Mission Statement

The City Council is committed to keeping Placentia a pleasant place by providing a safe family atmosphere, superior public services and policies that promote the highest standards of community life.

Vision Statement

The City of Placentia is dedicated to fostering transparency, integrity, and responsiveness through innovative and ethical leadership, ensuring the delivery of high-quality services in a fair and equitable manner. We also strive for financial sustainability, supporting safe, welcoming neighborhoods, well-kept streets, parks, and public spaces while maintaining the small-town charm that defines our community.

Agenda Materials

Copies of all agenda materials are available online at www.placentia.org and at the City Clerk's Office. For questions regarding any agenda item, please contact the City Clerk's Office at (714) 993-8231 or email cityclerk@placentia.org. In compliance with California Government Code § 54957.5, any materials submitted to the majority of the Council/ Board Members after distribution of this agenda that are non-exempt public records will be made available for public inspection at the City Clerk's Office during normal business hours.

How to View the Meeting

The public can observe the meeting via livestream on the City's website at www.placentia.org/pctv, live on cable television on AT&T Universe (Channel 99), Spectrum (Channel 3), or in person in the Council Chamber.

Procedures for Addressing the Council/Board Members

Public comments are received during the Oral Communications section of the agenda. No action may be taken on off-agenda items unless authorized by law. Public comments for Public Hearings will only be taken at the time of the hearing. It is requested to state your name for the record, then proceed to address the Council/Board. All speakers shall observe civility, decorum, and good behavior.

Members of the public may address the Council/Board on any agenda item before or during Council/Board's consideration of the item, and on any other matters within the Council/Board´s jurisdiction by using any of the following methods:

1) In-Person: Complete a "Speaker Request Form" indicating the agenda item or subject matter you wish to address and submit it to the City Clerk before the item is called.

2) Written Public Comments: Submit written comments electronically for the Council/Board consideration by emailing cityclerk@placentia.org, by 3:00 p.m. the day of the meeting to ensure distribution.

Special Accommodations

In compliance with the Americans with Disabilities Act, if you need special accommodations contact the City Clerk's Office at (714) 993-8231. Notification at least 48 hours in advance of the meeting will enable the City to make arrangements to assure accessibility. (28 CFR 35.102.35.104 ADA Title II)

Study Sessions are open to the public and held in the City Council Chambers or City Hall Community Room. Closed Sessions are held in the Council Caucus Room. While the public may be in attendance during oral announcements preceding Closed Sessions, Closed Sessions are not open to the public.

1. Open the Public Hearing concerning the City of Placentia Budget for Fiscal Year 2026-27 and Capital Improvement Program (CIP) for Fiscal Year 2026-27, consider all public testimony, ask questions of Staff, and close the public hearing; and
2. Adopt Resolution No. R-2026-39, a Resolution of the City Council of the City of Placentia, California, taking actions necessary to adopt the Fiscal Year 2026-27 Annual Budget; and taking actions necessary to adopt the Fiscal Year 2026-27 Capital Improvement Program (CIP) Budget with an appropriation of $10,147,629; and authorizing the Position Allocation Plan and Compensation Plan for Fiscal Year 2026-27; and
3. Authorize the City Administrator to release appropriation controls for the General Government Department and Risk Management fund outside of the normal quarterly process, as necessary; and
4. Approve the use of the County's population growth and California per capita income growth as determined by the State Department of Finance for the calculation of the Fiscal Year 2026-27 Annual Appropriation Limit; and
5. Adopt Resolution R-2026-40, a Resolution of the City Council of the City of Placentia, California, approving and adopting the Annual Appropriations Limit (GANN) for the Fiscal Year 2026-27 in the amount of $131,672,638.

It is recommended that the Placentia Public Financing Authority:

1. Conduct the Public Hearing concerning the Placentia Public Financing Authority Budget for Fiscal Year 2026-27; and
2. Adopt Resolution No. PPFA-2026-01, a Resolution of the Placentia Public Financing Authority (PPFA) Board of Directors of the City of Placentia, California, taking actions necessary to adopt the PPFA's Fiscal Year 2026-27 Annual Budget.

3. REGULAR AGENDA

3.a ADOPTION OF CITY COUNCIL POLICY NO. 136 - TECHNOLOGICAL DISRUPTION DURING CITY COUNCIL MEETINGS

Fiscal Impact:
None.

Recommended Action: It is recommended that the City Council:
Adopt City Council Policy No. 136 - Technological Disruption During City Council Meetings, effective July 1, 2026, in order to comply with SB 707.

3.b RESOLUTION SUBMITTING A HOTEL TAX MEASURE TO THE ELECTORATE AT THE NOVEMBER 3, 2026 GENERAL MUNICIPAL ELECTION AND REQUESTING THAT THE ELECTION BE CONSOLIDATED WITH OTHER ELECTIONS TO BE HELD ON THAT DATE

Fiscal Impact:
If enacted by voters, generates approximately $715,000 annually in new locally-controlled revenue. One time election-related costs of approximately $8.500.

Recommended Action: It is recommended that the City Council:

1. Approve Resolution No. R-2026-49, a Resolution of the City Council of the City of Placentia, California Submitting a Hotel Tax Measure to the Electorate at the November 3, 2026 General Municipal Election and Reiterating its Request that the Election be Consolidated with Other Elections to be Held on that Date; and
2. Authorize the City Administrator, or designee, to execute all necessary documents and take all actions necessary to effectuate the intent of the Resolution, subject to approval as to form by the City Attorney.

CITY COUNCIL MEMBERS REQUESTS

Council Members may make requests or ask questions of Staff. If a Council Member would like to have formal action taken on a requested matter, it will be placed on a future Council or Board Agenda.

ADJOURNMENT

Adjourn in Memory of Dennis Blake, respected Placita Santa Fe Merchants Member and longtime Old Town Placentia business and property owner.

The City Council/Successor Agency/ICDA/PPFA Board of Directors will adjourn to the next regular City Council meeting on Tuesday, July 7, 2026, at 6:00 p.m.

CERTIFICATION OF POSTING

I, Brooke Lovell, Deputy City Clerk for the City of Placentia and Assistant Secretary of the Industrial Commercial Development Authority, the Successor Agency, and the Placentia Financing Authority hereby certify that the Agenda for the June 16, 2026, meeting of the City Council, Successor Agency, and Industrial Commercial Development Authority, and the Placentia Public Financing Authority was posted on June 11, 2026.

/s/ Brooke Lovell
Deputy City Clerk

Agenda Item No: 1.b

PLACENTIA CITY COUNCIL AGENDA REPORT

Meeting Date: June 16, 2026

Submitted by: Brooke Lovell

From: City Clerk

Subject:
APPROVAL OF MINUTES

PRESENTATIONS

A. ACKNOWLEDGEMENT OF CENTENNIAL SPONSOR: KRAEMER LAND COMPANY

Presenters: Mayor and City Council
Recipient: Kramer Land Company

Mayor Wanke presented Kramer Land Company with a certificate of recognition, along with a City Centennial pin and Centennial coin, in appreciation of their Gold sponsorship of the City's Centennial Celebration.

B. ACKNOWLEDGEMENT OF CENTENNIAL SPONSOR: PLACENTIA COMMUNITY FOUNDATION

Presenters: Mayor and City Council
Recipient: Placentia Community Foundation

Mayor Wanke presented the Placentia Community Foundation with a certificate of recognition in appreciation of their Bronze sponsorship of the City's Centennial Celebration.

CLOSED SESSION REPORT

City Attorney/Authority Counsel Bettenhausen stated direction was given and there was no reportable action.

CITY ADMINISTRATOR REPORT

City Administrator Lampman introduced new employee, GIS Technician Jonah Hoj.

ORAL COMMUNICATIONS

Major Ken Perne, Salvation Army, discussed progress and accomplishments of Placentia Navigation Center participants and expressed appreciation for the City's support.

Alison Tipton-Sotelo, Herald Apartments Community Manager, discussed resident impacts from recent overnight parking changes and requested consideration of revised parking options and permit programs.

Vicki Johnson expressed concern regarding the Orange County Power Authority rates, emissions, transparency, and potential impacts on residents and businesses.

Autumn Simco advocated for safer and more supportive after-school opportunities for middle school and high school students in the community.

John Walcek introduced fellow Historical Committee members, expressed appreciation for the City Council's decision to adjourn in memory of Jan Henderson, and shared personal reflections on her historic home, orchard, and commitment to preserving Placentia's past.

John Abraham expressed concern regarding the receivership on his property.

Katherine Heaten, resident at the Herald Apartment Complex, requested improved notice and implementation of resident parking permits.

Craig Green explained longstanding parking issues in the City, encouraged stronger parking requirements for new developments, and emphasized developer responsibility for adequate parking.

CITY COUNCIL/BOARD MEMBER COMMENTS

Council Member Smith reported his attendance at the general session of the Southern California Association of Governments (SCAG), where he participated as the City's voting member and discussed regional transportation issues, including anticipated impacts related to the 2028 Olympics. He announced National Public Works Week, May 17–23, 2026, and expressed appreciation for the Public Works Department's service to the community. He also recognized National Police Week and thanked the Police Department and Chief Butts for their dedicated work.

Council Member Hummer thanked the speakers who addressed parking concerns and acknowledged the challenges within his district related to high-density developments. He announced the upcoming Centennial 5K scheduled for Saturday, June 27, 2026, encouraged early registration, and provided details regarding the race start and finish locations.

Council Member Kirwin commented on the encouraging success stories presented from the Navigation Center and appreciated the constructive discussion offered by residents regarding parking solutions within the pilot program. He stated he had been providing tours of City Hall for local third-grade classes, remarking on the value of engaging students in learning about local government.

Mayor Pro Tem Yamaguchi stated parking in Old Town had been a longstanding issue and reiterated his position that parking obligations rested with property management rather than the City. He addressed Mr. Abraham's comments, confirmed Staff would continue working with him to address his concerns, and thanked the Historical Committee for honoring Ms. Janice Henderson and for their contributions to the Centennial book.

Mayor Wanke reaffirmed the City's requirement for new developments to provide adequate on-site parking without reliance on surrounding neighborhoods and encouraged the Herald Apartment's Management Team to submit proposals for additional parking solutions. He reported attending the Orange County Sanitation District (OC SAN) Administration Committee meeting, the Placentia Employee Recognition Luncheon, and the City Selection Committee meeting, where local Mayors appointed Council Member Peggy Huang of Yorba Linda to the Orange County Local Agency Formation Commission (LAFCO).

1. CONSENT CALENDAR

Items 1.d, 1.e, 1.f, were recommended by Staff to be pulled, and Item 1.i was pulled by Mayor Wanke for further discussion. Motion by Smith, seconded by Kirwin, and carried a 5-0 vote, to approve the balance of the Consent Calendar, as recommended.

1.a CONSIDERATION TO WAIVE READING IN FULL OF ALL ORDINANCES AND RESOLUTIONS
Recommended Action: It is recommended that the City Council:
Approve.
(Approved 5-0, as recommended)

1.b APPROVAL OF MINUTES
Recommended Action: It is recommended that the City Council:
Approve minutes of the City Council/Successor Agency/ICDA/PPFA Regular Meeting on May 5, 2026.
(Approved 5-0, as recommended)

1.c REGISTERS FOR MAY 19, 2026
Fiscal Impact:
Check Registers $ 1,237,165.04
Electronic Disbursement Registers $ 1,650,882.40

Recommended Action: It is recommended that the City Council:
Receive and file.
(Approved 5-0, as recommended)

1.d SECOND READING AND ADOPTION OF ORDINANCE NO. O-2026-07, AN ORDINANCE OF THE CITY OF PLACENTIA, CALIFORNIA, ADDING TO PLACENTIA MUNICIPAL CODE CHAPTER 13.77 (ELECTRIC BICYCLES AND ELECTRIC MOBILITY DEVICES) TO TITLE 13 (VEHICLES AND TRAFFIC)
Fiscal Impact: None.
Recommended Action: It is recommended that the City Council:
Waive full reading, by title only, and adopt Ordinance No. O-2026-07, an Ordinance of the City Council of the City of Placentia, California, adding Chapter 13.77 (Electric Bicycles and Electric Mobility Devices) to Title 13 (Vehicles and Traffic) of the Placentia Municipal Code.
(Pulled, additional edits needed prior to adoption)
Item 1.d was pulled by Staff's recommendation to allow additional edits before returning the item for second reading.

1.e RESOLUTION RELATING TO FISCAL YEAR 2026-27 ANNEXATIONS AND LEVY OF ASSESSMENTS TO THE CITY OF PLACENTIA STREET LIGHTING DISTRICT NO. 81-1 AND SETTING A PUBLIC HEARING FOR JUNE 2, 2026 AT 6:00 P.M.
Fiscal Impact: None.
Recommended Action: It is recommended the City Council:

1. Adopt Resolution R-2026-25, a Resolution of the City Council of the City of Placentia, California, directing preparation of the Engineer's Report for Fiscal Year 2026-27 for the continuation of the annual assessments for the Street Lighting District No. 81-1; and
2. Adopt Resolution R-2026-26, a Resolution of the City Council of the City of Placentia, California, declaring its intention to provide for the annexation and annual levy and collection of assessments for certain maintenance within the existing Street Lighting District No. 81-1, pursuant to the provisions of Division 15, Part 2, of the California Streets and Highways Code and setting the time and place for a public hearing thereon.

(Approved 5-0, with revised public hearing date of June 16, 2026)
Item 1.e was pulled by Staff's recommendation to change the proposed public hearing date from June 2, 2026, to June 16, 2026.

Motion by Wanke, seconded by Smith and carried a 5-0 vote, with the revised public hearing date of June 16, 2026.

1.f RESOLUTION RELATING TO FISCAL YEAR 2026-27 ANNEXATIONS AND LEVY OF ASSESSMENTS TO THE CITY OF PLACENTIA LANDSCAPE MAINTENANCE DISTRICT NO. 92-1 AND SETTING A PUBLIC HEARING FOR JUNE 2, 2026 AT 6:00 P.M.
Fiscal Impact: None.
Recommended Action: It is recommended that the City Council:

1. Adopt Resolution R-2026-27, a Resolution of the City Council of the City of Placentia, California, directing preparation of the Engineer's Report for Fiscal Year 2026-27 for the continuation of the annual assessments for the Landscape Maintenance District No. 92-1; and
2. Adopt Resolution R-2026-28, a Resolution of the City Council of the City of Placentia, California, declaring its intention to provide for the annexation and annual levy and collection of assessments for certain maintenance within the existing Landscape Maintenance District No. 92-1, pursuant to the provisions of Division 15, Part 2, of the California Streets and Highways Code and setting the time and place for a public hearing thereon.

(Approved 5-0, with revised public hearing date of June 16, 2026)

Item 1.f was pulled by Staff's recommendation to change the proposed public hearing date from June 2, 2026, to June 16, 2026.

Motion by Wanke, seconded by Smith and carried a 5-0 vote, with the revised public hearing date of June 16, 2026.

1.g AMENDMENT NO. 5 TO PROFESSIONAL SERVICES AGREEMENT WITH HF&H CONSULTANTS, LLC, FOR REFUSE CONTRACT NEGOTIATIONS AND SB 1383 COMPLIANCE ASSISTANCE

Fiscal Impact:

Expense: $134,572 Annual Contract Amount

Budget: $ 75,000 FY 2025-26 Refuse Administration Fund (403-80700-6400)

$ 87,000 Refuse Administration Fund Balance

Recommended Action: It is recommended that the City Council:

1. Adopt Resolution R-2026-29, a Resolution of the City Council of the City of Placentia, California, authorizing a budget amendment in Fiscal Year 2025-26 in compliance with the City Charter of the City of Placentia §§ 1206 and 1209 pertaining to appropriations for actual expenditures; and
2. Approve Amendment No. 5 to the Professional Services Agreement with HF&H Consultants, LLC, for refuse contract negotiations and SB 1383 compliance assistance services to increase the contract amount by $150,000 for a revised cumulative contract not-to-exceed amount of $394,999 for the entire contract term; and
3. Authorize the City Administrator and/or her designee to execute all necessary documents in a form approved by the City Attorney.

(Approved 5-0, as recommended)

1.h AMENDMENT NO. 2 TO THE PROFESSIONAL SERVICES AGREEMENT WITH OCY MANAGEMENT, LLC

Fiscal Impact:

20% Match from General Fund (101-30603-6315)	$18,743
OCTA Measure M Funding (211-30000-6315)	$74,972
Budget	**$93,715**

Recommended Action: It is recommended that the City Council:

1. Approve Amendment No. 2 to a Professional Services Agreement with OCY Management, LLC (OCYM) to extend the grant agreement period with a one-year extension, in a total amount not to exceed $93,715 to continue providing senior transportation services; and
2. Authorize the City Administrator and/or her designee to execute all necessary documents, in a form approved by the City Attorney; and
3. Authorize the City Administrator to approve the eligible agreement term extension based upon contractor performance and at the discretion of the City.

(Approved 5-0, as recommended)

1.i AMENDMENT TO CITY COUNCIL POLICY NO. 370 REGARDING THE CITY'S USE OF SOCIAL MEDIA

Fiscal Impact: None.

Recommended Action: It is recommended that the City Council:

Adopt the amended City Council Policy No. 370 related to the City's use of social media and amend the City's Policy Manual to include said policy.

(Tabled until Ad Hoc Committee formed of Mayor Wanke and Mayor Pro Tem Yamaguchi gives further direction)

Item 1.i was pulled by Mayor Wanke for further discussion.

A discussion ensued regarding the concerns with the current social media policy, including references to a specific Staff position, potential restrictions on elected officials' First Amendment rights, the need for simplified and clear guidelines for Staff, and the overall length and structure of the policy.

Mayor Wanke and Mayor Pro Tem Yamaguchi were appointed to an Ad Hoc Committee to review and revise the policy with Staff.

Motion by Wanke, seconded by Kirwin and carried a 5-0 vote, to table Item 1.i.

1.j AWARD CONTRACT TO COMMERCIAL BUILDING MANAGEMENT INCORPORATED (CBM) FOR JANITORIAL SERVICES IN PARK RESTROOMS

Fiscal Impact:

Expense:	$ 65,135	Contract Cost
Budgeted:	$ 65,135 (annual)	FY 2026-27 Operating Budget (101-80407-6300)
	$ 195,408	Initial 3-year contract total not to exceed cost

Recommended Action: It is recommended that the City Council:

1. Approve a Maintenance Services Agreement with Commercial Building Management (CBM) Incorporated for park restroom janitorial services for a cumulative contract not-to-exceed amount of $195,405 for the initial three (3) year contract term, with the option to extend the term for one (1) additional two (2) year term; and
2. Authorize the City Administrator to approve contract change orders up to ten percent (10%) of the cumulative contract amount, or $19,540; and
3. Authorize the City Administrator and/or her designee to execute all necessary documents, in a form approved by the City Attorney; and
4. Authorize the City Administrator to approve the eligible agreement term extension based upon contractor performance and at the discretion of the City.

(Approved 5-0, as recommended)

1.k APPROVAL OF FIVE-YEAR RENEWAL AGREEMENT OF CITYWIDE UNIFIED COMMUNICATIONS (TELEPHONE SYSTEM) AS A SERVICE (UCaaS) SOLUTION FROM RINGCENTRAL

Fiscal Impact:

Expense:	$ 42,396.00 Total Annual Amount
	$ 4,239.60 Annual Contingency Amount
Budget:	$ 95,000.00 Software and Subscriptions (101-20600-6600)

Recommended Action: It is recommended that the City Council:

1. Approve a five-year renewal agreement with RingCentral for continued Voice over Internet Protocol (VOIP) services at an annual cost of $42,396.00 for the duration of the contract term; and
2. Approve an annual contingency budget equal to ten percent, ($4,239.60), of the annual contract amount to accommodate required license and hardware purchases for the expansion of the Public Safety Building; and
3. Authorize the City Administrator and/or her designee to execute all necessary documents to implement the agreement, in a form approved by the City Attorney.

(Approved 5-0, as recommended)

2. PUBLIC HEARINGS - None

3. REGULAR AGENDA

3.a INTRODUCTION AND FIRST READING OF ORDINANCE NO. O-2026-09, AN ORDINANCE OF THE CITY OF PLACENTIA, CALIFORNIA, AMENDING SECTION 8.04.120 (HOURS OF COLLECTION) OF CHAPTER 8.04 (SOLID WASTE COLLECTION) OF TITLE 8 (HEALTH AND SANITATION) OF THE PLACENTIA MUNICIPAL CODE

Fiscal Impact: None.

Recommended Action: It is recommended that the City Council:
Introduce for first reading, by title only, further reading waived, Ordinance No. O-2026-09, An Ordinance of the City of Placentia, California, amending Section 8.04.120 (Hours of Collection) of Chapter 8.04 (Solid Waste Collection) of Title 8 (Health and Sanitation) of the Placentia Municipal Code.
(Approved 5-0, as recommended)
Director of Public Works Tanio gave a PowerPoint presentation on the item.

A discussion ensued about the need for the change, whether the Municipal Code or the contract-controlled collection hours, how residential and commercial areas would be treated differently, whether the request for earlier pickup came from businesses or Republic, and whether the updated contract would align with the amended code.

Motion by Yamaguchi, seconded by Kirwin, and carried a 5-0 vote, to approve Item 3.a, as recommended.

3.b STUDY SESSION TO REVIEW SP-5 CORRIDOR PLAN AND SPECIFIC PLAN UPDATE PROGRESS
Fiscal Impact:
No fiscal impacts are associated with this Study Session. Potential significant economic benefit to the local Placentia economy, including jobs, public & private investment, and annual/one-time revenue.
Recommended Action: It is recommended that the City Council:

1. Receive and file the Staff Report and presentation; and
2. Solicit public comments (if any) regarding the proposed SP-5 Corridor Plan and Specific Plan Update; and
3. Provide direction to Staff as appropriate regarding the proposed SP-5 Corridor Plan and Specific Plan Update.

(Approved 5-0, to stop work on the Plan and shelf until monies become available)
Director of Development Services Lambert and Placeworks Consultant Suzanne Schwab gave a PowerPoint presentation on the item.

A discussion ensued on the project's purpose, costs, funding constraints, potential boundary changes, land use considerations, and whether to continue or discontinue the update.

Motion by Wanke, seconded by Hummer, and carried a 5-0 vote, to discontinue work on the SP-5 update, direct Staff to close out the contract and pay costs incurred to date, and pause further work until future budget conditions allowed.

RECESSED - 8:05 p.m.
RECONVENED - 8:17 p.m.

3.c STUDY SESSION: PRESENTATION OF THE PROPOSED FISCAL YEAR 2026-27 OPERATING BUDGET AND CAPITAL IMPROVEMENT PROGRAM (CIP)
Fiscal Impact:

FY 2026-27	EXPENDITURES:	$96,249,473
	REVENUE:	$97,335,031

Recommended Action: It is recommended that the City Council:

1. Review and discuss the Proposed Fiscal Year 2026-27 Annual Operating Budget and Capital Improvement Program (CIP) and provide input and direction for final budget adoption; and
2. Set the date of the public hearing for budget adoption as June 2, 2026, at 6:00 p.m.

(Direction given to return with options to close the $1.4 million gap)
Director of Finance Griggs, Senior Finance Analyst Gavin Houn, and Director of Public Works Tanio that gave a PowerPoint presentation on the item.

A discussion ensued on the City's ongoing structural deficit, rising CalPERS and insurance costs, reliance on one-time funds, long-term sustainability of operations, reserve levels, potential reductions to services and positions, evaluation of non-essential programs and events, Measure U reserve policy, and the need to bring recurring expenditures in line with recurring revenues.

City Council directed Staff to return with options to close the approximately $1.4 million general fund gap using recurring reductions, including review of the position allocation plan and potential service-level adjustments, and indicated willingness to hold a special meeting if needed prior to final budget adoption.

CITY COUNCIL/BOARD MEMBERS REQUESTS - None

ADJOURNMENT

The City Council/Successor Agency/ICDA/PPFA Board of Directors adjourned at 9:08 p.m., to a regular City Council meeting on Tuesday, June 2, 2026.

Agenda Item No: 1.d

PLACENTIA CITY COUNCIL AGENDA REPORT

Meeting Date: June 16, 2026

Submitted by: Matthew Di Mario

From: Public Works

Subject:
SECOND READING AND ADOPTION OF ORDINANCE NO. O-2026-09, AN ORDINANCE OF THE CITY OF PLACENTIA, CALIFORNIA, AMENDING SECTION 8.04.120 (HOURS OF COLLECTION) OF CHAPTER 8.04 (SOLID WASTE COLLECTION) OF TITLE 8 (HEALTH AND SANITATION) OF THE PLACENTIA MUNICIPAL CODE

Financial Impact:
None.

Summary:
This item pertains to the Placentia Municipal Code Section 8.04.120 (Hours of Collection) of Chapter 8.04 (Solid Waste Collection). To provide more efficient and effective solid waste collection services, the City's franchise waste hauler, Republic Services, may request earlier trash pickup times for specified commercial customers and locations.

On May 19, 2026, the City Council introduced Ordinance No. O-2026-09 and conducted a first reading. It is recommended that the City Council adopt Ordinance No. O-2026-09 to amend Section 8.04.120 (Hours of Collection) of the Placentia Municipal Code to allow the City Administrator to authorize commercial customer trash collection services as early as 6:30 a.m.

Recommended Action:
It is recommended that the City Council:
Adopt Ordinance No. O-2026-09, An Ordinance of the City of Placentia, California, amending Section 8.04.120 (Hours of Collection) of Chapter 8.04 (Solid Waste Collection) of Title 8 (Health and Sanitation) of the Placentia Municipal Code.

Strategic Plan Statement:
There is no specific strategic planning goal or objective associated with this agenda item.

Discussion:
The City of Placentia and Republic Services have reached an agreement to execute an Amended and Restated Exclusive Franchise Agreement for solid waste collection services. To provide more efficient and effective solid waste collection services, Republic Services may request earlier pickup times for specified commercial customers and locations. These earlier pickup times can be beneficial for commercial customers because it minimizes traffic during the morning commute and empties dumpsters for businesses with earlier operating hours.

This item pertains to the Placentia Municipal Code Section 8.04.120 (Hours of Collection) of Chapter 8.04 (Solid Waste Collection). The current Section language is as follows: There shall be no collection of discarded materials before 7:00 a.m. or after 6:00 p.m. in any area of the city. It is recommended that this Section be amended to: There shall be no collection of discarded materials before 7:00 a.m. or after 6:00 p.m. in any area of the city. However, the City Administrator may authorize a hauler to collect discarded materials from specified commercial customers or specified commercial locations as early as 6:30 a.m., if the City Administrator determines such collection would be in the public interest.

On May 19, 2026, the City Council introduced Ordinance No. O-2026-09. After the first reading of the Ordinance, it is recommended that the City Council adopt Ordinance No. O-2026-09, to amend Section 8.04.120 (Hours of Collection) of the Placentia Municipal Code to allow the City Administrator to authorize commercial customer trash collection services as early as 6:30 a.m. If adopted, the Ordinance will take effect 30 days after adoption.

Financial Summary:
There is no fiscal impact associated with this recommended item.

Attachment 1 - Ordinance No. O-2026-09

ORDINANCE NO. O-2026-09

AN ORDINANCE OF THE CITY OF PLACENTIA, CALIFORNIA, AMENDING SECTION 8.04.120 (HOURS OF COLLECTION) OF CHAPTER 8.04 (SOLID WASTE COLLECTION) OF TITLE 8 (HEALTH AND SANITATION) OF THE PLACENTIA MUNICIPAL CODE TO AUTHORIZE THE EARLIER COLLECTION OF DISCARDED MATERIALS IN COMMERCIAL ZONES

City Attorney's Summary

This Ordinance would amend Section 8.04.120 (Hours of Collection) of the Placentia Municipal Code to authorize the City Administrator to permit solid waste haulers to collect discarded materials from commercial zones as early as 6:30 a.m.

A. Recitals

WHEREAS, Section 8.04.120 of the Placentia Municipal Code currently prohibits the collection of discarded materials before 7:00 a.m. or after 6:00 p.m. in any area of the City; and

WHEREAS, allowing for the earlier collection of discarded materials in commercial areas would allow for collection during less congested periods, reducing traffic impacts and increasing efficiency; and

WHEREAS**,** extended collection hours could increase the efficiency and timeliness of solid waste collection, which may result in reduced operational costs and benefit the residents of the City; and

WHEREAS, limiting extended collection hours to commercial areas helps minimize potential noise and other disturbances associated with earlier collection times; and

WHEREAS**,** the City Council of the City of Placentia desires to authorize the collection of discarded materials as early as 6:30 a.m. in commercial zones when approved by the City Administrator.

B. Ordinance

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF PLACENTIA DOES HEREBY ORDAIN AS FOLLOWS:

SECTION 1. Section 8.04.120 (Hours of Collection) of Chapter 8.04 (SOLID WASTE COLLECTION) of Title 8 (Health and Sanitation) of the Placentia Municipal Code is hereby amended as follows:

There shall be no collection of discarded materials before 7:00 a.m. or after 6:00 p.m. in any area of the city. However, the City Administrator may authorize a hauler to collect discarded materials from specified commercial customers or specified commercial locations as early as 6:30 a.m., if the City Administrator determines such collection would be in the public interest.

SECTION 2. If any section, subsection, sentence, clause, or phrase of this Ordinance is held invalid, such decision shall not affect the validity of the remaining provisions of this Ordinance.

SECTION 3. This Ordinance shall take effect thirty (30) days following its adoption.

SECTION 4. The City Clerk shall certify to the adoption of this Ordinance and cause it to be published as required by law.

INTRODUCED at a regular meeting of the City Council of the City of Placentia held on the 19th day of May 2026.

PASSED, APPROVED AND ADOPTED this 16th day of June 2026.

_____
Chad P. Wanke, Mayor

ATTEST:

Agenda Item No: 1.e

PLACENTIA CITY COUNCIL AGENDA REPORT

Meeting Date: June 16, 2026

Submitted by: Brooke Lovell

From: City Clerk

Subject:
CITYWIDE RECORDS RETENTION SCHEDULE AMENDMENT

Financial Impact:
Implementation of Laserfiche's Vault and Records Management Module, required for compliance with state retention laws, costs $9,187 annually plus one-time CPS configuration services. Ongoing costs will be included in future budgets, with expected long-term efficiency and cost savings.

Summary:
Staff is requesting City Council adoption of an amended Citywide Records Retention Schedule. The Schedule updates the City's 2011 retention standards to align with current legal requirements, technological capabilities, and departmental needs. Adoption of the revised Schedule will enable responsible management and disposal of City records, reduce storage costs, support digital transformation efforts, and rescind outdated Resolution No. R-2011-04.

Recommended Action:
It is recommended that the City Council:
Adopt Resolution No. R-2026-36, A Resolution of the City Council of the City of Placentia, California, Adopting an amended Records Retention Schedule, authorizing the destruction of certain city records, and rescinding previous Resolution No. R-2011-04.

Strategic Plan Statement:
The adoption of the revised Records Retention Schedule supports the implementation of Strategic Goal No. 5: Organizational Excellence, as an updated Schedule promotes efficient maintenance, retention, and disposition of City records, enhancing operational effectiveness and improving service delivery.

Discussion:
On February 15, 2011, the City Council adopted Resolution No. R-2011-04, which established the City's Records Retention Schedule. While the 2011 Schedule provided a foundational framework, significant changes in State law, administrative practices, and technological capabilities have occurred over the past 15 years. As a result, the City's retention standards required comprehensive modernization to ensure compliance and support current business needs.

To initiate this effort, the City engaged Gladwell Governmental Services, Inc., a recognized expert in local government records management. Gladwell collaborated closely with every City department to review existing records, identify outdated series, clarify retention requirements, and document current operational practices. This interactive, department-driven development process ensured that the updated Schedule reflects the unique functions and workflows across all divisions of the organization.

The revised Records Retention Schedule provides:

- Clear and consistent descriptions of each records series
- Legally compliant retention periods consistent with Government Code Section 34090
- Updated guidance addressing electronic, digital, and technology-based records
- Standardized terminology and organization across departments
- Elimination of obsolete or duplicative record categories
- Clear pathways for lawful destruction of City records no longer required for administrative, legal, fiscal, or historical purposes

Modernizing the City's records management program is essential to reducing long-term storage costs, improving retrieval efficiency, supporting digital transformation goals, and ensuring the City remains compliant with statutory retention laws. In recent years, Staff has increasingly transitioned to electronic document systems, resulting in new categories of records and evolving retention needs not adequately addressed under the 2011 schedule. The revised Schedule resolves these gaps and provides City departments with a clearer and more practical tool for daily operations.

The proposed updates align with statewide best practices and reflect a modernized and legally compliant approach to records lifecycle management. Adoption of the revised Records Retention Schedule will enhance administrative efficiency, reduce unnecessary storage burdens, and support the City's commitment to responsible stewardship of public records.

Financial Summary:
Implementation of Laserfiche as the City's unalterable document archive requires the following annual software costs:
Laserfiche Vault: $3,150 per year
Laserfiche Records Management Module: $6,037 per year
Total Annual Cost: $9,187

Professional services from CPS will be required to configure and integrate retention schedules into Laserfiche. These one-time costs will be addressed as part of the budget process. Future recurring costs will be incorporated into subsequent fiscal year budgets.

CC RES R-2026-36 - Exhibit A: Records Retention Schedule

RESOLUTION NO. R-2026-36

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PLACENTIA, CALIFORNIA, ADOPTING AN AMENDED RECORDS RETENTION SCHEDULE, AUTHORIZING THE DESTRUCTION OF CERTAIN CITY RECORDS, AND RESCINDING PREVIOUS RESOLUTION NO. R-2011-04

A. Recitals

WHEREAS, the maintenance of numerous records is expensive, slows document retrieval, and is not necessary after a certain period of time for the effective and efficient operation of the government of the City of Placentia; and

WHEREAS, Section 34090 of the Government Code of the State of California provides a procedure whereby any City record which has served its purpose and is no longer required may be destroyed; and

WHEREAS, the City of Placentia previously adopted Resolution No. R-2011-04, adopting a records retention schedule on February 15, 2011, and the City Council finds that the retention schedule should be updated and Resolution No. R-2011-04 rescinded.

B. Resolution

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF PLACENTIA DOES HEREBY FIND, DETERMINE AND RESOLVE AS FOLLOWS:

Section 1. Resolution No. R-2011-04 is hereby repealed.

Section 2. The records of the City of Placentia, as set forth in the Records Retention Schedule Exhibit A, attached hereto and incorporated herein by this reference, are hereby authorized to be destroyed as provided by Section 34090 et seq. of the Government Code of the State of California and in accordance with the provision of said schedule upon the request of the Department Head and with the consent in writing of the Department Head, City Clerk or Deputy City Clerk and City Attorney, without further action by the City Council of the City of Placentia.

Section 3. With the consent of the City Clerk or Deputy City Clerk, City Administrator, and City Attorney, updates are hereby authorized to be made to the Records Retention Schedule without further action by the City Council. Minor updates include changes in Department or Division names, improvements in descriptions, changes in comments, deleting records series that are no longer applicable, and/or what is scanned. Changes in the Total Retention and/or adding new records series to the Schedule must be presented to the City Council of the City of Placentia prior to taking effect.

Section 4. The term “records” as used herein shall include documents,

instructions, books, microforms, electronic files, magnetic tape, optical media, or papers; as defined by the California Public Records Act.

Section 5. The City Clerk shall certify to the passage and adoption of this Resolution.

Section 6. This resolution shall become effective immediately upon its passage and adoption.

APPROVED and ADOPTED this 16th day of June 2026.

Exhibit A: Records Retention Schedule

Exhibit A

HOW TO USE RETENTION SCHEDULES

©1995-2026 Gladwell Governmental Services, Inc. (909) 337-3516 - all rights reserved
Do not duplicate or distribute without prior written permission

A legend explaining the information presented in the retention schedule; please read this for an explanation of every column.

The specified retention period applies regardless of the media of the record: If a record is stored on paper and electronic format (a computer file on a hard drive), **all electronic and paper records should be destroyed (or deleted / erased) after the specified period of time has elapsed** and authorization to destroy has been obtained.

Copies or duplicates of records should never be retained longer than the prescribed period for the official (original) record, and drafts and copies should be destroyed as soon as they are no longer required.

The term "records" shall include all records as defined by the California Public Records Act.

STRUCTURE: CITY-WIDE, DEPARTMENTS & DIVISIONS

The City-wide retention schedule includes those records all departments have in common (e-mails, letters, memorandums, purchase orders, etc.). These records are NOT repeated in the Department retention schedule, unless that department is the Office of Record.

Each department has a separate retention schedule that describes the records that are unique to their department, or for which they are the Office of Record. The department retention schedules may be organized by Division within that Department. If a record is not listed in your department retention schedule, refer to the City-wide retention schedule, or look in the index to the schedules (provided after approval.)

BENEFITS

This retention schedule has been developed by Diane R. Gladwell, MMC, an expert in Municipal Government records, and will provide the City with the following benefits:

- Reduce administrative expenses, expedite procedures
- Free office space and computer storage space
- Reduce the cost of records storage – paper and electronic
- Eliminate duplication of effort within the City
- Find records faster
- Determine what media should be used to store records

AUTHORIZATION TO DESTROY RECORDS (Paper or Electronic Records):

Destruction or deletion of an **official (original) record** that has exceeded its retention period (and has SUBSTANTIVE CONTENT) must be **authorized prior to destruction or deletion.**

- If there is a **minimum** retention ("**Minimum 2 years**"), the destruction / deletion must be authorized before it is destroyed, as it is an official (original) record.

Copies, drafts, notes and non-records (or originals that do NOT have SUBSTANTIVE CONTENT) do **NOT require authorization,** and can be destroyed "**When No Longer Required**."

If there is **NOT** a minimum retention ("When No Longer Required"), it does NOT need to be authorized prior to destruction, as it is a preliminary draft, copy, or the Content is NOT Substantive.

On every page of the schedules (near the top, just under the column headings) are important instructions, including instructions regarding holds on destroying records. "**Litigation, complaints, claims, public records act requests, audits and/or investigations suspend normal retention periods (retention resumes after settlement or resolution).**"

RECORDS RETENTION SCHEDULE LEGEND

©1995 – 2026 Gladwell Governmental Services, Inc. (909) 337-3516 - all rights reserved
Do not duplicate or distribute without prior written permission

OFR (Office of Record): The department that keeps the Official (original or "record copy") record for its retention period, then authorizes destruction. Usually, it is the department that originates the record. The official (original) record may be the paper / hard copy version of the record; however the electronic record may be the official (original) record. See the "Destroy Paper after Imaged & QC'd" below for the Legal Requirements for the electronic record to be the official (original) record.

Records Description: The record series (a group of like records).

Non-Record: Documents, studies, books and pamphlets produced by outside agencies, preliminary drafts not retained in the ordinary course of business.

Retention/Disposition:
Active *(guideline)*: How long the file remains in the immediate office area
Inactive *(guideline)*: How long the file is in off-site storage, stored electronically in accordance with law (see below)
Total Retention: The total number of years the record is retained

For file folders containing documents with different retention timeframes, use the document with the longest retention time.
P = Permanent
Indefinite = No fixed or specified retention period; used for databases, because the data fields are interrelated and certain data may require minimum retention.
Vital? = Those records that are needed for basic operations in the event of a disaster.

Media Options (*guideline*) **terms used in State law**:
Mag = Electronic Computer Magnetic Media (Hard drives, Networks, USB Drives, Cloud, etc.)
Mfr = Microforms (aperture cards, microfilm, microfiche, or jackets)
Ppr = Paper, Mylar, Linen, "Hard Copy"
OD = Optical Disk or other **Unalterable Media which does not allow changes**

Scan / Import (*guideline*)**:**
"S" indicates the record should be scanned into the document imaging system;
"I" indicates the record should be electronically imported into the document imaging system;
"M" indicates the record was microfilmed

Destroy Paper after Imaged & QC'd (quality checked) / Trustworthy Electronic Record: "Yes" means the **electronic** record may serve as the **OFFICIAL** record (and the paper version may be destroyed, or the record may be electronically generated and never exist in paper format) **IF (these are the legal requirements for the electronic record to serve as the official (original) record)** the electronic record is also **placed on Unalterable Media, Immutable Cloud Media, Optical Disk (OD), DVD-R, CD-R, Blue-ray-R, or WORM**, **or microfilmed**) which is **stored in a safe & separate location**.
Employees are required to Quality Check ("QC'd") both the images and the indexes, and ensure the electronic record **contains all significant details from the original and be an adequate substitute for the original document for all purposes;** other legal mandates may apply.

Agenda Item No: 1.f

PLACENTIA CITY COUNCIL AGENDA REPORT

Meeting Date: June 16, 2026
Submitted by: Brooke Lovell
From: City Clerk

Subject:
NOTICE OF GENERAL MUNICIPAL ELECTION - NOVEMBER 3, 2026

Financial Impact:
Estimated Expense: $90,000
Budgeted: $90,000 FY 2026-27 (101002-6299)

Summary:
A General Municipal Election will be held in the City of Placentia on Tuesday, November 3, 2026. At that time, the City will hold District Elections for City Council seats in Districts 2 and 4 and elect a City Clerk at-large.

In accordance with the California Elections Code, resolutions are presented pertinent to the calling and notice of the General Municipal Election, establishing regulations for candidates' statements, and submitting a request to the Orange County Board of Supervisors for consolidation of the General Municipal Election with the Statewide Election.

Recommended Action:
It is recommended that the City Council:

1. Adopt Resolution No. R-2026-37, A Resolution of the City Council of the City of Placentia, California, Calling for and Giving Notice of a General Municipal Election to Be Held in the City of Placentia on Tuesday, November 3, 2026, for the Election of Certain Officers, and Requesting the Board of Supervisors of Orange County to Consolidate With the Statewide General Election Being Held on That Date; and
2. Adopt Resolution No. R-2026-38, a Resolution of the City Council of the City of Placentia, California, adopting regulations for candidates for elective office pertaining to candidates' statements submitted to the voters at an election to be held on Tuesday, November 3, 2026.

Strategic Plan Statement:
This action supports Strategic Goal No. 5: Organizational Excellence by ensuring the City conducts its election process in a transparent, compliant, and efficient manner.

Discussion:
The City Charter requires municipal elections be conducted in accordance with the California Elections Code. The City of Placentia is calling for a General Municipal Election to be held on

November 3, 2026, and will consolidate this election with the Orange County Registrar of Voters. The November 3, 2026, ballot will include three (3) elected offices: one (1) Member of the City Council from District 2, one (1) Member of the City Council from District 4, and one (1) at-large City Clerk. Each office will be for a full four-year term.

To formally call the election and authorize consolidation with the Orange County Registrar of Voters, the City Council must adopt the proposed resolutions. Staff also recommends that the City Council adopt a resolution approving 200-word candidate statements and requiring each candidate who submits a statement to pay a deposit equal to the Registrar of Voters' cost estimate at the time of filing. Following the election, the City will either refund the candidate or invoice them for the actual pro-rata cost of printing as determined by the Registrar of Voters.

Financial Summary:
The estimate for election costs is $90,000 which has been budgeted in the Fiscal Year 2026-27 General Legislative Budget.

RESOLUTION NO. R-2026-37

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PLACENTIA, CALIFORNIA, CALLING FOR AND GIVING NOTICE OF A GENERAL MUNICIPAL ELECTION TO BE HELD IN THE CITY OF PLACENTIA ON TUESDAY, NOVEMBER 3, 2026, FOR THE ELECTION OF CERTAIN OFFICERS, AND REQUESTING THE BOARD OF SUPERVISORS OF ORANGE COUNTY TO CONSOLIDATE WITH THE STATEWIDE GENERAL ELECTION BEING HELD ON THAT DATE

A. Recitals

WHEREAS, Section 1100 of the City Charter provides that a General Municipal Election for the filling of elective offices be held in each even-numbered year on the first Tuesday, following the first Monday, in November; and

WHEREAS, the City Council consists of five Councilmembers elected from the City by districts; and

WHEREAS, Section 600 of the City Charter requires that the Councilmembers for the second and fourth districts be elected commencing in the year 2018 and in each fourth year thereafter and that the Councilmembers for the remaining districts be elected commencing in the year 2020 and in each forth year thereafter; and

WHEREAS, Section 700 of the City Charter establishes that the election of the City Clerk shall be an at large election, the term of the City Clerk shall be four years, and the election shall be in conjunction with the election for two City Councilmembers; and

WHEREAS, the City Council desires to call a General Municipal Election for Tuesday, November 3, 2026, (the "Election") and desires that such election be conducted by Orange County elections officials and consolidated with the statewide general election to be held on that date.

B. Resolution

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF PLACENTIA DOES HEREBY FIND, DETERMINE AND RESOLVE AS FOLLOWS:

Section 1. **Recitals.** The City Council hereby finds and determines that the foregoing recitals are correct.

Section 2. **Election.** Pursuant to the requirements of the Charter, there is called and ordered to be held in the City of Placentia, California, on Tuesday, November 3, 2026, a General Municipal Election for the purpose of electing for a full term of four years (i) the member of the City Council for the Second Council District, (ii) the member of the City Council for the Fourth Council District; and (iii) a City Clerk via an at-large election. For purposes of this Election, the boundaries for the council districts shall be as established by the District Boundary Ordinance, which is on file in the Office of the City Clerk and

incorporated herein by reference.

Section 3. **Candidate Statements.** The Candidate Statements will be limited to a maximum of 200 words.

Section 4. **Consolidation.** Pursuant Section 10400 et seq. of the Elections Code, the Board of Supervisors of Orange County ("Board of Supervisors") is requested to consolidate the Election with any other elections held on the same day in the same territory or in the territory that is in part the same. The consolidated election will be held and conducted in the manner prescribed in Section 10418.

Section 5. **County to Canvass.** The Board of Supervisors is authorized to canvass the returns of the Election pursuant to Section 10411 of the Elections Code.

Section 6. **Hours of Polling.** Polls shall be open at the same hours as provided for general elections pursuant to Election Code Section 10242, except as provided in Section 14401 of the Elections Code of the State of California.

Section 7. **County to Conduct Election.** Pursuant to Section 10002 of the Elections Code, the Board of Supervisors is requested to permit the Orange County Registrar of Voters to render all necessary services relating to the election, for which services the City agrees to reimburse the County, in accordance with current County pro-rations and allocation procedures.

Section 8. **Default Rules.** In all particulars not recited in this resolution, the election shall be held and conducted as provided by law for holding municipal elections.

Section 9. **Filing with County.** The City Clerk shall file a certified copy of this Resolution with the Board of Supervisors. The City Council authorizes, instructs and directs the City Clerk to coordinate with the Orange County Registrar of Voters to procure and furnish any and all official ballots, notices, printed matter and all supplies, equipment and paraphernalia necessary to properly and lawfully conduct the election.

Section 10. **Notice.** Notice of the time and place of holding the election is given and the City Council authorizes, instructs and directs the City Clerk to give further or additional notice of the election in time, form and manner as required by law.

Section 11. **Effect of Tie.** If two or more persons receive an equal and the highest number of votes for an office, as certified by the Orange County Registrar of Voters, the City Council, in accordance with Election Code Section 15651(a), shall set a date and time and place and summon the candidates who have received the tie votes to appear and will determine the tie by lot.

Section 12. **Insufficient Number of Candidates.** If, by 5:00 p.m. on the 83rd day before the election, the number of candidates in any district seat, or for the offices of City Clerk or City Treasurer elected at large, does not exceed the number of seats to be filled, and a petition signed by 10% of the voters of the district, or 50 voters, whichever is less, requesting that the election be held has not been presented to the officer conducting the

election, the election shall not be held and the candidate(s) shall instead be appointed to office. In accordance with Election Code Section 10515.

APPROVED and ADOPTED this 16th day of June 2026.

_____
Chad P. Wanke, Mayor

ATTEST:

_____
Robert S. McKinnell, City Clerk

STATE OF CALIFORNIA
COUNTY OF ORANGE

I, Robert S. McKinnell, City Clerk of the City of Placentia, do hereby certify that the foregoing Resolution was adopted at a regular meeting of the City Council of the City of Placentia held on the 16th day of June 2026, by the following vote:

AYES:	COUNCILMEMBERS:
NOES:	COUNCILMEMBERS:

Christian L. Bettenhausen, City Attorney

RESOLUTION NO. R-2026-38

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PLACENTIA, CALIFORNIA, ADOPTING REGULATIONS FOR CANDIDATES FOR ELECTIVE OFFICE PERTAINING TO CANDIDATES' STATEMENTS SUBMITTED TO THE VOTERS AT AN ELECTION TO BE HELD ON TUESDAY, NOVEMBER 3, 2026

A. Recitals

WHEREAS, § 13307 of the Election Code of the State of California provides that the governing body of any local agency adopt regulations pertaining to materials prepared by any candidate for a municipal election, including costs of the candidate's statement.

WHEREAS, All legal prerequisites to the adoption of this Resolution have occurred.

B. Resolution

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF PLACENTIA DOES HEREBY FIND, DETERMINE AND RESOLVE AS FOLLOWS:

Section 1. **RECITALS.** The City Council hereby finds and determines that the foregoing recitals are correct.

Section 2. **GENERAL PROVISIONS.** That pursuant §13307 of the Elections Code of the State of California, each candidate for elective office to be voted for at an Election to be held in the City of Placentia on November 3, 2026, may prepare a candidate's statement on an appropriate form provided by the City Clerk. The statement may include the name, age, and occupation of the candidate and a brief description of no more than 200 words of the candidate's education and qualifications expressed by the candidate himself or herself. The statement shall not include party affiliation of the candidate, nor membership or activity in partisan political organizations. The statement shall be filed in typewritten form in the Office of the City Clerk at the time the candidate's nomination papers are filed. The statement may be withdrawn, but not changed, during the period for filing nomination papers and until 5:00 p.m. of the next working day after the close of the nomination period.

Section 3. **FOREIGN LANGUAGE POLICY.**

A. Pursuant to the Federal Voting Rights Act, candidates' statements will be translated into all languages required by the County of Orange ("County"). The County is required to translate candidate's statements into the following languages: Spanish, Korean, Chinese, and Vietnamese.

B. The County will print and mail sample ballots and candidate's

statements to all voters in Spanish, Korean, Chinese, and Vietnamese or the County will mail separate sample ballots and candidates' statements in Spanish, Korean, Chinese, and Vietnamese to only those voters who are on the County voter file as having requested a sample ballot in a particular language. The County will make the sample ballots and candidates statements in the required languages available at all polling places, on the County's website, and in the Election Official's office.

Section 4. **PAYMENT.** The City Clerk shall estimate the total cost of printing, handling, translating, and mailing the candidates statements filed pursuant to this section, including costs incurred as a result of complying with the Voting Rights Act of 1965 (as amended), and require each candidate filing a statement to pay in advance to the local agency his or her estimated pro rata share as a condition of having his or her statement included in the voter pamphlet. In the event the estimated payment is required, the estimate is just an approximation of the actual cost that varies from one election to another election and may be significantly more or less than the estimate, depending on the actual number of candidates filing statements. Accordingly, the City Clerk is not bound by the estimate and may, on a pro rata basis, bill the candidate for additional actual expense or refund any excess paid depending on the final actual cost. In the event of underpayment, the clerk may require the candidate to pay the balance of the cost incurred. In the event of overpayment, the Clerk shall prorate the excess amount among the candidates and refund the excess amount paid within thirty (30) days of the election.

A. Translations.

1) The candidate shall be required to pay for the cost of translating the candidates statement into any required foreign language as specified in (A) and (B) of §3, above, pursuant to Federal and/or State law.

2) The candidate shall be required to pay for the cost of translating the candidate's statement into any foreign language that is not required as specified in (A) and (B) of §3 above, pursuant to Federal and/or State law, but is requested as an option by the candidate.

B. Printing.

1) The candidate shall be required to pay for the cost of printing the candidate's statement in English in the main voter pamphlet.

2) The candidate shall be required to pay for the cost of printing the candidates statement in a foreign language required in A of §3 above, in the main voter pamphlet.

3) The candidate shall be required to pay for the cost of printing the candidates statement in a foreign language requested by the

candidate per B of §3 above, in the main voter pamphlet.

Section 5. MISCELLANEOUS.

A. All translations shall be provided by professionally certified translators.

B. The City Clerk shall comply with all recommendations and standards set forth by the California Secretary of State regarding occupational designations and other matters relating to elections.

Section 6. ADDITIONAL MATERIALS. No candidate will be permitted to include additional materials in the sample ballot package.

Section 7. That the City Clerk shall provide each candidate or the candidates representative a copy of this Resolution at the time nominating petitions are issued.

Section 8. That all previous resolutions establishing Council policy on payment for candidates' statements are repealed.

Section 9. That this resolution shall apply only to the election to be held on November 3, 2026, and shall then be repealed.

Section 10. That the City Clerk shall certify to the passage and adoption of this resolution and enter it into the book of original resolutions and hereby is directed to file a certified copy of this Resolution with the Orange County Board of Supervisors and the Orange County Registrar of Voters.

APPROVED and ADOPTED this 16th day of June 2026.

PLACENTIA CITY COUNCIL AGENDA REPORT

Meeting Date: June 16, 2026

Submitted by: Matthew Di Mario

From: Public Works

Subject:
SETTING OF THE ANNUAL SPECIAL TAX RATE FOR FISCAL YEAR 2026-27 FOR COMMUNITY FACILITIES DISTRICT NO. 2018-01 (TOD MAINTENANCE SERVICES)

Financial Impact:
Annual Revenue: $102,039 (223-90000-4208)

Summary:
On April 20, 2018, the City Council adopted Resolution No. R-2018-08, establishing Community Facilities District ("CFD") 2018-01 within the City's Transit Oriented District ("TOD") to provide a non-General Fund and sustainable funding source to pay for the ongoing maintenance and repairs of the public streetscape improvements constructed within the TOD. Staff recommends that the City Council adopt Resolution No. R-2026-32 to levy a special tax to pay for maintenance services in the TOD for Fiscal Year ("FY") 2026-27 (Attachment 1).

Recommended Action:
It is recommended that the City Council:

1. Adopt Resolution No. R-2026-32, a Resolution of the City Council of the City of Placentia, California, setting the levy of an annual special tax for Community Facilities District No. 2018-01 (TOD Maintenance Services) for Fiscal Year 2026-27; and
2. Authorize inclusion of the Annual Special Tax for Community Facilities District No. 2018-01 (TOD Maintenance Services) for Fiscal Year 2026-27 on the Orange County Secured Property Tax Roll.

Strategic Plan Statement:
This item is consistent with Strategic Goal No. 1 Fiscal Sustainability. This action will generate revenue to cover maintenance expenses in the TOD. Having assessments from TOD properties helps provide dedicated revenues to pay for maintenance services in the TOD without impacting the General Fund.

Discussion:
In 1978, California voters enacted Proposition 13, which limited the ability of local public agencies to increase property taxes based on a property's assessed value. In 1982, the Mello-Roos Community Facilities Act of 1982 ("Act") was created to provide an alternate method of financing public infrastructure and services. Under the Act, a Community Facilities District ("CFD") may fund public improvements with a useful life of five (5) years or more, such as park

and recreational facilities, streets, sewer systems, schools, libraries, childcare facilities, and other public infrastructure. CFDs may also fund the maintenance and servicing of public landscape areas, parks, streetlights, storm drain systems, and public safety services.

In 2018, the City Council created a new CFD to assist in the financing of maintenance and repairs of the new public amenities constructed within the TOD, which includes street and pedestrian lighting, landscaping, stormwater basins, and pedestrian amenities. All TOD developers are required to annex their properties into the District as a condition of approval for receiving their entitlements. Each fiscal year, the City determines the special tax requirement and annual special tax rates for the CFD based upon maintenance and servicing costs within the TOD. The special tax is levied and collected in perpetuity, unless and until such time the City determines that the revenue is no longer needed.

The special taxes within the CFD will be levied according to formulas and provisions of the Rate and Method of Apportionment of Special Tax (the “RMA”) contained within the Special Tax Report (“Report”) prepared for the formation of the TOD CFD. The Report describes the services to be funded by the CFD and provides an estimate of the fair and reasonable cost of the Services and incidental expenses for the CFD. In addition, the Report specified the tax rate needed to support services in the TOD by land use classification. The RMA Report for CFD 2018-01 only allows for taxing developed property, and developed property is defined as property that has received a Certificate of Occupancy issued prior to May 1 of the preceding fiscal year. The tax rate needed to support maintenance services within the TOD was established at the base rates summarized in the table below:

Table 1: Base Tax Rate for CFD 2018-01

Land Use Classification	Base Year Maximum Rate
Developed Single Family Detached Property	$138 per residential unit
Developed Single Family Attached Property	$112 per residential unit
Developed Multi Family Property	$127 per residential unit
Developed Retail/Other Property	$0.09 per square foot of building area
Developed Office Property	$0.13 per square foot of building area
Developed Industrial Property	$0.06 per square foot of building area
Undeveloped Property	$0.00
Tax-Exempt Property	$0.00

The CFD is subject to an Annual Escalation Factor beginning on July 1, 2019, which shall be the greater of three percent (3%) or the annual percentage increase, if any, of the CPI for the 12 months ending the preceding December 31. The index identified in the RMA was the All-Urban Consumers (“CPI-U”) for the Los Angeles-Long Beach-Anaheim area. The CPI for the 12 months ending the preceding December 31, 2025, was 3.0%. Therefore, the special tax rates are being increased by 3.0% as allowed and summarized in the table below:

Table 2: FY 26-27 Tax Rate for CFD 2018-01

Land Use Classification	Current Rates (FY 2025-26 Assessment Tax Rate)	FY 2026-27 Proposed Assessment Tax Rate
Developed Single Family Detached Property	$170.09 per residential unit	$175.20 per residential unit
Developed Single Family Attached Property	$138.06 per residential unit	$142.20 per residential unit
Developed Multi Family Property	$156.54 per residential unit	$161.23 per residential unit
Developed Retail/Other Property	$0.11 per square foot of building area	$0.12 per square foot of building area
Developed Office Property	$0.16 per square foot of building area	$0.16 per square foot of building area
Developed Industrial Property	$0.07 per square foot of building area	$0.07 per square foot of building area
Undeveloped Property	$0.00	$0.00
Tax-Exempt Property	$0.00	$0.00

Currently, the CFD has two annexations to date. In 2017, the City Council approved the land entitlements for the Integral/Lyon Living Project, also known as “The Herald,” at 150 E. Crowther Ave., along with a Development Agreement. The Agreement required Integral/Lyon Living to be the first project to create and annex itself into the new District. The second property was the JPI Luxury Apartments development at 505 W. Crowther Avenue, also known as “The Cenza”. There are no new annexations for this fiscal year.

This item recommends the approval of Resolution No. R-2026-32 for the increase of CFD 2018-01 assessment rates by 3.0% and to place the properties in the CFD on the 2026-27 Orange County Property Tax Roll.

Financial Summary:
The recommended levy assessments for the CFD 2018-01 will generate $102,038.59 in revenue for FY 2026-27 and will be deposited in the TOD District CFD 2018-01 Fund (223-90000-4208). There is no fiscal impact to the General Fund with these recommended actions.

Attachment 2 - FY 2026-27 Assessment Roll

RESOLUTION NO. R-2026-32

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PLACENTIA, CALIFORNIA, SETTING A LEVY OF AN ANNUAL SPECIAL TAX FOR COMMUNITY FACILITIES DISTRICT NO. 2018-01 (TOD MAINTENANCE SERVICES) FOR FISCAL YEAR 2026-27

A. Recitals.

(i) The City Council of the City of Placentia ("City Council"), has initiated proceedings, held a public hearing, conducted an election and received a favorable vote from the qualified electors to authorize the levy of a special tax in a community facilities district, all as authorized pursuant to the terms and provisions of the "Mello-Roos Community Facilities Act of 1982", being Chapter 2.5, Part 1, Division 2, Title 5 of the California Government Code ("Act") denominated COMMUNITY FACILITIES DISTRICT NO. 2018-01 (TOD Maintenance Services) ("District").

(ii) The City Council, by adoption of Ordinance No. 2018-01 ("Ordinance") as authorized by § 53340 of the California Government Code, has authorized the levy of special taxes within the District to finance the authorized service in accordance with the Rate and Method of Apportionment of the Special Tax ("RMA") set forth in Exhibit "B" to the Resolution of Formation, which is on file in the office of the City Clerk and incorporated by reference herein.

(iii) California Government Code § 53340 provides that the City Council may provide, by resolution, for the levy of the special tax in the current tax year or future tax years at the same rate or at a lower rate than the rate provided by the Ordinance, if the resolution is adopted and a certified list of all parcels subject to the special tax levy including the amount of the tax to be levied on each parcel for the applicable tax year, is filed by the Clerk or other official designated by the legislative body with the county auditor on or before the 10th day of August of that tax year.

(iv) The RMA provides for an annual escalation factor of the greater of three percent (3%) or the annual percentage increase, if any, of the All Urban Consumers Consumer Price Index ("CPI") for the Los Angeles – Riverside – Orange County, CA area as determined by the Bureau of Labor Statistics for the twelve (12) months ending the preceding December 31, 2025.

(v) The All Urban Consumers Consumer Price Index ("CPI") for the Los Angeles–Long Beach-Anaheim, CA area (part of the former Los Angeles-Riverside-Orange County, CA area) as determined by the Bureau of Labor Statistics for the twelve (12) months ending the preceding December 31, 2025, was 3.0%.

B. Resolution.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF PLACENTIA, CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS:

1. The facts set forth in the Recitals, Part A of this Resolution, are true and correct.

2. This City Council does hereby find and determine as follows:

A. The annual escalation for FY 2026-27 shall be 3.0%.

B. The City Council hereby levies a special tax within the District for Fiscal Year 2026-27 at the rate of $175.20 per residential unit for single-family residential detached property, $142.20 per residential unit for single-family residential attached property, $161.23 per residential unit for multi-family residential property, $0.12 per square foot of retail building area, $0.16 per square foot of office building area and $0.07 per square foot of industrial building area.

C. The CFD Administrator hereby is authorized and directed to file with the County Auditor on or before the 10th day of August a certified copy of this Resolution accompanied by a list of all parcels subject to the special tax levy with the taxes to be levied on each parcel based on the 2026-27 special tax rates set forth in Part B of this Resolution.

D. The special tax shall be collected in the same manner as ordinary ad valorem property taxes are collected and shall be subject to the same penalties and same procedure and sale in cases of any delinquency for ad valorem taxes, and the Tax Collector is hereby authorized to deduct reasonable administrative costs incurred in collecting any said special tax.

E. The County Auditor is hereby directed to enter in the next County assessment roll on which taxes will become due, opposite each lot or parcel of land affected, in a space marked “TOD Maintenance Services Special Tax” or by any other suitable designation, the installment of the special tax.

F. The County Auditor shall, at the close of the tax collection period, promptly render to the District a detailed report showing the amount and/or amounts of such special tax installments, interest, penalties, and percentages so collected and from what property collected, and also provide a statement of any percentages retained for the expense of making any such collection.

G. This Resolution shall become effective upon its adoption.

H. The Mayor shall sign this Resolution, and the City Clerk shall attest and certify to the passage and adoption thereof.

APPROVED and ADOPTED this 16th day of June 2026

1. Exhibit A: Rate and Method of Apportionment of Special Tax

Exhibit A

Rate and Method of Apportionment of Special Tax

CITY OF PLACENTIA
Community Facilities District No. 2018-01
(TOD Area Maintenance)

A Special Tax authorized under the Mello-Roos Community Facilities Act of 1982 applicable to the land in the Community Facilities District No. 2018-01 (the "CFD") of the City of Placentia (the "City") shall be levied and collected according to the tax liability determined by the City through the application of the appropriate amount or rate described herein.

A. DEFINITIONS

"Acre" means each acre of the land area making up an Assessor's Parcel as shown on an Assessor's Parcel Map, or if the land area is not shown on an Assessor's Parcel Map, the land area shown on the applicable Final Map or other recorded County parcel map.

"Act" means the Mello-Roos Community Facilities Act of 1982, as amended, being Chapter 2.5, Division 2 of Title 5 of the Government Code of the State of California.

"Administrative Expenses" means the actual or estimated costs incurred by the City to determine, levy and collect the Special Taxes, including the proportionate amount of the salaries and benefits of City employees whose duties are directly related to administration of the CFD and the fees of Special Tax levy administrator, other consultants, legal counsel, the costs of collecting installments of the Special Taxes upon the County tax rolls and any other incidental costs authorized by the Act.

"Annexation Parcel" means any Parcel that is annexed to the CFD after it is formed.

"Annual Escalation Factor" means an amount equal to the percentage increase during the preceding year in the Consumer Price Index for All Urban Consumers in the Los Angeles-Riverside-Orange County metropolitan area (CPI-U), as published by the U.S. Department of Labor, Bureau of Labor Statistics, (or if this index ceases publication, an equivalent index), or 3 percent, whichever is greater.

"Assessor's Parcel" or "Parcel" means a lot or parcel shown on an Assessor's Parcel Map with an assigned Assessor's Parcel number.

"Assessor's Parcel Number" means, with respect to an Assessor's Parcel, that number assigned to such Assessor's Parcel by the County for purposes of identification.

"Annual Special Tax" means the annual Special Tax, determined in accordance with Section D below to be levied in the CFD in any Fiscal Year on any Assessor's Parcel.

"Base Year" means the Fiscal Year ending June 30, 2019.

"Certificate of Occupancy" means a permit issued by the City authorizing the occupancy of a new Residential Unit or new Nonresidential Building Area.

"CFD Administrator" means an official of the City, or designee thereof, responsible for determining and providing for the levy and collection of the Special Tax.

"CFD" or "CFD No. 2018-01" means Community Facilities District No. 2018-01 (TOD Area Maintenance) of the City of Placentia.

"City" means the City of Placentia.

"Council" means the City Council of the City of Placentia, acting as the legislative body of the City and the CFD.

"County" means the County of Orange, California.

"County Assessor" means the Orange County Assessor.

"Developed Property" means, in any Fiscal Year, all Taxable Property for which a Certificate of Occupancy has been issued after December 31, 2017 and prior to May 1 of the preceding Fiscal Year. These Assessor's Parcels can be classified into one of following groups: Single Family Detached, Single Family Attached, Multi-Family Residential, Retail/Other, Office, and Industrial.

"Existing Developed Property" means Residential Units and Nonresidential Building Area for which a building permit has been issued prior to January 1, 2018.

"Fiscal Year" means the period starting July 1 and ending the following June 30.

"Future Annexation Area" means the territory designated for potential future annexation to the CFD as shown in the "Map of Proposed Boundaries of the Community Facilities District No. 2018-01."

"Industrial Property" means all Assessor Parcels of Developed Property for which a Certificate of Occupancy has been issued after December 31, 2017 and prior to May 1 of the preceding Fiscal Year for manufacturing construction.

"Land Use Classification" means any of the classes listed in Section B(1).

"Maximum Special Tax" means the greatest amount of Special Tax, determined in accordance with Sections B and C below that can be levied in the CFD in any Fiscal Year on any Assessor's Parcel.

"Multi-Family Residential Property" means all Assessor Parcels of Developed Property for which a Certificate of Occupancy has been issued for construction of a structure with more than one Residential Unit after December 31, 2017 and prior to May 1 of the preceding Fiscal Year. This category includes but is not limited to apartment buildings, duplexes, triplexes, fourplexes, and condominiums.

"Nonresidential Building Area" means the "chargeable covered and enclosed space" as defined by California Government Code section 65995(b)(2) to be constructed on Retail/Other Property, Office Property and Industrial Property.

"Office Property" means all Assessor Parcels of Developed Property for which a Certificate of Occupancy has been issued after December 31, 2017 and prior to May 1 of the preceding Fiscal Year for general, professional and medical office construction.

"Public Property" means any property within the boundaries of the CFD that is either (i) owned by the federal government, the State of California, the County, another public agency, or a private nonprofit organization that owns and is responsible for conservation of open space areas or (ii) encumbered by an easement owned by any such public agency or private organization which easement makes the development of such property impractical. Notwithstanding the foregoing, a leasehold or other possessory interest in any such property which is subject to taxation pursuant to Section 53340.1 of the Act shall not constitute "Public Property."

"Residential Unit" means each separate residential dwelling unit on an Assessor's Parcel that comprises an independent facility capable of conveyance or rental as distinct from adjacent residential dwelling units. An accessory residential dwelling unit that shares a Parcel with a Single Family Detached Residential Unit shall not be considered as a Residential Unit for the purposes of this RMA.

"Retail/Other Property" means all Assessor Parcels of Developed Property for which a Certificate of Occupancy has been issued for the retail, commercial, or other nonresidential construction after December 31, 2017 and prior to May 1 of the preceding Fiscal Year and is not Industrial Property or Office Property.

"RMA" means this Rate and Method of Apportionment of Special Tax.

"Services" means the services authorized to be funded by the CFD as described in the Resolution of Intention for the CFD.

"Single-Family Attached Property" means all Assessor Parcels of Developed Property for which a Certificate of Occupancy has been issued after December 31,

2017 and prior to May 1 of the preceding Fiscal Year for construction of a residential structure consisting of two or more Residential Units that share common walls, have separate Assessor's Parcel Numbers assigned to them (except for a duplex Residential Unit which may share an Assessor's Parcel Number with another duplex Residential Unit).

"Single-Family Detached Property" means all Assessor Parcels of Developed Property for which a Certificate of Occupancy has been issued after December 31, 2017 and prior to May 1 of the preceding Fiscal Year for construction of a single-family Residential Unit that does not share a common wall with another Residential Unit.

"Special Tax" means a Special Tax levied in any Fiscal Year to pay the Special Tax Requirement.

"Special Tax Requirement" means the amount required in any Fiscal Year for the CFD to 1) provide the Services; 2) pay for reasonable Administrative Expenses; 3) pay any amounts required to establish or replenish any reserve funds, and 4) cure any delinquencies in the payment of Special Taxes which have occurred in the prior Fiscal Year or pay for reasonably anticipated delinquent Special Taxes based on the delinquency rate for Special Taxes levied in the previous Fiscal Year.

"State" means the State of California.

"Taxable Property" means any Assessor's Parcel that is not Tax-Exempt Property.

"Tax-Exempt Property" means any Parcel within the CFD which is not Developed Property or Undeveloped Property, and includes Public Property and Existing Developed Property.

"Undeveloped Property" means any Assessor's Parcel which is not Tax-Exempt Property, and for which no Certificate of Occupancy has been approved and issued by June 30 of the previous Fiscal Year.

B. DETERMINATION OF MAXIMUM SPECIAL TAX

The Maximum Special Tax shall be calculated as follows:

1. Classification of Parcels. Each Fiscal Year, using the Definitions above and the Parcel records of the County Assessor's Secured Tax Roll of July 1, the City shall cause each Parcel of land in the CFD to be classified as Developed Property, Undeveloped Property, or Tax-Exempt Property. The City shall cause all Developed Property to be further classified as Single Family Detached Property, Single Family Attached Property, Multi-Family Property, Retail/Other Property, Office Property and Industrial Property.

2. Assignment of Maximum Special Tax. Each Fiscal Year, the Base Year Maximum Tax shown below shall be escalated as specified in Section C, Annual Adjustment of Maximum Special Tax, to determine the Maximum Special Tax for the upcoming Fiscal Year for each Land Use Classification.

Land Use Classification	Base Year Maximum Tax
Developed Single Family Detached Property	$138 per Residential Unit
Developed Single Family Attached Property	$112 per Residential Unit
Developed Multi-Family Property	$127 per Residential Unit
Developed Retail/Other Property	$0.09 per square foot of Nonresidential Building Area
Developed Office Property	$0.13 per square foot of Nonresidential Building Area
Developed Industrial Property	$0.06 per square foot of Nonresidential Building Area
Undeveloped Property	$0
Tax-Exempt Property	$0

3. Conversion of a Tax-Exempt Property to a Taxable Property. If a Tax-Exempt Property is not needed for public use and is converted to private use, it shall become subject to the Special Tax.

4. Multiple Land Use Classifications. In some instances, an Assessor's Parcel may contain more than one Land Use Classification. The Maximum Special Tax that can be levied on an Assessor's Parcel shall be the sum of the Maximum Special Taxes that can be levied for all Land Use Classes located on that Assessor's Parcel. The CFD Administrator shall determine the allocation to each Land Use Classification.

5. Existing Developed Property. Residential Units and Nonresidential Building Area for which a building permit has been issued prior to January 1, 2018 is exempt from the Special Tax.

6. Annexed Property. Each Assessor's Parcel of Developed Property that is annexed into the CFD shall be subject to the Special Tax in effect during the current Fiscal Year.

C. ANNUAL ADJUSTMENT OF MAXIMUM SPECIAL TAX

Beginning in January 2019 and each January thereafter, the Maximum Special Tax shall be adjusted each fiscal year in an amount equal to the percentage increase during the preceding year in the Consumer Price Index for All Urban Consumers in the Los Angeles-Riverside-Orange County metropolitan area (CPI-U), as published by the U.S. Department of Labor, Bureau of Labor Statistics, (or if this index ceases publication, an equivalent index), or three (3) percent, whichever is greater. Each annual adjustment of the Maximum Special Tax shall become effective for the following Fiscal Year.

D. DETERMINATION OF THE ANNUAL SPECIAL TAX

Commencing with the Base Year, and for each subsequent Fiscal Year, the Council shall determine the Special Tax Requirement and shall levy the Annual Special Tax on each Assessor's Parcel of Developed Property at up to one hundred percent of the applicable Maximum Special Tax to fund the Special Tax Requirement.

Under no circumstances will the Annual Special tax levied against any Assessor's Parcel of Developed Property increase by more than ten (10) percent as a consequence of delinquency or default by the owner of any other Assessor's Parcel within the CFD.

Subject to the preceding, the amount of Annual Special Tax levied upon any Developed Property and Undeveloped Property in any Fiscal Year shall not exceed the Maximum Special Tax for such Fiscal Year as computed herein.

E. DURATION OF THE SPECIAL TAX

Assessor's Parcels in the CFD shall remain subject to the Special Tax in perpetuity. If the Special Tax ceases to be levied, the City or its designee shall direct the County Recorder to record a Notice of Cessation of Special Tax. Such notice will state that the obligation to pay the Special Tax has ceased and that the lien imposed by the Notice of Special Tax Lien is extinguished.

F. PREPAYMENT OF SPECIAL TAX

Prepayment of the Special Tax is not authorized.

G. APPEALS AND INTERPRETATION PROCEDURE

Any property owner who feels that the portion of the Special Tax levied on the subject property is in error, may file a written appeal no later than April 10 of the Fiscal Year in which the levy occurred, with the Public Works Director or his or her designee, appealing the levy of the Special Tax on the subject property. Public Works Director or his or her designee will promptly review the appeal, and, if necessary, meet with the applicant, and decide the merits of the appeal. If the findings of the Public Works Director or his or her designee verify that the Special Tax levied should be modified, the Special Tax levy for future Fiscal Years shall be corrected, and a credit against future Special Taxes shall be arranged, if applicable. Any overcharges shall be corrected solely by means of adjustments to future Special Tax levies; no cash refunds shall be made. Any dispute over the decision of the Public Works Director or his or her designee shall be referred to the Public Works Director, and the Council and the decision of the Council shall be final and binding on all parties.

Interpretation may be made by resolution of the Council for purposes of clarifying any vagueness or uncertainty as it relates to the application of the Special Tax rate, or application of the method of apportionment, or classification of properties or any definition applicable to the CFD.

H. COLLECTION OF THE SPECIAL TAX

The Special Tax shall be collected each year in the same manner and at the same time as ad valorem property taxes are collected and shall be subject to the same penalties and lien priorities in the case of delinquency as is provided for ad valorem taxes. The City shall cause the actions required above to be done for each Fiscal Year in a timely manner to assure that the schedule of the Special Taxes to be collected are received by the County Auditor for inclusion with billings for such ad valorem taxes for the applicable Fiscal Year. However, the CFD Administrator may directly bill the Special Tax, may collect Special Taxes at a different time or in a different manner if necessary to meet the financial obligations of the City or as otherwise determined appropriate by the CFD Administrator.

Agenda Item No: 1.h

PLACENTIA CITY COUNCIL AGENDA REPORT

Meeting Date: June 16, 2026

Submitted by: Jeannette Ortega

From: City Administrator

Subject:
SETTING OF THE ANNUAL SPECIAL TAX RATE FOR FISCAL YEAR 2026-27 FOR COMMUNITY FACILITIES DISTRICT NO. 2024-01 (OLD TOWN MAINTENANCE SERVICES)

Financial Impact:
Revenue: $2,879 Recouped through special taxes

Summary:
On March 5, 2024, the City Council adopted Ordinance No. O-2024-03, an Ordinance of the City Council of the City of Placentia, California, Levying Special Taxes within the City of Placentia Community Facilities District No. 2024-01 ("Old Town Maintenance Services") to provide a non-General Fund and sustainable funding source to pay for the ongoing maintenance and repairs of the public streetscape improvements as specified in the Streetscape Master Plan for Old Town Placentia. Staff recommends that the City Council adopt a resolution to levy a special tax to pay for maintenance services in Old Town Placentia for Fiscal Year ("FY") 2026-27 (Attachment 1).

Recommended Action:
It is recommended that the City Council:

1. Adopt Resolution No. R-2026-48, a Resolution of the City Council of the City of Placentia, California, setting the levy of an annual special tax for Community Facilities District No. 2024-01 (Old Town Maintenance Services); and
2. Authorize inclusion of the Annual Special Tax for Community Facilities District No. 2024-01 (Old Town Maintenance Services) for Fiscal Year 2026-27 on the Orange County Secured Property Tax Roll.

Strategic Plan Statement:
This item is consistent with the City Council approved Strategic Goals by ensuring long-term financial health by responsibly managing resources, investing wisely, and maintaining a balanced budget that supports high-quality services for the community. This agenda item will specifically provide an ongoing funding mechanism to preserve and maintain the future reconstruction of the public infrastructure in Old Town Placentia.

Discussion:
On January 23, 2024, the City Council adopted Resolution of Intention to establish the

proposed City of Placentia Community Facilities District No. 2024-01 ("Old Town Maintenance Services") (Resolution No. R-2024-04). The City Council also adopted a Resolution of Intention to allow for Future Annexation of territory to the CFD (Resolution No. R-2024-05). A public hearing was set for March 5, 2024, to discuss the formation of the CFD and future annexation of territory.

On March 5, 2024, the City Council held a public hearing to discuss the formation of the CFD and future annexation of territory. After the Special Tax Election hearing, the City Council adopted Resolution No. R-2024-16 which declared the Results of the Special Election, determined the Validity of Prior Proceedings, and directed the Recording of Notice of Special Tax Lien. The City Council introduced Ordinance No. O-2024-03, levying the Special Taxes within the City of Placentia Community Facilities District No. 2024-01 ("Old Town Maintenance Services").

The CFD Report provides a description of the Services to be funded by the CFD and an estimate of the fair and reasonable cost of the Services and incidental expenses of the CFD. The CFD Report also shows the boundaries of the proposed CFD and the affected assessor's parcels. The CFD boundary map and future annexation area of CFD No. 2024-01 were recorded on February 6, 2024, in the Office of the County Recorder of Orange County, California in Book 109, page 40-41 M/M of Maps of Assessment and Community Facilities Districts (Instrument No. 2024000026763).

Annual Special Tax Rate
Each fiscal year, the City determines the special tax requirement and annual special tax rates for the CFD based upon maintenance and servicing costs within the Project. The special tax is levied and collected in perpetuity, unless and until such time the City determines that the revenue is no longer needed.

The special taxes within the CFD will be levied according to formulas and provisions of the Rate and Method of Apportionment of Special Tax (the "RMA") contained within the Fiscal Year 2026-2027 Administration Report ("Report") prepared for the formation of the CFD (Attachment 2). The Report describes the services to be funded by the CFD; and provides an estimate of the fair and reasonable cost of the Services and incidental expenses for the CFD.

Annual Escalation Factor
The CFD is subject to an Annual Escalation Factor beginning on July 1, which shall be a maximum of six percent (6%) and a minimum annual increase of two percent (2%) per Fiscal Year, of the CPI for the twelve (12) months ending the preceding December 31. The index identified in the RMA was the All-Urban Consumers Price Index ("CPI-U") for the Los Angeles-Long Beach-Anaheim area. The CPI for the 12 months ending the preceding December 31, 2025, was 3.010%. Therefore, the special tax rates are being increased by 3.010% as allowed and summarized in the table below:

Land Use Class	Description	Assigned Special Tax FY 2025-26 Tax Rate	Assigned Special Tax FY 2026-27 Tax Rate
1	Single Family Residential Property	$340.31 per dwelling unit	$350.55 per dwelling unit

2	Multi-Family Residential Property	$313.55 per dwelling unit	$322.99 per dwelling unit
3	Non-Retail Commercial Property	$0.3206 per square foot of Non-Residential Floor Area	$0.3303 per square foot of Non-Residential Floor Area
4	Retail Commercial Property	$0.2219 per square foot of Non-Residential Floor Area	$0.2286 per square foot of Non-Residential Floor Area
5	Office Property	$0.3206 per square foot of Non-Residential Floor Area	$0.3303 per square foot of Non-Residential Floor Area
6	Industrial Property	$0.3206 per square foot of Non-Residential Floor Area	$0.3303 per square foot of Non-Residential Floor Area
7	Hotel/Motel Property	$246.14 per Hotel/Motel Room	$253.55 per Hotel/Motel Room
8	Rehab/Remodel Property	$0.0819 per Parcel Square Foot	$0.0844 per Parcel Square Foot
9	Parking Lot Property	$0.0712 per Parcel Square Foot	$0.0733 per Parcel Square Foot

Financial Summary:
The recommended levy for the Old Town CFD will generate $2,879 in revenue for FY 2026-27. There is no fiscal impact to the General Fund with these recommended actions.

RESOLUTION NO. R-2026-48

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PLACENTIA, CALIFORNIA, SETTING THE LEVY OF AN ANNUAL SPECIAL TAX FOR COMMUNITY FACILITIES DISTRICT NO. 2024-01 (OLD TOWN MAINTENANCE SERVICES) FOR FISCAL YEAR 2026-27

A. Recitals.

(i) The City Council of the City of Placentia ("City Council"), in 2024, initiated proceedings, held a public hearing, conducted an election and received a favorable vote from the qualified electors to establish Community Facilities District No. 2024-01 (Old Town Maintenance Services) ("District") and authorized the levy of a special tax in the community facilities district, all as authorized pursuant to the terms and provisions of the "Mello-Roos Community Facilities Act of 1982", being Chapter 2.5, Part 1, Division 2, Title 5 of the California Government Code ("Act") .

(ii) The City Council, by adoption of Ordinance No. 2024-03 ("Ordinance") as authorized by § 53340 of the California Government Code, authorized the levy of special taxes within the District to finance the authorized service in accordance with the Rate and Method of Apportionment of the Special Tax ("RMA") set forth in Exhibit "B" to the Resolution of Formation, which is on file in the office of the City Clerk and incorporated by reference herein.

(iii) California Government Code § 53340 provides that the City Council may provide, by resolution, for the levy of the special tax in the current tax year or future tax years at the same rate or at a lower rate than the rate provided by the Ordinance, if the resolution is adopted and a certified list of all parcels subject to the special tax levy including the amount of the tax to be levied on each parcel for the applicable tax year, is filed by the Clerk or other official designated by the legislative body with the county auditor on or before the 10th day of August of that tax year.

(iv) The RMA provides for an annual escalation factor of the maximum of six percent (6%) and a minimum of two percent (2%) annual percentage increase of the All-Urban Consumers Price Index ("CPI-U") for the Los Angeles – Long Beach – Anaheim area as determined by the Bureau of Labor Statistics for the twelve (12) months ending the preceding December 31.

(v) The All Urban Consumers Consumer Price Index ("CPI") for the Los Angeles–Long Beach-Anaheim as determined by the Bureau of Labor Statistics for the twelve (12) months ending the preceding December 31 was 3.010%.

B. Resolution.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF PLACENTIA DOES HEREBY FIND, DETERMINE AND RESOLVE AS FOLLOWS:

1. The facts set forth in the Recitals, Part A of this Resolution, are true and Correct and are incorporated herein by reference.

2. This City Council does hereby find and determine as follows:

A. The annual escalation for FY 2026-27 shall be 3.010%.

B. The City Council hereby levies a special tax within the District for Fiscal Year 2026-27 reflecting an increase of 3.010% from the prior year.

C. The CFD Administrator hereby is authorized and directed to file with the County Auditor on or before the 10th day of August a certified copy of this Resolution accompanied by a list of all parcels subject to the special tax levy with the taxes to be levied on each parcel based on the 2026-27 special tax rates set forth in Part B of this Resolution.

D. The special tax shall be collected in the same manner as ordinary ad valorem property taxes are collected and shall be subject to the same penalties and same procedure and sale in cases of any delinquency for ad valorem taxes, and the Tax Collector is hereby authorized to deduct reasonable administrative costs incurred in collecting any said special tax.

E. The County Auditor is hereby directed to enter in the next County assessment roll on which taxes will become due, opposite each lot or parcel of land affected, in a space marked “Old Town Maintenance Services Special Tax” or by any other suitable designation, the installment of the special tax.

F. The County Auditor shall, at the close of the tax collection period, promptly render to the District a detailed report showing the amount and/or amounts of such special tax installments, interest, penalties, and percentages so collected and from what property collected, and also provide a statement of any percentages retained for the expense of making any such collection.

G. This Resolution shall become effective upon its adoption.

APPROVED and ADOPTED this 16th day of June 2026

APPENDIX C SPECIAL TAX ROLL, FISCAL YEAR 2026-2027

INTRODUCTION

This Mello-Roos Community Facilities District Administration Report presents the findings of the research and financial analysis performed by DTA. to determine the special tax requirement for Community Facilities District No. 2024-1 ("CFD No. 2024-1") of the City of Placentia ("the City") for fiscal year 2026-2027.

CFD No. 2024-1 is a legally constituted governmental entity established under the Mello-Roos Community Facilities Act of 1982, (the "Act") as amended. The Act provides an alternative method for the financing of certain public facilities and services. Specifically, CFD No. 2024-1 is authorized to levy the Special Tax to pay for authorized maintenance services.

A map showing the property in CFD No. 2024-1 is included in Appendix A. At the time of formation, there was one Assessor's Parcel included in the boundary of CFD No. 2024-1. Property located in the future annexation area will be annexed into CFD No. 2024-1 as such property meets the City's annexation requirements as described in Section I herein. Two annexations have occurred since formation of CFD No. 2024-1 as shown in Appendix A herein.

The authorized services are funded through the annual levy and collection of special taxes from all property subject to the tax within the community facilities district. In calculating the special tax liability for fiscal year 2026-2027, this report examines the financial obligations of the current fiscal year and analyzes the level of development within CFD No. 2024-1. Pursuant to the Rate and Method of Apportionment ("RMA"), the Special Tax shall be levied as long as necessary to meet the Special Tax Requirement for Services. The RMA is included in Appendix B.

This report is organized into the following sections:

Section I

Section I provides an update of the development status of property within CFD No. 2024-1.

Section II

Section II provides an update of the previous year's Special Tax levy.

Section III

Section III determines the special tax requirement for services for CFD No. 2024-1 for fiscal year 2026-2027.

Section IV

Section IV reviews the methodology used to apportion the special tax requirement for services between the various Land Use Classes of Developed Property. A table of the fiscal year 2026-2027 Special Tax for each classification of property is included.

I SPECIAL TAX CLASSIFICATIONS AND DEVELOPMENT UPDATE

The methodology employed to calculate and apportion the special tax is contained in a document entitled the Rate and Method of Apportionment ("RMA"). The RMA establishes the Special Tax which is used to fund the cost of annual services. The RMA defines five categories of property, namely "Developed Property," "Rehab/Remodel Property," "Parking Lot Property," "Existing Building/Structure Property," and "Undeveloped Property."

Developed Property is identified by the issuance of a building permit for which a building permit was issued as of March 1 of the previous fiscal year for construction of a new building/structure. For example, all property in CFD No. 2024-1 for which building permits were issued as of March 1, 2026 for new building/structures, will be classified as Developed Property in fiscal year 2026-2027.

Rehab/Remodel Property is identified as parcels of Existing Building/Structure Property for which a building permit with a construction valuation greater than $25,000 was issued after March 1, 2023 and prior to March 1 of the previous Fiscal Year to rehabilitate or remodel Existing Building/Structure Property.

Parking Lot Property is identified as parcels that are not Public Property and for which a building permit has been issued for the construction of, or on which is located a garage, parking lot, or parking structure, as of March 1 of the prior Fiscal Year, and on which is located no other Developed Property.

A Special Tax Classifications

For purposes of calculating the Special Tax, there are separate special tax classifications based on the type of structure built as shown in the table below.

Table 1: Special Tax
Developed Property Classifications

Land Use Class	Description	Unit Type
1	Single Family Residential Property	Dwelling unit
2	Multi-Family Residential Property	Dwelling unit
3	Non-Retail Commercial Property	Square Foot of Non-Residential Floor Area
4	Retail Commercial Property	Square Foot of Non-Residential Floor Area
5	Office Property	Square Foot of Non-Residential Floor Area
6	Industrial Property	Square Foot of Non-Residential Floor Area
7	Hotel/Motel Property	Hotel/Motel Room
8	Rehab/Remodel Property	Parcel Square Foot
9	Parking Lot Property	Parcel Square Foot

No Special Tax is levied on Undeveloped Property.

B Development Update

As of March 1, 2026, building permits had been issued for five Assessor's Parcel subject to the Special Tax within CFD No. 2024-1 as summarized in the table below.

Table 2: Development by Assessor's Parcel Number

Assessor's Parcel Number	Description	Unit Type	Parcel Square Feet
339-052-27	Included at CFD Formation	Rehab/Remodel Property	13,416.48
339-365-23	Annexed to CFD in May 2025	Rehab/Remodel Property	5,401.44
339-365-26	Annexed to CFD in May 2026	Rehab/Remodel Property	4,803.00
339-392-07 & 339-392-08	Annexed to CFD in May 2026	Rehab/Remodel Property	4,996.00
339-393-08	Annexed to CFD in May 2026	Rehab/Remodel Property	5,497.00

The table below lists the aggregate amount of development by special tax classification.

Table 3: Fiscal Year 2026-2027
Cumulative Development

Land Use Class	Description	Number of Units/Bldg. Sq. Ft./Rooms/Parcel Sq. Ft.
1	Single Family Residential Property	0 Dwelling Units
2	Multi-Family Residential Property	0 Dwelling Units
3	Non-Retail Commercial Property	0 Square Foot of Non-Residential Floor Area
4	Retail Commercial Property	0 Square Foot of Non-Residential Floor Area
5	Office Property	0 Square Foot of Non-Residential Floor Area
6	Industrial Property	0 Square Foot of Non-Residential Floor Area
7	Hotel/Motel Property	0 Hotel/Motel Rooms
8	Rehab/Remodel Property	34,113.92 Parcel Square Foot
9	Parking Lot Property	0 Parcel Square Foot

II FISCAL YEAR 2025-2026 SPECIAL TAX LEVY

The aggregate Special Tax levy for fiscal year 2025-2026 was equal to $1,541. As of May 26, 2026, all of the special taxes had been collected by the County of Orange.

III FISCAL YEAR 2026-2027 SPECIAL TAX REQUIREMENT FOR SERVICES

Pursuant to the RMA, the Special Tax may be levied in CFD No. 2024-1 to pay for (a) maintenance services authorized to be financed by CFD No. 2024-1, and (b) administrative expenses; less (c) a credit for funds available to reduce the annual Special Tax levy, as determined by the CFD Administrator.

For fiscal year 2026-2027 the funds required from CFD No. 2024-1 exceed the maximum Special Tax that can be collected from the property described in Table 2 above. Therefore, the fiscal year 2026-2027 special tax requirement has been limited to $2,879, the amount that can be collected through the levy of the maximum special tax.

IV METHOD OF APPORTIONMENT

A Maximum Special Taxes

The amount of special taxes that CFD No. 2024-1 may levy is strictly limited by the maximum special taxes set forth in the Rate and Method of Apportionment. The maximum Special Tax is specified in Section C.1 of the RMA. On each July 1, commencing on July 1, 2024, the Maximum Special Tax shall be increased by the positive change in the Consumer Price Index of the amount in effect for the previous fiscal year, with a maximum annual increase of 6% and a minimum annual increase of 2% per fiscal year. As of January 1, 2026, the annual change in the Consumer Price Index was 3.010%. Therefore, an increase of 3.010% is applied.

B Apportionment of Special Tax

The annual Special Tax that is apportioned to each parcel is determined through the application of Section D of the RMA.

Commencing with fiscal year 2026-2027 and for each following fiscal year, the Council shall levy Special Tax so that the amount of Special Tax equals the special tax requirement for services. The special tax shall be levied proportionally on each Assessor's Parcel of property described in Table 1 above at up to 100% of the maximum Special Tax.

Application of the maximum special tax generates Special Tax revenues of $2,879 which is equal to the special tax requirement. The fiscal year 2026-2027 maximum Special Tax and actual Special Tax are shown for each classification of property in the following table.

Table 4: FY 2026-2027 Special Tax

Land Use Class	Description	FY 2026-2027 Maximum Special Tax	FY 2026-2027 Actual Special Tax
1	Single Family Residential Property	$350.55 per Dwelling Unit	$0.00 per Dwelling Unit
2	Multi-Family Residential Property	$322.99 per Dwelling Unit	$0.00 per Dwelling Unit
3	Non-Retail Commercial Property	$0.3303 per Bldg. Sq. Ft.	$0.0000 per Bldg. Sq. Ft.
4	Retail Commercial Property	$0.2286 per Bldg. Sq. Ft.	$0.0000 per Bldg. Sq. Ft.
5	Office Property	$0.3303 per Bldg. Sq. Ft.	$0.0000 per Bldg. Sq. Ft.
6	Industrial Property	$0.3303 per Bldg. Sq. Ft.	$0.0000 per Bldg. Sq. Ft.
7	Hotel/Motel Property	$253.55 per room	$0.00 per room
8	Rehab/Remodel Property	$0.0844 per Parcel Sq. Ft.	$0.0844 per Parcel Sq. Ft.
9	Parking Lot Property	$0.0733 per Parcel Sq. Ft.	$0.0000 per Parcel Sq. Ft.

Please note, pursuant to the RMA, no Special Tax shall be levied on Undeveloped Property.

A list of the actual Special Tax levied against each parcel in CFD No. 2024-1 is included in Appendix C.

APPENDIX B

Fiscal Year 2026-2027
Administration Report

City of Placentia
Community Facilities District No. 2024-1
(Old Town Maintenance Services)

RATE AND METHOD OF APPORTIONMENT

RATE AND METHOD OF APPORTIONMENT FOR CITY OF PLACENTIA COMMUNITY FACILITIES DISTRICT NO. 2024-1 (OLD TOWN MAINTENANCE SERVICES)

A Special Tax as hereinafter defined shall be levied on all Assessor's Parcels in City of Placentia Community Facilities District No. 2024-1 ("CFD No. 2024-1") and collected each Fiscal Year commencing in Fiscal Year 2023-2024, in an amount determined by the City Council of the City of Placentia through the application of the Rate and Method of Apportionment as described below. All of the real property in CFD No. 2024-1, unless exempted by law or by the provisions hereof, shall be taxed for the purposes, to the extent and in the manner herein provided.

A. DEFINITIONS

The terms hereinafter set forth have the following meanings:

"Acre" or **"Acreage"** means the land area of an Assessor's Parcel as shown on an Assessor's Parcel Map, or if the land area is not shown on an Assessor's Parcel Map, the land area shown on the applicable final map, parcel map, condominium plan, or other recorded County parcel map.

"Act" means the Mello-Roos Community Facilities Act of 1982, as amended, being Chapter 2.5, Division 2 of Title 5 of the Government Code of the State of California.

"Administrative Expenses" means the following actual or reasonably estimated costs directly related to the administration of CFD No. 2024-1: the costs of computing the Special Taxes and preparing the annual Special Tax collection schedules (whether by the City or designee thereof or both); the costs of collecting the Special Taxes (whether by the County or otherwise); the costs associated with preparing Special Tax disclosure statements and responding to public inquiries regarding the Special Taxes; the costs of the City, CFD No. 2024-1 or any designee thereof related to an appeal of the Special Tax; and the City's annual administration fees and third party expenses. Administrative Expenses shall also include amounts estimated or advanced by the City or CFD No. 2024-1 for any other administrative purposes of CFD No. 2024-1.

"Assessor's Parcel" means a lot or parcel shown in an Assessor's Parcel Map with an assigned Assessor's parcel number.

"Assessor's Parcel Map" means an official map of the Assessor of the County designating parcels by Assessor's parcel number.

"**CFD Administrator**" means an official of the City, or designee thereof, responsible for determining and providing for the levy and collection of the Special Tax.

"**CFD No. 2024-1**" means the City of Placentia Community Facilities District No. 2024-1 (Old Town Maintenance Services).

"**City**" means the City of Placentia.

"**Consumer Price Index**" means, for each Fiscal Year, the Consumer Price Index published by the U.S. Bureau of Labor Statistics for All Urban Consumers in the Los Angeles-Long Beach-Anaheim region, measured as of the month of December in the calendar year which ends in the previous Fiscal Year. In the event this index ceases to be published, the Consumer Price Index shall be another index as determined by the CFD Administrator that is reasonably comparable to the Consumer Price Index for the Los Angeles-Long Beach-Anaheim region.

"**Council**" means the City Council of the City.

"**County**" means the County of Orange, California.

"**Developed Property**" means, for each Fiscal Year, all Taxable Property, excluding Existing Building/Structure Property, for which a building permit was issued after March 1, 2023 and prior to March 1 of the previous Fiscal Year for construction of a new building/structure.

"**Existing Building/Structure Property**" means, for each Fiscal Year, all Taxable Property, for which a building or structure existed on such property prior to March 1, 2023.

"**Fiscal Year**" means the period starting July 1 and ending on the following June 30.

"**Hotel/Motel Property**" means, for each Fiscal Year, all Assessor's Parcels of Non-Residential Property for which a building permit has been issued for building a non-residential structure that constitutes a place of lodging providing sleeping accommodations and related facilities for travelers. Such related facilities may include, but are not limited to, on-site restaurants, retail establishments, conference rooms/areas, etc.

"**Hotel/Motel Rooms**" means, for each Assessor's Parcel of Hotel/Motel Property, the number of hotel/motel rooms available for rent for the purpose of overnight lodging, as indicated on the building permit issued by the City. If such room data is not included on the building permit for an Assessor's

Parcel of Hotel/Motel Property, then the CFD Administrator shall rely on the site plan or other reasonable data sources as determined by the CFD Administrator.

"Industrial Property" means, for each Fiscal Year, all Assessor's Parcels of Non-Residential Property for which a building permit(s) was issued for construction of a non-residential structure(s) which is primarily used for: manufacturing, procession, fabricating, assembly, refining, repairing, packaging, or treatment of goods, material or produce; research and development; and/or warehousing and wholesale distribution of goods, material, or produce.

"Maximum Special Tax" means the Maximum Special Tax, determined in accordance with Section C below, that can be levied in any Fiscal Year on any Assessor's Parcel of Taxable Property within CFD No. 2024-1.

"Multi-Family Residential Property" means any Assessor's Parcel of Residential Property for which one or more building permits have been issued for attached residential units, all of which are made available for rental, but not purchase, by the general public.

"Non-Residential Floor Area" means, for Non-Residential Property, the total square footage of enclosed area within the perimeter of a non-residential structure located on such property, not including any space devoted to vehicle parking, walkway, overhang, patio, and areas incident thereto for which a building permit for new construction was issued after March 1, 2023 and prior to March 1 of the previous Fiscal Year. The determination of Non-Residential Floor Area shall be made by reference to the building permit(s) issued for such Assessor's Parcel, or if square footage is not available from this source, as otherwise determined by the CFD Administrator.

"Non-Residential Property" means, for each Fiscal Year, all Developed Property for which a building permit(s) was issued for the construction of a new building/structure with a non-residential use.

"Non-Retail Commercial Property" means all Assessor's Parcels of Non-Residential Property not considered (i) Hotel/Motel Property, (ii) Industrial Property, (iii) Retail Commercial Property, or (iv) Office Property.

"Office Property" means, for each Fiscal Year, all Assessor's Parcels of Non-Residential Property for which a building permit(s) was issued for construction of a non-residential structure(s) which is primarily used for: general, professional, and/or medical office space.

"Parcel Square Foot" or "Parcel Square Footage" means the land area, or Acreage multiplied by 43,560, of an Assessor's Parcel as shown on an

Assessor's Parcel Map, or if the land area is not shown on an Assessor's Parcel Map, the land area shown on the applicable final map, parcel map, condominium plan, or other recorded County parcel map.

"Parking Lot Property" means, for each Fiscal Year, any Assessor's Parcel that is not Public Property and for which a building permit has been issued for the construction of, or on which is located a garage, parking lot, or parking structure, as of March 1 of the prior Fiscal Year, and on which is located no other Developed Property, as determined by the CFD Administrator.

"Property Owner Association Property" means, for each Fiscal Year, any Assessor's Parcel within the boundaries of CFD No. 2024-1 that was owned by a property owner association, including any master or sub-association, as of March 1 of the prior Fiscal Year.

"Proportionately" means, for Developed Property, Rehab/Remodel Property, and Parking Lot Property that the ratio of the actual Special Tax levy to the Maximum Special Tax is equal for all Developed Property, Rehab/Remodel Property, and Parking Lot Property.

"Public Property" means, for each Fiscal Year, any property within the boundaries of CFD No. 2024-1 that is (i) used for rights-of-way or any other purpose and is owned by or irrevocably offered for dedication to the federal government, the State of California, the County, the City or any other public agency as of March 1 of the prior Fiscal Year or (ii) encumbered by an unmanned utility easement making impractical its utilization for other than the purpose set forth in the easement as of March 1 of the prior Fiscal Year, provided however that any property leased by a public agency to a private entity and subject to taxation under Section 53340.1 of the Act shall be taxed and classified in accordance with its use.

"Rehab/Remodel Property" means all Assessor's Parcels of Existing Building/Structure Property for which a building permit with a construction valuation greater than $25,000, as determined by the CFD Administrator, was issued after March 1, 2023 and prior to March 1 of the previous Fiscal Year to rehabilitate or remodel Existing Building/Structure Property.

"Residential Property" means all Developed Property for which a building permit has been issued for purposes of constructing one or more residential dwelling units.

"Retail Commercial Property" means all Assessor's Parcels of Non-Residential Property for which the building permit was issued for a retail sales tax generating use or which is being used primarily for a retail sales tax generating use, as determined by the CFD Administrator, and not considered (i) Hotel/Motel Property, (ii) Industrial Property, or (iii) Office Property.

"**Single Family Residential Property**" means any Assessor's Parcel of Residential Property not considered Multi-Family Residential Property.

"**Special Tax**" means the special tax to be levied in each Fiscal Year on each Assessor's Parcel of Taxable Property to fund the Special Tax Requirement for Services.

"**Special Tax Requirement for Services**" means that amount required in any Fiscal Year to: (i) pay directly for annual maintenance services that are authorized to be financed by CFD No. 2024-1; (ii) pay Administrative Expenses; less (iii) a credit for funds available to reduce the annual Special Tax levy, as determined by the CFD Administrator.

"**State**" means the State of California.

"**Taxable Property**" means all of the Assessor's Parcels within the boundaries of CFD No. 2024-1 which are not exempt from the Special Tax pursuant to law or Section E below.

"**Undeveloped Property**" means, for each Fiscal Year, all Taxable Property not classified as Developed Property, Rehab/Remodel Property, Parking Lot Property, Taxable Property Owner Association Property or Taxable Public Property.

"**Welfare Exemption**" means, for each Fiscal Year, any Assessor's Parcel that is used exclusively for charitable, hospital, or religious purposes and that has a property tax welfare exemption as indicated in the County's assessor's roll finalized as of the last preceding January 1.

B. ASSIGNMENT TO LAND USE CATEGORIES

Each Fiscal Year, all Taxable Property within CFD No. 2024-1 shall be classified as Developed Property, Rehab/Remodel Property, Parking Lot Property, or Undeveloped Property and shall be subject to Special Taxes in accordance with the rate and method of apportionment determined pursuant to Sections C and D below.

Developed Property shall be further classified as Residential Property or Non-Residential Property. For Residential Property, the Special Tax will be based on the number of dwelling units as indicated on the building permit. For Non-Residential Property, the Special Tax will be based on the Non-Residential Floor Area or number of Hotel/Motel Rooms. For Rehab/Remodel Property and Parking Lot Property, the Special Tax will be based on the Parcel Square Footage.

C. MAXIMUM SPECIAL TAX

1. Developed Property, Rehab/Remodel Property, and Parking Lot Property

a. Maximum Special Tax

The Maximum Special Tax for Fiscal Year 2023-2024 for each Land Use Class is shown below in Table 1.

TABLE 1
Maximum Special Tax for Developed Property, Rehab/Remodel Property, and Parking Lot Property
For Fiscal Year 2023-2024

Land Use Class	Description	Maximum Special Tax
1	Single Family Residential Property	$318.00 per dwelling unit
2	Multi-Family Residential Property	$293.00 per dwelling unit
3	Non-Retail Commercial Property	$0.2996 per square foot of Non-Residential Floor Area
4	Retail Commercial Property	$0.2074 per square foot of Non-Residential Floor Area
5	Office Property	$0.2996 per square foot of Non-Residential Floor Area
6	Industrial Property	$0.2996 per square foot of Non-Residential Floor Area
7	Hotel/Motel Property	$230.00 per Hotel/Motel Room
8	Rehab/Remodel Property	$0.0765 per Parcel Square Foot
9	Parking Lot Property	$0.0665 per Parcel Square Foot

b. Increase in the Maximum Special Tax

On each July 1, commencing on July 1, 2024, the Maximum Special Tax for Developed Property, Rehab/Remodel Property, and Parking Lot Property shall be increased based on the percentage change in the Consumer Price Index with a maximum annual increase of six percent (6%) and a minimum annual increase of two percent (2%) per Fiscal Year.

c. Multiple Land Use Classes

In some instances, an Assessor's Parcel of Developed Property may contain more than one Land Use Class. The Maximum Special Tax for such Assessor's Parcel shall be the sum of the Maximum Special Tax for all Land Use Classes located on that Assessor's Parcel. The CFD Administrator's allocation to each type of property shall be final.

2. Undeveloped Property and Existing Building/Structure Property

The Special Tax shall not be levied on Undeveloped Property and Existing Building/Structure Property not classified as Rehab/Remodel Property or Parking Lot Property.

D. METHOD OF APPORTIONMENT OF THE SPECIAL TAX

Commencing with Fiscal Year 2023-2024 and for each following Fiscal Year, the Council shall determine the Special Tax Requirement for Services and shall levy the Special Tax until the total Special Tax levy equals the Special Tax Requirement for Services. The Special Tax shall be levied each Fiscal Year as follows:

The Special Tax shall be levied Proportionately on each Assessor's Parcel of Developed Property, Rehab/Remodel Property, and Parking Lot Property at up to 100% of the Maximum Special Tax.

