THE TOWN OF
Windermere

TOWN COUNCIL WORKSHOP

Agenda ***Agenda***

April 22, 2025
6:00 PM

VIRTUAL

JOIN ZOOM MEETING: HTTPS://US06WEB.ZOOM.US/J/8634172453?PWD=MQIWV5K4GL2NXORMBYEGJCXSPXRWBK.1&OMN=87821560868

MEETING ID: 863 417 2453
PASSCODE: TOW2024

ONE TAP MOBILE: +1 (305)224-1968,,8634172453# US

PLEASE TURN OFF ALL CELL PHONES AND PAGERS

PLEASE NOTE: IN ACCORDANCE WITH F.S. 286.26: Person with disabilities needing assistance to participate in any such proceedings should contact the Office of the Clerk at least 48 hours beforehand at (407) 876-2563.

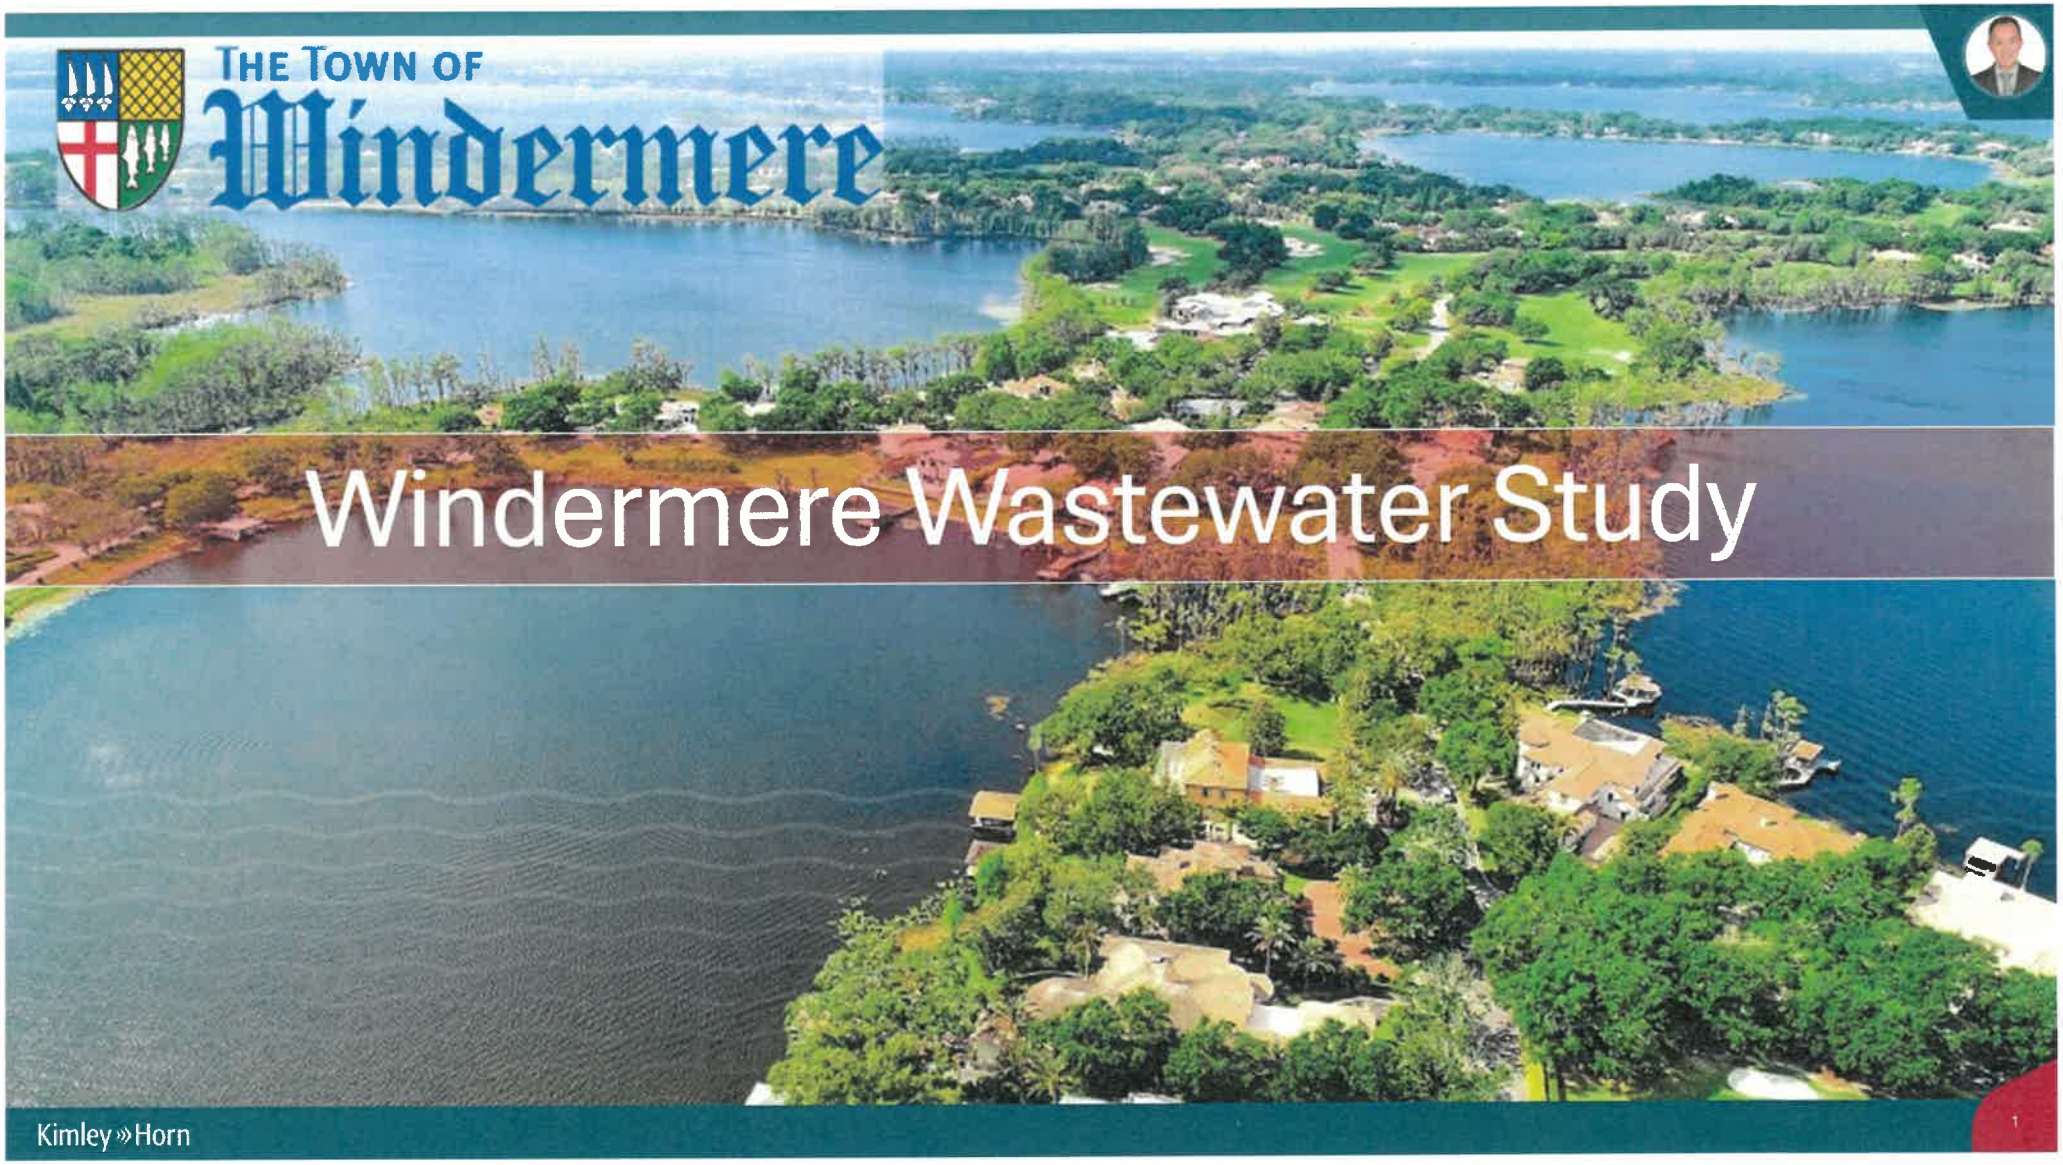

Pursuant to Resolution No. 2005-12 adopted on December 13, 2005, the following Civility Code shall govern all procedings before the Town of Windermere Town Council Workshop:

1. All electronic devices, including cell phones and pagers. shall be either turned off or otherwise silenced.
2. Prolonged conversation shall be conducted outside Council meeting hall.
3. Whistling, heckling, gesturing, loud conversations, or other disruptive behavior is prohibited.
4. Only those individuals who have signed the speaker list and/or/who have been recognized by the Mayor (or Chair) may address comments to the Council.
5. Comments at public hearings shall be limited to the subject being considered by the Council
6. Comments at Open Forums shall be directed to Town issues.
7. All public comments shall avoid personal attacks and abusive language
8. No person attending a Town Council Workshop meeting is to harass, annoy, or otherwise disturb any other person in the room.

Any member of the public whose behavior is disruptive and violates the Town of Windermere Civility Code is subject to removal from the Town Council Workshop meeting by an officer and such other actions as may be appropriate. PLEASE NOTE: IN ACCORDANCE WITH F.S. 286.0105: Any person who desires to appeal any decision at this meeting will need a record of this proceeding. For this, such person may need to ensure that a verbatim record of such proceeding is made which includes the

Low Pressure Systems - Grinder Pumps

Individual Pump Station

Individual Pump Station are similar size to a manhole installed either on property or in the Town's right of way.

Low pressure systems are proposed at locations where the topography doesn't economically favor gravity collection systems. Typically, this is due to being too distant from the available lift station locations or at an elevation lower than the closest available manhole.

Benefits

Enhance Water Quality

- Improve Drinking Water Quality
- Improve Lakes Water Quality
- Currently 1,248 septic tanks contribute an estimated 15,950 lbs of Total Nitrogen to the Butler Chain of Lakes annually.
- Septic to Sewer will reduce the Total Nitrogen pollution by 14,754 lbs annually (93% reduction).
- Orange County Utilities will maintain the sewer system

Total Nitrogen Reduction Summary

Project Number	Area	Number of OSTDS	OSTDS TN Load to Groundwater (lbs/yr)	WWTF TN Load to Groundwater (lbs/yr)	TN Reduction from OSTDS to Sewer (lbs/yr)
1	A	107	1,292	97	1,195
2	B	39	462	35	427

Overall Cost $

Septic to Sewer Project Summary			
Project	**Description**	**Total Nitrogen Reduction**	**Cost**
1	This Project consists of the abandonment of 107 existing septic tanks and construction of a collection and offsite transmission system. The system is comprised of 5,000 LF of gravity sewer, 22,500 LF of force main (4"- 12" in dia.), 1 lift station, and associated roadway restoration.	1,195 lb/yr	$16,208,000.00
2	This Project consists of the abandonment of 173 existing septic tanks and construction of a collection and transmission system. The system is comprised of 15,285 LF of gravity sewer, 5,600 LF of force main (4"- 12" in dia.), 2 lift stations, and associated roadway restoration.	2,258 lb/yr	$13,449,000.00
3	This Project consists of the abandonment of 75 existing septic tanks and construction of a collection and transmission system. The system is comprised of 26,500 LF of gravity sewer, 8,700 LF of force main (4"- 12" in dia.), 3 lift stations, and associated roadway restoration.	822 lb/yr	$11,123,000.00
4	This Project consists of the abandonment of 295 existing septic tanks and construction of a collection and transmission system. The system is comprised of 20,108 LF of gravity sewer, 4,550 LF of force main (4"- 12" in dia.), 2 lift stations, and associated roadway restoration.	3,356 lb/yr	$16,860,000.00
5	This Project consists of the abandonment of 274 existing septic tanks and construction of a collection and transmission system. The system is comprised of 24,711 LF of gravity sewer, 6,252 LF of force main (4"- 12" in dia.), 2 lift stations, and associated roadway restoration.	3,562 lb/yr	$19,102,000.00
6	This Project consists of the abandonment of 342 existing septic tanks and construction of a collection and transmission system. The system is comprised of 19,370 LF of gravity sewer, 2,500 LF of force main (4"- 12" in dia.), 3 lift stations, and associated roadway restoration.	3,551 lb/yr	$16,170,000.00
Total (1-6)	The town of Windermere complete septic to sewer consists of the abandonment of 1,248 septic tanks (both commercial and residential) and construction of collection and offsite transmission system. The system is comprised of 90,606 LF of gravity sewer, 50,102 LF of force main 4"-12" in dia., 13 lift stations, and associated water main extension and roadway restoration.	14,754 lb/yr	$92,912,000.00
The recommended system cost is provided. Note all project costs contain a 30% contingency.			

Grants

Florida's recent push to centralize sewer from U.S. Environmental Protection Agency (EPA) and Floria Department of Environmental Protection (FDEP) with the goal to improve Florida's water quality.

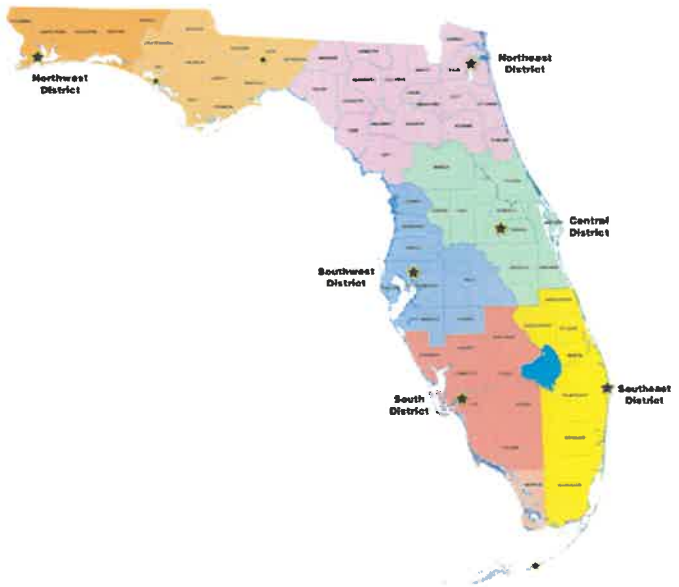

- ☑ Florida Clean Waterways Act
- ☑ U.S. Army Corps of Engineers (USACE) Section 219 Environmental Infrastructure Program
- ☑ Public Works and Economic Adjustment Assistance Program
- ☑ Clean Water State Revolving Fund (CWSRF)
- ☑ Federal Clean Water Act (CWA) Section 319 (h) Grant Program

FDEP Wastewater Grant Program

(Fiscal Year 2023-24)

Funding Received From FDEP to Florida Municipalities:

☑	City of Cape Coral	$25,000,000
☑	City of Tallahassee	$10,000,000
☑	Hillsborough County	$6,102,808
☑	Okeechobee Utility Authority	$2,750,000
☑	City of Orange City	$2,500,000

Questions

Additional Information

Existing Orange County Utilities' Lift Stations In the Town of Windermere

9455 Isleworth Gardens Dr

1018 Estancia Woods Ln

Low Pressure Systems Additional Information

- Small diameter pipes (2 – 4 inch)
- Pressure main installed in the ROW at minimal depth
- Can accommodate hilly to flat terrain
- Installed via open cut or directional drill
- High ground water table and undesirable soil conditions are easier to overcome
- Each parcel has its own grinder pump station
  - Easements are recommended
  - Power is paid for by parcel owner (additional cost to resident)
- Pump stations will grind/chop solids and mix with liquid waste to form a slurry
- Flexibility in connecting to existing sewers

Low Pressure Systems After Installation

Installed in Right-of-Way

Installed on Property

Town of Windermere
Town Square Charrette

Town Council Workshop

April 22, 2025

Goals and Scope of the Project

- ✓ SITE ANALYSIS
  - Analyze the existing conditions and uses of Town Square
  - Does not include proposed improvements or changes to Town Hall
- ✓ CHARRETTE
  - Facilitate an open public discussion for future of Town Square –
  - In person design charette and online survey
  - Long Range Planning Committee Recommendations
- ✓ CONCEPTUAL PLAN
  - ✓ Prepare concept(s) based on the public input
  - ❑ **Present Draft Concept at a Town Council Workshop**
  - ❑ Present Final Concept at a Town Council Meeting

CHARRETTE

On October 30, 2024, an in-person interactive event was held at Town Hall as part of the Public Input phase of the project.

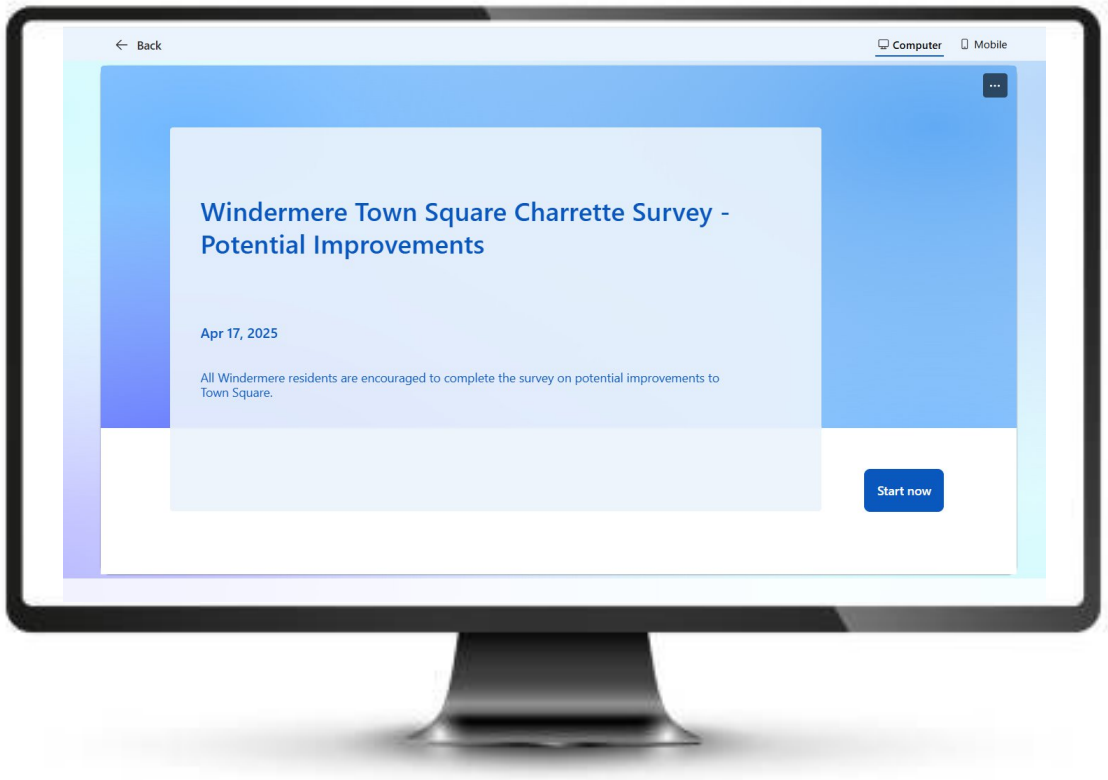

34 people signed in.

