PROCLAMATIONS / PRESENTATIONS

Title:	America's 250 Year Celebration Day
Funds:	Not applicable.
Recommended Action:	The proclamation be presented to Eric Loyd, American Legion Auxiliary 103 Commander.
Summary:	The proclamation declares June 14, 2026, to be America's 250 Year Celebration Day.
Department/Division:	City Clerk

EXHIBITS:

1. America's 250 Year Celebration Day

PROCLAMATION
City of Punta Gorda

WHEREAS, 250 years ago, the Stars and Stripes first rose above a hopeful new nation, signaling to the world the birth of the United States of America and igniting a spirit of freedom that has endured through generations; and

WHEREAS, on June 14, we celebrate Flag Day, a time to reflect on the meaning of our flag—its stripes telling the story of our beginnings, its stars representing unity, and its presence serving as a beacon of hope across our great nation; and

WHEREAS, in a vibrant tribute to this historic occasion, the DN McQueen American Legion Post 103 Family, along with our dedicated local business community, will present a spectacular drone light show over the harbor at Laishley Park at 9:00 p.m.—a breathtaking display of red, white, and blue illuminating our Florida sky in celebration of 250 years of American independence; and

WHEREAS, this celebration is made possible through the generosity and spirit of our local Veteran organizations and businesses, whose service, commitment, and love of country reflect the very foundation upon which our nation was built; and

WHEREAS, it is the goal of this community to establish Flag Day weekend as an annual tradition that promotes tourism, supports our local businesses during the summer season, and provides a meaningful and enjoyable family event for residents and visitors alike.

NOW, THEREFORE, the City Council of the City of Punta Gorda, Florida does hereby proclaim the 14th of June 2026, as

America's 250 Year Celebration Day

and calls upon all residents and visitors to come together in celebration, reflection, and pride—honoring the past, embracing the present, and looking boldly toward the future as we commemorate 250 years of freedom under one flag. God bless America!

PASSED AND DULY ADOPTED this 3rd day of June 2026.

PROCLAMATIONS / PRESENTATIONS

Title:	Isles Yacht Club 50th Anniversary Day
Funds:	Not applicable.
Recommended Action:	The proclamation be presented to Larry Stewart and fellow leaders of the Isles Yacht Club.
Summary:	The proclamation declares June 4, 2026, to be Isles Yacht Club 50th Anniversary Day.
Department/Division:	City Clerk

EXHIBITS:

1. Isles Yacht Club 50th Anniversary Day

PROCLAMATION
City of Punta Gorda

WHEREAS, the Isles Yacht Club, located in the heart of Punta Gorda Isles, will celebrate its 50th anniversary on June 4, 2026, marking five decades of fellowship, service, and waterfront tradition as a distinguished center of social activity; and

WHEREAS, the Club serves as a vital economic engine for the community, employing more than 50 local residents and supporting numerous vendors, with members who contribute daily to the prosperity and character of Punta Gorda and Charlotte County; and

WHEREAS, through a steadfast volunteer spirit, members of the Isles Yacht Club have long held leadership roles in charitable, civic, cultural, and veterans' organizations, strengthening the fabric of our region through generosity and hospitality; and

WHEREAS, for 50 years, the Isles Yacht Club has reflected the best traditions of Punta Gorda—neighborliness, resilience, and civic pride—demonstrating a lasting commitment to making our community a premier place to live, work, and visit.

NOW, THEREFORE, the City Council of the City of Punta Gorda, Florida does hereby proclaim the 4th of June 2026, as

Isles Yacht Club 50th Anniversary Day

and encourage all citizens to join in recognizing and celebrating the Isles Yacht Club for 50 years of service, fellowship, economic contribution, and community support, and may the Isles Yacht Club continue to serve as a beacon of civic leadership, and waterfront tradition for generations to come.

PASSED AND DULY ADOPTED this 3rd day of June 2026.

CONSENT AGENDA

Title: Interlocal Agreement between the School Board of Charlotte County and the City of Punta Gorda.

Funds:

Recommended Action: Execute the interlocal agreement.

Summary: The attached Interlocal Agreement adds the School Board of Charlotte County as an approved Commercial Driver's License ("CDL") training and testing provider, expanding the City's available resources for employee commercial licensure. This partnership supports the City's ongoing workforce development efforts by ensuring employees in positions requiring Commercial Driver's Licenses ("CDLs") have access to qualified training and testing opportunities necessary to obtain and maintain required licensure.

Through this agreement, the School Board, an authorized FMCSA Training Provider Registry site and FLHSMV CDL testing location, will provide Class A, B, and C CDL in-person training, instructional materials, certification, and state testing for City employees. The City will continue to require applicable employees to carry a CDL as part of their employment responsibilities, while also providing employer-supported pathways for training and testing to assist employees in meeting these requirements. By incorporating the School Board into the City's provider network, the City broadens its training capacity, improves scheduling flexibility, and enhances access to licensure services while maintaining compliance and operational readiness. This agreement serves as a strategic addition to the City's roster of CDL providers and reinforces the City's commitment to employee development, safety, and regulatory compliance.

Department/Division: City Manager

EXHIBITS:

1. Interlocal Agreement

INTERLOCAL AGREEMENT FOR
COMMERCIAL DRIVER LICENSE TRAINING

THIS INTERLOCAL AGREEMENT ("Agreement") is made by and between the School Board of Charlotte County, Florida, a body corporate ("School Board") and the City of Punta Gorda located in Charlotte County, Florida, a political subdivision of the State of Florida ("City"); the School Board and City are collectively referred to as the "Parties".

RECITALS

WHEREAS, the School Board has extensive experience and expertise in providing Class A/B/C Commercial Driver's License ("CDL") Entry Level Driver Training ("Training") and the Florida Highway Safety and Motor Vehicles ("FLHSMV") CDL testing to its employees; and

WHEREAS, the School Board currently provides CDL Training and FLHSMV CDL State testing to its employees through its Transportation Operations Department and is registered in the Federal Motor Carrier Safety Administration ("FMCSA") Training Provider Registry ("TPR") as an authorized CDL training site and as a State FLHSMV CDL testing site; and

WHEREAS, the City does not currently provide and has a need for CDL Training and FLHSMV CDL State testing for its employees; and

WHEREAS, the Parties believe that a joint service arrangement would provide cost savings, improved levels of service, greater efficiency of service operations and the establishment of a previously unavailable service; and

WHEREAS, the Parties desire to enter into this Agreement and provide Training for job requirements of City employees.

NOW THEREFORE, for and in consideration of the mutual covenants contained herein, the sufficiency and receipt of which are acknowledged, the Parties agree as follows:

1. INCORPORATION OF RECITALS

The above recitals are true and correct and are incorporated into this Agreement by reference.

2. EFFECTIVE DATE

This Agreement will become effective on the date of execution by the last Party ("Effective Date").

3. TERM AND TERMINATION

A. Term. This Agreement will remain in effect for five (5) years from the Effective Date ("Initial Term").

B. Renewal. Following the Initial Term, this Agreement shall automatically renew on an annual basis unless it is terminated by either party in writing in accordance with the terms in paragraph 3.C. below.

C. Termination. This Agreement may be terminated with or without cause by either party. Any such termination shall be affected by the delivery of a written notice of termination to the other party at least thirty (30) days before the date of termination, specifying the date upon which such termination becomes effective. The City authorizes the City Manager to terminate this Agreement when termination is in the best interests of the City.

4. SERVICES

A. School Board shall provide Class A/B/C in-person CDL Training and FLHSMV CDL State testing to City employees on a cooperative basis.

B. School Board must provide City employees all aspects of the Class A/B/C CDL in-person training and FLHSMV CDL State testing, including but not limited to instruction, testing, certification, and any necessary training materials.

C. The City shall provide its own CDL Class A/B/C equipment (for Class A vehicles: NO double or triple trailers. Tankers must be empty and declared inoperable by the agency having jurisdiction) for FLHSMV CDL State training and testing. Vehicles must be well maintained, properly insured, and registered with Florida Department of Transportation ("FDOT"), and have current FDOT vehicle safety inspections, if required.

D. Each Participant shall ensure that their participating employees meet the necessary requirements and are eligible for Class A/B/C CDL Training and FLHSMV CDL State testing.

5. COSTS

The costs to the City for the services provided by the School Board are as follows:

A. The cost to the City for School Board's Class A/B/C CDL in-person training shall be set at $1,500.00 for the first thirty (30) calendar days of in-person training, and an additional $500.00 per every ten (10) days of additional in-person CDL training that is required. FLHSMV CDL State testing for CDL Class A/B/C is $400.00 per each initial test; and all CDL retests are $150.00 each.

B. If the City establishes a Training program, then the CDL skills course work flat rate fee shall be $50.00 per hour. Times for CDL skills practice must be scheduled in advance to not interfere with normal school bus operations. CDL skills must be performed providing the City's own CDL Class A/B/C equipment as outlined herein.

6. INDEMNIFICATION

THE SCHOOL BOARD AND CITY AGREE TO INDEMNIFY AND SAVE HARMLESS THE OTHER PARTICIPANT, ITS AGENTS, OFFICIALS AND EMPLOYEES AGAINST ALL INJURIES, DEATHS, LOSSES, DAMAGE CLAIM, SUITS, LIABILITIES, JUDGMENTS, COSTS, ATTORNEY FEES, AND EXPENSES WHICH MAY ACCRUE AGAINST THE OTHER PARTICIPANT AS A CONSEQUENCE OF THE INTENTIONAL OR NEGLIGENT ACTS OF THE INDEMNIFYING PARTICIPANT'S EMPLOYEES, AGENTS, OR LICENSEES ARISING OUT OF THE PERFORMANCE OF EACH PARTICIPANT'S

OBLIGATIONS UNDER THIS AGREEMENT UP TO THE MAXIMUM LIMITS PROVIDED BY SECTION 768.28, FLORIDA STATUTES. NOTHING CONTAINED IN THIS SECTION SHALL CONSTITUTE A WAIVER OF SOVEREIGN IMMUNITY OR OF THE LIMITATIONS ON LIABILITY PROVIDED TO EITHER PARTICIPANT UNDER THE FLORIDA CONSTITUTION OR GENERAL LAW. IN THE EVENT OF ANY THREATENED OR IMPENDING ACTION THAT MAY GIVE RISE TO A CLAIM UNDER THE TERMS OF THIS SECTION, THE PARTICIPANT SEEKING INDEMNIFICATION FOR SUCH CLAIM MUST PROMPTLY GIVE NOTICE TO THE OTHER PARTICIPANT IN WRITING BY CERTIFIED MAIL. THE INDEMNITY PROVIDED HEREIN SHALL NOT APPLY TO ANY SETTLEMENT AGREEMENT ENTERED INTO BY ONE PARTICIPANT WITHOUT THE CONSENT OF THE INDEMNIFYING PARTICIPANT. THE TERMS OF THIS SECTION SHALL SURVIVE THE TERMINATION OF THIS AGREEMENT.

7. DISPUTE RESOLUTION

In the event of a dispute between the School Board and the City under this Agreement, the City Manager and the School Board Superintendent or their respective designee(s) shall review the dispute and negotiate a mutually acceptable resolution. Any dispute not resolved by the designee(s) shall be referred to the City Manager and the School Board Superintendent to come to a mutually acceptable resolution. In the event the City Manager and the School Board Superintendent are unable to agree, the Parties may avail themselves of any other available legal rights or remedies. This process shall substitute for the dispute resolution process set forth in Chapter 164 of the Florida Statutes.

8. NOTICE

All notices required by this Agreement shall be in writing and delivered to the intended Participant as follows. Delivery must be made by hand; by United States Postal Service first class mail; or by a nationally recognized overnight courier service which provides for proof of delivery. Delivery by email is sufficient if followed by delivery of a confirmation copy by one of the means set forth above.

9. MISCELLANEOUS

A. Authority to Execute Agreement. The signature by any person to this Agreement shall be deemed a personal warranty that the person has the full power and authority to bind any corporation, partnership, or any other business or governmental entity for which the person purports to act hereunder.

B. Governing Law and Venue. The laws of the State of Florida govern the rights, obligations, and remedies of the Parties under this Agreement. The exclusive venue for any legal or judicial proceedings in connection with the enforcement or interpretation of this Agreement is the Circuit Court of the Twelfth Judicial Circuit in and for Sarasota County, Florida.

C. No Agency. Nothing contained herein shall be deemed or construed as creating the relationship of principal and agent, or of partnership or joint venture, between the Parties, it being understood and agreed that no provision contained herein, or any acts of the Parties shall be deemed to create any relationship between them other than that as detailed herein.

D. Severability. In the event any court shall hold any provision of this Agreement to be illegal, invalid, or unenforceable, the remaining provisions shall be valid and binding upon the Parties. One or more waivers by either Participant of any breach of any provision, term, condition or covenant shall not be construed as a waiver of a subsequent breach by the other Participant.

E. Headings. The descriptive titles appearing in each respective paragraph thereof are for convenience only and are not a part of this Agreement and do not affect its construction.

F. Complete Agreement. This Agreement incorporates and includes all prior negotiations, correspondence, agreements, or understandings between the Parties, and the Parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. This Agreement supersedes all other agreements between the Parties, whether oral or written, with respect to the subject matter.

G. Amendment. No amendment, change, or addendum to this Agreement is enforceable unless agreed to in writing by the Parties and incorporated into this Agreement. Any amendments changing City's financial obligations under this Agreement shall require approval by the City. The City hereby authorizes the City Manager or City Manager's authorized designee to approve and execute all Agreement amendments on behalf of City that do not change City's financial obligations under this Agreement.

H. Assignment. No Participant may assign this Agreement or any right or responsibility herein unless with the written consent of the other Party.

I. Non-discrimination. The City does not discriminate on the basis of race, color, national origin, sex, age, disability, family or religious status in administration of its programs, activities, or services.

(Space intentionally left blank. Signatures on following pages.)

IN WITNESS WHEREOF, the Parties hereto have executed this Agreement as of the date first set forth above.

PUNTA GORDA, FL 33950

MEMBERS PRESENT: Denton, Julian, Lockhart, Lux, Polk

CITY STAFF PRESENT: City Manager Reichert; City Attorney Leskovich; Kristin Simeone, Finance Director; Tom Spencer, Utilities Director; Ron Everts, Public Works Director; Boyd Lawrence, Planning Director; Deputy City Clerk Falkner

CALL TO ORDER

Mayor Lux called the meeting to order at 4:00 p.m., followed by the Pledge of Allegiance. She noted there would be another Council workshop regarding Land Development Regulations on April 16, 2026, at 5:00 p.m. at Life Celebration Center.

PUBLIC COMMENT

Derek Rooney, PGI resident, expressed optimism regarding the flood study presentation.

1) WORKSHOP TOPIC

1.a Introduction to the Downtown Flooding Study

Exhibits:
Cover Page
PW Presentation
Presentation

Bryan Clemons, City Engineer, provided a brief presentation regarding the project scope and update, noting the study was intended to assess rainfall and elevated tidal events rather than storm surge. He requested residents to provide photographs or video of relevant flooding in the assessment area, stating date and time stamps and location information would be beneficial.
Kelly Clark, Kimley-Horn Engineer, further reviewed the project scope, noting the current phase was data collection and developing a model to accurately demonstrate current conditions that could then be used to run various flood event scenarios to assess future impact and develop recommendations for mitigation. She stated the second public meeting would be to present a final report that included future conditions analysis, probable cost and benefit cost analysis, and recommendations for implementation. She then explained the development of an existing conditions model, displaying various inundation maps that showed simulated flooding impacts within the assessment area. She requested resident input regarding assessment area and modeling results.
Gary Skillicorn inquired about timeline for Phase I and Phase II.
Kelly Clark responded Phase I was intended to finish in March 2027, with Phase II to start shortly thereafter.

Councilmember Denton expressed concern about intensified flooding impacts once the City Marketplace property was developed, inquiring if Kimley-Horn could make mitigation recommendations, such as a catch basin, regarding same.
Kelly Clark responded that same should be considered in Land Development Regulations (LDRs) and consideration for same should be part of any approved development plan for the site.
Councilmember Julian thanked Public Works staff, commenting on the camera-assisted storm drain assessment and clearing that was ongoing.
Mayor Lux inquired about potential impacts of green infrastructure.
Kelly Clark responded same could be beneficial to reduce flooding impacts, noting that eco-friendly projects would have to be assessed on a case-by-case basis to ensure the proposed infrastructure effectively addressed the particular type of flooding event to be cured.
An unidentified resident commented regarding the assessment area, noting that floodwaters did not stop at City borders but impacted areas beyond the assessment area and City boundaries and expressing concern that implementation of flood control measures would negatively impact areas outside the City.
Kelly Clark stated the current conditions modeling did include inundation impacts beyond the assessment area and same would be included factors in mitigation and implementation analysis.
Discussion ensued regarding mitigation efforts, including offsite retention ponds, catch basins, swale expansion, and finance options for projects proposed in implementation plan.
Gary Skillicorn, City resident, suggested the City employ eminent domain to acquire land for retention basins and fund acquisition with grant funds.
Kelly Clark reviewed the reasons for large volume retention, speaking on the need to retain excess water from a quantity and quality standpoint and what the City's goals would be related to same.
Councilmember Denton inquired about recommendations regarding ratio or percentage of allowable pervious and impervious surfaces that could be incorporated into the City's LDRs.
Kelly Clark responded that she could not speak specifically to same but spoke generally about inundation and how various surfaces affected same.
Mayor Lux inquired about swale expansion.
Kelly Clark noted that same could be beneficial, stating the effectiveness would depend on the water table levels during a flood event.
Councilmember Polk noted there were not many swales in the historic downtown area.
Discussion ensued regarding swale expansion options, leading to discussion regarding level of service goals that should be applied to any proposed implementation plan.
An unidentified resident commented on the need for developers to pay for flood mitigation infrastructure required due to increased development.
Mark Draper, Draper Law Firm, commented that he had witnessed flooding on East Olympia Avenue for many years, noting the increase of impervious surfaces did not significantly add to the inundation issues in that area.

EDITOR NOTE: Due to technical issues, notes taken during workshop meeting were deleted during video upload and portions of video were inaudible.

ADJOURNMENT

The meeting adjourned at 5:02 p.m.

CITY STAFF PRESENT: City Manager Reichert; City Attorney Leskovich; Kristin Simeone, Finance Director; Tom Spencer, Utilities Director; Ron Everts, Public Works Director; Jeff Payne, Human Resources Manager; Boyd Lawrence, Planning Director; Pam Smith, Police Chief; Holden Gibbs, Fire Chief; Anne Heinen, Procurement Manager; Alicia Oates, Interim Information Technology Manager; City Clerk Welch

CALL TO ORDER

Mayor Lux called the meeting to order at 5:00 p.m.

1) WORKSHOP TOPIC

1.a Land Development Regulations Workshop, Part II

Exhibits:
Cover Page
LDR Workshop Intro

Boyd Lawrence, Planning Director, provided background on the Land Development Regulations (LDRs) and issues which led to repeal of the 2024 LDRs, indicating recommendations were to resolve height and residential density issues in the LDRs and make related amendments to the Comprehensive Plan. Rachel Barry, Zoning Official, presented on height and density in the repealed LDRs and the reinstated LDRs, drawing attention to changes in height and density as well as repealed development mitigation provisions. She then presented a few examples of buildings of varying heights that currently existed in the City to illustrate how building heights and base flood elevation interacted.
Mayor Lux expressed desire to have received the materials further in advance.
Councilmember Julian opined certain sections of the LDRs did not require intensive review, suggesting City Council should focus on Articles 3, 7, and 8. He stated the repealed LDRs were generally more readable and better formatted, noting environmental protections were included in the repealed LDRs which could benefit the City. He questioned if Councilmembers were amenable to readopting the other sections of the LDRs.
Mayor Lux concurred the repealed LDRs were more readable; however, she preferred to review all sections as changes were made in each.
Councilmember Julian expressed preference to perform an expeditious review of several Articles at a time on an agenda.
Councilmember Polk noted flooding concerns and water usage needed to be taken into account when updating the LDRs. She spoke against increasing density in the historic district. She recommended higher density be located further from the flood zone.

Councilmember Denton stated a large increase in residents resulting from increased density would be an issue during hurricane evacuations, as the City's roads would be unable to accommodate same.
Councilmember Julian noted the Medical Overlay (MO) district needed amendment, noting the proposed emergency room was in a different section of the City.
Mayor Lux concurred, suggesting higher density be considered in that area.
Rachel Barry stated the MO could be removed, adding the existing medical offices were permitted per the underlying zoning designation.
Mayor Lux voiced preference to address permeable surfaces as well.
Councilmember Polk noted the coverage ratio of properties should be considered as well, stating coverage of more than 60% would impact neighbors.
Mayor Lux stated accessibility needed to be considered as well, speaking in favor of setbacks which would promote same.
Councilmember Denton stated parking needed to be examined as well.

PUBLIC COMMENT

Derek Rooney spoke in favor of focusing on unified infrastructure like parking garages and offsite storage, suggesting development mitigation measures like paying a fee for offsite parking would attract development.
Don Fox spoke in favor of Councilmember Julian's suggestion to focus on a more limited set of issues from the repealed LDRs. He expressed desire for City Council to adopt LDRs which would encourage development of the City Marketplace property.
Mark Dunzer spoke on the impact of LDRs on services such as his pressure washing business.
City Manager Reichert stated staff had requested clarification from the Southwest Florida Water Management District that pressure washing businesses were allowed to continue pressure washing; however, same could only be done for limited purposes such as preparing a home to be repainted. She stated staff had reached out for further clarification.
Sean McLaughlin, Punta Gorda Chamber of Commerce Executive Director, noted parking was currently underutilized in the Herald Court Centre parking garage.
Tim Ritchie noted many restaurants and bars were available, speaking in favor of preserving the City's small town charm. He noted 3 to 4 thousand homes were for sale in the City currently, speaking in favor of protecting the City's water.
Kathleen Davis spoke on the process that led to the adoption and repeal of the LDRs, suggesting City Council do a thorough, line-by-line review of the repealed LDRs and ensuring City Council protect the waterfront.
Bob Fritz spoke against adopting regulations that would increase the tax burden on non-homesteaded and commercial properties, expressing preference to instead encourage commercial development.
Gary Skillicorn stated height, density, and setback were his priorities. He noted many present had participated in the previous charrettes, stating the main message from residents at that time was to limit building heights.
Kay Abbs stated parking close to businesses was a concern, voicing preference to encourage small business development over large businesses like Sunseeker Resort. She opined residents were more amenable to increased height in the Jones Loop Road area. She stated the City Marketplace property was not priced to sell. She then questioned if non-homesteaded property owners paid the same rate as commercial properties.
Lindsay Harrington stated he had been in real estate for 47 years, suggesting the City Marketplace had not been developed due to its excessively high sale price. He stated the Charlotte County Board of Commissioners had discussed a 325-car parking garage at their April

14, 2026, Commission meeting, opining same could be used for events like garage sales when events were not held at the Charlotte Harbor Event and Conference Center.
John Sbraga stated height, density, and setbacks were major concerns for residents. He concurred with Councilmember Julian on the articles on which City Council should focus. He stated the majority of residents now lived outside of the City's downtown core. He opined intensive development in that area would destroy the City. He stated personal goals needed to be eliminated in favor of examining current areas of resistance.
Bob Miller stated existing businesses had questioned him on how to address parking for their employees, requesting City Council consider zoning regulations that were conducive to parking solutions.
TJ Thornberry expressed favor for Councilmember Julian's approach, agreeing City Council should focus on density, height, and setbacks. He expressed desire for a thriving downtown. He stated he was not a fan of form-based codes for residential development as they limited design creativity and flexibility.
Walter Fried agreed height, density, setbacks, and parking were the primary concerns. He concurred with Councilmember Julian's suggestion to focus on certain articles of the repealed LDRs. He spoke against allowing a wall of buildings to block the view of Charlotte Harbor.
Mike Polk stated the LDRs did not relate to a lack of development, suggesting the City's exposure to floods was a greater hindrance as higher investment was needed to mitigate flooding risks. He spoke in favor of allowing flexibility through planned developments. He opined City Council should not linger on City Marketplace. He suggested there were more buyers for half acre and 1-acre parcels than there were for a 5.5-acre parcel due to its larger risks.
Mark Sell expressed support for City Council in addressing the LDRs and a desire to make Punta Gorda beautiful again.
Frank Conti stated the City should require properties with structures that were demolished be restored to original conditions.
City Manager Reichert stated code compliance cases were ongoing for properties that had their structures demolished but had not been restored.
Councilmember Denton inquired as to planned developments.
Boyd Lawrence agreed planned developments allowed more flexibility and provided City Council a venue to negotiate.
City Manager Reichert noted they also presented risk to developers as a large investment was required to develop plans which City Council could then deny. She summarized staff now had an understanding of the direction City Council desired.

ADJOURNMENT

The meeting adjourned at 6:18 p.m.

CITY COUNCIL
CITY OF PUNTA GORDA
06/ 3/2026

CONSENT AGENDA

Title:	May 4, 2026, City Council Pre-Agenda Meeting Minutes
Funds:	Not applicable.
Recommended Action:	City Council approve the minutes.
Summary:	The minutes of the May 4, 2026, City Council pre-agenda meeting are available for review and approval.
Department/Division:	City Clerk

EXHIBITS:

1. May 4, 2026, Pre-Agenda Meeting Minutes

CITY OF PUNTA GORDA, FLORIDA
CITY COUNCIL PRE-AGENDA MEETING MINUTES
MAY 4, 2026, 9:00 A.M.
120 LAISHLEY COURT
PUNTA GORDA, FL 33950

MEMBERS PRESENT: Denton, Julian, Lockhart, Lux, Polk

CITY STAFF PRESENT: City Manager Reichert; City Attorney Leskovich; Kristin Simeone, Finance Director; Tom Spencer, Utilities Director; Ron Everts, Public Works Director; Jeff Payne, Human Resources Manager; Boyd Lawrence, Planning Director; Pam Smith, Police Chief; Holden Gibbs, Fire Chief; Anne Heinen, Procurement Manager; Alicia Oates, Interim Information Technology Manager; Deputy City Clerk Jennifer Falkner

CALL TO ORDER

City Manager Reichert called the meeting to order at 9:00 a.m.

AGENDA APPROVAL

There were no changes to the agenda.

1) PROCLAMATIONS / PRESENTATIONS

1.a Emancipation Day

Exhibits:
Cover Page
Emancipation Day

City Manager Reichert noted Councilmember Julian would present the proclamation.

1.b Police Week and Peace Officers Memorial Day

Exhibits:
Cover Page
Police Week and Police Officers Memorial Day

City Manager Reichert noted Councilmember Julian would present the proclamation.

1.c Harborside Hometown University Graduates

Exhibits:
Cover Page

City Manager Reichert indicated Laurel Adelmund, Public Works Senior Executive Assistant, would present the graduates.

1.d Service Award

Exhibits:

Cover Page

City Manager Reichert stated she would present the service award.

2) PUBLIC INPUT

2.a Those wishing to introduce themselves as nominees for a board or committee may do so at this time. Those who choose to speak must state their name for the record.

There were no introductions.

2.b Anyone wishing to address the Council on any matter must state their name for the record. Each person will be allowed to speak up to a maximum of three minutes.

There were no public comments made.

