- 1.1 Presentation of the Ailey Young House Heritage Site/NE Gateway Park Concept Plan.

Senior Planner- Historic Preservation, Michelle Michael presented a detailed overview of the Ailey Young House and Northeast Gateway Park concept vision plan, emphasizing its alignment with the Town's strategic goals, including fostering a safe, diverse, and inclusive community, preserving historic resources, and investing in the Northeast Community. Ms. Michael explained the historical significance of the Ailey Young House as the oldest known African American resource in Wake Forest, highlighting its Reconstruction-era architecture and the legacy of key families such as the Young family, Mary Elizabeth Simmons, and Willis Johnson. Ms. Michael reviewed prior research and site analysis, including historic aerial studies, archaeological investigations, environmental assessments, and identified constraints such as protected habitat, a stream, easements, and the property's historic landmark status. She outlined an extensive community engagement process involving focus groups, open houses, surveys, and stakeholder input, which revealed strong support for passive recreation, historical interpretation, and community-centered design.

Ms. Michael described the evolution of the design from two initial concepts to a final plan shaped by public feedback, featuring a meandering trail system, open pavilion, gathering spaces, interpretive elements, public art opportunities, and a pedestrian-oriented layout with limited parking due to site constraints. Ms. Michael also highlighted unique features such as "story cubes," a potential "legacy tree" to honor community members, and interpretive elements to reflect historic structures like Simmons Row. Ms. Michael noted that design considerations must balance accessibility, environmental sensitivity, and preservation, including coordination with the Historic Preservation Commission and potential National Register designation. Ms. Michael concluded by presenting visual renderings of the site and explaining how the park will serve as both a recreational space and a place for storytelling and cultural recognition.

Board members expressed strong appreciation for the presentation and the collaborative effort behind the project, emphasizing enthusiasm for preserving local history and creating a meaningful community space. Commissioner Sliwinski raised a question regarding the use of mulch paths and potential ADA accessibility concerns, suggesting consideration of more durable and inclusive materials. Ms. Michael responded that alternative materials such as decomposed granite are being evaluated and will be further considered during the

construction design phase, balancing accessibility needs with the site's archaeological sensitivity. Overall, the Board conveyed strong support for the project and its direction.

1.2 Presentation on Local Erosion & Sedimentation Control Program MOA Update

Engineering Director Tim Watson provided an overview of the Town's local Erosion and Sedimentation Control Program, explaining its purpose, legal foundation, and recent updates requiring Board approval. Mr. Watson noted that soil erosion is the leading cause of water pollution in North Carolina and emphasized the importance of erosion control measures, such as silt fences, sediment basins, and ground cover in protecting water quality. Mr. Watson outlined the program's origins in the 1973 Sedimentation Pollution Control Act, which established authority for the state's Sedimentation Control Commission and the NCDEQ Land Quality Section. Mr. Watson explained that, under state law and administrative code, local governments may delegate authority to administer erosion control programs if they adopt compliant ordinances and maintain qualified staff, allowing for more efficient and localized oversight compared to state enforcement alone.

Mr. Watson detailed the Town's responsibilities under the delegated program, including reviewing erosion control plans within mandated timeframes, requiring plans for land disturbances (locally set at one-half acre, exceeding the state's one-acre threshold), ensuring compliance with state and environmental regulations, and conducting regular site inspections, particularly after rainfall events. Mr. Watson also described enforcement authority, including issuing notices of violation and requiring corrective actions, as well as administrative duties such as reporting program activities and violations to NCDEQ. Mr. Watson noted that the Town recently underwent a formal State review on July 30, 2025, during which multiple sites were inspected, and subsequently received continued delegation status on August 21, 2025, confirming the program meets State requirements. These reviews occur approximately every five years.

Mr. Watson advised the purpose of the presentation was to introduce an updated Memorandum of Agreement (MOA) from the Sedimentation Control Commission, replacing the Town's existing 2012 agreement. Mr. Watson explained that the revised MOA includes mostly minor clarifications across three

sections: Program Creation, Responsibilities and Expectations of the Commission, and Responsibilities and Expectations of the Local Government. Notable updates include clarification language in program establishment, the addition of Exclusive State Jurisdiction over certain activities (such as those related to oil and gas exploration), and minor adjustments to reporting procedures. A significant addition is a new section outlining the process for voluntary Termination of a Local Program, providing a formal mechanism for transferring responsibilities back to the State, if necessary, though Mr. Watson emphasized this is procedural and not indicative of any planned change.

ACTION:

Mover: Commissioner Shackleford moved to authorize the Town Manager to sign the updated MOA.

Seconder: Commissioner Wright

Vote: Motion carried 5-0

1.3 Presentation and update on Northern Community Food Security Team (NCFST) initiatives.

Community Outreach Manager Andrew Brown introduced the Northern Community Food Security Team (NCFST), noting that only a few current Board members were present when the initiative began in 2018, and explained their intent to provide a fuller understanding beyond written materials. Mr. Brown read the organization's mission statement, emphasizing that NCFST is a collaborative network of partners and community members dedicated to eliminating food insecurity in northern Wake County, with a focus on Wake Forest and Rolesville. Mr. Brown described how the group originated as a small team of five individuals and evolved through collaboration, including merging efforts with Rolesville to strengthen impact and avoid duplication of services.

Mr. Brown explained that NCFST functions as a connector among nonprofits, faith-based organizations, schools, healthcare providers, volunteers, and community groups. He emphasized that one of the organization's primary goals is to reduce duplication and improve communication among groups addressing food insecurity. Through this collaborative model, NCFST implements and supports a variety of year-round food access programs, including mobile markets, mini markets, and produce distribution partnerships. Mr. Brown

highlighted regular contributions of fresh produce to the Wake Forest Community Table, as well as partnerships with the Boys and Girls Club and the Northern Regional Center. Mr. Brown noted that Town support, including recent funding, has been critical to expanding these efforts, though some funding sources are set to expire later in the year, prompting future sustainability discussions.

Mr. Brown detailed how NCFST identifies service gaps and responds by developing targeted programs, citing the COVID-19 pandemic as a key example. During that time, the organization coordinated a large-scale drive-through food distribution event that provided essential items such as meat, dairy, and produce to community members. Mr. Brown described the organization's broader "ecosystem," which includes support for multiple community gardens, such as those at local churches and community centers. A notable project included partnering to construct a pavilion at a community garden, which now serves as a space for shade, educational programming, and community events. Mr. Brown also highlighted educational outreach efforts, including distributing information through partners like Tri-Area Ministries, which serves approximately 2,000 individuals monthly.

Further, Mr. Brown outlined the organization's operational activities, including maintaining and supporting food pantries, coordinating food pickup and distribution, collaborating with local farmers markets, and supporting community meal programs and summer food initiatives. Mr. Brown emphasized the importance of volunteerism and community engagement, noting opportunities for residents, students, and organizations to contribute through food drives, pantry support, and event participation. Mr. Brown underscored the importance of partnerships and took time to recognize numerous partner organizations and individuals at the meeting, expressing gratitude for their contributions and emphasizing that the organization's success depends on these collaborative relationships.

Mr. Brown then reviewed current and ongoing initiatives aligned with the Town's Strategic Plan. These included recurring global markets held twice monthly, expansion of the mini pantry network, continued food drives in partnership with the Wake Forest Police Department and others, and robust

resource-sharing efforts through a large partner network. Mr. Brown also highlighted seasonal and special programs, such as holiday meal distributions, Easter box giveaways, and the revival of the national “Stamp Out Hunger” food drive in partnership with the U.S. Postal Service. Additionally, Mr. Brown discussed support for long-standing community efforts like the CROP Walk, which raises funds to combat hunger.

In closing, Mr. Brown outlined future plans, including continued program development, expanded partnerships, and increased community engagement. He highlighted recent collaborations with local churches and community events, such as the Church of Latter-day Saints, focused on gardening and food education. A key upcoming initiative is the development of a more formalized food summit (2026 NCFT Food Summit August 26th at 5:30 p.m. at the WF Renaissance Centre) to be held in the fall, building on existing regular meetings but with a greater focus on identifying service gaps, strengthening partnerships, and improving overall coordination. Mr. Brown concluded by inviting questions and reaffirming the organization’s commitment to addressing food insecurity through collaboration and innovation.

- 1.4 Presentation of LEGISLATIVE CASE RZ-25-02, 810 & 814 S. Main St. Rezoning, a rezoning filed by Tyler Davis to rezone .46 acres located at 810 S. Main St. and 814 S. Main St., being Wake County Tax PIN(s) 1840381862 and 1840381744, from General Residential 3 (GR3) and Richland Creek Watershed Management Area District (RC-WMA) to Neighborhood Business (NB) and Richland Creek Watershed Management Area District (RC-WMA).

Planner II Rayvon Walker provided a detailed presentation on rezoning request RZ-25-72 for properties located at 810 and 814 South Main Street. He identified the applicant as Tyler Davis, with ownership shared among Tyler Davis, Irene Davis, and Davis Dental Properties, LLC. Mr. Walker described the subject site as approximately 0.46 acres located at the southwest corner of West Holding Avenue and South Main Street. He explained that the current zoning is General Residential 3 (GR3) with the Richland Creek Watershed Management Overlay District, and the applicant is requesting rezoning to Neighborhood Business (NB) while retaining the overlay district. Existing uses on the property include a

duplex and a dental office, and both parcels are within the Town's corporate limits.

Mr. Walker reviewed surrounding zoning and land uses, noting a mix of residential and commercial designations in the area. Adjacent uses include single-family homes to the north, east, and west, and a gas station to the south, reflecting a transitional corridor along South Main Street. He stated that the proposed rezoning is consistent with the Town's Community Plan for three primary reasons. First, the Future Land Use Map designates the area as Neighborhood Commercial, which supports retail, service, and office use permitted under Neighborhood Business zoning. Second, the request aligns with the South Main Street area plan, which identifies the corridor as a gateway into downtown and encourages revitalization through neighborhood-serving commercial development. And third, the proposal supports broader policy guidance promoting economic development through expanded commercial opportunities.

Mr. Walker also addressed a conflict with the Comprehensive Transportation Plan, which calls for the future realignment of West Holding Avenue as part of an NCDOT project. He explained that this could impact redevelopment of the site, particularly the parcel at 810 South Main Street, though no immediate development plans have been submitted. Mr. Walker noted that the proposal was reviewed by the U.S. 1 Council of Planning, which found it inconsistent with the Capital Boulevard Study due to the anticipated roadway project. However, discussions with NCDOT indicated no immediate plans for property acquisition and no objection to the rezoning request at this time.

Mr. Walker further emphasized that approval of the rezoning would allow a range of permitted uses under Neighborhood Business zoning by right, and each potential use should be considered in that context. Mr. Walker reported that the Planning Board held a Public Comment session on February 10th and recommended approval of the request, finding it consistent with the Comprehensive Plan and in public interest. Mr. Walker concluded by stating that staff also recommend approval on the same basis and invited questions from the Board.

Commissioner Wright asked for clarification, noting that the property in question appeared to already be operating as a business. Commissioner Wright questioned why a rezoning request was necessary at this time, given the long-standing presence of the dental office on the site. Mr. Walker advised that the property owner could better address the question and indicated that the applicant was present to provide clarification. Applicant Tyler Davis explained that the request involves two buildings across three parcels: a duplex located at 810 and 812 South Main Street and an existing dental office at 814 South Main Street, which has operated since 1953. Mr. Davis stated that he has owned and operated the dental office since 2012 and purchased the adjacent duplex property in 2017. The purpose of the rezoning is to allow him to expand his dental practice into the adjacent duplex, bringing the properties under consistent zoning. Mr. Davis emphasized that the dental office is currently a legal nonconforming (grandfathered) use under the existing residential zoning, and the rezoning would align the zoning designation with the actual and intended use of the properties. Commissioner Wright asked for confirmation that the applicant did not intend to pursue more intensive or unrelated commercial uses permitted under the proposed Neighborhood Business zoning. Commissioner Wright expressed concern about the wide range of allowable uses and sought reassurance that the applicant's plans were limited in scope. Mr. Davis confirmed that he has no intention of pursuing high-intensity or incompatible uses. He stated that his plans are modest and focused solely on expanding the existing dental practice. Improvements would primarily include making the building compliant with accessibility requirements, such as installing a handicap ramp, and accommodating additional patients. Mr. Davis also noted that he has communicated with neighboring property owners, who have expressed support or no objection to the proposal.

Commissioner Fatmi raised questions regarding the potential impact of the future S-Line (NCDOT) transportation project, particularly on the duplex parcel. Mr. Davis clarified that the duplex consists of 810 and 812 South Main Street, while 814 South Main Street is the dental office. He confirmed that the duplex parcel is the one most likely to be affected by the future roadway project.

1.5 Consideration of Sponsorship and Facility Naming Rights Policy

Parks, Recreation, and Cultural Resources Director Ruben Wall explained that staff is bringing forward a proposed policy to address sponsorships and naming rights across the Town. He noted that while some procedures and informal practices currently exist, there is no comprehensive or standardized policy to guide staff or decision-making. Mr. Wall emphasized that sponsorships and naming opportunities—particularly within Parks and Recreation through athletic facilities, events, and programs—have grown significantly, and the Town needs clear criteria and processes. The proposed policy is intended to merge sponsorship and naming rights into a single framework, establishing consistent standards, an application process, and defined expectations for both staff and potential sponsors. Mr. Wall also highlighted the importance of including provisions for revocation or termination of naming rights if circumstances change, which is currently lacking. He explained that the need for such a policy has become more evident with recent and future projects, such as Taylor Street Park, where naming decisions are anticipated.

Mr. Wall further emphasized that the policy effort expanded beyond Parks and Recreation, as multiple departments—including Planning, Communications, and Downtown Development—are involved in sponsorship-related activities. He stated that the goal is to create a unified, town-wide policy to ensure consistency and avoid fragmented approaches across departments. Mr. Wall acknowledged that developing the policy has been more complex than initially expected but expressed confidence that establishing clear guidelines now will benefit the Town as it continues to grow and develop new facilities.

Mayor Clapsaddle asked whether the intent of the policy is to standardize practices across all Town departments rather than allowing each department to operate independently. Mr. Wall confirmed that the primary goal is to create a consistent, Town-wide standard so that all departments follow the same procedures and criteria, rather than relying on varying informal practices.

Commissioner Fatmi asked whether the proposed policy largely reflects existing practices that are already being followed informally, and whether the intent is to formalize and standardize those processes. Mr. Wall advised that while many

good practices are already in place, they are currently disjointed and not uniformly applied. He reiterated that the policy is intended to provide a single, clear framework that ensures all necessary steps are followed consistently. Commissioner Fatmi raised concerns about the revocation, modification, and termination section of the policy, specifically asking whether the Town has previously revoked naming rights and what potential legal implications could arise if the Town were to revoke such rights after they have been granted. Commissioner Fatmi requested that the Town Attorney review these concerns and provide guidance at a later date. Town Attorney Nathan McKinney confirmed he will return with the requested information. Mr. Wall acknowledged the concern, noting that staff has considered these issues and agreed that further legal review would be appropriate. He also emphasized the importance of background checks, explaining that the Town must ensure that individuals or entities associated with naming rights align with community values, particularly given the permanence and visibility of such recognitions.

Commissioner Shackleford asked about past naming decisions, specifically referencing a previously named park, and whether any formal process had been used at that time. Mr. Wall indicated that there was no clear or documented policy or process in place for that naming decision, reinforcing the need for the proposed policy.

Town Attorney Nathan McKinney explained that the draft presented to the Board is approximately 90–95% complete and that staff intends to refine it further based on feedback received. Mr. McKinney stated that a finalized draft could be brought back to the Board for consideration at a future meeting. The Board discussed timing and agreed to delay formal consideration of the policy to allow staff to incorporate feedback and finalize the document. The Board indicated a preference to revisit the item at a future meeting, with staff suggesting a target of March 17th for presentation of the finalized draft for potential approval.

1.6 Consideration of Statues and Monuments Policy

Parks, Recreation, and Cultural Resources Director Ruben Wall introduced a proposed policy regarding statues, monuments, and memorials on Town-owned

property. He explained that, like the sponsorship and naming rights discussion, the Town currently lacks a formalized process for evaluating and approving such requests. While there have been occasional requests in the past that were handled through various channels, no consistent policy exists to guide staff or decision-making. He noted that requests for monuments and memorials are increasing, particularly in parks and other Town facilities, and emphasized the need to establish clear criteria and procedures to determine what types of installations, if any, should be permitted. The intent of the policy is to provide structure, ensure consistency, and support both staff and the Board in making informed decisions.

Commissioner Shackleford asked whether there are any existing monuments or memorials currently located on Town property. Mr. Wall advised that there are very few examples, with limited known instances such as a memorial at a police substation and possibly a historical or art-related installation. It was noted that one previously discussed monument was not ultimately placed on Town property, further underscoring the lack of a consistent history or process for such requests.

Mr. Wall reiterated that the absence of a clear policy has made it difficult to evaluate requests and determine appropriate locations or criteria. He emphasized that the proposed policy would apply specifically to Town-owned property and would help guide decisions about whether to allow monuments or memorials and under what conditions.

