**MUNICIPAL OFFICERS ELECTORAL BOARD RULES
FOR THE VILLAGE OF PLAINFIELD**

1. APPEARANCE. A candidate or objector may appear before the Board in person or by an attorney-at-law admitted to the bar of the Supreme Court of Illinois. The party must file a written appearance listing his or her name, address, and telephone number. A form for said appearance shall be available for each party wishing to file same. The Board highly recommends that parties provide all pertinent phone numbers, email addresses and/or fax numbers, if possible. The parties shall be reasonably available by those provided telephone numbers and/or fax numbers during the day and night to receive Board communications during the course of the proceedings. Because of the expedited nature of the hearings, failure to monitor or be available at the numbers provided may result in waiver of rights.

2. HEARING DATE. On the date set in the Call, both the objector and the candidate may be required to proceed to present their cases. The Board will not grant any continuance, except for good cause shown, or except on the Board's own direction.

3. ELECTORAL BOARD POWERS. The Electoral Board shall conduct and preside over all hearings and take necessary action to avoid delay, maintain order, ensure compliance with all notice requirements, and ensure the development of a clear and complete record. The Board shall have all the powers necessary to conduct a fair and impartial hearing including, but not limited to, the powers to:

- (a) administer oaths and affirmations;
- (b) regulate the course of hearings, set the time and place for continued hearings, set times for filing of documents, provide for the taking of testimony by evidence deposition if necessary, and in general conduct proceedings according to the recognized principles of administrative law and these rules;
- (c) examine the witnesses (including examinations by the Board members and the Board's attorney) and direct the witnesses to testify, limit the number of times any witness may testify, limit repetitive testimony, and set reasonable limits to the amount of time that each witness may testify;
- (d) rule on offers of proof and receive relevant evidence;
- (e) direct parties to appear and confer for the settlement or simplification of issues and otherwise conduct prehearing conferences;
- (f) dispose of procedural requests or similar matters;
- (g) require the parties to prepare written briefs and proposed findings of fact and conclusions of law;
- (h) consider and rule on all motions presented in the course of the proceedings;
- (i) consider such evidence as may be submitted, including but not limited to, documentary evidence, affidavits, and oral testimony;

(j) prepare a record of its proceedings, with the clerk and/or secretary of the Board's parent governmental body, or his or her designee, serving as ex officio clerk of the Board and keeping minutes of the Board's proceedings; and

(k) enter any order that further carries out the purpose of these rules.

4. CASE MANAGEMENT CONFERENCE. The Board may direct the parties or their attorneys to appear at a conference with the Board or its attorney at any time, for the purpose of considering:

(a) the formation and simplification of the issues;

(b) the possibility of obtaining admissions of facts and of documents to avoid unnecessary proof;

(c) the limitation of the number of witnesses;

(d) the preparation and submission of written briefs and proposed findings of fact and conclusion of law;

(e) scheduling of hearings on motions;

(f) a proposed plan and schedule of discovery; and

(g) any other matters that may aid in the disposition of the objections.

5. ORDER OF PRESENTATION. The Board will first hear preliminary motions in the nature of a motion to dismiss similarly pursuant to §2-615 of the Illinois Code of Civil Procedure. The Board may, in its discretion, reserve rulings on such motions pending further hearings.

The objector shall present his or her case-in-chief after the consideration of such preliminary motions. The objector shall bear the burden of presenting evidence sufficient to support a decision sustaining the objection. The applicable evidentiary threshold on issues of fact shall be a "preponderance of the evidence." The Board, in its discretion, may entertain a motion for a directed finding at the close of the objector's case-in-chief. After the conclusion of the objector's case-in-chief, the candidate may present his or her case-in-chief.

At the close of candidate's case-in-chief, the objector may offer a case in rebuttal. Matters in rebuttal will be strictly limited to matters raised by the issues then before the Board. Surrebuttal is disfavored and may be allowed by the Board only upon showing of compelling grounds.

In the interest of brevity, the Board may terminate evidence or argument on repetitive matters or matters plainly beyond the scope of the case. The Board may refuse to hear, with or without an objection of a party, evidence or argument it determines not germane to the Electoral Board hearing.