ONLINE SURVEY

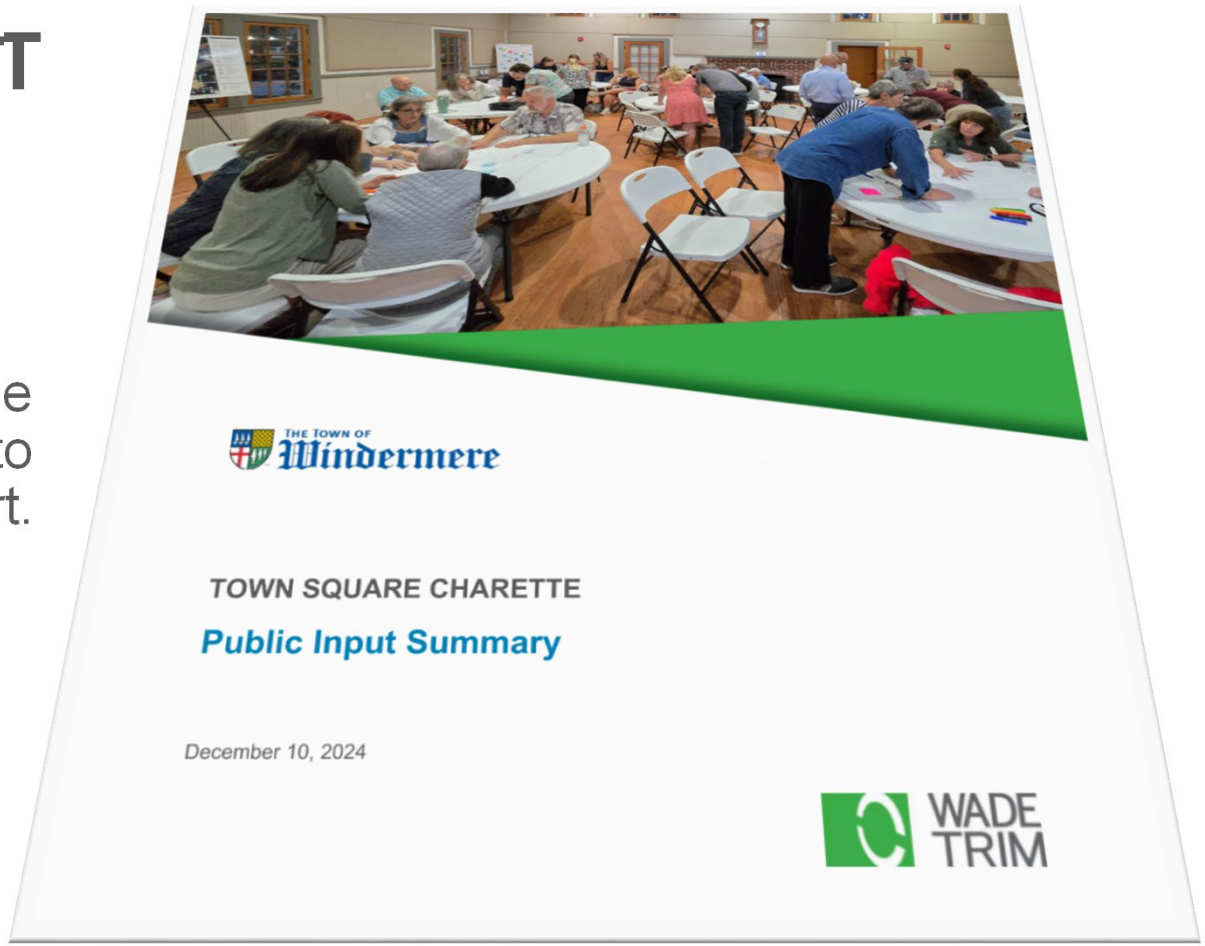

In addition to the Charrette, an online survey was utilized to gather additional input from residents.

244 responses – 230 of responses from residents of the Town.

SUMMARY REPORT

Data from the Charrette and the online survey was compiled into a Public Input Summary Report.

WADE TRIM

SUMMARY REPORT

Key findings from the Charrette and online survey

Summary

The Top 5 major planning elements respondents would like to see in Town Square include:

Green Space - Public Restroom - Community Patio - Native/Pollinator Gardens - Nature Playscape

Additional Design Elements liked by the respondents include:

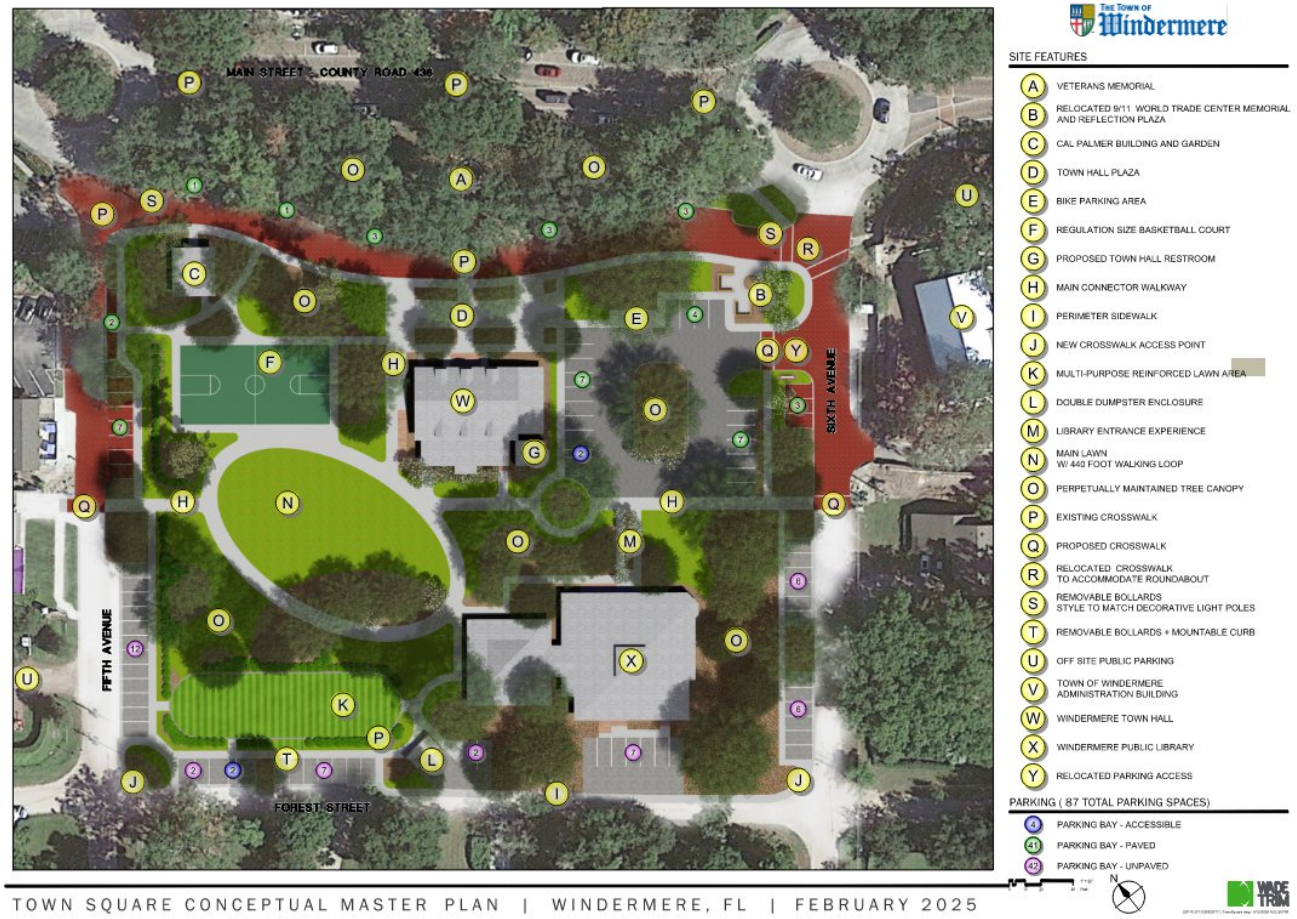

Decorative Lighting - Drinking Water Fountains - Water Bottle Filling Stations - Bench Swings Shaded Picnic Spaces - Community Outdoor Games

Major Planning Elements that the majority of respondents do not want to see include:

More Vehicle Parking - Sand Volleyball Courts - Hammock Groves - Device Charging Stations Interactive Water Features

APPENDIX B – Online Survey
APPENDIX C – Online Survey Responses

EXECUTIVE SUMMARY

Background

Wade Trim was tasked with helping to create a vision for the Town Square. The vision will be driven by input from the Town's staff, committees, residents, and business owners. Input from these key groups was obtained via a design charrette and an online survey.

Methodology

Data was collected from 34 attendees at the charrette via dot polling, and from 244 users via the online survey. 230 of the responses were from residents of the Town.

Response

The top five key elements in Town Square that the respondents value are the Green Space, Town Hall, Quaintness, Trees, and Open Space. Other notable elements valued by the respondents include Sport Courts, Accessibility, Historic Character, and Safety. The five main elements respondents dislike about Town Square are the lack of restroom facilities, traffic, landscape maintenance, lack of parking and the food trucks.

Summary

The Top 5 major planning elements respondents would like to see in Town Square include:

Green Space - Public Restroom - Community Patio - Native/Pollinator Gardens - Nature Playscape

Additional Design Elements liked by the respondents include:

Decorative Lighting - Drinking Water Fountains - Water Bottle Filling Stations - Bench Swings Shaded Picnic Spaces - Community Outdoor Games

Major Planning Elements that the majority of respondents do not want to see include:

More Vehicle Parking - Sand Volleyball Courts - Hammock Groves - Device Charging Stations Interactive Water Features

Controversial Elements that respondents feel strongly about, but with conflicting ideas include:

Community Gardens – Community Art / Murals - Interactive Water Features
Gazebos (Performance and Non-Performance)

Conclusion

Based on the input from the residents and the analysis of the data, we recommend that a conceptual plan be developed to include the top major planning elements with the favored design elements thoughtfully located throughout the Square. Design ideas from the top 4 charrette designs would be incorporated into the concept plan(s). A separate conceptual plan that incorporates some of the least controversial elements with an overall positive net score could be generated to compare options for moving forward.

1.0 PROJECT BACKGROUND

Wade Trim was tasked with helping to create a vision for the Town Square. Located in the heart of Windermere, this iconic, highly valued, and prominent community resource needed a direction for its future. Our team of Landscape Architects, Planners, and Engineers formalized a plan to work with residents of the town, business owners, Town staff, and Town Council to discuss potential upgrades and improvements to this historic public space in the heart of the community.

Public spaces including plazas, squares and parks are typically viewed as special places in most communities. In Windermere, the Town Square is the quintessential gathering space for the residents of the Town of Windermere. Wade Trim's goal was to assist the Town in facilitating a charette process to lay the framework for improvements. The needs of the community were to be discovered through community input and discussions. These ideas would be used to help forge a plan for the Town Square. We set out to envision a cohesive space for the residents to enjoy themselves alone, in small groups or at larger events where residents of the Town come together to enjoy the uniqueness that makes the Town of Windermere a special place for its residents.

Upgrades to the Town Square have been the center of discussion for several years, and our recommendation was to take a step back and look at the square in its entirety. It is important to discuss how the space complements not only the downtown, but how it functions for the many events and uses that occur in the Heart of the Town. We asked questions to promote discussion and compiled the input into useful and meaningful data to help solidify the path for moving forward with improvements to the Town Square that benefits the Town of Windermere as a community.

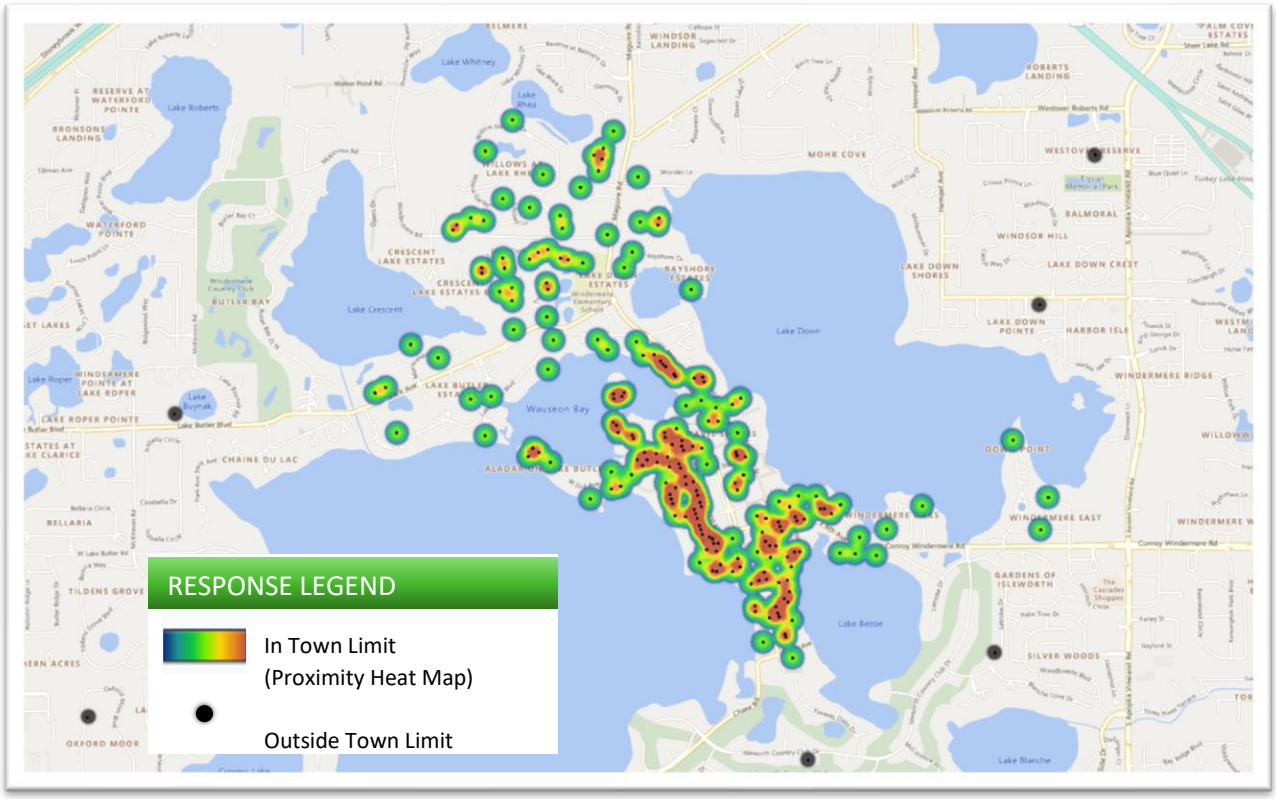

Our process was divided into two main tasks each with a series of subtasks as outlined below.

- 1.0 DATA GATHERING/SITE ANALYSIS AND CHARETTE PROCESS
    - Task 1.1 – Understand and Summarize Existing and Proposed Uses
    - Task 1.2 – Evaluate the Park's Existing Features
    - Task 1.3 – Charette Process

- 2.0 CONCEPT PLANNING SERVICES
    - Task 2.1 – Draft Concept Plan
    - Task 2.2 – Final Concept Plan Development

This report compiles data from the public input from the design charrette and the online survey for residents unable to attend. A heat map showing the concentration of residents providing input is shown in Figure 1-1. The dots shown in black represent input received from outside the Town Boundary.

Figure 1-1-1

Map of Survey Responses and Charrette Attendees

2.0 METHODOLOGY

2.1 Town Staff Discussion

On July 22, 2024, prior to the Design Charrette, the Planning and Design Team met with Town Staff to discuss the project scope and key details needed to begin the public input process. The goal of this meeting was to gather information to generate the base data and guide the preparation of an outline for both the Charrette and Public Input Online Survey.

Discussions included:

- Project Meetings and Community Engagement Strategy
- Project Review
    - Site Boundary
    - Site Constraints
    - Programs and Events
    - Needs Assessment
- Schedule

2.2 Long-Range Planning Committee Review

On September 9, 2024, prior to the Design Charrette, the proposed scope of the project was shared with the Long-Range Planning Committee (LRC). The goal of this meeting was to learn about any additional improvements currently being implemented by the Town and ensure that the Charrette Project was focused on the proper elements within the Town Square.

Several Key items from that meeting are below.

2.2.1 Overall Site

- Creating a sense of place is important
- Buffering adjacent neighbors is important (i.e., landscaping, berming, relocating access points, setbacks, reducing sound and light) The buffering of the parking lot at the corner of Forest Street and W 5th Avenue was brought up as examples of how buffering has been successful.
- Events are a key use of the space and often promoted. Though it was suggested that some of the reoccurring events might be discontinuing in the "near" future
- It was expressed that it's important to be able to "control" the environment during events through permanent infrastructure i.e., blocking of road access to cars (still allowing pedestrians, bikes, golf carts, etc.) during events with removable ballads or something of the like, thus controlling where parking is occurring,
- Reducing traffic on streets adjacent to residential properties,
- Potentially reducing overall traffic during events by naturally reducing attendance to with constrained parking/access
- Making Events less impactful on neighboring residents and making it more manageable for them
- It was suggested that the same protections that were implemented on the other side of Main Street be implemented in the like on the Project Site side of Main Street. (i.e., buffering residents, putting parking in the rear, main "attractions" up front)
- It was expressed that sufficient parking in the Downtown is an issue (not enough)
- It was suggested that a garden could also be incorporated into the site, beautifying the space and maintaining green space.
- It was brought up that the Town is looking to hold events for the 100-Year Anniversary of the Town and the opening of the time capsule (April 2025). However, no dates for events have been set yet.
- The Library site will not be altered as part of the improvements.

