this Agreement to reduce the overall amounts to be paid under the Agreement such that it is held harmless from the Claim-Over; and

(vii) Such other actions as that Releasor and Walmart may devise to hold Walmart harmless from the Claim-Over.

d. The actions of that Releasor and Walmart taken pursuant to clause (c) above must, in combination, ensure Walmart is not required to pay more with respect to Alleged Harms and/or Covered Conduct than the amounts owed by Walmart under this Agreement.

e. In the event of any dispute over the sufficiency of the actions taken pursuant to clause (c) above, Releasor and Walmart may seek review by the National Arbitration Panel, or, upon consent of the parties to the dispute, by the state court where the relevant Consent Judgment was filed. The National Arbitration Panel shall have authority to order a remedy, including one or more of the actions specified in clause (c), sufficient to hold Released Entities fully harmless. In the event that the Panel's actions do not result in Released Entities being held fully harmless, Walmart shall have a claim for breach of this Agreement by Releasors, with the remedy being payment of sufficient funds to hold Walmart harmless from the Claim-Over. For the avoidance of doubt, the prior sentence does not limit or eliminate any other remedy that Walmart may have.

5. To the extent that the Claim-Over is based on a contractual indemnity, the obligations under Section X.B.4 shall extend solely to a Non-Party Covered Conduct Claim against a pharmacy, distributor, clinic, hospital or other purchaser or dispenser of Products, a manufacturer that sold Products, a consultant, and/or a pharmacy benefit manager or other third-party payor. Walmart shall notify the Settling States, to the extent permitted by applicable law, in the event that any of these types of Non-Released Entity asserts a Claim-Over arising out of contractual indemnity against it.

C. *Indemnification and Contribution Prohibited.* No Released Entity shall seek to recover for amounts paid under this Agreement based on indemnification, contribution, or any other theory, from a manufacturer, pharmacy, hospital, pharmacy benefit manager, health insurer, third-party vendor, trade association, distributor, or health care practitioner; *provided* that a

Released Entity shall be relieved of this prohibition with respect to any entity that asserts a Claim-Over against it. For the avoidance of doubt, nothing herein shall prohibit a Released Entity from recovering amounts owed pursuant to insurance contracts. For the avoidance of doubt, nothing herein shall prohibit a Released Entity from recovering amounts owed pursuant to insurance contracts.

D. *General Release*. In connection with the releases provided for in this Agreement, each Settling State (for itself and its Releasors) and Participating Subdivision (for itself and its Releasors) expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any State or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

> **General Release; extent**. A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that if known by him or her, would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Settling State (for itself and its Releasors) and Participating Subdivision (for itself and its Releasors) hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date even if Releasors do not know or suspect such claims to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and even if knowledge of the existence of such claims would materially affect the Settling States' decision to enter into this Agreement or the Participating Subdivisions' decision to participate in this Agreement.

E. *Assigned Interest Waiver*. To the extent that any Settling State has any direct or indirect interest in any rights of a third-party that is a debtor under the Bankruptcy Code as a result of a claim arising out of Covered Conduct or Alleged Harms by way of assignment or otherwise, including as a result of being the beneficiary of a trust or other distribution entity, to assert claims against Walmart (whether derivatively or otherwise), under any legal or equitable theory, including for indemnification, contribution, or subrogation, such Settling State waives the right to assert any such claim, or to receive a distribution or any benefit on account of such claim and such claim, distribution, or benefit shall be deemed assigned to Walmart.

F. *Res Judicata*. Nothing in this Agreement shall be deemed to reduce the scope of the res judicata or claim preclusive effect that the settlement memorialized in this Agreement, and/or any Consent Judgment or other judgment entered on this Agreement, gives rise to under applicable law.

G. *Representation and Warranty*. The signatories hereto on behalf of their respective Settling States expressly represent and warrant that they have (or will obtain no later than the Threshold Subdivision Participation Date) the authority to settle and release, to the maximum extent of the State's power, all Released Claims of (1) their respective Settling States, (2) all past

and present executive departments, state agencies, divisions, boards, commissions and instrumentalities with the regulatory authority to enforce state and federal controlled substances acts, and (3) any of their respective Settling State's past and present executive departments, agencies, divisions, boards, commissions and instrumentalities that have the authority to bring Claims related to Alleged Harms and/or Covered Conduct seeking money (including abatement and/or remediation) or revocation of a pharmaceutical distribution or dispensing license. For the purposes of clause (3) above, executive departments, agencies, divisions, boards, commissions, and instrumentalities are those that are under the executive authority or direct control of the State's Governor. Also for the purposes of clause (3), a release from a State's Governor, to be materially similar to that in Exhibit X, is sufficient to demonstrate that the appropriate releases have been obtained.

H. *Effectiveness*. The releases set forth in this Agreement shall not be impacted in any way by any dispute that exists, has existed, or may later exist between or among the Releasors. Nor shall such releases be impacted in any way by any current or future law, regulation, ordinance, or court or agency order limiting, seizing, or controlling the distribution or use of the Settlement Fund or any portion thereof, or by the enactment of future laws, or by any seizure of the Settlement Fund or any portion thereof.

I. *Cooperation*. Settling States will meet and confer with Walmart and simultaneously make reasonable efforts to resolve any action filed by a Subdivision involving any Covered Conduct, Alleged Harms, or a Product that remains pending against Walmart after the First Subdivision Participation Date or that is filed by a Subdivision against Walmart after November 14, 2022. Releasors (i) will not encourage any person or entity to bring or maintain any Released Claim against any Released Entity and (ii) will reasonably cooperate with and not oppose any effort by a Released Entity to secure the prompt dismissal of any and all Released Claims.

J. *Non-Released Claims.* Notwithstanding the foregoing or anything in the definition of Released Claims, this Agreement does not waive, release or limit any criminal liability, Claims for liability under tax law, Claims under securities law by a State Releasor as investor, Claims against parties who are not Released Entities, Claims by private individuals, and any Claims arising under this Agreement for enforcement of this Agreement.

XI. Later Litigating Subdivisions; Non-Settling States

A. *Released Claims against Released Entities.* If a Later Litigating Subdivision in a Settling State maintains a lawsuit for a Released Claim against a Released Entity after the Effective Date, the Released Entity shall take ordinary and reasonable measures to defend the action, including filing a Threshold Motion with respect to the Released Claim. The Released Entity shall further notify the Settling State and Settlement Fund Administrator immediately upon notice of a Later Litigating Subdivision bringing a lawsuit for a Released Claim and shall not oppose a Settling State's submission in support of the Threshold Motion. Walmart shall give the relevant Settling State a reasonable opportunity to extinguish the Released Claims without any payment or any other obligations being imposed upon any Released Entities (apart from the Global Settlement Amount payable by Walmart under the Agreement or the Injunctive Relief Terms incurred by it). The relevant Settling State and Walmart shall confer and use reasonable efforts to promptly resolve

the lawsuit so that it is dismissed with prejudice. Nothing in this subsection creates an obligation for a Settling State to make a monetary payment or incur any other obligation to an entity filing a lawsuit.

B. *Non-Settling States.* Non-Settling States shall not be eligible for any payments or have any rights in connection with this Agreement.

C. *Settlement Class Resolution Opt Outs.* If a Settling State is eligible for Incentive Payment A on the basis of a Settlement Class Resolution, and a Primary Subdivision that opted out of the Settlement Class Resolution maintains a lawsuit asserting a Released Claim against a Released Entity, the Released Entity shall take ordinary and reasonable measures to defend the action, including filing a Threshold Motion with respect to the Released Claim. The Settling State shall seek to obtain either dismissal of the lawsuit in cooperation with Walmart, or a release of the Primary Subdivision's claims.

D. *Revoked Bar, Settlement Class Resolution, or Case-Specific Resolution.* If a Settling State received any Payout Amounts that included any incentive payments earned as a result of the existence of a Bar, Settlement Class Resolution, or Case-Specific Resolution in a Settling State, and there is subsequently a Revocation Event with respect to that Bar, Settlement Class Resolution, or Case-Specific Resolution after the determination of the amount of such Payout Amount, that Settling State shall seek to obtain a release of the claims impacted by the Revocation Event, including but not limited to defending the legality of the Bar, obtaining a dismissal of the claims made against the Released Entity, and obtaining releases from impacted Subdivisions.

XII. Miscellaneous

A. *Population of General-Purpose Governments.* The population figures for General-Purpose Governments shall be the published U.S. Census Bureau's population estimates for July 1, 2019, released May 2020. These population figures shall remain unchanged during the term of this Agreement.[12]

B. *Population of Special Districts*. For any purpose in this Agreement in which the population of a Special District is used other than Section IV.E.1.a and Section IV.E.3.b: (a) School Districts' populations will be measured by the number of students enrolled who are eligible under the Individuals with Disabilities Education Act ("*IDEA*") or Section 504 of the Rehabilitation Act of 1973; (b) Health Districts' and Hospital Districts' populations will be measured at twenty-five percent (25%) of discharges; and (c) all other Special Districts' (including fire districts' and library districts') populations will be measured at ten percent (10%) of the population served. For the avoidance of doubt, this means that California healthcare districts will be measured at ten percent (10%) of their membership. Walmart and the Enforcement Committee shall meet and confer in order to agree on data sources for purposes of this Section XII.B prior to the State Participation Date.

[12] The estimates for counties and parishes were accessed at https://www.census.gov/data/datasets/time-series/demo/popest/2010s-countiestotal.html. The estimates for cities and towns can currently be found at https://www.census.gov/data/datasets/time-series/demo/popest/2010s-total-cities-and-towns.html.

C. *Population Associated with Sheriffs*. For any purpose in this Agreement in which the population associated with a lawsuit by a sheriff is used, the population will be measured at twenty percent (20%) of the capacity of the jail(s) operated by the sheriff.

D. *No Admission.* The Parties intend the settlement as described herein to be a final and complete resolution of all disputes between Walmart and all Releasors. Walmart is entering into this Agreement solely for the purposes of settlement, to resolve all Actions and Released Claims and thereby avoid significant expense, inconvenience and uncertainty. Walmart denies the allegations in the Actions and denies any civil or criminal liability in the Actions. Nothing contained herein may be taken as or deemed to be an admission or concession by Walmart of: (i) any violation of any law, regulation, or ordinance; (ii) any fault, liability, or wrongdoing; (iii) the strength or weakness of any Claim or defense or allegation made in any Action, or in any other past, present or future proceeding relating to any Covered Conduct, Alleged Harms, or any Product; (iv) the legal viability of the Claims and theories in any Action, including but not limited to the legal viability of the relief sought; or (v) any other matter of fact or law. Nothing in this Agreement shall be construed or used to prohibit any Released Entity from engaging in the conduct of its business relating to any Product in accordance with the Injunctive Relief Terms and applicable laws and regulations.

E. *Most-Favored-Nation Provision*.

1. If, after the Effective Date, Walmart enters into any settlement agreement with any Non-Settling State that resolves Claims similar in scope to the Claims released by a Settling State under this Agreement on overall payment terms that are more favorable to such Non-Settling State than the overall payment terms of the Agreement (after due consideration of relevant differences in population or other appropriate factors), then the Settling States may elect to seek review, pursuant to Section XII.E.3, of the overall payment terms of this Agreement and the Non-Settling State agreement so that such Settling State(s) may obtain, with respect to Walmart, overall payment terms at least as favorable as those obtained by such Non-Settling State. "*Overall payment terms*" refers to consideration of all payment terms of the two agreements, taken together, including, but not limited to the amounts of payments, the timing of payments, and conditions or contingencies on payments.

2. For any settlement with a Non-Settling State involving Released Claims that is entered into after the Effective Date, Walmart shall provide the Enforcement Committee with a copy of the settlement agreement or relevant consent judgment within thirty (30) calendar days of the consummation of such settlement. The Enforcement Committee will promptly distribute such copy to all Settling States.

3. In the event that one or more Settling State(s) believes that the overall payment terms of an agreement by Walmart with a Non-Settling State are more favorable to the Non-Settling State, based on the totality of the considerations set forth in Section XII.E.1, the Settling State(s) and Walmart shall engage in the following process:

a. The Settling State(s) shall provide notice, within sixty (60) calendar days of the date on which the Enforcement Committee provides a settlement

agreement or consent judgment to Walmart of their intent to seek revision of this Agreement to provide payment terms that are, on an overall basis, as favorable as those obtained by the Non-Settling State. To the extent allowed by law, such notice shall be confidential and not disclosed publicly and shall provide, in detail, the basis for the State's belief that it is entitled to a revision of the Agreement.

b. Walmart shall, within thirty (30) calendar days, provide a response to the Settling State(s), explaining its position, in detail, as to whether is the Settling State(s) are entitled to more favorable overall payment terms than those provided for in this Agreement.

c. In the event the Settling State(s) and Walmart do not reach agreement as to the application of Section XII.E.1, the Settling State(s) may petition the National Arbitration Panel to seek a ruling from the Panel as to the applicability of Section XII.E.1, provided that the Settling State(s) may seek such review only if at least five (5) Settling States co-sign the petition. The Panel shall consider submissions and argument by the parties pursuant to the procedures set forth in Section VI.F.3.

d. The Settling State and Walmart shall be bound by the determination of the National Arbitration Panel.

4. This Section XII.E does not apply to, and there is no ability of any Settling State to seek or obtain revision of this Agreement based on, any Non-Settling State agreement with Walmart that is entered into with: (a) a Non-Settling State after a date ninety (90) calendar days prior to the scheduled start date of a trial between Walmart and the Non-Settling State or any severed or bifurcated portion thereof, provided that, where, in order to complete a settlement, a Non-Settling State and Walmart jointly request an adjournment of the scheduled start date of a trial within ninety (90) days of that date, this exception will apply as if the trial date had not been adjourned; (b) a Non-Settling State that previously litigated to judgment a case related to opioids against any manufacturer, distributor, or pharmacy; or (c) a Non-Settling State that has obtained any court order or judicial determination that grants judgment (in whole or in part) against Walmart. For avoidance of doubt, the National Arbitration Panel shall have no power to review agreements described in this paragraph.

5. This Section XII.E does not apply to, and there is no ability of any Settling State to seek or obtain revision of this Agreement based on, any agreement between Walmart and Non-Participating Subdivisions.

6. This Section XII.E will not apply to any agreement entered into more than eighteen (18) months after the Effective Date.

F. *Tax Cooperation and Reporting*.

1. Upon request by Walmart, the Settling States and Participating Subdivisions agree to perform such further acts and to execute and deliver such further documents as may be reasonably necessary for Walmart to establish the statements set forth in Section

V.F to the satisfaction of their tax advisors, their independent financial auditors, the Internal Revenue Service, or any other governmental authority, including as contemplated by Treasury Regulations Section 1.162-21(b)(3)(ii) and any subsequently proposed or finalized relevant regulations or administrative guidance.

2. Without limiting the generality of Section XII.F.1, each Settling State and Participating Subdivision shall cooperate in good faith with Walmart with respect to any tax claim, dispute, investigation, audit, examination, contest, litigation, or other proceeding relating to this Agreement.

3. The Designated State, on behalf of all Settling States and Participating Subdivisions, shall designate one of its officers or employees to act as the "appropriate official" within the meaning of Treasury Regulations Section 1.6050X-1(f)(1)(ii)(B) (the "*Appropriate Official*"). The Designated State shall direct and ensure that the Appropriate Official timely (a) files (i) at the time this Agreement becomes binding on the Parties, an IRS Form 1098-F in the form attached as Exhibit U with respect to Walmart and (ii) any legally required returns or amended returns with any applicable governmental authority, or any returns requested by Walmart, and (b) provides to Walmart a copy of (i) the IRS Form 1098-F filed with respect to Walmart and (ii) any legally required written statement pursuant to any applicable law and any other document referred to in clause (a)(ii) above. Any such form, return, or statement shall be prepared and filed in a manner fully consistent with Section V.F.

4. Any return, amended return, or written statement filed or provided pursuant to Section XII.F.3, and any similar document, shall be prepared and filed in a manner consistent with reporting the Global Settlement Amount as the "Total amount to be paid" pursuant to this Agreement in Box 1 of IRS Form 1098-F and the Total Remediation Amount as "Restitution/remediation amount" in Box 2 of IRS Form 1098-F, as reflected in the attached Exhibit U. If the Designated State or Appropriate Official shall be required to file any return, amended return, or written statement contemplated by this Section XII.F other than an IRS Form 1098-F in the form attached as Exhibit U, the Designated State shall direct and ensure that the Appropriate Official provides to Walmart a draft of such return, amended return, or written statement no later than sixty (60) calendar days prior to the due date thereof, and shall accept any reasonable revisions from Walmart on the return, amended return, or written statement.

5. For the avoidance of doubt, neither Walmart nor the Settling States and Participating Subdivisions make any warranty or representation to any Settling State, Participating Subdivision, or Releasor as to the tax consequences of the payment of the Total Remediation Amount (or any portion thereof).

G. *No Third-Party Beneficiaries.* Except as expressly provided in this Agreement, no portion of this Agreement shall provide any rights to, or be enforceable by, any person or entity that is not a Settling State or Released Entity. No Settling State may assign or otherwise convey any right to enforce any provision of this Agreement.

H. *Calculation*. Any figure or percentage referred to in this Agreement shall be carried to seven decimal places.

I. *Construction*. None of the Parties and no Participating Subdivision shall be considered to be the drafter of this Agreement or of any of its provisions for the purpose of any statute, case law, or rule of interpretation or construction that would or might cause any provision to be construed against the drafter of this Agreement. The headings of the provisions of this Agreement are not binding and are for reference only and do not affect the meaning of this Agreement.

J. *Cooperation*. Each Party and each Participating Subdivision agrees to use reasonable efforts and to cooperate with the other Parties and Participating Subdivisions to cause this Agreement and Consent Judgments to become effective, to obtain all necessary approvals, consents and authorizations, if any, and to execute all documents and to take such other action as may be appropriate in connection herewith. Consistent with the foregoing, each Party and each Participating Subdivision agrees that it will not directly or indirectly assist or encourage any challenge to this Agreement or any Consent Judgment by any other person, and will support the integrity and enforcement of the terms of this Agreement and the Consent Judgments.