The objector need not adduce proof that the objector is a registered voter within the political subdivision at issue. The candidate may raise the lack of the objector's standing or eligibility as an affirmative defense in his or her own case-in-chief. The objector's motivation or personal knowledge of the factual basis for the objections is not relevant to the Board and shall not be considered.

The Board may alter the order of proof in order to expedite the hearing.

6. RECORD CHECKS. The Board, in its discretion and when applicable, may order a record check to be conducted. The record check shall be used to initially determine the validity of most standard objections to individual signatures and circulators. At the record check, election documents and objections shall be compared with the permanent voter registration records of the local election authority by employees of the election authority acting under the direction and supervision of this Board, if possible, and if not, then by the Board or its agent(s) or designee(s). If the records of the election authority are stored on a computer database, the records check may utilize the computerized records in lieu of or in addition to the originals. The record check shall determine the validity of the following general types of objections:

- (a) whether the signer of an election document is a registered voter at the address shown beside his or her signature;
- (b) whether the signature on an election document is genuine;
- (c) whether the signer of an election document is registered at an address within the relevant political subdivision involved; and
- (d) whether a petition signer signed the document more than once.

The objector and candidate shall have the right to have an attorney and one designated representative (watchers) present at the record check. If the designated representative is the objector or candidate that party shall not be entitled to any additional watchers other than the attorney. The record check will proceed at the scheduled time. The failure of any party to appear at the comparison shall not delay nor affect the validity of the record check. The results of the record check shall be noted by the election authority's clerk on a form provided by the Board. Failure or refusal of the watcher to sign the form does not affect the accuracy of the form. Blank copies of the form used shall be furnished to each watcher on request so that the watcher may note the results of the comparison. The election authority or the Board's representative(s) may order a watcher removed for misconduct that materially hampers the businesslike proceedings of the record check. If a watcher is removed, the record check will proceed immediately without that watcher.

A watcher may orally object to the findings of the clerk at the time the clerk enters his or her ruling on the form. This objection shall also be noted by the clerk. FAILURE TO OBJECT TO A FINDING OF THE CLERK AT THE RECORD CHECK SHALL BAR THE PARTY FROM OBTAINING A CHECK OF ANY OTHER ELECTION AUTHORITY RECORDS RELATING TO THAT SIGNATURE AND ALSO FROM PRESENTATION OF ANY FURTHER EVIDENCE OR ARGUMENT BEFORE THE BOARD WITH RESPECT TO THE ISSUE CONSIDERED AT THE RECORD CHECK.

7. (Reserved).

8. TIMING OF OBJECTIONS TO RECORD CHECKS. Any party may object to the results of the record check by filing a written request for further hearing before the Board. This request shall indicate the specific name(s) objected to by sheet and line of the election documents and the ground(s) for the request. This request shall be filed no later than 48 clock hours following the clerk's ruling on the last signature examined at the record check.

The request shall be filed with the Board and served on the other parties to the case. No request

will be considered if the party did not make an objection to the election authority's finding at the time that the election authority's clerk entered his or her finding on the form.

At a hearing before the Board, the ruling made by the clerk shall be deemed valid, and the moving party shall have the burden of demonstrating that the ruling was incorrect by a preponderance of the evidence.

9. SUBPOENAS. At the request of any party, the Chairman may issue subpoenas requesting the attendance of witnesses and subpoenas duces tecum requiring the production of such books, papers, records, and documents as may be evidence of any matter before the Board. The party shall serve the subpoena, with the appropriate fee, in the same manner as for subpoenas used in the circuit court of Will County.

If any person served with a Board subpoena fails to honor it, the Board may seek judicial enforcement of the subpoena as provided by law.

10. GENERAL CONSIDERATIONS. The Board will consider objections only to the objector's petition and to the petition for public question. All arguments and evidence must be confined to those matters. Any party may submit arguments in writing. The objector's petition may not be amended. The Board will be governed by applicable Illinois statutory and case law.