Town Attorney Nathan McKinney explained that two policy options were presented for the Board's consideration. One option provides a more comprehensive framework with defined criteria and processes for approving monuments and memorials, while the other is more restrictive, generally prohibiting such installations except for limited categories such as public art or historical markers. Mr. McKinney also noted that adopting a clear, viewpoint-neutral policy is important to reduce potential legal risks and ensure consistent application.

Commissioner Shackleford expressed that he is not yet prepared to make a decision between the proposed policy options and requested additional time for review. Several Board members indicated they had not fully analyzed the policies and preferred to revisit the discussion at a later meeting.

The Board decided to defer action on the statues and monuments policy to allow for further review. The Board reached consensus to bring the item back at the March 17th meeting, with the expectation that Board members would provide feedback and be prepared for further discussion and potential action at that time.

2. Discussion of Monthly Financial Report

2.1 Discussion of January Financial Summaries

Monthly Financial Report Received.

Mayor Clapsaddle asked if there were any questions or comments. None were heard.

3. Review of Draft Agenda for Upcoming Regular Meeting

3.1 Draft Agenda for BOC Regular Meeting March 17, 2026

Mayor Clapsaddle made an addition of a proclamation to the agenda recognizing the American Legion Auxiliary of Post 187 in honor of Women's Veterans Month in March, acknowledging their support and service to women veterans in the Wake Forest community.

Town Manager Kip Padgett advised that the Parks, Recreation, and Cultural Resources Sponsorship and Facility Naming Rights Policy and Statues and Monuments Policy will be added to section 10 of the agenda.

4. Other Business

4.1 Discussion of Municipal Service District

Development Services Manager Patrick Riedy returned to the Board to provide additional background information regarding the Municipal Service District (MSD) in response to a prior request. Mr. Riedy outlined a historical timeline of downtown initiatives, beginning with the creation of the Downtown Revitalization Corporation in 1985, followed by the Downtown Redevelopment Plan in 1986 and the establishment of the MSD in 1988 to fund improvements such as parking. Subsequent milestones

included adoption of the Renaissance Plan in 2004, designation as a North Carolina Main Street community in 2006, expansion of the MSD in 2008, and continued planning efforts through updates and new plans in 2017, 2021, 2022, and 2024. Mr. Riedy also reviewed the MSD tax rate history and provided a summary of how MSD funds have been utilized over time, including investments in parking, streetscape improvements, wayfinding, lighting, façade grants, downtown planning efforts, and other enhancements that support downtown development. Current and upcoming budget allocations were also highlighted.

Commissioner Sliwinski explained that he had requested additional information to continue discussion following the Board's recent decision not to expand the MSD. He stated that his primary concern is the perceived inequity for residential property owners within the district, who may not receive the same level of direct benefit as commercial properties. Commissioner Sliwinski expressed interest in "reimagining" the MSD boundaries by removing residential properties from the district and asked staff to analyze the feasibility and financial implications of such a change. He noted that this would be a longer-term consideration for a future fiscal year and intended to provide direction for staff to begin evaluating options.

Commissioner Wright raised a concern regarding whether residential properties can legally be excluded from the MSD while retaining commercial properties, suggesting that state law may not permit selective taxation within the district. The discussion shifted to the possibility of redrawing district boundaries rather than exempting specific property types.

Commissioner Sliwinski acknowledged that adjusting boundaries may be the appropriate approach and reiterated his goal of ensuring equitable treatment of residential properties. He emphasized the need to evaluate different scenarios and understand the financial impacts before making decisions.

Commissioner Shackleford expressed support for continuing to invest in downtown, noting that MSD-funded improvements have contributed to the success and vibrancy of the area, benefiting both businesses and the broader community. At the same time, Commissioner Shackleford agreed that the Board should explore ways to maintain these benefits while addressing concerns about the impact on residential property owners.

Commissioner Fatmi asked for clarification on the specific request being made of staff.

Commissioner Sliwinski clarified that he is requesting staff to evaluate options for redrawing MSD boundaries to potentially exclude residential properties, along with a financial analysis of how such changes would affect revenue and the Town's ability to fund current and future downtown initiatives.

Mayor Clapsaddle summarized the Board's discussion, confirming that staff is being asked to analyze potential boundary adjustments, explore multiple options, and provide corresponding financial impacts and implications for services and projects currently funded by the MSD. Mr. Riedy also noted that any changes would require a formal public process, including public hearings, and would take time to implement.

The Board generally agreed to move forward with staff analysis. Board members acknowledged that the process will be complex and require careful consideration of legal, financial, and operational factors. Mr. Riedy confirmed that the direction provided was clear and that they would begin evaluating options and preparing the necessary information for future Board review.

3.B. Age Friendly Community Update

Ann Welton presented the update to the Board on the Town's participation in the AARP Age-Friendly Community Network, noting acceptance in June 2024 and current progress in Year 2 of the five-year program. Ms. Welton advised the first year included a comprehensive community survey and focus groups, which received record participation and captured diverse community input. Ms. Welton advised a needs assessment was completed based on AARP's eight domains of livability, and work is now underway to develop an action plan with recommendations to be presented later this spring. Ms. Welton emphasized that the age-friendly initiative serves all residents ("cradle to grave"), focusing on accessibility, safety, and inclusivity. There is ongoing research which includes collaboration with regional groups on "meaningful housing," visits to best-practice programs, and exploration of intergenerational services. Ms. Welton advised that they secured two AARP grants to conduct pedestrian and bicycle safety audits at 11 locations; findings highlighted strong areas and opportunities for improvement, particularly in pedestrian and bike safety. Also, they applied for an additional \$18,000 grant to enhance crosswalk safety along South Main Street. Ms. Welton advised the committee is reviewing each of the eight livability domains monthly to identify priorities, gaps, and opportunities. The future recommendations will include a mix of short- and long-term, cost-conscious initiatives aligned with community needs and Town priorities. Ms. Welton advised the

staff collaboration is ongoing to ensure alignment with existing Town plans and to avoid duplication; a budget request is being considered to support implementation of identified projects. The Board clarified that the program focuses on achievable, incremental improvements rather than large-scale cost increases. Ms. Welton advised the success will be measured by improved quality of life, accessibility, and inclusivity for residents of all ages and emphasized coordination with existing Town plans and identification of unmet needs. Ms. Welton discussed the importance of including youth perspectives and expanding intergenerational programming. Finally, Ms. Welton advised the final action plan, and recommendations will be presented to the Board later in the spring. Continued collaboration with Town staff, community members, and stakeholders to implement priority initiatives.

3.C Sustainability Plan Existing Conditions Presentation

Planning and Project Manager Kari Grace introduced Cisco Tomasino, consultant with Blue Strike Environmental, for an update on the development of the Town's Sustainability Plan, which will guide sustainability efforts over the next 10 years. The plan aims to establish a unified, data-driven strategy by assessing current conditions, reviewing existing policies, identifying climate risks, and developing goals, strategies, and actions with community input. Mr. Tomasino advised that work began in August with baseline data collection and research on existing Town initiatives. The public and stakeholder engagement is ongoing through spring. Mr. Tomasino advised the development of strategies and action items will follow, with a final plan expected later this year. Mr. advised that significant population growth has increased demand for housing, transportation, and services, while rising costs have created affordability pressures. The Town has several existing sustainability-related initiatives (e.g., composting pilot, microtransit, EV fleet transition), though efforts are not yet unified under a single framework. Mr. Tomasino advised the peer communities were reviewed for best practices, though approaches will be tailored to Wake Forest's needs. Mr. Tomasino gave an overview of greenhouse gas inventory, risk and vulnerability assessment, and public and stakeholder engagement. Mr. Tomasino advised the next steps are to develop evaluation criteria to prioritize sustainability strategies based on impact, cost, feasibility, and community input, establish goals, strategies, and action steps for implementation, and continue collaboration with staff and community stakeholders. Discussed expansion of composting efforts, including potential partnerships with local businesses. Clarified that the greenhouse gas inventory serves as a baseline; future goals and reduction targets will be determined during the next phase of planning. Emphasized importance of setting realistic, measurable targets aligned with Town, County, and State efforts.

8. Administration and Financial Items

8.A Consideration of approval of Amended Grant Policy & Procedures

Grants Program Manager Jack Cassidy presented an update to the Town's Grants Policy, originally adopted in 2011, to reflect organizational growth and increased grant activity. The core objective of the policy remains unchanged: to actively pursue grant funding to support capital improvements and services for residents and businesses. Mr. Cassidy advised the Town currently manages over \$60 million in active grant funding, with more than \$20 million awarded as of December 2025. The grants are primarily driven by individual departments, with support from Finance, Budget, Town Management, and Board approval where required. Mr. Cassidy advised existing grant processes are effective but vary by department, leading to inconsistencies and inefficiencies. Mr. Cassidy identified there are communication gaps that exist in financial and administrative coordination; however,

opportunities were identified to increase capacity and pursue additional funding without adding staff. Mr. Cassidy advised the creation of a Grants Program Manager role is to coordinate efforts. There is a requirement for each grant to have a designated departmental project manager and clear assignment of roles and responsibilities across departments and staff. Mr. Cassidy advised there will be implementation of a standardized, step-by-step grant lifecycle process (application through closeout) and introduction of formal quarterly updates to the Board on grant activity. Mr. Cassidy advised this is expected to improve coordination, accountability, and efficiency across departments, increased capacity to pursue additional grant opportunities, better align with strategic goals and financial oversight requirements, and streamline budgeting, reporting, and audit processes. Mr. Cassidy explained the next steps of immediate implementation of the updated process upon approval and continued collaboration across departments to pursue new funding opportunities, including several current grant applications in progress.

Commissioner Cross inquired about the determination of the grant amount to come before the Board. Mr. Cassidy clarified that no specific dollar threshold will determine Board review; many grants will continue to require Board approval based on funding source requirements. Commissioner Cross inquired about the criteria. Mr. Cassidy explained the criteria for pursuing grants, emphasizing cost-benefit considerations and staff capacity. Commissioner Fatimi inquired about the audit process. Mr. Cassidy confirmed that financial oversight, including audits, will be managed by the Finance Department and included in regular reporting. Commissioner Fatmi inquired if there will be quarterly audits. Mr. Cassidy confirmed quarterly updates will provide ongoing visibility into grant status, including audit and closeout stages.

Town Manager also advised that the process is included in the annual audit.

I) WELCOME AND OVERVIEW

Mayor Clapsaddle welcomed attendees and expressed appreciation for staff, emphasizing that the Town's success is driven by teamwork, collaboration, and the collective strengths of employees. Mayor Clapsaddle highlighted the importance of recognizing both individual contributions and the ability to work together effectively as an organization and shared feedback

from a recent community meeting, noting that residents frequently expressed appreciation for Town staff's responsiveness and support. Mayor Clapsaddle commended staff leadership and dedication to serving the community. After a brief overview of logistics, Mayor Clapsaddle introduced Town Manager Kip Padgett.

Town Manager Kip Padgett provided an overview of the day's agenda and encouraged open discussion, engagement and questions throughout the session.

II) Clifton Strengths – facilitated by, Mike Brown, Silver Eagle, LLC

Closed session for personnel discussion.

III) Public Power Overview (ElectriCities)

Roy Jones, CEO of ElectriCities, provided an overview of public power at the national, state, and regional levels, noting that Wake Forest is one of 75 public power communities in North Carolina and part of the Eastern Agency. The presentation emphasizes long-term planning challenges and the need to adapt to evolving energy demands, regulatory requirements, and infrastructure needs. Mr. Jones identifies the following trends and issues:

- Increasing energy demand, particularly from data centers and AI, is placing significant strain on the power grid.
- Aging infrastructure and rising costs for equipment (e.g., turbines) are creating challenges for maintaining reliable and affordable power.
- Supply chain delays are impacting the ability to build new generation capacity.

Mr. Jones discussed North Carolina's carbon reduction goals, including adjustments to allow more time for compliance and reduce near-term cost pressures. Legislative changes are expected to lower projected cost increases compared to earlier estimates. The wholesale power costs are projected to increase approximately 2.5%–3.5% annually. Mr. Jones advised residential customers may see gradual increases in monthly electric bills over time. Also, significant long-term investment is required for energy generation and infrastructure. Looking ahead, Mr. Jones advised future energy mix will include solar, battery storage, natural gas, and potential nuclear technologies (including small modular reactors). Planning is underway to meet long-term demand while maintaining reliability and affordability.

Mr. Jones advised of Eastern Agency updates. He advised of anticipated wholesale rate increases (approximately 4%–5% range) to maintain financial stability and working capital; the ongoing coordination among 32 member communities to manage costs and plan for future

needs; however, the past debt obligations have been paid off, resulting in historically lower costs in recent years.

Mr. Jones concluded with advising that North Carolina ranks among the lowest states nationally for residential electric rates and that continued efforts are focused on balancing cost, reliability, and future energy demands.

IV) Lunch

V) Public Power Overview (Wake Forest Power (operation, budget, ten-year plan))

Electric Utility Director Chris Terrell provided an overview of public power, noting that utilities like Wake Forest Power are locally owned, not-for-profit, and accountable to residents rather than shareholders. Mr. Terrell explained that revenues are reinvested into infrastructure and service improvements.

- Public power systems were highlighted as more reliable than investor-owned utilities, with fewer outages and shorter downtime, due to local control and responsiveness.
- Wake Forest Power has operated since 1909 and currently serves over 9,200 customers. The system includes two substations, extensive distribution infrastructure, and maintains approximately 99.9% reliability.
- The utility operates as an enterprise fund, supported by customer rates rather than taxes. The Board has historically favored gradual rate adjustments to maintain stability and fund system improvements.
- Staff presented a 10-year long-range plan addressing projected growth, with peak demand expected to increase from approximately 48 MW to 56 MW by 2035 due to residential and commercial development.
- Key findings indicate the system is performing well but will face capacity and reliability challenges without upgrades, particularly under contingency scenarios.
- Recommended improvements include:
 - Construction of a new express feeder between substations
 - Circuit upgrades and load balancing improvements
 - Installation of automated reclosers to improve outage response
- The total estimated cost for planned upgrades is approximately \$500,000 over 10 years.
- Staff emphasized that these investments will support continued reliability, accommodate growth, and improve system resilience.

VI) Special Events Discussion/Strategic Plan update

Organizational Performance Director Lisa Hayes provided an overview of the Town's special events program, explaining the three main event types: Town-sponsored events, community-organized events, and facility rentals requiring Town support. She highlighted the significant planning, coordination, and staffing required across multiple departments, noting that staff often volunteer beyond regular work hours to support events. Over the past year, the Town supported 149 events, many occurring on evenings, weekends, and holidays, creating strain on staffing—particularly in public safety. Due to increasing demand and limited capacity, the Town has implemented a pause on adding new Town events, requiring any new event to replace or consolidate an existing one. Ms. Hayes also presented proposed updates to the special events policy, recommending a tiered insurance structure that maintains \$2 million coverage for smaller events and increases requirements to \$5 million for larger, higher-risk events to better protect Town resources. Ms. Hayes requested Board consideration to move the policy update forward for approval at a February work session.

Board members discussed the growing demand for events and agreed the Town is approaching a capacity “tipping point,” particularly regarding staffing and public safety resources. Board members expressed support for the pause on new Town events and emphasized the importance of maintaining employee work-life balance and preventing staff burnout. There was consensus that flexibility should remain in evaluating events rather than setting a strict cap, while still ensuring responsible resource management. Board members also voiced support for the proposed tiered insurance policy, acknowledging increased liability risks and rising costs. No objections were raised to advancing the policy for consideration at a February work session, and Board members generally agreed with staff's approach to balancing community engagement with operational sustainability. Additionally, Ms. Hayes reviewed the current 2022–2027 Strategic Plan and recommended a streamlined “refresh” process for 2027, retaining the mission and core values while reassessing goals and priorities through consultant support and community engagement.

VII) Demographics and Trends

Long Range Manager Brad West provided an updated overview of demographic, housing, and development trends, noting limited availability of recent census data due to delays. Wake Forest has experienced significant population growth since the 1990s and remains a predominantly single-family, owner-occupied, and highly educated community. While development activity has slowed slightly, residential and commercial growth continues, with a strong presence of single-family housing. The current median home sales price is approximately \$540,000, highlighting ongoing housing affordability challenges compared to local income levels. Multifamily development has increased, contributing to higher vacancy rates and stabilizing

rental prices, though future projects may temporarily raise vacancy levels before being absorbed. Mr. West also reviewed school enrollment trends, noting that growth is occurring primarily in other parts of the county, with new school construction planned accordingly. Overall, Wake Forest continues to grow steadily, with evolving housing and market conditions requiring ongoing monitoring.

Board members asked questions regarding recent apartment vacancy rates and trends over time. Staff explained that vacancy rates were significantly lower in prior years (around 4%) but have recently increased to approximately 15–18% due to new multifamily units entering the market. It was noted that upcoming developments will likely cause temporary increases in vacancy rates before stabilizing as units are leased. Board members also discussed the challenges of tracking rental ownership data due to varying property ownership structures. No formal action was taken.