2.2.2 Grass area (Northwest corner of Project Site):

- It was suggested that the grass area be used for parking (Car and/or golf cart). There were a few suggestions to how this could be accomplished
    - Having undefined parking (i.e., leaving the grass as-is or having engineered subbase grass and allowing parking)

        - Benefit: Allows the area to have a mixed use (i.e., parking and recreation while maintaining green space); promotes healthiness
    - Utilizing permeable pavers for a defined parking area – Providing access off W 5th Avenue
        - Benefit: Allows for more permanent parking in the Downtown.
- It was also suggested that the grass area could be used for more permanent recreational facilities (i.e., soccer field)
- It was expressed that the site needs to be more "user/resident friendly"
- It was expressed that the site needs more enhancing/complementing of the existing space (i.e., make it better) and the space should be controlled not growth/expansion

2.2.3 Northeast Corner of Project site:

- It was discussed that the basketball courts are utilized often, but not exclusively for basketball. It was explained that kids ride scooters or perform other activities on the courts. The courts are also utilized during events for tents (because of its stableness)
- It was suggested that the lights on the courts are a nuisance at night and light pollution affect adjacent residents. Light pollution should be considered in the design of the space.
- It was suggested that the location of the basketball courts could be an opportunity to provide more green space. Through this discussion, it was suggested that the parks system in the Town is sufficient and that removing or relocating the courts, possibly to the Windermere Recreation Cener, wouldn't be a major impact. It was suggested that the Town Square should focus more on placemaking rather than recreation.
- It was pointed out that that the Comprehensive Plan should be reviewed/changed if the basketball courts are removed/other recreational spaces are provided.

2.2.4 Cal Palmer Memorial Building:

- It was suggested that the Cal Pamer Memorial building could be utilized for a more meaningful purpose (i.e., restore to use it as a museum). It is currently only being utilized for storage for the Wine and Dine event. It was suggested that the Wine and Dine event would not be continuing for much longer, so this space might be coming available.
- It was expressed that it's important that the Cal Palmer Building continue to be a part of the discussion.
- It was suggested that the Town's Historic Board has already been discussing was to improve the building with its 100-Year Anniversary coming up (February 2, 2025)

2.2.5 Southeast corner of Project site:

- It has been discussed that a second access point to the parking lot could be added off of W 6th Avenue.
- It was suggested that the corner is currently dead space and making it more of a statement area/prominent would be a benefit. One suggestion was to move the 911

Memorial to this corner. In doing so, a sense of history could be at the corners/front of the Project Site.

- It was suggested that the Tree at the current 911 Memorial be incorporated in the new design

2.2.6 Town Hall:

- The currently planned bathroom addition will provide more facilities. Currently during events, potable restroom facilities are brought in.
- It was suggested that artificial turf should be installed on either side of the entry of Town Hall. This is to provide a stabilized ground for access (for safety) and to create a more defined entry

2.3 Community Charrette Event

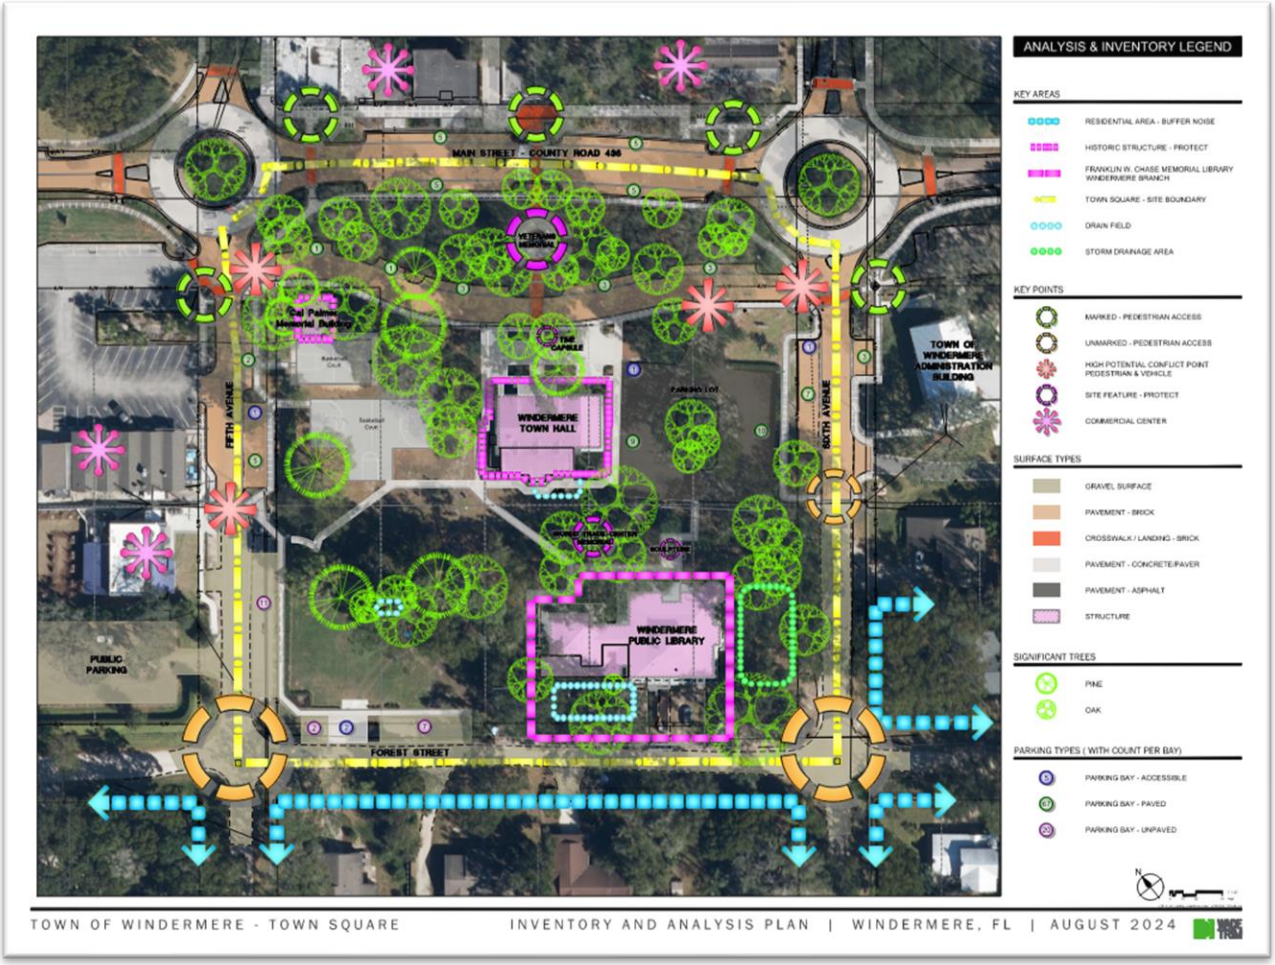

To determine future development options for Town Square, it was imperative to receive feedback from residents. The community charrette was held on October 30, 2024, at Town Hall. The charrette had 34 residents in attendance (signed-in), and valid input was received from those able to attend the event.

The event was broken into three parts:

1. Design Team Presentation
2. Group Breakout Sessions
3. Concept Prioritization

The design team presentation included discussion of the site analysis performed by the design team. Current site features and amenities (See Figure 2-1) were presented to the public. Site analysis identified key features including the Windermere Town Hall, Public Library, Historic Cal Palmer Building, and 9/11 World Trade Center Memorial.

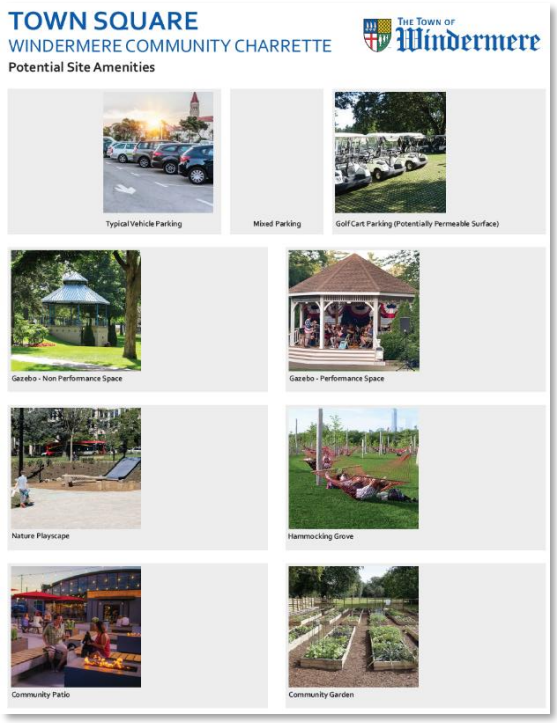

Figure 2-1

Site Inventory and Analysis Plan

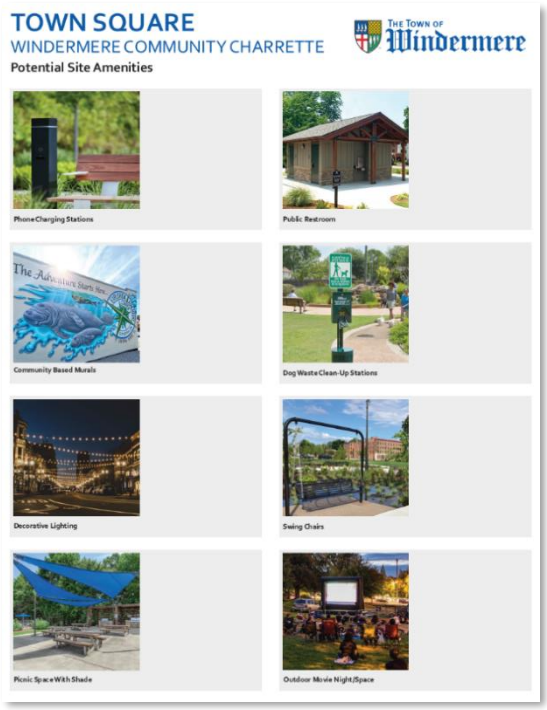

During the group breakout sessions and charrette, residents were asked to break into groups with a facilitator to discuss their favorite parts and least favorite parts of Town Square as it is currently. Responses were compiled and written on large poster-size pads and documented via dot polling. Groups were then presented with a series of potential site amenities and asked to prioritize items what they did and did not like (Figures 2-2 through 2-4). Participants were also given the opportunity to suggest any additional elements not shown in the suggestion pool on a fourth board (Figure 2-5). Responses were documented via dot polling.

Figure 2-2

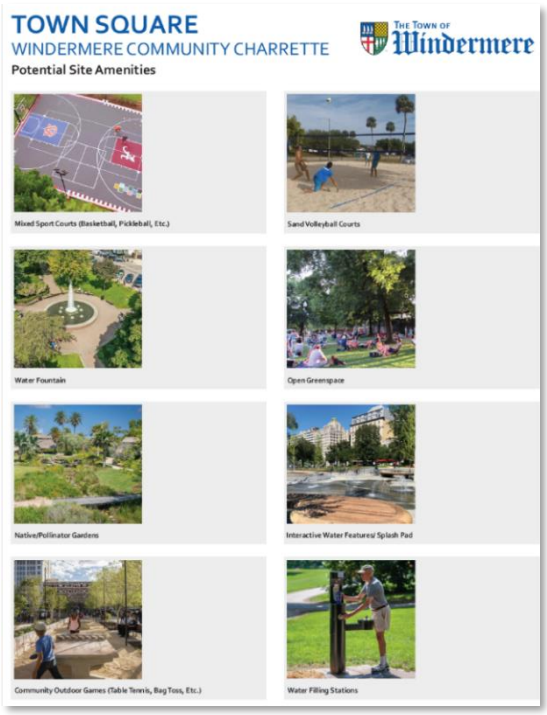

Site Amenities Board for Dot Voting at Charrette

Figure 2-3

Site Amenities Board for Dot Voting at Charrette

Figure 2-4

Site Amenities Board for Dot Voting at Charrette

Figure 2-5

Additional Ideas Board for at Charrette

Finally, breakout groups prepared and presented their desired Town Square facilities and layout to the event attendees. Individuals attending the event were asked to rank these ideas from most liked

to least liked. Following the event, attendees were given access to take the online survey and provide additional feedback if desired. Feedback and design concepts are discussed in a later chapter.

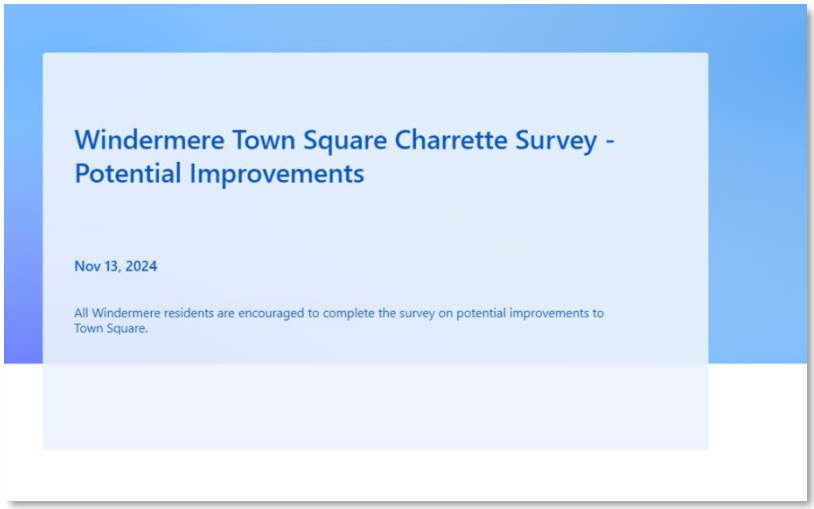

2.3.1 Key points from the Charrette

- 34 attendees signed in at the Charrette
    - 1 attendee signed in twice and was removed from the count above
- 1 attendee did not reside within the Town's Incorporated limits
- 33 attendees were verified as residents or business owners within the Town Limits

2.4 Online Survey

The online survey was active for 21 calendar days. It was opened at 6 pm on October 30, 2024, and had 244 responses before closing at 7 am on November 21, 2024. The survey followed a process parallel to the Charrette to reduce duplicate records. Users of the survey that attended the Charrette could provide additional input but were not taken through the main questionnaire as it was a duplicate of the charrette dot polling exercises.

Figure 2-6

Cover Page of Online Survey

Key points from the Survey

- **Response Tally**
  244 Total Responses on the Survey (See Figure 2-7)
  230 responses were from residents

- **Attended both Charrette and took part in the Survey**
    - 5 responses were from residents in with verified attendance at the charrette
    - 7 responses claim to have attended the Charette but were not recorded at the event

- **Response Location**
    - 9 responses were from people residing outside the Town's incorporated limits
    - Survey responses were received from residents located at 186 separate addressed parcels

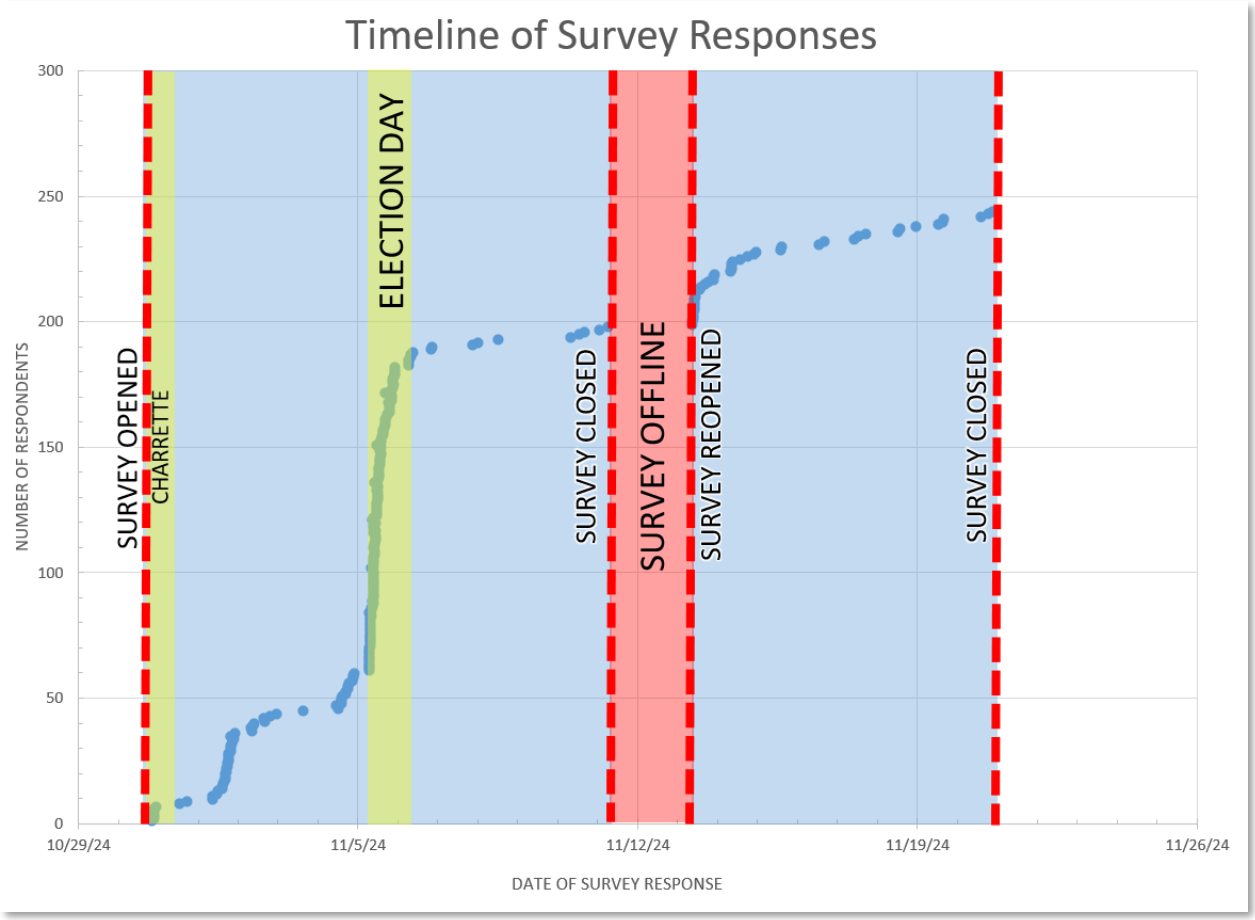

- **Response Distribution**
    - 147 Parcels were represented with only 1 response
    - 37 Parcels were represented by 2 separate responses

- 2 Parcels were represented by 3 separate responses

- **Invalid Data**
  - 4 responses were invalidated due to incomplete and/or irrelevant data
  - 1 Response was invalidated due to being a duplicate

- **Percent of Responses per 2020 Decennial Census** (3,030 Residents / 1,217 Households)
  - 7.6% of the population responded to the survey
  - 15.3% of households responded to the survey

Figure 2-7

Timeline of Online Survey Reponses

3.0 RESPONSE ANALYSIS

After the community charrette and closing of the survey, responses were analyzed to gather a picture of how community members perceived Town Square and potential development.

