COUNCILMEMBER GABRIELA ORNELAS

CITY COUNCIL REGULAR MEETING OF THE SANTA PAULA CITY COUNCIL REGULAR

WEDNESDAY, SEPTEMBER 2, 2026

6:30 PM - City Council Regular Meeting

SANTA PAULA CITY HALL
970 VENTURA STREET
SANTA PAULA, CA 93060

JULIE LATSHAW, CITY CLERK
DAN SINGER, CITY MANAGER
MONICA CASTILLO, CITY ATTORNEY

CITY COUNCIL REGULAR MEETING

City Council Regular meetings are held the first and third Wednesday of each month, at 6:30 p.m. in the City of Santa Paula City Hall Council Chamber, 970 Ventura Street, Santa Paula, and occasionally at the City of Santa Paula Community Center at 530 W Main Street, Santa Paula. Special and Closed Sessions vary by date and time.

HOW TO PARTICIPATE IN PERSON DURING THE MEETING

If you wish to speak at a City Council meeting, please fill out a **Public Comment Form** noting your name and address and submit the form to the City Clerk. Providing your name, address, or other identifying information on the form is voluntary and requested to assist the City with orderly meeting administration and provide context to comments. Include the Agenda item number, when appropriate. **Public comments are limited to 3 minutes.** Speakers using a translator will be provided at least twice the allotted time, unless simultaneous translation equipment is available and used by the City.

HOW TO PROVIDE REMOTE PUBLIC COMMENT

Members of the public may attend the open portions of the meeting remotely using the two-way audiovisual platform and call-in option listed below:

<https://us02web.zoom.us/j/86324017946?pwd=zWyACDaHtWJMyyjbUwJzgWBW8vP7GH.1>

Meeting ID: 863 2401 7946

Passcode: 863213

One tap mobile

+16694449171

If the platform includes automatic captioning, the City will activate that function during the meeting. To provide remote oral public comment, use the platform's "raise hand" feature or press *9 by phone when the item is called; press *6 to unmute when prompted. No advance email request is required to attend remotely or to provide remote oral public comment. However, the City asks that anyone wishing to provide remote public comment send an email to the City Clerk's office at cityclerk@spcity.org on the day of the meeting by 3:00 p.m. and include the item number in the email subject line. This will help the City better facilitate public comment. Remote public comments are subject to the same time limits as in-person public comments. For technical assistance before the meeting, contact the City Clerk at cityclerk@spcity.org or (805) 933-4208.

HOW TO VIEW ON YOUR TELEVISION, COMPUTER, OR MOBILE DEVICE

Watch from home live on the local Channel 10, or view the live feed on the city website at the following link: <https://www.spcity.org/523/Public-Meeting-Agendas>.

NOTE: Special Meetings are generally not recorded, nor generally available on Channel 10 or live feed on the City website.

HOW TO PARTICIPATE BEFORE THE MEETING

Members of the public are encouraged to submit email correspondence on any agenda item

by sending an email to cityclerk@spcity.org. All public correspondence received by 3:00 p.m. (PT) on the meeting date will be provided to the legislative body before the meeting. Public Comments received after 3:00 p.m. will be provided to the legislative body the next day.

Your participation in this meeting is in the public domain. Meetings are cablecast. Minutes of this meeting will reflect your participation in this meeting and are posted on the City's website.

TRANSLATED AGENDAS; INTERPRETATION ASSISTANCE; REQUESTS

This agenda and instructions for joining the meeting and providing remote public comment are at the following link: <https://www.spcity.org/523/Public-Meeting-Agendas>. Members of the public may post additional translations of the agenda at City of Santa Paula City Hall, 970 Ventura Street, Santa Paula, California. Members of the public who wish to translate a meeting or receive interpretation from another member of the public may request reasonable assistance by contacting the City Clerk at cityclerk@spcity.org or (805) 933-4208. Assistance may include arranging space for interpreters, allowing additional time for interpretation, or allowing the use of personal equipment or facilities for commercially available interpretation services. To request meeting agendas or agenda documents by email or through the City's agenda management system, contact the City Clerk at cityclerk@spcity.org or use the following link: <https://www.spcity.org/523/Public-Meeting-Agendas>.

PLEASE NOTE

Be advised that if you bring a legal challenge to an action, you may be limited to raising only those issues you or someone else raised at the meeting described in this Agenda, or in written correspondence delivered to the City Council at or before the meeting. Any action is subject to the ninety-day time period set forth in Code of Civil Procedure § 1094.6.

*In compliance with the **Americans with Disabilities Act**, if you need a disability-related modification or accommodation, including auxiliary aids or services, to participate remotely or in person in this meeting, please contact the City Clerk at (805) 933-4208 or cityclerk@spcity.org. Notification 48 hours before the meeting will enable the City to make reasonable arrangements to ensure accessibility to this meeting. Requests will be received and resolved promptly, with any doubt resolved in favor of accessibility. (28 CFR 35, 102-35.104 ADA Title II).*

Written materials distributed to the City Council within 72 hours of the City Council meeting are available for public inspection immediately upon distribution in the City Clerk's office.

REGULAR MATTERS - COUNCIL CHAMBERS

1. CALL TO ORDER

REMINDER: in order to minimize distractions during public meetings, all personal communication devices should be turned off or put in a non-audible mode.

2. INVOCATION

3. FLAG SALUTE

4. ROLL CALL

5. CLOSED SESSION REPORT

6. PUBLIC COMMENT

At this time, members of the public may comment on any item not appearing on the agenda that is within the subject-matter jurisdiction of the City Council. A Public Comment Form must be submitted to the City Clerk prior to the beginning of the Public Comment period in order to be recognized to speak. Individuals submitting Public Comment Forms after the beginning of the Public Comment period will not be allowed to speak at this time, but may be recognized to speak by the Mayor at the conclusion of the meeting. Individual Councilmembers may briefly respond to Public Comments or ask questions for clarification. The City Council may direct the City Manager to report to the City Council on the item at a later meeting. For items appearing on the Agenda, the public will be invited to make comments at the time the item comes up for City Council consideration. If a member of the public wishes to address a Consent Calendar item, please submit a Public Comment Form for that item. It may then be discussed separately by the Council, and the public will be invited to make comments at that time. At all times, please use the microphone and write your name and address on the Public Comment Form provided.

7. PRESENTATIONS

7.A EMERGENCY PREPAREDNESS MONTH PROCLAMATION

8. CITY COUNCIL REPORTS

9. CITY MANAGER REPORTS

10. CONSENT CALENDAR

Background information has been provided to the City Council on all matters listed under the Consent Calendar and these items are considered to be routine by the City Council and are normally approved by one motion. If discussion is requested by a Councilmember on any item, or a member of the public wishes to comment on an item, that item may be removed from the Consent Calendar for separate action.

10.A **CALIFORNIA OFFICE OF EMERGENCY SERVICES DESIGNATION OF APPLICANT'S AGENT RESOLUTION**

RECOMMENDATION:

Staff recommends that the City Council:

1. Approve the California Office of Emergency Services "Designation of Applicant's Agent Resolution for Non-State Agencies" internally designated Resolution No. 7629.