Planning Director Jennifer Currin shared a visual overview of land use and development trends, noting that a majority of land within the Town and ETJ is already developed, limiting future greenfield opportunities and increasing the likelihood of infill and redevelopment. Residential uses dominate (approximately 79%), with only about 6–7% currently commercial, though the community plan targets closer to 20% non-residential to support long-term sustainability. Housing stock remains primarily single-family, with only modest increases in townhomes and multifamily units expected. Ms. Currin emphasized the fiscal impact of land use, noting that residential development typically costs more in services than it generates in tax revenue, while commercial development helps offset those costs. With projected population growth nearing 120,000 by 2040 and limited remaining land, Ms. Currin highlighted the importance of balancing residential and commercial growth using existing planning tools and policies.

Board members expressed concern that continued residential growth without sufficient commercial development could negatively impact the Town's long-term financial sustainability. Board members discussed the need to better understand the appropriate balance between residential and commercial development and suggested conducting additional analysis to project future budget impacts and guide rezoning decisions. Commissioner Wright asked, and Mayor Clapsaddle echoed, that a formal analysis be conducted. Commissioner Cross raised questions about whether current revenue-to-cost ratios are typical and how they have trended over time. Ms. Currin advised that staff has indicated that these trends are generally consistent nationwide and offered to coordinate further analysis with finance and economic development staff, potentially involving a consultant. Board members supported further evaluation to ensure future growth aligns with maintaining service levels and fiscal stability.

VIII) Commissioner Comments

Commissioner Wright expressed appreciation for the meeting and staff presentations, noting the value of the information shared. Commissioner Wright highlighted recent traffic data indicating that a significant portion of traffic entering Town originates from outside the area, suggesting congestion will continue to increase regardless of residential growth. Commissioner Wright requested that this information be incorporated into a future public presentation to better inform the Board and community.

Commissioner Cross thanked staff for the informative meeting and collaborative environment and asked for an update on traffic signal coordination efforts. Town Manager Kip Padgett indicated coordination discussions are ongoing. Commissioner Cross also acknowledged recent challenges faced by staff and offered encouragement, commending their professionalism and dedication while expressing Board support amid public criticism.

Commissioner Fatmi expressed appreciation to staff for their support and professionalism, noting a positive onboarding experience during his first month on the Board. Commissioner Fatmi encouraged continued open communication between staff and Board members and thanked staff for their ongoing efforts.

Commissioner Shackleford extended appreciation to staff for the hard work put into the retreat.

Mayor Clapsaddle echoed appreciation for staff and the quality of the presentations, emphasizing the professionalism of the organization. Mayor Clapsaddle shared positive feedback received from community members regarding staff performance and highlighted upcoming events, including a major July 3rd celebration tied to the nation's 250th anniversary. Mayor Clapsaddle encouraged staff to take time to rest during the holiday and invited participation in upcoming community events, reinforcing the importance of service to the community.

IX) Vacant Board Seat

Town Attorney Nathan McKinney provided guidance on the selection process, including requirements for public notice, scheduling, and interview procedures, noting there are 14 eligible applicants and emphasizing the importance of a timely and thorough selection process. Mr. McKinney explained that applicants would be ranked by Commissioners, scores would be compiled to determine top candidates, and selected applicants would be notified following the

ranking deadline. Mr. McKinney also noted that standardized interview questions would be developed and shared with the Board in advance to ensure consistency.

Commissioner Shackleford highlighted the significance of the appointment given its long-term impact on Town decisions and encouraged an efficient and fair process.

Board members discussed and agreed on the selection process, including ranking applicants and determining interview logistics. The Board approved a process for each Commissioner to rank their top five candidates, with rankings due by a specified deadline, after which staff will tabulate results to identify finalists. Board members emphasized the need to balance timeliness with fairness, including handling candidate availability and ensuring a consistent interview process. The Board agreed to conduct in-person interviews on February 3rd, allowing sufficient time for notification and preparation. The Board also agreed that interviews would be conducted in a structured format with standardized questions and approximately 20-minute timeframes.

MOTION: Commissioner Wright moved to have candidate interviews conducted on February 3rd.

SECONDER: Commissioner Cross

Motion carried 3-1. Commissioner Shackleford opposed the motion.

MOTION: Commissioner Shackleford moved to rank candidates 1-5, with 1 being the first choice and submitted by 5 p.m. on Friday, January 23rd, and opportunity for interviews being held on February 3rd.

SECONDER: Commissioner Cross

Motion carried 4-0.

X) Closing

Mayor Clapsaddle shared that the board appreciates all the hard work the Town staff has put into the board retreat.

RESOLUTION 2026-

BY THE TOWN OF WAKE FOREST AUTHORIZING EXECUTION OF OPIOID SETTLEMENTS WITH SIX REMNANT DEFENDANTS

WHEREAS, more than 41,500 North Carolinians lost their lives to a drug overdose from 2000-2023.

WHEREAS, the Centers for Disease Control and Prevention has estimated the total economic burden of prescription opioid misuse alone in the United States to be \$78.5 billion a year, including the costs of healthcare, lost productivity, addiction treatment, and criminal justice involvement;

WHEREAS, certain counties and municipalities in North Carolina joined with thousands of local governments across the country to file lawsuits against opioid companies, manufacturers, pharmaceutical distributors, and chain drug stores to hold those companies accountable for their misconduct;

WHEREAS, a new national opioid settlement (“Six Remnant Defendants Settlement”) has been reached with six regional distributors/dispenser defendants: Associated Pharmacies, Inc. (and American Associated Pharmacies); J M Smith Corporation; Louisiana Wholesale Drug Company, Inc.; Morris and Dickson Co.; North Carolina Mutual Wholesale Drug Company, Inc.; and United Natural Foods, Inc. (including its subsidiaries SuperValu and Advantage Logistics) (each individually, a “Remnant Defendant,” and, collectively, the “Six Remnant Defendants”);

WHEREAS, the Six Remnant Defendants are expected to pay a total \$720 million to settle opioid claims across the nation. The settlement would be subject in North Carolina to the equitable distribution of the proceeds as set forth in the settlement agreements;

WHEREAS, Wake Forest qualifies for part of the settlement and is expected to receive an amount pursuant to the allocation set forth in Exhibit E of the Settlement Agreement among Participating Subdivisions and Remnant Defendants;

WHEREAS, by joining the Six Remnant Defendants Settlement, local governments maximize North Carolina’s share of opioid settlement funds to ensure the needed resources reach communities, as quickly, effectively, and directly as possible;

WHEREAS, it is advantageous to all North Carolinians for local governments, including Wake Forest, to sign onto the Six Remnant Defendants Settlement, in order to demonstrate solidarity in response to the opioid overdose crisis, and to maximize the share of opioid settlement funds received in Wake Forest to help abate the harm;

WHEREAS, the Six Remnant Defendants settlement is not governed by the North Carolina Memorandum of Agreement between the State of North Carolina and Local

Governments on Proceeds Relating to the Settlement of Opioid Litigation (“NC MOA”); consequently, any funds received from the Six Remnant Defendants settlement shall be placed in a separate fund from settlements governed by the NC MOA;

WHEREAS, although the Six Remnant Defendants settlement is not governed by the NC MOA, any funds received from the Six Remnant Defendants settlement shall be used for opioid abatement strategies as outlined in Exhibit D of the Settlement Agreement among Participating Subdivisions and Remnant Defendants;

WHEREAS, these and past opioid settlements direct substantial resources over multiple years to local governments on the front lines of the opioid overdose epidemic while ensuring that these resources are used in an effective way to address the crisis; and

NOW, THEREFORE, BE IT RESOLVED that the Wake Forest Board of Commissioners hereby authorizes the Town Manager or Town Attorney to execute the necessary documents to enter into opioid settlement agreements, as set forth herein with the Six Remnant Defendants, and to provide such documents to Rubris, the Implementation Administrator, subject to a pre-audit certificate thereon by the County Chief Financial Officer, if applicable, and approval as to form and legality by the Town Attorney.

Adopted this the 21st day of April, 2026.

- 27. The Attorney Fee Fund shall consist of the Contingency Fee Fund and the Common Benefit Fund.
 - a. It is the intention of the Parties that the Contingency Fee Fund and the Common Benefit Fund shall be administered by the Fee Panel (MDL Docket No. 3828), which will be governed by the provisions of this Fee Agreement and shall design the process and procedures for the allocation of fees pursuant to this Fee Agreement and the MDL Court's Order.
- 28. The fees to be paid under this Fee Agreement are available for Attorneys engaged in Qualifying Representations and Qualified Tribal Representations only. Fees to be paid under this Fee Agreement are not available prior to the Effective Date of the Pooled Settlement Agreement and are not available from any Defendant that does not proceed with the Pooled Settlement Agreement through the Effective Date. Fees to be paid under this Fee Agreement are not available for representation of States, Non-Participating Subdivisions, or Non-Litigating Subdivisions, and are not available for representation of private hospitals, third-party payors, NAS claimants, personal injury/wrongful death claimants, or any entity other than Participating Litigating Subdivisions. In addition, fees under this Fee Agreement are not available for representation of any individual or entity in matters other than claims against Released Entities, but may include a reasonable share of representations that involve development of facts for pursuit of opioid-related claims against multiple defendants in the pharmacy, manufacturing, and distribution chain.
- 29. *Attorney Fee Fund and Sub Funds.*

- a. There shall be a split of the Attorney Fee Fund into the Contingency Fee Fund and the Common Benefit Fund. The split shall be 40% to the Contingency Fee Fund and 60% to the Common Benefit Fund.
 - b. In no event shall any Remnant Defendant be required to pay more into the Attorney Fee Fund and MDL Direct Cost Fund than the amount specified in the Pooled Settlement Agreement. The amounts allocated to the Contingency Fund and the Common Benefit Fund shall be subject to the reductions and refunds set forth above and below.
 - c. Awards of fees from the Contingency Fee Fund shall be available to Attorneys with Qualifying Representations of Participating Litigating Subdivisions eligible to receive an allocation under the Pooled Settlement Agreement, as set forth in Exhibit E to the Pooled Settlement Agreement, and shall be made applying the mathematical model implemented in previous global settlements with defendants named in the multidistrict litigation in the Northern District of Ohio, *In re National Prescription Opiate Litigation*, No. 1:17-MD-2804 and consistent with the terms of this Fee Agreement. The collection of the data and calculations for the mathematical model have been a cooperative effort among private counsel for a large number of Litigating Subdivisions. The analysis was spearheaded by Joseph Tann and Andrew Arnold. The Fee Panel is encouraged to continue working with those counsel in application of the model. The Fee Panel shall oversee the application of the model and resolve any questions or disputes concerning the eligibility of a Counsel to participate as required in Section IV.32. The Panel is empowered to hear disputes concerning and ensure the accuracy of the mathematical calculation.
 - d. As to awards from the Contingency Fee Fund, there shall be no right of appeal.
 - e. Any appeal of an award of the Fee Panel from the Common Benefit Fund will be made to the MDL Court and be reviewed under an abuse of discretion standard. The decision of the MDL Court is final and non-appealable.
30. *Common Benefit Fund (60% of the Attorney Fee Fund).*
- a. Funds in the Attorney Fee Fund shall be allocated to the Common Benefit Fund in the amount of \$7,081,117.50, subject to any adjustments as set forth above and below, and in no event shall it exceed that amount.
 - b. The Common Benefit Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions and Qualified Tribal Representation of Tribal Participating Governments who:
 - i. have performed work for the Common Benefit of all Participating Subdivisions and/or Tribal Nations consistent with the provisions to the guidelines established by Judge Polster set forth in MDL 2804 and the May 1, 2018 Order, under docket number 358, which is incorporated herein by reference; and

- ii. satisfy the eligibility criteria set forth in subsection IV.G.
- c. For purposes of Common Benefit Fund distribution, MDL Participating Counsel not engaged in Qualifying Representations of Participating Litigating Subdivisions but who performed work for the Common Benefit pursuant to authorization from the MDL Co-Leads and meet the eligibility criteria in Section IV.32. shall be eligible.
- d. The Common Benefit Fund shall be overseen by the Fee Panel, which shall determine the allocation of funds to eligible Attorneys consistent with this Fee Agreement, and the May 1, 2018 Order (MDL Docket 358) and any other applicable Orders of the MDL Court.
- e. In assessing the benefits that an Applicant has conferred to Participating Subdivisions (including non-Litigating Subdivisions) and/or Tribes for purposes of any compensation decision, the Fee Panel shall give significant weight to the extent to which the Applicant and his or her clients have contributed to increasing (or reducing) participation in the Pooled Settlement Agreement. The Fee Panel may also consider additional fee recoveries the Applicant may have obtained or potentially could obtain, including, but not limited to, from attorney fee funds under other settlement agreements, State Back-Stop Agreements, representations of States or Tribal Nations, representations of other clients in opioids-related matters, or through the representation of Subdivision clients, whether they participated in the Pooled Settlement Agreement or not. It is the intent of this provision to recognize that the goal of the Pooled Settlement Agreement is to provide for maximum participation by the Subdivisions, maximum abatement funding for all Subdivisions nationally, and the maximum peace for Released Entities. Therefore, representing one or more Non-Participating States or Non-Participating Subdivisions does not further the goal of the Pooled Settlement Agreement, and should not be considered Common Benefit because it does not increase funds available to Participating Subdivisions' abatement programs. Representing one or more Later Litigating States or Later Litigating Subdivisions is antithetical to the Pooled Settlement Agreement and detracts from Common Benefit. The Fee Panel shall consider this concept of "common detriment" set forth in this paragraph in all of its decision making with respect to the allocation of the Attorney Fee Fund among Applicants. The Fee Panel shall consider the totality of the Applicant's Participating Litigating Subdivisions as compared to the Applicant's Non- Participating Litigating Subdivisions; the Parties recognize that, although the goal is for 100% participation, Applicants with a greater number of clients have a greater probability of having one or more Non-Participating Litigating Subdivisions. As used in this paragraph, "client" or "representing" a Subdivision shall include any Litigating Subdivision as to which the Applicant has a Fee Entitlement.

- f. As set forth in Section IV.33., the Fee Panel must consider the factors described in IV.33.f. to determine how to allocate funds among Applicants. They may also, at their discretion, consider other factors. Any reduction to an Applicant shall be allocated to attorneys whose Litigating Subdivision clients participated in the settlement.
- g. The provisions for Common Benefit Fund payments under this Agreement satisfy any assessments or withholdings from the Pooled Settlement Agreement that are or could be required under the Ongoing Common Benefit Order of May 9, 2022 (MDL Docket 4428).
- h. Pursuant to Ongoing Common Benefit Order of May 9, 2022, Docket 4428, the MDL PEC has established the Common Benefit Fee Order requiring an assessment of 7.5% on the gross recovery (by judgment or settlement) of any Non-Participating Subdivision that is subject to the federal court jurisdiction, represented by a MDL PEC firm, represented by any Attorney receiving fees from the Common Benefit Fund, represented by any Attorney that signed a Participation Agreement or had been paid in a case otherwise under the jurisdiction of the MDL Court. Pursuant to Section VII of that Order, as described in Section II.24. above, each Defendant named in any case pending in the MDL is required to hold back the 7.5% common benefit percentage from all applicable judgments and settlements entered after the date of that Order and to deposit such amounts into the Common Benefit Fund.

31. *Contingency Fee Fund (40% of the Attorney Fee Fund).*

- a. Funds from the Attorney Fee Fund shall be allocated to the Contingency Fee Fund in the amount of \$4,720,745.00 subject to any adjustments as set forth above and below, and in no event shall it exceed that amount.
- b. The Contingency Fee Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions that meet the criteria set forth in subsection IV.32. For the avoidance of doubt, the Contingency Fee Fund shall be available to Attorneys who represent Subdivisions that are Participating Subdivisions who filed a lawsuit against any opioid defendant as of December 1, 2025, in state or federal court, and meet the eligibility criteria of Section IV.32.
- c. Participation in the Contingency Fee Fund by counsel that have a case that is not subject to the jurisdiction of the MDL Court shall not create, provide, or waive the objection to jurisdiction of the MDL Court over that Litigating Subdivision, that case or Attorneys, other than to oversee the fairness of the distribution process, and enforcement of this Fee Agreement.
- d. In the event that a Remnant Defendant, prior to the Effective Date of this Agreement, settles with any Litigating Subdivision that would have been eligible to participate in this Fee Agreement, and, under such settlement agreement pays attorneys' fees, the Fee Panel shall treat those Litigating

Subdivisions as Participating Litigating Subdivisions and, applying the same criteria applicable to all Attorneys for Participating Litigating Subdivisions, determine what amount they would have been paid from the Contingency Fee Fund if they had become Participating Subdivisions under the Pooled Settlement Agreement without such prior settlement. That sum, rather than being paid to the Attorney for the previously settling Litigating Subdivision, shall be credited and/or returned to that Remnant Defendant, except that the amount returned or credited shall not be greater than the amount paid to the Attorneys under the Litigating Subdivision's prior settlement agreement.

- e. During the period between the Preliminary Agreement Date and the Effective Date, the MDL PEC, as well as Litigating Subdivisions' Attorneys, shall make best efforts to cease litigation activity against the Remnant Defendants, including by jointly seeking stays or severance of claims against the Remnant Defendants where feasible, or postponements if a motion to stay or sever is not feasible or is denied, so long as such actions are not otherwise detrimental to the Litigating Subdivision.

