MEETING DATE: April 18, 2023

CITY AGENDA ITEM: Public Safety Incident Command Vehicle - (Roth: aroth@suisun.com).

- a. Council Adoption of Resolution No. 2023-____: Adopting the 3rd Amendment to the Annual Appropriation Resolution No. 2022-90 to Appropriate Funds Pursuant to Assembly Bill 179 For Purchase of Public Safety Equipment and Facility Upgrades; and
- b. Council Adoption of Resolution No. 2023-____: Authorizing the City Manager to Execute a Purchase Agreement with Farber Specialty Vehicles for an Incident Command Vehicle to be Assigned to the Police Department.

FISCAL IMPACT: Adding \$1.5 million from the State of California to the City's budget for Public Safety expenditures funded by Assembly Bill 179.

STRATEGIC PLAN:

- Ensure Public Safety, Section 3.6 - Develop and implement emergency preparation, response and recovery plans across the organization in collaboration with other community efforts.
 - Provide Good Governance, Section 4.7 - Improve productivity, efficiency, effectiveness, customer service and citizen satisfaction in all areas of municipal organization.
-

BACKGROUND: California State Assembly Member Lori Wilson sponsored Assembly Bill 179 for the fiscal year 22-23 to funnel \$1.5 million in funding to the City of Suisun City. This money is to specifically to be used for Public Safety Upgrades. The City has received this funding as of March 30, 2023.

On December 20, 2022, the Suisun City Council unanimously approved an amendment to Suisun City Police Department (SCPD) Military Equipment Policy (SCPD Policy 706) adding an incident command vehicle to the list of approved SCPD equipment. This amendment was done in accordance with Assembly Bill 481, passed in 2021, requiring law enforcement agencies to obtain approval from the applicable governing body (City Council) through a Public Hearing when adding any equipment defined by this bill as military equipment. This incident command vehicle was added to SCPD Policy 706 because Suisun City anticipated receiving state funding to purchase an incident command vehicle through Assembly Bill 179.

STAFF REPORT: On March 30, 2023, the City of Suisun City received a check from the State of California referencing "Assembly Bill 179 Funding" in the amount of \$1,500,000.00 for the command vehicle and other public safety upgrade projects. Because the city now has this money available, staff is requesting approval to accept this funding and make an amendment to the annual appropriation for fiscal year 2022-23 to reflect the amount forwarded by the State of California. Additionally, SCPD would like to move forward with the purchase of a command vehicle that would fit the needs of the police department and the city as a whole with regard to an emergency operations center (EOC).

In previous years, SCPD has had a command vehicle in the form of a trailer that was deployed in

various instances. Often, the trailer was used during community events, such as the 4th of July, as a rallying point where staff would receive assignments, a mobile shelter to take comfort breaks, and a location to bring lost children. The command vehicle trailer was clearly marked as a police vehicle to ensure the community would recognize the purpose of the trailer when deployed in public.

This command vehicle trailer also had the capability to be deployed during other instances like natural disasters, DUI checkpoint operations, and investigations where staff would need a temporary meeting point and significant lighting sources to conduct a thorough investigation (e.g., homicide investigations, major injury collisions, etc.).

Over the last several years, the SCPD command vehicle trailer has suffered significant damage. Leaks in the roof have caused the floor of the trailer to become unrepairable, and the state of the trailer is such that the deployment of the trailer could result in a staff or community member injury. Thus, the SCPD command vehicle trailer was retired in 2020.

During this 22-23 budget year, the State of California directed funding to the City of Suisun City for various public safety projects (Assembly Bill 179 referenced above). One specific area outlined in the CA state budget is funding to the City of Suisun City in the amount of \$500,000 for a police command vehicle to be used by SCPD. These funds are identified to be used only for a command vehicle, and if the City does not utilize these funds in the identified manner, the City will lose the funding, and the \$500,000 will be returned to the State.

SCPD previously identified a potential Command Vehicle built by Farber Specialty Vehicles prior to the amendment to SCPD Policy 706 as a model that could be used if the city did in fact receive funding and approve the equipment addition. Since that time, SCPD staff have continued to look for other vendors that fabricate command vehicles, but none of those vendors have been able to match the needs identified in the original planning for an SCPD Command Vehicle. Additionally, Farber Specialty Vehicles has gone through a vetting process with Omnia Partners, a public sector purchasing cooperative in which Suisun City participates.

Farber Specialty Vehicles recently provided an updated proposal for the vehicle build, which includes the desired equipment and a 3-year, 50,000-mile warranty on the chassis, and a two-year warranty on all workmanship by Farber. This proposed command vehicle would be used in similar instances as the retired command trailer, but the vehicle would also have upgraded technology options such as wireless internet, SMART Board equipment, multiple monitors, dispatch consoles and a separated area to be used similarly to an Emergency Operations Center during incidents necessitating staff deployment and planning during an emergency. The vehicle depicted in the updated and attached quote is the same vehicle specifications originally presented to Council as a model of what style of incident command vehicle SCPD was requesting to add to the existing policy.