E. EXEMPTIONS

No Special Tax shall be levied on Public Property, Property Owner Association Property, or any Assessor's Parcel that has a Welfare Exemption. However, should an Assessor's Parcel no longer be classified as Public Property, Property Owner Association Property, or have a Welfare Exemption, its tax-exempt status will, without the necessity of any action by the Council, terminate.

F. PREPAYMENT OF SPECIAL TAX

Prepayment of the Special Tax is not authorized.

G. APPEALS/INTERPRETATION

Any landowner or resident may file a written appeal of the Special Tax levied on his/her property with the CFD Administrator, provided that the appellant is current in his/her payments of Special Taxes. During the pendency of an appeal, all Special Taxes previously levied must be paid on or before the payment date established when the levy was made. The appeal must specify the reasons why the appellant claims the Special Tax is in error. The CFD

Administrator shall review the appeal, meet with the appellant if the CFD Administrator deems necessary, and advise the appellant of its determination. If the CFD Administrator agrees with the appellant, the CFD Administrator shall eliminate or reduce the Special Tax on the appellant's property and/or provide a refund to the appellant. If the CFD Administrator disagrees with the appellant and the appellant is dissatisfied with the determination, the appellant then has 30 days in which to appeal to the Council by filing a written notice of appeal with the Council, provided that the appellant is current in his/her payments of Special Taxes. The second appeal must specify the reasons for the appellant's disagreement with the CFD Administrator's determination. The CFD Administrator may charge the appellant a reasonable fee for processing the appeal.

Interpretations may be made by the Council by ordinance or resolution for purposes of clarifying any vagueness or ambiguity in this Rate and Method of Apportionment.

H. MANNER OF COLLECTION

The Special Tax will be collected in the same manner and at the same time as ordinary *ad valorem* property taxes; provided, however, that CFD No. 2024-1 may directly bill the Special Tax, may collect Special Taxes at a different time or in a different manner if necessary to meet its financial obligations, and may covenant to foreclose and may actually foreclose on delinquent Assessor's Parcels as permitted by the Act.

I. TERM OF SPECIAL TAX

The Special Tax shall be levied as long as necessary to meet the Special Tax Requirement for Services.

PLACENTIA CITY COUNCIL AGENDA REPORT

Meeting Date: June 16, 2026

Submitted by: Jesus Avila

From: Public Works

Subject:
MEASURE M ELIGIBILITY APPLICATION PACKAGE FOR FISCAL YEAR 2026-27

Financial Impact:
Revenue: $1,198,336 in estimated Measure M Funds (211-90000-4507)

Summary:
On November 7, 2006, Orange County voters approved Renewed Measure M. Renewed Measure M ("M2") is a 30-year, multi-billion dollar program extension of the original Measure M half-cent countywide sales tax with a new slate of transportation projects and programs. It is anticipated that the City of Placentia will receive approximately $1,198,336 in local fair share M2 funds for Fiscal Year ("FY") 2026-27. This action will approve and adopt required documents for submittal of a Measure M eligibility package to the Orange County Transportation Authority (OCTA).

Recommended Action:
It is recommended that the City Council:

1. Authorize staff to submit the 7-year Capital Improvement Program (CIP) project list utilizing Measure M funding; and
2. Adopt Resolution No. R-2026-30, a Resolution of the City Council of the City of Placentia, California, Concerning the Status and Update of the Local Signal Synchronization Plan (LSSP) for the Measure M (M2) Program; and
3. Adopt Resolution No. R-2026-31, a Resolution of the City Council of the City of Placentia, California, Concerning the Status and Update of the Pavement Management Plan (PMP) for the Measure M (M2) Program; and
4. Authorize staff to submit the Measure M Eligibility application package to OCTA to ensure continued eligibility for Measure M funding and receipt of Local Fair Share M2 funds.

Strategic Plan Statement:
This item is associated with Strategic Goal Nos. 1 and 3. Goal No. 1 pertains to fiscal sustainability by managing resources that support transportation infrastructure services for the community. Goal No. 3 pertains to infrastructure, facilities, and public spaces. Approving this item maintains funding eligibility to ensure the City's streets are maintained and enhanced.

Discussion:

Eligibility:
All the requirements set forth in OCTA Ordinance No. 2 must be met in order for the City to maintain eligibility for its local fair share of funds.
The eligibility application package the City has prepared for submittal includes all the documentation required by OCTA. This year, the City's application must include the following items:

1. Submittal of the Measure M Eligibility Checklist for Fiscal Year 2026-27;
2. Approval of a seven (7) year CIP which includes all projects funded partially or wholly by Measure M dollars;
3. Approval of the Local Signal Synchronization Plan (LSSP);
4. Approval of Maintenance of Effort ("MOE") Certification Reporting Form and supporting budget documents; and
5. Approval of Pavement Management Plan (PMP);

Process for Determining Measure M Eligibility:
The following process has been established for determining Measure M eligibility:

1. Agencies submit Measure M packages to OCTA;
2. OCTA staff reviews packages;
3. Citizens' Oversight Committee determines eligibility by reviewing certain components of the eligibility package; and
4. OCTA approves eligibility for agencies to receive Measure M funds.

If the package is found non-eligible by OCTA staff, the City will have 30 days to respond and appeal the staff findings. The matter then goes to the Technical Advisory Committee for review and recommendation with final decision resting with OCTA. The following briefly describes each component of the eligibility package.

Measure M Eligibility Checklist:
The Measure M Program requires the City's annual eligibility application to include a checklist that is used by OCTA staff and OCTA Taxpayers Oversight Committee to determine compliance with program requirements. The checklist demonstrates that the City is in compliance with the program.

Seven (7) Year Capital Improvement Program (CIP):
The City's annual eligibility application also includes the submittal of capital projects utilizing Measure M2 funds scheduled for construction during the seven (7) year period (Attachment 1). The project lists include budget and schedule details for reconstruction and paving projects, intersection improvements, ADA ramps, and traffic signal projects funded fully, or in part, by Measure M2 Funds.

Maintenance of Effort (MOE):
The Measure M program requires the City to support the ongoing "maintenance of effort" requirement by ensuring that City funds continue to be allocated towards street maintenance and repairs as well as other transportation-related projects. Measure M2 funds are designed to supplement, not replace, existing local funding sources for transportation projects. The City's required MOE is based upon a historic benchmark of General Fund expenditures towards road maintenance and transportation projects in the City.

Local Signal Synchronization Plan (LSSP):
The Local Signal Synchronization Plan is a three-year plan identifying traffic signal

synchronization routes and traffic signals to be improved, including all elements of the Regional Signal Synchronization Network located within the City. It includes goals that are consistent with those outlined as part of OCTA's Regional; Traffic Signal Synchronization Master Plan, including signal synchronization across jurisdictions. An updated plan is required for submittal to OCTA as part of the City's eligibility documentation. The City's Prior LSSP was last updated in 2023, and an updated 2026 version has been prepared. Approval of attached resolution (Attachment 2) includes adoption of the 2026 LSSP Update.

Pavement Management Plan (PMP):
The Pavement Management Plan (PMP) is a plan to manage the preservation, rehabilitation, and maintenance of paved roads by analyzing pavement life cycles, assessing overall system performance costs, and determining alternative strategies and costs necessary to improve the City's paved roads. Biennially the City must evaluate the condition of its streets and adopt a PMP which is subsequently adopted by the City Council. The plan is submitted to OCTA for its review to ensure it is in conformance with the criteria stated in the Orange County Transportation Authority Ordinance No. 3. The City's Prior PMP was last updated in 2024, and an updated 2026 version has been prepared. Approval of attached resolution (Attachment 4) includes adoption of the 2026 PMP Update.

Financial Summary:
It is anticipated that the City will receive approximately $1,198,336 in local fair share M2 funds for Fiscal Year 2026-27, and these funds are included in the proposed FY 2026-27 Capital Improvement Program Budget.

Project Notes

This traffic impact study for the Packing House/Transit-Oriented Development Zone (TOD) and identified future TOD-related traffic operation deficiencies. The TOD project area at full build-out will increase residential and commercial densities, resulting in increased daily vehicular trips that exceed the operational capacity at several intersections around the Packing House/TOD area. The study analyzed twelve (12) signalized intersections and identified five (5) that will exceed operational capacity at the project full buildout and will require mitigation measures. The funds are being carried over from FY25-26 to new FY26-27

Project Title

TOD Traffic Mitigation Improvement Project

Project Description

Transit Oriented Development Zone -impacting intersections. Project will assess traffic conditions in the TOD zone to determine necessary traffic mitigation measures. M2 funds may be used for transportation needs.

RESOLUTION NO. R-2026-30

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PLACENTIA, CALIFORNIA, CONCERNING THE STATUS AND UPDATE OF THE LOCAL SIGNAL SYNCHRONIZATION PLAN FOR THE MEASURE M (M2) PROGRAM

A. Recitals

WHEREAS, the Orange County Transportation Authority has developed the Regional Traffic Signal Synchronization Master Plan to identify traffic signal synchronization street routes and traffic signals within and across jurisdictional boundaries, and defines the means of implementing the Regional Traffic Signal Synchronization Program; and

WHEREAS, the Regional Traffic Signal Synchronization Program requires that local jurisdictions adopt a Local Signal Synchronization Plan consistent with the Regional Traffic Signal Synchronization Master Plan as a key component of local jurisdictions' efforts to synchronizing traffic signals across local jurisdictions' boundaries; and

WHEREAS, the Local Signal Synchronization Plan must be updated by June 30, 2026 to continue to be eligible to receive Net Revenues as part of Measure M2;

B. Resolution

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF PLACENTIA, CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS:

a) The City adopts and maintains a Local Signal Synchronization Plan which includes goals that are consistent with those outlined as part of the Regional Signal Synchronization Master Plan, including signal synchronization across jurisdictions.

b) The Local Signal Synchronization Plan identifies traffic signal synchronization street routes, including all elements of the Regional Signal Synchronization Network located within the City.

c) The Local Signal Synchronization Plan includes the traffic signal inventory for all traffic signal synchronization street routes.

d) The Local Signal Synchronization Plan includes a three-year plan showing capital, operations, and maintenance of signal synchronization along the traffic signal synchronization street routes and traffic signals.

e) The Local Signal Synchronization Plan includes an update on the status and performance of traffic signal synchronization activities.

f) The Local Signal Synchronization Plan includes a discussion on the review and revision, as may be necessary, on the timing of traffic signals on the traffic signal synchronization street routes.

APPROVED and ADOPTED this 16th day of June 2026

SUBJECT: Local Signal Synchronization Plan Submittal as part of the Measure M2 Eligibility Process

Dear Ms. Yang,

The City of Placentia is pleased to submit its Local Signal Synchronization Plan as part of the Measure M2 eligibility process. The submittal includes the following components:

1. A completed “Local Signal Synchronization Plan Consistency Review Checklist” form establishing consistency between the Local Signal Synchronization Plan and the Regional Traffic Signal Synchronization Master Plan.

2. An updated Local Signal Synchronization Plan for Fiscal Years 2026/2027 to 2028/2029 including all required elements as identified in the “Guidelines for the Preparation of Local Signal Synchronization Plans”.

3. Update of GIS-based online signal inventory.

The City looks forward to continuing the implementation of the beneficial programs and construction projects required and made possible by Measure M2.

If you have any questions, please contact me at (714) 993-8132 or via email at ctanio@placentia.org.

Sincerely,

Chris Tanio

Christopher Tanio, P.E.
Director of Public Works/City Engineer

A. Local Signal Synchronization Plan Consistency Review Checklist
B. Local Signal Synchronization Plan

LOCAL SIGNAL SYNCHRONIZATION PLAN CONSISTENCY REVIEW CHECKLIST

The Local Agency Name: City of Placentia Plan Date: May 18, 2026

Local agencies must submit a copy of the Local Signal Synchronization Plan, a completed consistency review checklist, and any supporting documentation. Complete the table below.

Local Agency Statement	Page #s in LSSP	Provided or N/A
1. Signal synchronization goals of the agency are consistent with those outlined as part of the Regional Traffic Signal Synchronization Master Plan.	1 – 3	Yes
2. Traffic signal synchronization street routes are identified, including all corridors along the regional signal synchronization network located within the local agency.	4 – 5	Yes
3. Traffic signal inventory for all traffic signal synchronization street routes.	6 – 9	Yes
4. Three-year plan separately showing costs, available funding, and phasing for capital, operations, and maintenance of signal synchronization along the traffic signal synchronization street routes and traffic signals which may include unconstrained and build-out scenarios.	10 – 13	Yes
5. Signal synchronization review, revision, and assessment of synchronization activities along the traffic signal synchronization street routes and traffic signals.	14 – 18	Yes

I certify that the above statements are true to the best of my knowledge.

OCTA

SECTION ONE

TRAFFIC SIGNAL SYNCHRONIZATION GOALS, POLICIES, AND OBJECTIVES

SECTION ONE

TRAFFIC SIGNAL SYNCHRONIZATION GOALS, POLICIES, AND OBJECTIVES

The purpose and goal of the City of Placentia's Local Signal Synchronization Plan (LSSP) is to provide a plan to reduce vehicle and pedestrian traffic congestion and delays. Traffic signal synchronization plays a key role to keep busy intersections moving freely and to prevent lower volume minor streets from disrupting major arterials traffic flow. The City's near-term goals are to complete infrastructure improvements for a properly functioning synchronization system. Long-term goals include completion of safety and synchronization improvements along remaining corridor segments.

The City's infrastructure has lived well past its intended lifespan, and the City will be budgeting additional funds to address existing traffic signal system maintenance deficiencies. In addition, traffic synchronization projects provide the city opportunities to upgrade outdated traffic signal equipment and ensure an efficient and well-run Traffic Management Center (TMC) at City Hall. Using the TMC, City staff can monitor synchronized corridors from City Hall and remotely modify timing as needed to address traffic needs.

The City of Placentia collaborates closely with its neighbors in Fullerton, Brea, Yorba Linda, and Anaheim to make sure shared arterials are adequately maintained and traffic flows efficiently. The City of Placentia coordinates beyond directly adjacent jurisdictions to partner with cities along major corridors. For example, ongoing Orange County Transportation Authority (OCTA) Project P funded synchronization projects along Yorba Linda Boulevard and Kraemer Boulevard include multiple agencies for each project. Additionally, the City recently received approval for OCTA Project P Funds for the Placentia Avenue Regional Traffic Signal Synchronization project and will be a part of the Bastanchury Avenue Regional Traffic Signal Synchronization project with the City of Yorba Linda as lead agency.

The city reviews signal timing based on resident or business feedback and during design of Capital Improvement Projects to incorporate planned improvements where possible. The City's Public Works Staff considers the timing changes and implements them as necessary.

The City of Placentia acknowledges the Measure M2 Regional Traffic Signal Synchronization Program goals and will continue to support a multi-agency, corridor-based approach that optimizes traffic signals based on existing traffic patterns. The city supports local agency responsibility for signal timing and working with neighboring agencies to improve corridor operations.

The following is a description of the City's efforts in implementing the Plan:

A. Completed Multi-Jurisdictional Regional Traffic Signal Synchronization Projects (RTSSP)
    - Malvern Avenue/Chapman Avenue RTSSP
    - Orangethorpe Avenue/Esperanza Road RTSSP

- Tustin Street/Rose Drive RTSSP

B. Current Multi-Jurisdictional Regional Traffic Signal Synchronization Projects
   - Yorba Linda Boulevard RTSSP – Primary Implementation (PI) Phase ongoing
   - Kraemer Boulevard RTSSP – PI Phase ongoing

C. Planned/Future Multi-Jurisdictional Regional Traffic Signal Synchronization Projects
   - Bastanchury Road
   - Placentia Avenue (New Corridor)
   - Alta Vista Street (New Corridor)

D. Existing Synchronization Infrastructure
   - The City of Placentia Traffic Management Center (TMC) facility is an additional tool to effectively manage traffic. The City, through multiple RTSSP projects, has upgraded the Centracs Advanced Traffic Management System to effectively utilize the TMC functions.
   - To date, the City has the following synchronized major arterials, namely:
     1) Bastanchury Road between Placentia Avenue and McCormack Lane
     2) Yorba Linda Boulevard between Bradford Avenue and Jefferson Street
     3) Chapman Avenue between Melody Lane and Orangethorpe Avenue
     4) Orangethorpe Avenue between Placentia Avenue and Melrose Street and between Chapman Avenue and Highland Avenue
     5) Kraemer Boulevard between Golden Avenue and Crowther Avenue
     6) Rose Drive between Yorba Linda Boulevard and Orangethorpe Avenue
   - New Corridors
     1) Placentia Avenue between Bastanchury Road and Palm Drive and between Fender Avenue and Villa Burton/La Jolla Street is categorized as a Local City Synchronization Corridor.
     2) Alta Vista Street between Kraemer Avenue and Van Buren Street is categorized as a Local City Synchronization Corridor.

TRAFFIC SIGNAL INVENTORY

SECTION THREE

TRAFFIC SIGNAL INVENTORY

This section provides traffic signal inventory information for the traffic signals along the Signal Synchronization Street Routes identified in the Local Signal Synchronization Program.

The traffic signal system along with traffic signal controller type is provided below:

City of Placentia System

Central System:	Econolite CENTRACS
Controller Operating System:	Econolite ASC/8000, ASC/2, ASC/3, and Cobalt Controller Software

Caltrans System

Model 2070 Controller (Local) –	Traffic Signal Control Program (TSCP)
Field Master Model 2070 Controller –	Traffic Responsive Field Master (TRFM) Program and GPS time source receiver

The traffic signal inventory table lists the signalized intersections, maintenance responsibility, system cycle lengths utilized during traffic signal synchronization, identifies traffic signal controller type, detection, CCTV traffic surveillance cameras, battery backup systems, and if the signal is online with the central signal system at the Traffic Management Center.

LSSP IMPLEMENTATION – CANDIDATE SIGNAL SYNCHRONIZATION PROJECTS WITH ESTIMATED COSTS TO COMPLETE PLANNED NETWORK

Reporting Jurisdiction Expenditures: City of Placentia

CORRIDOR	IMPROVEMENT SUMMARY	ESTIMATED COST
Placentia Avenue	Upgrade timing and replace controllers, cabinets, detection, install CCTV cameras, fiber optic lines connected to City's traffic Management Center (2026-2027)	$1,500,000
Bastanchury Road	Upgrade timing and replace controllers, cabinets, detection, install CCTV cameras, fiber optic lines connected to City's traffic Management Center (2026-2027)	$2,250,000
Alta Vista Street	Upgrade timing and replace controllers, cabinets, detection, install CCTV cameras, fiber optic lines connected to City's traffic Management Center (2027-2028)	$562,500
	Total Estimated Cost	$4,312,500

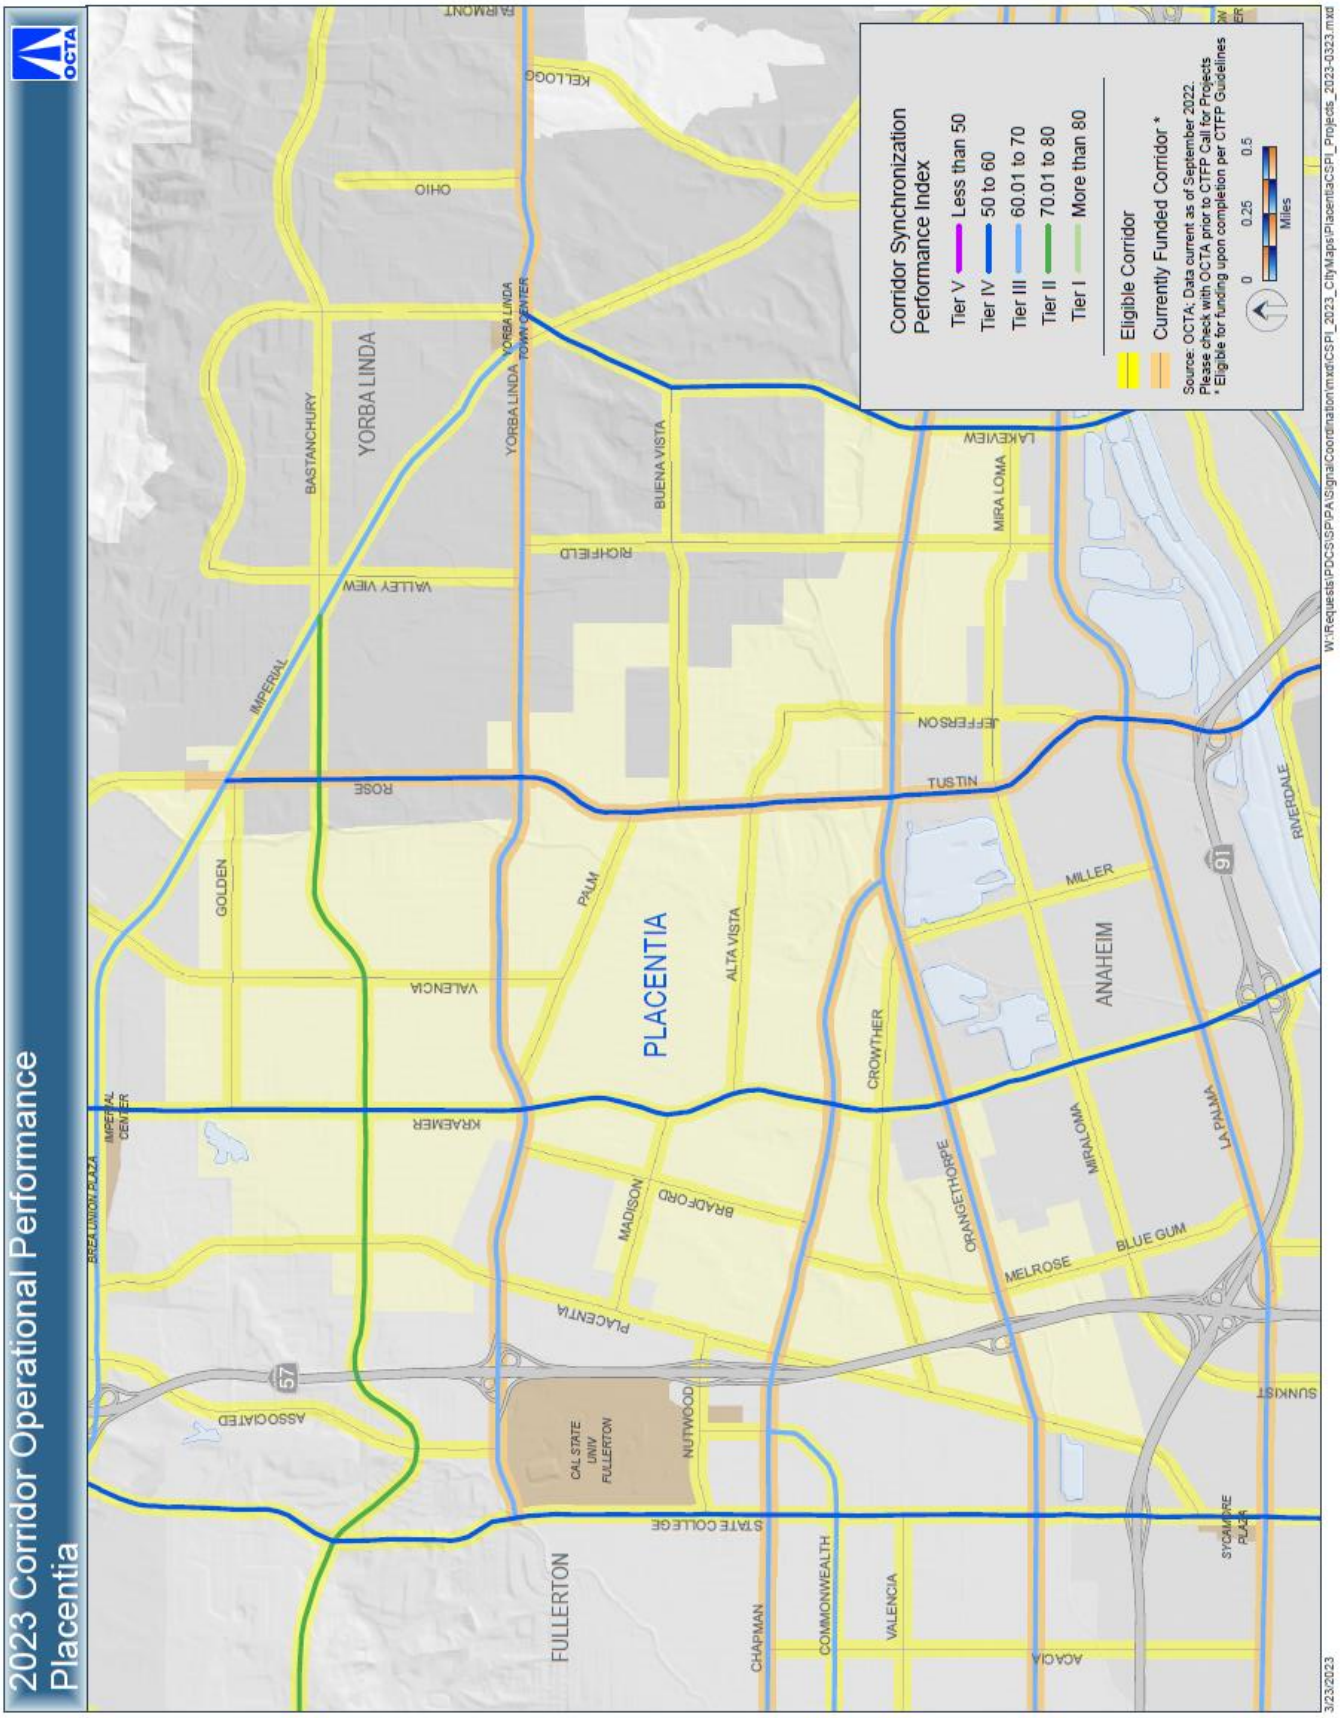
SECTION FIVE

TRAFFIC SIGNAL SYNCHRONIZATION ASSESSMENT REVIEW AND UPDATE OF TRAFFIC SIGNAL TIMING

Significant timing plans updates and projects completed FY 2023/2024 through 2025/2026

SECTION FIVE

TRAFFIC SIGNAL SYNCHRONIZATION ASSESSMENT REVIEW AND UPDATE OF TRAFFIC SIGNAL TIMING



Significant timing plans updates and projects completed FY 2023/2023 through 2025/2026

The City of Placentia's Traffic Signal Synchronization Program has enabled the City to upgrade aging signal infrastructure that otherwise is difficult to fund locally. Participation in regional efforts has been a great benefit to the City of Placentia as traffic signal synchronization projects have improved traffic circulation and reduced congestion while allowing the city to replace and upgrade outdated and malfunctioning traffic signal system equipment.

Using the TMC, City staff can monitor synchronized corridors from City Hall and remotely modify timing as needed to address traffic needs. The efficiency of timely modifications improves traffic flow and service to the community. The traffic signal synchronization program and recently completed synchronization projects have improved traffic flow throughout the city.

The City's approach to updating traffic signal timing plans is to review traffic patterns on an annual basis. In combination with citizen comments and/or complaints, the City's Public Works staff also reviews signal timing charts and traffic patterns. The City staff consults with City's traffic engineering consultant and traffic signal maintenance contractor and decides if traffic timing should be adjusted. Additionally, the City's Public Works staff reviews potential for timing changes as part of and following completion of City Capital Improvement Projects.

Since 2011, OCTA has prepared a biannual Corridor Operational Performance Report (COPR) to conduct an evaluation of the corridor operational performance for 770 miles or arterials in the Orange County Synchronization Network. The most recently available COPR is dated 2023, and OCTA has provided a map showing the results of the performance evaluation that is specific to the City of Placentia. The CSPI map is from 2023, and OCTA is currently working on a new CSPI assessment via the OCTA Countywide Baseline project. An updated CSPI map will be included in the next LSSP update.

RESOLUTION NO. R-2026-31

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PLACENTIA, CALIFORNIA, CONCERNING THE STATUS AND UPDATE OF THE PAVEMENT MANAGEMENT PLAN FOR MEASURE M (M2) PRGRAM

A. Recitals

WHEREAS, the local jurisdiction is required to meet eligibility requirements and submit eligibility verification packages to the Orange County Transportation Authority (OCTA) in order to remain eligible to receive M2 funds; and

WHEREAS, the local jurisdiction is required to adopt and update a Pavement Management Plan (PMP), using the required format, regarding the status of road pavement conditions and implementation of the PMP on a biennial basis; and

WHEREAS, the local jurisdiction is required to provide a plan that manages the preservation, rehabilitation, and maintenance of paved roads by analyzing pavement life cycles, assessing overall system performance costs, and determining alternative strategies and costs necessary to improve paved roads.

B. Resolution

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF PLACENTIA, CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS:

1. The PMP is in conformance with the PMP Submittal Template provided in the Countywide Pavement Management Plan Guidelines.
2. The City hereby adopts a PMP and has provided an updated PMP report, using the required format, to OCTA.
3. The Public Works Director or City Engineer is authorized to sign the PMP certification form.

APPROVED and ADOPTED this 16th day of June 2026

_____
Chad P. Wanke, Mayor

ATTEST:

_____
Robert S. McKinnell, City Clerk

STATE OF CALIFORNIA
COUNTY OF ORANGE

I, Robert S. McKinnell, City Clerk of the City of Placentia, do hereby certify that the foregoing Resolution was adopted at a regular meeting of the City Council of the City of Placentia held on the 16th day of June 2026, by the following vote:

AYES:	COUNCILMEMBERS:
NOES:	COUNCILMEMBERS:
ABSENT:	COUNCILMEMBERS:
ABSTAIN:	COUNCILMEMBERS:

Subject: City of Placentia – OCTA Pavement Management Compliance Report 2026

Dear Chris:

As part of the 2026 Update of the Pavement Management Plan (PMP) for the City of Placentia, Bucknam Infrastructure Group, Inc. is pleased to submit the PMP reporting required by the Orange County Transportation Authority (OCTA). This data/report will be submitted to OCTA as part of the City's required biennial PMP prior to June 30, 2026.

The information contained in this report was used to develop the recommended improvement program for the pavement network. The report covers the following categories:

- **Pavement Management Plan Certification**
- **Quality Assurance / Quality Control (QA/QC) Plan**
- **Pavement Management Data Files (included w/i the Placentia StreetSaver batch file)**
- **Pavement Management Plan that includes the following:**
    - **Average Pavement Conditions For Each Segment in the Network (PCI Report)**
      The Pavement Condition Index report shows the present condition of each street in the pavement network (Arterials and Locals). In addition, the report shows the basic geometry of each street segment.
    - **Seven-year Projected PCI Under Existing Funding Levels**
      This report identifies the projected PCI's based on the local agencies current funding programs. This report details the PCI projects for the entire network, Master Plan of Arterial Highways (MPAH) roadways and Local streets.
    - **Seven-year Plan for Road Maintenance and Rehabilitation (Forecast Maintenance & Rehabilitation (FMR) Report)**
      The FMR projects the street maintenance activities required for the next seven years, broken down to show maintenance levels for all streets. This includes all scheduled projects provided by the City for fiscal years 2026 through 2032.
    - **Alternative Funding Levels**
      OCTA has requested two reports indicating the necessary funding to maintain the City's current weighted average PCI as well as the necessary funding to improve the weighted average PCI by one PCI point over the next seven years.

- **Backlog by Fiscal Year (re: unfunded restoration, rehabilitation and reconstruction)**

- **Percentage of total network in each of the five condition categories based on centerline mileage**

- **Local Match Reduction Reporting**

    - In order to be eligible for Local Match Reduction of 10%, the following must be submitted:
        - Measurable improvement of paved road conditions during the previous reporting period defined as an overall weighted (by area) average system improvement of one PCI point.
        - No reduction in the overall weighted (by area) average PCI in the MPAH or local street categories

        - or –

        - Have road pavement conditions, for the overall network, during the previous reporting period within the highest twenty (20%) of the scale for road pavement conditions in conformance with OCTA Ordinance No. 3, defined as a PCI of 75 or higher, otherwise defined as in "good condition".

- **GIS Digital Data**

- **Quality Assurance / Quality Control (QA/QC) Plan**

- **Pavement Management Data Files (electronic Costa Mesa.e70 file format)**

- **GIS Maps / Current Conditions**

These reports will be submitted to the City of Placentia as part of the biennial Pavement Management Plan that is due prior to June 30, 2026. These reports will be packaged in a way that it will be easy for staff to review.

All comments received from the City have been incorporated in the reports that follow. It has been a pleasure working with you and the City on updating your Pavement Management Plan. We look forward to the continued success of this project and future teamwork with City staff.

Sincerely,

Bucknam Infrastructure Group, Inc.

CITY OF PLACENTIA PAVEMENT MANAGEMENT PLAN

- part of -

COUNTYWIDE PAVEMENT MANAGEMENT PLAN GUIDELINES

(OCTA Guideline – April 2026)

Prepared by: Bucknam Infrastructure Group, Inc.
Submitted to OCTA: June 30, 2026

I. Pavement Management Plan Certification

The City of Placentia, CA certifies that it has a Pavement Management Plan in conformance with the criteria stated in the Orange County Transportation Authority Ordinance No. 3. This ordinance requires that a Pavement Management Plan be in place and maintained to qualify for allocation of revenues generated from renewed Measure M (M2).

The plan was developed by Bucknam Infrastructure Group, Inc. using StreetSaver, a pavement management system conforming to American Society for Testing and Materials (ASTM) Standard D6433, and contains, at a minimum, the following elements:

- Inventory of MPAH and Local routes reviewed and updated biennially. The last update of the inventory was completed on March, 2026 for the Arterial (MPAH) and March 2026 for the Local streets;
- Assessment of the pavement condition for all routes in the system, updated biennially. The last field review of the pavement condition was completed in March, 2026;
- Percentage of all section of pavement needing:
  - Preventive Maintenance = 28.2%;
  - Rehabilitation = 30.3%;
  - Reconstruction = 2.2%
- Budget needs for preventive maintenance, rehabilitation and/or reconstruction of deficient sections of pavement for:
  - Current biennial period $9,726,800;
  - Following biennial period $9,215,000;
- Funds budgeted or available for Preventive Maintenance, Rehabilitation and/or Reconstruction.
  - Current biennial period $9,000,000;
  - Following biennial period $9,000,000;
- Backlog by year of unfunded rehabilitation, restoration and reconstruction needs (See page 9);
- The Pavement Management Plan is consistent with countywide pavement condition assessment standards as described in the OCTA Countywide Pavement Management Plan Guidelines adopted by the OCTA Board of Directors.

*An electronic copy of the Pavement Management Plan (with MicroPAVER or StreetSaver compatible files) has been or will be submitted with the certification statement. A copy of this certification is being provided to the Orange County Transportation Authority.

Title

II. EXECUTIVE SUMMARY

2026 UPDATE OF PAVEMENT MANAGEMENT PLAN (PMP)

As the City of Placentia's infrastructure continues to mature Public Works priorities such as Local street overlay rehabilitation and proactive Arterial CIP maintenance are key projects to City staff. With the City mostly built-out, wear and tear on the infrastructure will occur at an ever-increasing rate. Pavement aging through annual weathering, dynamic and static vehicle loading, and increased usage, compounded with the increased cost of performing maintenance and rehabilitation, add to the yearly operational budget of the pavement network. System sustainability can only be achieved through proactive scheduling and the overall management of cost-efficient pavement applications.

Over the past eight (8) years the City has applied proactive and efficient conditional PCI increase regarding its overall condition as well as greatly reduced its deferred maintenance burdens. The City's overall weighted PCI is 80.1 which is level with the Orange County PCI average of 79. The optimal goal for the City is to reach the industry standard PCI range that is between 82 to 85. Funding the Placentia PMP over the next seven years will be manageable and achievable based on city management proactivity, frequent inspections, and biennial budgetary review.

In the upcoming years as the City continues to build upon this study through future inspections and maintenance work history, the Placentia PMP will continue to provide reliable conditional and economic data. This will enhance the PMP through detailed Orange County Transportation Authority (OCTA) OC Go funding analysis, City specific budgetary reporting and level of service reporting.

The Placentia PMP has been developed to assist City personnel by providing current data on the City's street network and to develop cost-effective maintenance strategies to maintain a desirable level of pavement performance on a network scale, while optimizing the expenditure of limited fiscal resources. The project consisted of analyzing the City's 2024 dataset for quality and usability. In doing this, we were tasked to generate an updated Capital Improvement Program report that identified recommendations and deficiencies in the current operating and maintenance efforts put forth by the City.

We surveyed all designated arterial, collector (MPAH) and Local routes this past winter to assist the City in being compliant with OCTA – OC Go April, 2026 guidelines. Additionally, we updated the City's unique Pavement Management – GIS layer that will continue to assist the City in analyzing pavement conditions and other attribute information through the use of Bucknam's MyRoads® and ESRI ArcGIS.

Bucknam Infrastructure Group reviewed the City's previous maintenance efforts and the current 2026-27 proposed street improvements for pertinent pavement information in order to generate a CIP report that identified recommendations and opportunities for improvement in the current operating and maintenance efforts put forth by the City. The result of these work efforts is this report.

III. BACKGROUND (CITY OF PLACENTIA)

In late 1990, voters throughout Orange County approved a ½-cent sales tax for transportation improvements known as OC Go, formerly known as Measure M2. Funding for streets and roads are included within the sales tax and are distributed to locals agencies through both formula and a competitive method. In late 2006, the renewal of OC Go was approved by voters that would continue the ½-cent sales tax for thirty additional years, starting in 2011.

The primary of goal of this report is to comply with established guidelines from OCTA to ensure that field data collection and reporting efforts performed by outside consultants or local agency staff are consistent. This is required in order that funding allocations can be reviewed and based on agency comparable pavement conditions. Specifically, our findings and recommendations provide Public Works administrators, managers and field personnel with:

d. PMP reports consistent with OCTA OC Go guidelines

e. the present condition status of the pavement network (arterial, collector, residential and industrial streets), as a whole and of any grouping or individual component within the City

f. a ranked list of all streets, or segments of streets, by condition within the network

g. rehabilitation/maintenance needs of each street segment by year

h. an optimized priority maintenance and rehabilitation program based on cost/benefit analysis and various levels of funding

i. optimum annual pavement expenditure levels for pavement maintenance for the next seven (7) years

j. prediction of the life-cycle performance of the City's pavement network and each individual street section; and

k. pavement condition data and analysis presented in GIS through MyRoads® and ArcGIS

Pavement is a dynamic structure where deterioration is constantly occurring; thus, the pavement management system needs to be updated on a regular basis to reflect these changes in pavement conditions, pavement maintenance histories, and maintenance strategies based upon budgetary constraints. In our approach to develop the City's forecasted maintenance recommendations we worked with Placentia Public Works/Engineering staff in identifying unit costs for all maintenance practices used on an annual basis. Currently, based upon the City's maintenance practices and their associated unit costs, the total replacement value of the Placentia pavement network is $312,705,200. This value clearly indicates that the City's pavement network is the most valuable and essential asset to Placentia. The City's use of slurry seal, AC Overlay and R&R practices are typically applied at a seven year, fourteen year and 21 year frequency respectively. These frequencies are typical but the City may see increases in deterioration rates due to environmental, load and high average daily traffic (ADT) volumes. For example, high ADT volumes along one of Placentia's arterial streets will increase deterioration rates for a previously applied AC Overlay compared to a small local street. These deterioration rates are monitored through frequent inspections and functional class deterioration analysis within the City's PMP database.

FINDINGS AND RECOMMENDATIONS

Through our assessment of historical maintenance performed within the City and through our discussions with City staff the conditional data found across the network clearly shows that the City has applied strong, preventative maintenance strategies over the past eight (8) years. Pavement management involves frequent preventative maintenance; as pavement deteriorates through heavy traffic impacts, weathering and time, preventative maintenances (such as slurry seal, stop gap, etc.) have limited benefits. More aggressive maintenance applications must be used.

Our study has shown that key slurry seal and a strong Arterial overlay program will be needed over the next seven years to maintain the network's high level of condition. Currently, the City's two major streets networks (Local & Arterial) hold high weighted PCI values; it is our recommendation that a proactive, common sense overlay program and a continued slurry seal program be scheduled over the next several fiscal years. This will ensure that the citywide weighted PCI will sustain itself and allow for routine slurry seal maintenance to continue. Additionally, through this overlay program it is our recommendation that the Local network receive a higher amount of overlay funding.

We have found and recommend the following detailed items which should be reviewed and considered for a proactive approach to the future management of the PMP:

ARTERIAL / COLLECTOR (MPAH) FINDINGS AND RECOMMENDATIONS

The actual workload requirements identified indicate that the Arterial (MPAH) street network is currently in "Good" condition. To maintain this condition, it is critical that preventive maintenance and overlay activities are funded at the levels identified on page 10 to maintain a "Good" network weighted average PCI value. Our MPAH findings for conditional data and recommendations for revenue expenditures are shown below:

- The Arterial network has a weighted PCI of 83.9
- The Arterial network consists of 49.6 centerline miles and 9,071,769 SF of pavement
- Currently, 10% of the Arterial network (7.4 centerline miles) qualify for slurry seal/stop gap maintenance; 40% of the network (20.0 centerline miles) qualifies for rehabilitation/reconstruction maintenance; 52% of the City's arterial roadways currently require no work for the next seven years
- At a minimum, Arterial maintenance projects should focus on the maintaining the current PCI at a weighted average of 83 over the next 7 years
    - Maintain the Arterial funding allocation at an average annual level of $2,089,000/yr for the term of the CIP to generate the Maintain PCI identified on page 10
- Develop a proactive fiscal and planned approach to identify MPAH overlay projects based on the deterioration modeling within StreetSaver
    - Demonstrated budget shown on page 10 is ample to sustain the MPAH weighted PCI of

83.9 in the low-80's after seven years, furthermore, the citywide deferred MPAH backlog decreases from a level of $6.9 million to $2.0 after seven years

- Allocate MPAH revenues at an average of $2.0 Million /yr for the term of the seven-year CIP to generate the results identified on page 10 (V. Projected Pavement Conditions (PCI) – Increase PCI Funding); and

- Perform pavement inspections on the MPAH network every two years to build a solid planning model within StreetSaver to track PCI deterioration which also follows new OCTA guidelines.

LOCAL (RESIDENTIAL STREETS) FINDINGS AND RECOMMENDATIONS

The actual workload requirements identified indicate that the Local street network (residential streets) is currently in "Good" condition. To maintain this condition, it is critical that preventive maintenance and overlay activities are funded at the levels identified on page 9 to maintain a "Good" network weighted average PCI value. Our Local network findings for conditional data and recommendations for revenue expenditures are shown below:

- The Local network has a weighted PCI of 77.9

- The Local network consists of 84.5 centerline miles and 15,785,557 SF of pavement

- Currently, 27% of the Local network (22.6 centerline miles) qualifies for slurry seal/stop gap maintenance; 24% of the Local network (19.9 centerline miles) qualify for rehabilitation/reconstruction maintenance and 39% of the Local street network requires no work for the next seven years

- At a minimum, Local maintenance projects should focus on increasing the current PCI above a weighted average of 80 within the next 7 years

    - Maintain the Local budget allocation at an average annual funding level of $2,553,300/yr for the term of the CIP to generate the PCI identified on page 10

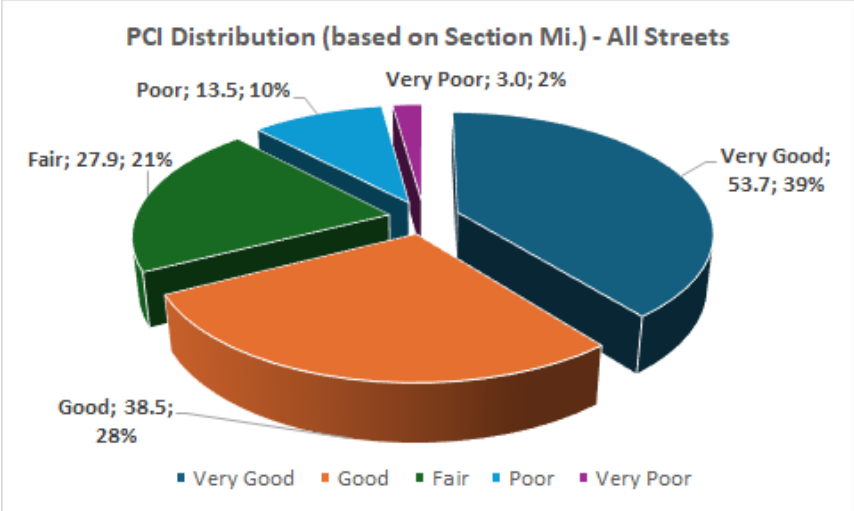
- Develop a proactive fiscal and planned approach to identify Local overlay projects based on the deterioration modeling within StreetSaver

    - Demonstrated below is the applied unit costs per SF for recommended utilized pavement applications as well as the annual inflation increases used throughout the seven year program;

Application Type	2026	2027	2028	2029	2030	2031	2032
Type II Slurry Local	$0.75	$0.78	$0.81	$0.84	$0.88	$0.91	$0.95
Local Overlay	$2.64	$2.75	$2.86	$2.97	$3.09	$3.21	$3.34
Local Grind/Overlay	$3.40	$3.54	$3.68	$3.82	$3.98	$4.14	$4.30
Type II Slurry Arterial	$1.05	$1.10	$1.16	$1.22	$1.28	$1.34	$1.41
Arterial Grind/Overlay	$3.72	$3.91	$4.10	$4.31	$4.52	$4.75	$4.99
AHRM	$4.87	$5.11	$5.37	$5.64	$5.92	$6.22	$6.53
AC Recon	$12.58	$13.21	$13.87	$14.56	$15.29	$16.06	$16.86
PCC Recon	$22.96	$24.11	$25.31	$26.58	$27.91	$29.30	$30.77

  - Demonstrated budget shown on page 10 is ample to improve the Local weighted PCI from 77.9 to 80.0 after seven years, furthermore, the citywide deferred backlog decreases from a level of $7.1 million to $0 after seven years

- Perform pavement inspections on the Local network every two years to build a solid planning model within StreetSaver to track PCI deterioration; also follows new OCTA guidelines for OC Go.



IV. CURRENT PAVEMENT CONDITIONS (PCI)

Rank	Mi.	SF	PCI 2026	PCI 2024	PCI 2022	PCI 2020	PCI 2018
Art. / Coll.	49.6	9,071,769	83.9	84.5	73.8	67.0	60.0

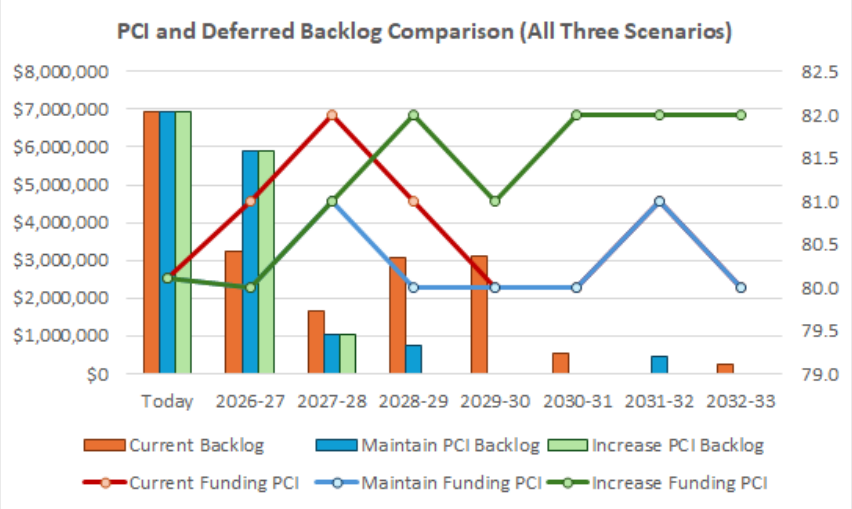
Avg. Annual Funding	**$4,878,800**			



VII. CURRENT AND PROJECTED BACKLOG BY YEAR OF PAVEMENT MAINTENANCE NEEDS

Plan Year	Actual Funding Backlog	Maintain PCI Backlog	Increase PCI Backlog
Current	**$6,944,100**	**$6,944,100**	**$6,944,100**
2026-27	$3,217,800	$5,884,400	$5,884,400
2027-28	$1,642,300	$1,016,500	$1,016,500
2028-29	$3,064,700	$751,600	$0
2029-30	$3,115,200	$0	$0
2030-31	$536,000	$0	$0
2031-32	$0	$461,800	$0
2032-33	$264,100	$0	$0

DEFERRED MAINTENANCE

Delaying repairs on streets where pavement conditions indicate a need generates deferred maintenance or "backlog". Deferred maintenance is work that is postponed to a future budget cycle, or until funds are available. As maintenance is deferred, the opportunity to apply preventive, life extending pavement treatments is forfeited and the ultimate cost of rehabilitation multiplies (i.e. slurry seal costs to overlay costs). By using the City's pavement maintenance applications and their associated unit costs, when a budgetary model is exercised within the PMP software the amount of deferred maintenance is calculated. Based upon the available budget applied to the model, deferred maintenance will increase or decrease.

As maintenance is deferred, the opportunity to apply life extending preventive pavement applications is lost and the ultimate cost of rehabilitation multiplies.

In the case of Placentia, the City's forecasted annual street maintenance budget will allow the amount of deferred maintenance on both the Arterial and Local networks to reach $264k by FY 2032-33. The City's progressive and scheduled maintenance / rehabilitation program will be complete by 2032 and will create a preventative maintenance state across the City for several years.

VIII. CENTERLINE MILEAGE

Rank	W. PCI	Mi.	SF
Art. / Coll.	83.9	49.6	9,071,769
Local	77.9	84.5	15,785,557
Citywide	**80.1**	**134.1**	**24,857,326**

IX. PERCENTAGE OF NETWORK IN EACH OF FIVE CONDITION CATEGORIES BASED ON CENTERLINE MILES

Condition	PCI Range	Network	Percent Area of Total Pavement	Area of Pavement (SF)	Percent Centerline Mi. of Network	Centerline Mileage of Network
Very Good	(86-100)	MPAH	21.3%	5,285,062	21.4%	28.7
		Local	18.5%	4,597,650	18.2%	24.4

		Local	25.0%	6,219,950	24.8%	33.2
Fair	(60-74)	MPAH	7.0%	1,732,256	7.2%	9.7
		Local	13.2%	3,286,891	13.1%	17.6
Poor	(41-59)	MPAH	4.0%	986,763	4.3%	5.8
		Local	5.3%	1,306,392	5.4%	7.3
Very Poor	(0-40)	MPAH	0.3%	86,135	0.4%	0.5
		Local	1.5%	374,674	1.5%	2.0
				24,857,326		**134.1**

X. REDUCTION IN M2 LOCAL MATCH

A local agency match reduction of 10% of the eligible cost for projects submitted for consideration of funding through the M2 Comprehensive Transportation Funding Programs (CTFP) call for projects is available if the local agency either:

a. Shows measurable improvement of paved road conditions during the previous reporting period defined as an overall weighted (by area) average system improvement of one Pavement Condition Index (PCI) point with no reduction in the overall weighted (by area) average PCI in the Master Plan of Arterial Highways (MPAH) or local categories:

or

b. Have road pavement conditions during the previous reporting period, within the highest 20% of the scale for road pavement conditions in conformance with OCTA Ordinance No. 3, defined as a PCI of 75 or higher, otherwise defined as in “good condition”.

Road conditions found through our 2026 PMP management study shows that the City is eligible for Local Match Reduction based on the current network weighted PCI of 80.1 (system currently has a weighted PCI over 75).

XI. APPENDIX A – SEVEN YEAR ROAD MAINTENANCE AND REHABILITATION PLAN BASED ON CURRENT OR EXPECTED FUNDING LEVEL

FY	Street ID	Sec ID	Name	From	To	Rank	Surface Type	Area ID	Lanes	L	W	Area	PCI	% Load	% Climate	% Other	Maint. Recommendations	Total $

XIII. APPENDIX C – GIS DIGITAL DATA

Introduction

The OCTA GIS Section maintains a spatial inventory of transportation infrastructure which mostly consists of major arterial streets, roads, and highways. A key component of road information is pavement condition. Maintaining an inventory of pavement condition will enhance OCTA's GIS visualization and analysis capabilities and assist in understanding the transportation investment needs throughout the region. Therefore, a GIS dataset in digital format should be included in this report.

Structure of GIS Data

The GIS dataset must consist of linear geographic features that represent road/street segments. All segments that are part of the report should be included in the GIS dataset. The attribute information of each segment should generally follow the format of the Complete Listing of Current Street Conditions in Appendix B above.

The GIS data requirements are discussed below. Most commercial and open-source GIS software provide industry-standard tools to manage GIS data to meet these requirements.

GIS Digital Data Format

The GIS data must be submitted in either one of the following formats:

- Esri Shapefile, or
- Esri File Geodatabase

Metadata

The GIS data are required to have associated metadata. The minimum metadata items required are:

- Title of Dataset
- Tags (A set of words that can be used by GIS to search for the resource. For example: "pavement", "transportation", "roads")
- Summary (A brief purpose statement of the dataset)
- Description (A brief narrative of the dataset's content)
- Credits (A recognition of those who created or contributed to the resource)

Spatial Geometry Type

The spatial geometry of the segment features must be lines that represent the roadway centerline as accurately as possible.

Projection

The GIS data must have spatial reference information and have its coordinate system identified and

embedded in or associated with the data file(s). All GIS data submitted to OCTA should be in the following projected coordinate system:

- NAD 1983 State Plane California VI FIPS 0406 (US Feet) - More information about this system can be found at: https://spatialreference.org/ref/epsg/nad83-california-zone-6-ftus/

GIS Feature Attributes

The required segment attributes are:

- Street name
- Unique segment identifier (Segment ID from original source if available)
- Name of intersecting road at the beginning of a segment
- Name of intersecting road at the end of the segment
- Current pavement condition index (PCI)
- Current PCI inspection date
- Length of road segment in feet
- Width of road segment in feet
- Paved area of road segment in square feet or square yards
- Projected PCI at end of Seven-Year Road Maintenance and Rehabilitation Plan

Additional attributes such as number of through travel lanes, direction of travel and pavement surface type may be provided.

XIV. APPENDIX D – QUALITY ASSURANCE / QUALITY CONTROL PLAN

Introduction

When performing data collection in any field, the need for quality control is paramount as it is essential for accurate planning, analysis and design. This is particularly true for collecting pavement distress data for a pavement management program.

The Quality Assurance / Quality Control (QA/QC) Plan establishes minimum quality standards for performance and procedures for update of the pavement management program.

Objectives

This document constitutes a formal QA/QC Plan for the City of Placentia. It was prepared on March, 2018 and last revised in April, 2026.

Specifically, it is intended for the 2026 Pavement Management Plan Update. The focus is on the collection of network-level pavement distress data (defined by National Cooperative Highway Research Program (NCHRP) Synthesis 401 Quality Management of Pavement Data Collection, as "Network-level data collection involves collection of large quantities of pavement condition data, which is often converted to individual condition indices or aggregated into composite condition indices".

This document also addresses the QA/QC plan requirements of the Orange County Transportation Authority (OCTA)'s "Countywide Pavement Management Plan Guidelines" (Section 2.4), adopted in May 2010.

Structure of QA/QC Plan

The following components are addressed in this QA/QC Plan:

- Condition survey procedures used;
- Accuracy required for data collection;
- Inspector qualifications and experience; and
- Safety.

Condition Survey Procedures

The governing document in performing condition surveys for the City of Placentia is ASTM D6433-16 "Standard Practice for Roads and Parking Lots Pavement Condition Index (PCI) Surveys." Both asphalt concrete (AC) and Portland cement concrete (PCC) pavements are included in this protocol. The following distresses are collected for each pavement type:

Asphalt Concrete	Portland Cement Concrete (Jointed)
1. Alligator (fatigue) cracking	1. Blow-up/Buckling
2. Bleeding	2. Corner Breaks
3. Block Cracking	3. Divided Slab
4. Bumps and sags	4. Durability ("D") Cracking
5. Corrugation	5. Faulting
6. Depression	6. Joint Seal damage
7. Edge Cracking	7. Lane/Shoulder Drop-off
8. Joint Reflection Cracking	8. Linear Cracking
9. Lane/Shoulder Drop-off	9. Patching (large) and Utility Cuts
10. Longitudinal & Transverse Cracking	10. Patching (small)
11. Patching and Utility Cut Patching	11. Polished Aggregate
12. Polished aggregate	12. Popouts
13. Potholes	13. Pumping
14. Railroad Crossing	14. Punchout
15. Rutting	15. Railroad Crossing
16. Shoving	16. Scaling, map cracking and crazing
17. Slippage Cracking	17. Shrinkage Cracks
18. Swell	18. Spalling (corner)
19. Weathering	19. Spalling (joint)
20. Raveling	

As required by the Orange County Transportation Authority (OCTA), the City of Placentia must prepare and implement a quality assurance / quality control (QA/QC) plan regarding pavement management inspection as they pertain to StreetSaver. For the purposes of this report, Bucknam has demonstrated below how our project team implemented QA/QC procedures during the project.

Our QA/QC plan focuses on the how each pavement inspection is performed, what distresses are collected and ensures that it complies with the OCTA guidelines defined within the "Countywide Pavement Management Plan Guidelines (CPMPG)".

As shown within the OCTA (CPMPG), our staff followed and delivered on the requirements stated within Chapter 2, page 2-5 which require specific QA/QC data (Items A through G). Additionally, Chapter 3 requires numerous data/deliverables from local agencies for OC Go eligibility. All general PCI budgetary report submittals will follow the Chapter 3 guidelines.

In conjunction with the outlined items within the CPMPG Section 2 we have summarized our QA/QC procedures below:

a. **Descriptions of condition survey** - Our staff follows the required Condition Survey Protocols (CPMPG, Chapter 2); our staff assesses each pavement section for the minimum distresses outlined within Chapter 2, page 2-1. Additionally, based on the pavement conditions found, we collect all MicroPAVER/StreetSaver Army Corps of Engineers (ACOE) distresses, if found within the sample sections; for example, if slippage cracking, potholes, etc. are found our survey technicians record the proper information.

b. **How data was collected** - Our surveys follow the OCTA accepted walking requirements. All sections that our staff surveys are performed through the walking method, approximately 10% of all sections surveyed were complemented with windshield surveys based on unique conditions found. Our staff physically measures the width of every section as well as measure for any square footage adjustment that need to be added or taken away from a sections "true area" (i.e. cul-de-sac, bus pads, street width variances, etc.). Samples taken always include a minimum of 2,500 SF coverage unless specific section limits prohibit this. Arterial section samples utilize a 3,500 SF sample size due to the larger section area (this is within the ASTM D6433-16 sample size calculation. Field crews typically include one individual for residential pavement sections while Arterial (MPAH) routes utilize a two-person crew for safety, traffic control and increases quality control.

c. **Accuracy required for data collection** - We use a statistical sampling approach for measuring the quality of our field technician's work. In this manner, 10 percent of the original surveys are re-surveyed by a different survey crew than the original, supervised by a field supervisor, and the results are compared to the original surveys. Our QC process involves checking the field crews' work in a "blind study" fashion. Quality control checks are performed at the end of each survey week. This ensures that all field personnel are properly collecting section samples, distress types and distress severities for all street segments.

    - When QA/QC issues are found, our staff documents the issues within StreetSaver's user interface. If distress types found are not within the 97% accuracy our QA/QC is expanded beyond our minimum 10% resurvey to 20% of the original survey

d. **Random and Systematic Re-Inspections** – As described above our staff re-inspects, as a minimum, 10% of the original survey (OCTA only requires 5%). Per the agencies requests, our staff will submit PCI reports to the agency as project status reports for their review. Agencies will typically review specific pavement sections for PCI accuracy based on recent overlay or slurry seal maintenance; this serves as an initial accuracy check on our surveys (outside Bucknam QC efforts). Additionally, our staff performs "ride-a-long" surveys with local agency staff to build consensus on how our MicroPAVER/StreetSaver ACOE surveys are performed, recorded and reported on.

    Random re-inspections will include a representative selection across the following categories:

    - Functional classed (i.e. MPAH, locals);
    - Surface types (e.g. AC or PCC);
    - Pavement conditions (e.g. good, fair, poor);
    - Inspectors;
    - Geographical areas, if applicable.

For systematic re-inspections, this could be due to noticed trends such as specific treatment types (e.g. open-graded mixed), a specific inspector or geographical area. In these cases Bucknam continues to utilize a 10% re-inspection policy.

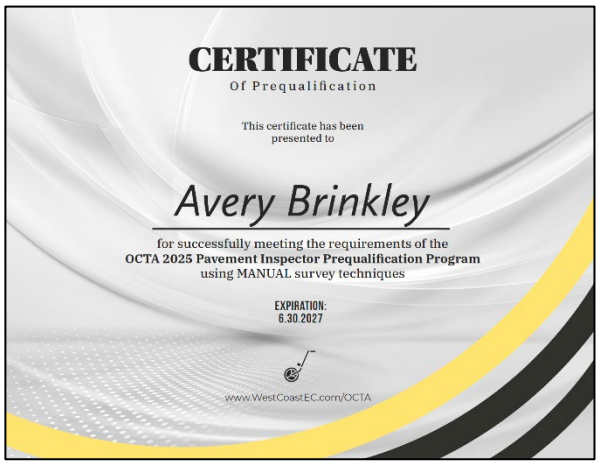
e. **PCI Comparison with Past Surveys** - if previous inspection data is available, new PCI's calculated through the most recent inspections will be compared to previous PCI's. If the variance in PCI is greater than +/- 10 PCI points, these sections will be flagged for further investigation and/or re-inspection (In the cases that a PCI increases or decreases by 10 points follows the established CPMPG guidelines; Appendix A, page A-18).

f. **Schedule of data submittal** – Pending on the City's last major PMP submittal, Bucknam will assist the agency in submitting the following:

- Master Plan of Arterial Highways (MPAH) routes will be surveyed and reported on at least once every two years
- Local streets will be surveyed and reported on every six years
- Corresponding MPAH and local PCI reporting and budgetary reporting will be submitted every two years

g. **Inspector's Qualifications and Experience** – Bucknam staff have been trained on the use of StreetSaver and the ACOE StreetSaver segment calibration and inspection practices. Mr. Peter Bucknam (Project Manager) and Mr. Shaun Russo (Lead Field Technician) have completed the StreetSaver Certification of Professional Development courses. All Bucknam field technicians are trained using the ACOE survey methodologies and have passed OCTA's prequalification testing. Bucknam Infrastructure Group inspectors have attended formal training on pavement condition distress surveys. This training was conducted prior to performing any work using the ASTM D6433-18 protocols, consistent with OCTA's requirements.

Inspector Name	Role (Field Inspector or QA/QC Reviewer or Both)	Date of ASTM D6433 Training	Training Conducted By:	OCTA Pre-Qualification		
				Active (Y/N	Expiration Date	Certificate Provided with this Report (Y/N)
Cade Bucknam	Both	June, 2025	Bucknam - Internal	Y	6/30/27	Y
Chris Campbell	Field Inspector	February, 2026	Bucknam - Internal	Y	6/30/28	Y
Aaron Cohodas	Both	July, 2024	Bucknam - Internal	Y	7/30/26	Y
Avery Brinkley	Field Inspector	June, 2025	Bucknam - Internal	Y	6/30/27	Y



Attachments – Inspectors Certifications

- Certificate of Prequalification – OCTA Pavement Inspector Prequalification Program (see below):

h. **Safety procedures** – Bucknam field survey techniques utilize the following procedures:

   a. All vehicles are properly marked or flagged with appropriate sign markings indicating that a "PAVEMENT SURVEY IS IN PROGRESS";

   b. All vehicles have the proper flashing amber light beacons placed on the top of the vehicle to allow for proper visibility and line-of-site warning;

   c. Large MPAH routes are surveyed using two field technicians to increase traffic control warning and safety;

   d. While parking or stopping along the survey route, vehicles legally park within the right-of-way or use a parking lot;

   e. All field technicians wear ANSI – 105 Class II safety vests

XV. APPENDIX E – PAVEMENT MANAGEMENT DATA FILES

The City of Placentia StreetSaver database (.bat file) has been enclosed for City and OCTA use. This data and the associated reporting data includes:

- Street names and limits for the City's public streets
- Street identifiers (Branch ID, Section ID)
- Direction
- Begin and end of section
- Length, width and true areas
- Functional Classification (MPAH, Local)
- Number of travel lanes
- Pavement Condition Index (PCI) and date of inspection
- Type of recommended treatment
- Cost of recommended treatment

XVI. APPENDIX F – GIS MAPS / CURRENT CONDITIONS

Agenda Item No: 1.j

PLACENTIA CITY COUNCIL AGENDA REPORT

Meeting Date: June 16, 2026

Submitted by: Matthew Di Mario

From: Public Works

Subject:
RESOLUTION ADOPTING FISCAL YEAR 2026-27 PROJECT LIST FOR COMPLIANCE WITH SB 1, THE ROAD REPAIR AND ACCOUNTABILITY ACT OF 2017

Financial Impact:
Projected Annual Revenue: $1,514,655 (State Gas Tax – RMRA Fund No. 217)

Summary:
The State Legislature approved Senate Bill (SB) 1, the Road Repair and Accountability Act of 2017 (the "Act") in the Fiscal Year (FY) 2016-17 Legislative session. The Act provided local governments in California with a new annual revenue stream to fund road maintenance, repairs, and other related transportation projects. It is estimated that the City will receive a total of $1,514,655 in the Road Maintenance and Rehabilitation Account (RMRA) funds under this program in FY 2026-27, which will be used to repair and maintain Placentia's streets. Cities and counties receiving these funds must submit a list of proposed projects along with an adopted resolution to the California Transportation Commission (CTC) by July 1 of each year. Staff is recommending that the City Council adopt the proposed project list in conformance with the Act to continue receiving RMRA funding.

Recommended Action:
It is recommended that the City Council:

1. Approve Resolution No. R-2026-41, a Resolution of the City Council of the City of Placentia, California, adopting a List of Projects for Fiscal Year 2026-27 funded by SB 1, The Road Repair and Accountability Act of 2017; and
2. Authorize Staff to submit the project list and all necessary documentation to the California Transportation Commission to satisfy SB 1 funding requirements; and
3. Authorize the City Administrator and/or her designee to execute all necessary documents, in a form approved by the City Attorney.

Strategic Plan Statement:
This item aligns with Strategic Goal No. 3: Infrastructure, Facilities, and Public Spaces. This action will specify proposed projects that will use SB 1 funds to improve arterial and residential streets. Declaring projects that use SB 1 monies helps to provide funding to enhance the City's street infrastructure.

Discussion:

On April 28, 2017, the Governor signed Senate Bill 1 (SB 1), also known as the Road Repair and Accountability Act of 2017. This legislation aimed to address essential road maintenance, rehabilitation, and safety needs for both state highways and local streets. SB 1 achieved this by increasing per-gallon fuel excise taxes, raising diesel fuel sales taxes and vehicle registration fees, and allowing for inflationary adjustments to tax rates in the future.

Since November 1, 2017, the State Controller began depositing this additional funding into the newly created Road Maintenance and Rehabilitation Account (RMRA). Each month a percentage of the RMRA funds are apportioned by formula to the City pursuant to Streets and Highways Code Section 2032(h). As codified in the Streets and Highways Code (SHC), RMRA local streets and roads allocations must be used for projects that include, but are not limited to:

- Road maintenance and rehabilitation
- Bridge replacement and rehabilitation
- Safety projects
- Railroad grade separations
- Traffic control devices
- Completion of street components, including active transportation purposes, pedestrian and bicycle safety projects, transit facilities, and drainage and stormwater capture projects in conjunction with any other allowable project.

This will be the tenth (10th) year in which the City is receiving SB 1 funding, which is a critical source of funding needed to help the City address its backlog in road maintenance and rehabilitation. Based on the released May 2026 estimates, the City is estimated to receive a total of $1,514,655 in RMRA funds in FY 2026-27.

As part of SB 1's various accountability and transparency measures and the CTC's 2021 Reporting Guidelines for Local Streets and Roads Funding Program, the City is required to adopt a resolution (Attachment 1) establishing the list of projects and submit that list annually to the CTC by July 1 and subsequently provide year-end updates on the progress and expenditures of previously proposed projects by December 1 of each year. In line with these guidelines, Staff has identified eligible projects for RMRA funding in the proposed FY 2026-27 Capital Improvement Program Budget. The following list of proposed projects will be funded in part or solely with SB 1 funding in FY 2026-27:

Project Name	Description	Proposed SB 1 Funding Amount
FY 26-27 Arterial Roadway Rehabilitation Project	Area of work includes E Palm Drive from Yorba Linda Blvd to Rose Drive. Scope of work includes grinding and overlaying the existing pavement section, localized full depth reconstruction, adjusting utilities to grade, striping, removing and replacing damaged sidewalk, curbs and gutters.	$1,001,664

FY 26-27 Residential Roadway Rehabilitation Project	Scope of work includes the placement of crack seal and slurry seal, grinding and overlaying the existing pavement section, full depth reconstruction, adjusting utilities to grade, striping, removing and replacing damaged sidewalk, curb, and gutter. The project is located in the northwest portion of the City (South of Bastanchury Rd and West of Kraemer Blvd), and includes residential streets such as Cambridge Ave, Nenno Ave, Lewis Pl, Armstrong Dr, Livingston Ave, Laurelwood Ave, and Kingston Rd.	$512,991

Staff is recommending that the City Council adopt the attached resolution (Attachment 1) and authorize Staff to submit the project list and necessary documentation to the CTC to remain eligible for funding.

Financial Summary:
Based upon the released May 2026 estimates, the City is estimated to receive a total of $1,514,655 in RMRA funds in FY 2026-27. The revenue received will be allocated to the State Gas Tax – RMRA Fund No. 217. To be eligible to receive RMRA funding, the City must prepare and submit a project list annually to the CTC by July 1. The City must also provide a public record which documents that the proposed projects have been adopted in the operating or capital budget. The recommended actions will enable the City to be eligible to receive RMRA funding in FY 2026-27.

Attachment 1 - R-2026-41

RESOLUTION NO. R-2026-41

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PLACENTIA, CALIFORNIA, ADOPTING A LIST OF PROJECTS FOR FISCAL YEAR 2026-27 FUNDED BY SB 1: THE ROAD REPAIR AND ACCOUNTABILITY ACT OF 2017

A. Recitals

(i). Senate Bill 1 (SB 1), the Road Repair and Accountability Act of 2017 (Chapter 5, Statutes of 2017) was passed by the Legislature and Signed into law by the Governor in April 2017 to address the significant multi-modal transportation funding shortfalls statewide; and

(ii). SB 1 includes accountability and transparency provisions that will ensure the residents of the City of Placentia (City) are aware of the projects proposed for funding in our community and which projects have been completed each fiscal year; and

(iii). The City must adopt by resolution a list of projects proposed to receive fiscal year funding from the Road Maintenance and Rehabilitation Account (RMRA), created by SB 1, which must include a description and the location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement; and

(iv). The City will receive an estimated $1,514,655 in RMRA funding in Fiscal Year 2026-27 from SB 1; and

(v). This is the tenth year in which the City is receiving SB 1 funding and will enable the City to continue essential road maintenance and rehabilitation projects, safety improvements, repairing and replacing aging bridges, and increasing access and mobility options for the traveling public that would not have otherwise been possible without SB 1; and

(vi). The City has undergone a robust public process to ensure public input into our community's transportation priorities/the project list; and

(vii). The City used a Pavement Management System to develop the SB 1 project list to ensure revenues are being used on the most high-priority and cost-effective projects that also meet the communities priorities for transportation investment; and

(viii). The funding from SB 1 will help the City maintain and rehabilitate approximately 1 million square feet of local roads throughout the City this year; and

(ix). The 2023 California Statewide Local Streets and Roads Needs Assessment found that the City's streets and roads are at a lower risk and this revenue will help us increase the overall quality of our road system and over the next decade will bring our streets and roads into good condition; and

(x). The SB 1 project list and overall investment in our local streets and roads infrastructure with a focus on basic maintenance and safety, investing in complete streets infrastructure, and using cutting-edge technology, materials and practices, will have significant positive benefits on the City of Placentia by maintaining and preserving the local street and road system in good condition will reduce drive times and traffic congestion, improve bicycle safety, and make the pedestrian experience safer and more appealing, which leads to reduce vehicle emissions helping the State achieve its air quality and greenhouse gas emissions reductions goals.

B. Resolution

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF PLACENTIA DOES HEREBY FIND, DETERMINE AND RESOLVE AS FOLLOWS:

1. The foregoing recitals are true and correct.

2. The following list of newly proposed projects will be funded in-part or solely with Fiscal Year 2026-27 Road Maintenance and Rehabilitation Account revenues:

Project Title: FY 26-27 Arterial Roadway Rehabilitation Project
Project Description: Area of work includes E Palm Drive from Yorba Linda Blvd to Rose Drive. Scope of work includes grinding and overlaying the existing pavement section, localized full depth reconstruction, adjusting utilities to grade, striping, removing and replacing damaged sidewalk, curb and gutters.
Project Location: E Palm Dr from Yorba Linda Blvd to Rose Dr
Estimated Project Schedule: 7/2026 – 6/2027
Estimated Project Useful Life: 15-20 years

Project Title: FY 26-27 Residential Roadway Rehabilitation Project
Project Description: Scope of work includes the placement of crack seal and slurry seal, grinding and overlaying the existing pavement section, full depth reconstruction, adjusting utilities to grade, striping, removing and replacing damaged sidewalk, curb, and gutter.
Project Location: Northwest portion of the City (South of Bastanchury Rd and West of Kraemer Blvd.), including residential streets such as Cambridge Ave, Nenno Ave, Lewis Pl, Armstrong Dr, Livingston Ave, Laurelwood Ave, and Kingston Rd.
Estimated Project Schedule: 7/2026 – 6/2027
Estimated Project Useful Life: 7-20 years

APPROVED and ADOPTED this 16th day of June 2026

Chad P. Wanke, Mayor

ATTEST:

Robert S. McKinnell, City Clerk

STATE OF CALIFORNIA
COUNTY OF ORANGE

I, Robert S. McKinnell, City Clerk of the City of Placentia do hereby certify that the foregoing Resolution was adopted at a regular meeting of the City Council held on the 16th day of June 2026 by the following vote:

AYES: Councilmembers:
NOES: Councilmembers:
ABSENT: Councilmembers:

Agenda Item No: 1.k

PLACENTIA CITY COUNCIL AGENDA REPORT

Meeting Date: June 16, 2026

Submitted by: Ontoine Lewis

From: Public Works

Subject:
AMENDMENT NO. 2 TO AGREEMENT WITH AMTECH INC. TWO-YEAR EXTENSION FOR ELEVATOR MAINTENANCE SERVICES

Financial Impact:
Expense: $18,500 annual cost (includes maintenance and emergency repairs)
101-80402-6002 - Proposed FY 26-27 Budget $205,000
101-80402-6300 - Proposed FY 26-27 Budget $326,943
Total Budget: $531,943

Summary:
The City entered into a Maintenance Services Agreement effective on June 28, 2023, with Amtech to provide elevator service for three (3) years for a cumulative contract not-to-exceed amount of $12,816, pursuant to the City Administrator's award authority under Placentia Municipal Code Section 3.08.085. On June 18, 2024, the City amended the agreement with Amendment No. 1 to increase the contract amount by an additional $75,431.50 to better account for immediate repairs, future repairs, and annual testing. The Parties now seek Amendment No. 2 to the Agreement with Amtech to extend the existing agreement to provide elevator services for an additional two (2)-year term ending June 28, 2028. Increasing the contract capacity by $15,000 will provide enough funding for the estimated annual cost, maintenance, and repairs for a total contract not-to-exceed amount of $103,247.50.

Recommended Action:
It is recommended that the City Council:

1. Approve Amendment No. 2 to the Agreement to the Maintenance Services Agreement with Amtech for elevator maintenance services to increase the contract amount by $15,000 for a new total not-to-exceed amount of $103,247.50, extending the existing agreement by two (2) additional years; and
2. Authorize the City Administrator to approve contract change orders up to 10% of the total contract not-to-exceed amount; and
3. Authorize the City Administrator and/or her designee to execute the necessary documents, in a form approved by the City Attorney.

Strategic Plan Statement:
This item aligns with Strategic Goal No. 3: Infrastructure, Facilities, and Public Spaces. Awarding this contract ensures our public facilities are properly maintained and reflective of

the city's commitment to quality.

Discussion:
Public Works is responsible for elevator maintenance at all City facilities. Maintenance responsibilities include monitoring, annual testing, emergency response, and repairs. On June 28, 2023, the City entered into a Maintenance Services Agreement with Amtech to provide elevator maintenance and repair services for three (3) years for a cumulative contract not-to-exceed amount of $12,816. On June 18, 2024, the City amended the agreement with Amendment No. 1 to increase the contract amount by an additional $75,431.50 to better account for immediate repairs, future repairs, and annual testing. The current contract expires on June 28, 2026. The Parties now seek Amendment No. 2 to the Agreement with Amtech to extend the existing agreement to provide elevator services for an additional two (2)-year term ending June 28, 2028, and increase the contract capacity by $15,000 for maintenance and future repair work for a new total contract not-to-exceed amount of $103,247.50.

Financial Summary:
The recommended actions are to approve Amendment No. 2 to the Maintenance Services Agreement with Amtech, increasing the contract amount by $15,000 for the remainder of the proposed two (2)-year extended term, for a revised total not-to-exceed contract amount of $103,247.50. Sufficient funds exist for the recommended actions. The future cost of the services will be proposed in the operating budgets for future fiscal years.

AMENDMENT NO. 1 TO
MAINTENANCESERVICES AGREEMENT
PROVISION OF ELEVATOR MAINTENANCE SERVICES WITH PACIFIC COAST ELEVATOR CORPORATION dba AMTECH ELEVATOR SERVICES

This Amendment No. 1 ("Amendment") to the Agreement is made and entered into effective the 18th day of June, 2024, by and between the CITY OF PLACENTIA, a Charter City and Municipal Corporation ("CITY"), and PACIFIC COAST ELEVATOR CORPORATION dba AMTECH ELEVATOR SERVICES, a California corporation (hereinafter "CONTRACTOR"). CITY and CONTRACTOR are sometimes hereinafter individually referred to as "Party" and or collectively referred to as the "Parties."

A. Recitals.

(i) CITY and CONTRACTOR entered into a MAINTENANCE Services Agreement ("Agreement") effective June 28th, 2023 through which CONTRACTOR has been providing MAINTENANCEservices as more fully explained in the Scope of Services attached to the Agreement as Exhibit "A".

(ii) The Parties now seek to amend the Agreement to increase the contract not-to-exceed amount by an additional Seventy-Five Thousand, Four Hundred Thirty-One Dollars and Fifty Cents ($75,431.50).

(iii) All legal prerequisites to the making of this Amendment have occurred.

NOW, THEREFORE, in consideration of the mutual covenants and conditions set forth herein, the Parties agree as follows:

B. Amendment to Agreement.

1. Section 2, Paragraph 1 of the Agreement is hereby amended to read as follows:

2.1. Compensation. Contractor shall be paid in accordance with the fee schedule set forth in Exhibit "A." Contractor's total annual compensation shall not exceed a cumulative amount of Eighty-Eight Thousand, Two Hundred Forty-Seven Dollars and Fifty Cents ($88,247.50) over the initial three year term.

2. Except as specifically modified herein, all of the terms, conditions and provisions of the Agreement shall remain in full force and effect.

3. The Agreement, all amendments together with this Amendment No. 1 and all Exhibits attached thereto, constitutes the entire Agreement between the Parties and supersedes all prior negotiations, arrangements, representations, and understandings, if any, made by or between the Parties with respect to the subject matter hereof. No amendment or other modification of the Agreement, as modified by this Amendment No. 1 shall be binding unless executed in writing by both Parties hereto, or their respective successors, assigns, or grantees.

4. Each of the undersigned represents and warrants that he or she is duly authorized to execute and deliver this Amendment No. 1 and that such execution is binding upon the entity for which he or she is executing this document.

IN WITNESS WHEREOF, the Parties have caused Amendment No. 1 to the Consulting Services Agreement are to be executed as of the day and year first above written.

NOTICE OF CANCELLATION TO CERTIFICATE HOLDER(S)

This policy is subject to the following additional conditions:

A. If this policy is cancelled by the Company, other than for nonpayment of premium, notice of such cancellation will be provided at least thirty (30) days in advance of the cancellation effective date to the certificate holder(s) with mailing addresses on file with the agent of record or the Company.

B. If this policy is cancelled by the Company f or nonpayment of premium, or by the insured, notice of such cancellation will be provided within (10) days of the cancellation effective date to the certificate holder(s) with mailing addresses on file with the agent of record or the Company.

If notice is mailed, proof of mailing to the last known mailing address of the certificate holder(s) on file with the agent of record or the Company will be sufficient proof of notice.

Any notification rights provided by this endorsement apply only to active certificate holder(s) who were issued a certificate of insurance applicable to this policy's term.

Failure to provide such notice to the certificate holder(s) will not amend or extend the date the cancellation becomes effective, nor will it negate cancellation of the policy. Failure to send notice shall impose no liability of any kind upon the Company or its agents or representatives.

PRIMARY AND NONCONTRIBUTORY – OTHER INSURANCE CONDITION

This endorsement modifies insurance provided under the following:

AUTO DEALERS COVERAGE FORM
BUSINESS AUTO COVERAGE FORM
MOTOR CARRIER COVERAGE FORM

With respect to coverage provided by this endorsement, the provisions of the Coverage Form apply unless modified by the endorsement.

A. The following is added to the **Other Insurance** Condition in the Business Auto Coverage Form and the **Other Insurance – Primary And Excess Insurance Provisions** in the Motor Carrier Coverage Form and supersedes any provision to the contrary:

This Coverage Form's Covered Autos Liability Coverage is primary to and will not seek contribution from any other insurance available to an "insured" under your policy provided that:

1. Such "insured" is a Named Insured under such other insurance; and
2. You have agreed in writing in a contract or agreement that this insurance would be primary and would not seek contribution from any other insurance available to such "insured".

B. The following is added to the **Other Insurance** Condition in the Auto Dealers Coverage Form and supersedes any provision to the contrary:

This Coverage Form's Covered Autos Liability Coverage and General Liability Coverages are primary to and will not seek contribution from any other insurance available to an "insured" under your policy provided that:

1. Such "insured" is a Named Insured under such other insurance; and
2. You have agreed in writing in a contract or agreement that this insurance would be primary and would not seek contribution from any other insurance available to such "insured".

ADDITIONAL INSURED - OWNERS, LESSEES OR CONTRACTORS - SCHEDULED PERSON OR ORGANIZATION

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Name Of Additional Insured Person(s) Or Organization(s):	Location(s) Of Covered Operations
ANY PERSON OR ORGANIZATION WHOM YOU HAVE, THROUGH WRITTEN CONTRACT, AGREED TO PROVIDE INSURANCE PROTECTION FOR LIABILITY CAUSED BY YOUR ONGOING OPERATIONS (AS PER ISO FORM CG 20 10 07 04 OR ITS EQUIVALENT).	ANY LOCATIONS THAT IS COVERED BY, OR SUBJECT TO A WRITTEN CONTRACT UNDER WHICH AMTECH ELEVATOR COMPANY HAS AGREED TO PROVIDE THIS INSURANCE
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

A. **Section II - Who Is An Insured** is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:

1. Your acts or omissions; or
2. The acts or omissions of those acting on your behalf;

in the performance of your ongoing operations for the additional insured(s) at the location(s) designated above.

B. With respect to the insurance afforded to these additional insureds, the following additional exclusions apply:

This insurance does not apply to "bodily injury" or "property damage" occurring after:

1. All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or
2. That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

AMENDMENT OF OTHER INSURANCE CONDITION - PRIMARY AND NON-CONTRIBUTORY WHEN REQUIRED BY WRITTEN CONTRACT OR WRITTEN AGREEMENT

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY INSURANC E POLICY

A. The amended **Other Insurance** condition in Paragraph **B.** below applies only to persons or organizations qualifying additional insureds under this policy, subject to all other applicable terms and conditions not modified by this endorsement.

As respects any person or organization· qualifying as a Named Insured under this policy, the **Other Insurance** condition is not amended and continues to apply on an excess basis.

B. With respect to insurance provided to persons or organizations described in **Paragraph A.** above, the **Other Insurance** condition in the **Conditions** Section is replaced by the following:

Other Insurance

1. **Primary Other Insurance**
If you have agreed in a written contract or written agreement to provide primary insurance to the additional insured, then this insurance will be primary, Additionally, to the extent that you have agreed with an additional insured that this insurance shall apply on a non-contributory basis with other insurance available to that additional insured, we will not seek contribution from such additional insured's other insurance.

If other insurance is also primary, we will share with all· that other insurance by the method described in Paragraph 2·. below,

2. **Method Of Sharing**
If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until i.t has paid its applicable limit of insurance or none of the loss remains, whichever comes first.
If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

AMENDMENT OF OTHER INSURANCE CONDITION - PRIMARY OR PRIMARY AND NON-CONTRIBUTORY WHEN REQUIRED BY WRITTEN CONTRACT OR WRITTEN AGREEMENT

A. The amended **Other Insurance** condition in Paragraph B. below applies only to persons or organizations qualifying as additional insureds under this policy and as additional insureds under "underlying insurance", subject to all other applicable terms and conditions not modified by this endorsement.

As respects any person or organization qualifying as a Named Insured under this policy, the **Other Insurance** condition is not amended and continues to apply on an excess basis.

B. Solely as respects the insurance afforded to persons or organizations described in Paragraph A. above, the **Other Insurance** condition in **Section IV - Conditions** is replaced by the following:

Other Insurance

1. **Excess Basis**

   Unless the circumstances described in Paragraphs 2. or 3. below apply, this insurance is excess over any other insurance, whether primary, excess, contingent or on any other basis, except when purchased specifically to apply in excess of this insurance.

2. **Primary Insurance When Required By Contract**

   If you have agreed in a written contract, written agreement or permit to provide primary insurance to the additional insured, then, after the "underlying insurance" is exhausted, this insurance will be primary. If other insurance is also primary, we will share with all that other insurance by the method described in Paragraph 4. below.

3. **Primary And Non-Contributory To Other Insurance When Required By Contract**

   If you have agreed in a written contract, written agreement, or permit to provide insurance to the additional insured that is primary and non-contributory, then, after the "underlying insurance" is exhausted, this insurance will be primary and we will not seek contribution from the additional insured's own insurance.

Paragraphs 2. and 3. do not apply to other insurance on which the additional insured qualifies as an additional insured pursuant to the terms of that policy or has been added as an additional insured by endorsement.

4. **Method Of Sharing**

   If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

   If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

LIMITED ADVICE OF CANCELLATION TO ENTITIES OTHER THAN THE NAMED INSURED (WORKERS' COMPENSATION ONLY)

This policy is amended as follows:

In the event that the **Insurer** cancels this policy for any reason other than non-payment of premium, and

1. the cancellation effective date is prior to this policy's expiration date;

2. the **Named Insured** or, if applicable, any other employers named in Item 1 of the Information Page is under an existing contractual obligation to notify a certificate holder when this policy is canceled (hereinafter, the "Certificate Holder(s)") and the **Named Insured** has provided to the **Insurer**, either directly or through its broker of record, either:

   (a) the name of the entity shown on the certificate, a contact name at each such entity and the U.S. Postal Service address of each such entity; or

   (b) the email address of a contact at each such entity; and

3. the **Insurer** received this information after the **Named Insured** receives notice of cancellation of this policy and prior to this policy's cancellation effective date, via an electronic spreadsheet that is acceptable to the **Insurer**,

the **Insurer** will provide advice of cancellation (the "Advice") to such Certificate Holders within 30 days after the **Named Insured** provides such information to the **Insurer**; provided, however, that if a specific number of days is not stated above, then the Advice will be provided to such Certificate Holder(s) as soon as reasonably practicable after the **Named Insured** provides such information to the **Insurer**.

Proof of the **Insurer** emailing or mailing the Advice, using the information provided by the **Named Insured**, will serve as proof that the **Insurer** has fully satisfied its obligations under this endorsement.

This endorsement does not affect, in any way, coverage provided under this policy or the cancellation of this policy or the effective date thereof, nor shall this endorsement invest any rights in any entity not insured under this policy.

The following definitions apply to this endorsement:

1. **Named Insured** means the insured first named employer in Item 1 of the Information Page of this policy.

2. **Insurer** means the insurance company shown in the header on the Information Page of this policy.

All other terms, conditions and exclusions shall remain the same.

MEMORANDUM

To: Damien R. Arrula, City Administrator

From: Luis Estevez, Deputy City Administrator

Date: July 10, 2023

Subject: Maintenance Services Agreement – Amtech Elevator Services

The Public Works Department (Department) is requesting approval of the Maintenance Services Agreement with Amtech Elevator Services (Amtech) for Elevator Maintenance Services for the two (2) City elevators located at 248 S. Bradford Ave. The scope of services under the proposed agreement includes general maintenance, once a month routine maintenance, annual earthquake inspections, five – year load testing and Amtech shall maintain separate records for each location and elevator.

City Staff issued a notice inviting bids for these services with bids being received on June 1, 2023, from four (4) contractors. Amtech was deemed the lowest responsive and responsible bidder. The following table provides the bid amounts.

Contractor	Bid Amount
Amtech Elevator Services	$12,816
A-Z Tech Elevator Company	$12,960
TK Elevator	$16,920
Otis Elevator Company	$46,224

Per the City's Purchasing Policy (No. 430), the City Administrator may approve contracts valued below $25,000. As such the Department is requesting the approval of the purposed Maintenance Services Agreement with Amtech

Please let this office know if you have any further questions or need additional information.

Attachment:

1. Maintenance Services Agreement
2. Contract Routing Form

CITY OF PLACENTIA
MAINTENANCE SERVICES AGREEMENT
WITH
AMTECH ELEVATOR SERVICES

THIS AGREEMENT is made and entered into this 28th day of June, 2023 ("Effective Date"), by and between the CITY OF PLACENTIA, a municipal corporation ("City"), and AMTECH ELEVATOR SERVICES, a California corporation ("Contractor").

W I T N E S S E T H:

A. WHEREAS, City proposes to utilize the services of Contractor as an independent contractor to provide Elevator Maintenance Services as more fully described herein; and

B. WHEREAS, Contractor represents that it has that degree of specialized expertise contemplated within California Government Code Section 37103, and holds all necessary licenses to practice and perform the services herein contemplated; and

C. WHEREAS, City and Contractor desire to contract for the specific services described in Exhibit "A" (the "Project") and desire to set forth their rights, duties and liabilities in connection with the services to be performed; and

D. WHEREAS, no official or employee of City has a financial interest, within the provisions of Sections 1090-1092 of the California Government Code, in the subject matter of this Agreement.

NOW, THEREFORE, for and in consideration of the mutual covenants and conditions contained herein, the parties hereby agree as follows:

1.0. SERVICES PROVIDED BY CONTRACTOR

1.1. Scope of Services. Contractor shall provide the professional services described in Contractor's Proposal ("Proposal"), attached hereto as Exhibit "A" and incorporated herein by this reference.

1.2. Professional Practices. All professional services to be provided by Contractor pursuant to this Agreement shall be provided by personnel experienced in their respective fields and in a manner consistent with the standards of care, diligence and skill ordinarily exercised by professional Contractors in similar fields and circumstances in accordance with sound professional practices. Contractor also warrants that it is familiar with all laws that may affect its performance of this Agreement and shall advise City of any changes in any laws that may affect Contractor's performance of this Agreement. Contractor shall keep itself informed of State and Federal laws and regulations which in any manner affect those employed by it or in any way affect the performance of its service pursuant to this Agreement. The Contractor shall at all times observe and comply with all such laws and regulations. Officers and employees shall not be liable at law or in equity occasioned by failure of the Contractor to comply with this section.

1.3. Performance to Satisfaction of City. Contractor agrees to perform all the work to the complete satisfaction of the City and within the hereinafter specified. Evaluations of the work will be done by the City Administrator or his or her designee. If the quality of work is not satisfactory, City in its discretion has the right to:

(a) Meet with Contractor to review the quality of the work and resolve the

matters of concern;

(b) Require Contractor to repeat the work at no additional fee until it is satisfactory; and/or

(c) Terminate the Agreement as hereinafter set forth.

1.4. Warranty. Contractor warrants that it shall perform the services required by this Agreement in compliance with all applicable Federal and California employment laws, including, but not limited to, those laws related to minimum hours and wages; occupational health and safety; fair employment and employment practices; workers' compensation insurance and safety in employment; and all other Federal, State and local laws and ordinances applicable to the services required under this Agreement. Contractor shall indemnify and hold harmless City from and against all claims, demands, payments, suits, actions, proceedings, and judgments of every nature and description including attorneys' fees and costs, presented, brought, or recovered against City for, or on account of any liability under any of the above-mentioned laws, which may be incurred by reason of Contractor's performance under this Agreement.

1.5. Non-discrimination. In performing this Agreement, Contractor shall not engage in, nor permit its agents to engage in, discrimination in employment of persons because of their race, religion, color, national origin, ancestry, age, physical handicap, medical condition, marital status, sexual gender or sexual orientation, except as permitted pursuant to Section 12940 of the Government Code. Such actions shall include, but not be limited to the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation and selection for training, including apprenticeship. Contractor agrees to post in conspicuous places, available to employees and applicants for employment, a notice setting forth provisions of this non-discrimination clause.

Contractor shall, in all solicitations and advertisements for employees placed by, or on behalf of Contractor shall state that all qualified applicants will receive consideration for employment without regard to age, race, color, religion, sex, marital status, national origin, or mental or physical disability. Contractor shall cause the paragraphs contained in this Section to be inserted in all subcontracts for any work covered by the Agreement, provided that the foregoing provisions shall not apply to subcontracts for standard commercial supplies or raw materials.

1.6. Non-Exclusive Agreement. Contractor acknowledges that City may enter into agreements with other Contractors for services similar to the services that are subject to this Agreement or may have its own employees perform services similar to those services contemplated by this Agreement.

1.7. Delegation and Assignment. This is a personal service contract, and the duties set forth herein shall not be delegated or assigned to any person or entity without the prior written consent of City. Contractor may engage a subcontractor(s) as permitted by law and may employ other personnel to perform services contemplated by this Agreement at Contractor's sole cost and expense. All insurance requirements contained in this Agreement are independently applicable to any and all subcontractors that Contractor may engage during the term of this Agreement.

1.8. Confidentiality. Employees of Contractor in the course of their duties may have access to financial, accounting, statistical, and personnel data of private individuals and

employees of City. Contractor covenants that all data, documents, discussion, or other information developed or received by Contractor or provided for performance of this Agreement are deemed confidential and shall not be disclosed by Contractor without written authorization by City. City shall grant such authorization if disclosure is required by law. All City data shall be returned to City upon the termination of this Agreement. Contractor's covenant under this Section shall survive the termination of this Agreement.

2.0. COMPENSATION AND BILLING

2.1. Compensation. Contractor shall be paid in accordance with the fee schedule set forth in Exhibit "A." Contractor's total annual compensation shall not exceed Four Thousand, Two Hundred Seventy-Two ($4,727.00) or a cumulative amount of Twelve Thousand, Eigh Hundred Sixteen Dollars ($ 12,816.00) over the initial three year term.

2.2. Additional Services. Contractor shall not receive compensation for any services provided outside the scope of services specified in the Contractor's Proposal or which is inconsistent with or in violation of the provisions of this Agreement unless the City or the Project Manager for this Project, prior to Contractor performing the additional services, approves such additional services in writing. It is specifically understood that oral requests and/or approvals of such additional services or additional compensation shall be barred and are unenforceable. Should the City request in writing additional services that increase the hereinabove described "SCOPE OF SERVICES", an additional fee based upon the Contractor's standard hourly rates shall be paid to the Contractor for such additional services. Such increase in additional fees shall be limited to 25% of the total contract sum or $25,000 whichever is more. The City Engineer is authorized to approve a Change Order for such additional services.

2.3. Method of Billing. Contractor may submit invoices to the City for approval on a progress basis, but no more often than two times a month. Said invoice shall be based on the total of all Contractor's services which have been completed to City's sole satisfaction. City shall pay Contractor's invoice within forty-five (45) days from the date City receives said invoice. Each invoice shall describe in detail, the services performed, the date of performance, and the associated time for completion. Any additional services approved and performed pursuant to this Agreement shall be designated as "Additional Services" and shall identify the number of the authorized change order, where applicable, on all invoices.

2.4. Records and Audits. Records of Contractor's services relating to this Agreement shall be maintained in accordance with generally recognized accounting principles and shall be made available to City or its Project Manager for inspection and/or audit at mutually convenient times for a period of three (3) years from the Effective Date.

3.0. TIME OF PERFORMANCE

3.1. Commencement and Completion of Work. The professional services to be performed pursuant to this Agreement shall commence within five (5) days from the Effective Date of this Agreement. Said services shall be performed in strict compliance with the Project Schedule approved by City as set forth in Exhibit "A." The Project Schedule may be amended by mutual agreement of the parties. Failure to commence work in a timely manner and/or diligently pursue work to completion may be grounds for termination of this Agreement.

3.2. Excusable Delays. Neither party shall be responsible for delays or lack of performance resulting from acts beyond the reasonable control of the party or parties. Such acts

shall include, but not be limited to, acts of God, fire, strikes, material shortages, compliance with laws or regulations, riots, acts of war, or any other conditions beyond the reasonable control of a party. If a delay beyond the control of the Contractor is encountered, a time extension may be mutually agreed upon in writing by the City and the Contractor. The Contractor shall present documentation satisfactory to the City to substantiate any request for a time extension.

4.0. TERM AND TERMINATION

4.1. Term. This Agreement shall commence on the Effective Date and continue for a period of 36 months, ending on June 28, 2026, unless previously terminated as provided herein or otherwise agreed to in writing by the parties. The term of the Agreement may be extended for one additional two-year term based on Contractor performance and at the discretion of the City.

4.2. Notice of Termination. The City reserves and has the right and privilege of canceling, suspending or abandoning the execution of all or any part of the work contemplated by this Agreement, with or without cause, at any time, by providing at least fifteen (15) days prior written notice to Contractor. The termination of this Agreement shall be deemed effective upon receipt of the notice of termination. In the event of such termination, Contractor shall immediately stop rendering services under this Agreement unless directed otherwise by the City. If the City suspends, terminates or abandons a portion of this Agreement such suspension, termination or abandonment shall not make void or invalidate the remainder of this Agreement.

If the Contractor defaults in the performance of any of the terms or conditions of this Agreement, it shall have ten (10) days after service upon it of written notice of such default in which to cure the default by rendering a satisfactory performance. In the event that the Contractor fails to cure its default within such period of time, the City shall have the right, notwithstanding any other provision of this Agreement, to terminate this Agreement without further notice and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement.

The City shall have the right, notwithstanding any other provisions of this Agreement, to terminate this Agreement, at its option and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement, immediately upon service of written notice of termination on the Contractor, if the latter should:

a. Be adjudged a bankrupt;

b. Become insolvent or have a receiver of its assets or property appointed because of insolvency;

c. Make a general assignment for the benefit of creditors;

d. Default in the performance of any obligation or payment of any indebtedness under this Agreement;

e. Suffer any judgment against it to remain unsatisfied or unbonded of record for thirty (30) days or longer; or

f. Institute or suffer to be instituted any procedures for reorganization or rearrangement of its affairs.

4.3. Compensation. In the event of termination, City shall pay Contractor for

reasonable costs incurred and professional services satisfactorily performed up to and including the date of City's written notice of termination within thirty-five (35) days after service of the notice of termination. Compensation for work in progress shall be prorated based on the percentage of work completed as of the effective date of termination in accordance with the fees set forth herein. In ascertaining the professional services actually rendered hereunder up to the effective date of termination of this Agreement, consideration shall be given to both completed work and work in progress, to complete and incomplete drawings, and to other documents pertaining to the services contemplated herein whether delivered to the City or in the possession of the Contractor. City shall not be liable for any claim of lost profits.

4.4. Documents. In the event of termination of this Agreement, all documents prepared by Contractor in its performance of this Agreement including, but not limited to, finished or unfinished design, development and construction documents, data studies, drawings, maps and reports, shall be delivered to the City within ten (10) days of delivery of termination notice to Contractor, at no cost to City. Any use of uncompleted documents without specific written authorization from Contractor shall be at City's sole risk and without liability or legal expense to Contractor.

5.0. INSURANCE

5.1. Minimum Scope and Limits of Insurance. Contractor shall obtain, maintain, and keep in full force and effect during the life of this Agreement all the following minimum scope of insurance coverages with an insurance company admitted to do business in California, rated "A," Class X, or better in the most recent Best's Key Insurance Rating Guide, and approved by City:

(a) Broad-form commercial general liability, in a form at least as broad as ISO from #CG 00 01 04 13, including premises-operations, products/completed operations, broad form property damage, blanket contractual liability, independent contractors, personal injury or bodily injury with a policy limit of not less than One Million Dollars ($1,000,000.00), combined single limits, per occurrence. If such insurance contains a general aggregate limit, it shall apply separately to this Agreement or shall be twice the required occurrence limit. If Contractor maintains higher limits that the specified minimum limits, City requires and shall be entitled to coverage for the high limits maintained by the Contractor.

(b) Business automobile liability for owned vehicles, hired, and non-owned vehicles, with a policy limit of not less than One Million Dollars ($1,000,000.00), combined single limits, each incident for bodily injury and property damage.

(c) Workers' compensation insurance as required by the State of California and Employers Liability Insurance with a minimum limit of $1,000,000 per accident for any employee or employees of Contractor. Contractor agrees to waive, and to obtain endorsements from its workers' compensation insurer waiving subrogation rights under its workers' compensation insurance policy against the City, its officers, agents, employees, and volunteers for losses arising from work performed by Contractor for the City and to require each of its subcontractors, if any, to do likewise under their workers' compensation insurance policies.

Before execution of this Agreement by the City, the Contractor shall file with the Public Works Director/City Engineer the following signed certification:

> I am aware of, and will comply with, Section 3700 of the Labor Code, requiring every employer to be insured against liability of Workers' Compensation or to undertake self-insurance before commencing any of the work.

The Contractor shall also comply with Section 3800 of the Labor Code by securing, paying for and maintaining in full force and effect for the duration of this Agreement, complete Workers' Compensation Insurance, and shall furnish a Certificate of Insurance to the Public Works Director/City Engineer before execution of this Agreement by the City. The City, its officers and employees shall not be responsible for any claims in law or equity occasioned by failure of the Contractor to comply with this section.

Neither the CITY nor any of its elected or appointed officials, officers, agents, employees, or volunteers makes any representation that the types of insurance and the limits specified to be carried by Contractor under this Agreement are adequate to protect Contractor. If Contractor believes that any such insurance coverage is insufficient, Contractor shall provide, at its own expense, such additional insurance as Contractor deems adequate.

5.2. Endorsements. The commercial general liability insurance policy and business automobile liability policy shall contain or be endorsed to contain the following provisions as worded below:

(a) Additional insureds: "The City of Placentia and its elected and appointed boards, officers, officials, agents, employees, and volunteers are additional insureds with respect to: liability arising out of activities performed by or on behalf of the Contractor pursuant to its contract with the City; products and completed operations of the Contractor; premises owned, occupied or used by the Contractor; automobiles owned, leased, hired, or borrowed by the Contractor."

(b) Notice: "Contractor shall provide immediate written notice if (1) any of the required insurance policies is terminated; (2) the limits of any of the required polices are reduced; (3) or the deductible or self-insured retention is increased. In the event of any cancellation or reduction in coverage or limits of any insurance, Contractor shall forthwith obtain and submit proof of substitute insurance. Should Contractor fail to immediately procure other insurance, as specified, to substitute for any canceled policy, the City may procure such insurance at Contractor's sole cost and expense."

(c) Other insurance: "The Contractor's insurance coverage shall be primary insurance as respects the City of Placentia, its officers, officials, agents, employees, and volunteers. Any other insurance maintained by the City of Placentia shall be excess and not contributing with the insurance provided by this policy."

(d) Any failure to comply with the reporting provisions of the policies shall not affect coverage provided to the City of Placentia, its officers, officials, agents, employees, and volunteers.

(e) The Contractor's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

5.3. Deductible or Self-Insured Retention. If any of such policies provide for a deductible or self-insured retention to provide such coverage, the amount of such deductible or self-insured retention shall be approved in advance by City. No policy of insurance issued as to which the City is an additional insured shall contain a provision which requires that no insured except the named insured can satisfy any such deductible or self-insured retention.

5.4. Certificates of Insurance. Contractor shall provide to City certificates of insurance showing the insurance coverages and required endorsements described above, in a form and content approved by City, prior to performing any services under this Agreement. The certificates of insurance and endorsements shall be attached hereto as Exhibit "B" and incorporated herein by this reference.

5.5. Non-limiting. Nothing in this Section shall be construed as limiting in any way, the indemnification provision contained in this Agreement, or the extent to which Contractor may be held responsible for payments of damages to persons or property.

6.0. GENERAL PROVISIONS

6.1. Entire Agreement. This Agreement constitutes the entire agreement between the parties with respect to any matter referenced herein and supersedes any and all other prior writings and oral negotiations. This Agreement may be modified only in writing and signed by the parties in interest at the time of such modification. The terms of this Agreement shall prevail over any inconsistent provision in any other contract document appurtenant hereto, including exhibits to this Agreement.

6.2. Representatives. The City Administrator or his or her designee shall be the representative of City for purposes of this Agreement and may issue all consents, approvals, directives and agreements on behalf of the City, called for by this Agreement, except as otherwise expressly provided in this Agreement.

Contractor shall designate a representative for purposes of this Agreement who shall be authorized to issue all consents, approvals, directives and agreements on behalf of Contractor called for by this Agreement, except as otherwise expressly provided in this Agreement.

6.3. Project Managers. City shall designate a Project Manager to work directly with Contractor in the performance of this Agreement. It shall be the Contractor's responsibility to assure that the Project Manager is kept informed of the progress of the performance of the services and the Contractor shall refer any decision, which must be made by City, to the Project Manager. Unless otherwise specified herein, any approval of City required hereunder shall mean the approval of the Project Manager.

Contractor shall designate a Project Manager who shall represent it and be its

agent in all consultations with City during the term of this Agreement and who shall not be changed by Contractor without the express written approval by the City. Contractor or its Project Manager shall attend and assist in all coordination meetings called by City.

6.4. Notices. Any notices, documents, correspondence or other communications concerning this Agreement, or the work hereunder may be provided by personal delivery, facsimile or if mailed, shall be addressed as set forth below and placed in a sealed envelope, postage prepaid, and deposited in the United States Postal Service. Such communication shall be deemed served or delivered: a) at the time of delivery if such communication is sent by personal delivery; b) at the time of transmission if such communication is sent by facsimile; and c) 72 hours after deposit in the U.S. Mail as reflected by the official U.S. postmark if such communication is sent through regular United States mail.