K. *Entire Agreement*. This Agreement, including its exhibits and any other attachments, embodies the entire agreement and understanding between and among the Parties and Participating Subdivisions relating to the subject matter hereof and supersedes (1) all prior agreements and understandings relating to such subject matter, whether written or oral and (2) all purportedly contemporaneous oral agreements and understandings relating to such subject matter.

L. *Execution*. This Agreement may be executed in counterparts and by different signatories on separate counterparts, each of which shall be deemed an original, but all of which shall together be one and the same Agreement. One or more counterparts of this Agreement may be delivered by facsimile or electronic transmission with the intent that it or they shall constitute an original counterpart hereof. One or more counterparts of this Agreement may be signed by electronic signature.

M. *Good Faith and Voluntary Entry*. Each Party warrants and represents that it negotiated the terms of this Agreement in good faith. Each of the Parties and Participating Subdivisions warrants and represents that it freely and voluntarily entered into this Agreement without any degree of duress or compulsion. The Parties and Participating Subdivisions state that no promise of any kind or nature whatsoever (other than the written terms of this Agreement) was made to them to induce them to enter into this Agreement.

N. *Legal Obligations*. Nothing in this Agreement shall relieve Walmart of the obligation to comply with all state and federal laws, regulations or rules, nor does any provision herein permit any acts or practices prohibited by such laws, regulations, or rules. Except with respect to the Injunctive Relief Terms, in the event of a conflict between this Agreement and any requirement or requirements of federal, state, or local laws, such that Walmart cannot comply with this Agreement without violating such a requirement or requirements, Walmart shall document such conflicts and notify the Attorney(s) General of the relevant Settling State(s) that it intends to comply with the requirement or requirements to the extent necessary to eliminate the conflict.

With respect to the Injunctive Relief Terms, in the event of such a conflict, the procedures set forth in Exhibit P at § I(4)(c) of the Injunctive Relief Terms will be followed.

O. *No Prevailing Party.* The Parties and Participating Subdivisions each agree that they are not the prevailing party in this action, for purposes of any claim for fees, costs, or expenses as prevailing parties arising under common law or under the terms of any statute, because the Parties and Participating Subdivisions have reached a good faith settlement. The Parties and Participating Subdivisions each further waive any right to challenge or contest the validity of this Agreement on any ground, including, without limitation, that any term is unconstitutional or is preempted by, or in conflict with, any current or future law. Nothing in the previous sentence shall modify, or be construed to conflict with, Section XII.N.

P. *Non-Admissibility*. Neither this Agreement nor any act performed or document executed pursuant to or in furtherance of this Agreement: (i) is or may be deemed to be or may be used as an admission or evidence relating to any matter of fact or law alleged in the Actions, the strength or weakness of any Claim or defense or allegation made in those cases, or any wrongdoing, fault, or liability of any Released Entities; or (ii) is or may be deemed to be or may be used as an admission or evidence relating to any liability, fault or omission of Released Entities in any civil, criminal or administrative proceeding in any court, administrative agency or other tribunal. Neither this Agreement nor any act performed or document executed pursuant to or in furtherance of this Agreement shall be admissible in any proceeding for any purpose, except to enforce the terms of this Agreement, and except that Released Entities may file or use this Agreement in any action (1) involving a determination regarding insurance coverage; (2) involving a determination of the taxable income or tax liability of any Released Entities; (3) to support a defense or counterclaim based on principles of res judicata, collateral estoppel, release, good-faith settlement, judgment bar or reduction or on any other theory of claim preclusion or issue preclusion or similar defense or counterclaim; (4) to support a Claim for contribution and/or indemnification; or (5) to support any other argument or defense by a Released Entities that the Remediation Payment provides a measure of compensation for Alleged Harms or otherwise satisfy the relief sought.

Q. *Notices.* All notices or other communications under this Agreement shall be in writing (including, but not limited to, electronic communications) and shall be given to the recipients indicated below:

Any Party or the Plaintiffs' Executive Committee may change or add the contact information of the persons designated to receive notice on its behalf by notice given (effective upon the giving of such notice) as provided in this Section XII.Q.

R. *No Waiver*. The waiver of any rights conferred hereunder shall be effective only if made by written instrument executed by the waiving Party or Parties. The waiver by any Party of any breach of this Agreement shall not be deemed to be or construed as a waiver of any other breach, whether prior, subsequent, or contemporaneous, nor shall such waiver be deemed to be or construed as a waiver by any other Party.

S. *Severability.* In the event any one or more immaterial provisions of this Agreement shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision of this Agreement.

T. *Preservation of Privilege.* Nothing contained in this Agreement or any Consent Judgment, and no act required to be performed pursuant to this Agreement or any Consent Judgment, is intended to constitute, cause, or effect any waiver (in whole or in part) of any attorney-client privilege, work product protection, or common interest/joint defense privilege, and each Party and Participating Subdivision agrees that it shall not make or cause to be made in any forum any assertion to the contrary.

U. *Successors*.

1. This Agreement shall be binding upon, and inure to the benefit of, Walmart and its respective successors and assigns.

2. Walmart shall not sell the majority of its voting stock or substantially all its assets without obtaining the acquiror's agreement that it will constitute a successor with respect to Walmart's obligations under this Agreement.

3. Walmart shall not in one (1) transaction, or a series of related transactions, sell, or transfer assets (other than sales or transfers of inventories, or sales or transfers to an entity owed directly or indirectly by Walmart) having a fair market value equal to twenty-five percent (25%) or more of the consolidated assets of Walmart where the sale or transfer transaction is announced after the Effective Date, is not for fair consideration, and would foreseeably and unreasonably jeopardize Walmart's ability to make the payments under this Agreement that are due on or before the third Payment Date following the close

of a sale or transfer transaction. The above restriction shall not apply if Walmart obtains the acquiror's agreement that it will be either a guarantor of or successor to the percentage of Walmart's remaining payment obligations under this Agreement equal to the percentage of Walmart's consolidated assets being sold or transferred in such transaction. Percentages under this section shall be determined in accordance with the United States generally accepted accounting principles and as of the date of Walmart's most recent publicly filed consolidated balance sheet prior to the date of entry into the sale or transfer agreement at issue. This Section XII.U.3 shall be enforceable solely by the Enforcement Committee, and any objection under this Section XII.U.3 not raised within twenty (20) calendar days from the date that Walmart transmits notice of the transaction to the Enforcement Committee is waived. Any dispute under this Section XII.U.3 shall be a National Dispute as described in Section VI.F.3 and must be raised exclusively with the National Arbitration Panel as described therein within twenty (20) calendar days of the announcement, and the sole remedy shall be an order enjoining the transaction.

4. The restrictions set forth in Sections XII.U.2-3 shall expire sixty (60) days after Walmart satisfies the payment terms in Section IV.B.

V. *Waiver*. Walmart, for good and valuable consideration the receipt of which is acknowledged, hereby (a) waives, foregoes and relinquishes all rights to utilize and/or seek relief under any of the following laws of the State of Texas for the restructuring of its debts or liabilities related to Released Claims, Claims that would have been Released Claims if they had been brought by a Releasor against a Released Entity before the Effective Date, or this Agreement: Tex. Bus. Orgs. Code § 10.003 (Contents of Plan of Merger: More Than One Successor) or any other statute of Subchapter A of Chapter 10 of Tex. Bus. Orgs. Code to the extent such statute relates to multi-successor mergers (and/or any other similar laws or statutes in any other state or territory); Tex. Bus. Orgs. Code §§ 11.01–11.414 (Winding Up and Termination of Domestic Entity); or Tex. Bus. & Com. Code §§ 23.01–23.33 (Assignments for the Benefit of Creditors) (collectively, the "Texas Statutes"), and (b) agrees, warrants and represents that it will not file, request or petition for relief under the Texas Statutes related to its debts or liabilities related to Released Claims, Claims that would have been Released Claims if they had been brought by a Releasor against a Released Entity before the Effective Date, or this Agreement, in each case until ninety (90) days after Walmart satisfies the payment terms in Section IV.B. The foregoing waiver and relinquishment includes, without limitation, until ninety (90) days after Walmart satisfies the payment terms in Section IV.B, Walmart's rights to execute a divisional merger or equivalent transaction or restructuring related to its debts or liabilities related to Released Claims, Claims that would have been Released Claims if they had been brought by a Releasor against a Released Entity before the Effective Date, or this Agreement that in each case has the intent or foreseeable effect of (i) separating material assets from material liabilities and (ii) assigning or allocating all or a substantial portion of those liabilities to any subsidiary or affiliate that files for relief under chapter 11 of the Bankruptcy Code, or pursuant to which such subsidiary or affiliate that files for relief under chapter 11 of the Bankruptcy Code would be assuming or retaining all or a substantial portion of those liabilities.

W. *Modification, Amendment, Alteration.* In the event the Plaintiffs' Executive Committee, the Executive Committee of the State Attorneys General, or Walmart concludes prior to December 1, 2022 that technical corrections are required to this Agreement, the Plaintiffs' Executive Committee, the Executive Committee of the State Attorneys General, and Walmart shall

meet and confer and make such amendments as they agree are appropriate. Except as otherwise provided in this Agreement, after the State Participation Date, any modification, amendment, or alteration of this Agreement by the Parties shall be binding only if evidenced in writing signed by Walmart, along with the signatures of at least two-thirds of the Settling States along with a representation from each such Settling State that either: (1) the Advisory Committee or similar entity established or recognized by that Settling State (either pursuant to Section V.E.2.d, by a State-Subdivision Agreement, or by statute) voted in favor of the modification, amendment or alteration of this Agreement including at least one member appointed by the Participating Subdivisions; or (2) in States without any Advisory Committee, that 50.1% (by population) of the Participating Subdivisions expressed approval of the modification, amendment, or alteration of this Agreement in a writing.

X. *Termination*.

1. Unless otherwise agreed to by Walmart and the Settling State in question, this Agreement or the Consent Judgment as to that Settling State and all of its terms (except Section XII.P and any other non-admissibility provisions, which shall continue in full force and effect) shall be canceled and terminated with respect to the Settling State, and the Agreement and all orders issued by the courts in the Settling State pursuant to the Agreement shall become null and void and of no effect, only if one or more of the following conditions applies:

a. a Consent Judgment approving this Agreement without modification of any of the Agreement's terms has not been entered as to the Settling State by a court of competent jurisdiction on or before one hundred eighty (180) days after the Effective Date; or

b. this Agreement has been disapproved by a court of competent jurisdiction to which it was presented for approval and/or entry (or, in the event of an appeal from or review of a decision of such a court to approve this Agreement and the Consent Judgment, by the court hearing such appeal or conducting such review), and the time to appeal from such disapproval has expired, or, in the event of an appeal from such disapproval, the appeal has been dismissed or the disapproval has been affirmed by the court of last resort to which such appeal has been taken and such dismissal or disapproval has become no longer subject to further appeal (including, without limitation, review by the United States Supreme Court).

2. If this Agreement is terminated with respect to a Settling State for whatever reason pursuant to Section XII.X.1, then:

a. an applicable statute of limitation or any similar time requirement (excluding any statute of repose) shall be tolled from the date the Settling State signed this Agreement until the later of the time permitted by applicable law or for one year from the date of such termination, with the effect that Walmart and the Settling State in question shall be in the same position with respect to the statute of limitation as they were at the time the Settling State filed its action; and

b. Walmart and the Settling State in question shall jointly move the relevant court of competent jurisdiction for an order reinstating the actions and claims dismissed pursuant to the terms of this Agreement governing dismissal, with the effect that Walmart and the Settling State in question shall be in the same position with respect to those actions and claims as they were at the time the action or claim was stayed or dismissed.

3. Unless Walmart and the Enforcement Committee agree otherwise, this Agreement, with the exception of the Injunctive Relief Terms that have their own provisions on duration, shall terminate as to all Parties after the Payout Amount in Payment Year 6 is paid, *provided* that Walmart has performed its payment obligations under the Agreement as of that date. Notwithstanding any other provision in this Section XII.X.3 or in this Agreement, all releases under this Agreement will remain effective in perpetuity.

Y. *Governing Law.* Except (1) as otherwise provided in this Agreement or (2) as necessary, in the sole judgment of the National Arbitration Panel, to promote uniformity of interpretation for matters within the scope of the National Arbitration Panel's authority, this Agreement shall be governed by and interpreted in accordance with the respective laws of each Settling State, without regard to the conflict of law rules of such Settling State, that is seeking to enforce the Agreement against Walmart or against which Walmart is seeking enforcement. Notwithstanding any other provision in this subsection on governing law, any disputes relating to the Settlement Fund Escrow shall be governed by and interpreted in accordance with the law of the state where the escrow agent has its primary place of business.

EXHIBIT A

Alleged Harms

The following expert reports that were filed in connection with the case captioned *In re: National Prescription Opiate Litigation*, No. 1: 17-md-2804 (N.D. Ohio) provide non-exclusive examples of Alleged Harms:

1. Expert report of G. Caleb Alexander, dated April 16, 2021.

2. Expert report of David Cutler, dated April 16, 2021; supplemental expert report of David Cutler, dated April 21, 2021; and second supplemental expert report of David Cutler, dated May 10, 2021.

3. Expert report of David Herzberg, dated April 16, 2021.

4. Expert report of Katherine M. Keyes, Ph.D., dated April 16, 2021; supplemental expert report of Katherine M. Keyes, Ph.D, dated June 2, 2021.

5. Expert report of Dr. Anna Lembke, dated April 16, 2021.

6. Expert report of Harvey Rosen, dated April 16, 2021.

7. Expert report of Nancy Young, dated April 16, 2021.

EXHIBIT B

Enforcement Committee Organization Bylaws

ARTICLE I

These bylaws constitute the code of rules adopted by the Settling States and Participating Subdivisions for the creation of an Enforcement Committee (the "Committee") to exist and operate during the term of the Agreement in connection with Walmart and shall control the regulation and management of the Committee's affairs.

ARTICLE II
Purpose

The Committee is organized for the sole purpose of evaluating and taking such action as deemed reasonable, necessary, and appropriate by the members of the Committee on the matters delegated to the Committee under that certain Settlement Agreement between the Settling States and Walmart dated November 14, 2022.

ARTICLE III
Members of the Committee

(1) Number of Members

The Committee will consist of sixteen (16) members (the "Members"). Upon majority resolution of the Committee, the number of Members may be increased or decreased from time to time, but in no event shall a decrease have the effect of decreasing the total number of Members to less than seven Members.

(2) Initial Members

The Committee initially will consist of ten (10) Settling State Members and six (6) Participating Subdivision Members; three (3) of the Participating Subdivisions shall be counties and three (3) shall be municipalities. The initial Settling State Members are representatives from: Connecticut, Delaware, Illinois, Indiana, Louisiana, New York, North Carolina, Ohio, Tennessee, and Texas. The initial Participating Subdivision Members are: [●]. Until fifteen (15) months from the Effective Date contained in the Settlement Agreement, the Participating Subdivisions may designate their outside counsel to serve as their representative. After fifteen (15) months from the Effective Date, an employee or official of the Participating Subdivision must be the designated as the representative of the Participating Subdivision.

(3) Term of Members

The term of office for Members of the Committee will be until the end of the term of the Settlement Agreement unless and until a Member withdraws or resigns from the Committee.

(4) Resignation

Any Member may resign at any time by delivering written notice to the Chairperson of the Committee. Such resignation shall take effect upon receipt or, if later, at the time specified in the notice.

(5) Removal

(a) Any Member may be removed without cause, at any time, by a majority of the entire Committee, at a Regular or Special Meeting called for that purpose. Any Member under consideration of removal must first be notified about the consideration by written notice at least five days prior to the meeting at which the vote takes place.

(b) In the event that any Member is not a Settling State or a Participating Subdivision or the Member subsequently becomes a Later Litigating Subdivision, the Member shall be removed immediately without notice or vote of the Committee.

(6) Vacancies

In the event of a vacancy, the Members of the same type (Settling State or Participating Subdivision) shall select another Settling State or Participating Subdivision to fill that Member's position.

(7) Compensation

Members shall not receive any salaries or other compensation for their services, but, by resolution of the Committee, may be reimbursed for any actual expenses incurred in the performance of their duties for the Committee, as long as a majority of disinterested Members approve the reimbursement. Any reimbursement shall be sought from the Settlement Fund Administrator.

ARTICLE IV
Conflicts of Interest and Code of Ethics

If a Member, agent, or employee of the Committee has a conflict of interest, he or she may not participate in a vote, discussion, or decision about the matter. Each Member shall follow any applicable state or local law with respect to conflicts, gifts, and ethics.

ARTICLE V
Committee Meetings

(1) Place of Meetings

Meetings of the Committee will be held at any place that the Chairperson may designate, including by telephonic or electronic means.

(2) Regular Meetings

Regular meetings of the Committee shall be held as deemed necessary by the Chairperson or any three members.

(3) Notice of Meetings

Written notice of the date, time, place and subject of each meeting must be provided to the Members at least 72 hours before the scheduled time of the meeting, except when there is an emergency or urgent public necessity.

(4) Quorum

A majority of the incumbent Members (not counting vacancies) shall constitute a quorum for the purposes of convening a meeting or conducting business.

(5) Voting and Proxy

When it is necessary to vote on any matter before the Committee, Members may vote by electronic means as provided in these Bylaws. Proxy voting is permitted. In order for a matter to pass, the matter must have a majority vote of Members present and must have at least one vote from a Settling State Member and a Participating Subdivision Member. In the event that there is a Quorum, but no Settling State or Participating Subdivision Member is present, then a matter may pass with a simple majority vote.

(6) Minutes

The Committee shall prepare and keep minutes. The minutes must state the subject of each deliberation and indicate each vote, order, decision, or other action taken.