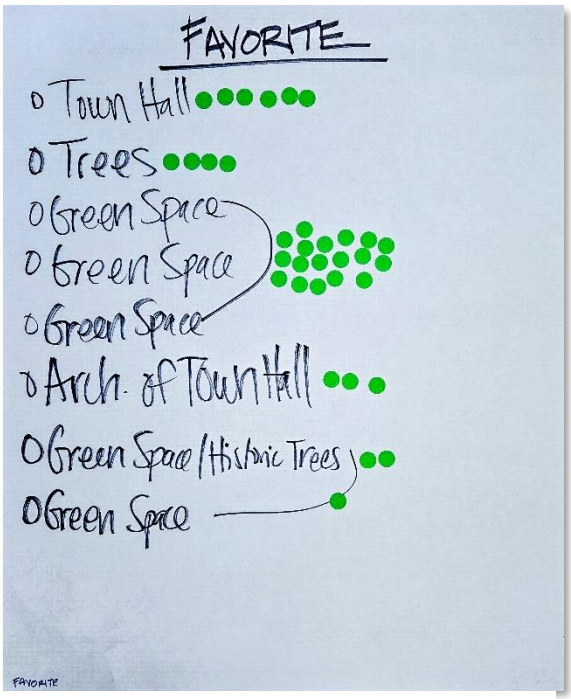

3.1 Charette Response

At the community charrette, participants were able to respond in several ways. This included through dot voting on posted presentation boards, verbalizing ideas with facilitators, written responses, design concept development and through the online survey. Individuals who participated in the public event and online survey were identified and responses included in the following section.

3.1.1 Current Perceptions of Town Square

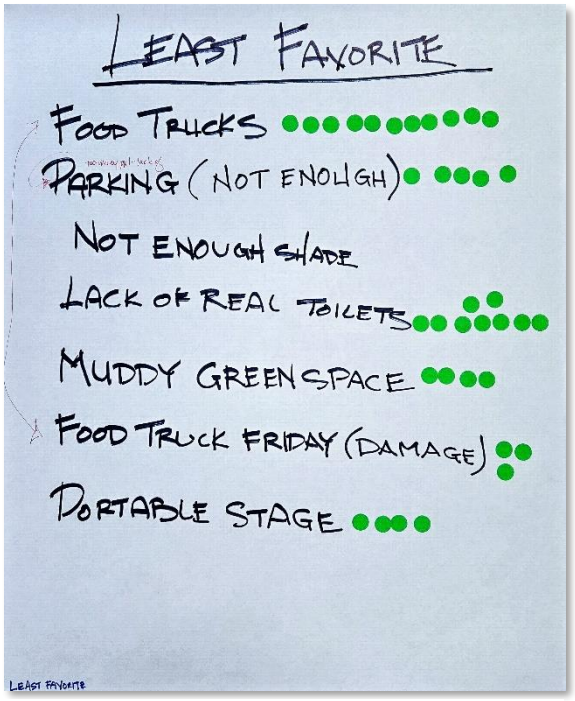

Participants at the event were also encouraged to provide the design team with what their current likes and dislikes about Twon Square were. Feedback was written on large poster boards and participants who agreed voted with dot-stickers. Results can be seen in Figures 3-1 and 3-2 with green space being the number one favorited response and food trucks being the top dislike.

Figure 3-1

List of Favorite Things About Town Square Currently from Charrette Event

Figure 3-2

List of Least Favorite Things About Town Square Currently from Charrette Event

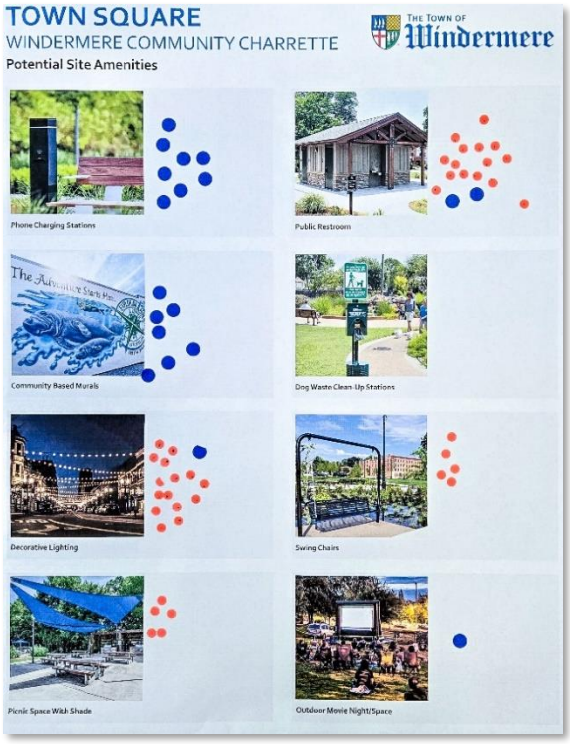

3.1.2 Future Improvements

Potential Site Amenities (Dot Polling)

Dot voting is a common technique that allows participants to vote on various ideas. Participants were instructed to place an orange dot sticker near amenities they *would like* to see and a blue dot sticker near amenities they *would not like* to see (Figure 3-3). By utilizing this tool, participants and facilitators were quickly able to identify key features residents did and did not enjoy.

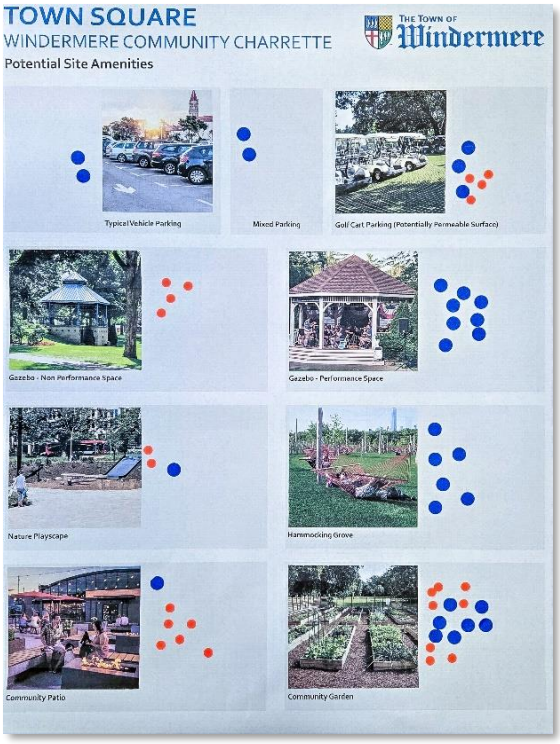

As seen in Figures 3-3–3-5, attendees chose a variety of options that they did and did not like. Some of the most liked amenities included the open green space, public restroom and decorative lighting. The items that were least liked by attendees included the gazebo – performance space, interactive splash pad and the device charging station. Chart of likes and dislikes from the charrette are available on Figure 3-17 in Appendix A.

Figure 3-3

Potential Site Amenities Board with Dots

Figure 3-4

Potential Site Amenities Board with Dots

Figure 3-5

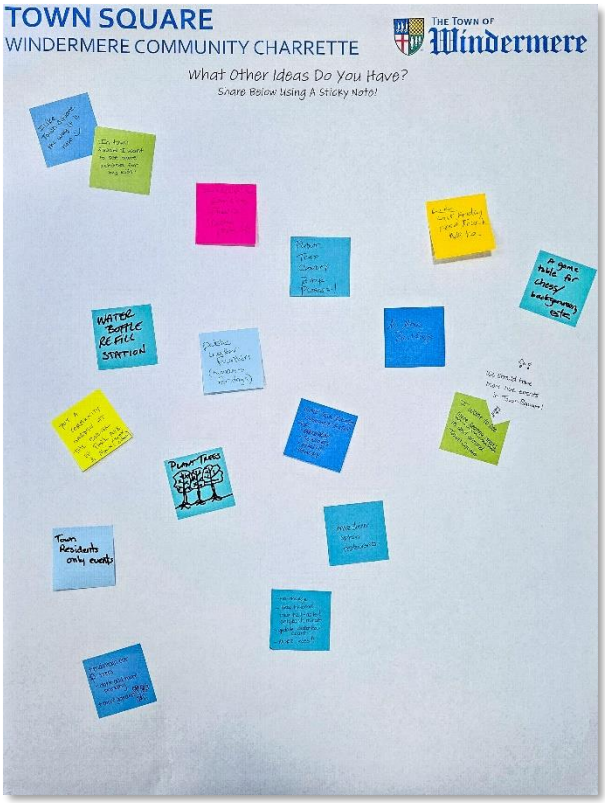

Potential Site Amenities Board with Dots

Additional Ideas from Participants

In addition to the dot voting, participants at the charrette were given an opportunity to express additional ideas or feedback. This was done by placing sticky notes on a design board as seen in Figure 3-6.

Some common responses included adding more trees and filling out the tree canopy over Town Square. Several other participants wanted to see a drinking fountain for both people and pets. Some other responses included off-site issues. These included a desire for more restaurants and dining options that served the community in the evenings.

Figure 3-6

Additional Ideas Board with Responses from Charrette

3.1.3 Design Concepts

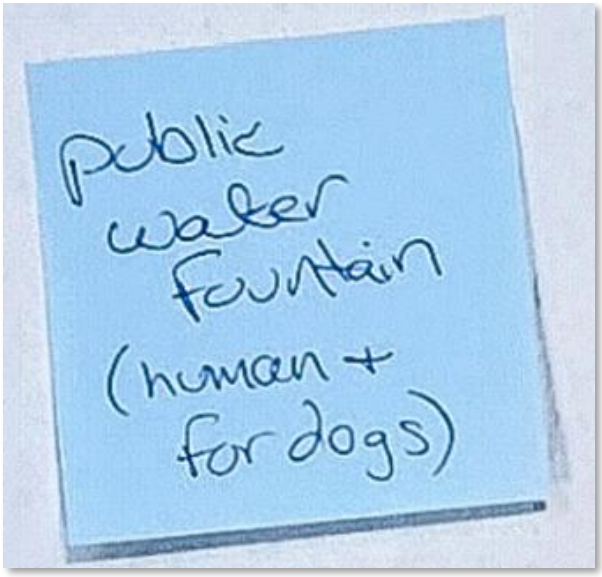

During the Charrette event, facilitators helped participants create their own design concepts. Key themes for each concept were identified and design suggestions are seen in the following section.

Figure 3-7

Additional Ideas from Participants at Charrette

Figure 3-8

Additional Ideas from Participants at Charrette

Figure 3-9

OVERALL FAVORITE

10 Likes

As determined by residents via dot polling at the Charrette

Design Concept 1 from Charrette

Concept 1 Key Features

- Add Restrooms — *west of Library*
- Basketball Courts — *keep as is*
- Cal Palmer Building Changes/Upgrades — *repurpose Cal Palmer Building*
- Reconfigure Parking Access & Brick Main Access
- Additional Site Furnishings
- Increase Tree Canopy
- Other Key Features

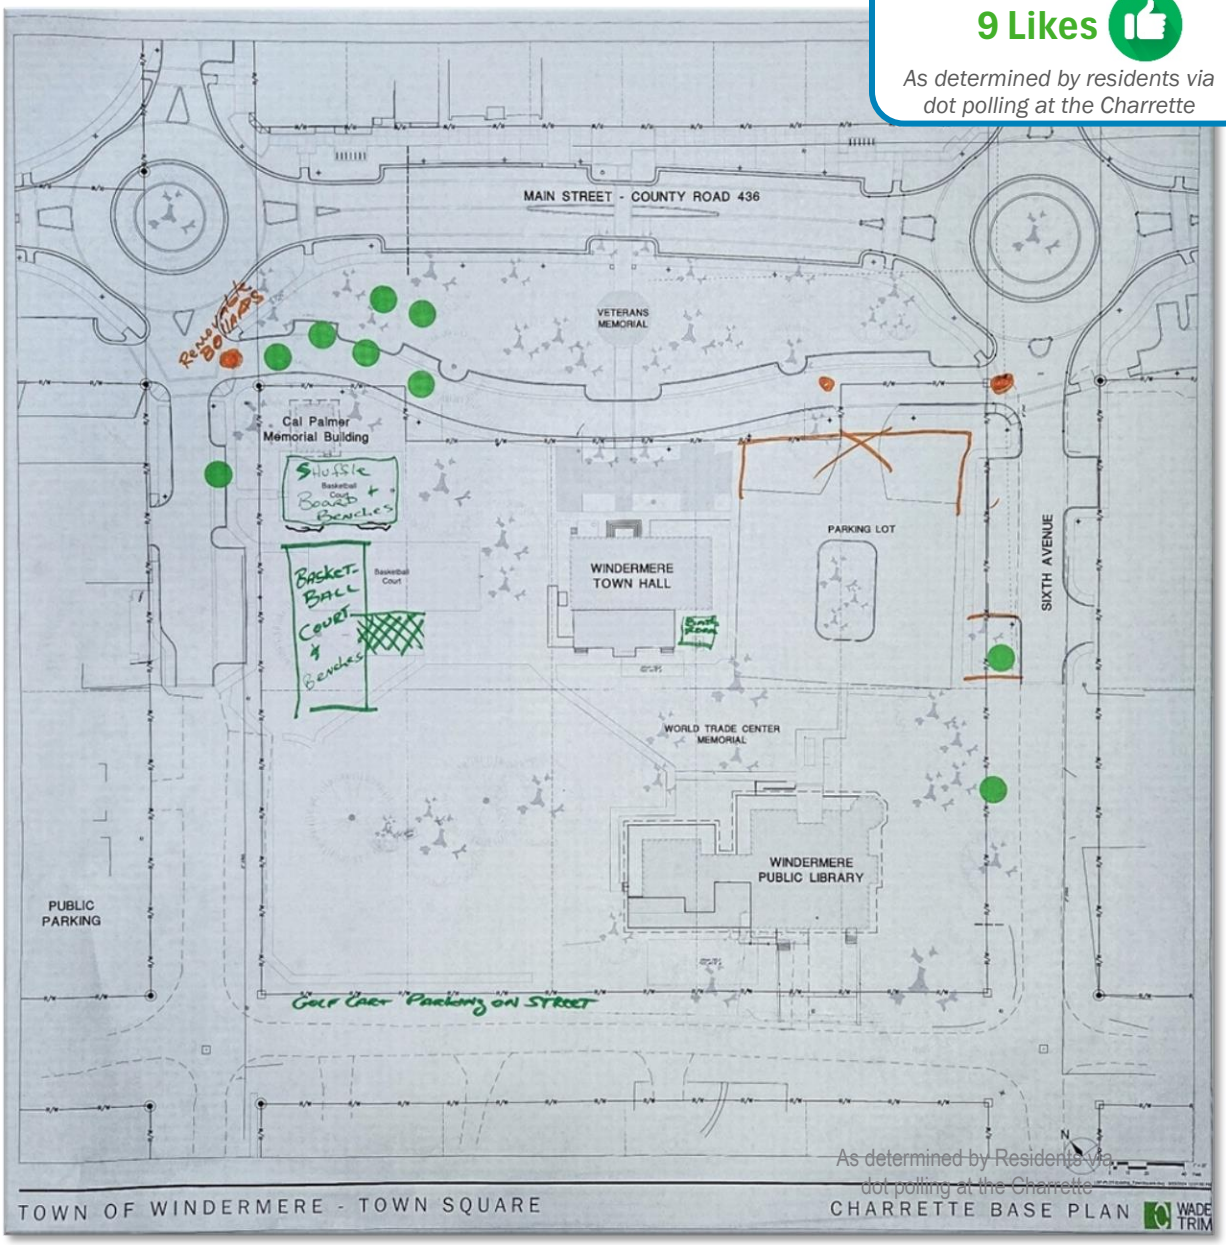

add a Green Space with Native Grasses - create an Urban Forestry Management Plan - restore Town Hall (Without New Restrooms) - add Sidewalks to connect from Lake St to Main St.