IF TO CONTRACTOR:	IF TO CITY:
Amtech Elevator Services 12921 166th Street Cerritos, CA 90703 Tel: 626-328-3743	City of Placentia 401 E. Chapman Placentia, CA 92870 Tel: 714-993-8148
Attn: Christina Bonomo	Attn: Joel Cardenas

6.5. Attorneys' Fees. In the event that litigation is brought by any party in connection with this Agreement, the prevailing party shall be entitled to recover from the opposing party all costs and expenses, including reasonable attorneys' fees, incurred by the prevailing party in the exercise of any of its rights or remedies hereunder or the enforcement of any of the terms, conditions, or provisions hereof.

6.6. Governing Law. This Agreement shall be governed by and construed under the laws of the State of California without giving effect to that body of laws pertaining to conflict of laws. In the event of any legal action to enforce or interpret this Agreement, the parties hereto agree that the sole and exclusive venue shall be a court of competent jurisdiction located in Orange County, California. Contractor agrees to submit to the personal jurisdiction of such court in the event of such action.

6.7. Assignment. Contractor shall not voluntarily or by operation of law assign, transfer, sublet or encumber all or any part of Contractor's interest in this Agreement without City's prior written consent. Any attempted assignment, transfer, subletting or encumbrance shall be void and shall constitute a breach of this Agreement and cause for termination of this Agreement. Regardless of City's consent, no subletting or assignment shall release Contractor of Contractor's obligation to perform all other obligations to be performed by Contractor hereunder for the term of this Agreement.

6.8. Indemnification and Hold Harmless. Contractor agrees to defend, indemnify, hold free and harmless the City, its elected and appointed officials, officers, agents and employees, at Contractor's sole expense, from and against any and all claims, demands, actions, suits or other legal proceedings brought against the City, its elected and appointed officials, officers, agents and employees arising out of the performance of the Contractor, its employees, and/or authorized subcontractors, of the work undertaken pursuant to this Agreement. The defense obligation provided for hereunder shall apply whenever any claim, action, complaint or

suit asserts liability against the City, its elected and appointed officials, officers, agents and employees based upon the work performed by the Contractor, its employees, and/or authorized subcontractors under this Agreement, whether or not the Contractor, its employees, and/or authorized subcontractors are specifically named or otherwise asserted to be liable. Notwithstanding the foregoing, the Contractor shall not be liable for the defense or indemnification of the City for claims, actions, complaints or suits arising out of the sole active negligence or willful misconduct of the City. This provision shall supersede and replace all other indemnity provisions contained either in the City's specifications or Contractor's Proposal, which shall be of no force and effect.

6.9. Independent Contractor. Contractor is and shall be acting at all times as an independent contractor and not as an employee of City. Contractor shall have no power to incur any debt, obligation, or liability on behalf of City or otherwise act on behalf of City as an agent. Neither City nor any of its agents shall have control over the conduct of Contractor or any of Contractor's employees, except as set forth in this Agreement. Contractor shall not, at any time, or in any manner, represent that it or any of its or employees are in any manner agents or employees of City. Contractor shall secure, at its sole expense, and be responsible for any and all payment of Income Tax, Social Security, State Disability Insurance Compensation, Unemployment Compensation, and other payroll deductions for Contractor and its officers, agents, and employees, and all business licenses, if any are required, in connection with the services to be performed hereunder. Contractor shall indemnify and hold City harmless from any and all taxes, assessments, penalties, and interest asserted against City by reason of the independent contractor relationship created by this Agreement. Contractor further agrees to indemnify and hold City harmless from any failure of Contractor to comply with the applicable worker's compensation laws. City shall have the right to offset against the amount of any fees due to Contractor under this Agreement any amount due to City from Contractor as a result of Contractor's failure to promptly pay to City any reimbursement or indemnification arising under this paragraph.

6.10. PERS Eligibility Indemnification. In the event that Contractor or any employee, agent, or subcontractor of Contractor providing services under this Agreement claims or is determined by a court of competent jurisdiction or the California Public Employees Retirement System (PERS) to be eligible for enrollment in PERS as an employee of the City, Contractor shall indemnify, defend, and hold harmless City for the payment of any employee and/or employer contributions for PERS benefits on behalf of Contractor or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of City.

Notwithstanding any other agency, state or federal policy, rule, regulation, law or ordinance to the contrary, Contractor and any of its employees, agents, and subcontractors providing service under this Agreement shall not qualify for or become entitled to, and hereby agree to waive any claims to, any compensation, benefit, or any incident of employment by City, including but not limited to eligibility to enroll in PERS as an employee of City and entitlement to any contribution to be paid by City for employer contribution and/or employee contributions for PERS benefits.

6.11. Cooperation. In the event any claim or action is brought against City relating to Contractor's performance or services rendered under this Agreement, Contractor shall render any reasonable assistance and cooperation which City might require.

6.12. Ownership of Documents. All findings, reports, documents, information and data including, but not limited to, computer tapes or discs, preliminary notes, working documents, files and tapes furnished or prepared by Contractor or any of its subcontractors in the course of performance of this Agreement, shall be and remain the sole property of City. Contractor agrees that any such documents or information shall not be made available to any individual or organization without the prior consent of City but shall be made available to the City within ten (10) days of request or within ten (10) days of termination. Any use of such documents for other projects not contemplated by this Agreement, and any use of incomplete documents, shall be at the sole risk of City and without liability or legal exposure to Contractor. City shall indemnify and hold harmless Contractor from all claims, damages, losses, and expenses, including attorneys' fees, arising out of or resulting from City's use of such documents for other projects not contemplated by this Agreement or use of incomplete documents furnished by Contractor. Contractor shall deliver to City any findings, reports, documents, information, data, preliminary notes and working documents, in any form, including but not limited to, computer tapes, discs, files audio tapes or any other Project related items as requested by City or its authorized representative, at no additional cost to the City. Contractor or Contractor's agents shall execute such documents as may be necessary from time to time to confirm City's ownership of the copyright in such documents.

6.13. Public Records Act Disclosure. Contractor has been advised and is aware that this Agreement and all reports, documents, information and data, including, but not limited to, computer tapes, discs or files furnished or prepared by Contractor, or any of its subcontractors, pursuant to this Agreement and provided to City may be subject to public disclosure as required by the California Public Records Act (California Government Code Section 6250 *et seq.*). Exceptions to public disclosure may be those documents or information that qualify as trade secrets, as that term is defined in the California Government Code Section 6254.7, and of which Contractor informs City of such trade secret. The City will endeavor to maintain as confidential all information obtained by it that is designated as a trade secret. The City shall not, in any way, be liable or responsible for the disclosure of any trade secret including, without limitation, those records so marked if disclosure is deemed to be required by law or by order of the Court.

6.14. Conflict of Interest. Contractor and its officers, employees, associates and subcontractors, if any, will comply with all conflict of interest statutes of the State of California applicable to Contractor's services under this agreement, including, but not limited to, the Political Reform Act (Government Code Sections 81000, *et seq.*) and Government Code Section 1090. During the term of this Agreement, Contractor and its officers, employees, associates and subcontractors shall not, without the prior written approval of the City Representative, perform work for another person or entity for whom Contractor is not currently performing work that would require Contractor or one of its officers, employees, associates or subcontractors to abstain from a decision under this Agreement pursuant to a conflict of interest statute.

6.15. Responsibility for Errors. Contractor shall be responsible for its work and results under this Agreement. Contractor, when requested, shall furnish clarification and/or explanation as may be required by the City's representative, regarding any services rendered under this Agreement at no additional cost to City. In the event that an error or omission attributable to Contractor occurs, then Contractor shall, at no cost to City, provide all necessary design drawings, estimates and other Contractor professional services necessary to rectify and correct the matter to the sole satisfaction of City and to participate in any meeting required with regard to the correction.

6.16. Prohibited Employment. Contractor will not employ any regular employee of City

while this Agreement is in effect.

6.17. Order of Precedence. In the event of an inconsistency in this Agreement and any of the attached Exhibits, the terms set forth in this Agreement shall prevail. If, and to the extent this Agreement incorporates by reference any provision of any document, such provision shall be deemed a part of this Agreement. Nevertheless, if there is any conflict among the terms and conditions of this Agreement and those of any such provision or provisions so incorporated by reference, the conflict shall be resolved by giving precedence in the following order, if applicable: This Agreement, the City's Request for Proposals, the Contractor's Proposal.

6.18. Costs. Each party shall bear its own costs and fees incurred in the preparation and negotiation of this Agreement and in the performance of its obligations hereunder except as expressly provided herein.

6.19. No Third Party Beneficiary Rights. This Agreement is entered into for the sole benefit of City and Contractor and no other parties are intended to be direct or incidental beneficiaries of this Agreement and no third party shall have any right in, under or to this Agreement.

6.20. Headings. Paragraphs and subparagraph headings contained in this Agreement are included solely for convenience and are not intended to modify, explain or to be a full or accurate description of the content thereof and shall not in any way affect the meaning or interpretation of this Agreement.

6.21. Construction. The parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises with respect to this Agreement, this Agreement shall be construed as if drafted jointly by the parties and in accordance with its fair meaning. There shall be no presumption or burden of proof favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement.

6.22. Amendments. Only a writing executed by the parties hereto or their respective successors and assigns may amend this Agreement.

6.23. Waiver. The delay or failure of either party at any time to require performance or compliance by the other of any of its obligations or agreements shall in no way be deemed a waiver of those rights to require such performance or compliance. No waiver of any provision of this Agreement shall be effective unless in writing and signed by a duly authorized representative of the party against whom enforcement of a waiver is sought. The waiver of any right or remedy in respect to any occurrence or event shall not be deemed a waiver of any right or remedy in respect to any other occurrence or event, nor shall any waiver constitute a continuing waiver.

6.24. Severability. If any provision of this Agreement is determined by a court of competent jurisdiction to be unenforceable in any circumstance, such determination shall not affect the validity or enforceability of the remaining terms and provisions hereof or of the offending provision in any other circumstance. Notwithstanding the foregoing, if the value of this Agreement, based upon the substantial benefit of the bargain for any party, is materially impaired, which determination made by the presiding court or arbitrator of competent jurisdiction shall be binding, then both parties agree to substitute such provision(s) through good faith negotiations.

6.25. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original. All counterparts shall be construed together and shall

constitute one agreement.

6.26. Corporate Authority. The persons executing this Agreement on behalf of the parties hereto warrant that they are duly authorized to execute this Agreement on behalf of said parties and that by doing so the parties hereto are formally bound to the provisions of this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by and through their respective authorized officers, as of the date first above written.

DESIGNATED INSURED FOR COVERED AUTOS LIABILITY COVERAGE

This endorsement modifies insurance provided under the following:

AUTO DEALERS COVERAGE FORM
BUSINESS AUTO COVERAGE FORM
MOTOR CARRIER COVERAGE FORM

With respect to coverage provided by this endorsement, the provisions of the Coverage Form apply unless modified by this endorsement.

This endorsement identifies person(s) or organization(s) who are "insureds" for Covered Autos Liability Coverage under the Who Is An Insured provision of the Coverage Form. This endorsement does not alter coverage provided in the Coverage Form.

This endorsement changes the policy effective on the inception date of the policy unless another date is indicated below.

Named Insured: OTIS WORLDWIDE CORPORATION

Endorsement Effective Date: 12/01/2022

SCHEDULE

Name Of Person(s) Or Organization(s):
ANY PERSON OR ORGANIZATION WHOM YOU ARE REQUIRED BY WRITTEN CONTRACT TO NAME AS ADDITIONAL INSURED
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

Each person or organization shown in the Schedule is an "insured" for Covered Autos Liability Coverage, but only to the extent that person or organization qualifies as an "insured" under the Who Is An Insured provision contained in Paragraph **A.1.** of Section **II** – Covered Autos Liability Coverage in the Business Auto and Motor Carrier Coverage Forms and Paragraph **D.2.** of Section **I** – Covered Autos Coverages of the Auto Dealers Coverage Form.

forms a part of policy No. 728-10-55

issued to OTIS WORLDWIDE CORPORATION

by NATIONAL UNION FIRE INSURANCE COMPANY

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

NOTICE OF CANCELLATION TO CERTIFICATE HOLDER(S)

This policy is subject to the following additional conditions:

A. If this policy is cancelled by the Company, other than for nonpayment of premium, notice of such cancellation will be provided at least thirty (30) days in advance of the cancellation effective date to the certificate holder(s) with mailing addresses on file with the agent of record or the Company.

B. If this policy is cancelled by the Company f or nonpayment of premium, or by the insured, notice of such cancellation will be provided within (10) days of the cancellation effective date to the certificate holder(s) with mailing addresses on file with the agent of record or the Company.

If notice is mailed, proof of mailing to the last known mailing address of the certificate holder(s) on file with the agent of record or the Company will be sufficient proof of notice.

Any notification rights provided by this endorsement apply only to active certificate holder(s) who were issued a certificate of insurance applicable to this policy's term.

Failure to provide such notice to the certificate holder(s) will not amend or extend the date the cancellation becomes effective, nor will it negate cancellation of the policy. Failure to send notice shall impose no liability of any kind upon the Company or its agents or representatives.

PRIMARY AND NONCONTRIBUTORY – OTHER INSURANCE CONDITION

This endorsement modifies insurance provided under the following:

AUTO DEALERS COVERAGE FORM
BUSINESS AUTO COVERAGE FORM
MOTOR CARRIER COVERAGE FORM

With respect to coverage provided by this endorsement, the provisions of the Coverage Form apply unless modified by the endorsement.

A. The following is added to the **Other Insurance** Condition in the Business Auto Coverage Form and the **Other Insurance – Primary And Excess Insurance Provisions** in the Motor Carrier Coverage Form and supersedes any provision to the contrary:

This Coverage Form's Covered Autos Liability Coverage is primary to and will not seek contribution from any other insurance available to an "insured" under your policy provided that:

1. Such "insured" is a Named Insured under such other insurance; and
2. You have agreed in writing in a contract or agreement that this insurance would be primary and would not seek contribution from any other insurance available to such "insured".

B. The following is added to the **Other Insurance** Condition in the Auto Dealers Coverage Form and supersedes any provision to the contrary:

This Coverage Form's Covered Autos Liability Coverage and General Liability Coverages are primary to and will not seek contribution from any other insurance available to an "insured" under your policy provided that:

1. Such "insured" is a Named Insured under such other insurance; and
2. You have agreed in writing in a contract or agreement that this insurance would be primary and would not seek contribution from any other insurance available to such "insured".

ADDITIONAL INSURED - OWNERS, LESSEES OR CONTRACTORS - SCHEDULED PERSON OR ORGANIZATION

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Name Of Additional Insured Person(s) Or Organization(s):	Location(s) Of Covered Operations
ANY PERSON OR ORGANIZATION WHOM YOU HAVE, THROUGH WRITTEN CONTRACT, AGREED TO PROVIDE INSURANCE PROTECTION FOR LIABILITY CAUSED BY YOUR ONGOING OPERATIONS (AS PER ISO FORM CG 20 10 07 04 OR ITS EQUIVALENT).	ANY LOCATIONS THAT IS COVERED BY, OR SUBJECT TO A WRITTEN CONTRACT UNDER WHICH AMTECH ELEVATOR COMPANY HAS AGREED TO PROVIDE THIS INSURANCE
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

A. **Section II - Who Is An Insured** is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:

1. Your acts or omissions; or
2. The acts or omissions of those acting on your behalf;

in the performance of your ongoing operations for the additional insured(s) at the location(s) designated above.

B. With respect to the insurance afforded to these additional insureds, the following additional exclusions apply:

This insurance does not apply to "bodily injury" or "property damage" occurring after:

1. All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or
2. That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

AMENDMENT OF OTHER INSURANCE CONDITION - PRIMARY AND NON-CONTRIBUTORY WHEN REQUIRED BY WRITTEN CONTRACT OR WRITTEN AGREEMENT

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY INSURANC E POLICY

A. The amended **Other Insurance** condition in Paragraph **B.** below applies only to persons or organizations qualifying additional insureds under this policy, subject to all other applicable terms and conditions not modified by this endorsement.

As respects any person or organization· qualifying as a Named Insured under this policy, the **Other Insurance** condition is not amended and continues to apply on an excess basis.

B. With respect to insurance provided to persons or organizations described in **Paragraph A.** above, the **Other Insurance** condition in the **Conditions** Section is replaced by the following:

Other Insurance

1. **Primary OtherInsurance**
   If you have agreed in a written contract or written agreement to provide primary insurance to the additional insured, then this insurance will be primary, Additionally, to the extent that you have agreed with an additional insured that this insurance shall apply on a non-contributory basis with other insurance available to that additional insured, we will not seek contribution from such additional insured's other insurance.

   If other insurance is also primary, we will share with all· that other insurance by the method described in Paragraph **2**·. below,

2. **Method Of Sharing**
   If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until i.t has paid its applicable limit of insurance or none of the loss remains, whichever comes first.
   If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

forms a part of policy No. 958-41-11

issued to OTIS WORLDWIDE CORPORATION

by NATIONAL UNION FIRE INSURANCE COMPANY

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

AMENDMENT OF OTHER INSURANCE CONDITION - PRIMARY OR PRIMARY AND NON-CONTRIBUTORY WHEN REQUIRED BY WRITTEN CONTRACT OR WRITTEN AGREEMENT

A. The amended **Other Insurance** condition in Paragraph **B.** below applies only to persons or organizations qualifying as additional insureds under this policy and as additional insureds under "underlying insurance", subject to all other applicable terms and conditions not modified by this endorsement.

As respects any person or organization qualifying as a Named Insured under this policy, the **Other Insurance** condition is not amended and continues to apply on an excess basis.

B. Solely as respects the insurance afforded to persons or organizations described in Paragraph **A.** above, the **Other Insurance** condition in **Section IV - Conditions** is replaced by the following:

Other Insurance

1. **Excess Basis**

   Unless the circumstances described in Paragraphs **2.** or **3.** below apply, this insurance is excess over any other insurance, whether primary, excess, contingent or on any other basis, except when purchased specifically to apply in excess of this insurance.

2. **Primary Insurance When Required By Contract**

   If you have agreed in a written contract, written agreement or permit to provide primary insurance to the additional insured, then, after the "underlying insurance" is exhausted, this insurance will be primary. If other insurance is also primary, we will share with all that other insurance by the method described in Paragraph **4.** below.

3. **Primary And Non-Contributory To Other Insurance When Required By Contract**

   If you have agreed in a written contract, written agreement, or permit to provide insurance to the additional insured that is primary and non-contributory, then, after the "underlying insurance" is exhausted, this insurance will be primary and we will not seek contribution from the additional insured's own insurance.

Paragraphs **2.** and **3.** do not apply to other insurance on which the additional insured qualifies as an additional insured pursuant to the terms of that policy or has been added as an additional insured by endorsement.

4. **Method Of Sharing**

   If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

   If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

SCHEDULE

Name of Persons or Organization:

BLANKET WHERE REQUIRED BY WRITTEN CONTRACT

(If no entry appears above, information required to complete this endorsement will be shown in the Declarations as applicable to this endorsement.)

The Transfer of Rights of Recovery Against Others To Us Condition (Section IV) is amended by the addition of the following:

We waive any right of recovery we may have against the person or organization shown in the Schedule above because of payments we make for injury or damage arising out of:

1. Your ongoing operations: *or*

2. "Your work" included in the "products-completed operations hazard" and

which are done under a written contract with that person(s) or organization(s). The waiver applies only to the person(s) or organization(s) shown in the Schedule above.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

This endorsement changes the policy to which it is attached effective on the inception date of the policy unless a different date is indicated below.

(The following "attaching clause" need be completed only when this endorsement is issued subsequent to preparation of the policy).

This endorsement, effective 12:01 AM 12/01/2022 forms a part of Policy No. WC 35901954

Issued to OTIS WORLDWIDE CORPORATION

By AIU INSURANCE COMPANY

LIMITED ADVICE OF CANCELLATION TO ENTITIES OTHER THAN THE NAMED INSURED (WORKERS' COMPENSATION ONLY)

This policy is amended as follows:

In the event that the **Insurer** cancels this policy for any reason other than non-payment of premium, and

1. the cancellation effective date is prior to this policy's expiration date;

2. the **Named Insured** or, if applicable, any other employers named in Item 1 of the Information Page is under an existing contractual obligation to notify a certificate holder when this policy is canceled (hereinafter, the "Certificate Holder(s)") and the **Named Insured** has provided to the **Insurer**, either directly or through its broker of record, either:

   (a) the name of the entity shown on the certificate, a contact name at each such entity and the U.S. Postal Service address of each such entity; or

   (b) the email address of a contact at each such entity; and

3. the **Insurer** received this information after the **Named Insured** receives notice of cancellation of this policy and prior to this policy's cancellation effective date, via an electronic spreadsheet that is acceptable to the **Insurer**,

the **Insurer** will provide advice of cancellation (the "Advice") to such Certificate Holders within 30 days after the **Named Insured** provides such information to the **Insurer**; provided, however, that if a specific number of days is not stated above, then the Advice will be provided to such Certificate Holder(s) as soon as reasonably practicable after the **Named Insured** provides such information to the **Insurer**.

Proof of the **Insurer** emailing or mailing the Advice, using the information provided by the **Named Insured**, will serve as proof that the **Insurer** has fully satisfied its obligations under this endorsement.

This endorsement does not affect, in any way, coverage provided under this policy or the cancellation of this policy or the effective date thereof, nor shall this endorsement invest any rights in any entity not insured under this policy.

The following definitions apply to this endorsement:

1. **Named Insured** means the insured first named employer in Item 1 of the Information Page of this policy.

2. **Insurer** means the insurance company shown in the header on the Information Page of this policy.

All other terms, conditions and exclusions shall remain the same.

ELEVATOR MAINTENANCE SERVICES

BIDDER'S BOND

(To Accompany Contract Proposal)

KNOW ALL MEN BY THESE PRESENTS,

That Amtech Elevator Services, as PRINCIPAL, and Liberty Mutual Insurance Company, as SURETY, are held and firmly bound unto the City of Placentia in the sum of TEN PERCENT (10%) of the total amount of the bid of said PRINCIPAL, to be paid to the said City or its certain attorney, its successors and assigns; for which payment, well and truly to be made, we bind ourselves, our heirs, executors and administrators, successors or assigns, jointly and severally, firmly by these presents.

In no case shall the liability of said SURETY here under exceed the sum of $ Ten Percent of Amount Bid (10% of Amount Bid)

THE CONDITION OF THIS OBLIGATION IS SUCH THAT,
WHEREAS, said PRINCIPAL has submitted the above-mentioned bid to the City of Placentia for certain construction for which bids are to be submitted via Planet Bids on May 22, 2023, for:

ELEVATOR MAINTENANCE SERVICES

NOW, THEREFORE, if the aforesaid PRINCIPAL is awarded the contract and within the time and manner required under the specifications, after the prescribed forms are presented to him for signature, enters into a written consent in the prescribed form in accordance with the bid, and files the two bonds with the City of Placentia, one to guarantee faithful performance and the other to guarantee payment for Labor and Materials as required by law, then this obligation shall be null and void; otherwise, it shall be and remain in full force and effect. In the event suit is brought upon this bond by the Obligee and judgment is recovered, said SURETY shall pay all costs incurred by the Obligee in such suit, including a reasonable attorney's fee to be fixed by the Court.

IN WITNESS WHEREOF, we have hereunto set our hands and seals on this 24th Day of May 2023.

This Power of Attorney is made and executed pursuant to and by authority of the following By-laws and Authorizations of The Ohio Casualty Insurance Company, Liberty Mutual Insurance Company, and West American Insurance Company which resolutions are now in full force and effect reading as follows:

ARTICLE IV – OFFICERS: Section 12. Power of Attorney.
Any officer or other official of the Corporation authorized for that purpose in writing by the Chairman or the President, and subject to such limitation as the Chairman or the President may prescribe, shall appoint such attorneys-in-fact, as may be necessary to act in behalf of the Corporation to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations. Such attorneys-in-fact, subject to the limitations set forth in their respective powers of attorney, shall have full power to bind the Corporation by their signature and execution of any such instruments and to attach thereto the seal of the Corporation. When so executed, such instruments shall be as binding as if signed by the President and attested to by the Secretary. Any power or authority granted to any representative or attorney-in-fact under the provisions of this article may be revoked at any time by the Board, the Chairman, the President or by the officer or officers granting such power or authority.

ARTICLE XIII – Execution of Contracts: Section 5. Surety Bonds and Undertakings.
Any officer of the Company authorized for that purpose in writing by the chairman or the president, and subject to such limitations as the chairman or the president may prescribe, shall appoint such attorneys-in-fact, as may be necessary to act in behalf of the Company to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations. Such attorneys-in-fact subject to the limitations set forth in their respective powers of attorney, shall have full power to bind the Company by their signature and execution of any such instruments and to attach thereto the seal of the Company. When so executed such instruments shall be as binding as if signed by the president and attested by the secretary.

Certificate of Designation – The President of the Company, acting pursuant to the Bylaws of the Company, authorizes David M. Carey, Assistant Secretary to appoint such attorneys-in-fact as may be necessary to act on behalf of the Company to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations.

Authorization – By unanimous consent of the Company's Board of Directors, the Company consents that facsimile or mechanically reproduced signature of any assistant secretary of the Company, wherever appearing upon a certified copy of any power of attorney issued by the Company in connection with surety bonds, shall be valid and binding upon the Company with the same force and effect as though manually affixed.

I, Renee C. Llewellyn, the undersigned, Assistant Secretary, The Ohio Casualty Insurance Company, Liberty Mutual Insurance Company, and West American Insurance Company do hereby certify that the original power of attorney of which the foregoing is a full, true and correct copy of the Power of Attorney executed by said Companies, is in full force and effect and has not been revoked.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed the seals of said Companies this 24th day of May, 2023.

AMENDMENT NO. 2 TO
MAINTENANCE SERVICES AGREEMENT
PROVISION OF ELEVATOR SERVICES WITH PACIFIC COAST ELEVATOR CORPORATION dba AMTECH ELEVATOR SERVICES

This Amendment No. 2 ("Amendment") to the Maintenance Services Agreement is made and entered into and effective the 28th day of June 2026, by and between the CITY OF PLACENTIA, a Charter City and Municipal Corporation, ("CITY") and Amtech Elevator Services Inc, a California corporation (hereinafter "CONTRACTOR"). CITY and CONTRACTOR are sometimes hereinafter individually referred to as "Party" and or collectively referred to as the "Parties."

A. Recitals.

(i) CITY and CONTRACTOR entered into a Maintenance Services Agreement ("Agreement") effective June 28, 2023, through which CONTRACTOR has been providing maintenance services as more fully explained in the Scope of Services attached to the Agreement.

(ii) The Parties now seek to amend the Agreement to extend the termination date of the Agreement by Two-years and increase the contract not-to-exceed amount by an additional Fifteen Thousand Dollars ($15,000).

(iii). All legal prerequisites to the making of this Amendment have occurred.

NOW, THEREFORE, in consideration of the mutual covenants and conditions set forth herein, the Parties agree as follows:

B. Amendments to Agreement.

1. Section 2, Paragraph 1 of the Agreement is hereby amended to read as follows:

2.1.**Compensation**. Contractor shall be paid in accordance with the fee schedule set forth in "Exhibit A." Contractor's total compensation shall not exceed One Hundred Three Thousand Two Hundred Forty-Seven Dollars and Fifty Cents ($103,247.50)

2. Section 4, Paragraph 1 of the Agreement is hereby amended to read as follows:

4.1.**Term**. This Agreement shall commence on the Effective Date and continue for a period of 24 months, ending on June 28, 2028, unless previously terminated as provided herein or as otherwise agreed to in writing by the parties.

2. Except as specifically modified herein, all the terms, conditions, and provisions of the Agreement shall remain in full force and effect.

3. The Agreement, all amendments together with this Amendment No. 2 and all Exhibits attached thereto, constitutes the entire Agreement between the Parties and supersedes all prior negotiations, arrangements, representations, and understandings, if any, made by or between the Parties with respect to the subject matter hereof. No amendment or other modification of the Agreement, as modified by this Amendment No. 2, shall be binding unless executed in writing by both Parties hereto, or their respective successors, assigns, or grantees.

4. Each of the undersigned representatives warrants that he or she is duly authorized to execute and deliver this Amendment No. 2 and that such execution is binding upon the entity for which he or she is executing this document.

IN WITNESS WHEREOF, the Parties have made Amendment No. 2 to the Maintenance Services Agreement to be executed as of the day and year first above written.

Agenda Item No: 1.I

PLACENTIA CITY COUNCIL AGENDA REPORT

Meeting Date: June 16, 2026

Submitted by: Ontoine Lewis

From: Public Works

Subject:
AMENDMENT NO. 2 TO MAINTENANCE SERVICES AGREEMENT WITH WEST COAST ARBORISTS INC. FOR TREE TRIMMING SERVICES

Financial Impact:
Expense: $266,336 Annual Contract Amount
Budgeted: $332,000 Proposed FY 26/27 Budget(101-80403-6012 & 218-80000-6012)

Summary:
On June 20, 2023, the City Council awarded a Maintenance Services Agreement to West Coast Arborists, Inc. (“WCA”) to provide citywide tree trimming services in an annual amount of $258,830 with a cumulative contract not to exceed amount of $776,490 over 3 years. On February 6, 2025, contract amendment No. 1 was approved within the City Administrator's authority which removed the wall vine trimming services from WCA's scope of work. The term of the current agreement is for three (3) years and is set to expire on June 30, 2026, and includes a two-year term extension at the City's discretion. Staff recommends this proposed Amendment No. 2 for City Council consideration to increase the contract not-to-exceed by an additional $532,672, or $266,336 per year to account for a rate increase of 2.9 percent and a contract term extension for two additional years, resulting in a new cumulative contract not to exceed amount of $1,309,162. The future cost of services will be proposed in the operating budgets for future fiscal years.

Recommended Action:
It is recommended that the City Council:

1. Approve Amendment No. 2 to the Maintenance Services Agreement with West Coast Arborists, Inc., for tree-trimming services in an amount not to exceed $266,336 per year (or $532,672 over two years), and extend the agreement for an additional two (2) years; and
2. Authorize the City Administrator to approve agreement amendments and contract change orders up to ten percent (10%) of the cumulative two-year contract amount, or $53,267; and
3. Authorize the City Administrator and/or her designee to execute all necessary documents, in a form approved by the City Attorney.

Strategic Plan Statement:
This item is associated with Strategic Goal No. 3: Infrastructure, Facilities, and Public Spaces

by maintaining city trees.

Discussion:
The Public Works Department utilizes WCA's services to maintain trees on arterial roadways, City parks, and public property owned and maintained by the City. The current service contract includes regular tree pruning and vine trimming along with as-needed tree removal, tree planting, emergency response, and arborist services. On June 30, 2023, the City Council approved a Maintenance Services Agreement with WCA for tree trimming services in the amount of $776,490 over an initial three-year term or $258,830 per year, with the option to extend the agreement for one (1) additional two-year term based upon contractor performance and at the discretion of the City. On February 6, 2025, contract amendment No. 1 was approved within the City Administrator's authority which removed the wall vine trimming services from WCA's scope of work due to the City's desire to utilize another company for this service. This reduced the annual amount paid to WCA from $258,830 to $206,830, but still kept the contract capacity at $776,490.

Staff recommends this proposed Amendment No. 2 for City Council consideration to increase the contract not-to-exceed by an additional $532,672, or $266,336 per year to account for a rate increase of 2.9 percent and a contract term extension for two additional years, resulting in a new cumulative contract not to exceed amount of $1,309,162. The future cost of services will be proposed in the operating budgets for future fiscal years. This amendment extends the existing agreement to provide tree-trimming services for an additional two-year term ending June 30, 2028.

Financial Summary:
The recommended actions will approve Amendment No. 2 to the Maintenance Services Agreement with WCA, increasing the contract amount by $266,336 per year over the next two years, or $532,672, for a new cumulative not-to-exceed contract amount of $1,309,162. A total of $332,000 is allocated for tree trimming and related services in the Proposed FY 2026-27 Budget. This amount consists of two funds: General Fund and State Gas Tax. $170,000 is allocated to the General Fund through account 101-80403-6012. The State Gas Tax fund allocated $162,000 through account 218-80000-6012.

AMENDMENT NO. 1 TO
MAINTENANCE SERVICES AGREEMENT
PROVISION OF MAINTENANCE SERVICES WITH WEST COAST ARBORIST, INC.

This Amendment No. 1 ("Amendment") to the Agreement is made and entered into effective the 6th day of February 2025, by and between the CITY OF PLACENTIA, a Charter City and Municipal Corporation ("CITY"), and WEST COAST ARBORISTS, INC., a California corporation (hereinafter "CONTRACTOR"). CITY and CONTRACTOR are sometimes hereinafter individually referred to as "Party" and or collectively referred to as the "Parties."

A. Recitals.

(i) CITY and CONTRACTOR entered into a Maintenance Services Agreement ("Agreement") effective June 30th, 2023 through which CONTRACTOR has been providing median and parkway maintenance services as more fully explained in the Scope of Services attached to the Agreement as Exhibit "A".

(ii) The Parties now seek to amend the Agreement to remove vine trimming services from the scope of services to be performed .

(iii) All legal prerequisites to the making of this Amendment have occurred.

NOW, THEREFORE, in consideration of the mutual covenants and conditions set forth herein, the Parties agree as follows:

B. Amendment to Agreement.

1. Notwithstanding Item 9 on the Bidder's Proposal Form, attached to the Agreement as Exhibit A which provides for "Bi-annual Vine block wall trimming" services, these services shall be removed from the scope of services to be performed under the Agreement. The total amount of compensation due under the Agreement shall remain unchanged notwithstanding this Amendment because the parties anticipate that the cost of providing bi-annual vine block wall trimming services will be applied to other maintenance services under the Agreement.

2. Except as specifically modified herein, all of the terms, conditions and provisions of the Agreement shall remain in full force and effect.

3. The Agreement, all amendments together with this Amendment No. 1 and all Exhibits attached thereto, constitutes the entire Agreement between the Parties and supersedes all prior negotiations, arrangements, representations, and understandings, if any, made by or between the Parties with respect to the subject matter hereof. No amendment or other modification of the Agreement, as modified by this Amendment No. 1 shall be binding unless executed in writing by both Parties hereto, or their respective successors, assigns, or grantees.

4. Each of the undersigned represents and warrants that he or she is duly authorized to execute and deliver this Amendment No. 1 and that such execution is binding upon the entity for which he or she is executing this document.

IN WITNESS WHEREOF, the Parties have caused Amendment No. 1 to the Consulting Services Agreement are to be executed as of the day and year first above written.

CITY OF PLACENTIA
MAINTENANCE SERVICES AGREEMENT
WITH
WEST COAST ARBORIST, INC.

THIS AGREEMENT is made and entered into this 30TH day of June, 2023 ("Effective Date"), by and between the CITY OF PLACENTIA, a municipal corporation ("City"), and West Coast Arborist, Inc.., a California corporation ("Consultant").

W I T N E S S E T H :

A. WHEREAS, City proposes to utilize the services of Consultant as an independent contractor to provide median and parkway maintenance services as more fully described herein; and

B. WHEREAS, Consultant represents that it has that degree of specialized expertise contemplated within California Government Code Section 37103, and holds all necessary licenses to practice and perform the services herein contemplated; and

C. WHEREAS, City and Consultant desire to contract for the specific services described in Exhibit "A" (the "Project") and desire to set forth their rights, duties and liabilities in connection with the services to be performed; and

D. WHEREAS, no official or employee of City has a financial interest, within the provisions of Sections 1090-1092 of the California Government Code, in the subject matter of this Agreement.

NOW, THEREFORE, for and in consideration of the mutual covenants and conditions contained herein, the parties hereby agree as follows:

1.0. SERVICES PROVIDED BY CONSULTANT

1.1. Scope of Services. Consultant shall provide the professional services described in Consultant's Proposal ("Proposal"), attached hereto as Exhibit "A" and incorporated herein by this reference.

1.2. Professional Practices. All professional services to be provided by Consultant pursuant to this Agreement shall be provided by personnel experienced in their respective fields and in a manner consistent with the standards of care, diligence and skill ordinarily exercised by professional consultants in similar fields and circumstances in accordance with sound professional practices. Consultant also warrants that it is familiar with all laws that may affect its performance of this Agreement and shall advise City of any changes in any laws that may affect Consultant's performance of this Agreement. Consultant shall keep itself informed of State and Federal laws and regulations which in any manner affect those employed by it or in any way affect the performance of its service pursuant to this Agreement. The Consultant shall at all times observe and comply with all such laws and regulations. Officers and employees shall not be liable at law or in equity occasioned by failure of the Consultant to comply with this section.

1.3. Performance to Satisfaction of City. Consultant agrees to perform all the work to the complete satisfaction of the City and within the hereinafter specified. Evaluations of the work will be done by the City Administrator or his or her designee. If the quality of work is not satisfactory, City in its discretion has the right to:

(a) Meet with Consultant to review the quality of the work and resolve the matters of concern;

(b) Require Consultant to repeat the work at no additional fee until it is satisfactory; and/or

(c) Terminate the Agreement as hereinafter set forth.

1.4. Warranty. Consultant warrants that it shall perform the services required by this Agreement in compliance with all applicable Federal and California employment laws, including, but not limited to, those laws related to minimum hours and wages; occupational health and safety; fair employment and employment practices; workers' compensation insurance and safety in employment; and all other Federal, State and local laws and ordinances applicable to the services required under this Agreement. Consultant shall indemnify and hold harmless City from and against all claims, demands, payments, suits, actions, proceedings, and judgments of every nature and description including attorneys' fees and costs, presented, brought, or recovered against City for, or on account of any liability under any of the above-mentioned laws, which may be incurred by reason of Consultant's performance under this Agreement.

1.5. Non-discrimination. In performing this Agreement, Consultant shall not engage in, nor permit its agents to engage in, discrimination in employment of persons because of their race, religion, color, national origin, ancestry, age, physical handicap, medical condition, marital status, sexual gender or sexual orientation, except as permitted pursuant to Section 12940 of the Government Code. Such actions shall include, but not be limited to the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation and selection for training, including apprenticeship. Consultant agrees to post in conspicuous places, available to employees and applicants for employment, a notice setting forth provisions of this non-discrimination clause.

Consultant shall, in all solicitations and advertisements for employees placed by, or on behalf of Consultant shall state that all qualified applicants will receive consideration for employment without regard to age, race, color, religion, sex, marital status, national origin, or mental or physical disability. Consultant shall cause the paragraphs contained in this Section to be inserted in all subcontracts for any work covered by the Agreement, provided that the foregoing provisions shall not apply to subcontracts for standard commercial supplies or raw materials.

1.6. Non-Exclusive Agreement. Consultant acknowledges that City may enter into agreements with other consultants for services similar to the services that are subject to this Agreement or may have its own employees perform services similar to those services contemplated by this Agreement.

1.7. Delegation and Assignment. This is a personal service contract, and the duties set forth herein shall not be delegated or assigned to any person or entity without the prior written consent of City. Consultant may engage a subcontractor(s) as permitted by law and may employ other personnel to perform services contemplated by this Agreement at Consultant's sole cost and expense. All insurance reqirements contained in this Agreement are independantly applicable to any and all subcontractors that Consultant may engage during the term of this Agreement.

1.8. Confidentiality. Employees of Consultant in the course of their duties may have access to financial, accounting, statistical, and personnel data of private individuals and employees of City. Consultant covenants that all data, documents, discussion, or other information developed or received by Consultant or provided for performance of this Agreement are deemed confidential and shall not be disclosed by Consultant without written authorization by City. City shall grant such authorization if disclosure is required by law. All City data shall be returned to City upon the termination of this Agreement. Consultant's covenant under this Section shall survive the termination of this Agreement.

2.0. COMPENSATION AND BILLING

2.1. Compensation. Consultant shall be paid in accordance with the fee schedule set forth in Exhibit "A". Consultant's total compensation shall not exceed Two-Hundred Fifty-Eight Thousand, Eight-Hundred and Thirty Dollars ($258,830) per year, or a cumulative amount of Seven-Hundred Seventy-Six Thousand, Four-Hundred and Ninety- Dollars ($776,490) over the initial three-year contract term.

2.2. Additional Services. Consultant shall not receive compensation for any services provided outside the scope of services specified in the Consultant's Proposal or which is inconsistent with or in violation of the provisions of this Agreement unless the City or the Project Manager for this Project, prior to Consultant performing the additional services, approves such additional services in writing. It is specifically understood that oral requests and/or approvals of such additional services or additional compensation shall be barred and are unenforceable. Should the City request in writing additional services that increase the hereinabove described "SCOPE OF SERVICES", an additional fee based upon the Consultant's standard hourly rates shall be paid to the Consultant for such additional services. Such increase in additional fees shall be limited to 25% of the total contract sum or $25,000 whichever is more. The City Engineer is authorized to approve a Change Order for such additional services.

2.3. Method of Billing. Consultant may submit invoices to the City for approval on a progress basis, but no more often than two times a month. Said invoice shall be based on the total of all Consultant's services which have been completed to City's sole satisfaction. City shall pay Consultant's invoice within forty-five (45) days from the date City receives said invoice. Each invoice shall describe in detail, the services performed, the date of performance, and the associated time for completion. Any additional services approved and performed pursuant to this Agreement shall be designated as "Additional Services" and shall identify the number of the authorized change order, where applicable, on all invoices.

2.4. Records and Audits. Records of Consultant's services relating to this Agreement shall be maintained in accordance with generally recognized accounting principles and shall be made available to City or its Project Manager for inspection and/or audit at mutually convenient times for a period of three (3) years from the Effective Date.

3.0. TIME OF PERFORMANCE

3.1. Commencement and Completion of Work. The professional services to be performed pursuant to this Agreement shall commence within five (5) days from the Effective Date of this Agreement. Said services shall be performed in strict compliance with the Project Schedule approved by City as set forth in Exhibit "A." The Project Schedule may be amended by mutual agreement of the parties. Failure to commence work in a timely manner and/or diligently pursue work to completion may be grounds for termination of this Agreement.

3.2. Excusable Delays. Neither party shall be responsible for delays or lack of performance resulting from acts beyond the reasonable control of the party or parties. Such acts shall include, but not be limited to, acts of God, fire, strikes, material shortages, compliance with laws or regulations, riots, acts of war, or any other conditions beyond the reasonable control of a party. If a delay beyond the control of the Consultant is encountered, a time extension may be mutually agreed upon in writing by the City and the Consultant. The Consultant shall present documentation satisfactory to the City to substantiate any request for a time extension.

4.0. TERM AND TERMINATION

4.1. Term. This Agreement shall commence on the Effective Date and continue for a period of 36 months, ending on June 30, 2026, unless previously terminated as provided herein or as otherwise agreed to in writing by the parties. The contract may also be extended for an additional two-year term based on the City's discretion and contractor performance.

4.2. Notice of Termination. The City reserves and has the right and privilege of canceling, suspending or abandoning the execution of all or any part of the work contemplated by this Agreement, with or without cause, at any time, by providing at least fifteen (15) days prior written notice to Consultant. The termination of this Agreement shall be deemed effective upon receipt of the notice of termination. In the event of such termination, Consultant shall immediately stop rendering services under this Agreement unless directed otherwise by the City. If the City suspends, terminates or abandons a portion of this Agreement such suspension, termination or abandonment shall not make void or invalidate the remainder of this Agreement.

If the Consultant defaults in the performance of any of the terms or conditions of this Agreement, it shall have ten (10) days after service upon it of written notice of such default in which to cure the default by rendering a satisfactory performance. In the event that the Consultant fails to cure its default within such period of time, the City shall have the right, notwithstanding any other provision of this Agreement, to terminate this Agreement without further notice and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement.

The City shall have the right, notwithstanding any other provisions of this Agreement, to terminate this Agreement, at its option and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement, immediately upon service of written notice of termination on the Consultant, if the latter should:

a. Be adjudged a bankrupt;

b. Become insolvent or have a receiver of its assets or property appointed because of insolvency;

c. Make a general assignment for the benefit of creditors;

d. Default in the performance of any obligation or payment of any indebtedness under this Agreement;

e. Suffer any judgment against it to remain unsatisfied or unbonded of record for thirty (30) days or longer; or

West Coast Arborist, Inc.

f. Institute or suffer to be instituted any procedures for reorganization or rearrangement of its affairs.

4.3. Compensation. In the event of termination, City shall pay Consultant for reasonable costs incurred and professional services satisfactorily performed up to and including the date of City's written notice of termination within thirty-five (35) days after service of the notice of termination. Compensation for work in progress shall be prorated based on the percentage of work completed as of the effective date of termination in accordance with the fees set forth herein. In ascertaining the professional services actually rendered hereunder up to the effective date of termination of this Agreement, consideration shall be given to both completed work and work in progress, to complete and incomplete drawings, and to other documents pertaining to the services contemplated herein whether delivered to the City or in the possession of the Consultant. City shall not be liable for any claim of lost profits.

4.4. Documents. In the event of termination of this Agreement, all documents prepared by Consultant in its performance of this Agreement including, but not limited to, finished or unfinished design, development and construction documents, data studies, drawings, maps and reports, shall be delivered to the City within ten (10) days of delivery of termination notice to Consultant, at no cost to City. Any use of uncompleted documents without specific written authorization from Consultant shall be at City's sole risk and without liability or legal expense to Consultant.

5.0. INSURANCE

5.1. Minimum Scope and Limits of Insurance. Consultant shall obtain, maintain, and keep in full force and effect during the life of this Agreement all of the following minimum scope of insurance coverages with an insurance company admitted to do business in California, rated "A," Class X, or better in the most recent Best's Key Insurance Rating Guide, and approved by City:

(a) Broad-form commercial general liability, in a form at least as broad as ISO from #CG 00 01 04 13, including premises-operations, products/completed operations, broad form property damage, blanket contractual liability, independent contractors, personal injury or bodily injury with a policy limit of not less than One Million Dollars ($1,000,000.00), combined single limits, per occurrence. If such insurance contains a general aggregate limit, it shall apply separately to this Agreement or shall be twice the required occurrence limit. If Consultant maintains higher limits that the spedified minimum limits, City requires and shall be entitled to coverage for the high limits maintained by the Consultant.

(b) Business automobile liability for owned vehicles, hired, and non-owned vehicles, with a policy limit of not less than One Million Dollars ($1,000,000.00), combined single limits, each incident for bodily injury and property damage.

(c) Workers' compensation insurance as required by the State of California and Employers Liability Insurance with a minimum limit of $1,000,000 per accident for any employee or employees of Consultant. Consultant agrees to waive, and to obtain endorsements from its workers'

compensation insurer waiving subrogation rights under its workers' compensation insurance policy against the City, its officers, agents, employees, and volunteers for losses arising from work performed by Consultant for the City and to require each of its subcontractors, if any, to do likewise under their workers' compensation insurance policies.

Before execution of this Agreement by the City, the Consultant shall file with the Public Works Director/City Engineer the following signed certification:

> I am aware of, and will comply with, Section 3700 of the Labor Code, requiring every employer to be insured against liability of Workers' Compensation or to undertake self-insurance before commencing any of the work.

The Consultant shall also comply with Section 3800 of the Labor Code by securing, paying for and maintaining in full force and effect for the duration of this Agreement, complete Workers' Compensation Insurance, and shall furnish a Certificate of Insurance to the Public Works Director/City Engineer before execution of this Agreement by the City. The City, its officers and employees shall not be responsible for any claims in law or equity occasioned by failure of the consultant to comply with this section.

Neither the CITY nor any of its elected or appointed officials, officers, agents, employees, or volunteers makes any representation that the types of insurance and the limits specified to be carried by Consultant under this Agreement are adequate to protect Consultant. If Consultant believes that any such insurance coverage is insufficient, Consultant shall provide, at its own expense, such additional insurance as Consultant deems adequate.

5.2. Endorsements. The commercial general liability insurance policy and business automobile liability policy shall contain or be endorsed to contain the following provisions:

(a) Additional insureds: "The City of Placentia and its elected and appointed boards, officers, officials, agents, employees, and volunteers are additional insureds with respect to: liability arising out of activities performed by or on behalf of the Consultant pursuant to its contract with the City; products and completed operations of the Consultant; premises owned, occupied or used by the Consultant; automobiles owned, leased, hired, or borrowed by the Consultant."

(b) Notice: "Consultant shall provide immediate written notice if (1) any of the required insurance policies is terminated; (2) the limits of any of the required polices are reduced; (3) or the deductible or self insured retention is increased. In the event of any cancellation or reduction in coverage or limits of any insurance, Consultant shall forthwith obtain and submit proof of substitute insurance. Should Consultant fail to immediately procure other insurance, as specified, to substitute for any canceled policy, the City may procure such insurance at Consultant's sole cost and expense."

West Coast Arborist, Inc.

(c) Other insurance: "The Consultant's insurance coverage shall be primary insurance as respects the City of Placentia, its officers, officials, agents, employees, and volunteers. Any other insurance maintained by the City of Placentia shall be excess and not contributing with the insurance provided by this policy."

(d) Any failure to comply with the reporting provisions of the policies shall not affect coverage provided to the City of Placentia, its officers, officials, agents, employees, and volunteers.

(e) The Consultant's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

5.3. Deductible or Self Insured Retention. If any of such policies provide for a deductible or self-insured retention to provide such coverage, the amount of such deductible or self-insured retention shall be approved in advance by City. No policy of insurance issued as to which the City is an additional insured shall contain a provision which requires that no insured except the named insured can satisfy any such deductible or self-insured retention.

5.4. Certificates of Insurance. Consultant shall provide to City certificates of insurance showing the insurance coverages and required endorsements described above, in a form and content approved by City, prior to performing any services under this Agreement. The certificates of insurance and endorsements shall be attached hereto as Exhibit "B" and incorporated herein by this reference.

5.5. Non-limiting. Nothing in this Section shall be construed as limiting in any way, the indemnification provision contained in this Agreement, or the extent to which Consultant may be held responsible for payments of damages to persons or property.

6.0. GENERAL PROVISIONS

6.1. Entire Agreement. This Agreement constitutes the entire agreement between the parties with respect to any matter referenced herein and supersedes any and all other prior writings and oral negotiations. This Agreement may be modified only in writing, and signed by the parties in interest at the time of such modification. The terms of this Agreement shall prevail over any inconsistent provision in any other contract document appurtenant hereto, including exhibits to this Agreement.

6.2. Representatives. The City Administrator or his or her designee shall be the representative of City for purposes of this Agreement and may issue all consents, approvals, directives and agreements on behalf of the City, called for by this Agreement, except as otherwise expressly provided in this Agreement.

Consultant shall designate a representative for purposes of this Agreement who shall be authorized to issue all consents, approvals, directives and agreements on behalf of Consultant called for by this Agreement, except as otherwise expressly provided in this Agreement.

6.3. Project Managers. City shall designate a Project Manager to work directly with

Consultant in the performance of this Agreement. It shall be the Consultant's responsibility to assure that the Project Manager is kept informed of the progress of the performance of the services and the Consultant shall refer any decision, which must be made by City, to the Project Manager. Unless otherwise specified herein, any approval of City required hereunder shall mean the approval of the Project Manager.

Consultant shall designate a Project Manager who shall represent it and be its agent in all consultations with City during the term of this Agreement and who shall not be changed by Consultant without the express written approval by the City. Consultant or its Project Manager shall attend and assist in all coordination meetings called by City.

6.4. Notices. Any notices, documents, correspondence or other communications concerning this Agreement or the work hereunder may be provided by personal delivery, facsimile or if mailed, shall be addressed as set forth below and placed in a sealed envelope, postage prepaid, and deposited in the United States Postal Service. Such communication shall be deemed served or delivered: a) at the time of delivery if such communication is sent by personal delivery; b) at the time of transmission if such communication is sent by facsimile; and c) 72 hours after deposit in the U.S. Mail as reflected by the official U.S. postmark if such communication is sent through regular United States mail.

IF TO CONSULTANT:	IF TO CITY:
West Coast Arborist Inc. 220 E.Via Burton Street, Irwindale, CA, 91702	City of Placentia 401 E. Chapman Placentia, CA 92870
Tel: 714-991-1900	Tel: 714-993-8148
Attn: Patrick Mahoney, President	Attn: Joel Cardenas

6.5. Attorneys' Fees. In the event that litigation is brought by any party in connection with this Agreement, the prevailing party shall be entitled to recover from the opposing party all costs and expenses, including reasonable attorneys' fees, incurred by the prevailing party in the exercise of any of its rights or remedies hereunder or the enforcement of any of the terms, conditions, or provisions hereof.

6.6. Governing Law. This Agreement shall be governed by and construed under the laws of the State of California without giving effect to that body of laws pertaining to conflict of laws. In the event of any legal action to enforce or interpret this Agreement, the parties hereto agree that the sole and exclusive venue shall be a court of competent jurisdiction located in Orange County, California. Consultant agrees to submit to the personal jurisdiction of such court in the event of such action.

6.7. Assignment. Consultant shall not voluntarily or by operation of law assign, transfer, sublet or encumber all or any part of Consultant's interest in this Agreement without City's prior written consent. Any attempted assignment, transfer, subletting or encumbrance shall be void and shall constitute a breach of this Agreement and cause for termination of this Agreement. Regardless of City's consent, no subletting or assignment shall release Consultant of Consultant's obligation to perform all other obligations to be performed by Consultant

hereunder for the term of this Agreement.

6.8. Indemnification and Hold Harmless. Consultant agrees to defend, indemnify, hold free and harmless the City, its elected and appointed officials, officers, agents and employees, at Consultant's sole expense, from and against any and all claims, demands, actions, suits or other legal proceedings brought against the City, its elected and appointed officials, officers, agents and employees arising out of the performance of the Consultant, its employees, and/or authorized subcontractors, of the work undertaken pursuant to this Agreement. The defense obligation provided for hereunder shall apply whenever any claim, action, complaint or suit asserts liability against the City, its elected and appointed officials, officers, agents and employees based upon the work performed by the Consultant, its employees, and/or authorized subcontractors under this Agreement, whether or not the Consultant, its employees, and/or authorized subcontractors are specifically named or otherwise asserted to be liable. Notwithstanding the foregoing, the Consultant shall not be liable for the defense or indemnification of the City for claims, actions, complaints or suits arising out of the sole active negligence or willful misconduct of the City. This provision shall supersede and replace all other indemnity provisions contained either in the City's specifications or Consultant's Proposal, which shall be of no force and effect.

6.9. Independent Contractor. Consultant is and shall be acting at all times as an independent contractor and not as an employee of City. Consultant shall have no power to incur any debt, obligation, or liability on behalf of City or otherwise act on behalf of City as an agent. Neither City nor any of its agents shall have control over the conduct of Consultant or any of Consultant's employees, except as set forth in this Agreement. Consultant shall not, at any time, or in any manner, represent that it or any of its or employees are in any manner agents or employees of City. Consultant shall secure, at its sole expense, and be responsible for any and all payment of Income Tax, Social Security, State Disability Insurance Compensation, Unemployment Compensation, and other payroll deductions for Consultant and its officers, agents, and employees, and all business licenses, if any are required, in connection with the services to be performed hereunder. Consultant shall indemnify and hold City harmless from any and all taxes, assessments, penalties, and interest asserted against City by reason of the independent contractor relationship created by this Agreement. Consultant further agrees to indemnify and hold City harmless from any failure of Consultant to comply with the applicable worker's compensation laws. City shall have the right to offset against the amount of any fees due to Consultant under this Agreement any amount due to City from Consultant as a result of Consultant's failure to promptly pay to City any reimbursement or indemnification arising under this paragraph.

6.10. PERS Eligibility Indemnification. In the event that Consultant or any employee, agent, or subcontractor of Consultant providing services under this Agreement claims or is determined by a court of competent jurisdiction or the California Public Employees Retirement System (PERS) to be eligible for enrollment in PERS as an employee of the City, Consultant shall indemnify, defend, and hold harmless City for the payment of any employee and/or employer contributions for PERS benefits on behalf of Consultant or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of City.

Notwithstanding any other agency, state or federal policy, rule, regulation, law or ordinance to the contrary, Consultant and any of its employees, agents, and subcontractors providing service under this Agreement shall not qualify for or become entitled to, and hereby agree to waive any claims to, any compensation, benefit, or any incident of employment by City,

including but not limited to eligibility to enroll in PERS as an employee of City and entitlement to any contribution to be paid by City for employer contribution and/or employee contributions for PERS benefits.

6.11. Cooperation. In the event any claim or action is brought against City relating to Consultant's performance or services rendered under this Agreement, Consultant shall render any reasonable assistance and cooperation which City might require.

6.12. Ownership of Documents. All findings, reports, documents, information and data including, but not limited to, computer tapes or discs, preliminary notes, working documents, files and tapes furnished or prepared by Consultant or any of its subcontractors in the course of performance of this Agreement, shall be and remain the sole property of City. Consultant agrees that any such documents or information shall not be made available to any individual or organization without the prior consent of City, but shall be made available to the City within ten (10) days of request or within ten (10) days of termination. Any use of such documents for other projects not contemplated by this Agreement, and any use of incomplete documents, shall be at the sole risk of City and without liability or legal exposure to Consultant. City shall indemnify and hold harmless Consultant from all claims, damages, losses, and expenses, including attorneys' fees, arising out of or resulting from City's use of such documents for other projects not contemplated by this Agreement or use of incomplete documents furnished by Consultant. Consultant shall deliver to City any findings, reports, documents, information, data, preliminary notes and working documents, in any form, including but not limited to, computer tapes, discs, files audio tapes or any other Project related items as requested by City or its authorized representative, at no additional cost to the City. Consultant or Consultant's agents shall execute such documents as may be necessary from time to time to confirm City's ownership of the copyright in such documents.

6.13. Public Records Act Disclosure. Consultant has been advised and is aware that this Agreement and all reports, documents, information and data, including, but not limited to, computer tapes, discs or files furnished or prepared by Consultant, or any of its subcontractors, pursuant to this Agreement and provided to City may be subject to public disclosure as required by the California Public Records Act (California Government Code Section 6250 *et seq.*). Exceptions to public disclosure may be those documents or information that qualify as trade secrets, as that term is defined in the California Government Code Section 6254.7, and of which Consultant informs City of such trade secret. The City will endeavor to maintain as confidential all information obtained by it that is designated as a trade secret. The City shall not, in any way, be liable or responsible for the disclosure of any trade secret including, without limitation, those records so marked if disclosure is deemed to be required by law or by order of the Court.

6.14. Conflict of Interest. Consultant and its officers, employees, associates and subconsultants, if any, will comply with all conflict of interest statutes of the State of California applicable to Consultant's services under this agreement, including, but not limited to, the Political Reform Act (Government Code Sections 81000, *et seq.*) and Government Code Section 1090. During the term of this Agreement, Consultant and its officers, employees, associates and subconsultants shall not, without the prior written approval of the City Representative, perform work for another person or entity for whom Consultant is not currently performing work that would require Consultant or one of its officers, employees, associates or subconsultants to abstain from a decision under this Agreement pursuant to a conflict of interest statute.

6.15. Responsibility for Errors. Consultant shall be responsible for its work and results

under this Agreement. Consultant, when requested, shall furnish clarification and/or explanation as may be required by the City's representative, regarding any services rendered under this Agreement at no additional cost to City. In the event that an error or omission attributable to Consultant occurs, then Consultant shall, at no cost to City, provide all necessary design drawings, estimates and other Consultant professional services necessary to rectify and correct the matter to the sole satisfaction of City and to participate in any meeting required with regard to the correction.

6.16. Prohibited Employment. Consultant will not employ any regular employee of City while this Agreement is in effect.

6.17. Order of Precedence. In the event of an inconsistency in this Agreement and any of the attached Exhibits, the terms set forth in this Agreement shall prevail. If, and to the extent this Agreement incorporates by reference any provision of any document, such provision shall be deemed a part of this Agreement. Nevertheless, if there is any conflict among the terms and conditions of this Agreement and those of any such provision or provisions so incorporated by reference, the conflict shall be resolved by giving precedence in the following order, if applicable: This Agreement, the City's Request for Proposals, the Consultant's Proposal.

6.18. Costs. Each party shall bear its own costs and fees incurred in the preparation and negotiation of this Agreement and in the performance of its obligations hereunder except as expressly provided herein.

6.19. No Third Party Beneficiary Rights. This Agreement is entered into for the sole benefit of City and Consultant and no other parties are intended to be direct or incidental beneficiaries of this Agreement and no third party shall have any right in, under or to this Agreement.

6.20. Headings. Paragraphs and subparagraph headings contained in this Agreement are included solely for convenience and are not intended to modify, explain or to be a full or accurate description of the content thereof and shall not in any way affect the meaning or interpretation of this Agreement.

6.21. Construction. The parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises with respect to this Agreement, this Agreement shall be construed as if drafted jointly by the parties and in accordance with its fair meaning. There shall be no presumption or burden of proof favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement.

6.22. Amendments. Only a writing executed by the parties hereto or their respective successors and assigns may amend this Agreement.

6.23. Waiver. The delay or failure of either party at any time to require performance or compliance by the other of any of its obligations or agreements shall in no way be deemed a waiver of those rights to require such performance or compliance. No waiver of any provision of this Agreement shall be effective unless in writing and signed by a duly authorized representative of the party against whom enforcement of a waiver is sought. The waiver of any right or remedy in respect to any occurrence or event shall not be deemed a waiver of any right or remedy in respect to any other occurrence or event, nor shall any waiver constitute a

West Coast Arborist, Inc.

continuing waiver.

6.24. Severability. If any provision of this Agreement is determined by a court of competent jurisdiction to be unenforceable in any circumstance, such determination shall not affect the validity or enforceability of the remaining terms and provisions hereof or of the offending provision in any other circumstance. Notwithstanding the foregoing, if the value of this Agreement, based upon the substantial benefit of the bargain for any party, is materially impaired, which determination made by the presiding court or arbitrator of competent jurisdiction shall be binding, then both parties agree to substitute such provision(s) through good faith negotiations.

6.25. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original. All counterparts shall be construed together and shall constitute one agreement.

6.26. Corporate Authority. The persons executing this Agreement on behalf of the parties hereto warrant that they are duly authorized to execute this Agreement on behalf of said parties and that by doing so the parties hereto are formally bound to the provisions of this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by and through their respective authorized officers, as of the date first above written.

SUBCONTRACTOR DESIGNATION FORM

Bidder acknowledges and agrees that under Public Contract Code section 4100, et seq., it must clearly set forth below the name and location of each subcontractor who will perform work or labor or render service to the bidder in or about the work in an amount in excess of one-half of one percent (0.5%) of bidder's total bid and the kind of work that each will perform. Furthermore, bidder acknowledges and agrees that under Public Contract Code section 4100, et seq., if bidder fails to list as to any portion of work, or if bidder lists more than one subcontractor to perform the same portion of work (i.e. bidder must indicate what portion of the work each subcontractor will perform), bidder must perform that portion itself or be subjected to penalty under applicable law.

If alternate bids are called for and bidder intends to use subcontractors different from or in addition to those subcontractors listed for work under the base bid, bidder must list subcontractors that will perform work in an amount in excess of one half of one percent (0.5%) of bidder's total bid, including alternates.

In case more than one subcontractor is named for the same kind of work, the Contractor is to state the portion of work that each subcontractor will perform. Bidders or's suppliers of materials only do not need to be listed. If further space is required for the list of proposed subcontractors, additional sheets showing the required information, as indicated below, shall be attached hereto and made a part of this document.

Listed below is the name of each subcontractor that will perform work, labor, or render services to the undersigned related to the work of this project. This is to include any subcontractor that will specially fabricate and install a portion of work according to detailed drawings contained in the plans and specifications in the amount greater than one half of one percent (.05%) of the contractors total bid. Additional sheets may be attached if needed.

Subject: Addendum No. 1 for Notice Inviting Bid for the Tree Maintenance Services

Dear Prospective Bidders:

This letter comprises Addendum No. 1 for the Notice Inviting Bid for the Tree Maintenance Services issued by the City of Placentia on April 19, 2023. Please take note of the items listed below which will have to be used in the preparation of your bid for this project. The following clarifications/changes are hereby issued:

F. CONTRACTOR REQUIREMENTS:
In accordance with provisions of Section 3300 of the California Public Contract Code, the AGENCY has determined that the Contractor shall possess a valid **California Contractor's License C-27 and a D-49**. Failure to possess such license may render the bid non-responsive and bar the award of the contract to that non-responsive Bidder. The successful Contractor and his/her subcontractors will be required to possess business licenses from the AGENCY.

Portions of the bid specifications not specifically mentioned in this Addendum remain in force. Bidder must acknowledge receipt of this Addendum with proposal documents submitted at the due date and time specified above. Failure to do so may subject bidder to disqualification.

Sincerely,

Project Manager

END OF ADDENDUM NO. 1

This addendum must be acknowledged via Planet Bids and should be included with the bid response.

If you have additional questions regarding Addendum No. 1, please contact Joel Cardenas, at (714) 993-8134.

Subject: Addendum No. 2 for Notice Inviting Bids for Tree Maintenace Services (Bid No. PW-CY-08)

Dear Prospective Bidders:

This letter comprises Addendum No. 2 for the Notice Inviting Bids for Tree Maintenance Services issued by the City of Placentia on April 19, 2023. Please take note of the items listed below which will have to be used in the preparation of your bid for this project. The following clarifications/changes are hereby issued:

1. **Section I:** The contract documents specifications for Section I of the Notice Inviting Bids for Tree Maintenance Services (Bid No. PW-CY-08) has been amended to include the following changes:

   T. FAIR EMPLOYMENT PRACTICES: As set forth in Labor Code section § 1735, no discrimination shall be made in the employment of persons upon public works because of the race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, or sex of such persons, except as provided in Government Code section § 12940. Every Contractor for public works violating this provision is subject to all of the penalties imposed for a violation of Labor Code Div. 2, Part 7, and Chapter 1.

2. **Attachment B – Sample Contract Agreement:** Attachment B of the Notice Inviting Bids for Tree Maintenance Services (Bid No. PW-CY-08) has been modified to include the correct sample agreement required for this bid.

Portions of the bid specifications not specifically mentioned in this Addendum remain in force. Bidder must acknowledge receipt of this Addendum with proposal documents submitted at the due date and time specified above. Failure to do so may subject bidder to disqualification.

Sincerely,

Joel Cardenas

Tree Care Professionals Serving Communities Who Care About Trees

www.WCAINC.com

May 3, 2023

City of Placentia
Attn: Joel Cardenas, Superintendent
401 East Chapman Avenue
Placentia, CA 92870

RE: NIB No. PW-CY-08 Tree Maintenance Services
Due: Thursday, March 30, 2023 at 10:00AM

To whom it may concern;

Thank you for allowing West Coast Arborists, Inc. (WCA) the opportunity to submit a proposal for tree mainenance services for the City of Placentia. WCA is a family-owned and operated company employing over 1,100 full-time employees providing various tasks to achieve one goal: serving communities who care about trees. We have reviewed, understand, and agree to the terms and conditions described in this RFP. We also hereby acknowledge that we meet the minimum requirements and responded to each of these requirements to the best of our ability. Our proposal is valid for a period of 90 calendar days. We hereby acknowledge receiving Addendum No. 1 and No. 2.

WCA's corporate values include listening to customers and employees to help improve services offered. By establishing clear goals and expectations for the organization, supporting its diverse teams, and exchanging frequent feedback from customers and employees, we are able to provide 'gold standard' tree care services. WCA's top management team has created a culture where employees become accountable for actions and results. Our Tree Care Industry Association (TCIA) company-wide accreditation is evidence of the commitment WCA has to our safety and training programs, customer satisfaction and our capacity to maintain industry standards.

WCA has a 50-year track record of working for more than 330 California and Arizona municipalities as well as other various agencies. Our company has been in business since 1972 and is licensed by the California State Contractors License Board under license #366764. We have held this license in good standing since 1978. The license specializes in Class C61 (Tree Service), Class C27 (Landscaping) and Class C31 (Traffic Control). We currently employ over 90 Certified Arborists and over 150 Certified Tree workers, as recognized by the International Society of Arboriculture. WCA is also registered with the Department of Industrial Relations (DIR) for Public Works projects, our registration number is 1000000956. All work will be performed in-house; no subcontractors will be used.

Our employees will operate from our Anaheim Office located at 2200 E. Via Burton, Anaheim, CA 92806. For questions related to this proposal and who has the authority to negotiate/present please contact Victor Gonzalez, V.P. Business Development, at (714) 991-1900 or at vgonzalez@wcainc.com. Mario Gonzalez, Area Manager, will be assigned to this project should WCA be awarded a contract. He can be reached at (714) 404-2997 or mariogonzalez@wcainc.com.

Sincerely,

Patrick Mahoney, President

EMERGENCY RESPONSE 24/7
1-800-LIMB-DOWN

Company Introduction

WEST COAST ARBORISTS, INC. (WCA)

is a family-owned and operated union company employing over 1,100 full-time employees providing tree maintenance and management services. We are proudly serving over 330 municipalities and public agencies. We provide superior and safe tree care operations seven days a week, 24 hours a day throughout California and Arizona.

OUR VISION

As a corporate citizen, WCA's responsibility and accountability are to the communities where we do business. We hold ourselves to the highest standards of ethical conduct and environmental responsibility, communicating openly with our customers and the communities in which we work. It is our goal and vision to lead the industry in state-of-the-art urban tree care and management services.

100% CUSTOMER SATISFACTION

Customer satisfaction is our top priority. We guarantee your complete satisfaction with every facet of our services. Our dedication to customer service has earned WCA a reputation unrivaled in the industry for dependability, integrity, quality, and courtesy. We authorize our employees to do whatever is necessary to achieve the highest quality results. We know that high quality work saves our customer's valuable time and is far more cost effective if we do our work properly the first time. We are committed to courteous and prompt customer service to fully resolve any issue.

West Coast Arborists, Inc.

SCOPE OF SERVICES

Grid Tree Pruning

Grid tree pruning is based on pruning in pre-designed districts, or grids on a set cycle and in its entirety. This includes pruning all trees (small, medium and large-sized.) Pruning will include structural pruning, crown raising, and slight crown cleaning in accordance with the standards set forth by the International Society of Arboriculture Pruning Standards (Best Management Practices) and shall have no more than 15% of the live foliage removed at a given time.

Special Request Tree Pruning

Special Request Tree Pruning includes tree maintenance services on designated tree(s) as ordered by the City's Arborist or designee. This category of pruning may include structural pruning, crown raising, crown cleaning and/or pruning to restore the crown. Whichever work type is ordered by the City, pruning will be performed in accordance with the standards set forth by the International Society of Arboriculture Pruning Standards and the Best Management Practice, Tree Pruning Guidelines. Trees that are identified for a Special Request Tree Prune shall have approximately 25% of the live foliage removed at a given time.

Pruning to reduce the tree's crown (or Crown Reduction Pruning) may be performed when conditions within the crown of a hardwood tree are such that the overall canopy mass and excessive wood weight needs to be reduced. This type of prune is performed when the City's primary objective is to maintain or improve tree health and structure and will be charged at the Crew Rental rate as agreed upon by the City and WCA.

Line Clearance

Trees that interfere or have the possibility of interfering with utility lines will be trimmed in a manner to achieve the required clearances as specified and in accordance with the California Public Utilities Commission. It is our goal to protect the current health and condition of the tree and to maintain its symmetry and direct growth away from the utility lines.

Young Tree Maintenance (Optional)

Proper pruning and care during the early stages of the tree's life will save money in the future, and create a safer, more beautiful, healthy, easy-to-maintain tree. We believe that tree care that is performed early will affect its shape, strength and life span. Our specialized small tree care team consists of certified personnel trained to perform the following under the hourly rate:

- Selective structural pruning
- Removal of dead, interfering, split and/or broken limbs
- Pre-conditioning the water retention basin built around the tree
- Staking or re-staking
- Adjusting tree ties
- Adjusting trunk protectors
- Weed abatement

West Coast Arborists, Inc.

Root Pruning

We strongly recommend against any root pruning, however, should the City elect to proceed, we recommend that it be done no closer than 3 times the diameter of the trunk. Roots will be pruned to a depth of approximately 12 inches by cleanly slicing through the roots, so as not to tear or vibrate the root causing damage to the tree. The excavated area will be backfilled with native soil and debris will be hauled away. This is performed under the hourly rate.

Tree and Stump Removal Operations

With a minimum of 48 hours advanced notice, WCA will inform Underground Service Alert (USA) of the location of work for the purpose of identifying any and all utility lines. The removal process consists of lowering limbs delicately onto the ground to prevent any hardscape damage. Immediately following the removal, the stump will be ground down, if ordered to do so and with proper USA notification. Our standard stump grinder is the *Vermeer SC802*. This stump grinder is ideal for any size job and can be used to grade large stumps. We also use the *Dosko SC69* stump grinders. These are intended to remove tree stumps and exposed root systems close to ground level. Tree removal and stump removal are to be charged separately in accordance with the contract.

Tree Planting

We can replace trees that have been removed and plant new trees in accordance with the City's specifications. We are prepared financially and logistically to acquire and purchase selected tree species for tree planting. At a minimum of 48 hours in advance we will inform Underground Service Alert (USA) of the location of work for the purpose of identifying any and all utility lines. A well-trained planting team will perform the soil preparation and installation of the tree.

Tree Watering (Optional)

Tree watering will be performed by a full-time, WCA team member on various routes, when requested by the Agency. This team will also be responsible for reporting special care needs to the small tree care team. This could include reporting weeds, soil that has settled, and/or staking and tying needs.

Emergency Response

We are prepared for emergency calls 24 hours a day, 7 days a week, including holidays. The toll free number is 866-LIMB-DOWN (866-546-2369). This number will be provided to the Agency, Police Department and/or Fire Department. Our emergency response team will do what is necessary to render the hazardous tree or tree-related condition safe until the following workday.

West Coast Arborists, Inc.

Crew Rental

Due to our vast amount of resources, including our specialty equipment and qualified personnel we are able to extend our commitment to our customers by providing various miscellaneous services outside of the most common tree maintenance services:

- Misc. use of aerial towers and cranes (including equipment rental)
- Crown reduction
- Crown restoration

Arborist Reports

We have full-time Certified Arborists on staff that can prepare detailed arborist reports, tree evaluations and site inspections based on your specific needs. Reporting can be generated for one tree or an entire selection and is handled on a case-by-case basis.

WCA provides the technology, management, and civic experience that makes it the preferred tree management partner across the West.

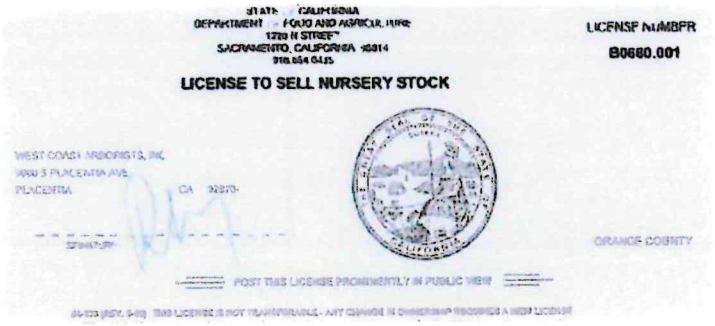
Plant Health Care

Tim Crothers, Plant Health Care Manager

- ISA Board Certified Master Arborist WE-7655 BUM
- DPR Qualified Pest Control Applicator #145321
- QAL Category B & D

Our PHC program managed by Tim goes beyond standard chemical applications. We have developed an efficient Integrated Pest Management Program (IPM) that requires diagnosis before treatment. WCA is staffed with licensed applicators and advisors that are environmentally conscious as well as compliant with the California Department of Pesticide Regulation. This service allows us to provide you with:

- Proper diagnosis based on on-site inspection with laboratory testing when necessary
- Proactive and preventative recommendations that reduce the amount of potential pest and disease issues
- Follow-up evaluations to ensure that the recommended treatments result in a healthy and balanced urban forest



Shot Hole Borer

They Polyphagous Shot Hole Borer (PSHB) is a new pest in Southern California. This boring beetle drills into trees and brings with it a pathogenic fungus (Fusarium euwallacea), as well as other fungal species. When heavily infested, the resulting Fusarium causes the decline and death of trees. Over 120 different tree species are affected in Southern California and over 30 reproductive hosts are of high concern. As tree care professionals, we have a responsibility to understand and report when we see a tree we are working on infested with PSHB.

Ability To Acquire, Purchase & Stage Trees

Cities expect the highest quality of new trees, proven varieties and an organization with the knowledge and skills to provide them with the latest and most reliable information available related to tree planting. By meeting these expectations, we're able to contribute to the success of reforestation projects within communities. In order to complete successful tree planting programs, cities can rely on us to locate, acquire and purchase different tree species.

As part of our Corporate Capability, we are financially able to purchase large quantities of trees for planting projects. Being familiar with over 50 nurseries in California, allows us to obtain the best tree available from a broad and plentiful stock. The process by which we obtain trees is quite simple: First, we utilize our database of nurseries, and contact several of them requesting specific trees with their prices.

STATE OF CALIFORNIA
DEPARTMENT OF FOOD AND AGRICULTURE
1220 N STREET
SACRAMENTO, CALIFORNIA 95814

LICENSE TO SELL NURSERY STOCK

WEST COAST ARBORISTS, INC
1000 S PLACENTIA AVE
PLACENTIA CA 92870-

ORANGE COUNTY

POST THIS LICENSE PROMINENTLY IN PUBLIC VIEW

Upon locating the availability of trees, we then perform a tree pre-inspection at the nursery. When time is of the essence, nurseries will provide us with photos either by mail or by e-mail for our review. Once the trees are purchased, and depending on the size of the project, we have them delivered to our facility in Placentia, Brea, or if possible, at a staging area within the City of Agency. It is through this process that we have planted an average of 15,000 trees for all of our customers each year during the past three years.

West Coast Arborists, Inc.

COMPANY PERSONNEL

Introduction

West Coast Arborist's (WCA) is a company comprised of a management team and a safety committee. Staff members have diverse educational backgrounds including accounting, business administration, engineering and forestry.

Staff members have diverse educational backgrounds including accounting, business administration, engineering, and forestry.

Work Force

WCA actively maintains ongoing processes to assure that only qualified and competent staff provides safe and quality tree maintenance services. These skilled employees can only be achieved through both training and work experience. We believe that essential experience should always be obtained through qualified supervision; this includes both basic and extended skills. WCA makes every attempt to ensure that this is undertaken before performing work, leading a crew, or career advancement. The work performed on this contract is routine, recurring and usual. The work includes watering, trimming, pruning, planting, removal and replacement of trees and plants, and servicing of irrigation. **The rates included in the Cost Proposal are based on the current prevailing wage determination for "Tree Maintenance (Laborer)."**

Certification

WCA encourages its employees to get certified through the International Society of Arboriculture, in an effort to raise the standard of professional tree care companies. This standard exemplifies our company's commitment to providing customers with competent, knowledgeable certified workers. WCA employs a large number of ISA Certified Arborists and ISA Certified Tree Workers.

Crew Evaluation

WCA employees are evaluated through an internal mechanism supervised by our Management Team. Each employee performs their duties according to a criteria-based job description that reflects safety, quality workmanship, productivity, appropriateness of care, problem solving and customer service. A performance appraisal is conducted for each employee upon completion of the probationary period and at least annually thereafter. Each worker is also required to complete a competency assessment and orientation upon hire and annually thereafter in selected areas to assure that ongoing requirements are met and opportunities for improvement are identified.

West Coast Arborists, Inc.

Meet the Team: Project Team

Organizational Structure

NICK ALAGO — Regional Manager/V.P.

Mr. Alago has been with WCA since 1999. He has nearly 35 years' experience in the arboriculture field. He started with WCA as a Foreman and was continuously promoted, reaching the status of Area Manager. For over 10 years, he excelled as an Area Manager for the Inland Empire and was promoted in 2020 to Regional Manager. As a Regional Manager for the Los Angeles and Inland Empire areas, he oversees the operations and provides support to the Area Managers. His extensive knowledge of the urban forest is a columniation of experience and continued education as well as certification that is offered in the industry.

- ISA Certified Arborist Utility Specialist #WE-4396AU
- TCIA Certified Treecare Safety Professional #250
- ISA Tree Risk Assessment Qualified
- TLC Wildlife Area

MARIO GONZALEZ — Area Manager

Mario has over 10 years' experience in the tree care industry and started with WCA in 2020 as a Supervisor. He has achieved necessary certifications and completes continued education units to maintain his credentials. As an Area Manager, he will be the Agency's main point of contact as he is responsible for providing customer service, estimating work, while managing filed operations and crews throughout the North Orange County region.

- ISA Certified Arborist #WE-13119A
- ISA Tree Risk Assessment Qualified
- TCIA Certified Tree Care Safety Professional #3840 & EHAP Certified
- TLC Wildlife Aware

JUAN MARQUEZ — Project Supervisor

Mr. Marquez began working with WCA in 1995. Over the last 25 years he has gained valuable experience and education while working his way up to his current position. He currently supervises employees throughout North Orange County. Responsibilities of the Project Supervisor includes assisting the Area Manager in scheduling, overseeing the crew's daily activities, employee training programs and ensuring proper safety procedures are being followed. Regular communication with the customer and citizens can be expected as related to scheduling, work being performed and any other inquiries that may arise while on the job site.

- ISA Certified Tree Worker Climber #WE-10987T
- TCIA Certified Treecare Safety Professional #143
- ATSSA Traffic Control Technician #228625

West Coast Arborists, Inc.

Meet the Team: Support Staff

VANESSA GONZALEZ **Customer Service Rep.**

Vanessa joined WCA in 2022 as a Customer Service Clerk. After spending time in this role, she was promoted to Customer Service Rep for our North OC region. As the CSR (Customer Service Representative), Valerie is responsible for providing support to the Area Manager, Site Supervisor and crew. She is to act as a liaison between the company and our clients as well as the general public. Vanessa is responsible for responding to customer service inquires and facilitating contracting functions, such as: mapping, underground service alert, data entry, field book preparation, list preparation, etc.

ANDREW PINEDA **GIS Analyst**

Andrew Pineda has been with WCA since 2018. As WCA's GIS Analyst, he works on a wide range of projects including tree inventories scope and collection, iTree analysis, tree canopy assessments, tree planting prioritization, ArborAccess training, grant funded tree planting projects, and much more. He was worked with tree inventories of all sizes from small campus inventories with less than 5,000 trees to large California cities with over 140,000 trees. He has in-depth knowledge and understanding of tree inventories, urban forestry best practices, and spatial data.

- ISA Certified Arborist #WE-12738A
- FAA UAS Part 107 Remote Pilot
- M.S. Geographic Information Science (GIS), CSU Long Beach
- B.A. Environmental Science, Boston University

TIM CROTHERS **Plant Health Care Manager**

WCA's PHC program is managed in-house; no subcontracting is used. Our staff is trained and licensed by the CA Dept. of Pesticide Regulation. Mr. Crothers has been with WCA since 2012 and oversees our in-house Qualified Applicators (QAL) and Pest Control Advisors (PCA). Our program goes beyond standard chemical applications as Tim has helped WCA develop an efficient Integrated Pest Management program as well. Inspection, diagnosis and treatments are available as needed.

West Coast Arborists, Inc.

REFERENCES

West Coast Arborists understands the challenge that many cities face to reduce the cost of tree maintenance services, while increasing the level of performance. Utilizing our services as a valuable, cost-effective resource, cities are able to provide better services to their community. These contracts cover a range of services from providing emergency response to maintaining the Agency's entire urban forest.

CITY OF FULLERTON **Since 1998**

As part of the tree care service. WCA updates the City's own tree inventory. As part of this program, we collect and provide to the City an automated record of the work completed and submit it to the City for updates. Together we are able to prune trees more efficiently, while the City is able to maintain accurate work records and monitor predictable tree trimming schedules and guarantee the residents and businesses top quality tree care.

IMPLEMENTATION, QUALITY CONTROL AND SAFETY

Implementation Plan

To ensure the quality of work and the level of service expected, WCA abides by a well-defined quality control plan that incorporates the following:

- Certified personnel
- Safety
- Pruning specifications and guidelines
- Sound equipment
- Public relations
- Proper traffic control
- State-of-the-art communication systems

Special shifts including weekends and evenings can be arranged in accordance with the Agency's specifications.

Area Manager: Mario Gonzalez

ISA Certification #: WE-13119A

The project Area Manager will be the central point of contact and will work cooperatively with Agency staff, local residents and business owners, etc. The Area Manger will provide overall field supervision and crew management.

Daily Management

Daily management will consist of, but not be limited to:

- Email notification complete with location, crew, equipment type, and work description
- Supervise crew personnel to insure proper pruning standards are followed in a safe manner
- Traffic control setup and maintenance of work zone
- Ensure work area is left free of debris at the end of shift
- Maintain record of work completed each day
- Maintain good public relations at all times
- Provide immediate notification to Agency Inspector upon damage of personal property including a plan for corrective measures to take place within 48 hours

Weekly Management

- Weekly management will consist of, but is not limited to:
- Weekly inspection of work completed
- Meet with the Agency to review work schedule and progress
- Insure standards of pruning are performed in accordance with Agency specifications
- Maintain open communication

West Coast Arborists, Inc.

Scheduling of Work

The Area Manager is responsible for scheduling work which shall conform to the Agency's schedule of performance. We recommend equal distribution of work throughout the course of the fiscal year. Notifications will be provided to residents prior to the start of pruning operations in said area. All work will be performed in a cooperative manner as to cause the least amount of interference or inconvenience.

Public Notification

Upon Agency staff approval, WCA will post a door hanger notice prior to commencement of grid pruning (within 24-48 hours). After tree plantings, door hangers will be provided to residents instructing them on the proper care for their newly planted tree. For more comprehensive outreach we can also submit a press release for special projects or routine maintenance. The Agency may modify the procedures and materials to which we notify residents.

Communication Systems

Our use of modern and reliable communication systems affect our daily job performance by increasing our efficiency. Management and Field Personnel utilize smart phones as both navigational and communication devices in the field. Smart phones have proven to be a convenient method to input data as related to tree inventories, daily work records, timesheets, photos, and billing information; eliminating the need to handwrite data and improving customer service by minimizing response time.

Permits and Licensing

WCA will procure a City Business License as necessary and any "no-fee" permits prior to commencement of work. Permits (i.e., encroachment, traffic control, etc.) requiring fees will be charged back to the Agency.

Right-of-Way

All work will be performed in the public right-of-way. Employees will not utilize private property for eating, breaks or any other reason or use water or electricity from such property without prior written permission of owner.

Cooperation and Collateral Work

WCA will give right to operate within the project to the Agency workers and/other contractors, utility companies, street sweepers, and others as needed in a cooperative effort to minimize interference in daily operations.

Project Site Maintenance

Work site will be left free of debris at the end of each workday. We will not discharge smoke, dust, or any other air containments in quantities that violate the regulations of any legally constituted authority.

Quality Control

Feedback

WCA regularly receives and tracks feedback from customers and residents as a means to acknowledge good performance and provide prompt resolution for any negative comments. Every month, a summary of the feedback is then reviewed by the management team.

Customer Service Department

As we work with, or near, the public, we are mindful that we will most likely be the first person the public contacts. We have a full-time Customer Service Department with each Customer Service Representative (CSR) trained in addressing concerned residents and bystanders.

Thank you, WCA!

Immediate, Ideate, & Generate.

A big THANK YOU for the beautiful greenery of the City of La Canada "Green one" hours I've held at the beginning of our residence today.

From start to finish, you all provided top notch service. Albeit I know how "inconvenient" you can leave our predetermined collaborations, experiencing it all first-hand, as a resident, exhibits a new vantage point. I was absolutely impressed by the customer service experience your team provided— and, as importantly, I know that the beloved oak was in the best hands. Satisfied!

With much appreciation,
Valerie

Valerie Fortney
Urban Forestry Administrator
City of Santa Clarita

SANTA CLARITA

Complaints & Damage Resolution

Should there be any property damage, we adhere to specific procedures to resolve the problem. The Foreman on the job site will notify the resident and the Inspector immediately.

If the resident is not at home, then we will leave a WCA card with instructions to call our Claims Coordinator in our corporate office. The ultimate goal at each work site is to leave the property in the same condition as before we entered it. We will notify the Agency Representative immediately upon damage of private property including plans for corrective measures to take place within 48 hours.

Any activities found by the Agency to be unacceptable will be rectified immediately. All other complaints will be abated or resolved within twenty-four (24) hours of the occurrence. We have teams specifically assigned for handling damage to properties, both private and public. Through our communication system, we have the ability to dispatch either of these teams and have them respond immediately to the site for proper repair.

We pride ourselves on professional workmanship to avoid these types of incidents, however, should one occur, we take all appropriate measures to resolve the matter in a timely and efficient manner.

Protection of Public and Private Property

WCA will provide all safety measures necessary to protect the public and worker within the work area. We will maintain good public relations at all times. The work will be conducted in a manner which will cause the least disturbance.

West Coast Arborists, Inc.

Safety & Training

Safety Program

Safety standards are top priority at West Coast Arborists, Inc. Our line of work demands that all work is performed in a manner that provides the maximum safety to the general public as well as our employees. Our crews are instructed to follow the safety standards of ANSI Z133.1 as well as Cal-OSHA requirements. We have one of the most extensive safety training programs in the industry. We provide our employees with state-of -the-art training tools and instructional sessions company wide. Our insurance carriers and Cal-OSHA have recognized us repeatedly for outstanding safety training efforts.

We have a full time Safety & Training Manager, Dane Jensen, that is professionally trained in the field of horticulture. As WCA's Training Manager, Dane is responsible for staying up-to-date on all tree-related industry standards as related to safety and the wellness of our employees and the public in which we serve. Training materials are regularly reviewed and updated to ensure WCA employees receive the proper education, instruction and hands on experience needed to perform their day to day activities safely and efficiently. Training topics include a full-circle from proper pruning techniques, arboriculture, to customer service and everything in between.

- ISA Certified Utility & Municipal Arborist #WE-12014A
- ISA Skills Test Evaluator—TW Climber
- TCIA Certified Treecare Safety Professional #3303
- ISA Tree Risk Assessment Qualification #E4068
- American Heart Association BLS and First Aid Instructor

Our line of work demands that all work is performed in a manner that provides the maximum safety to the general public as well as our employees.

Public Convenience and Safety

WCA will comply with any and all local sound control and noise level rules, regulations, and ordinances which apply to any work performed in the contracted area. All work will cease by 5:00 pm or as directed by the Agency (excluding emergency services).

West Coast Arborists, Inc.

Employee Training Program

West Coast Arborists, Inc. provides an extensive in-house training curriculum for all employees to broaden their knowledge of the arboriculture field of study. Included in this training are the ISA standards, both Treeworker and Arborist study programs, and a variety of Tree Care Industry Association home study programs. We also offer training courses to our staff in areas of customer service satisfaction, maintaining professional conduct, and Qualified Line Clearance Trimmer Training.

Our Training and Safety team members are tasked with completing field evaluations of crews and members are on-site to coach and train employees on safe practices. Employees receive performance evaluations at 90 days, 6 months, then annually (or as-needed) after their first year. All employees are provided copies of WCA's Injury & Illness Prevention Program.

Traffic Control

Traffic control procedures will be set-up in accordance with the Work Area Traffic Control Handbook (WATCH) and State of California Manual of Traffic Controls as well as the Agency Traffic and Safety Operating Rules. WCA will make adequate provisions to insure the normal flow of traffic over the public streets and park roads. Every effort will be made to keep commercial driveways and passageways open to the public during business hours. High visibility arrowboard(s) will be used when needed. Prior to use, the Agency will approve traffic safety equipment and devices. Pedestrian and vehicular traffic shall be allowed to pass through the work areas only under conditions of safety and with as little inconvenience and delay as possible. Unless the work area is totally barricaded or otherwise kept safe, at least one worker will serve to coordinate safe operations on the ground at all times when work operations are in progress.

ATSSA
SAFER ROADS SAVE LIVES

WCA is dedicated to health and safety for trees, employees, and the community.

West Coast Arborists, Inc.

EQUIPMENT

Our modern fleet undergoes daily inspection prior to use to ensure efficiency and safety. All equipment is routinely serviced, painted, and detailed. All equipment used during the duration of this project will meet state and federal safety requirements and have all up-to-date certifications, as required.

Equipment List Summary	
Pick Up Trucks	389
Aerial Lift Devices	358
95ft Aerial Devices	18
Dump Trucks	224
Flat Beds	45
Field Service Trucks	32
Arrowboards	98
ATVs	24
Stump Grinders	67
Loaders	96
Rubber Track Loader	1
Root Pruners	2
Roll off Trucks	54
Saw Mill	3
Log Skidder	4
Back Hoes	1
Brush Chippers	159
Cranes	6
Toyota Prius	8
Toyota Yaris	9
Ford CMAX	4

CHP Biennial Inspection of Terminal Certification

We have successfully been awarded the CHP Biennial Inspection Award of Recognition. This inspection has assisted our company in instituting several safety programs, as well as our Preventative Maintenance Program utilized by our in-house fleet department. The inspection reviews our vehicle maintenance and repair records, our procedural methods and policies for vehicle maintenance and operations. This certification ensures that our vehicles operate safely.

Telematics (GPS)

WCA has partnered with Geo-Tab to provide GPS units on all vehicles and equipment. This investment has given us and our customers the following benefits:

- Provide faster response times and more efficient routing allowing us to service more customers
- Lower operational costs by optimizing our fleet size, reducing labor, overtime, and insurance, and minimizing costly vehicle repairs
- Decrease fuel use by monitoring fleet fuel economy and saving on unnecessary fuel expenditures
- Reduce emissions by helping drivers improve their habits such as speed and idle time, and reducing total miles driven which will significantly reduce harmful greenhouse gas emissions
- Improve dispatching with landmarks and driving directions, GPS units helps us to better dispatch so that we can service more customers, faster
- Recover stolen vehicles reducing liability costs which can be passed on to customers

West Coast Arborists, Inc.

IN-HOUSE FLEET MAINTENANCE

We currently have more than 1,600 pieces of fairly new equipment that enables us to replace equipment immediately should there be any unforeseen mechanical problems. We employ over 50 full-time mechanics that perform an in-house fleet maintenance program. This allows our equipment to be in good operating condition necessary for accomplishing the City's needs. Our mechanics generally work on one particular line of equipment, and by keeping our equipment as uniform as possible our mechanics really get to know the equipment inside and out minimizing down time. Equipment is assigned to different crews and if the crew is shared with another contract the equipment will be as well.

PREVENTATIVE MAINTENANCE PROGRAM

All WCA equipment goes through our Preventative Maintenance program. From our solar powered arrow boards, to our Freightliner Roll Off trucks. Our mechanics generally work on one particular line of equipment, and by keeping our equipment as uniform as possible our mechanics really get to know the equipment inside and out minimizing down time.

SUSTAINABILITY

Over the last few years, we have invested heavily in new equipment to keep our fleet modern, comply with state requirements, meet demand and reduce our effects on the environment. We understand with a fleet as large as ours that we are responsible for the amount of emissions our vehicles produce and actively make an effort to monitor and reduce our carbon footprint.

Through our ability to dedicate specific pieces of equipment for this project, we believe it will lead to a successful program.

West Coast Arborists, Inc.

TECHNOLOGY AND INFORMATION

ARBOR ACCESS

West Coast Arborists has completed **300+** GPS tree inventories.

ArborAccess

Our tree management program sets us apart from other companies. With nearly 2,000 active users, ArborAccess and our mobile app will help you easily manage your urban forest with ease and convenience. Tree site attributes include location (utilizing GPS coordinates), species type, and parkway size. Features allow you to view and edit work history records and create work orders directly from the field, all from our secure cloud.

The information contained in ArborAccess is live data that can also be linked directly to a GIS program, such as ArcView, for geo-coding purposes and can assist your Agency in meeting GASB34 requirements. ArborAccess provides an unlimited resource of information regarding your urban forest.

ArborAccess Features

- Ease of use
- Create work orders
- View tree site details
- View work history
- View invoices
- Mobile app
- Live data
- GIS/GPS mapping

Software Training

Our IT Department is based out of our corporate office in Anaheim, CA with regional offices located throughout California and Arizona. Each office has the ability to provide software training to our customers. We are also available to provide training sessions on-site at the customer's discretion. On-site training is proven to be effective as it provides a guided hands-on experience.

We offer periodic tree maintenance and management workshops each year. These free workshops are provided to our customers regionally and educate over 250 people annually. They have proven to be a great round-table and networking opportunity for the different agencies in attendance. Presentations are provided by WCA management staff and complimented with guest speakers in the industry. Certified Arborists and Tree Workers who attend are eligible to receive continuing education credits (CEU's) from the International Society of Arboriculture.

The success of any urban forest program depends on the proper management of information. Unlimited telephone and/or email support is available to answer technical questions and aid staff in the use of the software system. Software training and support is included in the cost associated with the inventory data collection.

List Tracking System

The List Tracking Report in ArborAccess is a useful tool in the management of incoming work. This report allows both parties to track specific jobs as they are ordered by the Agency. Proper use of this system enables the Agency and WCA to track the completion of work that is ordered.

West Coast Arborists, Inc.

Billing

WCA, Inc. operates a modern invoicing system that is updated on a daily basis. Progress billings will be submitted to the Customers on a bi-weekly basis, unless otherwise requested. Invoices will reflect an amount complete for the billing period, along with a year-to-date total for that job. Each billing will include a listing of completed work by address, tree species, work performed and appropriate data acceptable to the customer. This information will be supplied in hardcopy and immediately accessible on ArborAccess. Job balances reflecting the percent of completion for each job can be viewed on ArborAccess.

Sample Management Tools: Detailed Tree Site Characteristics

The advanced technology provides a valuable tool to urban forestry professionals by displaying specific tree site information along with a representative photograph of the species type and a recommended maintenance field. ArborAccess' built-in quality control features assist in data accuracy. As maintenance is performed, the work history is updated and accompanied with bi-weekly invoices. This process eliminates the need for dual-inputting and helps keep the tree inventory current and accurate.

Maintenance Records

Accurate maintenance records for each location oftentimes can assist the Agency with liability claims. Maintaining a detailed history of the work performed at each location demonstrates good faith in preserving its urban forest. It is imperative that work requests are pulled from the system prior to the work being performed, otherwise inventory accuracy is not guaranteed.

West Coast Arborists, Inc.

Sample: Species Frequency Report

The Species Frequency report can assist your Agency in identifying the tree population within the urban forest. This type of information is valuable in the event of an insect infestation, deadly disease, or even estimating future maintenance costs. In addition, an analysis can be performed to evaluate the history of the performance of a particular species within your Agency.

Botanical	Common	Total
Magnolia grandiflora	SOUTHERN MAGNOLIA	4,256
Ulmus parvifolia	CHINESE ELM	3,657
Lagerstroemia indica	CRAPE MYRTLE	1,638
Jacaranda mimosifolia	JACARANDA	1,527
Cinnamomum camphora	CAMPHOR TREE	1,456
Pinus canariensis	CANARY ISLAND PINE	1,401
Schinus terebinthifolius	BRAZILIAN PEPPER	1,129
Quercus ilex	HOLLY OAK	1,077
Cupaniopsis anacardioides	CARROTWOOD	985
Lophostemon confertus	BRISBANE BOX	835
Other	OTHER	14,330
Total Trees		33,812

Detailed Reporting Options		
Inventory	**Work History**	**District Frequency**
View Invoices	**Work Type by District**	**Species Frequency** (sample above)
Job Balances	**DBH Frequency**	**All Trees at an Address**
Green Waste	**Height Frequency**	**Estimated Tree Value**

WCA helps agencies understand and manage their canopy by sharing inventories, insight, and data.

West Coast Arborists, Inc.

COMMUNITY AND ENVIRONMENT

Wildlife Protection

We have a full-time Biologist, Lissette Rios, on staff whose responsibilities include writing reports, pre-work bird assessments, and training crews on current bird nesting laws as well as BMPs for tree maintenance. The protection of birds, especially during nesting season, is critical to providing responsible tree maintenance and her experience, training and skilled eye have proven to be a great asset to our team. Our safety and training department has committed to working with wildlife preservation associations and played a key role in the establishment of the Tree Care for Birds and Other Wildlife BMP that is used in the tree care industry.

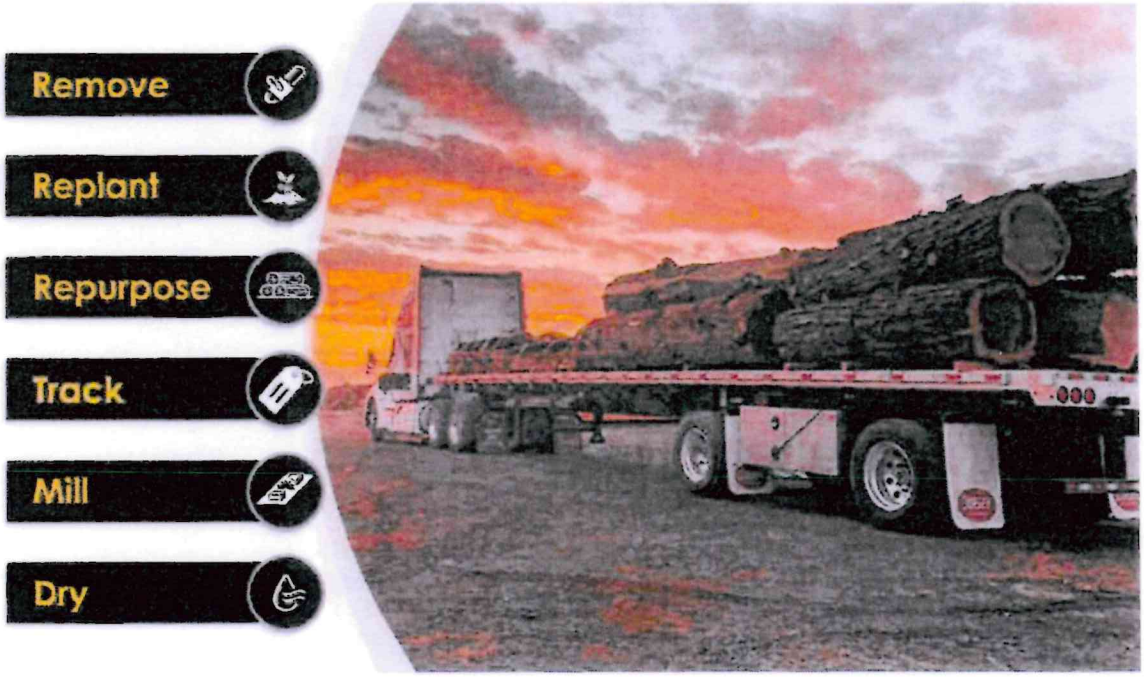
Green Waste

WCA's commitment to be a socially responsible corporate partner to our customers and communities is exemplified in our Recycling Program. With the steadily increasing concern for the ecological health of our communities, WCA has embarked on a landfill diversion process where all material is taken to recycling facilities where it is used in the production of soil amendments. We are committed to taking all recyclable materials removed from the trees trimmed for the duration of this project to a recycling center for processing. Verification of amounts recycled will be obtained and reported by WCA via ArborAccess for the purpose of meeting the goals of the State for reducing landfill usage.

MULCH is made from coarse ground branches and leaves. It should be spread on the ground at a rate of six to twelve inches for best effect. Fresh mulch will deplete nitrogen from the surface of the soil which will reduce unwanted weeds. Once the mulch has decayed, it returns nitrogen which helps build the quality of soil for plants. A large amount of tree debris is processed by WCA and used in large scale mulching projects for establishing native plants in open space areas.

COMPOST is made from fine ground branches, leaves or other organic material. When mixed with oxygen and water, the organic material will decay or "compost." A finished compost is excellent for turning into the top layer of soil and will add nitrogen and increase the water holding capacity of soil. You can make compost at home in a pile in your yard or in a bin that you make or purchase. Large scale composting is done at regional recycling facilities.

FIREWOOD is traditionally the most common use of large branches and logs. Firewood is used to heat homes during winter months. WCA takes logs to our yard, and these are then chopped into usable firewood.



West Coast Arborists, Inc.

Street Tree Revival

STREET TREE REVIVAL, our wood recycling program has become an important component of our approach to urban forest management. 25 years ago, we started our urban wood recycling program in collaboration with the California Department of Forestry and Fire Protection (CDF). Since a number of trees require removal, it was important to create an environmentally sound and socially responsible alternative to importing lumber from other areas and to reduce the demand of trees from natural forests.

All trees have a life cycle, so we are making every effort to save the trees we can from ending up in landfills. When trees need to be removed from the Urban Forest, we preserve their natural beauty and also limit carbon emissions by salvaging trees lost during storms, disease, or normal senescence and recycling this wood into usable raw lumber.

West Coast Arborists, Inc.

Arbor Day Advocates

WCA participates in over 100 Arbor Day and other community events annually by providing educational presentations, tree plantings and sponsorships. As a community partner, we understand the importance of teaching youth about the benefits of trees not only to better our environment but to ensure our urban forests are maintained for years to come.

Grant Services

Cities can improve the management of their urban forest through a grant project. Our grant team is experienced in partnering with various agencies to obtain funding for activities that help their urban forest thrive.

We've managed over **$9,000,000** in grants to date. These grants, completed and new, will result in **14,100 more trees planted.**

Services include:

- Grant writing
- Application review
- Greenhouse gas calculations
- Partnership development
- Volunteer training
- Community events
- Project management
- Project reporting
- Development of education/outreach material
- Match tracking
- Media & outreach
- Canvassing logistics
- Volunteer training
- Urban Forestry community workshops

West Coast Arborists, Inc.

Community Involvement

WCA participates in Arbor Day and other community events annually by providing educational presentations, tree plantings and sponsorships. As a community partner, we understand the importance of teaching youth about the benefits of trees not only to better our environment but to ensure our urban forests are maintained for years to come. WCA has a designated "Grants Team" to work with agencies to obtain grants for tree planting and growing the urban forest.

Partnering with the Arizona Sustainability Alliance to engage K-12 educators in urban forestry.

Community Campaigns

WCA has partnered with *Invest From the Ground Up* and the *Western Chapter International Society of Arboriculture* to plant trees across California under their newest initiative – Cool Parks. With a generous grant from CAL FIRE, the Cool Parks team is working alongside partner cities and nonprofits to bring 2500 trees to California's disadvantaged and low-income communities, organize a CA Tree Team workshop, and engage residents to learn and care about the trees in their city.

Prior to the "Cool Parks" campaign, WCA participated in the CIRCLE (California Initiative to Reduce Carbon and Limit Emissions) campaign since its launch in October of 2016. Each round of tree planting events has provided thousands of trees to communities across California. The trees planted have the potential to sequester millions of pounds of CO_2.

These events are valuable to California communities by generating thousands of volunteers, improving air quality, and educating the local community about proper tree planting techniques. Together, we can grow the urban forest for a more sustainable future.

CERTIFICATE OF LIABILITY INSURANCE

ADDITIONAL INSURED - STATE OR GOVERNMENTAL AGENCY OR SUBDIVISION OR POLITICAL SUBDIVISION - PERMITS OR AUTHORIZATIONS

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

State Or Governmental Agency Or Subdivision Or Political Subdivision:
THE CITY OF PLACENTIA, ITS ELECTED AND APPOINTED BOARDS, OFFICERS OFFICIALS, AGENTS, EMPLOYEES AND VOLUNTEERS
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

A. **Section II - Who Is An Insured** is amended to include as an additional insured any state or governmental agency or subdivision or political subdivision shown in the Schedule, subject to the following provisions:

1. This insurance applies only with respect to operations performed by you or on your behalf for which the state or governmental agency or subdivision or political subdivision has issued a permit or authorization.