ARTICLE VI
Officers

(1) Roster of Officers

The Committee shall have a Chairperson, a Vice Chairperson, and a Secretary. The Committee may have at its discretion, such other officers as may be appointed by the Members of the Committee. One person may hold two or more offices, except those serving as Chairperson.

(2) Election and Removal of Officers

All officers shall serve two-year terms. The election shall be conducted at the first meeting of the fiscal year. Officers shall remain in office until their successors have been selected. Officers may serve consecutive terms without limit. The election of officers shall be by majority vote of the Members of the Committee attending the meeting.

(3) Vacancies

If a vacancy occurs during the term of office for any elected officer, the Members of the Committee shall elect a new officer to fill the remainder of the term as soon as practical, by majority vote of Members present.

(4) Chairperson

The Chairperson will supervise and control the affairs of the Committee and shall exercise such supervisory powers as may be given him/her by the Members of the Committee. The Chairperson will perform all duties incident to such office and such other duties as may be provided in these bylaws or as may be prescribed from time to time by the Committee. The Chairperson shall preside at all meetings and shall exercise parliamentary control in accordance with Robert's Rules of Order.

(5) Vice Chairperson

The Vice Chairperson shall act in place of the Chairperson in the event of the Chairperson's absence, inability, or refusal to act, and shall exercise and discharge such other duties as may be required by the Committee. The Vice Chairperson shall serve as the parliamentarian and interpret any ambiguities of the bylaws.

(6) Secretary

The Secretary will keep and maintain all records related to the Committee and take minutes of all meetings.

(7) Records

All elected officers and committee chairpersons shall relinquish their records to the Chairperson immediately upon the completion of their term of office or completion of a project.

(8) Resignation

An officer may resign the office while not resigning membership from the Committee, by submitting a letter to the Chairperson. Vacancies occurring in any office shall be appointed for the remainder of the term.

ARTICLE VII
Duties

(1) Prior to the Effective Date

The Committee shall be responsible for any additional negotiations with Walmart, including, but not limited to, negotiating extensions of any periods created by the Settlement Agreement, except that any additional negotiations related to the Injunctive Relief Terms (Exhibit P) shall be handled by the States Injunctive Relief Committee in accordance with the terms of Exhibit P.

(2) After the Effective Date

The Committee shall establish procedures for the receipt of notices that a dispute exists concerning the Agreement and review of such disputes, pursuant to Section [●] of the Agreement. Members may engage with Walmart, Settling States, and Participating Subdivisions attempting to resolve any dispute without further action by the Committee. The Committee may request additional information from Walmart, Settling States, and Participating Subdivisions to the extent the Committee believes such information is necessary to understand, resolve, or provide advice related to a dispute. The Committee shall endeavor to provide advice relative to the dispute no later than 60 days after receipt of notice.

ARTICLE VIII
Rules of Procedure

The proceedings and business of the Committee shall be governed by Robert's Rules of Order unless otherwise waived by the Committee.

ARTICLE IX
Operations

(1) Records

The Committee will keep correct and complete records and will also keep minutes of the proceedings of the Committee meetings and Committees. The Committee will keep such records at its principal place of business at a place designated by the Chairperson**.**

All elected officers and committee chairpersons shall relinquish their records to the Chairperson, immediately upon the completion of their term of office.

(2) Inspection of Books and Records

The minutes of a meeting are public records and shall be available for public inspection and copying on request to the Committee's Chairperson or the Chairperson's designee.

(3) Amendments

The bylaws may be amended at any time by a vote of a majority of Members present and must have at least one vote from a Settling State Member and a Participating Subdivision Member. In the event that there is a Quorum, but no Settling State or Participating Subdivision Member is present, then a matter may pass with a simple majority vote.

2112. Warren, County of, Tennessee
2113. Wartrace, Town of, Tennessee
2114. Washington, County of, Tennessee
2115. Wayne, County of, Tennessee
2116. White, County of, Tennessee
2117. Williamson, County of, Tennessee
2118. Angelina, County of, Texas
2119. Bailey, County of, Texas
2120. Bexar, County of, Texas
2121. Bowie, County of, Texas
2122. Bowie, Town of, Texas
2123. Brazos, County of, Texas
2124. Burleson, County of, Texas
2125. Cherokee, County of, Texas
2126. Childress, County of, Texas
2127. Clay, County of, Texas
2128. Coryell, County of, Texas
2129. Dallas, County of, Texas
2130. Duval, County of, Texas
2131. Eagle Pass, City of, Texas
2132. Ellis, County of, Texas
2133. Freestone, County of, Texas
2134. Henderson, County of, Texas
2135. Jim Hogg, County of, Texas
2136. Jim Wells, County of, Texas
2137. Johnson, County of, Texas
2138. Jones, County of, Texas
2139. Kaufman, County of, Texas
2140. Kendall, County of, Texas
2141. Kleberg, County of, Texas
2142. Lamar, County of, Texas
2143. Laredo, City of, Texas
2144. Maverick, County of, Texas
2145. McLennan, County of, Texas
2146. Montgomery, County of, Texas
2147. Nolan, County of, Texas
2148. Polk, County of, Texas
2149. Rockwall, County of, Texas
2150. Rusk, County of, Texas
2151. San Antonio, City of, Texas
2152. Smith, County of, Texas
2153. Stephens, County of, Texas
2154. Tarrant, County of, Texas
2155. Titus, County of, Texas
2156. Upshur, County of, Texas
2157. Webb, County of, Texas
2158. Wichita, County of, Texas
2159. Williamson, County of, Texas
2160. Zavala, County of, Texas
2161. Beaver, County of, Utah
2162. Cache, County of, Utah
2163. Daggett, County of, Utah
2164. Duchesne, County of, Utah
2165. Emery, County of, Utah
2166. Garfield, County of, Utah
2167. Juab, County of, Utah
2168. Kane, County of, Utah
2169. Piute, County of, Utah
2170. Rich, County of, Utah

2171. Salt Lake, County of, Utah
2172. Sevier, County of, Utah
2173. Summit, County of, Utah
2174. Tooele, County of, Utah
2175. Uintah, County of, Utah
2176. Utah, County of, Utah
2177. Wasatch, County of, Utah
2178. Washington, County of, Utah
2179. Wayne, County of, Utah
2180. Weber, County of, Utah
2181. Bennington, Town of, Vermont
2182. St. Albans, City of, Vermont
2183. Accomack, County of, Virginia
2184. Alexandria, City of, Virginia
2185. Alleghany, County of, Virginia
2186. Amherst, County of, Virginia
2187. Arlington, County of, Virginia
2188. Botetourt, County of, Virginia
2189. Bristol, City of, Virginia
2190. Buena Vista, City of, Virginia
2191. Charlotte, County of, Virginia
2192. Chesapeake, City of, Virginia
2193. Chesterfield, County of, Virginia
2194. Covington, City of, Virginia
2195. Culpeper, County of, Virginia
2196. Cumberland, County of, Virginia
2197. Danville, City of, Virginia
2198. Dickenson, County of, Virginia
2199. Dinwiddie, County of, Virginia
2200. Emporia, City of, Virginia
2201. Fairfax, City of, Virginia
2202. Fairfax, County of, Virginia
2203. Fauquier, County of, Virginia
2204. Floyd, County of, Virginia
2205. Franklin, County of, Virginia
2206. Frederick, County of, Virginia
2207. Fredericksburg, City of, Virginia
2208. Galax, City of, Virginia
2209. Giles, County of, Virginia
2210. Goochland, County of, Virginia
2211. Greensville, County of, Virginia
2212. Halifax, County of, Virginia
2213. Henrico, County of, Virginia
2214. Henry, County of, Virginia
2215. Hopewell, City of, Virginia
2216. Isle of Wight, County of, Virginia
2217. King and Queen, County of, Virginia
2218. Lee, County of, Virginia
2219. Lexington, City of, Virginia
2220. Loudoun, County of, Virginia
2221. Louisa, County of, Virginia
2222. Madison, County of, Virginia
2223. Mecklenburg, County of, Virginia
2224. Montgomery, County of, Virginia
2225. Norfolk, City of, Virginia
2226. Northampton, County of, Virginia
2227. Northumberland, County of, Virginia
2228. Norton, City of, Virginia
2229. Page, County of, Virginia
2230. Patrick, County of, Virginia
2231. Pittsylvania, County of, Virginia
2232. Prince George, County of, Virginia
2233. Prince William, County of, Virginia
2234. Pulaski, County of, Virginia
2235. Radford, City of, Virginia
2236. Richmond, City of, Virginia
2237. Richmond, County of, Virginia
2238. Roanoke, City of, Virginia
2239. Roanoke, County of, Virginia
2240. Rockbridge, County of, Virginia
2241. Russell, County of, Virginia
2242. Salem, City of, Virginia
2243. Scott, County of, Virginia
2244. Shenandoah, County of, Virginia
2245. Smyth, County of, Virginia
2246. Stafford, County of, Virginia
2247. Tazewell, County of, Virginia
2248. Virginia Beach, City of, Virginia
2249. Warren, County of, Virginia
2250. Washington, County of, Virginia
2251. Waynesboro, City of, Virginia
2252. Westmoreland, County of, Virginia
2253. Winchester, City of, Virginia
2254. Wise, County of, Virginia
2255. Wythe, County of, Virginia
2256. Anacortes, City of, Washington
2257. Bainbridge Island, City of, Washington
2258. Burlington, City of, Washington
2259. Chelan, County of, Washington
2260. Clark, County of, Washington
2261. Clallam, County of, Washington

2262. Everett, City of, Washington
2263. Franklin, County of, Washington
2264. Island, County of, Washington
2265. Jefferson, County of, Washington
2266. Kent, City of, Washington
2267. King, County of, Washington
2268. Kirkland, City of, Washington
2269. Kitsap, County of, Washington
2270. Lakewood, City of, Washington
2271. Lewis, County of, Washington
2272. Pierce, County of, Washington
2273. Skagit, County of, Washington
2274. Spokane, City of, Washington
2275. Spokane, County of, Washington
2276. Snohomish, County of, Washington
2277. Tacoma, City of, Washington
2278. Thurston, County of, Washington
2279. Walla Walla, County of, Washington
2280. Whitman, County of, Washington
2281. Adams, County of, Wisconsin
2282. Ashland, County of, Wisconsin
2283. Barron, County of, Wisconsin
2284. Bayfield, County of, Wisconsin
2285. Brown, County of, Wisconsin
2286. Buffalo, County of, Wisconsin
2287. Burnett, County of, Wisconsin
2288. Calumet, County of, Wisconsin
2289. Chippewa, County of, Wisconsin
2290. Clark, County of, Wisconsin
2291. Columbia, County of, Wisconsin
2292. Crawford, County of, Wisconsin
2293. Dane, County of, Wisconsin
2294. Dodge, County of, Wisconsin
2295. Door, County of, Wisconsin
2296. Douglas, County of, Wisconsin
2297. Dunn, County of, Wisconsin
2298. Eau Claire, County of, Wisconsin
2299. Florence, County of, Wisconsin
2300. Fond du Lac, County of, Wisconsin
2301. Forest, County of, Wisconsin
2302. Grant, County of, Wisconsin
2303. Green, County of, Wisconsin
2304. Green Lake, County of, Wisconsin
2305. Iowa, County of, Wisconsin
2306. Iron, County of, Wisconsin
2307. Jackson, County of, Wisconsin
2308. Jefferson, County of, Wisconsin
2309. Juneau, County of, Wisconsin
2310. Kenosha, City of, Wisconsin
2311. Kenosha, County of, Wisconsin
2312. Kewaunee, County of, Wisconsin
2313. La Crosse, County of, Wisconsin
2314. Lafayette, County of, Wisconsin
2315. Langlade, County of, Wisconsin
2316. Lincoln, County of, Wisconsin
2317. Manitowoc, County of, Wisconsin
2318. Marathon, County of, Wisconsin
2319. Marinette, County of, Wisconsin
2320. Marquette, County of, Wisconsin
2321. Menominee, County of, Wisconsin
2322. Milwaukee, City of, Wisconsin
2323. Milwaukee, County of, Wisconsin
2324. Monroe, County of, Wisconsin
2325. Oconto, County of, Wisconsin
2326. Oneida, County of, Wisconsin
2327. Outagamie, County of, Wisconsin
2328. Ozaukee, County of, Wisconsin
2329. Pepin, County of, Wisconsin
2330. Pierce, County of, Wisconsin
2331. Pleasant Prairie, Village of, Wisconsin
2332. Portage, County of, Wisconsin
2333. Price, County of, Wisconsin
2334. Racine, County of, Wisconsin
2335. Richland, County of, Wisconsin
2336. Rock, County of, Wisconsin
2337. Rusk, County of, Wisconsin
2338. Sauk, County of, Wisconsin
2339. Sawyer, County of, Wisconsin
2340. Shawano, County of, Wisconsin
2341. Sheboygan, County of, Wisconsin
2342. St. Croix, County of, Wisconsin
2343. Taylor, County of, Wisconsin
2344. Trempealeau, County of, Wisconsin
2345. Vernon, County of, Wisconsin
2346. Vilas, County of, Wisconsin
2347. Walworth, County of, Wisconsin
2348. Washburn, County of, Wisconsin
2349. Washington, County of, Wisconsin
2350. Waukesha, County of, Wisconsin
2351. Waupaca, County of, Wisconsin
2352. Waushara, County of, Wisconsin

2353. Winnebago, County of, Wisconsin
2354. Wood, County of, Wisconsin
2355. Carbon, County of, Wyoming
2356. Casper, City of, Wyoming
2357. Cheyenne, City of, Wyoming
2358. Green River, City of, Wyoming
2359. Riverton, City of, Wyoming
2360. Rock Springs, City of, Wyoming
2361. Sweetwater, County of, Wyoming

EXHIBIT D

[Intentionally Omitted]

EXHIBIT E

List of Opioid Remediation Uses

Schedule A
Core Strategies

Settling States and Participating Subdivisions listed on Exhibit G may choose from among the abatement strategies listed in Schedule B. However, priority may be given to the following core abatement strategies ("*Core Strategies*").[1]

A. NALOXONE OR OTHER FDA-APPROVED DRUG TO REVERSE OPIOID OVERDOSES

1. Expand training for first responders, schools, community support groups and families; and

2. Increase distribution to individuals who are uninsured or whose insurance does not cover the needed service.

B. MEDICATION-ASSISTED TREATMENT *("MAT")* DISTRIBUTION AND OTHER OPIOID-RELATED TREATMENT

1. Increase distribution of MAT to individuals who are uninsured or whose insurance does not cover the needed service;

2. Provide education to school-based and youth-focused programs that discourage or prevent misuse;

3. Provide MAT education and awareness training to healthcare providers, EMTs, law enforcement, and other first responders; and

4. Provide treatment and recovery support services such as residential and inpatient treatment, intensive outpatient treatment, outpatient therapy or counseling, and recovery housing that allow or integrate medication and with other support services.

[1] As used in this Schedule A, words like "expand," "fund," "provide" or the like shall not indicate a preference for new or existing programs.

C. PREGNANT & POSTPARTUM WOMEN

1. Expand Screening, Brief Intervention, and Referral to Treatment ("*SBIRT*") services to non-Medicaid eligible or uninsured pregnant women;

2. Expand comprehensive evidence-based treatment and recovery services, including MAT, for women with cooccurring Opioid Use Disorder ("*OUD*") and other Substance Use Disorder ("*SUD*")/Mental Health disorders for uninsured individuals for up to 12 months postpartum; and

3. Provide comprehensive wrap-around services to individuals with OUD, including housing, transportation, job placement/training, and childcare.

D. EXPANDING TREATMENT FOR NEONATAL ABSTINENCE SYNDROME *("NAS")*

1. Expand comprehensive evidence-based and recovery support for NAS babies;

2. Expand services for better continuum of care with infant-need dyad; and

3. Expand long-term treatment and services for medical monitoring of NAS babies and their families.

E. EXPANSION OF WARM HAND-OFF PROGRAMS AND RECOVERY SERVICES

1. Expand services such as navigators and on-call teams to begin MAT in hospital emergency departments;

2. Expand warm hand-off services to transition to recovery services;

3. Broaden scope of recovery services to include co-occurring SUD or mental health conditions;

4. Provide comprehensive wrap-around services to individuals in recovery, including housing, transportation, job placement/training, and childcare; and

5. Hire additional social workers or other behavioral health workers to facilitate expansions above.

F. TREATMENT FOR INCARCERATED POPULATION

1. Provide evidence-based treatment and recovery support, including MAT for persons with OUD and co-occurring SUD/MH disorders within and transitioning out of the criminal justice system; and

2. Increase funding for jails to provide treatment to inmates with OUD.

G. PREVENTION PROGRAMS

1. Funding for media campaigns to prevent opioid use (similar to the FDA's "Real Cost" campaign to prevent youth from misusing tobacco);

2. Funding for evidence-based prevention programs in schools;

3. Funding for medical provider education and outreach regarding best prescribing practices for opioids consistent with CDC guidelines, including providers at hospitals (academic detailing);

4. Funding for community drug disposal programs; and

5. Funding and training for first responders to participate in prearrest diversion programs, post-overdose response teams, or similar strategies that connect at-risk individuals to behavioral health services and supports.

H. EXPANDING SYRINGE SERVICE PROGRAMS

1. Provide comprehensive syringe services programs with more wrap-around services, including linkage to OUD treatment, access to sterile syringes and linkage to care and treatment of infectious diseases.

I. EVIDENCE-BASED DATA COLLECTION AND RESEARCH ANALYZING THE EFFECTIVENESS OF THE ABATEMENT STRATEGIES WITHIN THE STATE

Schedule B
Approved Uses

Support treatment of Opioid Use Disorder (OUD) and any co-occurring Substance Use Disorder or Mental Health (SUD/MH) conditions through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

PART ONE: TREATMENT

A. TREAT OPIOID USE DISORDER (OUD)

Support treatment of Opioid Use Disorder ("*OUD*") and any co-occurring Substance Use Disorder or Mental Health ("*SUD/MH*") conditions through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, those that:[2]

1. Expand availability of treatment for OUD and any co-occurring SUD/MH conditions, including all forms of Medication-Assisted Treatment ("*MAT*") approved by the U.S. Food and Drug Administration.