32. *Eligibility.*

- a. It is the intention of all parties participating in the Fee Panel process that there should be total transparency to the Fee Panel and to all Attorney Fee Fund participants. In connection with the process to be developed by the Fee Panel, any and all monies in attorney's fees received or awarded, including prior or future Contingency Fees, Common Benefit Fees, referral fees, expenses paid, promises for payment, or any other Fee Entitlement, to any Applicant in any opioid litigation shall be disclosed to the Fee Panel as a condition of participating in the Attorney Fee Fund and prior to an award from the Fee Panel. Any payment, expectation of payment or perceived entitlement to participate in a State Back-Stop Agreement or any other agreement reached with a Settling State or any Subdivision or any other source regarding payment of fees must be disclosed to the Fee Panel. Similarly, any right to payment from any other fund, for example a fund for payment to lawyers representing Settling States or Tribal Nations or Subdivisions shall be disclosed to the Fee Panel. Because it is anticipated that there will be multiple firms listed on contingent fee agreements with Litigating Subdivisions, the Fee Panel shall establish procedures, with input from Attorneys for Participating Litigating Subdivisions, for who should petition for fees from such groups and to whom the fee shall be paid and thereafter distributed to co-counsel in accordance with applicable agreements. For the avoidance of doubt, all Attorneys that are part of such groups must meet the eligibility criteria in Section IV.32.c., must be subject to the criteria set forth in Section IV.28., and must be disclosed to the Fee Panel.
- b. An Applicant may apply for and recover attorneys' fees from the Common Benefit Fund, the Contingency Fee Fund, and any fund created by a past or future State Back-Stop Agreement, provided the Applicant satisfies the

requirements relevant to each such fund and requirements for disclosure to the Fee Panel.

- c. An Attorney may not receive any payment from the Attorney Fee Fund (which includes both the Contingency Fee Fund and the Common Benefit Fund) unless the following eligibility criteria are met and certified by the Attorney:
 - i. The Attorney must expressly waive the enforcement against the Litigating Subdivision client of all Fee Entitlements (other than under State Back-Stop Agreements) arising out of or related to any or all Qualifying Representations of any Participating Litigating Subdivision prior to applying for attorneys' fees from the Attorney Fee Fund. All applications for attorneys' fees under this Fee Agreement shall include an affirmation by the Attorney of such waiver and notice to the client(s) of such waiver. Such waiver shall not preclude the Attorney from submitting such Fee Entitlements to the Fee Panel as a factor for consideration in allocating payments from the Attorney Fee Fund or in connection with a State Back-Stop Agreement. For the avoidance of doubt, no Attorney may recover fees under this Fee Agreement unless the Attorney expressly agrees not to enforce Fee Entitlements as to each and every Participating Litigating Subdivision represented by that Attorney, but such Attorneys may participate in and receive funds from a State Back-Stop Agreement.
 - ii. The Attorney must represent whether s/he has a present intent to represent or participate in the representation of any Later Litigating Subdivision or Later Litigating State with respect to Released Claims against Released Entities.
 - iii. The Attorney must represent whether s/he will engage in any advertising or solicitation related to Released Claims against Released Entities where such advertising or solicitation relates to a representation of a Subdivision eligible to be a Participating Subdivision after the Preliminary Agreement Date, other than the Attorney recommending participation in this Agreement.
 - iv. The Attorney must represent whether s/he will charge or accept any referral fees for any Released Claims brought against Released Entities by Later Litigating Subdivisions or Later Litigating States.
 - v. The Attorney must represent whether s/he has a Fee Entitlement related to a Later Litigating Subdivision or Later Litigating State, other than a potential Common Benefit Fee.
 - vi. The Attorney must fully disclose the participation, or the anticipation of participation, in any agreement with a Settling State or Participating Subdivision concerning fees arising out of or related to

the Pooled Settlement Agreement, including any fees paid or anticipated to be paid or any State Back-Stop Agreement.

- vii. The Attorney must identify for the Fee Panel whether s/he utilized state litigation work product or MDL work product, including but not limited to ARCOS data, document repositories, experts developed in the MDL, trial transcripts, or deposition transcripts. The Attorney must identify whether s/he signed the MDL Participation Agreement.
 - viii. Any Attorney who applies for fees from one or both Funds must represent that, having exercised his/her independent judgment, s/he believes the Pooled Settlement Agreement to be fair and will make or has made best efforts to recommend both Agreements to his or her Subdivision clients. For avoidance of doubt, each Attorney is expected to exercise his or her independent judgment in the best interest of each client individually before determining whether to recommend joining the settlement. All applications for attorneys' fees or costs under this subsection shall include an affirmation by the Attorney in compliance with the foregoing subparagraphs.
- d. No Attorney receiving fees under this Fee Agreement may apply for or recover from the Attorney Fee Fund fees arising from representing a Non-Settling or Non-Participating Subdivision, provided, however, that this provision is not intended to prohibit Attorneys who do not represent or otherwise have a contractual agreement with such Non-Settling State or Non-Participating Subdivision from receiving allocated shares of any future Common Benefit assessments that arise out of settlements or judgments involving such Non-Settling State or Non-Participating Subdivision. All applications for attorneys' fees under this subsection shall include an affirmation by the Attorney of compliance with this Section.
 - e. An Attorney who has filed an application under this subsection and received an award of attorneys' fees shall provide a certification of compliance with the requirements of this Fee Agreement annually during the years upon which they are still entitled to receive attorneys' fee payments under this Agreement. This certification will be done as directed by the Fee Panel, which may be combined with certifications as to other settling opioid defendants for efficiency and at the Panel's discretion.
 - f. If, at any time, the Attorney is unable to make the representations set forth in this subsection, such representations become untrue, or the Attorney falsely represents compliance with the eligibility criteria, the Attorney shall cease to be eligible to receive funds from the Attorney Fee Fund until further review by the Fee Panel of the Attorney's eligibility under and compliance with this subsection.
 - g. If an Attorney has a Fee Entitlement with a Later Litigating Subdivision or Later Litigating State or becomes unable to affirm compliance with the eligibility

criteria set forth above, the Attorney shall notify the Fee Panel. If an Attorney fails to notify the Fee Panel of such Fee Entitlement with a Later Litigating Subdivision or Later Litigating State, the Attorney shall be required to refund amounts previously paid. The Fee Panel shall notify the Remnant Defendants when it receives notification.

- h. In the event that an Attorney is deemed ineligible by the Fee Panel (whether based on its initial application or subsequent recertification), the Fee Panel shall provide notice to the Attorney and give the Attorney thirty (30) days to provide additional information such that the Fee Panel could re-consider the Attorney's eligibility.
- i. To the extent that an Attorney has a Fee Entitlement with a Participating Subdivision and is authorized to bring Released Claims against Released Entities, but such authorization is, in scope, less broad than the category of Released Claims set forth in the Pooled Settlement Agreement, such Attorney may participate fully in both the Contingency Fee Fund and the Common Benefit Fund, without any reduction imposed by the Fee Panel due to the scope of the authorization, so long as the Participating Subdivision fully releases all Released Claims against Released Entities.
- j. Attorneys applying to the Attorney Fee Fund knowingly and expressly agree to be bound by the decisions of the Fee Panel, subject to the limited appeal rights set forth in this Fee Agreement, and waive the ability to assert the lack of enforceability of the allocation reached through the procedures outlined herein.
- k. Applicants are under an ongoing obligation to inform the Fee Panel in writing of any additional fees earned, expected, or received related to any Opioid litigation throughout the period of the Fee Panel's operation.

33. *Calculation of Amounts Due.*

- a. The Fee Panel shall be solely responsible for determining the amount of fees to be paid to each Applicant. None of the Released Entities shall have any responsibility, obligation, or liability of any kind whatsoever with respect to how attorneys' fees are calculated under this subsection, except that the Fee Panel may receive information from the Remnant Defendants as to (a) the identity of Participating, Non-Participating, Litigating, Later Litigating, and Non- Litigating Subdivisions; (b) the impact of non-participation by a Litigating Subdivision as is relevant to the Fee Panel's determination in Section IV.30.e.; and (c) such other information as the Remnant Defendants may voluntarily elect to provide.
- b. The Fee Panel shall establish procedures for making determinations under this Fee Agreement consistent with this Fee Agreement and orders of the MDL Court. Such procedures may include submission of documentary and/or other evidence, interviews with Applicants and/or other counsel (including counsel

for the Remnant Defendants) that the Fee Panel deems appropriate, and/or other means of creating a record upon which fee awards will be based.

- c. In making determinations under this Fee Agreement, the Fee Panel must apply the eligibility criteria set forth in Section IV.32. of this Fee Agreement and the criteria set forth in Section IV.30.b. The Fee Panel shall ensure that payments are only made for Qualifying Representations of Participating Litigating Subdivisions. In addition, the Fee Panel will give consideration in regard to Common Benefit Fund awards to the *Johnson* factors, as well as the following factors (which factors may be applied and given relative weight in the Fee Panel's discretion):

- i. The Applicant's contemporaneously recorded time and labor dedicated to Qualifying Representations along with the Applicant's financial commitment to such Qualifying Representations. Claimed "time" will not be automatically accepted by the Fee Panel but will be critically reviewed and given substantially more weight and consideration if such time was subject to the audit process described in any Pretrial Order(s) governing the collection of common benefit time;
- ii. The novelty, time, and complexity of the Qualifying Representations;
- iii. The skill requisite to perform legal services properly and undesirability of the case;
- iv. The preclusion of other employment by the Applicant due to time dedicated to Qualifying Representations;
- v. The Common Benefit, if any, alleged to have been conferred by the Applicant and whether such Common Benefit work product by that Applicant was used by others in parallel litigations against Released Entities whether within or outside the MDL, provided that any Applicant claiming that s/he substantially benefited cases other than those in which s/he entered an appearance as counsel must substantiate such claims by proffering factual support, such as proper supporting affidavits or other documents as determined by the Fee Panel with input from Attorneys for Participating Litigating Subdivisions;
- vi. Any "common detriment," as set forth in Section IV.30.e.
- vii. Any contingent fee agreement or other Fee Entitlement with Participating Subdivisions, enforcement of which, except for State Back-Stop Agreements, are waived in conjunction with the application, the nature and extent of any work for those Participating Subdivisions, whether such Participating Subdivisions actively litigated and, if so, the nature and procedural history of such case(s);

- viii. The experience, reputation, and ability of the Applicant;
- ix. Whether the Applicant's clients brought Released Claims against Released Entities;
- x. The status of discovery in cases primarily handled by the Applicant;
- xi. The nature of any work by the Applicant on "bellwether" cases or cases that were similarly active in litigation;
- xii. Any pressure points successfully asserted by the Applicant in cases against the Remnant Defendants or any risk for the Remnant Defendants created by the Applicant in cases against them;
- xiii. Any risk for Remnant Defendants created by Applicants in cases against the Remnant Defendants;
- xiv. Successful and unsuccessful motion practice in cases worked on by the Applicant;
- xv. The date of filing of any cases filed by the Applicant;
- xvi. Obtaining consolidation of the litigation in the Applicant's jurisdiction;
- xvii. The number and population of entities represented by the Applicant and the fees that would have been awarded under extinguished contingent fee arrangements;
- xviii. Whether the Applicant's clients brought claims against the Remnant Defendants;
- xix. Whether the Applicant has had a leadership role in the litigation, whether in state or federal court;
- xx. Whether the Applicant has had a leadership role in any negotiations aimed at resolving the litigation;
- xxi. Whether the Applicant's cases have survived motions to dismiss;
- xxii. The extent to which the Applicant contributed to the work product used for the common benefit of opioids litigants, including, without limitation, work on ARCOS data, Prescription Data Monitoring Programs, IQVIA data, depositions, document production and analysis experts, motions, briefs and pleadings, trial preparations, and trials;
- xxiii. The extent to which litigation was done prior to and contributed to completion of settlement negotiations, as distinct from litigation that

was done litigating after the announcement of the Pooled Settlement Agreement, such latter litigation both being of less value and potentially resulting a common detriment to the settlement process;

- xxiv. The extent to which an Applicant demonstrated a continued commitment of time and resources to MDL 2804 since July 1, 2023; and
 - xxv. Any other factors that the Fee Panel finds to be appropriate to consider after input from Applicants to the Attorney Fee Fund.
- d. In the event that States and/or Political Subdivisions enter into an additional global settlement with a party or parties other than the Remnant Defendants participating in the Pooled Settlement Agreement that is (a) under the jurisdiction of the MDL Court in MDL No. 2804, and (b) creates a separate common benefit fund to be administered by the Fee Panel, the Fee Panel may:
- i. Consolidate the Common Benefit approval process to include evaluation of all Common Benefit Applications for all settlements entered which were not previously subject to a final common benefit award by the MDL Court;
 - ii. Determine the fair and equitable allocation of the Aggregate Common Benefit Fees for such settlements, including consideration of beneficial or detrimental actions taken with respect to any Remnant Defendant contributing to the Common Benefit Attorney Fee Fund;
 - iii. Give consideration to the amount and timing of each settlement, including the amount and timing of Common Benefit Fees;
 - iv. The Fee Panel shall abide by the applicable Attorney Fee Agreement in each of the Settlements in Allocating the Common Benefit Fees provided for in the Settlement; and
 - v. Be guided in their work by the Orders of the Court related to Fees and Costs.
- e. The Fee Panel shall develop procedures for receiving a single application, which may be updated or amended based on new information (such as participation by additional Litigating Subdivisions) from each Applicant seeking compensation from each sub fund of the Attorney Fee Fund pursuant to processes and procedures developed by the Fee Panel, which shall not be inconsistent with this Fee Agreement. Any request for attorneys' fees not included on the single application or through the updating/amendment process designed by the Fee Panel shall be deemed waived. For purposes of transparency and to permit the Fee Panel to conduct its work, the application from each Applicant shall, at a minimum, require each Applicant to:

- i. Identify all Litigating Subdivisions for which s/he is seeking payment from the Attorney Fee Fund;
 - ii. Identify all Subdivisions (and, where applicable, Tribal Nations) with respect to which s/he has a Fee Entitlement with respect to Released Claims against Released Entities, and identify all co-counsel in such cases;
 - iii. Identify which of those Subdivisions are Participating Subdivisions and which are not (with similar information for Tribal Nations, where applicable);
 - iv. Specify the specific fund or funds within the Attorney Fee Fund from which the Attorney is seeking compensation;
 - v. Demonstrate his or her eligibility for compensation from the relevant sub funds within the Attorney Fee Fund pursuant to the criteria set forth for the relevant sub fund;
 - vi. Identify any and all Fee Entitlements from representations of States, Tribal Nations, or other plaintiffs related to Released Claims against Released Entities or in opioids-related matters;
 - vii. Notwithstanding “i.-vi.” above, the Panel may consider a supplemental application if the Applicant shows good cause why circumstances exist that will lead to consideration for additional Common Benefit award. Examples would include, but are not limited to, an Applicant having Non-Participating Litigating Subdivision clients that subsequently become Participating Subdivisions.
- f. With respect to the Common Benefit Fund, the Fee Panel shall (subject to any applicable MDL Court Order):
- i. Review the applications of all Applicants seeking compensation from the Common Benefit Fund, including determining eligibility for each Applicant as set forth in Section IV.32.
 - ii. Using criteria set forth in Sections IV.30. and IV.33., allocate amounts from the Common Benefit Fund to eligible Applicants. In making such allocations, the Panel shall apply the principles set forth in Section IV.30.e. and shall apply the principles set forth in Section IV.30. to the amounts paid to Applicants with a Common Benefit Fee Entitlement and shall allocate any reduction in the payments specified in Section IV.30. to the amounts paid to Applicants with a Common Fee Entitlement.
- g. With respect to the Contingency Fee Fund, the Fee Panel shall:

- i. Review the applications of all Attorneys seeking compensation from the Litigating Subdivision Fee Fund, including determining eligibility for each Attorney as set forth in Section IV.32.
- ii. Apply the mathematical model implemented in previous global settlements with defendants named in the multidistrict litigation in the Northern District of Ohio, *In re National Prescription Opiate Litigation*, No. 1:17-MD-2804 and consistent with the terms of this Fee Agreement.
- h. To the extent that there is a dispute about the calculations of the Fee Panel such disputes shall be presented to the Fee Panel and any disputed funds be paid into/held in escrow. The Fee Panel shall resolve such disputes expeditiously, with either Party having the right to seek review from the MDL Court.
- i. For purposes of determination of fee or cost awards, allocations, reductions, and possible reversions under this Fee Agreement, unless specified otherwise a Subdivision will be considered a Non-Participating Subdivision if it is not a Participating Subdivision as of the deadline for the application for the fee at issue (or, if the determination does not involve a specific application, the date on which the record for such determination closes).