Figure 3-10

SECOND PLACE

9 Likes

As determined by residents via dot polling at the Charrette

Design Concept 2 from Charrette

Concept 2 Key Features

Add Restrooms — *by Town Hall*

Basketball Courts — *reconfigure (Shuffleboard and Basketball w/ seating)*

Reconfigure Parking Access & Brick Main Access

Additional Site Furnishings

Increase Tree Canopy

Other Key Features

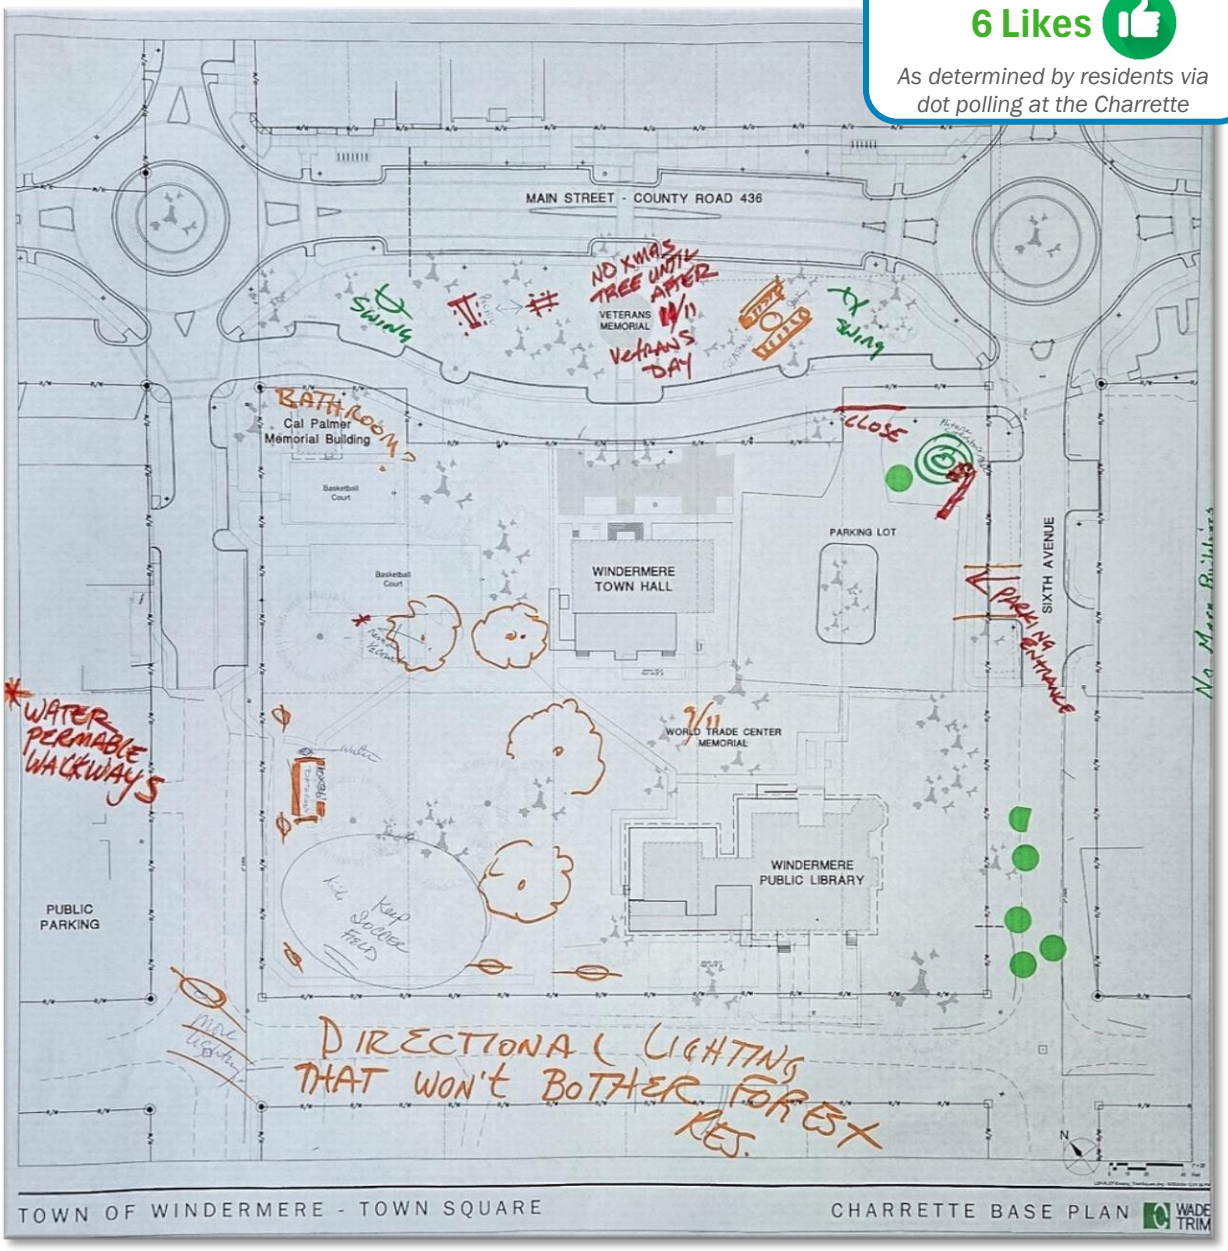

add Golf Cart Parking on Forest Street

Figure 3-11

TIED FOR THIRD

6 Likes

As determined by residents via dot polling at the Charrette

Design Concept 3 from Charrette

Concept 3 Key Features

- Add Restrooms — *near the Brewery*
- Basketball Courts — *keep main court and remove half court*
- Cal Palmer Building Changes/Upgrades — *convert to Restroom Building*
- Reconfigure Parking Access & Brick Main Access
- Additional Site Furnishings — *add swings, benches & Picnic Tables to Front Lawn*
- Increase Tree Canopy
- Other Key Features

add Shielded Lighting - Christmas Tree Location between Parking and the new Admin Building
use Pervious Paving on new walks

Figure 3-12

TIED FOR THIRD

6 Likes

As determined by residents via dot polling at the Charrette

Design Concept 4 from Charrette

Concept 4 Key Features

- Add Restrooms — *in Cal Palmer building location*
- Basketball Courts — *add seating to existing courts*
- Cal Palmer Building Changes/Upgrades — *relocate Cal Palmer Building*
- Additional Site Furnishings — *add Picnic Tables to Front Lawn*
- Other Key Features

  add Dog Waste Stations throughout square - add Drinking Fountain (Human & Dog) - add Community Garden (On site or by School House Orange Grove) - add Shade sails, lights and seating area near restroom

Figure 3-13

FIFTH PLACE

2 Likes

As determined by residents via dot polling at the Charrette

Design Concept 5 from Charrette

Concept 5 Key Features

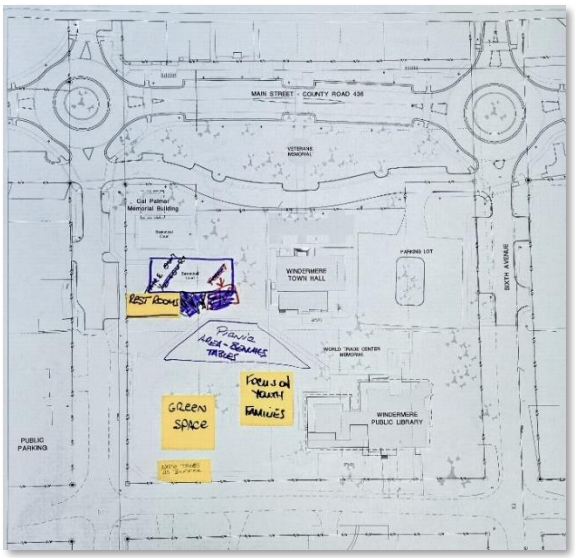

Add Restrooms — *Near Windermere Public Library*

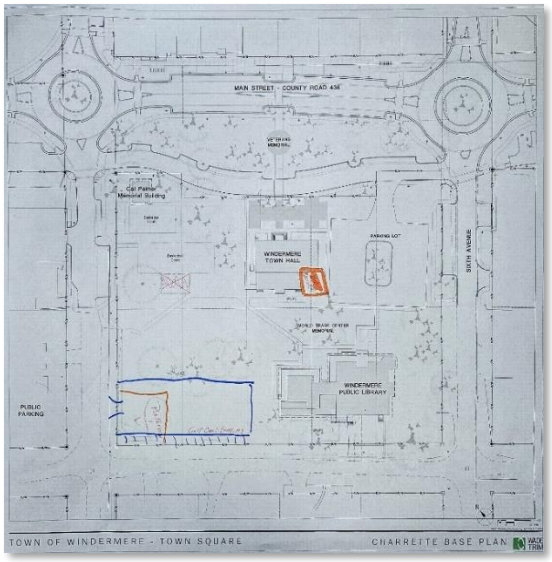

More Trees (Live Oak) — *Add trees on south portion of square*

Other Key Features

South portion being mostly open green space – add new landscape around Cal Palmer Building – add new landscaping on North side of Square – add rocking chairs to Town Hall's back patio – Light tree branches during the Holidays – Solve Mud Problem – More Landscape, Add Color

Figure 3-14

Additional Concepts from Charrette

3.1.4 Online Survey Response – Charette Participants

The online survey was broken into two separate forms. One for individuals who were not able to participate in the charrette, and one for those who did attend the charette. This ensured that individuals that attended the charrette did not have their votes counted multiple times.

Would you like to provide the design team with any additional feedback?

Individuals who participated in the charrette were given the opportunity to provide the design team with any additional feedback via the online survey. Responses discussed the following themes:

- Preservation and Historic Value
    - Participants enjoy the current historic significance of the town hall and believe that significance should be emphasized.
    - Some respondents believe that the Historic Cal Palmer building should be used more by the community or relocated to the nearby schoolhouse.
- Enhancing Current Amenities
    - Adding permanent bathrooms
    - Improved infrastructure like better lighting, more trees, benches, picnic tables, and pathways through the square.
- Community Centric Use
    - The space should primarily serve town residents and not attract large gatherings from outside communities.
    - There is support for activities that benefit families and youth.
    - Retaining green space and maintaining a balance between open areas and practical amenities.

Other additional feedback included various opinions of the food trucks and farmers markets, a desire to see more safety enhancements such as bollards to protect pedestrians, and a general distaste for additional parking to the area, which differed from the opinions seen from the dot voting at the charrette. All responses are available in Appendix C.

> *Preserve the historic designation of town hall. Add bathrooms away from the town hall building-near library. Green space. More Trees. Benches and picnic tables. Cal Palmer space repurposed into useable space for the community. No more parking. No food trucks. No farmers market. Town square for town residents not a gathering spot for surrounding communities. Refurbish basketball courts for our youth. Better lighting. Better pathways.*
>
> *- Respondent No. 14*

3.2 Online Survey Responses

The online survey was open to the public for a total of 21 calendar days. The survey was opened on 10/30/24 at 6:00 PM and was closed on 11/11/24 at 6:00 AM. The survey was reopened on 11/13/24 at 8:00 AM and closed again on 11/20/24 at 11:45 PM. This section discusses findings from individuals that only participated in the online survey and not the in-person charrette event.

3.2.1 Current Perceptions of Town Square

To begin the online survey, participants were asked to reflect on their current perceptions of Town Square. This section was formatted as open responses and only presented to individuals who had not attended the in-person charrette event.

What is your favorite part of Town Square currently?

Responses to the question "What is your favorite part of Town Square as it is currently?" varied from a few words to lengthy responses. All responses are available in the appendix. Major themes from the online survey are highlighted in this section.

- Green Spaces
    - The open green areas and trees are highly valued for providing a beautiful, shaded, and inviting environment for relaxation and activities.

- Historic Town Hall and "Small Town" Charm
    - The historic aesthetic of the Town Hall and the overall quaint, small-town atmosphere was appreciated by several respondents.

> *My favorite part of Town Square is that it has a lot of green space for kids to play whatever pick-up game they chose. It offers the basketball courts and the soccer fields and generally feels welcoming for people to walk around or sit at a bench.*
>
> *- Respondent No. 95*

- Community Events
    - The town square's role as a hub for events like food truck nights, farmers markets, and festivals fosters a strong sense of community and brings people together. Many respondents voiced their enjoyment for these events.

> *It is a gathering place for families of the town. Various activities and attractions tend to promote this, such as Food Trucks, Holiday Hoopla, Pet Fest, Windermere Wine and Dine.*
> *- Respondent No. 195*

- Recreational and Family-Friendly Spaces
    - Amenities like the basketball courts and open green space make the town square a family-friendly space for sports and children's activities. Currently some residents use the green space for soccer practice.

> *It's historic charm, trees, and greenery.*
> *- Respondent No. 6*

- Walkability and Accessibility
    - Residents enjoy the ease of walking within the area and the ability to use golf carts. Some believe this encourages residents to gather in the area and enhances the sense of place and community.

What is your least favorite part of Town Square as it is currently?

Responses from the question "What is your least favorite part of Town Square as it is currently?" were tabulated from the survey and common themes identified below.

> *Traffic congestion*
> *- Respondent No. 13*

> *Lack of permanent bathrooms*
> *- Respondent No. 71*

> *Basketball court in front*
> *- Respondent No. 226*

- Lack of Permanent Bathroom Facilities
    - Many respondents expressed frustration with the absence of permanent public restrooms, especially when there are public events.
- Traffic and Parking Issues
    - Traffic congestion and limited parking were frequently mentioned as significant drawbacks to the town square experience.
- Maintenance and Aesthetic Concerns
    - Issues such as outdated landscaping, insufficient seating, lack of shade, and overall building upkeep were highlighted as areas needing improvement within Town Square.

Some qualms that were expressed were off-site issues. These included a lack of restaurants nearby; shops and businesses being closed during the evening or not meeting residents' needs.

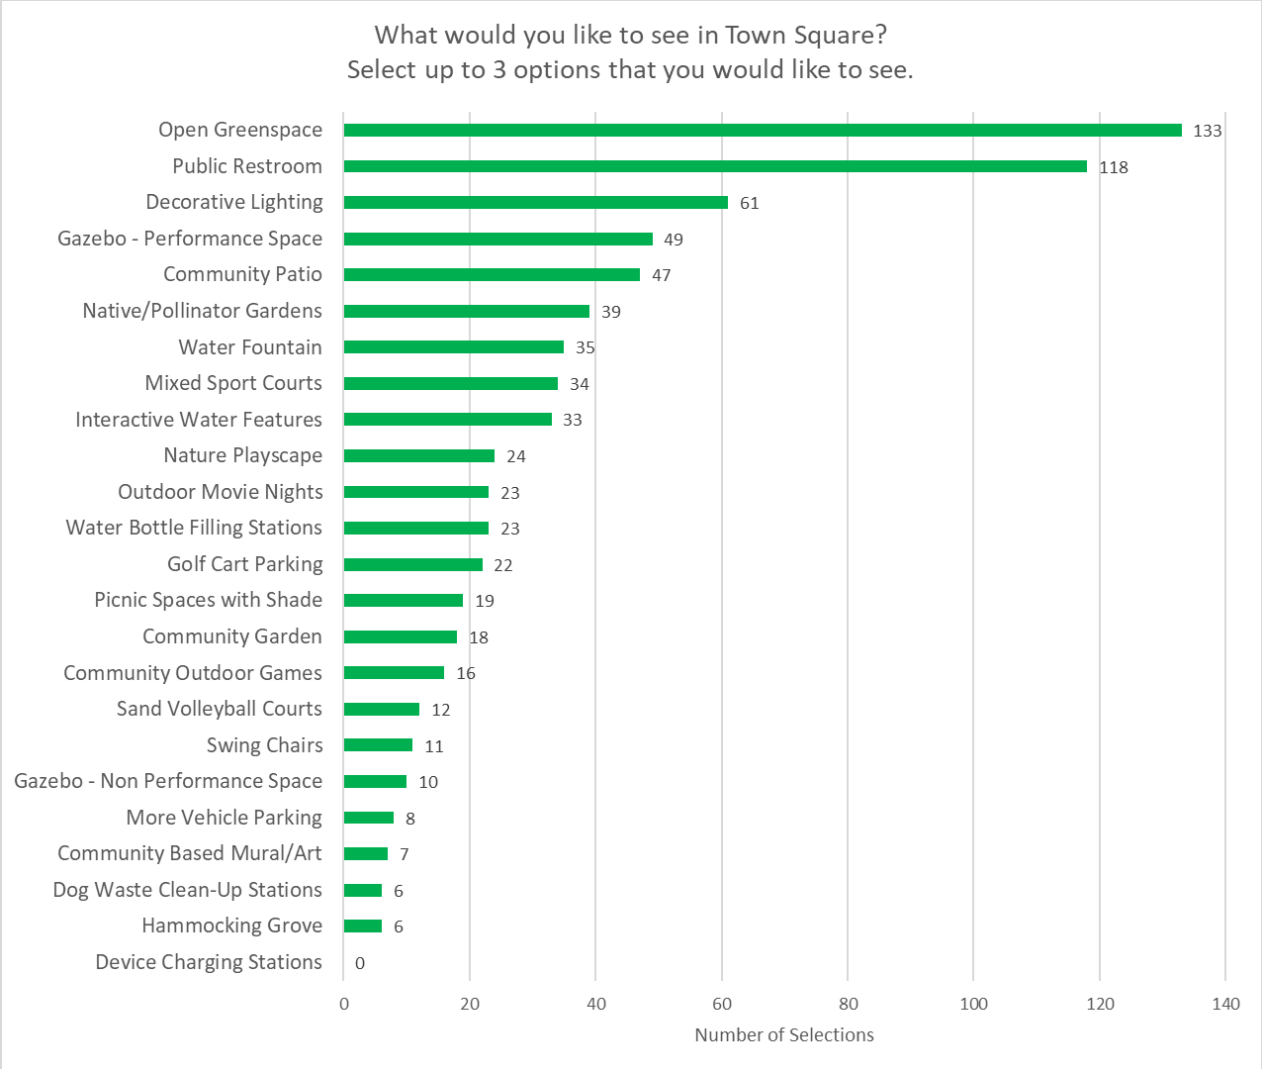

3.2.2 Future developments in Town Square

To imitate the in-person charette, respondents were asked to select amenities from a list that they *would like* and *would not like* to see in the Town Square. Like the in-person event, respondents were provided precedent imagery for each option. Data from the Charrette has been included in this section.

What would you like to see in Town Square?

Respondents were asked "What would you like to see in Town Square?" and allowed to select up to three options from a series of images. The images were the same options presented at the charrette. The top three selections were Open Green Space, Public Restroom and Decorative Lighting, as seen in Figure 3-15. Comparison of likes and dislikes from the are available in Figure 4-7.

Figure 3-15

Survey Responses to "What would you like to see in Town Square?"

Open Ended Responses

Respondents were also given the option to provide additional written feedback. Common responses included the following.

> *Keep the food truck nights*
> *- Respondent No. 86*

> *Just more things to do!*
> *- Respondent No. 109*

- Enhanced Green Spaces and Community Areas:
    - There were frequent mentions of preserving or increasing green space, adding trees, flowers, and picnic areas, as well as maintaining a nature-friendly environment.

    - Respondents also suggested adding a community patio, picnic tables, benches, hammocks, and shaded walking trails for relaxation and gatherings.

- Improved Amenities and Events:
    - People expressed the need for permanent public restrooms, water bottle filling stations, and better seating options.

    - The idea of more community events such as outdoor movie nights, family gatherings, and music performances was also popular to encourage a lively, engaging atmosphere.

These themes reflect a desire for a mix of practical amenities, social gathering places, and events to foster a sense of community in the town square. Other common responses included the desire for more evening dining options other than the food truck event. Suggestions included the addition of bars, restaurants, and ice cream parlors at nearby businesses.

What would you not like to see in Town Square?

Respondents were then asked to select up to two options from the same list of amenities they would not like to see in Town Square. The top three selections that respondents would not like to see were More Vehicle Parking, Sand Volleyball Courts, and Mixed Sport Courts. Comparison of likes and dislikes from the survey only are available on Figure 3-17 in Appendix B.

Open Ended Responses

Respondents also left additional comments on elements they did not want to see in Town Square. Common themes included the following.