2. Support and reimburse evidence-based services that adhere to the American Society of Addiction Medicine ("*ASAM*") continuum of care for OUD and any co-occurring SUD/MH conditions.

3. Expand telehealth to increase access to treatment for OUD and any co-occurring SUD/MH conditions, including MAT, as well as counseling, psychiatric support, and other treatment and recovery support services.

4. Improve oversight of Opioid Treatment Programs ("*OTPs*") to assure evidence-based or evidence-informed practices such as adequate methadone dosing and low threshold approaches to treatment.

5. Support mobile intervention, treatment, and recovery services, offered by qualified professionals and service providers, such as peer recovery coaches, for persons with OUD and any co-occurring SUD/MH conditions and for persons who have experienced an opioid overdose.

6. Provide treatment of trauma for individuals with OUD (*e.g.*, violence, sexual assault, human trafficking, or adverse childhood experiences) and family members (*e.g.*, surviving family members after an overdose or overdose fatality), and training of health care personnel to identify and address such trauma.

7. Support evidence-based withdrawal management services for people with OUD and any co-occurring mental health conditions.

[2] As used in this Schedule B, words like "expand," "fund," "provide" or the like shall not indicate a preference for new or existing programs.

8. Provide training on MAT for health care providers, first responders, students, or other supporting professionals, such as peer recovery coaches or recovery outreach specialists, including telementoring to assist community-based providers in rural or underserved areas.

9. Support workforce development for addiction professionals who work with persons with OUD and any co-occurring SUD/MH conditions.

10. Offer fellowships for addiction medicine specialists for direct patient care, instructors, and clinical research for treatments.

11. Offer scholarships and supports for behavioral health practitioners or workers involved in addressing OUD and any co-occurring SUD/MH or mental health conditions, including, but not limited to, training, scholarships, fellowships, loan repayment programs, or other incentives for providers to work in rural or underserved areas.

12. Provide funding and training for clinicians to obtain a waiver under the federal Drug Addiction Treatment Act of 2000 ("*DATA 2000*") to prescribe MAT for OUD, and provide technical assistance and professional support to clinicians who have obtained a DATA 2000 waiver.

13. Disseminate web-based training curricula, such as the American Academy of Addiction Psychiatry's Provider Clinical Support Service-Opioids web-based training curriculum and motivational interviewing.

14. Develop and disseminate new curricula, such as the American Academy of Addiction Psychiatry's Provider Clinical Support Service for Medication-Assisted Treatment.

B. SUPPORT PEOPLE IN TREATMENT AND RECOVERY

Support people in recovery from OUD and any co-occurring SUD/MH conditions through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the programs or strategies that:

1. Provide comprehensive wrap-around services to individuals with OUD and any cooccurring SUD/MH conditions, including housing, transportation, education, job placement, job training, or childcare.

2. Provide the full continuum of care of treatment and recovery services for OUD and any co-occurring SUD/MH conditions, including supportive housing, peer support services and counseling, community navigators, case management, and connections to community-based services.

3. Provide counseling, peer-support, recovery case management and residential treatment with access to medications for those who need it to persons with OUD and any co-occurring SUD/MH conditions.

4. Provide access to housing for people with OUD and any co-occurring SUD/MH conditions, including supportive housing, recovery housing, housing assistance programs, training for housing providers, or recovery housing programs that allow or integrate FDA-approved mediation with other support services.

5. Provide community support services, including social and legal services, to assist in deinstitutionalizing persons with OUD and any co-occurring SUD/MH conditions.

6. Support or expand peer-recovery centers, which may include support groups, social events, computer access, or other services for persons with OUD and any cooccurring SUD/MH conditions.

7. Provide or support transportation to treatment or recovery programs or services for persons with OUD and any co-occurring SUD/MH conditions.

8. Provide employment training or educational services for persons in treatment for or recovery from OUD and any co-occurring SUD/MH conditions.

9. Identify successful recovery programs such as physician, pilot, and college recovery programs, and provide support and technical assistance to increase the number and capacity of high-quality programs to help those in recovery.

10. Engage non-profits, faith-based communities, and community coalitions to support people in treatment and recovery and to support family members in their efforts to support the person with OUD in the family.

11. Provide training and development of procedures for government staff to appropriately interact and provide social and other services to individuals with or in recovery from OUD, including reducing stigma.

12. Support stigma reduction efforts regarding treatment and support for persons with OUD, including reducing the stigma on effective treatment.

13. Create or support culturally appropriate services and programs for persons with OUD and any co-occurring SUD/MH conditions, including new Americans.

14. Create and/or support recovery high schools.

15. Hire or train behavioral health workers to provide or expand any of the services or supports listed above.

C. CONNECT PEOPLE WHO NEED HELP TO THE HELP THEY NEED (CONNECTIONS TO CARE)

Provide connections to care for people who have—or are at risk of developing—OUD and any co-occurring SUD/MH conditions through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, those that:

1. Ensure that health care providers are screening for OUD and other risk factors and know how to appropriately counsel and treat (or refer if necessary) a patient for OUD treatment.

2. Fund SBIRT programs to reduce the transition from use to disorders, including SBIRT services to pregnant women who are uninsured or not eligible for Medicaid.

3. Provide training and long-term implementation of SBIRT in key systems (health, schools, colleges, criminal justice, and probation), with a focus on youth and young adults when transition from misuse to opioid disorder is common.

4. Purchase automated versions of SBIRT and support ongoing costs of the technology.

5. Expand services such as navigators and on-call teams to begin MAT in hospital emergency departments.

6. Provide training for emergency room personnel treating opioid overdose patients on post-discharge planning, including community referrals for MAT, recovery case management or support services.

7. Support hospital programs that transition persons with OUD and any co-occurring SUD/MH conditions, or persons who have experienced an opioid overdose, into clinically appropriate follow-up care through a bridge clinic or similar approach.

8. Support crisis stabilization centers that serve as an alternative to hospital emergency departments for persons with OUD and any co-occurring SUD/MH conditions or persons that have experienced an opioid overdose.

9. Support the work of Emergency Medical Systems, including peer support specialists, to connect individuals to treatment or other appropriate services following an opioid overdose or other opioid-related adverse event.

10. Provide funding for peer support specialists or recovery coaches in emergency departments, detox facilities, recovery centers, recovery housing, or similar settings; offer services, supports, or connections to care to persons with OUD and any co-occurring SUD/MH conditions or to persons who have experienced an opioid overdose.

11. Expand warm hand-off services to transition to recovery services.

12. Create or support school-based contacts that parents can engage with to seek immediate treatment services for their child; and support prevention, intervention, treatment, and recovery programs focused on young people.

13. Develop and support best practices on addressing OUD in the workplace.

14. Support assistance programs for health care providers with OUD.

15. Engage non-profits and the faith community as a system to support outreach for treatment.

16. Support centralized call centers that provide information and connections to appropriate services and supports for persons with OUD and any co-occurring SUD/MH conditions.

D. ADDRESS THE NEEDS OF CRIMINAL JUSTICE-INVOLVED PERSONS

Address the needs of persons with OUD and any co-occurring SUD/MH conditions who are involved in, are at risk of becoming involved in, or are transitioning out of the criminal justice system through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, those that:

1. Support pre-arrest or pre-arraignment diversion and deflection strategies for persons with OUD and any co-occurring SUD/MH conditions, including established strategies such as:

    1. Self-referral strategies such as the Angel Programs or the Police Assisted Addiction Recovery Initiative ("*PAARI*");

    2. Active outreach strategies such as the Drug Abuse Response Team ("*DART*") model;

    3. "Naloxone Plus" strategies, which work to ensure that individuals who have received naloxone to reverse the effects of an overdose are then linked to treatment programs or other appropriate services;

    4. Officer prevention strategies, such as the Law Enforcement Assisted Diversion ("*LEAD*") model;

    5. Officer intervention strategies such as the Leon County, Florida Adult Civil Citation Network or the Chicago Westside Narcotics Diversion to Treatment Initiative; or

    6. Co-responder and/or alternative responder models to address OUD-related 911 calls with greater SUD expertise.

2. Support pre-trial services that connect individuals with OUD and any co-occurring SUD/MH conditions to evidence-informed treatment, including MAT, and related services.

3. Support treatment and recovery courts that provide evidence-based options for persons with OUD and any co-occurring SUD/MH conditions.

4. Provide evidence-informed treatment, including MAT, recovery support, harm reduction, or other appropriate services to individuals with OUD and any cooccurring SUD/MH conditions who are incarcerated in jail or prison.

5. Provide evidence-informed treatment, including MAT, recovery support, harm reduction, or other appropriate services to individuals with OUD and any cooccurring SUD/MH conditions who are leaving jail or prison or have recently left jail or prison, are on probation or parole, are under community corrections supervision, or are in re-entry programs or facilities.

6. Support critical time interventions ("*CTI*"), particularly for individuals living with dual-diagnosis OUD/serious mental illness, and services for individuals who face immediate risks and service needs and risks upon release from correctional settings.

7. Provide training on best practices for addressing the needs of criminal justice-involved persons with OUD and any co-occurring SUD/MH conditions to law enforcement, correctional, or judicial personnel or to providers of treatment, recovery, harm reduction, case management, or other services offered in connection with any of the strategies described in this section.

E. ADDRESS THE NEEDS OF PREGNANT OR PARENTING WOMEN AND THEIR FAMILIES, INCLUDING BABIES WITH NEONATAL ABSTINENCE SYNDROME

Address the needs of pregnant or parenting women with OUD and any co-occurring SUD/MH conditions, and the needs of their families, including babies with neonatal abstinence syndrome ("*NAS*"), through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, those that:

1. Support evidence-based or evidence-informed treatment, including MAT, recovery services and supports, and prevention services for pregnant women—or women who could become pregnant—who have OUD and any co-occurring SUD/MH conditions, and other measures to educate and provide support to families affected by Neonatal Abstinence Syndrome.

2. Expand comprehensive evidence-based treatment and recovery services, including MAT, for uninsured women with OUD and any co-occurring SUD/MH conditions for up to 12 months postpartum.

3. Provide training for obstetricians or other healthcare personnel who work with pregnant women and their families regarding treatment of OUD and any co-occurring SUD/MH conditions.

4. Expand comprehensive evidence-based treatment and recovery support for NAS babies; expand services for better continuum of care with infant-need dyad; and expand long-term treatment and services for medical monitoring of NAS babies and their families.

5. Provide training to health care providers who work with pregnant or parenting women on best practices for compliance with federal requirements that children born with NAS get referred to appropriate services and receive a plan of safe care.

6. Provide child and family supports for parenting women with OUD and any cooccurring SUD/MH conditions.

7. Provide enhanced family support and child care services for parents with OUD and any co-occurring SUD/MH conditions.

8. Provide enhanced support for children and family members suffering trauma as a result of addiction in the family; and offer trauma-informed behavioral health treatment for adverse childhood events.

9. Offer home-based wrap-around services to persons with OUD and any co-occurring SUD/MH conditions, including, but not limited to, parent skills training.

10. Provide support for Children's Services—Fund additional positions and services, including supportive housing and other residential services, relating to children being removed from the home and/or placed in foster care due to custodial opioid use.

PART TWO: PREVENTION

F. PREVENT OVER-PRESCRIBING AND ENSURE APPROPRIATE PRESCRIBING AND DISPENSING OF OPIOIDS

Support efforts to prevent over-prescribing and ensure appropriate prescribing and dispensing of opioids through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Funding medical provider education and outreach regarding best prescribing practices for opioids consistent with the Guidelines for Prescribing Opioids for Chronic Pain from the U.S. Centers for Disease Control and Prevention, including providers at hospitals (academic detailing).

2. Training for health care providers regarding safe and responsible opioid prescribing, dosing, and tapering patients off opioids.

3. Continuing Medical Education (CME) on appropriate prescribing of opioids.

4. Providing Support for non-opioid pain treatment alternatives, including training providers to offer or refer to multi-modal, evidence-informed treatment of pain.

5. Supporting enhancements or improvements to Prescription Drug Monitoring Programs ("*PDMPs*"), including, but not limited to, improvements that:

1. Increase the number of prescribers using PDMPs;

2. Improve point-of-care decision-making by increasing the quantity, quality, or format of data available to prescribers using PDMPs, by improving the interface that prescribers use to access PDMP data, or both; or

3. Enable states to use PDMP data in support of surveillance or intervention strategies, including MAT referrals and follow-up for individuals identified within PDMP data as likely to experience OUD in a manner that complies with all relevant privacy and security laws and rules.

6. Ensuring PDMPs incorporate available overdose/naloxone deployment data, including the United States Department of Transportation's Emergency Medical Technician overdose database in a manner that complies with all relevant privacy and security laws and rules.

7. Increasing electronic prescribing to prevent diversion or forgery.

8. Educating dispensers on appropriate opioid dispensing.

G. PREVENT MISUSE OF OPIOIDS

Support efforts to discourage or prevent misuse of opioids through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Funding media campaigns to prevent opioid misuse.

2. Corrective advertising or affirmative public education campaigns based on evidence.

3. Public education relating to drug disposal.

4. Drug take-back disposal or destruction programs.

5. Funding community anti-drug coalitions that engage in drug prevention efforts.

6. Supporting community coalitions in implementing evidence-informed prevention, such as reduced social access and physical access, stigma reduction—including staffing, educational campaigns, support for people in treatment or recovery, or training of coalitions in evidence-informed implementation, including the Strategic Prevention Framework developed by the U.S. Substance Abuse and Mental Health Services Administration ("*SAMHSA*").

7. Engaging non-profits and faith-based communities as systems to support prevention.

8. Funding evidence-based prevention programs in schools or evidence-informed school and community education programs and campaigns for students, families, school employees, school athletic programs, parent-teacher and student associations, and others.

9. School-based or youth-focused programs or strategies that have demonstrated effectiveness in preventing drug misuse and seem likely to be effective in preventing the uptake and use of opioids.

10. Create or support community-based education or intervention services for families, youth, and adolescents at risk for OUD and any co-occurring SUD/MH conditions.

11. Support evidence-informed programs or curricula to address mental health needs of young people who may be at risk of misusing opioids or other drugs, including emotional modulation and resilience skills.

12. Support greater access to mental health services and supports for young people, including services and supports provided by school nurses, behavioral health workers or other school staff, to address mental health needs in young people that (when not properly addressed) increase the risk of opioid or another drug misuse.

H. PREVENT OVERDOSE DEATHS AND OTHER HARMS (HARM REDUCTION)

Support efforts to prevent or reduce overdose deaths or other opioid-related harms through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Increased availability and distribution of naloxone and other drugs that treat overdoses for first responders, overdose patients, individuals with OUD and their friends and family members, schools, community navigators and outreach workers, persons being released from jail or prison, or other members of the general public.

2. Public health entities providing free naloxone to anyone in the community.

3. Training and education regarding naloxone and other drugs that treat overdoses for first responders, overdose patients, patients taking opioids, families, schools, community support groups, and other members of the general public.

4. Enabling school nurses and other school staff to respond to opioid overdoses, and provide them with naloxone, training, and support.

5. Expanding, improving, or developing data tracking software and applications for overdoses/naloxone revivals.

6. Public education relating to emergency responses to overdoses.

7. Public education relating to immunity and Good Samaritan laws.

8. Educating first responders regarding the existence and operation of immunity and Good Samaritan laws.

9. Syringe service programs and other evidence-informed programs to reduce harms associated with intravenous drug use, including supplies, staffing, space, peer support services, referrals to treatment, fentanyl checking, connections to care, and the full range of harm reduction and treatment services provided by these programs.

10. Expanding access to testing and treatment for infectious diseases such as HIV and Hepatitis C resulting from intravenous opioid use.

11. Supporting mobile units that offer or provide referrals to harm reduction services, treatment, recovery supports, health care, or other appropriate services to persons that use opioids or persons with OUD and any co-occurring SUD/MH conditions.

12. Providing training in harm reduction strategies to health care providers, students, peer recovery coaches, recovery outreach specialists, or other professionals that provide care to persons who use opioids or persons with OUD and any co-occurring SUD/MH conditions.

13. Supporting screening for fentanyl in routine clinical toxicology testing.

PART THREE: OTHER STRATEGIES

I. FIRST RESPONDERS

In addition to items in section C, D and H relating to first responders, support the following:

1. Education of law enforcement or other first responders regarding appropriate practices and precautions when dealing with fentanyl or other drugs.

2. Provision of wellness and support services for first responders and others who experience secondary trauma associated with opioid-related emergency events.

J. LEADERSHIP, PLANNING AND COORDINATION

Support efforts to provide leadership, planning, coordination, facilitations, training and technical assistance to abate the opioid epidemic through activities, programs, or strategies that may include, but are not limited to, the following:

1. Statewide, regional, local or community regional planning to identify root causes of addiction and overdose, goals for reducing harms related to the opioid epidemic, and areas and populations with the greatest needs for treatment intervention services, and to support training and technical assistance and other

strategies to abate the opioid epidemic described in this opioid abatement strategy list.

2. A dashboard to (a) share reports, recommendations, or plans to spend opioid settlement funds; (b) to show how opioid settlement funds have been spent; (c) to report program or strategy outcomes; or (d) to track, share or visualize key opioid- or health-related indicators and supports as identified through collaborative statewide, regional, local or community processes.

3. Invest in infrastructure or staffing at government or not-for-profit agencies to support collaborative, cross-system coordination with the purpose of preventing overprescribing, opioid misuse, or opioid overdoses, treating those with OUD and any co-occurring SUD/MH conditions, supporting them in treatment or recovery, connecting them to care, or implementing other strategies to abate the opioid epidemic described in this opioid abatement strategy list.