34. *Miscellaneous.*

- a. The Fee Panel shall charge an hourly rate approved by the Court. The pre-Effective Date costs associated with the Cost and Expense Fund Administrator shall be paid from funds in the MDL Direct Cost Fund, including any interest accrued therein. Post-Effective Date, the cost of the Fee Panel shall be charged against the applicable Fee Fund, and any interest accrued therein, based on allocation by the Fee Panel and shall not be otherwise funded by the Remnant Defendants.
- b. The MDL PEC shall provide the Remnant Defendants information they have that identifies Attorneys who represent Litigating Subdivisions who are not Participating Subdivisions and who have an obligation to pay a common benefit assessment, either due to the MDL Court's orders or pursuant to a Participation Agreement.
- c. Participating Subdivisions agree to instruct their counsel to treat information, work product and expert materials as confidential under Rule 1.6 of the ABA Model Rules of Professional Conduct. Accordingly, an Attorney shall not share information or work product with, or experts or materials to, non-participants (other than the Attorney's own current clients or their lawyers, consultants, experts or other representatives or agents). However, nothing herein shall prevent MDL Leadership or PEC Counsel from fulfilling their obligations in any MDL and the MDL Court Order.

V. Miscellaneous

35. *Termination.* If the Pooled Settlement Agreement does not proceed to the Effective Date as to a Remnant Defendant, this Fee Agreement shall be null and void as to that Remnant Defendant, and that Remnant Defendant shall not have any obligation under this Agreement other than for its ratable share of costs advanced with respect to administration of the notice and participation process as set forth in the Agreement, and that Remnant Defendant and the PEC shall take such steps as are necessary to restore the *status quo ante*.
36. *MDL Court Consideration.* This Fee Agreement shall be attached as Exhibit H to the Pooled Settlement Agreement. The MDL Court shall have no authority to increase the payments made by the Remnant Defendants beyond the amounts described in the Pooled Settlement Agreement.
37. *Amendment.* Once the MDL Court has entered an order implementing this Fee Agreement or otherwise becomes final, this Fee Agreement can only be amended by (1) written agreement of the Remnant Defendants and the MDL PEC and (2) approval by the MDL Court.
38. *Jurisdiction and Enforcement.* The MDL Court shall have exclusive and ongoing jurisdiction over the enforcement and implementation of this Fee Agreement as set forth herein. The MDL PEC shall be the Authorized Party to enforce this Fee Agreement, as to the payment obligations of the Remnant Defendants as set forth in this subsection and as to Attorneys making application to the Funds under this Fee Agreement. For purposes of enforcing the terms and provisions of the Pooled Settlement Agreement, and this Agreement, and for purposes of assessing or allocating common benefit fees, the MDL Court will continue to have jurisdiction over the Pooled Settlement Agreement and this Agreement, including but not limited to continuing jurisdiction over the work product developed in the MDL Court by and under the direction of the MDL PEC with respect to claims against the Remnant Defendants, including data and documents, depositions, expert reports, briefs and pleadings; and the MDL Court's protective orders, management orders, and other decisions regarding such discovery and other work product, including but not limited to, conditions on its use, will continue in full force and effect. Nothing in this subsection authorizes the MDL Court to act contrary to this Fee Agreement or the Pooled Settlement Agreement.

The Governmental Entity, as a Participating Subdivision, hereby becomes a Releasor for all purposes of the RDSA, including without limitation all provisions related to release of any claims, and along with all departments, agencies, divisions, boards, commissions, districts, instrumentalities of any kind and attorneys, and any person in his or her official capacity whether elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, and any other entity identified in the definition of Releasor, provides for a release to the fullest extent of its authority. As a Releasor, the Governmental Entity hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in the RDSA in any forum whatsoever. The release provided for in the RDSA is intended by the Parties to be broad and shall be interpreted so as to give the Released Entities in the RDSA the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of the Governmental Entity to release claims. The RDSA shall be a complete bar to any Released Claim against the Released Entities.
10. The Governmental Entity hereby takes on all rights and obligations of a Participating Subdivision as set forth in the RDSA.
11. In connection with the releases provided in the RDSA, each Governmental Entity expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

General Release; extent. A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims in the RDSA, but each Governmental Entity hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Governmental Entities' decision to participate in the RDSA.

12. The Governmental Entity understands and acknowledges that nothing herein is intended to modify in any way the terms of any of the RDSA, to which Governmental Entity hereby agrees. To the extent this Combined Participation Form is interpreted differently from the RDSA in any respect, the RDSA controls.

I have all necessary power and authorization to execute this Combined Participation Form on behalf of the Governmental Entity.

11. Support evidence-informed programs or curricula to address mental health needs of young people who may be at risk of misusing opioids or other drugs, including emotional modulation and resilience skills.
12. Support greater access to mental health services and supports for young people, including services and supports provided by school nurses, behavioral health workers or other school staff, to address mental health needs in young people that (when not properly addressed) increase the risk of opioid or another drug misuse.

H. PREVENT OVERDOSE DEATHS AND OTHER HARMS (HARM REDUCTION)

Support efforts to prevent or reduce overdose deaths or other opioid-related harms through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Increased availability and distribution of naloxone and other drugs that treat overdoses for first responders, overdose patients, individuals with OUD and their friends and family members, schools, community navigators and outreach workers, persons being released from jail or prison, or other members of the general public.
2. Public health entities providing free naloxone to anyone in the community.
3. Training and education regarding naloxone and other drugs that treat overdoses for first responders, overdose patients, patients taking opioids, families, schools, community support groups, and other members of the general public.

5. Expanding, improving, or developing data tracking software and applications for overdoses/naloxone revivals.
6. Public education relating to emergency responses to overdoses.

7. Public education relating to immunity and Good Samaritan laws.
8. Educating first responders regarding the existence and operation of immunity and Good Samaritan laws.
9. Syringe service programs and other evidence-informed programs to reduce harms associated with intravenous drug use, including supplies, staffing, space, peer support services, referrals to treatment, fentanyl checking, connections to care, and the full range of harm reduction and treatment services provided by these programs.
10. Expanding access to testing and treatment for infectious diseases such as HIV and Hepatitis C resulting from intravenous opioid use.
11. Supporting mobile units that offer or provide referrals to harm reduction services, treatment, recovery supports, health care, or other appropriate services to persons that use opioids or persons with OUD and any co-occurring SUD/MH conditions.
12. Providing training in harm reduction strategies to health care providers, students, peer recovery coaches, recovery outreach specialists, or other professionals that provide care to persons who use opioids or persons with OUD and any co-occurring SUD/MH conditions.
13. Supporting screening for fentanyl in routine clinical toxicology testing.

PART THREE: OTHER STRATEGIES

I. FIRST RESPONDERS

In addition to items in section C, D and H relating to first responders, support the following:

This Settlement Agreement, including all exhibits or related agreements attached hereto or referenced herein (collectively, the “*Agreement*”), is dated February 23, 2026, by and between the Remnant Defendants and the Participating Subdivisions (as those terms are defined below). This Agreement will then be filed as part of a request for a Consent Judgment with the Court pursuant to the terms set forth in Section IV.E. This Agreement is intended by the Settling Parties to fully, finally, and forever resolve, discharge, and settle the Released Claims (as that term is defined herein), upon and subject to the terms and conditions herein.

(including without limitation its direct and indirect subsidiaries SuperValu, Inc., Advantage Logistics Southwest, Inc., Advantage Logistics USA West, L.L.C., Advantage Logistics USA East, L.L.C., and UNFI Distribution Company, LLC) collectively, and all their past and present subsidiaries (excluding, in the case of United Natural Foods, Inc., New Albertsons, Inc. (a former subsidiary of SuperValu, Inc.)), divisions, predecessors, successors, and assigns (in each case, whether direct or indirect). Each individually is a “Remnant Defendant.” For the avoidance of doubt, nothing in this Agreement releases or is intended to release Albertsons Companies, Inc. or any of its subsidiaries.

1. Plaintiffs’ Settlement Counsel believes the Settlement is fair, reasonable, adequate, and beneficial to the Subdivisions and that participation in the Settlement would be in their best interests.
2. Because Plaintiffs’ Settlement Counsel believes that the Settlement is in the best interests of the Subdivisions, Plaintiffs’ Settlement Counsel will use their best reasonable efforts to encourage and assist the Subdivisions to participate in this Settlement.

B. **Participating Subdivisions’ Representations and Warranties.** By electing to become a party to this Agreement, each Participating Subdivision represents and warrants to the Remnant Defendants as follows:

1. each Participating Subdivision has received legal advice from its attorneys regarding the advisability of entering into this Agreement and the legal consequences of this Agreement;
2. each Participating Subdivision is not relying on any statement, representation, omission, inducement, or promise by Remnant Defendants, except those expressly stated in this Agreement;
3. each Participating Subdivision has, with the assistance of its attorneys, investigated the law and facts pertaining to the Released Claims and the Settlement;
4. each Participating Subdivision has carefully read, and knows and understands, the full contents of this Agreement and is voluntarily entering into this Agreement after having consulted with its attorneys;

5. each Participating Subdivision has all necessary authority to enter into this Agreement and release all Released Claims on behalf of itself and all other entities that are Releasers by virtue of their relationship or association with it;
6. each Participating Subdivision has authorized the execution and performance of its Participation Agreement, and has authorized the person signing this Agreement on its behalf to do so;

8. no portion of any relief under this Agreement to which any of the Participating Subdivisions may be entitled has been assigned, transferred, or conveyed by or for any of the Participating Subdivisions to any other person or entity.

C. **Remnant Defendants' Representations and Warranties.** Remnant Defendants represent and warrant to Participating Subdivisions as follows:

1. each of the Remnant Defendants has received legal advice from its attorneys regarding the advisability of entering into this Agreement and the legal consequences of this Agreement;
2. none of the Remnant Defendants is relying on any statement, representation, omission, inducement, or promise by Plaintiffs' Settlement Counsel or any Subdivision, except those expressly stated in this Agreement;

5. each of the Remnant Defendants has all necessary authority to enter into this Agreement, has authorized the execution and performance of this Agreement, and has authorized the person signing this Agreement on its behalf to do so.

III. Settlement Fund

A. **Settlement Payment.** The Remnant Defendants shall pay into the Settlement Fund the Pooled Settlement Amount in consideration of the covenants, agreements, and releases

set forth in this Agreement. The Pooled Settlement Amount shall be allocated and used only as specified in Section VII.

1. Payments of the Pooled Settlement Amount to the Settlement Fund will be allocated among the Remnant Defendants in accordance with each Remnant Defendant's agreed portion as separately negotiated and agreed to by each Remnant Defendant with Plaintiffs' Settlement Counsel in the Related Agreements. A Remnant Defendant's sole responsibility for payments under this Agreement and any related agreements (including without limitation the Fee Agreement attached hereto as **Exhibit H**) shall be to pay its respective portion of the Pooled Settlement Amount. The obligations of the Remnant Defendants in this Agreement are several and not joint. No Remnant Defendant shall be responsible for any portion of another Remnant Defendant's share.
2. The Remnant Defendants shall pay into the Settlement Fund by wire transfer their respective portion of the Pooled Settlement Amount within forty-five (45) days of the later of (1) receipt of a fully executed copy of this Settlement Agreement, or (2) the Remnant Defendants' receipt of the information and instructions required to effectuate the wire transfer.
3. The Settlement Funds will be held in escrow in the Settlement Fund until the Effective Date. If the Effective Date does not occur as to one or more Remnant Defendants, the Settlement Fund Administrator will return to each Remnant Defendant for which the Effective Date did not occur, its portion of the Pooled Settlement Amount with accrued interest less that Remnant Defendant's portion of (1) any Notice and Administrative Costs incurred, and (2) any Taxes and Tax Expense due or becoming due.
4. Upon the occurrence of the Effective Date, the Pooled Settlement Amount shall not be subject to reduction and no funds may be returned to any Remnant Defendant, except as otherwise provided in this Agreement.

B. Nature of Payment. Each of the Remnant Defendants and Participating Subdivisions acknowledges and agrees that notwithstanding anything to the contrary in this Agreement, including but not limited to, the scope of the Released Claims:

1. It has entered into this Agreement to avoid the delay, expense, inconvenience, and uncertainty of further litigation;
2. (a) The Participating Subdivisions sought compensatory restitution (within the meaning of 26 U.S.C. § 162(f)(2)(A)) as damages for the Alleged Harms allegedly suffered by the Participating Subdivisions; (b) the Compensatory Restitution Amount is no greater than the amount, in the aggregate, of the Alleged Harms allegedly suffered by the Participating Subdivisions; and (c) the portion of the Compensatory Restitution Amount received by each Participating Subdivision is no greater than the amount

of the Alleged Harms allegedly suffered by such Participating Subdivision;

3. The payment of the Compensatory Restitution Amount by the Remnant Defendants constitutes, and is paid for, compensatory restitution (within the meaning of 26 U.S.C. § 162(f)(2)(A)) for alleged damage or harm (as compensation for alleged damage or harm arising out of and/or because of alleged bodily injury) allegedly caused by the Remnant Defendants;
4. The Compensatory Restitution Amount is being paid as compensatory restitution (within the meaning of 26 U.S.C. § 162(f)(2)(A)) in order to restore, in whole or in part, the Participating Subdivisions to the same position or condition that they would be in had the Participating Subdivisions not suffered the Alleged Harms; and
5. For the avoidance of doubt: (a) no portion of the Compensatory Restitution Amount represents reimbursement to any Participating Subdivision or other person or entity for the costs of any investigation or litigation, (b) the entire Compensatory Restitution Amount is properly characterized as described in Section III.B., and (c) no portion of the Compensatory Restitution Amount constitutes disgorgement or is properly characterized as the payment of statutory or other fines, penalties, multiple or treble damages, punitive damages, or other punitive assessments.

C. **No Other Payments.** Other than payment under Section III.A. of this Agreement, the Remnant Defendants shall have no obligations to make any further or additional payment of any sort or kind in connection with this Agreement or the Settlement.

D. **The Settlement Fund and Administrator.**

1. Plaintiffs' Settlement Counsel shall arrange for the Settlement Fund to be established at Huntington Bank, with Law Office of Joseph C. Tann, PLLC and Winbridge Partners, LLC serving as the Settlement Fund Administrator subject to an escrow agreement mutually acceptable to Plaintiffs' Settlement Counsel and Remnant Defendants, and such escrow to be administered under the MDL Court's continuing supervision and control. The Settlement Fund Administrator will act as an independent and neutral third party in the performance of its functions including administering and disbursing funds from the Settlement Fund and the Opioid Remediation Fund. To the extent that there is any ambiguity or inconsistency when this Agreement and the escrow agreement are read together, the terms of this Agreement shall control.
2. The Settlement Fund Administrator shall invest the Pooled Settlement Amount deposited pursuant to Section III.A. in U.S. agency or treasury securities or other instruments backed by the full faith and credit of the U.S. government or an agency thereof, or fully insured by the U.S.

government or an agency thereof and shall reinvest the proceeds of these instruments as they mature in similar instruments at their then-current market rates; *provided, however*, that the Settlement Fund Administrator will not invest in any instruments that a “*qualified settlement fund*,” within the meaning of Treas. Reg. § 1.468B-1, *et seq.*, is not permitted to invest in, pursuant to the Treasury regulations, or any modification in Internal Revenue Service (“*IRS*”) guidelines, whether set forth in IRS rulings, other IRS pronouncements or otherwise. All risks related to the investment of the Settlement Funds shall be borne by the Settlement Fund, and any losses in the Settlement Fund shall be borne by the Settlement Fund and shall not be recoverable from the Remnant Defendants. The Remnant Defendants shall have no responsibility for, interest in, or liability whatsoever with respect to the investment decisions or the actions of the Settlement Fund Administrator or any transactions executed by the Settlement Fund Administrator related to the investment of the Settlement Funds.

3. The Settlement Fund Administrator shall not, and Plaintiffs’ Settlement Counsel shall not instruct the Settlement Fund Administrator to, disburse the Settlement Funds, except as provided in this Agreement or by order of the MDL Court. For the avoidance of doubt, the Settlement Fund Administrator is authorized, and Plaintiffs’ Settlement Counsel is authorized to instruct the Settlement Fund Administrator, to execute such transactions as are consistent with the terms of this Agreement or as directed by the MDL Court, including but not limited to execute transactions prior to the Effective Date to enable payment of Notice and Administrative Costs as incurred.
4. All funds held in the Settlement Fund shall be deemed and considered to be *in custodia legis* of the MDL Court, and shall remain subject to the jurisdiction of the MDL Court, until such time as such funds are distributed pursuant to this Agreement and/or further order(s) of the MDL Court.