11. PUBLIC HEARING

- Verification of posting notice by City Clerk
- Declaration of conflicts (if any)
- Declaration of ex parte contacts (if any)
- Open public hearing
- Staff presentation
- Public comments

- Close public hearing
- Discussion and action

11.A **SOLID WASTE SERVICES PROPOSITION 218 HEARING**
RECOMMENDATION:

Staff recommends that the City Council:

1. Conduct a public hearing to accept written protests and verbal comments regarding the proposed increase in solid waste fees, track the number of valid written protests and, if the number of written protests received by the close of the public comment portion of the hearing is not sufficient to constitute a majority, make a finding that there is not a majority protest; and
2. Adopt Resolution No. 7628, entitled: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SANTA PAULA, CALIFORNIA, APPROVING THE MAXIMUM PERMITTED SERVICE CHARGES FOR SOLID WASTE COLLECTION SERVICES.

12. ACTION ITEMS

12.A **CITY HALL FACILITIES COMPLEX RESILIENCY PROJECT - SOLAR PANEL + BATTERY ENERGY STORAGE SYSTEMS**
RECOMMENDATION:

Approve and authorize Clean Power Alliance (CPA) to submit, on behalf of the City of Santa Paula, a project developing and implementing a solar panel and battery energy storage system at the City Hall complex, including City Hall, the Community Development building and the Police station, to CPA's Board of Directors for consideration within CPA's Power Ready Round 2 funding program.

Presented by: Bruce Belluschi, Management Analyst
John Spector, Clean Power Alliance (CPA)

13. ITEMS FOR FUTURE AGENDAS

13.A **FUTURE AGENDA ITEMS**
RECOMMENDATION:

Staff recommends City Council review future agenda items.

14. CLOSED SESSION

15. ADJOURNMENT

City Clerk

**CITY OF SANTA PAULA
MEMORANDUM**

To: Honorable Mayor and Members of the City Council Regular

From: Christy Ramirez, Finance Director

Subject: CALIFORNIA OFFICE OF EMERGENCY SERVICES DESIGNATION OF APPLICANT'S AGENT RESOLUTION

Date: September 2, 2026

Agenda Item: 10.A

RECOMMENDATION:

Staff recommends that the City Council:

1. Approve the California Office of Emergency Services "Designation of Applicant's Agent Resolution for Non-State Agencies" internally designated Resolution No. 7629.

BACKGROUND:

The City's current California Office of Emergency Services (Cal OES) form 130 has now expired and requires a new Cal OES form 130 be approved by Council. The new Cal OES form 130 functions as the resolution.

ANALYSIS:

The Governor's Office of Emergency Services requires all Applicants to complete the "Designation of Applicant's Agent Resolution for Non-State Agencies" (Cal OES Form 130) in order to be eligible to receive future funding. A new resolution must be submitted if a previously submitted Resolution is older than three (3) years from the last date of approval, is invalid or has not been submitted. The prior resolution, designated Resolution No. 7557, was dated 2025, however a new form was issued by the State and needs to be adopted by the City.

There are two ways to complete the resolution:

- 1) Titles only: This allows the document to remain valid (for 3 years) if an authorized Agent leaves the position and is replaced by another individual in the same title.
- 2) Names and Titles: A new Cal OES Form 130 will be required if any of the Authorized Agents are replaced, leave the position listed on the document or their title changes.

The attached Resolution proposes naming, by title only, the Finance Director and City Manager as authorized agents.

STRATEGIC PLAN:

While this action is not called out as an objective in the City's Strategic Plan, Emergency

Preparedness and response is identified as a broad goal and is consistent with objectives from the City's General Plan.

FISCAL IMPACTS:

Failure to file the Cal OES Form 130 would result in loss of future funding.

OPTIONS:

As an alternative to staff's recommendation, the City Council may:

1. Decline to adopt proposed resolution. Doing so would limit funding opportunities for the City.
2. Adopt the proposed resolution with amendments.

Cal OES ID No: _____

DESIGNATION OF APPLICANT'S AGENT RESOLUTION FOR NON-STATE AGENCIES #7629

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SANTA PAULA
(Governing Body) (Name of Applicant)

THAT FINANCE DIRECTOR, OR
(Title of Authorized Agent)

CITY MANAGER, OR
(Title of Authorized Agent)

(Title of Authorized Agent)

is hereby authorized to execute for and on behalf of the CITY OF SANTA PAULA,
(Name of Applicant)

a public entity established under the laws of the State of California, this application and to file it with the California Governor's Office of Emergency Services for the purpose of obtaining federal financial assistance for any existing or future grant program, including, but not limited to any of the following:

- **Federally declared Disaster (DR), Fire Mitigation Assistance Grant (FMAG), California State Only Disaster (CDAA), Immediate Services Program (ISP), Hazard Mitigation Grant Program (HMGP), Building Resilient Infrastructure and Communities (BRIC), Legislative Pre-Disaster Mitigation Program (LPDM)**, under
- Public Law 93-288 as amended by the Robert T. Stafford Disaster Relief and Emergency Assistance Act of 1988, and/or state financial assistance under the California Disaster Assistance Act.
- **Flood Mitigation Assistance Program (FMA)**, under Section 1366 of the National Flood Insurance Act of 1968.
- **National Earthquake Hazards Reduction Program (NEHRP)** 42 U.S. Code 7704 (b) ((2) (A) (ix) and 42 U.S. Code 7704 (b) (2) (B) National Earthquake Hazards Reduction Program, and also The Consolidated Appropriations Act, 2018, Div. F, Department of Homeland Security Appropriations Act, 2018, Pub. L. No. 115-141
- **California Early Earthquake Warning (CEEW)** under CA Gov Code – Gov, Title 2, Div. 1, Chapter 7, Article 5, Sections 8587.8, 8587.11, 8587.12

That the CITY OF SANTA PAULA, a public entity established under the
(Name of Applicant)

laws of the State of California, hereby authorizes its agent(s) to provide to the Governor's Office of Emergency Services for all matters pertaining to such state disaster assistance the assurances and agreements required.

Please check the appropriate box below

- ☒ This is a universal resolution and is effective for all open and future disasters/grants declared up to three (3) years following the date of approval.
- ☐ This is a disaster/grant specific resolution and is effective for only disaster/grant number(s): _____

Passed and approved this 2 day of September, 2026

(Governing Body)

of the CITY OF SANTA PAULA on the 2 day of September, 2026.
(Name of Applicant)

CITY CLERK

(Signature)

(Title)

Cal OES Form 130 Instructions

A Designation of Applicant's Agent Resolution for Non-State Agencies is required of all Applicants to be eligible to receive funding. A new resolution must be submitted if a previously submitted resolution is older than three (3) years from the last date of approval, is invalid, or has not been submitted.

When completing the Cal OES Form 130, Applicants should fill in the blanks on pages 1 and 2. The blanks are to be filled in as follows:

Resolution Section:

Governing Body: This is the group responsible for appointing and approving the Authorized Agents.