4. Provide resources to staff government oversight and management of opioid abatement programs.

K. TRAINING

In addition to the training referred to throughout this document, support training to abate the opioid epidemic through activities, programs, or strategies that may include, but are not limited to, those that:

1. Provide funding for staff training or networking programs and services to improve the capability of government, community, and not-for-profit entities to abate the opioid crisis.

2. Support infrastructure and staffing for collaborative cross-system coordination to prevent opioid misuse, prevent overdoses, and treat those with OUD and any cooccurring SUD/MH conditions, or implement other strategies to abate the opioid epidemic described in this opioid abatement strategy list (*e.g.*, health care, primary care, pharmacies, PDMPs, etc.).

L. RESEARCH

Support opioid abatement research that may include, but is not limited to, the following:

1. Monitoring, surveillance, data collection and evaluation of programs and strategies described in this opioid abatement strategy list.

2. Research non-opioid treatment of chronic pain.

3. Research on improved service delivery for modalities such as SBIRT that demonstrate promising but mixed results in populations vulnerable to opioid use disorders.

4. Research on novel harm reduction and prevention efforts such as the provision of fentanyl test strips.

5. Research on innovative supply-side enforcement efforts such as improved detection of mail-based delivery of synthetic opioids.

6. Expanded research on swift/certain/fair models to reduce and deter opioid misuse within criminal justice populations that build upon promising approaches used to address other substances (*e.g.*, Hawaii HOPE and Dakota 24/7).

7. Epidemiological surveillance of OUD-related behaviors in critical populations, including individuals entering the criminal justice system, including, but not limited to approaches modeled on the Arrestee Drug Abuse Monitoring ("*ADAM*") system.

8. Qualitative and quantitative research regarding public health risks and harm reduction opportunities within illicit drug markets, including surveys of market participants who sell or distribute illicit opioids.

9. Geospatial analysis of access barriers to MAT and their association with treatment engagement and treatment outcomes.

EXHIBIT G

Subdivisions Eligible to Receive Direct Allocations from the Subdivision Fund and Default Subdivision Fund Allocation Percentages

The Subdivisions set forth on this Exhibit G are eligible to receive direct allocations from the Subdivision Fund, if such Subdivisions are otherwise eligible to receive such funds under this Agreement. By default, the Subdivisions set forth on this Exhibit G shall include all Subdivisions set forth on Exhibit G of the national opioid settlement agreement dated July 21, 2021 with Janssen Pharmaceuticals, Inc., et al., including all amendments up to the State Participation Date of this Agreement. A State may elect to add any additional Subdivisions to this Exhibit G at any time prior to the Threshold Subdivision Participation Date.

Immediately upon the effectiveness of any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by subsection V.D.3 (or upon the effectiveness of an amendment to any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by subsection V.D.3) that addresses allocation from the Subdivision Fund, whether before or after the Threshold Subdivision Participation Date, this Exhibit G will automatically be amended to reflect the allocation from the Subdivision Fund pursuant to the State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by subsection V.D.3.

For the avoidance of doubt, inclusion on this Exhibit G shall not create any claim for any amount of the Settlement Fund, and no such amounts shall be allocated or distributed to any Subdivision included herein if such Subdivision does not otherwise meet all requirements to receive any such funds pursuant to the Agreement.

Subdivision Participation Form

Governmental Entity:	State:
Authorized Official:	
Address 1:	
Address 2:	
City, State, Zip:	
Phone:	
Email:	

The governmental entity identified above ("Governmental Entity"), in order to obtain and in consideration for the benefits provided to the Governmental Entity pursuant to the Settlement Agreement dated November 14, 2022 ("Walmart Settlement"), and acting through the undersigned authorized official, hereby elects to participate in the Walmart Settlement, release all Released Claims against all Released Entities, and agrees as follows.

1. The Governmental Entity is aware of and has reviewed the Walmart Settlement, understands that all terms in this Election and Release have the meanings defined therein, and agrees that by this Election, the Governmental Entity elects to participate in the Walmart Settlement and become a Participating Subdivision as provided therein.

2. The Governmental Entity shall promptly, and in any event within 14 days of the Effective Date and prior to the filing of the Consent Judgment, dismiss with prejudice any Released Claims that it has filed. With respect to any Released Claims pending in In re National Prescription Opiate Litigation, MDL No. 2804, the Governmental Entity authorizes the Plaintiffs' Executive Committee to execute and file on behalf of the Governmental Entity a Stipulation of Dismissal With Prejudice substantially in the form found at https://nationalopioidsettlement.com/.

3. The Governmental Entity agrees to the terms of the Walmart Settlement pertaining to Subdivisions as defined therein.

4. By agreeing to the terms of the Walmart Settlement and becoming a Releasor, the Governmental Entity is entitled to the benefits provided therein, including, if applicable, monetary payments beginning after the Effective Date.

5. The Governmental Entity agrees to use any monies it receives through the Walmart Settlement solely for the purposes provided therein.

6. The Governmental Entity submits to the jurisdiction of the court in the Governmental Entity's state where the Consent Judgment is filed for purposes limited to that court's role as provided in, and for resolving disputes to the extent provided in, the Walmart Settlement.

7. The Governmental Entity has the right to enforce the Walmart Settlement as provided therein.

8. The Governmental Entity, as a Participating Subdivision, hereby becomes a Releasor for all purposes in the Walmart Settlement, including but not limited to all provisions of Section X (Release), and along with all departments, agencies, divisions, boards, commissions, districts, instrumentalities of any kind and attorneys, and any person in their official capacity elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, and any other entity identified in the definition of Releasor, provides for a release to the fullest extent of its authority. As a Releasor, the Governmental Entity hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever. The releases provided for in the Walmart Settlement are intended by the Parties to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of the Governmental Entity to release claims. The Walmart Settlement shall be a complete bar to any Released Claim.

9. In connection with the releases provided for in the Walmart Settlement, each Governmental Entity expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

   > **General Release; extent.** A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

   A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Governmental Entity hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Governmental Entities' decision to participate in the Walmart Settlement.

10. Nothing herein is intended to modify in any way the terms of the Walmart Settlement, to which Governmental Entity hereby agrees. To the extent this Election and Release is interpreted differently from the Walmart Settlement in any respect, the Walmart Settlement controls.

I have all necessary power and authorization to execute this Election and Release on behalf of the Governmental Entity.

EXHIBIT L

Settlement Fund Administrator Terms

[Exhibit to be inserted prior to the Threshold Subdivision Participation Date.]

EXHIBIT M

Maximum Payment Amounts

The below reflects the maximum possible payment assuming all Eligible States and Subdivisions become Settling States and Participating Subdivisions, respectively. Walmart shall deposit the amounts payable to the State Outside Counsel Fee Fund and the State Cost Fund into the Settlement Fund on the Deposit Date and those amounts shall be disbursed by the Settlement Fund Administrator consistent with Exhibits S and T.

Payment Category	Amount
Remediation	$2,393,794,118.64
Subdivision Attorneys' Fees, Expenses and Costs	$297,720,376.93
State Outside Counsel Fee Fund	$16,006,471.88
State Cost Fund	$16,006,471.88

EXHIBIT O

Adoption of a State-Subdivision Agreement

A State-Subdivision Agreement shall be applied if it meets the requirements of Section V of the Settlement Agreement and is approved by the State and by the State's Subdivisions as follows:

1. *Requirements for Approval*. A State-Subdivision Agreement shall be deemed as agreed to when it has been approved by the State and either (a) Subdivisions whose aggregate "Population Percentages," determined as set forth below, total more than sixty percent (60%), or (b) Subdivisions whose aggregate Population Percentages total more than fifty percent (50%) provided that these Participating Subdivisions also represent fifteen percent (15%) or more of the State's counties or parishes (or, in the case of Settling States whose counties and parishes do not function as local governments, 15% of or more of the Settling State's non-county Subdivisions), by number.

2. *Approval Authority*. Approval by the State shall be by the Attorney General. Approval by a Subdivision shall be by the appropriate official or legislative body pursuant to the required procedures for that Subdivision to agree to a legally binding settlement.

3. *Population Percentage Calculation*. For purposes of this Exhibit O only, Population Percentages shall be determined as follows: For States with functional counties or parishes[1], the Population Percentage of each county or parish shall be deemed to be equal to (a) (1) 200% of the population of such county or parish, minus (2) the aggregate population of all Primary Incorporated Municipalities located in such county or parish, divided by (b) 200% of the State's population. A "Primary Incorporated Municipality" means a city, town, village or other municipality incorporated under applicable state law with a population of at least 25,000 that is not located within another incorporated municipality. The Population Percentage of each Primary Incorporated Municipality shall be equal to its population (including the population of any incorporated or unincorporated municipality located therein) divided by 200% of the State's population; *provided* that the Population Percentage of a Primary Incorporated Municipality that is not located within a county shall be equal to 200% of its population (including the population of any incorporated or unincorporated municipality located therein) divided by 200% of the State's population. For all States that do not have functional counties or parishes, the Population Percentage of each non-county Subdivision (including any incorporated or unincorporated municipality located therein), shall be equal to its population divided by the State's population.

4. *Preexisting Agreements and Statutory Provisions*. A State may include with the notice to its Subdivisions an existing agreement, a proposed agreement, or statutory provisions regarding the distribution and use of settlement funds and have the acceptance of such an agreement or statutory provision be part of the requirements to be a Participating Subdivision.

[1] Certain states do not have counties or parishes that have functional governments, including: Alaska, Connecticut, Massachusetts, Rhode Island, and Vermont.

5. *Revised Agreements*. A State-Subdivision Agreement that has been revised, supplemented, or refined shall be applied if it meets the requirements of Section V and is approved by the State and by the State's Subdivisions pursuant to the terms above.

EXHIBIT P

Injunctive Relief

As part of this Settlement Agreement, Walmart agrees to implement the injunctive relief terms reflected in Exhibit F to Walmart's agreement with the State of Florida dated October 19, 2022, attached hereto as Appendix A ("Walmart-Florida Injunctive Relief Terms"), within 90 days of the Effective Date of the Settlement Agreement, provided, however, that the parties agree that those terms will be withdrawn and Walmart will implement the Pharmacy Controlled Substance Compliance Program & Anti-Diversion Injunctive Terms ("Injunctive Terms") set out below if each Chain Pharmacy (defined as CVS and Walgreens) agrees to implement materially the same Injunctive Terms on a nationwide basis pursuant to a binding agreement with state attorneys general. To the extent there is a dispute between the Settling States and Walmart regarding whether the Injunctive Terms imposed on other pharmacies are materially the same as these Injunctive Terms, such dispute shall be heard by the National Arbitration Panel. If any Injunctive Term is found to be materially different, only that term and any co-dependent terms, as applicable, would be invalidated and inoperative. However, in no event shall the Injunctive Terms be any less stringent than those applied in the Walmart-Florida Injunctive Relief Terms. In the event a Settling State later settles with Albertsons or Kroger (or a merged company involving one or more of them), the Settling State shall impose materially the same Injunctive Terms as part of any settlement.

* * *

Pharmacy Controlled Substance Compliance Program & Anti-Diversion Injunctive Terms

I. INTRODUCTION

1. Except where these Injunctive Terms specify a different implementation period, Walmart shall implement the Injunctive Terms set forth below in Sections II through XVII by the Injunctive Terms Implementation Date (defined below).

2. To the extent that Walmart already has in place committees, departments, policies or programs that satisfy the Injunctive Terms, no re-naming or other change is required by these Injunctive Terms.

3. Overview

    a. Walmart will implement or maintain a Controlled Substance Compliance Program ("CSCP").

    b. The CSCP must include written standard operating procedures and/or corporate policies (the "CSCP Policies and Procedures") required by these Injunctive Terms.

c. The CSCP shall apply during the term of these Injunctive Terms, to each of Walmart's retail pharmacy stores that dispense Schedule II Designated Controlled Substances and are registered or licensed with each Settling State.

d. Walmart shall provide a copy of the relevant CSCP Policies and Procedures to each Settling State within 60 days of the Injunctive Terms Implementation Date. To the extent any implementation is expected to require additional time, the Parties agree to work together in good faith to establish a timeline for implementation. No later than 30 days after the Injunctive Terms Implementation Date, each Settling State shall identify the person or office to whom Walmart must provide a copy of the relevant CSCP Policies and Procedures and any other State-specific reporting required under these Injunctive Terms.

4. Compliance with Laws

a. Walmart acknowledges and agrees that its pharmacies must comply with applicable state and federal laws, regulations, and rules, including those regarding the dispensing of Controlled Substances. The requirements of these Injunctive Terms are in addition to, and not in lieu of, any other requirements of federal, state, or local law. Nothing in the Injunctive Terms shall be construed as relieving Walmart of the obligation of its pharmacies to comply with all federal, state and local laws, regulations or rules, nor shall any of the provisions of the Injunctive Terms be deemed as permission for Walmart to engage in any acts or practices prohibited by such laws, regulations or rules.

b. The Injunctive Terms are not intended to and shall not be interpreted to prevent Walmart from taking or implementing any other compliance or policy steps necessary to conform with federal, state, or local legal requirements.

c. In the event that Walmart 1) determines that there may be a conflict between the Injunctive Terms and the requirements of federal, state, or local laws, or interpretations of such laws articulated by an agency responsible for enforcing such laws, such that Walmart determines that it cannot comply with the Injunctive Terms without violating these requirements or express interpretations; or 2) believes a court or administrative action brought by a governmental body in a Settling State has commenced against it or its pharmacists for actions required by the Injunctive Terms, then Walmart may notify the Attorney General of the Settling State of such potential conflict or potential or pending action. Within thirty (30) days after receipt of a notification from Walmart referenced above, Walmart and the State shall meet and discuss the potential conflict, and Walmart shall comply with any reasonable requests from the Settling State as necessary to determine whether there is a conflict between the Injunctive Terms and the requirements of federal, state, or local

laws, or the express interpretations thereof by an agency responsible for their enforcement, or a conflict with the Injunctive Terms giving rise to the court or administrative action. If the State agrees that there is a conflict or that the court or administrative action is a result of actions required by the Injunctive Terms, the State will engage in best efforts to resolve the conflict or assist in achieving resolution of the court or administrative action. Nothing in this paragraph shall (i) limit the right of the State to disagree with Walmart as to the conflict; or (ii) be deemed to relieve Walmart from following any subsequently enacted law or regulation, or judicial decisions from a regulatory authority with jurisdiction over controlled substances that is more restrictive than the provisions of the Injunctive Terms, or from following the Injunctive Terms if they are more restrictive than applicable laws at issue in the administrative action; or (iii) be deemed to relieve Walmart from adhering to the outcome of the court or administrative action when it is determined there is no conflict..

d. Walmart shall retain all records it is required to create pursuant to its obligations hereunder in an electronic or otherwise easily accessible format and a Settling State shall have the right to review and copy such records upon request and after reasonable notice for the term of these Injunctive Terms. Nothing in these Injunctive Terms shall waive any applicable privilege that may be asserted over any such record. Unless otherwise required by law, if a Settling State seeks to disclose any records created and obtained from Walmart under this provision as part of a proceeding to enforce these Injunctive Terms against Walmart, it shall first provide ten (10) days' notice to Walmart unless doing so would conflict with applicable law. A Settling State shall not otherwise disclose or provide any records created by and obtained from Walmart under this provision to third parties during or after the Term of these Injunctive Terms unless required to do so by law. If a Settling State is required to disclose or provide any records created by and obtained from Walmart under this provision to third parties during or after the Term of these Injunctive Terms, it shall first provide ten (10) days' notice to Walmart unless doing so would conflict with applicable law. This notification requirement shall not apply to documents obtained by a Settling State or its agencies that are required to be produced to the Settling State or its agencies by law or regulation, nor shall it apply to documents obtained by a Settling State or its agencies that are shared with federal, state, or local law enforcement. This notification requirement shall also not apply to documents obtained by a Settling State or its agencies from other sources.

5. No Admission and No Use as Evidence. Walmart does not admit liability or wrongdoing. These Injunctive Terms shall not be considered, construed, or represented to be (1) an admission, concession, or evidence of liability or wrongdoing or (2) a waiver or limitation of any defense otherwise available to Walmart. These Injunctive Terms shall not be offered or received in evidence in any action or proceeding for any purpose other than in an action or proceeding arising under or relating to these Injunctive Terms.

II. TERM AND SCOPE

1. The term of these Injunctive Terms shall be from the Injunctive Terms Implementation Date until ten years from the Injunctive Terms Implementation Date, unless otherwise specified herein.

2. Except as otherwise stated herein, the Injunctive Terms shall apply to Walmart's retail pharmacy stores registered or licensed with each Settling State that dispense Schedule II Designated Controlled Substances to Patients and to Schedule II Designated Controlled Substances dispensed to patients in each Settling State by its mail-order pharmacy. Should Walmart operate an online pharmacy that is registered or licensed to dispense Schedule II Designated Controlled Substances in any Settling State while these Injunctive Terms are in effect, the Injunctive Terms shall apply to such online pharmacy as well.

3. This agreement may be amended by mutual agreement of a majority of the States Injunctive Relief Committee and Walmart. Any such amendments must be in writing.

III. DEFINITIONS

1. The term "Distributor Injunctive Terms" means Exhibit P of the Settlement Agreement, dated as of July 21, 2021, between McKesson Corporation, Cardinal Health, Inc., and AmerisourceBergen Corporation and certain States and subdivisions.

2. The term "Block" means an action taken by Walmart preventing or otherwise prohibiting any Walmart pharmacist from filling prescriptions for Controlled Substances from a specific identified prescriber.

3. The term "Clearinghouse" means the system established by Section XVII of the Distributor Injunctive Terms.

4. The term "Clearinghouse Advisory Panel" is as defined in Section XVII.B.4 of the Distributor Injunctive Terms.

5. The term "Controlled Substances" means those substances designated under schedules II-V pursuant to the federal Controlled Substances Act and the laws and regulations of the Settling State that incorporate the federal Controlled Substances Act. Controlled Substances shall also include gabapentin, except for purposes of dispensing in States that do not treat gabapentin as a controlled substance or similar designation (e.g., "drug of concern").