E. Taxes.

1. The Settlement Fund shall be, and shall be treated by the Settling Parties and the Settlement Fund Administrator as being at all times, a “qualified settlement fund” within the meaning of Treas. Reg. § 1.468B-1 (and corresponding or similar provisions of state, local, or foreign law, as applicable), and the MDL Court shall have continuing jurisdiction over the Settlement Fund, pursuant to Treas. Reg. § 1.468B-1(c)(1), and over the Settlement Fund Administrator as its administrator. The Settlement Fund Administrator shall not take any action or tax position inconsistent with such treatment. In addition, the Settlement Fund Administrator shall timely make such elections as necessary or advisable and do all things necessary to carry out the provisions of this Section III., and shall, in any

event, make any available “*relation-back election*” (as defined in Treas. Reg. § 1.468B-1(j)(2) (and corresponding or similar elections under state, local, or foreign law, as applicable)), back to the earliest permitted date. Such elections shall be made in compliance with the procedures and requirements contained in such regulations. It shall be the responsibility of the Settlement Fund Administrator to timely and properly prepare and deliver the necessary documentation for signature by all necessary parties, and thereafter to cause the appropriate filing to occur. The Settling Parties agree to take any other reasonable actions as shall be necessary to ensure that the Settlement Fund qualifies as a qualified settlement fund for federal and state income tax purposes including but not limited to requesting the MDL Court to formally (i) approve the Settlement Fund as a “qualified settlement fund” within the meaning of Treas. Reg. § 1.468B-1, and (ii) confirm its continuing jurisdiction over the Settlement Fund and the Opioid Remediation Fund. Notwithstanding anything in this Agreement to the contrary, the Settlement Fund Administrator shall not on behalf of or in connection with the Settlement Fund request a private letter ruling, technical advice memorandum or any other ruling or guidance from the Internal Revenue Service or any other taxing authority on any matter without consulting with and obtaining the prior written consent of each Remnant Defendant.

2. For the purpose of § 468B of the Internal Revenue Code of 1986, as amended, and Treas. Reg. § 1.468B-2(k)(3) (and any corresponding or similar provisions of state, local or foreign law, as applicable), the qualified settlement fund “administrator” shall be the Law Office of Joseph C. Tann, PLLC and Winbridge Partners, LLC. Plaintiffs’ Settlement Counsel shall cooperate with and cause the Settlement Fund Administrator to, and the Settlement Fund Administrator shall satisfy the administrative requirements imposed by Treas. Reg. § 1.468B-2 (and any similar provisions of state, local or foreign law, as applicable) by, for example: (i) obtaining employer identification numbers and providing the same in an IRS Form W-9 to the Remnant Defendants; (ii) satisfying any information reporting or withholding requirements imposed with respect to the Settlement Fund, including with respect to any distributions from the Settlement Fund; (iii) timely and properly filing or causing to be filed all informational and other tax returns or filings necessary or advisable with respect to the Settlement Fund (including, without limitation, the returns described in Treas. Reg. § 1.468B-2(k)) and paying any taxes reported thereon; (iv) sending copies of all such tax returns and filings to the Remnant Defendants; and (v) providing instructions for the release of sufficient funds from the Settlement Fund to pay all Taxes owed by the Settlement Fund in accordance with Section III. and Treas. Reg. § 1.468B-2 and any applicable state, local or other tax laws. Such returns, as well as the relation-back election described in Section III.E.1., shall be consistent with the provisions of this Section III.E.2. and in all events shall reflect that all Taxes as defined in Section I.YY. on the income earned by the

Settlement Fund shall be paid out of the Settlement Funds as provided in Section III.E.3. Each Released Entity shall provide to the administrator and the IRS the statement described in Treas. Reg. § 1.468B-3(e)(2) no later than February 15th of the year following each calendar year in which such Released Entity made its transfer to the Settlement Fund. The Released Entities shall have no responsibility or liability for the Settlement Fund's tax returns or other filings.

3. The following shall be paid out of the Settlement Funds: (i) all Taxes (including any estimated taxes, interest, or penalties) arising with respect to the income earned by the Settlement Fund, including, without limitation, any taxes or tax detriments that may be imposed upon the Remnant Defendants, their counsel, or any Released Entity with respect to any income earned by the Settlement Fund for any period during which the Settlement Fund does not qualify as a qualified settlement fund for federal or state income tax purposes (collectively, "*Taxes*"), and (ii) all Tax Expenses. In all events, neither the Remnant Defendants nor any other Released Entity nor their counsel shall have any liability or responsibility for any Taxes or Tax Expenses. With funds from the Settlement Fund, the Settlement Fund Administrator shall indemnify and hold harmless the Remnant Defendants and any other Released Entity and their counsel for all Taxes and Tax Expenses (including, without limitation, Taxes payable by reason of any such indemnification). Further, all Taxes and Tax Expenses shall be treated as, and considered to be, a cost of administration of the Settlement Fund and shall timely be paid by the Settlement Fund Administrator out of the Settlement Funds without prior order from the MDL Court. The Settlement Fund Administrator shall be obligated (notwithstanding anything herein to the contrary) to withhold from any funds necessary to pay such amounts, including the establishment of adequate reserves for any Taxes and Tax Expenses (as well as any amounts that may be required to be withheld under Treas. Reg. § 1.468B-2(1)(2)) (and any corresponding or similar provisions of state, local or foreign law, as applicable). Neither the Remnant Defendants nor any Released Entity nor their counsel is responsible therefor, nor shall they have any liability therefor. The Settling Parties agree to cooperate with the Settlement Fund Administrator, each other, their tax attorneys, and their accountants to the extent reasonably necessary to carry out the provisions of this Section III.E.3, and with respect to any tax claim, dispute, investigation, audit, examination, contest, litigation, or other proceeding relating to this Agreement.

IV. Implementing the Agreement

A. **Stay.** Following the Preliminary Agreement Date, Plaintiffs' Settlement Counsel and Remnant Defendants shall promptly jointly inform the MDL Court and jointly undertake reasonable best efforts to stay the Actions as to the Remnant Defendants.

B. **Notice to the Subdivisions.** No later than seven (7) calendar days after the Preliminary Agreement Date, the Notice and Claims Administrator shall send individual written Notice of the opportunity to participate in this Agreement and the requirements of participation to all Subdivisions. The form and manner of Notice agreed upon by the Parties shall be provided by the Notice and Claims Administrator to the Subdivisions. The notice shall include a Subdivision Settlement Participation Form and shall provide prominent notice of the Subdivision Settlement Participation Form Submission Deadline. Nothing contained herein shall preclude Plaintiffs' Settlement Counsel from providing further notice to or otherwise contacting any Subdivision about becoming a Participating Subdivision, including beginning any of the activities described in this paragraph prior to the Preliminary Agreement Date.

C. **Participation by Subdivisions.**

1. A Subdivision may become a Participating Subdivision by returning an executed Subdivision Settlement Participation Form to the Notice and Claims Administrator specifying (1) that the Subdivision agrees to the terms of this Agreement, (2) that the Subdivision releases all Released Claims against all Released Entities, (3) that the Subdivision agrees to use monies it receives from the Opioid Remediation Fund, if any, pursuant to the applicable requirements of Section VII., *provided, however*, that Non-Litigating Subdivisions may only use monies originating from the Opioid Remediation Fund for purposes that qualify as Opioid Remediation, and (4) the Subdivision submits to the jurisdiction of the MDL Court for purposes limited to the MDL Court's role under this Agreement. The required Subdivision Settlement Participation Form is attached as **Exhibit G.**
2. The eligibility of entities that submit Subdivision Settlement Participation Forms to participate in the Settlement as Participating Subdivisions will be subject to confirmation by the Notice and Claims Administrator.
3. Subdivision Settlement Participation Forms shall be deemed valid only for the entity named in the request.
4. Subdivision Settlement Participation Forms shall be deemed timely if received by the Notice and Claims Administrator no later than the Subdivision Settlement Participation Form Submission Deadline, or otherwise as agreed in writing by Plaintiffs' Settlement Counsel and the Remnant Defendants.
5. A Subdivision that has not submitted a Settlement Participation Form, and is thus a Non-Participating Subdivision, shall not directly receive any portion of the Opioid Remediation Funds. The Remnant Defendants reserve all of their legal rights and defenses with respect to Non-Participating Subdivisions.

6. Within ten (10) calendar days of the Subdivision Settlement Participation Form Submission Deadline, as extended by written agreement, the Notice and Claims Administrator shall deliver to Plaintiffs' Settlement Counsel and Remnant Defendants the Participation Report.
7. Within fifteen (15) calendar days of delivering the Participation Report, the Notice and Claims Administrator shall deliver to Remnant Defendants copies of all Subdivision Settlement Participation Forms.

D. Notice by Remnant Defendants.

1. After receiving the Participation Report, each Remnant Defendant will individually determine on or before the Reference Date whether there is sufficient Subdivision participation and sufficient resolution or dismissal of the Claims of the Litigating Subdivisions to proceed with this Agreement. The determination shall be in the sole discretion of the Remnant Defendant and may be based on any criteria or factors deemed relevant by the Remnant Defendant.
2. On or before the Reference Date, each Remnant Defendant shall inform Plaintiffs' Settlement Counsel of its determination pursuant to Section IV.D.1. If one or more Remnant Defendants determine to proceed, those Parties will proceed to file the motion for a Consent Judgment and the obligations in the Subdivision Settlement Participation Form will become effective and binding as of the Effective Date. If one or more Remnant Defendants determine not to proceed, those Remnant Defendants shall serve notice of their decision to terminate this Agreement as to them only in accordance with Section V.C.

E. Entry of Consent Judgment.

1. Within fourteen (14) days after the Reference Date (or the next business day thereafter), the Settling Parties shall submit an appropriate motion to the MDL Court reporting upon the Settlement as specified herein, including the Participation Report, and jointly requesting that the MDL Court:
 - a. enter a final consent judgment dismissing the Actions coordinated under MDL No. 2804 with prejudice as to the Remnant Defendants and, except as provided for in this Agreement, without costs or attorneys' fees;
 - b. direct Participating Subdivisions to dismiss the other Actions not coordinated under MDL No. 2804 with prejudice as to the Remnant Defendants and, except as provided for in this Agreement, without costs or attorneys' fees;

- c. discharge and release the Released Entities from all Released Claims;
 - d. permanently bar and enjoin the institution and prosecution by Participating Subdivisions of any other action against the Released Entities in any forum asserting any claims related in any way to the Released Claims;
 - e. reserve and continue exclusive jurisdiction over the Settlement, including the Settlement Fund, Opioid Remediation Fund, the Settlement Fund Administrator, the Notice and Claims Administrator, and all future proceedings concerning the administration, consummation, and enforcement of this Agreement;
 - f. determine pursuant to Federal Rule of Civil Procedure 54(b) that there is no just reason for delay and direct entry of a final judgment as to the Participating Subdivisions and the Remnant Defendants; and
 - g. confirm such other and further provisions consistent with the terms of this Agreement to which the Settling Parties expressly consent in writing.
- 2. In connection with the filing of the motion for a Consent Judgment, Plaintiffs' Settlement Counsel will also request that the MDL Court approve the proposed Plan of Allocation, as altered by subsequent agreement, if any, pursuant to Section VII.B.3, and apply the MDL Court's prior common benefit Orders to the Settlement Funds.
 - 3. Participating Subdivisions shall be subject to and bound by the provisions of this Agreement, the releases contained herein, and the Final Judgment.

V. Conditions of Settlement; Effect of Disapproval, Cancellation, or Termination

A. Occurrence of Effective Date.

- 1. Upon the Effective Date, any and all remaining interest or right of the Remnant Defendants that have elected to proceed with the Settlement, in or to the Settlement Funds, if any, shall be absolutely and forever extinguished except as provided by this Agreement, and the Settlement Funds (less any Notice and Administrative Costs, Taxes, Tax Expenses, or Attorneys' Fees and Expenses paid) shall be transferred from the Settlement Fund to the Opioid Remediation Fund, and from the Settlement Fund Administrator to the Notice and Claims Administrator as successor Settlement Fund Administrator, within ten (10) business days of the Notice and Claims Administrator notifying Plaintiffs' Settlement Counsel

it is ready to distribute the Opioid Remediation Funds, which must be after the Effective Date.

2. Upon the Effective Date, the Participating Subdivisions shall dismiss the Actions with prejudice as to the Released Entities, including all Actions listed on **Exhibit A**, as provided for in the Consent Judgment.

B. Failure of Effective Date to Occur. In the event that the Effective Date does not occur for any reason as to one or more Remnant Defendants, including for the reasons set forth in Sections IV.C., then this Agreement shall be cancelled and terminated as to those Remnant Defendants for which the Effective Date does not occur only, unless the affected Settling Parties mutually agree in writing to proceed with this Agreement.

C. Termination.

1. Prior to the Effective Date, this Agreement may be terminated by a Remnant Defendant as to it (but not as to any other Remnant Defendant) by serving on Plaintiffs' Settlement Counsel and counsel for the other Remnant Defendants a written notice of termination within ten (10) calendar days (or such longer time as may be agreed between Remnant Defendants and Plaintiffs' Settlement Counsel) after any of the following occurrences:
 - a. the Remnant Defendant provides written notice of its election not to proceed under Section IV.D.2.;
 - b. a Consent Judgment approving this Agreement without modification of any of this Agreement's terms has not been entered by the MDL Court on or before one hundred eighty (180) calendar days after the Preliminary Agreement Date;
 - c. this Agreement or the Consent Judgment has been disapproved by the MDL Court (or, in the event of an appeal from or review of a decision of the MDL Court to approve this Agreement and the Consent Judgment, by the court hearing such appeal or conducting such review), and the time to appeal from such disapproval has expired, or, in the event of an appeal from such disapproval, the appeal has been dismissed or the disapproval has been affirmed by the court of last resort to which such appeal has been taken and such dismissal or disapproval has become no longer subject to further appeal (including, without limitation, review by the United States Supreme Court); or
 - d. the Effective Date does not otherwise occur within one hundred eighty (180) calendar days after the Preliminary Agreement Date.
2. If this Agreement is terminated by one or more Remnant Defendants pursuant to Section V.C.1.:

- a. Plaintiffs' Settlement Counsel must notify the Settlement Fund Administrator and/or the Notice and Claims Administrator of those Remnant Defendants' decision to terminate this Agreement within seven (7) days of receiving written notice of such termination and instructions from those Remnant Defendants required to effectuate the wire transfer for the Termination Refund;
- b. the Settlement Fund Administrator and/or the Notice and Claims Administrator shall transfer the Termination Refund to those Remnant Defendants within seven (7) days of receiving written notice from Plaintiffs' Settlement Counsel; and
- c. upon receipt of the Termination Refund, this Agreement and all of its terms (except Section X.L. and any other non-admissibility provisions, which shall continue in full force and effect) shall be canceled and terminated, and this Agreement and all orders issued pursuant to this Agreement shall become null and void and of no effect as between the Participating Subdivisions and the terminating Remnant Defendants only. The Participating Subdivisions and those Remnant Defendants shall be returned to the status quo that existed in the Actions immediately prior to their entry into this Settlement Agreement (subject to appropriate extensions of deadlines to enable the Actions to proceed), and the Participating Subdivisions and the terminating Remnant Defendants shall retain all of their respective rights and defenses as of immediately prior to their entry into this Settlement Agreement. The Participating Subdivisions and those Remnant Defendants shall then proceed in all respects as if this Agreement and any related orders had not been executed.

VI. Notice and Claims Administrator

A. Selection of Notice and Claims Administrator. Plaintiffs' Settlement Counsel shall nominate, subject to the consent of the Remnant Defendants, an entity to serve as Notice and Claims Administrator that meets the following requirements:

1. The Notice and Claims Administrator will be bound by an agreement mutually acceptable to Plaintiffs' Settlement Counsel and Remnant Defendants.
2. The Notice and Claims Administrator will act as an independent and neutral third party in the performance of its functions including administering and disbursing funds from the Settlement Fund and the Opioid Remediation Fund.

3. The Notice and Claims Administrator may not be an entity that has acted as counsel for, or otherwise represented, a party in claims relating to Products.
4. The Notice and Claims Administrator shall have the authority to perform all actions consistent with the terms of this Agreement that the Notice and Claims Administrator deems to be reasonably necessary to effectuate the notice. Subject to the Parties' approval, the Notice and Claims Administrator may retain any entity that the Notice and Claims Administrator deems to be reasonably necessary to provide assistance in effectuating Notice to the Participating Subdivisions.
5. The Notice and Claims Administrator's role generally shall include, consistent with the terms of this Agreement, administration of the proposed Settlement, including receiving, preserving, reviewing, analyzing, and approving Participation Forms, including all supporting documentation, as well as distributing and overseeing distribution of the Opioid Remediation Fund according to the Plan of Allocation.
6. Any successor to the initial Notice and Claims Administrator shall be subject to the consent of all Settling Parties, shall fulfill the same functions from and after the date of succession, and shall be bound by the determinations made by the predecessor(s) to date.
7. The Notice and Claims Administrator shall have no authority to alter in any way the Settling Parties' or Participating Subdivisions' rights and obligations under this Agreement.
8. The Remnant Defendants and Released Entities shall have no involvement with or responsibility for supervising the Notice and Claims Administrator and are not subject to the authority of the Notice and Claims Administrator.
9. All fees, costs, and expenses incurred in the administration and/or work by the Notice and Claims Administrator, including fees, costs, and expenses of the Notice and Claims Administrator, as well as the costs of distributing the Notice, shall be paid from the Settlement Funds. Remnant Defendants shall have no obligation to pay any such fees, costs, and expenses other than the Pooled Settlement Amount.