   However:

   a. The insurance afforded to such additional insured only applies to the extent permitted by law; and

   b. If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

2. This insurance does not apply to:

   a. "Bodily injury", "property damage" or "personal and advertising injury" arising out of operations performed for the federal government, state or municipality; or

   b. "Bodily injury" or "property damage" included within the "products-completed operations hazard".

B. With respect to the insurance afforded to these additional insureds, the following is added to **Section III - Limits Of Insurance:**

If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance:

1. Required by the contract or agreement; or
2. Available under the applicable limits of insurance;

whichever is less.

This endorsement shall not increase the applicable limits of insurance.

ADDITIONAL INSURED - OWNERS, LESSEES OR CONTRACTORS - SCHEDULED PERSON OR ORGANIZATION

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Name Of Additional Insured Person(s) Or Organization(s)	Location(s) Of Covered Operations
WHERE REQUIRED BY WRITTEN CONTRACT	WHERE REQUIRED BY WRITTEN CONTRACT
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

A. **Section** II - **Who Is An Insured** is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:

1. Your acts or omissions; or
2. The acts or omissions of those acting on your behalf;

in the performance of your ongoing operations for the additional insured(s) at the location(s) designated above.

However:

1. The insurance afforded to such additional insured only applies to the extent permitted by law; and
2. If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

B. With respect to the insurance afforded to these additional insureds, the following additional exclusions apply:

This insurance does not apply to "bodily injury" or "property damage" occurring after:

1. All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or
2. That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

ADDITIONAL INSURED - OWNERS, LESSEES OR CONTRACTORS - COMPLETED OPERATIONS

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART
PRODUCTS/COMPLETED OPERATIONS LIABILITY COVERAGE PART

SCHEDULE

Name Of Additional Insured Person(s) Or Organization(sJ	Location And Description Of Completed Operations
WHERE REQUIRED BY WRITTEN CONTRACT	WHERE REQUIRED BY WRITTEN CONTRACT
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

A. **Section** II - **Who Is An Insured** is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for "bodily injury" or "property damage" caused, in whole or in part, by "your work" at the location designated and described in the Schedule of this endorsement performed for that additional insured and included in the "products-completed operations hazard".

However:

1. The insurance afforded to such additional insured only applies to the extent permitted by law; and
2. If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

B. With respect to the insurance afforded to these additional insureds, the following is added to **Section** III - **Limits Of Insurance:**

If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance:

1. Required by the contract or agreement; or
2. Available under the applicable limits of insurance;

AMENDMENT OF OTHER INSURANCE CONDITION - PRIMARY OR PRIMARY AND NON-CONTRIBUTORY WHEN REQUIRED BY CONTRACT

This endorsement modifies insurance provided under the following:

PRODUCTS/COMPLETED OPERATIONS LIABILITY COVERAGE PART (EXCESS)
PRODUCTS/COMPLETED OPERATIONS LIABILITY COVERAGE PART (EXCESS – BROAD FORM)

With respect to other insurance available to any person or organization who is an additional insured under this Coverage Part, the following replaces Paragraph **4.**, **Other Insurance** of **Section IV – PRODUCTS/COMPLETED OPERATIONS LIABILITY CONDITIONS:**

4. Other Insurance

If other valid and collectible insurance is available to the insured for a loss we cover under Coverages **A** or **B** of this Coverage Part, our obligations are limited as follows:

a. Primary Insurance When Required By Contract

If you have agreed in a written contract, written agreement or permit that this insurance be primary, then subject to the "self-insured retention", this insurance is primary . If other insurance is also primary, we will share with all that other insurance by the method described in Paragraph **c.** below.

b. Primary And Non-Contributory To Other Insurance When Required By Contract

If you have agreed in a written contract, written agreement, or permit that this insurance is primary and non-contributory with the additional insured's own insurance, then subject to the "self-insured retention", this insurance is primary, and we will not seek contribution from that other insurance.

Paragraphs **a.** and **b.** do not apply to other insurance to which the additional insured has been added as an additional insured.

c. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

AMENDMENT NO. 2 TO
MAINTENANCE SERVICES AGREEMENT
PROVISION OF TREE TRIMMING SERVICES WITH
WEST COAST ARBORISTS INC.

This Amendment No. 2 ("Amendment") to the Maintenance Services Agreement is made and entered into and effective the 30th day of June 2026, by and between the CITY OF PLACENTIA, a Charter City and Municipal Corporation, ("CITY") and West Coast Arborists, Inc, a California corporation (hereinafter "CONTRACTOR"). CITY and CONTRACTOR are sometimes hereinafter individually referred to as "Party" and or collectively referred to as the "Parties."

A. Recitals.

(i) CITY and CONTRACTOR entered into a Maintenance Services Agreement ("Agreement") effective June 30, 2023, through which CONTRACTOR has been providing maintenance services as more fully explained in the Scope of Services attached to the Agreement.

(ii) The Parties now seek to amend the Agreement to increase the contract not-to-exceed by an additional Five Hundred Thirty-Two Thousand Six Hundred Seventy-Two Dollars ($532,672) to account for a rate increase of 2.9 percent and a contract term extension for two additional years.

(iii) All legal prerequisites to the making of this Amendment have occurred.

NOW, THEREFORE, in consideration of the mutual covenants and conditions set forth herein, the Parties agree as follows:

B. Amendments to Agreement.

1. Section 2, Paragraph 1. of the Agreement is hereby amended to read as follows:
   2.1.Compensation. Consultant shall be paid in accordance with the fee schedule set forth in Exhibit "A" and compensation may be adjusted on an annual basis as outline in Exhibit "A". Contractor's total compensation shall not exceed a cumulative amount of One Million, Three Hundred Nine Thousand, One Hundred Sixty-Two Dollars ($1,309,162) for the extended two-year contract.

2. Section 4, Paragraph 1 of the Agreement is hereby amended to read as follows:
   4.1.Term. This Agreement shall commence on the Effective Date and continue for a period of 60 months, ending on June 30, 2028, unless previously terminated as provided herein or as otherwise agreed to in writing by the parties.

3. Except as specifically modified herein, all the terms, conditions, and provisions of the Agreement shall remain in full force and effect.

4. The Agreement, all amendments together with this Amendment No. 2 and all Exhibits attached thereto, constitute the entire Agreement between the Parties and supersede all prior negotiations, arrangements, representations, and understandings, if any, made by or between the Parties with respect to the subject matter hereof. No amendment or other modification of the Agreement, as modified by this Amendment No. 2, shall be binding unless executed in writing by both Parties hereto, or their respective successors, assigns, or grantees.

5. Each of the undersigned representatives warrants that he or she is duly authorized to execute and deliver this Amendment No. 2 and that such execution is binding upon the entity for which he or she is executing this document.

IN WITNESS WHEREOF, the Parties have made Amendment No. 2 to the Maintenance Services Agreement to be executed as of the day and year first above written.

PLACENTIA CITY COUNCIL AGENDA REPORT

Meeting Date: June 16, 2026

Submitted by: Jerry Griggs

From: Finance

Subject:
AMENDMENT NO. 4 TO PROFESSIONAL SERVICES AGREEMENT WITH HDL COMPANIES FOR SALES TAX AUDITING AND CONSULTING SERVICES

Financial Impact:
Expense: $6,540 Annual Fee Plus Additional Fees Contingent on Recovered Revenue Budgeted in FY26-27 Proposed Budget

Summary:
City staff relies upon accurate, thorough sales tax collection information to estimate revenues for budgeting purposes, to assess progress in collecting sales tax revenue throughout the year and to monitor economic trends that can affect current or future budget estimates. Additionally, City staff must be assured that sales tax received in the City is not paid to another agency in error. The specialized skills and equipment needed to undertake such analysis are beyond the scope of City staff and specialized software is required. Therefore, it is more practical to hire consultants with the appropriate skills, training and equipment to perform sales tax analysis for the City. HdL Companies is qualified to perform such specialized analysis. The City has utilized HdL Companies sales tax consulting services for over twenty (20) years with exceptional results. Many other local cities also use HdL Companies and have experienced similar results in recovering misallocated sales tax revenue. This action will approve an amendment to the current agreement with HdL Companies for sales tax analysis and auditing services extending the term by one year at which time the City will conduct a Request for Proposals (RFP).

Recommended Action:
It is recommended that the City Council:

1. Approve Amendment No. 4 to the Professional Services Agreement with Hinderliter, de Llamas and Associates (HdL Companies) for Sales Tax Analysis and Auditing Services for a term ending June 30, 2027; and
2. Authorize the City Administrator and/or her designee to execute all the necessary documents in a form approved by the City Attorney.

Strategic Plan Statement:
This item is consistent with the City Council approved Strategic Goal No. 1 to Ensure Long-Term Fiscal Sustainability but is not tied to a specific Objective.

Discussion:
The California Department of Tax and Fee Administration (CDTFA) makes sales tax collection data available to local government agencies for analysis and tracking purposes, however because this data is provided in electronic format, specialized software is needed to decipher and analyze the data before meaningful reports can be created for use by staff. Additionally, if recording errors are made by the CDTFA it can lead to allocation of sales tax credited to the wrong agency. If the errors can be identified and brought to the attention of the CDTFA, misallocated funds can be recovered and reallocated to the correct agency. HdL Companies is qualified to perform such specialized analysis. The City has utilized HdL Companies sales tax consulting services for over twenty (20) years with exceptional results. Many other local cities also use HdL Companies and have experienced similar results in recovering misallocated sales tax revenue. HdL Companies have supplied the City with budget revenue estimates with excellent accuracy over the years. Additionally, sales tax revenue estimates are updated every quarter to ensure that the City is meeting its revenue goals during the fiscal year.

The City has received outstanding service over the years from HdL Companies and their consultants. Their excellent reputation with California cities, past record of providing an excellent service level, their knowledge of the City and its sales tax generating businesses and geographical areas and demographics as well as the low cost of this contract, City staff is recommending a one-year extension of the current agreement and will plan on conducting a Request for Proposals (RFP) in advance of the expiration of this extension.

Financial Summary:
The annual cost for basic service is $6,540 for Fiscal Year 2026-27. HdL Companies also charge 15% of misallocated sales tax revenue or unreported revenue that is recovered because of an audit. Any additional cost incurred because of misallocated or unreported sales tax would be covered by the additional revenue received and there would be no additional fiscal impact to the City. The cost of these services is included in the FY2026-27 Proposed Budget.

CITY OF PLACENTIA

AMENDMENT NO. 4 TO

PROFESSIONAL SERVICES AGREEMENT
FOR SALES AND USE TAX SERVICES

1. PARTIES AND DATE.

This Amendment No. 4 to Professional Services Agreement ("Fourth Amendment") is entered into on the 16th day of June, 2026, by and between the CITY of PLACENTIA ("CITY") and Hinderliter de Llamas and Associates, a California corporation ("Consultant")**.** CITY and Consultant are sometimes individually referred to herein as "Party" and collectively as "Parties."

2. RECITALS.

2.1 Agreement. The Parties entered into a Professional Services Agreement dated January 1, 2019 ("Agreement").

2.2 Amendment No.1 The First Amendment was approved and became effective on July 1, 2023, extending the term through June 30, 2024.

2.3 Amendment No.2 The Second Amendment was approved and became effective July 1, 2024, extending the term through June 30, 2025.

2.4 Amendment No.3 The Third Amendment was approved and became effective July 1, 2025, extending the term through June 30, 2026.

2.5 The Parties now desire to amend the Agreement for ongoing consultation to extend the contract term to June 30, 2027.

2.6 Remaining Provisions of Agreement. Except as otherwise specifically set forth in this Fourth Amendment, the remaining provisions of the Agreement shall remain in full force and effect.

CITY OF PLACENTIA
PROFESSIONAL SERVICES AGREEMENT
WITH
HINDERLITER, DE LLAMAS AND ASSOCIATES

THIS AGREEMENT is made and entered into this 1st day of January, 2019 ("Effective Date"), by and between the CITY OF PLACENTIA, a municipal corporation ("City"), and HINDERLITER, DE LLAMAS AND ASSOCIATES, a California Corporation ("Consultant").

W I T N E S S E T H :

A. WHEREAS, City proposes to utilize the services of Consultant as an independent Consultant to provide sales tax consulting services, as more fully described herein; and

B. WHEREAS, Consultant represents that it has that degree of specialized expertise contemplated within California Government Code Section 37103, and holds all necessary licenses to practice and perform the services herein contemplated; and

C. WHEREAS, City and Consultant desire to contract for the specific services described in Exhibit "A" (the "Project") and desire to set forth their rights, duties and liabilities in connection with the services to be performed; and

D. WHEREAS, no official or employee of City has a financial interest, within the provisions of Sections 1090-1092 of the California Government Code, in the subject matter of this Agreement.

NOW, THEREFORE, for and in consideration of the mutual covenants and conditions contained herein, the parties hereby agree as follows:

1.0. SERVICES PROVIDED BY CONSULTANT

1.1. Scope of Services. Consultant shall provide the professional services described in Consultant's Scope of Work, attached hereto as Exhibit "A" and incorporated herein by this reference.

1.2. Professional Practices. All professional services to be provided by Consultant pursuant to this Agreement shall be provided by personnel experienced in their respective fields and in a manner consistent with the standards of care, diligence and skill ordinarily exercised by professional consultants in similar fields and circumstances in accordance with sound professional practices. Consultant also warrants that it is familiar with all laws that may affect its performance of this Agreement and shall advise City of any changes in any laws that may affect Consultant's performance of this Agreement. Consultant shall keep itself informed of State and Federal laws and regulations which in any manner affect those employed by it or in any way affect the performance of its service pursuant to this Agreement. The Consultant shall at all times observe and comply with all such laws and regulations. Officers and employees shall not be liable at law or in equity occasioned by failure of the Consultant to comply with this section.

1.3. Performance to Satisfaction of City. Consultant agrees to perform all the work to the complete satisfaction of the City and within the hereinafter specified. Evaluations of the work will be done by the City Administrator or his or her designee. If the quality of work is not satisfactory, City in its discretion has the right to:

(a) Meet with Consultant to review the quality of the work and resolve the matters of concern;

(b) Require Consultant to repeat the work at no additional fee until it is satisfactory; and/or

(c) Terminate the Agreement as hereinafter set forth.

1.4. Warranty. Consultant warrants that it shall perform the services required by this Agreement in compliance with all applicable Federal and California employment laws, including, but not limited to, those laws related to minimum hours and wages; occupational health and safety; fair employment and employment practices; workers' compensation insurance and safety in employment; and all other Federal, State and local laws and ordinances applicable to the services required under this Agreement. Consultant shall indemnify and hold harmless City from and against all claims, demands, payments, suits, actions, proceedings, and judgments of every nature and description including attorneys' fees and costs, presented, brought, or recovered against City for, or on account of any liability under any of the above-mentioned laws, which may be incurred by reason of Consultant's performance under this Agreement.

1.5. Non-discrimination. In performing this Agreement, Consultant shall not engage in, nor permit its agents to engage in, discrimination in employment of persons because of their race, religion, color, national origin, ancestry, age, physical handicap, medical condition, marital status, sexual gender or sexual orientation, except as permitted pursuant to Section 12940 of the Government Code. Such actions shall include, but not be limited to the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation and selection for training, including apprenticeship. Consultant agrees to post in conspicuous places, available to employees and applicants for employment, a notice setting forth provisions of this non-discrimination clause.

Consultant shall, in all solicitations and advertisements for employees placed by, or on behalf of Consultant shall state that all qualified applicants will receive consideration for employment without regard to age, race, color, religion, sex, marital status, national origin, or mental or physical disability. Consultant shall cause the paragraphs contained in this Section to be inserted in all subcontracts for any work covered by the Agreement, provided that the foregoing provisions shall not apply to subcontracts for standard commercial supplies or raw materials.

1.6. Non-Exclusive Agreement. Consultant acknowledges that City may enter into agreements with other consultants for services similar to the services that are subject to this Agreement or may have its own employees perform services similar to those services contemplated by this Agreement.

1.7. Delegation and Assignment. This is a personal service contract, and the duties set forth herein shall not be delegated or assigned to any person or entity without the prior written consent of City. Consultant may engage a sub-consultant(s) as permitted by law and may employ other personnel to perform services contemplated by this Agreement at Consultant's sole cost and expense. All insurance requirements contained in this Agreement are independently applicable to any and all sub-consultants that Consultant may engage during the term of this Agreement.

1.8. Confidentiality. Employees of Consultant in the course of their duties may have access to financial, accounting, statistical, and personnel data of private individuals and

employees of City. Consultant covenants that all data, documents, discussion, or other information developed or received by Consultant or provided for performance of this Agreement are deemed confidential and shall not be disclosed by Consultant without written authorization by City. City shall grant such authorization if disclosure is required by law. All City data shall be returned to City upon the termination of this Agreement. Consultant's covenant under this Section shall survive the termination of this Agreement.

1.9 Non-Disclosure of Proprietary Information. In performing its duties under this Agreement, CONSULTANT will produce reports, technical information and other compilations of data to CITY. These reports, technical information and compilations of data are derived by CONSULTANT using methodologies, formulae, programs, techniques and other processes designed and developed by CONSULTANT at a substantial expense. CONSULTANT'S reports, technical information, compilations of data, methodologies, formulae, software, programs, techniques and other processes designed and developed by CONSULTANT shall be referred to as Proprietary Information. CONSULTANT'S Proprietary Information is not generally known by the entities with which CONSULTANT competes.

CONSULTANT desires to protect its Proprietary Information. Accordingly, CITY agrees that neither it nor any of its employees, agents, independent contractors or other persons or organizations over which it has control, will at any time during or after the term of this Agreement, directly or indirectly use any of CONSULTANT'S Proprietary Information for any purpose not associated with CONSULTANT'S activities. Further, CITY agrees that it nor any of its employees, agents, independent Consultants or other persons or organizations over which it has control, will disseminate or disclose any of CONSULTANT'S Proprietary Information to any person or organization not connected with CONSULTANT, without the express written consent of CONSULTANT. The CITY also agrees that consistent with its obligations under the California Public Records Act and related disclosure laws, it will undertake all necessary and appropriate steps to maintain the proprietary nature of CONSULTANT'S Proprietary Information.
Any use of the Proprietary Information or any other reports, records, documents or other materials prepared by CONSULTANT hereunder for other projects and/or use of uncompleted documents without specific written authorization by the CONSULTANT will be at the CITY's sole risk and without liability to CONSULTANT, and the CITY shall indemnify the CONSULTANT for all damages resulting therefrom.

1.10 Release of Documents Pursuant to Public Records Act. Notwithstanding any other provision in this Agreement, all obligations relating to disclosure of Proprietary Information remain subject to the Freedom of Information Act or California Public Records Act, Cal. Gov't Code §§ 6250 et seq. (collectively, the "PRA"). The Parties intend that if CITY is served with a request for disclosure under the PRA, or any similar statute, the CITY in good faith will make the determination as to whether the material is disclosable or exempt under the statute, and shall resist the disclosure of Proprietary Information which is exempt from disclosure to the extent allowable under the law. CITY shall advise CONSULTANT in writing five (5) days prior to the intended disclosure of any decision to disclose Proprietary Information, and the reasons therefore, and if CONSULTANT then timely advises CITY in writing that it objects to the disclosure, CITY shall not disclose the information. In such case, CONSULTANT shall then be solely liable for defending the non-disclosure and shall indemnify and hold CITY harmless for such nondisclosure.

2.0. COMPENSATION AND BILLING

2.1. Compensation. Consultant shall be paid in accordance with the fee schedule set forth in Exhibit "A." Consultant's total compensation for fixed fee services shall not exceed Four Thousand Six Hundred Fifty Dollars ($4,650.00) annually in Fiscal Year 2018-19 ($325 per month July through December and $450 per month January through June). Effective January 1, 2020, and each year thereafter, the monthly fee of $450 will increase by the percentage increase in the Consumer Price Index (CPI) for the preceding twelve (12) months. For this agreement, the CPI Index for Los Angeles – Long Beach – Anaheim, All Items, as published by the United States Department of Labor Statistics will be utilized, as detailed in the Exhibit A fee for services section.

2.2. Additional Services. Consultant shall be paid 15% of all new and recovered sales, use and transactions tax revenue received by the City as a result, in whole or in part, of the allocation and audit recovery services, as outlined in Exhibit A. The Consultant shall also be compensated for Consultation or Optional Services described in Exhibit A at the rates listed. Any services provided outside the scope of services specified in the Consultant's Proposal or which is inconsistent with or in violation of the provisions of this Agreement unless the City or the Project Manager for this Project, prior to Consultant performing the additional services, approves such additional services in writing. It is specifically understood that oral requests and/or approvals of such additional services or additional compensation shall be barred and are unenforceable. Should the City request in writing additional services that increase the hereinabove described "SCOPE OF SERVICES", an additional fee based upon the Consultant's standard hourly rates shall be paid to the Consultant for such additional services. Such increase in additional fees shall be limited to 25% of the total contract sum or $25,000 whichever is more. The City Administrator is authorized to approve a Change Order for such additional services.

2.3. Method of Billing. Consultant may submit invoices to the City for approval on a quarterly basis. Said invoice shall be based on the total of all Consultant's services which have been completed to City's sole satisfaction. City shall pay Consultant's invoice within forty-five (45) days from the date City receives said invoice. Each invoice shall describe in detail, the services performed, the date of performance, and the associated time for completion. Any additional services approved and performed pursuant to this Agreement shall be designated as "Additional Services" and shall identify the number of the authorized change order, where applicable, on all invoices.

2.4. Records and Audits. Records of Consultant's services relating to this Agreement shall be maintained in accordance with generally recognized accounting principles and shall be made available to City or its Project Manager for inspection and/or audit at mutually convenient times for a period of three (3) years from the Effective Date.

3.0. TIME OF PERFORMANCE

3.1. Commencement and Completion of Work. The professional services to be performed pursuant to this Agreement shall commence within five (5) days from the Effective Date of this Agreement. Said services shall be performed in strict compliance with the Project Schedule approved by City as set forth in Exhibit "A." The Project Schedule may be amended by mutual agreement of the parties. Failure to commence work in a timely manner and/or diligently pursue work to completion may be grounds for termination of this Agreement.

3.2. Excusable Delays. Neither party shall be responsible for delays or lack of performance resulting from acts beyond the reasonable control of the party or parties. Such acts

shall include, but not be limited to, acts of God, fire, strikes, material shortages, compliance with laws or regulations, riots, acts of war, or any other conditions beyond the reasonable control of a party. If a delay beyond the control of the Consultant is encountered, a time extension may be mutually agreed upon in writing by the City and the Consultant. The Consultant shall present documentation satisfactory to the City to substantiate any request for a time extension.

4.0. TERM AND TERMINATION

4.1. Term. This Agreement shall commence on the Effective Date and continue for a period of 5 years, ending on June 30, 2023, unless previously terminated as provided herein or as otherwise agreed to in writing by the parties.

4.2. Notice of Termination. The City reserves and has the right and privilege of canceling, suspending or abandoning the execution of all or any part of the work contemplated by this Agreement, with or without cause, at any time, by providing at least fifteen (15) days prior written notice to Consultant. The termination of this Agreement shall be deemed effective upon receipt of the notice of termination. In the event of such termination, Consultant shall immediately stop rendering services under this Agreement unless directed otherwise by the City. If the City suspends, terminates or abandons a portion of this Agreement such suspension, termination or abandonment shall not make void or invalidate the remainder of this Agreement.

If the Consultant defaults in the performance of any of the terms or conditions of this Agreement, it shall have ten (10) days after service upon it of written notice of such default in which to cure the default by rendering a satisfactory performance. In the event that the Consultant fails to cure its default within such period of time, the City shall have the right, notwithstanding any other provision of this Agreement, to terminate this Agreement without further notice and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement.

The City shall have the right, notwithstanding any other provisions of this Agreement, to terminate this Agreement, at its option and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement, immediately upon service of written notice of termination on the Consultant, if the latter should:

a. Be adjudged a bankrupt;

b. Become insolvent or have a receiver of its assets or property appointed because of insolvency;

c. Make a general assignment for the benefit of creditors;

d. Default in the performance of any obligation or payment of any indebtedness under this Agreement;

e. Suffer any judgment against it to remain unsatisfied or unbonded of record for thirty (30) days or longer; or

f. Institute or suffer to be instituted any procedures for reorganization or rearrangement of its affairs.

4.3. Compensation. In the event of termination, City shall pay Consultant for reasonable costs incurred and professional services satisfactorily performed up to and including the date of City's written notice of termination within thirty-five (35) days after service of the notice

of termination. Compensation for work in progress shall be prorated based on the percentage of work completed as of the effective date of termination in accordance with the fees set forth herein. In ascertaining the professional services actually rendered hereunder up to the effective date of termination of this Agreement, consideration shall be given to both completed work and work in progress, to complete and incomplete drawings, and to other documents pertaining to the services contemplated herein whether delivered to the City or in the possession of the Consultant. City shall not be liable for any claim of lost profits.

4.4. Documents. In the event of termination of this Agreement, all documents prepared by Consultant in its performance of this Agreement including, but not limited to, finished or unfinished design, development and construction documents, data studies, drawings, maps and reports, shall be delivered to the City within ten (10) days of delivery of termination notice to Consultant, at no cost to City. Any use of uncompleted documents without specific written authorization from Consultant shall be at City's sole risk and without liability or legal expense to Consultant.

5.0. INSURANCE

5.1. Minimum Scope and Limits of Insurance. Consultant shall obtain, maintain, and keep in full force and effect during the life of this Agreement all of the following minimum scope of insurance coverages with an insurance company admitted to do business in California, rated "A," Class X, or better in the most recent Best's Key Insurance Rating Guide, and approved by City:

(a) Broad-form commercial general liability, in a form at least as broad as ISO from #CG 00 01 04 13, including premises-operations, products/completed operations, broad form property damage, blanket contractual liability, independent Consultants, personal injury or bodily injury with a policy limit of not less than One Million Dollars ($1,000,000.00), combined single limits, per occurrence. If such insurance contains a general aggregate limit, it shall apply separately to this Agreement or shall be twice the required occurrence limit.

(b) Business automobile liability for owned vehicles, hired, and non-owned vehicles, with a policy limit of not less than One Million Dollars ($1,000,000.00), combined single limits, each incident for bodily injury and property damage.

(c) Workers' compensation insurance as required by the State of California and Employers Liability Insurance with a minimum limit of $1,000,000 per accident for any employee or employees of Consultant. Consultant agrees to waive, and to obtain endorsements from its workers' compensation insurer waiving subrogation rights under its workers' compensation insurance policy against the City, its officers, agents, employees, and volunteers for losses arising from work performed by Consultant for the City and to require each of its sub-consultants, if any, to do likewise under their workers' compensation insurance policies.

Before execution of this Agreement by the City, the Consultant shall file with the Public Works Director/City Engineer the following signed certification:

I am aware of, and will comply with, Section 3700 of the Labor Code, requiring every employer to be insured against liability of Workers' Compensation or to undertake self-insurance before commencing any of the work.

The Consultant shall also comply with Section 3800 of the Labor Code by securing, paying for and maintaining in full force and effect for the duration of this Agreement, complete Workers' Compensation Insurance, and shall furnish a Certificate of Insurance to the Public Works Director/City Engineer before execution of this Agreement by the City. The City, its officers and employees shall not be responsible for any claims in law or equity occasioned by failure of the consultant to comply with this section.

(d) Professional errors and omissions ("E&O") liability insurance with policy limits of not less than One Million Dollars ($1,000,000.00), combined single limits, per occurrence and aggregate. Architects' and engineers' coverage shall be endorsed to include contractual liability. If the policy is written as a "claims made" policy, the retro date shall be prior to the start of the contract work. Consultant shall obtain and maintain, said E&O liability insurance during the life of this Agreement and for three years after completion of the work hereunder.

Neither the CITY nor any of its elected or appointed officials, officers, agents, employees, or volunteers makes any representation that the types of insurance and the limits specified to be carried by Consultant under this Agreement are adequate to protect Consultant. If Consultant believes that any such insurance coverage is insufficient, Consultant shall provide, at its own expense, such additional insurance as Consultant deems adequate.

5.2. Endorsements. The commercial general liability insurance policy and business automobile liability policy shall contain or be endorsed to contain the following provisions:

(a) Additional insureds: "The City of Placentia and its elected and appointed boards, officers, officials, agents, employees, and volunteers are additional insureds with respect to: liability arising out of activities performed by or on behalf of the Consultant pursuant to its contract with the City; products and completed operations of the Consultant; premises owned, occupied or used by the Consultant; automobiles owned, leased, hired, or borrowed by the Consultant."

(b) Notice: "Consultant shall provide immediate written notice if (1) any of the required insurance policies is terminated; (2) the limits of any of the required polices are reduced; (3) or the deductible or self-insured retention is increased. In the event of any cancellation or reduction in coverage or limits of any insurance, Consultant shall forthwith obtain and submit proof of substitute insurance. Should Consultant fail to immediately procure other insurance, as specified, to substitute for any canceled policy, the City may procure such insurance at Consultant's sole cost and expense."

(c) Other insurance: "The Consultant's insurance coverage shall be primary insurance as respects the City of Placentia, its officers, officials, agents, employees, and volunteers. Any other insurance maintained by the City of Placentia shall be excess and not contributing with the insurance provided

by this policy."

(d) Any failure to comply with the reporting provisions of the policies shall not affect coverage provided to the City of Placentia, its officers, officials, agents, employees, and volunteers.

(e) The Consultant's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

5.3. Deductible or Self-Insured Retention. If any of such policies provide for a deductible or self-insured retention to provide such coverage, the amount of such deductible or self-insured retention shall be approved in advance by City. No policy of insurance issued as to which the City is an additional insured shall contain a provision which requires that no insured except the named insured can satisfy any such deductible or self-insured retention.

5.4. Certificates of Insurance. Consultant shall provide to City certificates of insurance showing the insurance coverages and required endorsements described above, in a form and content approved by City, prior to performing any services under this Agreement. The certificates of insurance and endorsements shall be attached hereto as Exhibit "B" and incorporated herein by this reference.

5.5. Non-limiting. Nothing in this Section shall be construed as limiting in any way, the indemnification provision contained in this Agreement, or the extent to which Consultant may be held responsible for payments of damages to persons or property.

6.0. GENERAL PROVISIONS

6.1. Entire Agreement. This Agreement constitutes the entire agreement between the parties with respect to any matter referenced herein and supersedes any and all other prior writings and oral negotiations. This Agreement may be modified only in writing, and signed by the parties in interest at the time of such modification. The terms of this Agreement shall prevail over any inconsistent provision in any other contract document appurtenant hereto, including exhibits to this Agreement.

6.2. Representatives. The City Administrator or his or her designee shall be the representative of City for purposes of this Agreement and may issue all consents, approvals, directives and agreements on behalf of the City, called for by this Agreement, except as otherwise expressly provided in this Agreement.

Consultant shall designate a representative for purposes of this Agreement who shall be authorized to issue all consents, approvals, directives and agreements on behalf of Consultant called for by this Agreement, except as otherwise expressly provided in this Agreement.

6.3. Project Managers. City shall designate a Project Manager to work directly with Consultant in the performance of this Agreement. It shall be the Consultant's responsibility to assure that the Project Manager is kept informed of the progress of the performance of the services and the Consultant shall refer any decision, which must be made by City, to the Project Manager. Unless otherwise specified herein, any approval of City required hereunder shall mean the approval of the Project Manager.

Consultant shall designate a Project Manager who shall represent it and be its agent in all consultations with City during the term of this Agreement and who shall not be changed by Consultant without the express written approval by the City. Consultant or its Project Manager shall attend and assist in all coordination meetings called by City.

6.4. Notices. Any notices, documents, correspondence or other communications concerning this Agreement or the work hereunder may be provided by personal delivery, facsimile or if mailed, shall be addressed as set forth below and placed in a sealed envelope, postage prepaid, and deposited in the United States Postal Service. Such communication shall be deemed served or delivered: a) at the time of delivery if such communication is sent by personal delivery; b) at the time of transmission if such communication is sent by facsimile; and c) 72 hours after deposit in the U.S. Mail as reflected by the official U.S. postmark if such communication is sent through regular United States mail.

Hinderliter, de Llamas and Associates 120 S. State College Boulevard, Suite 200 Brea, CA 92821 Tel: 714-879-5000	City of Placentia 401 E. Chapman Placentia, CA 92870 Tel: 714-993-8229
Attn: Andrew Nickerson, President	Attn: Kim Krause, Director of Finance

6.5. Attorneys' Fees. In the event that litigation is brought by any party in connection with this Agreement, the prevailing party shall be entitled to recover from the opposing party all costs and expenses, including reasonable attorneys' fees, incurred by the prevailing party in the exercise of any of its rights or remedies hereunder or the enforcement of any of the terms, conditions, or provisions hereof.

6.6. Governing Law. This Agreement shall be governed by and construed under the laws of the State of California without giving effect to that body of laws pertaining to conflict of laws. In the event of any legal action to enforce or interpret this Agreement, the parties hereto agree that the sole and exclusive venue shall be a court of competent jurisdiction located in Orange County, California. Consultant agrees to submit to the personal jurisdiction of such court in the event of such action.

6.7. Assignment. Consultant shall not voluntarily or by operation of law assign, transfer, sublet or encumber all or any part of Consultant's interest in this Agreement without City's prior written consent. Any attempted assignment, transfer, subletting or encumbrance shall be void and shall constitute a breach of this Agreement and cause for termination of this Agreement. Regardless of City's consent, no subletting or assignment shall release Consultant of Consultant's obligation to perform all other obligations to be performed by Consultant hereunder for the term of this Agreement.

6.8. Indemnification and Hold Harmless. Consultant agrees to defend, indemnify, hold free and harmless the City, its elected and appointed officials, officers, agents and employees, at Consultant's sole expense, from and against any and all claims, demands, actions, suits or other legal proceedings brought against the City, its elected and appointed officials,

officers, agents and employees arising out of the performance of the Consultant, its employees, and/or authorized sub-consultants, of the work undertaken pursuant to this Agreement. The defense obligation provided for hereunder shall whenever any claim, action, complaint or suit asserts liability against the City, its elected and appointed officials, officers, agents and employees based upon the work performed by the Consultant, its employees, and/or authorized sub-consultants under this Agreement, whether or not the Consultant, its employees, and/or authorized sub-consultants are specifically named or otherwise asserted to be liable. Notwithstanding the foregoing, the Consultant shall not be liable for the defense or indemnification of the City for claims, actions, complaints or suits arising out of the sole active negligence or willful misconduct of the City. This provision shall supersede and replace all other indemnity provisions contained either in the City's specifications or Consultant's Proposal, which shall be of no force and effect.

6.9. Independent Consultant. Consultant is and shall be acting at all times as an independent Consultant and not as an employee of City. Consultant shall have no power to incur any debt, obligation, or liability on behalf of City or otherwise act on behalf of City as an agent. Neither City nor any of its agents shall have control over the conduct of Consultant or any of Consultant's employees, except as set forth in this Agreement. Consultant shall not, at any time, or in any manner, represent that it or any of its or employees are in any manner agents or employees of City. Consultant shall secure, at its sole expense, and be responsible for any and all payment of Income Tax, Social Security, State Disability Insurance Compensation, Unemployment Compensation, and other payroll deductions for Consultant and its officers, agents, and employees, and all business licenses, if any are required, in connection with the services to be performed hereunder. Consultant shall indemnify and hold City harmless from any and all taxes, assessments, penalties, and interest asserted against City by reason of the independent Consultant relationship created by this Agreement. Consultant further agrees to indemnify and hold City harmless from any failure of Consultant to comply with the applicable worker's compensation laws. City shall have the right to offset against the amount of any fees due to Consultant under this Agreement any amount due to City from Consultant as a result of Consultant's failure to promptly pay to City any reimbursement or indemnification arising under this paragraph.

6.10. PERS Eligibility Indemnification. In the event that Consultant or any employee, agent, or sub-consultant of Consultant providing services under this Agreement claims or is determined by a court of competent jurisdiction or the California Public Employees Retirement System (PERS) to be eligible for enrollment in PERS as an employee of the City, Consultant shall indemnify, defend, and hold harmless City for the payment of any employee and/or employer contributions for PERS benefits on behalf of Consultant or its employees, agents, or sub-consultants, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of City.

Notwithstanding any other agency, state or federal policy, rule, regulation, law or ordinance to the contrary, Consultant and any of its employees, agents, and sub-consultants providing service under this Agreement shall not qualify for or become entitled to, and hereby agree to waive any claims to, any compensation, benefit, or any incident of employment by City, including but not limited to eligibility to enroll in PERS as an employee of City and entitlement to any contribution to be paid by City for employer contribution and/or employee contributions for PERS benefits.

6.11. Cooperation. In the event any claim or action is brought against City relating to Consultant's performance or services rendered under this Agreement, Consultant shall render any reasonable assistance and cooperation which City might require.

6.12. Ownership of Documents. All findings, reports, documents, information and data including, but not limited to, computer tapes or discs, preliminary notes, working documents, files and tapes furnished or prepared by Consultant or any of its sub-consultants in the course of performance of this Agreement, shall be and remain the sole property of City. Consultant agrees that any such documents or information shall not be made available to any individual or organization without the prior consent of City, but shall be made available to the City within ten (10) days of request or within ten (10) days of termination. Any use of such documents for other projects not contemplated by this Agreement, and any use of incomplete documents, shall be at the sole risk of City and without liability or legal exposure to Consultant. City shall indemnify and hold harmless Consultant from all claims, damages, losses, and expenses, including attorneys' fees, arising out of or resulting from City's use of such documents for other projects not contemplated by this Agreement or use of incomplete documents furnished by Consultant. Consultant shall deliver to City any findings, reports, documents, information, data, preliminary notes and working documents, in any form, including but not limited to, computer tapes, discs, files audio tapes or any other Project related items as requested by City or its authorized representative, at no additional cost to the City. Consultant or Consultant's agents shall execute such documents as may be necessary from time to time to confirm City's ownership of the copyright in such documents.

6.13. Public Records Act Disclosure. Consultant has been advised and is aware that this Agreement and all reports, documents, information and data, including, but not limited to, computer tapes, discs or files furnished or prepared by Consultant, or any of its sub-consultants, pursuant to this Agreement and provided to City may be subject to public disclosure as required by the California Public Records Act (California Government Code Section 6250 *et seq.*). Exceptions to public disclosure may be those documents or information that qualify as trade secrets, as that term is defined in the California Government Code Section 6254.7, and of which Consultant informs City of such trade secret. The City will endeavor to maintain as confidential all information obtained by it that is designated as a trade secret. The City shall not, in any way, be liable or responsible for the disclosure of any trade secret including, without limitation, those records so marked if disclosure is deemed to be required by law or by order of the Court.

6.14. Conflict of Interest. Consultant and its officers, employees, associates and subconsultants, if any, will comply with all conflict of interest statutes of the State of California applicable to Consultant's services under this agreement, including, but not limited to, the Political Reform Act (Government Code Sections 81000, *et seq.*) and Government Code Section 1090. During the term of this Agreement, Consultant and its officers, employees, associates and subconsultants shall not, without the prior written approval of the City Representative, perform work for another person or entity for whom Consultant is not currently performing work that would require Consultant or one of its officers, employees, associates or subconsultants to abstain from a decision under this Agreement pursuant to a conflict of interest statute.

6.15. Responsibility for Errors. Consultant shall be responsible for its work and results under this Agreement. Consultant, when requested, shall furnish clarification and/or explanation as may be required by the City's representative, regarding any services rendered under this Agreement at no additional cost to City. In the event that an error or omission attributable to Consultant occurs, then Consultant shall, at no cost to City, provide all necessary design drawings, estimates and other Consultant professional services necessary to rectify and correct the matter to the sole satisfaction of City and to participate in any meeting required with regard to the correction.

6.16. Prohibited Employment. Consultant will not employ any regular employee of City

while this Agreement is in effect.

6.17. Order of Precedence. In the event of an inconsistency in this Agreement and any of the attached Exhibits, the terms set forth in this Agreement shall prevail. If, and to the extent this Agreement incorporates by reference any provision of any document, such provision shall be deemed a part of this Agreement. Nevertheless, if there is any conflict among the terms and conditions of this Agreement and those of any such provision or provisions so incorporated by reference, the conflict shall be resolved by giving precedence in the following order, if applicable: This Agreement, the City's Request for Proposals, the Consultant's Proposal.

6.18. Costs. Each party shall bear its own costs and fees incurred in the preparation and negotiation of this Agreement and in the performance of its obligations hereunder except as expressly provided herein.

6.19. No Third-Party Beneficiary Rights. This Agreement is entered into for the sole benefit of City and Consultant and no other parties are intended to be direct or incidental beneficiaries of this Agreement and no third party shall have any right in, under or to this Agreement.

6.20. Headings. Paragraphs and subparagraph headings contained in this Agreement are included solely for convenience and are not intended to modify, explain or to be a full or accurate description of the content thereof and shall not in any way affect the meaning or interpretation of this Agreement.

6.21. Construction. The parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises with respect to this Agreement, this Agreement shall be construed as if drafted jointly by the parties and in accordance with its fair meaning. There shall be no presumption or burden of proof favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement.

6.22. Amendments. Only a writing executed by the parties hereto or their respective successors and assigns may amend this Agreement.

6.23. Waiver. The delay or failure of either party at any time to require performance or compliance by the other of any of its obligations or agreements shall in no way be deemed a waiver of those rights to require such performance or compliance. No waiver of any provision of this Agreement shall be effective unless in writing and signed by a duly authorized representative of the party against whom enforcement of a waiver is sought. The waiver of any right or remedy in respect to any occurrence or event shall not be deemed a waiver of any right or remedy in respect to any other occurrence or event, nor shall any waiver constitute a continuing waiver.

6.24. Severability. If any provision of this Agreement is determined by a court of competent jurisdiction to be unenforceable in any circumstance, such determination shall not affect the validity or enforceability of the remaining terms and provisions hereof or of the offending provision in any other circumstance. Notwithstanding the foregoing, if the value of this Agreement, based upon the substantial benefit of the bargain for any party, is materially impaired, which determination made by the presiding court or arbitrator of competent jurisdiction shall be binding, then both parties agree to substitute such provision(s) through good faith negotiations.

6.25. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original. All counterparts shall be construed together and shall constitute one agreement.

6.26. Corporate Authority. The persons executing this Agreement on behalf of the parties hereto warrant that they are duly authorized to execute this Agreement on behalf of said parties and that by doing so the parties hereto are formally bound to the provisions of this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by and through their respective authorized officers, as of the date first above written.

EXHIBIT A

SCOPE OF WORK

SCOPE OF SERVICES, COMPENSATION, CONFIDENTIALITY

The CONTRACTOR shall perform the following services (collectively, the "Services"):

A. SALES TAX AND ECONOMIC ANALYSIS SERVICES

1. CONTRACTOR shall establish a special database that identifies the name, address and quarterly allocations of all sales tax producers within the CITY for the most current and all quarters back to fiscal year 1992-1993 or earlier, if the CITY has prior historical sales tax data available on computer readable magnetic media. This database will be utilized to generate special reports to the CITY on: major sales tax producers by rank and category, sales tax activity by categories, or business districts, identification of reporting aberrations, and per capita and outlet comparisons with regional and statewide sales.

2. CONTRACTOR shall provide updated reports following each calendar quarter identifying changes in sales by individual businesses, business groups and categories and by geographic area. These reports may include, without limitation, quarterly aberrations due to State audits, fund transfers, and receivables along with late or double payments, and quarterly reconciliation worksheets to assist with budget forecasting. CONTRACTOR shall meet quarterly with CITY.

3. CONTRACTOR shall additionally provide following each calendar quarter a summary analysis for the CITY to share with Council Members Chambers of Commerce, other economic development interest groups and the public that analyze CITY'S sales tax trends by major groups, and geographic areas without disclosing confidential information.

4. CONTRACTOR shall make available to CITY staff CONTRACTOR's web-based sales tax computer software program containing sellers permit and quarterly allocation information for all in-city business outlets registered with the Department of Tax and Fee Administration and updated quarterly. This software shall allow CITY staff to search businesses by street address, account number, business name, business type and keyword, arrange data by geographic area, and print out a variety of reports.

B. ALLOCATION AUDIT AND RECOVERY SERVICES

1. CONTRACTOR shall conduct initial and on-going sales, use and transactions tax audits to identify and correct distribution and allocation errors, and to proactively affect favorable registration, reporting or formula changes thereby generating previously unrealized sales, use and transactions tax income for the CITY and/or recovering misallocated tax from previously properly registered taxpayers. Common errors that will be monitored and corrected include, but are not limited to: transposition errors resulting in misallocations; erroneous consolidation of

multiple outlets; formula errors, misreporting of "point of sale" to the wrong location; delays in reporting new outlets; misallocating use tax payments to the allocation pools or wrong jurisdiction; and erroneous fund transfers and adjustments.

2. CONTRACTOR shall initiate contacts with state agencies, and sales management and accounting officials in companies that have businesses where a probability of error exists to verify whether current tax receipts accurately reflect the local sales activity. Such contacts will be conducted in a professional and courteous manner.

3. CONTRACTOR shall (i) prepare and submit to the Department of Tax and Fee Administration information for the purpose of correcting allocation errors that are identified and (ii) follow-up with individual businesses and the California Department of Tax and Fee Administration to promote recovery by the CITY of back or prospective quarterly payments that may be owing.

4. If during the course of its audit, CONTRACTOR finds businesses located in the CITY that are properly reporting sales and use tax but have the potential for modifying their operation to provide an even greater share to the CITY, CONTRACTOR may so advise CITY and work with those businesses and the CITY to encourage such changes.

C. CONSULTING AND OTHER OPTIONAL SERVICES

CONTRACTOR may, from time to time in its sole discretion, consult with CITY staff, including without limitation, regarding (i) technical questions and other issues related to sales, use and transactions tax; (ii) utilization of reports to enhance business license collection efforts; and (iii) sales tax projections for proposed annexations, economic development projects and budget planning. In addition to the foregoing optional consulting services, CONTRACTOR may, from time to time in its sole discretion, perform other optional Services, including without limitation, negotiating/review of tax sharing agreements, establishing purchasing corporations, and meeting with taxpayers to encourage self-assessment of use tax.

COMPENSATION

A. CONTRACTOR shall provide the sales tax and economic analysis Services described above for a fee of **$450** per month, commencing with the month of the Effective Date (hereafter referred to as "monthly fee"). The monthly fee shall be invoiced quarterly in arrears, and shall be paid by CITY no later than 30 days after the invoice date. The monthly fee shall increase annually following the month of the Effective Date by the percentage increase in the "CPI" for the preceding twelve month period. In no event shall the monthly fee be reduced by this calculation. For purposes of this Agreement, the "CPI" shall mean the Consumer Price Index - All Urban Consumers for the surrounding statistical metropolitan area nearest CITY, All Items (1982-84 = 100), as published by the U.S. Department of Labor, Bureau of Labor Statistics, or, if such

index should cease to be published, any reasonably comparable index selected by CONTRACTOR.

B. CONTRACTOR shall be further paid **15%** of all new and recovered sales, use and transactions tax revenue received by the CITY as a result, in whole or in part, of the allocation audit and recovery services described above (hereafter referred to as "audit fee"), including without limitation, any reimbursement or other payment from any state fund and any point of sale misallocations.

1. The audit fee shall be paid even if CITY assists, works in parallel with, and/or incurs attorneys' fees or other costs or expenses in connection with any of the relevant Services. Among other things, the audit fee applies to state fund transfers received for back quarter reallocations and monies received in the first eight consecutive reporting quarters following completion of the allocation audit by CONTRACTOR and confirmation of corrections by the California Department of Tax and Fee Administration. CITY shall pay audit fees upon CONTRACTOR'S submittal of evidence of CONTRACTOR'S work in support of recovery of subject revenue, including, without limitation, copies of BOE 549-S petition forms of any other correspondence between CONTRACTOR and the Department of Tax and Fee Administration or the taxpayer.

2. For any increase in the tax reported by businesses already properly making tax payments to CITY, it shall be CONTRACTOR's responsibility to support in its invoices the audit fee attributable, in whole or in part, to CONTRACTOR's Services.

C. CONTRACTOR shall invoice CITY for any consulting and other optional Services rendered to CITY in accordance with above based on the following hourly rates on a monthly or a quarterly basis, at CONTRACTOR's option. All such invoices shall be payable by CITY no later than 30 days following the invoice date. CITY shall not be invoiced for any consulting Services totaling less than an hour in any month. The hourly rates in effect as of the Effective Date are as follows:

Principal	$325 per hour
Programmer	$295 per hour
Senior Analyst	$245 per hour
Analyst	$195 per hour

CONTRACTOR may change such hourly rates from time to time upon not less than 30 days' prior written notice to CITY.

D. Any invoices not paid in accordance with the Thirty (30) day payment terms, shall accrue monthly interest at a rate equivalent to ten percent (10%) per annum until paid.

E. CONTRACTOR unilaterally retains the right to divide any recovery bills in excess of $25,000 over a one (1) year period (Four (4) quarterly billings).

F. CONTRACTOR shall provide CITY with an itemized quarterly invoice showing all formula calculations and amounts due for the audit fee (including, without limitation, a detailed listing of any corrected misallocations), which shall be paid by CITY no later than 30 days following the invoice date.

CONFIDENTIALITY; OWNERSHIP/USE OF INFORMATION

A. Section 7056 of the State of California Revenue and Taxation Code specifically limits the disclosure of confidential taxpayer information contained in the records of the California Department of Tax and Fee Administration. Section 7056 specifies the conditions under which a CITY may authorize persons other than CITY officers and employees to examine State Sales and Use Tax records.

B. The following conditions specified in Section 7056-(b), (1) of the State of California Revenue and Taxation Code are hereby made part of this Agreement:

1. CONTRACTOR is authorized by this Agreement to examine sales, use or transactions and use tax records of the Department of Tax and Fee Administration provided to CITY pursuant to contract under the Bradley-Burns Uniform Sales and Use Tax Law Revenue and Taxation Code Section 7200 et.seq.

2. CONTRACTOR is required to disclose information contained in, or derived from, those sales, use or transactions and use tax records only to an officer or employee of the CITY who is authorized by resolution to examine the information.

3. CONTRACTOR is prohibited from performing consulting services for a retailer, as defined in California Revenue & Taxation Code Section 6015, during the term of this Agreement.

4. CONTRACTOR is prohibited from retaining the information contained in, or derived from those sales, use or transactions and use tax records, after this Agreement has expired. Information obtained by examination of Department of Tax and Fee Administration records shall be used only for purposes related to collection of local sales and use tax or for other governmental functions of the CITY as set forth by resolution adopted pursuant to Section 7056 (b) of the Revenue and Taxation Code. The resolution shall designate the CONTRACTOR as a person authorized to examine sales and use tax records and certify that this Agreement meets the requirements set forth above and in Section 7056 (b), (1) of the Revenue and Taxation Code.

C. Software Use. CONTRACTOR hereby provides authorization to CITY to access CONTRACTOR'S Sales Tax website if CITY chooses to subscribe to the software and reports option. The website shall only be used by authorized CITY staff. No access will be granted to any third party without explicit written authorization by CONTRACTOR. CITY shall not sublet, duplicate, modify, decompile, reverse engineer, disassemble, or attempt to derive the source code of said software. The

software use granted hereunder shall not imply ownership by CITY of said software, or any right of CITY to sell said software or the use of same, or any right to use said software for the benefit of others. This software use authorization is not transferable. Upon termination or expiration of this Agreement, the software use authorization shall expire, and all CITY staff website logins shall be de-activated.

D. Proprietary Information. As used herein, the term "proprietary information" means all information or material that has or could have commercial value or other utility in CONTRACTOR's business, including without limitation: CONTRACTOR'S (i) computer or data processing programs; (ii) data processing applications, routines, subroutines, techniques or systems; desktop or web-based software; (iii) business processes; (iv) marketing plans, analysis and strategies; and (v) materials and techniques used; as well as the terms and conditions of this Agreement. Except as otherwise required by law, CITY shall hold in confidence and shall not use (except as expressly authorized by this Agreement) or disclose to any other party any proprietary information provided, learned of or obtained by CITY in connection with this Agreement. The obligations imposed by this Section shall survive any expiration or termination of this Agreement or otherwise. The terms of this Section shall not apply to any information that is public information.

ADDITIONAL INSURED – PRIMARY AND NON-CONTRIBUTORY

It is understood and agreed that this endorsement amends the **BUSINESS AUTO COVERAGE FORM** as follows:

SCHEDULE

Name of Additional Insured Persons Or Organizations
City of Placentia 401 E Chapman Ave Placentia, CA 92870

1. In conformance with paragraph **A.1.c.** of **Who Is An Insured** of Section **II** – LIABILITY COVERAGE, the person or organization scheduled above is an insured under this policy.
2. The insurance afforded to the additional insured under this policy will apply on a primary and non-contributory basis if you have committed it to be so in a written contract or written agreement executed prior to the date of the "accident" for which the additional insured seeks coverage under this policy.

All other terms and conditions of the Policy remain unchanged.

This endorsement, which forms a part of and is for attachment to the Policy issued by the designated Insurers, takes effect on the effective date of said Policy at the hour stated in said Policy, unless another effective date is shown below, and expires concurrently with said Policy.

Insured Name: Hinderliter, de Llamas & Associates | HDL Software, LLC

Policy No: 6056953466
Endorsement No: 1
Effective : 11/15/17 - 5/26/19

© CNA All Rights Reserved.

POLICY NUMBER: 6056953466

COMMERCIAL AUTO
CA 04 44 10 13

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

WAIVER OF TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US (WAIVER OF SUBROGATION)

This endorsement modifies insurance provided under the following:

AUTO DEALERS COVERAGE FORM
BUSINESS AUTO COVERAGE FORM
MOTOR CARRIER COVERAGE FORM

With respect to coverage provided by this endorsement, the provisions of the Coverage Form apply unless modified by the endorsement.

This endorsement changes the policy effective on the inception date of the policy unless another date is indicated below.

Named Insured: **Hinderliter, de Llamas & Associates | HDL Software, LLC**

Endorsement Effective Date: **11/15/2017**

SCHEDULE

Name(s) Of Person(s) Or Organization(s):	City of Placentia 401 E Chapman Ave Placentia, CA 92870
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

The **Transfer Of Rights Of Recovery Against Others To Us** condition does not apply to the person(s) or organization(s) shown in the Schedule, but only to the extent that subrogation is waived prior to the "accident" or the "loss" under a contract with that person or organization.

Technology General Liability Extension Endorsement

1. ADDITIONAL INSUREDS

a. **WHO IS AN INSURED** is amended to include as an **Insured** any person or organization described in paragraphs **A.** through **K.** below whom a **Named Insured** is required to add as an additional insured on this **Coverage Part** under a written contract or written agreement, provided such contract or agreement:

(1) is currently in effect or becomes effective during the term of this **Coverage Part**; and

(2) was executed prior to:

(a) the **bodily injury** or **property damage**; or

(b) the offense that caused the **personal and advertising injury**,

for which such additional insured seeks coverage.

b. However, subject always to the terms and conditions of this policy, including the limits of insurance, the Insurer will not provide such additional insured with:

(1) a higher limit of insurance than required by such contract or agreement; or

(2) coverage broader than required by such contract or agreement, and in no event broader than that described by the applicable paragraph **A.** through **K.** below.

Any coverage granted by this endorsement shall apply only to the extent permissible by law.

A. Controlling Interest

Any person or organization with a controlling interest in a **Named Insured**, but only with respect to such person or organization's liability for **bodily injury**, **property damage** or **personal and advertising injury** arising out of:

1. such person or organization's financial control of a **Named Insured**; or
2. premises such person or organization owns, maintains or controls while a **Named Insured** leases or occupies such premises;

provided that the coverage granted by this paragraph does not apply to structural alterations, new construction or demolition operations performed by, on behalf of, or for such additional insured.

B. Co-owner of Insured Premises

A co-owner of a premises co-owned by a **Named Insured** and covered under this insurance but only with respect to such co-owner's liability for **bodily injury**, **property damage** or **personal and advertising injury** as co-owner of such premises.

C. Grantor of Franchise

Any person or organization that has granted a franchise to a **Named Insured**, but only with respect to such person or organization's liability for **bodily injury**, **property damage** or **personal and advertising injury** as grantor of a franchise to the **Named Insured**.

D. Lessor of Equipment

Any person or organization from whom a **Named Insured** leases equipment, but only with respect to liability for **bodily injury**, **property damage** or **personal and advertising injury** caused, in whole or in part, by the **Named Insured's** maintenance, operation or use of such equipment, provided that the **occurrence** giving rise to such **bodily injury**, **property damage** or the offense giving rise to such **personal and advertising injury** takes place prior to the termination of such lease.

E. Lessor of Land

Any person or organization from whom a **Named Insured** leases land but only with respect to liability for **bodily injury**, **property damage** or **personal and advertising injury** arising out of the ownership,

Copyright CNA All Rights Reserved. Includes copyrighted material of Insurance Services Office, Inc., with its permission.

maintenance or use of such land, provided that the **occurrence** giving rise to such **bodily injury**, **property damage** or the offense giving rise to such **personal and advertising injury** takes place prior to the termination of such lease. The coverage granted by this paragraph does not apply to structural alterations, new construction or demolition operations performed by, on behalf of, or for such additional insured.

F. Lessor of Premises

An owner or lessor of premises leased to the **Named Insured**, or such owner or lessor's real estate manager, but only with respect to liability for **bodily injury**, **property damage** or **personal and advertising injury** arising out of the ownership, maintenance or use of such part of the premises leased to the **Named Insured**, and provided that the **occurrence** giving rise to such **bodily injury** or **property damage**, or the offense giving rise to such **personal and advertising injury**, takes place prior to the termination of such lease. The coverage granted by this paragraph does not apply to structural alterations, new construction or demolition operations performed by, on behalf of, or for such additional insured.

G. Mortgagee, Assignee or Receiver

A mortgagee, assignee or receiver of premises but only with respect to such mortgagee, assignee or receiver's liability for **bodily injury**, **property damage** or **personal and advertising injury** arising out of the **Named Insured's** ownership, maintenance, or use of a premises by a **Named Insured.**

The coverage granted by this paragraph does not apply to structural alterations, new construction or demolition operations performed by, on behalf of, or for such additional insured.

H. State or Governmental Agency or Subdivision or Political Subdivisions – Permits

A state or governmental agency or subdivision or political subdivision that has issued a permit or authorization but only with respect to such state or governmental agency or subdivision or political subdivision's liability for **bodily injury**, **property damage** or **personal and advertising injury** arising out of:

1. the following hazards in connection with premises a **Named Insured** owns, rents, or controls and to which this insurance applies:
   a. the existence, maintenance, repair, construction, erection, or removal of advertising signs, awnings, canopies, cellar entrances, coal holes, driveways, manholes, marquees, hoistaway openings, sidewalk vaults, street banners, or decorations and similar exposures; or
   b. the construction, erection, or removal of elevators; or
   c. the ownership, maintenance or use of any elevators covered by this insurance; or
2. the permitted or authorized operations performed by a **Named Insured** or on a **Named Insured's** behalf.

   The coverage granted by this paragraph does not apply to:
   a. **Bodily injury**, **property damage** or **personal and advertising injury** arising out of operations performed for the state or governmental agency or subdivision or political subdivision; or
   b. **Bodily injury** or **property damage** included within the **products-completed operations hazard.**

With respect to this provision's requirement that additional insured status must be requested under a written contract or agreement, the Insurer will treat as a written contract any governmental permit that requires the **Named Insured** to add the governmental entity as an additional insured.

I. Trade Show Event Lessor

1. With respect to a **Named Insured's** participation in a trade show event as an exhibitor, presenter or displayer, any person or organization whom the **Named Insured** is required to include as an additional insured, but only with respect to such person or organization's liability for **bodily injury**, **property damage** or **personal and advertising injury** caused by:

Copyright CNA All Rights Reserved. Includes copyrighted material of Insurance Services Office, Inc., with its permission.

a. the **Named Insured's** acts or omissions; or

b. the acts or omissions of those acting on the **Named Insured's** behalf,

in the performance of the **Named Insured's** ongoing operations at the trade show event premises during the trade show event.

2. The coverage granted by this paragraph does not apply to **bodily injury** or **property damage** included within the **products-completed operations hazard.**

J. **Vendor**

Any person or organization but only with respect to such person or organization's liability for **bodily injury** or **property damage** arising out of **your products** which are distributed or sold in the regular course of such person or organization's business, provided that:

1. The coverage granted by this paragraph does not apply to:

a. **bodily injury** or **property damage** for which such person or organization is obligated to pay **damages** by reason of the assumption of liability in a contract or agreement unless such liability exists in the absence of the contract or agreement;

b. any express warranty unauthorized by the **Named Insured**;

c. any physical or chemical change in any product made intentionally by such person or organization;

d. repackaging, except when unpacked solely for the purpose of inspection, demonstration, testing, or the substitution of parts under instructions from the manufacturer, and then repackaged in the original container;

e. any failure to make any inspections, adjustments, tests or servicing that such person or organization has agreed to make or normally undertakes to make in the usual course of business, in connection with the distribution or sale of the products;

f. demonstration, installation, servicing or repair operations, except such operations performed at such person or organization's premises in connection with the sale of a product;

g. products which, after distribution or sale by the **Named Insured**, have been labeled or relabeled or used as a container, part or ingredient of any other thing or substance by or for such person or organization; or

h. **bodily injury** or **property damage** arising out of the sole negligence of such person or organization for its own acts or omissions or those of its employees or anyone else acting on its behalf. However, this exclusion does not apply to:

(1) the exceptions contained in Subparagraphs **d.** or **f.** above; or

(2) such inspections, adjustments, tests or servicing as such person or organization has agreed with the **Named Insured** to make or normally undertakes to make in the usual course of business, in connection with the distribution or sale of the products.

2. This Paragraph **J.** does not apply to any insured person or organization, from whom the **Named Insured** has acquired such products, nor to any ingredient, part or container, entering into, accompanying or containing such products.

3. This Paragraph **J.** also does not apply:

a. to any vendor specifically scheduled as an additional insured by endorsement to this **Coverage Part**;

b. to any of **your products** for which coverage is excluded by endorsement to this **Coverage Part**; nor

c. if **bodily injury** or **property damage** included within the **products-completed operations hazard** is excluded by endorsement to this **Coverage Part.**

Copyright CNA All Rights Reserved. Includes copyrighted material of Insurance Services Office, Inc., with its permission.

CNA

Technology General Liability Extension Endorsement

K. Other Person Or Organization / Your Work

Any person or organization who is not an additional insured under Paragraphs **A.** through **J.** above. Such additional insured is an **Insured** solely for **bodily injury**, **property damage** or **personal and advertising injury** for which such additional insured is liable because of the **Named Insured's** acts or omissions.

The coverage granted by this paragraph does not apply to any person or organization:

1. who is specifically scheduled as an additional insured on another endorsement to this **Coverage Part**; nor
2. for **bodily injury** or **property damage** included within the **products-completed operations hazard** except to the extent all of the following apply:
   a. this **Coverage Part** provides such coverage;
   b. the written contract or agreement described in the opening paragraph of this **ADDITIONAL INSUREDS** Provision requires the **Named Insured** to provide the additional insured such coverage; and
   c. the **bodily injury** or **property damage** results from **your work** that is the subject of the written contract or agreement, and such work has not been excluded by endorsement to this **Coverage Part**.

2. ADDITIONAL INSURED - PRIMARY AND NON-CONTRIBUTORY TO ADDITIONAL INSURED'S INSURANCE

A. The **Other Insurance** Condition in the **COMMERCIAL GENERAL LIABILITY CONDITIONS** Section is amended to add the following paragraph:

If the **Named Insured** has agreed in writing in a contract or agreement that this insurance is primary and non-contributory relative to an additional insured's own insurance, then this insurance is primary, and the Insurer will not seek contribution from that other insurance. For the purpose of this Provision **2.**, the additional insured's own insurance means insurance on which the additional insured is a named insured.

B. With respect to persons or organizations that qualify as additional insureds pursuant to paragraph **1.K.** of this endorsement, the following sentence is added to the paragraph above:

Otherwise, and notwithstanding anything to the contrary elsewhere in this Condition, the insurance provided to such person or organization is excess of any other insurance available to such person or organization.

3. BODILY INJURY – EXPANDED DEFINITION

Under **DEFINITIONS**, the definition of **bodily injury** is deleted and replaced by the following:

Bodily injury means physical injury, sickness or disease sustained by a person, including death, humiliation, shock, mental anguish or mental injury sustained by that person at any time which results as a consequence of the physical injury, sickness or disease.

4. BROAD KNOWLEDGE OF OCCURRENCE/ NOTICE OF OCCURRENCE

Under **CONDITIONS**, the condition entitled **Duties in The Event of Occurrence, Offense, Claim or Suit** Condition is amended to add the following provisions:

A. BROAD KNOWLEDGE OF OCCURRENCE

The **Named Insured** must give the Insurer or the Insurer's authorized representative notice of an **occurrence**, offense or **claim** only when the **occurrence**, offense or **claim** is known to a natural person **Named Insured**, to a partner, executive officer, manager or member of a **Named Insured**, or to an **employee** designated by any of the above to give such notice.

B. NOTICE OF OCCURRENCE

Copyright CNA All Rights Reserved. Includes copyrighted material of Insurance Services Office, Inc., with its permission.

The **Named Insured's** rights under this **Coverage Part** will not be prejudiced if the **Named Insured** fails to give the Insurer notice of an **occurrence**, offense or **claim** and that failure is solely due to the **Named Insured's** reasonable belief that the **bodily injury** or **property damage** is not covered under this **Coverage Part**. However, the **Named Insured** shall give written notice of such **occurrence**, offense or **claim** to the Insurer as soon as the **Named Insured** is aware that this insurance may apply to such **occurrence**, offense or **claim**.

5. **BROAD NAMED INSURED**

WHO IS AN INSURED is amended to delete its Paragraph **3.** in its entirety and replace it with the following:

3. Pursuant to the limitations described in Paragraph **4.** below, any organization in which a **Named Insured** has management control:

   a. on the effective date of this **Coverage Part**; or

   b. by reason of a **Named Insured** creating or acquiring the organization during the **policy period**,

   qualifies as a **Named Insured**, provided that there is no other similar liability insurance, whether primary, contributory, excess, contingent or otherwise, which provides coverage to such organization, or which would have provided coverage but for the exhaustion of its limit, and without regard to whether its coverage is broader or narrower than that provided by this insurance.

   But this **BROAD NAMED INSURED** provision does not apply to:

   (a) any partnership or joint venture; or

   (b) any organization for which coverage is excluded by another endorsement attached to this **Coverage Part**.

   For the purpose of this provision, and of this endorsement's **JOINT VENTURES / PARTNERSHIP / LIMITED LIABILITY COMPANIES** provision, management control means:

   A. owning interests representing more than 50% of the voting, appointment or designation power for the selection of a majority of the Board of Directors of a corporation, or the members of the management board of a limited liability company; or

   B. having the right, pursuant to a written trust agreement, to protect, control the use of, encumber or transfer or sell property held by a trust.

4. With respect to organizations which qualify as **Named Insureds** by virtue of Paragraph **3.** above, this insurance does not apply to:

   a. **bodily injury** or **property damage** that first occurred prior to the date of management control, or that first occurs after management control ceases; nor

   b. **personal or advertising injury** caused by an offense that first occurred prior to the date of management control or that first occurs after management control ceases.

5. The insurance provided by this **Coverage Part** applies to **Named Insureds** when trading under their own names or under such other trading names or doing-business-as names (dba) as any **Named Insured** should choose to employ.

6. **ESTATES, LEGAL REPRESENTATIVES, AND SPOUSES**

The estates, heirs, legal representatives and **spouses** of any natural person **Insured** shall also be insured under this policy; provided, however, coverage is afforded to such estates, heirs, legal representatives, and **spouses** only for **claims** arising solely out of their capacity or status as such and, in the case of a **spouse**, where such **claim** seeks **damages** from marital community property, jointly held property or property transferred from such natural person **Insured** to such **spouse**. No coverage is provided for any act, error or omission of an estate, heir, legal representative, or **spouse** outside the scope of such person's capacity or status as such, provided however

Copyright CNA All Rights Reserved. Includes copyrighted material of Insurance Services Office, Inc., with its permission.

that the **spouse** of a natural person **Named Insured** and the **spouses** of members or partners of joint venture or partnership **Named Insureds** are **Insureds** with respect to such **spouses'** acts, errors or omissions in the conduct of the **Named Insured's** business.

7. **EXPECTED OR INTENDED INJURY – EXCEPTION FOR REASONABLE FORCE**

Under **COVERAGES**, **Coverage A – Bodily Injury And Property Damage Liability**, the paragraph entitled **Exclusions** is amended to delete the exclusion entitled **Expected or Intended Injury** and replace it with the following:

This insurance does not apply to:

Expected or Intended Injury

Bodily injury or **property damage** expected or intended from the standpoint of the **Insured**. This exclusion does not apply to **bodily injury** or **property damage** resulting from the use of reasonable force to protect persons or property.

8. **IN REM ACTIONS**

A quasi *in rem* action against any vessel owned or operated by or for the **Named Insured**, or chartered by or for the **Named Insured**, will be treated in the same manner as though the action were *in personam* against the **Named Insured**.

9. **INCIDENTAL HEALTH CARE MALPRACTICE COVERAGE**

Solely with respect to **bodily injury** that arises out of a **health care incident**:

A. Under **COVERAGES**, **Coverage A – Bodily Injury And Property Damage Liability**, the **Insuring Agreement** is amended to replace Paragraphs **1.b.(1)** and **1.b.(2)** with the following:

b. This insurance applies to **bodily injury** provided that the professional health care services are incidental to the **Named Insured's** primary business purpose, and only if:

(1) such **bodily injury** is caused by an **occurrence** that takes place in the **coverage territory**.

(2) the **bodily injury** first occurs during the **policy period**. All **bodily injury** arising from an **occurrence** will be deemed to have occurred at the time of the first act, error, or omission that is part of the **occurrence**; and

B. Under **COVERAGES**, **Coverage A – Bodily Injury And Property Damage Liability**, the paragraph entitled **Exclusions** is amended to:

i. add the following to the **Employers Liability** exclusion:

This exclusion applies only if the **bodily injury** arising from a **health care incident** is covered by other liability insurance available to the **Insured** (or which would have been available but for exhaustion of its limits).

ii. delete the exclusion entitled **Contractual Liability** and replace it with the following:

This insurance does not apply to:

Contractual Liability

the **Insured's** actual or alleged liability under any oral or written contract or agreement, including but not limited to express warranties or guarantees.

iii. add the following additional exclusions.

This insurance does not apply to:

Copyright CNA All Rights Reserved. Includes copyrighted material of Insurance Services Office, Inc., with its permission.

Discrimination

any actual or alleged discrimination, humiliation or harassment, that includes but shall not be limited to **claims** based on an individual's race, creed, color, age, gender, national origin, religion, disability, marital status or sexual orientation.

Dishonesty or Crime

Any actual or alleged dishonest, criminal or malicious act, error or omission.

Medicare/Medicaid Fraud

any actual or alleged violation of law with respect to Medicare, Medicaid, Tricare or any similar federal, state or local governmental program.

Services Excluded by Endorsement

Any **health care incident** for which coverage is excluded by endorsement.

C. **DEFINITIONS** is amended to:

i. add the following definitions:

Health care incident means an act, error or omission by the **Named Insured's employees** or **volunteer workers** in the rendering of:

a. **professional health care services** on behalf of the **Named Insured** or

b. Good Samaritan services rendered in an emergency and for which no payment is demanded or received.

Professional health care services means any health care services or the related furnishing of food, beverages, medical supplies or appliances by the following providers in their capacity as such but solely to the extent they are duly licensed as required:

a. Physician;

b. Nurse;

c. Nurse practitioner;

d. Emergency medical technician;

e. Paramedic;

f. Dentist;

g. Physical therapist;

h. Psychologist;

i. Speech therapist;

j. Other allied health professional; or

Professional health care services does not include any services rendered in connection with human clinical trials or product testing.

ii. delete the definition of **occurrence** and replace it with the following:

Occurrence means a **health care incident**. All acts, errors or omissions that are logically connected by any common fact, circumstance, situation, transaction, event, advice or decision will be considered to constitute a single **occurrence**;

Copyright CNA All Rights Reserved. Includes copyrighted material of Insurance Services Office, Inc., with its permission.

iii. amend the definition of **insured** to:

a. add the following:

- the **Named Insured's employees** are **Insureds** with respect to:

(1) **bodily injury** to a co-**employee** while in the course of the co-**employee's** employment by the **Named Insured** or while performing duties related to the conduct of the **Named Insured's** business; and

(2) **bodily injury** to a **volunteer worker** while performing duties related to the conduct of the **Named Insured's** business;

when such **bodily injury** arises out of a **health care incident.**

- the **Named Insured's volunteer workers** are **Insureds** with respect to:

(1) **bodily injury** to a co-**volunteer worker** while performing duties related to the conduct of the **Named Insured's** business; and

(2) **bodily injury** to an **employee** while in the course of the **employee's** employment by the **Named Insured** or while performing duties related to the conduct of the **Named Insured's** business;

when such **bodily injury** arises out of a **health care incident.**

b. delete Subparagraphs **(a), (b), (c) and (d)** of Paragraph **2.a.(1)** of **WHO IS AN INSURED.**

c. add the following:

Insured does not include any physician while acting in his or her capacity as such.

D. The **Other Insurance** condition is amended to delete Paragraph **b.(1)** in its entirety and replace it with the following:

Other Insurance

b. Excess Insurance

(1) To the extent this insurance applies, it is excess over any other insurance, self insurance or risk transfer instrument, whether primary, excess, contingent or on any other basis, except for insurance purchased specifically by the **Named Insured** to be excess of this coverage.

10. JOINT VENTURES / PARTNERSHIP / LIMITED LIABILITY COMPANIES

WHO IS AN INSURED is amended to delete its last paragraph and replace it with the following:

No person or organization is an **Insured** with respect to:

- the conduct of any current or past partnership or joint venture that is not shown as a **Named Insured** in the Declarations; nor
- the conduct of a current or past limited liability company in which a **Named Insured's** interest does/did not rise to the level of management control;

except that if the **Named Insured** was a joint venturer, partner, or member of such a limited liability company, and such joint venture, partnership or limited liability company terminated prior to or during the **policy period**, then such **Named Insured** is an **Insured** with respect to its interest in such joint venture, partnership or limited liability company but only to the extent that:

a. any offense giving rise to **personal and advertising injury** occurred prior to such termination date, and the **personal and advertising injury** arising out of such offense, first occurred after such termination date;

b. the **bodily injury** or **property damage** first occurred after such termination date; and

Copyright CNA All Rights Reserved. Includes copyrighted material of Insurance Services Office, Inc., with its permission.

c. there is no other valid and collectible insurance purchased specifically to insure the partnership, joint venture or limited liability company.

11. LEGAL LIABILITY – DAMAGE TO PREMISES

A. Under **COVERAGES, Coverage A – Bodily Injury and Property Damage Liability**, the paragraph entitled **Exclusions** is amended to delete the first paragraph immediately following subparagraph **(6)** of the **Damage to Property** exclusion and replace it with the following:

Paragraphs **(1)**, **(3)** and **(4)** of this exclusion do not apply to **property damage** (other than damage by fire) to premises rented to the **Named Insured** or temporarily occupied by the **Named Insured** with the permission of the owner, nor to the contents of premises rented to the **Named Insured** for a period of 7 or fewer consecutive days. A separate limit of insurance applies to Damage To Premises Rented To You as described in **LIMITS OF INSURANCE**.

B. Under **COVERAGES, Coverage A – Bodily Injury and Property Damage Liability**, the paragraph entitled **Exclusions** is amended to delete its last paragraph and replace it with the following:

Exclusions **c.** through **n.** do not apply to damage by fire to premises while rented to a **Named Insured** or temporarily occupied by a **Named Insured** with permission of the owner, nor to damage to the contents of premises rented to a **Named Insured** for a period of 7 or fewer consecutive days.

A separate limit of insurance applies to this coverage as described in the **LIMITS OF INSURANCE** Section.

C. **LIMITS OF INSURANCE** is amended to delete Paragraph **6.** (the Damage To Premises Rented To You Limit) and replace it with the following:

6. Subject to Paragraph **5.** above, (the Each Occurrence Limit), the Damage To Premises Rented To You Limit is the most the Insurer will pay under **COVERAGE A** for **damages** because of **property damage** to:

a. any one premises while rented to a **Named Insured** or temporarily occupied by a **Named Insured** with the permission of the owner; and

b. contents of such premises if the premises is rented to the **Named Insured** for a period of 7 or fewer consecutive days.

The Damage To Premises Rented To You Limit is $500,000. unless a different Damage to Premises Rented to You Limit is shown in the Declarations.

D. The **Other Insurance** Condition is amended to delete Paragraph **b.(1)(a)(ii)**, and replace it with the following:

(ii) That is property insurance for premises rented to a **Named Insured**, for premises temporarily occupied by the **Named Insured** with the permission of the owner; or for personal property of others in the **Named Insured's** care, custody or control;

E. This Provision **11.** does not apply if liability for damage to premises rented to a **Named Insured** is excluded by another endorsement attached to this **Coverage Part**.

12. MEDICAL PAYMENTS

A. **LIMITS OF INSURANCE** is amended to delete Paragraph **7.** (the Medical Expense Limit) and replace it with the following:

7. Subject to Paragraph **5.** above (the Each Occurrence Limit), the Medical Expense Limit is the most the Insurer will pay under **Coverage C – Medical Payments** for all medical expenses because of **bodily injury** sustained by any one person. The Medical Expense Limit is the greater of:

(1) $15,000 unless a different amount is shown here: @@@@@@@@@@@@@@@ ; or

(2) the amount shown in the Declarations for Medical Expense Limit.

Copyright CNA All Rights Reserved. Includes copyrighted material of Insurance Services Office, Inc., with its permission.

B. Under **COVERAGES**, the **Insuring Agreement** of **Coverage C – Medical Payments** is amended to replace Paragraph **1.a.(3)(b)** with the following:

(b) The expenses are incurred and reported to the Insurer within three years of the date of the accident; and

This Paragraph **B.** does not apply to medical expenses incurred in the state of Missouri.

13. NON-OWNED AIRCRAFT

Under **COVERAGES, Coverage A – Bodily Injury and Property Damage Liability**, the paragraph entitled **Exclusions** is amended as follows:

The exclusion entitled **Aircraft, Auto or Watercraft** is amended to add the following:

This exclusion does not apply to an aircraft not owned by any **Named Insured**, provided that:

1. the pilot in command holds a currently effective certificate issued by the duly constituted authority of the United States of America or Canada, designating that person as a commercial or airline transport pilot;
2. the aircraft is rented with a trained, paid crew to the **Named Insured**; and
3. the aircraft is not being used to carry persons or property for a charge.

14. NON-OWNED WATERCRAFT

Under **COVERAGES, Coverage A – Bodily Injury and Property Damage Liability**, the paragraph entitled **Exclusions** is amended to delete subparagraph **(2)** of the exclusion entitled **Aircraft, Auto or Watercraft**, and replace it with the following.

This exclusion does not apply to:

(2) a watercraft that is not owned by any **Named Insured**, provided the watercraft is:

(a) less than 75 feet long; and

(b) not being used to carry persons or property for a charge.

15. PERSONAL AND ADVERTISING INJURY –DISCRIMINATION OR HUMILIATION

A. Under **DEFINITIONS**, the definition of **personal and advertising injury** is amended to add the following tort:

- Discrimination or humiliation that results in injury to the feelings or reputation of a natural person.

B. Under **COVERAGES, Coverage B – Personal and Advertising Injury Liability**, the paragraph entitled **Exclusions** is amended to:

1. delete the Exclusion entitled **Knowing Violation Of Rights Of Another** and replace it with the following:

   This insurance does not apply to:

   Knowing Violation of Rights of Another

   Personal and advertising injury caused by or at the direction of the **Insured** with the knowledge that the act would violate the rights of another and would inflict **personal and advertising injury.** This exclusion shall not apply to discrimination or humiliation that results in injury to the feelings or reputation of a natural person, but only if such discrimination or humiliation is not done intentionally by or at the direction of:

   (a) the **Named Insured**; or

   (b) any **executive officer**, director, stockholder, partner, member or manager (if the **Named Insured** is a limited liability company) of the **Named Insured.**

2. add the following exclusions:

   This insurance does not apply to:

Copyright CNA All Rights Reserved. Includes copyrighted material of Insurance Services Office, Inc., with its permission.

Employment Related Discrimination

Discrimination or humiliation directly or indirectly related to the employment, prospective employment, past employment or termination of employment of any person by any **Insured**.

Premises Related Discrimination

discrimination or humiliation arising out of the sale, rental, lease or sub-lease or prospective sale, rental, lease or sub-lease of any room, dwelling or premises by or at the direction of any **Insured**.

Notwithstanding the above, there is no coverage for fines or penalties levied or imposed by a governmental entity because of discrimination.

The coverage provided by this **PERSONAL AND ADVERTISING INJURY –DISCRIMINATION OR HUMILIATION** Provision does not apply to any person or organization whose status as an **Insured** derives solely from

- Provision **1. ADDITIONAL INSURED** of this endorsement; or
- attachment of an additional insured endorsement to this **Coverage Part**.

16. PERSONAL AND ADVERTISING INJURY - LIMITED CONTRACTUAL LIABILITY

A. Under **COVERAGES, Coverage B –Personal and Advertising Injury Liability**, the paragraph entitled **Exclusions** is amended to delete the exclusion entitled **Contractual Liability** and replace it with the following:

This insurance does not apply to:

Contractual Liability

Personal and advertising injury for which the **Insured** has assumed liability in a contract or agreement.

This exclusion does not apply to liability for **damages**:

(1) that the **Insured** would have in the absence of the contract or agreement; or

(2) assumed in a contract or agreement that is an **insured contract** provided the offense that caused such **personal or advertising injury** first occurred subsequent to the execution of such **insured contract**. Solely for the purpose of liability assumed in an **insured contract**, reasonable attorney fees and necessary litigation expenses incurred by or for a party other than an **Insured** are deemed to be **damages** because of **personal and advertising injury** provided:

(a) liability to such party for, or for the cost of, that party's defense has also been assumed in such **insured contract**; and

(b) such attorney fees and litigation expenses are for defense of such party against a civil or alternative dispute resolution proceeding in which covered **damages** are alleged.

B. Solely for the purpose of the coverage provided by this paragraph, **DEFINITIONS** is amended to delete the definition of **insured contract** in its entirety, and replace it with the following:

Insured contract means that part of a written contract or written agreement pertaining to the **Named Insured's** business under which the **Named Insured** assumes the tort liability of another party to pay for **personal or advertising injury** arising out of the offense of false arrest, detention or imprisonment. Tort liability means a liability that would be imposed by law in the absence of any contract or agreement.

C. Solely for the purpose of the coverage provided by this paragraph, the following changes are made to the Section entitled **SUPPLEMENTARY PAYMENTS – COVERAGES A AND B:**

1. Paragraph **2.d.** is replaced by the following:

Copyright CNA All Rights Reserved. Includes copyrighted material of Insurance Services Office, Inc., with its permission.

d. The allegations in the **suit** and the information the Insurer knows about the offense alleged in such **suit** are such that no conflict appears to exist between the interests of the **Insured** and the interests of the indemnitee;

2. The first unnumbered paragraph beneath Paragraph **2.f.(2)(b)** is deleted and replaced by the following:

So long as the above conditions are met, attorneys fees incurred by the Insurer in the defense of that indemnitee, necessary litigation expenses incurred by the Insurer, and necessary litigation expenses incurred by the indemnitee at the Insurer's request will be paid as **defense costs**. Notwithstanding the provisions of Paragraph **e.(2)** of the Contractual Liability exclusion (as amended by this Endorsement), such payments will not be deemed to be **damages** for **personal and advertising injury** and will not reduce the limits of insurance.

D. This **PERSONAL AND ADVERTISING INJURY - LIMITED CONTRACTUAL LIABILITY** Provision does not apply if **Coverage B –Personal and Advertising Injury Liability** is excluded by another endorsement attached to this **Coverage Part**.

17. PROPERTY DAMAGE – ELEVATORS

A. Under **COVERAGES, Coverage A – Bodily Injury and Property Damage Liability**, the paragraph entitled **Exclusions** is amended such that the **Damage to Your Product** Exclusion and subparagraphs **(3)**, **(4)** and **(6)** of the **Damage to Property** Exclusion do not apply to **property damage** that results from the use of elevators.

B. Solely for the purpose of the coverage provided by this **PROPERTY DAMAGE – ELEVATORS** Provision, the **Other Insurance** conditions is amended to add the following paragraph:

This insurance is excess over any of the other insurance, whether primary, excess, contingent or on any other basis that is Property insurance covering property of others damaged from the use of elevators.

18. SUPPLEMENTARY PAYMENTS

The section entitled **SUPPLEMENTARY PAYMENTS – COVERAGES A AND B** is amended as follows:

A. Paragraph **1.b.** is amended to delete the $250 limit shown for the cost of bail bonds and replace it with a $5,000. limit; and

B. Paragraph **1.d.** is amended to delete the limit of $250 shown for daily loss of earnings and replace it with a $1,000. limit.

19. PROPERTY DAMAGE - PATTERNS MOLDS AND DIES

Under **COVERAGES, Coverage A – Bodily Injury and Property Damage Liability**, the paragraph entitled **Exclusions** is amended to delete subparagraphs **(3)** and **(4)** of the Exclusion entitled **Damage to Property**, but only with respect to patterns, molds or dies that are in the care, custody or control of the **Insured**, and only if such patterns, molds or dies are not being used to perform operations at the time of loss. A limit of insurance of $25,000 per **policy period** applies to this **PROPERTY DAMAGE - PATTERNS MOLDS AND DIES** coverage, and this limit:

A. is included within the General Aggregate Limit as described in **LIMITS OF INSURANCE**; and

B. applies excess over any valid and collectible property insurance available to the **Insured**, including any deductible applicable to such insurance; the **Other Insurance** condition is changed accordingly.

20. UNINTENTIONAL FAILURE TO DISCLOSE HAZARDS

If the **Named Insured** unintentionally fails to disclose all existing hazards at the inception date of the **Named Insured's Coverage Part**, the Insurer will not deny coverage under this **Coverage Part** because of such failure.

CNA

Technology General Liability Extension Endorsement

21. WAIVER OF SUBROGATION - BLANKET

Under **CONDITIONS**, the condition entitled **Transfer Of Rights Of Recovery Against Others To Us** is amended to add the following:

The Insurer waives any right of recovery the Insurer may have against any person or organization because of payments the Insurer makes for injury or damage arising out of:

1. the **Named Insured's** ongoing operations; or
2. **your work** included in the **products-completed operations hazard.**

However, this waiver applies only when the **Named Insured** has agreed in writing to waive such rights of recovery in a written contract or written agreement, and only if such contract or agreement:

1. is in effect or becomes effective during the term of this **Coverage Part**; and
2. was executed prior to the **bodily injury**, **property damage** or **personal and advertising injury** giving rise to the **claim**.

All other terms and conditions of the Policy remain unchanged.

This endorsement, which forms a part of and is for attachment to the Policy issued by the designated Insurers, takes effect on the effective date of said Policy at the hour stated in said Policy, unless another effective date is shown below, and expires concurrently with said Policy.

CITY OF PLACENTIA

AMENDMENT NO. 4 TO

PROFESSIONAL SERVICES AGREEMENT FOR SALES AND USE TAX SERVICES

1. PARTIES AND DATE.

This Amendment No. 4 to Professional Services Agreement ("Fourth Amendment") is entered into on the ____ day of _____, _____, by and between the CITY of PLACENTIA ("CITY") and Hinderliter de Llamas and Associates, a California corporation (“Consultant”)**.** CITY and Consultant are sometimes individually referred to herein as "Party" and collectively as "Parties."

2. RECITALS.

2.1 Agreement. The Parties entered into a Professional Services Agreement dated January 1, 2019 ("Agreement").

2.2 Amendment No.1 The First Amendment was approved and became effective on July 1, 2023, extending the term through June 30, 2024.

2.3 Amendment No.2 The Second Amendment was approved and became effective July 1, 2024, extending the term through June 30, 2025.

2.4 Amendment No.3 The Third Amendment was approved and became effective July 1, 2025, extending the term through June 30, 2026.

2.5 The Parties now desire to amend the Agreement for ongoing consultation to extend the contract term to June 30, 2027.

2.6 Remaining Provisions of Agreement. Except as otherwise specifically set forth in this Fourth Amendment, the remaining provisions of the Agreement shall remain in full force and effect.

PLACENTIA CITY COUNCIL AGENDA REPORT

Meeting Date: June 16, 2026

Submitted by: Jerry Griggs

From: Finance

Subject:
SOFTWARE AGREEMENT WITH KRONOS SAASHR, INC. FOR A WORKFORCE MANAGEMENT SYSTEM

Financial Impact:
Expense: $68,723.93 annual software license fee
Budgeted: Human Resources/Finance FY 2026-27

Summary:
The organization currently utilizes Kronos SAASHR, Inc. payroll and human resources management software to support payroll processing, employee record management, benefits administration, timekeeping, reporting, and other human resources functions. The software has been in use since 2024 and serves as the organization's primary system for payroll and HR administration.

Recommended Action:
It is recommended that the City Council:

1. Approve renewal of the software agreement with Kronos SaasHR, Inc. for a workforce management system in the amount of $68,723.93 for the period August 1, 2026 through July 31, 2027; and
2. Authorize the City Administrator and/or her designee to execute all the necessary documents in a form approved by the City Attorney.

Strategic Plan Statement:
This item is consistent with the City Council approved Strategic Goal No. 5 to Improve Organizational Excellence but is not directly related to a specific objective.

Discussion:
Kronos payroll and human resources management system continues to meet the organization's operational needs by providing a centralized platform for managing employee information and payroll functions. Key services and features provided under the renewal agreement include:

- Payroll processing and tax reporting
- Employee data management
- Benefits administration
- Time and attendance integration

- Employee self-service functionality
- Human resources reporting and analytics
- Regulatory and compliance updates
- Technical support and system maintenance
- Software upgrades and security enhancements

The system has proven to be reliable and efficient, supporting accurate payroll processing and reducing manual administrative tasks. Renewing the agreement will allow staff to continue utilizing the existing platform without disruption to payroll and HR services. Staff evaluated the continued performance of the software and vendor support and determined that renewal of the agreement is in the organization's best interest. Transitioning to a different system would require significant staff resources, implementation costs, data migration efforts, employee training, and potential operational disruptions.

Financial Summary:
The annual cost for basic service is $68,723.93 for Fiscal Year 2026-27. The cost of these services is included in the FY2026-27 Proposed Budget.

for

Workforce Management Systems and Related Products,

Services and Solutions

with

Kronos SaaShr, Inc.

Effective: March 18, 2019

The following documents comprise the executed contract between the Cobb County, GA, Kronos SaaShr,Inc., effective March 18, 2019:

I. Vendor Master Agreement Reference No. 18221 and Signature Form
II. Kronos SaaShr, Inc.Terms and Conditions for Participating Public Agencies

Reference Number	
Reference Depart.	Purchasing Department

Reference No. 18221

Master Agreement

Owner: Cobb County Board of Commissioners
100 Cherokee Street
Marietta, GA 30090

Contractor: Kronos SaaShr, Inc.
3040 Route 22 West, Suite 200
Branchburg, NJ 08876

Description: **WORKFORCE MANAGEMENT SYSTEMS AND RELATED PRODUCTS, SERVICES AND SOLUTIONS:** The undersigned parties understand and agree to comply with and be bound by the entire contents of **Sealed Bid #18-6390** ("the RFP") and the Contractor's Proposal submitted September 27, 2018 which is incorporated herein by reference. Contractor understands and agrees that insurance required in the Request for Proposals are to be kept current at all times through the length of each term and for ninety (90) days following the completion of each term. Insurance must be renewed and presented to the Owner at the time of each renewal term if Owner chooses to renew. Insurance shall be written by a fir m acceptable to the Owner as specified in the Request for Proposals.

U.S. COMMUNITIES GOVERNMENT PURCHASING ALLIANCE: Contractor agrees to enter into the U.S. Communities Administration Agreement that is included in the RFP and the memorandum of understanding with U.S. Communities ("Administration Agreement"). Any Public Agency, as defined in the Administration Agreement, may purchase Products and Services at the prices indicated in the Contractor' s Proposal upon prior registration with U.S. Communities, and in accordance with the terms of the Administration Agreement.

Terms: **March 18, 2019 to March 17, 2022** with full renewal options per the Request for Proposals. Owner shall exercise renewal options by issuance and delivery to Contractor of a written notice to renew this agreement. Orders executed with public entities in the state of Georgia shall be in compliance with multi-year contract provisions of O.C.G.A. Section 36-60-1 3. The products and services which are subject to this Master Agreement are also covered by the applicable Contractor commercial service or maintenance terms and conditions incorporated as Appendix A. The term of the Commercial service or maintenance terms and conditions shall be governed by that applicable order and may extend beyond the expiration date of this Master Agreement. In the event of conflicting language between the Terms and Conditions of the Master Agreement, including the RFP, and the terms and conditions contained in Appendix A, the Master Agreement shall prevail.

Price:

Prices for services and equipment, if applicable, as stated in the Contractor's proposal

Billi ng:

For purchases made by Cobb Count y Government, all original invoices shall be submitted directly to the Cobb County Finance Department. Invoices shall bill only for items received during the period covered by the invoice and shall clearly identify such items in accordance with invoicing guidelines in the Sealed Bid Proposal. For purchases made by participating public agencies, the Contractor shall comply with each agency' s invoicing and billing requirements outlined on the applicable order.

{SIGNATURES ON NEXT PAGE}

IN WITNESS, WHEREOF, this Agreement has been executed by Owner and accepted by Contractor to be effective as of the date first above written.

SECTION B: **KRONOS WORKFORCE READY SAAS TERMS AND CONDITIONS. This Section applies only for Workforce Ready transactions.**

SECTION C: **PAYROLL PROCESSING SERVICES. This Section applies to the Workforce Payroll Services.**

SECTION A: GENERAL TERMS AND CONDITIONS

1. APPLICATION OF THESE TERMS
These terms and conditions apply to each order accepted by Kronos SaaShr Inc. ("Kronos") from an eligible Participating Public Agency ("Customer") for all Kronos Equipment, Software, Professional and Educational Services, Support and such other Kronos offerings, as specified on an order form (an "Order").

In addition to the terms set forth in this Section A: General Terms and Condition, the following sections apply for the specific offering referenced:
(i) Section B shall apply to the Workforce Ready Saas Orders; and
(ii) Section C shall apply to Workforce Payroll Services.

All orders are subject to the approval of Kronos' corporate office in Lowell, Massachusetts. This Agreement and the Order Form shall supersede the pre-printed terms of any Customer purchase order or other Customer ordering document, and no such Customer pre-printed terms shall apply to the items ordered.

2. APPLICABLE LAWS
This Agreement shall be governed by the state law in which Customer is based, provided however, if such jurisdiction has adopted the Uniform Computer Information Transactions Act (UCITA), or such other similar law, the parties expressly agree to "opt-out" of and not be governed by UCITA or such other similar law. The parties waive the application of the United Nations Commission on International Trade Law and United Nations Convention on Contracts for the International Sale of Goods as to the interpretation or enforcement of this Agreement.

3. EXPORT
Customer acknowledges that the Equipment and Software may be restricted by the United States Government or by the country in which the Equipment or Software is installed from export to certain countries and certain organizations and individuals, and agrees to comply with such laws. Customer agrees to comply with all applicable laws of all of the countries in which the Equipment and Software may be used by Customer. Customer's obligations hereunder shall survive the termination or expiration of the Order Form. Customer must obtain Kronos prior written consent before exporting the Software.

4. CONFIDENTIAL INFORMATION
"Confidential Information" is defined as information that is: i) disclosed between the parties after the date of this Agreement that is considered confidential or proprietary to the disclosing party; and ii) identified as "confidential" at the time of disclosure, or would be reasonably obvious to the receiving party to constitute confidential information because of legends or other markings, by the circumstances of disclosure or the nature of the information itself. Additionally, Customer acknowledges and agree that the Software (and Software documentation), and the Specifications shall be deemed to be Kronos' Confidential Information and trade secret. Each party shall protect the Confidential Information of the other party with at least the same degree of care and confidentiality, but not less than a reasonable standard of care, which such party utilizes for its own information of similar character that it does not wish disclosed to the public. Neither party shall disclose to third parties (except the parent company or the wholly owned subsidiaries of the receiving party who have a need to know) the other party's Confidential Information, or use it for any purpose not explicitly set forth herein, without the prior written consent of the other party. Notwithstanding the foregoing, a party may disclose Confidential Information to the extent required: (a) to any subsidiary or affiliate of such Party, or (b) to any consultants, contractors, and counsel who have a need to know in connection with the Agreement and who are under obligations of non-disclosure agreement at least as stringent as this section 4, or (c) by law (including the applicable public record laws), or by a court or governmental agency, or if necessary in any proceeding to establish rights or obligations under the Agreement; provided, the receiving party shall, unless legally prohibited, provide the disclosing party with reasonable prior written notice sufficient to permit the disclosing party an opportunity to contest such disclosure. If a party commits, or threatens to commit, a breach of this Section 4, the other party shall have the right to seek injunctive relief from a court of competent jurisdiction. The obligation of confidentiality shall survive for three (3) years after the disclosure of such Confidential Information.

This Agreement imposes no obligation upon either party with respect to the other party's Confidential Information which the receiving party can establish by legally sufficient evidence: (a) was rightfully possessed by the receiving party without an obligation to maintain its confidentiality prior to receipt from the disclosing party, (b) is generally known to the public without violation of this Agreement; (c) is obtained by the receiving party in good faith from a third party having the right to disclose it without an obligation with respect to confidentiality; (d) is independently developed by the receiving party without use of the disclosing party's confidential information, which can be shown by tangible evidence.

5. TAXES
If Customer presents to Kronos a validly issued tax-exempt certificate, or other sufficient evidence of tax exemption, Customer shall not be liable for those taxes for which Customer is exempt. Otherwise, Customer agrees to pay all other applicable duties and customs fees relating to this Agreement , as well as all taxes levied or based on the products, services or other charges hereunder, including federal, state and local sales and excise taxes, and any taxes or amount in lieu thereof paid or payable by Kronos, exclusive of taxes based on Kronos net income or business privilege.

6. TRAVEL EXPENSES
Customer agrees to reimburse Kronos for all pre-approved, reasonable and necessary travel incurred by Kronos in the performance of its obligations under this Agreement, in accordance with the Kronos Travel and Expenses Policies as such mutually agreed policies or as mutually agreed between the parties in the statement of work. Customer further agrees to pay any travel expenses such as airfare, lodging, meals and local transportation, incurred by Kronos in the performance of its obligations under this Agreement provided such expenses comply with the Agreement. Customer will be billed by Kronos for such travel expenses and payment thereof shall be due net 30.

7. GENERAL
(a) The invalidity or illegality of any provision of this Agreement shall not affect the validity of any other provision. The parties intend for the remaining unaffected provisions to remain in full force and effect.
(b) Customer shall not assign this Agreement or the license to the Software without the prior written consent of Kronos and any purported assignment, without such consent, shall be void.
(c) Neither Party shall be responsible for any failure to perform or delay in performing any of its obligations under this Agreement (other than a failure to comply with payment obligations) where and to the extent that such failure or delay results from an unforeseeable event beyond a party's reasonable control, including but not limited to, acts of war; acts of nature; earthquake; flood; embargo; riot; sabotage; labor shortage or dispute;

changes in government codes, ordinances, laws, rules, regulations or restrictions; failure of the Internet; terrorist acts; failure of data, products or services controlled by any third party, including the providers of communications or network services; utility power failure; material shortages or unavailability or other delay in delivery not resulting from the responsible party's failure to timely place orders therefor, or lack of or delay in transportation (each a "Force Majeure Event").
(d) All notices given under this Agreement shall be in writing and sent postage pre-paid, if to Kronos, to the Kronos address on the Order Form, or if to Customer, to the billing address on the Order Form.
(e) The section headings herein are provided for convenience only and have no substantive effect on the construction of this Agreement.
(f) The parties agree that the Order signed by both parties and expressly reference this Agreement, which is delivered via fax or electronically delivered via email it shall constitute a valid and enforceable agreement.
(g) This Agreement and any information expressly incorporated herein (including information contained in any referenced URL), together with the applicable Order Form, constitute the entire agreement between the parties for the products and services described herein and supersede all prior or contemporaneous representations, negotiations, or other communications between the parties relating to the subject matter of this Agreement. This Agreement may be amended only in writing signed by authorized representatives of both parties. Customer understands and acknowledges that while Kronos may disclose to customers certain confidential information regarding general product development direction, potential future products and/or product enhancements under consideration, Customer is not entitled to any products or product enhancements other than those contained on the Order Form. Customer has not relied on the availability of any future version of the Software or Equipment identified on an Order Form, nor any other future product in executing this Agreement.
(h) Use, duplication, or disclosure by the United States Government is subject to restrictions as set forth in subparagraph (c) (1) (ii) of the Rights in Technical Data and Computer Software clause at DFARS 252.227-7013, or subparagraph (c)(1)(2) of the Commercial Computer Software Restricted Rights clause at FAR 52.227-19, as applicable. Manufacturer/distributor is Kronos SaaShr Inc., 297 Billerica Road, Chelmsford, MA.
(i) The JBoss® Enterprise Middleware components embedded in the Software are subject to the End User License Agreement found at http://www.redhat.com/licenses/jboss_eula.html.
(j) Customer may pay an invoice by credit card if the amount is not greater than $50,000.00.
(k) Kronos agrees to comply with any applicable federal, state and local laws and regulations.
(l) Additionally, Kronos agrees to be liable for tangible property damage or personal injury to the extent caused by the negligence or willful misconduct of its employees.

SECTION B
KRONOS WORKFORCE READY® - SOFTWARE AS A SERVICE TERMS AND CONDITIONS

Customer and Kronos agree that the terms and conditions set forth in this Section B shall apply to the Kronos supply of the commercially available version of the Workforce Ready® SaaS Applications in Kronos' hosting environment, the services related thereto, and the sale or rental of Equipment (if any) specified on a Kronos Order Form. The Applications described on the Order Form shall be delivered by means of Customer's permitted access to the Kronos infrastructure hosting such Applications.

1. DEFINITIONS
"Agreement" means these terms and conditions and the Order Form(s).

"Application(s)" or **"SaaS Application(s)"** means those Kronos software application programs set forth on an Order Form which are made accessible for Customer to use under the terms of this Agreement.

"Billing Start Date" means the date the billing of the Monthly Service Fees commences as indicated on the applicable Order Form. The Billing Start Date of the Monthly Service Fees for any Services ordered by Customer after the date of this Agreement which are incremental to Customer's then-existing Services shall be the date the applicable Order Form is executed by Kronos and Customer.

"Customer Content" means all content Customer, or others acting on behalf of or through Customer, posts or otherwise inputs into the Services.

"Documentation" means technical publications published by Kronos relating to the use of the Services.

"Educational Content" has the meanings ascribed in Section 7.3.

"Equipment" means the Kronos equipment purchased or rented by Customer under this Agreement.

"Initial Term" means the initial term of the Services as indicated on the Order Form.

"Monthly Service Fee(s)" means the monthly fees described in an Order Form. Monthly Service Fees include fees for usage of the Applications, the Services, and Equipment rental, if any. Billing of the Monthly Service Fee(s) commences on the Billing Start Date.

"Order Form" means an order form mutually agreed upon by Kronos and Customer setting forth the items ordered by Customer and to be provided by Kronos and the fees to be paid by Customer.

"Personally Identifiable Data" means information concerning individually identifiable employees of Customer that is protected against disclosure under applicable law or regulation.

"Renewal Term" means the renewal term of the Services as indicated on the Order Form.

"Services" means (i) accessibility to the commercially available version of the Applications by means of access to the password protected customer area of a Kronos website, and all such services, items and offerings accessed by Customer therein, and (ii) the Equipment rented hereunder, if any.

"Supplier" means any contractor, subcontractor or licensor of Kronos providing software, equipment and/or services to Kronos which are incorporated into or otherwise related to the Services.

"Term" means the Initial Term and any Renewal Terms thereafter.

2. TERM
2.1 The Services shall commence on the Billing Start Date, and shall continue for the Initial Term or until terminated in accordance with the provisions hereof. At the expiration of the Initial Term and each Renewal Term as applicable, the Services shall automatically renew for additional Renewal Terms until terminated in accordance with the provisions hereof.

2.2 Customer may terminate the Services and this Agreement for convenience upon ninety (90) days prior written notice subject to Customer's payment of the Services performed and Equipment delivered prior to the effective date of termination. Kronos may terminate the Services and this Agreement to be effective at the expiration of the then current Term upon no less than sixty (60) days prior written notice.

2.3 Either party may terminate the Services and the Agreement upon a material breach of the Agreement by the other party if such breach is not cured within fifteen (15) days after receipt of written notice. Notwithstanding the foregoing, Kronos may suspend the Services immediately upon notice in the event of any Customer breach of Sections 4 (Rights to Use), 5 (Acceptable Use), or Section B.4 (Confidential Information).

2.4 In the event that either party becomes insolvent, makes a general assignment for the benefit of creditors, is adjudicated a bankrupt or insolvent, commences a case under applicable bankruptcy laws, or files a petition seeking reorganization, the other party may request adequate assurances of future performance. Failure to provide adequate assurances, in the requesting party's reasonable discretion, within ten (10) days of delivery of the request shall entitle the requesting party to terminate the Agreement immediately upon written notice to the other party.

2.5 If the Agreement is terminated for any reason:
(a) Customer shall pay Kronos within thirty (30) days of such termination, all fees accrued under this Agreement prior to the effective date of such termination, provided however, if Customer terminates for material breach of the Agreement by Kronos, Kronos shall refund Customer any pre-paid fees for services not delivered by Kronos;
(b) Customer's right to access and use the Applications shall be revoked and be of no further force or effect and return rented Equipment as provided in Section 9.1 below;

(c) No more than fifteen (15) days after termination (or upon Customer's written request at any time during the Term), Kronos will provide to Customer, at no charge to Customer, the Customer Content. After such time period, Kronos shall have no further obligation to store or make available the Customer Content and will securely delete any or all Customer Content without liability;
(d) Customer agrees to timely return all Kronos-provided materials related to the Services to Kronos at Customer's expense or, alternatively, destroy such materials and provide Kronos with an officer's certification of the destruction thereof; and
(e) All provisions in the Agreement, which by their nature are intended to survive termination, shall so survive.