6. The term "Designated Controlled Substances" shall be limited to: (a) oxycodone; (b) hydrocodone; (c) hydromorphone; (d) tramadol; (e) oxymorphone; (f) morphine; (g) methadone; and (h) fentanyl.

7. The term "Effective Date" is defined in Section II.C of the Walmart Settlement Agreement.

8. The term "Injunctive Terms Implementation Date" means (i) 90 days after the Effective Date of the Settlement Agreement, or (ii) 90 days after CVS and Walgreens have agreed to implement materially the same Injunctive Terms nationwide pursuant to a binding agreement with state attorneys general and such Injunctive Terms imposed upon CVS and Walgreens have become effective, whichever is later. To the extent there is a dispute between the Settling States and Walmart regarding whether the Injunctive Terms imposed on other pharmacies are materially the same as these Injunctive Terms, such dispute shall be heard by the National Arbitration Panel. If any Injunctive Term is found to be materially different, only that term and any co-dependent terms, as applicable, would be invalidated and inoperative. However, in no event shall the Injunctive Terms be any less stringent than those applied in the Walmart-Florida Injunctive Relief Terms.

9. The term "National Arbitration Panel" is defined in Section VI.F.3.b of the Walmart Settlement Agreement.

10. The term "Patient" means any individual who receives a prescription for a Designated Controlled Substance from a Prescriber, whether legally valid or not, and attempts to fill it at one of Walmart's retail pharmacy stores in a Settling State.

11. The term "Prescriber" means any individual that has written a prescription, whether legally valid or not, that is presented to a Walmart pharmacy in a Settling State.

12. The term "Red Flag(s)" means the enumerated Patient Red Flags, Prescription Red Flags, and Prescriber Red Flags set out in Section IX.

13. The term "Settling State(s)" is defined in Section I.MMM of the Walmart Settlement Agreement.

14. The term "States Injunctive Relief Committee" means a committee representing the Settling States composed of between four and eight members designated by the Settling States.

IV. CONTROLLED SUBSTANCE COMPLIANCE PERSONNEL

1. Walmart shall designate a Controlled Substance Compliance Director, or other appropriately titled position, to be a member of the Controlled Substance Compliance Committee (described below in Section VI), and to oversee a Controlled Substance Compliance Department and Walmart's compliance with 21 C.F.R. 1306 these Injunctive Terms. As used in these Injunctive Terms, the terms "Controlled Substance Compliance Committee" and "Controlled Substance Compliance Department" refer to the entity or entities, however titled, that carry out the functions required by these Injunctive Terms. Notwithstanding the preceding sentence, to the extent an existing position, committee or department carries out the functions required by these Injunctive Terms, any other functions undertaken by such position, committee or department shall not be subject to these Injunctive Terms or oversight by the Settling States pursuant to these Injunctive Terms. The position, committee and department discussed in these Terms may bear different names and need not be limited to the roles and functions set forth herein.

2. The Controlled Substance Compliance Director shall have knowledge of and experience with the laws and regulation of Controlled Substances, in particular laws and regulations regarding 21 C.F.R. 1306 and requiring effective controls against the potential diversion of Controlled Substances.

3. The Controlled Substance Compliance Director shall provide at least quarterly reports to the Controlled Substance Compliance Committee (described below in Section VI) regarding Walmart's compliance with these Injunctive Terms, including the implementation of any changes to the CSCP Policies and Procedures required by these Injunctive Terms.

4. Staffing levels of Walmart's Controlled Substance Compliance Department shall be reviewed periodically, but at least on an annual basis, by Walmart's Controlled Substance Compliance Committee to assess whether such staffing levels are sufficient for the Controlled Substance Compliance Department to comply with this Agreement. This review shall include consideration of relevant developments in technology, law, and regulations.

5. Throughout the term of these Injunctive Terms, Walmart shall maintain a telephone and electronic submission hotline(s) (the "Hotline") to permit employees and/or Patients to anonymously report suspected inappropriate or illegitimate dispensing, prescribing or diversion of Designated Controlled Substances, violations of the CSCP Policies and Procedures, these Injunctive Terms, Walmart's company policy, or other applicable law. The Hotline may be implemented by adding a dedicated option to existing systems that includes reporting regarding Designated Controlled Substances. Walmart shall publish its Hotline contact information to its employees and Patients in the Settling States. Walmart shall maintain for the duration of Injunctive Terms a record of each complaint made to the Hotline regarding Designated Controlled Substances and

documentation regarding any investigation or response to such complaints. Nothing herein shall require Walmart to investigate a pharmacist's professional judgment to refuse a prescription that the pharmacist believes was prescribed or is being used for other than a legitimate medical purpose or that the pharmacist believes was not prescribed by an individual Prescriber acting in the usual course of his or her professional practice.

V. INDEPENDENCE

1. Walmart's Controlled Substance Compliance Department personnel, pharmacists and pharmacist technicians who work at Walmart's pharmacies within the Settling States, and field personnel who supervise pharmacists and pharmacist technicians (together, "CSCP Employees"), shall not be compensated in whole or in part by commissions, bonuses, incentives or any other monetary or non-pecuniary benefit that depends in any part on revenue or profitability targets or expectations for sales of Controlled Substances. Nothing in these Injunctive Terms shall be interpreted to prevent compensation of employees based on sales volume, revenue or profitability targets/expectations for enterprise-, store-, or pharmacy-wide sales that include Controlled Substances.

2. No CSCP Employees may be terminated, suspended, threatened with or face any other negative employment consequence for failing to meet any revenue or profitability targets or expectations for sales of Controlled Substances. Nothing in these Injunctive Terms shall be interpreted to prevent Walmart from taking employment action based on sales volume, revenue or profitability targets/expectations for enterprise-, store-, or pharmacy-wide sales that include Controlled Substances.

3. Personnel in Walmart's Controlled Substance Compliance Department shall not report to Walmart's sales, marketing, or business development personnel, and sales, marketing, or business development personnel shall not be authorized to make decisions regarding the promotion, compensation, demotion, admonition, discipline, commendation, periodic performance reviews, hiring, or firing of Controlled Substance Compliance Department personnel.

4. Walmart's sales, marketing and business development department personnel are prohibited from interfering with, obstructing, or otherwise exerting control over any Controlled Substance Compliance Department or Controlled Substance Committee decision-making.

5. Notwithstanding the prior paragraph, Walmart pharmacy operations personnel may sit on the Controlled Substance Compliance Committee and pharmacists and pharmacy managers may sit on the Controlled Substance Compliance Committee provided that they do not have voting privileges.

6. To the extent necessary to comply with this section, Walmart's Controlled Substance Compliance Committee shall review, modify, and direct any changes to any compensation and non-retaliation policies specific to the sale or dispensing of Designated Controlled Substances.

VI. OVERSIGHT

1. To the extent not already established, within thirty (30) business days of the Injunctive Terms Implementation Date, Walmart shall establish a compliance committee, however titled, that includes representatives from its respective legal, compliance, pharmacy operations and finance departments, however named, to provide oversight over the CSCP and its compliance with the Injunctive Terms. For the purposes of reference herein, this committee, however named, shall be referred to as the "Controlled Substance Compliance Committee." Walmart shall maintain its Controlled Substance Compliance Committee for the duration of the term of the Injunctive Terms. The Controlled Substance Compliance Director shall be a member of the Controlled Substance Compliance Committee.

2. Walmart's Controlled Substance Compliance Committee shall have quarterly meetings during which the Controlled Substance Compliance Director shall report on, and the Controlled Substance Compliance Committee shall review, among other things, (a) the Prescription Validation Process, including the CSCP Policies and Procedures on identifying and resolving Patient, Prescriber and Prescription Red Flags; (b) the training required under the Injunctive Terms; (c) proactive due diligence and site visits; (d) the Prescriber Review Processes; (e) significant new national and regional diversion trends involving Controlled Substances; (f) Walmart's adherence to the Injunctive Terms and applicable laws and regulations; and (g) any technology, staffing, or other resource needs for the CSCP. The Controlled Substance Compliance Committee shall have access to all CSCP reports described in the following subsection.

3. On an annual basis, Walmart's Controlled Substance Compliance Committee shall provide a written report to Walmart's President, Chief Financial Officer, Chief Legal Officer, and Chief Compliance Officer, as well as its Board of Directors, outlining (a) Walmart's adherence to, and any material deviations from these Injunctive Terms; (b) the allocation of resources sufficient to comply with these Injunctive Terms; and (c) any revisions to the CSCP that the Controlled Substance Compliance Committee has approved. The Board of Directors or a committee thereof shall document in its minutes its review of the annual Controlled Substance Compliance Committee reports.

4. Walmart, through its Controlled Substance Compliance Department and Committee, shall, at least once every year, review and oversee any enhancements to the CSCP Policies and Procedures and systems for dispensing activity that the Controlled Substance Compliance Committee deems necessary.

5. The Controlled Substance Compliance Committee shall be responsible for the approval of all material revisions to the CSCP Policies and Procedures, provided that nothing herein shall prevent Walmart from implementing changes to the CSCP Policies and Procedures pending such review and approval.

VII. MANDATORY TRAINING

1. The CSCP Policies and Procedures shall be published in a form and location readily accessible to all pharmacy and compliance personnel at each Walmart pharmacy location in the Settling States. Online availability is sufficient, so long as pharmacy and compliance personnel have access to a computer with access to the CSCP Policies and Procedures.

2. Walmart shall implement policies and procedures requiring that, to the extent practical (for example, accounting for employee leave), within 90 days of the Injunctive Terms Implementation Date, all existing CSCP Employees must complete a training on the CSCP Policies and Procedures required under these Injunctive Terms, including the Prescription Validation Process and their corresponding responsibility. These policies and procedures shall further require that all new hires must complete such trainings within 60 days of hiring or 6 months of the Injunctive Terms Implementation Date, whichever is later. Walmart will further ensure that every CSCP Employee will receive such training at least once every 3 years for the term of these Injunctive Terms.

3. On an annual basis for the duration of these Injunctive Terms, Walmart shall test its CSCP Employees on their knowledge regarding the CSCP Policies and Procedures required under these Injunctive Terms, including the Prescription Validation Process and their corresponding responsibility.

4. Walmart shall train all third-party compliance consultants performing CSCP-related compliance functions for Walmart in the same manner as Walmart's CSCP Employees.

5. It shall be a part of the CSCP Policies and Procedures and all trainings of all CSCP Employees required under these Injunctive Terms that pharmacists shall refuse to dispense Controlled Substances that they believe were prescribed or are being used for other than a legitimate medical purpose or that they believe were not prescribed by an individual Prescriber acting in the usual course of his or her professional practice.

6. All trainings required under these Injunctive Terms shall also make clear that i) Walmart's compensation and non-retaliation policies, including pursuant to these Injunctive Terms, prevent CSCP Employees from being compensated or penalized in any way related to revenue or profitability targets or expectations specific to sales of Controlled Substances; and ii) pharmacists will not be penalized in any way for exercising their professional judgment to refuse to fill prescriptions for Controlled Substances pursuant to their corresponding responsibility.

VIII. THE PRESCRIPTION VALIDATION PROCESS

1. As part of its CSCP, Walmart shall maintain a Prescription Validation Process in the CSCP Policies and Procedures, as further described and set forth in this section, that each pharmacist employed by Walmart in a Settling State must follow when dispensing a prescription for a Controlled Substance. The inclusion of an enumerated Red Flag in these Injunctive Terms shall not be considered, construed, or represented to be an admission, concession, or evidence of any fact or contention related to such Red Flag. Nothing in these Injunctive Terms shall require Walmart to create a record in those instances where the pharmacist rejects a prescription when presented without an effort to resolve any red flags, including but not limited to instances where the pharmacist identifies on the face of the prescription a Prescription Red Flag (defined in Section IX below) that causes the pharmacist to conclude without further inquiry that the prescription is invalid.

2. A Red Flag will be considered "resolved" if, after further investigation as described below, and given other facts and circumstances surrounding the prescription, a pharmacist determines, in his or her professional judgment, that the facts that triggered the Red Flag do not lead him or her to believe that the prescription was written or is being submitted for an illegitimate medical purpose or outside the usual course of a Prescriber's professional practice. All Red Flags described in Sections IX.3 and IX.5 below shall be based on internal Walmart dispensing data regarding prescriptions filled at Walmart pharmacies and shall not be based on Prescription Monitor Program ("PMP") or Prescription Drug Monitoring Program ("PDMP") data or dispensing data regarding prescriptions filled at pharmacies other than Walmart pharmacies. Nothing in this Agreement requires Walmart to use nor prohibits Walmart from using any data other than internal Walmart dispensing data to identify any Patient Red Flags or Prescriber Red Flags (described in Section IX.3 and IX.5 below).

3. Walmart's CSCP Policies and Procedures shall provide that if a pharmacist identifies any "Patient Red Flags" associated with a Controlled Substances prescription (described in Section IX(3) below), before filling the prescription the pharmacist must resolve them; and that the method of resolution falls within the judgment of the pharmacist and may include reviewing the Patient's profile and history with Walmart, calling the Prescriber or Prescribers if appropriate, speaking with the Patient if appropriate, calling on the pharmacist's pre-existing knowledge of the Patient or Prescriber, reviewing available Prescription Monitoring Program ("PMP" or "PDMP") data, and/or reviewing other data or information available to the pharmacist.

4. Walmart's CSCP Policies and Procedures shall provide that if forgery or fraud is suspected, or if the pharmacist identifies any other "Prescription Red Flags" associated with a Controlled Substances prescription (described in Section IX(4) below), the pharmacist must either reject the prescription if the pharmacist concludes without further inquiry that the prescription is invalid or resolve the Prescription Red Flags; and that the method of resolution falls within the judgment of the pharmacist and may include reviewing the Patient's profile and history with Walmart, calling the Prescriber or Prescribers if appropriate, speaking with the Patient if appropriate, calling on the pharmacist's pre-existing knowledge of the Patient or Prescriber, reviewing available PMP or PDMP data, and/or reviewing other data or information available to the pharmacist.

5. Walmart's CSCP Policies and Procedures shall require that if a pharmacist identifies any "Prescriber Red Flags" associated with a Controlled Substances prescription (described in Section IX(5) below), the pharmacist must resolve them; and that the method of resolution falls within the judgment of the pharmacist and may include reviewing any Walmart records regarding the Prescriber, calling the Prescriber if appropriate, speaking with the Patient if appropriate, calling on the pharmacist's pre-existing knowledge of the Patient or Prescriber, reviewing available PMP or PDMP data, and/or reviewing other data or information available to Walmart.

6. Walmart's CSCP Policies and Procedures shall provide that the resolution of all Red Flags identified by the pharmacist, as well as any Controlled Substance prescriptions that were rejected pursuant to the Prescription Validation Process, and the reasons why they were rejected, must be documented. Any such records shall be maintained for the duration of these Injunctive Terms. To the extent that a Red Flag is resolved based upon facts or circumstances that are already reflected or documented in Walmart's records, further documentation of those facts or circumstances is not required for resolution of substantially the same Red Flag on subsequent prescriptions. For example, if a patient lives 55 miles from a Walmart pharmacy but works near the pharmacy and that fact is reflected in pharmacy records, no documentation for the resolution of the Red Flag addressing patient distance from the pharmacy is required in connection with individual prescriptions dispensed for that patient.

7. Walmart's CSCP Policies and Procedures shall provide that, even if all Red Flags are resolved, a pharmacist shall reject a prescription if, in his or her professional judgment, he or she believes that it was written or is being submitted for other than a legitimate medical purpose and/or was written outside the usual course of an individual Prescriber's professional practice.

IX. RED FLAGS

1. Walmart shall provide annually to the Settling States, beginning with an initial report twelve months after the Injunctive Terms Implementation Date, and annually

thereafter, a report (the "Annual Red Flag Report") that sets forth: (a) the total number of prescriptions for Controlled Substances dispensed annually aggregated nationally and by state; (b) the specific metrics or algorithms (if any) used to identify each category of Red Flag listed in this section; and, (c) for each category of Red Flags (excluding the Prescription Red Flags in IX.4 except to the extent collected and maintained), the following information on both a nationwide basis and, separately, for each Settling State:

a. The number of times that Walmart pharmacists input a prescription into its systems and identified the Red Flag during the prior year;

b. The number of times when such Red Flag was not resolved and thus, the prescription was refused, during the prior year;

c. The percentage of instances where a Red Flag occurred, as in subsection a, that the Red Flag was not resolved, as in subsection b.

2. Within the three months following the provision of the Annual Red Flag Report, either Walmart or the States Injunctive Relief Committee may propose in writing a meet and confer to discuss potential changes to the scope of one or more categories of Red Flags. At such a meeting, Walmart or the States Injunctive Relief Committee may provide additional research, information or data available to them beyond that provided in the Annual Red Flag Report. For example, Walmart might propose reducing the threshold for triggering a particular category of Red Flag or consolidating certain Red Flags or subcategories of Red Flags into a single metric, or the States Injunctive Relief Committee might propose increasing the threshold for triggering a particular Red Flag or expanding that Red Flag to include multiple subcategories (*e.g.*, number of prescriptions, distance thresholds).

a. If Walmart and the States Injunctive Relief Committee agree on such changes to one or more Red Flags, they shall document those changes in writing and they shall become a part of these Injunctive Terms for all intents and purposes. Further, any modified Red Flags shall thereafter become subject to tracking by Walmart and part of the Annual Red Flag Report.

b. If Walmart and the States Injunctive Relief Committee cannot agree on the proposed changes during their meeting and confer, the Party seeking the change(s) to the Red Flag(s) may seek a 5-day mediation of the issue at its own expense. If the mediation fails to resolve the dispute between the parties, the party seeking the proposed change(s) may appeal to the National Arbitration Panel to have the National Arbitration Panel modify the Red Flags on the basis that the change(s) would be consistent both with avoiding unnecessary material costs of identifying and resolving Red Flags and materially reducing the diversion of Controlled Substances. In such a proceeding, the Party seeking the

proposed change(s) may provide evidence from Annual Red Flag Reports or from other research, data and information.