B. Distribution of Settlement Fund.

1. The Notice and Claims Administrator shall administer the claims submitted by Participating Subdivisions and shall oversee distribution of the Settlement Funds, including distribution of amounts in the Opioid Remediation Fund to Participating Subdivisions pursuant to the Plan of Allocation. Subject to the terms of this Agreement and any order(s) of the

MDL Court, as may be necessary or as circumstances may require, the Settlement Funds shall be applied as follows:

- a. to pay Taxes and Tax Expenses on the Settlement Funds (but not on any individual distributions to Participating Subdivisions made pursuant to the Plan of Allocation);
 - b. to pay Notice and Administrative Costs (including escrow fees and costs);
 - c. to pay the Attorneys' Fees and Expenses, as set forth in and pursuant to the provisions of Section VII. of this Agreement; and
 - d. to distribute the balance, which constitutes the "Opioid Remediation Funds," to Participating Subdivisions as allowed by this Agreement and the Plan of Allocation.
2. No amount may be disbursed from the Settlement Fund until the Effective Date, except that: (a) Notice and Administrative Costs (including escrow fees and costs) may be paid from the Settlement Fund as they become due, and (b) Taxes and Tax Expenses on the Settlement Funds may be paid from the Settlement Fund as they become due.

C. **Distribution of Opioid Remediation Fund.** Upon the Effective Date and thereafter, and in accordance with the terms of this Agreement, the Plan of Allocation, and any further order(s) of the MDL Court, the Opioid Remediation Funds shall be distributed to Participating Subdivisions as provided by Section VI.B.1.d.

VII. Use and Allocation of Opioid Remediation Fund.

A. Use of Opioid Remediation Funds.

1. It is the intent of the Parties that the payments disbursed from the Opioid Remediation Fund to Participating Subdivisions be for Opioid Remediation as set forth in **Exhibit D: List of Opioid Remediation Uses**, all of which are compensatory and remedial in nature consistent with the restitution characterization under 26 U.S.C. § 162(f)(2)(A). In no event may less than ninety-five percent (95%) of the Opioid Remediation Funds be spent on Opioid Remediation.
2. While disfavored by the Parties, a Participating Subdivision set forth on **Exhibit C** may use monies from the Opioid Remediation Fund (that have not been restricted by this Agreement solely to future Opioid Remediation) for purposes that do not qualify as Opioid Remediation. If, at any time, a Participating Subdivision set forth on **Exhibit C** uses any monies from the Opioid Remediation Fund for a purpose that does not qualify as Opioid Remediation, such Participating Subdivision set forth on **Exhibit C** shall identify such amounts and report to the Notice and

Claims Administrator and the Remnant Defendants how such funds were used, including if used to pay attorneys' fees, investigation costs, litigation costs, or costs related to the operation and enforcement of this Agreement, respectively. It is the intent of the Parties that the reporting under this Section VII.A.2. shall be available to the public. For the avoidance of doubt, (a) any amounts not identified under this Section VII.A.2. as used to pay attorneys' fees, investigation costs, or litigation costs shall be included in the Compensatory Restitution Amount for purposes of Section III.B., and (b) Participating Subdivisions not listed on **Exhibit C** may only use monies from the Opioid Remediation Fund for purposes that qualify as Opioid Remediation.

B. Allocation of Opioid Remediation Fund. The allocation of the Opioid Remediation Fund allows for different approaches to be taken in different states, such as through a State-Subdivision Agreement. The Notice and Claims Administrator will, for each Participating Subdivision, apply the terms of this Agreement and any relevant State-Subdivision Agreement or voluntary redistribution of funds as set out below before disbursing the funds.

1. A State-Subdivision Agreement may govern the operation and use of amounts allocated to the Participating Subdivisions of a particular State so long as the terms do not conflict with Section VII.A. and the funds are held in a segregated account until distributed for their intended purposes.
2. In the absence of an applicable State-Subdivision Agreement, the Opioid Remediation Fund will be used solely for future Opioid Remediation and the Opioid Remediation Funds will be distributed for their intended purposes by the Notice and Claims Administrator to Participating Subdivisions included on **Exhibit E** pursuant to the Plan of Allocation. Section VII.B.3. shall govern amounts that would otherwise be distributed to Non-Participating Subdivisions listed in **Exhibit E**. For the avoidance of doubt and notwithstanding any other provision in this Agreement, no Non-Participating Subdivision will receive any amount from the Opioid Remediation Fund, regardless of whether such Subdivision is included on **Exhibit E**. Also, no State will receive any amount from the Opioid Remediation Fund.
3. Any portion of the Opioid Remediation Fund allocated pursuant to Section VII.B. and the Plan of Allocation to a Subdivision that is a Non-Participating Subdivision will be re-allocated among Participating Subdivisions as later agreed between Plaintiffs' Settlement Counsel and Remnant Defendants. For avoidance of doubt, any amount allocated to a Participating Subdivision under this Section VII.B.3. must be used as provided by Section VII.A.

C. No Liability for Distribution of Settlement Fund or Opioid Remediation Fund. Neither the Released Entities nor their counsel shall have any responsibility for, or liability whatsoever with respect to, the distribution of the Settlement Fund or Opioid

Remediation Fund; administering the Plan of Allocation; the Settlement Fund's or Opioid Remediation Fund's qualification as a "qualified settlement fund"; the payment or withholding of Taxes or Tax Expenses; the distribution of Settlement Funds or Opioid Remediation Funds; or any losses incurred in connection with any such matters. The Releasors hereby fully, finally, and forever release, relinquish, and discharge the Released Entities and their counsel from any and all such liability. No entity shall have any claim against Plaintiffs' Settlement Counsel, the Notice and Claims Administrator, or any Released Entity based on the distributions made in accordance with this Agreement, the Plan of Allocation, or further orders of the MDL Court.

D. Balance Remaining in Settlement Fund or Opioid Remediation Fund. If there is any balance remaining in the Settlement Fund or Opioid Remediation Fund (whether by reason of tax refunds, uncashed checks, or otherwise), such balance shall be deemed as Opioid Remediation Funds and distributed in accordance with the Plan of Allocation and Section VII., and shall be used and expended solely for the purpose set forth in **Exhibit D**, or further order of the MDL Court (but not to the Remnant Defendants).

VIII. Attorneys' Fees and Expenses

The Agreement on Attorneys' Fees and Expenses is set forth in **Exhibit H** and incorporated herein by reference. The Released Entities shall have no responsibility for or liability whatsoever with respect to any payment for Attorneys' Fees and Expenses or to any other entity or person that may assert a claim for any attorneys' fee, expense, or costs, except as set forth in the Agreement on Attorneys' Fees and Expenses in **Exhibit H**.

IX. Releases and Dismissal

A. No Future Actions Following Release. As of the Effective Date, the Released Entities are fully, finally, and forever released and discharged from all of the Releasors' Released Claims. Each Releasor hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist in bringing or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever, whether on its own behalf, or as part of any putative, purported, or certified class. The releases provided for in this Agreement are intended by the Settling Parties to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims. This Agreement shall be a complete bar to any Released Claim. Other than as set forth herein, this Agreement does not include any provisions for injunctive relief. Participating Subdivisions shall look solely to the Settlement Funds for settlement and satisfaction against the Released Entities of all claims that are released hereunder. The MDL Court shall have continuing and exclusive jurisdiction to enforce the terms and provisions of this Agreement and any and all of its Orders made in connection with Settlement approval, notice, administration, and implementation.

B. Claim-Over and Non-Party Settlement.

1. It is the intent of the Parties that:

- a. Released Entities should not seek contribution or indemnification (other than pursuant to an insurance or other third-party contract), from other parties for their payment obligations under this Agreement;
- b. The payments made under this Agreement shall be the sole payments made by the Released Entities to the Releasors involving, arising out of, or related to Covered Conduct (or conduct that would be Covered Conduct if engaged in by a Released Entity);
- c. Claims by Releasors against non-Parties should not result in additional payments by Released Entities, whether through contribution, indemnification or any other means; and
- d. this Agreement meets the Uniform Contribution Among Tortfeasors Act and any similar state law or doctrine that reduces or discharges a released party's liability to pay other parties.

The provisions of this Section IX.B. are intended to be implemented consistent with these principles. This Agreement and the releases and dismissals provided for herein are made in good faith.

- 2. No Released Entity shall seek to recover for amounts paid under this Agreement based on indemnification, contribution, or any other theory from a manufacturer, pharmacy, hospital, pharmacy benefit manager, health insurer, third-party vendor, trade association, distributor, or health care practitioner; *provided that* a Released Entity shall be relieved of this prohibition with respect to any entity that asserts a Claim-Over against it. For the avoidance of doubt, nothing herein shall prohibit a Released Entity from recovering amounts owed pursuant to insurance or other third-party contracts.
- 3. To the extent that, on or after the Effective Date, any Releasor enters into a Non-Party Settlement, including in any bankruptcy case or through any plan of reorganization (whether individually or as a class of creditors), the Releasor will seek to include (or in the case of a Non-Party Settlement made in connection with a bankruptcy case, will cause the debtor to include), unless prohibited from doing so under applicable law, in the Non-Party Settlement a prohibition on contribution or indemnity of any kind substantially equivalent to that required from Remnant Defendants in Section IX.B.2. or a release from such Non-Released Entity in favor of the Released Entities (in a form equivalent to the releases contained in this Agreement) of any Claim-Over. The obligation to obtain the prohibition and/or release required by this subsection is a material term of this Agreement.
- 4. In the event that any Releasor obtains a judgment against a Non-Released Entity that does not contain a prohibition like that described in Section

IX.B.2., or any Releasor files a Non-Party Covered Conduct Claim against a Non-Released Entity in bankruptcy or a Releasor is prevented for any reason from obtaining a prohibition/release in a Non-Party Settlement as provided in Section IX.B.2., and such Non-Released Entity asserts a Claim-Over against a Released Entity, the Released Entity shall be relieved of the prohibition in Section IX.B.2. with respect to that Non-Released Entity and that Releasor and the Remnant Defendants shall take the following actions to ensure that the Released Entities do not pay more with respect to the Covered Conduct to Releasors or to Non-Released Entities than the amounts owed under this Agreement by the Remnant Defendants:

- a. The Remnant Defendants shall notify that Releasor of the Claim-Over within sixty (60) days of the assertion of the Claim-Over or within sixty (60) days of the Effective Date, whichever is later.
- b. The Remnant Defendants and that Releasor shall meet and confer concerning the means to hold the Released Entities harmless from the Claim-Over and ensure that the Released Entities are not required to pay more with respect to the Released Claims than the amounts owed by Remnant Defendants under this Agreement.
- c. That Releasor and the Remnant Defendants shall take steps sufficient and permissible under applicable law to hold the Released Entities harmless from the Claim-Over and ensure the Released Entities are not required to pay more with respect to the Covered Conduct than the amounts owed by Remnant Defendants under this Agreement. Such steps may include, where permissible:
 - (i) The Releasor supporting a motion to dismiss or such other appropriate motion as may be filed by the Released Entities in response to any Claim filed in litigation or arbitration;
 - (ii) Reduction of that Releasors' Claim and any judgment it has obtained or may obtain against such Non-Released Entity by whatever amount or percentage is necessary to extinguish such Claim-Over under applicable law, up to the amount that releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;
 - (iii) Placement into escrow of funds paid by the Non-Released Entities such that those funds are available to satisfy the Claim-Over;
 - (iv) Return of monies paid by Remnant Defendants to that Releasor under this Agreement to permit satisfaction of a

judgment against or settlement with the Non-Released Entity to satisfy the Claim-Over;

- (v) Payment of monies to Remnant Defendants by that Releasor to ensure they are held harmless from such Claim-Over, up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;
- (vi) Credit to the Remnant Defendants under this Agreement to reduce the overall amounts to be paid under this Agreement such that they are held harmless from the Claim-Over; and
- (vii) Such other actions as that Releasor and the Remnant Defendants may devise to hold the Released Entities harmless from the Claim-Over.

d. The actions of that Releasor and Remnant Defendants taken pursuant to paragraph (c) must in combination, ensure Remnant Defendants are not required to pay more with respect to Covered Conduct than the amounts owed by Remnant Defendants under this Agreement.

5. To the extent that the Claim-Over is based on a contractual indemnity, the obligations under Section IX.B.3. shall extend solely to a Non-Party Covered Conduct Claim against a pharmacy, distributor, clinic, hospital or other purchaser or dispenser of Products, a manufacturer that sold Products, a consultant, and/or a pharmacy benefit manager or other third-party payor. Each Remnant Defendant shall notify the Participating Subdivisions, to the extent permitted by applicable law, in the event that any of these types of Non-Released Entity assert a Claim-Over arising out of contractual indemnity against it.

C. **Litigation Bar.** The Settling Parties contemplate and agree that this Agreement may be pleaded as a bar to a lawsuit, and an injunction may be obtained, preventing any action from being initiated or maintained in any case sought to be prosecuted on behalf of any Releasors with respect to the Released Claims.

D. **General Release.** The Releasors acknowledge that, by executing this Agreement, and for the consideration received hereunder, it is their intention to release, and they are releasing, all Released Claims, even Unknown Claims. In connection with the releases provided for in this Agreement, each Releasor expressly, knowingly, and voluntarily waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to Section 1542 of the California Civil Code, which reads:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS
THAT THE CREDITOR OR RELEASING PARTY DOES NOT

KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Releasors likewise expressly, knowingly, and voluntarily waive any rights under Section 20-7-11 of the South Dakota Codified Laws, which provides:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM MUST HAVE MATERIALLY AFFECTED HIS SETTLEMENT WITH THE DEBTOR.

The Releasors acknowledge that they have been advised by Plaintiffs' Settlement Counsel of the contents and effects of California Civil Code § 1542, and hereby expressly waive and release with respect to the Released Claims any and all provisions, rights, and benefits conferred by California Civil Code § 1542 or by any equivalent, similar, or comparable law or principle of law in any jurisdiction, including, but not limited to Section 20-7-11 of the South Dakota Codified Laws. A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Releasor hereby expressly waives, and fully, finally, and forever settles, releases, and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Releasors' decision to enter into or participate in this Agreement.

E. **Assigned Interest Waiver.** To the extent that any Releasor has any direct or indirect interest in any rights of a third party that is a debtor under the Bankruptcy Code as a result of a claim arising out of Covered Conduct by way of assignment or otherwise, including as a result of being the beneficiary of a trust or other distribution entity, to assert claims against a Remnant Defendant (whether derivatively or otherwise), under any legal or equitable theory, including for indemnification, contribution, or subrogation, such Releasor waives the right to assert any such claim, or to receive a distribution or any benefit on account of such claim and such claim, distribution, or benefit shall be deemed assigned to such Remnant Defendant.

F. **Res Judicata.** Nothing in this Agreement shall be deemed to reduce the scope of the *res judicata* or claim preclusive effect that the Settlement gives rise to under applicable law.

G. **Effectiveness.** The releases set forth in this Agreement shall not be impacted in any way by any dispute that exists, has existed, or may later exist between or among the Releasors. Nor shall such releases be impacted in any way by any current or future law, regulation, ordinance, or court or agency order limiting, seizing, or controlling the distribution or use of the Settlement Funds or any portion thereof, by the enactment of future laws or the reinterpretation of existing law, or by any seizure of the Settlement Funds or any portion thereof.

H. **Cooperation.** The Settling Parties agree to use their best efforts and to cooperate to cause this Agreement and the Consent Judgment to become effective, to obtain all necessary approvals, consents and authorizations, if any, and to execute all documents and to take such other action as may be appropriate in connection herewith. Consistent with the foregoing, the Settling Parties agree that they will not directly or indirectly assist or encourage any challenge to this Agreement or the Consent Judgment by any other person, and will support the integrity and enforcement of the terms of this Agreement and the Consent Judgment. Upon the Effective Date, Plaintiffs' Settlement Counsel will also reasonably cooperate with the Remnant Defendants to secure the prompt dismissal of any and all Released Claims in the Actions and in any later-filed litigation implicated by the releases, covenants not to sue, and/or claim bars set forth herein.

I. **Liens.** Each Participating Subdivision agrees to be responsible for any liens, interests, actions, or claims asserted by any third party, in a derivative manner, for or against the portion of Opioid Remediation Funds allocated to that Participating Subdivision, including, without limitation, any derivative actions or claims asserted by any financial institutions, lenders, insurers, agents, representatives, successors, predecessors, assigns, attorneys, bankruptcy trustees, and any and all other entities that may claim through them in a derivative manner.

J. **Claims Excluded from Release.** Notwithstanding the foregoing, the releases provided herein shall not release claims of governmental entities that do not participate in the Settlement; claims arising solely from conduct by the Remnant Defendants that occurs after the Effective Date; claims against the Remnant Defendants other than the Released Claims; or claims alleging a breach of this Agreement or seeking to enforce this Agreement.

X. Miscellaneous Provisions

A. **Population of Subdivisions.** The population figures for Subdivisions shall be the published U.S. Census Bureau's population estimates for July 1, 2019, released May 2020. These population figures shall remain unchanged during the term of this Agreement.

B. **No Admission of Liability or Wrongdoing.** The Parties agree to settle the Released Claims and to execute this Agreement solely to compromise and settle protracted, complicated, and expensive litigation. The Remnant Defendants do not admit liability or wrongdoing. Neither this Agreement nor the Consent Judgment shall be considered, construed or represented to be (1) an admission, concession or evidence of liability or wrongdoing or (2) a waiver or any limitation of any defense otherwise available to the Remnant Defendants.