3. FEES AND PAYMENT

3.1 Customer shall pay Kronos the Setup Fees, the Monthly Service Fees and any additional one time, set-up or recurring fees, all as defined on the Order Form. Billing will commence on the Billing Start Date with the Monthly Service Fees to be billed on the frequency set forth on the Order Form ("Billing Frequency"). Unless otherwise indicated on the Order Form, Kronos will bill Customer for all implementation services in advance. Purchased Equipment will be billed upon shipment of such Equipment. Customer authorizes Kronos to charge the debit card or credit card on file with Kronos in an amount equal to the Monthly Service Fees as all such fees become due under this Agreement. For all other payments and fees due under this Agreement, payment shall be due 30 days following date of invoice unless otherwise indicated on an Order Form. Except as expressly set forth in the Agreement, all amounts paid to Kronos are non-refundable. Customer is responsible for all applicable taxes relating to the goods and services provided by Kronos hereunder (including without limitation GST and/or VAT if applicable), excluding taxes based on Kronos' income or business privilege.

3.2 The Setup Fees shall be invoiced upon execution of the Agreement and shall be due net 30 days following date of invoice. Customer acknowledges that setup fees may be charged to Customer by third parties for Add-on Features. Third party setup and monthly fees shall be set forth on an Order Form . Monthly Service fees shall be based on monthly periods that begin on the Billing Start Date. Monthly Service Fees shall include fees for Equipment rental, if any. Monthly Service Fees for Services added on or before the 15th day of a given month will be charged for that full monthly period and each monthly period of the Term thereafter; Monthly Service Fees for Services added after the 15th day of a given month will begin to accrue as of the 1st day of the following month and will be charged for each monthly period of the Term thereafter. Monthly Service Fees shall be invoiced promptly following the end of the calendar month in which the Monthly Service Fees were accrued. Kronos will monitor Customer's "Usage" of the Services (as defined below) in order to calculate the Usage portion of the Monthly Service Fees to be charged. Usage of the Services, depending on applicable features, components, or services, shall be priced as identified on the Order Form either on a: (a) per month basis; (b) per active employee (herein "Active Employee") per month usage basis; (c) per transaction basis (e.g.: pay statement); or, (d) per access point. For purposes of the Agreement, an employee shall be deemed an Active Employee during any applicable billing period if through the Services: (i) time has been entered for such employee; (ii) records have been included for such employee for the purpose of processing payroll; (iii) records have been included for such employee within an import/export process; (iv) such employee has accessed the Services, regardless of the purpose; (v) benefit time has been accrued for such employee; or (vi) such employee has been marked by Customer as having an "Active" status during the period.

3.3 Customer agrees that except in those circumstances in which Customer is entitled to invoke the termination for cause provision set forth in Section 2.3 above, in consideration of Kronos' delivery of the Services on a variable fee basis, Customer agrees to pay Kronos each month during the Term in which charges accrue no less than the minimum monthly fees ("Minimum Monthly Fees") which shall be calculated by Kronos based the amounts identified on all Order Forms for Customer's Usage of the Services, plus Equipment rental fees, if any. In the event that Customer does not reach the anticipated Usage upon which the Minimum Monthly Fees was based for any given month during the Term, Customer shall remain responsible for paying the Minimum Monthly Fees for that month. If an Order Form or the Agreement is suspended by Kronos for non-payment or otherwise terminated by Kronos for cause, Customer shall remain liable to pay the applicable Minimum Monthly Fees up to and including the last day of the month in which the effective date of termination occurs.

3.4 If any amount owing under this or any other agreement between the parties is thirty (30) or more days overdue, Kronos may, without limiting Kronos' rights or remedies, suspend Services until such amounts are paid in full. Kronos will provide at least seven (7) days' prior written notice that Customer's account is overdue before suspending Services.

3.5 At the latest of (i) one (1) year after the effective date of this Agreement, or (ii) expiration of the Initial Term, and at each annual anniversary of that date thereafter, Kronos may increase the Monthly Service Fee rates in an amount not to exceed four percent (4%). The increased Monthly Service Fees will be reflected in the monthly invoice following the effective date of such increase without additional notice.

4. RIGHTS TO USE

4.1 Subject to the terms and conditions of the Agreement, Kronos hereby grants Customer a limited, revocable, non-exclusive, non-transferable, non-assignable right to use during the Term and for internal business purposes only: a) the Applications and related services, including the Documentation and training materials; and, b) any embedded third party software, libraries, or other components, which form a part of the Services. The Services contain proprietary trade secret technology of Kronos and its Suppliers. Unauthorized use and/or copying of such technology are prohibited by law, including United States and foreign copyright law. Customer shall not reverse compile, disassemble or otherwise convert the Applications or other software comprising the Services into uncompiled or unassembled code. Customer acknowledges and agrees that the right to use the Services is limited based upon authorized Usage and the amount of the Monthly Service Fees to be paid by Customer. Customer agrees to use only the modules and/or features described on the Order Form. Customer agrees not to use any other modules or features unless Customer has licensed such additional modules or features. Customer may not relicense or sublicense the Services, or otherwise permit use of the Services (including timesharing or networking use) by any third party. Customer may not provide service bureau or other data processing services that make use of the Services without the express prior written consent of Kronos. No license, right, or interest in any Kronos trademark, trade name, or service mark, or those of Kronos' licensors or Suppliers, is granted hereunder. When using and applying the information generated by the Services, Customer is responsible for ensuring that Customer complies with applicable laws and regulations.

4.2 Customer may authorize its third party contractors and consultants to access the Services through Customer's administrative access privileges on an as needed basis, provided Customer: a) abides by its obligations to protect Confidential Information as set forth in this Agreement; b) remains responsible for all such third party usage and compliance with the Agreement; and c) does not provide such access to a competitor of Kronos who provides workforce management services.

4.3 Customer acknowledges and agrees that, as between Customer and Kronos, Kronos retains ownership of all right, title and interest to the Services, all of which are protected by copyright and other intellectual property rights, and that, other than the express rights granted herein and under any other agreement in writing with Customer, Customer shall not obtain or claim any rights in or ownership interest to the Services or any

associated intellectual property rights in any of the foregoing. Customer agrees to comply with all copyright and other intellectual property rights notices contained on or in any information obtained or accessed by Customer through the Services.

4.4 Kronos will make updates and upgrades to the Services (tools, utilities, improvements, third party applications, general enhancements) available to Customer at no charge as they are released generally to its customers as part of the Services. Customer agrees to receive those updates automatically as part of the Services. Kronos also may offer new products and/or services to Customer at an additional charge. Customer shall have the option of purchasing such new products and/or services under a separate Order Form.

4.5 Kronos reserves the right to change the Services, in whole or in part, including but not limited to, the Internet based services, technical support options, and other Services-related policies. Customer's continued use of the Services after Kronos posts or otherwise notifies Customer of any changes indicates Customer's agreement to those changes.

5. ACCEPTABLE USE

5.1 Customer shall take all reasonable steps to ensure that no unauthorized persons have access to the Services, and to ensure that no persons authorized to have such access shall take any action that would be in violation of this Agreement.

5.2 Customer represents and warrants to Kronos that Customer has the right to publish and disclose the Customer Content in connection with the Services. Customer represents and warrants to Kronos that the Customer Content: (a) does not infringe or violate any third-party right, including but not limited to intellectual property, privacy, or publicity rights, (b) is not abusive, profane, or offensive to a reasonable person, or, (c) is not hateful or threatening.

5.3 Customer will not (a) use, or allow the use of, the Services in contravention of any federal, state, local, foreign or other applicable law, or rules or regulations of regulatory or administrative organizations; (b) introduce into the Services any virus or other code or routine intended to disrupt or damage the Services, or alter, damage, delete, retrieve or record information about the Services or its users; (c) excessively overload the Kronos systems used to provide the Services; (d) perform any security integrity review, penetration test, load test, denial of service simulation or vulnerability scan; (e) use any tool designed to automatically emulate the actions of a human user (e.g., robots); or, (f) otherwise act in a fraudulent, malicious or negligent manner when using the Services.

6. CONNECTIVITY AND ACCESS

Customer acknowledges that Customer shall (a) be responsible for securing, paying for, and maintaining connectivity to the Services (including any and all related hardware, software, third party services and related equipment and components); and (b) provide Kronos and Kronos' representatives with such physical or remote access to Customer's computer and network environment as Kronos deems reasonably necessary in order for Kronos to perform its obligations under the Agreement. Customer will make all necessary arrangements as may be required to provide access to Customer's computer and network environment if necessary for Kronos to perform its obligations under the Agreement. Kronos is hereby (i) granted access to such Customer data to perform its obligations under the Agreement and (ii) authorized to audit the number of Active Employee counts or other transactions that have occurred to measure Usage.

7. IMPLEMENTATION AND SUPPORT

7.1 *Implementation*. Kronos will configure the Services utilizing scheduled remote resources. Software module configuration will be based on information and work flows obtained from Customer during the discovery portion of the implementation. Customer shall provide Kronos with necessary configuration-related information in a timely manner to ensure that mutually agreed implementation schedules are met. Kronos and Customer's implementation responsibilities are described more specifically in the Services Implementation Guideline set forth at: http://www.kronos.com/products/workforce-ready/implementation-guidlines.aspx

7.2 *Standard Support*. Kronos will provide telephone support 8:00 a.m. to 5:00 p.m., local time, Monday – Friday. Customers also shall be provided the capability to log questions online via the Kronos Customer Portal.

7.3 *Equipment Support.* If Equipment is rented in accordance with Section 9.1 below or if Equipment Support Services are purchased for Equipment purchased in accordance with Section 9.2 below, Kronos will provide the following Depot Exchange Support Services to Customer:
(a) Upon the failure of installed Equipment, Customer shall notify Kronos of such failure and Kronos will provide remote fault isolation at the FRU (Field Replacement Unit) or subassembly level and attempt to resolve the problem. Those failures determined by Kronos to be Equipment related shall be dispatched to a Kronos Depot Repair Center, and Customer will be provided with a Return Material Authorization Number (RMA) for the failed Equipment if Customer is to return the failed Equipment to Kronos, as reasonably determined by Kronos. Customer must return the failed Equipment with the supplied RMA number. Hours of operation, locations and other information related to Kronos' Depot Repair Centers are available upon request and are subject to change. Return and repair procedures for failed Equipment shall be provided based on the Depot option - Depot Exchange or Depot Repair - selected by Customer on the applicable Order Form and as specified herein and in Kronos' then-current Support Services Policies.
(b) Kronos will provide a replacement for the failed Equipment at the FRU or subassembly level on an "advanced exchange" basis, utilizing a carrier of Kronos' choice. Replacement Equipment will be shipped the same day, for delivery to Customer's location as further described in the Support Policies. REPLACEMENT EQUIPMENT MAY BE NEW OR RECONDITIONED. Customer shall specify the address to which the Equipment is to be shipped. All shipments will include the Kronos provided RMA designating the applicable Kronos Depot Repair Center, as the recipient. Customer, upon receipt of the replacement Equipment from Kronos, shall package the defective Equipment in the materials provided by Kronos, with the RMA supplied and promptly return failed Equipment directly to Kronos.
(c) Equipment support also includes Customer access to Equipment service packs via the Kronos Customer Portal.

7.4 *Educational Materials and Content*. Customer will have access to certain educational materials and content (the "Educational Content") within the Services. Customer recognizes and agrees that the Educational Content is copyrighted by Kronos. Customer is permitted to make copies of the Educational Content provided in *pdf form solely for Customer's internal training purposes and may not disclose such Educational Content to any third party other than Customer's employees. Customer may not edit, modify, revise, amend, change, alter, customize or vary the Educational Content without the written consent of Kronos, provided that Customer may download and modify contents of Training Kits solely for Customer's internal use

8. Customer content
Customer shall own all Customer Content. Kronos acknowledges that all of the Customer Content is deemed to be the Confidential Information of Customer. Notwithstanding the foregoing, Customer grants Kronos permission to combine Customer's business data with that of other customers in a manner that does not identify the Customer or any individual in order to evaluate and improve the services Kronos offers to customers. In addition, Kronos may, but shall have no obligation to, monitor Customer Content from time to time to ensure compliance with the Agreement and applicable law.

9. EQUIPMENT
If Customer purchases or rents Equipment from Kronos, a description of such Equipment (model and quantity), the applicable pricing, and delivery terms shall be listed on the Order Form.

9.1 *Rented Equipment.* The following terms apply only to Equipment Customer rents from Kronos:

a) Rental Term and Warranty Period. The term of the Equipment rental and the "Warranty Period" for such Equipment shall run coterminously with the Term of the other Services provided under the Agreement.
b) Insurance. Customer shall insure the Equipment for an amount equal to the replacement value of the Equipment for loss or damage by fire, theft, and all normal extended coverage at all times. No loss, theft or damage after shipment of the Equipment to Customer shall relieve Customer from Customer's obligations under the Agreement.
c) Location/Replacement. Customer shall not make any alterations or remove the Equipment from the place of original installation without Kronos' prior written consent. Kronos shall have the right to enter Customer's premises to inspect the Equipment during normal business hours. Kronos reserves the right, at its sole discretion and at no additional cost to Customer, to replace any Equipment with newer or alternative technology Equipment as long as the replacement Equipment at least provides the same level of functionality as that being replaced.
d) Ownership. All Equipment shall remain the property of Kronos. All Equipment is, and at all times shall remain, separate items of personal property, notwithstanding such Equipment's attachment to other equipment or real property. Customer shall not sell or otherwise encumber the Equipment. Customer shall furnish any assurances, written or otherwise, reasonably requested by Kronos to give full effect to the intent of terms of this paragraph (d).
e) Equipment Support. Kronos shall provide to Customer the Equipment support services described in Section 7.
f) Return of Equipment. Upon termination of the Agreement or the applicable Order Form, Customer shall return, within thirty (30) days of the effective date of termination and at Customer's expense, the Equipment subject to this Section 9.1. Equipment will be returned to Kronos in the same condition as and when received, reasonable wear and tear excepted. If Customer fails to return Equipment within this time period, upon receiving an invoice from Kronos, Customer shall pay Kronos the then list price of the unreturned Equipment.

9.2 *Purchased Equipment.* The following terms apply only to Equipment Customer purchases from Kronos:

a) Ownership and Warranty Period. Title to the Equipment shall pass to Customer upon delivery to the carrier. The "Warranty Period" for the Equipment shall be for a period of ninety (90) days from such delivery (unless otherwise required by law).
b) Equipment Support. Kronos shall provide to Customer the Equipment support services described in this Agreement if purchased separately by Customer as indicated on the applicable Order Form. If purchased, Equipment support services have a term of one (1) year commencing upon expiration of the Warranty Period. Equipment support services will be automatically extended for additional one year terms on the anniversary of its commencement date ("Renewal Date"), unless either party has given the other thirty (30) days written notification of its intent not to renew. Kronos may change the annual support charges for Equipment support services effective at the end of the initial one (1) year term or effective on the Renewal Date, by giving Customer at least thirty (30) days prior written notification.

10. SERVICE LEVEL AGREEMENT
Kronos shall: (a) provide basic support for the Services at no additional charge, (b) use commercially reasonable efforts to make the Services available 24 hours a day, 7 days a week, except for: (i) planned downtime (when it shall give at least 8 hours notice via the Services and shall schedule to the extent practicable during the weekend hours from 6:00 p.m. Friday to 3:00 a.m. Monday, Eastern Time), or (ii) any unavailability caused by circumstances beyond Kronos' reasonable control, including without limitation, acts of nature, acts of government, floods, fires, earthquakes, civil unrest, acts of terror, strikes or other labor problems (other than those involving Kronos employees), internet service provider failures or delays, or denial of service attacks, and (iii) provide Services in accordance with applicable laws and government regulations.

11. LIMITED WARRANTY; DISCLAIMERS OF WARRANTY
11.1 Kronos represents and warrants to Customer that the Services, under normal operation as specified in the Documentation and when used as authorized herein, will perform substantially in accordance with such Documentation during the Term.

11.2 Kronos' sole obligation and Customer's sole and exclusive remedy for any breach of the foregoing warranty is limited to Kronos' reasonable commercial efforts to correct the non-conforming Services at no additional charge to Customer. In the event that Kronos is unable to correct material deficiencies in the Services arising during the Warranty Period, after using Kronos' commercially reasonable efforts to do so, Customer shall be entitled to terminate the then remaining Term of the Agreement as Customer's sole and exclusive remedy. Kronos' obligations hereunder for breach of warranty are conditioned upon Customer notifying Kronos of the material breach in writing, and providing Kronos with sufficient evidence of such non-conformity to enable Kronos to reproduce or verify the same.

11.3 Kronos warrants to Customer that each item of Equipment shall be free from defects in materials and workmanship during the Warranty Period. In the event of a breach of this warranty, Customer's sole and exclusive remedy shall be Kronos' repair or replacement of the deficient Equipment, at Kronos' option, provided that Customer's use, installation and maintenance thereof have conformed to the Documentation for such Equipment. This warranty is extended to Customer only and shall not apply to any Equipment (or parts thereof) in the event of:

a) damage, defects or malfunctions resulting from misuse, accident, neglect, tampering, (including without limitation modification or replacement of any Kronos components on any boards supplied with the Equipment), unusual physical or electrical stress or causes other than normal and intended use;
b) failure of Customer to provide and maintain a suitable installation environment, as specified in the published specifications for such Equipment; or
c) malfunctions resulting from the use of badges or supplies not approved by Kronos.

Except as provided for in this Section 11, Kronos hereby disclaims all warranties, conditions, guaranties and representations relating to the Services, express or implied, oral or in writing, including without limitation the implied warranties of merchantability, fitness for a particular purpose, title and non-infringement, and whether or not arising through a course of dealing. The Services are not guaranteed to be error-free or uninterrupted. Except as specifically provided in this Agreement, Kronos makes no warranties or representations concerning the compatibility of the Services, the SaaS Applications or the equipment nor any results to be achieved therefrom.

12.0 DATA SECURITY

12.1 As part of the Services, Kronos shall provide administrative, physical, and technical safeguards for the protection of the security, confidentiality and integrity of Customer data. Customer acknowledges that such safeguards endeavor to mitigate security incidents, but such incidents may not be mitigated entirely or rendered harmless. Customer should consider any particular Kronos supplied security-related safeguard as just one tool to be used as part of Customer's overall security strategy and not a guarantee of security. Both parties agree to comply with all applicable privacy or data protection statutes, rules, or regulations governing the respective activities of the parties under the Agreement.

12.2 As between Customer and Kronos, all Personally Identifiable Data is Customer's Confidential Information and will remain the property of Customer. Customer represents that to the best of Customer's knowledge such Personally Identifiable Data supplied to Kronos is accurate. Customer hereby consents to the use, processing or disclosure of Personally Identifiable Data by Kronos and Kronos' Suppliers wherever located only for the purposes described herein and only to the extent such use or processing is necessary for Kronos to carry out Kronos' duties and responsibilities under the Agreement or as required by law.

12.3 Prior to initiation of the Services under the Agreement and on an ongoing basis thereafter, Customer agrees to provide notice to Kronos of any extraordinary privacy or data protection statutes, rules, or regulations which are or become applicable to Customer's industry and which could be imposed on Kronos as a result of provision of the Services. Customer will ensure that: (a) the transfer to Kronos and storage of any Personally Identifiable Data by Kronos or Kronos' Supplier's data center is permitted under applicable data protection laws and regulations; and, (b) Customer will obtain consents from individuals for such transfer and storage to the extent required under applicable laws and regulations.

13. INDEMNIFICATION

13.1 Kronos shall defend Customer and its respective directors, officers, and employees (collectively, the "Customer Indemnified Parties"), from and against any and all notices, charges, claims, proceedings, actions, causes of action and suits, brought by a third party (each a "Claim") alleging that the permitted uses of the Services infringe or misappropriate any United States or Canadian copyright or patent and will indemnify and hold harmless the Customer Indemnified Parties against any liabilities, obligations, costs or expenses (including without limitation reasonable attorneys' fees) actually awarded to a third party as a result of such Claim by a court of applicable jurisdiction or as a result of Kronos' settlement of such a Claim. In the event that a final injunction is obtained against Customer's use of the Services by reason of infringement or misappropriation of such copyright or patent, or if in Kronos' opinion, the Services are likely to become the subject of a successful claim of such infringement or misappropriation, Kronos, at Kronos' option and expense, will use commercially reasonable efforts to (a) procure for Customer the right to continue using the Services as provided in the Agreement, (b) replace or modify the Services so that the Services become non-infringing but remain substantively similar to the affected Services, and if neither (a) or (b) is commercially feasible, to (c) terminate the Agreement and the rights granted hereunder after provision of a refund to Customer of the Monthly Service Fees paid by Customer for the infringing elements of the Services covering the period of their unavailability.

13.2 Kronos shall have no liability to indemnify or defend Customer to the extent the alleged infringement is based on: (a) a modification of the Services by anyone other than Kronos; (b) use of the Services other than in accordance with the Documentation for such Service or as authorized by the Agreement; (c) use of the Services in conjunction with any data, equipment, service or software not provided by Kronos, where the Services would not otherwise itself be infringing or the subject of the claim; or (d) use of the Services by Customer other than in accordance with the terms of the Agreement. Notwithstanding the foregoing, with regard to infringement claims based upon software created or provided by a licensor to Kronos or Suppliers, Kronos' maximum liability will be to assign to Customer Kronos' or Supplier's recovery rights with respect to such infringement claims, provided that Kronos or Kronos' Supplier shall use commercially reasonable efforts at Customer's cost to assist Customer in seeking such recovery from such licensor.

13.3 Customer shall be responsible and liable for all damages and cost of Kronos, its Suppliers and their respective directors, officers, employees, agents and independent contractors (collectively, the "**Kronos Indemnified Parties**") from and against any and all Claims alleging that: (a) employment-related claims arising out of Customer's configuration of the Services; (b) Customer's modification or combination of the Services with other services, software or equipment not furnished by Kronos, provided that such Customer modification or combination is the cause of such infringement and was not authorized by Kronos; or, (c) a claim that the Customer Content infringes in any manner any intellectual property right of any third party, or any of the Customer Content contains any material or information that is obscene, defamatory, libelous, or slanderous violates any person's right of publicity, privacy or personality, or has otherwise caused or resulted in any tort, injury, damage or harm to any other person. Customer will have sole control of the defense of any such action and all negotiations for its settlement or compromise.

13.4 The Indemnified Party(ies) shall provide written notice to the indemnifying party promptly after receiving notice of such Claim. If the defense of such Claim is materially prejudiced by a delay in providing such notice, the purported indemnifying party shall be relieved from providing such indemnity to the extent of the delay's impact on the defense. The indemnifying party shall have sole control of the defense of any indemnified Claim and all negotiations for its settlement or compromise, provided that such indemnifying party shall not enter into any settlement which imposes any obligations or restrictions on the applicable Indemnified Parties without the prior written consent of the other party. The Indemnified Parties shall cooperate fully, at the indemnifying party's request and expense, with the indemnifying party in the defense, settlement or compromise of any such action. The indemnified party may retain its own counsel at its own expense, subject to the indemnifying party's rights above.

14. LIMITATION OF LIABILITY

14.1 Except as specifically provided in this Agreement, Kronos and its Suppliers will not be liable for any damages or injuries caused by the use of the Services or by any errors, delays, interruptions in transmission, or failures of the Services.

14.2 except for Kronos' indemnification obligations set forth in Section 13 above, the total aggregate liability of Kronos or Kronos' Suppliers to Customer and/or any third party in connection with the Agreement shall be limited to direct damages proven by Customer, such direct damages not to exceed an amount equal to the total net payments received by Kronos for the services in the Twelve (12) month period immediately preceding the date in which such claim arises.

14.3 Except for Kronos' indemnification obligations set forth in Section 13 above, in no event shall Kronos or Kronos' Suppliers, their respective affiliates, service providers, or agents be liable to Customer or any third party for any incidental, special, punitive, consequential or other indirect damages or for any lost or imputed profits or revenues, lost data or cost of procurement of substitute services resulting from delays, nondeliveries,

misdeliveries or services interruption, however caused, arising from or related to the Services or the Agreement, regardless of the legal theory under which such liability is asserted, whether breach of warranty, indemnification, negligence, strict liability or otherwise, and whether liability is asserted in contract, tort or otherwise, and regardless of whether Kronos or Supplier has been advised of the possibility of any such liability, loss or damage. **14.4** EXCEPT WITH RESPECT TO LIABILITY ARISING FROM KRONOS' GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, KRONOS DISCLAIMS ANY AND ALL LIABILITY, INCLUDING WITHOUT LIMITATION LIABILITY RELATED TO A BREACH OF DATA SECURITY AND CONFIDENTIALITY OBLIGATIONS, RESULTING FROM ANY EXTERNALLY INTRODUCED HARMFUL PROGRAM (INCLUDING WITHOUT LIMITATION VIRUSES, TROJAN HORSES, AND WORMS), CUSTOMER'S CONTENT OR APPLICATIONS, THIRD PARTY UNAUTHORIZED ACCESS OF EQUIPMENT, SAAS APPLICATIONS OR SYSTEMS, OR MACHINE ERROR.

SECTION C

PAYROLL PROCESSING TERMS AND CONDITIONS

This Payroll Processing terms and condition Section C, and all included exhibits, schedules, attachments or other addenda (the "Section C") is made part of the Kronos Workforce Ready Software-as-a-Service WFR Terms outlined in Section A and B (the "WFR Terms") and governs the provision of the Workforce Payroll Services (the "Payroll Services") Kronos to Customer.

In rendering the Payroll Services, Kronos will use the Workforce Ready software-as-a-service platform (the "WFR Platform"). Attachment 1 sets forth the applicable entities, including Customer itself (collectively the "Covered Entities"), along with each of their EINs and other information, if these Covered Entities are receiving Payroll Services from Kronos. Customer is responsible for ensuring that all Covered Entities are bound by and comply with this Section C. Covered Entities may be added or removed from Attachment 1, by Customer completing and signing the appropriate change form provided by Kronos. Capitalized terms not defined within this Section C are defined in the WFR Terms.

GENERAL TERMS AND CONDITIONS

Article 1. Payroll Services

1.1 Subject to all of the terms and conditions of the WFR Terms and this Section C, Kronos shall provide Customer with the Payroll Services during the Term to the extent set forth on an Order Form. The Payroll Services are provided only in the United States (which includes Puerto Rico, U.S. Virgin Islands, Guam and Marianna) and shall only be provided with respect to Customer's payroll obligations for United States-based employees of Customer and those Covered Entities included in Attachment 1. The following provisions shall apply to the extent the Payroll Service listed below is selected by Customer as indicated in writing on the Order Form or as part of the Kronos Payroll Services (KPS) Services Election Form to be completed by the parties during implementation:

1.1.1 Payroll, Tax and Treasury Payroll Services.

a. Customer agrees that the PayrollServices shall be provided in accordance with the pricing set forth on the Order Form and the responsibilities of Customer and Kronos SaaShr set forth throughout this Agreement. Kronos SaaShr's standard descriptions for certain miscellaneous services, such as W2/1099 filing fees, fees for tax accounts with an "applied for" status, ACH returns, off-cycle payrolls, split wrap (delivery of checks to multiple locations, and preparing/filing of amended returns, is described in the Payroll Services Additional Items attached as Attachment 2 ("Payroll Services Additional Items") and the responsibilities of Customer and Kronos set forth throughout this Section C.
b. Customer will submit the payroll information to Kronos in the format and including the information specified by Kronos from time to time not less than two (2) Business Days prior to Customer's scheduled check date. "Business Day" means any day of the year other than (a) a Saturday, Sunday or (b) on day on which banking institutions in any jurisdiction of the banking institution of any applicable Client Entity are closed or (c) a statutory or civic holiday in the United States. Without limitation, Kronos is not responsible for Customer errors, wage and hour violations, wage assignment errors, employment discrimination, or other employment policies that may violate any applicable laws, codes, legislative acts, regulations, ordinances, rules, rules of court, orders or similar, as well as any National Automated Clearing House Association ("NACHA") operating rules ("Applicable Law(s)". The deadline for Customer's submission of payroll is determined by the time zone in which the processing occurs, as follows.

On the date Customer's payroll is scheduled to be submitted, if Customer payroll processing emanates from the Eastern or Central Time Zone, then the deadline for submission is 12:00 p.m. Eastern Time; if Client payroll processing emanates from the Mountain or Pacific Time Zone, then the deadline for submission is 1:30 p.m. Eastern Time on the scheduled processing date. If Customer's payroll is submitted timely, Kronos will initiate a Draw Down Wire not later than 2:30 p.m. Eastern Time, to be settled not later than 4:30 p.m. Eastern Time on the date the payroll is finalized. Late submission by Customer may result in delayed processing of banking and other transaction or additional fees may be imposed, including, without limitation, by the applicable financial institutions and/or as set forth in the Payroll Services Pricing Exhibit. Customer shall be responsible and liable for any claims, losses or any other liabilities arising from or relating to Customer's late submission of transactions. If Customer has elected for Kronos to provide direct deposit/ACH Payroll Services (if available), Kronos will provide on behalf of Customer electronic money movement and related banking services via its ACH credit facilities at one or more financial institutions in support of the direct deposit of funds into Customer's employee and third-party vendor accounts. Customer agrees to be bound by the then-current NACHA operating rules. "ACH" means the network used for electronic payments and money transfers, Automated Clearing House.

c. Customer authorizes Kronos to prepare and file payroll tax returns and cause the issuance of payments on related tax obligations for Covered Entities and tax jurisdictions. Customer authorizes Kronos via draw down wire transfer to: (a) debit Customer's or as applicable a Client Entity's demand deposit account or accounts at an applicable financial institution to be used in connection with the Payroll Services (the "Customer Account") for all payroll tax obligations and credit a like amount to an account designated by Kronos, which may be held in trust by a third party trustee (the "Payroll Services Accounts") not less than two (2) Business Days prior to Customer's scheduled check date of the applicable payroll under this Section C, which funds shall be held in such Payroll Services Accounts until such time as such funds are due to the appropriate taxing authorities; (b) remit such funds by electronic funds transfer ("EFT") or via check to the appropriate taxing authority; and (c) prepare, sign, and file with the appropriate taxing authorities all returns for such taxes on an ongoing basis.
d. Kronos shall not be responsible for the payment of any Customer taxes or the filing of any Customer tax returns prior to the check date of the payroll under this Section C, nor is Kronos responsible in relation to any taxes which Kronos did not collect from Customer (including without limitation, failure to collect due to non-sufficient funds or other funding issues ("NSF")). Customer should confirm the appropriate federal tax deposits are being paid on behalf of the applicable Client Entity by enrolling in the Electronic Federal Tax Payment System (please visit: https://www.eftps.gov/eftps).
e. Customer shall maintain and provide Kronos accurate tax identification numbers, filing frequencies, filing jurisdictions, tax rates, tax types, and employee tax forms to enable Kronos to properly complete all applicable tax returns and payments. If, as an accommodation to Customer and without implying any obligation, Kronos files a tax return containing "Applied For" status, then Customer agrees and acknowledges that it releases Kronos from any and all liability that may arise in connection with such accommodation (including without limitation, penalties and interest).

1.1.2 Additional Payroll Services.

a. Check Printing and Fulfillment Services. - means the printing of employee payroll checks, direct deposit advices and third party checks drawn on Customer's bank account, to distribute same

to locations/destinations via FedEx or UPS either Next Day Air or Ground, all as directed by Customer. For delivery purposes, Customer shall obtain and provide either a FedEx or UPS account number for use by Kronos for shipping of documents and/or checks.

b. ACH Child Support Processing - means the impoundment and remittance of funds for third party payments via ACH for child support payments to the applicable state child support agencies.
c. W2 Filing - means the electronic filing of employee W2 forms with all applicable Federal and State tax jurisdictions. Specific timelines are established for Customer to promptly complete its year end requirements in order for Kronos to fulfill its obligations in a timely manner. This service includes filing of employee W2 information with the SSA, as well as all 50 State and local tax agencies, excluding Puerto Rico, U.S. Virgin Islands, Guam and Marianna.
d. 1099 Filing- means the electronic filing of contractor forms with the IRS only. Specific timelines are established for Customer to complete its year end requirements in order for APS to timely fulfill its obligations.

1.1.3 Workforce Ready Platform. Customer acknowledges and agrees that the Payroll Services may only be used in conjunction with the WFR Platform or any other product expressly authorized by Kronos, and hereby authorizes and directs Kronos to interface the WFR Platform with such product for the purpose of providing the Payroll Services. Furthermore, Customer hereby grants Kronos consent to administrative access rights to the WFR Platform for the purpose of fulfilling Kronos' obligations under this Section C.

Article 2. Fees; Billing

Payroll Services shall be considered part of the Services for purposes of Fees and Billing under the WFR Terms. Kronos will invoice the Fees for a particular item or Payroll Service on the Billing Frequency and in accordance with the payment terms and processes indicated on the applicable Order Form and in the WFR Terms and this Section C. Customer agrees payment for the Fees will be made by direct debit facility to be established by Kronos, and that Customer will complete all necessary and reasonable forms and documents to establish such direct debit payments. Should Customer cancel direct debit payments during the Term, Kronos reserves the right to suspend the Payroll Services without notice and to terminate the WFR Terms if not reinstated within ten (10) business days of Kronos' written notice to Customer. The Fees set forth in Attachment 2 are subject to change after the Initial Term (as defined in the WFR Terms) upon thirty (30) days written notice from Kronos to Customer.

Article 3. Customer Content

3.1.1 Kronos will not be responsible for storing copies of Customer Content when Kronos no longer requires such information to provide Payroll Services to Customer, and Customer shall be responsible for retaining its own tax and payroll records according to the schedules established by governmental authorities for Customer. Customer will reimburse Kronos for the costs of producing any information in Kronos' possession or control relating to Customer's business or employees that Kronos produces in response to a Customer request or court order. Unless otherwise required by Applicable Law, upon termination of this Section C, Kronos may dispose of Customer Content in accordance with Kronos' data retention policy in effect from time to time. In the case of termination of one but not all Payroll Services, Kronos may dispose of Customer Content not related to the remaining Payroll Services, unless otherwise required by Applicable Law, in accordance with Kronos' data retention policy in effect from time to time.

3.1.2 Notwithstanding anything to the contrary in this Section C, each party's use and disclosure of tax

return information pursuant to or in connection with this Section C shall be conducted in compliance with and subject to the limitations of Section 7216 of the Internal Revenue Code of 1986, as amended.

Article 4. Customer Covenants

4.1 Customer shall, and shall cause any Covered Entities to, accurately and timely complete all forms and documents requested by Kronos from time to time in order for Kronos to provide the applicable Payroll Services, including, without limitation, all necessary credential and related action required by Kronos to integrate Payroll Services with the WFR Platform as described in Section 1.1.3. Payroll Services will not commence until Customer (or the applicable Client Entity) provides to Kronos all of the forms and documents requested by Kronos, and any agreed timelines shall be automatically adjusted accordingly with no liability to Kronos attributable to any failure or delay by Customer with respect to the foregoing. In addition to forms and documents requested at the commencement of Payroll Services, Customer shall, and shall cause any Client Entity to, timely provide to Kronos other forms and documents requested by Kronos necessary to deliver the Payroll Services during the Term.

4.2 To the extent required in connection with any Payroll Services, Customer hereby appoints Kronos as its attorney-in-fact with authority to receive, sign and file state and local tax returns and to cause the issuance of payments in connection therewith. Kronos shall also be authorized as Customer's designee to receive correspondence and transcripts with respect to federal, state or local tax returns designated by Customer. Customer shall cooperate in executing and filing any and all forms or other documents required by a taxing authority to appoint Kronos as its reporting agent, or otherwise to make effective the appointments and designations described in the preceding two sentences, including but not limited to IRS Form 8655. Such appointment and authorization shall commence as of the Effective Date and remain in effect through subsequent tax periods until the earlier of the termination date of this Section C and the date Kronos is notified by Customer of revocation of the authorization, and Customer shall cooperate in executing and filing any and all forms and documents required by any taxing authority to do so. Customer hereby revokes all earlier powers of attorney and tax authorizations on file with the respective taxing authorities with respect to the same tax matters and tax period covered by this Section C and shall execute and file all documents necessary to effectuate such revocation. Kronos reserves the right to remove itself as attorney-in-fact or reporting agent in its sole discretion, upon at least ten (10) Business Days' written notice to Customer. An authorization does not relieve the Customer of responsibility (or from liability for failing) to ensure that all tax returns are filed timely and that all FTDs and FTPs are made timely.

4.3 Customer shall at all times maintain balances sufficient to fund its payroll and related obligations two (2) Business Days prior to the applicable check date. Customer acknowledges that if Customer fails to properly fund the Customer Account or otherwise prevents the timely receipt of funds, then Customer's payroll and related services will be delayed and/or suspended at Kronos' sole discretion and Kronos may immediately terminate this Section C upon notice to Customer.

4.4 Banking and Funding Covenants

4.4.1 Funding Payroll Obligations via Draw Down Wire Except as noted below, all monies caused to be transferred by Kronos on behalf of Customer will be funded via a draw down wire ("Draw Down Wire") initiated by Kronos to Customer's account in accordance with this Section 4.4.1. Customer agrees to execute with its financial institution any WFR Terms necessary to allow Kronos to cause the initiation of Draw Down Wires to Customer's bank account in accordance with the operating rules governing such transactions. Customer acknowledges that if Customer fails to properly fund its account or otherwise prevents the successful completion of a Draw Down Wire, then Customer's payroll and related services

will be delayed or suspended. Customer shall be solely responsible and liable for properly funding its account and ensuring Kronos can effect a Draw Down Wire. For quarter end and year end reconciliation purposes only, Kronos will utilize standard ACH services to reconcile Customer tax remittances and liability variances. Kronos shall use commercially reasonable efforts to notify Customer not less than five (5) Business Days prior to Kronos causing a debit of the Customer's bank account for the amount required to satisfy such variances.

4.4.2 Funding Payroll Obligations via Direct Wire In the sole discretion and upon the written authorization of Kronos, a direct wire (Customer initiates Customer's own wire transfer to a Payroll Services Account) may be utilized as an exception. Exceptions may arise for various reasons, including (a) due to funds not being available in the Customer Account at the time that Draw Down Wires are initiated, or (b) proper authorization was not granted to Kronos to cause the collection of funds via the Draw Down Wire. Any exception processing, by its very nature, runs the risk of delayed funding to third parties such as employees, tax agencies, and child support or garnishment recipients. Penalties, interest and other charges related to Customer's failure in meeting timelines, sufficient debit limit authorization or funding adequacy will be the liability of the Customer, and except to the extent arising from Kronos' gross negligence or willful misconduct, Customer is responsible for any claim made in relation with exception processing.

4.4.3 Payment Scheduling Collection for payroll direct deposits, vendor or garnishment payments, and payroll tax liabilities will be made as needed, based on the Payroll Services elected, and will depend on the payroll schedules that Customer utilizes to pay its employees and/or contractors. The draft for the collection will be via the Draw Down Wire request mechanism. Payments made to employees on Customer's behalf are dependent on the check date associated with those payments. Payments made to agencies and garnishment recipients are based on payroll check date(s). These payments are disbursed to the receiving parties utilizing the ACH network (where possible) in compliance with the NACHA guidelines and regulations or by check drawn on Customer's account. All payments made on Customer's behalf via ACH money movement will be caused to be released by Kronos only after Kronos receives confirmation of collection of amounts drafted from Customer's account. Therefore, even if amounts are due, Kronos will not cause the release of the ACH payments unless confirmation of receipt of funds has been received by Kronos.

4.4.4 Collection Account Testing. Customer hereby authorized Kronos to perform collection account testing as described in this Section 4.4.4. The Customer's collection account(s) used for funding and the drafting process is required to be thoroughly tested to avoid funding failures. Any such failure may result in agency penalties, delayed employee direct deposit payments, etc. This funding account test will ensure the originating bank identifiers for the applicable Payroll Services Accounts have successfully been added to Customer's debit filters. To test the collection account(s), Kronos will cause the initiation of a test Draw Down Wire transactions in the amount of $1.00 each. The transactions will be initiated from every unique Payroll Services Account provided to Customer during implementation. Testing of the funding account(s) shall occur two (2) to four (4) weeks prior to the first payroll check date to insure a successful processing of the first payroll. Customer must notify Kronos in writing not less than two (2) weeks prior to the effective date of a change in Customer bank account(s), which shall be tested as described in this Section 4.4.4.

4.4.5 Customer agrees to: (a) complete and execute any necessary forms with Customer's Receiving Depository Financial Institution ("RDFI") providing authorization that will require Customer's RDFI to honor all Draw Down Wire drawdown requests and standard ACH transfers received from Kronos and/or

its agent, (b) promptly notify Kronos of any discrepancies between drawdown amounts and the amounts expected by Customer; and (3) notify Kronos immediately if any circumstances arise that could impact the collection of sufficient funds from Customer's account.

4.5 The ACH Reversal function allows Customer to submit a request to cancel a previously submitted ACH transaction. This function is utilized primarily to reverse direct deposits from employee accounts where the original direct deposits were in error. Kronos' and/or the applicable financial institution's then-standard fees for ACH reversals will apply. Customer may initiate an ACH reversal request by submitting a voiding transaction in the WFR Platform. Once the ACH reversal request is submitted to the financial institution, a credit is generated to the Customer Account and a request to debit the funds is sent to the employee's bank account. If the debit request for the ACH reversal to the employee's account is denied (for example, due to NSF), Kronos will debit the total amount of the NSF and any banking fees/charges associated with the NSF from Customer's authorized funding account. Kronos will not reattempt collection of any NSF's from employee accounts. Customer shall be solely responsible for obtaining reimbursement from its employees for the NSF amounts and any related fees/charges, whether the employees are active or terminated.

4.6 If Customer defaults under this Section C, including, without limitation, by Customer's failure to have in the Customer Account sufficient, readily available funds to cover the payroll, payroll tax, and other disbursements, or if a financial institution rescinds a Customer credit to one or more Payroll Services Accounts, then Kronos may, in its sole discretion: (a) terminate this Section C with written notice, and/or (b) exercise any and all reasonable actions necessary and appropriate to limit the loss to, or liability of, Kronos or its Affiliates. "Affiliate" means any entity that, directly or indirectly, controls, is controlled by or is under common control with such entity (but only for so long as such control exists), where "Control" (in this context) means the possession, directly or indirectly, of the power to direct or cause the direction of the management and operating policies of the entity in respect of which the determination is being made through the ownership of the majority of its voting or equity securities, contract, voting trust or otherwise.

4.7 Customer shall promptly review all reports and documents provided or made accessible by Kronos or through the Payroll Services and shall inform Kronos of any inaccuracies not later than three (3) Business Days after receipt or notification of availability.

4.8 Customer is responsible for ensuring that the use of the Payroll Services to effect payments to or for its authorized users does not contravene any Applicable Law, including, without limitation, the Bank Secrecy Act, as amended by the USA PATRIOT Act, and any and all anti-money laundering laws and regulations now existing or promulgated after the date of this Section C. Any use of the Payroll Services in contravention of the foregoing sentence will be a material breach of this Section C by Customer.

4.9 Credentialing. Customer understands and acknowledges that the implementation and ongoing provision of Payroll Services are conditioned upon Customer and each Client Entity passing (and continuing to pass) a credentialing process that Kronos may deem necessary in connection with the provision of Payroll Services. Kronos shall have the right to (i) refuse to provide the Payroll Services for Customer with respect to any Client Entity that does not pass Kronos' initial credentialing process (ii) terminate the Payroll Services for Customer with respect to any Client Entity that does not continue to pass Kronos' ongoing credentialing process and (iii) terminate this Section C, and the WFR Terms, if Customer does not continue to pass Kronos' ongoing credentialing process. Customer shall be solely responsible for complying with all Applicable Laws, including, without limitation, ensuring the Covered Entities and payees of Customer on whose behalf Kronos

is causing the delivery of payments are not sanctioned parties under the regulations promulgated by the Office of Foreign Assets Control (OFAC). Customer shall also be responsible for (i) performing, and ensuring passage of, know your customer due diligence on all Covered Entities prior to requesting Kronos to provide any Payroll Services to such Covered Entities, and (ii) providing Kronos with the information as may be reasonably requested by Kronos, for each Client Entity prior to Kronos providing Payroll Services to such Client Entity. Customer agrees to provide Kronos with an accurate and complete listing of Covered Entities receiving any Payroll Services and to inform Kronos promptly of any changes in any Client Entity information previously provided to Kronos.

Article 5. Warranty

5.1 Kronos warrants that the Payroll Services will be provided in a professional and workmanlike manner. TO THE EXTENT PERMITTED UNDER APPLICABLE LAW, KRONOS DISCLAIMS ALL OTHER WARRANTIES RELATED TO THE SERVICES, EITHER EXPRESS OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. If Customer informs Kronos in writing that there is a material deficiency in the Payroll Services which is making this warranty untrue, Kronos will use its commercially reasonable efforts to correct the non-conforming Payroll Service at no additional charge, which, subject to Section 5.2 below, will be Customer's sole and exclusive remedy. Customer shall provide Kronos with reasonable information and assistance to enable Kronos to reproduce or verify the non- conforming aspect of the Payroll Services.

5.2 If Kronos makes an error or omission in the preparation or filing of Customer payroll tax returns, or breaches its obligation to cause the issuance of timely payments of payroll tax and/or business tax obligations, which error or failure results in an assessment of penalty or interest by any taxing authority against Customer, then Kronos' sole responsibility, and Customer's only remedy, will be for Kronos to correct the error or omission under this Section C and pay such penalty and interest (notwithstanding the dollar limitation on Kronos liability contained in this Section C). As a condition precedent to Kronos' obligation to pay such penalty and interest, Customer will provide Kronos timely notice of any such assessment, and Kronos shall be responsible for all defense actions for any such tax claim for penalties and interest, provided however, Customer shall be consulted during all stages of any defense. Timely notice to Kronos shall mean within ten (10) Business Days of receipt of the initial notice of assessment by Customer delivered to Kronos in accordance with the notice provisions described in the WFR Terms. Customer's failure to provide timely notice to Kronos shall release Kronos from any and all obligations to indemnify Customer for the payment of penalty and interest hereunder and/or for effecting such payments on Customer's behalf, but only to the extent such delay caused such or additional penalty, interest or other losses. At all times as between Kronos and Customer, Customer shall be exclusively responsible for any tax assessed but without limiting Kronos' remittance obligations included in the Payroll Services.

Article 6. Independent Contractor and Subcontractors

6.1 Kronos is acting as an independent contractor of Customer under this Section C. Without limiting the foregoing, Kronos shall serve as a limited agent for Customer solely for purposes of any required agency for filings and/or payments with the appropriate taxing authorities. Kronos is not otherwise an agent of Customer, nor are the Parties in a partnership, joint venture, or other similar relationship, and this Section C shall not be construed to authorize either Party to act as agent for the other except as expressly provided herein.

6.2 Customer acknowledges that in providing the Payroll Services, Kronos may use any agent, subcontractor or third party and may delegate its duties to such agent or third party to perform such tasks

and functions as Kronos chooses, including without limitation, third party software to perform Payroll Services and to store Customer Data, data security, and other services provided by third parties. Upon written request by the Customer, Kronos will notify Customer, in writing, if applicable with the thirty party used for specifically for the delivery of services for which Customer is ordering the services.

6.3 Customer acknowledges that Kronos is not rendering legal, tax, or accounting advice in connection with the Payroll Services, including without limitation Customer's obligation to withhold in a particular jurisdiction, nor is Kronos a fiduciary of Customer.

6.4 No third-party beneficiaries exist under this Section C.

Article 7. Effects of Termination

7.1 If this Section C is terminated or expires in accordance with its terms or otherwise terminated pursuant to a termination of the WFR Terms, for any reason, all rights and obligations of the parties hereunder shall terminate upon such expiration or termination, provided that all Customer indemnification obligations in Sections 1.1.1(b), 4.4.1, 4.4.2 and Article 8, as well as Sections 2 (with respect to amounts owed through the effective date of termination), 3, and 5 through and including 9 shall survive any expiration or termination of this WFR Terms.

Article 8. Customer Responsibility

8.1 Customer is solely responsible for: (a) any expense or financial obligation which is the responsibility of Customer hereunder; (b) any allegation that the Customer Content or its collection or use by Customer violates Applicable Laws; (c) the performance by Kronos of any of Customer's payroll tax duties (including, without limitation, acting as Customer's attorney-in-fact or reporting agent), except to the extent attributable to the gross negligence or willful neglect of Kronos; (d) the breach of any WFR Terms, covenant, duty or obligation of Customer arising hereunder, (e) Kronos filing an "APPLIED FOR" return as an accommodation to Customer, or (f) Customer directing Kronos to make a payment to any person or entity where issuance or receipt of such payment violates Applicable Law. This Section 8.1 shall survive the termination of this Section C.

8.2 Kronos and/or the applicable Kronos Indemnified Party will provide written notice to Customer promptly after receiving notice of any third-party Claim for which it seeks indemnification under this Section C. If the defense of such Claim is materially prejudiced by a delay in providing such notice, Customer will be relieved from providing such indemnity to the extent of the delay's impact on the defense. Customer shall immediately take control of the defense and investigation of such Claim and shall employ counsel reasonably acceptable to the applicable Kronos Indemnified Party to handle and defend the same, at the Customer's sole cost and expense. Customer will have sole control of the defense of any indemnified Claim and all negotiations for its settlement or compromise, provided that (i) Customer will not enter into any settlement which imposes any obligations or restrictions on the applicable Kronos Indemnified Parties without the prior written consent of applicable Kronos Indemnified Parties; and (ii) if Customer has refused or failed to assume control of the defense or to diligently pursue the defense thereafter, Kronos and/or applicable Kronos Indemnified Parties may assume sole control of the defense and all negotiation for any settlement or compromise of the applicable Claim in such a manner as Kronos and/or applicable Kronos Indemnified Parties may deem appropriate, at the applicable Kronos Indemnified Party's sole expense, until such time as Customer does assume such control. The applicable Kronos Indemnified Parties will cooperate fully (at Customer's request and expense) with Customer in the defense, settlement or compromise of any such action. The applicable Kronos Indemnified Parties may

retain their own counsel at its own expense, subject to Customer's rights above.

Article 9. Extent and Limitations of Liability

9.1 THE TOTAL AGGREGATE LIABILITY (REGARDLESS OF THE NUMBER OF CLAIMS) OF KRONOS TO CUSTOMER OR TO ANY THIRD PARTY IN CONNECTION WITH THIS SECTION C AND THE PROVISION OF PAYROLL SERVICES WILL BE LIMITED TO ACTUAL AND DIRECT DAMAGES PROVEN BY CUSTOMER, SUCH DAMAGES NOT TO EXCEED AN AMOUNT EQUAL TO THE TOTAL NET PAYMENTS RECEIVED BY KRONOS FOR THE PAYROLL SERVICES IN THE TWELVE (12) MONTH PERIOD IMMEDIATELY PRECEDING THE DATE ON WHICH THE FIRST CLAIM GIVING RISE TO LIABILITY ARISES.

9.2 EXCEPT AS EXPRESSLY STATED IN THIS SECTION C, NEITHER PARTY WILL BE LIABLE FOR ANY INDIRECT, CONSEQUENTIAL, INCIDENTAL, SPECIAL, OR PUNITIVE DAMAGES. NEITHER PARTY WILL BE LIABLE FOR THE COST OF ACQUIRING SUBSTITUTE OR REPLACEMENT SERVICES. NEITHER PARTY WILL BE LIABLE FOR ANY LOST OR IMPUTED PROFITS OR REVENUES OR LOST DATA RESULTING FROM DELAYS, NONDELIVERIES, MISDELIVERIES OR SERVICES INTERRUPTION, HOWEVER CAUSED, ARISING FROM OR RELATED TO THE PAYROLL SERVICES OR THIS SECTION C. THESE LIMITATIONS APPLY FOR ANY REASON, REGARDLESS OF ANY LEGAL THEORY AND FOR WHATEVER REASON LIABILITY IS ASSERTED. THIS IS TRUE EVEN IF KRONOS AND CUSTOMER HAVE TOLD EACH OTHER THAT EITHER ONE IS CONCERNED ABOUT A PARTICULAR TYPE OF LIABILITY.

ATTACHMENT 1

COVERED ENTITIES

Company Name	FEIN	Address	City	State	Zip

ATTACHMENT 2: PAYROLL SERVICES ADDITIONAL ITEMS

These items are charged in addition to the normal monthly per employee per month fee (PEPM) as they are incurred. For each miscellaneous item listed below, there is a brief description of how/when that charge could be incurred and the pricing detail and information are outline in the pricing information.

1. W-2/1099 Filings Price is per filiwng
   This fee covers the creation and submission of the electronic files for W2s at the federal and state level. There is no additional fee for printing W2 forms. This fee will apply to all records filed with the SSA each calendar year.

2. NSF Fee the Price is on per transaction basis
   If client utilizes the ACH Funding Method and fails to have the required funds in their designated account as required by and provided in the Agreement, causing Kronos to be issued a notice of Non-Sufficient Funds, Kronos, in addition to all its rights under the Agreement, will also charge Client an NSF Fee for each applicable transaction.

3. Fed Wire Fee Price is per wire
4. State Wire Fee Price is per wire
   If a client submits payroll that requires federal and/or state taxes to be deposited the same or next day, an additional charge of $82.50 for federal and $82.50 for state will be incurred. This would typically only occur if the client has submitted or funded their account late and order to avoid tax penalties Kronos must cause the issuances of a wire for the payment to the tax agency.

5. "Applied For" Status of Tax Jurisdictions Price is /month per account
   When a company begins to withhold taxes for their employees in a new state/jurisdiction the company has to apply
   to that jurisdiction for a tax filing ID number. They are allowed to file tax returns under an "applied for" status until they get their official tax id number. In the application on each of the tax codes, there is a box that can be checked called "Applied For Status" and the actual ID number field is left blank. Kronos will file returns under "Applied For" status but they charge a fee of $38.50/month until a tax ID number is obtained, because a lot of the work is manual and requires additional effort.

6. ACH Returns/ Notice of Change - 1st/EE account
7. ACH Returns/ Notice of Change - 2nd if on same EE account
8. ACH Returns/ Notice of Change – Additional occurrence if on same EE account
   This fee is charged when either an employee's direct deposit account number has been rejected by the bank and the funds cannot be applied to the account (ACH Return), or when there has been a change to the employee's direct deposit routing number or account number that was not updated in the system and the bank has to manually change the information to apply the funds (Notice of Change – NOC). In either case, KRONOS will charge a fee of $11.00 the first time it occurs for each specific employee direct deposit. If the client doesn't fix the account before the next payroll, and an additional notice from the bank is received, KRONOS will charge an additional $55.00. Thereafter KRONOS will charge an additional $82.50 for each notice received on the same employee account.

9. Off Cycle Payrolls
   Every scheduled payroll is included in the PEPM charge of $1.55. This would include the regular payrolls (bi-weekly, weekly, monthly, semi-monthly) and could also include a regularly scheduled

bonus payroll (done each quarter, etc.). Off cycle payrolls occur outside this process. These are usually done to fix errors in the current payroll that cannot wait for the next scheduled payroll processing. This fee applies only to those off-cycle or "one off" payroll runs. This fee does not apply to manual checks issued by the client.

10. Spilt Distributions — Price per split

    Pay Statements/Direct Deposit Vouchers can be delivered overnight to different locations for each EIN for no additional cost. The Split Distribution fees covers the cost to package pay statements/direct deposit vouchers to ship to multiple locations within the same EIN. Note that this does not include combining checks/vouchers from different payrolls (i.e. weekly and bi weekly) into one package for distribution. That is not a supported delivery process.

11. Amended Returns — Price per amendment

    Filing all applicable payroll federal/state/local tax returns as indicated in this WFR Terms is included in the base PEPM fee of $1.55. When adjustments are made to prior period payroll transactions that require Payroll Services to create a modified or "corrected" tax return to be filed with the taxing authorities, a fee of $137.50 will be incurred.

12. Mailing Individual Checks — Price per document

    The preferred method of delivery is for each client to have their checks/direct deposit vouchers, W2s and 1099s to be delivered using the client's FedEx account to central location(s). If the client wants to have the employee's pay checks, direct deposit vouchers, W2s and/or 1099 statements delivered directly to their home address, this fee ($0.75) will apply to each form mailed through the USPS and is in addition to the applicable posted fees. KRONOS will guarantee that W2s/1099s will be mailed by January 28th of each year but cannot guarantee that delivery to the employee will occur by January 31st of each year.

13. 1095C Printing — Price per form printed

    Client's may request that KRONOS print their 1095C forms at the end of the calendar year. This will require an annual election and clients will be charged the fee above. Forms are only printed on pressure seal stock and shipped to the client for distribution to employees. Clients may also print the forms themselves directly from the Kronos system.

14. Payroll Rollback—after Payroll Submission Date — Price per request

    Request initiated by client to rollback a payroll <u>after</u> a payroll submission deadline—each request.

15. Reopen Quarter End or Year End — Price per request

    Request initiated by client to reopen a QTR End or YR End—each request.

16. QTR Filing – Inactive EIN's — Price per return each quarter.

    If the client closes a business during the year and wants W-2's and year end processing completed this fee will apply. The $137.50 fee is for each quarter and each return filed with zero returns.

17. Quarter Closing Late Fee — Price per day/per EIN

    The client closes quarter after the contracted deadline.

18. Year End Closing Late Fee — Price per day/per EIN

    The client closes year end after the contracted deadline.

19. Reprint of W2 or 1099 — Price per form reprinted

    Client requests reprinting of a W2 or 1099.

20. W-2 Combined Reporting Print Service — Base Fee + an additional fee per Form — Price is based on

    Combined W2 forms as may be required for firms designated as a Common Pay Agent as defined in the IRS Publication 15-A. IF so elected at the end of each calendar year, KRONOS will provide your W2 data to a third-party vendor to create combined forms and to generate printed copies. Combined paper W2 forms will be shipped to the client's address unless regular mail is requested. Copies of the forms will not be available to employees in WFR Employee Self Service but will be provided to client in a separate file.

CONTRACT AMENDMENT #4
Sealed Bid # 18-6390
Contract #18220

Date of Amendment: February 6, 2023

Owner: Cobb County Board of Commissioners. Cobb County, Georgia
Contractor: Kronos Incorporated
Project: Bid # 18-6390, Workforce Management Systems and Related Products, Services and Solutions

Current Contract Term: March 18, 2022 to March 17, 2023

This action provides written notice to renew the current contract dated March 18, 2019, for Sealed Bid #18-6390, in accordance with the terms contained therein. It is valid when signed by both the Owner and Contractor. The signature of the Contractor indicates his/her agreement herewith, including any adjustments in the contract pricing, contract term, or contract scope.

Contract Extension

The County exercises its option to extend the current contract for an additional one-year period. The effective date of the contract extension will commence on March 18, 2023 and end on March 17, 2024.

ACCEPTED - The above listed terms and conditions of this Amendment are satisfactory and are hereby accepted.

Agenda Item No: 1.o

PLACENTIA CITY COUNCIL AGENDA REPORT

Meeting Date: June 16, 2026

Submitted by: David Radomski

From: Police Department

Subject:
APPROVAL OF AGREEMENT EXTENSION WITH MARK43, INC. FOR COMPUTER AIDED DISPATCH (CAD)/ RECORD MANAGEMENT SYSTEM (RMS)/ PROPERTY & EVIDENCE SOFTWARE

Financial Impact:
Expense: $1,077,602.00 Total Purchase Price of Services
Budget: $ 209,667.00 Year 1 Payment(101-206076660) General Fund FY 26-27

Summary:
This action will approve a five-year renewal agreement with Mark43, Inc. for continued CAD, RMS, Property & Evidence, CLETS connectivity, and related public safety software services, including Fire CAD, Fire Tablet Command integration, native CLETS connectivity, and Universal Search.

Recommended Action:
It is recommended that the City Council:

1. Approve the extension with Mark43, Inc. for its public safety software beginning in Fiscal Year 2026-2027 and ending in Fiscal Year 2030-2031 with a five-year total cost of $1,077,602; and
2. Authorize the City Administrator or her designee to execute all necessary documents, in a form approved by the City Attorney, to effectuate these actions.

Strategic Plan Statement:
This item is consistent with Goal No. 2: Public Safety and Goal No. 5: Organizational Excellence by supporting modern public safety technology, emergency communications, operational effectiveness, accountability, and service delivery.

Discussion:
In 2017, the Police Department selected Mark43 following a comprehensive evaluation of public safety software providers. Since implementation in 2018, Mark43 has served as the Department's primary CAD and RMS platform and has become an integral component of daily public safety operations. This software is critical to the Police, Fire, EMS, and Communications divisions.

The proposed agreement renews existing services and adds a bi-directional Tablet Command

interface, native California Law Enforcement Telecommunications System (CLETS) connectivity, and new Universal Search capabilities.

Tablet Command is a mobile incident management system used by fire personnel to coordinate emergency incidents, track resources, maintain accountability, and support command operations in the field. The proposed integration allows incident information to be shared automatically between the City's Fire CAD system and Tablet Command, improving operational efficiency and reducing duplicate data entry and leverages regional asset support.

CLETS is California's secure law enforcement communications network that allows law agencies to access state and national criminal justice information, including driver's license records, vehicle registrations, warrants, protective orders, and stolen property information. The proposed enhancement allows the City's public safety software to connect directly to that network.

Universal Search enables authorized users to conduct a single search across Mark43 records and connected external data sources, reducing the need to query multiple systems separately. Combined with native CLETS connectivity, the feature can improve operational efficiency by providing access to relevant public safety information through a unified interface, subject to applicable security and access controls.

The Police Department has been highly satisfied with Mark43's performance, reliability, responsiveness, and partnership. The system has consistently met operational requirements while continuing to evolve through new functionality and enhancements.

The Police Department originally procured the Mark43 CAD and RMS platform through a competitive evaluation and selection process completed in 2017. Following implementation in 2018, Mark43 became the Department's primary public safety technology platform and now serves as the repository for operational records, workflows, system configurations, interfaces, and historical data.

The proposed agreement is a renewal of the City's existing Mark43 environment rather than the procurement of a new CAD/RMS system. Mark43 is the proprietary owner and sole authorized provider of the software, licensing, maintenance, hosted services, updates, support, and associated enhancements required to operate the City's existing platform. No other vendor can provide these services for the City's current Mark43 system without replacement of the platform.

Accordingly, staff determined that this procurement qualifies for the sole-source exception contained in Placentia Municipal Code Section 3.08.070(6), which authorizes the waiver of competitive bidding when a commodity or service is obtainable from only one vendor.

This renewal represents the first pricing increase to the Department's Mark43 services since the original implementation in 2018. Staff conducted market research and determined that Mark43 remains competitively priced and continues to provide substantial value for agencies of comparable size and operational complexity.

Staff evaluated the feasibility of replacing the Department's CAD and RMS environment and determined that doing so would not be in the City's best interest. Transitioning to a different vendor would require an estimated 18- to 24-month implementation effort involving

procurement, software configuration, testing, training, business process redesign, interface redevelopment, and extensive data migration activities.

Additionally, the Department's operational records, historical data, workflows, and integrations currently reside within the proprietary Mark43 ecosystem. Migrating this information to another platform would require significant expense, create operational risk, and disrupt mission-critical public safety services. Based upon market research, implementation costs, migration complexity, and operational impacts, staff determined that renewing the existing Mark43 agreement is the most cost-effective and operationally sound solution.

Approval of this agreement will ensure the continued operation of mission-critical public safety technology systems while advancing the City's commitment to providing a safe, family-friendly environment through proactive policing, efficient emergency response, and modern technology solutions that enhance transparency, accountability, and organizational effectiveness.

Financial Summary:
Funding for the first year of the agreement is included in the Fiscal Year 2026-2027 budget and is available in General Fund Account No. 101-206076660 (Software and Subscriptions). Future annual subscription costs will be incorporated into subsequent budget cycles and appropriated through the annual budget process.

The total five-year agreement amount is $1,077,602.

Agenda Item No: 1.p

PLACENTIA CITY COUNCIL AGENDA REPORT

Meeting Date: June 16, 2026

Submitted by: Joe Lambert

From: Development Services

Subject:
AWARD OF CONTRACT FOR CODE ENFORCEMENT CITATION PROCESSING SERVICES WITH DATA TICKET, INC.

Financial Impact:
Expense: $ 35,000 Annual Amount
Budget: $ 35,000 Per Fiscal Year
$ 175,000 Five-Year Term's Contract Total (2026-2031)

Summary:
The Development Services Department released a Request for Proposals (RFP) for Code Enforcement citation processing services on April 30, 2026, with proposals due on May 15, 2026. One firm responded by the deadline. After a review by Development Services Department staff, it is recommended that Data Ticket, Inc. be awarded a five-year agreement for a not-to-exceed amount of $35,000 per fiscal year.

Recommended Action:
It is recommended that the City Council:

1. Approve the Professional Services Agreement with Data Ticket, Inc. to provide Code Enforcement citation processing services for a cumulative contract not-to-exceed $175,000 ($35,000 per fiscal year) for a five-year term, with two additional one-year optional terms; and
2. Authorize the City Administrator or her designee to execute all necessary documents, in a form approved by the City Attorney.

Strategic Plan Statement:
By awarding this contract, the City continues to meet Strategic Plan Goal No. 2, Public Safety, utilizing Code Enforcement strategies to provide a safe, family-friendly environment through proactive policing, and forging strong community partnerships that protect residents, businesses and visitors. This contract also allows the City to meet Strategic Plan Goal No. 4, Economic Development, utilizing proactive Code Enforcement to help foster a thriving local economy by supporting business growth and attracting new businesses.

Discussion:
The Development Services Department released an RFP to provide Code Enforcement citation processing services. Data Ticket, Inc. has been providing the services since at least

2011. Placentia's Purchasing Policy states that contracts exceeding $40,000 must be formally bid and submitted to the City Council for approval. As the proposed term is for five years, the amount awarded to the contractor will exceed that $40,000 amount in the aggregate (i.e., $175,000 over five years).

The proposed contractor will conduct citation processing for all Code Enforcement related citations. They also provide an appeal officer, conduct appeal hearings, and provide collection services through the Franchise Tax Board (FTB). Only Data Ticket, Inc. submitted a bid during the RFP process. As the sole bidder, and based on past performance, the RFP reviewers in the Development Services Department recommend Data Ticket, Inc. The firm has extensive citation processing and appeals experience. They submitted an RFP consistent with the needs of the City, and offer pricing consistent with the City's budgeted expenditures for the related tasks.

Financial Summary:
The Agreement with Data Ticket, Inc. is for a five-year period, with two additional one-year extensions, to be exercised at the City’s sole discretion based upon the performance by the Contractor. The City budgets adequate annual funding utilizing Technology Impact Fees generated by Development Services permits. Therefore, funding for this work is sustainable and continues to be budgeted annually. Accordingly, sufficient funds exist for the recommended action.

CITY OF PLACENTIA
PROFESSIONAL SERVICES AGREEMENT
WITH
DATA TICKET INC.

THIS AGREEMENT is made and entered into this 1st day of July, 2026 ("Effective Date"), by and between the CITY OF PLACENTIA, a municipal corporation ("City"), and DATA TICKET INC., a [CA] [corporation] ("Consultant").

W I T N E S S E T H:

A. WHEREAS, City proposes to utilize the services of Consultant as an independent contractor to perform Code Enforcement Citation processing and related services, as more fully described herein; and

B. WHEREAS, Consultant represents that it has that degree of specialized expertise contemplated within California Government Code Section 37103, and holds all necessary licenses to practice and perform the services herein contemplated; and

C. WHEREAS, City and Consultant desire to contract for the specific services described in Exhibit "A" (the "Project") and desire to set forth their rights, duties, and liabilities in connection with the services to be performed; and

D. WHEREAS, no official or employee of City has a financial interest, within the provisions of Sections 1090-1092 of the California Government Code, in the subject matter of this Agreement.

NOW, THEREFORE, for and in consideration of the mutual covenants and conditions contained herein, the parties hereby agree as follows:

1.0. SERVICES PROVIDED BY CONSULTANT

1.1. Scope of Services. Consultant shall provide the professional services described in the Consultant's Proposal ("Proposal"), attached hereto as Exhibit "A" and incorporated herein by this reference.

1.2. Professional Practices. All professional services to be provided by Consultant pursuant to this Agreement shall be provided by personnel experienced in their respective fields and in a manner consistent with the standards of care, diligence and skill ordinarily exercised by professional consultants in similar fields and circumstances in accordance with sound professional practices. Consultant also warrants that it is familiar with all laws that may affect its performance of this Agreement and shall advise City of any changes in any laws that may affect Consultant's performance of this Agreement. Consultant shall keep itself informed of State and Federal laws and regulations which in any manner affect those employed by it or in any way affect the performance of its service pursuant to this Agreement. The Consultant shall at all times observe and comply with all such laws and regulations. Officers and employees shall not be liable at law or in equity occasioned by failure of the Consultant to comply with this Section.

1.3. Performance to Satisfaction of City. Consultant agrees to perform all the work to the complete satisfaction of the City and within the hereinafter specified. Evaluations of the work will be done by the City Administrator or his or her designee. If the quality of work is not satisfactory, City in its discretion has the right to:

Docusign Envelope ID: 269164E4-367A-8DAD-8211-8ECE87D862A5

(a) Meet with Consultant to review the quality of the work and resolve the matters of concern;

(b) Require Consultant to repeat the work at no additional fee until it is satisfactory; and/or

(c) Terminate the Agreement as hereinafter set forth.

1.4. Warranty. Consultant warrants that it shall perform the services required by this Agreement in compliance with all applicable Federal and California employment laws, including, but not limited to, those laws related to minimum hours and wages; occupational health and safety; fair employment and employment practices; workers' compensation insurance and safety in employment; and all other Federal, State, and local laws and ordinances applicable to the services required under this Agreement. Consultant warrants that it is not suspended or debarred from doing business with the United States government and can legally be paid from federal funds. Consultant shall indemnify and hold harmless City from and against all claims, demands, payments, suits, actions, proceedings, and judgments of every nature and description including attorneys' fees and costs, presented, brought, or recovered against City for, or on account of any liability under any of the above-mentioned laws, which may be incurred by reason of Consultant's performance under this Agreement.

1.5. Non-discrimination. In performing this Agreement, Consultant shall not engage in, nor permit its agents to engage in, discrimination in employment of persons because of their race, religion, color, national origin, ancestry, age, physical handicap, medical condition, marital status, sexual gender, or sexual orientation, except as permitted pursuant to Section 12940 of the Government Code. Such actions shall include, but not be limited to the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay, or other forms of compensation and selection for training, including apprenticeship. Consultant agrees to post in conspicuous places, available to employees and applicants for employment, a notice setting forth provisions of this non-discrimination clause.

Consultant shall, in all solicitations and advertisements for employees placed by, or on behalf of Consultant shall state that all qualified applicants will receive consideration for employment without regard to age, race, color, religion, sex, marital status, national origin, or mental or physical disability. Consultant shall cause the paragraphs contained in this Section to be inserted in all subcontracts for any work covered by the Agreement, provided that the foregoing provisions shall not apply to subcontracts for standard commercial supplies or raw materials.

1.6. Non-Exclusive Agreement. Consultant acknowledges that City may enter into agreements with other consultants for services similar to the services that are subject to this Agreement or may have its own employees perform services similar to those services contemplated by this Agreement.

1.7. Delegation and Assignment. This is a personal service contract, and the duties set forth herein shall not be delegated or assigned to any person or entity without the prior written consent of City. Consultant may engage a subcontractor(s) as permitted by law and may employ other personnel to perform services contemplated by this Agreement at Consultant's sole cost and expense. All insurance requirements contained in this Agreement are independently applicable to any and all subcontractors that Consultant may engage during the term of this Agreement.

Docusign Envelope ID: 269164E4-367A-8DAD-8211-8ECE87D862A5

1.8. Confidentiality. Employees of Consultant in the course of their duties may have access to financial, accounting, statistical, and personnel data of private individuals and employees of City. Consultant covenants that all data, documents, discussion, or other information developed or received by Consultant or provided for performance of this Agreement are deemed confidential and shall not be disclosed by Consultant without written authorization by City. City shall grant such authorization if disclosure is required by law. All City data shall be returned to City upon the termination of this Agreement. Consultant's covenant under this Section shall survive the termination of this Agreement.

2.0. COMPENSATION AND BILLING

2.1. Compensation. Consultant shall be paid in accordance with the fee schedule set forth in Exhibit "A". Consultant's total compensation shall not exceed Thirty-five thousand dollars $35,000.00) per Fiscal Year, unless authorized herein.

2.2. Additional Services. Consultant shall not receive compensation for any services provided outside the scope of services specified in the Consultant's Proposal or which is inconsistent with or in violation of the provisions of this Agreement unless the City or the Project Manager for this Project, prior to Consultant performing the additional services, approves such additional services in writing. It is specifically understood that oral requests and/or approvals of such additional services or additional compensation shall be barred and are unenforceable. Should the City request in writing additional services that increase the hereinabove described "Scope of Services", an additional fee based upon the Consultant's standard hourly rates shall be paid to the Consultant for such additional services. Such increase in additional fees shall be limited to 10% of the total contract sum. The City Administrator is authorized to approve a Change Order for such additional services. Where the original contract is $40,000.00 or less, City Council approval shall be required prior to any increase bringing the total compensation to more than $40,000.00.

2.3. Method of Billing. Consultant may submit invoices to the City for approval on a progress basis, but no more often than two times a month. Said invoice shall be based on the total of all Consultant's services which have been completed to City's sole satisfaction. City shall pay Consultant's invoice within forty-five (45) days from the date City receives said invoice. Each invoice shall describe in detail the services performed, the date of performance, and the associated time for completion. Any additional services approved and performed pursuant to this Agreement shall be designated as "Additional Services" and shall identify the number of the authorized change order, where applicable, on all invoices.

2.4. Records and Audits. Records of Consultant's services relating to this Agreement shall be maintained in accordance with generally recognized accounting principles and shall be made available to City or its Project Manager for inspection and/or audit at mutually convenient times for a period of three (3) years from the Effective Date.

3.0. TIME OF PERFORMANCE

3.1. Commencement and Completion of Work. The professional services to be performed pursuant to this Agreement shall commence within five (5) days from the Effective Date of this Agreement. Said services shall be performed in strict compliance with the Project Schedule approved by City as set forth in Exhibit "A".

Docusign Envelope ID: 269164E4-367A-8DAD-8211-8ECE87D862A5

3.2. Excusable Delays. Neither party shall be responsible for delays or lack of performance resulting from acts beyond the reasonable control of the party or parties. Such acts shall include, but not be limited to, acts of God, fire, strikes, material shortages, compliance with laws or regulations, riots, acts of war, or any other conditions beyond the reasonable control of a party. If a delay beyond the control of the Consultant is encountered, a time extension may be mutually agreed upon in writing by the City and the Consultant. The Consultant shall present documentation satisfactory to the City to substantiate any request for a time extension.

4.0. TERM AND TERMINATION

4.1. Term. This Agreement shall commence on the Effective Date and continue for a period of 60 months, ending on June 30, 2031, unless previously terminated as provided herein or as otherwise agreed to in writing by the parties. This Agreement may also be extended for two additional one-year terms by the City Administrator or designee based on the City's sole discretion..

4.2. Notice of Termination. The City reserves and has the right and privilege of canceling, suspending, or abandoning the execution of all or any part of the work contemplated by this Agreement, with or without cause, at any time, by providing at least fifteen (15) days prior written notice to Consultant. The termination of this Agreement shall be deemed effective upon receipt of the notice of termination. In the event of such termination, Consultant shall immediately stop rendering services under this Agreement unless directed otherwise by the City. If the City suspends, terminates, or abandons a portion of this Agreement such suspension, termination, or abandonment shall not make void or invalidate the remainder of this Agreement.

If the Consultant defaults in the performance of any of the terms or conditions of this Agreement, it shall have ten (10) days after service upon it of written notice of such default in which to cure the default by rendering a satisfactory performance. In the event that the Consultant fails to cure its default within such period of time, the City shall have the right, notwithstanding any other provision of this Agreement, to terminate this Agreement without further notice and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement.

The City shall have the right, notwithstanding any other provisions of this Agreement, to terminate this Agreement, at its option and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement, immediately upon service of written notice of termination on the Consultant, if the latter should:

a. Be adjudged a bankrupt;

b. Become insolvent or have a receiver of its assets or property appointed because of insolvency;

c. Make a general assignment for the benefit of creditors;

d. Default in the performance of any obligation or payment of any indebtedness under this Agreement;

e. Suffer any judgment against it to remain unsatisfied or unbonded of record

Docusign Envelope ID: 269164E4-367A-8DAD-8211-8ECE87D862A5

for thirty (30) days or longer; or

f. Institute or suffer to be instituted any procedures for reorganization or rearrangement of its affairs.

4.3. Compensation. In the event of termination, City shall pay Consultant for reasonable costs incurred and professional services satisfactorily performed up to and including the date of City's written notice of termination within thirty-five (35) days after service of the notice of termination. Compensation for work in progress shall be prorated based on the percentage of work completed as of the effective date of termination in accordance with the fees set forth herein. In ascertaining the professional services actually rendered hereunder up to the effective date of termination of this Agreement, consideration shall be given to both completed work and work in progress, to complete and incomplete drawings, and to other documents pertaining to the services contemplated herein whether delivered to the City or in the possession of the Consultant. City shall not be liable for any claim of lost profits.

4.4. Documents. In the event of termination of this Agreement, all documents prepared by Consultant in its performance of this Agreement including, but not limited to, finished or unfinished design, development and construction documents, data studies, drawings, maps, and reports, shall be delivered to the City within ten (10) days of delivery of termination notice to Consultant, at no cost to City. Any use of uncompleted documents without specific written authorization from Consultant shall be at City's sole risk and without liability or legal expense to Consultant.

5.0. INSURANCE

5.1. Insurance. The Consultant and all subcontractors, if any, shall procure and maintain, at its sole cost and expense, in a form and content satisfactory to City, during the entire term of this Agreement, including any extension thereof, insurance as set forth in Exhibit "B" attached hereto and incorporated herein by this reference.

Neither the City nor any of its officers, officials, agents, employees, or volunteers makes any representation that the types of insurance and the limits specified to be carried by Consultant under this Agreement are adequate to protect Consultant. If Consultant believes that any such insurance coverage is insufficient, Consultant shall provide, at its own expense, such additional insurance as Consultant deems adequate.

5.2. Deductible or Self-Insured Retention. If any of such policies provide for a deductible or self-insured retention to provide such coverage, the amount of such deductible or self-insured retention shall be approved in advance by City. No policy of insurance issued as to which the City is an additional insured shall contain a provision which requires that no insured except the named insured can satisfy any such deductible or self-insured retention.

5.3. Certificates of Insurance. Consultant shall provide to City certificates of insurance showing the insurance coverages, as well as providing the City with the required endorsements in a form and content approved by City, prior to performing any services under this Agreement. The certificates of insurance and endorsements shall be attached hereto as Exhibit "C" and incorporated herein by this reference.

5.4. Non-limiting. Nothing in this Section shall be construed as limiting in any way, the

Docusign Envelope ID: 269164E4-367A-8DAD-8211-8ECE87D862A5

indemnification provision contained in this Agreement, or the extent to which Consultant may be held responsible for payments of damages to persons or property.

6.0. GENERAL PROVISIONS

6.1. Entire Agreement. This Agreement constitutes the entire agreement between the parties with respect to any matter referenced herein and supersedes any and all other prior writings and oral negotiations. This Agreement may be modified only in writing and signed by the parties in interest at the time of such modification. The terms of this Agreement shall prevail over any inconsistent provision in any other contract document appurtenant hereto, including exhibits to this Agreement.

6.2. Representatives. The City Administrator or his or her designee shall be the representative of City for purposes of this Agreement and may issue all consents, approvals, directives, and agreements on behalf of the City, called for by this Agreement, except as otherwise expressly provided in this Agreement.

Consultant shall designate a representative for purposes of this Agreement who shall be authorized to issue all consents, approvals, directives, and agreements on behalf of Consultant called for by this Agreement, except as otherwise expressly provided in this Agreement.

6.3. Project Managers. City shall designate a Project Manager to work directly with Consultant in the performance of this Agreement. It shall be the Consultant's responsibility to assure that the Project Manager is kept informed of the progress of the performance of the services and the Consultant shall refer any decision, which must be made by City, to the Project Manager. Unless otherwise specified herein, any approval of City required hereunder shall mean the approval of the Project Manager.

Consultant shall designate a Project Manager who shall represent it and be its agent in all consultations with City during the term of this Agreement and who shall not be changed by Consultant without the express written approval by the City. Consultant or its Project Manager shall attend and assist in all coordination meetings called by City.

6.4. Notices. Any notices, documents, correspondence, or other communications concerning this Agreement or the work hereunder may be provided by personal delivery, facsimile or if mailed, shall be addressed as set forth below and placed in a sealed envelope, postage prepaid, and deposited in the United States Postal Service. Such communication shall be deemed served or delivered: a) at the time of delivery if such communication is sent by personal delivery; b) at the time of transmission if such communication is sent by facsimile; and c) 72 hours after deposit in the U.S. Mail as reflected by the official U.S. postmark if such communication is sent through regular United States mail.

Director of Development Services
Attn: _____

6.5. Attorneys' Fees. In the event that litigation is brought by any party in connection with this Agreement, the prevailing party shall be entitled to recover from the opposing party all costs and expenses, including reasonable attorneys' fees, incurred by the prevailing party in the exercise of any of its rights or remedies hereunder or the enforcement of any of the terms, conditions, or provisions hereof.

6.6. Governing Law. This Agreement shall be governed by and construed under the laws of the State of California without giving effect to that body of laws pertaining to conflict of laws. In the event of any legal action to enforce or interpret this Agreement, the parties hereto agree that the sole and exclusive venue shall be a court of competent jurisdiction located in Orange County, California. Consultant agrees to submit to the personal jurisdiction of such court in the event of such action.

6.7. Assignment. Consultant shall not voluntarily or by operation of law assign, transfer, sublet, or encumber all or any part of Consultant's interest in this Agreement without City's prior written consent. Any attempted assignment, transfer, subletting, or encumbrance shall be void and shall constitute a breach of this Agreement and cause for termination of this Agreement. Regardless of City's consent, no subletting or assignment shall release Consultant of Consultant's obligation to perform all other obligations to be performed by Consultant hereunder for the term of this Agreement.

6.8. Indemnification and Hold Harmless. Consultant agrees to protect, defend, indemnify, and hold free and harmless the City, its officers, officials, agents, employees, and volunteers, at Consultant's sole expense, from and against any and all claims, liabilities, demands, actions, expenses, damages, suits or other legal proceedings brought against the City, its officers, officials, agents, employees, and volunteers arising out of or in any way connected with the performance of the Consultant, its employees, and/or authorized subcontractors' work undertaken pursuant to this Agreement including all acts or omissions, willful misconduct or negligent conduct, whether active or passive, on the part of the Consultant, its employees and/or subcontractors. The defense obligation provided for hereunder shall apply whenever any claim, action, complaint or suit asserts liability against the City, its officers, officials, agents, employees, and volunteers based upon the work performed by the Consultant, its employees, and/or authorized subcontractors under this Agreement, whether or not the Consultant, its employees, and/or authorized subcontractors are specifically named or otherwise asserted to be liable, and whether or not there is any evidence of fault or wrongdoing by the Consultant, its employees and/or its subcontractors. Notwithstanding the foregoing, the Consultant shall not be liable for the defense or indemnification of the City for claims, actions, complaints or suits arising out of the sole active negligence or willful misconduct of the City. This provision shall supersede and replace all other indemnity provisions contained either in the City's specifications or Consultant's Proposal, which shall be of no force and effect.

6.9. Independent Contractor. Consultant is and shall be acting at all times as an independent contractor and not as an employee of City. Consultant shall have no power to incur any debt, obligation, or liability on behalf of City or otherwise act on behalf of City as an agent.

Docusign Envelope ID: 269164E4-367A-8DAD-8211-8ECE87D862A5

Neither City nor any of its agents shall have control over the conduct of Consultant or any of Consultant's employees, except as set forth in this Agreement. Consultant shall not, at any time, or in any manner, represent that it or any of its or employees are in any manner agents or employees of City. Consultant shall secure, at its sole expense, and be responsible for any and all payment of Income Tax, Social Security, State Disability Insurance Compensation, Unemployment Compensation, and other payroll deductions for Consultant and its officers, agents, and employees, and all business licenses, if any are required, in connection with the services to be performed hereunder. Consultant shall indemnify and hold City harmless from any and all taxes, assessments, penalties, and interest asserted against City by reason of the independent contractor relationship created by this Agreement. Consultant further agrees to indemnify and hold City harmless from any failure of Consultant to comply with the applicable worker's compensation laws. City shall have the right to offset against the amount of any fees due to Consultant under this Agreement any amount due to City from Consultant as a result of Consultant's failure to promptly pay to City any reimbursement or indemnification arising under this paragraph.

6.10. PERS Eligibility Indemnification. In the event that Consultant or any employee, agent, or subcontractor of Consultant providing services under this Agreement claims or is determined by a court of competent jurisdiction or the California Public Employees Retirement System (PERS) to be eligible for enrollment in PERS as an employee of the City, Consultant shall indemnify, defend, and hold harmless City for the payment of any employee and/or employer contributions for PERS benefits on behalf of Consultant or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of City.

Notwithstanding any other agency, State, or Federal policy, rule, regulation, law, or ordinance to the contrary, Consultant and any of its employees, agents, and subcontractors providing service under this Agreement shall not qualify for or become entitled to, and hereby agree to waive any claims to, any compensation, benefit, or any incident of employment by City, including but not limited to eligibility to enroll in PERS as an employee of City and entitlement to any contribution to be paid by City for employer contribution and/or employee contributions for PERS benefits.

6.11. Cooperation. In the event any claim or action is brought against City relating to Consultant's performance or services rendered under this Agreement, Consultant shall render any reasonable assistance and cooperation which City might require.

6.12. Ownership of Documents. All findings, reports, documents, information, and data including, but not limited to, computer tapes or discs, preliminary notes, working documents, files, and tapes furnished or prepared by Consultant or any of its subcontractors in the course of performance of this Agreement, shall be and remain the sole property of City. Consultant agrees that any such documents or information shall not be made available to any individual or organization without the prior consent of City but shall be made available to the City within ten (10) days of request or within ten (10) days of termination. Any use of such documents for other projects not contemplated by this Agreement, and any use of incomplete documents, shall be at the sole risk of City and without liability or legal exposure to Consultant. City shall indemnify and hold harmless Consultant from all claims, damages, losses, and expenses, including attorneys' fees, arising out of or resulting from City's use of such documents for other projects not contemplated by this Agreement or use of incomplete documents furnished by Consultant. Consultant shall deliver to City any findings, reports, documents, information, data, preliminary

Docusign Envelope ID: 269164E4-367A-8DAD-8211-8ECE87D862A5

notes and working documents, in any form, including but not limited to, computer tapes, discs, files audio tapes, or any other Project related items as requested by City or its authorized representative, at no additional cost to the City. Consultant or Consultant's agents shall execute such documents as may be necessary from time to time to confirm City's ownership of the copyright in such documents.

6.13. Public Records Act Disclosure. Consultant has been advised and is aware that this Agreement and all reports, documents, information, and data, including, but not limited to, computer tapes, discs, or files furnished or prepared by Consultant, or any of its subcontractors, pursuant to this Agreement and provided to City may be subject to public disclosure as required by the California Public Records Act (California Government Code Section 7920.000 *et seq*.). Exceptions to public disclosure may be those documents or information that qualify as trade secrets, as that term is defined in the California Government Code Section 7924.510, and of which Consultant informs City of such trade secret. The City will endeavor to maintain as confidential all information obtained by it that is designated as a trade secret. The City shall not, in any way, be liable or responsible for the disclosure of any trade secret including, without limitation, those records so marked if disclosure is deemed to be required by law or by order of the Court.

6.14. Conflict of Interest. Consultant and its officers, employees, associates, and subconsultants, if any, will comply with all conflict of interest statutes of the State of California applicable to Consultant's services under this agreement, including, but not limited to, the Political Reform Act (Government Code Sections 81000, *et seq*.) and Government Code Section 1090. During the term of this Agreement, Consultant and its officers, employees, associates, and subconsultants shall not, without the prior written approval of the City Representative, perform work for another person or entity for whom Consultant is not currently performing work that would require Consultant or one of its officers, employees, associates, or subconsultants to abstain from a decision under this Agreement pursuant to a conflict of interest statute. Consultant's duties and services under this Agreement shall not include preparing or assisting the City with any portion of the City's preparation of a request for proposals, request for qualifications, or any other solicitation regarding a subsequent or additional contract with the City. The City shall at all times retain responsibility for public contracting, including with respect to any subsequent phase of this project. Consultant's participation in the planning, discussions, or drawing of project plans or specifications shall be limited to conceptual, preliminary, or initial plans or specifications. Consultant shall cooperate with the public entity to ensure that all bidders for a subsequent contract on any subsequent phase of this project, if any, have access to the same information, including all conceptual, preliminary, or initial plans or specifications prepared by Consultant pursuant to this Agreement.

6.15. Responsibility for Errors. Consultant shall be responsible for its work and results under this Agreement. Consultant, when requested, shall furnish clarification and/or explanation as may be required by the City's representative, regarding any services rendered under this Agreement at no additional cost to City. In the event that an error or omission attributable to Consultant occurs, then Consultant shall, at no cost to City, provide all necessary design drawings, estimates, and other Consultant professional services necessary to rectify and correct the matter to the sole satisfaction of City and to participate in any meeting required with regard to the correction.

6.16. Prohibited Employment. Consultant will not employ any regular employee of City while this Agreement is in effect.

Docusign Envelope ID: 269164E4-367A-8DAD-8211-8ECE87D862A5

6.17. Order of Precedence. In the event of an inconsistency in this Agreement and any of the attached Exhibits, the terms set forth in this Agreement shall prevail. If, and to the extent this Agreement incorporates by reference any provision of any document, such provision shall be deemed a part of this Agreement. Nevertheless, if there is any conflict among the terms and conditions of this Agreement and those of any such provision or provisions so incorporated by reference, the conflict shall be resolved by giving precedence in the following order, if applicable: This Agreement, the City's Request for Proposals, the Consultant's Proposal.

6.18. Costs. Each party shall bear its own costs and fees incurred in the preparation and negotiation of this Agreement and in the performance of its obligations hereunder except as expressly provided herein.

6.19. No Third Party Beneficiary Rights. This Agreement is entered into for the sole benefit of City and Consultant and no other parties are intended to be direct or incidental beneficiaries of this Agreement and no third party shall have any right in, under or to this Agreement.

6.20. Headings. Paragraphs and subparagraph headings contained in this Agreement are included solely for convenience and are not intended to modify, explain or to be a full or accurate description of the content thereof and shall not in any way affect the meaning or interpretation of this Agreement.

6.21. Construction. The parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises with respect to this Agreement, this Agreement shall be construed as if drafted jointly by the parties and in accordance with its fair meaning. There shall be no presumption or burden of proof favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement.

6.22. Amendments. Only a writing executed by the parties hereto or their respective successors and assigns may amend this Agreement.

6.23. Waiver. The delay or failure of either party at any time to require performance or compliance by the other of any of its obligations or agreements shall in no way be deemed a waiver of those rights to require such performance or compliance. No waiver of any provision of this Agreement shall be effective unless in writing and signed by a duly authorized representative of the party against whom enforcement of a waiver is sought. The waiver of any right or remedy in respect to any occurrence or event shall not be deemed a waiver of any right or remedy in respect to any other occurrence or event, nor shall any waiver constitute a continuing waiver.

6.24. Severability. If any provision of this Agreement is determined by a court of competent jurisdiction to be unenforceable in any circumstance, such determination shall not affect the validity or enforceability of the remaining terms and provisions hereof or of the offending provision in any other circumstance. Notwithstanding the foregoing, if the value of this Agreement, based upon the substantial benefit of the bargain for any party, is materially impaired, which determination made by the presiding court or arbitrator of competent jurisdiction shall be binding, then both parties agree to substitute such provision(s) through good faith negotiations.

6.25. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original. All counterparts shall be construed together and shall

Docusign Envelope ID: 269164E4-367A-8DAD-8211-8ECE87D862A5

constitute one agreement.

6.26. Corporate Authority. The persons executing this Agreement on behalf of the parties hereto warrant that they are duly authorized to execute this Agreement on behalf of said parties and that by doing so the parties hereto are formally bound to the provisions of this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by and through their respective authorized officers, as of the date first above written.

CONFIDENTIAL INFORMATION DISCLAIMER

This proposal contains certain confidential and valuable information in the form of ideas, know-how, concepts, processes, plans and trade secrets that belong to Data Ticket, Inc. In accordance with the California Public Records Act, this confidential information shall not be disclosed outside the City and shall not be duplicated, used, or disclosed in whole or in part for any purpose except in the procurement process. Confidential information contained in this document is noted on each applicable page or image. Serious and irreparable competitive disadvantages in future procurements could result from the release of any confidential information contained in this proposal. Please notify us immediately, in writing if there is a request for disclosure of any confidential information so that Data Ticket will have an opportunity to participate in any disclosure discussions.

The following data, furnished in connection with this solicitation, shall not be disclosed except to those who are directly involved with the evaluation within the City and shall not be duplicated, used or disclosed in whole or in part for any purpose other than to evaluate the proposal provided. If a contract is awarded to this offer or in connection with the submission of this data, the City shall have the right to duplicate, use or disclose the data to the extent provided in the contract. This restriction does not limit the City's right to use information contained in the data, unless it is obtained under proper authorization from another source without restriction.

Note to the City of Placentia: Data Ticket has responded to the City of Placentia in full for every requirement identified. SECTION A: COVER LETTER

May 11, 2026

City of Placentia
Attn: Joseph Lambert, Development Services Director
RE: RFP for Professional Services for
Code Enforcement Citation Processing

Dear Mr. Lambert:

Data Ticket, Inc. appreciates the opportunity to respond to the Request for Proposal for Code Enforcement Citation Processing for the City of Placentia and responds positively to all requirements therein.

Data Ticket is the City's current citation processing and collections provider and has been since 2008. Since that time, the City has issued over 9,861 citations for code enforcement violations and collected over $1,072,000.00 in fines and penalties and the City has issued over 572 administrative citations for accounts receivable collections and collected over $37,800 in fines and penalties.

We understand the City's scope of work better than any other vendor because we have been performing the services required for the past 18 years on behalf of the City. We will continue to provide the City with excellent customer service and advanced software and services.

Data Ticket, Inc. is a California Corporation, a California certified Small Business and a California certified Women Owned business. Our full-time staff, located in Irvine, California, includes comprehensive IT, operations, adjudication, data entry mail and customer services departments.

The individual authorized to negotiate and bind the firm contractually to all statements in this proposal is Brook Westcott, Chief Operating Officer. Questions regarding this proposal should be directed to Brook at Data Ticket's corporate headquarters, where all work will be performed.

Data Ticket, Inc.
2603 Main Street, Suite 300 | Irvine, CA 92614
Office: 949-428-7240 | Fax: 949-281-3195
BWestcott@DataTicket.com; ClientServices@DataTicket.com

We believe after reviewing the enclosed proposal, you will agree that Data Ticket, Inc., is the most qualified partner to continue to provide the professional, focused service necessary for superior administrative citation processing.

Thank you,

Brook Westcott
Chief Operating Officer

SECTION C: INTRODUCTION

Data Ticket Experience

Data Ticket, Inc. is a California Corporation that provides administrative citation processing, courtesy noticing, payment processing, adjudication management, Franchise Tax Board collections processing, data entry, inbound and return call customer service, citation issuance hardware, citation enforcement software, as well as parking citation processing, parking permit management and collection services for Cities, Counties, Universities, Districts and other Public entities nationwide. Data Ticket employs 49 full time Staff. Data Ticket was incorporated in California in 1989. We provide expertise to ensure that citations get processed and collected in a timely manner for over 500 Agencies nationwide.

The Beginning – Delinquent Parking Collections

Data Ticket's initial focus in 1989 was to attempt to collect citations that had been issued but not collected in a timely manner or were considered "delinquent". We developed a niche in the industry that removed the management of California DMV registration holds and releases, customer service and delinquent noticing from public municipalities and offered a contingency based pricing model in return. The idea was simple: with no upfront cost, we would handle delinquent parking citations and only get paid when the citation was paid.

The Middle –Expansion of Services into Code Enforcement

While we continued to expand our parking citation processing services, we realized there was a gap in the market in that municipalities with which we were working did not have an effective or efficient manner in which to manage their code enforcement citation operations.

We incorrectly assumed that code enforcement processing would be just like parking citation processing, but we quickly realized that code enforcement was much more diverse in the way in which municipalities handled the processing, adjudication, data entry, and even the citation date.

Now – Full-Service Processing and then some….

We were the first software provider in California to develop administrative citation processing software and to process for agencies that issue non-criminal citations, and we quickly expanded our services to include citation issuance, citation enforcement, Franchise Tax Board collections, and more.

Today, Our client's annual citation issuance ranges from 25 – 360,000. Every single client is treated with great care, attention and respect regardless of size. All citations are processed according to each client's unique set of business rules, and always in compliance with state and local laws.

Data Ticket's sole office is in Irvine, California. All work performed will be handled out of this office. Our offices are always open to our clients, and we encourage in-person communication on a regular basis. Data Ticket, Inc. is a California certified Small Business Enterprise and a California certified Woman-Owned Business Enterprise.

Data Ticket, Inc. has never been, nor is currently, involved in any bankruptcy. Likewise, we are not involved in reorganization, liquidation or dissolution proceedings. A trustee or receiver has neither been appointed overall nor to a substantial portion of the property of Data Ticket, Inc. under federal bankruptcy law or any state of insolvency law.

Financial Stability & Capacity

Data Ticket is privately owned and operated; we have no loans or debt. All our hardware and software are 100% owned, maintained, supported and upgraded by the company.

Data Ticket is fiscally conservative and financially sound. There are no known financial issues that will prevent Data Ticket, Inc. from providing, implementing, and maintaining the proposed system for the term of the contract.

In summary, we are fiscally conservative and financially sound, consistently planning for the future and ensuring that our research and system upgrades keep us at the forefront of the industry and provide our clients with fully tested, stable, leading-edge technology and services.

SECTION D: REFERENCES

Below and on the following page, Data Ticket has provided 5 clients with which we currently provide the services required by the City of Placentia for administrative citation processing.

Reference #1:

(a) **Client Information:**
City of Laguna Beach

Data Ticket also handles the data entry of all manually issued citations.

SECTION E: SCOPE OF SERVICES

Below and on the following pages we have provided a response to the City's Scope of Services. As the City's current vendor for these services, we can confidently confirm that we will continue to provide the scope of services as required, while providing enhancements through the life of the contract at no additional cost to the City.

1. Technical Requirements

a) Our Solution is 100% web-based and will continue to provide City personnel and the City's Customers with real-time access to all citation information including relevant documents, payment information, adjudication correspondence and documentation and a complete audit trail of all transactions at the citation level.

Data Ticket will continue to provide the City with secure access via the internet to our Administrative Citation processing Solution. City Personnel will continue to have inquiry capabilities into the following data fields:

- All citation level information that was entered on the citation,
- All photographs, videos and/or voice recordings taken at the time of citation issuance and transmitted to Data Ticket
- Current status of the citation provided in bolded text
- Notice history, including date sent, date due, address sent to, responsible party, location of the violation, and amount due
- Adjudication history, including date the citation was placed on a hearing hold, date hearing was scheduled for, date hearing schedule letter was sent, judgment, date judgment was entered, date judgment letter was sent, disposition information, hearing officer name, complete appeal description, images attached as part of the adjudication process and a complete description of the reason for appeal if the appellant appealed online
- Links to each notice and adjudication letter sent
- Payment information, including payment type, payment received date, check date, check number, deposit date, payment location, amount paid, and returned check date or credit card charge-back date
- Penalty history including penalty date, penalty amount
- Responsible party information, including any changes to the responsible party
- All phone notes as entered by our customer service representatives and any other personnel who have a username and password
- The dollar value owed at the Responsible Party level as well as the Case level
- A complete audit trail of the citation, including a username and date for every transaction
- Citation simulation for reproduction and printing at the City
- Scanned images related to Adjudication, payment backup and other matters

In our Citation Detail screen, real-time information is displayed to the user, including all the items mentioned above. In addition to those items, you will see many data fields are underlined. These fields are hyperlinked so that by clicking on them the

user will be taken to a pop-up that details more information about the specific data. The following fields are hyperlinked:

- **This person: $0.00**: When clicked, this field displays a pop-up box that lists all citations issued to this person, the date of the citation, and the amount owed on the citation.
- **This case: $0.00**: When clicked, this field displays a pop-up box that lists all citations issued as part of a specific case.
- **Responsible Party History**: When clicked, this field displays a pop-up box that lists prior registered owners, responsible parties, and renters associated with the citation.
- **Payment Plan**: When clicked, this feature provides the ability for the user to review the payment plan letter sent for the citation
- **Notices**: When clicked for each Notice sent, this field displays a new browser window that displays the front and back of the actual notice sent to the registered owner. A copy of each notice sent is associated with each citation, so City Personnel never needs to request a copy of a letter sent on its behalf
- **Adjudication Letters**: When clicked for each Adjudication Letter sent, this field displays a new browser window that displays the front and back of each letter sent during the adjudication process

Our Solution will provide a real-time audit trail for every action in the Solution, including date, time and username of the individual or job performing the transaction. Additionally, all phone notes will be captured and displayed at the citation level for City Personnel and all images, videos, voice recordings, adjudication documents and notices will be attached and viewable for City Personnel.

Our Solution is 100% web-based, providing City Personnel with all transactions real-time such that the data is never stale or old. City Personnel will have access to update citation data via our real-time web interface 24/7.

b) Our Solution will continue to interface with Comcate software to share citation details in a streamlined, user-friendly manner for the City.

2. Operational Requirements

a) City Personnel will continue to use direct dial and group dial phone numbers to reach Data Ticket Staff directly. In addition, City Personnel will continue to use direct email and group email addresses to reach Data Ticket Staff.

Data Ticket will continue to provide several toll-free numbers for customers who wish to pay over the telephone, ask questions regarding their citation(s), ask questions regarding payments and adjudication, and obtain general information. These telephone lines will provide individual with the ability to pay for their citation(s) using Visa, Discover, American Express and MasterCard.

Our IVR Solution provides 24/7 service that is available for any caller who can make a toll-free call. This Solution is never offline. Our Solution currently supports City of Placentia callers and is sufficient in design and capacity to add to in addition to the existing call volume.

The current IVR Solution supports the receipt of calls in English and Spanish. Our IVR Solution provides callers with real-time information regarding their citation(s) and allows individuals to transfer to a live Customer Service Representative (CSR) from 8am – 5pm, Pacific.

Data Ticket will continue to provide a fully trained Customer Service Department to handle all inbound calls regarding citations. All calls will be recorded for quality assurance, and call recordings will be provided to the City upon request.

All Customer Service Representatives are bi-lingual, speaking English and Spanish. Our Customer Service Representatives are well versed in handling the concerns and questions of recipients of Administrative Citations. Data Ticket is the City's current citation processing vendor and is the only vendor capable of providing uninterrupted service.

All Data Ticket CSRs are well trained in how to handle the City's callers. As the City's current processor, we can provide the most experienced, expert service to the City's callers.

b) Data Ticket will continue to provide a customer-facing website for citation recipients to view, manage and pay for their citations online. Depending on the type of administrative citation(s) customers search for, their search criterion could be citation number and time of issuance, citation number and date of issuance, notice number and zip code, invoice and date or payment plan number. Upon finding a citation, the customer will be displayed with real-time information about that citation, including citation number, date and time of issuance, location of issuance, violation code, violation description, amount due and more.

   Data Ticket will continue to provide the public with the ability to pay, appeal, obtain answers to frequently asked questions and view details regarding the specific citation searched. The City does not currently utilize a customized user interface; however, we are happy to provide a customized user interface at no cost to the City, should they choose.

   Our Solution will continue to accept Visa, MasterCard, Discover and American Express via Authorize.net for real-time authorization and Wells Fargo for settlement and our Solution will continue to send a customized email to the payee upon successful payment of a citation(s). Finally, our Solution provides for the lowest convenience fee payment in the industry and provides the ability for a Customer to pay for many citations in a single transaction.

c) As mentioned in item 1 a) above, City Personnel will continue to have a complete audit trail for every transaction in the Solution. Data Ticket does not ever purge data, unless specifically requested or required to do so by a Client.

Information displayed for each transaction includes the date the transaction was made, the individual or Solution that created the transaction, details regarding each transaction, and a sequence number or transaction number that allows for the details to be better understood.

d) As mentioned in 2 b), Data Ticket will continue to provide a customer-facing solution where citation recipients can view, pay for, appeal or get detailed information regarding their citation(s). In addition, customers may elect to view payment options and even images taken at the time the citation was issued, if the City allows.

e) Data Ticket utilizes TLS 1.2 or higher and is SOC 2 Type 2 compliant. Annually we are audited by a third-party vendor to ensure this level of compliance is maintained. Data Ticket operates and updates all our hardware and software on-site in Irvine, California. We do not outsource any part of our infrastructure. Data Ticket maintains all databases and physical system security in a manner that provides complete confidentiality and protection from unwanted access.

Data Ticket's website is redundantly hosted on separate physically secured hardware with the following security precautions:

- All server infrastructure is secured behind firewalls with intrusion detection and prevention enabled. Specifically, SonicWall firewalls are utilized for the web, Barracuda firewalls are used internally, and Cisco firewalls are used for our real-time connection to California DMV.
- All passwords are one way hashed to ensure maximum user account security.
- All website access is securely encrypted using TLS 1.2 and PCI Compliance standards.
- Nightly backups are made to ensure complete data integrity of the information maintained.
- Our system is comprised of redundant web, database, and file servers all optimized to ensure maximum redundancy and security

f) Data Ticket has provided Code Enforcement Processing services and software longer than any vendor in the industry. Our full-service offerings include data entry, customer service, payment processing, the generation and mailing of notices, handling of all inbound correspondence, outbound return call handling, the electronic scanning and attachment of all correspondence sent and received, full-service adjudication services, including the provision of independent, certified hearing

officers, and full integration with Franchise Tax Board's Interagency Intercept Program.

g) Data Ticket will continue to track all administrative citation appeal requests and related correspondence. All received correspondences will be scanned and electronically attached to the citation record for which it applies. City Personnel will have the ability to view all Administrative Citation Appeal Requests online.

   Citizens will have access to our online solution 24/7 to obtain real-time information regarding their citation(s) in the adjudication process. Additionally, Appellants will have access to a toll-free, bi-lingual line that rings directly to our Adjudication Department so Appellants can speak directly with specialists regarding their citation(s).

   Hearing Officers who perform Administrative Hearings will have the ability to enter a disposition online, real-time via our Solution. As soon as a disposition is entered, our Adjudication Department will be notified that a disposition letter is ready to be generated and mailed. Depending on the City's requirements, disposition letters are either generated and mailed locally by Data Ticket Personnel, or they are provided to InfoSend, our noticing vendor for printing and mailing.

   In the instance a citation is dismissed after payment has been made, Data Ticket's Adjudication Department will promptly request a refund to the issued. City Personnel will continue to have access to our solution to view all pending refunds. Additionally, if the City requires so we will provide an interface from our Solution to the City's finance solution to automatically generate refunds.

h) Data Ticket will continue to follow the City's process that provides citation recipients to appeal their citation outside of the court system, with payment. This process includes the request for a hearing by a certified hearing officer who is independent from Data Ticket and from the City.