11. EVIDENCE. The Board will consider such other evidence as may be submitted, including, but not limited to, other documentary evidence, affidavits, and oral testimony. Because the Board must consider objections within a limited time, extended examination and cross-examination of witnesses will be subject to the discretion of the Board. The Board will, when practicable and appropriate, follow (but will not be bound by) rules of evidence that prevail in Illinois courts of law. The Chairman, with the assistance of the Board's attorney, shall make all necessary evidentiary rulings, subject to appeal to the entire Board. The Board may overrule the Chairman's rulings on such evidentiary matters by a majority vote of the Board.

12. FAILURE TO FOLLOW DIRECTIVES. Failure to adhere to these rules shall be grounds for dismissal of the objector's petition or default of the proponent's petition for public question.

13. FINDINGS. The Board shall state its findings in writing, noting the objections that have been sustained. The Board shall not default the candidate's petition for public question until after a finding that the objections constitute sufficient grounds for removal from the ballot.

14. GENERAL PROCEDURES. For matters not covered herein, the Board will generally follow rules of practice that prevail in the Circuit Court of Will County and the Illinois Code of Civil Procedure. Because of the nature of these proceedings, the Board shall not be bound by such rules in all particulars. Mandatory discovery is not permitted. The Board's rules of order shall generally be ROBERT'S RULES OF ORDER, NEWLY REVISED, 10th EDITION (Perseus Publishing, 2000).

The Board shall provide a certified court reporter for all hearings, but not for record checks. The Board may waive this requirement at any time without notice. The Board will not cause a transcript to be prepared unless it needs a transcript for a particular purpose. If a petition for judicial review of the Board's decision is filed, the Board will provide a record to the court as provided by the Administrative Review Law. Any party may purchase a transcript from the court reporter at his or her own expense.

The Board designates Mr. Richard E. Vogel, 2801 Black Road, Second Floor, Joliet, Illinois 60435,

as its attorney. The Board's attorney is authorized and directed to defend the Board's decision at the circuit court level if a petition for judicial review is filed and to defend the Board in any litigation that may arise. The Board directs the appropriate officials of the Board's parent governmental body to pay the reasonable and necessary costs of the Board's operation, including attorneys' fees, court reporting fees, and similar expenses, from its general funds.

15. SESSIONS. After the Board convenes, it will be in session continuously until all objections are disposed of. The Board, however, may recess from time to time.

16. NOTICE OF FILING AND SERVICE. Any party filing any document must give notice of that filing and a copy of the document being filed to all other parties to the case. If a party or his or her attorney has a fax machine, service may be made to the fax machine. Service shall be effectuated in a manner reasonably calculated to provide actual and prompt notice to the party. The party filing the document shall file a sworn Proof of Service with the Board. The Proof of Service shall set forth the time, date, and manner of service. The Proof of Service shall be filed with the ex officio clerk or her designee. All documents shall be filed with the ex officio clerk or her designee during regular office hours or with the Board in open session.

Copies of any documents filed with the ex officio clerk should also be sent **by** hand delivery or facsimile transmittal to the Board attorney, in open session or at the above listed address, phone: 815-723-8500 and fax 815-727-4846.

OBJECTOR'S PETITION

Trista Leigh Countryman, referred to herein as the “Objector”, bring this Objector’s Petition as a citizen desirous of seeing that the Election Code of Illinois as well as other election laws governing the filing of nomination papers for the office of Village Trustee of the Village of Plainfield, Counties of Will and Kendall, State of Illinois, (the “Office”) are properly complied with, and that only qualified candidates who meet all statutory and legal requirements appear on the applicable ballot as candidates for said office for the April 1, 2025 election. In support of this Objector’s Petition, Objector states as follows:

THE PARTIES

1. Trista Leigh Countryman, the Objector, resides at 16258 S. Howard Street, Plainfield, Illinois 60586, and is a duly qualified and registered legal voter at that address.
2. Nicky Giannasi (“Candidate”) has filed nomination papers (“Nomination Papers”) as a candidate for Village Trustee of the Village of Plainfield, Counties of Will and Kendall, State of Illinois, to be voted at the election to be held on April 1, 2025 (“Election”).