Examples include: Board of Directors, City Council, Board of Supervisors, Board of Education, etc.

Name of Applicant: The public entity established under the laws of the State of California.

Examples include: School District, Office of Education, City, County or Non-profit agency that has applied for the grant, such as: City of San Diego, Sacramento County, Burbank Unified School District, Napa County Office of Education, University Southern California.

Authorized Agent: These are the individuals that are authorized by the Governing Body to engage with the Federal Emergency Management Agency and the California Governor's Office of Emergency Services regarding grants for which they have applied. There are two ways of completing this section:

1. **Titles Only:** The titles of the Authorized Agents should be entered here, not their names. This allows the document to remain valid if an Authorized Agent leaves the position and is replaced by another individual. If "Titles Only" is the chosen method, this document must be accompanied by either a cover letter naming the Authorized Agents by name and title, or the Cal OES AA Names document. The supporting document can be completed by any authorized person within the Agency (e.g., administrative assistant, the Authorized Agent, secretary to the Director). It does not require the Governing Body's signature.
2. **Names and Titles:** If the Governing Body so chooses, the names **and** titles of the Authorized Agents would be listed. A new Cal OES Form 130 will be required if any of the Authorized Agents are replaced, leave the position listed on the document, or their title changes.

Checking Universal or Disaster-Specific Box: A Universal resolution is effective for all past disasters and for those declared up to three (3) years following the date of approval. Upon expiration it is no longer effective for new disasters, but it remains in effect for disasters declared prior to expiration. It remains effective until the disaster goes through closeout unless it is superseded by a newer resolution.

Governing Body Representative: These are the names and titles of the approving Board Members.

Examples include: Chairman of the Board, Director, Superintendent, etc. The names and titles **cannot** be one of the designated Authorized Agents. A minimum of three (3) approving board members must be listed. If less than three are present, meeting minutes must be attached in order to verify a quorum was met.

Certification Section:

Name and Title: This is the individual in attendance who recorded the creation and approval of this resolution.

Examples include: City Clerk, Secretary to the Board of Directors, County Clerk, etc. This person **cannot** be one of the designated Authorized Agents or Approving Board Member. If a person holds two positions (such as City Manager and Secretary to the Board) and the City Manager is to be listed as an Authorized Agent, then that person could sign the document as Secretary to the Board (not City Manager) to eliminate "Self-Certification."

**CITY OF SANTA PAULA
MEMORANDUM**

To: Honorable Mayor and Members of the City Council Regular

From: Dale Goodman, Public Works Director

Subject: SOLID WASTE SERVICES PROPOSITION 218 HEARING

Date: September 2, 2026

Agenda Item: 11.A

RECOMMENDATION:

Staff recommends that the City Council:

1. Conduct a public hearing to accept written protests and verbal comments regarding the proposed increase in solid waste fees, track the number of valid written protests and, if the number of written protests received by the close of the public comment portion of the hearing is not sufficient to constitute a majority, make a finding that there is not a majority protest; and
2. Adopt Resolution No. 7628, entitled: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SANTA PAULA, CALIFORNIA, APPROVING THE MAXIMUM PERMITTED SERVICE CHARGES FOR SOLID WASTE COLLECTION SERVICES.

BACKGROUND:

On October 1, 2022, the City entered into an Exclusive Collection Services Agreement (“Agreement”) with Arakelian Enterprises, Inc. DBA Athens Services (“Athens Services”) for the collection of solid waste, recycling, and organic waste services. Subsequently, Athens Services submitted a request to the City for an extraordinary rate increase pursuant to Section 4.08 of the Agreement. Athens Services was required to demonstrate that an event or circumstance occurred or will occur which is not reasonably foreseeable or within its control and is not a usual business risk. “Usual business risk” is defined as including routine changes in the costs of providing services, external economic conditions existing in the normal course of business, and changes in the market for recyclables. Upon reviewing the request, the City Council determined Athens Services was entitled to an extraordinary rate increase at a regular meeting on June 17, 2026.

Specifically, the City Council found Athens Services satisfactorily demonstrated two qualifying events: a disposal site tipping fee increase and a citrus quarantine. On July 1, 2024, the Del Norte Regional Recycling and Transfer Station significantly raised its disposal gate rates ranging between 27.4% and 68.9%. Then, on October 3, 2024, the California Department of Food and Agriculture declared the area around Santa Paula as an active citrus quarantine zone and caused Athens Services to incur an additional \$490,000 in unplanned disposal and logistical costs.

ANALYSIS:

The proposed solid waste rate increase implements a permanent one-percent (1%) rate increase for three consecutive years starting October 1, 2026.

In an abundance of caution, the City has elected to conduct a Proposition 218 public hearing prior to allowing Athens Services to charge the new rates. In accordance with Proposition 218, the City mailed a notice at least forty-five (45) days in advance to all property owners and customers responsible for payment of the charges proposed to be increased. The notice, sent in both Spanish and English, included a description of the reasons for the cost increases, the proposed rate increases, and the date and time of the public hearing.

Summarized below is the Proposition 218 majority protest process and requirements:

1. At the Proposition 218 public hearing, the City Council shall consider all written and oral comments received. Written comments are a formal protest; oral comments are not a formal protest and will not be counted in the calculation of whether a majority protest exists. Only one written protest is allowed per identified address or parcel number. The written protest must include, at a minimum, the following information:

- a. State that the identified property owner or tenant opposes the proposed fee increases to the solid waste collection rates;
- b. Provide the location of the identified parcel (by street address or assessor's parcel number); and
- c. Include the name and signature of the property owner or tenant submitting the protest.

2. If protests against the rate increase are not received from a majority of the property owners and/or tenants, the City Council will be authorized to approve the proposed rate changes, as adopted by the Resolution.

If the Resolution is adopted, the new rates, as set forth in Exhibit A to the Resolution, attached as Exhibit C to this report, will go into effect on October 1, 2026. On October 1, 2026, October 1, 2027, and July 1, 2028, the rates for solid waste services shall be increased at a rate of one percent (1%) without further public hearing. These proposed rate increases will be in addition to the existing rates under the Agreement, which provides that Athens Services may charge 6.9% annual increases through June 30, 2028, followed by a 4% increase beginning July 1, 2028, and annual consumer price index (CPI) increases starting July 1, 2029. Prior to implementing these rate increases, the City shall provide written notice of the rate increase at least thirty (30) days in advance of the effective date.

STRATEGIC PLAN:

This agenda item supports Strategic Plan ***Goals C and D - Ensuring public safety and health by providing comprehensive solid waste collection and recycling services.***

FISCAL IMPACTS:

If there is no majority protest, the rate increase will result in increased revenue to Athens, which will in turn generate an increase in fee payments to the City under the Agreement. Section 3.05 of the Agreement governs the City's treatment of those payments under applicable law. Because the fiscal effect of the increase, if any, will depend on future

circumstances and legal requirements, it cannot be quantified at this time.

OPTIONS:

Not applicable.