   All hearings will be performed in accordance with the City's requirements and may allow for in person, written, zoom or phone hearings. Zoom, in person and phone hearings will be recorded.

   As soon as the hearing is complete, a disposition will be entered into our Solution, and disposition letters will be sent via 1st Class Mail to the appellant.

i) Our Solution is already integrated with Comcate to provide seamless operations for City Personnel. Our Solution is time and even driven so that appellants may appeal a citation at anytime online or via mail, given they are within the timeline allowed by the City.

   Our Solution will continue to support indigent payment plans on behalf of the City.

j) All manually issued citations will continue to be scanned into our digital drobox and presented to the first available Data Entry Operator. As soon as the citation is entered, the electronic image of the citation will be electronically attached to the citation record within the Solution, providing City Personnel with the ability to view a copy of each citation online.

k) City Personnel will continue to have the ability to edit all citation details within the Solution. Upon update of a citation, a detailed transaction history line will be added to the citation, displaying the date the change was made, who made the change, a description of the change, and a transaction number to help better understand the sequence of transactions.

In addition to making a change at the citation level, City Personnel will continue to have the ability to make changes at the license plate and responsible party level, which will update each citation individually.

l) Data Ticket utilizes our own digital drop box that allows clients to upload citations to our client website. Upon receipt, each citation is routed to the first available data entry operator who will key and save each citation individually. This process occurs in less than 48 hours and provides the added benefit that each manually issued citation is electronically attached to the citation record within the solution.

m) Citations that share the same license plate and state will automatically be linked within the Solution. Citations that share the same name and address will also be linked within the Solution. These features provide City Personnel with the ability to view citations individually, as the plate / state level, or at the responsible party level.

n) Data Ticket will continue to send all correspondence via 1st Class Mail on behalf of the City. In addition, where applicable, a return envelope will be included with each mailing. Data Ticket will continue to meet all applicable State and local laws and regulations in regard to citation processing and adjudication.

3. Franchise Tax Board

a) Data Ticket will continue to oversee and maintain registration on the Franchise Tax Board's Interagency Intercept Program via our seamless interface. Data Ticket offers the most comprehensive Franchise Tax Board interface for the Interagency Intercept Program for advanced collections in the industry and has done so for the last 15 years. Data Ticket's Citation Processing System software is time and event driven. This means the system automatically identifies citations that are eligible for FTB collections. As with the rest of the system, a complete audit trail is provided to the City that includes all transactions related to FTB.

Data Ticket obtains Social Security Numbers for those citations eligible to be sent to FTB; however, we perform this task after we send a notice to the individual regarding the FTB process. This notice is required by FTB to be sent to any individual who will be placed in the program, and it allows the individual 30 days

from the date of the notice to pay all citations eligible for the FTB program prior to being placed in the program. Often this notice will result in payment, which eliminates the cost to the City of obtaining a SSN and returns revenue to the City much sooner than waiting for tax season.

b) Data Ticket will continue to handle all customer service as it relates to FTB processing.

c) The Cities of Fairfield, Placentia, and Jurupa Valley, provided as references in our response to the City's RFP, utilize our Franchise Tax Board services. We have provided Franchise Tax Board services for well over 17 years.

d) We have submitted to FTB on behalf of the City of Fairfield just over $3M and collections have just started and are at over $8K. Submission to FTB for the City of Placentia's Administrative Citation is just under $360k with collections at just under $24k.

e) Data Ticket understands it must pay all fees associated with FTB participation.

Schedule of Performance

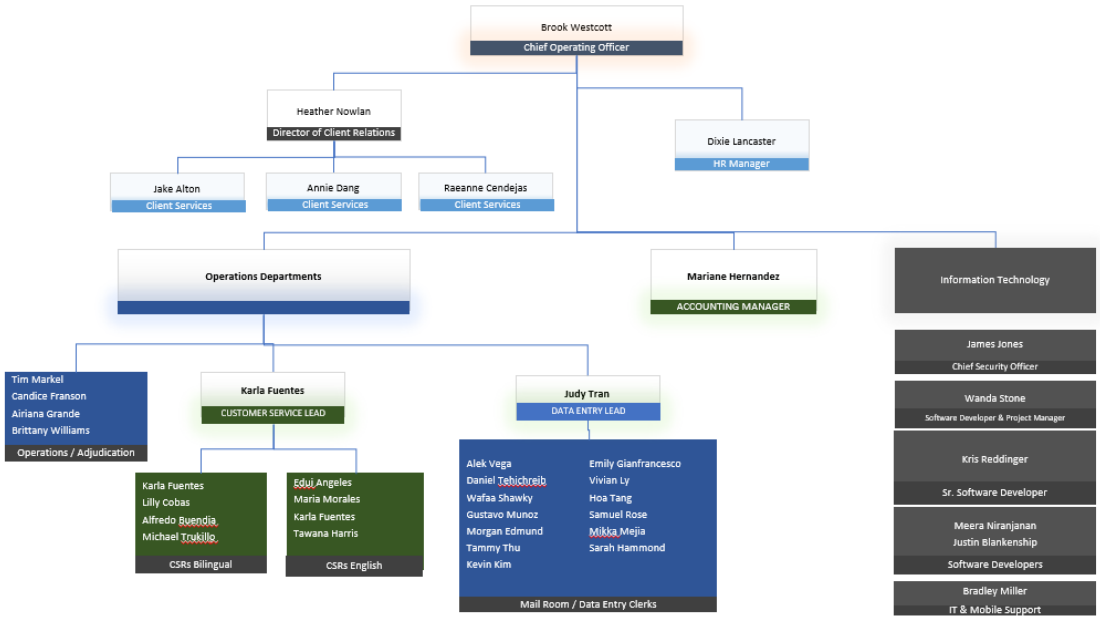
The City has requested that respondents provide a schedule of performance as it relates to the scope of work that includes activities, meetings, timelines, and draft and final work products and deadlines; however, as the City's current processor, we are fully implemented and functional. We are the only vendor that can and will provide uninterrupted services to City Personnel and the City's Customers.

SECTION F: PROJECT MANAGEMENT

Project management of the City's contract is critical to the success of the partnership. We will continue to provide City Personnel with a fully dedicated Project Manager to facilitate all operations. In addition to the Project Manager, we will provide a supplemental Project Manager. These two individuals will be available during normal business hours, Monday – Friday 8am – 5:00pm Pacific and City Management will have their cell numbers for after hour assistance.

Individual	Assignment of Tasks
Heather Nowlan, Director of Client Services & Project Manager for the City of Placentia	IT Oversight Enhancement Prioritization Accounting Oversight Attendance at City Council Meetings Monthly Performance Review Collection Rate Statistics / Financial Analysis Internal Oversight of Operational Processes
Brook Westcott, Chief Operating Officer, Project Manager for the City of Placentia	Client setup and maintenance Initial and on-going User Training Correspondence Review Attendance at City Council User and Administrator Setup Daily Questions
Bradley Miller, Mobile Support Manager for the City of Placentia	Handheld Training Handheld Customization Handheld Assistance / Follow-up

Heather Nowlan, Director of Client Services, will continue to be responsible for working closely with the city to attend all meetings and assist in providing each of the City's Personnel with unique usernames and passwords that will provide access to the Citation Processing System at the appropriate, requested level. In addition, Heather will continue to be responsible for providing all user training in the Citation Processing System Software. This training will be performed via the Internet and over the phone. Finally, Heather will be responsible for reviewing all notices and correspondence to be sent on behalf of the city.



Brook Westcott will continue to be responsible for ensuring the IT, Accounting, FTB, and Noticing work properly for the city. She will also be responsible for all financial analysis required by the City as well as contractual oversight. Brook will attend all City meetings, both on-site and off-site.

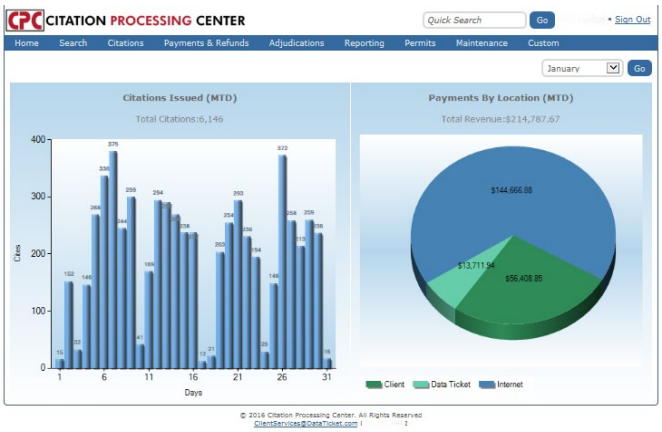
Bradley Miller, Mobile Support Manager, will continue to be responsible for providing training to all city personnel at the City's preferred location(s). Bradley will also be responsible for providing regular enhancements to our Mobile Software and he will be responsible for working directly with City Personnel to ensure the handhelds are being utilized accurately to provide the most benefit to the Officers and to the City.

Data Ticket Staff Access

In addition to the individuals dedicated to the city on the prior pages, Data Ticket provides the highest level of services to each of our clients by providing access via phone, email and in person to all our Department Managers. We have adequately staffed each Department to accommodate every client's needs. We do not share resources across Department; rather we have hired and maintained each Department such that there is no need to share resources; however, personnel are cross trained to ensure our entire staff is well versed in the entire citation processing lifecycle.

Below, we have provided the city with a high-level organization chart for Data Ticket. All the individuals identified on the chart work in the Irvine, California office and each of the individuals identified in the organization chart provided below will be made available to City Personnel throughout the life of the contract.

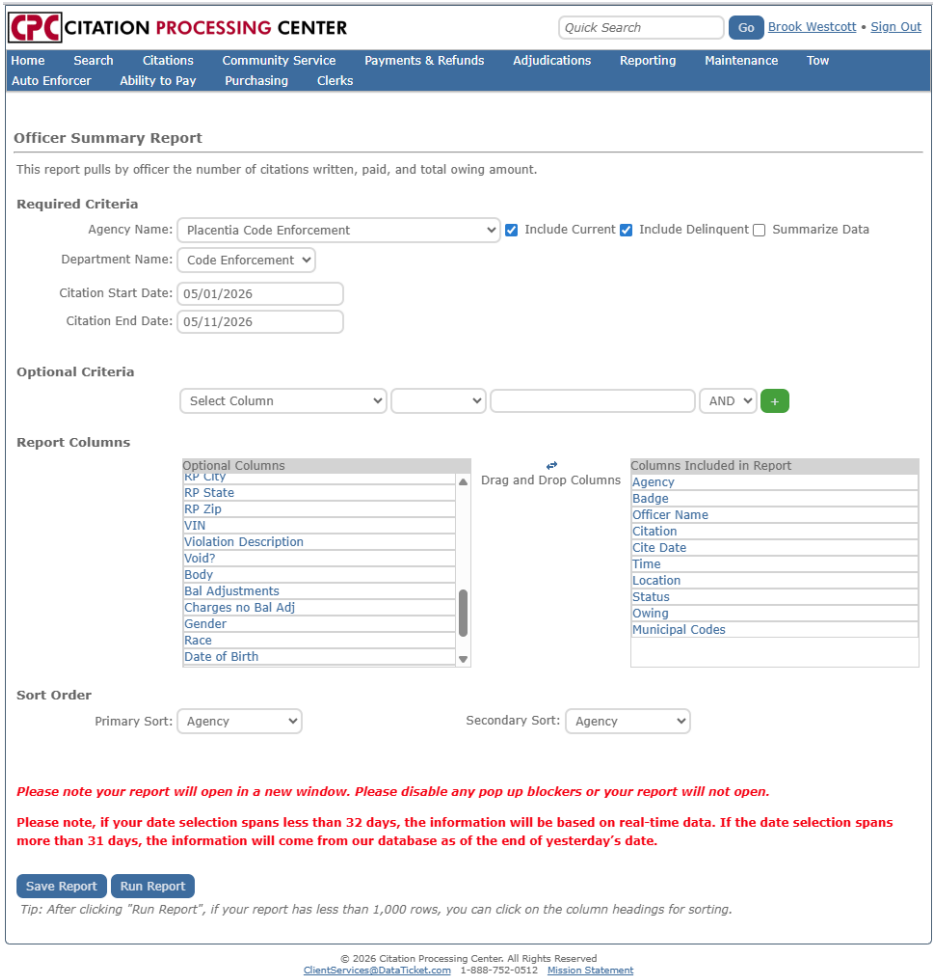
SECTION G: REPORT SAMPLES



Data Ticket offers the most extensive reporting capabilities in the industry. Our reports are provided to our clients via a web-based real-time Solution that provides us with the ability to generate Financial, Management and Operational Reports for any timeframe required.

Our reporting structure is set as follows for Administrative Citations. Each Category contains a minimum of 5 reports each with a maximum of 10 reports in any single category, for a total of 87 reports:

- Adjudication Reports
- Citation Reports
- Financial Reports
- Officer Reports
- Payment Plan Reports
- Report Generator
- Aging Reports
- DMV Reports
- Franchise Tax Board Reports
- Operational Reports
- Refund Reports
- Customer Service
- Handheld Reports



In addition to those categories identified above, we also have a complete category for Permits, Month-end Invoicing Reports, and My Saved Reports. Finally, we have a complete Report Generator tool that provides our clients with the ability to generate, save and share custom reports.

Below, we have provided the city with a view of the Reporting Home page that displays citation statistics in a graphical manner for our clients. As you can see from this screen print, a drop-down box is provided in the top right corner that allows the user to select the month that he/she wishes to view. In addition, this screen is configurable to display a variety of statistics.

Finally, we offer City Personnel a Report Generator feature. This provides our clients with the most advanced reporting capabilities available. This feature provides City Personnel with the ability to select a “Standard Report” or to select a “Data Grouping” and create custom, real-time reports. These reports can be saved, shared amongst co-workers, or just run and viewed.

Below we have provided a screen shot of our “Report Generator” capability. This capability provides our City Personnel with the ability to select a “Standard Report” from the table on the prior pages and set Optional Criteria, as well as drag and drop Report Columns into and out of the Report. If you choose, you can also start with a “Data Collection” and create a fully custom report**.**

Once you have created the report you would like to run on a regular basis, City Personnel has the option to simply save the report to your “My Reports” list. You can then choose to delete the report, clone the report, or share the reports amongst co-workers. The clone feature provides users with the ability to generate a report with a slightly different or altogether different set of criteria.

All the reports available to our clients are available on our website. This provides City Personnel with the ability to generate reports on their timeframe while reducing their dependency on a vendor. We find the more control we provide to our clients; the better able they are to do their jobs, on their timeframe. If there are specific reports City Personnel require on a specific timeframe to be provided by Data Ticket, we will provide those at no cost to the city.

1. Officer Summary Report

The City has requested a sample of a report detailing, by Officer, each citation written. Please see that report below, referred to as the Officer Summary Report:

Officer Summary Report — **Placentia Code Enforcement**

DATA TICKET, INC.

Brook Westcott, Chief Operating Officer
2603 Main Street, Suite 300
Irvine, CA 92614
Phone: (949) 752-6937; Direct: (949) 428-7240

CONFIDENTIAL INFORMATION DISCLAIMER

This proposal contains certain confidential and valuable information in the form of ideas, know-how, concepts, processes, plans and trade secrets that belong to Data Ticket, Inc. In accordance with the California Public Records Act, this confidential information shall not be disclosed outside the City and shall not be duplicated, used, or disclosed in whole or in part for any purpose except in the procurement process. Confidential information contained in this document is noted on each applicable page or image. Serious and irreparable competitive disadvantages in future procurements could result from the release of any confidential information contained in this proposal. Please notify us immediately, in writing if there is a request for disclosure of any confidential information so that Data Ticket will have an opportunity to participate in any disclosure discussions.

The following data, furnished in connection with this solicitation, shall not be disclosed except to those who are directly involved with the evaluation within the City and shall not be duplicated, used or disclosed in whole or in part for any purpose other than to evaluate the proposal provided. If a contract is awarded to this offer or in connection with the submission of this data, the City shall have the right to duplicate, use or disclose the data to the extent provided in the contract. This restriction does not limit the City's right to use information contained in the data, unless it is obtained under proper authorization from another source without restriction.

Note to the City of Placentia: Data Ticket has responded to the City of Placentia in full for every requirement identified. We respectfully request the city provide Data Ticket with the option to remove the following areas of our RFP Response in the event the city releases this response to the public:

- Screen Samples / Screen Shots of our Proprietary Solution
- Report Samples of our Proprietary Solution

Administrative Citation Processing Price List:

Data Ticket offers two Cost Models for our Administrative Citation Processing Clients that allow our Clients to select the Cost Model that best suits their individual situation.

Model 1 represents an all-inclusive option that has a higher upfront citation processing fee than Model 2 and includes full service from Data Ticket's staff. This option is typically selected by Agencies whose citation recipients pay their citations on an inconsistent basis. The City currently utilizes Model 1.

Model 2 is often selected by Clients who have a thorough understanding of their collection rates or collections occur within the first 30 days of a citation being issued.

Regardless of the Model selected, you have the option to change Models at any point during a contract period. This provides our Clients with the maximum amount of flexibility so they may experience the maximum return on citations issued.

Description of Service	**Cost Model 1**	**Cost Model 2**
Manual Administrative Citation Processing ***Services for the above-mentioned items include:*** • In-house data entry of manually written citations performed within 48 hours of receipt • Quality assurance verification of manually entered citations • Scanning of all manually written citations onto our network for storage and ease of retrieval • Bi-monthly shredding of manually written citations	$20.00 per citation	$15.00 per citation
Electronic Administrative Citation Processing: **Services for the above-mentioned items include:** • Automated citation transmission into Data Ticket's Citation Management Solution 24/7 • Automated confirmation email detailing successfully transmitted citations • Automated transmission of all media attached to citations	$15.00 per citation	$10.00 per citation

Description of Service	Cost Model 1	Cost Model 2
Semi-Custom Noticing: ***Services for the above-mentioned items include:*** • A single Courtesy Notice printed on an 8 ½ x 11" piece of paper and provided in a window envelope will be sent to the responsible party • All notices are attached to the citation online and are viewable via the web • All notices sent via 1st Class Mail • All notices include a return envelope in which the party responsible may submit payment • This cost will increase as the US Postal Service increases the 1st Class postage rate • Notices will be sent daily, Monday - Friday	Included	$1.00 per notice
Additional Correspondence ***Services for the above-mentioned items include:*** • Sending via 1st Class Mail any correspondence outside of the customary 3 notices currently sent by the City, including partial payment letters, overpayment letters, or other.	Included	$1.50 per letter
Delinquent Collections ***Services for the above-mentioned items include:*** • In addition to the 1st Courtesy Notice, two additional notices will be sent to the party responsible, at a time frame to be defined by the Agency • Notices will include a return envelope in which the party responsible may submit payment • Notices will be sent via 1st Class Mail, for which Data Ticket will be responsible • A citation is considered delinquent at Cite Date plus 31 days • All notices are sent via First Class mail, and all notices are printed on an 8 ½ x 11" sheet of paper and folded into a window envelope; in addition, a window envelope is provided for the recipient to return payment • All notices are attached to the citation online and are viewable via the web • Notices will be sent via 1st Class Mail, and Data Ticket will be responsible for the cost incurred • Notices will be sent daily, Monday - Friday • If Data Ticket does not collect on a citation that is delinquent, the Agency does not owe this fee	Included	30% of revenue collected

Description of Service	Cost Modl 1	Cost Model 2
Adjudication Holds and Scanning ***Services for the above-mentioned item include:*** • Data Ticket will accept Hearing Requests on behalf of the Agency • Dependent on the Agency's choice, Data Ticket will either review and approve the Hearing Request or provide the documentation received to the Agency for its decision • If the Request is accepted, Data Ticket's Adjudication Department will place the citation on an Administrative Hearing Request Hold and scan all received documentation into the Solution, so it is displayed on the web for the Agency's Staff and the Hearing Officer	Included	$0.50 per hold
Adjudication Letters ***Services for the above-mentioned item include:*** • For each request received, Data Ticket will send a semi-custom Hearing Approval Letter and a Schedule letter, or it will send a Semi-Custom Denial Letter • Once the Hearing has been held, Data Ticket will send a semi-custom disposition letter to the Appellant detailing the Hearing Officer's findings • All Letters are sent via First Class mail, and all Letters are printed on an 8 ½ x 11" sheet of paper and folded into a window envelope; in addition, a window envelope is provided for the recipient to return payment • All Letters are attached to the online citation and are viewable via the web • Letters will be sent via 1st Class Mail, and Data Ticket will be responsible for the cost incurred	Included	$1.50 per letter
Certified Letters - Optional • Per adjudication letter sent	$12.00 per letter	$12.00 per letter

Description of Service	Cost Model 1	Cost Model 2
Administrative Hearings ***Services for the above-mentioned item include:*** • Data Ticket's independent, certified, insured hearing officers will be provided to perform in-person, phone, and written hearings, as required by the Agency • Each hearing request will be reviewed, heard or read, and all required research will be performed • The Hearing Officer will enter a judgment into the Citation Processing System for viewing by the Agency, Appellant and Data Ticket • The City will incur costs associated with mileage • Data Ticket will work with the Agency to arrange for the use of a conference room at a Agency location or the Agency may elect to have citations heard at a centralized location within the County	$85.00 per hour	$85.00 per hour
Franchise Tax Board SSN Look-up ***Services for the above-mentioned item include:*** • This fee will be assessed to look up a social security number associated with a particular registered owner and address • This charge is charged per unique SSN, not per citation	$2.75 per unique SSN	$2.75 per unique SSN
FTB Collections ***Services for the above-mentioned item include:*** • This fee is charged if a citation is paid at the Franchise Tax Board • This charge is not combined with any other charge; for example, if a citation is rolled to delinquent status and paid at FTB, only the 15% of revenue collected will be charged • Data Ticket will send a custom FTB Notice to the Patron as required by the Interagency Intercept Program; this notice will be sent via 1st Class Mail • All notices are attached to the citation online and are viewable via the web • If Data Ticket does not collect on a citation that is at FTB, the Agency does not owe the collection fee • Data Ticket will send an FTB Notice to the Patron as required by the Interagency Intercept Program; this notice will be sent via 1st Class Mail	15% of revenue collected	15% of revenue collected

Description of Service	Cost Model 1	Cost Model 2
Advanced Collections Legal Action Not Required - Optional ***Services for the above-mentioned item include:*** • This fee is charged if a citation is paid at Advanced Reporting Collections • This charge is not combined with any other charge; for example, if a citation is rolled to delinquent status and paid at Collections, only the 30% of revenue collected will be charged	30% of revenue collected	30% of revenue collected
Joint / Escrow Banking Services - Optional ***Services for the above-mentioned item include:*** • Daily deposits of funds to the Agency's escrow account • Online, real-time reconciliation reports that tie directly to the bank statement • Processing of all credit card chargebacks and Insufficient Funds • Month-end reconciliation of all funds collected • Payment of Data Ticket's invoice • Disbursement of the net remittance to the Agency via ACH • Scanning of all payments directly to joint bank account daily using remote check deposit • The Agency will be responsible for the purchase of banking supplies, including checks and endorsement stamps; these fees typically run $200.00 per year	$160.00 per month	$160.00 per month
Chargeback Processing **Services for the above-mentioned item include:** • Data Ticket will process credit card chargebacks and send a custom letter to the citation recipient or payor	Included	Included
NSF and Refund Processing - Optional ***Services for the above-mentioned item include:*** • Data Ticket will process NSFs and Refunds upon notification from the joint escrow banking institution • Cost Model 1: If the City elects to utilize an escrow account, Data Ticket will process all NSFs and Refunds when notified by the banking institution. Data Ticket will also verify, generate, and send via 1st Class Mail, refund checks weekly to individuals who are due a refund • Cost Model 2: If the City does not elect to utilize an escrow account, the City will be responsible for processing NSFs and issuing refunds.	$4.00	$4.00
Monthly Minimum • A minimum fee of $250.00 will be charged monthly if services do not reach this level	$250.00	$250.00

Payment Plan Processing:
An individual requesting a payment plan will be charged a fee as follows: $15.00 for payment plans for a dollar value of $.01 to $200.00; $20.00 for payment plans for a dollar value of $200.01 to $500.00; $50.00 for a payment plans for a dollar value equal to or above $500.01.

Credit Card Chargeback Processing (paid by the patron) $33.50 per transaction

- If a chargeback occurs, a fee will be charged to the **Patron** for the processing of the chargeback
- No fee will be charged to the Agency

Cost Increases:

Postal Rate Increase Offset – If postal rates increase during the term of the agreement, fees to DTI shall be raised immediately to offset the effect of the actual postal rate increase.

***CPI Increases – There will be NO CPI increases for the duration of the agreement*.**

THANK YOU

EXHIBIT B

INSURANCE REQUIREMENTS

A. Minimum Scope and Limits of Insurance City reserves the right to review any and all of the required insurance policies and/or endorsements, but has no obligation to do so. Failure to demand evidence of full compliance with the insurance requirements set forth in this Agreement or failure to identify any insurance deficiency shall not relieve Consultant from, nor be construed or deemed a waiver of, its obligation to maintain the required insurance at all times during the performance, including any extension thereof, of this Agreement. Consultant shall obtain, maintain, and keep in full force and effect during the life of this Agreement, including any extension thereof, all of the following minimum scope of insurance coverages:

1. Commercial General Liability Insurance Broad-form commercial general liability, with coverage at least as broad as the most current version of ISO Commercial General Liability coverage form CG 00 01, in a form at least as broad as ISO form CG 00 01 04 13, and shall include insurance for premises and operations, products/completed operations, broad form property damage, blanket contractual liability, independent contractors, personal injury or bodily injury, and personal and advertising injury with a policy limit of not less than Two Million Dollars ($2,000,000.00) per occurrence and Four Million Dollars ($4,000,000.00) general aggregate. The aggregate limit, encompassing the above coverage, shall apply separately to this project/location. If Consultant maintains higher limits than the specified minimum limits, City requires and shall be entitled to coverage for the higher limits maintained by the Consultant.

2. Business Automobile Liability Insurance Business automobile liability for all owned, hired, leased, and non-owned vehicles at least as broad as the most current version of ISO Business Auto Coverage Form CA 00 01, with a policy limit of not less than Two Million Dollars ($2,000,000.00) combined single limit per accident. If Consultant maintains higher limits than the specified minimum limits, City requires and shall be entitled to coverage for the higher limits maintained by the Consultant.

3. Workers' Compensation and Employer's Liability Insurance Workers' compensation insurance as required by the State of California and Employer's Liability Insurance with a minimum limit of One Million Dollars ($1,000,000.00) per accident for any employee or employees of Consultant. Consultant agrees to waive and to obtain endorsements from its workers' compensation insurer waiving subrogation rights under its workers' compensation insurance policy against the City, its officers, officials, agents, employees, and volunteers for losses arising from work performed by Consultant for the City and to require each of its subcontractors, if any, to do likewise under their workers' compensation insurance policies. The Consultant shall also comply with Section 3800 of the Labor Code by securing, paying for, and maintaining in full force and effect for the duration of this Agreement, complete workers' compensation insurance, and shall furnish a certificate of insurance to the Project Manager before execution of this Agreement by the City. The City, its officers, officials, agents, employees, and volunteers shall not be responsible for any claims in law or equity occasioned by failure of the Consultant to comply with this Section.

4. Standards for Insurance Companies All insurance policies shall be issued by an

Docusign Envelope ID: 269164E4-367A-8DAD-8211-8ECE87D862A5

insurance company currently authorized by the Insurance Commission to transact business of insurance or is on the List of Approved Surplus Line Insurers in the State of California, with an assigned policyholders' rating of A- (or higher) and Financial Size Category Class VII (or larger) in accordance with the latest edition of Best's Key Rating Guide.

B. Documentation and Other Provisions

1. The commercial general liability insurance policy and business automobile liability policy shall be endorsed to contain the following: The City of Placentia, its officers, officials, agents, employees, and volunteers are additional insureds with respect to: liability arising out of activities performed by or on behalf of the Consultant pursuant to its contract with the City; products and completed operations of the Consultant; premises owned, occupied, or used by the Consultant; and automobiles owned, leased, hired, or borrowed by the Consultant. General liability coverage can be provided in the form of an endorsement to the Contractor's insurance at least as broad as one of the following ISO ongoing operations forms: CG 20 10 or CG 20 26 or CG 20 33 (not allowed from subcontractors), or CG 20 38; and one of the following ISO completed operations forms: CG 20 37, 2039 (not allowed from subcontractors), or CG 20 40.

2. Said policies shall not terminate, nor shall they be cancelled or coverage reduced, without at least thirty (30) days' written notice to the City. In the event of any cancellation or reduction in coverage or limits of any insurance, Consultant shall forthwith obtain and submit proof of substitute insurance. Should Consultant fail to immediately procure other insurance, as specified, to substitute for any cancelled policy or reduction in the required coverage limits, the City may procure such insurance at Consultant's sole cost and expense.

3. The Consultant's insurance coverage shall be primary insurance coverage at least as broad as ISO CG 20 01 04 13 as respects the City of Placentia, its officers, officials, agents, employees, and volunteers. Any other insurance maintained by the City of Placentia shall be excess and not contributing with the insurance provided by this policy.

4. Any failure to comply with the reporting provisions of the policies shall not affect coverage provided to the City of Placentia, its officers, officials, agents, employees, and volunteers. Defense fees and costs shall not deplete the limits of any insurance provided under this Agreement.

5. The Consultant's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

6. Consultant shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Consultant shall ensure the City is an additional insured on insurance required from subcontractors.

7. Consultant agrees to waive, and to obtain endorsements from insurers waiving, subrogation rights against the City, its officers, agents, employees, and volunteers for losses arising from work performed by Consultant for the City and to require each of its subcontractors, if any, to do likewise under their insurance policies.

Docusign Envelope ID: 269164E4-367A-8DAD-8211-8ECE87D862A5

8. Coverage shall be on a standard occurrence form. Claims-made forms are not acceptable. Modified, limited, or restricted occurrence forms are not acceptable.

ADDITIONAL INSURED – OWNERS, LESSEES OR CONTRACTORS – SCHEDULED PERSON OR ORGANIZATION

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Name Of Additional Insured Person(s) Or Organization(s)	Location(s) Of Covered Operations
As required by written contract with the Named Insured that is executed by the parties to the contract prior to the commencement of work that is called for in the contract.	All locations which are afforded coverage under this policy.
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

A. **Section II – Who Is An Insured** is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:

1. Your acts or omissions; or
2. The acts or omissions of those acting on your behalf;

in the performance of your ongoing operations for the additional insured(s) at the location(s) designated above.

However:

1. The insurance afforded to such additional insured only applies to the extent permitted by law; and
2. If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

B. With respect to the insurance afforded to these additional insureds, the following additional exclusions apply:

This insurance does not apply to "bodily injury" or "property damage" occurring after:

1. All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or
2. That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

© Insurance Services Office, Inc., 2018

C. With respect to the insurance afforded to these additional insureds, the following is added to **Section III – Limits Of Insurance:**

If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance:

1. Required by the contract or agreement; or

2. Available under the applicable limits of insurance;

whichever is less.

This endorsement shall not increase the applicable limits of insurance.

ADDITIONAL INSURED – OWNERS, LESSEES OR CONTRACTORS – COMPLETED OPERATIONS

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART
PRODUCTS/COMPLETED OPERATIONS LIABILITY COVERAGE PART

SCHEDULE

Name Of Additional Insured Person(s) Or Organization(s)	Location And Description Of Completed Operations
As required by written contract with the Named Insured that is executed by the parties to the contract prior to the commencement of work that is called for in the contract.	All locations which are afforded coverage under this policy.
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

A. **Section II – Who Is An Insured** is amended to include as an additional insured the person(s) or **organization(s) shown in the Schedule**, but only with respect to liability for "bodily injury" or "property damage" caused, in whole or in part, by "your work" at the location designated and described in the Schedule of this endorsement performed for that additional insured and included in the "products-completed operations hazard".

However:

1. The insurance afforded to such additional insured only applies to the extent permitted by law; and
2. If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

B. With respect to the insurance afforded to these additional insureds, the following is added to **Section III – Limits Of Insurance:**

If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance:

1. Required by the contract or agreement; or
2. Available under the applicable limits of insurance;

whichever is less.

This endorsement shall not increase the applicable limits of insurance.

SCHEDULE

Name Of Person(s) Or Organization(s):
As required by written contract with the Named Insured that is executed by the parties to the contract prior to the commencement of work that is called for in the contract.
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

The following is added to Paragraph **8. Transfer Of Rights Of Recovery Against Others To Us** of **Section IV – Conditions:**

We waive any right of recovery against the person(s) or organization(s) shown in the Schedule above because of payments we make under this Coverage Part. Such waiver by us applies only to the extent that the insured has waived its right of recovery against such person(s) or organization(s) prior to loss. This endorsement applies only to the person(s) or organization(s) shown in the Schedule above.

PRIMARY AND NONCONTRIBUTORY – OTHER INSURANCE CONDITION

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART
LIQUOR LIABILITY COVERAGE PART
PRODUCTS/COMPLETED OPERATIONS LIABILITY COVERAGE PART

The following is added to the **Other Insurance** Condition and supersedes any provision to the contrary:

Primary And Noncontributory Insurance

This insurance is primary to and will not seek contribution from any other insurance available to an additional insured under your policy provided that:

(1) The additional insured is a Named Insured under such other insurance; and

(2) You have agreed in writing in a contract or agreement that this insurance would be primary and would not seek contribution from any other insurance available to the additional insured.

 © Insurance Services Office, Inc., 2018

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

HIRED AUTO AND NON-OWNED AUTO LIABILITY INSURANCE

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

This endorsement is subject to all of the provisions of the Commercial General Liability Coverage Part, except as otherwise provided in this endorsement. All numbers and letters used to designate paragraphs in this endorsement are specific to this endorsement only. They do not reference paragraphs in the Commercial General Liability Coverage Part. Insurance is provided only with respect to those coverages for which a specific Limit of Insurance and Premium are shown:

SCHEDULE

Coverage	Limits Of Insurance		Premium
Hired Auto Liability Insurance	$ 1,000,000	Each Occurrence Limit	$ Included
Non-owned Auto Liability Insurance	$ 1,000,000	Each Occurrence Limit	
	$ 1,000,000	Aggregate Limit	
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.			

A. **Hired Auto Liability**

The insurance provided under **SECTION I – COVERAGES, COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, applies to "bodily injury" or "property damage" arising out of the maintenance or use of a "hired auto" by you or your "employees" in the course of your business.

B. **Non-owned Auto Liability**

The insurance provided under **SECTION I – COVERAGES, COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, applies to "bodily injury" or "property damage" arising out of the use of a "non-owned auto" by any person in the course of your business.

C. **Changes In Exclusions**

With respect to the insurance provided by this endorsement:

1. The following exclusions under **SECTION I – COVERAGES, COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY, 2. Exclusions**, do not apply:
   - **a.** Contractual Liability;
   - **b.** Liquor Liability;
   - **c.** Employer's Liability;
   - **d.** Aircraft, Auto Or Watercraft;
   - **e.** Mobile Equipment;
   - **f.** Damage To Property;
   - **g.** Damage To Your Product;
   - **h.** Damage To Your Work;

Includes copyrighted material of Insurance Services Office, Inc. with its permission.

i. Damage To Impaired Property Or Property Not Physically Injured; and

j. Recall Of Products, Work Or Impaired Property.

2. **SECTION I – COVERAGES, COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY, 2. Exclusions**, is amended and the following are added:

This insurance does not apply to:

a. "Bodily injury" or "property damage" for which the insured is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages:

(1) That the insured would have in the absence of the contract or agreement; or

(2) Assumed in a contract or agreement that is an "insured contract", provided the "bodily injury" or "property damage" occurs subsequent to the execution of the contract or agreement.

b. "Bodily injury" to:

(1) An "employee" of the insured arising out of and in the course of:

(a) Employment by the insured; or

(b) Performing duties related to the conduct of the insured's business; or

(2) The spouse, child, parent, brother or sister of that "employee" as a consequence of Paragraph **(1)** above.

This exclusion applies:

(1) Whether the insured may be liable as an employer or in any other capacity; and

(2) To any obligation to share damages with or repay someone else who must pay the damages because of the injury.

This exclusion does not apply to:

(1) Liability assumed by the insured under an "insured contract"; or

(2) "Bodily injury" to domestic "employees" not entitled to workers' compensation benefits.

c. "Property damage" to:

(1) Property owned or being transported by, or rented or loaned to the insured; or

(2) Property in the care, custody or control of the insured.

D. **Who Is An Insured**

For the purposes of this endorsement only, **SECTION II – WHO IS AN INSURED**, is deleted and replaced by the following:

WHO IS AN INSURED

1. Each of the following is an insured under this insurance to the extent set forth below:

a. You.

b. Any other person using a "hired auto" with your permission in the course of your business.

c. With respect to a "non-owned auto", any partner or "executive officer" of yours, but only while such "non-owned auto" is being used in your business.

d. Any other person or organization, but only with respect to their liability because of acts or omissions of an insured under Paragraph **a., b.** or **c.** above.

Includes copyrighted material of Insurance Services Office, Inc. with its permission.

2. None of the following is an insured:

   a. Any person engaged in the business of his or her employer with respect to "bodily injury" to any co-"employee" of such person injured in the course of employment, or to the spouse, child, parent, brother or sister of that co-"employee" as a consequence of such "bodily injury", or for any obligation to share damages with or repay someone else who must pay damages because of the injury;

   b. Any partner or "executive officer" with respect to any "auto" owned by such partner or officer or a member of his or her household;

   c. Any person while employed in or otherwise engaged in performing duties related to the conduct of an "auto business", other than an "auto business" you operate;

   d. The owner or lessee (of whom you are a sublessee) of a "hired auto" or the owner of a "non-owned auto" or any agent or "employee" of any such owner or lessee;

   e. Any person or organization with respect to the conduct of any current or past partnership, joint venture or limited liability company that is not shown as a Named Insured in the Declarations.

E. **Limits Of Insurance**

For the purposes of this endorsement only, **SECTION III – LIMITS OF INSURANCE**, is deleted and replaced by the following:

LIMITS OF INSURANCE

Regardless of the number of "hired autos", "non-owned autos", insureds, premiums paid, claims made or vehicles involved in the "occurrence", the most we will pay for all damages resulting from any one "occurrence" is the applicable Limit of Insurance shown in the Schedule of this endorsement or in the Declarations.

The Aggregate Limit is the most, subject to the Each Occurrence Limit, we will pay as damages for "bodily injury" or "property damage" sustained and expenses incurred in the defense and adjustment of all claims and "suits" regardless of how many persons assert claims or "suits" against you.

The Each Occurrence and Aggregate Limits described above are the most we will pay regardless of the number of insureds. These Limits of Insurance are subject to and not in addition to the General Aggregate Limit shown in the Declarations of the policy. Payments under these Limits of Insurance are part of and erode the policy General Aggregate Limit of Insurance shown in the Declarations.

F. **Changes In Conditions**

For the purposes of this endorsement only, the **Other Insurance** Provision of the **Commercial General Liability Conditions** Section is deleted and replaced by the following:

OTHER INSURANCE

This insurance is excess over any primary insurance covering the "hired auto" or "non-owned auto".

G. **Additional Definitions**

For the purposes of this endorsement only, the following definitions are added to the **Definitions** Section:

1. "Auto business" means the business or occupation of selling, repairing, servicing, storing or parking "autos".

2. "Hired auto" means any "auto" you lease, hire, rent or borrow. This does not include any "auto" you lease, hire, rent or borrow from any of your "employees", your partners or your "executive officers", or members of their households.

Includes copyrighted material of Insurance Services Office, Inc. with its permission.

3. "Non-owned auto" means any "auto" you do not own, lease, hire, rent or borrow which is used in connection with your business. This includes "autos" owned by your "employees", your partners or your "executive officers", or members of their households, but only while used in your business.

ALL OTHER TERMS AND CONDITIONS OF THE POLICY REMAIN UNCHANGED.

Includes copyrighted material of Insurance Services Office, Inc. with its permission.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

Paragraph **A. Cancellation** of the COMMON POLICY CONDITIONS is amended as follows:

1. Paragraph **2.** is replaced by the following:

   2. We may cancel this policy by mailing or delivering to the first Named Insured written notice of cancellation at least:

   a. 10 days before the effective date of cancellation if we cancel for one or more of the following reasons:

   (1) nonpayment of premium or failure to pay a premium when due;

   (2) conviction of an insured of a crime arising out of acts increasing the hazard insured against;

   (3) violation of any local fire, health, safety, building or construction regulation or ordinance which increases the hazard insured against under the policy;

   (4) any willful or reckless act or omission by an insured increasing the hazard insured against;

   (5) omission or concealment of fact relating to an insurance application, rating, claim or coverage under this policy;

   (6) failure or refusal of an insured to:

   (a) provide information necessary to confirm exposure or determine the policy premium; or

   (b) comply with underwriting requirements;

   (7) a substantial change in the risk covered by the policy;

   (8) loss of reinsurance or substantial decrease in reinsurance;

   (9) the cancellation is for all insureds under such policies for a given class of insureds; or

   (10) any reason determined by the insurance commissioner.

   b. 30 days before the effective date of cancellation if we cancel for any other reason.

2. Paragraph **5.** is amended by the addition of the following:
   Any premium refund will be subject to the minimum earned premium for this policy, if applicable.

ALL OTHER TERMS AND CONDITIONS OF THE POLICY REMAIN UNCHANGED.

WAIVER OF OUR RIGHT TO RECOVER FROM OTHERS ENDORSEMENT-CALIFORNIA

We have the right to recover our payments from anyone liable for an injury covered by this policy. We will not enforce our right against the person or organization named in the Schedule. (This agreement applies only to the extent that you perform work under a written contract that requires you to obtain this agreement from us.)

You must maintain payroll records accurately segregating the remuneration of your employees while engaged in the work described in the Schedule.

The additional premium for this endorsement shall be 2 % of the California workers' compensation premium otherwise due on such remuneration.

Schedule

Person or Organization	Job Description
With respect to all employees subject to the workers' compensation laws of the state of California, any person or organization for whom the Named Insured has agreed by written contract to furnish this waiver.	

This policy is subject to a minimum charge of $250 for the issuance of waivers of subrogation

This endorsement changes the policy to which it is attached and is effective on the date issued unless otherwise stated.
(The information below is required only when this endorsement is issued subsequent to preparation of the policy.)

This endorsement, effective 11/01/2025 at 12:01 AM standard time, forms a part of

ADDITIONAL INSURED – OWNERS, LESSEES OR CONTRACTORS – SCHEDULED PERSON OR ORGANIZATION

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Name Of Additional Insured Person(s) Or Organization(s)	Location(s) Of Covered Operations
As required by written contract with the Named Insured that is executed by the parties to the contract prior to the commencement of work that is called for in the contract.	All locations which are afforded coverage under this policy.
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

A. **Section II – Who Is An Insured** is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:

1. Your acts or omissions; or
2. The acts or omissions of those acting on your behalf;

in the performance of your ongoing operations for the additional insured(s) at the location(s) designated above.

However:

1. The insurance afforded to such additional insured only applies to the extent permitted by law; and
2. If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

B. With respect to the insurance afforded to these additional insureds, the following additional exclusions apply:

This insurance does not apply to "bodily injury" or "property damage" occurring after:

1. All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or
2. That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

© Insurance Services Office, Inc., 2018

C. With respect to the insurance afforded to these additional insureds, the following is added to **Section III – Limits Of Insurance:**

If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance:

1. Required by the contract or agreement; or

2. Available under the applicable limits of insurance;

whichever is less.

This endorsement shall not increase the applicable limits of insurance.

ADDITIONAL INSURED – OWNERS, LESSEES OR CONTRACTORS – COMPLETED OPERATIONS

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART
PRODUCTS/COMPLETED OPERATIONS LIABILITY COVERAGE PART

SCHEDULE

Name Of Additional Insured Person(s) Or Organization(s)	Location And Description Of Completed Operations
As required by written contract with the Named Insured that is executed by the parties to the contract prior to the commencement of work that is called for in the contract.	All locations which are afforded coverage under this policy.
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

A. **Section II – Who Is An Insured** is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for "bodily injury" or "property damage" caused, in whole or in part, by "your work" at the location designated and described in the Schedule of this endorsement performed for that additional insured and included in the "products-completed operations hazard".

However:

1. The insurance afforded to such additional insured only applies to the extent permitted by law; and
2. If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

B. With respect to the insurance afforded to these additional insureds, the following is added to **Section III – Limits Of Insurance:**

If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance:

1. Required by the contract or agreement; or
2. Available under the applicable limits of insurance;

whichever is less.

This endorsement shall not increase the applicable limits of insurance.

SCHEDULE

Name Of Person(s) Or Organization(s):
As required by written contract with the Named Insured that is executed by the parties to the contract prior to the commencement of work that is called for in the contract.
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

The following is added to Paragraph **8. Transfer Of Rights Of Recovery Against Others To Us** of **Section IV – Conditions:**

We waive any right of recovery against the person(s) or organization(s) shown in the Schedule above because of payments we make under this Coverage Part. Such waiver by us applies only to the extent that the insured has waived its right of recovery against such person(s) or organization(s) prior to loss. This endorsement applies only to the person(s) or organization(s) shown in the Schedule above.

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART
LIQUOR LIABILITY COVERAGE PART
PRODUCTS/COMPLETED OPERATIONS LIABILITY COVERAGE PART

The following is added to the **Other Insurance** Condition and supersedes any provision to the contrary:

Primary And Noncontributory Insurance

This insurance is primary to and will not seek contribution from any other insurance available to an additional insured under your policy provided that:

(1) The additional insured is a Named Insured under such other insurance; and

(2) You have agreed in writing in a contract or agreement that this insurance would be primary and would not seek contribution from any other insurance available to the additional insured.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

HIRED AUTO AND NON-OWNED AUTO LIABILITY INSURANCE

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

This endorsement is subject to all of the provisions of the Commercial General Liability Coverage Part, except as otherwise provided in this endorsement. All numbers and letters used to designate paragraphs in this endorsement are specific to this endorsement only. They do not reference paragraphs in the Commercial General Liability Coverage Part. Insurance is provided only with respect to those coverages for which a specific Limit of Insurance and Premium are shown:

SCHEDULE

Coverage	Limits Of Insurance		Premium
Hired Auto Liability Insurance	$ 1,000,000	Each Occurrence Limit	$ Included
Non-owned Auto Liability Insurance	$ 1,000,000	Each Occurrence Limit	
	$ 1,000,000	Aggregate Limit	
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.			

A. **Hired Auto Liability**

The insurance provided under **SECTION I – COVERAGES**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, applies to "bodily injury" or "property damage" arising out of the maintenance or use of a "hired auto" by you or your "employees" in the course of your business.

B. **Non-owned Auto Liability**

The insurance provided under **SECTION I – COVERAGES**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, applies to "bodily injury" or "property damage" arising out of the use of a "non-owned auto" by any person in the course of your business.

C. **Changes In Exclusions**

With respect to the insurance provided by this endorsement:

1. The following exclusions under **SECTION I – COVERAGES**, **COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY**, **2. Exclusions**, do not apply:
   - **a.** Contractual Liability;
   - **b.** Liquor Liability;
   - **c.** Employer's Liability;
   - **d.** Aircraft, Auto Or Watercraft;
   - **e.** Mobile Equipment;
   - **f.** Damage To Property;
   - **g.** Damage To Your Product;
   - **h.** Damage To Your Work;

Includes copyrighted material of Insurance Services Office, Inc. with its permission.

i. Damage To Impaired Property Or Property Not Physically Injured; and

j. Recall Of Products, Work Or Impaired Property.

2. SECTION I – COVERAGES, COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY, 2. Exclusions, is amended and the following are added:

This insurance does not apply to:

a. "Bodily injury" or "property damage" for which the insured is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages:

(1) That the insured would have in the absence of the contract or agreement; or

(2) Assumed in a contract or agreement that is an "insured contract", provided the "bodily injury" or "property damage" occurs subsequent to the execution of the contract or agreement.

b. "Bodily injury" to:

(1) An "employee" of the insured arising out of and in the course of:

(a) Employment by the insured; or

(b) Performing duties related to the conduct of the insured's business; or

(2) The spouse, child, parent, brother or sister of that "employee" as a consequence of Paragraph **(1)** above.

This exclusion applies:

(1) Whether the insured may be liable as an employer or in any other capacity; and

(2) To any obligation to share damages with or repay someone else who must pay the damages because of the injury.

This exclusion does not apply to:

(1) Liability assumed by the insured under an "insured contract"; or

(2) "Bodily injury" to domestic "employees" not entitled to workers' compensation benefits.

c. "Property damage" to:

(1) Property owned or being transported by, or rented or loaned to the insured; or

(2) Property in the care, custody or control of the insured.

D. **Who Is An Insured**

For the purposes of this endorsement only, **SECTION II – WHO IS AN INSURED**, is deleted and replaced by the following:

WHO IS AN INSURED

1. Each of the following is an insured under this insurance to the extent set forth below:

a. You.

b. Any other person using a "hired auto" with your permission in the course of your business.

c. With respect to a "non-owned auto", any partner or "executive officer" of yours, but only while such "non-owned auto" is being used in your business.

d. Any other person or organization, but only with respect to their liability because of acts or omissions of an insured under Paragraph **a., b.** or **c.** above.

Includes copyrighted material of Insurance Services Office, Inc. with its permission.

2. None of the following is an insured:

   a. Any person engaged in the business of his or her employer with respect to "bodily injury" to any co-"employee" of such person injured in the course of employment, or to the spouse, child, parent, brother or sister of that co-"employee" as a consequence of such "bodily injury", or for any obligation to share damages with or repay someone else who must pay damages because of the injury;

   b. Any partner or "executive officer" with respect to any "auto" owned by such partner or officer or a member of his or her household;

   c. Any person while employed in or otherwise engaged in performing duties related to the conduct of an "auto business", other than an "auto business" you operate;

   d. The owner or lessee (of whom you are a sublessee) of a "hired auto" or the owner of a "non-owned auto" or any agent or "employee" of any such owner or lessee;

   e. Any person or organization with respect to the conduct of any current or past partnership, joint venture or limited liability company that is not shown as a Named Insured in the Declarations.

E. **Limits Of Insurance**

For the purposes of this endorsement only, **SECTION III – LIMITS OF INSURANCE**, is deleted and replaced by the following:

LIMITS OF INSURANCE

Regardless of the number of "hired autos", "non-owned autos", insureds, premiums paid, claims made or vehicles involved in the "occurrence", the most we will pay for all damages resulting from any one "occurrence" is the applicable Limit of Insurance shown in the Schedule of this endorsement or in the Declarations.

The Aggregate Limit is the most, subject to the Each Occurrence Limit, we will pay as damages for "bodily injury" or "property damage" sustained and expenses incurred in the defense and adjustment of all claims and "suits" regardless of how many persons assert claims or "suits" against you.

The Each Occurrence and Aggregate Limits described above are the most we will pay regardless of the number of insureds. These Limits of Insurance are subject to and not in addition to the General Aggregate Limit shown in the Declarations of the policy. Payments under these Limits of Insurance are part of and erode the policy General Aggregate Limit of Insurance shown in the Declarations.

F. **Changes In Conditions**

For the purposes of this endorsement only, the **Other Insurance** Provision of the **Commercial General Liability Conditions** Section is deleted and replaced by the following:

OTHER INSURANCE

This insurance is excess over any primary insurance covering the "hired auto" or "non-owned auto".

G. **Additional Definitions**

For the purposes of this endorsement only, the following definitions are added to the **Definitions** Section:

1. "Auto business" means the business or occupation of selling, repairing, servicing, storing or parking "autos".

2. "Hired auto" means any "auto" you lease, hire, rent or borrow. This does not include any "auto" you lease, hire, rent or borrow from any of your "employees", your partners or your "executive officers", or members of their households.

Includes copyrighted material of Insurance Services Office, Inc. with its permission.

3. "Non-owned auto" means any "auto" you do not own, lease, hire, rent or borrow which is used in connection with your business. This includes "autos" owned by your "employees", your partners or your "executive officers", or members of their households, but only while used in your business.

ALL OTHER TERMS AND CONDITIONS OF THE POLICY REMAIN UNCHANGED.

Includes copyrighted material of Insurance Services Office, Inc. with its permission.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

Paragraph **A. Cancellation** of the COMMON POLICY CONDITIONS is amended as follows:

1. Paragraph **2.** is replaced by the following:

   2. We may cancel this policy by mailing or delivering to the first Named Insured written notice of cancellation at least:

   a. 10 days before the effective date of cancellation if we cancel for one or more of the following reasons:

   (1) nonpayment of premium or failure to pay a premium when due;

   (2) conviction of an insured of a crime arising out of acts increasing the hazard insured against;

   (3) violation of any local fire, health, safety, building or construction regulation or ordinance which increases the hazard insured against under the policy;

   (4) any willful or reckless act or omission by an insured increasing the hazard insured against;

   (5) omission or concealment of fact relating to an insurance application, rating, claim or coverage under this policy;

   (6) failure or refusal of an insured to:

   (a) provide information necessary to confirm exposure or determine the policy premium; or

   (b) comply with underwriting requirements;

   (7) a substantial change in the risk covered by the policy;

   (8) loss of reinsurance or substantial decrease in reinsurance;

   (9) the cancellation is for all insureds under such policies for a given class of insureds; or

   (10) any reason determined by the insurance commissioner.

   b. 30 days before the effective date of cancellation if we cancel for any other reason.

2. Paragraph **5.** is amended by the addition of the following:
   Any premium refund will be subject to the minimum earned premium for this policy, if applicable.

ALL OTHER TERMS AND CONDITIONS OF THE POLICY REMAIN UNCHANGED.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

WAIVER OF OUR RIGHT TO RECOVER FROM OTHERS ENDORSEMENT-CALIFORNIA

We have the right to recover our payments from anyone liable for an injury covered by this policy. We will not enforce our right against the person or organization named in the Schedule. (This agreement applies only to the extent that you perform work under a written contract that requires you to obtain this agreement from us.)

You must maintain payroll records accurately segregating the remuneration of your employees while engaged in the work described in the Schedule.

The additional premium for this endorsement shall be 2 % of the California workers' compensation premium otherwise due on such remuneration.

Schedule

Person or Organization	Job Description
With respect to all employees subject to the workers' compensation laws of the state of California, any person or organization for whom the Named Insured has agreed by written contract to furnish this waiver.	

This policy is subject to a minimum charge of $250 for the issuance of waivers of subrogation

This endorsement changes the policy to which it is attached and is effective on the date issued unless otherwise stated.

EXHIBIT B

INSURANCE REQUIREMENTS

A. Minimum Scope and Limits of Insurance

City reserves the right to review any and all of the required insurance policies and/or endorsements, but has no obligation to do so. Failure to demand evidence of full compliance with the insurance requirements set forth in this Agreement or failure to identify any insurance deficiency shall not relieve Consultant from, nor be construed or deemed a waiver of, its obligation to maintain the required insurance at all times during the performance, including any extension thereof, of this Agreement.

Consultant shall obtain, maintain, and keep in full force and effect during the life of this Agreement, including any extension thereof, all of the following minimum scope of insurance coverages:

1. Commercial General Liability Insurance

Broad-form commercial general liability, with coverage at least as broad as the most current version of ISO Commercial General Liability coverage form CG 00 01, in a form at least as broad as ISO form CG 00 01 04 13, and shall include insurance for premises and operations, products/completed operations, broad form property damage, blanket contractual liability, independent contractors, personal injury or bodily injury, and personal and advertising injury with a policy limit of not less than Two Million Dollars ($2,000,000.00) per occurrence and Four Million Dollars ($4,000,000.00) general aggregate. The aggregate limit, encompassing the above coverage, shall apply separately to this project/location. If Consultant maintains higher limits than the specified minimum limits, City requires and shall be entitled to coverage for the higher limits maintained by the Consultant.

2. Business Automobile Liability Insurance

Business automobile liability for all owned, hired, leased, and non-owned vehicles at least as broad as the most current version of ISO Business Auto Coverage Form CA 00 01, with a policy limit of not less than Two Million Dollars ($2,000,000.00) combined single limit per accident. If Consultant maintains higher limits than the specified minimum limits, City requires and shall be entitled to coverage for the higher limits maintained by the Consultant.

3. Workers' Compensation and Employer's Liability Insurance

Workers' compensation insurance as required by the State of California and Employer's Liability Insurance with a minimum limit of One Million Dollars ($1,000,000.00) per accident for any employee or employees of Consultant. Consultant agrees to waive and to obtain endorsements from its workers' compensation insurer waiving subrogation rights under its workers' compensation insurance policy against the City, its officers, officials, agents, employees, and volunteers for losses arising from work performed by Consultant for the City and to require each of its subcontractors, if any, to do likewise under their workers' compensation insurance policies.

Docusign Envelope ID: 269164E4-367A-8DAD-8211-8ECE87D862A5

By signing this Agreement, the Consultant acknowledges and agrees to the following:

> I am aware of the provisions of Section 3700 of the Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake self-insurance in accordance with the provisions of that code, and I will comply with such provisions before commencing the performance of the work of this contract.

The Consultant shall also comply with Section 3800 of the Labor Code by securing, paying for, and maintaining in full force and effect for the duration of this Agreement, complete workers' compensation insurance, and shall furnish a certificate of insurance to the Project Manager before execution of this Agreement by the City. The City, its officers, officials, agents, employees, and volunteers shall not be responsible for any claims in law or equity occasioned by failure of the Consultant to comply with this Section.

4. Professional Errors and Omissions ("E&O") Liability Insurance

Professional errors and omissions ("E&O") liability insurance on an occurrence based policy with policy limits of not less than Two Million Dollars ($2,000,000.00) per occurrence and Three Million Dollars ($3,000,000.00) policy aggregate. Architects' and engineers' coverage shall be endorsed to include contractual liability. The retroactive date must be shown, and this date must be before the date of the contract or the beginning of contract work. Insurance must be maintained and evidence of insurance must be provided for at least three (3) years after completion of the contract of work. If coverage is canceled or non-renewed, and not replaced with another policy form with a retroactive date prior to the contract effective date, the Consultant must purchase "extended reporting coverage" for a minimum of three (3) years after completion of contract work. A copy of the claims reporting requirements must be submitted to the Project Manager for review. If Consultant maintains higher limits than the specified minimum limits, City requires and shall be entitled to coverage for the higher limits maintained by the Consultant.

5. Standards for Insurance Companies

All insurance policies shall be issued by an insurance company currently authorized by the Insurance Commission to transact business of insurance or is on the List of Approved Surplus Line Insurers in the State of California, with an assigned policyholders' rating of A- (or higher) and Financial Size Category Class VII (or larger) in accordance with the latest edition of Best's Key Rating Guide.

B. Documentation and Other Provisions

1. The commercial general liability insurance policy and business automobile liability policy shall be endorsed to contain the following: The City of Placentia, its officers, officials, agents, employees, and volunteers are additional insureds with respect to: liability arising out of activities performed by or on behalf of the Consultant pursuant to its contract with the City; products and completed operations of the Consultant; premises owned, occupied, or used by the Consultant; and automobiles owned, leased, hired, or borrowed by the Consultant. General liability coverage can be provided in the form of an endorsement to the Contractor's insurance at least as broad as one of the following ISO ongoing operations forms: CG 20 10 or CG 20 26 or CG 20 33 (not allowed from

Docusign Envelope ID: 269164E4-367A-8DAD-8211-8ECE87D862A5

subcontractors), or CG 20 38; and one of the following ISO completed operations forms: CG 20 37, 2039 (not allowed from subcontractors), or CG 20 40.

2. Said policies shall not terminate, nor shall they be cancelled or coverage reduced, without at least thirty (30) days' written notice to the City. In the event of any cancellation or reduction in coverage or limits of any insurance, Consultant shall forthwith obtain and submit proof of substitute insurance. Should Consultant fail to immediately procure other insurance, as specified, to substitute for any cancelled policy or reduction in the required coverage limits, the City may procure such insurance at Consultant's sole cost and expense.

3. The Consultant's insurance coverage shall be primary insurance coverage at least as broad as ISO CG 20 01 04 13 as respects the City of Placentia, its officers, officials, agents, employees, and volunteers. Any other insurance maintained by the City of Placentia shall be excess and not contributing with the insurance provided by this policy.

4. Any failure to comply with the reporting provisions of the policies shall not affect coverage provided to the City of Placentia, its officers, officials, agents, employees, and volunteers.

5. **Defense fees and costs shall not deplete the limits of any insurance provided under this Agreement.**

   [Alternative language for "Burning Limit" insurance policies. Delete the above language and add the following: Defense fees and costs shall not deplete the limits of any insurance provided under this Agreement, except as E&O policies wherein Consultant represents that the amount the E&O policy has depleted as of the date of the Agreement is _____. Consultant shall provide notice to the City in writing when the aggregate limits of any insurance has been depleted by more than 10% regardless of the claimant or basis for the expenditures. From the date of the Agreement continuing for three (3) years after completion of the subject project, Consultant shall provide notice to the City if any claimant depletes the aggregate for any amount, and Consultant shall provide bi-monthly updates to the City as to the remaining amount of the aggregate. If the aggregate is depleted by more than _____, the City may demand that Consultant obtain excess or umbrella insurance over its E&O insurance, or supplemental E&O insurance, for an amount to be set by the City but shall not exceed the limits sets forth in Section A.4.]

6. The Consultant's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

7. Consultant shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Consultant shall ensure the City is an additional insured on insurance required from subcontractors.

8. Consultant agrees to waive, and to obtain endorsements from insurers waiving, subrogation rights against the City, its officers, agents, employees, and volunteers for losses arising from work performed by Consultant for the City and to require each of its subcontractors, if any, to do likewise under their insurance policies.

9. Coverage shall be on a standard occurrence form. Claims-made forms are not

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Carahsoft OBO City of Placentia (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact Carahsoft OBO City of Placentia:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: rramirez@placentia.org

To advise Carahsoft OBO City of Placentia of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at rramirez@placentia.org and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from Carahsoft OBO City of Placentia

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to rramirez@placentia.org and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with Carahsoft OBO City of Placentia

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to rramirez@placentia.org and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify Carahsoft OBO City of Placentia as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by Carahsoft OBO City of Placentia during the course of your relationship with Carahsoft OBO City of Placentia.

Agenda Item No: 1.q

PLACENTIA CITY COUNCIL AGENDA REPORT

Meeting Date: June 16, 2026

Submitted by: Joe Lambert

From: Development Services

Subject:
AWARD OF CONTRACT WITH CSG FOR PROVISION OF BUILDING INSPECTION, PERMIT TECHNICIAN AND PLAN CHECK AND INSPECTION SERVICES

Financial Impact:
Expense: $ 325,000 not-to-exceed Annual Amount
Budget: $ 240,000 FY2026-27 Budget
$1,625,000 Five-Year Term's Contract Total (2026-2031)

Summary:
The Development Services Department released a Request for Proposals (RFP) for related to building plan check, building inspection, and other building related staffing as needed on April 30, 2026, with proposals due on May 15, 2026. Fifteen (15) firms responded by the deadline. After a review by Development Services Department staff, it is recommended that CSG Consultants, Inc. be awarded a five-year agreement for a not-to-exceed amount of $325,000 per fiscal year based on their qualifications and proposal.

Recommended Action:
It is recommended that the City Council:

1. Approve the Professional Services Agreement with CSG Consultants, Inc., to provide professional services related to building plan check, building inspection, and other building related staffing as needed, for a cumulative contract not-to-exceed $1,625,000 ($325,000 per fiscal year) for a five-year term, with two additional one-year optional terms; and
2. Authorize the City Administrator or her designee to execute all necessary documents, in a form approved by the City Attorney.

Strategic Plan Statement:
By awarding this contract, the City continues to meet Strategic Plan Goal No. 2, Public Safety, ensuring quality building plan checks and inspections occur to provide a safe, family-friendly environment that protect residents, businesses and visitors.

Discussion:
In July 2020, the City contracted with CSG Consultants Inc. ("CSG") to provide contract staffing services to perform fire plan check and inspection services related to development. A series of four contract amendments between 2021 and 2025 were executed. CSG has been

providing building related services (plan check, inspection, staffing) since 2022. However, the current Professional Services Agreement (PSA) with CSG Consultants, Inc. will expire on June 30, 2026, and further administrative PSA amendments are not possible.

A Request for Proposals (RFP) for building plan check, building inspection, and other building related staffing as needed was circulated on April 30, 2026, with proposals due on May 15, 2026. Fifteen (15) firms responded by the deadline. After a review by Development Services Department staff, it is recommended that CSG Consultants, Inc. be awarded a PSA to provide professional services related to building plan check, building inspection, and other building related staffing as needed, for a cumulative contract not-to-exceed amount of $1,625,000 ($325,000 per fiscal year) for a five-year term, with two additional one-year optional terms. This recommendation is based on their qualifications and proposal.

CSG has been providing quality services related to building plan check, building inspection, and other building related staffing since 2022. Staff has been pleased with the services provided. CSG's proposal is near or below the average of the 15 proposals received, but CSG has always provided above average service to the City, saving our residents and clients time and money. The proposed contractor will primarily conduct building plan checks, as most building inspections are now performed by City staff. However, the PSA would allow other related services as needed.

CSG submitted an RFP consistent with the needs of the City, and offered pricing consistent with the City's budgeted expenditures for the related tasks. In fact, CSG provides two methods of billing, one is an hourly flat fee, the other is taking a percentage of the Plan Check fee as required by the RFP. Generally speaking, the latter results in a cost savings for the City. The City chooses with billing method to use. It should be noted that CSG lowered both their hourly flat fee and their percentage of the Plan Check fee taken in upon staff negotiating with them. With this, CSG's proposed fees are lower than the average fees proposed by the other responsible bidders.

Financial Summary:
The Agreement with CSG Consultants, Inc. is for a five-year period, with two additional one-year extensions, to be exercised at the City’s sole discretion based upon the performance of the Contractor. The City budgets adequate annual funding utilizing fees generated by Development Services plan check receipts and permit fees. Therefore, funding for this work is sustainable and continues to be budgeted annually. Accordingly, sufficient funds exist for the recommended action.

CITY OF PLACENTIA
PROFESSIONAL SERVICES AGREEMENT
WITH
CSG CONSULTANTS, INC.

THIS AGREEMENT is made and entered into this 1st day of July, 2026 ("Effective Date"), by and between the CITY OF PLACENTIA, a municipal corporation ("City"), and CSG CONSULTANTS, INC., a [California corporation] ("Consultant").

W I T N E S S E T H:

A. WHEREAS, City proposes to utilize the services of Consultant as an independent contractor to perform building plan check, landscape plan check, building inspection, and other building related staffing as needed, as more fully described herein; and

B. WHEREAS, Consultant represents that it has that degree of specialized expertise contemplated within California Government Code Section 37103, and holds all necessary licenses to practice and perform the services herein contemplated; and

C. WHEREAS, City and Consultant desire to contract for the specific services described in Exhibit "A" (the "Project") and desire to set forth their rights, duties, and liabilities in connection with the services to be performed; and

D. WHEREAS, no official or employee of City has a financial interest, within the provisions of Sections 1090-1092 of the California Government Code, in the subject matter of this Agreement.

NOW, THEREFORE, for and in consideration of the mutual covenants and conditions contained herein, the parties hereby agree as follows:

1.0. SERVICES PROVIDED BY CONSULTANT

1.1. Scope of Services. Consultant shall provide the professional services described in the Consultant's Proposal ("Proposal"), attached hereto as Exhibit "A" and incorporated herein by this reference.

1.2. Professional Practices. All professional services to be provided by Consultant pursuant to this Agreement shall be provided by personnel experienced in their respective fields and in a manner consistent with the standards of care, diligence and skill ordinarily exercised by professional consultants in similar fields and circumstances in accordance with sound professional practices. Consultant also warrants that it is familiar with all laws that may affect its performance of this Agreement and shall advise City of any changes in any laws that may affect Consultant's performance of this Agreement. Consultant shall keep itself informed of State and Federal laws and regulations which in any manner affect those employed by it or in any way affect the performance of its service pursuant to this Agreement. The Consultant shall at all times observe and comply with all such laws and regulations. Officers and employees shall not be liable at law or in equity occasioned by failure of the Consultant to comply with this Section.

1.3. Performance to Satisfaction of City. Consultant agrees to perform all the work to the complete satisfaction of the City and within the hereinafter specified. Evaluations of the work will be done by the City Administrator or his or her designee. If the quality of work is not satisfactory, City in its discretion has the right to:

(a) Meet with Consultant to review the quality of the work and resolve the matters of concern;

(b) Require Consultant to repeat the work at no additional fee until it is satisfactory; and/or

(c) Terminate the Agreement as hereinafter set forth.

1.4. Warranty. Consultant warrants that it shall perform the services required by this Agreement in compliance with all applicable Federal and California employment laws, including, but not limited to, those laws related to minimum hours and wages; occupational health and safety; fair employment and employment practices; workers' compensation insurance and safety in employment; and all other Federal, State, and local laws and ordinances applicable to the services required under this Agreement. Consultant warrants that it is not suspended or debarred from doing business with the United States government and can legally be paid from federal funds. Consultant shall indemnify and hold harmless City from and against all claims, demands, payments, suits, actions, proceedings, and judgments of every nature and description including attorneys' fees and costs, presented, brought, or recovered against City for, or on account of any liability under any of the above-mentioned laws, which may be incurred by reason of Consultant's performance under this Agreement.

1.5. Non-discrimination. In performing this Agreement, Consultant shall not engage in, nor permit its agents to engage in, discrimination in employment of persons because of their race, religion, color, national origin, ancestry, age, physical handicap, medical condition, marital status, sexual gender, or sexual orientation, except as permitted pursuant to Section 12940 of the Government Code. Such actions shall include, but not be limited to the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay, or other forms of compensation and selection for training, including apprenticeship. Consultant agrees to post in conspicuous places, available to employees and applicants for employment, a notice setting forth provisions of this non-discrimination clause.

Consultant shall, in all solicitations and advertisements for employees placed by, or on behalf of Consultant shall state that all qualified applicants will receive consideration for employment without regard to age, race, color, religion, sex, marital status, national origin, or mental or physical disability. Consultant shall cause the paragraphs contained in this Section to be inserted in all subcontracts for any work covered by the Agreement, provided that the foregoing provisions shall not apply to subcontracts for standard commercial supplies or raw materials.

1.6. Non-Exclusive Agreement. Consultant acknowledges that City may enter into agreements with other consultants for services similar to the services that are subject to this Agreement or may have its own employees perform services similar to those services contemplated by this Agreement.

1.7. Delegation and Assignment. This is a personal service contract, and the duties set forth herein shall not be delegated or assigned to any person or entity without the prior written consent of City. Consultant may engage a subcontractor(s) as permitted by law and may employ other personnel to perform services contemplated by this Agreement at Consultant's sole cost and expense. All insurance requirements contained in this Agreement are independently applicable to any and all subcontractors that Consultant may engage during the term of this Agreement.

1.8. Confidentiality. Employees of Consultant in the course of their duties may have access to financial, accounting, statistical, and personnel data of private individuals and employees of City. Consultant covenants that all data, documents, discussion, or other information developed or received by Consultant or provided for performance of this Agreement are deemed confidential and shall not be disclosed by Consultant without written authorization by City. City shall grant such authorization if disclosure is required by law. All City data shall be returned to City upon the termination of this Agreement. Consultant's covenant under this Section shall survive the termination of this Agreement.

2.0. COMPENSATION AND BILLING

2.1. Compensation. Consultant shall be paid in accordance with the fee schedule set forth in Exhibit "A". Consultant's total compensation shall not exceed One-million six hundred twenty-five thousand Dollars $1,625,000 ($325,000 per Fiscal Year)), unless authorized herein.

2.2. Additional Services. Consultant shall not receive compensation for any services provided outside the scope of services specified in the Consultant's Proposal or which is inconsistent with or in violation of the provisions of this Agreement unless the City or the Project Manager for this Project, prior to Consultant performing the additional services, approves such additional services in writing. It is specifically understood that oral requests and/or approvals of such additional services or additional compensation shall be barred and are unenforceable. Should the City request in writing additional services that increase the hereinabove described "Scope of Services", an additional fee based upon the Consultant's standard hourly rates shall be paid to the Consultant for such additional services. Such increase in additional fees shall be limited to 10% of the total contract sum. The City Administrator is authorized to approve a Change Order for such additional services. Where the original contract is $40,000.00 or less, City Council approval shall be required prior to any increase bringing the total compensation to more than $40,000.00.

2.3. Method of Billing. Consultant may submit invoices to the City for approval on a progress basis, but no more often than two times a month. Said invoice shall be based on the total of all Consultant's services which have been completed to City's sole satisfaction. City shall pay Consultant's invoice within forty-five (45) days from the date City receives said invoice. Each invoice shall describe in detail the services performed, the date of performance, and the associated time for completion. Any additional services approved and performed pursuant to this Agreement shall be designated as "Additional Services" and shall identify the number of the authorized change order, where applicable, on all invoices.

2.4. Records and Audits. Records of Consultant's services relating to this Agreement shall be maintained in accordance with generally recognized accounting principles and shall be made available to City or its Project Manager for inspection and/or audit at mutually convenient times for a period of three (3) years from the Effective Date.

3.0. TIME OF PERFORMANCE

3.1. Commencement and Completion of Work. The professional services to be performed pursuant to this Agreement shall commence within five (5) days from the Effective Date of this Agreement. Said services shall be performed in strict compliance with the Project Schedule approved by City as set forth in Exhibit "A".

3.2. Excusable Delays. Neither party shall be responsible for delays or lack of performance resulting from acts beyond the reasonable control of the party or parties. Such acts shall include, but not be limited to, acts of God, fire, strikes, material shortages, compliance with laws or regulations, riots, acts of war, or any other conditions beyond the reasonable control of a party. If a delay beyond the control of the Consultant is encountered, a time extension may be mutually agreed upon in writing by the City and the Consultant. The Consultant shall present documentation satisfactory to the City to substantiate any request for a time extension.

4.0. TERM AND TERMINATION

4.1. Term. This Agreement shall commence on the Effective Date and continue for a period of 60 months, ending on June 30, 2031, unless previously terminated as provided herein or as otherwise agreed to in writing by the parties. This Agreement may also be extended for two additional one-year terms by the City Administrator or designee based on the City's sole discretion..

4.2. Notice of Termination. The City reserves and has the right and privilege of canceling, suspending, or abandoning the execution of all or any part of the work contemplated by this Agreement, with or without cause, at any time, by providing at least fifteen (15) days prior written notice to Consultant. The termination of this Agreement shall be deemed effective upon receipt of the notice of termination. In the event of such termination, Consultant shall immediately stop rendering services under this Agreement unless directed otherwise by the City. If the City suspends, terminates, or abandons a portion of this Agreement such suspension, termination, or abandonment shall not make void or invalidate the remainder of this Agreement.

If the Consultant defaults in the performance of any of the terms or conditions of this Agreement, it shall have ten (10) days after service upon it of written notice of such default in which to cure the default by rendering a satisfactory performance. In the event that the Consultant fails to cure its default within such period of time, the City shall have the right, notwithstanding any other provision of this Agreement, to terminate this Agreement without further notice and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement.

The City shall have the right, notwithstanding any other provisions of this Agreement, to terminate this Agreement, at its option and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement, immediately upon service of written notice of termination on the Consultant, if the latter should:

a. Be adjudged a bankrupt;

b. Become insolvent or have a receiver of its assets or property appointed because of insolvency;

c. Make a general assignment for the benefit of creditors;

d. Default in the performance of any obligation or payment of any indebtedness under this Agreement;

e. Suffer any judgment against it to remain unsatisfied or unbonded of record

for thirty (30) days or longer; or

f. Institute or suffer to be instituted any procedures for reorganization or rearrangement of its affairs.

4.3. Compensation. In the event of termination, City shall pay Consultant for reasonable costs incurred and professional services satisfactorily performed up to and including the date of City's written notice of termination within thirty-five (35) days after service of the notice of termination. Compensation for work in progress shall be prorated based on the percentage of work completed as of the effective date of termination in accordance with the fees set forth herein. In ascertaining the professional services actually rendered hereunder up to the effective date of termination of this Agreement, consideration shall be given to both completed work and work in progress, to complete and incomplete drawings, and to other documents pertaining to the services contemplated herein whether delivered to the City or in the possession of the Consultant. City shall not be liable for any claim of lost profits.

4.4. Documents. In the event of termination of this Agreement, all documents prepared by Consultant in its performance of this Agreement including, but not limited to, finished or unfinished design, development and construction documents, data studies, drawings, maps, and reports, shall be delivered to the City within ten (10) days of delivery of termination notice to Consultant, at no cost to City. Any use of uncompleted documents without specific written authorization from Consultant shall be at City's sole risk and without liability or legal expense to Consultant.

5.0. INSURANCE

5.1. Insurance. The Consultant and all subcontractors, if any, shall procure and maintain, at its sole cost and expense, in a form and content satisfactory to City, during the entire term of this Agreement, including any extension thereof, insurance as set forth in Exhibit "B" attached hereto and incorporated herein by this reference.

Neither the City nor any of its officers, officials, agents, employees, or volunteers makes any representation that the types of insurance and the limits specified to be carried by Consultant under this Agreement are adequate to protect Consultant. If Consultant believes that any such insurance coverage is insufficient, Consultant shall provide, at its own expense, such additional insurance as Consultant deems adequate.

5.2. Deductible or Self-Insured Retention. If any of such policies provide for a deductible or self-insured retention to provide such coverage, the amount of such deductible or self-insured retention shall be approved in advance by City. No policy of insurance issued as to which the City is an additional insured shall contain a provision which requires that no insured except the named insured can satisfy any such deductible or self-insured retention.

5.3. Certificates of Insurance. Consultant shall provide to City certificates of insurance showing the insurance coverages, as well as providing the City with the required endorsements in a form and content approved by City, prior to performing any services under this Agreement. The certificates of insurance and endorsements shall be attached hereto as Exhibit "C" and incorporated herein by this reference.

5.4. Non-limiting. Nothing in this Section shall be construed as limiting in any way, the

indemnification provision contained in this Agreement, or the extent to which Consultant may be held responsible for payments of damages to persons or property.

6.0. GENERAL PROVISIONS

6.1. Entire Agreement. This Agreement constitutes the entire agreement between the parties with respect to any matter referenced herein and supersedes any and all other prior writings and oral negotiations. This Agreement may be modified only in writing and signed by the parties in interest at the time of such modification. The terms of this Agreement shall prevail over any inconsistent provision in any other contract document appurtenant hereto, including exhibits to this Agreement.

6.2. Representatives. The City Administrator or his or her designee shall be the representative of City for purposes of this Agreement and may issue all consents, approvals, directives, and agreements on behalf of the City, called for by this Agreement, except as otherwise expressly provided in this Agreement.

Consultant shall designate a representative for purposes of this Agreement who shall be authorized to issue all consents, approvals, directives, and agreements on behalf of Consultant called for by this Agreement, except as otherwise expressly provided in this Agreement.

6.3. Project Managers. City shall designate a Project Manager to work directly with Consultant in the performance of this Agreement. It shall be the Consultant's responsibility to assure that the Project Manager is kept informed of the progress of the performance of the services and the Consultant shall refer any decision, which must be made by City, to the Project Manager. Unless otherwise specified herein, any approval of City required hereunder shall mean the approval of the Project Manager.

Consultant shall designate a Project Manager who shall represent it and be its agent in all consultations with City during the term of this Agreement and who shall not be changed by Consultant without the express written approval by the City. Consultant or its Project Manager shall attend and assist in all coordination meetings called by City.

6.4. Notices. Any notices, documents, correspondence, or other communications concerning this Agreement or the work hereunder may be provided by personal delivery, facsimile or if mailed, shall be addressed as set forth below and placed in a sealed envelope, postage prepaid, and deposited in the United States Postal Service. Such communication shall be deemed served or delivered: a) at the time of delivery if such communication is sent by personal delivery; b) at the time of transmission if such communication is sent by facsimile; and c) 72 hours after deposit in the U.S. Mail as reflected by the official U.S. postmark if such communication is sent through regular United States mail.

6.5. Attorneys' Fees. In the event that litigation is brought by any party in connection with this Agreement, the prevailing party shall be entitled to recover from the opposing party all costs and expenses, including reasonable attorneys' fees, incurred by the prevailing party in the exercise of any of its rights or remedies hereunder or the enforcement of any of the terms, conditions, or provisions hereof.

6.6. Governing Law. This Agreement shall be governed by and construed under the laws of the State of California without giving effect to that body of laws pertaining to conflict of laws. In the event of any legal action to enforce or interpret this Agreement, the parties hereto agree that the sole and exclusive venue shall be a court of competent jurisdiction located in Orange County, California. Consultant agrees to submit to the personal jurisdiction of such court in the event of such action.

6.7. Assignment. Consultant shall not voluntarily or by operation of law assign, transfer, sublet, or encumber all or any part of Consultant's interest in this Agreement without City's prior written consent. Any attempted assignment, transfer, subletting, or encumbrance shall be void and shall constitute a breach of this Agreement and cause for termination of this Agreement. Regardless of City's consent, no subletting or assignment shall release Consultant of Consultant's obligation to perform all other obligations to be performed by Consultant hereunder for the term of this Agreement.

6.8. Indemnification and Hold Harmless. Consultant agrees to protect, defend, indemnify, and hold free and harmless the City, its officers, officials, agents, employees, and volunteers, at Consultant's sole expense, from and against any and all claims, liabilities, demands, actions, expenses, damages, suits or other legal proceedings brought against the City, its officers, officials, agents, employees, and volunteers arising out of or in any way connected with the performance of the Consultant, its employees, and/or authorized subcontractors' work undertaken pursuant to this Agreement including all acts or omissions, willful misconduct or negligent conduct, whether active or passive, on the part of the Consultant, its employees and/or subcontractors. The defense obligation provided for hereunder shall apply whenever any claim, action, complaint or suit asserts liability against the City, its officers, officials, agents, employees, and volunteers based upon the work performed by the Consultant, its employees, and/or authorized subcontractors under this Agreement, whether or not the Consultant, its employees, and/or authorized subcontractors are specifically named or otherwise asserted to be liable, and whether or not there is any evidence of fault or wrongdoing by the Consultant, its employees and/or its subcontractors. Notwithstanding the foregoing, the Consultant shall not be liable for the defense or indemnification of the City for claims, actions, complaints or suits arising out of the sole active negligence or willful misconduct of the City. This provision shall supersede and replace all other indemnity provisions contained either in the City's specifications or Consultant's Proposal, which shall be of no force and effect.

6.9. Independent Contractor. Consultant is and shall be acting at all times as an independent contractor and not as an employee of City. Consultant shall have no power to incur any debt, obligation, or liability on behalf of City or otherwise act on behalf of City as an agent. Neither City nor any of its agents shall have control over the conduct of Consultant or any of Consultant's employees, except as set forth in this Agreement. Consultant shall not, at any time,

or in any manner, represent that it or any of its or employees are in any manner agents or employees of City. Consultant shall secure, at its sole expense, and be responsible for any and all payment of Income Tax, Social Security, State Disability Insurance Compensation, Unemployment Compensation, and other payroll deductions for Consultant and its officers, agents, and employees, and all business licenses, if any are required, in connection with the services to be performed hereunder. Consultant shall indemnify and hold City harmless from any and all taxes, assessments, penalties, and interest asserted against City by reason of the independent contractor relationship created by this Agreement. Consultant further agrees to indemnify and hold City harmless from any failure of Consultant to comply with the applicable worker's compensation laws. City shall have the right to offset against the amount of any fees due to Consultant under this Agreement any amount due to City from Consultant as a result of Consultant's failure to promptly pay to City any reimbursement or indemnification arising under this paragraph.

6.10. PERS Eligibility Indemnification. In the event that Consultant or any employee, agent, or subcontractor of Consultant providing services under this Agreement claims or is determined by a court of competent jurisdiction or the California Public Employees Retirement System (PERS) to be eligible for enrollment in PERS as an employee of the City, Consultant shall indemnify, defend, and hold harmless City for the payment of any employee and/or employer contributions for PERS benefits on behalf of Consultant or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of City.

Notwithstanding any other agency, State, or Federal policy, rule, regulation, law, or ordinance to the contrary, Consultant and any of its employees, agents, and subcontractors providing service under this Agreement shall not qualify for or become entitled to, and hereby agree to waive any claims to, any compensation, benefit, or any incident of employment by City, including but not limited to eligibility to enroll in PERS as an employee of City and entitlement to any contribution to be paid by City for employer contribution and/or employee contributions for PERS benefits.

6.11. Cooperation. In the event any claim or action is brought against City relating to Consultant's performance or services rendered under this Agreement, Consultant shall render any reasonable assistance and cooperation which City might require.

6.12. Ownership of Documents. All findings, reports, documents, information, and data including, but not limited to, computer tapes or discs, preliminary notes, working documents, files, and tapes furnished or prepared by Consultant or any of its subcontractors in the course of performance of this Agreement, shall be and remain the sole property of City. Consultant agrees that any such documents or information shall not be made available to any individual or organization without the prior consent of City but shall be made available to the City within ten (10) days of request or within ten (10) days of termination. Any use of such documents for other projects not contemplated by this Agreement, and any use of incomplete documents, shall be at the sole risk of City and without liability or legal exposure to Consultant. City shall indemnify and hold harmless Consultant from all claims, damages, losses, and expenses, including attorneys' fees, arising out of or resulting from City's use of such documents for other projects not contemplated by this Agreement or use of incomplete documents furnished by Consultant. Consultant shall deliver to City any findings, reports, documents, information, data, preliminary notes and working documents, in any form, including but not limited to, computer tapes, discs, files audio tapes, or any other Project related items as requested by City or its authorized

representative, at no additional cost to the City. Consultant or Consultant's agents shall execute such documents as may be necessary from time to time to confirm City's ownership of the copyright in such documents.

6.13. Public Records Act Disclosure. Consultant has been advised and is aware that this Agreement and all reports, documents, information, and data, including, but not limited to, computer tapes, discs, or files furnished or prepared by Consultant, or any of its subcontractors, pursuant to this Agreement and provided to City may be subject to public disclosure as required by the California Public Records Act (California Government Code Section 7920.000 *et seq*.). Exceptions to public disclosure may be those documents or information that qualify as trade secrets, as that term is defined in the California Government Code Section 7924.510, and of which Consultant informs City of such trade secret. The City will endeavor to maintain as confidential all information obtained by it that is designated as a trade secret. The City shall not, in any way, be liable or responsible for the disclosure of any trade secret including, without limitation, those records so marked if disclosure is deemed to be required by law or by order of the Court.

6.14. Conflict of Interest. Consultant and its officers, employees, associates, and subconsultants, if any, will comply with all conflict of interest statutes of the State of California applicable to Consultant's services under this agreement, including, but not limited to, the Political Reform Act (Government Code Sections 81000, *et seq*.) and Government Code Section 1090. During the term of this Agreement, Consultant and its officers, employees, associates, and subconsultants shall not, without the prior written approval of the City Representative, perform work for another person or entity for whom Consultant is not currently performing work that would require Consultant or one of its officers, employees, associates, or subconsultants to abstain from a decision under this Agreement pursuant to a conflict of interest statute. Consultant's duties and services under this Agreement shall not include preparing or assisting the City with any portion of the City's preparation of a request for proposals, request for qualifications, or any other solicitation regarding a subsequent or additional contract with the City. The City shall at all times retain responsibility for public contracting, including with respect to any subsequent phase of this project. Consultant's participation in the planning, discussions, or drawing of project plans or specifications shall be limited to conceptual, preliminary, or initial plans or specifications. Consultant shall cooperate with the public entity to ensure that all bidders for a subsequent contract on any subsequent phase of this project, if any, have access to the same information, including all conceptual, preliminary, or initial plans or specifications prepared by Consultant pursuant to this Agreement.

6.15. Responsibility for Errors. Consultant shall be responsible for its work and results under this Agreement. Consultant, when requested, shall furnish clarification and/or explanation as may be required by the City's representative, regarding any services rendered under this Agreement at no additional cost to City. In the event that an error or omission attributable to Consultant occurs, then Consultant shall, at no cost to City, provide all necessary design drawings, estimates, and other Consultant professional services necessary to rectify and correct the matter to the sole satisfaction of City and to participate in any meeting required with regard to the correction.

6.16. Prohibited Employment. Consultant will not employ any regular employee of City while this Agreement is in effect.

6.17. Order of Precedence. In the event of an inconsistency in this Agreement and any

of the attached Exhibits, the terms set forth in this Agreement shall prevail. If, and to the extent this Agreement incorporates by reference any provision of any document, such provision shall be deemed a part of this Agreement. Nevertheless, if there is any conflict among the terms and conditions of this Agreement and those of any such provision or provisions so incorporated by reference, the conflict shall be resolved by giving precedence in the following order, if applicable: This Agreement, the City's Request for Proposals, the Consultant's Proposal.

6.18. Costs. Each party shall bear its own costs and fees incurred in the preparation and negotiation of this Agreement and in the performance of its obligations hereunder except as expressly provided herein.

6.19. No Third Party Beneficiary Rights. This Agreement is entered into for the sole benefit of City and Consultant and no other parties are intended to be direct or incidental beneficiaries of this Agreement and no third party shall have any right in, under or to this Agreement.

6.20. Headings. Paragraphs and subparagraph headings contained in this Agreement are included solely for convenience and are not intended to modify, explain or to be a full or accurate description of the content thereof and shall not in any way affect the meaning or interpretation of this Agreement.

6.21. Construction. The parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises with respect to this Agreement, this Agreement shall be construed as if drafted jointly by the parties and in accordance with its fair meaning. There shall be no presumption or burden of proof favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement.

6.22. Amendments. Only a writing executed by the parties hereto or their respective successors and assigns may amend this Agreement.

6.23. Waiver. The delay or failure of either party at any time to require performance or compliance by the other of any of its obligations or agreements shall in no way be deemed a waiver of those rights to require such performance or compliance. No waiver of any provision of this Agreement shall be effective unless in writing and signed by a duly authorized representative of the party against whom enforcement of a waiver is sought. The waiver of any right or remedy in respect to any occurrence or event shall not be deemed a waiver of any right or remedy in respect to any other occurrence or event, nor shall any waiver constitute a continuing waiver.

6.24. Severability. If any provision of this Agreement is determined by a court of competent jurisdiction to be unenforceable in any circumstance, such determination shall not affect the validity or enforceability of the remaining terms and provisions hereof or of the offending provision in any other circumstance. Notwithstanding the foregoing, if the value of this Agreement, based upon the substantial benefit of the bargain for any party, is materially impaired, which determination made by the presiding court or arbitrator of competent jurisdiction shall be binding, then both parties agree to substitute such provision(s) through good faith negotiations.

6.25. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original. All counterparts shall be construed together and shall constitute one agreement.

6.26. Corporate Authority. The persons executing this Agreement on behalf of the parties hereto warrant that they are duly authorized to execute this Agreement on behalf of said parties and that by doing so the parties hereto are formally bound to the provisions of this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by and through their respective authorized officers, as of the date first above written.

INSURANCE REQUIREMENTS

A. Minimum Scope and Limits of Insurance City reserves the right to review any and all of the required insurance policies and/or endorsements, but has no obligation to do so. Failure to demand evidence of full compliance with the insurance requirements set forth in this Agreement or failure to identify any insurance deficiency shall not relieve Consultant from, nor be construed or deemed a waiver of, its obligation to maintain the required insurance at all times during the performance, including any extension thereof, of this Agreement. Consultant shall obtain, maintain, and keep in full force and effect during the life of this Agreement, including any extension thereof, all of the following minimum scope of insurance coverages:

1. Commercial General Liability Insurance Broad-form commercial general liability, with coverage at least as broad as the most current version of ISO Commercial General Liability coverage form CG 00 01, in a form at least as broad as ISO form CG 00 01 04 13, and shall include insurance for premises and operations, products/completed operations, broad form property damage, blanket contractual liability, independent contractors, personal injury or bodily injury, and personal and advertising injury with a policy limit of not less than Two Million Dollars ($2,000,000.00) per occurrence and Four Million Dollars ($4,000,000.00) general aggregate. The aggregate limit, encompassing the above coverage, shall apply separately to this project/location. If Consultant maintains higher limits than the specified minimum limits, City requires and shall be entitled to coverage for the higher limits maintained by the Consultant.

2. Business Automobile Liability Insurance Business automobile liability for all owned, hired, leased, and non-owned vehicles at least as broad as the most current version of ISO Business Auto Coverage Form CA 00 01, with a policy limit of not less than Two Million Dollars ($2,000,000.00) combined single limit per accident. If Consultant maintains higher limits than the specified minimum limits, City requires and shall be entitled to coverage for the higher limits maintained by the Consultant.

3. Workers' Compensation and Employer's Liability Insurance Workers' compensation insurance as required by the State of California and Employer's Liability Insurance with a minimum limit of One Million Dollars ($1,000,000.00) per accident for any employee or employees of Consultant. Consultant agrees to waive and to obtain endorsements from its workers' compensation insurer waiving subrogation rights under its workers' compensation insurance policy against the City, its officers, officials, agents, employees, and volunteers for losses arising from work performed by Consultant for the City and to require each of its subcontractors, if any, to do likewise under their workers' compensation insurance policies. The Consultant shall also comply with Section 3800 of the Labor Code by securing, paying for, and maintaining in full force and effect for the duration of this Agreement, complete workers' compensation insurance, and shall furnish a certificate of insurance to the Project Manager before execution of this Agreement by the City. The City, its officers, officials, agents, employees, and volunteers shall not be responsible for any claims in law or equity occasioned by failure of the Consultant to comply with this Section.

4. Standards for Insurance Companies All insurance policies shall be issued by an

insurance company currently authorized by the Insurance Commission to transact business of insurance or is on the List of Approved Surplus Line Insurers in the State of California, with an assigned policyholders' rating of A- (or higher) and Financial Size Category Class VII (or larger) in accordance with the latest edition of Best's Key Rating Guide.

B. Documentation and Other Provisions

1. The commercial general liability insurance policy and business automobile liability policy shall be endorsed to contain the following: The City of Placentia, its officers, officials, agents, employees, and volunteers are additional insureds with respect to: liability arising out of activities performed by or on behalf of the Consultant pursuant to its contract with the City; products and completed operations of the Consultant; premises owned, occupied, or used by the Consultant; and automobiles owned, leased, hired, or borrowed by the Consultant. General liability coverage can be provided in the form of an endorsement to the Contractor's insurance at least as broad as one of the following ISO ongoing operations forms: CG 20 10 or CG 20 26 or CG 20 33 (not allowed from subcontractors), or CG 20 38; and one of the following ISO completed operations forms: CG 20 37, 2039 (not allowed from subcontractors), or CG 20 40.

2. Said policies shall not terminate, nor shall they be cancelled or coverage reduced, without at least thirty (30) days' written notice to the City. In the event of any cancellation or reduction in coverage or limits of any insurance, Consultant shall forthwith obtain and submit proof of substitute insurance. Should Consultant fail to immediately procure other insurance, as specified, to substitute for any cancelled policy or reduction in the required coverage limits, the City may procure such insurance at Consultant's sole cost and expense.

3. The Consultant's insurance coverage shall be primary insurance coverage at least as broad as ISO CG 20 01 04 13 as respects the City of Placentia, its officers, officials, agents, employees, and volunteers. Any other insurance maintained by the City of Placentia shall be excess and not contributing with the insurance provided by this policy.

4. Any failure to comply with the reporting provisions of the policies shall not affect coverage provided to the City of Placentia, its officers, officials, agents, employees, and volunteers. Defense fees and costs shall not deplete the limits of any insurance provided under this Agreement.

5. The Consultant's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

6. Consultant shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Consultant shall ensure the City is an additional insured on insurance required from subcontractors.

7. Consultant agrees to waive, and to obtain endorsements from insurers waiving, subrogation rights against the City, its officers, agents, employees, and volunteers for losses arising from work performed by Consultant for the City and to require each of its subcontractors, if any, to do likewise under their insurance policies.

8. Coverage shall be on a standard occurrence form. Claims-made forms are not acceptable. Modified, limited, or restricted occurrence forms are not acceptable.

SECTION 1

May 15, 2026

Joseph Lambert
Development Services Director
City of Placentia
401 E Chapman Avenue
Placentia, CA 92870

Subject: RFP for On-Call Building Services (Plan Check and Inspection Services)

Dear Mr. Lambert,

CSG Consultants, Inc. (CSG) would like to thank the City of Placentia (City) for the opportunity to submit our proposal for On-Call Building Plan Check and Inspection Services. We understand the City is seeking support for plan check and inspection services—resources that can act as a seamless extension of the City and work in concert with the City's Building Official and staff. CSG offers a deep pool of experienced building personnel the City can utilize to address overflow work during periods of high-volume permit activity. To this work, CSG offers:

- *A large and experienced on-call team committed to delivering thorough, accurate, and timely services.*
- *Technical expertise to move projects forward, coupled with the specialized expertise to thoroughly address the nuances of complex projects.*
- *Proven electronic plan submission, distribution, and plan review services as well as web-based status reporting.*
- *Providing all vehicles, fuel, maintenance, and other equipment necessary for inspectors to carry out duties, at no additional cost to the City.*
- *Familiarity with the City and a thorough understanding of applicable codes and local ordinances having provided building services to the City since 2020.*

CSG's building and safety staff are registered engineers and/or ICC certified, with additional qualifications including CBO and CASp experience and certification. Our plan reviewers, building inspectors, and permit technicians have a wide range of project experience, and many are cross-trained in multiple service levels, providing the City with efficient services and the ability to respond to its fluctuating needs.

For more than 35 years (since 1991), CSG has worked solely for public agencies, providing a wide range of municipal services to over 250 cities, counties, and special service districts across California. We serve as a seamless extension of municipal staff in delivery of our building department administration, plan review, inspection, code enforcement, planning and environmental, public works, and a host of additional services.

Our regional office is in Irvine, and we can be available for meetings at the City's offices when requested. Eric Haghani will serve as the primary contact, and his contact information is as follows:

> **Eric Haghani, MS, PE, SE, CBO** | *Vice President of Building Services*
> 714.568.1010 *phone* | 714.568.1028 *fax* | erich@csgengr.com *email*

Please feel free to contact Mr. Haghani with any questions or comments you may have regarding our proposal. As Vice President, I am authorized to negotiate and bind CSG to a contract and affirm our proposal is valid for at least 120 days after the date of submittal. CSG looks forward to the opportunity to provide building services to the City and to continue serving the community of Placentia together.

Sincerely,

Khoa Duong, PE
Vice President, Building Services

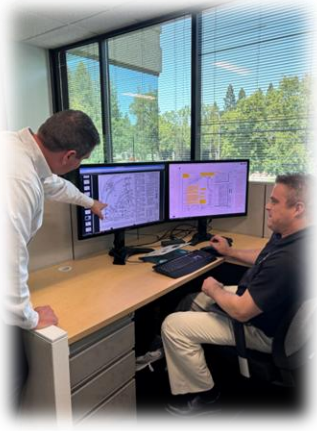
Schedule of Performance

SECTION 2

SCOPE OF WORK

Based on the scope of work, CSG understands the City is seeking to utilize consultants for building plan review and inspection services to keep pace with the increase in development activity in the City. With the recent approval of several large projects, additional resources will help the City maintain expected turnaround times, conduct inspections in a timely manner, and uphold the City's customer service standards. CSG can readily provide a deep pool of building resources, including plan reviewers, building inspectors, and permit technicians at the front counter.

CSG's proposed team has been selected to best support the specific needs of the City and will deliver exceptional service through its application of technical expertise, knowledge of municipal processes and procedures, efficient and effective customer care, and application of code compliance combined with innovative and helpful alternatives. Working under the direction of the City's Building Official, plan review staff coordinate activities with permit technicians and inspectors in the field to assure code compliance and to communicate pertinent information to all parties involved. From providing leading-edge digital plan review and online plan check status reporting to delivering faster-than-scheduled turnaround times and code interpretations, CSG will deliver the highest quality services to the City. CSG's approach to work includes the following methodologies and key benefits:



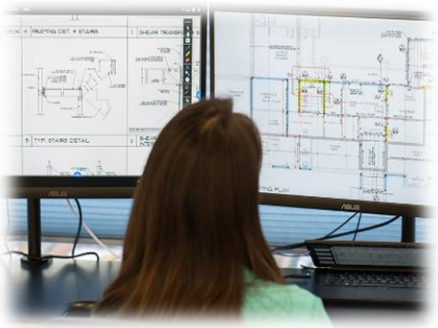
- ***A wealth of fully committed and qualified personnel.*** *We maintain staff that are fully licensed and certified at the highest level of industry standards. To keep our personnel on the industry's leading edge, many serve as instructors and lecturers and sit on boards and committees for organizations developing and implementing important code regulations. We also keep current with the latest in procedures and use of products by attending regional, state and national training opportunities and industry provided product/materials training.*
- ***Customized, responsive services.*** *We are skilled at assessing time commitments, developing accurate work plans and applying dedicated, professional personnel with the skills and experience best-suited for the project. We can quickly fine-tune staffing levels to match or adjust to changes in plan review, inspection, and front counter activity and ensure responsiveness to customers. With our digital plan review capabilities, we are able to utilize plan review resources from any of our regional offices. In addition, we excel at coordinating with all agency departments as well as outside agencies.*
- ***Rapid turnarounds and expedited services.*** *With extensive experience in both code application and the digital plan review process, our staff excels at performing expeditious turnarounds while delivering thorough and accurate reviews. We easily match and more often beat any required review turnaround deadlines.*
- ***Leading-edge, cost-saving technology and methods.*** *CSG delivers a suite of digital options—speedy digital plan reviews and electronic versions of plan comments; an easy-to-use online application for plan submittal, tracking, and approval of digital plans; and available full scanning and archiving services. In addition, through knowledge gained from service to over 250 public agencies, we are constantly improving and adapting to provide our clients with the most cost-effective services.*

BUILDING PLAN REVIEW SERVICES

Our team of professionals is ready to assist in all aspects of plan review and to focus on the special needs and requirements of each of our clients. We pledge thorough and accurate reviews and prompt turnaround times and offer proven digital plan review services and comprehensive online status reports. CSG serves as an active partner, working as a seamless extension of our public agency clients in performing the requested services and working closely with the development community and public as directed.

Compliance Standards

Our engineers and plan reviewers carefully review all plans and documents for compliance with building codes, fire codes, energy conservation standards, and accessibility regulations adopted by the State of California, and all local policies and ordinances including but not limited to:



- *California Building Code, Volumes 1 and 2*
- *California Residential Code*
- *California Electrical Code*
- *California Plumbing Code*
- *California Mechanical Code*
- *California Fire Code*
- *California Energy Code*
- *California Green Building Standards Code (CALGreen)*
- *California Existing Building Code*
- *California Health and Safety Code*
- *National Fire Protection Association (NFPA) Standards as adopted and referenced by the State of California (California Code of Regulations, Title-19)*
- *State Historical Building Code*
- *NPDES/WQMP/SWPPP Compliance*
- *Local adopted ordinances and amendments relative to building, fire and municipal codes, including project Conditions of Approval from other agency departments, divisions, and regulating agencies*

On-Site Plan Review Services

Drawing from a large team of experienced plan reviewers, CSG has the ability to provide the City with temporary, as-needed, on-site plan review staffing during periods in which City staff is on vacation, ill, or otherwise not able to perform services.

Digital Plan Review

CSG has been providing digital plan review services for over 20 years, leading the consultant field with this ground-breaking service. All paper plans submitted to CSG for building and fire plan review are immediately scanned into digital files and stored on CSG's servers for quick and easy access by both our clients and our plan reviewers.

Leading the field in digital plan review services for more than 20 years.

Our plan reviewers furnish electronic versions of their plan comments conforming to each client's established correction list

templates. Any additional forms utilized by the agency will be incorporated into the correction comments and returned with the appropriate recommendations.

Plan check comments can be delivered electronically by email or other agency-approved means, enabling staff to immediately modify CSG's checklist for incorporation with other department comments. We provide convenient, environmentally friendly digital storage of all construction-related documents, and on request, can provide clients with a set of digitally scanned plans at no additional cost.

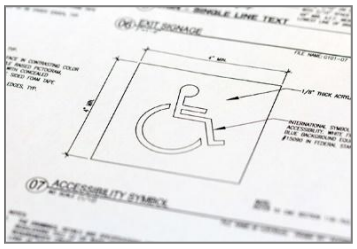
In addition, for jurisdictions requesting a pure digital plan review workflow, we can enable an applicant to submit digital files—**with no size limitations**—directly to CSG via our web-based application. Our application includes an online portal for the applicant/jurisdiction to retrieve comments and marked-up digital plans including redlines. Importantly, this service tracks the status of all submittals and re-submittals until the plans have been approved.

Key features of our digital plan review service include:

- ***Efficient.*** *Plans are pushed to plan review staff the same day they are received.*
- ***User-friendly.*** *CSG developed its own online portal specifically to manage the electronic file submittal process. Through use of this interface, the applicant is no longer faced with size restrictions on email attachments or required to learn complex file transfer settings.*
- ***Proven.*** *We have provided a digital plan review option to our clients for over 20 years.*
- ***Non-Proprietary.*** *CSG's electronic review process is 100% PDF-based with no additional software required to view redlines.*

Online Plan Check Status

CSG offers a convenient service allowing clients to check plan review status and comments online. By accessing our secure Plan Check Status website, agency staff as well as authorized applicants can view their project documents and plans and communicate with the specific plan checker via e-mail. Staff and authorized applicants can download comments upon completion of the plan check.



Plans Pickup and Delivery

CSG will coordinate pickup and delivery of plans and other materials from/to the agency via CSG personnel or an approved alternative service.

Green Building and LEED Accreditation

Our Building Division team is experienced in plan review and inspection for compliance with CALGreen and local green building ordinances and includes LEED Accredited Professionals. In addition, CSG Consultants has the qualifications necessary to assist with both the development of policy and the implementation of green and sustainable building practices. CSG's Sustainability Programs division can assist, for example, with construction and demolition debris recycling programs and public outreach to the building industry.

CASp Review Services

We understand California Building Departments are required to have CASp certified staff in place and available for technical questions and interpretations. Our CASp certified team members are knowledgeable of state and federal accessibility laws and regulations and possess the expertise necessary to promote access to facilities for people with disabilities. In accordance with current regulations, CSG can provide CASp certified professionals to review plans for accessibility and to facilitate compliance with regulations when requested.

BUILDING PLAN CHECK TURNAROUND TIMES

CSG strives to provide the highest quality and most timely service in the industry. We take pride in maintaining the requested review times for all our clients—even delivering faster than our own deadlines. Our goal is to approve code-complying projects and to move work quickly and successfully through jurisdictional processes. CSG will ensure that all building and safety duties and follow-up actions will be performed in a timely and responsive manner.

