Legislation Item: R30

AGENDA DATE:
April 23, 2026

DEPARTMENT:
Public Works

SUBJECT:
R30, Resolution Amending Resolution No. 93/Enactment No. 25-091

BACKGROUND AND ANALYSIS:

On August 28, 2025, the Governing Body approved Resolution 93 for the disposal of Unit PWEN14, a 2006 Ford Ranger VIN 1FTYR15E16PA34368, after it met the established replacement criteria.

After that action, Animal Resources' Unit ARC49, a 2007 Ford Ranger VIN 1FTYR10DX7PA38273, was declared a total loss as a result of a motor vehicle accident.

In light of this change, staff requests that the prior disposal authorization is amended to substitute ARC49 for PWEN14. While PWEN14 previously qualified for replacement and disposal, it remains serviceable, and replacement eligibility does not mandate immediate disposal.

Retaining PWEN14 in service currently is the most practical option to maintain fleet capacity and support operational needs. All other terms of the prior approval shall remain unchanged.

IMPACT:

Approval of the Resolution will allow the City to conserve replacement funding.

Legislation Item: O5

AGENDA DATE:

DEPARTMENT:

Financial Services

SUBJECT:

O5, Ordinance Amending Chapter 36 Finance and Revenue

BACKGROUND AND ANALYSIS:

Second reading of an Ordinance. Two readings with approval required for adoption. First reading and approval occurred on April 9, 2026.

The City of Rio Rancho's Procurement Code governs the procurement of tangible personal property, services and construction. Existing exemptions to the code are listed in Section 36.24 of Municipal Code.

This Ordinance will add an exemption to the City's Procurement Code for employee insurance, benefits and supplement retirement programs. This exemption will allow more flexibility when soliciting these programs through the City's third-party benefits consultant to ensure the best value and opportunities.

Employee insurance, benefits and supplemental retirement services/programs pertain to sensitive, health-related information. Furthermore, providers of these services also require the most current data possible related to pricing proposals. As a result of these factors, standard procurement processes are restrictive and/or in conflict.

This change is being recommended by the City's third-party benefit consultant. The State of New Mexico, City of Albuquerque, City of Las Cruces, and Bernalillo County have a similar exemption.

IMPACT:

This exemption will allow more flexibility when soliciting employee insurance, benefits and supplemental retirement services/programs through the City's third-party insurance consultant to ensure the best value.

Do not approve the Ordinance.

Good afternoon, Mayor Hull and Councillors,

I respectfully request that you vote NO tomorrow on Ordinance 05.

Exempting employee insurance, benefits and retirement programs from procurement processes, which Ordinance 05 aims to do, would limit competition and reduce oversight that helps ensure transparency and wise use of taxpayer money.

Therefore I ask that you please vote NO on this, and protect the procurement processes that have been put in place for good reason.

Thank you.

AGENDA DATE:

April 23, 2026

DEPARTMENT:

Financial Services

SUBJECT:

R32, Resolution to Write-off and Remove Uncollectible Ambulance, Utilities, Parks and Recreation, Alarm, and Library Accounts from the City's Accounts Receivable Balances

BACKGROUND AND ANALYSIS:

The proposed Resolution will allow for the write-off and removal of \$650,614.00 in uncollectible ambulance, utilities, parks and recreation, alarm, and library accounts from the City's financial records. Accounts proposed to be written off are four years old, or in some cases, older.

The City's Fire and Rescue Department provides emergency medical services to the public, and the costs of these services are billed to the patients.

The City's Utilities Department provides water and wastewater utility services and bills customers for the services provided.

The City's Parks, Recreation and Community Services Department provides recreational services, programs, and activities and bills customers/users for those services.

The City requires alarm registration with response services provided by the Police Department, and bills customers for excessive false alarm services.

The City's Library and Information Services Department provides informational services and goods and bills those services and goods to the customer for whom such goods and services are provided and not returned or are damaged.