3) PUBLIC HEARING AGENDA(Quasi-Judicial and Legislative)

3.a *A Resolution of the City Council of the City of Punta Gorda, Florida, relating to the Florida Department of Environmental Protection (FDEP) State Revolving Fund (SRF), adoption of the Wastewater Facility Plan for the implementation of Master Pump Facility, Booster Pump Facility, Lift Station 30, and Force Main Improvements, effective this date.
Exhibits:
Cover Page
2026 Public Hearing for the Punta Gorda Wastewater Facilities Plan
Resolution Adopting Wastewater Improvements Facility Plan

There was no discussion of the item.

4) ORDINANCES / RESOLUTIONS(No Public Hearing Required)

4.a LEGISLATIVE: ZA-01-2026 - An Ordinance of the City of Punta Gorda, Florida, amending Chapter 26, Punta Gorda Code, the City of Punta Gorda Land Development Regulations, to establish procedures for the review and approval of certified recovery residences and a process for requesting reasonable accommodations from local land use regulations as mandated by Florida law, including Section 397.487(15)(a), Florida Statutes; amending Article 3, Section 3.2(c) "EP, Environmental Preserve District - Uses Permitted with Conditions"; section 3.4(c) "GS, General Single-Family Residential District - Uses Permitted with Conditions Section 3.5(c) "GM, General Multi-Family Residential District - Uses Permitted with Conditions"; Section 3.6(c)"; "MH, Manufactured Home District - Uses Permitted with Conditions"; Section 3.7(c) "NR, Neighborhood Residential District - Uses Permitted with Conditions"; Section 3.8(c) "NC, Neighborhood Center District - Uses Permitted with Conditions"; and Section 3.9(c) "CC, City Center District - Uses Permitted with Conditions"; amending Article 4 to adopt a new Section 4.42; providing for implementation of administrative actions; providing a savings clause; providing for codification and

scrivener's errors; providing for severability; providing for conflicts; and providing an effective date. SECOND READING.
Exhibits:

6) REGULAR AGENDA

6.a Temporary Use Permit Application Number TU-04-2026 - Request to Allow a Parking Lot to Remain for a Temporary Period of Time
Exhibits:
Cover Page
TU-04-2026 Application

Councilmember Julian inquired as to future plans for the property.
Rachel Barry, Zoning Official, replied the property owner indicated they planned to develop a retail complex on the property; however, no site plan had been submitted. She stated another developer was proposing a health facility on the front portion of the property.

6.b Traffic Calming on West Retta Esplanade
Exhibits:
Cover Page
West Retta Esplanade Traffic Calming Proposal

Councilmember Lockhart stated there was a perception that the City had more urgent needs to address currently.
Councilmember Julian noted the plan was phased and would not be a substantial cost at any one time.
City Manager Reichert clarified this was an initial conversation for long-term planning for Gilchrist Park.
Councilmember Polk expressed concern regarding potential negative impacts to West Marion Avenue.

6.c Quarterly Revenue and Expenditure Financial Update
Exhibits:
Cover Page
Fiscal Year 2026 Second Quarter Update

Mayor Lux inquired as to the Federal Emergency Management Agency (FEMA) Grant Manager contract.
City Manager Reichert replied she believed same closed this week.
Discussion ensued regarding the loan for seawall repairs and government budgeting practices.

6.d Strategic Plan Quarter Two Update
Exhibits:
Cover Page
Strategic Plan Quarter 2

There was no discussion of the item.

6.e Project Updates
Exhibits:
Cover Page
Public Works Project Log - April
Utilities Project Log - April
CIP Project Updates - April

There was no discussion of the item.

6.f Proclamations
Exhibits:
Cover Page

There was no discussion of the item.

7) BOARDS / COMMITTEE

Mayor Lux questioned if the number of Charlotte-Desoto Building Industry Association members on City boards should be considered.
Councilmember Lockhart questioned how to achieve that goal.
Mayor Lux spoke in favor of keeping the vacancy open longer.

7.a Announcement of Vacancies: Board of Zoning Appeals (1 alternate)
Exhibits:

8.c City Attorney
Exhibits:
Cover Page

9) COUNCIL MEMBER COMMENTS

Councilmember Polk questioned if a shade meeting could be held to discuss strategy regarding Fishermen's Village.
City Attorney Leskovich replied in the negative, explaining the City was not currently a party to the lawsuit and therefore could not hold a shade meeting on that topic.
City Manager Reichert offered her or City Attorney Leskovich's attendance for meetings which were a concern to Councilmembers.
Councilmember Julian inquired as to recourse for cables hanging from poles in the City.
City Manager Reichert reviewed the procedure to request Comcast remove cables that were no longer used.
Mayor Lux questioned if the Weekly Highlights Report should be posted on Nextdoor.
City Manager Reichert replied a prior City Council had directed staff to refrain from posting on Nextdoor.

10) PUBLIC INPUT

10.a Anyone wishing to address the Council on any matter must state their name for the record. Each person will be allowed to speak up to a maximum of three minutes.

There were no public comments made.

ADJOURNMENT

The meeting adjourned at 11:41 a.m.

CALL TO ORDER

Mayor Lux called the meeting to order at 9:00 a.m., noting Councilmember Polk was absent. Carlo Cargiulo gave the invocation, followed by the Pledge of Allegiance.

AGENDA APPROVAL

There were no changes to the agenda.

1) PROCLAMATIONS / PRESENTATIONS

1.a Emancipation Day

Exhibits:
Cover Page
Emancipation Day

Councilmember Julian read the proclamation on behalf of the Blanchard House Museum.

1.b Police Week and Peace Officers Memorial Day

Exhibits:
Cover Page
Police Week and Police Officers Memorial Day

Councilmember Julian presented the proclamation to Police Chief Pam Smith, Punta Gorda Police Department.
Chief Smith thanked Council for the recognition, recognizing City, Charlotte County (County), and State law enforcement officers and professionals who had given their lives in the line of duty: City Marshall John Bowman - end of watch: January 29, 1903; City Assistant Police Chief Richard Beecher -end of watch: October 10, 1978; County Deputy Sheriff Curtis Moore - end of watch: April 24, 1983; County Sergeant Michael Wilson - end of watch: August 5, 2013; County Deputy Sheriff Christopher Taylor - end of watch: November 22, 2022;

County Sergeant Elio Diaz - end of watch: December 15, 2024; Correctional Officer Darla Lathrem - end of watch: June 11, 2003; Assistant State Attorney Eugene Berry - end of watch: January 16, 1982; Assistant State Attorney Norman Langston - end of watch: August 19, 1988.

1.c Harborside Hometown University Graduates

Exhibits:

Cover Page

Laurel Adelmund, Senior Executive Assistant with Public Works, recognized the 2026 Harborside Hometown University graduates, speaking briefly on the objectives and history of the program.

1.d Service Award

Exhibits:

Cover Page

City Manager Reichert presented a 15-year service award to Tom Spencer, Utilities Director.

2) PUBLIC INPUT

2.a Those wishing to introduce themselves as nominees for a board or committee may do so at this time. Those who choose to speak must state their name for the record.

There were no introductions.

2.b Anyone wishing to address the Council on any matter must state their name for the record. Each person will be allowed to speak up to a maximum of three minutes.

Cindy O'Hara, Punta Gorda Isles, inquired about the progress of negotiations with the Police Benevolent Association, opining there was corruption in the area.
Councilmember Lockhart called for a point of order.
Tim Ritchie, Punta Gorda resident, spoke on the recent passing of Dennis Kirk. He also suggested the City purchase the City Marketplace property to convert same into a retention pond to address downtown flooding. He then requested Council extend the amount of time per speaker for public comment.
Donna Barrett, Charlotte DeSoto Building Industry Association, provided an overview of the Association's objectives, noting the CDBIA was not a narrow-interest group and had not advocated for higher density on behalf of any CDBIA members. She recalled CDBIA's contributions in repairing the A.C. Freeman House.
Tammy Fox spoke on traffic concerns along West Retta Esplanade, requesting the Council consider traffic calming measures.
Michael Fox concurred with Tammy Fox and also thanked City staff for the Harborside Hometown University program.
Frank Conti spoke on traffic calming on West Retta Esplanade, reviewing previous comments by Police Chief Smith regarding speeding issues. He also

commented on progress of various City projects, suggesting Council prioritize projects that did not require FEMA involvement.
Kathleen Davis, Punta Gorda Isles, spoke positively about her experiences with Punta Gorda Police Department. She also spoke on traffic concerns along West Retta Esplanade and Marion Avenue, noting she had not witnessed same.
Sean McLaughlin, Punta Gorda Chamber of Commerce, thanked CDBIA and first responders for their service in the community. He commented positively on the recent Honor Flight reception.

3) PUBLIC HEARING AGENDA (Quasi-Judicial and Legislative)

3.a *A Resolution of the City Council of the City of Punta Gorda, Florida, relating to the Florida Department of Environmental Protection (FDEP) State Revolving Fund (SRF), adoption of the Wastewater Facility Plan for the implementation of Master Pump Facility, Booster Pump Facility, Lift Station 30, and Force Main Improvements, effective this date.

Exhibits:
Cover Page
2026 Public Hearing for the Punta Gorda Wastewater Facilities Plan
Resolution Adopting Wastewater Improvements Facility Plan

City Attorney Leskovich read the resolution by title only.
Diane Kemp, CDM Smith, gave a presentation on the Wastewater Facility Plan, reviewing the various phases and timelines for the Master Pump Facility, Booster Pump Facility, Lift Station 30, and Force Main Improvements project. She noted the public hearing this date was required for the State Revolving Fund (SRF) loan eligibility.
Mayor Lux opened the floor for public comment, calling three times for same.
Councilmember Lockhart **MOVED** to close the public hearing, **SECONDED** by Councilmember Julian.
MOTION UNANIMOUSLY CARRIED.
Councilmember Lockhart **MOVED** approval of the resolution, **SECONDED** by Councilmember Denton.
MOTION UNANIMOUSLY CARRIED.

4) ORDINANCES / RESOLUTIONS (No Public Hearing Required)

4.a LEGISLATIVE: ZA-01-2026 - An Ordinance of the City of Punta Gorda, Florida, amending Chapter 26, Punta Gorda Code, the City of Punta Gorda Land Development Regulations, to establish procedures for the review and approval of certified recovery residences and a process for requesting reasonable accommodations from local land use regulations as mandated by Florida law, including Section 397.487(15)(a), Florida Statutes; amending Article 3, Section 3.2(c) "EP, Environmental Preserve District - Uses Permitted with Conditions"; section 3.4(c) "GS, General Singe-Family Residential District - Uses Permitted with Conditions Section 3.5(c) "GM, General Multi-Family Residential District - Uses Permitted with Conditions"; Section 3.6(c)"; "MH, Manufactured Home District - Uses Permitted with Conditions"; Section 3.7(c) "NR, Neighborhood Residential District - Uses Permitted with Conditions"; Section 3.8(c) "NC, Neighborhood Center District - Uses Permitted with Conditions"; and Section 3.9(c) "CC, City Center District - Uses Permitted with Conditions"; amending

Article 4 to adopt a new Section 4.42; providing for implementation of administrative actions; providing a savings clause; providing for codification and scrivener's errors; providing for severability; providing for conflicts; and providing an effective date. SECOND READING.

6) REGULAR AGENDA

6.a Temporary Use Permit Application Number TU-04-2026 - Request to Allow a Parking Lot to Remain for a Temporary Period of Time

Exhibits:
Cover Page
TU-04-2026 Application

Rachel Barry, Zoning Official, reviewed the temporary use permit application to allow a parking lot to remain at 3815 Tamiami Trail. She stated staff had not received any development plans for the proposed commercial shopping center, noting staff recommended permit denial at this time and reviewed basis for same; however, if Council desired to approve the permit, the following conditions were requested by staff: (1) deadline for submittal of a development plan application; (2) a deadline for construction to begin.
Ron Everts, Public Works Director, stated the property was located within a master stormwater system, noting parking lot removal would adversely impact same. He provided a brief summary of development on the subject property.
Councilmember Denton inquired about staff recommendations for timelines.
Rachel Barry responded 6 to 12 months.
Councilmember Lockhart spoke in favor of approving the application based on stormwater system impacts.
Councilmember Julian and **Mayor Lux** concurred.
Councilmember Lockhart **MOVED** approval of the temporary use permit until March 3, 2027, with plans to be submitted within that period, and to require building to commence within 1 year of approval of the development plans, **SECONDED** by Councilmember Julian.
MOTION UNANIMOUSLY CARRIED.

6.b Traffic Calming on West Retta Esplanade

Exhibits:
Cover Page
West Retta Esplanade Traffic Calming Proposal

Ron Everts, Public Works Director, stated the initial phase of this project, limited to conceptual planning, would not interfere with or delay ongoing Public Works projects. He also stated that, if approved, the project would move to Urban Design for the design and engineering phase. He then provided an overview of the traffic calming measures proposed, including reclassifying the road as a park interior drive for Gilchrist Park and installing pedestrian-friendly features such as walkways, landscaping, and stop sign intersections. He reviewed the proposed project phases, noting the project estimate was 3 to 5 years from design to completion. He noted staff was requesting Council direction and approval to proceed with the design and engineering phase. He noted there had been 16 traffic crashes in the past 5 years along the corridor, noting 3 involved vehicles in the West Retta Esplanade diagonal parking spaces.
Councilmember Lockhart inquired whether the City could simply reduce the speed limit and see if same resolved traffic concerns.
Ron Everts reviewed the minimum requirements for same, noting that an ordinance would need to be adopted to change the speed limit.
Councilmember Julian spoke in favor of the long-term vision of the project.

Councilmember Denton spoke in favor of enhancements within the park rather than along West Retta Esplanade, noting she had not received resident comments regarding speed.
Discussion ensued regarding scope of enhancements to Gilchrist Park and surrounding roadways, as well as traffic concerns for West Marion Avenue.
Mayor Lux spoke in favor of adding pedestrian-friendly crosswalks with flashing lights, similar to those located in downtown Venice.
Ron Everts noted those systems were approximately $8,000 per set of signs.
Councilmember Lockhart requested clarification on staff's request for Council input.
Ron Everts responded staff were requesting Council approval to move forward with concept of reclassifying West Retta Esplanade.
City Manager Reichert summarized the proposal's goal was to deter vehicles from using West Retta Esplanade as a shortcut to Marion Avenue, encouraging drivers to use the roads as intended by their design.
Discussion ensued regarding pedestrian safety along West Retta Esplanade, Marion Avenue, and Olympia Avenue.
Mayor Lux spoke in favor of installing pedestrian walkways and reducing the speed limit to 20 miles per hour.
Councilmember Denton spoke against improvements along West Retta Esplanade.
Councilmember Lockhart spoke in favor of approving staff to proceed with a minimal-cost traffic engineering study to determine most cost-effective options.
Councilmember Julian concurred.
Mayor Lux stated she did not see a need for the proposed traffic calming measures.
Councilmember Denton concurred.
City Manager Reichert thanked Councilmembers for the discussion.
There was no consensus of Council on direction to staff.

NOTE: A 10-minutes break was called at 10:44 a.m.

6.c Quarterly Revenue and Expenditure Financial Update
Exhibits:
Cover Page
Fiscal Year 2026 Second Quarter Update

Kristin Simeone, Finance Director, gave a brief overview of the Quarter 2 update, providing information on how monies were transferred between funds and noting a transfer out would be shown as an expenditure in one fund and the transfer in would be shown as a revenue in another fund. She explained interfund transfers were ultimately eliminated from total expenditures and revenues, since including same would be counting those funds twice. She clarified that the interfund transfers were required by State statute to be identified in account balance documents.
Councilmember Denton inquired about expenses in excess of revenue funds.
Kristin Simeone provided clarification on planned use of reserves, providing examples from the General Fund.
Councilmember Denton inquired about adjustment of seawall assessment fees based on availability of FEMA revenues.

Kristin Simeone clarified that anticipated FEMA revenues were already factored in, noting assessment fees were based on specific projects, including increasing amount of seawall or other canal improvements. She stated the canal advisory boards could recommend a reduction when reviewing proposed assessments for Fiscal Year (FY) 2027. She recalled that an increase would be needed for Burnt Store Isles Canal Maintenance Assessment District to fund the staging lot land acquisition.
Discussion ensued regarding seawall replacement plan.

6.d Strategic Plan Quarter Two Update
Exhibits:
Cover Page
Strategic Plan Quarter 2

Mike Bonasera, Assistant City Manager, reviewed Quarter 2 Strategic Plan updates described in the presentation.
Mayor Lux spoke favorably on the amount of detail provided in Utilities Department items, requesting similar level of detail from other department's updates.

6.e Project Updates
Exhibits:
Cover Page
Public Works Project Log - April
Utilities Project Log - April
CIP Project Updates_April

City Manager Reichert reviewed project and grant updates.

6.f Proclamations
Exhibits:
Cover Page

Deputy City Clerk Falkner reviewed the current Council policy regarding proclamations, asking for Council input on proposed changes.
Mayor Lux recalled consensus of Council at prior meeting was to limit service award presentations to 3 minutes.
Councilmember Lockhart concurred, clarifying that same would apply to awards or recognitions for any City employee or City department.
Consensus of Council was to leave the remainder of Council Rules of Procedure, Rule 20, as written and incorporate revisions regarding service awards or City recognition items during annual policy readoption in November.

7) BOARDS / COMMITTEE

7.a Announcement of Vacancies: Board of Zoning Appeals (1 alternate)
Exhibits:
Cover Page
Board of Zoning Appeals

Deputy City Clerk Falkner announced the vacancy, recalling Council's decision to continue the previously nominated application until the May 20, 2026, meeting.

7.b Announcement of Vacancies: Burnt Store Isles Canal Advisory Committee (1 regular and 1 alternate)
Exhibits:
Cover Page
Burnt Store Isles Canal Advisory Committee

Deputy City Clerk Falkner announced the vacancy.

7.c Announcement of Vacancies: Code Enforcement Board (1 regular and 2 alternate)
Exhibits:
Cover Page
Code Enforcement Board

Deputy City Clerk Falkner announced the vacancies.

7.d Announcement of Vacancies: Utility Advisory Board (1 alternate)
Exhibits:
Cover Page
Utility Advisory Board

Deputy City Clerk Falkner announced the vacancy, recalling Council's decision to continue the previously nominated application until the May 20, 2026, meeting.

7.e Nomination: Building Board (1 alternate)
Exhibits:
Cover Page
Building Board
Kemeny Application

Deputy City Clerk Falkner stated Kathy Kemeny had expressed an interest in serving and was eligible to do so.
Councilmember Lockhart **MOVED** to nominate and appoint Kathy Kemeny, **SECONDED** by Councilmember Julian.
Mayor Lux spoke in favor of continuing to accept applications.
Councilmember Lockhart inquired whether candidates for the alternate seat were required to have contractor experience.
Deputy City Clerk Falkner stated the current alternate had contractor experience, noting similar experience should be considered for the replacement.
Mayor Lux reiterated desire to continue announcing the vacancy.
Deputy City Clerk Falkner briefly reviewed the membership composition and requirements for service on the Building Board.
Discussion ensued regarding promoting board participation.
Mayor Lux inquired about promotion via LinkedIn.
City Manager Reichert responded the City did not have a large following on LinkedIn, but could certainly post regarding board vacancies if Council so desired.
AYE: Lockhart, Julian

NAY: Denton, Lux
MOTION FAILED AS A RESULT OF TIE VOTE.
Councilmember Denton spoke in favor of extending the vacancy announcement.
Mayor Lux suggested continuing to accept applications and pushing the appointment to the July 3, 2026, agenda.
Discussion ensued regarding same.
Councilmember Denton **MOVED** to nominate Kathy Kemeny, **SECONDED** by Councilmember Julian.
MOTION UNANIMOUSLY CARRIED.
Deputy City Clerk Falkner stated the appointment would be added to the May 20, 2026, agenda for Council's consideration.

8) REPORTS FROM CITY OFFICERS

8.a City Clerk

Exhibits:
Cover Page

Deputy City Clerk Falkner thanked participants for making Suncoast Remake Learning Days 2026 a success. She provided clarification on the board appointment process for City Attorney Leskovich.

8.b City Manager

Exhibits:
Cover Page

City Manager Reichert introduced new IT Manager Bryon Maine.
Bryon Maine thanked Council for a warm welcome, expressing excitement to begin work.
City Manager Reichert requested consensus to add an agenda item for May 20, 2026, for a presentation from University of Florida, Department of Landscape Architecture students, who worked with Building Department staff to develop an urban design strategy with green stormwater infrastructure for the downtown area.
Consensus of Council was to add the agenda item, with Councilmembers expressing enthusiasm for the presentation.

8.c City Attorney

Exhibits:
Cover Page

City Attorney Leskovich stated the R.J. Gorman litigation was ongoing.

9) COUNCIL MEMBER COMMENTS

Councilmember Denton thanked IT staff for new microphones and video.
Mayor Lux wished all a Happy Mothers' Day.

10) PUBLIC INPUT

10.a Anyone wishing to address the Council on any matter must state their name for the record. Each person will be allowed to speak up to a maximum of three minutes.
Exhibits:

Cindy O'Hara expressed concern about organized crime.
Terry Zeigler, Punta Gorda resident, spoke against additional stop signs on West Retta Esplanade, noting that pedestrian crossing signs already existed.

ADJOURNMENT

The meeting adjourned at 11:41 a.m.

CITY COUNCIL
CITY OF PUNTA GORDA

Memorandum

To: City of Punta Gorda
Dr. Melissa Reichert

From: Steven S. Leskovich, J.D., Ed.D.

Date: May 18, 2026

Re: Punta Gorda Farmers Market – Applicability of Event Permit Requirements Under Code Chapter 26, Article 13 and Article 16.

The Punta Gorda Downtown Merchants Association currently operates the weekly Punta Gorda Farmers Market pursuant to Temporary Use Permit No. TU-01-2025, currently set to expire on August 31, 2026. To date, the Punta Gorda Downtown Merchant's Association ("Market") has not submitted a renewal or subsequent application for the Market.

The Temporary Use Extension Permit Application identifies the use as a "Saturday Farmers Market" and states that the purpose of the application is the "[a]nnual operation of Saturday Farmers' Market in downtown Punta Gorda." The submitted plans depict recurring vendor locations throughout portions of downtown Punta Gorda, including but not limited to Herald Court, Hector House Plaza, Taylor Street, Sullivan Street, and adjoining public areas. Temporary Use Permit No. TU-01-2025 authorizes the applicant "to operate a weekly Farmers Market" in the approved downtown area and imposes conditions relating to maintenance of traffic, election activities, signage, and parade coordination. The permit expressly provides that annual City Council approval is not required and that renewal applications are subject to Development Review Committee review. The applicant has also submitted liability insurance naming the City of Punta Gorda as certificate holder for "Market" operations in the amount of $2,000.000.00.

Relevant Regulatory Framework

Chapter 26, Article 13 generally governs temporary public activities that require municipal oversight due to impacts on public safety, traffic circulation, public rights-of-way, sanitation, emergency services, or crowd management. The chapter is designed to regulate activities such as 1) festivals; 2) parades; 3) block parties; 4) races; 5) concerts; 6) temporary civic celebrations; 7) public assemblies; and 8) similar event-based activities. These activities are ordinarily temporary, episodic, and extraordinary in nature. The regulatory purpose of Article 13 is to ensure public safety and coordinated municipal operations during temporary public gatherings that create demands beyond ordinary day-to-day land use activity.

Chapter 26, Article 16 establishes the City's procedures for development review, zoning approvals, administrative permits, and related land use authorizations. The Temporary Use Permit process utilized for the Market is administered pursuant to the City's land development and zoning framework under

Article 16 of Chapter 26. The City's Land Development Regulations require that all development activity and land uses obtain the appropriate permits and approvals before operation.

Within the City Center ("CC") zoning district, the City expressly permits "[t]emporary outdoor sales of seasonal agricultural products and customary accessory products" as uses permitted with conditions. The CC District also contemplates outdoor commercial activity, merchandise stands, pedestrian-oriented retail activity, and similar downtown mixed-use operations. The Market has historically been administered through this land use and zoning process rather than through repeated event permitting. It should be noted that there appears to be no bright-line conditions or provisions that the City of Punta Gorda mandates for the functionality of the Market to operate (i.e. fees, costs, expenses, equipment, sanitation, noise, public safety requirements, liability, etc).

Legal Analysis

The Market functions operationally as a recurring temporary land use rather than as a singular or occasional public event. Several characteristics support this conclusion.

A. Recurring Weekly Operations - The Market operates on a continuing weekly basis throughout the year. This operational structure resembles an ongoing commercial activation rather than an isolated or extraordinary event

B. Fixed Operational Footprint - The Market occupies a specifically identified and approved downtown footprint reflected in detailed site plans and vendor layouts.
The recurring use of designated locations is consistent with land use regulations through zoning and temporary use permitting.

C. Zoning Compatibility - The City Center zoning district expressly contemplates temporary outdoor agricultural sales. The Market directly aligns with the pedestrian-oriented commercial character encouraged within the CC District.

D. Existing Administrative Practice - The City has historically administered the Market through Temporary Use Permit approvals and renewals under the zoning and development review framework. The existing permit structure authorizes weekly operations over a year-long period and subjects the use to administrative oversight through the Development Review Committee rather than requiring repetitive event applications.

E. Nature of the Activity - The primary activity consists of recurring vendor sales and downtown commerce involving agricultural and related retail goods. These activities are fundamentally commercial land uses rather than temporary entertainment or assembly events.

Although the recurring weekly Market itself is appropriately regulated through Article 16 temporary use procedures, Article 13 remains applicable to certain ancillary or expanded activities associated with the market (Examples include: temporary street closures, amplified entertainment, concerts or performances, large seasonal festivals, extraordinary crowd impacts, emergency access issues, parade coordination, temporary stages or assembly structures, and other activities creating substantial public safety or operational impacts).

The existing Temporary Use Permit already incorporates some Article 13-type operational concerns by requiring maintenance-of-traffic compliance and relocation during elections and parades. Accordingly, Article 13 operates as a supplemental public safety and event-management framework rather than the principal regulatory mechanism governing ordinary weekly market operations.

The Article 16 temporary use process is the most appropriate primary regulatory mechanism because it: 1) recognizes the recurring nature of the market; 2) provides annual administrative oversight; 3) ensures zoning compatibility; 4) permits operational conditions tailored to the site; 5) allows coordination with public infrastructure and downtown activities; and 6) avoids repetitive event permitting for ordinary recurring operations. The City's current permitting structure appropriately balances land use regulation with operational oversight and public safety coordination.

Conclusion

The Market is most appropriately regulated under Chapter 26, Article 16 of the City's Land Development Regulations through the Temporary Use Permit process, rather than as a recurring public event requiring separate Article 13 approvals for each weekly operation.