NATURE OF OBJECTION

3. Pursuant to 10 ILCS 5/10-8, Objector makes the objections set forth herein to the Nomination Papers of Candidate as a candidate for the Office to be voted upon at the Election.
4. This duly constituted electoral board has jurisdiction over this Verified Objector’s Petition pursuant to the authority granted it under the Election Code of Illinois, including without limitation, 10 ILCS 5/10-9 and 10 ILCS 5/10-10.

5. Pursuant to state law, nomination papers must truthfully allege the qualifications of the candidate, be gathered and presented in the manner provided for in the Illinois Election Code, and otherwise executed in the form provided by law. The Nomination Papers purport to contain signatures in excess of the statutory requirement for an independent candidacy for the Office at the Election, and further purport to have been gathered, presented and executed in the manner provided by the Illinois Election Code, and purport to truthfully allege the qualifications of the Candidate for the Office.

6. The Candidate filed to run as, and caused to be circulated on his behalf, petitions for nomination as an Independent Candidate for the Office.

7. The Nomination Papers, which purport to contain 28 pages of petition sheets as well as a statement of candidacy and a Statement of Economic Interests filing receipt, were filed as a stack of loose, unbound pages, with no fastener of any kind.

8. Section 10-4 of the Illinois Election Code mandates that all nomination petition sheets, "before being presented to the electoral board or filed with the proper officer of the electoral district or division of the state or municipality, as the case may be, shall be neatly fastened together in book form, by placing the sheets in a pile and fastening them together at one edge in a secure and suitable manner" 10 ILCS 5/10-4.

9. This fastening provision is considered a mandatory statutory provision, which protects the integrity of the electoral process. See Jones v. Dodendorf, 190 Ill. App. 3d 557, 560 (2d Dist. 1989).

10. The complete lack of any attempt to bind the individual pages of the Nomination Papers together violates the mandatory requirements of Section 10-4 of the Illinois Election Code and undermine the integrity of the electoral process.

11. The Nomination Papers are thus invalid and all signatures appearing on the Nomination Papers are likewise invalid.

Conclusion

12. For all of the reasons stated above, the Nomination Papers contain less than the statutorily required minimum number of signatures of qualified voters in the Village of Plainfield, Counties of Will and Kendall, State of Illinois, as is set forth by the aforementioned signature objections and made by the Objector in this Petition.

WHEREFORE, Objector requests a hearing on the objections set forth herein, an examination by the aforesaid Electoral Board of the official records relating to voters in the Village of Plainfield, to the extent that such examination is pertinent to any of the matters alleged herein, a ruling that the Nomination Papers are insufficient in law and fact, and a ruling that the name of Nicky Giannasi shall not appear and not be printed on the ballot for election to the office of Village Trustee of the Village of Plainfield, to be voted for at the Consolidated General Election to be held April 1, 2025.

Respectfully Submitted,

A handwritten signature in cursive script, appearing to read "John [unclear]", written over a horizontal line.

This will be returned to you when statement is filed in the Office of the County Clerk.

Subject: Request for Recusal of Electoral Board Member

Dear John Argoudelis and Members of the Electoral Board,

I am submitting this formal request for the recusal of John Argoudelis from the electoral board proceedings regarding the objection filed by Trishy Leigh Countryman against Nicky Giannasi. This request is made on the grounds that John Argoudelis is a candidate for Village President and has openly endorsed two of my opponents in the upcoming consolidated elections. Additionally, it is likely that John Argoudelis may be called as a witness given his role as Village President and the basis of the objection being one based on the technical processes involved in nominating petitions.

The Illinois Election Code under 10 ILCS 5/10-9 ensures that all electoral board proceedings are conducted fairly and impartially. To preserve the integrity of this process, I respectfully request that John Argoudelis recuse himself from participating in this matter.

Thank you for your attention to this important issue. I trust that the board will take the appropriate steps to ensure a fair and unbiased hearing. Please let me know if further information is needed regarding this request.

Sincerely,
Robert N Giannasi