Certificado de destrucción	Emisión de un certificado de destrucción para el cliente.	\$ 210.10	\$ 210.09

EXHIBIT B

Public Notice

**NOTICE OF PUBLIC HEARING
ON SEPTEMBER 2, 2026
REGARDING PROPOSED INCREASE TO
SOLID WASTE SERVICE RATES**

NOTICE IS HEREBY GIVEN that pursuant to Article XIII D of the California Constitution, the Santa Paula City Council will conduct a public hearing on **Wednesday, September 2, 2026, at 6:30 p.m.** in the City Council Chambers, **970 E. Ventura Street, Santa Paula, CA 93060**, or as soon thereafter as the matter may be heard, to consider adjustments in refuse collection rates for the collection and handling of solid waste, green waste, food scrap waste, and recycling (collectively, “solid waste services”) effective October 1, 2026.

The public may view the hearing remotely. However, comments will only be accepted in written form and in-person. Remote viewers will have no option to question or comment. The City will provide information on attending and participating in the public hearing and will post that information on the City’s website when such information becomes available in the meeting agenda for the public hearing.

REASONS FOR THE PROPOSED RATE INCREASES

The City provides solid waste services through an exclusive franchise agreement with Arakelian Enterprises, Inc. DBA Athens Services (“Athens Services”) for solid waste services. All properties that generate waste within the City are required to subscribe to the solid waste services provided by Athens Services. Pursuant to the franchise agreement, fees for solid waste services are imposed on customers in the City that receive such services from Athens Services. Athens Services bills the customers directly and the revenues from the rates are used to pay Athens Services for the solid waste services provided under the franchise agreement.

Athens Services has requested, and the City Council determined at a June 17, 2026 regular meeting, that Athens Services is entitled to an extraordinary rate increase under Section 4.08 of the franchise agreement. Athens Services satisfactorily demonstrated that two events – a citrus quarantine and a disposal site tipping fee increase – were not reasonably foreseeable nor within its control and were not a “usual business risk” as defined in Section 4.08. On October 3, 2024, the California Department of Food and Agriculture declared the area around Santa Paula as an active citrus quarantine zone and caused Athens Services to incur an additional \$490,000 in unplanned disposal and logistical costs. Additionally, on July 1, 2024, the Del Norte Regional Recycling and Transfer Station significantly raised its disposal gate rates ranging between 27.4% and 68.9%. This determination grants a permanent one-percent (1%) rate increase for three consecutive years starting October 1, 2026 to account for these events.

These proposed rate increases will be in addition to the existing franchise agreement, which provides that Athens Services may charge 6.9% annual increases through June 30, 2028, followed by a 4% increase beginning July 1, 2028, and annual consumer price index (CPI) increases starting July 1, 2029.

PROPOSED SOLID WASTE SERVICE FEES

To implement these changes, Athens Services and the City have proposed an amendment to the franchise agreement. If there is no majority protest (50% + 1 of property owners and responsible tenants), the rates shown in Exhibit A attached to this notice will be adopted and become effective October 1, 2026.

The rate structure for solid waste services has three customer classes: residential single-family, residential multi-family, and commercial. For all customers, the rates for solid waste services are imposed based on the type of the refuse container, the size of the refuse container, and the number of collections per week. Customers may request temporary extra pick-ups of their containers than are scheduled and may also request the delivery of temporary extra containers to their property. A separate rate is charged to any customer who requests these services. Further details regarding the proposed rates for each customer class and service level are shown in Exhibit A attached to this notice.

Rate Increase Adjustment

On October 1, 2026, October 1, 2027, and July 1, 2028, the rates for solid waste services shall be increased at a rate of one percent (1%). These increases address a portion of the additional costs incurred by Athens Services associated with the citrus quarantine (approximately \$490,000) and the increase in landfill tipping fees charged by the Del Norte Regional Recycling and Transfer Station effective July 1, 2024.

PUBLIC HEARING AND PROTEST

The record owner of any parcel upon which the proposed rates for solid waste services are imposed or any tenant directly responsible for the payment of those rates (i.e., customer of record) may submit a written protest to the proposed rate increase; however, only one protest will be counted per identified parcel. Any written protest must: (1) state the protest is being submitted in opposition to the proposed rate increase; (2) provide the location of the identified parcel (by assessor's parcel number or street address); and (3) include the name and signature of the property owner or tenant directly responsible for the payment of the solid waste service fees submitting the protest. Written protests may be submitted by mail or in person to the City Clerk at **970 E. Ventura Street, Santa Paula, CA 93060**. The City Clerk must receive written protests delivered by mail no later than 12 p.m. on the date of the public hearing, or if delivered

in person, prior to the close of the public comment portion of the public hearing (date, time, and location noted above). Any written protest received following the close of the public hearing will not be counted. Please identify on the front of the envelope for any protest, whether mailed or submitted in person to the City Clerk, Attn: Public Hearing on Solid Waste Rate Increases.

The City Council will consider all written protests and oral comments to the proposed rate increases and annual rate adjustments at the public hearing. Oral comments at the public hearing will not qualify as formal protests unless accompanied by a written protest. Upon the conclusion of the public hearing, the City Council will consider adoption of the rate increases to the City's solid waste service fees as described herein. If written protests against the proposed rate increases are not presented by a majority (50% + 1) of the property owners of the identified parcels upon which the proposed rates are to be imposed and tenants directly responsible for the payment of the solid waste service fees, the City Council will be authorized to impose the rate increases as outlined above. If adopted, the proposed rates take effect beginning October 1, 2026. The City is conducting this Proposition 218 majority protest proceeding out of an abundance of caution and without conceding the applicability of Proposition 218 to the franchise agreement or to solid waste service provided by Athens Services.

If you have any questions regarding this notice or how your rates will be affected, you may contact Bruce Belluschi at 805-933-4212, Ext. 309 or bbelluschi@spcity.org.

AVISO DE AUDIENCIA PÚBLICA
2 DE SEPTIEMBRE DEL 2026
SOBRE EL PROPUESTO AUMENTO DE LAS TARIFAS DEL SERVICIO
DE RECOLECCIÓN DE RESIDUOS SÓLIDOS –

POR MEDIO DEL PRESENTE SE NOTIFICA que, de conformidad con el Artículo XIII D de la Constitución del Estado de California, el Concejo Municipal de la Ciudad de Santa Paula llevará a cabo una audiencia pública el **miércoles 2 de septiembre de 2026, a las 6:30 p.m.**, en la Sala del Concejo Municipal, ubicada en **970 E. Ventura Street, Santa Paula, CA 93060**, o tan pronto como el asunto pueda ser considerado, para evaluar los ajustes propuestos a las tarifas del servicio de recolección y manejo de residuos sólidos, residuos verdes, residuos de alimentos y materiales reciclables (denominados colectivamente como "servicios de residuos sólidos"), con vigencia a partir del 1 de octubre de 2026.

El público podrá ver la audiencia de manera remota. Sin embargo, los comentarios únicamente serán aceptados por escrito o en persona. Quienes participen de forma remota no tendrán la opción de hacer preguntas ni presentar comentarios. La Ciudad proporcionará información sobre cómo asistir y participar en la audiencia pública, la cual será publicada en el sitio web de la Ciudad cuando dicha información esté disponible en el orden del día de la reunión.