> *Don't put something there that causes more traffic, more trash, more noise.*
> *- Respondent No. 162*

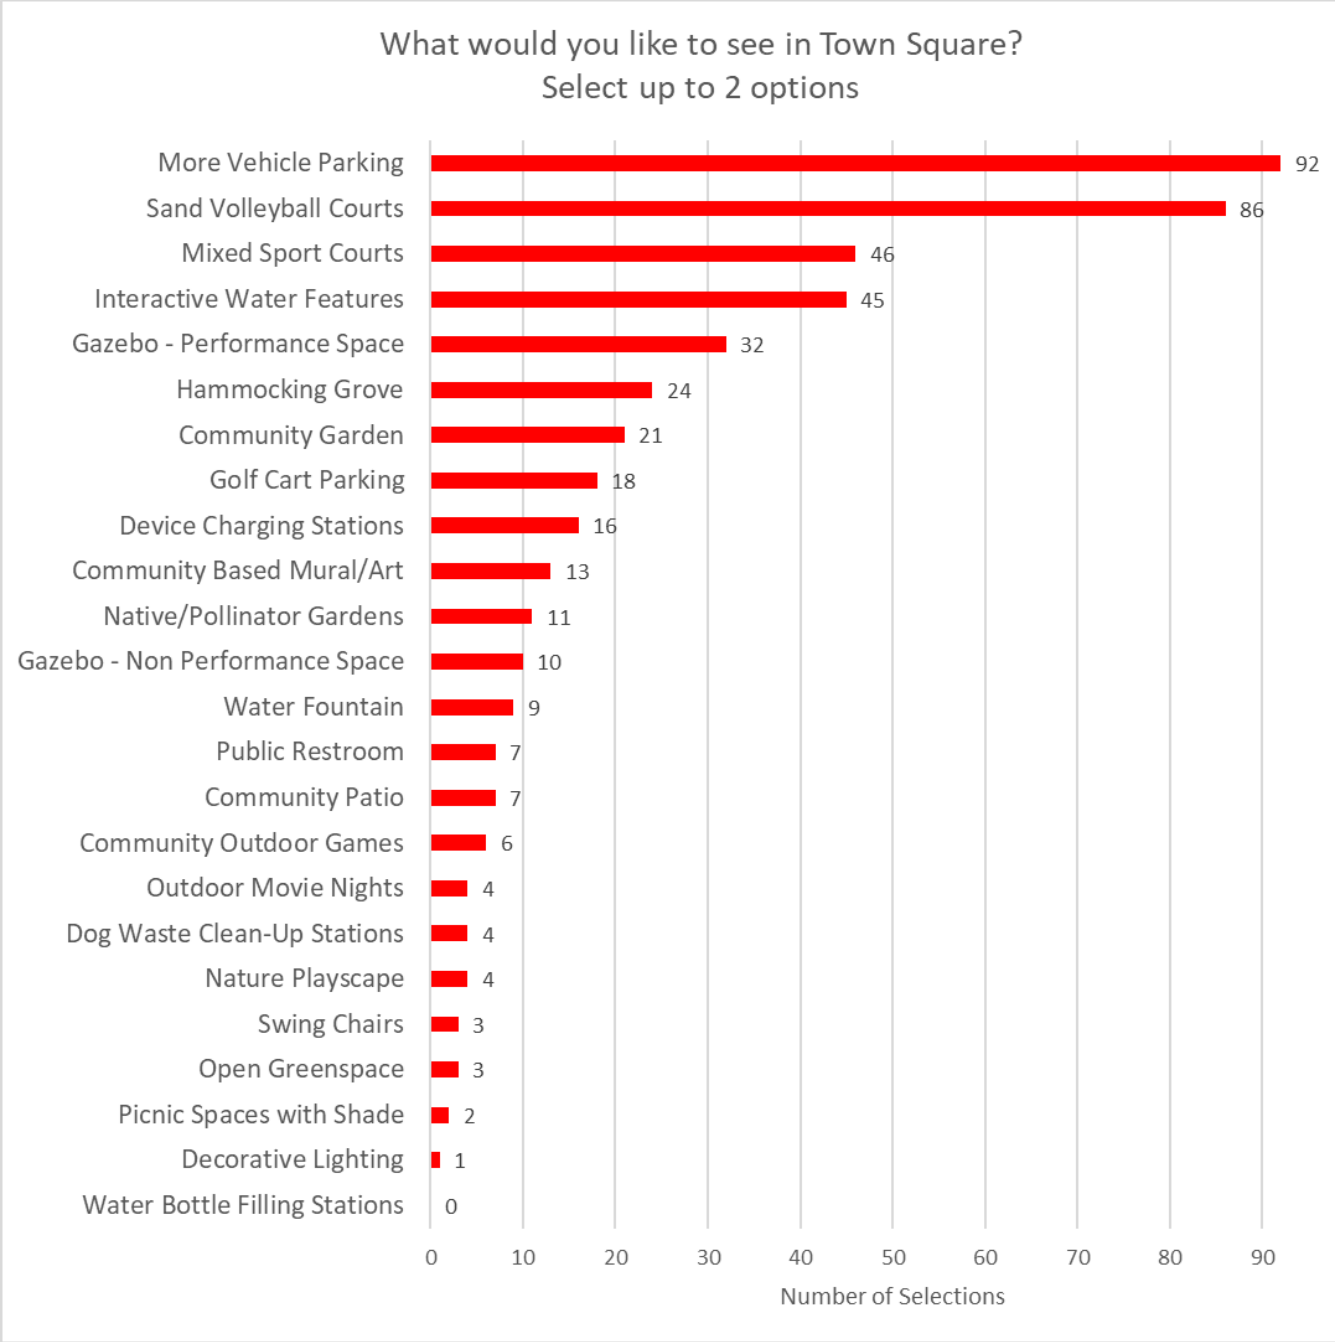

- Avoid Attracting Large Crowds and Increased Traffic
    - Many respondents expressed concerns about amenities or structures that would attract large numbers of visitors, leading to increased traffic, noise, and trash.

> *Don't waste additional prime space for car parking. Plenty of parking exists next to the brewery, church and parks.*
> *- Respondent No. 84*

- They mentioned avoiding large-scale events, big performance spaces, or anything that could draw non-residents or tourists in large numbers.

> *No stand alone performance stage. Expand the Town Hall porch to accommodate bigger performances.*
> *- Respondent No. 18*

Figure 3-16

Survey Responses to "What would you not like to see in Town Square?"

- Preserve Green Spaces and Avoid Overdevelopment

- There was a strong preference for maintaining open, green areas without additional buildings or permanent structures like large performance stages, pavilions, or big commercial developments.

- Respondents wanted to avoid losing green space and trees to amenities.

- Limit Specific Features and Amenities:
  - Items such as public device charging stations, splash pads, permanent sports courts (that were not just basketball), and parking expansions were repeatedly mentioned as unnecessary or undesirable.

  - Concerns were also raised about features that may not be utilized, such as community gardens, gazebos, and hammock groves, which could take up valuable space without adding meaningful benefit.

These themes highlight a desire to maintain the town square's character, prioritize resident use, and avoid developments that might overwhelm the area or disrupt its quaint atmosphere.

4.0 SUMMARY OF FINDINGS

After the community charrette and closing of the survey, responses were analyzed to gather a picture of how community members perceived Town Square and potential development.

4.1 Current Perception of Town Square

In both the Charrette and the Online Survey, respondents were asked what their favorite and least favorite parts of Town Square are currently. These responses were received in various ways from the public event and survey and compiled to provide clear top responses.

4.1.1 Favorite Parts of Town Square

When asked at both the community charrette and in the online survey, respondents provided key information outlining favorite events, memories, and feel of the Town Square. Responses were placed into a word cloud generator to quickly visualize community members responses. Overwhelmingly, residents mentioned Town Hall, open green space, trees, basketball courts, events and the library as their most cherished parts of Town Square.

Figure 4-1

Word Cloud Summarizing Respondents Favorite Parts of Town Square

The design team also sorted responses by key themes described in their responses. As seen in Figure 4-1, most respondents emphasized their love for the open green space, with a total of 59 respondents from both the Charrette and Online Survey (Figure xx). Other favorite features included Town Hall, the “quaint” feeling, and the existing trees.

Figure 4-2

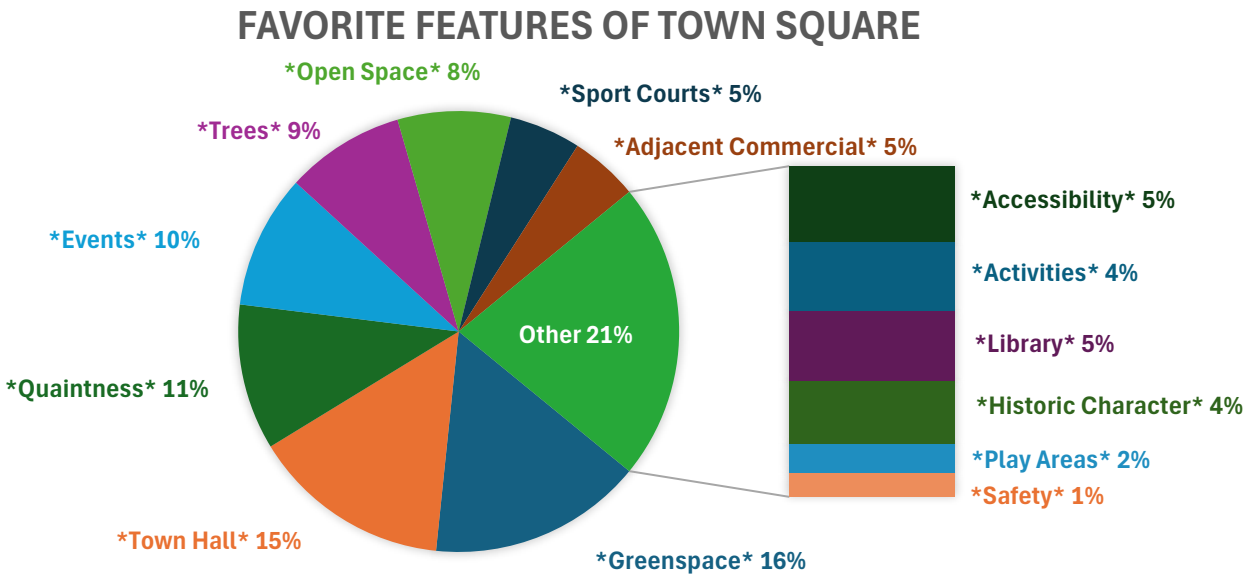

Chart Displaying Respondents Favorite Features of Town Square

Table 4-1

	Survey SUBTOTAL	% of Total	Charette SUBTOTAL	% of Total	TOTAL	% of Total
Greenspace	51	12.1%	21	58.3%	72	15.7%
Town Hall	58	13.7%	9	25.0%	67	14.6%
Quaintness	49	11.6%		0.0%	49	10.7%
Events	45	10.7%		0.0%	45	9.8%
Trees	34	8.1%	6	16.7%	40	8.7%

Library	21	5.0%		0.0%	21	4.6%
Historic Character	19	4.5%		0.0%	19	4.1%
Play Areas	9	2.1%		0.0%	9	2.0%
Safety	7	1.7%		0.0%	7	1.5%

Table Displaying Favorite Features of Town Square Data

4.1.2 Least Favorite Parts of Town Square

Participants were also asked to provide feedback on what they do not enjoy about Town Square currently. When tabulating responses into a word cloud, most individuals talked about the traffic running through the area, and the last of a public restroom. Some individuals mentioned the basketball courts as something they would not mind being relocated and a perception of a lack of parking in the area. Parking was a tenuous topic, with some desiring more parking and others believing there is enough within the area.

Figure 4-3

Word Cloud Displaying Respondents Least Favorite Parts of Town Square

Figure 4-4

Lack of Playground	2	0.8%		0.0%	2	0.7%

Table Displaying Full List of Least Favorite Features of Town Square Data

When the design team identified key themes from the responses, 33% of participants voiced that a lack of facilities (restrooms) was a major concern for them. Other issues highlighted is the traffic, maintenance of the landscaping and lack of parking (Figures xx and xx).

4.2 Future Development of Town Square

Participants also provided feedback on what they would and would not like to see in Town Square in the future. Results from both the online survey and charette were analyzed by the design team.

4.2.1 What residents Want to see in Town Square

According to the open-ended responses (Question XX), most respondents wanted more trees in the Town Square. Other desires were restaurant options, open areas, decorative lighting and bathrooms

Figure 4-5

Word Cloud Displaying What Residents Want to See Within Town Square

Results from the amenity polling had related results with the top three likes being open greenspace, public restroom and decorative lighting. Figure 4-7 shows the combined charrette and online survey results for likes and dislikes.

4.2.2 What residents do not want to see in Town Square

Respondents to the survey highlighted several items they would not like to see within Town Square. One of which was additional parking (Figure 4-6). Many felt that this would impede on valuable green space in the area and deter from the “small-town” feel. Respondents were also concerned with any new amenity attracting non-residents to the area such as the splash pad, gazebo, performance spaces and large events. Dislikes from the amenity polling can also be seen in Figure 4-7.

Figure 4-6

Word Cloud Displaying What Residents Do Not Want to See Within Town Square

Figure 4-7

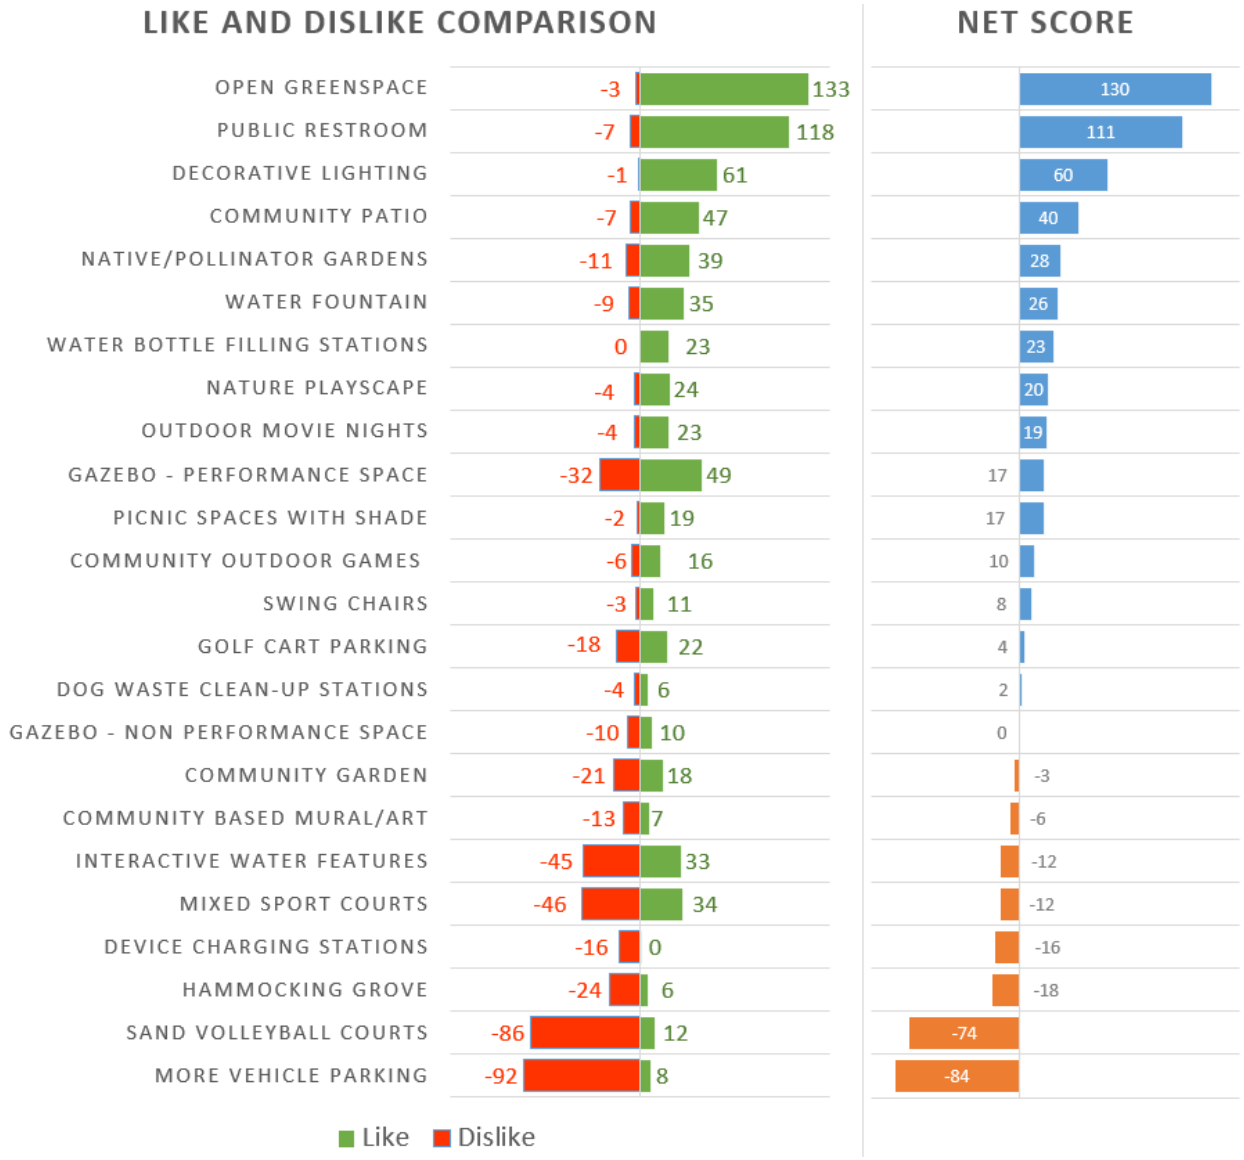

Chart Displaying Overall Ranking of Each Amenity Presented from Charrette and Survey Data

The above chart highlights overall likes and dislikes of suggested amenities. Counts show the combined results from both the charrette and online survey. A Net Score was given to each amenity showing the difference between likes and dislikes. The higher the number, the more liked, and lower the less liked the amenity was by respondents.

As discussed in previous sections, the top three amenities liked by respondents were open greenspace, a public restroom and decorative lighting. The least liked amenities were added vehicle parking, the sand volleyball court and hammocking grove.

