Darrin Peterson is a happily married father of two teenagers (Elena 17 and Ben 15). Darrin, Cheryl and the kids moved into Barrington Hills in 2017. Darrin grew up in Oak Forest and went to the University of Iowa where he studied Chemical Engineering. He spent time working for General Mills and Nabisco as an engineer. He attended the Booth School of Business at the University of Chicago earning an MBA with concentrations in Economics and International Business. He then went on to work for Cargill, Inc and is now a Global Platform Leader at Tate & Lyle, a British food ingredient business with their North American headquarters in Hoffman Estates.