RAZONES DEL PROPUESTO AUMENTO DE TARIFAS

La Ciudad presta los servicios de residuos sólidos mediante un acuerdo exclusivo de franquicia con Arakelian Enterprises, Inc., que opera como Athens Services ("Athens Services"), para la prestación de dichos servicios. Todas las propiedades que generan residuos dentro de la Ciudad están obligadas a suscribirse a los servicios de residuos sólidos proporcionados por Athens Services. Conforme al acuerdo de franquicia, se cobran tarifas por los servicios de residuos sólidos a los clientes de la Ciudad que reciben dichos servicios. Athens Services factura directamente a los clientes y los ingresos provenientes de estas tarifas se utilizan para pagar a Athens Services por los servicios prestados conforme al acuerdo de franquicia.

Athens Services solicitó un aumento extraordinario de tarifas y, durante la reunión ordinaria del Concejo Municipal celebrada el 17 de junio de 2026, el Concejo determinó que Athens Services tiene derecho a dicho aumento conforme a la Sección 4.08 del acuerdo de franquicia. Athens Services demostró satisfactoriamente que dos acontecimientos —una cuarentena de cítricos y un incremento en las tarifas de disposición de residuos en el sitio de eliminación— no eran razonablemente previsibles, estaban fuera de su control y no constituían un "riesgo comercial habitual", según lo definido en la Sección 4.08. El 3 de octubre de 2024, el Departamento de Alimentos y Agricultura de California declaró el área alrededor de Santa Paula como una zona activa de cuarentena de cítricos, lo que ocasionó que Athens Services incurriera en aproximadamente \$490,000 en costos adicionales no previstos relacionados con la disposición y logística de residuos. Además, el 1 de julio de 2024, la estación Del Norte Regional Recycling and Transfer Station incrementó significativamente sus tarifas de disposición, con aumentos que oscilaron entre 27.4 % y 68.9 %. Como resultado, esta determinación autoriza un aumento

permanente del 1 % anual durante tres años consecutivos, comenzando el 1 de octubre de 2026, para compensar parcialmente estos costos extraordinarios. Estos aumentos propuestos serán adicionales a los aumentos ya establecidos en el acuerdo de franquicia vigente, el cual permite que Athens Services aplique incrementos anuales del 6.9 % hasta el 30 de junio de 2028, seguidos por un aumento del 4 % a partir del 1 de julio de 2028, y posteriormente aumentos anuales basados en el Índice de Precios al Consumidor (CPI) a partir del 1 de julio de 2029.

TARIFAS PROPUESTAS PARA LOS SERVICIOS DE RESIDUOS SÓLIDOS

Para implementar estos cambios, Athens Services y la Ciudad han propuesto una enmienda al acuerdo de franquicia. Si no se presenta una protesta mayoritaria (50 % + 1 de los propietarios de las propiedades y los inquilinos responsables del pago), las tarifas que aparecen en el Anexo A adjunto a este aviso serán aprobadas y entrarán en vigor el 1 de octubre de 2026.

La estructura tarifaria para los servicios de residuos sólidos contempla tres categorías de clientes: residencial unifamiliar, residencial multifamiliar y comercial. Para todos los clientes, las tarifas se determinan según el tipo de contenedor de residuos, el tamaño del contenedor y el número de recolecciones por semana. Los clientes también podrán solicitar recolecciones adicionales temporales de sus contenedores o la entrega temporal de contenedores adicionales a su propiedad. Estos servicios estarán sujetos al cobro de una tarifa independiente. Los detalles completos de las tarifas propuestas para cada categoría de cliente y nivel de servicio se encuentran en el Anexo A adjunto a este aviso.

AJUSTE DEL AUMENTO DE TARIFAS

El 1 de octubre de 2026, el 1 de octubre de 2027 y el 1 de julio de 2028, las tarifas de los servicios de residuos sólidos aumentarán en un 1 %. Estos incrementos cubrirán una parte de los costos adicionales incurridos por Athens Services relacionados con la cuarentena de cítricos (aproximadamente \$490,000) y con el incremento en las tarifas de disposición cobradas por Del Norte Regional Recycling and Transfer Station, vigente desde el 1 de julio de 2024.

AUDIENCIA PÚBLICA Y PROCESO DE PROTESTA

El propietario registrado de cualquier parcela sobre la cual se impongan las tarifas propuestas para los servicios de residuos sólidos, o cualquier inquilino directamente responsable del pago de dichas tarifas (es decir, el cliente registrado), podrá presentar una protesta por escrito en contra del aumento propuesto de tarifas. Sin embargo, solo se contabilizará una protesta por cada parcela identificada. Toda protesta por escrito deberá indicar que se presenta en oposición al aumento propuesto de tarifas, identificar la ubicación de la parcela correspondiente mediante el número de parcela del tasador (Assessor's Parcel Number) o la dirección física, e incluir el nombre y la firma del propietario de la propiedad o del inquilino directamente responsable del pago de las tarifas de los servicios de residuos sólidos que presenta la protesta. Las protestas por escrito podrán presentarse por correo o en persona ante la Secretaria Municipal (City Clerk), en **970 E. Ventura Street, Santa Paula, CA 93060**.

La Secretaria Municipal deberá recibir las protestas enviadas por correo a más tardar a las 12:00 p.m. del día de la audiencia pública o, si se entregan en persona, antes de que concluya el período de comentarios públicos de la audiencia (en la fecha, hora y lugar indicados anteriormente). No se contabilizará ninguna protesta por escrito recibida después de concluida la audiencia pública. En el frente del sobre de cualquier protesta, ya sea enviada por correo o entregada en persona a la Secretaria Municipal, deberá indicarse: Attn: Public Hearing on Solid Waste Rate Increases.

El Concejo Municipal considerará todas las protestas por escrito y los comentarios orales relacionados con los aumentos de tarifas propuestos y los ajustes anuales de tarifas durante la audiencia pública. Los comentarios orales presentados durante la audiencia pública no se considerarán protestas formales, a menos que estén acompañados de una protesta presentada por escrito. Al concluir la audiencia pública, el Concejo Municipal considerará la aprobación de los aumentos a las tarifas de los servicios de residuos sólidos de la Ciudad, conforme a lo descrito en este aviso. Si una mayoría (50 % + 1) de los propietarios de las parcelas identificadas sobre las cuales se impondrán las tarifas propuestas y de los inquilinos directamente responsables del pago de las tarifas de los servicios de residuos sólidos no presenta protestas por escrito en contra de los aumentos de tarifas propuestos, el Concejo Municipal quedará autorizado para aprobar los aumentos de tarifas conforme a lo descrito anteriormente. Si son aprobadas, las tarifas propuestas entrarán en vigor el 1 de octubre de 2026. La Ciudad lleva a cabo este procedimiento de protesta mayoritaria conforme a la Proposición 218 por un exceso de precaución y sin admitir que dicha Proposición sea aplicable al acuerdo de franquicia ni a los servicios de residuos sólidos prestados por Athens Services.