This conclusion is supported by:

A. The recurring and continuing operational nature of the Market;

B. The fixed and approved downtown operating area;

C. The City Center zoning district's express authorization of temporary outdoor agricultural sales;

D. The City's longstanding administrative practice of issuing Temporary Use Permits for the Market; and

E. The operational structure reflected in Temporary Use Permit No. TU-01-2025.

Article 13 of Chapter 26 nevertheless remains applicable to ancillary activities associated with the market that create extraordinary public safety, traffic, assembly, or event-related impacts beyond the ordinary scope of weekly market operations. Accordingly, the City may continue utilizing the Temporary Use Permit process under Article 16 as the principal regulatory framework for the weekly Market while separately invoking Article 13 requirements when specific activities independently warrant event regulation. However, the City of Punta Gunta would be best served to require the Market to seek renewal or application for both an event permit and temporary use permit and to further require the Market to:

A. Require any Farmer's Market to apply for both an event permit and temporary permit;

B. Require any Farmer's Market to enter into a legally binding agreement with the City of Punta Gorda;

C. Require any Farmer's Market to fully hold harmless and fully indemnify the City of Punta Gorda for any liability, matter, or situation that occurs during set up, operating hours, and take-down, of a Farmer's Market;

D. Require any Farmer's Market to obtain and maintain liability insurance with a minimum of $2,000,000.00 per occurrence or event;

E. Require any Farmer's Market to pay for all application fees;

F. Establish a bright-line procedure for weekly, monthly, quarterly and/or or annual fees due to the on-going and recurring nature of any Farmer's Market; and/or

G. Any other conditions or provisions that the City of Punta Gorda deems just, proper, and appropriate.

Should you have any questions, please do not hesitate to contact me.

Respectfully,

Steven S. Leskovich, J.D., Ed.D.
City Attorney
City of Punta Gorda, Florida

Cc: Legal Department

Downtown Farmer's Market

History of the Market and Recommendations for the Future

City Council Meeting
June 3, 2026

Punta Gorda

Market Permitting History

- **2008**
  - Downtown Market began as Temporary Conditional Use
  - Annual renewals until 2013
- **2013**
  - Council allowed the market to continue without annual permits
- **2019**
  - Market requested exclusive use of the area; Temporary Use Permit (TUP) application submitted
- **2020 to current**
  - Market submits annual TUP renewal application

Punta Gorda

Market Insurance and Fees

- **Market Insurance**
  - Punta Gorda Downtown Merchants Association, Inc., provides proof of insurance; $1 million/occurrence, $2 million/aggregate
  - City listed as Certificate Holder
- **Fees**
  - In 2019, Council adopted a $750 rental fee
  - 2020 to current – Market pays $750 rental fee annually + $100 application renewal fee
  - Most recent Local Business Tax Receipts totaled: $4,032

Punta Gorda

City Services Provided, Liability Claims

- **Road closures**
  - Market sets up and removes road barricades and temporary signs; City staff is not involved in operations.
- **Sanitation**
  - Trash: Market provides their own trash collection and disposal; City staff is not involved in operations.
  - Restrooms: Market hired a restroom attendant who cleans and stocks as needed; city staff is not involved in operations. City does provide restroom paper supplies.
- **Risk Management**
  - No injury claims or liability claims over the last five years
  - Liability coverage is currently adequate and is reviewed annually

Punta Gorda

Happy Hour Marketplace

- **Formerly located at Bailey Brothers Park**
  - TU-08-2022: Council adopted a $75/week rental fee in 2022 for Bailey Brothers Park, and declined to provide sanitation services *(total annual rental $3,900)*
  - Provided city with insurance certificate; $1 million/occurrence, $2 million/aggregate. City listed as additional insured.
  - Applicant offered to split profits with Cooper Street, Blanchard House, and churches
  - Did not require any city services.
  - Closed after initial permit period due to expense.

Punta Gorda

Surrounding Municipalities

- **Permitting Requirements**
  - Venice: Farmers Market requires a special event permit; no application fee. Applicant pays for city services that are needed.
  - North Port: Farmers Market requires a special event permit; $50 application fee. Applicant pays for city services that are needed.
- **Business Tax Receipts**
  - Fort Myers: $50/stall or 100-sf space
  - Naples: No Local Business Tax Receipts charged; instead, requires a special event permit
  - Sarasota: No specific rate for markets; misc. rate of $71.85.

Punta Gorda

Conclusion

- Downtown Farmer's Market has operated continuously since 2008 with evolving permit structure.
- Current annual rental fee structure appears lower than comparable City event spaces.
- Market operations require minimal direct City services.
- Existing insurance is in place, but additional liability protections may be warranted into the future.
- Policy questions: Location review and rental fee review.

Punta Gorda

Recommendations

Permitting

- Continue requiring an annual Temporary Use Permit for the Downtown Farmer's Market.
- Treat each annual renewal as a new permit application, consistent with Chapter 26, Article 16, rather than as an extension of a prior approval.

Fees

- Adopt a reduced renewal application fee for recurring events that remain substantially unchanged from the prior permit term (proposed: **$150 renewal fee**).
- Direct staff to evaluate whether the current **$750 annual rental fee** reflects the value of exclusive use of the downtown public right-of-way and return with any recommended adjustments.

Insurance / Liability

- Require the market operator to list the City of Punta Gorda as an **additional insured** on all liability policies.
- Require execution of a **hold harmless and indemnification agreement**.
- Require a formal use agreement identifying the specific public areas approved for market operations.

Punta Gorda

Recommendations

Operations

- Continue requiring the market operator to provide all event-related operational services, including traffic control setup, trash removal, and restroom servicing.
- Require portable restroom trailer as Herald Court facility is not adequate to serve hundreds of guests

Public Safety

- No immediate changes recommended. A Police officer is required only if the event serves alcohol or more than 1000 persons are present at a given time.

Location Review

- Seek Council direction on whether the market should remain at its current downtown location or whether alternative locations should be evaluated for future operations.

2nd Memorandum

To: City of Punta Gorda
Dr. Melissa Reichert, City Manager

From: Steven S. Leskovich, J.D., Ed.D.
City Attorney

Date: May 26, 2026

RE: Legal Analysis Supporting the Applicability of Chapter 26 Land Development Regulations to a Punta Gorda Farmer's Market and Clarification of Recent Public Mischaracterizations and Misstatements Regarding Florida Law and Municipal Authority

This memorandum is intended to supplement and support the City of Punta Gorda's Legal Department memorandum dated May 18, 2026, concerning any Farmer's Market applicability of Chapter 26 of the City of Punta Gorda Land Development Regulations ("LDRs"). The memorandum also addresses and corrects multiple legal misstatements and inaccurate interpretations publicly circulated regarding Florida Administrative Law, municipal authority, zoning regulation, and the cited Florida case law.

The controlling issue is whether a recurring Farmer's Market constitutes:

1. A recurring land use and temporary use activity regulated under Chapter 26, Article 16 of the City's Land Development Regulations; or

2. A temporary special event requiring repeated event permitting and extraordinary administrative oversight under Article 13 and the City's Event Manual.

The City Legal Department previously concluded that any Farmer's Market functions primarily as a recurring land use activity administered through zoning and temporary use permitting rather than as a singular episodic special event.

The legal conclusions reached in the City memorandum are fully supported by; to-wit

1. The express language of Chapter 26;
2. The City's established permitting framework;
3. The structure and purpose of the Event Manual;
4. Florida constitutional home-rule authority;
5. Florida municipal preemption jurisprudence; and
6. Florida administrative law principles.

Chapter 26 Expressly Authorizes Temporary Land Use Regulations

Chapter 26 of the Punta Gorda Land Development Regulations establishes a comprehensive regulatory framework governing land use, development approvals, temporary uses, and zoning administration.

Section 1.4 of Chapter 26 provides that "No building, structure, land, or water shall hereafter be used or occupied… except in conformity with the regulations of this Ordinance…"

Section 1.5 further states that "It shall be unlawful to conduct, use or occupy any development or construct any structure until all applicable development review and approval processes have been followed…"

Similarly, Section 1.10 provides that "No development activity shall occur on any property within the jurisdiction subject to the regulations of this Ordinance until all applicable permits, approvals and certificates have been issued and approved by the appropriate officials."

These provisions establish broad municipal authority to regulate recurring land use through development review and zoning approvals. Any Farmer's Market is operating pursuant to exactly such a temporary use approval process.

The City Center ("CC") District expressly permits the "[t]he temporary outdoor sales of seasonal agricultural products and customary accessory products" as uses permitted with conditions. Any Farmer's Market falls squarely within this category. The City has historically regulated a Farmer's Market through zoning approvals, temporary use permits, development review, and site planning rather than through repeated festival-style event permitting. That interpretation is entirely consistent with:

1. The plain language of Chapter 26;
2. The City's historical administrative practice;
3. The operational characteristics of a Farmer's Market; and
4. Florida municipal home-rule authority.

Article VII, Section 10, of the Florida Constitution does not Invalidate the City's Current Farmer's Market Permitting Structure

Several public statements have asserted that Article VII, Section 10 of the Florida Constitution prohibits the City from allowing a Farmer's Market to operate under the current temporary use framework because a Farmer's Market operator is allegedly a "private entity." Those assertions materially misstate both the constitutional provision and the legal structure of a Farmer's Market's authorization.

Article VII, Section 10 of the Florida Constitution generally prohibits the State or municipalities from "giv[ing], lend[ing] or us[ing] its taxing power or credit to aid any corporation, association, partnership or person…" The provision is designed primarily to prevent:

1. Improper governmental subsidization of private enterprises;
2. Gratuitous transfers of public assets;
3. Unsecured public financing arrangements; and
4. Municipal participation in speculative private commercial ventures.

The City's current temporary use permitting structure does not constitute an unconstitutional lending of credit or donation of public assets. Any Farmer's Market in the City is operating pursuant to:

1. A temporary use permit;
2. Development review approval;
3. Municipal oversight;
4. Liability insurance requirements;
5. Site plan review;
6. Operational conditions; and
7. Revocable municipal authorization.

The City has not transferred ownership of public property, conveyed permanent exclusive rights, pledged municipal credit, guaranteed private debt, or granted unrestricted private control over public assets.

Rather, the City is regulating and conditionally authorizing a recurring public-facing commercial activity within public rights-of-way and municipal spaces pursuant to its police powers and land development authority. Florida courts consistently recognize that municipalities may permit temporary commercial and civic activities on public property where:

1. A valid public purpose exists;
2. Municipal control is retained;
3. The authorization is revocable;
4. The use is regulated;
5. The public retains access rights subject to reasonable restrictions; and
6. The municipality receives corresponding public benefit.

Any Farmer's Market could serve multiple recognized public purposes, including:

1. Supporting local agricultural commerce;
2. Activating downtown pedestrian activity;
3. Encouraging tourism and economic development;
4. Supporting small businesses;
5. Promoting community engagement;
6. Enhancing downtown vitality; and
7. Supporting mixed-use commercial activation expressly contemplated by the CC District regulations.

The City's authorization therefore falls squarely within traditional municipal police-power and economic-development functions. Importantly, Article VII, Section 10 does not prohibit municipalities from:

1. Issuing permits to private entities;
2. Allowing temporary use of public spaces;
3. Licensing commercial activity;
4. Leasing or conditionally authorizing public property use; or
5. Regulating recurring commercial activity.

If that were prohibited, municipalities throughout Florida could not lawfully:

1. Permit festivals;
2. Authorize sidewalk cafés;
3. Lease marina slips;
4. Approve outdoor dining;
5. Operate public markets;
6. License concessions;
7. Permit food truck operations; or
8. Authorize temporary commercial vendors.

Controlling constitutional inquiry is whether the municipality has retained sufficient control and whether the authorization serves a legitimate public purpose. Here, the City has retained substantial regulatory oversight through:

1. Temporary permitting;
2. DRC review;
3. Insurance requirements;
4. Operational conditions;
5. Traffic coordination;
6. Site layout approval;
7. Revocation authority; and
8. Continued municipal supervision.

Accordingly, the City's current regulatory structure does not facially violate Article VII, Section 10. Moreover, the existence of a nonprofit operator does not itself create a constitutional violation. Florida municipalities routinely contract with or permit nonprofit entities to administer:

1. Civic events;
2. Farmers markets;
3. Arts programs;
4. Recreational programs;
5. Community festivals; and
6. Public-benefit programming.

The constitutional issue would arise only if:

1. The City relinquished unlawful exclusive control;
2. Public assets were transferred without adequate public purpose;
3. Municipal funds were improperly donated; or
4. The arrangement ceased serving a valid public governmental purpose.

No evidence in the current permitting record establishes such a constitutional defect. To the contrary, the City's continued regulatory involvement strongly supports the legality of the existing arrangement.

Florida Administrative Law Does Not Require Exhaustive Codification of Every Municipal Operational Condition

Several public statements incorrectly assert that Florida Administrative Law requires the City to adopt exhaustive codified "bright-line conditions" governing every operational aspect of a Farmers Market. That claim is legally unsound. Municipal zoning and development review systems throughout Florida routinely operate through:

1. Conditional approvals;
2. Temporary use permits;
3. Development review conditions;
4. Administrative discretion;
5. Site plan review;
6. Interdepartmental review; and
7. Case-specific operational requirements.

The Florida Administrative Procedure Act ("APA"), Chapter 120, Florida Statutes, primarily governs state agencies—not municipalities operating under local zoning authority. Municipal land use regulation is instead governed principally through:

1. Municipal home-rule powers;
2. Local ordinances;
3. Due process requirements;
4. Comprehensive planning consistency; and
5. Judicial review standards.

Nothing in Florida law requires the City to codify every operational detail of a recurring Farmer's Market before issuing a temporary use permit. Indeed, municipalities frequently impose conditions administratively through:

1. DRC review;
2. Temporary use conditions;
3. Insurance requirements;
4. Traffic plans;
5. Maintenance obligations;
6. Site plans;
7. Operational restrictions; and
8. Public safety coordination.

That is precisely what the City of Punta Gorda has been doing.

The Event Manual Does Not Supersede Chapter 26

Several public statements incorrectly assert that the City of Punta Gorda's Event Manual automatically governs all recurring Farmer's Market activity and that the absence of "bright-line conditions" somehow renders the current permitting structure unlawful. This assertion is legally incorrect. The Event Manual itself demonstrates that it is intended primarily for temporary extraordinary public events requiring heightened operational coordination, including:

1. Festivals;
2. Concerts;
3. Parades;
4. Block parties;
5. Boat shows;
6. Races;
7. Memorial ceremonies; and
8. Similar episodic gatherings.

The Event Manual repeatedly focuses on:

1. Traffic control;
2. Police staffing;
3. Fire services;
4. Crowd management;
5. Temporary road closures;
6. Alcohol distribution;
7. Temporary entertainment infrastructure; and
8. Extraordinary public safety coordination.

Any Farmer's Market differs materially from those event classifications because:

1. It operates weekly on a recurring basis;
2. It utilizes a fixed operational footprint;
3. It is administered through approved site layouts;
4. It functions as recurring outdoor commercial activity;
5. It is already subject to development review oversight;
6. It is integrated into the downtown zoning framework; and
7. It resembles a recurring temporary commercial activation rather than a singular extraordinary civic event.

The Event Manual itself recognizes different levels of review and administrative discretion. Nothing within the Event Manual repeals or supersedes the City's zoning authority under Chapter 26. To the contrary, the Event Manual repeatedly references Development Review Committee ("DRC") oversight, zoning coordination, and administrative review as integral components of the approval process. Accordingly, the City's interpretation harmonizing Chapter 26 and the Event Manual is legally correct and consistent with Florida municipal law.

The Absence of "Bright-Line Conditions" does not Invalidate the City's Regulatory Framework

Public commentary has repeatedly claimed that because there allegedly are "no bright-line conditions or provisions" governing a Farmer's Market, the City is somehow violating Florida Administrative Law. This is an inaccurate statement of law. The May 18, 2026, memorandum merely observed that "[t]here appears to be no bright-line conditions or provisions that the City of Punta Gorda mandates for the functionality of the Market to operate…" Contrary to public comment, that observation does not mean that:

1. Any Farmer's Market is illegal;
2. The City lacks authority;
3. The permitting structure is unconstitutional; or
4. The City is violating Florida Administrative Procedure Act principles.

Municipal governments routinely exercise discretionary zoning and permitting authority. Florida law recognizes that municipalities possess broad home-rule authority under Article VIII, Section 2(b) of the Florida Constitution and Chapter 166, Florida Statutes. Administrative discretion is lawful so long as:

1. The municipality acts within delegated authority;
2. The regulation serves a legitimate public purpose;
3. The regulation does not conflict with state law; and
4. The process affords procedural due process.

The City's temporary use permitting structure satisfies each of those requirements. The existence or absence of highly detailed operational codification does not automatically render municipal action unlawful. Florida courts consistently recognize that municipalities may regulate through a combination of:

1. Ordinances;
2. Administrative review;
3. Conditional approvals;
4. Development review procedures; and
5. Site-specific permitting conditions.

The Publicly Cited Case Law has been Grossly Mischaracterized

Several public statements cite Florida appellate cases in a manner inconsistent with the actual holdings of those decisions and has caused gross mischaracterization and/or misstatements of the law.

City of Miami Beach v. Rocio Corp, 404 so.2d 1066 (Fla. 3rd DCA 1981)

The public characterization of Rocio Corp. as holding that "Municipal actions are invalid if they lack clear, objective standards" is materially inaccurate. The actual holding in Rocio Corp. addressed whether municipal condominium conversion ordinances conflicted with the Florida Condominium Act. The Third District Court of Appeal specifically held that The State had NOT fully preempted the field of condominium conversion regulation; but the local ordinances conflicted with state statutory provisions. The case is fundamentally a conflict-preemption decision. It does NOT stand for the proposition that municipalities are prohibited from exercising discretionary land use regulations absent exhaustive

codified criteria. To the contrary, Rocio Corp. expressly recognizes municipal home-rule authority unless direct conflict with state law exists.

Broward County v. La Rosa, 506 So.2d 422 (Fla. 1987)

Public commentary similarly misstates La Rosa as holding that "[l]ocal governments cannot act in areas preempted by the state." While that general principle is true, La Rosa addressed a very different constitutional issue. The Supreme Court of Florida held that an administrative agency could not constitutionally award common-law damages for humiliation and embarrassment because doing so improperly exercised fundamentally judicial powers. The case concerned around separation of powers; administrative adjudication; and jury trial rights. It did NOT involve zoning regulation, temporary use permits, farmer's markets, or municipal event administration. The case therefore has little applicability to the current issue.

Phantom of Brevard, Inc. v. Brevard County, 3 So.3d 309 (Fla. 2008)

Public commentary also mischaracterizes Phantom of Brevard. In reality, Phantom of Brevard strongly supports municipal home-rule authority. The Florida Supreme Court reaffirmed that local governments may legislate concurrently with the State unless expressly preempted; additional local regulatory requirements may coexist with state law; and local ordinances are valid so long as they do not directly conflict with state statutes. The Court specifically upheld additional local regulatory requirements beyond those expressly contained in state statute. That reasoning actually supports the City's authority to regulate recurring temporary uses through local development review procedures.

City of Hollywood v. Mulligan 934 So.2d 1238 (Fla. 2006)

Additionally, public commentary misstates City of Hollywood v. Mulligan as it actually confirms broad municipal home-rule powers. The Florida Supreme Court reiterated that municipalities may legislate concurrently with the State; local regulation is permissible absent express preemption; and municipal ordinances remain valid unless they directly conflict with state law. Mulligan therefore supports—not undermines—the City's authority to administer temporary use approvals and recurring downtown operational activities.

The City's Interpretation is Entitled to Deference

Florida courts generally afford deference to reasonable municipal interpretations of local land development regulations. The City's interpretation here is reasonable because:

1. The Market has historically operated through temporary use permitting;
2. The CC District expressly contemplates temporary agricultural sales;
3. The operational footprint is recurring and site-specific;
4. The activity resembles recurring outdoor commercial use;
5. The Event Manual was designed primarily for extraordinary episodic events;
6. The Market already operates under DRC oversight;
7. Liability insurance has been provided;
8. Site plans have been reviewed; and
9. Operational conditions have historically been imposed administratively.

Conclusion

This memorandum and May 18, 2026, memorandum concludes that any Farmer's Market operating within the City can function operationally as a recurring temporary land use administered under Chapter 26 rather than as a singular episodic special event requiring repeated extraordinary event permitting. The legal framework supporting that conclusion is well-grounded in:

1. Chapter 26 of the Land Development Regulations;
2. The City Center zoning provisions;
3. The Temporary Use Permit process;
4. The Event Manual's structure and purpose;
5. Florida constitutional home-rule authority;
6. Florida municipal preemption jurisprudence; and
7. Longstanding municipal zoning practices.

The above-referenced cited authorities overwhelmingly support the City's authority to regulate recurring temporary commercial activities through local land development regulations, temporary use approvals, development review procedures, and reasonable administrative oversight. Accordingly, the City's current interpretation and regulatory framework are legally supportable, internally consistent, and fully compatible with Florida municipal law.

Respectfully,

Steven S. Leskovich, J.D., Ed.D.
City Attorney
City of Punta Gorda, Florida

CITY COUNCIL
CITY OF PUNTA GORDA
06/ 3/2026

REGULAR AGENDA

Title:	Fiscal Year 2027 Budget Update - Capital Improvement Program, General Fund, and Information Technology
Funds:	General Construction, 1% Sales Tax Funds, General Fund, and Information Technology
Recommended Action:	Discussion of current and proposed Capital Improvement Projects for FY 2027, General Fund and Information Technology budget. Direction to staff of any changes as determined by Council.
Summary:	Review of General Construction Fund projects, 1% Sales Tax Fund projects, other unfunded project requests, General Fund and Information Technology proposed budgets. All attachments are from the June 1, 2026 Budget Workshop
Department/Division:	Finance / City Manager

EXHIBITS:

1. Presentation Capital Improvement Program
2. General Construction Fund Fiscal Years 2027 through 2031
3. 1% Sales Tax Fiscal Years 2026 through 2027
4. Unfunded Projects Fiscal Year 2027
5. Presentation General Fund and Information Technology Fund
6. General Fund Budget Detail Information
7. Information Technology Budget Detail Information

Capital Improvements Program FY 2027 – FY 2031

General Construction Fund,
1% Sales Tax Fund,
And Other Unfunded

City Council Meeting

June 3, 2026

Punta Gorda

General Construction Fund
FY 2027 – FY 2031

The General Construction Fund accounts for capital improvement projects normally funded by revenues available for use in the General Fund and Special Revenue Funds.

Other revenue sources are grants, transfers from other funds, financing, and contributions.

These capital projects typically produce a citywide benefit.

Project Title:	Bridge Repair
Project Code:	TBD
Account #:	301-3004-541-6392
Description/ Justification:	Bridge repairs resulting from FDOT bridge inspections. Three bridge repairs in Punta Gorda Isles. One bridge on Aqui Esta Drive. Carry over unspent funds. Funding provides for the repair and maintenance needed to keep City bridges in a safe and functional condition.
Priority:	Infrastructure Sustainability, ,
Goal:	Maintain and enhance the City's infrastructure to ensure efficient and effective service delivery,
Community Impact:	Quality of life and safety

Project Title:	AC Freeman House Preservation
Project Code:	FREEMN
Account #:	118-3007-579-6222 / 301-3004-579-6222
Description/ Justification:	New Planning Estimates – Total $440,000: $400,000 construction, $40,000 contingency. Additional budget can be re-allocated to another project. FY 2021 - 2024: Preservation measures taken to reduce further damage to building after Storm damage FY 2025 - 2026: Rehabilitation construction services provided via a lease with the Charlotte DeSoto Building Industry Association (CDBIA). Funding: $880,000 - 1% Sales tax $ 32,000 - Insurance Proceeds
Priority:	Quality of Place, ,
Goal:	Support, promote, and maintain the City's historic character,
Community Impact:	Preserve an important asset that celebrates part of Punta Gorda's unique history, providing a landmark feature at a gateway to historic downtown.

Project Title:	Wooden Composite Pathways, Piers, and Docks
Project Code:	PIERPJ
Account #:	301-3004-519-6300
Description/ Justification:	The city's wooden boardwalks and pier pilings have deteriorated over the years and need to be replaced as needed. A contractor will install grout-filled pile jackets for many of the piers. FY 2026-2031: Replace wooden composite dock and handrails with composite along City waterfront areas. Carryover funds unspent. These are necessary repairs and replacements for City's infrastructure sustainability of the Harborwalk and other pathways and docks throughout our parks Department Note: Many of the City's piers were damaged by Hurricane Milton and it is anticipated that FEMA will cover much of the repairs. However there are boardwalks such as the one behind the condos that FEMA will likely only cover a small portion while the remaining portions are nearing end of life. The budget numbers have not accounted for the City's portion to FEMA projects.
Priority:	Infrastructure Sustainability, ,
Goal:	Maintain and enhance the City's infrastructure to ensure efficient and effective service delivery,
Community Impact:	Quality of life and safety

Project Title:	Channel and Basin Dredging at Boat Club Area
Project Code:	BCDRDG
Account #:	301-3004-572-6359
Description/ Justification:	Gilchrist Landing Dredge & Docks Engage a consultant to obtain permitting for maintenance dredging of the Boat Club channel and basin. Perform dredging. Remove concrete dock - completed FY 2026-2027: UNFUNDED dredge basin and channel: $285,000 Staff to apply for Mac Grant. The channel and basin have silted which limits access to the public, boating, and sailing clubs. Concrete dock was removed. Cost estimate in January 2022 based on 4500 cubic yards @ $44.44 per cubic yard. Current MAC Grant Estimate and submission was $245,000. Additional funding for docks $125,000 unfunded. Future years maintenace dredges are estimated at 500 cubic yards and a 5 percent annual increase in cost.

Project Title:	Railroad Crossing Rehabilitation
Project Code:	RRREHB
Account #:	301-3004-541-6328
Description/ Justification:	Rehabilitation improvements to maintain existing railroad crossings. Funding: Prior Fiscal Years: FY2022: Mckenzie Street Corssing & Sidewalk $284,450, Future Fiscal Years: FY 2027: Elizabeth Street crossing and sidewalk $1,200,000, FY 2028: Ann Street crossing (no sidewalk) $750,000, Delayed per Rail Road FY 2029: Boca Grande crossing (no sidewalk) $750,000, Department Note: We are anticipating revised quotes from Seminole Gulf Railway, L.P. The above is Engineering's best estimate. Mandatory rehabilitation of the road and sidewalk crossing involved, with the participation of the City of Punta Gorda and pursuant to the General Agreement with Seminole Gulf Railway, L.P. dated November 15, 2020 The railroad has delayed the crossing repairs since Hurricane Ian due to their own reapirs they have been dealing with. SInce funding has accrued, we could skip a year or divide over the next 2-3 years. Since projects have been delayed the cost of the projects may be more than originally estimated. We are at the mercy of railroad on crossing costs.

Project Title:	HVAC and Computer system replacement
Project Code:	PSAC
Account #:	301-3004-521-6216
Description/ Justification:	Make necessary improvements to the HVAC system as needed due to the antiquated system past its life cycle. A replacement is needed to provide the public safety building with a more up-to-date system. 1) Existing: Computer Control (TAC Digital Management System Rev 1.6) Including Danfuss VLT HVAC Drive. Both need to be updated to a newer, end-user-friendly environment. 2) Replace HVAC System. 3) Replace/Update the Fresh Air Intake. Some engineering will need to be done, both structural (to remove old units from the mezzanine. and mechanical for the specs to replace the HVAC units.
Priority:	Infrastructure Sustainability, ,
Goal:	Maintain and enhance the City's infrastructure to ensure efficient and effective service delivery,
Community Impact:	Infrastructure Sustainability, Quality of Life

Project Title:	Historical City Hall Rehabilitation
Project Code:	CHPRRH
Account #:	118-3007-519-6202, 118-3007-515-6300, 301-3004-519-6201
Description/ Justification:	After a comprehensive evaluation of the building's major systems - structural, electrical, mechanical, and plumbing - there were numerous deficiencies needing remediation to improve the overall condition and functionality while maintaining its historic character. In FY 2026, City Council voted to have the building re-assessed and repaired. New budget estimates forthcoming. Leftover funds to be re-budgeted. Historic Building is being handled by Planning; Council Chambers is being handled by Public Works, with the design provided by Planning. Items not included in orginal design: ADA parking on Harvey St, Fixtures, furnishings, and equipment, buildout of interior office space, and West Marion Ave street drainage. With new plan, these items may be able to be accomodated as needed. Funding Sources: Approx $300,000 Sale of Belaire Ct Approx $450,000 Insurance Proceeds, $ 12,717,270 1% Sales Tax $ 250,000 ADA 1% Sales Tax
Priority:	Infrastructure Sustainability, Quality of Place,
Goal:	Maintain and enhance the City's infrastructure to ensure efficient and effective service delivery, Support, promote, and maintain the City's historic character,
Community Impact:	Provide enhanced public access to City Council and other public meetings both in-person and virtually while improving workspaces to provide a better platform for delivering City services.