3. Walmart shall treat the following circumstances as "Patient Red Flags":

    a. A Patient seeks to fill a Schedule II Designated Controlled Substance prescription more than three days prior to the contemplated exhaustion date of more than two earlier prescriptions of the Schedule II Designated Controlled Substance (e.g., exhaustion of the days' supply assuming the prescription has been taken in accordance with the prescribers' directions on the face of the prescription);

    b. A Patient seeks to fill a Designated Controlled Substance prescription from a Prescriber after having filled Designated Controlled Substance prescriptions from three other Prescribers, from separate practices, in a given 6-month period;[1]

    c. A Patient seeks to fill a Designated Controlled Substance prescription after having filled Designated Controlled Substance prescriptions at two other Walmart pharmacies within 30 days;

    d. A Patient seeks to fill a Designated Controlled Substance prescription after having filled three other Designated Controlled Substance prescriptions within 30 days;

    e. The distance between a Patient's residence and the Walmart pharmacy receiving the Designated Controlled Substance prescription is farther than 50 miles (except if the prescription is presented to Walmart's mail-order pharmacy, in which case this Red Flag shall not be applicable);

    f. The Patient resides more than 100 miles from the Prescriber who issued the Designated Controlled Substances prescription;

    g. A Patient seeks to fill an acute-condition Designated Controlled Substance prescription for more than a seven-day supply or over 50 MME per day and has not filled an acute-condition Designated Controlled Substance prescription within the past 30 days; and

    h. A Patient seeks to fill a Designated Controlled Substance prescription after having two other prescriptions for Designated Controlled Substances subjected to documented refusals to fill by a Walmart pharmacist within the past 30 days.

4. Walmart shall treat the following circumstances as "Prescription Red Flags:"

[1] In Walmart's sole discretion, for administrative convenience Walmart may implement this Red Flag without regard to whether prescribers are at separate practices, thereby resulting in more instances in which the flag occurs.

a. A Controlled Substance prescription that appears altered, including but not limited to, a photocopied prescription or a prescription in which an altering agent, such as white out, was used;

b. A Controlled Substance prescription written with misspellings suggesting the prescription may not have been written by a Prescriber;

c. A Controlled Substance prescription using atypical abbreviations suggesting the prescription may not have been written by a Prescriber; and

d. A Controlled Substance prescription written with multiple colors of ink or in multiple different handwritings.

5. Walmart shall treat the following circumstances as "Prescriber Red Flags:"

a. A Prescriber provides a Patient with prescriptions for all three of a Schedule II Designated Controlled Substance, a benzodiazepine, and carisoprodol;

b. A Prescriber has no office within 50 miles of the retail pharmacy store where a Designated Controlled Substance prescription is submitted; and

c. A Patient seeks to fill a Designated Controlled Substance prescription written by a Prescriber after having filled at least seven Designated Controlled Substance prescriptions written by the same Prescriber within 90 days.

X. PRESCRIBER REVIEW

1. Walmart shall regularly review the prescribing patterns and practices of Prescribers of Designated Controlled Substances (the "Prescriber Review Process"). The Prescriber Review Process shall employ algorithms, or other means, to review data on Walmart's retail dispensing for potential Prescribers of concern.

2. Walmart shall automatically refer a Prescriber for further investigation as part of the Prescriber Review Process in the following circumstances:

a. Personnel implementing the Prescriber Review Process become aware that a Prescriber has had his or her medical license suspended or revoked for violations of laws or regulations related to Controlled Substance prescribing in any jurisdiction of the United States within the prior six months;

b. A Prescriber has been the subject of a blanket refusal to fill;

c. A Prescriber has been the subject of more than ten (10) documented refusals to fill within a six-month period;

d. Personnel implementing the Prescriber Review Process become aware that a Prescriber has been charged or indicted with a crime related to prescribing Controlled Substances by the Federal Government or in any jurisdiction of the United States; or

e. Walmart has received a Hotline complaint that has been investigated and substantiated concerning a Prescriber's illegitimate prescribing of Controlled Substances.

3. Based on the professional judgment of the employees operating the Prescriber Review Process, Walmart may also refer a Prescriber for further investigation as part of the Prescriber Review Process based on one of the following circumstances:

    a. A Prescriber was the subject of an inquiry by law enforcement;

    b. A Prescriber was flagged for review by a Walmart pharmacist (other than through a refusal to fill or blanket refusal to fill) or supervisory field personnel; or

    c. A Prescriber was identified by review or analysis of objective data metrics, alone or in combination, such as data pertaining to the Prescriber's Controlled Substance prescription practices or patients.

4. Once Walmart identifies a Prescriber for further investigation, Walmart shall review pertinent and available data and information pertaining to the Prescriber, which may include interviews or other information gathered in the discretion of the employees operating the Prescriber Review Process. When permitted by law, nothing contained in this Section prevents Walmart from taking immediate action to Block a Prescriber in lieu of referral for further investigation or prevents a Walmart Pharmacist from refusing to fill any particular prescription or refusing to fill prescriptions from a given Prescriber.

5. If after the Prescriber Review Process those making the decision have not resolved the circumstances that caused Walmart to further investigate the Prescriber, then the Prescriber shall be Blocked and Walmart pharmacies will no longer fill controlled substance prescriptions written by that prescriber. If Walmart does not Block the Prescriber due to requirements of state law, Walmart shall provide notice to the Pharmacist that, but for this prohibition, the Prescriber would have been Blocked. A Prescriber may have an opportunity at the discretion of Walmart to seek future reinstatement by providing information to Walmart that may resolve its concerns. Nothing in this Section shall limit the right or ability of individual Walmart pharmacists to either refuse to fill a given prescription or refuse to fill all prescriptions for Controlled Substances from a given prescriber independent of any decision by Walmart to Block or not Block a given prescriber. Walmart shall provide the names of doctors

it has Blocked to the Board of Medicine in each Settling State.

6. Walmart shall report to each Settling State the number and identity of Prescribers from such Settling State that were Blocked and the number of Prescribers from such Settling State who were referred for a decision regarding whether the Prescriber should be Blocked as part of Walmart's Prescriber Review Process. Such reporting shall occur on an annual basis. Walmart may, at its discretion, report on a more frequent basis.

XI. PROACTIVE DUE DILIGENCE AND SITE VISITS

1. During the term of these Injunctive Terms, Walmart shall conduct periodic proactive compliance reviews of its retail pharmacy stores in the Settling States to assist with the identification of potential compliance issues related to the dispensing of Designated Controlled Substances at its retail pharmacy stores in the Settling States. This may be satisfied by the use of algorithms, or other electronic means, to analyze the data associated with each pharmacy to identify particular pharmacies for review as required under this Section XI. Documentation of any resulting reviews shall be maintained by Walmart and made accessible to all Controlled Substance Compliance Department personnel upon request for the duration of these Injunctive Terms.

2. During the term of these Injunctive Terms, Walmart personnel or qualified third-party compliance consultants shall also conduct site visits based on analysis of data regarding dispensing of Designated Controlled Substances at Walmart pharmacies, including unannounced site visits to at least one in every 50 of its retail pharmacy stores in each Settling State each year (but not less than five each year) for the duration of these Injunctive Terms. These site visits shall at a minimum consist of a review of Controlled Substance dispensing documentation and recordkeeping; a review of fraud, theft and loss prevention equipment and processes; an audit of Controlled Substances inventory and recordkeeping; and a review of physical surroundings and other circumstances for any indications of potential non-compliance with these Injunctive Terms or the CSCP Policies and Procedures, or any violations of other applicable laws and regulations related to Controlled Substances.

3. During site visits, Walmart personnel or qualified third-party compliance consultants shall interview relevant pharmacy employees, if appropriate, about any potential areas or issues of concern, including potential violations of law, the CSCP Policies and Procedures, and these Injunctive Terms, as well as the retail pharmacy store's maintenance of effective controls against the potential diversion of Controlled Substances.

4. Walmart personnel or qualified third-party compliance consultants who conduct site visits shall complete a report reflecting the findings of any site visit pursuant to this section. This report shall document areas or issues of concern, including potential

violations of law, the CSCP standard operating procedure, and these Injunctive Terms, and the results of any follow-up data analysis performed, as well as any other results or findings.

5. Site visit reports and all other compliance reports related to the dispensing of Designated Controlled Substances shall be maintained by Walmart and made accessible to all Controlled Substance Compliance Department personnel upon request for the duration of these Injunctive Terms.

XII. FRAUD, THEFT AND LOSS PREVENTION

1. In addition to complying with all fraud, theft and loss procedures, policies and precautions required by state and federal law, Walmart shall maintain information regarding the inventory accounting and auditing of all Designated Controlled Substances at each retail pharmacy store for at least three years from the date of the accounting or audit.

2. In addition to any other reporting obligations under state and federal law, Walmart must provide to each Settling State on a quarterly basis any reports it has made to the Drug Enforcement Administration regarding the theft or significant loss of Controlled Substances in that Settling State pursuant to 21 CFR §1301.76(b).

XIII. REPORTING TO LAW ENFORCEMENT

1. To the extent not already in place, Walmart shall implement standard operating procedures directing its employees to report any confirmed fraudulent or forged prescriptions to Settling State law enforcement authorities, to the extent they want to accept it, within 5 business days of completing any review of such prescription, and provide a summary of such reports, to the extent permitted by law, to the Settling State on a biannual basis upon request.

2. Walmart shall document and for at least 2 years maintain records of any such reports that are made to law enforcement regarding confirmed fraudulent or forged prescriptions.

XIV. ENFORCEMENT OF INJUNCTIVE TERMS

1. Notice of Potential Violations and Opportunity to Cure.

    a. A "Potential Violation" occurs when the Settling State determines, after appropriate investigation and due diligence, that Walmart is not in substantial compliance with a material aspect of the Injunctive Terms. A Potential Violation may be for a single retail pharmacy. A violation of this Agreement

does not necessarily occur when a pharmacist, pharmacist technician, or other field personnel who supervise pharmacists and/or pharmacist technicians employed by Walmart violates Walmart's CSCP Policies and Procedures or the law.

b. Potential Violation Discovered by Settling State.

    a. In the event of a Potential Violation identified by a Settling State, the Settling State shall notify Walmart in writing (the "State's Notice").

    b. Within thirty (30) days of receipt of the State's Notice, Walmart shall provide a written response to the Settling State. The response shall include Walmart's position as to the act(s) of non-compliance, including, possibly, a statement setting forth why Walmart believes it is in substantial compliance with the relevant provision(s) or a statement explaining how the Potential Violation has been addressed.

    c. If the Settling State wishes to meet with Walmart, Walmart shall promptly make itself available for such a meeting.

c. If, after review of a written response and any meeting, the Settling State believes that a Potential Violation is ongoing or has not been substantially addressed, it will provide written notice to Walmart and work in conjunction with Walmart to devise, within thirty (30) days, a corrective action plan ("Corrective Action Plan") to remedy such Potential Violation, including a reasonable period for implementation of such plan.

d. Within 60 and 120 days after implementing the Corrective Action Plan, Walmart will provide a written compliance update to the Settling State and make itself available to meet with the Settling State if requested. If after reviewing the compliance update and any meeting, the Settling State believes a Potential Violation remains ongoing or has not been substantially addressed, the Settling State may commence a 30-day mediation period. If mediation fails to resolve the dispute between the parties, the Settling State may take whatever action it deems necessary, including but not limited to bringing an action to enforce these Injunctive Terms, filing a new action (administrative or civil action) for violation of the Injunctive Terms as allowed by state law, conducting further investigation, or attempting to negotiate an updated Corrective Action Plan with Walmart. But the Settling State may not seek to reinstate claims that have been released as part of the Settlement.

e. If Walmart fails or refuses to provide a written response, to devise or implement a Corrective Action Plan or to provide a compliance update as required by

subsections 1(b), 1(c) and/or 1(d), a Settling State may bring an action to enforce these Injunctive Terms, filing a new action (administrative or civil action) for violation of the Injunctive Terms as allowed by state law, conduct further investigation, or attempt to negotiate an updated Corrective Action Plan with Walmart. But the Settling State may not seek to reinstate claims that have been released as part of the Settlement.

f. If, after review of a written response and any meeting, pursuant to subsections 1b. or 1c., above, the Settling State concludes that a Potential Violation is not ongoing or has been substantially addressed, the State will provide written notice of this conclusion to Walmart within 30 days of reaching its conclusion.

2. Enforcement Action. Each Settling State agrees that prior to taking any court or administrative action, other than an action that the Settling State concludes is necessary to address an immediate threat to the health, safety, or welfare of the citizens of the Settling State, or that a public emergency requiring immediate action exists, it will follow the process outlined above. If the Settling State concludes that action is necessary to address an immediate threat to the health, safety, or welfare of the citizens of the Settling State or that a public emergency requiring immediate action exists, it will make best efforts to provide reasonable notice to Walmart prior to initiating any such action.

XV. COMPLIANCE CERTIFICATION

1. Walmart's Controlled Substance Compliance Director shall, after diligent inquiry, complete an annual compliance certification as set out in Section XV(4).

2. The certification shall be filed annually for the duration of these Injunctive Terms with a Settling State's appropriate licensing and/or regulatory agency and its Attorney General.

3. In addition to the responsibilities set forth in these Injunctive Terms, certain Walmart Pharmacy employees ("Certifying Employees") are expected to monitor and oversee activities within their areas of authority and beginning within 1 year of the Injunctive Terms Implementation Date shall annually certify that the applicable Walmart department is in compliance with applicable statutory requirements and the obligations of these Injunctive Terms. These Certifying Employees shall include, at a minimum, the following: Senior Vice President, Pharmacy; Vice President, Pharmacy Operations; Senior Vice President, Chief Financial Officer, Health & Wellness; and Chief Ethics and Compliance Officer, Health & Wellness. For each reporting period, each Certifying Employee shall sign a certification as set out in Section XV(4).

4. The certification shall state:

"I understand the compliance requirements and responsibilities as they relate to [insert name of department], an area under my supervision. My job responsibilities include attempting to ensure compliance with regard to the [insert name of department] with all applicable statutory requirements, obligations of the Injunctive Terms, and applicable policies, and I have taken steps to promote such compliance. To the best of my knowledge, the [insert name of department] is in compliance with the obligations of these Injunctive Terms. I understand that this certification is being provided to and relied upon by the State of [Settling State]."

5. If the Controlled Substance Compliance Director or Certifying Employee is unable to provide such a certification, the Controlled Substance Compliance Director or Certifying Employee shall provide a written explanation of the reasons why he or she is unable to provide the certification outlined above.

6. Within 120 days of the Injunctive Terms Implementation Date, Walmart shall develop and implement a written process for the Certifying Employees to follow for the purpose of completing the certification required by this section.

XVI. DATA SHARING

1. Walmart shall consent to the provision by its distributors of Walmart's unblinded "867 Data" (data sent from the distributor to the manufacturer concerning the sale of its products to Walmart) regarding Designated Controlled Substances to opioid manufacturers as soon as commercially reasonable and at no cost to the manufacturers, provided that, pursuant to a prior written agreement with Walmart, the opioid manufacturers agree (a) to ensure the confidentiality of the 867 Data; (b) to implement safeguards and procedures to limit access to and use of the 867 Data; (c) that the 867 Data shall be used solely for compliance purposes as part of their Suspicious Order Monitoring programs; and (d) that the 867 Data shall be shared only with specified personnel and shall not be shared with business or sales personnel.

2. To the extent that Walmart provides McKesson Corporation, Cardinal Health, Inc., or AmerisourceBergen Corporation (the "Settling Distributors") with Pharmacy Customer Data (as defined in the Distributor Injunctive Terms) for use in their Controlled Substance Monitoring Programs, Walmart agrees that the Settling Distributor(s) may share such Pharmacy Customer Data with the Monitor appointed pursuant to the Distributor Injunctive Terms, provided that the Monitor agrees, pursuant to a prior written agreement with Walmart, (a) to ensure the confidentiality of the Pharmacy Customer Data; (b) to implement safeguards and procedures to limit access to and use of the Pharmacy Customer Data; (c) that the Pharmacy Customer Data is used solely for the purpose of ensuring the Settling Distributors' compliance with the Distributor Injunctive Terms; and (d) that the Pharmacy Customer Data shall be shared only with specified personnel.

XVII. CLEARINGHOUSE

1. Solely for purposes of this Section XVII, the term "Pharmacy Clearinghouse Data" means aggregated data for a 90-day period that contains:

    a. A list of the total number of prescriptions and dosage units for each NDC for all Controlled Substances dispensed at each Walmart retail pharmacy;

    b. A list of the top five prescribers of each Designated Controlled Substance by dosage volume and the top ten prescribers of all Designated Controlled Substances combined by dosage volume dispensed at each Walmart retail pharmacy. For each prescriber, the data shall include the following information:

        i. Number of prescriptions and doses prescribed for each Designated Controlled Substance NDC;

        ii. Number of prescriptions for each unique dosage amount (number of pills per prescription) for each Designated Controlled Substance NDC;

        iii. Prescriber name, DEA registration number, and address; and

        iv. Medical practice/specialties, if available;

    c. Information on whether the method of payment was cash for Controlled Substances prescriptions dispensed at each Walmart retail pharmacy; and

    d. Information on top ten patient residential areas by five-digit ZIP code prefix for filled Designated Controlled Substances by dosage volume, including number of prescriptions and doses for each Designated Controlled Substance NDC dispensed at each Walmart retail pharmacy.

2. To the extent that a Settling Distributor distributes Controlled Substances to Walmart pharmacies, Walmart shall make Pharmacy Clearinghouse Data available to such Settling Distributor for provision to the Clearinghouse on a quarterly basis and Walmart will confer with such Settling Distributor(s) and the States Injunctive Relief Committee to determine: what additional information, if any, is needed from Walmart for a Settling Distributor to perform suspicious order monitoring, including in connection with the effective operation of the Clearinghouse to assist with suspicious order monitoring; if additional information is needed, how Walmart shall provide it to a Settling Distributor; and what information provided by Walmart to a Settling Distributor may be deposited by the Settling Distributor into the Clearinghouse. Due to patient privacy and legal restrictions, in connection with any meet and confer described above, Walmart will not agree to provide individual patient-level or prescription-level data, de-identified or otherwise, to the Settling Distributors and/or the Clearinghouse.