Si tiene alguna pregunta sobre este aviso o sobre cómo se verán afectadas sus tarifas, puede comunicarse con Bruce Belluschi al (805) 933-4212, ext. 309, o por correo electrónico a bbelluschi@spcity.org.

EXHIBIT C

Resolution No. 7628

RESOLUTION NO. 7628

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SANTA PAULA,
CALIFORNIA, INCREASING THE MAXIMUM PERMITTED SERVICE CHARGES FOR
SOLID WASTE COLLECTION SERVICES**

The City Council for the City of Santa Paula does resolve as follows:

Section 1. The City Council finds and declares as follows:

- A. Arakelian Enterprises, Inc. dba Athens Services ("Athens") provides solid waste collection and related services to the City of Santa Paula ("City") pursuant to an Exclusive Collection Services Agreement ("Agreement").
- B. The Agreement authorizes annual inflationary rate adjustments and extraordinary rate adjustments under specified circumstances, with the City Council establishing the maximum rates Athens may charge for such services.
- C. Athens has requested an extraordinary rate adjustment to recover increased costs associated with the citrus quarantine and landfill tipping fees.
- D. The City has determined that the requested extraordinary rate adjustment is authorized under the Agreement and necessary to account for those increased costs.
- E. California Constitution article XIII D, section 6 ("Article XIII D") requires notice and a public hearing before the City may impose an increase in solid waste service rates, including mailed notice to affected property owners and directly liable tenants at least 45 days before the hearing.
- F. The City mailed the required notice on July 15, 2026, and held the public hearing on September 2, 2026.
- G. The City received a total of ___ written protests before the close of the hearing, including ___ received before the hearing and ___ received at the hearing.
- H. The protests were tabulated by the City Clerk and the City Clerk certified that the number received was insufficient to constitute a majority protest.
- I. The City has voluntarily complied with Proposition 218 out of an abundance of caution and without conceding its applicability.

SECTION 2: The foregoing recitals are true and correct and are incorporated herein by this reference.

SECTION 3: The City Council hereby approves the rates effective October 1, 2026 as set forth in **Exhibit A** attached hereto and incorporated herein by reference. The

rates will then be increased by 1% on October 1, 2027, and July 1, 2028, to account for the costs incurred by Athens Services related to the citrus quarantine and to passthrough the increases in landfill tipping fees. These increases are in addition to the previously approved increases under the Agreement, which provides that Athens Services may charge 6.9% annual increases through June 30, 2028, followed by a 4% increase beginning July 1, 2028, and annual consumer price index (CPI) increases starting July 1, 2029.

SECTION 4: This Resolution is not subject to the requirements of California Environmental Quality Act ("CEQA"). This Resolution is not a "project" within the meaning of Section 15378 of Title 14 of the California Code of Regulations ("State CEQA Guidelines") because it has no potential for resulting in direct or indirect physical change in the environment. This Resolution is also exempt under Section 15061(b)(3) because it can be seen with certainty that there is no possibility that the activity in question will have a significant effect on the environment. The documents and materials that constitute the record of proceedings on which these findings have been based are located at 970 Ventura Street Santa Paula, CA 93060. The custodian for these records is the City Clerk of the City.

SECTION 5: If any section, subsection, subdivision, sentence, clause, or phrase in this Resolution or any part thereof is for any reason held to be unconstitutional or invalid, ineffective by any court of competent jurisdiction, such decision shall not affect the validity or effectiveness of the remaining portions of this Resolution or any part thereof. The City Council hereby declares that it would have adopted each section irrespective of the fact that any one or more subsections, subdivisions, sentences, clauses, or phrases be declared unconstitutional, invalid, or ineffective.

SECTION 6: This Resolution shall supersede any and all provisions of any previous resolution approved by the City Council that may conflict with, or be contrary to, this Resolution.

SECTION 7: This Resolution shall take effect immediately upon its adoption.

SECTION 8: The City Clerk shall certify the adoption of this Resolution.

PASSED, APPROVED AND ADOPTED this 2nd day of September, 2026.

RESOLUTION NO. 7628

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SANTA PAULA,
CALIFORNIA, APPROVING THE MAXIMUM PERMITTED SERVICE CHARGES FOR
SOLID WASTE COLLECTION SERVICES**

WHEREAS, Arakelian Enterprises, Inc. DBA Athens Services ("Athens Services") a California corporation, provides refuse, recyclables, and organic waste (including green waste and food waste) (collectively, "solid waste") collection, transportation, recycling, processing, composting, and disposal services to the City of Santa Paula ("City") pursuant to an Exclusive Collection Services Agreement ("Agreement"); and

WHEREAS, Athens Services is required to provide such solid waste services ("Services") as set forth in the Agreement; and

WHEREAS, the Agreement provides that the rates Athens Services charges shall be adjusted each year for inflationary increases and may also be adjusted for other extraordinary factors; and

WHEREAS, Athens Services has requested an extraordinary adjustment to its rates to recover the cost incurred associated with the citrus quarantine (estimated at approximately \$490,000) and increased cost of landfill tipping fees; and

WHEREAS, the City Council is authorized under the Agreement to set the maximum permitted amounts Athens Services may charge for the Services ("Charges"); and

WHEREAS, the City has determined that Athens Services is entitled to an extraordinary rate increase to the Charges under the terms of the Agreement and such increase is necessary to account for the increased costs associated with the citrus quarantine and increased cost of landfill tipping fees; and

WHEREAS, the Charges will not be imposed on a parcel unless the services are actually used by, or immediately available to, the owner or tenant of the parcel; and

WHEREAS, California Constitution article XIII D, section 6 ("Article XIII D") requires that prior to imposing any increase to the Charges, the City shall provide written notice (the "Notice") by mail of: (1) the proposed increases to such Charges to the record owner of each parcel upon which the Charges are proposed for imposition and any tenant directly liable for payment of the Charges; (2) the amount of the Charges proposed to be imposed on each parcel; (3) the basis upon which the Charges were calculated; (4) the reason for the Charges; and (5) the date, time, and location of a public hearing (the "Hearing") on the proposed Charges; and

WHEREAS, pursuant to Article XIII D such Notice is required to be provided to the affected property owners and any tenant directly liable for the payment of the Charges not less than 45 days prior to the Hearing on the proposed Charges; and

WHEREAS, the Notice was mailed in accordance with Article XIII D; and

WHEREAS, the Hearing was held on September 2, 2026; and

WHEREAS, at the Hearing the City Council heard and considered all oral testimony, written materials, and written protests concerning the establishment and imposition of the proposed Charges, and at the close of the Hearing the City did not receive written protests against the establishment and imposition of the proposed rate increases for the Charges from a majority of the affected property owners upon which the Charges are proposed for imposition or any tenants directly liable for the payment of the Charges; and

WHEREAS, the City Council now desires to establish and impose the proposed Charges; and

WHEREAS, the City is voluntarily complying with Proposition 218 as noted above in an abundance of caution and without conceding the applicability of Proposition 218.