Project Title:	Public Safety Building Fencing
Project Code:	PSBFEN
Account #:	301-3004-521-6300
Description/ Justification:	Install approximately 190 feet of 8-foot high vinyl privacy fence from near the NE corner of the building along Ann Street including two pedestrian access gates and a vehicle access gate. Install approximately 160 feet of 8-foot high chain link fence along the east side of the property to tie to the building in the SE corner of the property. Install approximately 30 feet of 8-foot high chain link fence from SE corner of the building to tie to the existing fence along the south property line. Vehicle access includes a fast cycle opener and necessary electrical for opener. Also included are clickers for staff. Provide security, restricted access to Public Safety Vehicle Parking lot, and prevent access other than Public Safety Employees Funding: $50,000 - Construction $50,000 - Equipment Currently in the Procurement Process, installation may be completed by 9/30
Priority:	Infrastructure Sustainability, ,
Goal:	Apply best management practices and systems in infrastructure maintenance ,
Community Impact:	Quality of life and safety

Project Title:	PW/UT Campus Paving
Project Code:	PWUTCP
Account #:	301-3004-519-6300
Description/ Justification:	Adding concrete gutter at flow lines in parking lot and repaving of failing asphalt parking lot around buildings. This work will will include improved drainage, re-paving portions of the failing drives, and re-sealing remaining asphalt to extend life expectancy.
Priority:	Infrastructure Sustainability, ,
Goal:	Apply best management practices and systems in infrastructure maintenance ,
Community Impact:	Quality of life and safety

Contact:	Holden Gibbs/ Tyler Canfield
Project Title:	Fire Apparatus
Project Code:	FIREAP
Account #:	301-3004-522.64-06
Description/ Justification:	As approved by Council on March 11, 2026 Item 6.d FY 2026: Purchase of a Class One Pumper, 1250 GPM, 780 gallon Tank Plan to Place order April/ May 2026 and delivery of Truck Expected November/December 2028 Council approved budget amount without prepayment option - $1,036,000 FY 2031: For delivery in FY 2033, but build takes approximately 2 years Repalce 2003 Fire Engine (FA 5432) - $1,172,000 Funding source: $1,036,000 - General Funds Reserves transfer to Capital Fund (Funds to be repaid from 1% Sales tax Fund if Referendum approved in November) $1,172,000 - 2027 1% Sales Tax If approved (General Fund Reserves if not approved)
Priority:	Quality of Place, ,
Goal:	Maintain the City's high safety rating, emergency response, and storm preparedness,
Community Impact:	This new fire engine will help to reduce down time of needed repairs for our ageing fleet. The current reserve apparatus utilized during down time will be 25 years old when the new apparatus is received. This new apparatus will increase reliability for emergency responses.

Project Title:	Living Shoreline - Tiki Point at Harborwalk
Project Code:	LIVSH1 (Grant), LIVSH3 (City)
Account #:	301-3004-538-6377
Description/ Justification:	This is a multi-year project consisting of planning, design, engineering and construction of a living shoreline along a segment of the City's Harborwalk FY 2022: Grant application and Cost - $8,458 – General Fund FY 2024 – FY 2027: Project Execution of tasks - $1,313,238 - Various funding sources Funding Sources: $8,458 – General Fund $590,957– FL Resiliency Grant $98,674 - City match In-Kind General Fund personnel $303,607 – Special Use Fund $320,000 – CHNEP EPA Grant (Paid Directly by CHNEP, Not by the City)
Priority:	Infrastructure Sustainability, ,
Goal:	Continue planning and implementing change strategies that: 1) protect significant natural resources, 2) support economic growth, and 3) improve protection of life and property in hazardous areas,
Community Impact:	The project will help mitigate flooding risks, buffer the effects of storms, reduce further erosion and reflection/deflection from existing seawalls and improve the resilience of the 423-acre area.

Project Title:	Drainage Improvements - Boca Grande Area
Project Code:	CABGDI, CABGD3, CABGD4
Account #:	118-3007-541-6320/301-3004-541-6320
Description/ Justification:	Previous Years: Acquire property for stormwater ponds and construct drainage improvements for Boca Grande area drainage project. 90% design plans complete, required lots obtained. Total project estimate $7,390,673. Working with consultant on environmental, final design and bid package for approvals from granting agencies prior to going to bid for construction. Funding: $3,585,560 FY 2016-FY 2024 1% Sales Tax $1,000,000 FY 2022 State Grant/Appropriation $2,521,250 FY 2022 Federal Grant $283,863 FY 2023 SWFWMD Grant Costs include project management of $76,000 Due to all of the requirements of the grants construction management and construction engineering inspection services will be needed for the project. These were estimated at $270,000 each at the time of the grant in 2022. This estimate is likely low and the costs have likely escalated since then. Construction costs were estimated at $6,771,615.38 as of August 2024 with a 5 percent contingency. As-built record drawings also need to be budgeted for the project as there has been no budgeting for this. Below are estimated costs over what was noted above: Construction Management - $100,000 CEI - $175,000 Construction $700,000 As-built $100,000
Priority:	Infrastructure Sustainability, ,
Goal:	Maintain and enhance the City's infrastructure to ensure efficient and effective service delivery,
Community Impact:	Quality of life and safety

Project Title:	Complete Street - Cooper Street Improvements
Project Code:	COOCOM
Account #:	118-3007-541-6516/301-3004-541-6516
Description/ Justification:	FDOT Project # 452221-1 approved anf funded Planning Estimates - Total $3,309,000 FY 2020: $90,000 - 1% Sales Tax funds Design plans completed to 30% FY 2026: $308,000 FDOT #452221-1 Design improvements to Cooper Street from Airport Road to East Marion Avenue (US 17 SB), providing sidewalks, bicycle facilities, decorative street lights, and street trees. (Current Agreement with Design to be completed by 12/31/2028) FY 2028: $2,911,000 - FDOT LAP/Grant Funding FDOT #452221-1 (to be applied for) Construction to Cooper Street from Airport Road to East Marion Commences Department Note: prior year design to 30% plans (already spent FY 2020).
Priority:	Quality of Place, ,
Goal:	Coordinate with stakeholders in promoting Punta Gorda as a boating, fishing, and bicycle-friendly destination,
Community Impact:	The project implements the Complete Streets policies of the City of Punta Gorda and the Florida Department of Transportation, including Vision Zero goal. It connects to the existing Punta Gorda Pathway segments at Harborwalk and Airport Road. It links the eastside neighborhood to the Medical Center Area in the E Marion Ave [US 17 SB] and E Olympia Ave [US 17 NB] corridors.

Project Title:	Channel and Basin Dredging at Boat Club Area
Project Code:	BCDRDG
Account #:	301-3004-572-6359
Description/ Justification:	Gilchrist Landing Dredge & Docks Engage a consultant to obtain permitting for maintenance dredging of the Boat Club channel and basin. Perform dredging. Remove concrete dock - completed FY 2026-2027: UNFUNDED dredge basin and channel: $285,000 Staff to apply for Mac Grant. The channel and basin have silted which limits access to the public, boating, and sailing clubs. Concrete dock was removed. Cost estimate in January 2022 based on 4500 cubic yards @ $44.44 per cubic yard. Current MAC Grant Estimate and submission was $245,000. Additional funding for docks $125,000 unfunded. Future years maintenace dredges are estimated at 500 cubic yards and a 5 percent annual increase in cost.
Priority:	Infrastructure Sustainability, ,
Goal:	Maintain and enhance the City's infrastructure to ensure efficient and effective service delivery,
Community Impact:	Quality of life and safety

Project Title:	Nature Park ADA Improvements
Project Code:	NAPARK / ADANP
Account #:	301-3004-572-6332 / 118-3007-515-6300
Description/ Justification:	FY 2022-2024: Nature Park – Phase I and II: 100% Design plans completed by AGG Architecture, LLC. FY 2026-2027: Construction Phase I - After obtaining permits/exemptions, improve and repair nature trail, including the fishing pier, boardwalk, drainage, and ADA on East side of park. Planning Estimate: $355,000 with increases, estimated at $805,000. Grant applied for. FY 2027-2028: Construction Phase II - improve and repair nature trail, including the fishing pier, drainage, and ADA - on West side of park. Planning Estimate: $350,000 Funding – Park Impact Fees, 1% Sales Tax ADA. Grant application in progress for the Recreation Trails Program through Florida Department of Environmental Protection (FDEP).

Priority:	Quality of Place, Infrastructure Sustainability,
Goal:	Continue Universal Accessibility transition plan efforts within the City, Continue planning and implementing change strategies that: 1) protect significant natural resources, 2) support economic growth, and 3) improve protection of life and property in hazardous areas,
Community Impact:	The project will improve accessibility at the Nature Park, correcting the defects and/or deficiencies in compliance with the Americans with Disabilities Act Accessibility Guidelines (ADAAG), and Florida Accessibility Code (FAC), as well as necessary improvements to the fishing pier and observation deck.

Account #:	301-3005-541-6319
Description/ Justification:	Construction of additional sidewalks throughout the City, providing for safe pedestrian traffic. City staff has completed a survey of all sidewalks within the City and is planning to include necessary ADA improvements. Staff is proposing to use the funding each year to make connections between existing discontinuous sidewalk facilities. Tentative – sidewalk at Aqui Esta Dr and Bal Harbor Blvd for Nature Park access. Projects may also include King Street improvements, West Henry Street improvements or connections, Historic District infrastructure, Various Complete Street Improvements (Airport Rd, Cooper St, Shreve St, Virginia Ave), Harborwalk US 41 NB Bridger Underpass, Harborwalk East Phase II, Alligator Creek US 41NB Pedestrian Bridge II or other priority growth related mobility projects. Projects scheduled on separate CIP forms FY 2026 – FY 2031: King Street improvements, Airport Road complete street, and Historic District infrastructure. To provide safe access for pedestrians and school children along heavily used routes, in conjunction with state policies and the City's Comprehensive Plan.
Priority:	Infrastructure Sustainability, Infrastructure Sustainability, Quality of Place
Goal:	Maintain and enhance the City's infrastructure to ensure efficient and effective service delivery, Apply best management practices and systems in infrastructure maintenance , Coordinate with stakeholders in promoting Punta Gorda as a boating, fishing, and bicycle-friendly destination
Community Impact:	Establish a five-year capital improvements program that ensures infrastructure is in place to meet projected growth demands

Project Title:	Historic District Infrastructure-Bethel St. Marks Area
Project Code:	HISTDT
Account #:	118-3007-541-6520 , 301-3005-541.63-19
Description/ Justification:	As recommended from the completed study, a multi-phased approach for design and improvements includes installing new sidewalks and missing sidewalk connections, decorative and high mass lighting, and drainage improvements. Planning Estimate – Total $5,576,000 Phase I: FY 2025 – Design; FY 2025 - Construct Phase II: FY 2026 – Design; FY 2026 - Construct Phase III: FY 2027 – Design; FY 2027 - Construct Design and Engineering - $275,000 Construction - $2,200,000 Permit - $4,888,000 Contingency - $270,000 Project Management - $138,000 Funding Requests: $1,038,000 1% Sales tax includes $1,250,000 Tier 2 - 1% sales tax (unfunded) and additional request for future 1% sales tax of $2,788,000 $500,000 est. Mobility impact fees ($500,000 estimated available through FY 2028). In FY2026, an updated scope is being written to take into account any improvements made since the 2019 study was completed
Priority:	Infrastructure Sustainability, Quality of Place,
Goal:	Maintain and enhance the City's infrastructure to ensure efficient and effective service delivery, Support, promote, and maintain the City's historic character,
Community Impact:	Encourage private sector reinvestment in this community area through enhancements to the public rights of way, including street lighting, sidewalk connectivity, and roadway drainage.

Dept/Div:	Police Department/ Fire Department
Contact:	Dylan Renz/ Holden Gibbs
Project Title:	Public Safety Building(s) / Public Safety Communications
Project Code:	PBSFTY/ PSCOMM
Account #:	118-3007-521-6216/ 301-3004-521-6216
Description/ Justification:	Create additional space to accommodate growth of police and fire departments. After discussion with City Council, direction was provided that a new location for the police department and the Emergency Operations Center (EOC) to an area that would be in a lesser flood zone would most likely be the best option. This would still require renovation of existing building for the Fire department. Design of police and fire stations is very specialized. Contracted needs analysis to review options should be completed. Funding allocated would be used for needs analysis, possible land acquisition and to design/engineer appropriate facilities and provide estimate for construction/renovation of facilities. Some funding used to move fire administration to Herald Court Centre for additional space needs needed now. Funding: $5,600,000 1% Sales Tax (includes $163,500 for proj. mgmt.), $8,1500,000 from 1% sales tax extension if approved (Tier 1 & Tier 2 amounts) $1,350,000 Est. Public Safety Impact Fees Police Department needs include supporting a community engagement unit, 68+ volunteers, training room, property custodian, evidence storage (inside/outside), and administrative offices. The department will need to grow in staffing for patrol, marine, traffic safety, full-time K-9 officers, and supervisors. It is projected that the EOC will be housed by the Police Department. Fire Station 1 requires additional office space, bunk room, locker room, day room, and kitchen to support additional administrative shift personnel.
Priority:	Infrastructure Sustainability, Infrastructure Sustainability,
Goal:	Maintain and enhance the City's infrastructure to ensure efficient and effective service delivery, Apply best management practices and systems in infrastructure maintenance ,
Community Impact:	Ensure that our public safety departments are providing the resources it needs to our employees so that we may effectively serve the community.

Project Title:	Laishley Fishing Pier and Seawall
Project Code:	LPPIER
Account #:	301-3004-575-6311
Description/ Justification:	Prior to Hurricane Milton the Laishley Fishing Pier was in need of repairs due to deterioration as a result of saltwater corrosion to the steel within the concrete. An engineering study was completed. It was determined the deck needs to be replaced, the pilings need jackets and the pile caps need sealing. A new fish cleaning station and lighting would also be part of the repairs. The hand railings are to be reused as a cost savings measure. It was recommended that the sidewalk be jacked again. These are necessary repairs for the City's infrastructure sustainability of the Laishley Fishing Pier. Hurricane Milton caused extensive damage to the pier. Nearly all of the railing that was proposed for reuse was destroyed. A updated assessment of the pier is being completed to determine what additional damages may have occurred below the water's surface. A revised report will be generated detailing what repairs are now needed in addition to estimated costs for those repairs. Funded from Special Use Fund - $1,070,000 Additional funding is being requested from FEMA for damaged elements from the storm and not already scheduled for repair.
Priority:	Infrastructure Sustainability, Infrastructure Sustainability,
Goal:	Maintain and enhance the City's infrastructure to ensure efficient and effective service delivery, Apply best management practices and systems in infrastructure maintenance ,
Community Impact:	Quality of life and safety

Project Title:	Downtown Flooding Phase III
Project Code:	DWTNFD
Account #:	301-3004-541-6316
Description/ Justification:	The City experiences flood conditions on a regular basis in its downtown area as a result of high tides, and is compounded by rainfall. The flooding is exacerbated even more during wind events that create surge within the receiving waters of Charlotte Harbor/Peace River. Recent tropical events have caused significant flooding of streets, homes, businesses and City properties. The City is seeking a Professional Engineering and Surveying Firm to study the drainage system in the downtown area to identify possible solutions to reduce or eliminate flooding in the downtown area. Some of the drainage systems to be examined and possibly modified maybe owned by the Florida Department of Transportation and/or Charlotte County. This project is expected to be a large scale multi-phased project. FY 2025: $150,000 in General Fund for study; $1,375,907 funded from special use to begin engineering and construction once options are provided from study. FY 2027 - Preliminary budget estimate to develop plans and permit after the study is complete. In 2027 construction plans and permitting can begin for identified projects. Until we get through the engineering study, the costs of this project are just a guess but it is expected to easily get to $5 million or more. Funding from Special Use Fund through FY 2026. $3.6 million $13.6 million unfunded; requested from 1% sales tax (tier 1 and tier 2)
Priority:	Infrastructure Sustainability, ,
Goal:	Maintain and enhance the City's infrastructure to ensure efficient and effective service delivery,
Community Impact:	Quality of life and safety

Project Title:	Henry Street Sidewalk
Project Code:	HENSWK
Account #:	118-3007-541-6319/ 301-3005-541-6319
Description/ Justification:	Installation of sidewalk on Henry Street between Shreve and SR 41. FY 2021-2026: $156,000 - 1% Sales Tax - Funded Construction estimate $150,000 Project management $ 6,000 FY 2027: $250,000 - Construction Fund - Unfunded Construction estimate $250,000 To provide safe access for pedestrians and school children along heavily used routes, in conjunction with state policies and the City's Comprehensive Plan
Priority:	Infrastructure Sustainability, Infrastructure Sustainability,
Goal:	Apply best management practices and systems in infrastructure maintenance , Establish a five-year capital improvements program that ensures infrastructure is in place to meet projected growth and updates the plan on an annual basis,
Community Impact:	Quality of life and safety

Project Title:	Historical City Hall Rehabilitation
Project Code:	CHPRRH
Account #:	118-3007-519-6202, 118-3007-515-6300, 301-3004-519-6201
Description/ Justification:	After a comprehensive evaluation of the building's major systems - structural, electrical, mechanical, and plumbing - there were numerous deficiencies needing remediation to improve the overall condition and functionality while maintaining its historic character. In FY 2026, City Council voted to have the building re-assessed and repaired. New budget estimates forthcoming. Leftover funds to be re-budgeted. Historic Building is being handled by Planning; Council Chambers is being handled by Public Works, with the design provided by Planning. Items not included in orginal design: ADA parking on Harvey St, Fixtures, furnishings, and equipment, buildout of interior office space, and West Marion Ave street drainage. With new plan, these items may be able to be accomodated as needed. Funding Sources: Approx $300,000 Sale of Belaire Ct Approx $450,000 Insurance Proceeds, $ 12,717,270 1% Sales Tax $ 250,000 ADA 1% Sales Tax
Priority:	Infrastructure Sustainability, Quality of Place,
Goal:	Maintain and enhance the City's infrastructure to ensure efficient and effective service delivery, Support, promote, and maintain the City's historic character,
Community Impact:	Provide enhanced public access to City Council and other public meetings both in-person and virtually while improving workspaces to provide a better platform for delivering City services.

Project Title:	Complete Street - Virginia Avenue Improvements - US 41 to Nesbit
Project Code:	VIRCOM
Account #:	118-3007-541-6519
Description/ Justification:	FY 2021-2024: Design and permitting completed. $181,640 FY 2025 carryover of $871,358 earmarked for this area per City Council 7.3.2024; possibly just parking. Per Ron Everts 4.2.25: this project must be completed as designed, due to lighting, drainage, and permitting. Joan LeBeau concurred. FY 2027-2031: Construction Construction - $1,701,600; Permit - $10,000; Engineering Services - $8,000; Contingency - $150,000 = $1,869,600 - Currently Unfunded Original Funding: $1,056,000 1% Sales Tax. 2/11/26 Move $871 to Tier 2 unfunded - Increase of $1,001,000 based on engineer's 2024 cost est. - Total project includes Funds Already spent on Design An internal continuation of the Punta Gorda Pathway project, the addition of this section will safely connect the residential community to the commercial section providing access to a variety of destination points and a safe route to commercial, retail & other areas.

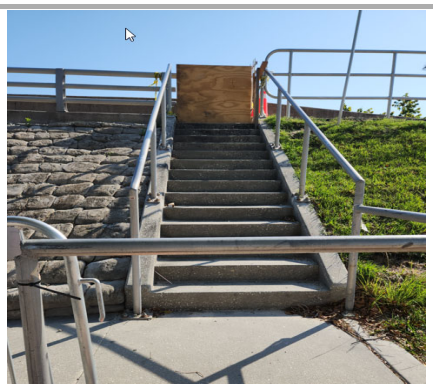

Priority:	Infrastructure Sustainability, Quality of Place,
Goal:	Maintain and enhance the City's infrastructure to ensure efficient and effective service delivery, Coordinate with stakeholders in promoting Punta Gorda as a boating, fishing, and bicycle-friendly destination,
Community Impact:	Provide an aesthetically enhanced platform for commercial infill and redevelopment along this gateway corridor to the historic downtown while increasing safety for all roadway users. The project implements Complete Streets policies of the City of Punta Gorda and the Florida Department of Transportation including Vision Zero goal.

Project Title:	Harborwalk - ADA US 41 SB Bridge Ramp – Decorative Upgrades
Project Code:	ADAHWR
Account #:	118-3007-572-6579
Description/ Justification:	Harborwalk addresses ADA connections along the waterfront and extends from Cooper Street to Fishermen's Village. The pathway provides access to destination points and a safe route to commercial, retail, historical, and downtown areas. Planning Estimates – Total $90,000 for City standard decorative upgrades for lighting and railings at time of construction. FDOT Project #452236-1 Funding: $ 90,000 1% Sales Tax - Unfunded Tier 2 as of 2/11/26 Council meeting $560,592 FDOT LAP Funding (FDOT Construction Project) $ 6,000 Unfunded This project will be re-visited by the City and the owner of the new hotel to be built on the adjoining site.
Priority:	Infrastructure Sustainability, ,
Goal:	Maintain and enhance the City's infrastructure to ensure efficient and effective service delivery,
Community Impact:	Provide enhanced access to Harborwalk and the US 41 Bridge sidewalk and bicycle lane facilities for users of all ages and

Carryover From FY 2026

Dept/Div:	Public Works
Contact:	Ron Everts
Project Title:	Drainage Improvements - Boca Grande Area
Project Code:	CABGDI, CABGD3, CABGD4
Account #:	118-3007-541-6320/301-3004-541-6320
Description/ Justification:	Previous Years: Acquire property for stormwater ponds and construct drainage improvements for Boca Grande area drainage project. 90% design plans complete, required lots obtained. Total project estimate $7,390,673. Working with consultant on environmental, final design and bid package for approvals from granting agencies prior to going to bid for construction. Funding: $3,585,560 FY 2016-FY 2024 1% Sales Tax $1,000,000 FY 2022 State Grant/Appropriation $2,521,250 FY 2022 Federal Grant $283,863 FY 2023 SWFWMD Grant Costs include project management of $76,000 Due to all of the requirements of the grants construction management and construction engineering inspection services will be needed for the project. These were estimated at $270,000 each at the time of the grant in 2022. This estimate is likely low and the costs have likely escalated since then. Construction costs were estimated at $6,771,615.38 as of August 2024 with a 5 percent contingency. As-built record drawings also need to be budgeted for the project as there has been no budgeting for this. Below are estimated costs over what was noted above: Construction Management - $100,000 CEI - $175,000 Construction $700,000 As-built $100,000
Priority:	Infrastructure Sustainability, ,
Goal:	Maintain and enhance the City's infrastructure to ensure efficient and effective service delivery,
Community Impact:	Quality of life and safety

Project Title:	W Henry St. Property Improvements and Connecting Points of Interest
Project Code:	HENIMP
Account #:	118-3007-572-6521 / 301-3004-572-6332
Description/ Justification:	Property improvements to this site will provide amenities to increase site usage and enhance the quality of life. It may be split into phases (i.e., Hounds on Henry and ½ parking lot is the first phase.) Phase I has been completed. Planning Estimate – Total $3,227,000 FY 2025-2026: Design $350,000 - Design $ 67,000 - Project management Design enhancements to include Hounds on Henry, Peace River Wildlife Center connectivity to History Park, Library, and Linear Park. (Rest room facilities, parking, pathway connections, landscape.) Hounds on Henry to include site furnishings, pavilion, and ADA compliance. Restroom to be placed in History Park has been designed by Planners. FY 2026-2028: Construction $ 2,250,000 - Construction $ 100,000 - Permit $ 10,000 - Engineering Services $ 450,000 - Contingency Funding: $ 1,817,000 1% Sales Tax $ 250,000 Park Impact Fees $1,160,000 UNFUNDED - Tier2 Request – $1,000,000 1% Sales Tax/ add'l Park Impact Fees
Priority:	Infrastructure Sustainability, ,
Goal:	Maintain and enhance the City's infrastructure to ensure efficient and effective service delivery,
Community Impact:	Provide an improved level of service for dog park use, increase bicycle and pedestrian access, and provide parking community facilities, including Punta Gorda Library, History Park, Peace River Wildlife Center, and Hounds on Henry.

Project Title:	ADA Transition Plan Implementation
Project Code:	ADA Various
Account #:	118-3007-515-6300
Description/ Justification:	Projects include but are not limited to ADA & Security Enhancements, Internal Wayfinding Signage, Laishley Park Improvements, Linear Park Improvements, City Hall Improvements, and Nature Park Improvements. FY 2023 – 2028: Implementation of the City ADA Transition Plan to assure compliance with all federal, state, and local regulations, standards, and compliance monitoring requirements. FY 2023-2024 for City Hall. Funding Per Year through FY 2027 - $125,000 + $5,000 for Project Management from 1% Sales Tax FY 2028 and beyond: UNFUNDED Additional $4 million requested from new 1% sales tax extension To remain eligible for federal grant funding, the City must have in place an ADA Transition Plan that includes a schedule of implementation.
Priority:	Infrastructure Sustainability, Quality of Place,
Goal:	Maintain and enhance the City's infrastructure to ensure efficient and effective service delivery, Support, promote, and maintain the City's historic character,
Community Impact:	Improve accessibility to all residents and visitors throughout the City facilities, parks, and sidewalks.