3. Walmart and Settling Distributors will also determine whether and in what amount Walmart will contribute financially to the Clearinghouse. Such contribution, if any, shall be in an amount proportionate to the contributions of other Chain Pharmacies based upon Controlled Substance market share, but in no event shall Walmart be

obligated to contribute more than a total of $7,000,000 for the life of the Clearinghouse. If Walmart contributes financially to the Clearinghouse and/or provides data directly to the Clearinghouse, it shall have the option, in its sole discretion, to have a seat on the Clearinghouse Advisory Panel with rights identical to those of the Settling Distributors. If Walmart becomes a member of the Clearinghouse Advisory, the number of state members shall remain equal to the number of non-state members

4. Any data provided by Walmart to a Settling Distributor and/or the Clearinghouse pursuant to these Injunctive Terms shall be treated in compliance with state and federal law, including but not limited to the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and all applicable state and federal privacy laws.

5. At Walmart's sole option, Walmart may obtain relevant information, analyses, and reports from the Clearinghouse, subject to the following conditions:

    a. Walmart shall be permitted to use information obtained from the Clearinghouse for anti-diversion purposes, including the uses expressly contemplated by the Injunctive Terms.

    b. Walmart shall ensure any data obtained from the Clearinghouse cannot be accessed by any of its employees or agents who are involved in negotiating pricing or other business terms with pharmaceutical distributors or manufacturers.

    c. No pharmacy shall receive from the Clearinghouse information specific to another pharmacy. Notwithstanding the prior sentence, Walmart may receive from the Clearinghouse blinded data.

    d. Walmart may use information it receives from the Clearinghouse only for the purposes of identifying, minimizing, or otherwise addressing the risk of Controlled Substances diversion. Walmart shall not attempt to obtain revenue from this information.

    e. Walmart shall not sell (or obtain license fees for) data obtained from Clearinghouse to any third-parties.

3. Liability Related to the Clearinghouse.

    a. Walmart is entitled to rely upon information or data received from the Clearinghouse, whether in oral, written, or other form. Walmart shall not have any liability (whether direct or indirect, in contract or tort or otherwise) to any party for or in connection with any action taken or not taken by the Clearinghouse. In addition, Walmart shall not have any liability (whether direct or indirect, in contract or tort or otherwise) to any party for or in connection with any action taken or not taken by Walmart based on incorrect,

inaccurate, incomplete or otherwise erroneous information or data provided by the Clearinghouse, unless the information or data was incorrect, inaccurate, incomplete or otherwise erroneous because Walmart itself provided incorrect, inaccurate, incomplete or otherwise erroneous data or information to the Clearinghouse.

b. Reports or analysis generated by the Clearinghouse may not be based on complete data due to a lack of participation by other pharmacies and distributors. As such, Walmart shall not be held responsible for actions or inactions related to reports and analysis prepared by the Clearinghouse which may be based on incomplete data due to a lack of participation by other pharmacies and distributors.

c. Walmart shall not require any distributor to indemnify or otherwise be responsible to it for any claims resulting from the provision of data, including Pharmacy Clearinghouse Data, to the Clearinghouse, including, but not limited to, claims related to any data breaches occurring with the data transmitted to or maintained by the Clearinghouse. Nothing in these Injunctive Terms shall require Walmart to indemnify, or otherwise be responsible to, any pharmacy, distributor, or Walmart customer for any claims arising out of or resulting from the provision of data, including Pharmacy Clearinghouse Data, to the Clearinghouse, including, but not limited to, claims related to any data breaches occurring with the data transmitted to or maintained by the Clearinghouse.

d. Walmart and the Settling States shall not be liable for any breaches of any databases maintained by the Clearinghouse. This does not excuse the Clearinghouse or its vendor(s) from compliance with all state and federal laws and regulations governing (1) the protection of personal information and protected health information, or (2) notifications relating to Data Security Events. Solely for purposes of this Section XVII, the term "Data Security Event" means any compromise, or threat that gives rise to a reasonable likelihood of compromise, by unauthorized access or inadvertent disclosure impacting the confidentiality, integrity, or availability of Pharmacy Clearinghouse Data.

EXHIBIT Q

[Intentionally Omitted]

EXHIBIT R

Agreement on Attorneys' Fees, Costs, and Expenses

This Agreement on Attorneys' Fees, Costs, and Expenses ("Fee Agreement") is entered between Walmart and the Plaintiffs' Executive Committee appointed in the multidistrict litigation in the Northern District of Ohio, *In re National Prescription Opiate Litigation*, No. 1:17-MD-2804 ("MDL PEC"), in connection with the Walmart Global Opioid Settlement Agreement ("Walmart Agreement"). This Fee Agreement becomes effective on the Effective Date of the Walmart Agreement or the date that the Consent Judgments anticipated under the Walmart Agreement become final in 25 Settling States (whichever is later).

I. Definitions

A. This Fee Agreement incorporates all defined terms in the Walmart Agreement, unless otherwise defined herein, and shall be interpreted in a manner consistent with the Walmart Agreement.

B. "*Applicant*." Any Attorney or MDL Participating Counsel who seeks an award of attorneys' fees from the Attorney Fee Fund pursuant to the procedures established by the MDL Court and the Fee Panel.

C. "*Attorney*." Any of the following retained through a legal contingency fee or hourly fee contract: a solo practitioner, multi-attorney law firm, or other legal representative of a Participating Subdivision or MDL Participating Counsel. This does not include Subdivision in-house attorneys.[1]

D. "*Attorney Fee Fund*." An account consisting of funds allocated to pay attorneys' fees approved pursuant to Section II.B of this Fee Agreement established by Order of and under the ongoing jurisdiction of the MDL Court, as provided below.

E. "*Common Benefit*." Work performed for the benefit of all Participating Subdivisions and Tribal Nations, including, but not limited to, pretrial matters, discovery, trial preparation, trial, settlement negotiations, and all other work that advances the interests of the Participating Subdivisions.

F. "*Common Benefit Fund*." The sub fund of the Attorney Fee Fund described in Section II.C.

G. "*Contingency Fee Fund*." The sub fund of the Attorney Fee Fund described in Section II.D.

[1] For the avoidance of doubt, Nassau County and Suffolk County of New York are eligible to receive payment under the Walmart Agreement and thus the legal services provided to Nassau County and Suffolk County in its litigation against Walmart, which was resolved through a separate settlement agreement, shall be treated as a Qualifying Representation for purposes of this Agreement.

H. "*Cost and Expense Fund Administrator*." The administrator appointed by the MDL Court on August 12, 2021 (MDL Docket No. 3828), to administer the Cost Fund and its sub funds as provided in the Fee Agreement.

I. "*Court Common Benefit Fund*." The Common Benefit Fund established by the MDL Court in its orders of July 22, 2021, MDL Docket No. 3794, and May 9, 2022, MDL Docket No. 4428.

J. "*Fee Entitlement*." Any right, entitlement, or expectation, including but not limited to a fee contract, contingent fee contract, agreement, referral arrangement, co-counsel arrangement, State Back-Stop Agreement, or any other arrangement by which counsel could receive compensation or other consideration. For the avoidance of doubt, the scope of Fee Entitlement under paragraph II.G.3.a does not include any Attorneys' fees associated with representation of a State.

K. "*Fee Panel*." The three-person panel appointed by the MDL Court on August 12, 2021 (MDL Docket No. 3828), to administer and make recommendations for the allocation and distribution of the Attorney Fee Fund and its sub funds as provided in the Fee Agreement.

L. "*Later Litigating State.*" A State that first files a lawsuit bringing a Released Claim against a Released Entity after November 14, 2022.

M. "*MDL Court*." United States District Court for the Northern District of Ohio Eastern Division, Case No. 1:17-md-2804, Judge Dan Aaron Polster.

N. "*MDL Expense Fund*." The cost fund described in Section II.F below.

O. "*MDL Participating Counsel."* MDL Participating Counsel includes an attorney or firm authorized by MDL 2804 Lead Counsel to perform work for the Common Benefit of Participating Subdivisions. By way of example, it would include insurance counsel and appellant counsel.

P. "*MDL PEC*." The Plaintiffs' Executive Committee appointed by the MDL Court.

Q. "*Non-Participating Litigating Subdivision*." A Litigating Subdivision that is not a Participating Subdivision.

R. "*Non-Participating State.*" A State that is not a Participating State.

S. "*Participating Litigating Subdivision*." A Litigating Subdivision that is also a Participating Subdivision.

T. "*Participation Agreement*." An agreement executed by an Attorney that acknowledges the obligation to pay an appropriate MDL Common Benefit Assessment.

U. "*Qualified Tribal Representation.*" Representation by an attorney of a Participating Tribal Government regarding Released Claims against Released Entities. Such counsel are eligible for Common Benefit Fee consideration. The Walmart Tribal Global Settlement provides for the contribution to the Common Benefit Fund as shall be determined by the MDL Court.

V. "*Qualifying Representation*." Legal services provided for representation of the MDL PEC or Participating Litigating Subdivision regarding Released Claims against Released Entities.

W. "*State Back-Stop Agreement*." Any agreement by a Settling State and private counsel for Participating Subdivisions in that State (or legislation enacted in that State) to provide, adjust, or guarantee attorneys' fees and costs, whether from the Attorney Fee Fund or any other source recognized in the agreement or legislation.[2]

X. *"Subdivision Cost and Expense Fund."* The fund created to pay approved Subdivision and Tribal Nations costs and expenses as set forth in Section II.E.

Y. *"Walmart."* (i) Walmart Inc. and (ii) all of its respective past and present direct or indirect parents, subsidiaries, divisions, affiliates, joint ventures, predecessors, successors, and assigns.

II. Fees and Costs

A. *Total Attorneys' Fees and Costs*

1. Total attorneys' fees and costs to be paid by Walmart to Attorneys under this Fee Agreement shall be up to but in no event more than $297,720,376.93, subject to the reductions and provisions set forth below. The total attorneys' fees and costs consists of up to $267,720,376.93 for the Attorney Fee Fund, as set forth in Section II, and $30,000,000 in total for the Subdivision Cost and Expense Fund and MDL Expense Fund, as set forth in Sections II.E and II.F respectively.

2. If an Eligible State does not join the Agreement by the State Participation Date and is accordingly not a Settling State, the total attorneys' fees and costs to be paid under this Fee Agreement by Walmart shall be reduced by twelve point four percent (12.4%) times the Remediation Payment amount that would have been allocated to that Non-Settling State as set forth in Section IV.B of the Walmart Agreement.

3. The total attorneys' fees and costs to be paid under this Fee Agreement by Walmart shall also be reduced by the amount of the Contingency Fee Fund for Attorneys representing Litigating Subdivisions in any Settling State that continue

[2] Nothing herein shall be understood to indicate approval for additional State Back-Stop Agreements or modifications of existing State Back-Stop Agreements.

to pursue Released Claims ("*Non-Participating Litigating Subdivisions*"), as set forth in Section II.D.4 and II.H.7 below.

4. If Walmart settles with any Non-Settling State after November 14, 2022, and such settlement allows for the Subdivision(s) in such Non-Settling State to join the settlement, Walmart agrees to withhold from the attorney fee portion of such settlement a Common Benefit Fund assessment, to be deposited in the Common Benefit Fund, of 7.5% times the portion of the Remediation Payment that would have been due to such State if it had participated in the Walmart Settlement and been awarded its full portion of the Remediation Payment (the "*Walmart State Settlement CBF Assessment*"). If Walmart settles with any Subdivision(s) in a Non-Settling State other than in connection with a statewide settlement that includes the relevant State after November 14, 2022, then Walmart agrees to withhold from the attorney fee portion of such settlement a Common Benefit Fund assessment, to be deposited in the Common Benefit Fund, of 7.5% times the portion of the Remediation Payment that would have been due to such Subdivision under this Agreement (the "*Walmart Subdivision CBF Assessment,*" and, along with the Walmart State Settlement CBF Assessment, each a "*Walmart CBF Assessment*"). If (a) Walmart settles with a Non-Settling State after November 14, 2022, (b) such settlement does not allow for the Subdivision(s) in such Non-Settling State to join the settlement, and (c) Walmart later prevails in asserting that Released Claims of Primary Subdivisions in such Non-Settling State were released as a result of such settlement, Walmart agrees to deposit the Walmart State Settlement CBF Assessment in the Common Benefit Fund. Any Walmart CBF Assessment is inclusive of any assessment related to such settlement that would be required by the Ongoing Common Benefit Order (Dkt. #4428) in *In re National Prescription Opiate Litigation*, Case No. 1:17-md-2804. To the extent that Walmart is required to pay any additional and/or separate assessment on such settlement as a result of the Ongoing Common Benefit Order, the Walmart CBF Assessment shall be reduced by the amount required to be paid pursuant to the Ongoing Common Benefit Order.

B. *Attorney Fee Fund and Sub Funds*

1. The Attorney Fee Fund shall consist of the Contingency Fee Fund and the Common Benefit Fee Fund.

2. There shall be a split of the Attorney Fee Fund into the Contingency Fee Fund and the Common Benefit Fund. The split shall be 40% to the Contingency Fee Fund and 60% to the Common Benefit Fund. The Cost Funds shall include the MDL Expense Fund, and the Subdivision Cost and Expense Fund. The State Counsel Fee Fund and the State Cost Fund shall be separate funds under the control of the Settling States.

3. The Contingency Fee Fund and the Common Benefit Fund shall be administered by a Fee Panel to be appointed by the MDL Court that will be governed by the provisions of this Fee Agreement and shall design the process

and procedures for the allocation of fees pursuant to this Fee Agreement and the MDL Court's Order. The Cost Funds shall be administered by the Cost and Expense Fund Administrator to be appointed by the MDL Court who will be governed by the provisions of this Agreement and shall design the process and procedures for the allocation of costs pursuant to this Agreement and the MDL Court's Order.

4. The fees to be paid under this Fee Agreement are available for Attorneys engaged in Qualifying Representations and Qualified Trial Representations only. Fees to be paid under this Fee Agreement are not available prior to the Effective Date of the Walmart Agreement. Fees to be paid under this Fee Agreement are not available for representation of States, Non-Participating Subdivisions or Non-Litigating Subdivisions and are not available for representation of private hospitals, third-party payors, NAS claimants, personal injury/wrongful death claimants, or any entity other than Participating Litigating Subdivisions. In addition, fees under this Fee Agreement are not available for representation of any individual or entity in matters other than those claims against Released Entities, but may include a reasonable share of representations that involve development of facts for pursuit of opioid-related claims against multiple defendants in the pharmacy, manufacturing, and distribution chain.

5. In no event shall Walmart be required to pay more into the Attorney Fee Fund than the maximum amount specified in paragraph II.A.1. The amounts allocated to the Contingency Fee Fund and the Common Benefit Fund set by the Fee Panel shall be subject to the reductions set forth in Section II.A.2 and the reductions and refunds set forth below.

6. Awards of fees from the Contingency Fee Fund shall be available to Attorneys with Qualifying Representations of Participating Litigating Subdivisions eligible to receive an allocation under the Walmart Agreement, as set forth in Exhibit G to the Walmart Agreement, and shall be made by applying the Mathematical Model attached as Exhibit "A" to this Fee Agreement. The collection of the data and calculations for the Mathematical Model has been a cooperative effort among private counsel for a large number of Litigating Subdivisions. The analysis has been spearheaded by Joseph Tann and Andrew Arnold. The Fee Panel is encouraged to continue working with those counsel in application of the Model. The Fee Panel shall oversee the application of the Model and resolve any questions or disputes concerning the eligibility of a Counsel to participate as required in Section II.G. The Panel is empowered to hear disputes concerning and ensure the accuracy of the mathematical calculation.

7. As to awards from the Contingency Fee Fund, there shall be no right of appeal.

8. Any appeal of an award of the Fee Panel from the Common Benefit Fund will be made to the MDL Court and be reviewed under an abuse of discretion standard.

C. *Common Benefit Fund* (60% of the Attorney Fee Fund.)

1. Walmart shall pay the entirety of the Common Benefit Fund payments into the Attorney Fee Fund within fifteen (15) calendar days of the Effective Date of the Walmart Agreement, subject to the reductions set forth in Section II.A.2 and the adjustments set forth below.

2. The Common Benefit Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions and Qualified Tribal Representation of Tribal Participating Governments who:

   a. have performed work for the Common Benefit of all Participating Subdivisions and/or Tribal Nations consistent with the provisions to the guidelines established by Judge Polster set forth in MDL 2804 and the Order dated May 1, 2018, under docket number 358, which is included herein by reference; and

   b. satisfy the eligibility criteria set forth in Section II.G.

   For purposes of Common Benefit Fund distribution, notwithstanding paragraph II.A.5, Attorneys representing Tribal Nations litigating against Walmart have also reached a settlement for Released Claims with Walmart, and these settlements are the subject of agreements with Walmart. Attorneys are eligible for Common Benefit consideration provided such agreement with Walmart became effective under their terms. Such Attorneys must meet the eligibility criteria in Section II.G.

   For purposes of Common Benefit Fund distribution, notwithstanding paragraph II.A.5, MDL Participating Counsel not engaged in Qualifying Representations of Participating Litigating Subdivisions but who performed work for the Common Benefit pursuant to authorization from the MDL Co-Leads and meet the eligibility criteria in Section II.G shall be eligible.

3. The Common Benefit Fund shall be overseen by the Fee Panel, which shall determine the allocation of funds to eligible Attorneys consistent with this Fee Agreement and the May 1, 2018 Order.

4. In assessing the benefits that an Applicant has conferred to Participating Subdivisions (including non-Litigating Subdivisions) and/or Tribes for
