background

The Commission has been holding meaningful dialogue with experts in different fields that have added to the knowledge base for making decisions about the OAO. This worksession will invite two more local experts to have discussion with the Commission:

- David Lamm of Lamm & Co. Partners. Mr. Lamm has extensive construction experience in the Winter Park area, being the General Contractor of a number of large projects in Winter Park
- Brian Canin is the founder and Principal of Canin & Associates, leading a team of urbanists, planners, landscape architects, and architects. He brings a great deal of expertise on urban redevelopment.

Staff is setting this meeting up for the Commission to be able to have open dialogue and conversations, with no set agenda.