C. **Voluntary Settlement.** Each Settling Party warrants and represents that it negotiated the terms of this Agreement in good faith, without any degree or duress or compulsion, and after consultation with competent legal counsel. The Settling Parties agree that throughout the course of the litigation of the Action, the Settling Parties and their counsel vigorously prosecuted their claims and/or defenses consistent with the applicable rules of procedure.

D. **Authorization to Enter Settlement Agreement.** The undersigned representatives of Remnant Defendants represent they are fully authorized to enter into and execute this Agreement on behalf of Remnant Defendants. Plaintiffs' Settlement Counsel represent that they

are, pursuant to MDL Court appointment, expressly authorized to take all action required or permitted to be taken pursuant to this Agreement to effectuate its terms and enter into and execute this Agreement and any modifications or amendments to this Agreement, on behalf of the Participating Subdivisions, that they deem appropriate.

E. **Integrated Agreement.** Except for any amendments, alterations, or modifications provided for under Section X.G., this Agreement, including its exhibits and any other attachments, and the Related Agreements, embodies the entire agreement and understanding between and among the Settling Parties relating to the subject matter hereof and supersedes (1) all prior agreements and understandings relating to such subject matter, whether written or oral, and (2) all purportedly contemporaneous oral agreements and understandings relating to such subject matter. It is understood by the Settling Parties that, except for the matters expressly represented herein, the facts or law with respect to which this Agreement is entered into may turn out to be other than or different from the facts now known to each party or believed by such party to be true. Each Settling Party therefore expressly assumes the risk of the facts or law turning out to be so different, and agrees that this Agreement shall be in all respects effective and not subject to termination by reason of any such different facts or law.

F. **Exhibits.** The exhibits to this Agreement are as follows all of which are incorporated by reference, *provided that* the descriptions of the exhibits below are for reference only and do not alter any other term of this Agreement:

H. **Execution in Counterparts.** This Agreement may be executed in one or more counterparts and by different signatories on separate counterparts, each of which shall be deemed an original, but all of which shall together be one and the same agreement. One or more counterparts of this Agreement may be delivered by facsimile or electronic transmission with the intent that it or they shall constitute an original counterpart hereof. One or more counterparts of this Agreement may be signed by electronic signature. Counsel for the Settling Parties to this Agreement shall exchange among themselves original or scanned counterparts and a complete, assembled executed counterpart shall be filed with the MDL Court.

I. **Construction.** None of the Settling Parties shall be considered to be the drafter of this Agreement or of any of its provisions for the purpose of any statute, case law, or rule of interpretation or construction that would or might cause any provision to be construed against the drafter of this Agreement. The headings of the provisions of this Agreement are not binding and are for reference only and do not limit, expand, or otherwise affect the contents or meaning of this Agreement.

J. **Each Party to Bear Its Own Costs and Fees.** Except as otherwise provided herein, each Settling Party shall bear its own attorneys' fees and other litigation expenses and costs.

K. **Federal Rule of Evidence 408.** The Settling Parties agree that this Agreement, its terms and the negotiations surrounding this Agreement shall be governed by Federal Rule of Evidence 408 and shall not be admissible or offered or received into evidence in any suit, action, or other proceeding, except as provided in this Agreement, upon the written agreement of the Settling Parties hereto, pursuant to an order of a court of competent jurisdiction, or as shall be necessary to give effect to, or to declare or enforce the rights of the Settling Parties with respect to, any provision of this Agreement.

L. **Use of Agreement as Evidence.** Neither this Agreement nor the Settlement, nor any act performed, statement made, or document executed pursuant to or in furtherance of this Agreement or the Settlement: (a) is, may be deemed to be, or may be used as an admission or evidence of the validity of any Released Claims, any allegation made in any Action, or any wrongdoing or liability of Remnant Defendants; or (b) is, may be deemed to be, or may be used as an admission or evidence of any liability, fault, or omission of the Released Entities in any civil, criminal, or administrative proceeding in any court, administrative agency, or other tribunal. Neither this Agreement nor the Settlement, nor any act performed, statement made, or document executed pursuant to or in furtherance of this Agreement or the Settlement shall be admissible in any proceeding for any purpose except to enforce the terms of the Settlement, and except that the Released Parties may file this Agreement and/or the Consent Judgment in any

action for any purpose, including, but not limited to, in order to support a defense or counterclaim based on principles of *res judicata*, collateral estoppel, release, good faith settlement, judgment bar or reduction, or any other theory of claim preclusion, issue preclusion, or similar defense or counterclaim. Notwithstanding anything to the contrary in this Agreement or otherwise, Remnant Defendants may file or use this Agreement and related materials in any action: (i) involving a determination regarding insurance coverage; (ii) involving a determination of the taxable income or tax liability of any Remnant Defendants; (iii) to support a claim for contribution and/or indemnification; or (iv) to support any argument or defense by a Remnant Defendant that the Pooled Settlement Amount provides a measure of compensation for asserted harms or otherwise satisfies the relief sought.

M. Preservation of Records. For five years following the Effective Date, (i) the Notice and Claims Administrator shall be required to keep, maintain, preserve, and otherwise refrain from altering, modifying, spoiling, deleting, removing, or destroying all records and data submitted in connection with any Participation Form; and (ii) each Participating Subdivision shall keep, maintain, preserve, and otherwise refrain from altering, modifying, spoiling, deleting, removing, or destroying all records and data supporting its Participation Form.

N. Binding Effect. This Agreement shall be binding upon, and inure to the benefit of, the successors and assigns of the Settling Parties.

O. Notices. All notices from or between the Settling Parties shall be in writing. Each such notice shall be given by: (a) email; (b) hand delivery; (c) registered or certified mail, return receipt requested, postage pre-paid; or (d) FedEx or similar overnight courier, to their representatives at the addresses set forth below or such other addresses as Plaintiffs' Settlement Counsel or the Remnant Defendants may designate, from time to time, by giving notice to all Settling Parties in the manner described in this paragraph.

Any Settling Party may change or add the contact information of the persons designated to receive notice on its behalf by notice given (effective upon the giving of such notice) as provided in this Section X.O.

P. **Consent to Jurisdiction.** The Remnant Defendants, the Plaintiffs' Settlement Counsel, and Participating Subdivisions (including all Releasers) hereby irrevocably submit to the exclusive jurisdiction of the MDL Court only for the specific purpose of any suit, action, proceeding, or dispute arising out of or relating to the enforcement of this Agreement or the applicability of this Agreement. Solely for purposes of such suit, action, or proceeding, to the fullest extent that they may effectively do so under applicable law, the Remnant Defendants, the Plaintiffs' Settlement Counsel, and the Participating Subdivisions and the Participating Subdivisions' Counsel irrevocably waive and agree not to assert, by way of motion, as a defense or otherwise, any claim or objection that they are not subject to the jurisdiction of the MDL Court or that the MDL Court is in any way an improper venue or an inconvenient forum. Nothing herein shall be construed as a submission to jurisdiction for any purpose other than any

suit, action, proceeding, or dispute arising out of or relating to enforcement of this Agreement or the applicability of this Agreement. For the avoidance of doubt, nothing herein shall be construed as a submission to jurisdiction in any action involving a determination regarding insurance coverage.

Q. Resolution of Disputes; Retention of Exclusive Jurisdiction. Any disputes between or among the Remnant Defendants and any Participating Subdivision concerning matters contained in this Agreement, including the Plan of Allocation, shall, if they cannot be resolved by negotiation and agreement, be submitted to the MDL Court. The MDL Court shall retain exclusive jurisdiction over the implementation and enforcement of the Settlement.

R. Choice of Law. This Agreement shall be construed and enforced in accordance with, and governed by, the applicable provisions of the Federal Rules of Civil Procedure and Evidence, and the internal, substantive laws of the State of Ohio without giving effect to that State's choice of law principles.

S. No Waiver. No delay or omission by any Settling Party in exercising any rights under this Agreement will operate as a waiver of that or any other right. The waiver of any rights conferred hereunder shall be effective only if made by written instrument executed by the waiving Party or Parties. The waiver by any Party of any breach of this Agreement shall not be deemed to be or construed as a waiver of any other breach, whether prior, subsequent, or contemporaneous, nor shall such waiver be deemed to be or construed as a waiver by any other Party.

T. Preservation of Privilege. Nothing contained in this Agreement or any Consent Judgment, and no act required to be performed pursuant to this Agreement or any Consent Judgment, is intended to constitute, cause, or effect any waiver (in whole or in part) of any attorney-client privilege, work product protection, or common interest/joint defense privilege, and each Party and Participating Subdivision agrees that it shall not make or cause to be made in any forum any assertion to the contrary.

U. Duty Not to Encourage Non-Participation. Plaintiffs' Settlement Counsel agrees not to in any way encourage, promote, or solicit any Subdivision, or their counsel, to decline to participate in this Settlement, or seek any relief inconsistent with this Settlement.

V. Tax Cooperation and Reporting.

1. Upon request by any Remnant Defendant, the Participating Subdivisions agree to perform such further acts and to execute and deliver such further documents as may be reasonably necessary for the Remnant Defendant to establish the statements set forth in Section III.B. to the satisfaction of their tax advisors, their independent financial auditors, the Internal Revenue Service, or any other governmental authority, including as contemplated by Treasury Regulations Section 1.162-21(b)(3)(ii) and any subsequently proposed or finalized relevant regulations or administrative guidance.

2. Without limiting the generality of Section X.V.1., each Participating Subdivision shall cooperate in good faith with any Remnant Defendant with respect to any tax claim, dispute, investigation, audit, examination, contest, litigation, or other proceeding relating to this Agreement. The Settling Parties agree to cooperate in good faith to provide documentation and perform such further acts, reporting, or allocation to achieve maximum deductibility under the terms of this Agreement.
3. The Designated Subdivision, as defined in Section I.K., on behalf of all Participating Subdivisions, shall designate one of its officers or employees to act as the “appropriate official” within the meaning of Treasury Regulations Section 1.6050X-1(f)(1)(ii)(B) (the “*Appropriate Official*”). The Designated Subdivision shall direct and ensure that the Appropriate Official timely (a) files (i) at the time this Agreement becomes binding on the Settling Parties, an IRS Form 1098-F with respect to each of the Remnant Defendants and (ii) any legally required returns or amended returns with any applicable governmental authority, or any returns requested by the respective Remnant Defendant, and (b) provides to each of the Remnant Defendants a copy of (i) the IRS Form 1098-F filed with respect to such Remnant Defendant and (ii) any legally required written statement pursuant to any applicable law and any other document referred to in clause (a)(ii) above. Any such form, return, or statement shall be prepared and filed in a manner fully consistent with Section III.B.
4. The Participating Subdivisions agree that any return, amended return, or written statement filed or provided pursuant to Section X.V.3., and any similar document, shall be prepared and filed in a manner consistent with reporting each Remnant Defendant’s portion of the Pooled Settlement Amount as the “Total amount to be paid” pursuant to this Agreement in Box 1 of IRS Form 1098-F and each Remnant Defendant’s portion of the Compensatory Restitution Amount as “Restitution/remediation amount” in Box 2 of IRS Form 1098-F. If the Designated Subdivision or Appropriate Official shall be required to file any return, amended return, or written statement contemplated by this Section X.V. other than an IRS Form 1098-F, the Designated Subdivision shall direct and ensure that the Appropriate Official provides to each Remnant Defendant a draft of such return, amended return, or written statement in respect of such Remnant Defendant no later than sixty (60) calendar days prior to the due date thereof and shall accept and reflect any reasonable comments of such Remnant Defendant on the return, amended return, or written statement in respect of such Remnant Defendant.
5. For the avoidance of doubt, neither the Remnant Defendants nor the Participating Subdivisions make any warranty or representation to any Participating Subdivision or Releaser as to the tax consequences of any aspect of the Settlement or this Agreement.

W. **No Third-Party Beneficiaries.** Except as expressly provided in this Agreement, no portion of this Agreement shall provide any rights to, or be enforceable by, any person or entity that is not a Released Entity. No Participating Subdivision may assign or otherwise convey any right to enforce any provision of this Agreement.

X. **Confidentiality.** The terms of this Agreement shall remain confidential until Subdivision Settlement Participation Forms are submitted to Subdivisions pursuant to the terms of this Agreement, or the proposed order to establish qualified settlement funds is submitted to the MDL Court, whichever occurs first; *provided that*, prior to then the Settling Parties may disclose the terms of this Settlement to accountants, lenders, auditors, legal counsel, tax advisors, insurers, or consultants; or as part of any security or other disclosure required by law (as determined by a Settling Party and its counsel); or in response to a request by any governmental, judicial, or regulatory authority or otherwise required by applicable law or court order; and Participating Subdivisions may disclose the terms of the Settlement to any entity that has applied to serve as Notice and Claims Administrator, or Settlement Fund Administrator, who shall abide by the terms of this paragraph. Any formal press release by a Settling Party regarding this Settlement prior to entry of the Final Judgment shall be shared in advance with the other Settling Party, with a reasonable opportunity for comments and suggested changes.

Consideration of approval of resolution authorizing the execution and delivery of an installment financing agreement with Pinnacle Bank for construction of Fire Station 6)

Summary: Bids and the final Guaranteed Maximum Price (GMP) have been approved for the construction of Fire Station 6. The Town plans to borrow \$18,000,000 to fund the project through an installment financing agreement, as authorized by N.C. General Statute 160A-20.

The Town received five proposals, with interest rates ranging from 3.28% to 4.45% and various term options. While the Town's debt planning model assumed a 15-year term, available funding in the debt service fund supports a shorter 12-year term, allowing for earlier repayment of the debt.

Staff has selected Pinnacle Bank, which submitted a proposal with a 3.35% interest rate for a 12-year term. A summary of all proposals received is attached for review.

The formal application to the Local Government Commission (LGC) was submitted on March 27, and the financing is scheduled for consideration on Tuesday, May 5. The attached resolution authorizes staff to proceed with closing the loan and securing the necessary funds.

FINANCING OF A NEW FIRE STATION FACILITY FOR THE TOWN
OF WAKE FOREST, NORTH CAROLINA**

BE IT RESOLVED by the Board of Commissioners (the “Board”) of the Town of Wake Forest, North Carolina (the “Town”):

Section 1. The Board does hereby find and determine as follows:

(a) There exists in the Town a need to finance the costs of (i) acquiring, constructing and equipping a new fire station facility for the Town (the “Project”).

(b) After a public hearing and due consideration, the Board has determined that the most efficient manner of financing the Project will be through entering into an Installment Financing Agreement, to be dated the date of delivery thereof (the “Agreement”), between the Town and Pinnacle Bank, a Tennessee bank (the “Lender”), pursuant to which the Lender will advance to the Town an amount sufficient, together with any other available funds, to (i) pay the costs of the Project and (ii) pay the financing costs associated therewith, and the Town will repay the advancement in installments, with interest thereon (the “Installment Payments”).

(c) In order to secure the Town’s obligations under the Agreement, the Town will execute and deliver a Deed of Trust, to be dated the date of delivery thereof (the “Deed of Trust”), from the Town to the deed of trust trustee named therein for the benefit of the Lender, granting a lien

on the site of the Project, together with all buildings, improvements and fixtures located or to be located thereon (the "Mortgaged Property").

(d) There has been presented to the Board at this meeting drafts of the Agreement and the Deed of Trust.

Section 2. In order to provide for the financing of the Project and the payment of the financing costs associated therewith, the Town is hereby authorized to enter into the Agreement and receive an advancement pursuant thereto in the principal amount not to exceed \$18,000,000. The Town shall repay the advancement in installments due in the amounts and at the times set forth in the Agreement. The payments of the Installment Payments shall be designated as principal and interest as provided in the Agreement. The interest rate payable under the Agreement shall be 3.35% per annum (subject to adjustment as provided in the Agreement), and the final Installment Payment due under the Agreement shall not be later than April 1, 2038.

Section 3. The Board hereby approves the Agreement and the Deed of Trust in substantially the forms presented at this meeting. The Mayor, the Town Manager and the Assistant Town Manager/Chief Financial Officer of the Town are each hereby authorized to execute and deliver on behalf of the Town such documents in substantially the forms presented at this meeting, containing such modifications as the person executing such documents, with the advice of counsel, shall approve, such execution to be conclusive evidence of approval by the Board of any such changes. Highlights for March 2026 for the Renaissance Centre

On March 6 and 7, 2026, the Wake Forest Renaissance Centre presented the Wake Forest Film Festival, which spotlighted passionate, creative, and thought-provoking films by emerging and accomplished local, national, and international filmmakers, offering both the general public and film professionals an opportunity to experience diverse cinematic work in a unique setting. On March 14, the Centre hosted the reception for its fifth annual Community Schools Student Art Showcase from 10 a.m. to 2 p.m., where attendees viewed artwork from local K–12 students displayed in the Arts Annex, enjoyed live performances on the main stage, and created their own art to take home, with the exhibit remaining on display through April 6. Later in the month, on March 28 at 10 a.m., the Public Art Commission invited community members to a free performance of “Pepito & The Trash Cans” at the Alston-Massenburg Center, where audiences experienced a musical story about a young boy in Bolivia who, despite hardship, discovered how to create instruments from repurposed materials and pursue his dream of making music.