The following are CSG's proposed plan check turnaround times:

TYPE OF REVIEW	INITIAL REVIEW (BUSINESS DAYS)[2]	RE-CHECK (BUSINESS DAYS)[2]
Residential New Construction	10	5
Residential Additions	10	5
Small Residential Remodels	10	5
Commercial New Construction & Large/Complex Projects[1]	15	10
Commercial Additions	10	5
Small Commercial Remodels/Tenant Improvements	10	5
Residential Solar	7	5
Commercial Solar	10	5
Expedited[1]	5-10	5

[1]Turnaround time may vary with the complexity and magnitude of the project. If a review is anticipated to take longer than the maximum turnaround time, CSG will notify the City's representative and negotiate additional time required to ensure an appropriate level of review.

[2] The number of working days associated with the plan check turnaround time is based on time of project submittal. The first working day will be the day the project is received by CSG if submitted by 12:00 PM (Noon). For a project that is received by CSG after 12:00 PM, the first working day will be the next business day.

***Note:** Turnaround times for housing projects subject to State streamlining will comply with State law. This includes, but is not limited to, ADU's, SB 9 units, SB 35, by-right and ministerial housing projects.*

Expedited Plan Check Services

At the City's request, we can perform plan check services on an accelerated schedule based on the fees indicated in our fee schedule.

Office Hours and Meeting Availability

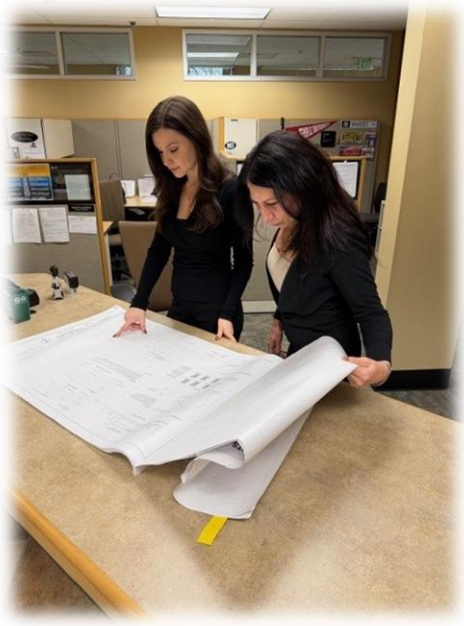
CSG plan checkers are available for inquiries anytime during normal business hours via phone or email, Monday through Friday. Our plan checkers can typically respond to the City for all questions or requests generated during any plan review on the same day, but no later than the following day a request is received. To assist the City, we can also meet in-person with City staff and project stakeholders or can utilize video conferencing with all parties involved.

Pre-Design Consultation

Additionally, we recognize the value of pre-design consultation with prospective applicants for large/complex projects and are available to provide this service at no additional cost. Our designated Project Manager and/or technical staff will be available in-person or virtually for consultation and meetings with a reasonable lead time.

BUILDING INSPECTION SERVICES

CSG provides fully integrated, multi-disciplined building inspection services for residential, commercial, and industrial projects. Our inspection personnel have an outstanding mixture of technical expertise and experience in all construction types. We provide experienced ICC certified inspectors who work with a team approach to ensure compliance with applicable codes and requirements and provide solutions to mitigate potential risks and safety hazards. Using well-honed customer service and communication skills our inspectors excel at educating stakeholders to keep projects moving forward. Our inspectors also utilize current technologies and equipment to view plans and documents, research related code requirements, document field conditions and progress, and share that information with stakeholders while in the field. Key services include but are not limited to the following:



CSG provides all vehicles, fuel, maintenance, and other equipment necessary for inspectors to carry out duties, with no additional charges.

- *Providing inspection services to ensure project compliance with State adopted codes and local amendments including building, electrical, mechanical and plumbing codes*
- *Offering code interpretation and education*
- *Seamlessly integrating into client organizations and consistently enforcing policies and procedures*
- *Addressing and resolving inquiries*
- *Maintaining records and files*
- *Providing all vehicles, fuel, maintenance and other equipment necessary for inspectors to carry out duties, at no additional cost to the City.*

Inspection Availability

CSG inspectors can be ready to provide services upon request to CSG's designated project manager. We are flexible and can alter our hours to meet the City's needs. Evening and weekend inspections for special construction needs can be accommodated with sufficient notice. CSG staff can typically respond to the City for all questions or requests generated during field inspections on the same day, but no later than the following day a request is received.

PERMIT TECHNICIAN SERVICES

CSG has highly qualified staff available to provide Permit Technician services. These frontline, first-response services are vital to the success of the entire building and safety permit process as they often set the tone for the applicant whether a homeowner, contractor, or design professional. CSG handpicks exceptionally qualified personnel who can function as seamless extensions of the agency's team, understand the importance of exemplary customer service, have knowledge of the inner workings of building departments and thorough familiarity with the building application and permit process.

CSG's permit processing staff are trained in customer service and helping to facilitate and expedite the permit process. Our staff members can perform quick assessments of each customer's needs and ensure that they are served appropriately.

They are familiar with State Contractors License Law and ensure that permits are issued to properly licensed contractors. CSG's permit technicians are also familiar with multiple permit software systems and will quickly gain proficiency with the software that has been customized for the City.

Our staff is knowledgeable and experienced with permit processing functions including:

- *Providing the public with appropriate forms and handouts*
- *Processing permit applications and issuing permits using the City's software*
- *Accepting plans, documents, structural calculations and energy reports for permit processing*
- *Routing plans to building and other departments and agencies*
- *Performing document control, ensuring permit file integrity, and maintaining status of plans and documents during the permit process*
- *Preparing plan check letters to be sent to applicants*
- *Assisting the public with completing applications and other required forms*
- *Preparing documents and reports; providing permit record materials requested from the public; researching and compiling documents for compliance with Public Records Act (PRA) requests*

Company Information

SECTION 3

FIRM OVERVIEW – CSG CONSULTANTS

CSG Consultants, Inc. (CSG) is an employee-owned California company with its local office located in Irvine with headquarters in Foster City, CA. Additional support is available from our regional offices in Sacramento, Pleasanton, San Jose, Newman, and Paso Robles. Founded in 1991, CSG performs work solely for public agencies, which eliminates the potential for conflicts of interest between developers and agencies. This allows us to focus exclusively on the needs of our municipal clients.

CSG is built on integrity, consistency, and accountability. To guarantee these core values are at the heart of every aspect of the work, all services are performed exclusively by CSG employees. All team members representing CSG are direct employees, receiving benefits and statutory protections, fully aligned with our values, trained to our standards, and committed to delivering quality without compromise***. CSG does not utilize independent contractors (also known as 1099 workers).***

BUILDING & SAFETY PROJECT EXPERIENCE AND REFERENCES

The following is a small sampling of projects for which members of CSG's proposed team members have provided building plan review and/or inspection services for.

PLAN REVIEW & INSPECTION SERVICES | CITY OF PLACENTIA, CA

Building Plan Review & Inspection

CSG has provided building plan review and inspection services for various residential, commercial, and industrial projects throughout the City of Placentia. A sampling of projects CSG has provided these services for in the community include:

- *Numerous residential additions, remodels, and conversions*
- *Solar reviews for residential and commercial roof mounted PV systems*
- *Dutch Bros Coffee: New 1,025 sq. ft. coffee stand with drive thru window and walk-up service.*
- *Mexico Supermarket: Tenant improvement that included a remodeling 4,173 sq. ft. existing market that included new installation of wood stud framing, an office, coffee station, and new walk-in cooler.*

THE HUB | CITY OF FULLERTON, CA

Building Plan Review

CSG is providing building plan review for "The Hub," a 420-unit, mixed-use development that replaces an existing commercial center in Fullerton, CA. The new development will feature retail, housing, residential amenities, and a garage. The multifamily component consists of studio to 4-bedroom units and townhomes, while the amenities include a pool, roof deck, fitness area and balconies. The project will have five levels of Type III-A construction above Type I-A podium.

HILTON WATERFRONT BEACH RESORT EXPANSION | CITY OF HUNTINGTON BEACH, CA

Building Plan Review & Inspection

CSG's staff provided Building Plan Review and Inspection services for the expansion of the Hilton Waterfront Beach Resort. The expansion included a nine-story tower providing a total of 156 new guestrooms with appurtenant facilities. It also includes approximately 13,700 sq. ft. of meeting space, full-service business center, casual dining restaurant, combined grocery/gift store, secondary retail/recreational services store, children's club providing supervised play, health spa, and a fitness facility.

PACIFIC CITY | CITY OF HUNTINGTON BEACH, CA

Building Plan Review & Inspection

CSG performed building plan review and inspection for the Pacific City development in Huntington Beach. Pacific City rests on a 31-acre piece of land fronting Pacific Coast Highway across from the Huntington Beach Pier. The project includes: Paséa, a luxury oceanfront hotel & spa; The Residences at Pacific City, a 516 "beach-luxe" apartment home complex; a 191,000 sq. ft. area with outdoor shopping, a fitness/spa facility, and restaurants; and an underground parking structure for visitors, and above-ground parking structure for the residents. The plan check and inspection process involved numerous permits, including new construction, tenant improvements, and others.

HOLLYWOOD PARK CASINO AND PARKING STRUCTURE | CITY OF INGLEWOOD, CA

Building Plan Review

CSG provided complete plan review for the new Hollywood Park Casino and associated parking structure. The plan review included: all interior walls and finishes, floor finishes, millworks and ceiling components; all MEP equipment; interior and exterior site lighting fixtures; under-slab and in-slab utilities, and slab on grade at food service areas, and telecommunication system. The casino component of the Hollywood Park redevelopment project consists of a new casino building and dedicated parking structure on a 10.6-acre parcel. The casino building includes an enclosed 110,000 sq. ft. single story tilt-up concrete structure approximately thirty-seven feet tall. The grand entry is a 33-foot-tall curtain wall fronted by a 10,000 sq. ft. porte-cochere. Several partially enclosed exterior verandas are also incorporated into the design. The adjacent parking structure provides approximately 1,430 parking spaces in four levels in addition to the approximately two hundred spaces of new surface parking. The project also included deferred submittals for the fire sprinkler system, fire alarm system, exterior monument signage, seismic MEP supports, low voltage and surveillance systems, stair, exterior curtain wall system, fences over 6'-0", exterior verandas, MEP components bracing, and interior architectural components bracing.

NEW SINGLE FAMILY RESIDENCE | CITY OF LAGUNA BEACH, CA

Building & Fire Plan Review

CSG provided building and fire plan review for a new 3-story, 7,535 sq. ft. single family residence in Laguna Beach, CA. The 5-bedroom, 5-bathroom house features a 2-car garage, kitchen, dining room, great room, theatre, laundry room, gym, steam/sauna room, game room, bar, and a 3-story deck.

BOLSA ROW | CITY OF WESTMINSTER, CA

Building Plan Review

CSG performed building plan check services for the Bolsa Row project which includes the following:

- ***Apartment Building & Parking Structure****. New 5-level, 200-unit apartment building with retail/restaurant spaces on 1st level. 2 internal courtyards with swimming pools and clubhouses. A 7-1/2 level concrete parking structure wraps around part of the building with direct access on each level.*
- ***Banquet Building****. New 3-level, mixed-use building including restaurants, shops, banquet rooms, kitchen, support areas, a rooftop lounge with bar and kitchen areas, and a bridge connecting to the hotel.*
- ***Hotel.*** *New 148 guestroom, 5-level hotel building with retail/shop, lobby/restaurant, and back-of-house. Basement level includes additional back-of-house with laundry service. 2nd level has event lawn with pool, hospitality suites, and a bridge connection to the Banquet Building.*

VARIOUS PLAN REVIEW | CITY OF BEVERLY HILLS, CA

Building Plan Review & Inspection

CSG performed building plan review and inspection services for City of Beverly Hills projects including:

- *Residential Plan Review for two-story single-family residence with attached porte cochere*
- *Plan Review for various tenant improvements*
- *Plan Review for a new three-story commercial building with automatic parking system*

BOLSA ROW | CITY OF WESTMINSTER, CA

Building Plan Review

CSG performed building plan check services for the Bolsa Row project which includes the following:

- ***Apartment Building & Parking Structure****. New 5-level, 200-unit apartment building with retail/restaurant spaces on 1st level. 2 internal courtyards with swimming pools and clubhouses. A 7-1/2 level concrete parking structure wraps around part of the building with direct access on each level.*

- ***Banquet Building**. New 3-level, mixed-use building including restaurants, shops, banquet rooms, kitchen, support areas, a rooftop lounge with bar and kitchen areas, and a bridge connecting to the hotel.*
- ***Hotel.** New 148 guestroom, 5-level hotel building with retail/shop, lobby/restaurant, and back-of-house. Basement level includes additional back-of-house with laundry service. 2nd level has event lawn with pool, hospitality suites, and a bridge connection to the Banquet Building.*

AVION BUSINESS PARK | CITY OF BURBANK, CA

Structural Plan Review

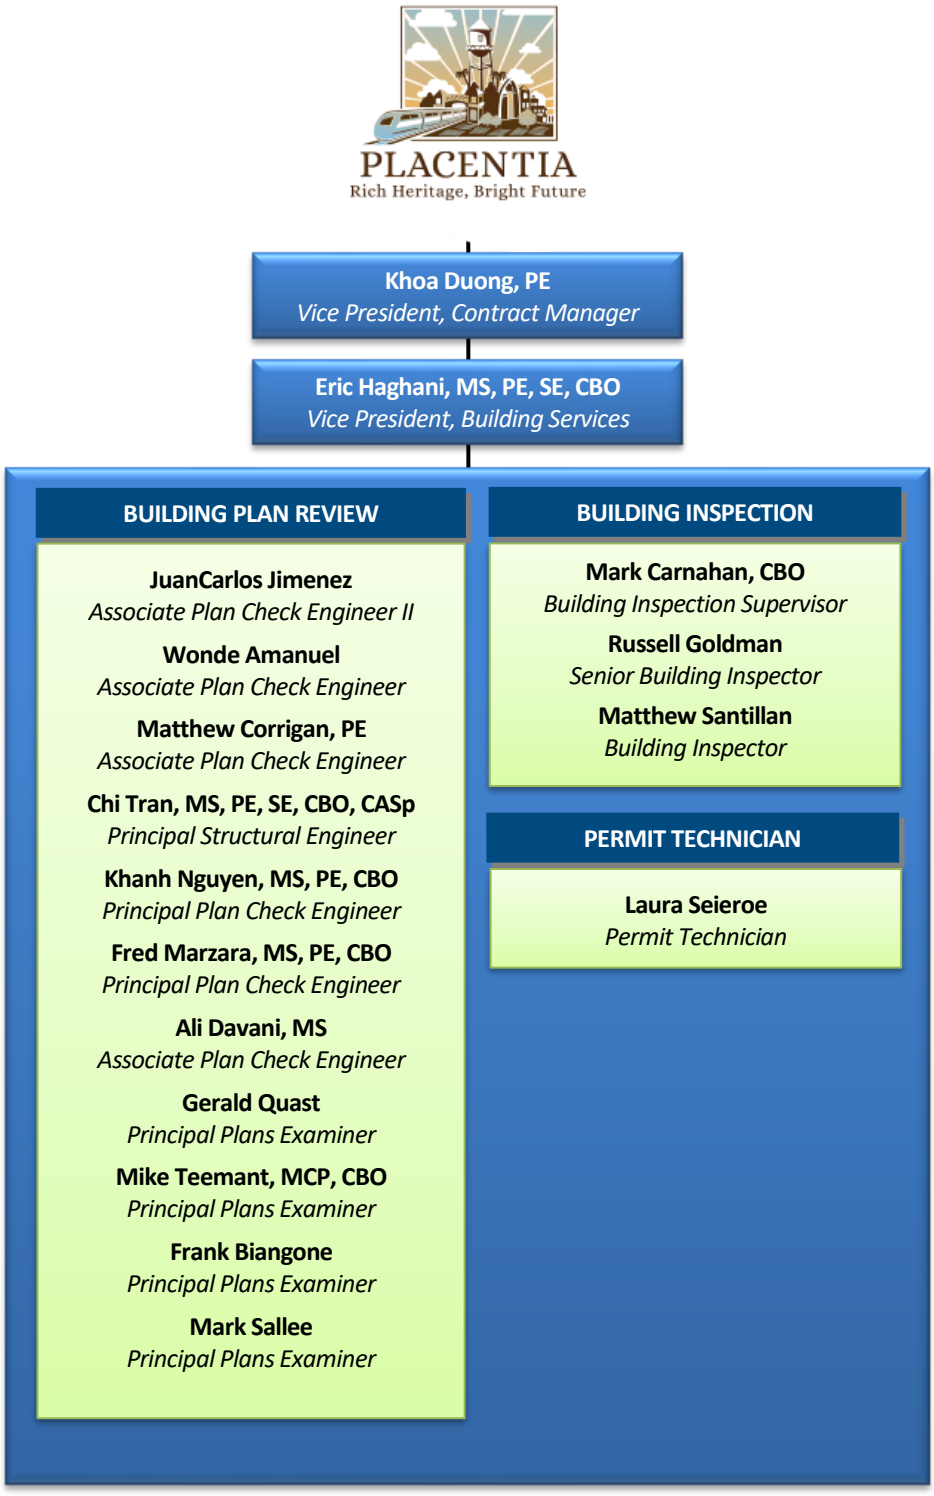
CSG performed structural review for the Avion project in the City of Burbank. The project is a business park on approximately 60 acres of vacant land adjacent to the Burbank Bob Hope Airport consisting of the following components:

- *Six, two-story buildings for industrial/warehouse uses totaling 1,014,887 sq. ft.;*
- *Nine, two-story buildings for creative office uses totaling 142,250 sq. ft.;*
- *Two, one-story buildings for retail/restaurant uses totaling approximately 15,154 sq. ft.;*
- *One hotel with 166 rooms.*

CITY OF RIALTO PUBLIC WORKS BUILDING REMODEL | CITY OF RIALTO, CA

Building Plan Review

CSG provided building plan review for the City of Rialto's Public Works building remodel, an 8,694 sq. ft. renovation of the existing structure. Remodel improvements included new interior non-bearing metal stud partitions, ceilings, electrical receptables, lighting, roof work, HVAC replacements, plumbing, and replacing doors, hardware and casework. Exterior upgrades included an accessible path of travel from public right of way, accessible parking and EV stations.



CITY HALL | CITY OF SAN JUAN CAPISTRANO, CA

Building Plan Review

CSG provided architectural plan review for the new San Juan Capistrano City Hall project. A new 2-story, 16,000 sq. ft. City Hall replaced the existing structure that had been a temporary building for decades. It will also include an adjacent affordable housing complex with 50 units. Demolition of the former facility was completed in 2024 and the new City Hall opened in 2025 to the public.

ORGANIZATIONAL CHART & RESUMES

CSG proposes the following staff and organizational structure for requested services for this contract. **Eric Haghani** will serve as the point of contact for the City. All proposed staff are assigned to our local office in Irvine, CA. Work will be performed in our Irvine office. ***No subconsultants will be used on this contract***, solely CSG staff. Resumes have been provided on the following pages for proposed personnel.

Khoa **Duong** PE

Vice President, Building Services/Contract Manager

Employee-Owned

LICENSES & CERTIFICATIONS

Professional Engineer, State of California | 43901

Professional Engineer, State of Nevada | 013620

Certified Plans Examiner | ICC 0840436-B3

Professional Engineer, State of Washington | 27237

EDUCATION

Bachelor of Science, Civil Engineering
California Polytechnic State University | Pomona, CA

Mr. Duong serves as CSG's Building Services Manager in Southern California and performs the key role of plan review quality control. With more than 36 years of experience in building plan review, including onsite plan check engineer services, Mr. Duong ensures that CSG's clients receive the highest quality plan review services. Prior to joining CSG, Mr. Duong worked in both the public and private sectors.

Mr. Duong's expertise includes review of complex commercial, industrial and residential structures for compliance with applicable building codes and ordinances, engineering standards and specifications, supplemental energy requirements, and ADA regulations.

RELEVANT EXPERIENCE

Building Services Manager and Plan Check Engineer | Multiple CSG Client Agencies
Mr. Duong manages CSG's Southern California plan review team and provides on and off-site Plan Review Engineer services for numerous jurisdictions throughout California. Mr. Duong performed structural plan check and non-structural MEP, energy, as well as ADA reviews for commercial, industrial, and residential structures.

Supervising Plan Review Engineer | Willdan
Mr. Duong was responsible for the day-to-day operations of the plan review section in the San Bernardino office and served as plan review engineer for numerous cities and counties throughout California and Nevada.

Vice President in charge of Plan Review | Berryman & Henigar
Mr. Duong managed the plan review team for over 10 years.

ACCOMPLISHMENTS

Senior Design Captain
Multi-use 2-Story Building

ASCE Design Lead–
Timber-Strong Design Team

TAU Beta Pi Engineering Honors Society

Mr. Jimenez serves CSG and its public agency clients as an Associate Plan Check Engineer.

RELEVANT EXPERIENCE

Associate Plan Check Engineer II | CSG Consultants, Orange, CA

Mr. Jimenez performs residential plan check reviews for CSG client agencies. His work includes review of drawings, calculations, soils reports and other documents for conformance with the requirements of the California Building Codes and Reference Standards. He also uses his engineering training to assess designs with respect to life-safety and other aspects of the code. In addition to his remote plan review work, Mr. Jimenez, has provided staff augmentation to agencies in need of onsite support. He excels at interfacing and communicating effectively with both agency staff and external customers with varying levels of technical expertise.

Plan Review Engineer | True North Compliance Services, Long Beach, CA

Mr. Jimenez conducted comprehensive reviews of more than 175 construction plans to ensure compliance with minimum safety standards, municipal codes, and applicable building codes. He evaluated the structural integrity and life-safety features of proposed buildings, identifying and addressing potential issues. He was responsible for the technical review of all construction documents related to residential and multi-family construction. In addition, Mr. Jimenez, also served as a Plan Check Engineer for the City of Malibu providing over-the counter services and in-house plan checks.

Project Manager | Keen Building Contractors LLC, Long Beach, CA

Mr. Jimenez supervised and coordinated the work of construction teams including all subcontractors and laborers to ensure that all tasks were performed to specification and achieved code compliance, resulting in more than ten successfully completed construction projects. His responsibilities included developing project plans, timelines, and schedules to ensure that projects were completed on time. Prior to his role as Project Manager, Mr. Jimenez served as general tradesman, diagnosing and resolving issues related to framing, grading, and electrical systems with other tradespeople to ensure projects were completed on time and within budget. He used AutoCAD and Revit to draw new or remodel residential blueprints for 19 customers and their agency submittals.

Entry Level Structural Engineer | TY Engineering and Design, Manhattan Beach, CA

Mr. Jimenez designed structural engineering drawings and performed structural engineering calculations for new construction and renovations. He prepared engineering plans, details and structural engineering packages to pass city inspection and meet current building standards and codes.

Mr. Nguyen offers CSG's clients expertise gained from over 30 years of professional experience in the building industry. Mr. Nguyen has an in-depth knowledge of the California Building Standards Codes and extensive experience with local building and safety regulations.

RELEVANT EXPERIENCE

Principal Plan Check Engineer| CSG Consultants, Inc.

Mr. Nguyen served as the Interim Building Official for the City of Stanton, City of Fullerton, City of Norwalk, City of El Segundo, City of La Habra, and City of Hawaiian Gardens in recent years and assisted those jurisdictions in recruiting for a permanent Building Official.

Mr. Nguyen performed both residential and non-residential plan review projects. His most notable residential project was a 3-story, 66-unit public housing complex, and his most notable and high profile non-residential project was the new Star Wars theme park for Disneyland in Anaheim.

Building Official/Acting Assistant Director/Interim Director | City of Costa Mesa, CA

Mr. Nguyen implemented combination permits for efficiency in permit issuance and consistency in inspection. He administered and implemented four consecutive Fall Residential Remodeling Incentive Programs and two consecutive Build Green Incentive Programs.

Mr. Nguyen served in a supervisory role where he managed and oversaw 35 professional and technical employees in advance and current planning, permit processing center, building plan check, inspection, and code enforcement. He also served as the lead person on all automation issues and chaired the City Green Building Committee where he developed the City Council policy on Sustainability which includes the greenest standard for new municipal buildings in the country.

Building Official | City of Tustin, CA

Mr. Nguyen provided building plan review of the division budget of $1.3 million. He also administered the FEMA flood program for the City and implemented several stormwater inspection programs to comply with the 3rd term NPDES permit. As a Building Official, Mr. Nguyen managed and oversaw 11 professional and technical employees in permit processing, building plan check, inspection, and code enforcement.

Permit and Plan Check Manager | City of Huntington Beach, CA

Mr. Nguyen's expertise included review calculations and designs of complex projects with applicable building codes and ordinances, engineering standards and specifications. He administered and enforced the City's Unreinforced Masonry Building ordinance, as well as designed and implemented the Plan Check Log and Interactive Voice Response system.

Structural Plan Check Engineer | City of Los Angeles, CA

Mr. Nguyen was a Structural Plan Check Engineer with responsibility in reviewing calculations and designs of plans for a wide variety of commercial and residential projects to ensure compliance with Building and Zoning codes. He performed numerous damage assessment inspections and structural plan reviews after multiple major disasters including the Northridge earthquake and the aftermath of the Rodney King Riot.

NOTABLE PROJECT EXPERIENCE

Star Wars: Galaxy's Edge, Disneyland | City of Anaheim, CA

Mr. Nguyen provided building plan review for Star Wars Galaxy Edge in Disneyland, in the City of Anaheim.

TEACHING EXPERIENCE

Lecturer for seven years
University of California, Irvine, CA
Civil Engineering Review Course

Lecturer/Associate Professor for three years
Cal State Polytechnic University, Pomona, CA

Mr. Marzara has more than 35 years of experience, including working as a Senior Plan Check Engineer and a Chief Building Official prior to joining CSG. Mr. Marzara is a Principal Plan Check Engineer and has significant experience and a sound educational background that provide excellent qualifications. He has a proven ability to work effectively with others under a broad range of conditions and varying environments. He is quality-conscious and dedicated to producing quality results. He has the ability to make critical decisions within strict timelines.

RELEVANT EXPERIENCE

Principal Plan Check Engineer | CSG Consultants, Orange, CA

Mr. Marzara have been working in the cities of Laguna Beach and Tustin reviewing complex residential and commercial projects and training the building department staffs including plan checkers, inspectors and permit technicians. Mr. Marzara helped the professionals, contractors, and property owners over the counter in those two cities and assist them for obtaining their building permits,

PREVIOUS EXPERIENCE

Chief Building Official | City of Lake Forest, CA

Mr. Marzara has over 8 years of serving the City of Lake Forest as their Chief Building Official. The City received the Building Department of the Year Award in 2018-2019 while he was in charge of the Building Department. His responsibilities included managing the building department and supervisors to plan examiners, inspectors, permit technicians, and administrative assistants also, reviewing complete plan review of many large and complicated projects including the new Lake Forest City Hall campus with construction cost of 70 million dollars. He worked with the community development department and finance department preparing all reports and statistics. His work with the Energov program for daily business activities, prepared and implemented the process of code adoptions once every three years.

Senior Plan Check Engineer | County of Orange, CA

Mr. Marzara reviewed plans for code compliance for many expensive constructions of residential and commercial buildings. He completed coordination with grading section for foundation and drainage code compliance.

Senior Plan Check Engineer | City of Mission Viejo, CA

Mr. Marzara completed plan review for residential and commercial buildings, acting as the Building Official as needed. He worked closely with architects/ engineers to solve any issues of code compliance. Mr. Marzara reviewed two large apartment complexes in Mission Viejo, Adagio on the Green and Los Alisos at Mission Viejo. Both projects involved with accessibility requirements as well as structural/ architectural, plus life safety.

Plan Check Engineer | City of Santa Ana, CA

For over twenty years, Mr. Marzara was a plan check engineer for the City of Santa Ana. His responsibilities included handling architectural and structural plan evaluation for various types of construction and occupancy groups. He handled duties within building safety department. He was directly accountable for assigning and scheduling workflow/ projects as well as supervising and evaluating staff members.

Project Engineer Langston & Associates | City of Santa Ana, CA

For three years, Mr. Marzara interacted closely with various clients, architects and other industry personnel to implement the design process of both commercial and residential buildings. He managed the structural design requirements for concrete and steel with respect to essential hazardous and irregular types and styles of buildings. He prepared budgets and estimates.

Associate Plan Check Engineer

Employee-Owned

LICENSES & CERTIFICATIONS

Professional Civil Engineer,
State of California
95707

Residential Plans Examiner
ICC 9610336

EDUCATION

Bachelor of Science, Civil & Environmental Engineering

Mr. Corrigan provides building plan review services on behalf of CSG and its clients. He is a results-oriented, highly motivated professional. Mr. Corrigan is skilled in communicating with team members, self-motivating, and consistently completes thorough and accurate plan review projects under tight deadlines.

RELEVANT EXPERIENCE

Assistant Plan Check Engineer | Multiple CSG Client Agencies

Mr. Corrigan performs building plan reviews for residential projects for multiple jurisdictions in Southern California.

Production Scheduler | The Walt Disney Company

As a production scheduler, Mr. Corrigan would: liaise with area leaders on a daily basis ensuring labor needs are consistently met; produce the weekly work schedule for approximately 500 employees according to business needs and taking into account seniority rules, union regulations, and employee schedule preferences whenever possible; and train and educate new workers, set performance goals, standards and expectations, communicate and explain operational decisions.

Stage Scheduler | The Walt Disney Company

Mr. Corrigan's responsibilities included: receiving communication from cast members regarding potential absences from work and ensuring area leaders are notified of any changes or adjustments to their staffing; attempting to call in additional cast members for shifts as needed to backfill any potential labor shortages due to absences; and continuously communicate with area leaders in order to ensure locations are properly staffed with labor for their daily operations.

Mr. Quast joins CSG as a plans examiner and provides plumbing and mechanical plan review for our public agency clients. He brings with him over 30 years of Public Agency experience providing inspection and plan check services for the City of Anaheim.

RELEVANT EXPERIENCE

Plumbing / Mechanical Plans Examiner | City of Anaheim, CA

Mr. Quast most recently served as the plumbing/mechanical plans examiner for the City of Anaheim. Beginning his Public Agency career as a combination building inspector, he transitioned to the Plan Check Section, and while providing plans examiner services to the City, Mr. Quast was also the staff training coordinator for eight years. During his time at Anaheim, he provided plumbing and mechanical plan check services for such projects as the Anaheim Arena, the Anaheim Stadium Expansion, several Anaheim Convention Center Expansions, the downtown ice hockey rinks, and numerous redevelopment projects. He has also reviewed plans for numerous Hotel/Motel and high-density residential developments, office buildings, parking structures, tenant improvements and warehouse projects, and numerous Resort District and amusement park expansions.

Construction & Building Codes Instructor | Fullerton Community College & Coastline Community College

Mr. Quast brings over 28 years of experience as a community college instructor, delivering construction and building code courses for Fullerton and Coastline Community Colleges. While teaching plumbing, mechanical, and building codes, Title 24 Accessibility/Energy, basic code enforcement, and blueprint reading, he has also delivered training seminars for CALBO, ICC, and IAPMO Chapters.

Plumbing Apprenticeship/Journeyman Training | Plumbing Contracting

Mr. Quast previously worked with a residential and commercial plumbing company for 15 years. After completing a 5-year California State plumbing apprenticeship program, he worked as journeyman and foreman, as well as in labor-supervision, estimation, purchasing, and as a corporate officer before becoming a plumbing contractor.

NOTABLE PROJECT EXPERIENCE

Mr. Teemant, an experienced Master Code Professional (MCP), serves as building plan reviewer and inspector for CSG and its clients. He has over 40 years in the construction industry, with 24 years of experience in enforcing code compliance, making him especially capable in working with municipal governments on all aspects of plan review and building code enforcement.

Mr. Teemant is a highly proficient Building and Electrical Plans Examiner having conducted plan reviews on a wide array of projects. Similarly, he has extensive experience in performing inspections for compliance with international Codes and referenced standards.

He also holds experience in supervising Building, Plumbing, Mechanical, and Electrical Inspectors and support staff, as well as serving as an accomplished instructor for building plan review, provisions of the International Plumbing Code, and International Residential Code.

RELEVANT EXPERIENCE

Code Inspections | City of Boulder City, NV
Mr. Teemant provides code inspection services for the City of Boulder City. Projects includes both residential and commercial. Mr. Teemant also oversees three CSG inspectors who provide services for the Techren Solar Plant and assists with inspections when one of them calls out sick or is on vacation.

Building Official | City of Fernley, NV
As a building official for the City of Fernley, Mr. Teemant reviewed plans for compliance with adopted municipal building codes and supervised field inspections for construction and municipal code compliance. Within the Building and Safety Department, he supervised the permit technician and animal control officer. He was also instrumental in the review of policies and procedures, and the development of procedures to improve the City's workflow management system. In addition, Mr. Teemant prepared documents and presentations for city council review and approval.

Plans Examiner | City of Las Vegas, NV
Mr. Teemant reviewed plans for compliance with the adopted municipal building codes as well as interacted with design professionals and the public to explain the intent of the building codes. In his role as a plans examiner, he granted approval of plans that were compliant with codes and noted code requirements on the plans for common problems encountered in the field. as a plans examiner for the City of Las Vegas, some major projects on which he worked include the examination of high rise and large projects such as the Smith's Center, Las Vegas Outlet mall, World Market Center, Lou Ruvo Brain Center, Zappos corporate offices, Las Vegas Development center, City of Las Vegas City Hall, Soho lofts, and many hotel construction and major remodels.

Frank Biangone serves as a Senior Plans Examiner for CSG and its clients. With over 30 years of experience, Mr. Biangone is a highly knowledgeable code professional with expertise gained through extensive experience performing building plan review and inspection services for the City of Huntington Beach, CA.

RELEVANT EXPERIENCE

Senior Commercial and Residential Combination Inspector | City of Huntington Beach, CA
Mr. Biangone served the City of Huntington Beach for more than 30 years, including 5 years as Senior Commercial and Residential Combination inspector and 25 years as Principal Plumbing and Mechanical Plan Checker/Inspector performing both paper and electronic plan review.

His responsibilities included performing all commercial and residential plumbing and mechanical plan check for all projects throughout the City of Huntington Beach, assisting the Fire Department with water metering and backflow applications for water sourced fire suppression systems along with plan check of fan-assisted smoke evacuation systems, assisting the Public Works Department with onsite sewer and water plan checks, and working in conjunction with Huntington Beach Code Enforcement to assist with plumbing and mechanical code enforcement issues. Mr. Biangone also attended pre-construction meetings with contractors, designers, architects and engineers on high-profile, large-scale projects. Other duties included, writing numerous plumbing and mechanical policies for the City, assisting in the redesign of plumbing and mechanical permit forms and plumbing and mechanical plan check correction logs, and designing and performing weekly plumbing and mechanical training activities for field inspectors and managers.

Notable nonresidential plumbing and mechanical plan check projects successfully performed for the City of Huntington Beach include:

- The Strand with the Shore Break Hotel
- Hyatt Regency Resort
- Pacific City Commercial and Retail
- Bella Terra mall
- C&D Aerospace
- Hilton Waterfront Resort
- Quicksilver
- Rainbow Environmental Services Recycle Plant
- Huntington Beach Senior Center
- Hoag Health Medical Center
- Memorial Health Center
- Brethren Christian School
- OSHPOD 3 Plumbing and Mechanical Reviews

Notable multi-family residential projects reviewed include:

- The Lofts
- Boardwalk
- Village at Bella Terra
- Elan
- Luxe

Mark Sallee serves as a Senior Plans Examiner for CSG and its clients. He has over 40 years of experience in the construction industry, 21 of which were as a City of Anaheim employee performing building inspection and plans examiner services. Mr. Sallee's thorough knowledge of the code and plan review and inspection processes allow him to provide the highest quality of services to our clients.

RELEVANT EXPERIENCE

Plans Examiner II | City of Anaheim, CA

As a Plans Examiner II, Mr. Sallee performed the following duties: Reviewing commercial, residential, hotel and intuitional electrical plans for conformance to current building codes; reviewing residential and commercial photovoltaic and fuel cell systems; and reviewing residential and commercial demolition plans, swimming pools, signs and residential ADU's.

Building Inspector II & III | City of Anaheim, CA

As a Building Inspector II & III, Mr. Sallee performed some of the more complex building inspections, including inspections during the construction of Disney's California Adventure, and major retrofits at Disneyland Park, the Anaheim Convention Center, Angle Stadium, Arrowhead Pond, and Boeing Industries, among others.

Mr. Sallee also performed combination-building inspections, electrical plan check, and acted in the capacity of supervisor as needed to support Management.

National Electrical Code Instructor | Coastline Community College, Fountain Valley, CA

Mr. Sallee taught the NEC in a community college format.

Electrical Instrumentation Inspector | Koury Inspection, Carson, CA

Mr. Sallee worked primarily in a Class I division I and division II hazardous location and conducted inspections on heavy industrial electrical installations as a third-party inspector for the ARCO Refinery in Carson Ca. This work included inspecting electrical substations to 69 KV, services to 4,000 amps, and motors to 3,000 horsepower, sub panels transformers, lighting, receptacles and general electrical equipment.

Electrical Contractor | Sallee Electric Co., Westminster, CA

Mr. Sallee performed work on residential, commercial and light industrial projects. His duties included electrical engineering, drafting, plan preparation, lighting design, payroll, estimating, and job site supervisor, as well as electrician and troubleshooter.

ACI Concrete Field Testing Technician Grade I

ACI Masonry Field Testing Technician

NAQTC Sampling and Testing

Nuclear Gauge Safety Training

OSHA 1- Construction Training

EDUCATION

Bachelor of Science in Civil Engineering
Bahir Dar University
Bahir Dar, Ethiopia

Mr. Amanuel serves as a building inspector and plans examiner for CSG, providing knowledge of construction and building methods and standards from more than 20 years of experience in the building industry and more than 10 years of inspection experience. He is adept at deciphering plans and using real world methodologies in inspection procedures.

RELEVANT EXPERIENCE

Building Inspector/Plans Examiner | CSG Consultants

Mr. Amanuel conducts field inspections of industrial, commercial, and residential buildings at various stages of construction and remodeling to verify compliance with applicable codes and regulations. He evaluates construction methods and materials in the field, identifies deviations from approved plans or standard practices, and investigates complaints related to building code violations, recommending corrective actions in accordance with local and national codes. In coordination with Building Officials, Mr. Amanuel addresses complex enforcement and public relations matters and collaborates with plan reviewers, design professionals, and contractors to resolve compliance issues.

Special Inspector | Nova Geotechnical and Inspection Services (Universal Engineering Sciences), Las Vegas, NV

- Communicated with Supervisor and Dispatch to obtain daily work assignments.
- Coordinated field assignments with the Field Supervisor
- Performed site observations/inspections to confirm compliance with the local building codes and project contract documents and compiled detailed records of observations and inspections
- Read plans/drawings and maintained currency with code requirements
- Collected samples for laboratory testing on construction materials and building components per standards, kept detailed records, discussed scope of laboratory testing with the Project Manager and coordinated laboratory testing with the Laboratory Supervisor
- Met with Project Managers to review progress of field work.
- Informed field representatives of results of inspections performed on site.

Obtained proper field authorizations signed by the client when required or when work beyond the original scope was requested.

- Advised Supervisor or Project Manager of any changes in work scope or of any potential budget over runs.
- Followed company Safety Manual guidelines
- Maintained positive business relationships with clients, contractors, subcontractors, material suppliers, etc.

Mark **Carnahan** CBO

Building Official / Building Inspection Supervisor

CA Commercial Mechanical Inspector
CA Residential Building Inspector
CA Residential Electrical Inspector
CA Residential Plumbing Inspector
CA Residential Mechanical Inspector
CA Combination Inspector
CA Plans Examiner | ICC 1110134-J4
B-General Building Contractor (inactive) | 746154

EDUCATION

Light Construction and Development Management Certificate Program
University of California, Irvine
Liberal Studies
California State University | Fullerton, CA

Mr. Carnahan serves as a building official and inspection manager for CSG Consultants. He has over 37 years of experience in the building industry, 20 of which were in the public sector with progressive responsibility at the City of Huntington Beach. He has a sound knowledge of construction methods and materials, principals of structural design, engineering and building inspection. As part of managing CSG's Southern California inspection staff, Mr. Carnahan developed an inspection program to train and develop the skills of new and experienced inspectors.

RELEVANT EXPERIENCE

Building Manager/Building Official | City of Huntington Beach, CA

The City of Huntington Beach created the Building Manager position for Mr. Carnahan which he performed for eight years. While managing the Building Department, he directed staff, ensured that professional work standards are met, and emphasized the importance of quality customer service. Mr. Carnahan attained pertinent knowledge and understanding of federal, state and local laws, codes and regulations including the ADA, OSHA, CALOSHA, California Codes, and the City of Huntington Beach Municipal Codes, including enforcement of zoning requirements and ordinances. He was also: a combination inspector assigned to single and multifamily housing, the Hyatt Regency Resort, and numerous commercial and industrial projects; the supervising inspector for the Strand development; and managed the plan check and inspection process from entitlement to issuance of certificate of occupancy on numerous complicated projects (Costco at Bella Terra, The Village at Bella Terra Apartments, Beach Promenade, and Edinger Plaza). He worked with the Director of Community Development and Senior Administrative Analyst to develop, modify and administer the Building Division budget and monitor expenditures. While managing the building department, Mr. Carnahan completed two cycles of the code adoption process from: writing legislative drafts, requests for legal services (RLS), request for council action (RCA's), council readings and finished the adoption process by sending the approved municipal codes to the California Building Standards Commission for filing.

Inspection Supervisor | City of Huntington Beach, CA

As an inspection supervisor, Mr. Carnahan: coordinated inspection activities with other city departments, contractors and developers; established and maintained a cooperative working relationship with those contacted in the course of work; communicated effectively both verbally and in writing; participated in professional and public meetings as required; and worked with others to analyze problems, identify alternative solutions, and accurately project consequences of proposed actions for daily issues, large or small, including monitoring work flow. When working with the City Council, he prepared and reviewed correspondence, studies, reports, and requests for council action.

Inspector I, II, & III | City of Huntington Beach, CA

Mr. Carnahan was a Building Inspector for many years at the City of Huntington Beach.

HVAC Training and Certification
Hartsog Trade School
Vallejo, CA

Mr. Goldman serves as a senior building inspector for CSG's public agency clients. He is a highly certified building inspector with more than seven years of building and safety experience working with multiple cities and counties, combined with 23 years of construction industry experience. Mr. Goldman excels at effectively communicating building and local code requirements to superintendents, contractors, and owners. His early experience within the construction industry has greatly contributed to his ability to effectively interact with construction professionals.

RELEVANT EXPERIENCE

CSG Building Inspector | CSG Consultants, Irvine, CA

Mr. Goldman has performed residential and commercial inspection services for CSG client agencies including the County of San Bernardino and City of Laguna Beach, CA. His inspections have included accessory dwelling units (ADUs), major remodels, new custom homes, alterations, septic and other plumbing projects, main electrical panel upgrades and other electrical work, HVAC systems, roofs, solar installations, and commercial tenant improvements and remodels.

Building Inspector | Willdan, Anaheim, CA

As a contract inspector, Mr. Goldman performed residential and commercial inspection services for the City of Moreno Valley, California. His inspections included solar installations, main electrical panel upgrades, accessory dwelling units (ADUs), additions and alterations, tract and new homes, HVAC systems, water heaters, roofs, and related building components.

Building Inspector | SAFEbuilt, Loveland, CO

For public agency clients, Mr. Goldman conducted field inspections on a variety of residential, commercial, and industrial projects, including single-family and multi-family developments, concrete tilt-ups, metal buildings, pole barns, wood- and metal-framed structures, and tenant improvements. He also performed final inspections for accessibility compliance on multifamily and commercial projects using ICC A117.1 standards.

Building Inspector | Interwest Consulting Group, Boulder, CO

Mr. Goldman conducted field inspections for all trades on residential and commercial projects for the City of Lake Forest, CA. He effectively communicated building and local code requirements, including SWPPP requirements, to superintendents, contractors, and business owners.

General Contractor | Russ Goldman Construction, Southern California, CA

Mr. Goldman managed all aspects of commercial and residential construction projects. He met and communicated with local city inspectors, coordinated with engineers and architects, and translated plans into construction projects. Mr. Goldman also coordinated the activities of subcontractors and company staff to successfully deliver numerous speculative and turn-key projects.

Superintendent | Dearborn Construction, Boise, ID

Mr. Goldman supervised all aspects of commercial construction projects, including remodels for several national grocery chains. Coordinating with engineers and architects, he translated plans into construction projects. Mr. Goldman also coordinated the activities of subcontractors and company staff to successfully construct numerous projects, with tasks including performing daily reporting, workflow scheduling, and forecasting for the project manager.

Superintendent | Phoenix Enterprises, La Habra, CA

Mr. Goldman supervised all aspects of large-scale commercial construction projects, including the new construction of home improvement centers such as The Home Depot, Rite Aid drug stores, and supermarkets. Coordinating with engineers and architects, he translated plans into construction projects.

Matthew **Santillan**

Building Inspector I

Employee-Owned

LICENSES & CERTIFICATIONS

Residential Building Inspector Certification

Commercial Building Inspector Certification

Building Inspection

Residential Electrical Inspector

EDUCATION

Advanced Contractor & Inspector Training Center

Journeyman License | Inland Empire Electrical Training Center

Mr. Santillan serves as a building inspector for CSG and its clients. He is a licensed general contractor and heavy machinery operator with excellent interpersonal and communication skills and a strong ability to manage and lead others.

RELEVANT EXPERIENCE

Building Inspector I | CSG Consultants, Inc.

Mr. Santillan serves as a Building Inspector I. This position receives direct supervision from higher level staff and may receive technical and functional supervision from higher level inspectors. Responsibilities include the following:

- Perform inspections in several trade specialties including plumbing, electrical, mechanical and/or structural to ensure compliance with applicable codes, ordinances, and regulations. Inspect foundation, concrete, framing, plastering, heating, and electrical installations.
- Conduct preliminary examination of plans and specifications of routine building, plumbing, mechanical and electrical facilities to determine compliance with the provisions of the construction codes, ordinances, and regulations.
- Observe work during various phases and upon completion; ensure that safety procedures are followed.
- Deal effectively with private contractors and homeowners on construction specifications and procedures; ensure compliance with procedures and regulations.
- Prepare various inspection reports as required; maintain files and reports regarding inspection and plan check activities and findings. Issue notices to comply on violations.
- Respond to and resolve difficult and sensitive citizen inquiries and complaints concerning construction and repair projects.

Electrician | Gregg Electric

Mr. Santillan made sure electrical testing, and inspection is up to code. He read blueprints and schematics to ensure completion for daily tasks and provided Edison with new structures and new conduit raceways.

Electrician | Sunwest

Mr. Santillan installed, maintained, and repaired electrical control, wiring, and lighting systems. He performed general electrical maintenance and inspected transformers, circuit breakers, and other electrical components.

Carpenter | Guy Yocom

Mr. Santillan specialized in larger concrete pours and formwork. He was trained to operate heavy machinery and scissor lift, assisted journeyman in production of current project which included consulting with clients, taking measurements, ordering appropriate work materials, building and installing.

Joseph Lambert
Development Services Director
City of Placentia
401 E Chapman Avenue
Placentia, CA 92870

Re: Revised Fee Schedule for Building Services

Dear Mr. Lambert,

CSG Consultants, Inc. (CSG) would like to thank the City of Placentia (City) for the opportunity to submit our revised fee schedule. Per our discussion with the City, the following adjustments have been made and detailed in our fee schedule on the following page:

- *65% for Full Building Plan Review by Percentage*
- *$165 per hour for Building Plan Review and M/E/P Plan Review*

All plan review is based on a percentage of the City's plan check fees and includes the initial plan review and two subsequent reviews. Additional reviews, deferred submittals, revisions, and RFIs will be charged at the appropriate hourly rate.

Project Contact

Our regional office is in the City of Irvine, and our staff is available for meetings remotely or at the City's offices, as requested. **Mark Carnahan, CBO**, will serve as the primary point of contact. His contact information is provided below:

> Mark Carnahan, CBO | Regional Building Services Director
> (714) 568-1010 *office* | (714) 568-1028 *fax* | markc@csgengr.com

Please feel free to contact Mr. Carnahan with any questions or comments regarding this proposal. We look forward to working alongside the City in serving the community of Placentia together.

Sincerely,

Khoa Duong, PE
Vice President of Building Services

Landscape Plan Review	$165
Structural Only Plan Review	$185
Grading Plan Review – Civil Engineer	$200
CASp Plan Review/Consultation	$165
Expedited Plan Review (Hourly)	1.5 x Hourly Rate
Building Department Services	
Permit Technician	$100
Senior Permit Technician	$110
Building Inspector	$125
Senior Building Inspector	$145
Grading Inspector	$145
Building Official	$210
CSG Vehicle Mileage	$0
CSG Travel Time	$0
Administration/Plan Processing	$95

TERMS & CONDITIONS:

- *All plan review based on percentage of the agency's plan check fees includes the initial plan review and two subsequent reviews. Additional reviews, deferred submittals, revisions, and RFIs will be charged at the appropriate hourly rate.*
- *Minimum percentage plan review fee per project excludes Solar, ESS, or EVCS reviews.*
- *RFIs for large developments will be performed at an hourly rate, and turnaround times will be agreed upon in advance with the agency.*
- *Depending on project size and scope, CSG's percentage-based expedited plan review rate may be adjusted if mutually agreed upon between the agency and CSG.*
- *Should the scope of work change or circumstances develop which necessitate special handling, CSG will notify the agency prior to proceeding.*
- *Overtime/services provided outside of normal business hours will be billed at 1.5x the applicable hourly rate.*
- *Services provided on weekends will be billed a 2x the applicable hourly rate.*
- *Hourly rates for publicly funded projects will be based on current prevailing wage rates.*

- *On July 1 or the anniversary of the contract start date, CSG will initiate an hourly rate increase based on change in CPI for the applicable region.*
- *CSG will mail/email an invoice every month for services rendered during the previous month. Unless otherwise agreed, payment terms are 30 days from receipt of invoice.*
- ***This fee proposal is valid for a period of 120 days from date of submittal.***
- *If plans are not submitted electronically, CSG will coordinate the pickup and return of all plans to CSG via CSG staff or a licensed courier service.*
- *For hourly projects only, performance of plan review services utilizing the agency's adopted plan review software (e.g., ProjectDox or Bluebeam Studios) to, for example, markup plans with corrections and redlines and/or coordinate with other internal agencies, may involve additional time being added to the plan review time at the associated plan review rate.*
- *When requested, **Building Grading Plan Review** is limited to on-site general grading within the boundary of the proposed site and the disturbed area. The review is within the scope of the building permit and excludes any off-site reviews or analysis outside of the area covered by the building permit and the plan check submittal. Review will include compliance with CBC Appendix J (if the jurisdiction has adopted it), CBC Chapter 18, and applicable jurisdictional ordinances and requirements. If the agency requests a review beyond the requirements in CBC Chapter 18, Appendix J, and City Ordinances, fees will be charged according to CSG's hourly rates for Land Development and Engineering services.*

***Administration/Plan Processing** fees are incurred for specific additional services requested by the agency beyond the normally provided CSG administrative services which typically include coordinating the pick-up and return of plans; performing scanning, collating, and tracking; and providing plan review status updates to the agency. Cost for additional services will be negotiated based on the type of request with a minimum fee based on 0.5 hours of service per project.*

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

BLANKET ADDITIONAL INSURED – WRITTEN CONTRACTS (ARCHITECTS, ENGINEERS AND SURVEYORS)

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

1. The following is added to **SECTION II – WHO IS AN INSURED**:

Any person or organization that you agree in a "written contract requiring insurance" to include as an additional insured on this Coverage Part, but:

a. Only with respect to liability for "bodily injury", "property damage" or "personal injury"; and

b. If, and only to the extent that, the injury or damage is caused by acts or omissions of you or your subcontractor in the performance of "your work" to which the "written contract requiring insurance" applies. The person or organization does not qualify as an additional insured with respect to the independent acts or omissions of such person or organization.

The insurance provided to such additional insured is limited as follows:

c. In the event that the Limits of Insurance of this Coverage Part shown in the Declarations exceed the limits of liability required by the "written contract requiring insurance", the insurance provided to the additional insured shall be limited to the limits of liability required by that "written contract requiring insurance". This endorsement shall not increase the limits of insurance described in Section **III** – Limits Of Insurance.

d. This insurance does not apply to the rendering of or failure to render any "professional services" or construction management errors or omissions.

e. This insurance does not apply to "bodily injury" or "property damage" caused by "your work" and included in the "products-completed operations hazard" unless the "written contract requiring insurance" specifically requires you to provide such coverage for that additional insured, and then the insurance provided to the additional insured applies only to such "bodily injury" or "property damage" that occurs before the end of the period of time for which the "written contract requiring insurance" requires you to provide such coverage or the end of the policy period, whichever is earlier.

2. The following is added to Paragraph **4.a.** of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**:

The insurance provided to the additional insured is excess over any valid and collectible "other insurance", whether primary, excess, contingent or on any other basis, that is available to the additional insured for a loss we cover. However, if you specifically agree in the "written contract requiring insurance" that this insurance provided to the additional insured under this Coverage Part must apply on a primary basis or a primary and non-contributory basis, this insurance is primary to "other insurance" available to the additional insured which covers that person or organization as a named insured for such loss, and we will not share with that "other insurance". But this insurance provided to the additional insured still is excess over any valid and collectible "other insurance", whether primary, excess, contingent or on any other basis, that is available to the additional insured when that person or organization is an additional insured under any "other insurance".

3. The following is added to **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**:

Duties Of An Additional Insured

As a condition of coverage provided to the additional insured:

a. The additional insured must give us written notice as soon as practicable of an "occurrence" or an offense which may result in a claim. To the extent possible, such notice should include:

© 2008 The Travelers Companies, Inc.

i. How, when and where the "occurrence" or offense took place;

ii. The names and addresses of any injured persons and witnesses; and

iii. The nature and location of any injury or damage arising out of the "occurrence" or offense.

b. If a claim is made or "suit" is brought against the additional insured, the additional insured must:

i. Immediately record the specifics of the claim or "suit" and the date received; and

ii. Notify us as soon as practicable.

The additional insured must see to it that we receive written notice of the claim or "suit" as soon as practicable.

c. The additional insured must immediately send us copies of all legal papers received in connection with the claim or "suit", cooperate with us in the investigation or settlement of the claim or defense against the "suit", and otherwise comply with all policy conditions.

d. The additional insured must tender the defense and indemnity of any claim or "suit" to any provider of other insurance which would cover the additional insured for a loss we cover. However, this condition does not affect whether this insurance provided to the additional insured is primary to that other insurance available to the additional insured which covers that person or organization as a named insured.

4. The following is added to the **DEFINITIONS** Section:

"Written contract requiring insurance" means that part of any written contract or agreement under which you are required to include a person or organization as an additional insured on this Coverage Part, provided that the "bodily injury" and "property damage" occurs and the "personal injury" is caused by an offense committed:

a. After the signing and execution of the contract or agreement by you;

b. While that part of the contract or agreement is in effect; and

c. Before the end of the policy period.

© 2008 The Travelers Companies, Inc.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

PRIMARY AND NONCONTRIBUTORY – OTHER INSURANCE CONDITION

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART
LIQUOR LIABILITY COVERAGE PART
PRODUCTS/COMPLETED OPERATIONS LIABILITY COVERAGE PART

The following is added to the **Other Insurance** Condition and supersedes any provision to the contrary:

Primary And Noncontributory Insurance

This insurance is primary to and will not seek contribution from any other insurance available to an additional insured under your policy provided that:

(1) The additional insured is a Named Insured under such other insurance; and

(2) You have agreed in writing in a contract or agreement that this insurance would be primary and would not seek contribution from any other insurance available to the additional insured.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

XTEND ENDORSEMENT FOR ARCHITECTS, ENGINEERS AND SURVEYORS

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

GENERAL DESCRIPTION OF COVERAGE – This endorsement broadens coverage. However, coverage for any injury, damage or medical expenses described in any of the provisions of this endorsement may be excluded or limited by another endorsement to this Coverage Part, and these coverage broadening provisions do not apply to the extent that coverage is excluded or limited by such an endorsement. The following listing is a general coverage description only. Read all the provisions of this endorsement and the rest of your policy carefully to determine rights, duties, and what is and is not covered.

A. Non-Owned Watercraft – 75 Feet Long Or Less

B. Who Is An Insured – Unnamed Subsidiaries

C. Who Is An Insured – Retired Partners, Members, Directors And Employees

D. Who Is An Insured – Employees And Volunteer Workers – Bodily Injury To Co-Employees, Co-Volunteer Workers And Retired Partners, Members, Directors And Employees

E. Who Is An Insured – Newly Acquired Or Formed Limited Liability Companies

F. Blanket Additional Insured – Controlling Interest

G. Blanket Additional Insured – Mortgagees, Assignees, Successors Or Receivers

H. Blanket Additional Insured – Governmental Entities – Permits Or Authorizations Relating To Premises

I. Blanket Additional Insured – Governmental Entities – Permits Or Authorizations Relating To Operations

J. Incidental Medical Malpractice

K. Medical Payments – Increased Limit

L. Amendment Of Excess Insurance Condition – Professional Liability

M. Blanket Waiver Of Subrogation – When Required By Written Contract Or Agreement

N. Contractual Liability – Railroads

PROVISIONS

A. NON-OWNED WATERCRAFT – 75 FEET LONG OR LESS

1. The following replaces Paragraph **(2)** of Exclusion **g.**, **Aircraft, Auto Or Watercraft**, in Paragraph **2.** of **SECTION I – COVERAGES – COVERAGE A – BODILY INJURY AND PROPERTY DAMAGE LIABILITY**:

(2) A watercraft you do not own that is:

(a) 75 feet long or less; and

(b) Not being used to carry any person or property for a charge;

2. The following replaces Paragraph **2.e.** of **SECTION II – WHO IS AN INSURED**:

e. Any person or organization that, with your express or implied consent, either uses or is responsible for the use of a watercraft that you do not own that is:

(1) 75 feet long or less; and

(2) Not being used to carry any person or property for a charge;

B. WHO IS AN INSURED – UNNAMED SUBSIDIARIES

The following is added to **SECTION II – WHO IS AN INSURED**:

Any of your subsidiaries, other than a partnership or joint venture, that is not shown as a Named Insured in the Declarations is a Named Insured if:

a. You are the sole owner of, or maintain an ownership interest of more than 50% in, such subsidiary on the first day of the policy period; and

© 2017 The Travelers Indemnity Company. All rights reserved.
Includes copyrighted material of Insurance Services Office, Inc. with its permission.

b. Such subsidiary is not an insured under similar other insurance.

No such subsidiary is an insured for "bodily injury" or "property damage" that occurred, or "personal and advertising injury" caused by an offense committed:

a. Before you maintained an ownership interest of more than 50% in such subsidiary; or

b. After the date, if any, during the policy period that you no longer maintain an ownership interest of more than 50% in such subsidiary.

For purposes of Paragraph **1.** of Section **II** – Who Is An Insured, each such subsidiary will be deemed to be designated in the Declarations as:

a. A limited liability company;

b. An organization other than a partnership, joint venture or limited liability company; or

c. A trust;

as indicated in its name or the documents that govern its structure.

C. WHO IS AN INSURED – RETIRED PARTNERS, MEMBERS, DIRECTORS AND EMPLOYEES

The following is added to Paragraph **2.** of **SECTION II – WHO IS AN INSURED**:

Any person who is your retired partner, member, director or "employee" that is performing services for you under your direct supervision, but only for acts within the scope of their employment by you or while performing duties related to the conduct of your business. However, no such retired partner, member, director or "employee" is an insured for:

(1) "Bodily injury":

(a) To you, to your current partners or members (if you are a partnership or joint venture), to your current members (if you are a limited liability company) or to your current directors;

(b) To the spouse, child, parent, brother or sister of that current partner, member or director as a consequence of Paragraph **(1)(a)** above;

(c) For which there is any obligation to share damages with or repay someone else who must pay damages because of the injury described in Paragraph **(1)(a)** or **(b)** above; or

(d) Arising out of his or her providing or failing to provide professional health care services.

Unless you are in the business or occupation of providing professional health care services, Paragraphs **(1)(a)**, **(b)**, **(c)** and **(d)** above do not apply to "bodily injury" arising out of providing or failing to provide first aid or "Good Samaritan services" by any of your retired partners, members, directors or "employees", other than a doctor. Any such retired partners, members, directors or "employees" providing or failing to provide first aid or "Good Samaritan services" during their work hours for you will be deemed to be acting within the scope of their employment by you or performing duties related to the conduct of your business.

(2) "Personal injury":

(a) To you, to your current or retired partners or members (if you are a partnership or joint venture), to your current or retired members (if you are a limited liability company), to your other current or retired directors or "employees" while in the course of his or her employment or performing duties related to the conduct of your business, or to your other "volunteer workers" while performing duties related to the conduct of your business;

(b) To the spouse, child, parent, brother or sister of that current or retired partner, member, director, "employee" or "volunteer worker" as a consequence of Paragraph **(2)(a)** above;

(c) For which there is any obligation to share damages with or repay someone else who must pay damages because of the injury described in Paragraph **(2)(a)** or **(b)** above; or

(d) Arising out of his or her providing or failing to provide professional health care services.

(3) "Property damage" to property:

(a) Owned, occupied or used by; or

(b) Rented to, in the care, custody or control of, or over which physical control is being exercised for any purpose by;

you, any of your retired partners, members or directors, your current or retired "employees" or "volunteer workers", any current partner or member (if you are a partnership or joint venture), or any current member (if you are a limited liability company) or current director.

© 2017 The Travelers Indemnity Company. All rights reserved.
Includes copyrighted material of Insurance Services Office, Inc. with its permission.

D. WHO IS AN INSURED – EMPLOYEES AND VOLUNTEER WORKERS – BODILY INJURY TO CO-EMPLOYEES, CO-VOLUNTEER WORKERS AND RETIRED PARTNERS, MEMBERS, DIRECTORS AND EMPLOYEES

The following is added to Paragraph **2.a.(1)** of **SECTION II – WHO IS AN INSURED**:

Paragraphs **(1)(a)**, **(b)** and **(c)** above do not apply to "bodily injury" to a current or retired co-"employee" while in the course of the co-"employee's" employment by you or performing duties related to the conduct of your business, or to "bodily injury" to your other "volunteer workers" or retired partners, members or directors while performing duties related to the conduct of your business.

E. WHO IS AN INSURED – NEWLY ACQUIRED OR FORMED LIMITED LIABILITY COMPANIES

The following replaces Paragraph **3.** of **SECTION II – WHO IS AN INSURED**:

3. Any organization you newly acquire or form, other than a partnership or joint venture, and of which you are the sole owner or in which you maintain an ownership interest of more than 50%, will qualify as a Named Insured if there is no other similar insurance available to that organization. However:

a. Coverage under this provision is afforded only:

(1) Until the 180th day after you acquire or form the organization or the end of the policy period, whichever is earlier, if you do not report such organization in writing to us within 180 days after you acquire or form it; or

(2) Until the end of the policy period, when that date is later than 180 days after you acquire or form such organization, if you report such organization in writing to us within 180 days after you acquire or form it;

b. Coverage **A** does not apply to "bodily injury" or "property damage" that occurred before you acquired or formed the organization; and

c. Coverage **B** does not apply to "personal and advertising injury" arising out of an offense committed before you acquired or formed the organization.

For the purposes of Paragraph **1.** of Section **II** – Who Is An Insured, each such organization will be deemed to be designated in the Declarations as:

a. A limited liability company;

b. An organization other than a partnership, joint venture or limited liability company; or

c. A trust;

as indicated in its name or the documents that govern its structure.

F. BLANKET ADDITIONAL INSURED – CONTROLLING INTEREST

1. The following is added to **SECTION II – WHO IS AN INSURED**:

Any person or organization that has financial control of you is an insured with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" that arises out of:

a. Such financial control; or

b. Such person's or organization's ownership, maintenance or use of premises leased to or occupied by you.

The insurance provided to such person or organization does not apply to structural alterations, new construction or demolition operations performed by or on behalf of such person or organization.

2. The following is added to Paragraph **4.** of **SECTION II – WHO IS AN INSURED**:

This paragraph does not apply to any premises owner, manager or lessor that has financial control of you.

G. BLANKET ADDITIONAL INSURED – MORTGAGEES, ASSIGNEES, SUCCESSORS OR RECEIVERS

The following is added to **SECTION II – WHO IS AN INSURED**:

Any person or organization that is a mortgagee, assignee, successor or receiver and that you have agreed in a written contract or agreement to include as an additional insured on this Coverage Part is an insured, but only with respect to its liability as mortgagee, assignee, successor or receiver for "bodily injury", "property damage" or "personal and advertising injury" that:

a. Is "bodily injury" or "property damage" that occurs, or is "personal and advertising injury" caused by an offense that is committed,

© 2017 The Travelers Indemnity Company. All rights reserved.
Includes copyrighted material of Insurance Services Office, Inc. with its permission.

subsequent to the signing of that contract or agreement; and

b. Arises out of the ownership, maintenance or use of the premises for which that mortgagee, assignee, successor or receiver is required under that contract or agreement to be included as an additional insured on this Coverage Part.

The insurance provided to such mortgagee, assignee, successor or receiver is subject to the following provisions:

a. The limits of insurance provided to such mortgagee, assignee, successor or receiver will be the minimum limits that you agreed to provide in the written contract or agreement, or the limits shown in the Declarations, whichever are less.

b. The insurance provided to such person or organization does not apply to:

(1) Any "bodily injury" or "property damage" that occurs, or any "personal and advertising injury" caused by an offense that is committed, after such contract or agreement is no longer in effect; or

(2) Any "bodily injury", "property damage" or "personal and advertising injury" arising out of any structural alterations, new construction or demolition operations performed by or on behalf of such mortgagee, assignee, successor or receiver.

H. BLANKET ADDITIONAL INSURED – GOVERNMENTAL ENTITIES – PERMITS OR AUTHORIZATIONS RELATING TO PREMISES

The following is added to **SECTION II – WHO IS AN INSURED**:

Any governmental entity that has issued a permit or authorization with respect to premises owned or occupied by, or rented or loaned to, you and that you are required by any ordinance, law, building code or written contract or agreement to include as an additional insured on this Coverage Part is an insured, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" arising out of the existence, ownership, use, maintenance, repair, construction, erection or removal of any of the following for which that governmental entity has issued such permit or authorization: advertising signs, awnings, canopies, cellar entrances, coal holes, driveways, manholes, marquees, hoist away openings, sidewalk vaults, elevators, street banners or decorations.

I. BLANKET ADDITIONAL INSURED – GOVERNMENTAL ENTITIES – PERMITS OR AUTHORIZATIONS RELATING TO OPERATIONS

The following is added to **SECTION II – WHO IS AN INSURED**:

Any governmental entity that has issued a permit or authorization with respect to operations performed by you or on your behalf and that you are required by any ordinance, law, building code or written contract or agreement to include as an additional insured on this Coverage Part is an insured, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" arising out of such operations.

The insurance provided to such governmental entity does not apply to:

a. Any "bodily injury", "property damage" or "personal and advertising injury" arising out of operations performed for the governmental entity; or

b. Any "bodily injury" or "property damage" included in the "products-completed operations hazard".

J. INCIDENTAL MEDICAL MALPRACTICE

1. The following replaces Paragraph **b.** of the definition of "occurrence" in the **DEFINITIONS** Section:

b. An act or omission committed in providing or failing to provide "incidental medical services", first aid or "Good Samaritan services" to a person, unless you are in the business or occupation of providing professional health care services.

2. The following replaces the last paragraph of Paragraph **2.a.(1)** of **SECTION II – WHO IS AN INSURED**:

Unless you are in the business or occupation of providing professional health care services, Paragraphs **(1)(a)**, **(b)**, **(c)** and **(d)** above do not apply to "bodily injury" arising out of providing or failing to provide:

(a) "Incidental medical services" by any of your "employees" who is a nurse, nurse assistant, emergency medical technician, paramedic, athletic trainer, audiologist, dietician, nutritionist,

© 2017 The Travelers Indemnity Company. All rights reserved.
Includes copyrighted material of Insurance Services Office, Inc. with its permission.

occupational therapist or occupational therapy assistant, physical therapist or speech-language pathologist; or

(b) First aid or "Good Samaritan services" by any of your "employees" or "volunteer workers", other than an employed or volunteer doctor. Any such "employees" or "volunteer workers" providing or failing to provide first aid or "Good Samaritan services" during their work hours for you will be deemed to be acting within the scope of their employment by you or performing duties related to the conduct of your business.

3. The following replaces the last sentence of Paragraph **5.** of **SECTION III – LIMITS OF INSURANCE**:

For the purposes of determining the applicable Each Occurrence Limit, all related acts or omissions committed in providing or failing to provide "incidental medical services", first aid or "Good Samaritan services" to any one person will be deemed to be one "occurrence".

4. The following exclusion is added to Paragraph **2.**, **Exclusions**, of **SECTION I – COVERAGES – COVERAGE A – BODILY INJURY AND PROPERTY DAMAGE LIABILITY**:

Sale Of Pharmaceuticals

"Bodily injury" or "property damage" arising out of the violation of a penal statute or ordinance relating to the sale of pharmaceuticals committed by, or with the knowledge or consent of the insured.

5. The following is added to the **DEFINITIONS** Section:

"Incidental medical services" means:

a. Medical, surgical, dental, laboratory, x-ray or nursing service or treatment, advice or instruction, or the related furnishing of food or beverages; or

b. The furnishing or dispensing of drugs or medical, dental, or surgical supplies or appliances.

6. The following is added to Paragraph **4.b.**, **Excess Insurance**, of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**:

This insurance is excess over any valid and collectible other insurance, whether primary, excess, contingent or on any other basis, that is available to any of your "employees" for "bodily injury" that arises out of providing or failing to provide "incidental medical services" to any person to the extent not subject to Paragraph **2.a.(1)** of Section **II** – Who Is An Insured.

K. MEDICAL PAYMENTS – INCREASED LIMIT

The following replaces Paragraph **7.** of **SECTION III – LIMITS OF INSURANCE**:

7. Subject to Paragraph **5.** above, the Medical Expense Limit is the most we will pay under Coverage **C** for all medical expenses because of "bodily injury" sustained by any one person, and will be the higher of:

a. $10,000; or

b. The amount shown in the Declarations of this Coverage Part for Medical Expense Limit.

L. AMENDMENT OF EXCESS INSURANCE CONDITION – PROFESSIONAL LIABILITY

The following is added to Paragraph **4.b.**, **Excess Insurance**, of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**:

This insurance is excess over any of the other insurance, whether primary, excess, contingent or on any other basis, that is Professional Liability or similar coverage, to the extent the loss is not subject to the professional services exclusion of Coverage **A** or Coverage **B**.

M. BLANKET WAIVER OF SUBROGATION – WHEN REQUIRED BY WRITTEN CONTRACT OR AGREEMENT

The following is added to Paragraph **8.**, **Transfer Of Rights Of Recovery Against Others To Us**, of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**:

If the insured has agreed in a written contract or agreement to waive that insured's right of recovery against any person or organization, we waive our right of recovery against such person or organization, but only for payments we make because of:

a. "Bodily injury" or "property damage" that occurs; or

b. "Personal and advertising injury" caused by an offense that is committed;

subsequent to the signing of that contract or agreement.

BUSINESS AUTO EXTENSION ENDORSEMENT

This endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM

With respect to coverage provided by this endorsement, the provisions of the Coverage Form apply unless modified by the endorsement.

GENERAL DESCRIPTION OF COVERAGE – This endorsement broadens coverage. However, coverage for any injury, damage or medical expenses described in any of the provisions of this endorsement may be excluded or limited by another endorsement to the Coverage Part, and these coverage broadening provisions do not apply to the extent that coverage is excluded or limited by such an endorsement. The following listing is a general coverage description only. Limitations and exclusions may apply to these coverages. Read all the provisions of this endorsement and the rest of your policy carefully to determine rights, duties, and what is and is not covered.

A. BROAD FORM NAMED INSURED

B. BLANKET ADDITIONAL INSURED

C. EMPLOYEE HIRED AUTO

D. EMPLOYEES AS INSURED

E. SUPPLEMENTARY PAYMENTS – INCREASED LIMITS

F. HIRED AUTO – LIMITED WORLDWIDE COVERAGE – INDEMNITY BASIS

G. WAIVER OF DEDUCTIBLE – GLASS

H. HIRED AUTO PHYSICAL DAMAGE – LOSS OF USE – INCREASED LIMIT

I. PHYSICAL DAMAGE – TRANSPORTATION EXPENSES – INCREASED LIMIT

J. PERSONAL EFFECTS

K. AIRBAGS

L. NOTICE AND KNOWLEDGE OF ACCIDENT OR LOSS

M. BLANKET WAIVER OF SUBROGATION

N. UNINTENTIONAL ERRORS OR OMISSIONS

PROVISIONS

A. BROAD FORM NAMED INSURED

The following is added to Paragraph **A.1.**, **Who Is An Insured**, of **SECTION II – LIABILITY COVERAGE**:

Any organization you newly acquire or form during the policy period over which you maintain 50% or more ownership interest and that is not separately insured for Business Auto Coverage. Coverage under this provision is afforded only until the 180th day after you acquire or form the organization or the end of the policy period, whichever is earlier.

B. BLANKET ADDITIONAL INSURED

The following is added to Paragraph **c.** in **A.1.**, **Who Is An Insured**, of **SECTION II – LIABILITY COVERAGE**:

This includes any person or organization who you are required under a written contract or agreement between you and that person or organization, that is signed by you before the "bodily injury" or "property damage" occurs and that is in effect during the policy period, to name as an additional insured for Liability Coverage, but only for damages to which this insurance applies and only to the extent of that person's or organization's liability for the conduct of another "insured".

C. EMPLOYEE HIRED AUTO

1. The following is added to Paragraph **A.1.**, **Who Is An Insured**, of **SECTION II – LIABILITY COVERAGE**:

An "employee" of yours is an "insured" while operating an "auto" hired or rented under a contract or agreement in that "employee's" name, with your permission, while performing duties related to the conduct of your business.

2. The following replaces Paragraph **b.** in **B.5.**, **Other Insurance**, of **SECTION IV – BUSINESS AUTO CONDITIONS**:

b. For Hired Auto Physical Damage Coverage, the following are deemed to be covered "autos" you own:

© 2016 The Travelers Indemnity Company. All rights reserved.
Includes copyrighted material of Insurance Services Office, Inc. with its permission

(1) Any covered "auto" you lease, hire, rent or borrow; and

(2) Any covered "auto" hired or rented by your "employee" under a contract in that individual "employee's" name, with your permission, while performing duties related to the conduct of your business.

However, any "auto" that is leased, hired, rented or borrowed with a driver is not a covered "auto".

D. EMPLOYEES AS INSURED

The following is added to Paragraph **A.1.**, **Who Is An Insured**, of **SECTION II – LIABILITY COVERAGE**:

Any "employee" of yours is an "insured" while using a covered "auto" you don't own, hire or borrow in your business or your personal affairs.

E. SUPPLEMENTARY PAYMENTS – INCREASED LIMITS

1. The following replaces Paragraph **A.2.a.(2)**, of **SECTION II – LIABILITY COVERAGE**:

(2) Up to $3,000 for cost of bail bonds (including bonds for related traffic law violations) required because of an "accident" we cover. We do not have to furnish these bonds.

2. The following replaces Paragraph **A.2.a.(4)**, of **SECTION II – LIABILITY COVERAGE**:

(4) All reasonable expenses incurred by the "insured" at our request, including actual loss of earnings up to $500 a day because of time off from work.

F. HIRED AUTO – LIMITED WORLDWIDE COVERAGE – INDEMNITY BASIS

The following replaces Subparagraph **e.** in Paragraph **B.7.**, **Policy Term, Coverage Territory**, of **SECTION IV – BUSINESS AUTO CONDITIONS**:

e. Anywhere in the world, except any country or jurisdiction while any trade sanction, embargo, or similar regulation imposed by the United States of America applies to and prohibits the transaction of business with or within such country or jurisdiction, for Liability Coverage for any covered "auto" that you lease, hire, rent or borrow without a driver for a period of 30 days or less and that is not an "auto" you lease, hire, rent or borrow from any of your "employees", partners (if you are a partnership), members (if you are a limited liability company) or members of their households.

(1) With respect to any claim made or "suit" brought outside the United States of America, the territories and possessions of the United States of America, Puerto Rico and Canada:

(a) You must arrange to defend the "insured" against, and investigate or settle any such claim or "suit" and keep us advised of all proceedings and actions.

(b) Neither you nor any other involved "insured" will make any settlement without our consent.

(c) We may, at our discretion, participate in defending the "insured" against, or in the settlement of, any claim or "suit".

(d) We will reimburse the "insured":

(i) For sums that the "insured" legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies, that the "insured" pays with our consent, but only up to the limit described in Paragraph **C.**, Limit Of Insurance, of SECTION **II** – LIABILITY COVERAGE;

(ii) For the reasonable expenses incurred with our consent for your investigation of such claims and your defense of the "insured" against any such "suit", but only up to and included within the limit described in Paragraph **C.**, Limit Of Insurance, of SECTION **II** – LIABILITY COVERAGE, and not in addition to such limit. Our duty to make such payments ends when we have used up the applicable limit of insurance in payments for damages, settlements or defense expenses.

(2) This insurance is excess over any valid and collectible other insurance available to the "insured" whether primary, excess contingent or on any other basis.

(3) This insurance is not a substitute for required or compulsory insurance in any country outside the United States, its

© 2016 The Travelers Indemnity Company. All rights reserved.
Includes copyrighted material of Insurance Services Office, Inc. with its permission

territories and possessions, Puerto Rico and Canada.

You agree to maintain all required or compulsory insurance in any such country up to the minimum limits required by local law. Your failure to comply with compulsory insurance requirements will not invalidate the coverage afforded by this policy, but we will only be liable to the same extent we would have been liable had you complied with the compulsory insurance requirements.

(4) It is understood that we are not an admitted or authorized insurer outside the United States of America, its territories and possessions, Puerto Rico and Canada. We assume no responsibility for the furnishing of certificates of insurance, or for compliance in any way with the laws of other countries relating to insurance.

G. WAIVER OF DEDUCTIBLE – GLASS

The following is added to Paragraph **D.**, **Deductible**, of **SECTION III – PHYSICAL DAMAGE COVERAGE**:

No deductible for a covered "auto" will apply to glass damage if the glass is repaired rather than replaced.

H. HIRED AUTO PHYSICAL DAMAGE – LOSS OF USE – INCREASED LIMIT

The following replaces the last sentence of Paragraph **A.4.b.**, **Loss Of Use Expenses**, of **SECTION III – PHYSICAL DAMAGE COVERAGE**:

However, the most we will pay for any expenses for loss of use is $65 per day, to a maximum of $750 for any one "accident".

I. PHYSICAL DAMAGE – TRANSPORTATION EXPENSES – INCREASED LIMIT

The following replaces the first sentence in Paragraph **A.4.a.**, **Transportation Expenses**, of **SECTION III – PHYSICAL DAMAGE COVERAGE**:

We will pay up to $50 per day to a maximum of $1,500 for temporary transportation expense incurred by you because of the total theft of a covered "auto" of the private passenger type.

J. PERSONAL EFFECTS

The following is added to Paragraph **A.4.**, **Coverage Extensions**, of **SECTION III – PHYSICAL DAMAGE COVERAGE**:

Personal Effects

We will pay up to $400 for "loss" to wearing apparel and other personal effects which are:

(1) Owned by an "insured"; and

(2) In or on your covered "auto".

This coverage applies only in the event of a total theft of your covered "auto".

No deductibles apply to this Personal Effects coverage.

K. AIRBAGS

The following is added to Paragraph **B.3.**, **Exclusions**, of **SECTION III – PHYSICAL DAMAGE COVERAGE**:

Exclusion **3.a.** does not apply to "loss" to one or more airbags in a covered "auto" you own that inflate due to a cause other than a cause of "loss" set forth in Paragraphs **A.1.b.** and **A.1.c.**, but only:

a. If that "auto" is a covered "auto" for Comprehensive Coverage under this policy;

b. The airbags are not covered under any warranty; and

c. The airbags were not intentionally inflated.

We will pay up to a maximum of $1,000 for any one "loss".

L. NOTICE AND KNOWLEDGE OF ACCIDENT OR LOSS

The following is added to Paragraph **A.2.a.**, of **SECTION IV – BUSINESS AUTO CONDITIONS**:

Your duty to give us or our authorized representative prompt notice of the "accident" or "loss" applies only when the "accident" or "loss" is known to:

(a) You (if you are an individual);

(b) A partner (if you are a partnership);

(c) A member (if you are a limited liability company);

(d) An executive officer, director or insurance manager (if you are a corporation or other organization); or

(e) Any "employee" authorized by you to give notice of the "accident" or "loss".

M. BLANKET WAIVER OF SUBROGATION

The following replaces Paragraph **A.5.**, **Transfer Of Rights Of Recovery Against Others To Us**, of **SECTION IV – BUSINESS AUTO CONDITIONS**:

© 2016 The Travelers Indemnity Company. All rights reserved.
Includes copyrighted material of Insurance Services Office, Inc. with its permission

5. Transfer Of Rights Of Recovery Against Others To Us

We waive any right of recovery we may have against any person or organization to the extent required of you by a written contract signed and executed prior to any "accident" or "loss", provided that the "accident" or "loss" arises out of operations contemplated by such contract. The waiver applies only to the person or organization designated in such contract.

N. UNINTENTIONAL ERRORS OR OMISSIONS

The following is added to Paragraph **B.2.**, **Concealment, Misrepresentation, Or Fraud**, of **SECTION IV – BUSINESS AUTO CONDITIONS**:

The unintentional omission of, or unintentional error in, any information given by you shall not prejudice your rights under this insurance. However this provision does not affect our right to collect additional premium or exercise our right of cancellation or non-renewal.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

BLANKET ADDITIONAL INSURED – PRIMARY AND NON-CONTRIBUTORY WITH OTHER INSURANCE

This endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM

PROVISIONS

1. The following is added to Paragraph **A.1.c.**, **Who Is An Insured**, of **SECTION II – LIABILITY COVERAGE**:

   This includes any person or organization who you are required under a written contract or agreement between you and that person or organization, that is signed by you before the "bodily injury" or "property damage" occurs and that is in effect during the policy period, to name as an additional insured for Liability Coverage, but only for damages to which this insurance applies and only to the extent of that person's or organization's liability for the conduct of another "insured".

2. The following is added to Paragraph **B.5.**, **Other Insurance** of **SECTION IV – BUSINESS AUTO CONDITIONS**:

   Regardless of the provisions of paragraph **a.** and paragraph **d.** of this part **5. Other Insurance,** this insurance is primary to and non-contributory with applicable other insurance under which an additional insured person or organization is the first named insured when the written contract or agreement between you and that person or organization, that is signed by you before the "bodily injury" or "property damage" occurs and that is in effect during the policy period, requires this insurance to be primary and non-contributory.

WAIVER OF OUR RIGHT TO RECOVER FROM OTHERS ENDORSEMENT

We have the right to recover our payments from anyone liable for an injury covered by this policy. We will not enforce our right against the person or organization named in the Schedule. (This agreement applies only to the extent that you perform work under a written contract that requires you to obtain this agreement from us.)

This agreement shall not operate directly or indirectly to benefit any one not named in the Schedule.

SCHEDULE

DESIGNATED PERSON:

Any person or organization for which the insured has agreed by written contract executed prior to loss to furnish this waiver.

DESIGNATED ORGANIZATION:

DATE OF ISSUE: 12/10/2025 ST ASSIGN:

Agenda Item No: 1.r

PLACENTIA CITY COUNCIL AGENDA REPORT

Meeting Date: June 16, 2026

Submitted by: Ontoine Lewis

From: Public Works

Subject:
AWARD OF CONTRACT TO NEW GENERATION LANDSCAPE MANAGEMENT FOR LANDSCAPE MAINTENANCE SERVICES

Financial Impact:

Expense: $244,900 Annual Contract Amount

Proposed Budget: 101-80403-6300 - Proposed FY 26-27 Budget $153,154
210-80000-6011 - Proposed FY 26-27 Budget $ 97,725
218-80000-6011 - Proposed FY 26-27 Budget $139,000
223-90000-6011 - Proposed FY 26-27 Budget $ 16,626
Total Budget: $406,505

Summary:
The City's current agreement for landscape maintenance services provides for the routine maintenance of all the City's landscaped medians and parkways and is scheduled to expire on June 30, 2026. The scope of services under this proposed agreement includes general landscape maintenance, turf grass maintenance, weed control, fertilization, shrub, and groundcover maintenance. The City issued a notice inviting bids for these services, and bids were received on June 1, 2026, from eight (8) contractors. New Generation Landscape Management was deemed the best candidate and responsive and responsible bidder. This action will award a three-year agreement with a potential one (1) two-year term extension to New Generation Landscape Management Inc, in an annual not-to-exceed amount of $244,900 and a cumulative three-year contract not-to-exceed amount of $734,700.

Recommended Action:
It is recommended that the City Council:

1. Approve a Maintenance Services Agreement with New Generation Landscape Management for Landscape Maintenance Services in an amount not to exceed $244,900 per year for an initial three (3) year contract term resulting in a total contract not-to-exceed amount of $734,700 and including an option to extend for an additional two-year term based upon contractor performance; and
2. Authorize the City Administrator to approve contract change orders up to 10% of the total contract not-to-exceed amount; and
3. Authorize the City Administrator and/or her designee to execute all necessary documents, in a form approved by the City Attorney.

Strategic Plan Statement:
This item aligns with Strategic Goal No. 3: Infrastructure, Facilities, and Public Spaces. Awarding this contract ensures our public spaces are clean, attractive, and reflective of the city's commitment to quality.

Discussion:
The City's current contract for landscape maintenance services is set to expire on June 30, 2026. Medians, parkways, and other landscaped areas included in the City's Landscape Maintenance District 92-1 are also included in this contract. The contract scope of work provides routine turf grass and landscape maintenance, as well as pest, rodent, and weed control.

On June 1, 2026, the City received eight (8) bids from contractors to provide these services. The following table provides the bid amounts received from each contractor:

Contractor	**Bid Amount**
New Generation Landscape Management	$244,900.00
Tropical Plaza Nursery, Inc.	$265,425.20
EMTS, Inc	$281,112.00
Colts Landscape Inc	$287,999.99
Priority Landscape Services	$328,260.00
Mariposa Landscapes, Inc.	$338,718.10
Nieves Landscape, LLC.	$423,307.79
Greentech Landscape Inc.	$555,015.00

Staff reviewed the bids received for mathematical and other errors. New Generation Landscape Management submitted the low bid received in the amount of $244,900. Based on the low bid received and New Generation Landscape Management's bid package, staff recommends that the City Council award a contract for Landscape Maintenance Services to New Generation Landscape Management.

Financial Summary:
The agreement with New Generation Landscape Management is for an annual not-to-exceed amount of $244,900. The term of the agreement is three (3) years for a cumulative three-year not-to-exceed contract amount of $734,700, with the option to extend for one (1) additional two-year term based upon contractor performance and at the discretion of the City. Funding for Landscape Maintenance Services has been included in the proposed Fiscal Year 2026-27 Operating Budget.

CITY OF PLACENTIA
MAINTENANCE SERVICES AGREEMENT
WITH
NEW GENERATION LANDSCAPE MANAGEMENT INC.

THIS AGREEMENT is made and entered into this 1st day of July, 2026 ("Effective Date"), by and between the CITY OF PLACENTIA, a municipal corporation ("City"), and New Generation Landscape Management Inc., a California Corporation ("Contractor").

W I T N E S S E T H:

A. WHEREAS, City proposes to utilize the services of Contractor as an independent contractor to provide Landscape Maintenance, as more fully described herein; and

B. WHEREAS, Contractor represents that it has that degree of specialized expertise contemplated within California Government Code Section 37103, and holds all necessary licenses to practice and perform the services herein contemplated; and

C. WHEREAS, City and Contractor desire to contract for the specific services described in Exhibit "A" (the "Project") and desire to set forth their rights, duties, and liabilities in connection with the services to be performed; and

D. WHEREAS, no official or employee of City has a financial interest, within the provisions of Sections 1090-1092 of the California Government Code, in the subject matter of this Agreement.

NOW, THEREFORE, for and in consideration of the mutual covenants and conditions contained herein, the parties hereby agree as follows:

1.0. SERVICES PROVIDED BY CONTRACTOR

1.1. Scope of Services. Contractor shall provide the professional services described in Contractor's Proposal ("Proposal"), attached hereto as Exhibit "A" and incorporated herein by this reference.

1.2. Professional Practices. All professional services to be provided by Contractor pursuant to this Agreement shall be provided by personnel experienced in their respective fields and in a manner consistent with the standards of care, diligence and skill ordinarily exercised by professional contractors in similar fields and circumstances in accordance with sound professional practices. Contractor also warrants that it is familiar with all laws that may affect its performance of this Agreement and shall advise City of any changes in any laws that may affect Contractor's performance of this Agreement. Contractor shall keep itself informed of State and Federal laws and regulations which in any manner affect those employed by it or in any way affect the performance of its service pursuant to this Agreement. The Contractor shall at all times observe and comply with all such laws and regulations. Officers and employees shall not be liable at law or in equity occasioned by failure of the Contractor to comply with this Section.

1.3. Performance to Satisfaction of City. Contractor agrees to perform all the work to the complete satisfaction of the City and within the hereinafter specified. Evaluations of the work will be done by the City Administrator or his or her designee. If the quality of work is not satisfactory, City in its discretion has the right to:

(a) Meet with Contractor to review the quality of the work and resolve the

matters of concern;

(b) Require Contractor to repeat the work at no additional fee until it is satisfactory; and/or

(c) Terminate the Agreement as hereinafter set forth.

1.4. Warranty. Contractor warrants that it shall perform the services required by this Agreement in compliance with all applicable Federal and California employment laws, including, but not limited to, those laws related to minimum hours and wages; occupational health and safety; fair employment and employment practices; workers' compensation insurance and safety in employment; and all other Federal, State, and local laws and ordinances applicable to the services required under this Agreement. Consultant warrants that it is not suspended or debarred from doing business with the United States government and can legally be paid from federal funds. Contractor shall indemnify and hold harmless City from and against all claims, demands, payments, suits, actions, proceedings, and judgments of every nature and description including attorneys' fees and costs, presented, brought, or recovered against City for, or on account of any liability under any of the above-mentioned laws, which may be incurred by reason of Contractor's performance under this Agreement.

1.5. Non-discrimination. In performing this Agreement, Contractor shall not engage in, nor permit its agents to engage in, discrimination in employment of persons because of their race, religion, color, national origin, ancestry, age, physical handicap, medical condition, marital status, sexual gender, or sexual orientation, except as permitted pursuant to Section 12940 of the Government Code. Such actions shall include, but not be limited to the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay, or other forms of compensation and selection for training, including apprenticeship. Contractor agrees to post in conspicuous places, available to employees and applicants for employment, a notice setting forth provisions of this non-discrimination clause.

Contractor shall, in all solicitations and advertisements for employees placed by, or on behalf of Contractor shall state that all qualified applicants will receive consideration for employment without regard to age, race, color, religion, sex, marital status, national origin, or mental or physical disability. Contractor shall cause the paragraphs contained in this Section to be inserted in all subcontracts for any work covered by the Agreement, provided that the foregoing provisions shall not apply to subcontracts for standard commercial supplies or raw materials.

1.6. Non-Exclusive Agreement. Contractor acknowledges that City may enter into agreements with other Contractors for services similar to the services that are subject to this Agreement or may have its own employees perform services similar to those services contemplated by this Agreement.

1.7. Delegation and Assignment. This is a personal service contract, and the duties set forth herein shall not be delegated or assigned to any person or entity without the prior written consent of City. Contractor may engage a subcontractor(s) as permitted by law and may employ other personnel to perform services contemplated by this Agreement at Contractor's sole cost and expense. All insurance requirements contained in this Agreement are independently applicable to any and all subcontractors that Contractor may engage during the term of this Agreement.

1.8. Confidentiality. Employees of Contractor in the course of their duties may have access to financial, accounting, statistical, and personnel data of private individuals and

employees of City. Contractor covenants that all data, documents, discussion, or other information developed or received by Contractor or provided for performance of this Agreement are deemed confidential and shall not be disclosed by Contractor without written authorization by City. City shall grant such authorization if disclosure is required by law. All City data shall be returned to City upon the termination of this Agreement. Contractor's covenant under this Section shall survive the termination of this Agreement.

2.0. COMPENSATION AND BILLING

2.1. Compensation. Contractor shall be paid in accordance with the fee schedule set forth in Exhibit "A". Contractor's total compensation shall not exceed Two Hundred Forty-Four Thousand Nine Hundred Dollars ($244,900) annually or a cumulative amount of Seven Hundred Thirty-Four Thousand Seven Hundred Dollars ($734,700) , unless authorized herein.

2.2. Additional Services. Contractor shall not receive compensation for any services provided outside the scope of services specified in the Contractor's Proposal or which is inconsistent with or in violation of the provisions of this Agreement unless the City or the Project Manager for this Project, prior to Contractor performing the additional services, approves such additional services in writing. It is specifically understood that oral requests and/or approvals of such additional services or additional compensation shall be barred and are unenforceable. Should the City request in writing additional services that increase the hereinabove described "Scope of Services", an additional fee based upon the Contractor's standard hourly rates shall be paid to the Contractor for such additional services. Such increase in additional fees shall be limited to 10% of the total contract sum. The City Administrator is authorized to approve a Change Order for such additional services. Where the original contract is $40,000.00 or less, City Council approval shall be required prior to any increase bringing the total compensation to more than $40,000.00.

2.3. Method of Billing. Contractor may submit invoices to the City for approval on a progress basis, but no more often than two times a month. Said invoice shall be based on the total of all Contractor's services which have been completed to City's sole satisfaction. City shall pay Contractor's invoice within forty-five (45) days from the date City receives said invoice. Each invoice shall describe in detail the services performed, the date of performance, and the associated time for completion. Any additional services approved and performed pursuant to this Agreement shall be designated as "Additional Services" and shall identify the number of the authorized change order, where applicable, on all invoices.

2.4. Records and Audits. Records of Contractor's services relating to this Agreement shall be maintained in accordance with generally recognized accounting principles and shall be made available to City or its Project Manager for inspection and/or audit at mutually convenient times for a period of three (3) years from the Effective Date.

3.0. TIME OF PERFORMANCE

3.1. Commencement and Completion of Work. The professional services to be performed pursuant to this Agreement shall commence within five (5) days from the Effective Date of this Agreement. Said services shall be performed in strict compliance with the Project Schedule approved by City as set forth in Exhibit "A". The Project Schedule may be amended by mutual agreement of the parties. Failure to commence work in a timely manner and/or diligently pursue work to completion may be grounds for termination of this Agreement.

3.2. Excusable Delays. Neither party shall be responsible for delays or lack of

performance resulting from acts beyond the reasonable control of the party or parties. Such acts shall include, but not be limited to, acts of God, fire, strikes, material shortages, compliance with laws or regulations, riots, acts of war, or any other conditions beyond the reasonable control of a party. If a delay beyond the control of the Contractor is encountered, a time extension may be mutually agreed upon in writing by the City and the Contractor. The Contractor shall present documentation satisfactory to the City to substantiate any request for a time extension.

4.0. TERM AND TERMINATION

4.1. Term. This Agreement shall commence on the Effective Date and continue for a period of 36 months, ending on July 1, 2029, unless previously terminated as provided herein or as otherwise agreed to in writing by the parties.

4.2. Notice of Termination. The City reserves and has the right and privilege of canceling, suspending, or abandoning the execution of all or any part of the work contemplated by this Agreement, with or without cause, at any time, by providing at least fifteen (15) days prior written notice to Contractor. The termination of this Agreement shall be deemed effective upon receipt of the notice of termination. In the event of such termination, Contractor shall immediately stop rendering services under this Agreement unless directed otherwise by the City. If the City suspends, terminates, or abandons a portion of this Agreement such suspension, termination, or abandonment shall not make void or invalidate the remainder of this Agreement.

If the Contractor defaults in the performance of any of the terms or conditions of this Agreement, it shall have ten (10) days after service upon it of written notice of such default in which to cure the default by rendering a satisfactory performance. In the event that the Contractor fails to cure its default within such period of time, the City shall have the right, notwithstanding any other provision of this Agreement, to terminate this Agreement without further notice and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement.

The City shall have the right, notwithstanding any other provisions of this Agreement, to terminate this Agreement, at its option and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement, immediately upon service of written notice of termination on the Contractor, if the latter should:

a. Be adjudged a bankrupt;

b. Become insolvent or have a receiver of its assets or property appointed because of insolvency;

c. Make a general assignment for the benefit of creditors;

d. Default in the performance of any obligation or payment of any indebtedness under this Agreement;

e. Suffer any judgment against it to remain unsatisfied or unbonded of record for thirty (30) days or longer; or

f. Institute or suffer to be instituted any procedures for reorganization or rearrangement of its affairs.

4.3. Compensation. In the event of termination, City shall pay Contractor for

reasonable costs incurred and professional services satisfactorily performed up to and including the date of City's written notice of termination within thirty-five (35) days after service of the notice of termination. Compensation for work in progress shall be prorated based on the percentage of work completed as of the effective date of termination in accordance with the fees set forth herein. In ascertaining the professional services actually rendered hereunder up to the effective date of termination of this Agreement, consideration shall be given to both completed work and work in progress, to complete and incomplete drawings, and to other documents pertaining to the services contemplated herein whether delivered to the City or in the possession of the Contractor. City shall not be liable for any claim of lost profits.

4.4. Documents. In the event of termination of this Agreement, all documents prepared by Contractor in its performance of this Agreement including, but not limited to, finished or unfinished design, development, and construction documents, data studies, drawings, maps, and reports, shall be delivered to the City within ten (10) days of delivery of termination notice to Contractor, at no cost to City. Any use of uncompleted documents without specific written authorization from Contractor shall be at City's sole risk and without liability or legal expense to Contractor.

5.0. INSURANCE

5.1. Insurance. The Contractor and all subcontractors, if any, shall procure and maintain, at its sole cost and expense, in a form and content satisfactory to City, during the entire term of this Agreement including any extension thereof, insurance as set forth in Exhibit "B" attached hereto and incorporated herein by this reference.

Neither the City nor any of its officers, officials, agents, employees, or volunteers makes any representation that the types of insurance and the limits specified to be carried by Contractor under this Agreement are adequate to protect Contractor. If Contractor believes that any such insurance coverage is insufficient, Contractor shall provide, at its own expense, such additional insurance as Contractor deems adequate.

5.2. Deductible or Self-Insured Retention. If any of such policies provide for a deductible or self-insured retention to provide such coverage, the amount of such deductible or self-insured retention shall be approved in advance by City. No policy of insurance issued as to which the City is an additional insured shall contain a provision which requires that no insured except the named insured can satisfy any such deductible or self-insured retention.

5.3. Certificates of Insurance. Contractor shall provide to City certificates of insurance showing the insurance coverages, as well as providing the City with the required endorsements, in a form and content approved by City, prior to performing any services under this Agreement. The certificates of insurance and endorsements shall be attached hereto as Exhibit "C" and incorporated herein by this reference.

5.4. Non-limiting. Nothing in this Section shall be construed as limiting in any way, the indemnification provision contained in this Agreement, or the extent to which Contractor may be held responsible for payments of damages to persons or property.

6.0. GENERAL PROVISIONS

6.1. Entire Agreement. This Agreement constitutes the entire agreement between the parties with respect to any matter referenced herein and supersedes any and all other prior writings and oral negotiations. This Agreement may be modified only in writing and signed by the

parties in interest at the time of such modification. The terms of this Agreement shall prevail over any inconsistent provision in any other contract document appurtenant hereto, including exhibits to this Agreement.

6.2. Representatives. The City Administrator or his or her designee shall be the representative of City for purposes of this Agreement and may issue all consents, approvals, directives, and agreements on behalf of the City, called for by this Agreement, except as otherwise expressly provided in this Agreement.

Contractor shall designate a representative for purposes of this Agreement who shall be authorized to issue all consents, approvals, directives, and agreements on behalf of Contractor called for by this Agreement, except as otherwise expressly provided in this Agreement.

6.3. Project Managers. City shall designate a Project Manager to work directly with Contractor in the performance of this Agreement. It shall be the Contractor's responsibility to assure that the Project Manager is kept informed of the progress of the performance of the services and the Contractor shall refer any decision, which must be made by City, to the Project Manager. Unless otherwise specified herein, any approval of City required hereunder shall mean the approval of the Project Manager.

Contractor shall designate a Project Manager who shall represent it and be its agent in all consultations with City during the term of this Agreement and who shall not be changed by Contractor without the express written approval by the City. Contractor or its Project Manager shall attend and assist in all coordination meetings called by City.

6.4. Notices. Any notices, documents, correspondence, or other communications concerning this Agreement, or the work hereunder may be provided by personal delivery, facsimile or if mailed, shall be addressed as set forth below and placed in a sealed envelope, postage prepaid, and deposited in the United States Postal Service. Such communication shall be deemed served or delivered: a) at the time of delivery if such communication is sent by personal delivery; b) at the time of transmission if such communication is sent by facsimile; and c) 72 hours after deposit in the U.S. Mail as reflected by the official U.S. postmark if such communication is sent through regular United States mail.

IF TO CONTRACTOR:	IF TO CITY:
New Generation Landscape Management Inc. 7077 N Magnolia Ave San Bernardino, CA, 92407 Tel: (190)-972-6142	City of Placentia 401 E. Chapman Ave. Placentia, CA 92870 Tel: 714-993-8212
Attn: Jose Lopez Jr.	Attn: Ontoine Lewis

6.5. Attorneys' Fees. In the event that litigation is brought by any party in connection with this Agreement, the prevailing party shall be entitled to recover from the opposing party all costs and expenses, including reasonable attorneys' fees, incurred by the prevailing party in the exercise of any of its rights or remedies hereunder or the enforcement of any of the terms, conditions, or provisions hereof.

6.6. Governing Law. This Agreement shall be governed by and construed under the laws of the State of California without giving effect to that body of laws pertaining to conflict of laws. In the event of any legal action to enforce or interpret this Agreement, the parties hereto agree that the sole and exclusive venue shall be a court of competent jurisdiction located in Orange County, California. Contractor agrees to submit to the personal jurisdiction of such court in the event of such action.

6.7. Assignment. Contractor shall not voluntarily or by operation of law assign, transfer, sublet, or encumber all or any part of Contractor's interest in this Agreement without City's prior written consent. Any attempted assignment, transfer, subletting, or encumbrance shall be void and shall constitute a breach of this Agreement and cause for termination of this Agreement. Regardless of City's consent, no subletting or assignment shall release Contractor of Contractor's obligation to perform all other obligations to be performed by Contractor hereunder for the term of this Agreement.

6.8. Indemnification and Hold Harmless. Consultant agrees to protect, defend, indemnify, and hold free and harmless the City, its officers, officials, agents, employees, and volunteers, at Consultant's sole expense, from and against any and all claims, liabilities, demands, actions, expenses, damages, suits or other legal proceedings brought against the City, its officers, officials, agents, employees, and volunteers arising out of or in any way connected with the performance of the Consultant, its employees, and/or authorized subcontractors' work undertaken pursuant to this Agreement including all acts or omissions, willful misconduct or negligent conduct, whether active or passive, on the part of the Consultant, its employees and/or subcontractors. The defense obligation provided for hereunder shall apply whenever any claim, action, complaint or suit asserts liability against the City, its officers, officials, agents, employees, and volunteers based upon the work performed by the Consultant, its employees, and/or authorized subcontractors under this Agreement, whether or not the Consultant, its employees, and/or authorized subcontractors are specifically named or otherwise asserted to be liable, and whether or not there is any evidence of fault or wrongdoing by the Consultant, its employees and/or its subcontractors. Notwithstanding the foregoing, the Consultant shall not be liable for the defense or indemnification of the City for claims, actions, complaints or suits arising out of the sole active negligence or willful misconduct of the City. This provision shall supersede and replace all other indemnity provisions contained either in the City's specifications or Consultant's Proposal, which shall be of no force and effect.

6.9. Independent Contractor. Contractor is and shall be acting at all times as an independent contractor and not as an employee of City. Contractor shall have no power to incur any debt, obligation, or liability on behalf of City or otherwise act on behalf of City as an agent. Neither City nor any of its agents shall have control over the conduct of Contractor or any of Contractor's employees, except as set forth in this Agreement. Contractor shall not, at any time, or in any manner, represent that it or any of its or employees are in any manner agents or employees of City. Contractor shall secure, at its sole expense, and be responsible for any and all payment of Income Tax, Social Security, State Disability Insurance Compensation, Unemployment Compensation, and other payroll deductions for Contractor and its officers, agents, and employees, and all business licenses, if any are required, in connection with the services to be performed hereunder. Contractor shall indemnify and hold City harmless from any and all taxes, assessments, penalties, and interest asserted against City by reason of the independent contractor relationship created by this Agreement. Contractor further agrees to indemnify and hold City harmless from any failure of Contractor to comply with the applicable worker's compensation laws. City shall have the right to offset against the amount of any fees due to Contractor under this Agreement any amount due to City from Contractor as a result of Contractor's failure to promptly pay to City any reimbursement or indemnification arising under

this paragraph.

6.10. PERS Eligibility Indemnification. In the event that Contractor or any employee, agent, or subcontractor of Contractor providing services under this Agreement claims or is determined by a court of competent jurisdiction or the California Public Employees Retirement System (PERS) to be eligible for enrollment in PERS as an employee of the City, Contractor shall indemnify, defend, and hold harmless City for the payment of any employee and/or employer contributions for PERS benefits on behalf of Contractor or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of City.

Notwithstanding any other agency, State, or Federal policy, rule, regulation, law, or ordinance to the contrary, Contractor and any of its employees, agents, and subcontractors providing service under this Agreement shall not qualify for or become entitled to, and hereby agree to waive any claims to, any compensation, benefit, or any incident of employment by City, including but not limited to eligibility to enroll in PERS as an employee of City and entitlement to any contribution to be paid by City for employer contribution and/or employee contributions for PERS benefits.

6.11. Cooperation. In the event any claim or action is brought against City relating to Contractor's performance or services rendered under this Agreement, Contractor shall render any reasonable assistance and cooperation which City might require.

6.12. Ownership of Documents. All findings, reports, documents, information, and data including, but not limited to, computer tapes or discs, preliminary notes, working documents, files, and tapes furnished or prepared by Contractor or any of its subcontractors in the course of performance of this Agreement, shall be and remain the sole property of City. Contractor agrees that any such documents or information shall not be made available to any individual or organization without the prior consent of City but shall be made available to the City within ten (10) days of request or within ten (10) days of termination. Any use of such documents for other projects not contemplated by this Agreement, and any use of incomplete documents, shall be at the sole risk of City and without liability or legal exposure to Contractor. City shall indemnify and hold harmless Contractor from all claims, damages, losses, and expenses, including attorneys' fees, arising out of or resulting from City's use of such documents for other projects not contemplated by this Agreement or use of incomplete documents furnished by Contractor. Contractor shall deliver to City any findings, reports, documents, information, data, preliminary notes and working documents, in any form, including but not limited to, computer tapes, discs, files audio tapes, or any other Project related items as requested by City or its authorized representative, at no additional cost to the City. Contractor or Contractor's agents shall execute such documents as may be necessary from time to time to confirm City's ownership of the copyright in such documents.