The City Council for the City of Santa Paula does resolve as follows:

SECTION 1: That the foregoing Recitals are true and correct and are incorporated herein by this reference.

SECTION 2: The City Council hereby approves the Charges effective October 1, 2026 as set forth in **Exhibit A** attached hereto and incorporated herein by reference. The Charges will then be increased by 1% on October 1, 2027, and July 1, 2028, to account for the costs incurred by Athens Services related to the citrus quarantine and to pass through the increases in landfill tipping fees. These increases are in addition to the previously approved increases under the Agreement, which provides that Athens Services may charge 6.9% annual increases through June 30, 2028, followed by a 4% increase beginning July 1, 2028, and annual consumer price index (CPI) increases starting July 1, 2029.

SECTION 3: This Resolution is not subject to the requirements of California Environmental Quality Act ("CEQA"). This Resolution is not a "project" within the meaning of Section 15378 of Title 14 of the California Code of Regulations ("State CEQA Guidelines") because it has no potential for resulting in direct or indirect physical change in the environment. This Resolution is also exempt under Section 15061(b)(3) because it can be seen with certainty that there is no possibility that the activity in question will have a significant effect on the environment. The documents and materials that constitute the record of proceedings on which these findings have been based are located at 970

Ventura Street Santa Paula, CA 93060. The custodian for these records is the City Clerk of the City.

SECTION 4: If any section, subsection, subdivision, sentence, clause, or phrase in this Resolution or any part thereof is for any reason held to be unconstitutional or invalid, ineffective by any court of competent jurisdiction, such decision shall not affect the validity or effectiveness of the remaining portions of this Resolution or any part thereof. The City Council hereby declares that it would have adopted each section irrespective of the fact that any one or more subsections, subdivisions, sentences, clauses, or phrases be declared unconstitutional, invalid, or ineffective.

SECTION 5: This Resolution shall supersede any and all provisions of any previous resolution approved by the City Council that may conflict with, or be contrary to, this Resolution.

SECTION 6: This Resolution shall take effect immediately upon its adoption.

SECTION 7: The City Clerk shall certify the adoption of this Resolution.

PASSED, APPROVED AND ADOPTED this 2nd day of September, 2026.

**CITY OF SANTA PAULA
MEMORANDUM**

To: Honorable Mayor and Members of the City Council Regular

From: Dale Goodman, Public Works Director

Subject: CITY HALL FACILITIES COMPLEX RESILIENCY PROJECT - SOLAR
PANEL + BATTERY ENERGY STORAGE SYSTEMS

Date: September 2, 2026

Agenda Item: 12.A

RECOMMENDATION:

Approve and authorize Clean Power Alliance (CPA) to submit, on behalf of the City of Santa Paula, a project developing and implementing a solar panel and battery energy storage system at the City Hall complex, including City Hall, the Community Development building and the Police station, to CPA's Board of Directors for consideration within CPA's Power Ready Round 2 funding program.

Presented by: Bruce Belluschi, Management Analyst
John Spector, Clean Power Alliance (CPA)

BACKGROUND:

The Santa Paula City Council has long sought to increase environmental sustainability by developing clean energy sources, a goal highlighted within Section A.2. of the City's Strategic Plan: *Explore funding opportunities and partnerships to implement energy efficiency projects, solar, and electric vehicle (EV) technologies.* The City has also previously confirmed its support for projects utilizing solar (photovoltaic (PV)) panels and battery energy storage systems (BESS) to enable clean energy to power backup systems at critical City-owned facilities during electrical power outages, especially if able to mitigate future energy costs.

Highlighting these environmental goals, the City became a member of the Clean Power Alliance Joint Powers Agreement in December of 2022 and, after the City Council approved 100% Green Power as the City's default rate option in June 2023, has been delivering clean energy to the City of Santa Paula community since March of 2024. This Council item would build upon the City's successful multi-year partnership with CPA.

The item being provided today for your consideration of advancement to the next stage within CPA's approval process is the development and implementation of a solar panel and battery energy storage system project at the City's City Hall complex, including City Hall, the Community Development building and the Police station. If approved by Council today, this proposed project will advance to CPA's Board of Directors for consideration and a decision (anticipated to occur in the fall of this year) for funding within CPA's Power Ready Round 2 program.

The proposed project includes a solar panel canopy covering sixteen (16) parking spaces within the City Hall parking lot connected to back-up batteries installed at *each* of the three City Hall complex buildings to provide each facility with up to eight (8) hours of critical reserve energy during local power outage events (Exhibit 1). Significantly, the City's proposed project is one of only 30 potential sites selected by CPA to advance to this stage of the detailed assessments of the Power Ready Program from among a total of 200 initial submissions.

Also, because the project involves adding a solar panel canopy over ten (10) or more current parking spaces, CalGREEN (formerly known as the California Green Building Standards Code) requires the conversion of three (3) current parking lot spaces to Level 2 electric vehicle (EV) charging stations and a fourth parking space to be a Level 2 "capable" space (i.e., having the basic electrical preparation needed to support a future Level 2 charger, but without wiring or a charger installed). As with the solar panel and battery system, CPA will cover the entire cost (estimated at \$ 94,000) of the EV charging infrastructure through a separate program, the Pathways to Electrification Program within CPA's Energized Communities initiative.

If the City's project is approved by the CPA Board, staff will return to Council in early 2027 seeking Council approval and authorization for the City Manager to sign both a Memorandum of Understanding (MOU) and a Site Lease Agreement (SLA) with CPA to ensure the City remains eligible for project development.

ANALYSIS:

The City Hall complex energy project highlights the City's goals of improving energy resiliency, reducing future energy costs, supporting critical infrastructure, generating clean energy, and improving the health of our local community by reducing the use of diesel generators. The project also provides the City with EV charging stations, thereby achieving another of the City's long-term sustainability goals.

If authorized to proceed by both the City Council and CPA's Board of Directors, CPA and its subcontractors will be responsible for developing the system design, including final engineering, procurement, and project implementation. Staff will return to City Council to finalize necessary agreements and confirm project execution.

Owing to the Power Ready 2 program guidelines, there are no additional costs to the City from the proposed project being recommended for advancement today for consideration by CPA's Board. Conversely, lower customer energy costs is not a benefit of CPA's Power Ready Program, as CPA keeps any solar-generated energy cost savings (\$ 33.4K/year (est.)) to partially offset CPA's total project costs (\$ 1.27-1.28M (est.)). The primary program benefit to the City is the assurance of City facility resiliency through clean energy from solar-generated energy stored in batteries, rather than from greenhouse gas-contributing power from diesel generators, during local power outages.

CPA will own and maintain the solar panel and battery energy storage systems and EV chargers throughout the term (20 years) of any future MOU and associated lease agreement, should the City ultimately be selected to receive funding by CPA's Board. At the conclusion of the lease agreement, the City will have the option of buying-out the installed infrastructure for a then estimated fair market value or, should the City decline the buy-out option, CPA will remove all installed infrastructure at no cost to the City.