This vehicle would be assigned to SCPD but used as a City asset in any major incident involving natural disaster, chemical spill, railway incident, or in a major fire incident to support Suisun City FD in emergency operations, staff planning and staff breaks in a similar manner as the command vehicle deployed by The Solano County Office of Emergency Services that was deployed to support fire operations on June 3rd, 2020, during the fire in the downtown area.

Photos of the attached mock build up and a similar build quote were presented to, and reviewed by, the Suisun City Public Safety and Emergency Management Committee during one of its regular meetings on December 1, 2022, with full committee support of adopting the amended policy and adding the described command vehicle to SCPD's equipment inventory. The timeline for the completion of this

build is approximately 11 months from the date the purchase order is issued.

STAFF RECOMMENDATION: Council Approval of Resolutions Appropriating Funds for the Purchase of Public Safety Equipment and Authorizing Purchase Agreement for an Incident Command Vehicle - (Roth: aroth@suisun.com).

- a. Council Adoption of Resolution No. 2023-____: Adopting the 3rd Amendment to the Annual Appropriation Resolution No. 2022-90 to Appropriate Funds Pursuant to Assembly Bill 179 For Purchase of Public Safety Equipment and Facility Upgrades; and
- b. Council Adoption of Resolution No. 2023-____: Authorizing the City Manager to Execute a Purchase Agreement with Farber Specialty Vehicles for an Incident Command Vehicle to be Assigned to the Police Department.

706.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the approval, acquisition, and reporting requirements of military equipment (Government Code § 7070; Government Code § 7071; Government Code § 7072). This policy will supersede previous SCPD Policy 210.

706.1.1 DEFINITIONS

Definitions related to this policy include (Government Code § 7070):

Governing body – The elected or appointed body that oversees the Department.

Military equipment – Includes but is not limited to the following:

- Unmanned, remotely piloted, powered aerial or ground vehicles.
- Mine-resistant ambush-protected (MRAP) vehicles or armored personnel carriers.
- High mobility multipurpose wheeled vehicles (HMMWV), two-and-one-half-ton trucks, five-ton trucks, or wheeled vehicles that have a breaching or entry apparatus attached.
- Tracked armored vehicles that provide ballistic protection to their occupants.
- Command and control vehicles that are either built or modified to facilitate the operational control and direction of public safety units.
- Weaponized aircraft, vessels, or vehicles of any kind.
- Battering rams, slugs, and breaching apparatuses that are explosive in nature. This does not include a handheld, one-person ram.
- Firearms and ammunition of .50 caliber or greater, excluding standard-issue shotguns and standard-issue shotgun ammunition.
- Specialized firearms and ammunition of less than .50 caliber, including firearms and accessories identified as assault weapons in Penal Code § 30510 and Penal Code § 30515, with the exception of standard-issue firearms.
- Any firearm or firearm accessory that is designed to launch explosive projectiles.
- Noise-flash diversionary devices and explosive breaching tools.
- Munitions containing tear gas or OC, excluding standard, service-issued handheld pepper spray.
- TASER® Shockwave, microwave weapons, water cannons, and long-range acoustic devices (LRADs).
- Kinetic energy weapons and munitions.
- Any other equipment as determined by a governing body or a state agency to require additional oversight.

706.2 POLICY

It is the policy of the Suisun City Police Department that members of this department comply with the provisions of Government Code § 7071 with respect to military equipment.

706.3 MILITARY EQUIPMENT COORDINATOR

The Chief of Police should designate a member of this department to act as the military equipment coordinator. The responsibilities of the military equipment coordinator include but are not limited to:

- (a) Acting as liaison to the governing body for matters related to the requirements of this policy.
- (b) Identifying department equipment that qualifies as military equipment in the current possession of the Department, or the equipment the Department intends to acquire that requires approval by the governing body.
- (c) Conducting an inventory of all military equipment at least annually.
- (d) Collaborating with any allied agency that may use military equipment within the jurisdiction of Suisun City Police Department (Government Code § 7071).
- (e) Preparing for, scheduling, and coordinating the annual community engagement meeting to include:
 1. Publicizing the details of the meeting.
 2. Preparing for public questions regarding the department's funding, acquisition, and use of equipment.
- (f) Preparing the annual military equipment report for submission to the Chief of Police and ensuring that the report is made available on the department website (Government Code § 7072).
- (g) Establishing the procedure for a person to register a complaint or concern, or how that person may submit a question about the use of a type of military equipment, and how the Department will respond in a timely manner.

706.4 MILITARY EQUIPMENT INVENTORY

The following constitutes a list of qualifying equipment for the Department:

Description, quantity, capabilities, and purchase cost.

Defense Technology 40mm LMT Tactical Single Shot Launcher With Expandable Stock

- Description: Tactical single shot launcher that features an expandable ROGERS Super Stock and an adjustable Integrated Front Grip (IFG) with light rail. The ambidextrous Lateral Sling Mount (LSM) and QD mounting systems allow both a single and two point sling attachment. The 40LMT will fire standard 40mm less lethal projectiles propelled by smokeless powder, up to 4.8 inches in cartridge length. The Picatinny Rail Mounting System will accept a wide array of enhanced optics/sighting systems. Double action S&W trigger group, barrel length of 14 inches rifled bore.
- Cost: \$985.70 (Curtis Blue Line Uniforms)

- Quantity of four (4)

DEFENSE TECHNOLOGY, Model 6325 eXact iMPact 40mm sponge round.