Project Title:	Pedestrian Crosswalks
Project Code:	HNRIMP
Account #:	118-3007-541-6393
Description/ Justification:	Have an engineering study done to evaluate the locations for installing signalized pedestrian crossings in the area from Coldeway Drive to Linear Trail bound by Marion, Olympia, and Henry Street. Additionally, as part of the study recommendations for crosswalk placements, removals and pedestrian refuge islands as well as identifying segments of sidewalk for installation or removal to improve the network in the area. Signalized pedestrian crossings may include Hawk systems as well as Rectangular Rapid Flashing Beacons (RRFB). FY 2026: Study is in the procurment process. Study and Construction $530,000 Project Management $ 9,000 Funding: 1% Sales Tax $539,000 The project will improve the safety and quality of life for pedestrians and cyclists to access popular dining, shopping, and recreation areas at or near Fishermen's Village. There is an absence of sidewalks and marked crosswalks in this pedestrian and cyclist-heavy area. Additional funds may be needed, depending on options selecteed from engineering study.
Priority:	Infrastructure Sustainability, ,
Goal:	Establish a five-year capital improvements program that ensures infrastructure is in place to meet projected growth and updates the plan on an annual basis,
Community Impact:	Quality of life and safety

Dept/Div:	Police Department/ Fire Department
Contact:	Dylan Renz/ Holden Gibbs
Project Title:	Public Safety Building(s) / Public Safety Communications
Project Code:	PBSFTY/ PSCOMM
Account #:	118-3007-521-6216/ 301-3004-521-6216
Description/ Justification:	Create additional space to accommodate growth of police and fire departments. After discussion with City Council, direction was provided that a new location for the police department and the Emergency Operations Center (EOC) to an area that would be in a lesser flood zone would most likely be the best option. This would still require renovation of existing building for the Fire department. Design of police and fire stations is very specialized. Contracted needs analysis to review options should be completed. Funding allocated would be used for needs analysis, possible land acquisition and to design/engineer appropriate facilities and provide estimate for construction/renovation of facilities. Some funding used to move fire administration to Herald Court Centre for additional space needs needed now. Funding: $5,600,000 1% Sales Tax (includes $163,500 for proj. mgmt.), $8,1500,000 from 1% sales tax extension if approved (Tier 1 & Tier 2 amounts) $1,350,000 Est. Public Safety Impact Fees Police Department needs include supporting a community engagement unit, 68+ volunteers, training room, property custodian, evidence storage (inside/outside), and administrative offices. The department will need to grow in staffing for patrol, marine, traffic safety, full-time K-9 officers, and supervisors. It is projected that the EOC will be housed by the Police Department. Fire Station 1 requires additional office space, bunk room, locker room, day room, and kitchen to support additional administrative shift personnel.
Priority:	Infrastructure Sustainability, Infrastructure Sustainability,
Goal:	Maintain and enhance the City's infrastructure to ensure efficient and effective service delivery, Apply best management practices and systems in infrastructure maintenance ,
Community Impact:	Ensure that our public safety departments are providing the resources it needs to our employees so that we may effectively serve the community.

Project Title:	Bayfront Activity Center/ or Alternative Project
Project Code:	WACGP and IANBAY
Account #:	118-3007-572-6577 (WACGP); 113-1515-519-6206 (IANBAY) $1,183,920
Description/ Justification:	The Bayfront building destroyed by Hurrican Ian has been demolished. The new Bayfront project will include the construction of a 4,550 square feet pavilion with new concrete slab to match existing pavilion layout design within Gilchrist Park. The existing parking lot will be redesigned to include a revised parking pattern which will include an elevated median approximately three (3) feet wide, eighty-five (85) feet long, with a curb matching existing curbs within the parking lot. Approximately 530 linear feet of curbing will be added to the parking lot overall. The site will include an overall addition of 255 linear feet of ADA compliant sidewalks and 181 square feet of concrete flat work for sitting areas. Decorative swings and/or benches will be added to the site to provide sitting options for residents. Funding: $ 343,000 1% Sales Tax $1,300,000 Insurance Proceeds
Priority:	Infrastructure Sustainability, Quality of Place,
Goal:	Maintain and enhance the City's infrastructure to ensure efficient and effective service delivery, Coordinate with stakeholders in promoting Punta Gorda as a boating, fishing, and bicycle-friendly destination,
Community Impact:	Quality of life and Safety – Provide safe access for pedestrians and school children along heavily used routes, in conjunction with state policies and the City's Comprehensive Plan.

Project Title:	Shreve Street Complete Street Improvements
Project Code:	SHVCOM
Account #:	118-3007-541-6512
Description/ Justification:	Projected Planning Costs – Total $444,500 Shreve Street links the Linear Park path to the US 41 Path of the Punta Gorda Pathways system. The addition of path lighting will enhance the pathway's safety and security, encouraging more utilization in the sunrise and twilight hours. Design to widen the existing 5-foot wide sidewalk on Pompano Terrace from Shreve Street to US 41 to meet the link from the Shreve Street Path to the US 41 Path. Previously applied to be a LAP project (not funded). FY 2021 – FY 2028: Construction All other Construction - $417,000 Permit - $5,000 Engineering Services - $2,500 Contingency - $10,000 Project Management - $10,000 Funding: $285,405 – 1% Sales Tax; Balance – Unfunded
Priority:	Infrastructure Sustainability, ,
Goal:	Continue planning and implementing change strategies that: 1) protect significant natural resources, 2) support economic growth, and 3) improve protection of life and property in hazardous areas,
Community Impact:	The project implements the Complete Streets policies of the City of Punta Gorda and the Florida Department of Transportation, including the Vision Zero goal. It improves safety and security for all path users.

Project Title:	Harborwalk - US 41 SB Bridge Approach Lighting
Project Code:	451102
Account #:	118-3007-541-6507
Description/ Justification:	This project will provide lighting consistency on US 41 from the Peace River Bridge to Virginia Avenue, improving safety for all roadway users. In addition, the project will enhance the aesthetic appeal of the historic downtown areas of Punta Gorda. Planning Estimates – Total $420,000 for City standard decorative upgrades FDOT Managed Project: Cross Street [US 41 SB] from Retta Esplanade to Peace River Bridge FY 2026: This project is intended to go with FDOT roadway resurfacing project US 41 SB from Peace River Bridge to Charlotte Avenue (FM #: 451102-1) through a Local Funding Agreement. Design by FDOT of decorative lighting along this segment consistent with existing CIty standard decorative street lights north of Retta Esplanade to the bridge. No cost to City for engineering design. FY 2028: FDOT roadway resurfacing project FM #: 451102-1 construction year with Local Funding Agreement (LFA) for decorative lighting installation. Funding: $420,000 UNFUNDED
Priority:	Infrastructure Sustainability, Quality of Place,
Goal:	Maintain and enhance the City's infrastructure to ensure efficient and effective service delivery, Support, promote, and maintain the City's historic character,
Community Impact:	Provide consistent aesthetic streetscape character along the US 41 corridors in the historic downtown while enhancing safety for all roadway users.

UNFUNDED PROJECT

Dept/Div:	City Manager/ Planning/ Public Works
Contact:	CMO/ Ron Everts/ Boyd Lawrence
Project Title:	Traffic Signal - Burnt Store Corridor
Project Code:	TBD
Account #:	TBD
Description/ Justification:	To enhance traffic ingress and egress from the Burnt Store Isles commercial center, reducing the burden of cut-thru traffic experienced by the Burnt Store Isles residential neighborhood. Planning Estimates – Total $1,337,600 Engineering and Design Services - $419,520 Construction - $851,200 Contingency - $66,880 Funding: $345,000 - Sales Tax Tier II Unfunded $992,600 – Unfunded Note: Currently, this project does not include ROW or construction easement costs but may be funded from the contingency estimate. At the request of the City of Punta Gorda, Charlotte County conducted a signal warrant study at Burnt Store Rd at Home Depot. The study concluded that a signal met three of the warrant conditions. By the usual traffic engineering metric, this intersection warrants the placement of a traffic signal.
Priority:	Infrastructure Sustainability, ,
Goal:	Maintain and enhance the City's infrastructure to ensure efficient and effective service delivery,
Community Impact:	Increase safe and efficient access to the Burnt Store Isles area business node, relieving traffic demands on the Tamiami Trail [US 41] at Monaco Blvd intersection and traffic signal.

*** Part of the Rebuidling Marina Infrastructure

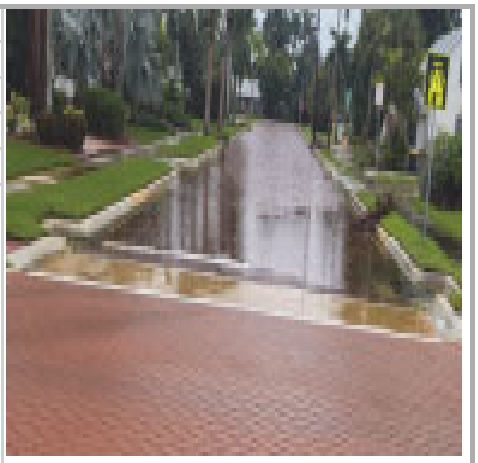

Dept/Div:	Police Department/ Fire Department
Contact:	Dylan Renz/ Holden Gibbs
Project Title:	Public Safety Building(s) / Public Safety Communications
Project Code:	PBSFTY/ PSCOMM
Account #:	118-3007-521-6216/ 301-3004-521-6216
Description/ Justification:	Create additional space to accommodate growth of police and fire departments. After discussion with City Council, direction was provided that a new location for the police department and the Emergency Operations Center (EOC) to an area that would be in a lesser flood zone would most likely be the best option. This would still require renovation of existing building for the Fire department. Design of police and fire stations is very specialized. Contracted needs analysis to review options should be completed. Funding allocated would be used for needs analysis, possible land acquisition and to design/engineer appropriate facilities and provide estimate for construction/renovation of facilities. Some funding used to move fire administration to Herald Court Centre for additional space needs needed now. Funding: $5,600,000 1% Sales Tax (includes $163,500 for proj. mgmt.), $8,1500,000 from 1% sales tax extension if approved (Tier 1 & Tier 2 amounts) $1,350,000 Est. Public Safety Impact Fees Police Department needs include supporting a community engagement unit, 68+ volunteers, training room, property custodian, evidence storage (inside/outside), and administrative offices. The department will need to grow in staffing for patrol, marine, traffic safety, full-time K-9 officers, and supervisors. It is projected that the EOC will be housed by the Police Department. Fire Station 1 requires additional office space, bunk room, locker room, day room, and kitchen to support additional administrative shift personnel.
Priority:	Infrastructure Sustainability, Infrastructure Sustainability,
Goal:	Maintain and enhance the City's infrastructure to ensure efficient and effective service delivery, Apply best management practices and systems in infrastructure maintenance ,
Community Impact:	Ensure that our public safety departments are providing the resources it needs to our employees so that we may effectively serve the community.

Project Title:	Downtown Flooding Phase III
Project Code:	DWTNFD
Account #:	301-3004-541-6316
Description/ Justification:	The City experiences flood conditions on a regular basis in its downtown area as a result of high tides, and is compounded by rainfall. The flooding is exacerbated even more during wind events that create surge within the receiving waters of Charlotte Harbor/Peace River. Recent tropical events have caused significant flooding of streets, homes, businesses and City properties. The City is seeking a Professional Engineering and Surveying Firm to study the drainage system in the downtown area to identify possible solutions to reduce or eliminate flooding in the downtown area. Some of the drainage systems to be examined and possibly modified maybe owned by the Florida Department of Transportation and/or Charlotte County. This project is expected to be a large scale multi-phased project. FY 2025: $150,000 in General Fund for study; $1,375,907 funded from special use to begin engineering and construction once options are provided from study. FY 2027 - Preliminary budget estimate to develop plans and permit after the study is complete. In 2027 construction plans and permitting can begin for identified projects. Until we get through the engineering study, the costs of this project are just a guess but it is expected to easily get to $5 million or more. Funding from Special Use Fund through FY 2026. $3.6 million $13.6 million unfunded; requested from 1% sales tax (tier 1 and tier 2)
Priority:	Infrastructure Sustainability, ,
Goal:	Maintain and enhance the City's infrastructure to ensure efficient and effective service delivery,
Community Impact:	Quality of life and safety

Project Title:	Channel and Basin Dredging at Boat Club Area
Project Code:	BCDRDG
Account #:	301-3004-572-6359
Description/ Justification:	Gilchrist Landing Dredge & Docks Engage a consultant to obtain permitting for maintenance dredging of the Boat Club channel and basin. Perform dredging. Remove concrete dock - completed FY 2026-2027: UNFUNDED dredge basin and channel: $285,000 Staff to apply for Mac Grant. The channel and basin have silted which limits access to the public, boating, and sailing clubs. Concrete dock was removed. Cost estimate in January 2022 based on 4500 cubic yards @ $44.44 per cubic yard. Current MAC Grant Estimate and submission was $245,000. Additional funding for docks $125,000 unfunded. Future years maintenace dredges are estimated at 500 cubic yards and a 5 percent annual increase in cost.

UNFUNDED PROJECT

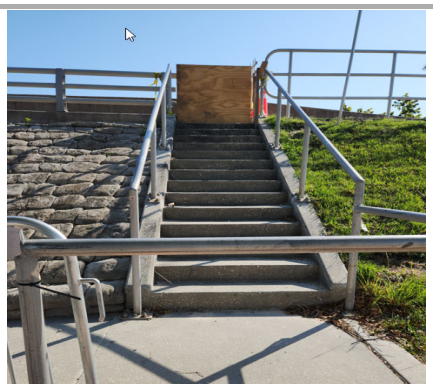

Dept/Div:	City Manager/ Planning
Contact:	CMO/ Boyd Lawrence
Project Title:	Complete Street - Virginia Avenue Improvements - US 41 to Nesbit
Project Code:	VIRCOM
Account #:	118-3007-541-6519
Description/ Justification:	FY 2021-2024: Design and permitting completed. $181,358 FY 2025 carryover of $871,358 earmarked for this area per City Council 7.3.2024; possibly just parking. Per Ron Everts 4.2.25: this project must be completed as designed, due to lighting, drainage, and permitting. Joan LeBeau concurred. Council de-funded project in FY2025. FY 2027-2028: Construction Construction - $1,701,600; Permit - $10,000; Engineering Services - $8,000; Contingency - $150,000 = $1,869,600 Original Funding: $1,056,000 1% Sales Tax - Increase of $1,001,000 based on engineer's 2024 cost est. - Total project includes Funds Already spent on Design An internal continuation of the Punta Gorda Pathway project, the addition of this section will safely connect the residential community to the commercial section providing access to a variety of destination points and a safe route to commercial, retail & other areas.
Priority:	Quality of Place, ,
Goal:	Coordinate with stakeholders in promoting Punta Gorda as a boating, fishing, and bicycle-friendly destination,
Community Impact:	Provide an aesthetically enhanced platform for commercial infill and redevelopment along this gateway corridor to the historic downtown while increasing safety for all roadway users. The project implements Complete Streets policies of the City of Punta Gorda and the Florida Department of Transportation including Vision Zero goal.

Project Title:	W Henry St. Property Improvements and Connecting Points of Interest
Project Code:	HENIMP
Account #:	118-3007-572-6521 / 301-3004-572-6332
Description/ Justification:	Property improvements to this site will provide amenities to increase site usage and enhance the quality of life. It may be split into phases (i.e., Hounds on Henry and ½ parking lot is the first phase.) Phase I has been completed. Planning Estimate – Total $3,227,000 FY 2025-2026: Design $350,000 - Design $ 67,000 - Project management Design enhancements to include Hounds on Henry, Peace River Wildlife Center connectivity to History Park, Library, and Linear Park. (Rest room facilities, parking, pathway connections, landscape.) Hounds on Henry to include site furnishings, pavilion, and ADA compliance. Restroom to be placed in History Park has been designed by Planners. FY 2026-2028: Construction $ 2,250,000 - Construction $ 100,000 - Permit $ 10,000 - Engineering Services $ 450,000 - Contingency Funding: $ 1,817,000 1% Sales Tax $ 250,000 Park Impact Fees $1,160,000 UNFUNDED - Tier2 Request – $1,000,000 1% Sales Tax/ add'l Park Impact Fees
Priority:	Infrastructure Sustainability, ,
Goal:	Maintain and enhance the City's infrastructure to ensure efficient and effective service delivery,
Community Impact:	Provide an improved level of service for dog park use, increase bicycle and pedestrian access, and provide parking community facilities, including Punta Gorda Library, History Park, Peace River Wildlife Center, and Hounds on Henry.

Project Title:	Shreve Street Complete Street Improvements
Project Code:	SHVCOM
Account #:	118-3007-541-6512
Description/ Justification:	Projected Planning Costs – Total $444,500 Shreve Street links the Linear Park path to the US 41 Path of the Punta Gorda Pathways system. The addition of path lighting will enhance the pathway's safety and security, encouraging more utilization in the sunrise and twilight hours. Design to widen the existing 5-foot wide sidewalk on Pompano Terrace from Shreve Street to US 41 to meet the link from the Shreve Street Path to the US 41 Path. Previously applied to be a LAP project (not funded). FY 2021 – FY 2028: Construction All other Construction - $417,000 Permit - $5,000 Engineering Services - $2,500 Contingency - $10,000 Project Management - $10,000 Funding: $285,405 – 1% Sales Tax; Balance – Unfunded
Priority:	Infrastructure Sustainability, ,
Goal:	Continue planning and implementing change strategies that: 1) protect significant natural resources, 2) support economic growth, and 3) improve protection of life and property in hazardous areas,
Community Impact:	The project implements the Complete Streets policies of the City of Punta Gorda and the Florida Department of Transportation, including the Vision Zero goal. It improves safety and security for all path users.

Project Title:	Harborwalk - US 41 SB Bridge Approach Lighting
Project Code:	451102
Account #:	118-3007-541-6507
Description/ Justification:	This project will provide lighting consistency on US 41 from the Peace River Bridge to Virginia Avenue, improving safety for all roadway users. In addition, the project will enhance the aesthetic appeal of the historic downtown areas of Punta Gorda. Planning Estimates – Total $420,000 for City standard decorative upgrades FDOT Managed Project: Cross Street [US 41 SB] from Retta Esplanade to Peace River Bridge FY 2026: This project is intended to go with FDOT roadway resurfacing project US 41 SB from Peace River Bridge to Charlotte Avenue (FM #: 451102-1) through a Local Funding Agreement. Design by FDOT of decorative lighting along this segment consistent with existing CIty standard decorative street lights north of Retta Esplanade to the bridge. No cost to City for engineering design. FY 2028: FDOT roadway resurfacing project FM #: 451102-1 construction year with Local Funding Agreement (LFA) for decorative lighting installation. Funding: $420,000 UNFUNDED
Priority:	Infrastructure Sustainability, Quality of Place,
Goal:	Maintain and enhance the City's infrastructure to ensure efficient and effective service delivery, Support, promote, and maintain the City's historic character,
Community Impact:	Provide consistent aesthetic streetscape character along the US 41 corridors in the historic downtown while enhancing safety for all roadway users.

Project Title:	Traffic Signal - Burnt Store Corridor
Project Code:	TBD
Account #:	TBD
Description/ Justification:	To enhance traffic ingress and egress from the Burnt Store Isles commercial center, reducing the burden of cut-thru traffic experienced by the Burnt Store Isles residential neighborhood. Planning Estimates – Total $1,337,600 Engineering and Design Services - $419,520 Construction - $851,200 Contingency - $66,880 Funding: $345,000 - Sales Tax Tier II Unfunded $992,600 – Unfunded Note: Currently, this project does not include ROW or construction easement costs but may be funded from the contingency estimate. At the request of the City of Punta Gorda, Charlotte County conducted a signal warrant study at Burnt Store Rd at Home Depot. The study concluded that a signal met three of the warrant conditions. By the usual traffic engineering metric, this intersection warrants the placement of a traffic signal.
Priority:	Infrastructure Sustainability, ,
Goal:	Maintain and enhance the City's infrastructure to ensure efficient and effective service delivery,
Community Impact:	Increase safe and efficient access to the Burnt Store Isles area business node, relieving traffic demands on the Tamiami Trail [US 41] at Monaco Blvd intersection and traffic signal.

Project Title:	Trabue Park Improvements
Project Code:	TBD
Account #:	TBD
Description/ Justification:	This is a 2-year project. Development of conceptual design to best utilize the park property. Design Engineering & Permitting (includes design commission for public art or architectural gateway feature). Construct. Cost estimated only pending design and schedule of value. Total Anticipated Cost $1,641,700: Design & Permitting - $319,200 Construction - $ 1,150,000 Contingency - $172,500 Funding: $1,641,700 UNFUNDED Implementation of the City's Recreation & Open Space Element of the Comprehensive Plan to provide a recreational level of service for all users. Create a gateway feature at the eastern entry of the City, enhancing the appearance of the Medical District. Maintenance & Utilities $10,000 Annually
Priority:	Quality of Place, ,
Goal:	Coordinate with stakeholders in promoting Punta Gorda as a boating, fishing, and bicycle-friendly destination,
Community Impact:	Enhances the City residents' quality of life by providing an additional park thereby increasing and improving the level of service.

Project Title:	Historic District Interpretation Markers
Project Code:	TBD
Account #:	TBD
Description/ Justification:	A 2-year project will identify the historical point(s) of interest and historical significance throughout the City's Historic District. Design and develop a historic interpretative marker (signage/wayfinding) plan that identifies the historical point of interest to create a unified message for Historic Punta Gorda while recognizing the unique aspects of the historic areas. Manufacture and installation of markers. Construction cost estimated only pending design and schedule of value. Total Anticipated Cost $620,000: Design & Permitting - $160,000 Construction - $400,000 Contingency - $60,000 Funding: $620,000 UNFUNDED To preserve and enhance the City's small town charm by celebrating the unique history of our community in alignment with the City's Harborside Hometown brand. Maintenance $1,500 annually
Priority:	Quality of Place, ,
Goal:	Support, promote, and maintain the City's historic character,
Community Impact:	Preserve an important asset that celebrates part of Punta Gorda's unique history, providing educational features throughout downtown Historic Punta Gorda.

UNFUNDED PROJECT

Dept/Div:	Public Works
Contact:	Ron Everts
Project Title:	City-wide Stormwater Infrastructure
Project Code:	TBD
Account #:	TBD
Description/ Justification:	Many of the city's storwater pipes and inlets are nearing their end of life. The replacment or lining of these pipes are going to come with considerable cost. A great example is the 43"x68" elliptical reinforced concrete pipe that runs down to Taylor Street to the Harbor. This pipe would likely be most cost effective to lining of the pipe due to it's depth and proximity to the Harbor. Also included in this would be improvments to unimproved alleys ($750,000). Total Project recommeded to council is $6 million
Priority:	Infrastructure Sustainability, Infrastructure Sustainability,
Goal:	Apply best management practices and systems in infrastructure maintenance , Establish a five-year capital improvements program that ensures infrastructure is in place to meet projected growth and updates the plan on an annual basis,
Community Impact:	Infrastructure Sustainability

UNFUNDED PROJECT

Dept/Div:	Public Works
Contact:	Ron Everts
Project Title:	Laishley Marina Infrastructure Repairs
Project Code:	TBD
Account #:	TBD
Description/ Justification:	This project will involve repairs to the floating and fixed concrete docks at Laishley Marina due to damages from Hurricanes Ian, Helene and Milton. At this point it is believed that the aluminum gangway, main docks and Tee-docks associated with the floating dock system can still be utilized for a period of time. It is anticipated at this time that all finger docks will need to be replaced. In addition to replacement of the finger docks end poles will be added to improve resiliency for future storms. Additionally, the piles for the main and tee-docks may need to be replaced due to corrosion. There is a concrete finger dock including all pilings that needs to be replaced as well as a section of the concrete main dock. There are several wooden mooring piles that needed to be replaced. Smaller floating docks and aluminum gangway also need replacement. Not sure if pump out building reapirs are to be part of this. Total Project recommended to Council was $3,500,000
Priority:	Infrastructure Sustainability, Infrastructure Sustainability,
Goal:	Maintain and enhance the City's infrastructure to ensure efficient and effective service delivery, Establish a five-year capital improvements program that ensures infrastructure is in place to meet projected growth and updates the plan on an annual basis,

Project Title:	Laishley Marina Dredging
Project Code:	TBD
Account #:	TBD
Description/ Justification:	The marina basin is in need of dredging. Permitting is in progress. Total Estimate for permitting, mobilization and dredging $715,000 At this point the dredge limits and depth have not been determined. The below information is being utilized for estimating purposes. It is suggested that money be set aside in future years for maintenance dredges.

Laishley Marina Dredge Estimate		
Area	211348.00	sq. ft.
Dredge Depth	1.50	ft
Dredge Volume	317022.00	cu. ft.
Dredge Volume	11741.56	cu. yds.
Dredge Unit Cost	$55.00	$/cu. yd.
Dredge Total Cost	**$645,785.56**	

The above volumes are for budgeting purposes. Limits of dredge and dredge depth have not been determined at this point in time.

Priority:	Infrastructure Sustainability, ,
Goal:	Maintain and enhance the City's infrastructure to ensure efficient and effective service delivery,
Community Impact:	Quality of life and safety

Project Code:	TBD
Account #:	TBD
Description/ Justification:	Due to constant maintnence issues eth elevator at Herald Court is in need of repairs and upgrades. The multi-stage hydraulic ram would be replaced by a single stage ram, along with upgraded electronics a new forth floor door and upgrades to the car. By resusing the car considerable expense avoided.
Priority:	Infrastructure Sustainability, ,
Goal:	Maintain and enhance the City's infrastructure to ensure efficient and effective service delivery,
Community Impact:	Infrastructure Sustainability

Project Title:	Herald Court pump/generator
Project Code:	TBD
Account #:	TBD
Description/ Justification:	Encircling the Artisian Atelier and stormwater pond for the parking garage with Tiger Dams has created the need to pump the stormwater from the storm pond over the Tiger Dam. The most practical approach would be an electric pump with float switches, to turn the pump on and off. The pump would be powered by a portable diesel generator.
Priority:	Infrastructure Sustainability, ,
Goal:	Maintain and enhance the City's infrastructure to ensure efficient and effective service delivery,
Community Impact:	Infrastructure Sustainability

UNFUNDED PROJECT

Dept/Div:	Public Works
Contact:	Ron Everts
Project Title:	Sports Courts Repaving
Project Code:	TBD
Account #:	TBD
Description/ Justification:	The City's sports courts are far beyond the 20-30 year life expectancy. The intent of this project is to mill and reapve the asphalt surfaces including any base improvments necessary. Also included will be painting and striping of the courts. It is expected that the tennis and pickleball courts in Gilchrist will need to be done in 5 years. This also includes the courts at Cooper Street Rec. Various courts will be completed each year.
Priority:	Infrastructure Sustainability, ,
Goal:	Establish a five-year capital improvements program that ensures infrastructure is in place to meet projected growth and updates the plan on an annual basis,
Community Impact:	Quality of life and safety

Project Title:	Harborwalk - US 41 NB Bridge Underpass Improvements
Project Code:	TBD
Account #:	TBD
Description/ Justification:	This is a two year project. Design and construction of improvements to Harborwalk underpass at US 41NB (Tamiami Trail) bridge, including lighting. Planning Estimates – Total $255,355: Design - $38,300, Construction - $191,520 Permit - $6,385, Engineering $6,385 Contingency - $12,765 Funding: $255,355 UNFUNDED This path widening project will increase the level of service at this existing pinch point in the Harborwalk portion of the Punta Gorda Pathways. In addition, this project will improve site lighting to enhance security and safety of the path. Mowing, Maintenance, & Electric $1,000 Annual after completion
Priority:	Infrastructure Sustainability, ,
Goal:	Maintain and enhance the City's infrastructure to ensure efficient and effective service delivery,
Community Impact:	Improve safety for residents and tourists using the path. Add lighting for security purposes enhancing safety for all users.