6.13. Public Records Act Disclosure. Consultant has been advised and is aware that this Agreement and all reports, documents, information, and data, including, but not limited to, computer tapes, discs, or files furnished or prepared by Consultant, or any of its subcontractors, pursuant to this Agreement and provided to City may be subject to public disclosure as required by the California Public Records Act (California Government Code Section 7920.000 *et seq.*). Exceptions to public disclosure may be those documents or information that qualify as trade secrets, as that term is defined in the California Government Code Section 7924.510, and of which Consultant informs City of such trade secret. The City will endeavor to maintain as confidential all information obtained by it that is designated as a trade secret. The City shall not, in any way, be liable or responsible for the disclosure of any trade secret including, without

limitation, those records so marked if disclosure is deemed to be required by law or by order of the Court.

6.14. Conflict of Interest. Contractor and its officers, employees, associates, and subcontractors, if any, will comply with all conflict of interest statutes of the State of California applicable to Contractor's services under this agreement, including, but not limited to, the Political Reform Act (Government Code Sections 81000, *et seq.*) and Government Code Section 1090. During the term of this Agreement, Contractor and its officers, employees, associates, and subcontractors shall not, without the prior written approval of the City Representative, perform work for another person or entity for whom Contractor is not currently performing work that would require Contractor or one of its officers, employees, associates, or subcontractors to abstain from a decision under this Agreement pursuant to a conflict of interest statute. Consultant's duties and services under this Agreement shall not include preparing or assisting the City with any portion of the City's preparation of a request for proposals, request for qualifications, or any other solicitation regarding a subsequent or additional contract with the City. The City shall at all times retain responsibility for public contracting, including with respect to any subsequent phase of this project. Consultant's participation in the planning, discussions, or drawing of project plans or specifications shall be limited to conceptual, preliminary, or initial plans or specifications. Consultant shall cooperate with the public entity to ensure that all bidders for a subsequent contract on any subsequent phase of this project, if any, have access to the same information, including all conceptual, preliminary, or initial plans or specifications prepared by Consultant pursuant to this Agreement.

6.15. Responsibility for Errors. Contractor shall be responsible for its work and results under this Agreement. Contractor, when requested, shall furnish clarification and/or explanation as may be required by the City's representative, regarding any services rendered under this Agreement at no additional cost to City. In the event that an error or omission attributable to Contractor occurs, then Contractor shall, at no cost to City, provide all necessary design drawings, estimates and other Contractor professional services necessary to rectify and correct the matter to the sole satisfaction of City and to participate in any meeting required with regard to the correction.

6.16. Prohibited Employment. Contractor will not employ any regular employee of City while this Agreement is in effect.

6.17. Order of Precedence. In the event of an inconsistency in this Agreement and any of the attached Exhibits, the terms set forth in this Agreement shall prevail. If, and to the extent this Agreement incorporates by reference any provision of any document, such provision shall be deemed a part of this Agreement. Nevertheless, if there is any conflict among the terms and conditions of this Agreement and those of any such provision or provisions so incorporated by reference, the conflict shall be resolved by giving precedence in the following order, if applicable: This Agreement, the City's Request for Proposals, the Contractor's Proposal.

6.18. Costs. Each party shall bear its own costs and fees incurred in the preparation and negotiation of this Agreement and in the performance of its obligations hereunder except as expressly provided herein.

6.19. No Third Party Beneficiary Rights. This Agreement is entered into for the sole benefit of City and Contractor and no other parties are intended to be direct or incidental beneficiaries of this Agreement and no third party shall have any right in, under or to this Agreement.

6.20. Headings. Paragraphs and subparagraph headings contained in this Agreement are included solely for convenience and are not intended to modify, explain or to be a full or accurate description of the content thereof and shall not in any way affect the meaning or interpretation of this Agreement.

6.21. Construction. The parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises with respect to this Agreement, this Agreement shall be construed as if drafted jointly by the parties and in accordance with its fair meaning. There shall be no presumption or burden of proof favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement.

6.22. Amendments. Only a writing executed by the parties hereto or their respective successors and assigns may amend this Agreement.

6.23. Waiver. The delay or failure of either party at any time to require performance or compliance by the other of any of its obligations or agreements shall in no way be deemed a waiver of those rights to require such performance or compliance. No waiver of any provision of this Agreement shall be effective unless in writing and signed by a duly authorized representative of the party against whom enforcement of a waiver is sought. The waiver of any right or remedy in respect to any occurrence or event shall not be deemed a waiver of any right or remedy in respect to any other occurrence or event, nor shall any waiver constitute a continuing waiver.

6.24. Severability. If any provision of this Agreement is determined by a court of competent jurisdiction to be unenforceable in any circumstance, such determination shall not affect the validity or enforceability of the remaining terms and provisions hereof or of the offending provision in any other circumstance. Notwithstanding the foregoing, if the value of this Agreement, based upon the substantial benefit of the bargain for any party, is materially impaired, which determination made by the presiding court or arbitrator of competent jurisdiction shall be binding, then both parties agree to substitute such provision(s) through good faith negotiations.

6.25. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original. All counterparts shall be construed together and shall constitute one agreement.

6.26. Corporate Authority. The persons executing this Agreement on behalf of the parties hereto warrant that they are duly authorized to execute this Agreement on behalf of said parties and that by doing so the parties hereto are formally bound to the provisions of this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by and through their respective authorized officers, as of the date first above written.

RE: Landscape Maintenance Services Proposal

Dear Evaluation Committee,

Thank you for the opportunity to submit our proposal for the City of Placentia's Landscape Maintenance Services contract.

At New Generation Landscape Management, we take pride in maintaining landscapes that are clean, well-kept, and representative of the communities they serve. Our team understands the importance of consistency, attention to detail, and regular site inspections to ensure the City's medians, parkways, slopes, and public facilities are maintained to a high standard.

We believe successful landscape maintenance comes down to doing the basics exceptionally well. Showing up on schedule, maintaining properties consistently, and taking pride in the work being performed. Through routine supervisor inspections and ongoing quality control, we work to ensure every location receives the attention it deserves.

We appreciate your consideration and look forward to the opportunity to serve the City of Placentia.

Sincerely,

Jose Lopez Jr.

Jose Lopez Jr.
Vice President
New Generation Landscape Management, Inc.

Company Overview

New Generation Landscape Management, Inc. is a family-owned and operated company that has proudly served Southern California communities since 2014. Founded by President Jesus Lopez, the company was built on hard work, integrity, and a commitment to providing dependable landscape maintenance services. Over the years, his son, Vice President Jose Lopez Jr., joined him in helping grow the business into a trusted provider serving municipalities, homeowner associations, commercial properties, and public agencies throughout Southern California.

What began as a small family business has grown through strong client relationships, quality service, and a hands-on approach to management. While the company has expanded over the years, the values it was founded on have remained unchanged: work hard, do what you say you are going to do, and take pride in every property you maintain.

One of the things that sets New Generation apart is the involvement of its leadership team. Jesus Lopez and Jose Lopez Jr. remain actively engaged in the day-to-day operations of the company, from client meetings and property inspections to quality control reviews and employee development. Rather than managing from a distance, they stay connected to the properties, crews, and clients they serve.

At New Generation, we believe successful landscape maintenance starts with consistency, accountability, and attention to detail. Our management team works closely with field personnel to ensure properties are maintained to a high standard and that client expectations are consistently met. We take pride in building long-term relationships and earning trust through dependable service.

We are grateful for the opportunity to be considered by the City of Placentia. As a family-owned company, it would be an honor to serve the city and help maintain the medians, parkways, slopes, and public spaces that contribute to the community's appearance and pride.

Key Personnel

Jose de Jesus Limon Lopez, President - Certified Arborist WE – 8797AT

Jose is an exceptional professional boasting a comprehensive skill set with over 20 years experience in the tree care field and a wealth of certifications, positioning him as an invaluable asset in the field of tree management. Holding esteemed qualifications such as **Certified Arborist**, **Certified Tree Worker**, **Tree Climber Specialist**, **Ground Operation Specialist**, **Injection Certified Applicator**, **Aerial Rescue**, **First Aid** and **CPR** certifications. For the past few decades, Jose has been a driving force in the tree care industry, making significant contributions by training and certifying over 100 individuals as aerial lift tree workers. His expertise has extended to various entities, including the City of **Cerritos**, **Arcadia**, **Monte Bello**, **Glendora**, **Upland**, **Chino**, **West Coast Arborist**, **BrightView**, **Mariposa Landscape**, **Andre Landscape**, **CLS Landscape**, **Tree Pros**, **Mowbray's Tree Service**, and many more. Jose's commitment to advancing skills and safety standards has left a lasting impact on the tree care profession across diverse organizations and regions. Jose is not only well-equipped but also served as one of the judges for the ISA. His unique expertise makes him the ideal candidate to lead and manage all tree-related matters and inspections.

Jose Lopez Jr, *Vice President*, Landscape Maintenance

With a distinguished background in landscape maintenance, construction, and water management, Jose Lopez Jr. is a **Certified Irrigation Technician**, **Certified Irrigation Installer**, **Certified Backflow Prevention Assembly Tester**, **Certified Irrigation Auditor**, and **Recycled Agricultural and Raw water use site supervisor**, and **Qualified pesticide applicator**. Since 2020, Jose has been a cornerstone in the landscape industry, serving as an irrigation instructor. His impactful contributions include the training and certification of over 200 individuals in various capacities, such as certified irrigation repair technicians, certified backflow prevention assembly testers, certified irrigation installers, and certified irrigation auditors. His expertise has reached diverse sectors, including the City of **Fontana**, **Ontario**, **Menifee**, **Upland**, **Perris**, **San Diego**, **Los Angeles**, **Sacramento**, **Anaheim**, **Riverside**, **Rancho Cucamonga**, **Santa Ana**, **Chino Hills**, **Forest Lawn Cemetery**, **Cal State Fullerton**, **University of southern california**, **BrightView**, **Landcare**, **Bemus Landscape**, **Mariposa Landscape**, **Mission Landscape**, **Merchants Landscape**, **Villa park**, **Greentech Landscape**, and more. Jose's commitment to education and certification has left an indelible mark on the landscape industry. His extensive leadership experience, successfully managing over 20 teams, makes him the perfect fit for the role of Vice President overseeing the City of Placentia.

Omar Silva, ***Account Manager, Landscape Maintenance***

Omar is a highly experienced professional in the landscape industry, with a deep expertise in **landscape maintenance, construction, and irrigation**, he has developed a comprehensive skill set that makes him an essential part of the team. Omar's leadership is characterized by his ability to motivate and inspire his team, driving them to achieve excellence and surpass expectations.With a proven track record of managing over 50 accounts and overseeing more than 20 crews, Omar's exceptional communication, problem-solving skills, and work ethic set him apart in the industry. His commitment to learning and growth ensures that he stays ahead of challenges, while his positive attitude fosters a collaborative and productive environment.Omar has built strong, trusted relationships with clients, establishing himself as a key figure within the company. As he transitions into his role as Account Manager, Omar's wealth of experience, leadership, and dedication will continue to lead the team toward achieving greater success and delivering outstanding services to the City of Placentia.

Juan Garcia, Lead Certified Irrigation Technician / Quality Control

Juan Garcia serves as the Lead Irrigation Technician for New Generation Landscape Management, Inc., overseeing all irrigation operations and supervising field irrigation technicians. He brings over a decade of specialized irrigation experience and nearly two decades of landscape maintenance experience. Juan has led multiple teams responsible for maintaining a significant portion of the City of Corona's landscape infrastructure, gaining extensive experience in municipal irrigation systems and corridor maintenance. He is a Certified Irrigation Technician and Certified Repair Technician and is currently pursuing certification as an Irrigation Auditor and Certified Pesticide Applicator. His leadership and technical expertise ensure proactive system management, water-use efficiency, and timely repair coordination.

Staffing Plan

New Generation Landscape Management will assign a dedicated team to provide landscape maintenance services for the City of Placentia. The proposed staffing plan has been developed to ensure all contract locations receive consistent service while maintaining flexibility to address seasonal needs and workload demands.

Dedicated Maintenance Crew

- One (1) Foreman
- Two (2) Landscape Maintenance Technicians

The maintenance crew will be responsible for general landscape maintenance, shrub trimming, weed control, site cleanup, fertilization, and overall property appearance.

Dedicated Mowing Crew

- Two (2) Landscape Maintenance Technicians

The mowing crew will focus on turf maintenance and mowing operations throughout the contract areas to ensure mowing schedules are consistently maintained.

Management & Oversight

- Jesus Lopez – President
- Jose Lopez Jr.- Vice President
- Omar Silva – Account Manager

Management personnel will provide regular site inspections, quality control reviews, scheduling support, and client communication to ensure contract requirements are met.

New Generation Landscape Management also maintains additional personnel within its organization who can be utilized to support the contract during peak workloads, seasonal requirements, special projects, or employee absences.

Equipment Assigned to This Contract

New Generation Landscape Management maintains a fleet of vehicles, trailers, and landscape equipment necessary to successfully perform the services outlined in this contract. The following equipment is available and will be utilized to support the City of Placentia's Landscape Maintenance Services contract:

Vehicles & Trailers

- One (1) 2021 Ford F-150
- One (1) 2017 Ford F-150
- One (1) 2017 Toyota Tacoma
- One (1) 16-foot Landscape Trailer
- One (1) 14-foot Landscape Trailer

Landscape Maintenance Equipment

- One (1) 60" Commercial Mower
- Three (3) String Trimmers
- One (1) Edger
- Three (3) Hedge Trimmers
- Three (3) Backpack Blowers
- Backpack Sprayers
- One (1) Pole Pruner

Hand Tools & Support Equipment

- Six (6) Landscape Rakes
- Burlaps
- Miscellaneous Hand Landscape Tools
- Safety Equipment and Personal Protective Equipment (PPE)

All equipment is routinely inspected and maintained to ensure safe operation, reliability, and consistent service throughout the term of the contract. Additional vehicles, trailers, equipment, and personnel are available through New Generation Landscape Management's existing fleet resources to provide support as needed.

Licenses & Certifications

New Generation Landscape Management, Inc., maintains all licenses, registrations, and certifications necessary to perform the services outlined within this contract.

Contractor Licenses

- ✓ C-27 Landscape Contractor License #999308
- ✓ C-61 Limited Specialty Contractor License
- ✓ D-49 Tree Service Contractor License

Registrations & Professional Certifications

- ✓ Department of Industrial Relations (DIR) Registered Contractor
- ✓ Qualified Applicator License (QAL) #164857 – Jose Lopez Jr.
- ✓ Pest Control Business License #47313
- ✓ ISA Certified Arborist WE-8797AT – Jesus Lopez
- ✓ ISA Certified Tree Worker WE-8797AT – Jesus Lopez
- ✓ Certified Irrigation Technician
- ✓ Certified Irrigation Installer
- ✓ Certified Irrigation Auditor
- ✓ Certified Backflow Tester
- ✓ Reclaimed Water Certified Personnel
- ✓ CPR and First Aid Trained Personnel

New Generation Landscape Management is committed to maintaining all required licenses, registrations, and certifications throughout the duration of the contract. Our investment in ongoing training and professional development allows us to provide knowledgeable, qualified personnel and maintain a high standard of service across all properties we manage.

Safety Program

Safety is a core component of New Generation Landscape Management's daily operations. Our company maintains a structured safety program designed to protect employees, the public, and City property while ensuring compliance with all applicable regulations.

Our safety program includes:

- Required personal protective equipment (PPE) for all field staff
- Weekly tailgate safety meetings conducted by supervisors
- Monthly equipment operation and safety training
- Annual pesticide safety training for all applicable employees
- Cal/OSHA-compliant safety procedures
- Site hazard assessments prior to work
- Proper traffic and pedestrian safety controls
- Incident reporting and corrective action procedures

Ongoing Training & Certification

New Generation places a strong emphasis on continuing education and industry best practices. Our training program includes:

- **Annual pesticide safety training** to ensure proper handling, mixing, and application in accordance with state regulations
- **Weekly tailgate safety meetings** to review job-site hazards, safe work practices, and seasonal safety topics
- **Monthly equipment training** focused on proper operation, maintenance, and safe handling of landscape equipment
- **Manufacturer training for irrigation personnel** to keep technicians up to date on new controllers, smart irrigation technology, and water management systems

This ongoing training ensures that our crews operate safely, use equipment correctly, and remain current with industry standards and new technologies.

All field personnel are required to follow company safety standards and wear appropriate personal protective equipment (PPE) based on the task being performed. Standard PPE includes high-visibility safety vests, company uniforms, safety glasses, gloves, and hearing protection when operating equipment.

Supervisors monitor compliance during routine inspections to ensure that all crews maintain a professional appearance and operate safely at all times.

OPTIONAL INFORMATION

The jurat contained within this document is in accordance with California law. Any affidavit subscribed and sworn to before a notary shall use the preceding wording or substantially similar wording pursuant to Civil Code sections 1189 and 8202. A jurat certificate cannot be affixed to a document sent by mail or otherwise delivered to a notary public, including electronic means, whereby the signer did not personally appear before the notary public, even if the signer is known by the notary public. The seal and signature cannot be affixed to a document without the correct notarial wording. As an additional option an affiant can produce an affidavit on the same document as the notarial certificate wording to eliminate the use of additional documentation.

LANDSCAPING MAINTENANCE SERVICES

DATE: May 26, 2026

SUBJECT: Addendum # 1

ADDENDUM ACKNOWLEDGMENT:

Firm Name: New Generation Landscape Management, Inc.

Authorized Signature: Jose Lopez Jr.

Date: 5/29/26

Acknowledgment of Receipt of Addendum # 1 is required by signing.

Appendices

Green Waste Division

New Generation Landscape Management, Inc. is committed to sustainable landscape practices and responsible green waste management. Since 2020, our company has operated an in-house green waste recycling program at our San Bernardino yard. All green waste generated from maintenance operations is transported to our yard, where it is processed and converted into organic mulch. This mulch is then reused on client properties when appropriate, reducing landfill waste and improving soil health. Over the past several years, our program has successfully diverted more than **7,000 tons of green waste** from landfills and converted it into reusable organic material. This process provides the following benefits:

- Reduction of landfill disposal
- Improved soil moisture retention
- Reduction in weed growth
- Long-term soil health improvements
- Support of sustainable landscape practices

Our green waste recycling program allows the City of Placentia to benefit from environmentally responsible maintenance practices while maintaining high-quality landscape conditions.

Technology-Driven Landscape & Facility Management

New Generation Landscape Management, Inc. utilizes a cloud-based field management system to track, document, and report all landscape maintenance, irrigation, janitorial, and enhancement activities in real time.

This system provides full visibility into daily operations, improves accountability, and allows for faster response times and transparent communication with City staff.

Key System Capabilities

Real-Time Work Order Tracking

- All maintenance, irrigation, janitorial, and enhancement tasks are assigned digitally.
- Crews receive daily assignments on mobile devices.
- Supervisors monitor progress and completion in real time.

Photo Documentation & Service Verification

- Before-and-after photos are taken for maintenance and repair work.
- Photos are time-stamped and GPS-verified.
- Provides visual confirmation of completed services.

Irrigation & Repair Tracking

- Irrigation issues are logged as digital work orders.
- Repairs are tracked from identification through completion.
- Allows the City to review repair history and response times.

GPS Crew Tracking

- Crews check in and out of each site using GPS-based tracking.
- Confirms service dates, times, and crew presence.
- Improves accountability and reporting accuracy.

Digital Inspection Reports

- Supervisor's complete routine inspections using mobile forms.
- Reports include notes, photos, and recommended actions.
- Can be shared with City staff upon request.

This system ensures that all maintenance and janitorial activities are properly documented and easily accessible to City personnel.

In-House Resources

New Generation Landscape Management, Inc. maintains a fleet of commercial-grade equipment and service vehicles to support municipal landscape maintenance contracts.

Landscape Equipment

- Commercial walk-behind and ride-on mowers
- String trimmers and edgers
- Backpack blowers
- Hedge trimmers and pole pruners
- Chainsaws for tree maintenance
- Aerators and turf equipment
- Hand tools for detailed landscape work

Irrigation Equipment

- Valve and controller diagnostic tools
- Wire tracing equipment
- Leak detection tools
- Trenching and repair equipment
- Tablet devices for digital work orders, irrigation audits, and real-time reporting
- Pressure gauges and flow measurement tools for system performance testing

Arbor Care Equipment

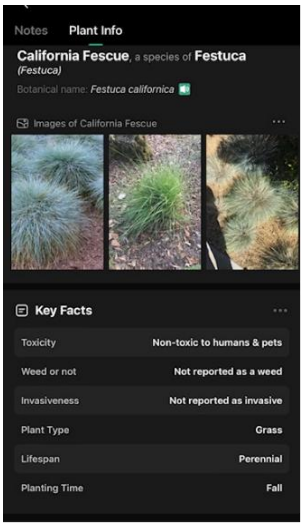
- Commercial chainsaws and pole saws
- Aerial lift equipment for elevated pruning
- Tree climbing gear and rigging equipment
- Stump grinding equipment
- Woodchippers for on-site debris processing
- Traffic control and safety equipment for tree operations

Service Vehicles

- Company trucks and utility trailers
- GPS-tracked vehicles for route efficiency and accountability

By maintaining dedicated landscape, irrigation, janitorial, and arbor care resources in-house, New Generation provides the city with a fully integrated maintenance program that ensures faster response times, better coordination, and consistent service quality across all sites.

Technology & Mapping Tools



Landscape Design Software

Used for planning landscape improvements, layout adjustments, and enhancement proposals. This allows the city to visualize proposed upgrades before work begins.

Satellite Tree Mapping & Inventory System

Used to inventory and map tree assets across sites. This system allows our team to track tree locations, monitor conditions, and develop structured maintenance programs, including annual and multi-year pruning schedules. It also provides a digital record of tree work performed, improving safety, planning, and long-term asset management.

Plant Database & Maintenance Software

Used to reference plant specifications, watering needs, and maintenance requirements. This helps ensure proper plant selection, irrigation scheduling, and long-term plant health.

Regular monthly safety meetings aimed at fostering a culture of safety and well-being within our workplace.

Always placing safety cones to ensure the well-being of the public.

EXHIBIT B

INSURANCE REQUIREMENTS

EXHIBIT B

INSURANCE REQUIREMENTS

A. Minimum Scope and Limits of Insurance

City reserves the right to review any and all of the required insurance policies and/or endorsements, but has no obligation to do so. Failure to demand evidence of full compliance with the insurance requirements set forth in this Agreement or failure to identify any insurance deficiency shall not relieve Consultant from, nor be construed or deemed a waiver of, its obligation to maintain the required insurance at all times during the performance, including any extension thereof, of this Agreement.

Consultant shall obtain, maintain, and keep in full force and effect during the life of this Agreement, including any extension thereof, all of the following minimum scope of insurance coverages:

1. Commercial General Liability Insurance

Broad-form commercial general liability, with coverage at least as broad as the most current version of ISO Commercial General Liability coverage form CG 00 01, in a form at least as broad as ISO form CG 00 01 04 13, and shall include insurance for premises and operations, products/completed operations, broad form property damage, blanket contractual liability, independent contractors, personal injury or bodily injury, and personal and advertising injury with a policy limit of not less than Two Million Dollars ($2,000,000.00) per occurrence and Four Million Dollars ($4,000,000.00) general aggregate. The aggregate limit, encompassing the above coverage, shall apply separately to this project/location. If Consultant maintains higher limits than the specified minimum limits, City requires and shall be entitled to coverage for the higher limits maintained by the Consultant.

2. Business Automobile Liability Insurance

Business automobile liability for all owned, hired, leased, and non-owned vehicles at least as broad as the most current version of ISO Business Auto Coverage form CA 00 01, with a policy limit of not less than Two Million Dollars ($2,000,000.00) combined single limit per accident. If Consultant maintains higher limits than the specified minimum limits, City requires and shall be entitled to coverage for the higher limits maintained by the Consultant.

3. Workers' Compensation and Employer's Liability Insurance

Workers' compensation insurance as required by the State of California and Employer's Liability Insurance with a minimum limit of One Million Dollars ($1,000,000.00) per accident for any employee or employees of Consultant. Consultant agrees to waive and to obtain endorsements from its workers' compensation insurer waiving subrogation rights under its workers' compensation insurance policy against the City, its officers, officials, agents, employees, and volunteers for losses arising from work performed by Consultant for the City and to require each of its subcontractors, if any, to do likewise under their workers' compensation insurance policies.

By signing this Agreement, the Consultant acknowledges and agrees to the following:

I am aware of the provisions of Section 3700 of the Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake self-insurance in accordance with the provisions of that code, and I will comply with such provisions before commencing the performance of the work of this contract.

The Consultant shall also comply with Section 3800 of the Labor Code by securing, paying for, and maintaining in full force and effect for the duration of this Agreement, complete workers' compensation insurance, and shall furnish a certificate of insurance to the Project Manager before execution of this Agreement by the City. The City, its officers, officials, agents, employees, and volunteers shall not be responsible for any claims in law or equity occasioned by failure of the Consultant to comply with this Section.

4. Standards for Insurance Companies

All insurance policies shall be issued by an insurance company currently authorized by the Insurance Commission to transact business of insurance or is on the List of Approved Surplus Line Insurers in the State of California, with an assigned policyholders' rating of A- (or higher) and Financial Size Category Class VII (or larger) in accordance with the latest edition of Best's Key Rating Guide.

B. Documentation and Other Provisions

1. The commercial general liability insurance policy and business automobile liability policy shall be endorsed to contain the following: The City of Placentia, its officers, officials, agents, employees, and volunteers are additional insureds with respect to: liability arising out of activities performed by or on behalf of the Consultant pursuant to its contract with the City; products and completed operations of the Consultant; premises owned, occupied, or used by the Consultant; and automobiles owned, leased, hired, or borrowed by the Consultant. General liability coverage can be provided in the form of an endorsement to the Contractor's insurance at least as broad as one of the following ISO ongoing operations forms: CG 20 10 or CG 20 26 or CG 20 33 (not allowed from subcontractors), or CG 20 38; and one of the following ISO completed operations forms: CG 20 37, 2039 (not allowed from subcontractors), or CG 20 40.

2. Said policies shall not terminate, nor shall they be cancelled or coverage reduced, without at least thirty (30) days' written notice to the City. In the event of any cancellation or reduction in coverage or limits of any insurance, Consultant shall forthwith obtain and submit proof of substitute insurance. Should Consultant fail to immediately procure other insurance, as specified, to substitute for any cancelled policy or reduction in the required coverage limits, the City may procure such insurance at Consultant's sole cost and expense.

3. The Consultant's insurance coverage shall be primary insurance coverage at least as broad as ISO CG 20 01 04 13 as respects the City of Placentia, its officers, officials, agents, employees, and volunteers. Any other insurance maintained by the City of Placentia shall be excess and not contributing with the insurance provided by this policy.

4. Any failure to comply with the reporting provisions of the policies shall not affect coverage provided to the City of Placentia, its officers, officials, agents, employees, and volunteers.

5. **Defense fees and costs shall not deplete the limits of any insurance provided under this Agreement.**

6. The Consultant's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

7. Consultant shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Consultant shall ensure the City is an additional insured on insurance required from subcontractors.

8. Consultant agrees to waive, and to obtain endorsements from insurers waiving, subrogation rights against the City, its officers, officials, agents, employees, and volunteers for losses arising from work performed by Consultant for the City and to require each of its subcontractors, if any, to do likewise under their insurance policies.

9. Coverage shall be on a standard occurrence form. Claims-made forms are not acceptable, except under the Professional Errors & Omissions ("E&O") Liability policy. Modified, limited, or restricted occurrence forms are not acceptable.

BLANKET ADDITIONAL INSURED—ONGOING OPERATIONS

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE FORM

SCHEDULE

Name Of Additional Insured Person(s) Or Organization(s):	Location(s) Of Covered Operations
Any "additional insured" person, entity or organization where work is performed by you if ongoing operations coverage is required by insured contract	Any location of "additional insured" person, entity or organization where work is performed by you if ongoing operations coverage is required by insured contract.

SECTION II—WHO IS AN INSURED, paragraph **C.** is amended to include, for **COVERAGE A—BODILY INJURY, PROPERTY DAMAGE, PERSONAL INJURY AND ADVERTISING INJURY LIABILITY** only, as an **additional insured,** any person, entity or organization for whom the **Named Insured** is performing **ongoing operations** only when the **Named Insured** has agreed with the person, entity or organization in an **insured contract** to name the person, entity or organization as an **additional insured.**

1. Such person, entity or organization is only an **additional insured** with respect to liability for **bodily injury** or **property damage** caused, in whole or in part, by the **ongoing operations** of the **Named Insured** performed for the **additional insured.**
2. The **insured contract** must be currently in effect or become effective during the **policy period,** be executed prior to the **bodily injury** or **property damage** first happening, and be between the **Named Insured** and the **additional insured.**
3. This coveragedoes not apply to **bodily injury** or**property damage** after:
   a. **Your work** for the **additional insured** has been completed; or
   b. That portion of **your work** out of which the **bodily injury** or **property damage** arises has been put to its intended use by any person or organization.
4. The applicable limit of our liability shall not be increased by the inclusion of the **additional insured** under the policy.
5. We shall have no duty to indemnify the **additional insured** for **damages,claims** or any other liabilities arising from actions, inactions, errors or omissions of the **additional insured.**

6. **Our** duty to indemnify the **additional insured** under an **insured contract** pursuant to this endorsement shall be limited to that sum derived by applying the percentage of fault of the **Named Insured** as determined by the trier-of-fact to the total damage sum allocated by the trier-of-fact to the **additional insured.** Under no circumstances shall we pay more than this proportionate indemnity share required of the policyholder in the **insured contract.**

7. Any indemnity payments made on behalf of any **additional insured** under an **insured contract** shall reduce the applicable limits of insurance on a dollar for dollar basis. Any indemnity payments paid to or on behalf of the **additional insured** pursuant to this endorsement are subject to the terms, conditions and limitations of the policy.

8. This endorsement does not create a duty on **our** part to defend the **additional insured** or to participate in, contribute to, or reimburse any person, organization or entity for any fees or expenses incurred in the defense of the **additional insured.**

SECTION IV—COMMERCIAL GENERAL LIABILITY CONDITIONS, Condition **B.** INSURED'S DUTIES IN THE EVENT OF OCCURRENCE, OFFENSE, CLAIM OR SUIT of the policy is amended to include:

An **additional insured** under this endorsement shall in addition to complying with all provisions of the policy:

1. Give written notice to **us** of an **occurrence** or an offense which may result in a **claim** or **suit** within thirty (30) days of notice to the **additional insured.**

2. Give written notice to **us** of a **claim** or **suit** brought against the **additional insured** within thirty (30) days of the **additional insured** being served with the **claim** or **suit.**

3. Give written notice to any other insurer who has or may have coverage under its policy or policies for a **claim,suit** or demand for defense or indemnity within thirty (30) days of the **additional insured** being served with the **claim,suit** or demand for defense or indemnity. Such notice must demand the full coverage available under the policy. The **additional insured** will not take any action to waive or limits such other coverage available to it.

4. Obtain and provide to **us** copies of each and every policy from each and every insurer identified pursuant to the preceding paragraph.

This endorsement is subject to all terms, conditions and exclusions of the policy, which remain unchanged.

BLANKET ADDITIONAL INSURED—ONGOING OPERATIONS—PRIMARY AND NON-CONTRIBUTORY—OWNERS, LESSEES OR CONTRACTORS

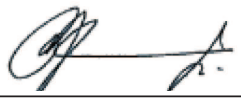
This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE FORM

SECTION II—WHO IS AN INSURED, paragraph **C.** is amended to include, for **COVERAGE A—BODILY INJURY, PROPERTY DAMAGE, PERSONAL INJURY AND ADVERTISING INJURY LIABILITY** only, as an **additional insured,** any person, entity or organization for whom the **Named Insured** is performing **ongoing operations** only when the **Named Insured** has agreed with the person, entity or organization in an **insured contract** to name the person, entity or organization as an **additional insured.**

1. Such person, entity or organization is only an **additional insured** with respect to liability for **bodily injury** or **property damage** caused, in whole or in part, by the **ongoing operations** of the **Named Insured** performed for the **additional insured.**
2. The **insured contract** must be currently in effect or become effective during the **policy period,** be executed prior to the **bodily injury**or **property damage** first happening, and be between the **Named Insured** and the **additional insured.**
3. This coveragedoes not apply to **bodily injury** or **property damage** after:
   a. **Your work** for the **additional insured**has been completed; or
   b. That portion of **your work** out of which the **bodily injury** or **property damage**arises has been put to its intended use by any person or organization.
4. The applicable limit of our liability shall not be increased by the inclusion of the **additional insured** under the policy.
5. We shall have no duty to indemnify the **additional insured** for **damages,claims** or any other liabilities arising from actions, inactions, errors or omissions of the **additional insured.**
6. **Our** duty to contractually indemnify the **additional insured**under an **insured contract** shall be limited to that sum derived by applying the percentage of fault of the **Named Insured** as determined by the trier the trier-of-fact to the total damage sum allocated by the trier-of-fact to the **additional insured.**Under no circumstances shall we pay more than this proportionate contractual indemnity share.
7. Any contractual indemnity payments made on behalf of any **additional insured** under an **insured contract** shall reduce the applicable limits of insurance on a dollar for dollar basis. Any contractual indemnity payments are subject to the terms, conditions and limitations of the policy.

8. This endorsement does not create a duty on **our**part to defend the **additional insured**or to participate in, contribute to, or reimburse any person, organization or entity for any fees or expenses incurred in the defense of the **additional insured.**



SECTION IV—COMMERCIAL GENERAL LIABILITY CONDITIONS, Condition **B.** INSURED'S DUTIES IN THE EVENT OF OCCURRENCE, OFFENSE, CLAIM OR SUITof the policy is amended to include:

An **additional insured**under this endorsement shall in addition to complying with all provisions of the policy:

1. Give written notice to**us** of an **occurrence** or an offense which may result in a **claim** or **suit** within thirty (30) days of notice to the **additional insured.**
2. Give written notice to **us** of a **claim** or **suit** brought against the **additional insured** within thirty (30) days of the **additional insured** being served with the **claim** or **suit.**
3. Give written notice to any other insurer who has or may have coverage under its policy or policies for a **claim,suit** or demand for defense or indemnity within thirty (30) days of the **additional insured** being served with the **claim,suit**or demand for defense or indemnity.Such notice must demand the full coverage available under the policy.The **additional insured** will not take any action to waive or limit such other coverage available to it.
4. Obtain and provide to **us** copies of each and every policy from each and every insurer identified pursuant to the preceding paragraph.

The coverage provided by this endorsement is primary and non-contributory and no insurance held or owned by the **additional insured** shall be called upon to cover damages under this policy up to the limits of this policy, but only if the **bodily injury** or **property damage** under this policy is caused directly, in whole or in part, from your **ongoing operations** performed for the **additional insured.**

This endorsement is subject to all terms, conditions and exclusions of the policy, which remain unchanged.

BLANKET WAIVER OF TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE FORM

SCHEDULE

Name Of Additional Insured Person(S) or Organization(S):	Designated Construction Project:
Any person or organization against whom subrogation is required to be waived by an "insured contract".	Any construction project performed by you for any person or organization against whom subrogation is required to be waived by an "insured contract".

SECTION IV—COMMERCIAL GENERAL LIABILITY CONDITIONS, paragraph **J.** TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US is deleted in its entirety and replaced by the following:

J. TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US

If any **insured** has rights to recover all or part of any payment **we** have made under the applicable Coverage Part, those rights are transferred to **us.** The **insured** must do nothing after loss to impair such rights. At **our** request, such **insured** will bring **suit** or transfer those rights to **us** and help **us** enforce them.

We waive any right of recovery **we** may have against the person or organization shown in the Schedule above because of payments **we** make for **bodily injury** or **property damage** arising out of **your work** done under an **insured contract** with that person or organization at the designated construction project.

This waiver applies only if the designated construction project shown in the Schedule above is completed and only to the construction project designated in the above Schedule.

All other terms, conditions and exclusions of the policy remain unchanged.

PLACENTIA CITY COUNCIL AGENDA REPORT

Meeting Date: June 16, 2026
Submitted by: Ontoine Lewis
From: Public Works

Subject:
AWARD CONTRACT FOR STREET SWEEPING SERVICES

Financial Impact:
Expense: $380,983.20
Budgeted: $435,583.00 Account # 403-80700-6300 - Proposed FY 26-27

Summary:
In an effort to minimize costs and increase efficiency while continuing to provide essential city services, the City began outsourcing street sweeping services in 2009. The City's current contract for street sweeping services expires on June 30, 2026. On May 11, 2026 the City issued a Request for Proposals (RFP) and received three (3) responsive proposals. This action will award a contract for street sweeping services to Guardian Sweeping. After reviewing proposals, Guardian Sweeping is recommended by staff to be the awarded company. This action will award a five-year agreement with the option to extend for an additional one (1) five-year term extension to Guardian sweeping in an annual not-to-exceed amount of $380,983.20 and a cumulative five-year contract not-to-exceed amount of $1,904,916.

Recommended Action:
It is recommended that City Council:

1. Award a contract for street sweeping services to Guardian Sweeping, in an annual amount not-to-exceed $380,983.20, for an initial five (5) year term with the option for one (1) additional five (5) year extension; and
2. Authorize the City Administrator to approve contract change orders up to 10% of the annual contract not-to-exceed amount; and
3. Authorize the City Administrator and/or her designee to execute all necessary contract documents, in a form approved by the City Attorney.

Strategic Plan Statement:
This item aligns with Strategic Goal No. 3: Infrastructure, Facilities, and Public Spaces. Awarding this contract ensures our streets are clean, attractive, and reflective of the City's commitment to quality.

Discussion:
The City has contracted for street sweeping services since 2009. Although street sweeping

was initially performed weekly, budget constraints reduced service to twice a month through its current street sweeping contract. The current contract for street sweeping services expires at the end of June 2026. As contracts come to an end, it is standard practice to evaluate the programs and services provided by the existing contractor to determine whether the City is receiving the best value and to explore cost-reduction opportunities.

To this end, the City publicly issued a Request for Proposal (RFP) on May 11, 2026, and three complete proposals were received on the due date of May 26, 2026. After a review of the RFPs, Guardian Sweeping was ranked as the highest-rated proposer for street-sweeping services. The estimated annual cost is based on approximate curb miles to be swept. The three (3) complete proposers' annual amounts are outlined below.

Name	Per Mile	Total Bid
Guardian Sweeping	43.45	$380,983.20
Sweeping Corporation of America (SCA)	48.52	$425,442.00
CMAX Commercial Maintenance	53.00	$468,732.00

As illustrated above, Guardian Sweeping provided the best overall value for the City. Payment will only be made for actual curb miles swept. Exact measurements will be made and reconciled with invoices through the required installation of GPS equipment on contract sweepers that records the date, time, vehicle speed, location, when the brooms are up or down, and whether the dust-control spray equipment is active.

The current street sweeping contract, under SCA, was approximately $188,000 per year. These new costs, with no new changes in street sweeping service or frequency of street sweeping, are as a result of increased economic volatility due to war in Iran and increased labor rates, fuel rates, and equipment costs.

Guardian Sweeping is a Norco-based firm that has been providing street sweeping services for two decades, they have experience in the roadway, public works, and street-sweeping industries with a strong focus on reliability, responsiveness, accountability, and service quality. Guardian’s primary municipal contract experience includes services provided to the City of Hesperia from July 2022 through September 2025. The scope of work included weekly arterial sweeping, monthly residential sweeping, and quarterly bike lane sweeping operations. Most complaints received by the public stem from City enforcement actions during street-sweeping periods. Based on Guardian’s submitted materials in the RFP process and the lowest annual cost, it is recommended that the City Council award the street-sweeping services contract to Guardian Sweeping in an annual not-to-exceed amount of $380,983.20 and a cumulative five-year contract not-to-exceed amount of $1,904,916.

Financial Summary:
Guardian Sweeping is proposing a curb-mile price of $43.45 for curb-mile sweeping service. The recommended contract amount for Sweeping services is $380,983.20 per year. In addition, the Guardian Sweeping contract includes sweeping the City’s eleven (11) parking lots and nine (9) alleys.

CITY OF PLACENTIA
MAINTENANCE SERVICES AGREEMENT
WITH
Guardian Street Sweeping

THIS AGREEMENT is made and entered into this Service Agreement on the 1st day of July 2026("Effective Date"), by and between the CITY OF PLACENTIA, a municipal corporation ("City"), and **Guardian Street Sweeping**, a California S corporation ("Contractor").

W I T N E S S E T H :

A. WHEREAS, City proposes to utilize the services of Contractor as an independent contractor to provide Street Sweeping service, as more fully described herein; and

B. WHEREAS, Contractor represents that it has that degree of specialized expertise contemplated within California Government Code Section 37103, and holds all necessary licenses to practice and perform the services herein contemplated; and

C. WHEREAS, City and Contractor desire to contract for the specific services described in Exhibit "A" (the "Project") and desire to set forth their rights, duties and liabilities in connection with the services to be performed; and

D. WHEREAS, no official or employee of City has a financial interest, within the provisions of Sections 1090-1092 of the California Government Code, in the subject matter of this Agreement.

NOW, THEREFORE, for and in consideration of the mutual covenants and conditions contained herein, the parties hereby agree as follows:

1.0. SERVICES PROVIDED BY CONTRACTOR

1.1. Scope of Services. Contractor shall provide the professional services described in Contractor's Proposal ("Proposal"), attached hereto as Exhibit "A" and incorporated herein by this reference.

1.2. Professional Practices. All professional services to be provided by Contractor pursuant to this Agreement shall be provided by personnel experienced in their respective fields and in a manner consistent with the standards of care, diligence and skill ordinarily exercised by professional Contractors in similar fields and circumstances in accordance with sound professional practices. Contractor also warrants that it is familiar with all laws that may affect its performance of this Agreement and shall advise City of any changes in any laws that may affect Contractor's performance of this Agreement. Contractor shall keep itself informed of State and Federal laws and regulations which in any manner affect those employed by it or in any way affect the performance of its service pursuant to this Agreement. The Contractor shall at all times observe and comply with all such laws and regulations. Officers and employees shall not be liable at law or in equity occasioned by failure of the Contractor to comply with this section.

1.3. Performance to Satisfaction of City. Contractor agrees to perform all the work to the complete satisfaction of the City and within the hereinafter specified. Evaluations of the work

will be done by the City Administrator or his or her designee. If the quality of work is not satisfactory, City in its discretion has the right to:

(a) Meet with Contractor to review the quality of the work and resolve the matters of concern;

(b) Require Contractor to repeat the work at no additional fee until it is satisfactory; and/or

(c) Terminate the Agreement as hereinafter set forth.

1.4. Warranty. Contractor warrants that it shall perform the services required by this Agreement in compliance with all applicable Federal and California employment laws, including, but not limited to, those laws related to minimum hours and wages; occupational health and safety; fair employment and employment practices; workers' compensation insurance and safety in employment; and all other Federal, State and local laws and ordinances applicable to the services required under this Agreement. Contractor shall indemnify and hold harmless City from and against all claims, demands, payments, suits, actions, proceedings, and judgments of every nature and description including attorneys' fees and costs, presented, brought, or recovered against City for, or on account of any liability under any of the above-mentioned laws, which may be incurred by reason of Contractor's performance under this Agreement.

1.5. Non-discrimination. In performing this Agreement, Contractor shall not engage in, nor permit its agents to engage in, discrimination in employment of persons because of their race, religion, color, national origin, ancestry, age, physical handicap, medical condition, marital status, sexual gender or sexual orientation, except as permitted pursuant to Section 12940 of the Government Code. Such actions shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship. Contractor agrees to post, in conspicuous places accessible to employees and applicants for employment, a notice setting forth the provisions of this non-discrimination clause.

Contractor shall, in all solicitations and advertisements for employees placed by, or on behalf of Contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, color, religion, sex, marital status, national origin, or mental or physical disability. Contractor shall cause the paragraphs contained in this Section to be inserted in all subcontracts for any work covered by the Agreement, provided that the foregoing provisions shall not apply to subcontracts for standard commercial supplies or raw materials.

1.6. Non-Exclusive Agreement. Contractor acknowledges that City may enter into agreements with other Contractors for services similar to the services that are subject to this Agreement or may have its own employees perform services similar to those services contemplated by this Agreement.

1.7. Delegation and Assignment. This is a personal service contract, and the duties set forth herein shall not be delegated or assigned to any person or entity without the prior written consent of City. Contractor may engage a subcontractor(s) as permitted by law and may employ other personnel to perform services contemplated by this Agreement at Contractor's sole cost and expense. All insurance requirements contained in this Agreement are independently applicable to any and all subcontractors that Contractor may engage during the term of this

Agreement.

1.8. Confidentiality. Employees of Contractor in the course of their duties may have access to financial, accounting, statistical, and personnel data of private individuals and employees of City. Contractor covenants that all data, documents, discussion, or Guardian Sweeping information developed or received by Contractor or provided for performance of this Agreement are deemed confidential and shall not be disclosed by Contractor without written authorization by City. City shall grant such authorization if disclosure is required by law. All City data shall be returned to City upon the termination of this Agreement. Contractor's covenant under this Section shall survive the termination of this Agreement.

2.0. COMPENSATION AND BILLING

2.1. Compensation. Contractor shall be paid in accordance with the fee schedule set forth in Exhibit "A." Contractor's total compensation shall not exceed Three hundred eighty thousand nine hundred eighty-three dollars ($380,983.00) annually or a cumulative not-to-exceed amount of One Million Nine Hundred Four Thousand Nine Hundred Sixteen dollars ($1,904,916).

2.2. Additional Services. Contractor shall not receive compensation for any services provided outside the scope of services specified in the Contractor's Proposal or which is inconsistent with or in violation of the provisions of this Agreement unless the City or the Project Manager for this Project, prior to Contractor performing the additional services, approves such additional services in writing. It is specifically understood that oral requests and/or approvals of such additional services or additional compensation shall be barred and are unenforceable. Should the City request in writing additional services that increase the hereinabove described "SCOPE OF SERVICES", an additional fee based upon the Contractor's standard hourly rates shall be paid to the Contractor for such additional services. Such increase in additional fees shall be limited to 25% of the total contract sum or $25,000, whichever is more. The City Engineer is authorized to approve a Change Order for such additional services.

2.3. Method of Billing. Contractor may submit invoices to the City for approval on a per-progress basis, but no more than twice a month. Said invoice shall be based on the total of all Contractor's services which have been completed to City's sole satisfaction. City shall pay Contractor's invoice within forty-five (45) days from the date City receives said invoice. Each invoice shall describe in detail the services performed, the date of performance, and the associated time for completion. Any additional services approved and performed pursuant to this Agreement shall be designated as "Additional Services" and shall identify the number of the authorized change order, where applicable, on all invoices.

2.4. Records and Audits. Records of Contractor's services relating to this Agreement shall be maintained in accordance with generally recognized accounting principles and shall be made available to City or its Project Manager for inspection and/or audit at mutually convenient times for a period of three (3) years from the Effective Date.

3.0. TIME OF PERFORMANCE

3.1. Commencement and Completion of Work. The professional services to be performed pursuant to this Agreement shall commence within five (5) days from the Effective Date of this Agreement. Said services shall be performed in strict compliance with the Project Schedule approved by City as set forth in Exhibit "A." The Project Schedule may be amended by mutual agreement of the parties. Failure to commence work in a timely manner and/or diligently pursue

work to completion may be grounds for termination of this Agreement.

3.2. Excusable Delays. Neither party shall be responsible for delays or lack of performance resulting from acts beyond the reasonable control of the party or parties. Such acts shall include, but not be limited to, acts of God, fire, strikes, material shortages, compliance with laws or regulations, riots, acts of war, or any other conditions beyond the reasonable control of a party. If a delay beyond the control of the Contractor is encountered, a time extension may be mutually agreed upon in writing by the City and the Contractor. The Contractor shall present documentation satisfactory to the City to substantiate any request for a time extension.

4.0. TERM AND TERMINATION

4.1. Term. This Agreement shall commence on the Effective Date and continue for a period of 60 months, ending on June 30, 2031, unless previously terminated as provided herein or as otherwise agreed to in writing by the parties.

4.2. Notice of Termination. The City reserves and has the right and privilege of canceling, suspending or abandoning the execution of all or any part of the work contemplated by this Agreement, with or without cause, at any time, by providing at least fifteen (15) days prior written notice to Contractor. The termination of this Agreement shall be deemed effective upon receipt of the notice of termination. In the event of such termination, Contractor shall immediately stop rendering services under this Agreement unless directed otherwise by the City. If the City suspends, terminates, or abandons a portion of this Agreement, such suspension, termination, or abandonment shall not make void or invalidate the remainder of this Agreement.

If the Contractor defaults in the performance of any of the terms or conditions of this Agreement, it shall have ten (10) days after service upon it of written notice of such default in which to cure the default by rendering a satisfactory performance. In the event that the Contractor fails to cure its default within such period of time, the City shall have the right, notwithstanding any other provision of this Agreement, to terminate this Agreement without further notice and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement.

The City shall have the right, notwithstanding any other provisions of this Agreement, to terminate this Agreement, at its option and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement, immediately upon service of written notice of termination on the Contractor, if the latter should:

a. Be adjudged a bankrupt;

b. Become insolvent or have a receiver of its assets or property appointed because of insolvency;

c. Make a general assignment for the benefit of creditors;

d. Default in the performance of any obligation or payment of any indebtedness under this Agreement;

e. Suffer any judgment against it to remain unsatisfied or unbonded of record for thirty (30) days or longer; or

f. Institute or suffer to be instituted any procedures for reorganization or

rearrangement of its affairs.

4.3. Compensation. In the event of termination, City shall pay Contractor for reasonable costs incurred and professional services satisfactorily performed up to and including the date of City's written notice of termination within thirty-five (35) days after service of the notice of termination. Compensation for work in progress shall be prorated based on the percentage of work completed as of the effective date of termination in accordance with the fees set forth herein. In ascertaining the professional services actually rendered hereunder up to the effective date of termination of this Agreement, consideration shall be given to both completed work and work in progress, to complete and incomplete drawings, and to other documents pertaining to the services contemplated herein whether delivered to the City or in the possession of the Contractor. City shall not be liable for any claim of lost profits.

4.4. Documents. In the event of termination of this Agreement, all documents prepared by Contractor in its performance of this Agreement including, but not limited to, finished or unfinished design, development and construction documents, data studies, drawings, maps and reports, shall be delivered to the City within ten (10) days of delivery of termination notice to Contractor, at no cost to City. Any use of uncompleted documents without specific written authorization from Contractor shall be at City's sole risk and without liability or legal expense to Contractor.

5.0. INSURANCE

5.1. Minimum Scope and Limits of Insurance. Contractor shall obtain, maintain, and keep in full force and effect during the life of this Agreement all of the following minimum scope of insurance coverages with an insurance company admitted to do business in California, rated "A," Class X, or better in the most recent Best's Key Insurance Rating Guide, and approved by City:

(a) Broad-form commercial general liability, in a form at least as broad as ISO from #CG 00 01 04 13, including premises-operations, products/completed operations, broad form property damage, blanket contractual liability, independent contractors, personal injury or bodily injury with a policy limit of not less than One Million Dollars ($1,000,000.00), combined single limits, per occurrence. If such insurance contains a general aggregate limit, it shall apply separately to this Agreement or shall be twice the required occurrence limit. If Contractor maintains higher limits than the specified minimum limits, City requires and shall be entitled to coverage for the high limits maintained by the Contractor.

(b) Business automobile liability for owned vehicles, hired, and non-owned vehicles, with a policy limit of not less than One Million Dollars ($1,000,000.00), combined single limits, each incident for bodily injury and property damage.

(c) Workers' compensation insurance as required by the State of California and Employers Liability Insurance with a minimum limit of $1,000,000 per accident for any employee or employees of Contractor. Contractor agrees to waive, and to obtain endorsements from its workers' compensation insurer waiving subrogation rights under its workers' compensation insurance policy against the City, its officers, agents, employees, and

volunteers for losses arising from work performed by Contractor for the City and to require each of its subcontractors, if any, to do likewise under their workers' compensation insurance policies.

Before execution of this Agreement by the City, the Contractor shall file with the Public Works Director/City Engineer the following signed certification:

> I am aware of and will comply with Section 3700 of the Labor Code, which requires every employer to be insured against liability for Workers' Compensation or to undertake self-insurance before commencing any work.

The Contractor shall also comply with Section 3800 of the Labor Code by securing, paying for and maintaining in full force and effect for the duration of this Agreement, complete Workers' Compensation Insurance, and shall furnish a Certificate of Insurance to the Public Works Director/City Engineer before execution of this Agreement by the City. The City, its officers and employees shall not be responsible for any claims in law or equity occasioned by failure of the Contractor to comply with this section.

Neither the CITY nor any of its elected or appointed officials, officers, agents, employees, or volunteers makes any representation that the types of insurance and the limits specified to be carried by Contractor under this Agreement are adequate to protect Contractor. If Contractor believes that any such insurance coverage is insufficient, Contractor shall provide, at its own expense, such additional insurance as Contractor deems adequate.

5.2. Endorsements. The commercial general liability insurance policy and business automobile liability policy shall contain or be endorsed to contain the following provisions:

(a) Additional insureds: "The City of Placentia and its elected and appointed boards, officers, officials, agents, employees, and volunteers are additional insureds with respect to: liability arising out of activities performed by or on behalf of the Contractor pursuant to its contract with the City; products and completed operations of the Contractor; premises owned, occupied or used by the Contractor; automobiles owned, leased, hired, or borrowed by the Contractor."

(b) Notice: "Contractor shall provide immediate written notice if (1) any of the required insurance policies is terminated; (2) the limits of any of the required policies are reduced; (3) or the deductible or self-insured retention is increased. In the event of any cancellation or reduction in coverage or limits of any insurance, Contractor shall forthwith obtain and submit proof of substitute insurance. Should Contractor fail to immediately procure other insurance, as specified, to substitute for any canceled policy, the City may procure such insurance at Contractor's sole cost and expense."

(c) Other insurance: "The Contractor's insurance coverage shall be primary insurance as respects the City of Placentia, its officers, officials, agents, employees, and volunteers. Any other insurance maintained by the City of

Placentia shall be excess and not contributing with the insurance provided by this policy."

(d) Any failure to comply with the reporting provisions of the policies shall not affect coverage provided to the City of Placentia, its officers, officials, agents, employees, and volunteers.

(e) The Contractor's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

5.3. Deductible or Self-Insured Retention. If any of such policies provide for a deductible or self-insured retention to provide such coverage, the amount of such deductible or self-insured retention shall be approved in advance by City. No policy of insurance issued as to which the City is an additional insured shall contain a provision which requires that no insured except the named insured can satisfy any such deductible or self-insured retention.

5.4. Certificates of Insurance. Contractor shall provide to City certificates of insurance showing the insurance coverages and required endorsements described above, in a form and content approved by City, prior to performing any services under this Agreement. The certificates of insurance and endorsements shall be attached hereto as Exhibit "B" and incorporated herein by this reference.

5.5. Non-limiting. Nothing in this Section shall be construed as limiting in any way the indemnification provision contained in this Agreement, or the extent to which Contractor may be held responsible for payments of damages to persons or property.

6.0. GENERAL PROVISIONS

6.1. Entire Agreement. This Agreement constitutes the entire agreement between the parties with respect to any matter referenced herein and supersedes any and all other prior writings and oral negotiations. This Agreement may be modified only in writing, and signed by the parties in interest at the time of such modification. The terms of this Agreement shall prevail over any inconsistent provision in any other contract document appurtenant hereto, including exhibits to this Agreement.

6.2. Representatives. The City Administrator or his or her designee shall be the representative of City for purposes of this Agreement and may issue all consents, approvals, directives and agreements on behalf of the City, called for by this Agreement, except as otherwise expressly provided in this Agreement.

Contractor shall designate a representative for purposes of this Agreement who shall be authorized to issue all consents, approvals, directives and agreements on behalf of Contractor called for by this Agreement, except as otherwise expressly provided in this Agreement.

6.3. Project Managers. City shall designate a Project Manager to work directly with Contractor in the performance of this Agreement. It shall be the Contractor's responsibility to ensure that the Project Manager is kept informed of the progress of the services, and the Contractor shall refer any decision that must be made by the City to the Project Manager. Unless otherwise specified herein, any approval of City required hereunder shall mean the approval of

the Project Manager.

Contractor shall designate a Project Manager who shall represent it and be its agent in all consultations with City during the term of this Agreement and who shall not be changed by Contractor without the express written approval by the City. Contractor or its Project Manager shall attend and assist in all coordination meetings called by City.

6.4. Notices. Any notices, documents, correspondence or other communications concerning this Agreement or the work hereunder may be provided by personal delivery, facsimile or if mailed, shall be addressed as set forth below and placed in a sealed envelope, postage prepaid, and deposited in the United States Postal Service. Such communication shall be deemed served or delivered: a) at the time of delivery if such communication is sent by personal delivery; b) at the time of transmission if such communication is sent by facsimile; and c) 72 hours after deposit in the U.S. Mail as reflected by the official U.S. postmark if such communication is sent through regular United States mail.

6.5. Attorneys' Fees. In the event that litigation is brought by any party in connection with this Agreement, the prevailing party shall be entitled to recover from the opposing party all costs and expenses, including reasonable attorneys' fees, incurred by the prevailing party in the exercise of any of its rights or remedies hereunder or the enforcement of any of the terms, conditions, or provisions hereof.

6.6. Governing Law. This Agreement shall be governed by and construed under the laws of the State of California without giving effect to that body of laws pertaining to conflict of laws. In the event of any legal action to enforce or interpret this Agreement, the parties hereto agree that the sole and exclusive venue shall be a court of competent jurisdiction located in Orange County, California. Contractor agrees to submit to the personal jurisdiction of such court in the event of such action.

6.7. Assignment. Contractor shall not voluntarily or by operation of law assign, transfer, sublet or encumber all or any part of Contractor's interest in this Agreement without City's prior written consent. Any attempted assignment, transfer, subletting or encumbrance shall be void and shall constitute a breach of this Agreement and cause for termination of this Agreement. Regardless of City's consent, no subletting or assignment shall release Contractor of Contractor's obligation to perform all other obligations to be performed by Contractor hereunder for the term of this Agreement.

6.8. Indemnification and Hold Harmless. Contractor agrees to defend, indemnify, hold free and harmless the City, its elected and appointed officials, officers, agents and employees, at Contractor's sole expense, from and against any and all claims, demands, actions, suits or other legal proceedings brought against the City, its elected and appointed officials,

officers, agents and employees arising out of the performance of the Contractor, its employees, and/or authorized subcontractors, of the work undertaken pursuant to this Agreement. The defense obligation provided for hereunder shall apply whenever any claim, action, complaint or suit asserts liability against the City, its elected and appointed officials, officers, agents and employees based upon the work performed by the Contractor, its employees, and/or authorized subcontractors under this Agreement, whether or not the Contractor, its employees, and/or authorized subcontractors are specifically named or otherwise asserted to be liable. Notwithstanding the foregoing, the Contractor shall not be liable for the defense or indemnification of the City for claims, actions, complaints or suits arising out of the sole active negligence or willful misconduct of the City. This provision shall supersede and replace all other indemnity provisions contained either in the City's specifications or Contractor's Proposal, which shall be of no force and effect.

6.9. Independent Contractor. Contractor is and shall be acting at all times as an independent contractor and not as an employee of City. Contractor shall have no power to incur any debt, obligation, or liability on behalf of City or otherwise act on behalf of City as an agent. Neither City nor any of its agents shall have control over the conduct of Contractor or any of Contractor's employees, except as set forth in this Agreement. Contractor shall not, at any time, or in any manner, represent that it or any of its or employees are in any manner agents or employees of City. Contractor shall secure, at its sole expense, and be responsible for any and all payments of Income Tax, Social Security, State Disability Insurance Compensation, Unemployment Compensation, and other payroll deductions for Contractor and its officers, agents, and employees, and all business licenses, if any are required, in connection with the services to be performed hereunder. Contractor shall indemnify and hold City harmless from any and all taxes, assessments, penalties, and interest asserted against City by reason of the independent contractor relationship created by this Agreement. Contractor further agrees to indemnify and hold City harmless from any failure of Contractor to comply with the applicable workers' compensation laws. City shall have the right to offset against the amount of any fees due to Contractor under this Agreement any amount due to City from Contractor as a result of Contractor's failure to promptly pay to City any reimbursement or indemnification arising under this paragraph.

6.10. PERS Eligibility Indemnification. In the event that Contractor or any employee, agent, or subcontractor of Contractor providing services under this Agreement claims or is determined by a court of competent jurisdiction or the California Public Employees Retirement System (PERS) to be eligible for enrollment in PERS as an employee of the City, Contractor shall indemnify, defend, and hold harmless City for the payment of any employee and/or employer contributions for PERS benefits on behalf of Contractor or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of City.

Notwithstanding any other agency, state or federal policy, rule, regulation, law or ordinance to the contrary, Contractor and any of its employees, agents, and subcontractors providing service under this Agreement shall not qualify for or become entitled to, and hereby agree to waive any claims to, any compensation, benefit, or any incident of employment by City, including but not limited to eligibility to enroll in PERS as an employee of City and entitlement to any contribution to be paid by City for employer contribution and/or employee contributions for PERS benefits.

6.11. Cooperation. In the event any claim or action is brought against City relating to Contractor's performance or services rendered under this Agreement, Contractor shall render any

reasonable assistance and cooperation which City might require.

6.12. Ownership of Documents. All findings, reports, documents, information and data including, but not limited to, computer tapes or discs, preliminary notes, working documents, files and tapes furnished or prepared by Contractor or any of its subcontractors in the course of performance of this Agreement, shall be and remain the sole property of City. Contractor agrees that any such documents or information shall not be made available to any individual or organization without the prior consent of City, but shall be made available to the City within ten (10) days of request or within ten (10) days of termination. Any use of such documents for other projects not contemplated by this Agreement, and any use of incomplete documents, shall be at the sole risk of City and without liability or legal exposure to Contractor. City shall indemnify and hold harmless Contractor from all claims, damages, losses, and expenses, including attorneys' fees, arising out of or resulting from City's use of such documents for other projects not contemplated by this Agreement or use of incomplete documents furnished by Contractor. Contractor shall deliver to City any findings, reports, documents, information, data, preliminary notes and working documents, in any form, including but not limited to, computer tapes, discs, files audio tapes or any other Project-related items as requested by City or its authorized representative, at no additional cost to the City. Contractor or Contractor's agents shall execute such documents as may be necessary from time to time to confirm City's ownership of the copyright in such documents.

6.13. Public Records Act Disclosure. Contractor has been advised and is aware that this Agreement and all reports, documents, information and data, including, but not limited to, computer tapes, discs or files furnished or prepared by Contractor, or any of its subcontractors, pursuant to this Agreement and provided to City may be subject to public disclosure as required by the California Public Records Act (California Government Code Section 6250 *et seq*.). Exceptions to public disclosure may be those documents or information that qualify as trade secrets, as that term is defined in the California Government Code Section 6254.7, and of which Contractor informs City of such trade secret. The City will endeavor to maintain as confidential all information obtained by it that is designated as a trade secret. The City shall not, in any way, be liable or responsible for the disclosure of any trade secret including, without limitation, those records so marked if disclosure is deemed to be required by law or by order of the Court.

6.14. Conflict of Interest. Contractor and its officers, employees, associates and subcontractors, if any, will comply with all conflict-of-interest statutes of the State of California applicable to Contractor's services under this agreement, including, but not limited to, the Political Reform Act (Government Code Sections 81000, *et seq*.) and Government Code Section 1090. During the term of this Agreement, Contractor and its officers, employees, associates and subcontractors shall not, without the prior written approval of the City Representative, perform work for another person or entity for whom Contractor is not currently performing work that would require Contractor or one of its officers, employees, associates or subcontractors to abstain from a decision under this Agreement pursuant to a conflict of interest statute.

6.15. Responsibility for Errors. Contractor shall be responsible for its work and results under this Agreement. Contractor, when requested, shall furnish clarification and/or explanation as may be required by the City's representative, regarding any services rendered under this Agreement at no additional cost to City. In the event that an error or omission attributable to Contractor occurs, then Contractor shall, at no cost to City, provide all necessary design drawings, estimates and other Contractor professional services necessary to rectify and correct the matter to the sole satisfaction of City and to participate in any meeting required with regard to the correction.

6.16. Prohibited Employment. Contractor will not employ any regular employee of City while this Agreement is in effect.

6.17. Order of Precedence. In the event of an inconsistency in this Agreement and any of the attached Exhibits, the terms set forth in this Agreement shall prevail. If, and to the extent this Agreement incorporates by reference any provision of any document, such provision shall be deemed a part of this Agreement. Nevertheless, if there is any conflict among the terms and conditions of this Agreement and those of any such provision or provisions so incorporated by reference, the conflict shall be resolved by giving precedence in the following order, if applicable: This Agreement, the City's Request for Proposals, the Contractor's Proposal.

6.18. Costs. Each party shall bear its own costs and fees incurred in the preparation and negotiation of this Agreement and in the performance of its obligations hereunder except as expressly provided herein.

6.19. No Third Party Beneficiary Rights. This Agreement is entered into for the sole benefit of City and Contractor, and no other parties are intended to be direct or incidental beneficiaries of this Agreement, and no third party shall have any right in, under or to this Agreement.

6.20. Headings. Paragraphs and subparagraph headings contained in this Agreement are included solely for convenience and are not intended to modify, explain or to be a full or accurate description of the content thereof and shall not in any way affect the meaning or interpretation of this Agreement.

6.21. Construction. The parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises with respect to this Agreement, this Agreement shall be construed as if drafted jointly by the parties and in accordance with its fair meaning. There shall be no presumption or burden of proof favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement.

6.22. Amendments. Only a writing executed by the parties hereto or their respective successors and assigns may amend this Agreement.

6.23. Waiver. The delay or failure of either party at any time to require performance or compliance by the other of any of its obligations or agreements shall in no way be deemed a waiver of those rights to require such performance or compliance. No waiver of any provision of this Agreement shall be effective unless in writing and signed by a duly authorized representative of the party against whom enforcement of a waiver is sought. The waiver of any right or remedy in respect to any occurrence or event shall not be deemed a waiver of any right or remedy in respect to any other occurrence or event, nor shall any waiver constitute a continuing waiver.

6.24. Severability. If any provision of this Agreement is determined by a court of competent jurisdiction to be unenforceable in any circumstance, such determination shall not affect the validity or enforceability of the remaining terms and provisions hereof or of the offending provision in any other circumstance. Notwithstanding the foregoing, if the value of this Agreement, based upon the substantial benefit of the bargain for any party, is materially impaired, which determination made by the presiding court or arbitrator of competent jurisdiction shall be binding, then both parties agree to substitute such provision(s) through good faith negotiations.

6.25. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original. All counterparts shall be construed together and shall constitute one agreement.

6.26. Corporate Authority. The persons executing this Agreement on behalf of the parties hereto warrant that they are duly authorized to execute this Agreement on behalf of said parties and that by doing so the parties hereto are formally bound to the provisions of this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by and through their respective authorized officers, as of the date first above written.

INSURANCE REQUIREMENTS

EXHIBIT B

INSURANCE REQUIREMENTS

A. Minimum Scope and Limits of Insurance

City reserves the right to review any and all of the required insurance policies and/or endorsements, but has no obligation to do so. Failure to demand evidence of full compliance with the insurance requirements set forth in this Agreement or failure to identify any insurance deficiency shall not relieve Consultant from, nor be construed or deemed a waiver of, its obligation to maintain the required insurance at all times during the performance, including any extension thereof, of this Agreement.

Consultant shall obtain, maintain, and keep in full force and effect during the life of this Agreement, including any extension thereof, all of the following minimum scope of insurance coverages:

1. Commercial General Liability Insurance

Broad-form commercial general liability, with coverage at least as broad as the most current version of ISO Commercial General Liability coverage form CG 00 01, in a form at least as broad as ISO form CG 00 01 04 13, and shall include insurance for premises and operations, products/completed operations, broad form property damage, blanket contractual liability, independent contractors, personal injury or bodily injury, and personal and advertising injury with a policy limit of not less than Two Million Dollars ($2,000,000.00) per occurrence and Four Million Dollars ($4,000,000.00) general aggregate. The aggregate limit, encompassing the above coverage, shall apply separately to this project/location. If Consultant maintains higher limits than the specified minimum limits, City requires and shall be entitled to coverage for the higher limits maintained by the Consultant.

2. Business Automobile Liability Insurance

Business automobile liability for all owned, hired, leased, and non-owned vehicles at least as broad as the most current version of ISO Business Auto Coverage form CA 00 01, with a policy limit of not less than Two Million Dollars ($2,000,000.00) combined single limit per accident. If Consultant maintains higher limits than the specified minimum limits, City requires and shall be entitled to coverage for the higher limits maintained by the Consultant.

3. Workers' Compensation and Employer's Liability Insurance

Workers' compensation insurance as required by the State of California and Employer's Liability Insurance with a minimum limit of One Million Dollars ($1,000,000.00) per accident for any employee or employees of Consultant. Consultant agrees to waive and to obtain endorsements from its workers' compensation insurer waiving subrogation rights under its workers' compensation insurance policy against the City, its officers, officials, agents, employees, and volunteers for losses arising from work performed by Consultant for the City and to require each of its subcontractors, if any, to do likewise under their workers' compensation insurance policies.

By signing this Agreement, the Consultant acknowledges and agrees to the following:

I am aware of the provisions of Section 3700 of the Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake self-insurance in accordance with the provisions of that code, and I will comply with such provisions before commencing the performance of the work of this contract.

The Consultant shall also comply with Section 3800 of the Labor Code by securing, paying for, and maintaining in full force and effect for the duration of this Agreement, complete workers' compensation insurance, and shall furnish a certificate of insurance to the Project Manager before execution of this Agreement by the City. The City, its officers, officials, agents, employees, and volunteers shall not be responsible for any claims in law or equity occasioned by failure of the Consultant to comply with this Section.

4. Standards for Insurance Companies

All insurance policies shall be issued by an insurance company currently authorized by the Insurance Commission to transact business of insurance or is on the List of Approved Surplus Line Insurers in the State of California, with an assigned policyholders' rating of A- (or higher) and Financial Size Category Class VII (or larger) in accordance with the latest edition of Best's Key Rating Guide.

B. Documentation and Other Provisions

1. The commercial general liability insurance policy and business automobile liability policy shall be endorsed to contain the following: The City of Placentia, its officers, officials, agents, employees, and volunteers are additional insureds with respect to: liability arising out of activities performed by or on behalf of the Consultant pursuant to its contract with the City; products and completed operations of the Consultant; premises owned, occupied, or used by the Consultant; and automobiles owned, leased, hired, or borrowed by the Consultant. General liability coverage can be provided in the form of an endorsement to the Contractor's insurance at least as broad as one of the following ISO ongoing operations forms: CG 20 10 or CG 20 26 or CG 20 33 (not allowed from subcontractors), or CG 20 38; and one of the following ISO completed operations forms: CG 20 37, 2039 (not allowed from subcontractors), or CG 20 40.

2. Said policies shall not terminate, nor shall they be cancelled or coverage reduced, without at least thirty (30) days' written notice to the City. In the event of any cancellation or reduction in coverage or limits of any insurance, Consultant shall forthwith obtain and submit proof of substitute insurance. Should Consultant fail to immediately procure other insurance, as specified, to substitute for any cancelled policy or reduction in the required coverage limits, the City may procure such insurance at Consultant's sole cost and expense.

3. The Consultant's insurance coverage shall be primary insurance coverage at least as broad as ISO CG 20 01 04 13 as respects the City of Placentia, its officers, officials, agents, employees, and volunteers. Any other insurance maintained by the City of Placentia shall be excess and not contributing with the insurance provided by this policy.

4. Any failure to comply with the reporting provisions of the policies shall not affect coverage provided to the City of Placentia, its officers, officials, agents, employees, and volunteers.

5. **Defense fees and costs shall not deplete the limits of any insurance provided under this Agreement.**

6. The Consultant's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

7. Consultant shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Consultant shall ensure the City is an additional insured on insurance required from subcontractors.

8. Consultant agrees to waive, and to obtain endorsements from insurers waiving, subrogation rights against the City, its officers, officials, agents, employees, and volunteers for losses arising from work performed by Consultant for the City and to require each of its subcontractors, if any, to do likewise under their insurance policies.

9. Coverage shall be on a standard occurrence form. Claims-made forms are not acceptable, except under the Professional Errors & Omissions ("E&O") Liability policy. Modified, limited, or restricted occurrence forms are not acceptable.

Agenda Item No: 1.t

PLACENTIA CITY COUNCIL AGENDA REPORT

Meeting Date: June 16, 2026
Submitted by: Ontoine Lewis
From: Public Works

Subject:
AWARD OF CONTRACT FOR CITY POOL AND FOUNTAIN MAINTENANCE SERVICES TO CALIFORNIA WATERS DEVELOPMENT, INC.

Financial Impact:
Annual expense: $ 15,675 ($47,025 for three years of service)
Budgeted: $326,943 Proposed FY 2026/27 (101-80402-6300)

Summary:
This proposed agreement provides for maintenance services for the City's fountain located at City Hall and the swimming pool located at the Gomez Community Center. The scope of work for this contract includes annual preventative and seasonal monthly pool maintenance, along with repairs and emergency response. An extension of the current agreement with the City's current contractor, HASA, entered on July 1, 2023, included a 2-year extension. However, the City contacted HASA about extending the agreement, and they responded with requesting a 33% rate increase.

The City then decided to issue a Request for Proposal (RFP) on May 18, 2026, to seek more competitive pricing for pool and fountain maintenance services. On June 1, 2026, the City received three (3) responsive proposals. This action will award a contract to California Waters Development, Inc (California Waters).

After reviewing proposals, California Waters is recommended by staff to be the awarded company. This action will award a three-year agreement with the option to extend for an additional one (1) two-year term extension to California Waters in an annual not-to-exceed amount of $15,675 and a cumulative three-year contract not-to-exceed amount of $47,025.

Recommended Action:
It is recommended that the City Council:

1. Approve a Maintenance Services Agreement with California Waters Development, Inc. for Pool and Fountain Maintenance Services for an amount not-to-exceed $47,025 over an initial three-year contract term ending on June 30, 2029, with the option to extend for one (1) additional two-year term based upon contractor performance and at the discretion of the City for an amount not-to-exceed $15,675 per year; and
2. Authorize the City Administrator to approve contract change orders up to 10% of the

annual contract; and
3. Authorize the City Administrator and/or her designee to execute all necessary documents, in a form approved by the City Attorney.

Strategic Plan Statement:
This item aligns with Strategic Goal No. 3: Infrastructure, Facilities, and Public Spaces. Awarding this contract ensures our public spaces are clean, attractive, and reflective of the City's commitment to quality.

Discussion:
The City offers free recreational swim at the Gomez Community Center. Free recreational swim is a nine (9) week program open to all residents and non-residents, which begins on June 1 and ends on August 31. Between September 1 and May 31, the pool is open on a per-reservation basis. The contract scope of work for pool and fountain maintenance services will include annual preventative and seasonal maintenance, such as filter servicing, vacuuming, on-site inspections, and monitoring of the pump room equipment and the chlorine and pH levels. An extension of the current agreement with the City's current contractor, HASA, entered on July 1, 2023, included a 2-year extension. However, the City contacted HASA about extending the agreement, and they responded with requesting a 33% rate increase.

The City then issued a Request for Proposal (RFP) on May 18, 2026, to seek more competitive pricing for pool and fountain maintenance services. On June 1, 2026, the City received three (3) responsive proposals as shown in the table below.

Company Name	City Hall Fountain	Gomez Pool	Total Bid
California Waters Development, Inc.	$4,350.00	$11,325.00	$15,675.00
USA Pools of California	$6,500.00	$35,860.00	$42,360.00
HASA Inc.	$13,370.00	$33,100.00	$46,470.00

After a review of the proposals, California Waters was determined to be the most responsive and responsible contractor for performing the pool and fountain maintenance service. Staff recommends the City Council award a Maintenance Service Agreement to California Waters for an an annual not-to-exceed amount of $15,675 and a cumulative three-year contract not-to-exceed amount of $47,025.

Financial Summary:
The agreement with California Waters Development is for three (3) years for a cumulative not-to-exceed contract amount of $47,025 with the option to extend for one (1) additional two-year term for an amount not-to-exceed 15,675 per year, based upon contractor performance and at the discretion of the City. Funding for the Pool and Fountain Maintenance Services is included in the proposed Fiscal Year 2026-27 Operating Budget of $326,943.

CITY OF PLACENTIA
MAINTENANCE SERVICES AGREEMENT
WITH
California Waters Development, Inc.

THIS AGREEMENT is made and entered into this 1st day of July 2026("Effective Date"), by and between the CITY OF PLACENTIA, a municipal corporation ("City"), and California Waters Development, a California S corporation ("Contractor").

W I T N E S S E T H :

A. WHEREAS, City proposes to utilize the services of Contractor as an independent contractor to provide Pool and fountain maintenance service, as more fully described herein; and

B. WHEREAS Contractor represents that it has that degree of specialized expertise contemplated within California Government Code Section 37103, and holds all necessary licenses to practice and perform the services herein contemplated; and

C. WHEREAS, City and Contractor desire to contract for the specific services described in Exhibit "A" (the "Project") and desire to set forth their rights, duties and liabilities in connection with the services to be performed; and

D. WHEREAS, no official or employee of City has a financial interest, within the provisions of Sections 1090-1092 of the California Government Code, in the subject matter of this Agreement.

NOW, THEREFORE, for and in consideration of the mutual covenants and conditions contained herein, the parties hereby agree as follows:

1.0. SERVICES PROVIDED BY CONTRACTOR

1.1. Scope of Services. Contractor shall provide the professional services described in Contractor's Proposal ("Proposal"), attached hereto as Exhibit "A" and incorporated herein by this reference.

1.2. Professional Practices. All professional services to be provided by Contractor pursuant to this Agreement shall be provided by personnel experienced in their respective fields and in a manner consistent with the standards of care, diligence and skill ordinarily exercised by professional Contractors in similar fields and circumstances in accordance with sound professional practices. Contractor also warrants that it is familiar with all laws that may affect its performance of this Agreement and shall advise City of any changes in any laws that may affect Contractor's performance of this Agreement. Contractor shall keep itself informed of State and Federal laws and regulations which in any manner affect those employed by it or in any way affect the performance of its service pursuant to this Agreement. The Contractor shall at all times observe and comply with all such laws and regulations. Officers and employees shall not be liable at law or in equity occasioned by failure of the Contractor to comply with this section.

1.3. Performance to Satisfaction of City. Contractor agrees to perform all the work to the complete satisfaction of the City and within the hereinafter specified. Evaluations of the work will be done by the City Administrator or his or her designee. If the quality of work is not

satisfactory, City, in its discretion, has the right to:

(a) Meet with Contractor to review the quality of the work and resolve the matters of concern;

(b) Require Contractor to repeat the work at no additional fee until it is satisfactory; and/or

(c) Terminate the Agreement as hereinafter set forth.

1.4. Warranty. Contractor warrants that it shall perform the services required by this Agreement in compliance with all applicable Federal and California employment laws, including, but not limited to, those laws related to minimum hours and wages; occupational health and safety; fair employment and employment practices; workers' compensation insurance and safety in employment; and all other Federal, State and local laws and ordinances applicable to the services required under this Agreement. Contractor shall indemnify and hold harmless City from and against all claims, demands, payments, suits, actions, proceedings, and judgments of every nature and description including attorneys' fees and costs, presented, brought, or recovered against City for, or on account of any liability under any of the above-mentioned laws, which may be incurred by reason of Contractor's performance under this Agreement.

1.5. Non-discrimination. In performing this Agreement, Contractor shall not engage in, nor permit its agents to engage in, discrimination in employment of persons because of their race, religion, color, national origin, ancestry, age, physical handicap, medical condition, marital status, sexual gender or sexual orientation, except as permitted pursuant to Section 12940 of the Government Code. Such actions shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship. Contractor agrees to post in conspicuous places, available to employees and applicants for employment, a notice setting forth provisions of this non-discrimination clause.

Contractor shall, in all solicitations and advertisements for employees placed by, or on behalf of Contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, color, religion, sex, marital status, national origin, or mental or physical disability. Contractor shall cause the paragraphs contained in this Section to be inserted in all subcontracts for any work covered by the Agreement, provided that the foregoing provisions shall not apply to subcontracts for standard commercial supplies or raw materials.

1.6. Non-Exclusive Agreement. Contractor acknowledges that City may enter into agreements with other Contractors for services similar to the services that are subject to this Agreement or may have its own employees perform services similar to those services contemplated by this Agreement.

1.7. Delegation and Assignment. This is a personal service contract, and the duties set forth herein shall not be delegated or assigned to any person or entity without the prior written consent of City. Contractor may engage a subcontractor(s) as permitted by law and may employ other personnel to perform services contemplated by this Agreement at Contractor's sole cost and expense. All insurance requirements contained in this Agreement are independently applicable to any and all subcontractors that Contractor may engage during the term of this Agreement.

1.8. Confidentiality. Employees of Contractor in the course of their duties may have access to financial, accounting, statistical, and personnel data of private individuals and employees of City. Contractor covenants that all data, documents, discussion, or information developed or received by Contractor or provided for performance of this Agreement are deemed confidential and shall not be disclosed by Contractor without written authorization by City. City shall grant such authorization if disclosure is required by law. All City data shall be returned to City upon the termination of this Agreement. Contractor's covenant under this Section shall survive the termination of this Agreement.

2.0. COMPENSATION AND BILLING

2.1. Compensation. Contractor shall be paid in accordance with the fee schedule set forth in Exhibit "A." Contractor's total compensation shall not exceed Fifteen thousand six hundred and seventy-five Dollars ($ 15,675.00) annually or a cumulative not-to-exceed of Forty-Seven Thousand Twenty-Five Dollars ($ 47,025). Any request for pricing adjustment shall be submitted in writing by Contractor at least sixty (60) days prior to the proposed effective date of such adjustment. Each request shall include reasonable supporting documentation substantiating the basis for the adjustment, including but not limited to, applicable wage determinations, payroll impact analyses, supplier pricing changes, or other relevant cost data. The request is subject to approval, rejection, or modification by the City in its sole discretion. Such increase shall be limited to 10% of the annual contract sum and shall occur no more than once in any twelve (12) month period. The first such request shall not occur until after the first full year of the contract. The City Council has final approval.

2.2. Additional Services. Contractor shall not receive compensation for any services provided outside the scope of services specified in the Contractor's Proposal or which is inconsistent with or in violation of the provisions of this Agreement unless the City or the Project Manager for this Project, prior to Contractor performing the additional services, approves such additional services in writing. It is specifically understood that oral requests and/ or approvals of such additional services or additional compensation shall be barred and are unenforceable. Should the City request in writing additional services that increase the hereinabove described "SCOPE OF SERVICES", an additional fee based upon the Contractor's standard hourly rates shall be paid to the Contractor for such additional services. Such increase in additional fees shall be limited to 25% of the total contract sum or $25,000, whichever is more. The City Engineer is authorized to approve a Change Order for such additional services.

2.3. Method of Billing. Contractor may submit invoices to the City for approval on a per-progress basis, but no more than twice a month. Said invoice shall be based on the total of all Contractor's services which have been completed to City's sole satisfaction. City shall pay Contractor's invoice within forty-five (45) days from the date City receives said invoice. Each invoice shall describe in detail the services performed, the date of performance, and the associated time for completion. Any additional services approved and performed pursuant to this Agreement shall be designated as "Additional Services" and shall identify the number of the authorized change order, where applicable, on all invoices.

2.4. Records and Audits. Records of Contractor's services relating to this Agreement shall be maintained in accordance with generally recognized accounting principles and shall be made available to City or its Project Manager for inspection and/or audit at mutually convenient times for a period of three (3) years from the Effective Date.

3.0. TIME OF PERFORMANCE

3.1. Commencement and Completion of Work. The professional services to be performed pursuant to this Agreement shall commence within five (5) days from the Effective Date of this Agreement. Said services shall be performed in strict compliance with the Project Schedule approved by City as set forth in Exhibit "A." The Project Schedule may be amended by mutual agreement of the parties. Failure to commence work in a timely manner and/or diligently pursue work to completion may be grounds for termination of this Agreement.

3.2. Excusable Delays. Neither party shall be responsible for delays or lack of performance resulting from acts beyond the reasonable control of the party or parties. Such acts shall include, but not be limited to, acts of God, fire, strikes, material shortages, compliance with laws or regulations, riots, acts of war, or any other conditions beyond the reasonable control of a party. If a delay beyond the Contractor's control is encountered, a time extension may be mutually agreed in writing by the City and the Contractor. The Contractor shall present documentation satisfactory to the City to substantiate any request for a time extension.

4.0. TERM AND TERMINATION

4.1. Term. This Agreement shall commence on the Effective Date and continue for a period of 36 months, ending on June 30, 2029, unless previously terminated as provided herein or as otherwise agreed to in writing by the parties.

4.2. Notice of Termination. The City reserves and has the right and privilege of canceling, suspending, or abandoning the execution of all or any part of the work contemplated by this Agreement, with or without cause, at any time, by providing at least fifteen (15) days prior written notice to Contractor. Termination of this Agreement shall be deemed effective upon receipt of notice of termination. In the event of such termination, Contractor shall immediately stop rendering services under this Agreement unless directed otherwise by the City. If the City suspends, terminates, or abandons a portion of this Agreement, such suspension, termination, or abandonment shall not make void or invalidate the remainder of this Agreement.

If the Contractor defaults in the performance of any of the terms or conditions of this Agreement, it shall have ten (10) days after service upon it of written notice of such default in which to cure the default by rendering a satisfactory performance. In the event that the Contractor fails to cure its default within such period of time, the City shall have the right, notwithstanding any other provision of this Agreement, to terminate this Agreement without further notice and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement.

The City shall have the right, notwithstanding any other provisions of this Agreement, to terminate this Agreement, at its option and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement, immediately upon service of written notice of termination on the Contractor, if the latter should:

a. Be adjudged a bankrupt;

b. Become insolvent or have a receiver of its assets or property appointed because of insolvency;

c. Make a general assignment for the benefit of creditors;

d. Default in the performance of any obligation or payment of any indebtedness under this Agreement;

e. Suffer any judgment against it to remain unsatisfied or unbonded of record for thirty (30) days or longer; or

f. Institute or suffer to be instituted any procedures for reorganization or rearrangement of its affairs.

4.3. Compensation. In the event of termination, City shall pay Contractor for reasonable costs incurred and professional services satisfactorily performed up to and including the date of City's written notice of termination within thirty-five (35) days after service of the notice of termination. Compensation for work in progress shall be prorated based on the percentage of work completed as of the effective date of termination in accordance with the fees set forth herein. In ascertaining the professional services actually rendered hereunder up to the effective date of termination of this Agreement, consideration shall be given to both completed work and work in progress, to complete and incomplete drawings, and to other documents pertaining to the services contemplated herein whether delivered to the City or in the possession of the Contractor. City shall not be liable for any claim of lost profits.

4.4. Documents. In the event of termination of this Agreement, all documents prepared by Contractor in its performance of this Agreement including, but not limited to, finished or unfinished design, development and construction documents, data studies, drawings, maps and reports, shall be delivered to the City within ten (10) days of delivery of termination notice to Contractor, at no cost to City. Any use of uncompleted documents without specific written authorization from Contractor shall be at City's sole risk and without liability or legal expense to Contractor.

5.0. INSURANCE

5.1. Minimum Scope and Limits of Insurance. Contractor shall obtain, maintain, and keep in full force and effect during the life of this Agreement all of the following minimum scope of insurance coverages with an insurance company admitted doing business in California, rated "A," Class X, or better in the most recent Best's Key Insurance Rating Guide, and approved by City:

(a) Broad-form commercial general liability, in a form at least as broad as ISO from #CG 00 01 04 13, including premises-operations, products/completed operations, broad form property damage, blanket contractual liability, independent contractors, personal injury or bodily injury with a policy limit of not less than One Million Dollars ($1,000,000.00), combined single limits, per occurrence. If such insurance contains a general aggregate limit, it shall apply separately to this Agreement or shall be twice the required occurrence limit. If Contractor maintains higher limits that the specified minimum limits, City requires and shall be entitled to coverage for the high limits maintained by the Contractor.

(b) Business automobile liability for owned vehicles, hired, and non-owned vehicles, with a policy limit of not less than One Million Dollars ($1,000,000.00), combined single limits, each incident for bodily injury and property damage.

(c) Workers' compensation insurance as required by the State of California and Employers Liability Insurance with a minimum limit of $1,000,000 per accident for any employee or employees of Contractor. Contractor agrees to waive, and to obtain endorsements from its workers' compensation insurer waiving subrogation rights under its workers' compensation insurance policy against the City, its officers, agents, employees, and volunteers for losses arising from work performed by Contractor for the City and to require each of its subcontractors, if any, to do likewise under their workers' compensation insurance policies.

Before execution of this Agreement by the City, the Contractor shall file with the Public Works Director/City Engineer the following signed certification:

> I am aware of and will comply with Section 3700 of the Labor Code, which requires every employer to be insured against liability for Workers' Compensation or to undertake self-insurance before commencing any work.

The Contractor shall also comply with Section 3800 of the Labor Code by securing, paying for and maintaining in full force and effect for the duration of this Agreement, complete Workers' Compensation Insurance, and shall furnish a Certificate of Insurance to the Public Works Director/City Engineer before execution of this Agreement by the City. The City, its officers and employees shall not be responsible for any claims in law or equity occasioned by failure of the Contractor to comply with this section.

Neither the CITY nor any of its elected or appointed officials, officers, agents, employees, or volunteers makes any representation that the types of insurance and the limits specified to be carried by Contractor under this Agreement are adequate to protect Contractor. If Contractor believes that any such insurance coverage is insufficient, Contractor shall provide, at its own expense, such additional insurance as Contractor deems adequate.

5.2. Endorsements. The commercial general liability insurance policy and business automobile liability policy shall contain or be endorsed to contain the following provisions:

(a) Additional insureds: "The City of Placentia and its elected and appointed boards, officers, officials, agents, employees, and volunteers are additional insureds with respect to: liability arising out of activities performed by or on behalf of the Contractor pursuant to its contract with the City; products and completed operations of the Contractor; premises owned, occupied or used by the Contractor; automobiles owned, leased, hired, or borrowed by the Contractor."

(b) Notice: "Contractor shall provide immediate written notice if (1) any of the required insurance policies is terminated; (2) the limits of any of the required policies are reduced; (3) or the deductible or self-insured retention is increased. In the event of any cancellation or reduction in coverage or limits of any insurance, Contractor shall forthwith obtain and submit proof

of substitute insurance. Should Contractor fail to immediately procure other insurance, as specified, to substitute for any canceled policy, the City may procure such insurance at Contractor's sole cost and expense."

(c) Other insurance: "The Contractor's insurance coverage shall be primary insurance as respects the City of Placentia, its officers, officials, agents, employees, and volunteers. Any other insurance maintained by the City of Placentia shall be excess and not contributing with the insurance provided by this policy."

(d) Any failure to comply with the reporting provisions of the policies shall not affect coverage provided to the City of Placentia, its officers, officials, agents, employees, and volunteers.

(e) The Contractor's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

5.3. Deductible or Self Insured Retention. If any of such policies provide for a deductible or self-insured retention to provide such coverage, the amount of such deductible or self-insured retention shall be approved in advance by City. No policy of insurance issued as to which the City is an additional insured shall contain a provision which requires that no insured except the named insured can satisfy any such deductible or self-insured retention.

5.4. Certificates of Insurance. Contractor shall provide to City certificates of insurance showing the insurance coverages and required endorsements described above, in a form and content approved by City, prior to performing any services under this Agreement. The certificates of insurance and endorsements shall be attached hereto as Exhibit "B" and incorporated herein by this reference.

5.5. Non-limiting. Nothing in this Section shall be construed as limiting in any way the indemnification provision contained in this Agreement, or the extent to which Contractor may be held responsible for payments of damages to persons or property.

6.0. GENERAL PROVISIONS

6.1. Entire Agreement. This Agreement constitutes the entire agreement between the parties with respect to any matter referenced herein and supersedes any and all other prior writings and oral negotiations. This Agreement may be modified only in writing, and signed by the parties in interest at the time of such modification. The terms of this Agreement shall prevail over any inconsistent provision in any other contract document appurtenant hereto, including exhibits to this Agreement.

6.2. Representatives. The City Administrator or his or her designee shall be the representative of City for purposes of this Agreement and may issue all consents, approvals, directives and agreements on behalf of the City, called for by this Agreement, except as otherwise expressly provided in this Agreement.

Contractor shall designate a representative for purposes of this Agreement who shall be authorized to issue all consents, approvals, directives and agreements on behalf of Contractor called for by this Agreement, except as otherwise expressly provided in this

Agreement.

6.3. Project Managers. City shall designate a Project Manager to work directly with Contractor in the performance of this Agreement. It shall be the Contractor's responsibility to ensure that the Project Manager is kept informed of the progress of the services and the Contractor shall refer any decision that must be made by the City to the Project Manager. Unless otherwise specified herein, any approval of City required hereunder shall mean the approval of the Project Manager.

Contractor shall designate a Project Manager who shall represent it and be its agent in all consultations with City during the term of this Agreement and who shall not be changed by Contractor without the express written approval of the City. The Contractor or its Project Manager shall attend and assist in all coordination meetings called by the City.

6.4. Notices. Any notices, documents, correspondence or other communications concerning this Agreement or the work hereunder may be provided by personal delivery, facsimile or if mailed, shall be addressed as set forth below and placed in a sealed envelope, postage prepaid, and deposited in the United States Postal Service. Such communication shall be deemed served or delivered: a) at the time of delivery if such communication is sent by personal delivery; b) at the time of transmission if such communication is sent by facsimile; and c) 72 hours after deposit in the U.S. Mail as reflected by the official U.S. postmark if such communication is sent through regular United States mail.

Tel: 949 468-8755	Tel (714) 993-8111
Attn: Rheanna Connor	Attn: Ontoine Lewis, Public Works Manager

6.5. Attorneys' Fees. In the event that litigation is brought by any party in connection with this Agreement, the prevailing party shall be entitled to recover from the opposing party all costs and expenses, including reasonable attorneys' fees, incurred by the prevailing party in the exercise of any of its rights or remedies hereunder or the enforcement of any of the terms, conditions, or provisions hereof.

6.6. Governing Law. This Agreement shall be governed by and construed under the laws of the State of California without giving effect to that body of laws pertaining to conflict of laws. In the event of any legal action to enforce or interpret this Agreement, the parties hereto agree that the sole and exclusive venue shall be a court of competent jurisdiction located in Orange County, California. Contractor agrees to submit to the personal jurisdiction of such court in the event of such action.

6.7. Assignment. Contractor shall not voluntarily or by operation of law assign, transfer, sublet or encumber all or any part of Contractor's interest in this Agreement without City's prior written consent. Any attempted assignment, transfer, subletting or encumbrance shall be void and shall constitute a breach of this Agreement and cause for termination of this Agreement. Regardless of City's consent, no subletting or assignment shall release Contractor of Contractor's

obligation to perform all other obligations to be performed by Contractor hereunder for the term of this Agreement.

6.8. Indemnification and Hold Harmless. Contractor agrees to defend, indemnify, hold free and harmless the City, its elected and appointed officials, officers, agents and employees, at Contractor's sole expense, from and against any and all claims, demands, actions, suits or other legal proceedings brought against the City, its elected and appointed officials, officers, agents and employees arising out of the performance of the Contractor, its employees, and/or authorized subcontractors, of the work undertaken pursuant to this Agreement. The defense obligation provided for hereunder shall apply whenever any claim, action, complaint or suit asserts liability against the City, its elected and appointed officials, officers, agents and employees based upon the work performed by the Contractor, its employees, and/or authorized subcontractors under this Agreement, whether or not the Contractor, its employees, and/or authorized subcontractors are specifically named or otherwise asserted to be liable. Notwithstanding the foregoing, the Contractor shall not be liable for the defense or indemnification of the City for claims, actions, complaints or suits arising out of the sole active negligence or willful misconduct of the City. This provision shall supersede and replace all other indemnity provisions contained either in the City's specifications or Contractor's Proposal, which shall be of no force and effect.

6.9. Independent Contractor. Contractor is and shall be acting at all times as an independent contractor and not as an employee of City. Contractor shall have no power to incur any debt, obligation, or liability on behalf of City or otherwise act on behalf of City as an agent. Neither City nor any of its agents shall have control over the conduct of Contractor or any of Contractor's employees, except as set forth in this Agreement. Contractor shall not, at any time, or in any manner, represent that it or any of its or employees are in any manner agents or employees of City. Contractor shall secure, at its sole expense, and be responsible for any and all payments of Income Tax, Social Security, State Disability Insurance Compensation, Unemployment Compensation, and other payroll deductions for Contractor and its officers, agents, and employees, and all business licenses, if any are required, in connection with the services to be performed hereunder. Contractor shall indemnify and hold City harmless from any and all taxes, assessments, penalties, and interest asserted against City by reason of the independent contractor relationship created by this Agreement. Contractor further agrees to indemnify and hold City harmless from any failure of Contractor to comply with the applicable workers' compensation laws. City shall have the right to offset against the amount of any fees due to Contractor under this Agreement any amount due to City from Contractor as a result of Contractor's failure to promptly pay to City any reimbursement or indemnification arising under this paragraph.

6.10. PERS Eligibility Indemnification. In the event that Contractor or any employee, agent, or subcontractor of Contractor providing services under this Agreement claims or is determined by a court of competent jurisdiction or the California Public Employees Retirement System (PERS) to be eligible for enrollment in PERS as an employee of the City, Contractor shall indemnify, defend, and hold harmless City for the payment of any employee and/or employer contributions for PERS benefits on behalf of Contractor or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of City.

Notwithstanding any other agency, state or federal policy, rule, regulation, law or ordinance to the contrary, Contractor and any of its employees, agents, and subcontractors providing service under this Agreement shall not qualify for or become entitled to, and hereby

agree to waive any claims to, any compensation, benefit, or any incident of employment by City, including but not limited to eligibility to enroll in PERS as an employee of City and entitlement to any contribution to be paid by City for employer contribution and/or employee contributions for PERS benefits.

6.11. Cooperation. In the event any claim or action is brought against City relating to Contractor's performance or services rendered under this Agreement, Contractor shall render any reasonable assistance and cooperation which City might require.

6.12. Ownership of Documents. All findings, reports, documents, information and data including, but not limited to, computer tapes or discs, preliminary notes, working documents, files and tapes furnished or prepared by Contractor or any of its subcontractors in the course of performance of this Agreement, shall be and remain the sole property of City. Contractor agrees that any such documents or information shall not be made available to any individual or organization without the prior consent of City, but shall be made available to the City within ten (10) days of request or within ten (10) days of termination. Any use of such documents for other projects not contemplated by this Agreement, and any use of incomplete documents, shall be at the sole risk of City and without liability or legal exposure to Contractor. City shall indemnify and hold harmless Contractor from all claims, damages, losses, and expenses, including attorneys' fees, arising out of or resulting from City's use of such documents for other projects not contemplated by this Agreement or use of incomplete documents furnished by Contractor. Contractor shall deliver to City any findings, reports, documents, information, data, preliminary notes and working documents, in any form, including but not limited to, computer tapes, discs, files, audio tapes or any other Project-related items as requested by City or its authorized representative, at no additional cost to the City. Contractor or Contractor's agents shall execute such documents as may be necessary from time to time to confirm City's ownership of the copyright in such documents.

6.13. Public Records Act Disclosure. Contractor has been advised and is aware that this Agreement and all reports, documents, information and data, including, but not limited to, computer tapes, discs or files furnished or prepared by Contractor, or any of its subcontractors, pursuant to this Agreement and provided to City may be subject to public disclosure as required by the California Public Records Act (California Government Code Section 6250 *et seq*.). Exceptions to public disclosure may be those documents or information that qualify as trade secrets, as that term is defined in the California Government Code Section 6254.7, and of which Contractor informs City of such trade secret. The City will endeavor to maintain the confidentiality of all information obtained by it that is designated as a trade secret. The City shall not, in any way, be liable or responsible for the disclosure of any trade secret including, without limitation, those records so marked if disclosure is deemed to be required by law or by order of the Court.

6.14. Conflict of Interest. Contractor and its officers, employees, associates and subcontractors, if any, will comply with all conflict of interest statutes of the State of California applicable to Contractor's services under this Agreement, including, but not limited to, the Political Reform Act (Government Code Sections 81000, *et seq*.) and Government Code Section 1090. During the term of this Agreement, Contractor and its officers, employees, associates and subcontractors shall not, without the prior written approval of the City Representative, perform work for another person or entity for whom Contractor is not currently performing work that would require Contractor or one of its officers, employees, associates or subcontractors to abstain from a decision under this Agreement pursuant to a conflict of interest statute.

6.15. Responsibility for Errors. Contractor shall be responsible for its work and results

under this Agreement. Contractor, when requested, shall furnish clarification and/or explanation as may be required by the City's representative, regarding any services rendered under this Agreement at no additional cost to City. In the event that an error or omission attributable to Contractor occurs, then Contractor shall, at no cost to City, provide all necessary design drawings, estimates and other Contractor professional services necessary to rectify and correct the matter to the sole satisfaction of City and to participate in any meeting required with regard to the correction.

6.16. Prohibited Employment. Contractor will not employ any regular employee of City while this Agreement is in effect.

6.17. Order of Precedence. In the event of an inconsistency in this Agreement and any of the attached Exhibits, the terms set forth in this Agreement shall prevail. If, and to the extent this Agreement incorporates by reference any provision of any document, such provision shall be deemed a part of this Agreement. Nevertheless, if there is any conflict among the terms and conditions of this Agreement and those of any such provision or provisions so incorporated by reference, the conflict shall be resolved by giving precedence in the following order, if applicable: This Agreement, the City's Request for Proposals, the Contractor's Proposal.

6.18. Costs. Each party shall bear its own costs and fees incurred in the preparation and negotiation of this Agreement and in the performance of its obligations hereunder except as expressly provided herein.

6.19. No Third Party Beneficiary Rights. This Agreement is entered into for the sole benefit of City and Contractor, and no other parties are intended to be direct or incidental beneficiaries of this Agreement, and no third party shall have any right in, under or to this Agreement.

6.20. Headings. Paragraphs and subparagraph headings contained in this Agreement are included solely for convenience and are not intended to modify, explain or to be a full or accurate description of the content thereof and shall not in any way affect the meaning or interpretation of this Agreement.

6.21. Construction. The parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises with respect to this Agreement, this Agreement shall be construed as if drafted jointly by the parties and in accordance with its fair meaning. There shall be no presumption or burden of proof favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement.

6.22. Amendments. Only a writing executed by the parties hereto or their respective successors and assigns may amend this Agreement.

6.23. Waiver. The delay or failure of either party at any time to require performance or compliance by the other of any of its obligations or agreements shall in no way be deemed a waiver of those rights to require such performance or compliance. No waiver of any provision of this Agreement shall be effective unless in writing and signed by a duly authorized representative of the party against whom enforcement of a waiver is sought. The waiver of any right or remedy in respect to any occurrence or event shall not be deemed a waiver of any right or remedy in respect to any other occurrence or event, nor shall any waiver constitute a continuing waiver.

6.24. Severability. If any provision of this Agreement is determined by a court of

competent jurisdiction to be unenforceable in any circumstance, such determination shall not affect the validity or enforceability of the remaining terms and provisions hereof or of the offending provision in any other circumstance. Notwithstanding the foregoing, if the value of this Agreement, based upon the substantial benefit of the bargain for any party, is materially impaired, which determination made by the presiding court or arbitrator of competent jurisdiction shall be binding, then both parties agree to substitute such provision(s) through good faith negotiations.

6.25. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original. All counterparts shall be construed together and shall constitute one agreement.

6.26. Corporate Authority. The persons executing this Agreement on behalf of the parties hereto warrant that they are duly authorized to execute this Agreement on behalf of said parties and that by doing so the parties hereto are formally bound to the provisions of this Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by and through their respective authorized officers, as of the date first above written.

CONTRACTOR'S PROPOSAL AND SCOPE OF WORK

SECTION C

PROPOSAL

for the
PUBLIC SWIMMING POOL MAINTENANCE SERVICES
in the
CITY OF PLACENTIA

TO THE HONORABLE MAYOR AND MEMBERS OF THE COUNCIL OF PLACENTIA:

In compliance with this Request for Proposal, the undersigned hereby proposes and agrees to perform all the work therein described and to furnish all labor, material, equipment, and incident insurance necessary therefor in accordance with the Scope of Work as described in the bid documents. The undersigned agrees to perform the work therein to the satisfaction of and under the supervision of the City Engineer of the City of Placentia, and to enter into a contract at the following prices. Contractor shall perform all work under this contract for a period of 60 months starting from the day indicated in the Notice to Proceed.

BIDDER declares that this proposal is based upon careful examination of the work site, plans, specifications, Instructions to Bidders, and all other contract documents. If this proposal is accepted for award, BIDDER agrees to enter into a contract with the City at the prices set forth in the Bid Schedule. BIDDER understands that failure to enter into a contract in the manner and time prescribed will result in forfeiture to City of the guaranty accompanying this proposal.

BIDDER understands that a bid is required for the entire work, that the estimated quantities set forth in the Bid Schedule are solely for the purpose of comparing bids, and that final compensation under the contract will be based upon the actual quantities of work satisfactorily completed. THE CITY RESERVES THE RIGHT TO DELETE ANY ITEM FROM THE CONTRACT. It is agreed that the unit and/or lump sum prices bid include all appurtenant expenses, taxes, royalties, fees, etc., and will be guaranteed for a period of 90 days from the bid opening date. If, at that time, the contract is not awarded, the City will reject all bids and re-advertise the project. In the case of discrepancies in the amounts bid, unit prices shall govern over extended amounts, and words shall govern over figures.

If awarded the contract, the undersigned agrees that in the event of the BIDDER'S default in executing the required contract and filing the necessary bonds and insurance certificates within 10 working days after the date of the City's Notice of Award of Contract to the BIDDER, the proceeds of the security accompanying this bid shall become the property of the City and this bid and the acceptance hereof may, at the City's option, be considered null and void.

A. General Description

PUBLIC SWIMMING POOL MAINTENANCE SERVICES

The minimum qualifications:

- All Pool Technicians must be certified as AFO (Aquatics Facility Operator) or CPO (Certified Pool Operator).
- Extensive experience maintaining municipal aquatic facilities.
- Experience working with Automated Chemical Monitoring Systems, specifically the Chemtrol 2000 series.
- Experience working with multiple high-rate sand filters.
- Must have experience working with municipal pools. Three references from municipal facilities must accompany your bid.