Figure 4-8

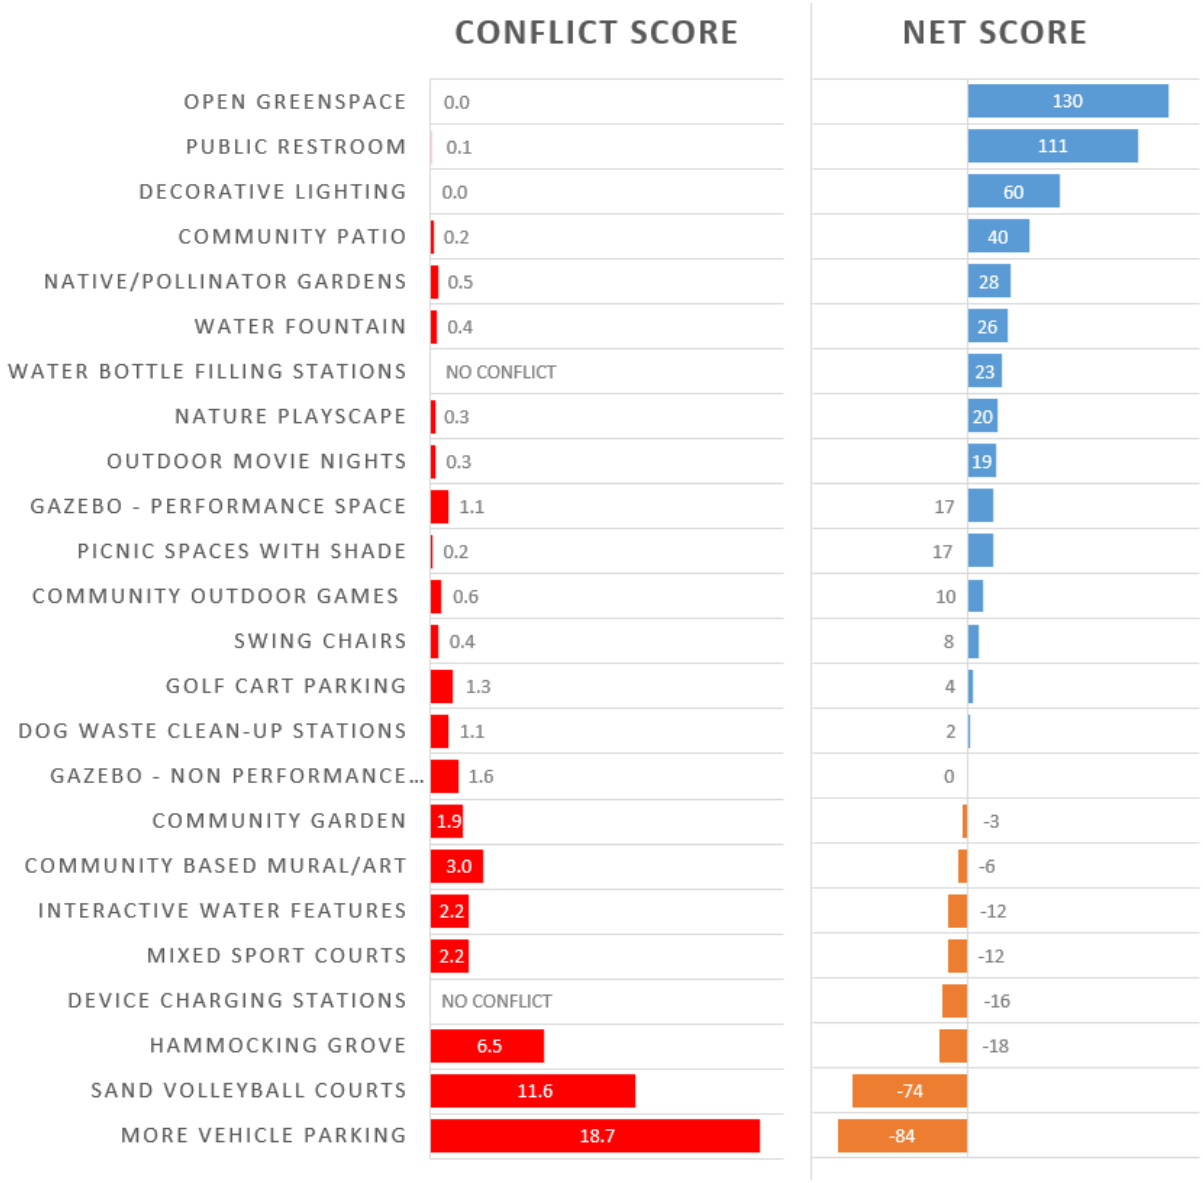

Chart Displaying Conflict Score of Each Amenity Presented from Charrette and Survey Data

The above chart reflects a Conflict Score which highlights design elements that reflect an overall high level of conflict due to a greater variance between likes and dislikes. The Conflict Score is a ratio of each element's percent of the total amount of dislikes and likes.

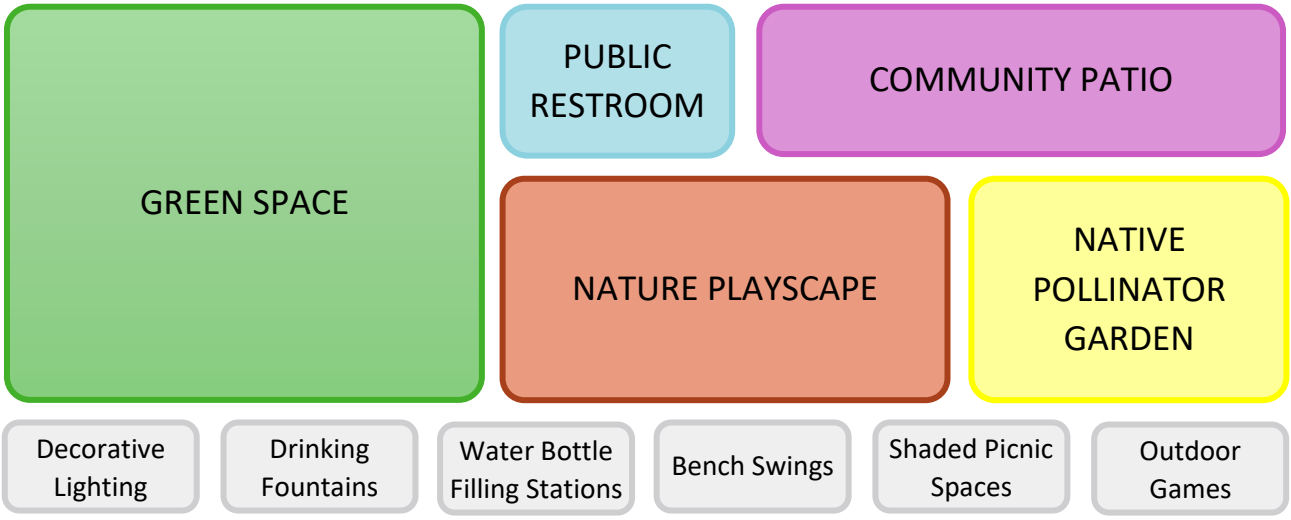

Elements marked as "NO CONFLICT" had either all "Likes" or all "Dislikes".

5.0 CONCLUSION

Based on the input from the residents and the analysis of the data, we recommend that conceptual plan be developed to include the top major planning elements with the favored design elements thoughtfully located throughout the Square. Design ideas from the top 4 charrette designs would be incorporated into the concept plans as outlined below.

5.1 CONCEPT A COMPONENTS

Figure 5-1

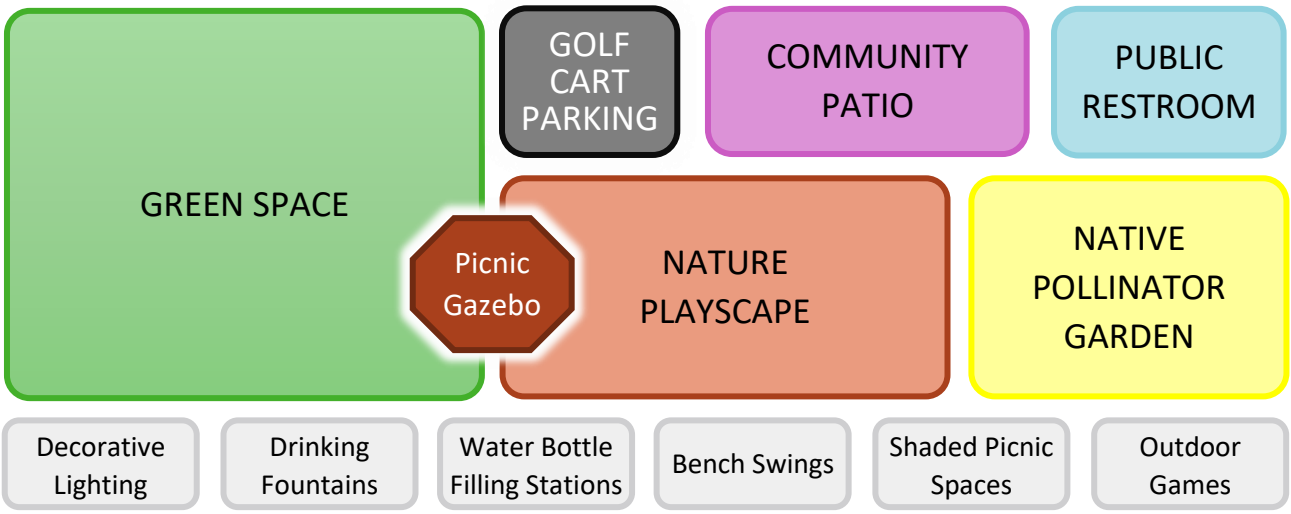

Concept A of Future Town Square Development

A separate conceptual plan that incorporates some of the elements with a higher Conflict Score but an overall positive Net Score could be generated to compare options for moving forward.

5.2 CONCEPT B COMPONENTS

Figure 5-2

Concept B of Future Town Square Development

APPENDIX B – Online Survey

Windermere Town Square Charrette Survey - Potential Improvements

Nov 12, 2024

All Windermere residents are encouraged to complete the survey on potential improvements to Town Square.

* Required

Introduction

Please introduce yourself

Full name *

Address *

Did you attend the in-person Windermere Town Square Charrette? *

- ◯ Yes
- ◯ No

Input Questions

What is your **favorite** part of Town Square as it is **currently?** *

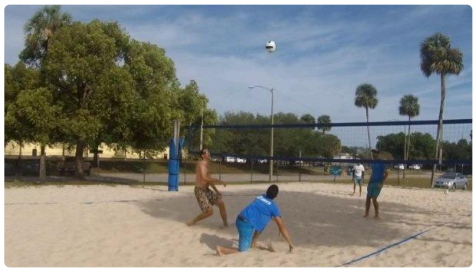

What is your **least favorite** part of Town Square as it is **currently?** *

What would you **like** to see in Town Square? Select up to 3 options that you would like to see.

Please select at most 3 options.

☐ Mixed Sport Courts (combined basketball, pickelball, tennis, etc.)

N/A - Provided during Charrette

Are there any additional items you would not like to see in Town Square in the future?

N/A - Provided during Charrette

Would you like to provide the design team with any additional feedback?

We didn't discuss the 9/11 memorial space. It can be moved to allow for more pathway and flow. Should go nearer the Veteran's Memorial. We also didn't talk about the return of the horse- best place for that is in Town Square park on corner of Main and CW - but across from the admin building.

Windermere Town Square Charrette

Response #5 of 244

Public Input Survey Official Results

Start Time 10/30/2024 9:10:36 PM **Completion Time** 10/30/2024 9:20:52 PM

Did you attend the in-person Windermere Town Square Charrette?

No

What is your favorite part of Town Square as it is currently?

The green spaces, the small town feel, and the historic preservation of our town hall. This property is beautiful, and is the pinnacle of our downtown area.

What is your least favorite part of Town Square as it is currently?

The B2B businesses don't bring anything to the town, there has been development in the past that hasn't fit the small town aesthetic, ie. the orthodontist building or old medical offices.

What would you like to see in Town Square? Select up to 3 options that you would like to see.

Decorative Lighting;Native/Pollinator Gardens;Open Greenspace;

Are there any additional items you would like to see in Town Square in the future?

What would you not like to see in Town Square? Select up to 2.

More Vehicle Parking;Mixed Sport Courts (combined basketball, pickelball, tennis, etc.);

Are there any additional items you would not like to see in Town Square in the future?

Do not want a splash pad in any way shape or form.

Would you like to provide the design team with any additional feedback?

Windermere Town Square Charrette

Response #6 of 244

Public Input Survey Official Results

Start Time 10/30/2024 9:10:31 PM **Completion Time** 10/30/2024 9:21:03 PM

Did you attend the in-person Windermere Town Square Charrette?

No

What is your favorite part of Town Square as it is currently?

It's historic charm, trees, and greenery.

What is your least favorite part of Town Square as it is currently?

All of the B2B entities (realty offices, and commercial offices) throughout downtown - these serve little to no purpose for residents. I also don't enjoy the new development that does not match the small town aesthetic such as the former medical offices on oakdale and main as well as the orthodontist building next to the church.

What would you like to see in Town Square? Select up to 3 options that you would like to see.

Decorative Lighting;Water Fountain;Open Greenspace;

Are there any additional items you would like to see in Town Square in the future?

What would you not like to see in Town Square? Select up to 2.

Are there any additional items you would not like to see in Town Square in the future?

Definitely would not enjoy an interactive splash pad as it would likely bring in non-residents in droves. It would also require a lot of tax dollars to maintain.

Would you like to provide the design team with any additional feedback?

Would you like to provide the design team with any additional feedback?

Preserve the historic designation of town hall.
Add bathrooms away from the town hall building-near library.
Green space.
More Trees.
Benches and picnic tables.
Cal Palmer space repurposed into useable space for the community .
No more parking.
No food trucks.
No farmers market.
Town square for town residents not a gathering spot for surrounding communities.
Refurbish basketball courts for our youth.
Better lighting.
Better pathways.

Public Input Survey Official Results

Start Time 11/1/2024 3:58:14 PM **Completion Time** 11/1/2024 4:08:35 PM

Did you attend the in-person Windermere Town Square Charrette?

No

What is your favorite part of Town Square as it is currently?

The space it provides for hanging out during events. The open space for sports and family activities.

What is your least favorite part of Town Square as it is currently?

Lack of bathrooms

What would you like to see in Town Square? Select up to 3 options that you would like to see.

Open Greenspace;Community Outdoor Games (table tennis, bag toss, etc.);Basketball courts as is. No tennis/pickleball ;

Are there any additional items you would like to see in Town Square in the future?

Leave town square an open concept that is flexible.

What would you not like to see in Town Square? Select up to 2.

Gazebo - Performance Space;Hammocking Grove;

Are there any additional items you would not like to see in Town Square in the future?

No stand alone performance stage. Expand the Town Hall porch to accommodate bigger performances.

Would you like to provide the design team with any additional feedback?

Just because we can add something doesn't mean we should. The Rotary performance stage is a good lesson learned. The more we leave it a an open space the more flexible and accommodating for any event is possible.

Would you like to provide the design team with any additional feedback?

Moving the Cal Palmer Building to the area by the school house would create a historic area AND opens a space for the toilets.

(They could serve both Town Square and Central Park.)

Closing Brick Main would enhance the area between the Mains.

These are the key elements. After them, the rest falls into place.

Interactive Water Features/Splash Pad;Sand Volleyball Courts;

Are there any additional items you would not like to see in Town Square in the future?

Would you like to provide the design team with any additional feedback?

We need handicap accessible public restrooms! Not having public restrooms puts a burden on local businesses. Also during events that I have worked at through my position on the parks and rec committee, there have been many occasions where I have had upset caregivers not having an adequate handicap accessible bathroom.

Also I think a fun activity is bocce ball. In Palmetto bluff SC there are bocce ball courts at their town square and it looks fantastic. They have a great set up with the ball storage and instructions also.

Windermere Town Square Charrette

Response #24 of 244

Public Input Survey Official Results

Start Time 11/1/2024 5:24:38 PM **Completion Time** 11/1/2024 5:33:31 PM

Did you attend the in-person Windermere Town Square Charrette?

No

What is your favorite part of Town Square as it is currently?

I love the historic Town Hall and surrounding open areas, however I do feel like we need to invest in a renovation.

What is your least favorite part of Town Square as it is currently?

No bathrooms!!!

What would you like to see in Town Square? Select up to 3 options that you would like to see.

Public Restroom;Community Outdoor Games (table tennis, bag toss, etc.);Gazebo - Performance Space;

Are there any additional items you would like to see in Town Square in the future?

Yes! Water bottle filling stations, dog waste stations, a community patio.

What would you not like to see in Town Square? Select up to 2.

Mixed Sport Courts (combined basketball, pickelball, tennis, etc.);Hammocking Grove;

Are there any additional items you would not like to see in Town Square in the future?

Would you like to provide the design team with any additional feedback?

Please do not listen to the few people that voice concern/are against progress and improvements. We need to continue to work toward improving all aspects of our town and in a timely manner. Windermere is a highly sought after area and our residents deserve a place that they can be proud of.

Basically none of the other stuff because there just isn't space. Some of the playground, picnic tables and sport/game things would fit much better in the existing playgrounds. The pollinator gardens or native garden areas would be nice to put along the

Would you like to provide the design team with any additional feedback?

Some of your ideas are lovely but they don't fit in that small geographic area. If you want them in the town please look at putting them in other places. And please no more parking. Oh and the plans for the traffic circle look scary as heck. They do not look safe please plan carefully for walk-ability and bicycles. Please remember that the town residents don't want to drive everywhere in town.

Did you attend the in-person Windermere Town Square Charrette?

No

What is your favorite part of Town Square as it is currently?

Town Square is open to everyone, providing green spaces and areas for community events.

What is your least favorite part of Town Square as it is currently?

We need public restrooms available for our community. As a member of the Parks and Recreation Committee, I believe it is essential to provide restroom facilities for our neighbors and at town events. Additionally, I find it disruptive that many cars use the road in front of Town Hall as a shortcut to avoid waiting on Main Street.

Did you attend the in-person Windermere Town Square Charrette?

No

What is your favorite part of Town Square as it is currently?

East of Town Hall is a great space and enjoyable place to walk through or sit.

What is your least favorite part of Town Square as it is currently?

Forrest Ave edge needs landscape design that provides a green buffer between residential and Town Square. It now looks abandoned. 9/11 Memorial is too big and is in wrong place.

What would you like to see in Town Square? Select up to 3 options that you would like to see.

Open Greenspace;Water Bottle Filling Stations;Public Restroom;

Are there any additional items you would like to see in Town Square in the future?

Very designed landscape plan that is minimum maintenance buffer but adds color and texture.

What would you not like to see in Town Square? Select up to 2.

Sand Volleyball Courts;Gazebo - Performance Space;

Are there any additional items you would not like to see in Town Square in the future?

Things that prevent the space from being very flexible.

Would you like to provide the design team with any additional feedback?

Lots of items are nice but are not going to keep the space flexible and uncluttered. Tennis pickle ball are elsewhere and do not need to be duplicated on Town Square. Fountains and community gardens are great but very high maintenance and could be elsewhere. We do not need Town Square to be a theme park or replace things that could better be placed in Central Park.

Response #54 of 244

Public Input Survey Official Results

Start Time 11/4/2024 5:27:12 PM **Completion Time** 11/4/2024 5:37:17 PM

Did you attend the in-person Windermere Town Square Charrette?

No

What is your favorite part of Town Square as it is currently?

I love townhall and the greenspace around it making it very walkable, easy to host events, the kids can play basketball, play frisbee or soccer on the grass. The trees are lovely - they provide a nice canopy but yet leave enough space for activity below.

What is your least favorite part of Town Square as it is currently?

The lack of permanent bathrooms. I also think the ambient lighting could be better so there is some lighting at night - think of during the holidays when its lit up - its soft but pleasant to walk through. I also think it would be cool if there were lights on timers for the basketball courts so kids could play later.

What would you like to see in Town Square? Select up to 3 options that you would like to see.

Open Greenspace;Public Restroom;Decorative Lighting;

Are there any additional items you would like to see in Town Square in the future?

I like the basketball courts but I don't think we need to do more with tennis and pickleball - there are other courts in town. I really like it as is, just cleaned up a bit, better bathrooms, better lighting...the water filling station would be nice. But

What would you not like to see in Town Square? Select up to 2.

