RE	2026-27 Transit Operating Budget

Overview:

This memo provides a summary of the Transit Department's 2026-27 operating budget based on the 2026-27 winter season. A copy of each budget option has been attached to this memo as reference. The goal of this memo is to provide the Transit Department with a recommendation for approval of the 2026-27 operating budget. In September 2026, Fraser Town Council passed a Resolution to update the operating hours of the Emerald Line to reflect a 4-hour operating window between the hours of 7:37 AM- 9:15 AM and 3:15 PM-5:15 PM only. The five hours which the Emerald Line will not be operating will be serviced by The Lift Flex. Passengers electing to go to the Resort will connect with the Black Line at the Amtrack Station. After 5:30 PM, the Night Lift will operate as standard and riders using the Night Lift can call or book a ride using the Lift Flex app.

In the Town of Winter Park, The Lift Flex will service the boundaries of the Brown and Orange Lines between the hours of 7:00 AM – 5:00 PM. Passengers on the Lift Flex whose destination is the Winter Park Resort will make a connection at Cooper Creek Square to transfer to the Resort. After 5:00 PM, microtransit will operate within the boundaries of the former Night Lift service and operate until 2:30 AM as is currently standard.

Financial Analysis:

On July 1, 2025, the Town entered into an updated agreement for transit service with Transdev, which will remain in effect until July 1, 2028, with three additional one-year options, which would carry into July 1, 2028. Due to the updated agreement with Transdev, "fixed costs" have increased from $2,126,483.28 in the 2025-26 winter season to $2,205,000.63 in the 2026-27 winter season and the "hourly rate" has increased from $66.65 in the 2025-26 winter season to $68.63 in 2026-27 winter season.

Proposed 2026-27 Operating Budget

The operational cost below is inclusive of the service changes to the Emerald Line, microtransit, fuel costs, employee housing & training, as well as the increases in yearly operational costs which are consistent with the Town's service operations contract with Transdev.

RE	Update for Winter Microtransit Service Transition

Overview:

Beginning June 2026 and utilizing funding from the SB-230 grant program, the Town of Winter Park launched The Lift Flex, a planned microtransit pilot program within the boundaries of the Town of Winter Park. Beginning winter service season, the Lift Flex will operate in conjunction with the Brown and Orange lines between the hours of 7:00 AM-5:00 PM. During the hours of 7:00 AM and 5:00 PM, the Lift Flex will only service within the boundaries of the Brown and Orange lines. Passengers of the Lift Flex whose destination is the Winter Park Resort will transfer at Cooper Creek Square to their destination, Winter Park Resort. Beginning at 5:30 PM, the Lift Flex (the Night Lift) will transition from operating only within the Brown and Orange Line boundaries to operating within the communities of both Winter Park and Fraser, as is consistent the typical yearly Night Lift operations. The Night Lift will operate until 2:00 AM as is consistent with typical yearly Night Lift operations. Passengers may use the Lift Flex app or call dispatch to request a ride.
