STATEMENT OF INTEREST

Please indicate below the reasons you are interested in serving on a commission or committee for the City of Santa Paula. Include in your answer a summary of your qualifications for the position and your commitment to the community. Also include other factors that you feel are important for the City Council to know. Additional sheets may be attached.

I am very interested in the Parks & Recreation Commission as it is a great opportunity to serve Santa Paula's youth.
I previously had the privilege of participating in youth sports and understand it takes a lot of work to make a program successful.
My experience as a volunteer with youth rec sports included fundraising, set up and tear down booths and equipment,
recruiting new members, and assisting the board as needed. I am excited for this opportunity to support the city's
Parks & Recreation programs and am committed to make a positive impact in our community.