Interactive Water Features/Splash Pad;More Vehicle Parking;

Are there any additional items you would not like to see in Town Square in the future?

I think community gardens are lovely but they take up a lot of space. I think if people want a community garden why not forest and 7th on the side of the little school? That's empty space. I think the town hall area is such a gathering space and we need o

Would you like to provide the design team with any additional feedback?

I love the events the city puts on, love to see kids playing down at the park, people hanging out. I love the connectivity with townhall and the library. I don't think the space needs major changes - just spruce it up, add nice bathrooms, improve the lighting - niceties like the water filling stations would be lovely, but let's not put more permanent structures in this place. Thank you very much for having the survey available to us.

Response #95 of 244

Public Input Survey Official Results

Start Time 11/5/2024 9:00:37 AM **Completion Time** 11/5/2024 9:07:57 AM

Did you attend the in-person Windermere Town Square Charrette?

No

What is your favorite part of Town Square as it is currently?

My favorite part of Town Square is that it has a lot of green space for kids to play whatever pick-up game they chose. It offers the basketball courts and the soccer fields and generally feels welcoming for people to walk around or sit at a bench.

What is your least favorite part of Town Square as it is currently?

It is too dark in the winter evenings for activities so more lighting would be very helpful.

Response #102 of 244

Public Input Survey Official Results

Start Time 11/5/2024 8:04:41 AM **Completion Time** 11/5/2024 9:20:34 AM

Did you attend the in-person Windermere Town Square Charrette?

No

What is your favorite part of Town Square as it is currently?

Historic town hall, green space

What is your least favorite part of Town Square as it is currently?

Large public events

What would you like to see in Town Square? Select up to 3 options that you would like to see.

Open Greenspace;Native/Pollinator Gardens;

Are there any additional items you would like to see in Town Square in the future?

What would you not like to see in Town Square? Select up to 2.

Gazebo - Performance Space;More Vehicle Parking;

Are there any additional items you would not like to see in Town Square in the future?

None. Any additional items will serve to attract the greater Central Florida community.

Would you like to provide the design team with any additional feedback?

Please...no gazebo or soundstage. Windermere is a residential community and does not have enough available space to incorporate such without negatively impacting the surrounding residents and community. We are not Winter Garden or Winter Park, each has a much larger downtown space and a greater buffer between such and the residential area. Thank you

Windermere Town Square Charrette

Response #105 of 244

Public Input Survey Official Results

Start Time	11/5/2024 9:19:00 AM	**Completion Time**	11/5/2024 9:28:22 AM

Did you attend the in-person Windermere Town Square Charrette?

No

What is your favorite part of Town Square as it is currently?

The ability to use Town Hall for functions - both with the community and from a personal / family side! Also the small quaint atmosphere that is Windermere Town Square. Can't find this anywhere else - it is special.

What is your least favorite part of Town Square as it is currently?

Bathroom facilities outside of Town Hall - when Town Hall not opened - would be good for kids playing on the courts, shoppers, walkers, etc to use. Instead of going into Dixie Cream. And not a fan of large events that bring in hundreds of visitors. Farmers Market on Friday is an example of just big enough... and wonderful for the town.

What would you like to see in Town Square? Select up to 3 options that you would like to see.

Dog Waste Clean-Up Stations;Public Restroom;Open Greenspace;

Are there any additional items you would like to see in Town Square in the future?

What would you not like to see in Town Square? Select up to 2.

Gazebo - Performance Space;More Vehicle Parking;

Are there any additional items you would not like to see in Town Square in the future?

Would you like to provide the design team with any additional feedback?

Please keep things simple and in alignment with a small town... think less is more!

Windermere Town Square Charrette

Response #125 of 244

Public Input Survey Official Results

Start Time 11/5/2024 11:01:01 AM **Completion Time** 11/5/2024 11:15:29 AM

Did you attend the in-person Windermere Town Square Charrette?

No

What is your favorite part of Town Square as it is currently?

Lolz

What is your least favorite part of Town Square as it is currently?

Websites with surveys like this should never be used in any official capacity. It's too easy to put fraudulent responses that support an agenda

What would you like to see in Town Square? Select up to 3 options that you would like to see.

Are there any additional items you would like to see in Town Square in the future?

Anyone could fill this out. People who don't know Windermere exists could stuff this with absurd responses.

What would you not like to see in Town Square? Select up to 2.

Are there any additional items you would not like to see in Town Square in the future?

Less online surveys

Would you like to provide the design team with any additional feedback?

No.

Public Input Survey Official Results

Start Time 11/5/2024 11:44:13 AM **Completion Time** 11/5/2024 11:54:37 AM

Did you attend the in-person Windermere Town Square Charrette?

No

What is your favorite part of Town Square as it is currently?

The open green space and basketball courts. The historic town hall.

What is your least favorite part of Town Square as it is currently?

It needs basic updating to the facilities. I'd live the building to maintain its current curb appeal but update.

What would you like to see in Town Square? Select up to 3 options that you would like to see.

Open Greenspace;Decorative Lighting;Public Restroom;

Are there any additional items you would like to see in Town Square in the future?

What would you not like to see in Town Square? Select up to 2.

Interactive Water Features/Splash Pad;Gazebo - Performance Space;

Are there any additional items you would not like to see in Town Square in the future?

I would not like a large structure for performances. I like the open air, open space for meetings, parties, events, play dates, etc.

Would you like to provide the design team with any additional feedback?

I think you all do an amazing job keeping our small town small and charming. Our dirt roads, historic structures and trees help make Windermere a town for generations of families to grow.

Did you attend the in-person Windermere Town Square Charrette?

No

What is your favorite part of Town Square as it is currently?

I like that it's not quite a square (it's a rectangle) but it's striving toward a goal. "Fake it 'til you make it"

What is your least favorite part of Town Square as it is currently?

As a girl I watched a lot Gilmore Girls. That town square with its gazebo, little events, shops, and plethora of quirky town folks is a dream. Rory can't read a book or navigate young love in our square now can she? Where is the oddball charm? I need to have my Lorelai era and setting is very much apart of that.

What would you like to see in Town Square? Select up to 3 options that you would like to see.

Gazebo - Performance Space;Native/Pollinator Gardens;cats and raptors for natural pest control;

Are there any additional items you would like to see in Town Square in the future?

-People
-Romance

Would you like to provide the design team with any additional feedback?

Find a way to encourage residents that live on Main Street to clean up their yards that are full of weeds and overgrown shrubs and make their landscape clean and welcoming. They introduce visitors to our town. It's a shame they look so run down. Have the Pines clean up their property along Main Street. Make sure fences are mended not left broken. Enforce removal of dead trees. Enforce boat trailers not parked in driveways. Make Windermere Beautiful! Please add lighting from town to the school. Our town is so dark and scary at night. Park benches paid for by deceased family members of Windermere would be nice. Even placards on lighting in memory of could be nice. Lighting that provides hanging baskets would be great but must be maintained or don't have them. The water feature could be paid by Windermere families with a plaque. If you make a list of items, perhaps families would contribute so we can make Windermere beautiful!

Need to build pickleball on land by butler bay rec center for residents.

Windermere Town Square Charrette

Response #152 of 244

Public Input Survey Official Results

Start Time 11/5/2024 1:22:44 PM **Completion Time** 11/5/2024 1:40:02 PM

Did you attend the in-person Windermere Town Square Charrette?

No

What is your favorite part of Town Square as it is currently?

Old charm style decor, coffee shop, cafes, and boutiques

What is your least favorite part of Town Square as it is currently?

The businesses that just take up space and don't really apply to a lot of people. I'd much rather have more places to actually utilize for fun and closeness in the community with shopping, experiences, and eating.

What would you like to see in Town Square? Select up to 3 options that you would like to see.

Gazebo - Performance Space;Community Patio;Nature Playscape;

Are there any additional items you would like to see in Town Square in the future?

Background music playing on permanent speakers, soothing lighting, and fountains add SO much for even just a cozy evening stroll. (Cranes Roost in Altamonte Springs does this)

What would you not like to see in Town Square? Select up to 2.

Are there any additional items you would not like to see in Town Square in the future?

Would you like to provide the design team with any additional feedback?

Details are everything. Keep the pretty black metal light/sign poles freshly painted/straight. Again, building on that old charm ambience, lighting and music could bring so much to the table.

Start Time 11/5/2024 2:11:04 PM **Completion Time** 11/5/2024 2:30:27 PM

Did you attend the in-person Windermere Town Square Charrette?

No

What is your favorite part of Town Square as it is currently?

The charming ambiance, library, but the library volume needs serious upgrade.

What is your least favorite part of Town Square as it is currently?

The traffic going through. Lack of playground for kids.

What would you like to see in Town Square? Select up to 3 options that you would like to see.

Community Outdoor Games (table tennis, bag toss, etc.);Nature Playscape;Community Garden;

Are there any additional items you would like to see in Town Square in the future?

Better library volume, playground, Garden composting area and shaded walking trail

What would you not like to see in Town Square? Select up to 2.

Sand Volleyball Courts;Golf Cart Parking;

Are there any additional items you would not like to see in Town Square in the future?

Commercial buildings taking away nature and trees not interested.

Would you like to provide the design team with any additional feedback?

Ecoconsiousness, lower budget as not to increase already high taxes.

Are there any additional items you would not like to see in Town Square in the future?

N/A - Provided during Charrette

Would you like to provide the design team with any additional feedback?

It was a good meeting, well hosted by Chris, Brad and Sarah.

I believe that youth and families should be the main focus. The community is getting younger and we are fortunate to have a families from other communities visit to the benefit of our local businesses.

Truck night is hugely popular with families and is a monthly opportunity to socialise with neighbours and friends and again, support local businesses.

Retaining the green space that borders Forest St was a majority wish.

Permanent toilets were discussed and I believe that the consensus was that they are a necessity if we are to have events.

I thought that the idea to create a brick pedestrian area in front of the Town Hall made a lot of sense. This would allow more room to create open space for benches and a shaded area. It was suggested that bollards be installed to stop the traffic cut through, which is quite dangerous in the mornings. These could be lowered for emergency vehicles and events.

The suggestion that the Memorial Building be relocated to the grounds of the school house, is worth further consideration.

Thanks for your time.

Did you attend the in-person Windermere Town Square Charrette?

No

What is your favorite part of Town Square as it is currently?

Windermere Town Hall area-green space

What is your least favorite part of Town Square as it is currently?

Lack of restrooms and places to eat

What would you like to see in Town Square? Select up to 3 options that you would like to see.

Community Patio;Public Restroom;Open Greenspace;

Are there any additional items you would like to see in Town Square in the future?

The area to the right of the library behind town hall should be able to accommodate a few food trucks. We should also install some path/sidewalk type lighting back there to help extend the space

What would you not like to see in Town Square? Select up to 2.

Sand Volleyball Courts;Interactive Water Features/Splash Pad;

Are there any additional items you would not like to see in Town Square in the future?

We do not need more parking in the center space by the courts. There is plenty of parking especially with the new retail building in the area with the church overflow

Would you like to provide the design team with any additional feedback?

Its most important to add restrooms and hold the greenspace in tact. Adding walking paths with lighting helps extend the space

Windermere Town Square Charrette

Response #195 of 244

Public Input Survey Official Results

Start Time 11/10/2024 12:22:25 PM **Completion Time** 11/10/2024 12:30:33 PM

Did you attend the in-person Windermere Town Square Charrette?

No

What is your favorite part of Town Square as it is currently?

It is a gathering place for families of the town. Various activities and attractions tend to promote this, such as Food Trucks, Holiday Hoopla, Pet Fest, Windermere Wine and Dine.

What is your least favorite part of Town Square as it is currently?

There is dead space, the old Finders Keepers is unused/underutilized. What can it be used for that would benefit the town?

Landscaping can be better handled.

What would you like to see in Town Square? Select up to 3 options that you would like to see.

Water Fountain;Interactive Water Features/Splash Pad;Community Patio;

Are there any additional items you would like to see in Town Square in the future?

I feel strongly about the splash pad for kids. Winter Garden and Winter Park both have them and they draw families into the community and also would bring business opportunities for the town businesses from those families.

What would you not like to see in Town Square? Select up to 2.

Sand Volleyball Courts;More Vehicle Parking;

Are there any additional items you would not like to see in Town Square in the future?

Anything that is likely to go unused, sit vacant is a waste of time.

Would you like to provide the design team with any additional feedback?

Did you attend the in-person Windermere Town Square Charrette?

No

What is your favorite part of Town Square as it is currently?

I love the look of Town Hall and its historical value. I also really like that we have so much green space and pretty trees.

What is your least favorite part of Town Square as it is currently?

I wish the basketball courts were not so close to Town Hall. I also think the back porch is in a terrible state of disrepair and needs to be torn down and rebuilt. I also wish we had more public restrooms and the dumpster was in an enclosed or fenced area that is still accessible by the garbage truck.

What would you like to see in Town Square? Select up to 3 options that you would like to see.

Open Greenspace;

Are there any additional items you would like to see in Town Square in the future?

What would you not like to see in Town Square? Select up to 2.

Public Restroom;Hammocking Grove;

Are there any additional items you would not like to see in Town Square in the future?

We have plenty of playgrounds elsewhere in the town so no playscapes at anything like that. Keep the space as open as possible for town events and people of all ages.

Would you like to provide the design team with any additional feedback?

Public Input Survey Official Results

Start Time 11/14/2024 7:56:55 AM **Completion Time** 11/14/2024 8:01:47 AM

Did you attend the in-person Windermere Town Square Charrette?

No

What is your favorite part of Town Square as it is currently?

The simplistic untouched design.

What is your least favorite part of Town Square as it is currently?

The ugly buildings being built and no public restroom. Good job on assuming your sound stage was going to get approved.

What would you like to see in Town Square? Select up to 3 options that you would like to see.

Open Greenspace;Native/Pollinator Gardens;Public Restroom;

Are there any additional items you would like to see in Town Square in the future?

Water fountain, less inviting for people to come into town.

What would you not like to see in Town Square? Select up to 2.

Gazebo - Performance Space;More Vehicle Parking;

Are there any additional items you would not like to see in Town Square in the future?

Residents don’t want more area being taken up for vehicle parking. Contrary to popular opinion, we don’t want our town to look like winter garden or others.

Would you like to provide the design team with any additional feedback?

Less is more. Windermere is a quaint town, keep it that way.

Did you attend the in-person Windermere Town Square Charrette?

No

What is your favorite part of Town Square as it is currently?

I think the front of town square is my favorite.

The trees and landscaping and town hall is beautiful!

What is your least favorite part of Town Square as it is currently?

There really isn't any least favorite

The only thing I can think of is the parking area on 5th by the restaurant, and the back where people park.

What would you like to see in Town Square? Select up to 3 options that you would like to see.

Open Greenspace;Public Restroom;Outdoor Movie Nights;

Are there any additional items you would like to see in Town Square in the future?

What would you not like to see in Town Square? Select up to 2.

Sand Volleyball Courts;Gazebo - Performance Space;

Are there any additional items you would not like to see in Town Square in the future?

Would you like to provide the design team with any additional feedback?

Just that where the parking is in the back on Forest street, maybe more trees for shade near the parking area and a natural walking path to the front from the parking area.

I know we lost some trees back there at one point a couple of years ago.

Windermere Town Square Charrette

Response #225 of 244

Public Input Survey Official Results

Start Time 11/14/2024 1:14:04 PM **Completion Time** 11/14/2024 1:26:46 PM

Did you attend the in-person Windermere Town Square Charrette?

No

What is your favorite part of Town Square as it is currently?

green space, old trees, community gathering

What is your least favorite part of Town Square as it is currently?

loud music, parking chaos, hazard in the surrounding area for those walking

What would you like to see in Town Square? Select up to 3 options that you would like to see.

Open Greenspace;Community Patio;Nature Playscape;

Are there any additional items you would like to see in Town Square in the future?

keep the small town feeling and prioritize neighboring residents over commercial events - don't make it a 2nd winter garden! keep the dirt roads around town square walkable and people from cutting through at excessive speed to avoid the traffic back up!

What would you not like to see in Town Square? Select up to 2.

More Vehicle Parking;Outdoor Movie Nights;

Are there any additional items you would not like to see in Town Square in the future?

no more large commercial events that bring traffic & parking chaos or excessive noise - don't remove the trees and green spaces. we love our small and quiet town! that's why we live here and raise our families here!

Would you like to provide the design team with any additional feedback?

please make an effort to prioritize the quality of life of us residents who live right next door to the town square. we know residents who live further away, and potentially have louder voices, may have different ideas, but they don't have to deal with the impact of whatever is decided as much as we do.

Windermere Town Square Charrette

Response #230 of 244

Public Input Survey Official Results

Start Time 11/15/2024 1:57:54 PM **Completion Time** 11/15/2024 2:13:55 PM

Did you attend the in-person Windermere Town Square Charrette?

No

What is your favorite part of Town Square as it is currently?

Place for events. Outdoor dancing for Wine & Dine and specialty night bands or DJs.

What is your least favorite part of Town Square as it is currently?

No real bathrooms - creates mental stress. Too many kids running everywhere at town events (without a designated space for them) which makes it less enjoyable for people without kids to enjoy.

What would you like to see in Town Square? Select up to 3 options that you would like to see.

Community Garden;Public Restroom;Gazebo - Performance Space;

Are there any additional items you would like to see in Town Square in the future?

Things that remind people about sustainability. Any feature requiring electricity should be solar powered. Gardens and pollinator gardens educate as well as beautify. We are the town among the lakes and we should honor our natural resources.

What would you not like to see in Town Square? Select up to 2.

Interactive Water Features/Splash Pad;More Vehicle Parking;

Are there any additional items you would not like to see in Town Square in the future?

I would NOT like to see tennis combined with any of the other sports courts. It's already tough to get a tennis court in good parts of the day. Anything that further impedes access would be a negative. Additionally, we already have playgrounds in local pa

Would you like to provide the design team with any additional feedback?

We enjoy having a regular place to go (especially for many of us within walking distance or golf cart distance) to enjoy our fellow citizens. We don't want to become a destination that brings in more traffic, or have the center of town be great for families with young kids, but painful for the rest of us. Consider that the Town Square should be for everyone. We don't need too much "stuff". But we need the right amount of stuff that minimizes the need to drive to enjoy our community. A community garden could be educational and a way to bring people of all ages together, unless the maintenance is too great to be realistic. Having a performance gazebo would make it easier for live entertainment to be present in our always uncertain weather. Restrooms are extremely important for enjoying activities. I would especially like to ask for restrooms to be added at the downtown tennis courts (though outside of the town square).

Whatever is chosen, I would like an entity designated to the ongoing care, function, and maintenance of the improvements. This needs to be budgeted and funded before the project starts so that the entity responsible (public works, for example) is charged with, and funded for, the upkeep.