- Description: 40 mm sponge Round delivers a point-of-aim, point-of-impact direct-fire round in the form of a plastic body and sponge nose. It is a lightweight, high-speed projectile that is spin stabilized via the incorporated rifling collar and the 40mm launcher's rifled barrel. Due to the smokeless powder as the propellant, it has velocities that are extremely consistent. This round has been effectively used for crowd control, patrol, and tactical applications.
- Cost: \$28.65 per round
- Quantity of one hundred ten (110)

Farber Specialties Custom Built Mobile Command Vehicle

- One 33' vehicle with emergency lighting and audio visual equipment for use as a mobile emergency operations center or incident command vehicle during investigations, critical incidents, natural disasters and other incidents such as chemical spills or a fire event. This vehicle will also be used for community events as a mobile meeting point for staff and community members during events like 4th of July Fireworks, National Night Out, Christmas on the Waterfront and other community outreach events where police and other city staff can advertise their presence and connect with the community.
- Cost is estimated at \$500,000.00 - funding provided by the State of California

REMINGTON 870 LESS LETHAL SHOTGUN,

- **Description :** The Remington 870 Less Lethal Shotgun is used to deploy the less-lethal 12-gauge Super-Sock Beanbag Round up to a distance of 75 feet. The range of the weapon system helps to maintain space between officers and a suspect reducing the immediacy of the threat, which is a principle of Deescalation.
- Cost: \$800 per rifle
- Quantity: five (5)

12-GAUGE DRAG STABILIZED BEAN BAG ROUND

The Drag Stabilized™ 12-Gauge Round is a translucent 12-Gauge shell loaded with a 40-Gram tear shaped bag made from a cotton and ballistic material blend and filled with #9 shot. This design utilizes four stabilizing tails and utilizes smokeless powder as the propellant. The 12-Gauge Drag Stabilized Round has secured its place as the Law Enforcement Communities' number one choice for limiting the escalation of conflict where the deployment of lethal force is prohibited.

Cost: \$7 per round

Quantity: Fifty (50)

706.5 APPROVAL

The Chief of Police or the authorized designee shall obtain approval from the governing body by way of an ordinance adopting the military equipment policy. As part of the approval process, the Chief of Police or the authorized designee shall ensure the proposed military equipment policy is submitted to the governing body and is available on the department website at least 30 days prior to any public hearing concerning the military equipment at issue (Government Code § 7071). The military equipment policy must be approved by the governing body prior to engaging in any of the following (Government Code § 7071):

- (a) Requesting military equipment made available pursuant to 10 USC § 2576a.
- (b) Seeking funds for military equipment, including but not limited to applying for a grant, soliciting or accepting private, local, state, or federal funds, in-kind donations, or other donations or transfers.
- (c) Acquiring military equipment either permanently or temporarily, including by borrowing or leasing.
- (d) Collaborating with another law enforcement agency in the deployment or other use of military equipment within the jurisdiction of this department.
- (e) Using any new or existing military equipment for a purpose, in a manner, or by a person not previously approved by the governing body.
- (f) Soliciting or responding to a proposal for, or entering into an agreement with, any other person or entity to seek funds for, apply to receive, acquire, use, or collaborate in the use of military equipment.
- (g) Acquiring military equipment through any means not provided above.

706.6 COORDINATION WITH OTHER JURISDICTIONS

Military equipment used by other jurisdictions that are providing mutual aid to this jurisdiction shall comply with their respective military equipment use policies in rendering mutual aid.

706.7 ANNUAL REPORT

Upon approval of a military equipment policy, the Chief of Police or the authorized designee should submit a military equipment report to the governing body for each type of military equipment approved within one year of approval, and annually thereafter for as long as the military equipment is available for use (Government Code § 7072).

The Chief of Police or the authorized designee should also make each annual military equipment report publicly available on the department website for as long as the military equipment is available for use. The report shall include all information required by Government Code § 7072 for the preceding calendar year for each type of military equipment in department inventory.

706.8 COMMUNITY ENGAGEMENT

Within 30 days of submitting and publicly releasing the annual report, the Department shall hold at least one well-publicized and conveniently located community engagement meeting, at which

the Department should discuss the report and respond to public questions regarding the funding, acquisition, or use of military equipment.

706.9 USE IN EXIGENT CIRCUMSTANCES

The Suisun City Police Department participates with the Solano County Sheriff's Special Response Unit and works closely with local, county, state, and federal partners. In exigent circumstances and with the approval of the Chief of Police or designee, military equipment may be deployed from outside entities to promote the safety and security of community members. If the Police Department acquires, borrows, or uses military equipment in exigent circumstances, it will provide written notification of the acquisition or use to the City Council within 30 days following the commencement of such exigent circumstance, unless such information is confidential or privileged under local, state or federal law.