Some of these accounts are not paid on time, and others are never paid (e.g., due to death, insolvency, the customer can't be located, etc.). After four years and multiple attempts to collect, these accounts are deemed uncollectible, as defined in the City's Uncollectible Accounts Receivable Policy (Section 2-4-1 through 2-4-7).

State Statute - Section 3-37-7 NMSA 1978 - provides a procedure by which a municipality may write-off certain uncollectible accounts by resolution, upon a statement of the nature and condition of those accounts by the municipality's finance officer. Stephanie Yara, Director of the Financial Services Department, has provided such a statement which is attached to the Resolution.

The aggregate amount of the proposed write-off is \$650,614.00 and is broken down as follows:

- \$441,952.11 - Ambulance services
- \$183,095.81 - Utilities services

- \$30.00 - Parks, Recreation and Community Services program fees
- \$18,275.00 - Alarm registration and response services
- \$7,261.08 - Library and Information Services damaged or lost materials

Per the City's Uncollectible Accounts Receivable Policy Section 2-4-4, a write-off of uncollectible accounts receivable from the City's accounting records does not constitute forgiveness of the debt which is still payable by the debtor.

IMPACT:

The proposed Resolution will remove uncollectible accounts from the City's financial books and records to more accurately reflect its financial condition.

ALTERNATIVES:

Approve the Resolution.

Do not approve the Resolution.

Staff recommends approval of the Resolution.

ATTEST:

Noel C. Davis, City Clerk
(SEAL)

March 25, 2026

Pursuant to City's Uncollectible Accounts Receivable policy (Section 2-4-1 through 2-4-7), I am submitting the attached listings of uncollectible Ambulance, Utilities, Parks & Recreation (P&R), Alarm, and Library accounts. Each listing provides the basic account description as required in Section 2-4-7 (1)(c)(1), which includes at a minimum: account holder name (unless protected by law), service provided, service date, call or account number, and other relevant information. Steven Perkins (Ambulance), Nita Gonzales (Utilities), Linda Mertens (PRCS), Stephen Morales (Alarms), and Caitlin Moreno (Libraries) prepared the listings.

The attached accounts meet the write-off criteria as outlined in Statute 3-37-7 NMSA 1978, and the City's Uncollectible Accounts Receivable policy, Section 2-4-5 and Section 2-4-7.

Each Ambulance account has been:

- Billed for a minimum of three (3) consecutive billing cycles
- Sent to a third-party collection
- Uncollectible for four (4) years or more

(Evidence of the collection activities provided upon request)

Each Utilities account is/has been:

- A closed utility account that was billed for a minimum of three (3) consecutive billing cycles before being sent to a third-party collection agency
- An active utility account that was reviewed on a monthly basis for possible discontinuance of service for non-payment, pursuant to § 51.09, R.O. 2003, before being sent to a third-party collection agency
- Uncollectible for four (4) years or more

(Evidence of the collection activities provided upon request)

Each P&R account has been:

- Billed and subjected to internal collection efforts that may have included phone/email contact and preventing customer participation in other activities until past due amounts are paid.
- Uncollectible for four (4) years or more

(Evidence of the collection activities provided upon request)

Each Alarm account has been:

- Billed for a minimum of three (3) consecutive billing cycles

(Evidence of the collection activities provided upon request)

Department of Financial Services

ATTACHMENT I

Each Library account has been:

- Billed for a minimum of three (3) consecutive billing cycles
- Sent to a third-party collection
- Uncollectible for four (4) years or more

(Evidence of the collection activities provided upon request)

The aggregate total write-off request is \$649,139.00 which is comprised of the following:

- \$441,952.11 for Ambulance
- \$183,095.81 for Utilities
- \$30.00 for PRCS
- \$16,800.00 for Alarms
- \$7,261.08 for Libraries

It is my opinion that, pursuant to the City's Uncollectible Accounts Receivable policy, the accounts attached hereto meet the definition of an "Uncollectible Account," and that the criteria to write off these accounts has been satisfied. The write off request runs through 12/31/2021.

Respectfully submitted,