Project Title:	Gilchrist Park - Harborwalk Improvements (Seating and Shade)
Project Code:	TBD
Account #:	TBD
Description/ Justification:	The project consists of conceptual design and engineering plans – available options may include but are not limited to a pergola, shelter, shade structure, benches, seating wall, covered swing/bench, and landscaping/shade trees. Manufacturing and installation costs are estimated only pending design and schedule of value. Total Anticipated Cost $444,600: Design & Permitting - $76,600 Construction - $320,000 Contingency - $48,000 Funding: $444,600 UNFUNDED To enhance the usability and aesthetic appeal of Gilchrist Park and Harborwalk by providing additional comfort via additional seating and shade options. Maintenance $1,000 annually
Priority:	Infrastructure Sustainability, Quality of Place,
Goal:	Maintain and enhance the City's infrastructure to ensure efficient and effective service delivery, Continue Universal Accessibility transition plan efforts within the City,
Community Impact:	Enhance the usability of Harborwalk for key events and pedestrians by providing additional comfort to all participants via shade and seating.

UNFUNDED PROJECT

Dept/Div:	Planning
Contact:	Boyd Lawrence
Project Title:	Harborwalk West - Area 3
Project Code:	HWALK3
Account #:	TBD
Description/ Justification:	Design Harborwalk West along Retta Esplanade to Linear Park to include 2-foot bridges, decorative lighting, landscaping, and on-street parking. Public Works completed a small portion of the lighting in FY 2021. Planning Estimates Only Total Anticipated Cost $2,298,800: Design & Permitting - $383,000 Contingency - $319,000 Construction - $1,596,000 Funding: $2,298,800 UNFUNDED A critical link in Punta Gorda Pathways, Harborwalk runs along the waterfront and extends from Cooper Street to Fisherman's Village. A necessary project to provide access to various destination points and a safe route to commercial, retail, historical, and downtown areas. Electric, Irrigation & Mowing $11,000 Annually
Priority:	Infrastructure Sustainability, ,
Goal:	Maintain and enhance the City's infrastructure to ensure efficient and effective service delivery,
Community Impact:	Completing the Pathways will contribute to the City's urban mobility and help create a strong, viable community.

UNFUNDED PROJECT

Dept/Div:	City Manager/ Planning
Contact:	CMO/ Boyd Lawrence
Project Title:	Gateway Alley 100 Block W Marion Ave at Herald Court
Project Code:	TBD
Account #:	TBD
Description/ Justification:	Reconstruct the pedestrian alley on the 100 Block of W Marion Ave. This alley provides a pedestrian gateway from the Herald Court Center Parking Garage to the businesses and properties along W Marion Ave. Walkway surface, landscaping, lighting, seating, and other aesthetic amenities require updating and replacement to meet current City standards and best practices for ADA accessibility, lighting (safety and aesthetics), and stormwater management. Project will include extensive excavation by the Utilities Department to replace the sewer connections coming from the buildings to the main, directly underneath this brick walkway. Utilities (FY TBD) Planning (FY TBD): $10,500 Engineering (FY TBD): $47,250 Construction (FY TBD): $315,000
Priority:	Infrastructure Sustainability, ,
Goal:	Maintain and enhance the City's infrastructure to ensure efficient and effective service delivery,
Community Impact:	Quality of life and Safety – Provide safe access for pedestrians and school children along heavily used routes, in conjunction with state policies and the City's Comprehensive Plan.

Project Title:	Sidewalk Connections W Marion - Bal Harbor to Shreve
Project Code:	TBD
Account #:	TBD
Description/ Justification:	Design preliminary concept plan for sidewalk replacements and intersection treatments along the south side of W Marion Ave, from Bal Harbor to W Henry St, and W Henry to Shreve St, followed by design engineering, permitting, and land/easement acquisition(s) and construction. Planning Estimates – Total $1,918,375: Design & Permitting - $450,000 Land/Easements- $191,500 Construction - $1,021,500 Contingency - $255,375 Funding: $1,918,375 UNFUNDED This implements the City's Transportation Element of the 2045 Comprehensive Plan providing a level of service for all users by enhancing pedestrian safety and connectivity. Once completed will have $1,500 Annual Maintenance
Priority:	Quality of Place, ,
Goal:	Coordinate with stakeholders in promoting Punta Gorda as a boating, fishing, and bicycle-friendly destination,
Community Impact:	This project will create better and safer connections for residents between the Punta Gorda Isles neighborhood and the Historic District within Fishermen's Village area while Achieving City's status as a waterfront destination for land and water visitors through implementing selected recommendations in the 2019 PLAN Punta Gorda Citywide Master Plan over the next five years.

Project Title:	Harborwalk East - Phase II
Project Code:	TBD
Account #:	TBD
Description/ Justification:	Design and Engineering: includes environmental permitting along the Harborwalk gap from Adrienne Avenue to Cooper Street to include landscape, decorative lighting, and wayfinding signage; approximately 700 feet. Then construct. Cost estimated pending design and schedule of values – Total $1,915,200: Design & Permitting - $510,720 Construction - $1,276,800 Permit/Contingency - $127,680 Note: City is looking for environmental grants to supplement funding. Completing a critical link between the existing Harborwalk and the proposed Cooper Street pathway will provide access to various destination points and a safe route to commercial, medical, retail, historical, and downtown areas of Punta Gorda. Completion will contribute to the City's urban mobility, creating a strong, viable community.
Priority:	Quality of Place, ,
Goal:	Coordinate with stakeholders in promoting Punta Gorda as a boating, fishing, and bicycle-friendly destination,
Community Impact:	Expands existing park features and provides a safe route to areas of Punta Gorda for residents and tourists.

Project Title:	Bicycle Capital Improvement Program
Project Code:	TBD
Account #:	TBD
Description/ Justification:	The proposed program is a two-year project that is broken into segments. Project study to review the 2019 Transportation Study, 2019 Plan Punta Gorda - Citywide Master Plan, and 2023 Park and Recreation Master Plan to prepare an implementation plan for the City's Vision of creating a well-connected network of bicycle infrastructure. Improvements may include, but not be limited to, signage, sharrows, pavement markings, and bicycle facilities. The project implements the City of Punta Gorda and the Florida Department of Transportation Complete Streets policies. It also details items identified in the Transportation Element of the City's 2045 Comprehensive Plan and Plan Punta Gorda 2019 Citywide Master Plan. It creates a primary bicycle network that links larger City neighborhoods and commercial nodes together to spur private in key growth areas.
Priority:	Quality of Place, ,
Goal:	Coordinate with stakeholders in promoting Punta Gorda as a boating, fishing, and bicycle-friendly destination,
Community Impact:	Supports and promotes a pedestrian and bicycle-friendly community by implementing selected recommendations in the 2019 PLAN Punta Gorda Citywide Master Plan.

UNFUNDED PROJECT

Dept/Div:	City Manager/ Planning/ Public Works
Contact:	CMO/ Ron Everts/ Boyd Lawrence
Project Title:	Maud Street Angled Parking
Project Code:	TBD
Account #:	TBD
Description/ Justification:	Maud Street, adjacent to the Visual Arts Center (VAC) and across from Fishermen's Village, offers an opportunity to provide additional parking in a concentrated business area. The project requires engineering and planning for final numbers; however, preliminary conservative observations indicate the potential for 35 or more angled brick paver parking spaces along Maud Street. This will alleviate parking congestion and promote parking safety. Continuing the City's theme of paved parking spaces is suggested. Engineered drawings and detailed cost estimates are needed; however, after a brief consultation with Urban Design, a preliminary cost estimate of $334,400 is provided for 35 angled spaces. The VAC sits on City of Punta Gorda public land, is landlocked, and needs additional parking for customer safety and convenience. In addition to the current need for additional parking, anticipated VAC expansion to accommodate citizen and visitor demand for classes and free and open to the public exhibits will create the need for additional parking. The parking spaces are in a concentrated business and retail area in need of more parking and will relieve congestion and accommodate multiple businesses within the area, promoting economic development. Annual Maintenance & Irrigation Estimated $1,500
Priority:	Infrastructure Sustainability, Infrastructure Sustainability,
Goal:	Maintain and enhance the City's infrastructure to ensure efficient and effective service delivery, Apply best management practices and systems in infrastructure maintenance ,
Community Impact:	Increase the level of service and promote economic development within the Visual Arts Center / Fishermen's Village market area along Maud St to provide additional and safe vehicular parking for all residents and businesses.

FY 2027 Budget Update General Fund and Information Technology Fund

City Council Meeting

June 3, 2026

Punta Gorda

General Fund Population and F.T.E. Count History from FY 2007 to FY 2026

Category	FY 2007	FY 2026	% +/-
Population	17,302	20,929	21.0%
F.T.E. Count	313	365	16.4%

F.T.E Full-time equivalent

FY 2007 was previous highest employee count prior to economic downturn

Punta Gorda

General Fund
History from FY 2008 to FY 2026

Category	FY 2008	FY 2026	% +/-	Average per year % +/-
Personnel	$12,294,998	$25,947,520	111.0%	6.2%
Operating	$ 4,799,854	$ 8,172,980	70.3%	3.9%
Total Operations	$17,094,852	$34,120,500	99.6%	5.5%

Punta Gorda

General Fund History Trend

Personnel costs increased 111.0% from FY 2008 to FY 2026

- The City mitigated overall increases through position eliminations, limited or no pay increases for a period of time, shift of increased benefit expense from City to employees, and changes to pension plans.
- As growth has occurred positions have been added, benefits have held steady or increased, and updates to pay and pension plans have been implemented to remain competitive.

Operating costs increased 70.3% in same time period

- The City has significantly reduced costs through operational efficiencies, contract changes and negotiations. Some contracts have been taken in-house to reduce costs.
- Increases in commodities, contracts and insurance continue to see significant overall increases. Personnel costs and scarcity of resources have contributed to larger than normal increases over the last several years. Most recently increased gas prices are a contributing factor.

General Fund
Assumptions - Revenue

- Ad Valorem estimated flat – roll back rate
- Estimated millage rate roll back rate including drainage program (in-house beginning FY 2026) and transfer of $459,000 for road resurfacing and bricking program
- Revenue estimates in utility taxes, state revenue sharing, and half cent sales tax approximately 0-10% over FY 2026 projections. State projections have not been provided yet
- Franchise Fee estimated increase of 1-2% due to increase in rates of 5% but contraction of usage
- New revenue estimate of $400,000 annually for school speed zones recently approved by Council

General Fund
Assumptions - Revenue

- Updated School Resource Officer revenue for increase in officer pay plan and operating costs
- 1% increase in Administration charges to other Funds (will be adjusted based on all funds final budgets)
- Awarded COPS Grant for Police Department $500,000 for four officers over three-year period – FY 2027 final year
- All other revenues - various small adjustments
- Transfers from impact fees for fire emergency response vehicle, reimburse for police new position vehicles from 2025 and facilities new position vehicle

General Fund
Assumptions - Personnel

- General employees 4% salary (merit) increase; Fire and police per current bargaining contracts; police bargaining of new contract not complete and not included in proforma
- 8.5% estimated increase in health insurance at this time and current election of coverages; then 6% per year
- 10% estimated increase in workers comp spread by workers comp code and estimated wages
- Fire and Police pension per actuary report
- General pension per actuary report spread over all funds on active positions estimated wages
- Defined contribution per employee elections

General Fund
Assumptions - Transfers

- Transfers for pavement management program $459,000 per year (reduction of $250,000 per year)
  - Road condition study reduces need over the next five years
  - $350,000 for annual program brick streets
  - $350,000 per year for rejuvenation and accumulation for paving needs beyond the five-year outlook
- General Construction projects transfer $735,000-$1,417,000
  - Significant increases for railroad crossing rehabilitation
  - FY 2031 includes transfer for Fire apparatus needed for FY 2033; if 1% sales tax extension is approved, this would be reduced

Punta Gorda

Department Reviews

- Personnel requests
- Non-personnel operating percentages are calculated on items within department control and therefore exclude general liability insurance estimated at 5% increase and computer overhead flat
- Capital Outlay requests
- Future year discussions

Punta Gorda

General Fund
Non-departmental

- Professional services for lobbyist flat
- Promotional activities for fall fest and other events reduced 10%
- Personnel flat – for changes to employee health elections or promotions that occur during fiscal year
- Lot Mowing decreased to $185,000, to re-appropriate funds from FY 2026 due to drier months not using all funding and need for use of lot mowing reserves
- Council Contingency flat
- Charlotte Harbor National Estuary Partnership flat

- United Way, $27,500 and CHEC, $20,000 flat
  - Awaiting direction from Council

General Fund
City Council

- Estimated increase in wages 10%; based on percentage of State determined Charlotte County Commissioner rates

- Decrease in operating 10% achieved
  - Increase in travel of $3,000 for possible additional requests
  - Decreases in promotional activities and memberships and training registrations

General Fund
City Clerk

- Decrease in operating 10% achieved
  - No major program changes

General Fund
City Manager

- Decrease in operating 10% achieved
  - No major program changes

General Fund
Legal

- Decrease in operating 10% achieved
  - No major program changes
  - Amount of legal services can fluctuate year to year based on litigation, new or changed ordinances, requests from staff and Council

General Fund
Human Resources

- Decrease in operating 10% achieved
  - No major program changes, except for additional cell phones to facilitate timely communication, prompt response, and effective coordination in risk management and workplace safety efforts
  - This is prior to new request below

- New request for recruitment services for hard to fill positions
  - $32,000
  - Recommended by City Manager for inclusion

General Fund
Finance

- Decrease in operating 5.2% achieved
  - No major program changes
  - Professional services includes OPEB and arbitrage services
  - Audit services will go out to bid summer of 2026; estimated 3% increase less CRA which is no longer needed
  - Cell phone for finance director is item that resulted in an increase in communication costs
  - Equipment leases increase for copier that is split with City Clerk

General Fund
Procurement

- Decrease in operating 8.7%
  - No major program changes
  - Cell phone for procurement manager is item that resulted in an increase in communication costs not resulting in 10% reduction

General Fund
Public Works Administration

- Decrease in operating 10% achieved
  - No major program changes

General Fund
Public Works Engineering

- Continue Part-time Map, Permit, Compliance Tech employee
  - Long-term employee with extensive knowledge of FEMA projects, technical canal and seawall expertise, and permitting assistance
  - Funding reimbursements expected from FEMA projects; construction projects; canal maintenance; and/or engineering

- Decrease in operating 10% achieved
  - No major program changes

General Fund
Public Works Right of Way

- Decrease in operating 10% achieved
  - No major program changes, except pavement management program
  - See pavement management program transfer on earlier slide

- Capital Outlay
  - Requested replacement of 2002 grader with a skidsteer with grader attachments, replacement of 1989 trailer
  - Requested replacement of old mini excavator that was transferred from WTP two years ago. It is no longer reliable.
  - Various equipment in each fiscal year, but 2002 loader replacement estimated in 2030

General Fund
Public Works Parks and Grounds

- Transfer one authorized position from parks and grounds to facilities to add a second electrician to authorized positions
- Decrease in operating 0.5%
  - Although some operating lines were reduced, others were held flat or increased based on contract pricing and/or usage
  - Some of the items include contractual services, mangrove trimming, communication services, utilities (water 12%, electric 5%), fuel, safety supplies, and holiday decorations
  - Laishley Park maintenance at $72,000/year and carryover unused funds per policy for larger projects
  - Holiday decorations – Council review and direction of level of service
- Capital Outlay
  - Requested replacement of 2014 ½ ton pickup and 2006 mini excavator trackhoe in FY 2027
  - (2) additional vehicle replacements estimated in FY 2028 and one in FY 2029

General Fund
Public Works Facilities

- Transfer one authorized position from parks and grounds to facilities to add a second electrician to authorized positions

- Decrease (2) janitorial workers and change (1) janitorial worker back to a facilities maintenance worker
  - Bringing janitorial in-house has been placed on hold due to other priorities
  - Janitorial as a contract will allow for flexibility in the future if service levels need to be reviewed and altered (i.e. reduce the number of trash pick ups in the parks or service of the bathrooms at Herald Court Centre)
  - Allows the facilities maintenance worker to help with backlog of facilities maintenance projects and move to more proactive servicing

General Fund
Public Works Facilities

- Decrease in operating 5.1% (excluding janitorial) mentioned above
  - Items with increases or remaining flat are CAM for City Clerk/Finance, repair and maintenance for buildings, utilities (water 12%, electric 5%) and department materials and supplies
  - Herald Court Centre $42,000 per year; any funds unspent carryover per policy for larger projects.

- Capital Outlay
  - Replacement of 2007 ½ ton pickup (6810); Request that this be moved to FY 2026 so that repairs will not be done on vehicle in need of replacement (missed re-appropriation request)
  - New vehicle for a prior year added position would also like to request purchase in FY 2026 (missed re-appropriation request)
  - FY 2028 replacement of a 2015 ½ ton pickup (6960)

General Fund
Police

- Planned personnel in five year plan was reduced in FY 2027 and FY 2029, leaving only one civilian position request in FY 2028 for an employee development coordinator

- Decrease in operating 3.2%
  - Professional services for accreditation process and dues, and software
  - Employee testing costs for increase in pricing
  - Veterinary services for adding a third canine to the program
  - Travel and training for addition of two advanced trainings
  - communications from adding personnel
  - Equipment leases for adding printer/copier for special operation section office; vehicle rentals for undercover operations
  - Repair and maintenance for vehicles for contract price increases and additional vehicles
  - Volunteers for notary certification increase
  - Pre-employment services cost increase

General Fund
Police

- Capital Outlay
  - Vehicle Replacements (6 per year 2027 and 2028; 7 per year 2029-2031)
    - Type of vehicle changed to larger size increasing costs
    - Department requested a five-year replacement schedule; continued with seven-year replacement schedule
    - Council direction to keep larger size vehicles or current size; City Manager recommends larger size
    - Use extra funding from new speed cameras in school zones to help fund additional vehicles in future
    - Requested funding from 1% sales tax could also help fund and reduce the capital outlay in the General Fund
  - Body and In-Car camera replacement program; $188,000 per year
  - Taser replacement program; $45,000 per year
  - Last two years for interview room and drone equipment; $9,000 FY 27 & 28

General Fund
Fire

- Personnel increases based on 3rd year of bargaining contract
  - Increase in unscheduled overtime due to coverage for Fire battalion chiefs and lieutenants. Department will work to decrease these costs by training additional personnel for ride up program.
- Decrease in operating 5.3%
  - Increases in employee testing for adding required mask leak testing; communications for expected increases from providers; repair and maintenance of high water trucks and apparatus; fuel increase based on current pricing; maintain emergency operations funding at current level
- Capital Outlay
  - Replace 2016 all wheel drive SUV (6983)
  - Annual program amounts for medical equipment and suppression equipment
  - PPE increase to $230,000 in FY 2027 and $46,000 per year thereafter due to new requirements

General Fund
Fire

- Apparatus scheduled for replacement in 2033 but budgeted in 2031 transfers to allow placement of order because of estimated length of time for build by vendors
  - If sales tax extension is approved by voters this would be moved to 1% Sales Tax Fund
  - FY 2026 replacement funding would also be returned to general fund
- Add (2) Firefighter/EMTs in FY 2027 and FY 2028 to allow for a new ALS Emergency Response Vehicle program. Requires a total of (6) personnel to allow staffing 24 hours, 7 days a week which began with with (2) employees added in FY 2026
  - Annual costs of personnel is $293,200 ($146,600 each)
  - Annual costs for uniforms, testing, and misc supplies is $2,500 ($1,250 each)
  - One-time costs for pre-employment and bunker gear to get started is $12,280 ($6,140 each)
- Capital Outlay – new emergency response vehicle $178,000
  - FY 2027 so would be available for program to start beginning of FY 2028

General Fund Planning

- Decrease in operating 10% achieved
  - No major program changes

General Fund
Zoning and Code Compliance

- Decrease in operating 10% achieved
  - No major program changes

General Fund Comparison
FY 2026 to FY 2027

Category	FY 2026	FY 2027	% +/-
Personnel	$25,947,520	$28,328,435	9.2%
Operating	$ 8,172,980	$ 8,080,240	-1.1%
Total Operations	$34,120,500	$36,408,675	6.7%

Punta Gorda

FY 2027 Considerations

- Police bargaining unit negotiations on-going
- Compensation and benefit study under way
- Preliminary valuation June 1; Final Valuation July 1
- State estimates are not provided until July/Aug and required to budget 95%-100%
- If MAC grant approved, revenue and expenditure will be added to General Fund budget
- Legislative proposals/mandates including possible property tax reform
- Hurricane Recovery efforts and future storms

FY 2027 Considerations

- Uncertainty of economic forecasts and inflation
- Continue to review for funding of priority CIP projects
- Information Technology needs and changes
- Infrastructure repair and maintenance
- Uncertainty of Federal funding programs and directives
- Police department vehicle replacement program; use additional revenue from school speed zones or 1% sales tax if approved to help fund additional replacements
- Storm pipe replacement 26 pipes

Punta Gorda

FY 2027 Considerations

- Liability insurance increase cap from $2 million to $3 million; estimated increase in cost approximately $80,000-$100,000
- Marina subsidy until fully repaired
- Herald Court Centre subsidy until units used by city departments move to other facilities and units can be leased
- Non-Ad Valorem Assessments as allowed by law (Fire service, roads, drainage, stormwater); requires legal and consultants
- Review and adjust rates and fees as needed
  - Park rentals, events, engineering
- Working on developing boat parking and/or boat ramp usage fees

Punta Gorda

Lot Mowing

Lot Mowing Assessment

- Proposed assessment of $285 (no increase)
  - Number of lots in program decreasing as building continues (est 1,045 lots)
  - Certain costs of program remain fixed despite number of lots decreasing
  - Reduced number of mows in FY 2026 due to extended drier months, providing additional beginning balance
  - Personnel salaries budgeted to increase 4%; pay plan changes not yet determined from pay and classification study
  - Program projects 16 mows per year with up to additional 2 mows during summer months; 4 edges and 3 trims

Punta Gorda

Information Technology Fund

Information Technology Fund
FY 2026 Switch Replacements

- Estimated cost for staggered used switches with active hardware/software/security support of 1-4 years $500,000.
- Previous re-appropriation of $123,000 for this need was completed earlier in fiscal year
- Remaining need of $377,000
- $100,000 of savings in FY 2026 due to personnel vacancies
- $277,000 requested from prior year unspent funds that were turned back as an additional appropriation
- Beginning in FY 2027, will replace one network device per year

Punta Gorda

Information Technology Fund Personnel and Operating

- Planned personnel request for FY 2027 was delayed at this time to FY 2028
- Additional overtime to help complete projects that have been stalled
- Operating cost increase 4.4% mainly due to increase in subscriptions costs for projects started under capital that move to maintenance. This has been discussed in prior years

Punta Gorda

Information Technology Fund

- Project requests were prioritized:

Computer/Laptop/Tablet Replacements	$138,050 – Annually
Monitor Replacements (last year)	$ 5,350 – As Needed
GIS Tools and Equipment	$ 21,400 – Annually
Enterprise Security Camera Network	$ 32,100 – Annually
Automated Vehicle Locator for City vehicles	$ 16,000 – Annual Subscr.
OSSI Ordinance Module	$ 3,130 – Annual Subscr.
Municode	$ 16,000 – Annual Subscr.
MS Server Licenses	$ 15,520 – Annual Subscr.
Build Customer APIs for GIS to ERP	$ 21,400 – Onetime
Network monitoring software and services	$ 28,500 – Annual Subscr.
E-Procurement Software	$ 70,000 – Annual Subscr.
Fiber Connectivity for Fire Stations 2 and 3 (may reduce)	$ 48,000 - Annually
Network Devices (one per year)	$100,000 - Annually

Information Technology Fund

- Revenues remain flat for FY 2027; estimated 3% increases FY 2028-FY 2031

- Proforma would require larger than 3% increases beginning in FY 2029 or reduction in expenses

	THE DEPARMENT HAS ADDED SEVERAL VEHICLE TO ASSIST WITH HURRICANE RESPONSE WITHOUT AN INCREASE TO THIS ACCOUNT FOR REPAIRS, WE ADDED TWO HIGH WATER VEHICLE, ONE FAT TRUCK, AND TOOK OVER RESPONSIBILI OF MAINTENANCE OF THE FIRE BOAT. THIS ALONG WITH AN AGING FLEET WILL LEAD TO INSUFFICIENT FUNDS FOR REPAIRS. WHILE THE TRUCKS FROM FORESTRY WERE FREE THE COST TO MAINTAIN THEM IS NOT AND DUE TO THE INCREASED COST FOR REPAIRS. WE WOULD REQUEST AN INCREASE OF $10,000 IN THIS ACCOUNT TO PROPERLY MAINTAIN THIS EQUIPMENT			78,405

INTEROFFICE MEMORANDUM

To: Kristin Simeone, Finance Director

From: Jeff Payne

Date: 3/24/2026

Subject: Increase in Communication Services (Acct 41-00)

This memo outlines the reason for the requested increased fund allocation under Human Resources Communication Services expenses. The adjustment accounts for the costs associated with three cell phones: Risk Coordinator, Safety Coordinator, and HR Manager.

Each device carries a monthly service charge of $37.42, amounting to a combined cost of $112.26 per month, or $1347.12 annually. These phones are critical tools for facilitating timely communication, prompt response, and effective coordination in risk management and workplace safety efforts.

Punta Gorda
FLORIDA

INTEROFFICE MEMORANDUM

To: Kristin Simeone, Finance Director

From: Jeff Payne

Date: 3/31/2026

Subject: Increase in Contractual Services (Acct 34-00)

Funds in this account will be used to cover a range of services the HR department provides to the City. The increase in funds this year is to acquire recruiting services to help with filling certain high-level technical positions that have been very difficult to fill. These include finance positions and engineering positions.

INTEROFFICE MEMORANDUM

To: **Dr. Melissa Riechert, City Manager**

From: **Kristin Simeone, Finance Director**

Date: **4/3/2026**

Subject: **Net Increase in FY 2027**

This memo outlines the multiple accounts that contribute to the Finance department not reaching the target 10% reduction in operating accounts.

001-0400-513-31-00 (Professional Services)

The inability to reduce our professional services account any further than we did, is due to our requirements for an OPEB Actuary and an Arbitrage accountant.

001-0400-513-32-00 (Accounting & Auditing)

Our Accounting & Auditing line was reduced due to no longer having the CRA and therefore no audit is required. However, our auditing services contract will go out to Bid in the summer of 2026, and we anticipate a 3% increase to the overall cost to the contract depending on the vendor selected.

001-0400-513-41-00 (Communication services)

Our Communications services account covers the whole of Century Link bill for service for the clerks & Finance's offices at Herald Court. Additionally, the Finance director has been required to have a cell phone to be able to be reached in times of need (Emergency contact for department). And finally, the payment of 3 Mifi's for 3 staff with laptops to be able to work remotely during storms or emergency.

001-0400-513-44-03 (Equipment Leases)

The Equipment leases account covers the rental charge for the Konica Minolta Printer located at Herald court. This printer is shared with the Clerk's office, and the bill is split 50/50. Due to the increase in the contract and the newer printer we have in service this has accounted for the increase in the bill.

INTEROFFICE MEMORANDUM

To: **Kristin Simeone, Finance Director**

From: **Anne Heinen, Procurement Manager**

Date: **4/3/2026**

Subject: **Net Increase in FY 2027 – Communication services**

001-0400-513-41-00 (Communication services)

Due to the requirement for the Warehouse Supervisor and the Procurement Manager to have City issued Cell phones, this account has increased above the 10% reduction.

RE: FY 2026 - 2027 Budget increase request and justifications

- Acct 001-0919-519-1400 Overtime Pay - An increase in the overtime budget is requested to support the implementation of an on-call rotation system and the addition of a new splash pad facility. The on-call program will ensure timely response to after-hours issues, while the splash pad may require maintenance or emergency attention outside of regular working hours. The requested increase of $3,060 brings the total overtime budget to $5,870 and is necessary to maintain responsiveness and operational reliability.

- Acct 001-0919-519-3400 Contractual Services- This account is largely committed to contractual obligations for mowing, fertilization, and maintenance of DOT and non-DOT areas. These services are essential for safety, regulatory compliance, and maintaining community standards. Reductions are not recommended, as they would negatively impact service delivery and could increase long-term costs.

- Acct 001-0919-519-3442 Mangrove Trimming - This account is dedicated to contractual mangrove trimming performed annually by a certified and licensed contractor. These activities are necessary to maintain compliance with environmental regulations and to preserve shoreline conditions. Reductions are not recommended, as they would risk non-compliance and potential penalties, and could lead to increased long-term maintenance costs.

- Acct 001-0919-519-4100 Communication Services - An increase to the communications services budget is requested to support the department-wide upgrade to smartphones. With the implementation of Survey123, this upgrade is necessary to fully utilize field data collection capabilities. It will also improve access to City email systems and allow staff to send and receive photos and other information directly from the field, improving response time and documentation accuracy. The requested increase of $4,770 will bring the total communications budget to $7,070 and is necessary to support efficient field operations, improve communication, and enhance service delivery.

- Acct 001-0919-519-4302 Water & Sewer - An increase of 12% is requested for the water and sewer account due to a rate increase from the utility provider. These costs are non-discretionary and essential to daily operations. The adjustment is necessary to align the budget with current rates and avoid shortfalls during the fiscal year.

CITY OF PUNTA GORDA

PUBLIC WORKS DEPARTMENT
3130 Cooper Street
PUNTA GORDA, FL 33950
TEL: (941) 575-5050
FAX: (941) 575-5044
mfisher@CityofPuntaGordaFL.gov

- Acct 001-0919-519-5219 Holiday Decorations - This account supports holiday decorations for light poles, downtown areas, and the City Christmas tree. Funding is required to replace aging décor and maintain established community standards for seasonal displays. Reductions are not recommended, as they would negatively impact the City's ability to support community events and downtown aesthetics.

- Acct 001-0919-519-5221 Dept Materials & Supplies - This account supports essential materials and supplies required for daily operations and routine maintenance activities. These items are necessary to sustain field operations and maintain established service levels. Reductions are not recommended, as they would limit the department's ability to respond efficiently to maintenance needs and could lead to increased long-term costs.

- Acct 001-0919-519-6401 Machine & Autos - The replacement of two work trucks is requested due to ongoing mechanical issues, deterioration from rust, and overall declining reliability of the current units. These vehicles are critical to daily operations, and continued use increases the risk of breakdowns, service delays, and rising maintenance costs. One of the existing vehicles is a dually truck that exceeds current operational needs and will be replaced with a more appropriate half-ton pickup, improving efficiency and reducing operating costs. This request supports maintaining a reliable fleet and ensuring consistent field operations.

- Acct 001-0919519-6403 - The replacement of the department's mini track hoe is requested due to its age and condition. At approximately 20 years old, the equipment has reached the end of its service life and is experiencing increased maintenance needs and reduced reliability. Continued use presents a higher risk of downtime and costly repairs. Replacement is necessary to maintain efficient operations, ensure job site safety, and avoid escalating maintenance expenses associated with aging equipment.

Subject: Proposed Budget Net Change

The police department has identified the following areas which have attributed to a net change in our budget in operating items.

001-1200-521-1400 – Overtime
The police department anticipates a $13,945 (10%) increase in the overtime account. This is calculated based on current fiscal year projections due primarily to personnel shortages in Communications.

001-1200-521-1402 – Overtime – Union
The police department anticipates a $9,580 (4%) increase in the overtime union account. This budget is expected to remain steady if staffing remains steady, and the increase is attributed to a 4% increase is salary.

001-1200-521-3100 – Professional Services
The police department anticipates a $350 (1%) increase in the professional services account. This is attributed to slight increases for related to the accreditation process including an increase in dues for the Florida Police Accreditation Coalition and increase for Power Standards software.

001-1200-521-3113 – Employee Testing
The police department anticipates a $2,060 (6%) increase in the employee testing account. This is attributed to increases in the cost for annual physicals.

001-1200-521-3116 – Veterinary Services
The police department anticipates a $1,075 (16%) increase in the veterinary services account. This is attributed to rising costs as well as in anticipation of adding the third canine to the program.

001-1200-521-4000 – Travel and Per Diem
The police department anticipates a $2,815 (9%) increase in the travel and per diem account. This is attributed increases in travel expenses and the addition of two advanced trainings including the NEOGOV PowerDMS Conference and Florida Narcotic Officer's Associate Conference.

001-1200-521-4100 – Communications
The police department anticipates a $3,460 (3%) increase in the communications account. This is attributed mainly to reflect costs related to additional personnel requiring additional electronic equipment.

001-1200-521-4402 – Copying Equipment
The police department anticipates a $465 (5%) increase in the copying equipment account. This is attributed to slight increases in equipment costs and the addition of a printer/copier for the Special Operations Section office.

001-1200-521-4403 – Equipment Leases
The police department anticipates a $3,155 (8%) increase in the equipment leases account. This is attributed to increases in software and technology costs.

001-1200-521-4404 – Vehicle Rentals and Leases
The police department anticipates a $500 (67%) increase in the vehicle rental and leases account. This is attributed to the anticipated need for additional vehicle rentals for undercover operations.

001-1200-521-4608 – Repair and Maintenance – Autos
The police department anticipates a $7,820 (6%) increase in the repair and maintenance – autos account. This is attributed to contract price increases as well as the noted trends of additionally needed fleet repairs based upon our fleet data and additional vehicles.

001-1200-521-4905 – Volunteers
The police department anticipates a $40 (1%) increase in the volunteers account. This is attributed to an increase in the cost of notary certification required for VIN verifications.

001-1200-521-4608 – Pre-Employment Costs
The police department anticipates a $540 (9%) increase in the pre-employment costs account. This is attributed to increased cost for pre-employment services.

001-1200-521-5400 – Books, Memberships, Training, and Education
The police department anticipates a $2,905 (5%) increase in the department books, memberships, training, and education account. This is attributed to increased costs of dues and training courses and the addition of the NEOGOV PowerDMS Conference and Florida Narcotic Officer's Associate Conference.

INTEROFFICE MEMORANDUM

TO: Finance
FROM: Holden Gibbs
DATE: 04/02/2026
RE: FY2027 Budget Increase Justification

522 31 13: We will have 39 employees receiving NFPA compliance annual required LifeScan testing at $540 each, Mask Fit testing $35 each, and Mask Leak testing at $35 each. HR required psychological test for new hire testing 3 at #360 each. Totaling $24,870. Increase of $2910 due to increase in staffing level and adding required mask leak testing.

522 41 00: Charlotte County Radio annual fee for Emergency Radios is $14,575. Verizon charges for cell phones and other mobile devices cost $666.36 per month ($7,997 annually). Xfinity internet for all Fire Stations cost $655.08 per month ($7,861 annually). Totaling $30,433.

522 46 01: This account is funded by Charlotte County Fire EMS for house two county ambulances and to cover repairs and improvements to fire stations. Used to replace appliances, furniture, equipment, and materials. Unused funds will be rolled forward to assist with larger repair projects. Total received $29,500.

522 46 08: This account covers small and large repairs to PGFD vehicles, engines and marine vessel. The department added several vehicles to assist with hurricane response over the past few years without any significant increase to this account. We added 2 high water trucks, one Fat Truck, and took over maintenance responsibility of the Fire Marine vessel. These additions along with the aging fleet will lead to insufficient funds for repairs. While the High-Water trucks from Forestry were free, the cost to maintain them is not. We are requesting an increase of $10,000 in this account to properly maintain this equipment. Totaling $88,405.

522 52 01: This account covers fuel cost the year. Station 1 used 6178 gallons of diesel last year. Station2 used 1999 gallons of fuel last year. The department used 3206 gallons of gasoline last year and used DEF fluid costing $1052 last year. Fuel prices have risen dramatically over past few months. We are estimating diesel prices could reach $5.50 per gallon and gas prices could reach $4.50 per gallon. Total fuel budget needed $60,453.

522 52 31: Emergency funds used for preparation, response and mitigation of storm and other natural disasters occurring in the city. It is essential to maintain a state of readiness for upcoming emergencies. Total to maintain funding is $20,000.

522 14 02: Unscheduled OT. Last year, Battalion Chiefs worked 1,353 hours of overtime with an average hourly rate of $51.13. Last year Lieutenants worked 1,832 hours of overtime with an average hourly rate of $43.22. Last year, Firefighters worked 897 hours of overtime with an average hourly rate of $27.93. Total expected unscheduled overtime for next year is $260,000.00. We will be working to reduce this cost by training employees to ride up as acting lieutenants and acting battalion chiefs. This will reduce the need for overtime when employees take vacation or sick time.

INTEROFFICE MEMORANDUM

TO: Finance
FROM: Holden Gibbs
DATE: 04/02/2026
RE: FY2027 Budget-Personnel

The purchase of an Emergency Response Vehicle (ERV) has been discussed and agreed upon by council. The ERV will offer necessary support to city residents in Zone 1 who require EMS assistance, thereby reducing the wear and tear on the ladder truck. The ERV operation requires a total of 6 personnel. We began planning for this by hiring 2 personnel in FY 26. We plan to hire an additional 2 personnel in FY 27 and 2 personnel in FY 28.

rbarry@puntagordafl.gov

INTEROFFICE MEMO

DATE: April 3, 2026

TO: Kristin Simeone, Finance Director
Teresa Carlaw, Finance Manager – Budget & Grants
Boyd Lawrence, Planning Director

FROM: Rachel Barry, Zoning Official

RE: FY 26-27 Budget, Account Increase Justification

Zoning and Code Compliance (ZCC) is requesting increased funds for accounts **001-1510-524-4608**, Repair & Maintenance – Auto/Fleet, and **001-1510-524-5201**, Gas/Oil/Lubricants, for FY 26-27.

The increased funds for both accounts are intended to serve the same purpose – to increase proactive enforcement of city codes. Since the hurricanes in 2024, structures throughout the city remain in a state of disrepair, causing blight and retracting from the beauty of the city; ZCC intends to request re-appropriation of existing unused funds in account 001-1510-524-3483, Distressed Properties Maintenance, to abate certain violations which pose a threat to public health, safety, and welfare. Any funds used to abate violations on private property shall be placed as a lien against the property for eventual repayment to the city. With the re-appropriation of unused funds to be utilized for abatement purposes, and having increased proactive community engagement, code compliance officers will utilize their vehicles more frequently, in turn using more fuel, and needing additional oil changes, tires, windshield wipers, etc.

The requested increase in the accounts noted above has been offset by reducing all other ZCC operating expenses, with the exception of one account which is proposed to remain the same as FY 25-26. Overall, the net reduction from the current year's operating expense accounts (FY 25-26) and the proposed for FY 26-27 is 18%.

CITY OF PUNTA GORDA

RE: FY 2026-2027 Budget increase justifications

3417- Bringing janitorial in-house was delayed due to other priorities and continuing to use contract will allow review of service for adjustments to service levels

---

4302- We cannot reduce this account by 10% because utility rates have increased. The City has raised water and sewer costs by 12%, which directly impacts this account. These are required expenses to keep our facilities operating and cannot be reduced. To keep up with these increased costs and maintain normal operations, this account needs to be increased by 12%, not reduced.

4407- This account will need to be increased due to Fire moving into the 2 units in the Parking Garage. This account is for CAM that covers the costs to run and maintain the garage. These are required expenses for the Common Area Maintenance which is paid by all tents at the Garage. This amount is our share of the total cost.
Finance & City Clerk – Suite 211 – 4,057 SqFt @ $4 per- $16,220
Fire – Suites 110, 117 & 118 - 1,591+ 1,456 = 3,047 SqFt @ $4 per = $12,180
Total Rental expense – Cam - $ 28,400

4601- We cannot reduce this account by 10% because this money is used to pay contractors for both preventative maintenance and repairs that keep our buildings safe and working properly. Most of these costs are set by contracts, so we cannot lower them. Cutting this budget would mean delaying maintenance and repairs, which could lead to bigger and more expensive problems later.

4632- This account is used for miscellaneous repairs for the parking garage and should carry over each year to help fund larger projects. Ongoing maintenance is needed to keep the structure safe and in good condition. At times, a higher level of funding may be required, especially when major work like sealing the parking deck is needed. Reducing this account would limit our ability to plan for and complete these larger repairs, which could lead to more costly issues in the future.

5221- We cannot reduce this account by 10% because it supports the work done by City facilities staff to maintain and repair our buildings. This includes both preventative maintenance and repairs that keep our buildings safe and operating properly. We are working to move toward a more proactive maintenance approach, which helps address issues early and avoid costly breakdowns. Reducing this budget would limit

City of Punta Gorda
Fleet/Equipment Replacement Review

Dept/Div	1515	Asset Tag	6810	Purchase Price (if known)			$14,388	
Make	Ford	Model	F-150	Year	2007	Age	19	
Current Mileage	70,492	Life to Date Maintenance Cost				$15,855.21		
Description	½ Ton, 4x2, Regular Cab							

Recent Major Repairs to Extend Life:
General Preventative Maintenance.

Known Problems: The body & bed has severe rust, including holes in truck bed raising concerns about the overall structural integrity of the vehicle. Has consistent starting issues, often requiring multiple attempts to start, creating reliability concerns for daily operations & increasing risk of unexpected breakdowns.

Description of Requested Replacement:
Similar to the current, equipped with four-wheel drive (4x4), light bar & winch for reliable/ safe access to all job sites and hurricane response.

Estimated Cost of Replacement: $55,000

If vehicle or equipment is replaced will it be auctioned? Yes
If no, requested use?

Scoring Criteria - Safety 1= highest concern, 5= lowest concern; Efficiency 1=most costly, 5 = least costly to operate

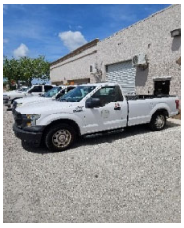

Safety	2	Efficiency	1	Estimated End of Life Fiscal Year	2026
				Requested Fiscal Year for Replacement	2027

Provide explanation for requested fiscal year of replacement: severe rust damage and ongoing starting problems that affect daily operations. Waiting longer will likely lead to breakdowns and higher repair costs.

If not replaced, what is alternative? We will continue to repair it as needed to keep it in service. However, due to severe rust and ongoing mechanical issues, repairs will be temporary and may become more frequent and costly. Also there is a higher risk of breakdowns, which could impact daily operations & staff productivity.

				Requested Fiscal Year for Replacement	2029

Provide explanation for requested fiscal year of replacement: End of service life	**If not replaced, what is alternative?** Increase repair budget for expected costly repairs.

Dept/Div:	Police Department
Contact:	Dylan Renz
Project Title:	Police Fleet Replacement Program
Project Code:	PDVEH/ PDCAR
Account #:	001-1200-521-6401
Description/ Justification:	Planned replacement of police fleet vehicles: 6 per year FY 2027-2028; 7 per year FY 2029-2031 The police department is seeking to move the fleet toward the Ford F-150 Responders in place of the Ford SUV Interceptors based on the need to respond to flood conditions in north Punta Gorda. This was part of the after-action analysis after Hurricane Milton and Hurricane Helene and the fact that officers are unable to respond to portions of the city even during normal heavy rain and high tide events. The cost of each vehicle based on current contracts and vendor quotes is $82,400. The police department has had a schedule of replacing six vehicles per year for several years. With the growth of the department and the fleet, the data shows that we should now be replacing a minimum of eight vehicles per year with a five-year life in order to maintain a working and efficient fleet. This budget currently maintains seven-year life and adding additional replacements in later years. Possible 1% Sales Tax if approved. FY 2027 Vehicles scheduled for replacement: Asset # Year Make Model 6977 2016 Ford Utility 6978 2016 Ford Utility 7005 2017 Ford Utility 7761 2018 Ford Utility 7763 2018 Ford Utility 7764 2018 Ford Utility The Police Department maintains extensive records on its fleet. Replacement recommendations are made based upon age, mileage, and maintenance costs. The majority of the fleet operates under patrol operations and vehicle safety is paramount to our employees and citizens.
Priority:	Quality of Place, ,
Goal:	Support and facilitate the marketing of Punta Gorda's assets as a core to a vibrant downtown,
Community Impact:	Ensure that our police department is providing the resources it needs to our employees so that we may effectively serve the community.

Project Title:	Drone Program
Project Code:	PDDRON
Account #:	001-1200-521-6403
Description/ Justification:	The use of Unmanned Aircraft Systems, more commonly called drones, by law enforcement and other public safety agencies has been increasing since 2010. Part of our considerations in such a program has been to ensure we employ a responsible, appropriate and effective way to protect the public while promoting national values and the rule of law. The benefit from the drone program includes ability to assist with crime scene photography, disaster response, ensuring safety at mass gatherings, fugitive apprehension, search and rescue, serious traffic collision reconstruction and training missions.
Priority:	Quality of Place, ,

Project Title:	Personal Protective Gear
Project Code:	PPGEAR
Account #:	001-1300-522-6403
Description/ Justification:	Requesting complete replacement of Bunker Gear upfront (36 sets) and then partial funding annually rolled over for 5 years with complete replacement once every 5 years to ensure we have two full sets for each. Bunker Gear Pants & coats would be replaced every 5 years. Bunker Gear with estimated 5 year life cycle - Pants & Coats (72 full sets) Bunker Gear with estimated 10 year life cycle - Helmets, Gloves, Hoods, Boots (72 full Sets) Extrication Gear replacement every 5 years to be able to have two full sets. (72 full sets) Extrication Gear with estimated 10 year life cycle: Coats, Pants and Gloves (72 full sets) Ballistic vest with estimated 5 year life cycle (one per seat in each vehicle) Dive Equipment: Boyance Control, Tanks, Regulators, Gloves, Fins, Mask, Lights, Alert System, Knives, Safety Line NFPA compliance requires us to remove gear from use after 5 or 10 years respecitvely depending on the gear. FD must keep additional sets of structure gear on hand to allow for gear cleaning after each fire and while gear is sent out for repairs. Dive Gear is replace as needed. Funds Unspent will Carryover
Priority:	Quality of Place, ,
Goal:	Maintain the City's high safety rating, emergency response, and storm preparedness,
Community Impact:	Ensure that our fire department is providing the resources it needs to our employees so that we may effectively serve the community.

City of Punta Gorda
Fleet/Equipment Replacement Review

Dept/Div	1300	Asset Tag	6983	Purchase Price (if known)			$31,506		
Make	FORD	Model	EXPLORER	YR	2016	Age	10		
Current Mileage		142,493	Life to Date Maintenance Cost			$4,420			
Description									

Recent Major Repairs to Extend Life: PM's, Batteries, and tires. Normal maintenance to date.	**Known Problems:** Dents & Scratches from Hurricanes; Torn Front Seat; Back Up Camera Inoperable; In need of brakes, rotors, calipers, pads and lines due to corrosion from hurricanes; Needs 4 new tires	
Description of Requested Replacement: V-6 Mid-size SUV w/ warning lights & sirens	Estimated Cost of Replacement	$80,000
	If vehicle or equipment is replaced will it be auctioned? **If no, requested use?** Auction	

Scoring Criteria - Safety 1= highest concern, 5= lowest concern; Efficiency 1=most costly, 5 = least costly to operate					
Safety	1	Efficiency	2	Estimated End of Life Fiscal Year	2026
				Requested Fiscal Year for Replacement	26/27

Provide explanation for requested fiscal year of replacement: Punta Gorda Fire Department is requesting the replacement of the Fire Chief's vehicle. Current vehicle is a 2016 Ford Explorer with 142,000 miles and shows signs of damage from past hurricanes. The replacement vehicle will be a full-size SUV or ¼ ton pickup truck with larger suspension and tire to allow better access to flood areas during storms. Diesel motor is necessary to refuel at Station when fuel supplies are limited during natural disasters. The cost is estimated to be ($80,000), which will include emergency lights, sirens, laptop holder and branding.	**If not replaced, what is alternative?** Fix all known problems realizing we eventually will have to replace this vehicle in the very near future.

Dept/Div:	Fire Department
Contact:	Holden Gibbs/ Tyler Canfield
Project Title:	Fire Apparatus
Project Code:	FIREAP
Account #:	301-3004-522.64-06
Description/ Justification:	As approved by Council on March 11, 2026 Item 6.d FY 2026: Purchase of a Class One Pumper, 1250 GPM, 780 gallon Tank Plan to Place order April/ May 2026 and delivery of Truck Expected November/December 2028 Council approved budget amount without prepayment option - $1,036,000 FY 2031: For delivery in FY 2033, but build takes approximately 2 years Repalce 2003 Fire Engine (FA 5432) - $1,172,000 Funding source: $1,036,000 - General Funds Reserves transfer to Capital Fund (Funds to be repaid from 1% Sales tax Fund if Referendum approved in November) $1,172,000 - 2027 1% Sales Tax If approved (General Fund Reserves if not approved)
Priority:	Quality of Place, ,
Goal:	Maintain the City's high safety rating, emergency response, and storm preparedness,
Community Impact:	This new fire engine will help to reduce down time of needed repairs for our ageing fleet. The current reserve apparatus utilized during down time will be 25 years old when the new apparatus is received. This new apparatus will increase reliability for emergency responses.

Dept/Div:	City Manager/ Information Technology
Contact:	CMO/ Bryon Maine
Project Title:	Computer/ Laptop Replacment Program
Project Code:	ITCOMP
Account #:	502-0251-590-6420
Description/ Justification:	Ongoing Project since FY 2016 Replace all desktops, laptops, or tablets that are over four years old. As computer equipment ages it becomes less reliable, more prone to catastrophic failure and less able to perform the level of work required of it. Due to this as computers age past 4 years they are scheduled for replacement.
Priority:	Financial Sustainability, ,
Goal:	Maximize use of technology in applicable areas through capital budgeting procedures and investment in learning
Community Impact:	Technology is available to support the community and customers of the City.

Project Title:	GIS Tools and Equipment
Project Code:	ITGIS
Account #:	502-0251-590-6420
Description/ Justification:	Purchase of equipment such as digital receivers, cameras, antennas, drones, etc. that will further our goals for use of GIS throughout the City. The expansion of the use of GIS throughout the City has led to the need for additional equipment to support multiple projects at one time. This is currently limited by existing tools (or lack thereof).
Priority:	Financial Sustainability, ,
Goal:	Maximize use of technology in applicable areas through capital budgeting procedures and investment in learning opportunities for staff,
Community Impact:	Technology is available to support the community and customers of the City.

Project Title:	Complete Replacement of Remaining Monitors Older than 6 years old
Project Code:	ITMONI
Account #:	502-0251-590-6420
Description/ Justification:	Replace City monitors that were purchased prior to 2016. Replacing remainder of the monitors in use in the city that are over 6 years old in FY2022 and were not replaced in 2026. Their connections are obsolete, and they are starting to fail at increasing rates. Being proactive and replacing a portion of them each year will help replace them as they can fail and leave City workstations unusable.
Priority:	Financial Sustainability, ,
Goal:	Maximize use of technology in applicable areas through capital budgeting procedures and investment in learning opportunities for staff,
Community Impact:	Technology is available to support the community and customers of the City.

Project Title:	CentralSquare API For Survey123 Data
Project Code:	ITCAPI
Account #:	502-0251-590-6421
Description/ Justification:	Work with CentralSquare to develop API data bridges into Naviline for Survey123 data collected in various efforts throughout the city. Currently the data has to be downloaded from the Surveys and then manually entered into Naviline. We are looking to be able to automate this process reducing error and increasing speed with which the data becomes available to use.

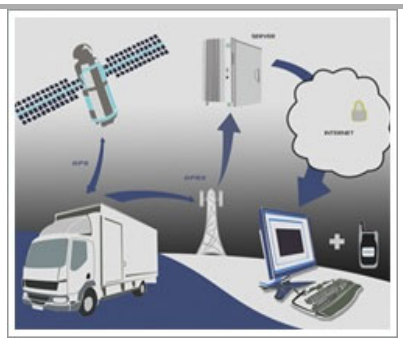

Priority:	Financial Sustainability, ,
Goal:	Maximize use of technology in applicable areas through capital budgeting procedures and investment in learning
Community Impact:	Technology is available to support the community and customers of the City.

Project Title:	Microsoft Licenses
Project Code:	TBD
Account #:	502-0251-590-6421
Description/ Justification:	Ongoing Project since FY 2026 Migrating from on premises Microsoft Exchange to Microsoft 365 provides the City with a more secure, reliable, and modern email system while reducing the risk of outages caused by aging hardware and software. The current Exchange environment requires ongoing maintenance, server upgrades, security patching, backups, and disaster recovery planning, all of which increase operational costs and place additional workload on IT staff. Microsoft 365 moves these services to Microsoft's cloud infrastructure, which includes built in redundancy, advanced cybersecurity protections, automatic updates, and significantly improved uptime. The upgrade will improve employee productivity by providing secure access to email, calendars, contacts, and collaboration tools from any location or device. Staff will benefit from larger mailbox storage, better spam and phishing protection, and improved communication between departments. The migration also strengthens business continuity by ensuring email services remain available during emergencies, storms, or local system failures.
Priority:	Financial Sustainability, ,
Goal:	Maximize use of technology in applicable areas through capital budgeting procedures and investment in learning
Community Impact:	Upgrading to Microsoft 365 improves communication reliability, strengthens cybersecurity protections for sensitive public

Project Title:	Network Infrastructure Hardward Upgrade
Project Code:	ITNWSW
Account #:	502-0251-590-64.20
Description/ Justification:	The City needs new 48-port network switches to replace outdated equipment located on the third floor in the City Hall Annex (CHA) data center and the Public Safety Complex (PS). Right now, CHA has two older switches and PS has only one. The current setup only allows one network connection between the two buildings. This creates a single point of failure. If that connection goes down, Dispatch loses access to critical systems needed to handle 911 calls. When this happens, all incoming 911 calls must be transferred to the County 911 call center. This project will replace the aging equipment with new network switches and allow IT to install two dedicated fiber connections between CHA and PS. The new setup will use an “Active-Active” configuration. This means if one connection fails, the system will automatically switch to the second connection without interrupting service. This will keep Dispatch online and improve the reliability of emergency communications.
Priority:	Infrastructure Sustainability, Infrastructure Sustainability, Financial Sustainability
Goal:	Maintain and enhance the City’s infrastructure to ensure efficient and effective service delivery, Apply best management practices and systems in infrastructure maintenance , Maximize use of technology in applicable areas through capital budgeting procedures and investment in learning opportunities for staff
Community Impact:	If this project is not completed, the City will continue to rely on outdated network equipment and a single network connection between the City Hall Annex and the Public Safety Complex. This leaves Dispatch vulnerable to a complete communication outage if the connection or equipment fails.

CITY COUNCIL
CITY OF PUNTA GORDA
06/ 3/2026

REGULAR AGENDA

Title:	Council Policies Review: Governance, Conduct, and Leadership
Funds:	Not applicable.
Recommended Action:	City Council determine whether the reviewed policies should be retained, amended, or expired.
Summary:	A set of City Council policies exists which has not been reviewed for a number of years. A review will be conducted to modernize policies, remove those that are obsolete, and strengthen the framework for civility and public engagement. Existing policies will be reviewed in four sets based on content focus as follows: (1) rules of procedure and public access; (2) governance, conduct, and leadership; (3) boards and community engagement; (4) operations and finance. Additionally, Council will discuss whether any additional policies are necessary. Once discussions are complete, a resolution will be drafted formally adopting the desired policies, with policy reviews to then be performed annually.
Department/Division:	City Clerk

EXHIBITS:

1. Council Policies Review - Governance, Conduct, and Leadership

Council Policies Review: Governance, Conduct, and Leadership

City Clerk's Office

April 22, 2026, City Council Meeting

Punta Gorda

Purpose

- Modernize policies
- Remove obsolete requirements
- Strengthen framework for civility and public engagement

Punta Gorda

Plan for Review

- Review existing policies
  - ~~Rules of Procedure and Public Access~~
  - Governance, Conduct, and Leadership
  - Boards and Community Engagement
  - Operations and Finance
- Future policy considerations
- Adopt desired policies by resolution
- Annual review going forward

Punta Gorda

Policy 03-02: City Clerk and City Manager Reviews

Adopted: April 2, 2003

Key Provisions:

- Evaluation forms distributed to Council October 1 each year.
- Reviews to be completed and discussed by sitting Council prior to the November election date.

Policy 06-01: Censure

Adopted: May 3, 2006

Key Provisions:

- Council has the authority to publicly censure a member for disregarding established rules of conduct.
- A formal resolution of censure must be prepared by the City Attorney and read in its entirety by the City Clerk during a public meeting.

Policy 95-03: Council Conduct

Adopted: December 20, 1995

Key Provisions:

- Commitment to work as a team bound by shared goals.
- Agreement to direct individual employee problems strictly to the City Manager.
- Directive to act in a concerted effort to stop rumors and innuendo reflecting negatively on the City.

Policy 96-01: Meeting Conduct

Adopted: June 5, 1996

Key Provisions:

- Formal adoption of seven rules: Respect each person; share responsibility; criticize ideas, not people; keep an open mind; question and participate; attend all meetings; and listen constructively.

Policy 96-02: Public Input

Adopted: November 20, 1996

Key Provisions:

- In the event of a vacancy in the office of Mayor, the Vice Mayor serves as Mayor for the remainder of the term.
- Following such a transition, the Council must appoint a new Vice Mayor for the remainder of that term.

Policy 98-01: Removal of Conduct Sign

Adopted: February 4, 1998

Key Provisions:

- Formal direction to remove the physical "Rules of Conduct" sign from the Council Chambers.

Next Steps

- Review existing policies
  - ~~Rules of Procedure and Public Access~~
  - ~~Governance, Conduct, and Leadership~~
  - Boards and Community Engagement
  - Operations and Finance
- Future policy considerations
- Adopt desired policies by resolution
- Annual review going forward

CITY COUNCIL
CITY OF PUNTA GORDA
06/ 3/2026

REGULAR AGENDA

Title: Project Updates

Funds:

Recommended Action: Informational Purposes Only

Summary: Updates will be provided to Council focusing on key city projects.

Department/Division: City Manager

EXHIBITS:

1. CIP Project Updates
2. UT-Project Log
3. PW-Project Log

CIP Master Project Log

Priority Schedule
1 - [Highest] Critical, immediate action required
2 - [High] Important, but can wait a short period
3 - [Medium] Moderate, can be scheduled for near future
4 - [Low] Can be deferred and completed when time allows
5 - [Lowest] Little to no impact if not completed

Percentage of Completion
5% - Job folder created
10% - Beginning exploratory investigation SOW, SOV in progress
25% - Completion & submittal of requisition package [SOW, SOV, exhibits, etc]
35% - Review of draft documents from procurement in progress
45% - Bid has been released or procurement is actively requesting quotes
50% - Purchase order issued or Work Order generated and OK for project start
55% - Project kick off meeting and project start
60% - Approximately 25% of construction or design complete
70% - Approximately 50% of construction or design complete
80% - Approximately 75% of construction or design complete
90% - Substantial completion of construction has been reached or design is at least 90% complete
95% - Construction or design is complete and the project is in the closeout phase.

Priority	PW Assigned	UD Assigned	Proc Assigned	Project Name	Description	Project Code	Budget	Account Number	FEMA	Requisitions	Purchase Orders	Status	Completion %
	Ron	Danielle	Anne	Historic Distric Infrastructure East of 41 - Bethel/St. Mark's Area	As recommended from the study completed in 2018, a multi-phased approach for design and improvements includes installing new sidewalks and missing sidewalk connections, decorative and high-mass lighting, and drainage improvements.	HISTDT TWINFS	$275,000 $73,080 C/O	118-3007-541-6520 301-3004-569-6520	YES	#68281 approved Aug 2025		Awaiting Procurement processing. Funding requests pending. Carl re-writing scope based on work completed; need updated assessment. Boyd to look at lighting at night. Awaiting updated scope of work from planners.	**25%**
	Ron	Danielle	TBD	Ponce De Leon Park Improvements	Design & construct new restroom facility, pavilion, boat & trailer parking, and site furnishings.	PONCE	$0		YES			This project is on hold until Peace River Wildlife Center moves to new location on Henry Street.	**10%**
	Bryan	Danielle	Anne	Downtown Flooding - Phase III (this project is also on PW spreadsheet)	PW is seeking a professional engineering & surveying firm to study the drainage system in the downtown area to identify possible solutions to reduce or eliminate flooding.	DWTNFD	$500,000 Design $875,907 Construct	301-3004-541-6316		#67406 - Downtown Flood Study Phase III	55023 - Kimley-Horn	PW has provided tailwater design info along with input on future rainfall data projections. Review of preliminary model schematic complete. Corrdination of first public meeting in April is being coordinated. PW 02.24.2026	**55%**
	Bryan			(Henry Street Crosswalk Study) now called Pedestrian Crosswalk per Anne 12-10-25	Henry Street sidewalk and crosswalk enhancements from FY 23	HNRIMP	$539,000	118-3007-541-6393	NO	#67550 - Conduct Study		11.22.2024 REQ 67550 submitted - Conduct study 12.4.2024 PW approved REQ 12.11.2025 Bid released - set to close 1-11-26. Bid has closed PW 02.09.2026	**45%**
	Bryan	Danielle		Henry Street Sidewalks	US 41 to Shreve Street - fill network gaps along Henry Street	HENSWK	$151,200	118-3007-541-6319				April 2025 Engineering started application to SWFWMD.	**10%**
	Bryan	Danielle	Anne	Boca Grande Storm Water	Drainage Improvements	CABGDI	$2,294,887 $1,000,000	118-3007-541-6320 301-3004-541-6320		#69043 - Boca Grande Construction		12.12.2025 Req 69043 entered for construction; working on Req. for CEI Services, working with Dept. of Commerce. Req 69231 entered for Construction Management and CEI services. PW 02.24.2026	**25%**
	Ron	Danielle		King Street - Design/Engineering	Design, survey, and construction of King Street due to growth and safety concerns. Project will include drainage, lights, bumper stops, mill & resurfacing.	KINGIM	$550,000	301-3004-541-6394 301-3005-541-6394				January 2025- waiting on owner's response to the drainage easement request.	**10%**
	Bryan	Danielle	Anne	Shreve Street - Complete Street Improvements	Lighting on the Shreve Street path and widening of existing sidewalk on Pompano. FY 2025: Design to widen the existing 5-foot wide sidewalk on Pompano Terrace from Shreve Street to US 41 to meet the link from the Shreve Street path to the US 41 path.	SHVCOM	$285,406	118-3007-541-6512				May 2025: Bryan to ask new electrician how to design path lighting.	**10%**
		Rick		Complete Street - Cooper Street	Design improvements to Cooper Street from Airport Road to East Marion Avenue (US 17 SB), providing sidewalks, bicycle facilities, decorative street lights, and street trees. (CPH plans to 30% before project was cancelled in July 2020 per CIty Council direction - now FDOT LAP Grant, Project #452221-1)	COOCOM	$0	118-3007-541-6516				No budget entered in Naviline. FDOT agreement due back to FDOT in May 2026. Once LAP agreement is executed, FDOT will need to review our Scope of Services, design RFP, and Professional Services Checklist (provided by FDOT). FDOT has budgeted constructyion funds for 2028. City Council approved FDOT LAP agreement 3/25. Grants Coordinator handling FDOT LAP Agreement.	**10%**
		Rick	Anne	Tiki Point Harborwalk Living Shoreline Pilot	Planning, design, engineering, and construction of a living shoreline along a segment of the City's Harborwalk.	LIVSH1 LIVSH3	$590,957 $303,607	301-3004-538-6377		#69008 Approved, Professional Services form submitted to Procurement.		Grant funded by FDEP. And CHNEP with City match. Maintenance funds need to be added to CIP sheet in Budget Book. RFQ is out to bid; closes April 25. Currently ansering bidder Qs. Bid extended due to only one bidder.	**10%**

1	Ron	Boyd	Anne	A.C. Freeman House Rehabilitation	Assessment and rehabilitation to correct building issues. CDBIA repairing under lease agreement with City.	FREEMN	$440,000	118-3007-579-6222		#69061	#55415	New roof installed. Hurricane shutters removed; working on exterior carpentry. Exterior paint colors chosen; painting in progress. Rear stair posts installed; Organizing interior clean up party to cover furniture in plastic. Then move to interior mitigation, mechanicals, interior carpentry, drywall, and paint over the next several months. Project is moving forward as planned - on time and on budget.	**60%**
1	Ron	Boyd		Historic City Hall Rahabilitation Project (Historic Building)	Rehabilitation of historic City Hall	CHPRRH	TBD	118-3007-519-6202 301-3004-519-6201		#68700 Parker / Mudgett / Smith	#55629	Anne presented Parker / Mudgett / Smith agreement to City Council for approval on April 8; approved. Kick off meeting with Jeff Mudgett took place May 7.	**25%**
1	Tommy	Boyd	Anne	Historic City Hall Rehabilitation Project (Council Chambers)	City Hall 1978 addition - Council Chambers	CHPRRH	$300,000	118-3007-519-6202 301-3004-519-6201	NO	#68987 - Council Chambers Repair/Remodel; Construction Checklist submitted to Procurement.		Draft bid documents have been reviewed by PW and returned to Procurement on 1-6-26. Upstairs? Bid closed; reviewing. AV equip draft solicitation is with Alicia. Avant Construction is on site; building gutted, consruction moving forward.	**35%**
	Bryan	Boyd		Nature Park Trail - ADA Design/Engineering	Replacing structures with new in same location & connecting to parking with accessable route (observation deck & fishing pier)	ADANP NAPARK	$86,245 $347,375	118-3007-515-6300 301-3004-572-6332				The original construction of the Nature Park was apparently permitted through FDEP permits 08-301414-5, 08-0131423-002, and USACOE permit 199703124. The City was apparently in non-compliance and subsequently dedicated a conservation easement, paying a fine as part of the mitigation. Anne sent letter to Hans Wilson for Specific Authorization B2025153/SA 18 to provide permitting services.	**35%**
				W Henry Street Improvements & Connections	Property Improvements to site, additional amenities to increase site usage, and connectivity to attractions including Hounds on Henry dog park, Punta Gorda Charlotte Library, History Park & Community Garden, Peace River Wildlife Center. Public restroom to be added inside History Park.	HENIMP	$154,937 bal $440,135 bal	301-3004-572-6332 118-3007-572-6521				Urban Design has restroom designs ready to present to City Council. PRWC will request and extension of Phase I; restroom needs to installed as part of Phase I. UD entered Requisition #69285 for ETI to remove invasive species; Ben Fisher to supervise vendor. Ron E. cancelled invasive species removal and has changed restroom location yet again; currently waiting for Ron to see if County will let us use their land. PRWC requested ext. of Phase I to Nov. 15, 2026 at 4/8 City Council meeting; approved. Awaiting word from Ron E. regarding County land for restroom.	**25%**
				Bayfront Center & Boat Club (Gilchrist Activity Center)	Planners have presented designs to City Council. When final design is approved, Procurement docs will be submitted with Req.	IANBAY	$1.7 m	113-0919-519-6300				Per Kristin, use insurance proceeds first to save 1% Sales Tax budget for other projects. UD meeting with CM to discuss budget. After CM approves final Scope of Work, UD will enter a requisition.	**10%**
				ADA Transition Plan	Items related to the ADA Transition Plan							ADA Transition Plan update was presented to City Council jointly with Human Resources last Spring. No new allocations were made; HR controls ADA funding. FY 2025 Update is currently being drafted - need input from City departments. Bryan's Automated Pedestrian Signal Project? Need information. Boyd / Hank to review draft of FY25 update.	**70%**
				Donation Program	Public Space Amenity Gift Program	H&LSCP						Benches have arrived at PW; met with Planners and Ben 2/10 to redefine program. Adding a tree donation program and discussing a rainbow bridge for Hounds on Henry.	**25%**
		Rick		Grants Summary	Monthly update of grants applied for / awarded	Various		Various				1) FDOT LAP Grant Agreement and Resolution for Cooper Street partially executed by council, full execution from FDOT in early June. SOW and RFP by mid-June; 2) FDOT LAP Grant agreement and Resolution for Alligator Creek Bridge to Council not signed. Impasse with FDOT district 1 about maintenance. Explained situation with Boyd, legal, and city manager. 3) Tiki Point RFP for Monitoring has closed Only 1 bidder so far. Anne will send out to ESC to review and score. County has contracted an engineer for design and permit application draft. Amended CHNEP ILA for Tiki Point has been executed. 4) Awarded multiple grants this spring. FDEM-Watershed Master Plan; (2) MAC grants - Boat Club Inlet Dredging; and (2) FDACS-Tree for Linear Park; FDACS-Treas for Gilchrist, Linear and Sculpture Parks. Awaiting (5) separate grant agreements worth~$595,000. 5) - Submitted SUN Trail grant for construction of Alligator Creek Bridge; - Submitted FWC FBIP grant for Eastern Mooring Field. Awaiting decisions; - Submitted Community Planning and Technical assistance Grant through Department of Commerce. 6) Recreational Trails Grant for Nature Park is open. Reviewed budget and proof of match with finance. 98% of the application is completed, expect to be submitted by May 13.

Utilities Master Project Log

Priority Schedule
1 - [Highest] Critical, immediate action required
2 - [High] Important, but can wait a short period
3 - [Medium] Moderate, can be scheduled for near future
4 - [Low] Can be deferred and completed when time allows
5 - [Lowest] Little to no impact if not completed

Percentage of Completion
5% - Job folder created
10% - Beginning exploratory investigation SOW, SOV in progress
25% - Completion & submittal of requisition package [SOW, SOV, exhibits, etc]
35% - Review of draft documents from procurement in progress
45% - Bid has been released or procurement is actively requesting quotes
50% - Purchase order issued or Work Order generated and OK for project start
55% - Project kick off meeting and project start
60% - Approximately 25% of construction or design complete
70% - Approximately 50% of construction or design complete
80% - Approximately 75% of construction or design complete
90% - Substantial completion of construction has been reached or design is at least 90% complete
95% - Construction or design is complete and the project is in the closeout phase.

Meetings

Regular meetings of the Building Board are held at the Laishley Community Room, 120 Laishley Court, on the fourth Tuesday of each month at 9:00 a.m., unless otherwise noticed. All meetings shall be open to the public.

Duties

The Building Board shall have the following responsibilities: A. To hear complaints regarding locally licensed or registered contractors alleged to have violated the provisions of Chapter 7 of the City Code. Upon a finding of violation, the Board is granted authority to take any of the following actions against the locally licensed or registered contractor: (1) Order probation. (2) Suspend the guilty party's local license. (3) Revoke the guilty party's local license. (4) Order restitution. (5) Levy a fine up to five thousand dollars ($5,000.00) per offense. (6) Assess reasonable legal and investigation costs incurred by the City of Punta Gorda to prosecute the case against the contractor. (7) Issue a recommended penalty to the State of Florida Construction Industry Licensing Board. Said recommended penalty may include a recommendation for no further action, or a recommendation for suspension, revocation or restriction of the contractor's State registration, or a fine to be levied by the State of Florida Construction Industry Licensing Board, or a combination of such penalties. B. To hear complaints regarding state certified contractors alleged to have violated the provisions of Chapter 7 of the City Code. Upon a finding of violation, the Board is granted authority to take any of the following actions against the state certified contractor: (1) Deny, suspend or revoke the authority of the certified contractor to obtain a building permit or limit such authority to obtaining a permit of permits with specific conditions if the Building Board finds the certified contractor guilty of fraud or a willful building code violation in the City of Punta Gorda. (2) Deny, suspend or revoke the authority of the certified contractor to obtain a building permit or limit such authority to obtaining a permit or permits with specific conditions if the Building Board has proof that such contractor, through the public hearing process, has been found guilty in another county or municipality within the past 12 months of fraud or a willful building code violation and finds, that such fraud or violation would have been fraud or a violation if committed in the City of Punta Gorda. (3) Refuse to issue permits with specific conditions to a contractor who has committed and has been disciplined for multiple violations when the additional provisions of section 489.131(3)(f), Florida Statutes, have been met. C. To recommend to City Council certain amendments to Chapter One of the Florida Building Code as may be allowed by Florida Statutes. D. To act as condemnation Board in matters of violation of minimum standards and making inspections and reports when so requested by the Building Official. In this regard, the Board may secure the services of the Fire Chief, sanitarian, architects, engineers or other professionals as required and, upon making findings of fact, shall render a final decision. E. To hear and act upon Appeals from orders, requirements, decisions or determinations made by the Building Official under the provisions of Chapter 7, Article IV, City of Punta Gorda Code, the "Unsafe Building Abatement Code". F. To make a determination on applications for Certificate of Competency when so requested by the Building Official in cases where the established standards may not have been met, but extenuating circumstances may be evident. G. To hear and act upon any appeal timely filed to contest the validity of any notice of false alarm or fee assessment issued under Chapter 15, Section 15-19, Punta Gorda Code.

Meetings

Regular meetings of the Code Enforcement Board are held at the Laishley Community Room, 120 Laishley Court, the third Thursday of each month at 9:00 a.m., unless otherwise noticed. All meetings shall be open to the public. Due to the quasi-judicial nature of the Code Enforcement Board, public comment is not permitted unless requested as sworn witness testimony by the respondent or City staff.

Duties

The Code Enforcement Board shall have the power to: (a) Adopt rules for the conduct of its hearings. (b) Subpoena alleged violators and witnesses to hearings. Subpoenas may be served by sheriff's service or by the police department of the City or some other law enforcement officer or other person designated by City Council. (c) Subpoena records, surveys, plats and other evidentiary material. (d) Take testimony under oath. (e) Issue orders having the force of law to command whatever steps are necessary to bring a violation into compliance. (f) Issue fines pursuant to Section 9A-8 of this Chapter and include therein all costs incurred in prosecuting the case before the Code Enforcement Board. Such costs shall be included in the lien authorized by this Chapter. (g) Reduce or compromise fines upon such terms and conditions as the Code Enforcement Board deems reasonable and just. (h) The Code Enforcement Board shall serve as an equalizing board to hear and consider any and all complaints concerning the amount of any special assessment established pursuant to the procedures set forth in Chapter 9, Article I, Section 9-5, Punta Gorda Code, and shall adjust and equalize the special assessments, when it deems such action is necessary. The Code Enforcement Board may only adjust or equalize the established special assessment upon a showing by an interested party that the amount of the established special assessment is unreasonable or that the property will not derive any special benefit from the improvements made by the City. The Code Enforcement Board shall follow the procedures set forth in Chapter 9, Article I, Section 9-5, Punta Gorda Code. (i) Pursuant to Chapter 9, Article II, Section 9-7, Punta Gorda Code, the Code Enforcement Board shall hold a hearing to consider objections by property owners to the City’s intent to revoke an exemption under the City’s Mandatory Lot Mowing Program. At such hearings, it should be the property owner’s burden to demonstrate good cause why the exemption should not be revoked. The Code Enforcement Board shall issue a written order either granting or denying a property owner’s request that their exemption should not be revoked. (j) Pursuant to Chapter 9, Article II, Section 9-7, Punta Gorda Code, the Code Enforcement Board shall have the duty and responsibility to hold hearings to consider any objections or defenses to the levy of a lien against the delinquent properties under the City’s Mandatory Lot Mowing Program. The owner of record of any property proposed to be liened for delinquent lot mowing fees, or any person having an interest therein, may appear at the hearings and voice any objections to the proposed lien or the amount thereof. Objections may also be submitted in writing either prior to or at the time of the hearing. At the hearing, the Code Enforcement Board may recommend to City Council a modification or correction of any proposed lien amount, provided that no lien amount may be increased over the amount in the proposed roll. After the hearing, the Code Enforcement Board shall certify the delinquent user fee roll to the City Council. (k) Pursuant to Chapter 9, Article II, Section 9-8, Punta Gorda Code, the Code Enforcement Board shall hear all appeals by any person aggrieved by any order or notice issued by the City pursuant to the City’s Mandatory Lot Mowing Program. It shall be the burden of any aggrieved person to demonstrate that the contested order or notice was unreasonable. (l) The Code Enforcement Board shall have such other duties and powers as assigned to it by the City Council pursuant to duly adopted ordinances of the City.

FBI National Academy Graduate

Police Executive Research Forum (PERF) Senior Management Institute for Police (SMIP) Graduate

Professional Executive Leadership School (PELS) Graduate and Past President of PELS Alumni Association Board of Directors

International Association of Chiefs of Police / West Point Leadership Development Course Graduate

Commonwealth of Virginia General Instructor Certification

Former Chair of the Metropolitan Washington Council of Governments (MWCOG) Criminal Investigations Commanders Committee

Former member of the Washington/Baltimore High Intensity Drug Trafficking Area (HIDTA) Executive, Law Enforcement (Chair), and Budget & Performance Review Committees

Former Arlington Community Services Board Member

Extensive government inter-agency and inter-departmental coordination and collaboration

Team Adam Consultant (TAC) with the National Center for Missing and Exploited Children

Professional Experience with the Northern Virginia Criminal Justice Training Academy

June 2020 to Present
Team Adam Consultant (TAC)
National Center for Missing and Exploited Children

- Serve law enforcement agencies as a liaison to the National Center for Missing and Exploited Children. This includes Critical Missing Child cases, Cold Case review, and long-term case support.

September, 2020 to September, 2022 (retired)
Deputy Director - Administration

- Member of the Academy's Executive Leadership Team charged with leadership, management, and oversight of daily operations and strategic planning for the future.

- Responsibility and control over Academy budget, purchasing, hiring, strategic planning, and infrastructure. Professional Development, Operations, Curriculum, and Emergency Vehicle Operations Center managers all were direct reports.

Professional Experience with the Arlington County Police Department

September, 2011 to September, 2020
Adjunct Professor of Criminal Justice
Marymount University
Arlington, VA

- Delivered in-classroom coursework and instruction to undergraduate students in a variety of Criminal Justice topics.

June, 2017 to September, 2020 (retired)
Deputy Director - Basic Training
Northern Virginia Criminal Justice Training Academy
Assigned to this position by the Arlington County Police Department.

- Member of the Academy's Executive Leadership Team charged with leadership, management, and oversight of daily operations and strategic planning for the future.

- Provide supervision and oversight of the overall operation of the Basic Training component, including planning, budgeting, purchasing, scheduling staff, and promoting enhanced communication and cooperation between sworn and civilian staff.

September, 2007 to June, 2017
Police Captain – District 2 Commander; Vice/Narcotics/Gang Section Commander; Criminal Investigations Section Commander; Information & Technology Management Section Commander

- Project Manager for new Criminal Justice Records Management System implementation. Command, control and oversight responsibility for the Information Management, Records Management, Media Relations / Public Affairs, and Policy & Planning Units.

- Command, control and oversight of approximately 70 detectives, supervisors, and administrative staff in the Criminal Investigations Section. Overall responsibility for performance measures related to criminal

investigations, case closure and customer service. Leading, planning, organizing, and budgeting responsibility for the section. Conduct sensitive investigations involving other departmental entities and county agencies.

- Community Policing and Police – Community partnerships: As the commander of the busiest, most active Police District in the County, I provided leadership, guidance, support and service to Civic Associations, Business Associations, the Citizen's Corps Council, and the Chief's Advisory Council.

- Civil Disturbance Unit Commander: Deployments included the Inauguration of President Obama and multi-jurisdictional ANSWER protest

- Command, control and oversight of Vice/Narcotics/Gang, HIDTA and Gang Task Force investigations. Overall command and responsibility for sensitive, high liability investigations.

- Washington/Baltimore High Intensity Drug Trafficking Area (HIDTA) Executive, Law Enforcement (Chair), and Budget & Performance Review Committees

- Fiscal responsibility and control of the Vice/Narcotics/Gang Section budget and Seized Assets accounts.

June, 2001 to September, 2007

Police Lieutenant - Internal Affairs Section; Operations Division; Vice-Narcotics-Intelligence Section; Special Operations Section; Aide to the Operations Division Deputy Chief; Inspectional Services Section – Aide to the Chief; Homicide-Robbery Unit

- Authored County Code 14.2-7.1 in response to issues raised by citizens concerning the curbside sale of vehicles along Columbia Pike. This response included meetings with County Staff and testifying before the County Board. This Code was ultimately enacted.

- Created the "Columbia Heights West" project. This is an extensive, ongoing project involving officers from every shift, other County agencies, apartment managers and citizens in a predominantly low-income apartment housing area. The goal of the project was to facilitate information sharing and enhance the quality of life for neighborhood residents.

- Crime Prevention Unit supervisor

- Preparation, management and fiscal responsibility of a large Congressional Earmark (Moran) Grant

- Strategic Management Team member. Conceptualized, created and prepared 5 year Strategic Management Plan for the Operations Division (approximately 220 sworn officers).

- Administration and oversight responsibility for the police off-duty employment program

- Authored and presented two concept papers for 2006 Urban Areas Security Initiative (UASI)

- Command and control over Homicide, Robbery, and other violent crime investigations.

August, 1998 to June, 2001
Police Sergeant - Operations Division; Internal Affairs Section

- Drafted Memorandum of Understanding between the Police Department and the Schools.
- Drafted Police Activities League by-laws.
- Initiated several Problem Solving projects to include a robbery prevention program in a low income apartment neighborhood.
- Conducted sensitive internal and external investigations with high profile potential. Member of Chief executive Staff.

December, 1990 to August, 1998
Police Detective – Follow-Up – General Assignment Unit; Homicide/Robbery Unit

- Lead detective in several complex, high profile investigations including a drug murder that was successfully prosecuted in Federal Court. Also lead several investigations that involved close liaison with other local, state and federal law enforcement agencies.

September, 1990 to December, 1990
Police Officer II / Vice Control Section – Crack (Cocaine) Task Force

- One of only four officers (the only police officer II) department-wide to be selected for this assignment. This was the first federally funded task force in Arlington that targeted street level cocaine sales.

July, 1990 to September, 1990: Police Officer II

August, 1987 to July, 1990: Police Officer I

Professional Training

Extensive training in various aspects of law enforcement to include:

- NCMEC CEO Course
- Law Enforcement / Terrorism Intelligence
- Internal Affairs
- Homicide & Major Case Investigation and Supervision
- Narcotics Investigation and Supervision

Education

Associate in Applied Science Degree
Northern Virginia Community College
- Police Science

Bachelor of Arts Degree
The American University
- Justice

Master of Criminal Justice Degree
Boston University

Extensive and varied professional training
