JF Vendor is to provide their own power supply; either to connect to the Town's electrical suppl or via quiet/silent generator. All power cords that are in the service area must be secured to the ground to avoid accidents per Florida State Law. Please ensure your cord is the appropriate length.

JF If a vendor wishes to connect to the Town's power, the vendor must identify the amount of amperage needed to run the Truck during the event. Please review the attachment for the appropriate plug and amp size. We also have a 20 amp that utilizes the standard 3 prong plug. It is the Vendor's responsibility to ensure they have the correct plug and to understand their own power needs. The Town will not be responsible for any damages caused by power.

JF Prior to 4:30pm: Should a Vendor arrive without the appropriate hookups, is unable to connect to the Town's power supply, they will be asked to leave the event. Should this occur after 4:30pm, the Vendor will need to close down their Truck and not allow service. They will not be allowed to remove their Truck until after the event has ended.

JF Service time will begin at either 5pm or 6pm depending on the month. Generally, the only month that will begin at 5pm is November. Town Staff will advise of each month's start time. All events will run until 9:30pm.

JF Each truck should be prepared to serve approximately 250-300 people. Packing and cleaning up is permitted if you sell out prior to 9:30pm. Trucks must remain lit and accessible to optimize a professional look. The event ends at 9:30pm. It is the Vendor's responsibility to ensure they are not preparing/serving food or co[illegible]ecting payments after 9:30pm. Ha[illegible]itua[illegible] disregard wi[illegible] affect a[illegible]i[illegible]ty to participate in future events.

JF Each vendor must collect 6.5% on all taxable sales.

JF The Town of Windermere reserves the right to alter scheduled dates, rotations, Truck participation, and Truck availability based on cuisine, amperage, and conduct of participants.

JF If a truck is scheduled for a Town of Windermere Food Truck Night event, and cannot attend for any reason, it is the Vendor's responsibility to find a suitable replacement. Diane Edwards will provide you with a contact list. When a replacement is found, the original Truck will call or email Diane Edwards (dedwards@town.windermere.fl.us 407-876-2563 ext 5321) for final approval. The replacement Truck must be cleared by Town Staff, **AND** must be a Windermere-approved truck.

JF Replacement trucks are to pay the Town their $150 fee directly. Replacement trucks should not make payments to the truck they are replacing. The Town will refund the replaced truck.

Good morning,

Thank you for contacting the Florida Department of Business & Professional Regulation, Division of Hotels and Restaurants. There are 3 main State agencies that license and regulated food services; our agency (DBPR); the Florida Department of Agriculture & Consumer Services (FDACS); and the Florida Department of Health. If you hold a license issued by FDACS, you do not need to obtain a DBPR food service license. Any food service license from the aforementioned agencies would be a "State license." If the City of Orlando disputes or has any questions, please ask them to contact us at dhr.info@myfloridalicense.com.

Best regards,