John Spector, Senior Program Manager at Clean Power Alliance, will present a PowerPoint presentation describing the project and answer any questions from Council members at tonight's meeting.

STRATEGIC PLAN:

This project supports the City's adopted Strategic Plan ***Section A.2, Green Initiatives - Explore funding opportunities and partnerships to implement Energy Efficiency projects, solar, and electric vehicle (EV) technologies.*** Installing solar photovoltaic panels and battery energy storage systems will produce clean and sustainable energy, significantly decrease non-renewable (dirty) energy usage and avoid the emission of greenhouse gasses produced by diesel generators during local power outages.

FISCAL IMPACTS:

There is no fiscal impact related to today's Council item, since both staff's recommendation and Council's decision only involve whether or not the City should remain within CPA's Power Ready 2 program for future consideration as a final funding awardee by CPA's Board of Directors.

However, if the City Hall complex project is ultimately selected by CPA's Board to advance into the implementation phase, there will be no additional cost to the City as CPA guarantees, through on-bill adjustment mechanisms, annual electricity charges for participants will be equal to or less than the amount that would have otherwise been charged if the City did not participate. Conversely, the City will not receive any revenue or cost benefits from the project, since CPA keeps any solar-generated energy cost savings (\$ 33.4K/year (est.)) to partially offset CPA's total project costs (\$1.27-1.28M (est.)).

OPTIONS:

As an alternative to staff's recommendation, the City Council may:

1. Not approve the recommended action, thereby removing the City of Santa Paula and this potential project from eligibility and further consideration within CPA's Power Ready 2 program.

Power Ready Overview

Why Power Ready?

- ⚡ Power outage events, including planned Public Safety Power Shutoffs (PSPS) and unplanned outages continue to disrupt community services; unprecedented weather events continue to pose threats to grid reliability.
- ⚡ Communities are seeking clean energy resilience solutions that align with climate adaptation and climate action plans.
- ⚡ Resilience projects are expensive, complex, and require specialized knowledge to design, implement, and maintain.

What is Power Ready?

- ⚡ CPA provides member agencies and their critical community facilities with resilient, clean, on-site solar and battery storage backup power systems at no upfront cost and no additional costs.
 - A portion of the battery will be available for power outages for select critical loads at facilities.
 - Annual electricity charges for the Site Host will be *equal to or less than the amount that would have otherwise been charged if they did not participate*.
- ⚡ To be eligible, facilities must provide a critical public service or serve as a place of refuge for the community.

Power Ready System
Example Illustration

Power Ready Roles & Contracts

Power Ready Roles:

- **CPA:** Oversees the Power Ready program; provides oversight, project management, and funding.
- **Site Host:** The member agency hosting the Power Ready system and receiving the resilience benefits.
- **Owner's Representative:** Technical consultant assisting CPA to independently verify the EPC designs and project construction meets specifications.
- **EPC:** Engineers, procures equipment, and constructs the projects for CPA on the Site Host property.
- **O&M Contractor:** Provides post-construction recurring inspections, as needed repairs, and optimizes the system's performance.

(*City of Santa Paula)

Power Ready Project Scope of Work

City Hall

⚡ Solar Installation:

- Solar is proposed to be in the central parking area.
- Solar layout is shown for the needs of the City Hall scope of work only.

⚡ Battery Installation:

- Battery systems are proposed to be in the north-western portion of the facility outside near the existing backup generator.
- A CMU wall is to be installed around the battery.

● EV Installation:

- CalGreen code may not be triggered by the individual City Hall carport and likely will not result in additional EV chargers required.
- CPA's Energized Community Program can support this scope, if required, working closely with the City on the exact scope to comply with CalGreen.

Aerial image of the solar and battery location

Legend:

- Carport Solar System
- Battery Energy Storage System (BESS) equipment and clearance

Power Ready Project Scope of Work

Community Center

⚡ Solar Installation:

- Solar is proposed to be in the central parking area.
- Solar layout is shown for the needs of the Community Development Dept. scope of work only.

⚡ Battery Installation:

- Battery systems are proposed to be adjacent the Community Development Dept. alley.
- A CMU wall is to be installed around the battery.

⚡ EV Installation:

- CalGreen code may not be triggered by the individual Community Development Dept.'s carport and likely will not result in additional EV chargers required.
- CPA's Energized Community Program can support this scope, if required, working closely with the City on the exact scope to comply with CalGreen.

1 of 2 battery units is for the Community Center, the other for the Police Station

Power Ready Next Steps

⚡ Actions Completed to Date:

- ✓ CPA Screened 3 sites for program participation
- ✓ CPA and technical consultant completed the on-site assessment and issued a Draft Power Ready Report for City staff to review and provide comments
- ✓ CPA issued this Final Power Ready Report

⚡ Next Steps and Estimated Timeline:

- **Today** – September 2: City Council confirms the City's interest to remain within the Power Ready Program and desire to advance to implementation stage
- **Nov 5:** CPA's Board approves the Power Ready Round 2 portfolio of shortlist and alternate projects to advance into implementation
- **July '27:** CPA and City execute program contract documents (MOU* and Site Lease Agreement)
- **Aug '27:** CPA releases a solicitation and selects implementation vendor
- **Feb '28:** CPA and vendor designs, permits, and constructs project
- **Sept '29:** CPA and vendor operates and maintains project

(*20-year agreement term with buy-out option at end of term)

CPA

Power Ready Project Aligns with City of Santa Paula's Strategic Plan

City of Santa Paula 2040 General Plan, March 4, 2020

PSU 3.1 Emergency planning, response and recovery: Proactively plan for an effective response to emergency situations such as earthquakes, floods, wildfires, hazardous materials releases, and disaster recovery in cooperation with other Federal, State, and local agencies

City of Santa Paula City Council Two-Year Strategic Plan, 2025-2027

A2 Green Initiatives: Explore funding opportunities and partnerships to implement Energy Efficiency projects, solar, and electric vehicle (EV) technologies.

C8: Extreme Weather Mitigation:

Develop and explore ways to make the City and the residents more resilient to the impacts of extreme weather.

**CITY OF SANTA PAULA
MEMORANDUM**

To: Honorable Mayor and Members of the City Council Regular

From: Dan Singer, City Manager

Subject: FUTURE AGENDA ITEMS

Date: September 2, 2026

Agenda Item: 13.A

RECOMMENDATION:

Staff recommends City Council review future agenda items.

BACKGROUND:

The attached Future Agenda Items forecast identifies anticipated agenda items for upcoming Council meetings as well as Study Session topics and long-range discussion items. Placing this forecast on the agenda affords the Council and the public the opportunity to discuss such topics and to make any recommendations. It should be noted this is only a forecast and may change over the course of time or based on feedback by the Mayor and City Manager during review of future agendas.

ANALYSIS:

Should a member of the City Council wish to introduce a future agenda topic, it should be done in compliance with the Council's adopted Manual of Procedural Guidelines, Section 5.1. Items introduced by a member of the Council during a Council meeting requires a second and should be reserved for time-sensitive matters needing attention within the proceeding 45 day period.

STRATEGIC PLAN:

FISCAL IMPACTS:
